AGENDA MEMORANDUM

FROM:	Ken Cheek, Director, Water Resources Department
SUBJECT:	Connection Fee Lien Agreement - Mullen
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

New Connection Charge Installment Lien Agreement, in the name of Phillip F. & Melissa M. Mullen to be recorded in the Official Record Book.

BUDGET IMPACT/FUNDING SOURCE:

RECOMMENDED ACTION:

Approve and authorize the Chairman to execute Connection Charge Installment Lien Agreement by and between the Citrus County Municipal Service Benefit Unit for Water and Wastewater Utility Services for Phillip F. & Melissa M. Mullen.

Attachment: Connection Fee Installment Lien Agreement - Mullen. (17233 : Connection Fee Lien Agreement - Mullen)

CONNECTION FEE INSTALLMENT LIEN AGREEMENT

("CFIL AGREEMENT")

THIS AGREEMENT entered into this _____day of _____, 2021, made and entered into by and between the Citrus County Board of County Commissioners the governing body of the CITRUS COUNTY MUNICIPAL SERVICE BENEFIT UNIT FOR WATER AND WASTEWATER UTILITY SERVICES, hereinafter called SERVICE UNIT and **Phillip F & Melissa M Mullen** whose mailing address is **5680 W Cardinal St Homosassa FL 34446** hereinafter referred to as PROPERTY OWNER.

WITNESSETH

WHEREAS, PROPERTY OWNER is required by either state law or county ordinance to connect to the SERVICE UNIT'S utility system and in doing so is required to pay either or all of the following fees (water connection fee, wastewater connection fee, installation fee, inspection fee, lateral fee) collectively referred to as "connection charges," and

WHEREAS, the cost of paying all of said fees at one time would create a financial burden to the PROPERTY OWNER and the PROPERTY OWNER is desirous of paying the connection charges on an installment basis;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties agree as follows:

1. PROPERTY OWNER does hereby agree to pay on an installment basis connection charges in the amount of **$1830.00** which shall be paid monthly in equal amounts amortized over ten (10) years (120 months) together with interest on the unpaid balance at the current rate of 6% per annum until the entire amount has been paid in full.

2. In order to secure the principal amount of connection charges referenced in paragraph 1 above, the PROPERTY OWNER agrees that this contract shall constitute a lien upon the lands benefited which are being provided utility services by the SERVICE UNIT. Said lands are more particularly described in Exhibit "A" attached hereto and made a part hereof by reference.

3. The SERVICE UNIT agrees that it shall amortize the connection charge in accordance with the amortization schedule described in paragraph 1 above and said monthly installment shall be billed to the PROPERTY OWNER monthly and separately from the monthly service charges for water consumption and sewer service.

4. The parties agree that should PROPERTY OWNER fail to pay the monthly connection charge as required by the terms of this Agreement, the SERVICE UNIT shall have the right to discontinue utility service to the property in question until such time as the connection charge has been paid currently. The SERVICE UNIT will not reestablish service to the property until all past due amounts are paid. When the PROPERTY OWNER has paid the past due charges, the PROPERTY OWNER shall be allowed to remain on the connection charge installment formula established in paragraph 1 for the balance of the principal sum owed under this Agreement.

5. This Agreement may not be assigned by PROPERTY OWNER without the consent of the SERVICE UNIT which consent shall not be unreasonably withheld. This Agreement encompasses the entire agreement of the parties and may not be modified unless placed into written form and executed by both the SERVICE UNIT and the PROPERTY OWNER.

6. In the event of litigation with respect to enforcing the terms of this Agreement, the venue and court of jurisdiction shall be the Circuit Court of the Fifth Judicial Circuit in and for Citrus County, Florida.

Attachment: Connection Fee Installment Lien Agreement - Mullen. (17233 : Connection Fee Lien Agreement - Mullen)

IN WITNESS WHEREOF the parties have hereunto executed this Agreement the date and year first above written.

-----My name is Frank Papcin.-- I am the president of the Arrowhead Association in Hernando that you serve-- 34442-- with the following problems

1) As you know, we have dirt roads that are maintained by volunteers, who use their own equipment, & supply their own fuel. and our problem is that rain washes away the roads & we must purchase material to put down, with the money coming from the people that join the association (not mandatory) and pay the dues the association requests-- because of rising prices for material, the dues we request has gone up year after year with dwindling amount of people both joining & paying anything-- this year we had 82 paying members & we spent all of that money plus more that was donated-- 82 members out of nearly 400 = $8,200-- because of rising prices for material, we are getting less & less for our money.

People here think & hope the people in power would take over this unincorporated area & maintain our roads, with proper drainage & street lights.
using the tax money they are already paying and thinking they are paying taxes for nothing? -- WE GET NO CIVIL SERVICES -- even the post office doesn't deliver to any of our homes-- (row boxes)just outside where the pavement ends. YOU as our county representative is expected to do something for us OR AT LEAST find someone that can help, (at least with material for the roads)

There is talk about a township being formed with the expectations of no taxes or fees to run it--
Just form a township & turn it over to the county for them to take over immediately ?-- fix or maintain the roads immediately

What do I expect?--- at least a letter stating what you think -- some sort of action, resulting in helping us-- or what the county is willing to do OR
what the county will say to any of our problems. -- there is money being offered from the federal government to help communities like ours, but finding them is the problem.-- HELP FINDING THEM! -- if & again I say if-- I can get enough interested people to come to a meeting, would you be willing to come & tell them exactly what the county will or will not do AND if the county is willing to do anything?-- WHAT would the conditions be-- some people think that there would be no additional taxes & no matter how many people tell them different -- THEY ARE RIGHT & WE ARE WRONG!

some action from you is expected & welcomed-- my phone # is 757-509-1579-- you have my email address above-- thank you in advance

AGENDA MEMORANDUM

FROM:	Colleen Scott, Management & Budget Director
SUBJECT:	ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

On June 20, 2021, staff issued Invitation to Bid ITB 21-086 Commercial Water Usage Evaluations Project to contract with a provider of outdoor, and when feasible, indoor water use evaluations for non-residential sites. A written report of potential water-saving measures will be provided to the customer and County, and subsequently forwarded to the granting agency South West Florida Water Management District (SWFWMD). The grant funding agreement is anticipated in October or November 2021. Agreement with winning bid contractor is contingent on receiving grant funding from the SWFWMD.

Staff received one Bid and desire to award ITB 21-086 Commercial Water Usage Evaluations Project to Eco-Land Design, LLC as the lowest most responsive, responsible bidder.

This is a Grant Funded Project.

BID FORM

BID PRICING

Bid to provide non-residential customers high water use evaluations. The effort will incentivize outdoor, and indoor when feasible, water use evaluations for approximately 15 non-residential sites not to exceed cost of $1,000 per site. Outdoor evaluations may include installation of a Water Sense labeled irrigation controller at sites with less than 12 zones and no Water Sense labeled controller exists. Sites with greater than 12 zones shall have a rain sensor installed, when one is not present or functioning. The Water Sense labeled controller to be used for the project is the Hunter Pro-C with Solar Sync sensor. A written report of potential water-saving measures shall be provided to the county. The grant agreement is anticipated in October or November 2021. Agreement with winning bid contractor to be contingent on receiving grant funding from the District.

Description	Bid Cost
A. Cost for outdoor water use evaluation, and indoor when feasible.	$ 525.00
B. Cost for installation of a Rain Sensor, when greater than 12 zones exist and current sensor is not functioning.	$ 170.00
C. Cost for installation of a Water Sense Labeled Hunter Pro-C irrigation controller with Solar Sync sensor, if a WS labeled controller does not exist and site contains less than 12 zones.	$ 475.00
Add A+B+C equals Total Base Bid	$ 1,170.00

*Base Bid does not constitute an award amount and is used to determine low bidder.

SERVICES AGREEMENT

This Services Agreement is entered into by the parties this _____ day of _____ 2021.

1.0 Parties:

Citrus County, Florida, a political subdivision of the State of Florida, (County).

and

ECO-Land Design, LLC, (Contractor).

2.0 Designated Contact Person as to County:	**3.0 Designated Contact Person as to Contractor**:
Debra Burden, Water Conservation Manager Citrus County Water Conservation 3600 W. Sovereign Path, Ste 202 Lecanto, Florida 34461 Phone: (352) 527-7684 Fax: (352) 527-5429 Email: debra.burden@citrusbocc.com	Jack B. Overdorff, President ECO-Land Design, LLC 7615 Terrace River Drive Tampa, Florida 33637 Phone: 813-466-8705 Fax: None Email: ecolandfl@gmail.com

4.0 Notices: All notices between County and Contractor, as required under the Agreement, shall be by telephone, facsimile, e-mail, mail, or by personal delivery to the respective designated contact person identified above. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

5.0 Entire Agreement: This Agreement, and its associated Documents referenced herein, together with any executed Addenda, shall constitute the entire Agreement between Contractor and County (hereinafter referred to as the "Agreement"). In resolving conflicts, errors, discrepancies, and disputes concerning the scope of Services or other rights or obligations of the parties, precedence shall be given in the following order (1) a fully executed Addendum to this Agreement (later executed Addenda taking precedence over earlier dated Addenda), (2) provisions of this Agreement, (3) provisions of the Invitation to Bid, (4) provisions of Contractor's Bid, (5) provisions of the Purchase Order, and (6) provisions contained in any governmental regulation incorporated herein by reference. There are no understandings or agreements except as herein expressly stated.

6.0 Agreement Documents:
1. Exhibit "A" - Compensation

7.0 Terms of Agreement and Commencement of Services: The duration of the Agreement shall be for a period of one (1) year from the date that the Parties have executed the Agreement, with an option to renew for three (3) additional, (1) year periods. The renewal option will be conditioned upon satisfactory performance by Contactor and will be subject to availability of funds. The renewal option can only be exercised through mutual agreement between County and Contractor. The date that Contractor shall commence the provision of Services shall be the date on which a Purchase Order and a Notice to Proceed is received by Contractor. The County reserves the right to automatically extend any agreement for a maximum period not to exceed ninety (90) calendar days in order to provide County departments with continual service and supplies while a new agreement is being solicited, evaluated, and/or awarded.

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

8.0 Modification of Agreement: The Agreement may only be modified or amended upon mutual written agreement of County and Contractor. No oral agreements or representations shall be valid or binding upon County or Contractor. No alteration or modification of the Agreement terms, including substitution of product, shall be valid or binding against County. Contractor may not unilaterally modify the terms of the Agreement by affixing additional terms by incorporating such terms onto Contractor's documents forwarded by Contractor to County for payment. County's acceptance of product or processing of documentation on forms furnished by Contractor to County for approval or payment shall not constitute acceptance of the proposed modification to terms and conditions.

9.0 Services Provided by Contractor: The Services to be provided by Contractor are to provide non-residential customers high water use evaluations. The effort will incentivize outdoor, and indoor when feasible, water use evaluations for approximately 15 non-residential sites not to exceed $1,000 per site. Outdoor evaluations may include installation of a WaterSense labeled irrigation controller or rain sensor, when none exists. The brand and model of WaterSense labeled controller will be determined by the county project manager. A written report of potential water-saving measures will be provided to the participant and county, and subsequently forwarded to granting agency Southwest Florida Water Management District (SWFWMD). Agreement is contingent on receiving grant funding from the District. If County identifies any additional Services to be provided by Contractor that are not covered under the original Agreement, such additional services shall be made a part of this Agreement by a written Addendum.

10.0 Compensation to Contractor: Compensation to be paid to Contractor for the provision of the Services agreed to herein shall be per the unit pricing noted in Exhibit "A", attached to this Agreement.

11.0 Payment of Payment Requests:

11.1 Payment Requests: Requests for payment for the provision of the Services provided under the Agreement shall be submitted no more frequently than once per month, unless stipulated differently in the Agreement. At a minimum, the payment requests shall include the Purchase Order Number, a description of the Services provided, and the amount of the payment request. All requests for payment shall be submitted in sufficient detail to demonstrate compliance with the terms of the Agreement and to allow for the proper pre-audit and post-audit thereof. Requests for payment that include travel expenses shall be in accordance with Section 112.061, Florida Statutes. County reserves the right to require any information from Contractor that County deems necessary to substantiate claims for remuneration. Upon receipt of Contractor's payment request, County will review such to ensure that it is in proper order, and that the Services covered under the payment request have been completed in accordance with this Agreement. If it is found that the payment request is not in proper order, or the Services covered under the payment request do not satisfy this Agreement, the payment request may be rejected.

11.2 Prompt Payment: County shall make payment of a payment request in accordance with Chapter 218, Part VII of the Florida Statutes "Local Government Prompt Payment Act" from the date which a payment request in proper order is recorded as received by County, for Services completed to the satisfaction of County.

11.3 Form of Request: If the payment request is not received in proper order, County may reject the payment request within ten (10) business days after the date on which the payment request is recorded as received by County. County shall provide Contractor with a written notification of the rejection specifying the deficiency and corrective measures necessary to make the payment request proper. Upon receipt of a payment request that corrects the deficiency, County shall make payment in accordance with Chapter 218, Part VII of the Florida Statutes "Local Government Prompt Payment Act".

11.4 Resolution of Payment Request Disputes: In the event of a dispute between Contractor and County concerning the full or partial payment of a payment request, such disagreement shall be finally determined by County. If the dispute between Contractor and County involves a portion of a payment request, the undisputed portion shall be paid by County in a timely manner, as long as the payment request for the undisputed portion is in proper order. Proceedings to resolve the dispute will be commenced within forty-five (45) business days after the date the payment request in dispute was

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

recorded as being received by County and will be concluded by final decision of County within sixty (60) business days after the date on which the payment request was recorded as being received by County. Such procedures do not constitute an administrative proceeding that prohibits a court from deciding de novo any action arising out of the dispute.

11.5 Purchase Order: Although an Agreement will be executed by County and Contractor for the Services being purchased by County, a purchase order will also be issued to Contractor for the purpose of facilitating payment to Contractor. Except under an "emergency request", Contractor shall not provide any Services to County until Contractor has received a purchase order from County. Contractor shall be permitted to accept an order to provide Services under an emergency purchase without a purchase order; however such request from County must be transmitted to the Contractor via facsimile or e-mail. The written transmission order must be submitted with any payment request submitted by the Contractor for such emergency requests.

11.6 Payments to Subcontractors: When Contractor receives from County any payment for Services covered under the Agreement, Contractor must pay such moneys received to each subcontractor or supplier in proportion to the percentage of the Services completed by each subcontractor or supplier within ten (10) business days after Contractor's receipt of the payment. If Contractor receives less than full payment, then Contractor shall be required to disburse only the funds received on a pro rata basis to its subcontractors and suppliers, each receiving a prorated portion based on the amount due on the payment. If a subcontractor receives payment from Contractor for labor, services or materials furnished by subcontractors or suppliers hired by the subcontractor, the subcontractor must remit payment due to those subcontractors or suppliers within seven (7) business days after the subcontractor's receipt of payment from Contractor.

11.7 ACH Enrollment: All Contractors will be required to complete an "Authorization Agreement for ACH Credits Enrollment Form". Payments will be deposited directly into Contractor's bank account. This means there is no need to wait for the check to come in the mail, and eliminates the possibility of a lost check. The Clerk's Accounts Payable Department will provide confirmation via email when payments are transmitted, ensuring immediate notification.

12.0 Warranties:

12.1 Warranty of Ability to Perform: Contractor warrants that, to the best of its knowledge, there are no pending or threatened actions, proceedings, investigations, or any other legal or financial conditions, that would in any way prohibit, restrain, or diminish Contractor's ability to satisfy its obligations under the Agreement.

12.2 Warranty Against Defects in Workmanship: Contractor shall warrant its Services against defects in materials and workmanship for a minimum period of one (1) year from acceptance of the Services by County. Should any defects in materials or workmanship appear during the warranty period, Contractor shall replace the materials or equipment, or repair or re-do the service, immediately upon receipt of written notice from County, at no additional expense to County. Contractor shall warrant such replaced materials or equipment, or repaired or re-done Services, for a period of one (1) year after acceptance of such by County.

12.3 Warranty of Standard Care: In the performance of professional services, Contractor will use that degree of care and skill ordinarily exercised by other similar professionals in the field under similar conditions in similar localities. Contractor will use due care in performing its Services and will have due regard for acceptable professional standards and principles. Contractor's standard of care shall not be altered by the application, interpretation, or construction of any other provision of this Agreement. If any of the Services performed by Contractor do not comply with the foregoing warranties and County notifies Contractor of such, then Contractor shall (at its sole expense) promptly re-execute the nonconforming Services. All such re-performed Services shall be performed on a mutually agreed schedule. Contractor shall and does hereby assign to County the benefits of any of Contractor's subconsultant's or subcontractor's warranties. Such assignment shall not relieve Contractor of its warranty obligations for performance or standard of care to County under this Agreement.

12.4 Warranty of Title: Title to any work product furnished by Contractor under the Agreement shall pass to County to the extent of the payments made for such by County, or on the date that County

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

accepts the completed Services of Contractor. When title passes to County in accordance with the Agreement, Contractor warrants that the work product furnished will be free and clear of all security interests, liens and encumbrances or claims of any party.

13.0 Public Records: Contractor will keep and maintain public records required by the County to perform the service. Upon request from the County's custodian of public records, Contractor will provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed the cost provided in Chapter 119, Florida Statues, or as otherwise provided by law. Contractor will ensure that the public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of the Agreement and following completion of the Agreement if Contractor does not transfer the records to the County. Upon completion of the Agreement, Contractor will transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by County to perform the service. If Contractor transfers all public records to County upon completion of the Agreement, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the Agreement, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology system of the County. If Contractor does not comply with the County's request for public records, the County shall enforce the provisions of the Agreement in accordance with the terms of the Agreement and may cancel the Agreement.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT NANCY COLOGNA, CUSTODIAN OF PUBLIC RECORDS, AT 3600 W. SOVEREIGN PATH, LECANTO, FL 34461; EMAIL: NANCY.COLOGNA@CITRUSBOCC.COM; PHONE: (352)527-5235.

14.0 Insurance: During the term of the Agreement, Contractor, at its sole expense, shall provide insurance of such a type and with such terms and limits as noted below. Providing and maintaining adequate insurance coverage is a material obligation of Contractor. Contractor shall provide County a certificate(s) of insurance, evidencing such coverage.

14.1 Minimum Insurance Requirements: Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the contractor, his agents, representatives, employees or subcontractors. The coverage's, limits or endorsements required herein protect the primary interests of County, and these coverage's, limits or endorsements shall in no way be required to be relied upon when assessing the extent or determining appropriate types and limits of coverage to protect Contractor against any loss exposures, whether as a result of the Project or otherwise. The requirements contained herein, as well as County's review or acknowledgement, is not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by Contractor under a contract.

14.2 Commercial General Liability: Contractor must obtain an occurrence form policy for limits not less than $1,000,000 each occurrence, $1,000,000 products / completed operations each occurrence, $1,000,000 personal and advertising injury liability, $50,000 fire damage liability and $5,000 medical expense.

14.3 Automobile Liability: Contractor must obtain coverage for all for Bodily Injury and Property Damage of not less than $1,000,000 combined single limit each accident. In the event Contractor does not own vehicles, Contractor shall maintain coverage for Hired & Non-Owned Auto Liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

14.4 Workers Compensation and Employer's Liability:

14.4.1 Contractor must obtain Workers Compensation insurance with limits in compliance with applicable state and federal laws; if any operations are to be undertaken on or about navigable

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

waters, coverage must be included for the US Longshoremen & Harbor Workers Act. Employer's Liability limits for not less than $100,000 each accident, $500,000 disease policy limit and $100,000 disease each employee must be included.

14.4.2 For any officer of a Contractor that has exempt status as an individual, the County requires proof of workers compensation insurance coverage for that contractor/employer/owner's employees. If the contractor/employer/owner or individual has applied for a workers compensation exemption, the County does not recognize this exemption to extend to the employees of the contractor/employer/owner.

14.4.3 The purpose of this section is to ensure that all contractors, subcontractors, sole proprietors, or business entities of any kind who contract with the County for provision of goods or services, provide workers compensation coverage for all employees, and principles of subcontractors, subcontractors, sole proprietors, or other business entities. All provisions of this Section shall be construed in accord with this intent.

14.7 Other Insurance Provisions:

14.7.1 Contractor shall provide a Certificate of Insurance to County with a thirty (30) day notice of cancellation and/or changes in policy language, and ten (10) day notice if cancellation is for nonpayment of premium. The certificate shall indicate if coverage is provided under a "claims made" or "occurrence" form. If any coverage is provided under a claims made form the certificate will show a retroactive date, which should be the same date of the contract (original if contract is renewed) or prior.

14.7.2 The project's proposal number shall be noted on the certificate. **ITB 21-086**

14.7.3 All required insurance policies must be maintained until the contract work has been accepted by County.

14.7.4 Citrus County, Florida, a political subdivision of the State of Florida, its officials, employees and volunteers are to be covered as an Additional Insured on all policies except Worker's Compensation. The coverage shall contain no special limitation on the scope of protection afforded to the County, its officials, employees or volunteers.

14.7.5 Contractor's insurance coverage shall be primary insurance as respects County, its officials, employees and volunteers. Any insurance or self-insurance maintained by County, its officials, employees or volunteers shall be excess of Contractor's insurance and shall be non-contributory.

14.7.6 For all policies of insurance: Contractor and its insurance carrier waive all subrogation rights against County for all losses or damages that occur during the contract and for any events occurring during the contract period, whether the suit is brought during the contract period or not. The County requires General Liability policies to be endorsed with CG 24 04 Waiver of Transfer of Rights of Recovery Against Others to Us or similar endorsement, and a WC 00 0313 Waiver of Our Right to Recover from Others for Workers Compensation coverage.

14.7.7 The Certificate Holder should read as follows: Citrus County, Florida, political subdivision of the State of Florida, 3600 W. Sovereign Path, Lecanto, FL 34461.

14.7.8 It is Contractor's responsibility to insure that all subcontractors comply with these insurance requirements. Contractor shall include all subcontractors as insured under its policies or shall furnish separate certificates and endorsements for each sub-contractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

14.7.9 All required insurance policies must be written with an insurance carrier having a minimum A.M. Best rating of A-.

14.7.10 All Certificates must show that the Contractor's policies have been endorsed per the requirements.

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

14.7.11 Once ALL paperwork is completed and received by the County, an email will be sent to Contractor requesting online registration with myCOI. It is critical that the County is provided with an accurate email address. The cost to register is $19.95 per year and a credit/debit card will be needed. Part of the registration process includes providing contact information for Contractor's insurance agent(s), which will be needed at the time of registration. Once registered, an email will be sent to the insurance agent(s) requesting them to upload a current Certificate of Insurance (COI) directly into the myCOI website. Certificates of Insurance cannot be mailed, emailed or faxed to County. Contractor will not be allowed to begin work and no payments will be made until registration is completed and a compliant Certificate of Insurance is received from Contractor's agent(s). This is a yearly requirement for the duration of the Agreement.

15.0 Indemnification: Contractor shall indemnify, save and hold harmless the County and all its officers, agents or employees from all causes of action, claims, demands, losses, liabilities and expenditures of any nature whatsoever, including defense costs and fees, caused by intentional or negligent acts of, or omissions of Contractor, its subcontractors, agents or employees or accruing, resulting from, or related to the subject matter of this Agreement including without limitation, any and all claims, losses, liabilities, expenditures, demands or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. Neither Contractor, nor any of its agents will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the County or any of its officers, agents or employees. In the event any lawsuit or other proceeding is brought against County by reason of any such claim, cause of action or demand, Contractor shall, upon written notice from County, resist and defend such lawsuit or proceeding by counsel satisfactory to County or, at County's option, pay for an attorney selected by County to defend County. This indemnification includes attorney's fees and all costs of litigation including appellate attorney's fees and costs as well as any judgments. The parties agree that this clause shall not waive the benefits or provisions of section 768.28, Florida Statutes, or any similar provision of law. The provisions and obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the County, any sums due Contractor under this Agreement may be retained by County until all of the County's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by County.

16.0 Change Orders: County may at any time, as the need arises, order changes within the scope of the services without invalidating the Agreement. If such changes result in an increase or decrease in the Contract Price, or in the time required for performance of the Services, an equitable adjustment shall be authorized by way of a Change Order. County also may at any time, by issuing a Field Order, make changes in the details of the Services. Contractor shall proceed with the performance of any changes in the Services so ordered by County unless Contractor believes that such Field Order entitles it to a change in Contract Price or Time, or both, in which event Contractor shall give County written notice thereof within fifteen (15) calendar days after the receipt of the ordered change, and Contractor shall not execute such changes pending the receipt of an executed Change Order or further instruction from County.

17.0 Termination of Agreement: Either party may terminate this Agreement by giving the other party thirty (30) days written notice. In the event of termination, County will be responsible for compensating Contractor only for those Services satisfactorily completed or partially completed up to the date of termination. Contractor shall not be entitled to compensation for loss of anticipated profit.

18.0 Licenses and Certifications: Contractor, or its sub-contractor(s), shall possess and maintain during the term of this Agreement any and all licenses required to perform the Services covered under this Agreement, as stipulated by the State of Florida and Citrus County Florida.

19.0 Additional Terms and Conditions:

19.1 Advertising: Subject to Chapter 119, Florida Statutes, Contractor shall not publicly disseminate any information concerning the Agreement without prior written approval from County, including, but not limited to mentioning the Agreement in a press release or other promotional material, identifying County as a reference, or otherwise linking Contractor's name and either a description of the Agreement or the name of County in any material published, either in print or electronically, to any entity that is not a party to the Agreement.

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

19.2 Assignment: Neither County nor Contractor shall sell, assign or transfer any of its rights, duties or obligations under the Agreement without the prior written consent of the other Party. In the event of any assignment, Contractor remains secondarily liable for performance of the Agreement, unless County expressly waives such secondary liability.

19.3 Bankruptcy or Insolvency: Contractor shall promptly notify County in writing of the filing of any voluntary or involuntary petition for bankruptcy and/or of any insolvency of Contractor or any of its subcontractors who are involved in the provision of the Services under this Agreement.

19.4 Compliance with Laws: Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of Local, State and Federal agencies having jurisdiction and authority. These laws, shall include, but not be limited to, Chapter 287 of the Florida Statutes, the Uniform Commercial Code, the Immigration and Nationalization Act, the Americans with Disabilities Act, the United States Occupational Safety and Health Act, the United States Environmental Protection Agency, the State of Florida Department of Environmental Protection, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, sexual orientation, gender identity or expression or veteran's status. Violation of such laws shall be grounds for termination of the Agreement.

19.5 Conflict of Interest: Contractor covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner of degree with the performance of the Services covered under this Agreement. Furthermore, Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Contractor any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Agreement. Contractor, and its subcontractors at any tier, certify that they have not entered into any contract, sub-contract, or arrangement in connection with the Project covered under this Agreement, or of any property included or planned to be included in the Project, in which any member, officer, of employee of Contractor or its subcontractors, during its tenure, or for two years thereafter, has any interest, direct or indirect. Contractor, and its subcontractors at any tier, shall insert the following provision into each of their contracts and sub-contracts:

> *"No member, officer, or employee of the sub-contractor, during their tenure or for two years thereafter, shall have any interest, direct or indirect, in this contract or the proceeds thereof."*

19.6 Cooperative Purchasing: If applicable, pursuant to Contractor's own governing laws, and subject to agreement of Contractor, other government entities may be permitted to make purchases at the terms and conditions contained herein. Non-County purchases are independent of the Agreement between County and Contractor, and County shall not be a party to any transaction between Contractor and any other government entity. Another government entity may attach additional contractual and technical terms and conditions to this Agreement. These "special conditions" shall take precedence over the terms and conditions in this Agreement unless the conflicting term in this Agreement is statutorily required, in which case the term contained in this Agreement shall take precedence.

19.7 Correction of Services: Contractor shall promptly remove from the premises all Services rejected by County for failure to comply with the Contract Documents, whether incorporated into the Project or not, and Contractor shall promptly replace and re-execute the Services in accordance with the Contract Documents, without additional expense to County, and shall bear the expense of making good all Services of other contractor's work destroyed or damaged by such removal or replacement. All removal and replacement of Services shall be done at Contractor's expense. If Contractor does not take action to remove such rejected Services within ten (10) calendar days after receipt of written notice from County, County may remove such Services on their own and store the materials at the expense of Contractor.

19.8 County Funds: If sufficient funding is not available for Contractor to complete the Services, County reserves the right to modify the terms and conditions of the Agreement to change the Scope of Services to reduce the cost to match any available funding. If such modifications to the Scope of Services are not feasible, or if funding has been totally exhausted prior to Contractor's completion of its Services, the Agreement shall be terminated on terms reasonably acceptable to both parties.

Additionally, in accordance with Section 216.347, Florida Statutes, and as provided herein, Contractor may not expend any County funds for the purpose of lobbying the legislature, or local, state or federal agencies.

19.9 Debarment: Contractor certifies to the best of their knowledge and belief, that they and their principals 1) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Municipal, County, State or Federal department or agency, 2) have not, within a three-year period preceding execution of this Agreement, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records; making false statements; or receiving stolen property, 3) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated above, 4) have not within a three-year period preceding execution of this Agreement had one or more public transactions (Federal, State or local) terminated for cause or default, and 5) will advise County immediately if their status changes and will provide an explanation for the change in status.

19.10 Discriminatory Vendor: Contractor certifies that they are not subject to Section 287.134 (2)(a) which specifies that an entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a Bid on a contract with a public entity for the construction or repair of a public building or public work, may not be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under a contract with any public entity, and may not transact business with public entity.

19.11 Disposal of Wastes: Contractor shall handle any waste materials generated in the performance of the Services in full compliance with all laws, regulations, and requirements of all governmental authorities and those of County. Contractor shall use only disposal facilities which have proper permits and are in full compliance with all Laws. Contractor agrees that County has the right to reject, for any reason, Contractor's use of any particular disposal facility.

19.12 Dispute Resolution: For any dispute concerning performance of the Agreement, which includes without limitation controversies based upon breach of contract, mistake, misrepresentation, or other cause for contract modification or rescission, County shall attempt to reach a mutual agreement as to the settlement and resolution of the dispute with Contractor. Should a mutual agreement not be reached, County shall render a decision and reduce such to writing and serve a copy on Contractor. The decision shall be final and conclusive.

19.13 Documentation: All tracings, plans, specifications, maps, computer files and/or reports prepared or obtained under this Agreement, as well as all data collected, together with summaries and charts derived there from, will be considered works made for hire and will become the property of County upon expiration or termination of the Agreement without restriction or limitation on their use. Upon delivery to County of said document(s), County will become the custodian thereof in accordance with Chapter 119, Florida Statutes. Contractor will not copyright any material and products or patent any invention developed under this Agreement. Copies of these documents are not to be sold or distributed to third parties without the written consent of County.

19.14 Drug Free Workplace: Contractor certifies that it has in place a Drug-Free Workplace Program in accordance with the Drug-Free Workplace Act of 1988 (41 U.S.C. 702-706).

19.15 Employees, Subcontractors and Agents: All Contractor employees, subcontractors, and agents performing any of the Services under the Agreement shall be properly trained to meet or exceed any specified training qualifications. Upon request, Contractor shall furnish a copy of certification or other proof of qualification. All employees, subcontractors, and agents of Contractor must comply with all security and administrative requirements of County. County may conduct, and Contractor shall cooperate in, a security background check or otherwise assess any employee, sub-contractor, and agent of Contractor. County may refuse access to, or require replacement of, any of Contractor's employee, subcontractor and agent for cause, including, but not limited to, technical or training qualifications, quality of services, change in security status, or non-compliance with County's security

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

or other requirements. Such refusal shall not relieve Contractor of its obligation to perform all Services in compliance with the Agreement. County may reject and bar from any facility for cause any of Contractor's employees, subcontractors, or agents. County shall have the right to review and approve any sub-contractor used by Contractor. Contractor shall be fully responsible to County for the acts and omissions of its subcontractors, and persons directly or indirectly employed by them. It is Contractor's responsibility to ensure that their subcontractors are properly licensed to do business in the State of Florida and Citrus County, as required by law.

19.16 Environmental Issues: All notifications regarding environmental issues or requirements shall be sent immediately to County's Contact Person. Unless directed otherwise by County, Contractor is not to contact any local, state or federal governmental agencies concerning environmental issues involving the Project Site.

19.17 Equal Employment Opportunity: Contractor shall not discriminate on the basis of race, color, sex, age, national origin, religion, and disability or handicap in accordance with the Provisions of: Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000 et seq.), Title VII of the Civil Rights Act of 1968 (42 U.S.C. § 3601 et seq.), Florida Civil Rights Act of 1992 (§ 760.10 et seq.), Title 41 CFR Part 60 for compliance with Executive Orders 11246 and 11375, Title 49 CFR 23 and Title 49 CFR 26 for Disadvantaged Business Enterprises, Age Discrimination Act of 1975 (42 U.S.C. § 6101, et seq.), Title 49 CFR 21 and Title 49 CFR 23, Nondiscrimination on the basis of handicap, Title 49 CFR 27, Americans with Disabilities Act of 1990 (42 U.S.C. 12102, et. seq.), Federal Fair Labor Standards Act (29 U.S.C. § 201, et seq.), and any other Federal and State discrimination statutes. Contractor shall furnish pertinent information regarding its employment policies and practices as well as those of their proposed subcontractors as the State of Florida Department of Transportation, the Secretary of Labor, or County may require. The above shall be required of any sub-contractor hired by Contractor. All Equal Employment Opportunity requirements shall be included in all non-exempt sub-contracts entered into by Contractor. Sub-contracts entered into by Contractor shall also include all other applicable labor provisions. No sub-contract shall be awarded to any non-complying sub-contractor. Additionally, Contractor shall insert in its sub-contracts a clause requiring subcontractors to include these provisions in any lower tier sub-contracts that may in turn be made. Contractor shall comply with all state laws and local ordinances, except that any preferential consideration of local in-state subcontractors is NOT allowed.

19.18 E-Verification System: Contractor shall comply with the Executive order No. 12989 as amended, and Executive Order No. 11-116, and agrees to utilize the U.S. Department of Homeland Security's E-Verify system, https://e-verify.uscis.gov/emp, to verify the employment eligibility of: (1) all persons employed by Contractor during the contract term to perform any duties within Florida, and; (2) all persons, including subcontractors, assigned by Contractor to perform work pursuant to this Contract. Contractors meeting the terms and conditions of the E-Verify System are deemed to be in compliance with this provision.

19.19 Force Majeure Event: Neither party shall be considered to be in default in the performance of its obligations under this Agreement, except obligations to make payments with respect to amounts already accrued, to the extent that performance of any such obligations is prevented or delayed by any cause, existing or future, which is beyond the reasonable control, and not a result of the fault or negligence of, the affected party (a "Force Majeure Event"). If a party is prevented or delayed in the performance of any such obligations by a Force Majeure Event, such party shall immediately provide notice to the other party of the circumstances preventing or delaying performance and the expected duration thereof. Such notice shall be confirmed in writing as soon as reasonably possible. The party so affected by a Force Majeure Event shall endeavor, to the extent reasonable, to remove the obstacles which prevent performance and shall resume performance of its obligations as soon as reasonably practicable. A Force Majeure Event shall include, but not be limited to acts of civil or military authority (including courts or regulatory agencies), act of God (excluding normal or seasonal weather conditions), war, riot, or insurrection, inability to obtain required permits or licenses, hurricanes and severe floods.

19.20 Governing Law and Venue: The Agreement shall be governed in accordance with the laws of the State of Florida. In the event of litigation with respect to the obligation of the parties to the Agreement, the jurisdiction and venue of such action shall be an appropriate State Court in Citrus County, Florida.

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

19.21 Governmental Restrictions: If Contractor believes that any governmental restrictions have been imposed that require alteration of the materials used, the quality, workmanship or performance of the Services offered under the Agreement, Contractor shall immediately notify County in writing, indicating the specific restriction. County reserves the right and the complete discretion to accept any such alteration or to cancel the Agreement at no further expense to County.

19.22 Immigration and Nationality Act: Contractor shall comply with all immigration laws as outlined in 8 USC § 1324a - Unlawful employment of aliens. County will not intentionally award County contracts to any Contractor who knowingly employs unauthorized Alien workers. Any violation of the employment provisions outlined in the Immigration and Nationality Act throughout the term of any Agreement with County may result in immediate termination of the Agreement. County will consider the employment of unauthorized aliens a violation of Section 274A (e) of the Immigration and Nationality Act. Such violation will be cause for unilateral cancellation of the Agreement, by County, if Contractor knowingly employs unauthorized aliens.

19.23 Inspection, Performance, Supervision: County reserves the right to inspect the Services provided by Contractor, whether partially or fully completed, at any time, as deemed appropriate by County for the purpose of ensuring Contractor's performance under the Agreement. Such inspections performed by County, shall not be construed as a final approval of Contractor's Service, and shall not relieve Contractor from its obligations under the Agreement. County reserves the right to inspect, at any reasonable time with prior notice, Contractor's facilities to assess conformity of the provision of the Services with the Agreement requirements. County reserves the right to investigate or inspect, at any time, whether the provision of the Services complies with the Agreement requirements. Contractor shall at all times during the Agreement term remain responsive and responsible. Contractor must be prepared, if requested by County, to present evidence of experience, ability, and financial standing, as well as a statement as to capacity of Contractor for the performance of the provision of the Services covered under the Agreement. This paragraph shall not mean or imply that it is obligatory upon County to make an investigation either before or after award of the Agreement, but should County elect to do so, Contractor is not relieved from fulfilling all Agreement requirements. Contractor shall supervise and direct the performance of its Services and shall be solely responsible for the means, methods, techniques, sequences, and safety of construction. Contractor will employ and maintain at the Project Site a qualified supervisor or superintendent who shall have been designated in writing by Contractor as the Contractor's representative at the Project Site. The supervisor or superintendent shall have full authority to act on behalf of Contractor and all communications given to the supervisor or superintendent shall be as binding as if given directly to Contractor. The supervisor or superintendent shall be present on the Project Site at all times as required to perform adequate supervision and coordination of the Contractor's Services.

19.24 Lawful Claims and Demands: Should any outstanding claims by subcontractors or suppliers incurred in the performance of the Services materialize after County has made Payment to Contractor, Contractor will indemnify and save County harmless from such claims. Acceptance by Contractor of payment shall be and shall operate as a release to County of all claims and all liabilities to Contractor, other than claims in stated amounts as may be specifically excepted by Contractor for things done or furnished in connection with the provision of the Services, and for every act and neglect of County and others relating to or arising out of the provision of the Services covered under this Agreement. Any payment, whether final or otherwise, shall not release Contractor or his sureties from any obligations under the Agreement.

19.25 Lobbying: Contractor shall not, in connection with the Agreement, directly or indirectly (1) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any County officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone any gratuity for the benefit of, or at the direction or request of, any County officer or employee. For purposes of clause (2), "gratuity" means any payment of more than nominal monetary value in the form of cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, Services, employment, or contracts of any kind.

19.26 Local Preference / Workforce Labor: County believes that the hiring of workforce labor by contractors who County awards contracts should, to the maximum extent, be citizens within its boundaries that are unemployed or seeking work for the first time. To that extent, County has agreed to notify CareerSource CLM of all awards involving construction and other types of services.

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

CareerSource CLM is a local business-led organization that plans and coordinates quality employment and training services for businesses and individual career seekers in Citrus County. Successful Respondent will be contacted by CareerSource CLM, to discuss hiring through its staff and services. Successful Respondent's participation with CareerSource CLM is not required as a condition of award, but rather an opportunity for greater support for the community of Citrus County.

19.27 Materials, Services, and Facilities: It is understood that, except as otherwise specifically stated in the Contract Documents, Contractor shall provide and pay for all materials, labor, tools, equipment, water, light, power, transportation, supervision, temporary construction of any nature, and all other services and facilities of any nature whatsoever necessary to execute, complete, and deliver the Services within the specified time.

19.28 Non-Collusion: Contractor agrees that neither it, nor any of its officers, partners, agents or employees have entered into any agreement, participated in any collusion, or otherwise taken any action which is in restraint of a free competitive solicitation in connection with this Agreement, and that Contractor intends to do the work with its own bona fide employees or subcontractors and has not provided a response for the benefit of another contractor. Furthermore, Contractor certifies that its affiliates, subsidiaries, directors, officers, and employees are not currently under investigation by any governmental authority and have not in the last ten (10) years been convicted or found liable for any act prohibited by law in any jurisdiction, involving conspiracy or collusion with respect to submitting a response on any public contract.

19.29 Project Site Conditions: Contractor shall be deemed to have examined the Project Site, if applicable and to have secured full knowledge of all conditions under which the Services are to be executed and completed.

19.30 Protection of Persons: Contractor will be responsible for the safety of its employees and the employees of its subcontractors, during the provision of the Services. Contractor will be responsible for initiating, maintaining and supervising all safety programs in connection with the provision of the Services in accordance with applicable safety standards and regulations, as promulgated by the United States Occupational Safety and Health Act. Contractor shall report promptly to County any accident or unusual occurrence during performance of the Services, including personal injury or death to any Contractor employee, sub-contractor employee or any member of the public, or any damage to any of County's property, the Project Site, or adjacent property.

19.31 Public Entity Crime: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017, Florida Statutes for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

19.32 Relationship: Contractor is an independent contractor to County in the provision of the Services under this Agreement and is not an employee, agent, joint-venture, or partner of County.

19.33 Risk of Loss: Until the Services have been accepted by County, risk of loss or damage to any materials, equipment, supplies or work product, whether partially or fully completed, that are associated with the Services shall remain with Contractor.

19.34 Schedules, Reports and Records: Contractor shall submit to County cost schedules, progress schedules, estimates, records, reports, and any other data, as related to the provision of the Services covered under the Agreement. Furthermore, County reserves the right to inspect and audit Contractor's books and records relating to the Agreement, when deemed appropriate by County. All schedules, reports and records of Contractor, as they relate to the Agreement, shall be retained by Contractor for a period of three (3) years from the date of final payment under the Agreement.

Attachment: ITB 21-086 AGENDA (17214 : ITB 21-086 Commercial Water Usage Evaluations Project; Eco-Land Design, LLC)

19.35 Security and Confidentiality: Contractor shall comply fully with all security procedures of County in the performance of the Agreement. Contractor shall not divulge to third parties any information obtained by Contractor or its agents, distributors, resellers, subcontractors, officers or employees in the course of the provision of the Services without the written consent of County. However, Contractor shall be permitted to release information to third parties if such information is publicly available through no fault of Contractor, information that Contractor developed independently without relying on County's information, or information that is otherwise obtainable under State and Federal law as a public record. To insure confidentiality, Contractor shall take appropriate measures as to its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Agreement.

19.36 Severability: If a court deems any provision of the Agreement void or unenforceable, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable and all other provisions shall remain in full force and effect.

19.37 Survival: All express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive completion or termination of the Agreement for any reason.

19.38 Taxes: Contractor shall pay all sales, consumer, use and other similar taxes required to be paid by Contractor in accordance with the laws and regulations of the State of Florida which are applicable to the provision of the Services under the Agreement. County will not pay for any personal property taxes levied on Contractor or for any taxes levied on Contractor's employees' wages. County is a political subdivision of the State of Florida and holds a State of Florida Sales Tax Exemption Certificate (No. 85-8012621778C-1). All purchases made by County directly from a dealer, distributor or manufacturer for materials, equipment or supplies ("direct purchase") instead of through the Contractor are exempt from sales, consumer, use and other similar taxes.

19.39 Waiver: The delay or failure by County to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of County's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude the County of any other or further exercise thereof or the exercise of any other right.

20.0 Authority: Each person signing the Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

Amendment No. 1 to Agreement

ITB 18-061
Mechanical Harvesting of Aquatic Vegetation

THIS AMENDMENT is made and entered into by and between Texas Aquatic Harvesting, Inc. a Florida corporation (hereinafter referred to as "Contractor") and Citrus County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County").

WHEREAS, On September 24, 2018, County and Contractor entered into an Agreement to provide mechanical harvesting of aquatic vegetation in designated areas of Citrus County for a term of three (3) years with an option to renew for one (1) additional three (3) year period; and

WHEREAS, County and Contractor desire to amend the Agreement to exercise the option to renew the Agreement for an additional three (3) year term, extending the duration of the Agreement to September 23, 2024; and

NOW THEREFORE, in consideration of the original Agreement and the foregoing recitals, County and the Contractor agree as follows:

1. The above Recitals are true and correct and are hereby incorporated into this paragraph.

2. County and Contractor hereby renew the Agreement for an additional three (3) year term, extending the duration of the Agreement to September 23, 2024.

3. County and Contractor agree that all other terms, conditions, and pricing of the Agreement are hereby ratified and confirmed and shall continue in full force and effect except as amended herein.

4.0 Notices: All notices between County and Contractor, as required under the Agreement, shall be by telephone, facsimile, e-mail, mail, or by personal delivery to the respective designated contact person identified above. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

5.0 Entire Agreement: This Agreement, and its associated Documents referenced herein, together with any executed Addenda, shall constitute the entire Agreement between Contractor and County (hereinafter referred to as the "Agreement"). In resolving conflicts, errors, discrepancies, and disputes concerning the scope of Services or other rights or obligations of the parties, precedence shall be given in the following order (1) a fully executed Addendum to this Agreement (later executed Addenda taking precedence over earlier dated Addenda), (2) provisions of this Agreement, (3) provisions of the Invitation to Bid, (4) provisions of Contractor's Bid, (5) provisions of the Purchase Order, and (6) provisions contained in any governmental regulation incorporated herein by reference. There are no understandings or agreements except as herein expressly stated.

6.0 Agreement Documents:
1. Exhibit "A" - Scope of Services
2. Exhibit "B" – Bid Form

7.0 Terms of Agreement and Commencement of Services: The duration of the Agreement shall begin on October 1, 2021, for a period of five (5) years, with an option to renew for one (1) additional, three (3) year period. The renewal option will be conditioned upon satisfactory performance by Contactor and will be subject to availability of funds. The renewal option can only be exercised through mutual agreement between County and Contractor. The date that Contractor shall commence the provision of Services shall be the date on which a Purchase Order and a Notice to Proceed is received by Contractor.

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

8.0 Modification of Agreement: The Agreement may only be modified or amended upon mutual written agreement of County and Contractor. No oral agreements or representations shall be valid or binding upon County or Contractor. No alteration or modification of the Agreement terms, including substitution of product, shall be valid or binding against County. Contractor may not unilaterally modify the terms of the Agreement by affixing additional terms by incorporating such terms onto Contractor's documents forwarded by Contractor to County for payment. County's acceptance of product or processing of documentation on forms furnished by Contractor to County for approval or payment shall not constitute acceptance of the proposed modification to terms and conditions.

9.0 Services Provided by Contractor: The Services to be provided by Contractor are summarized in Exhibit "A", attached to this Agreement. If County identifies any additional Services to be provided by Contractor that are not covered under the original Agreement, such additional services shall be made a part of this Agreement by a written Addendum.

9.1 Service Locations: Contractor shall provide its Services at multiple Citrus County Government Building's, parks, and other locations throughout County, as shown on Exhibit "A", attached to this Agreement. These locations may be changed at any time at the discretion of County without affecting Contractor's monthly unit pricing.

9.2 Correction of Services: Contractor shall promptly correct all Services rejected by County for failure to comply with the requirements herein without additional expense to County and shall bear the expense of making such correction. If Contractor does not take action to correct rejected Services within ten (10) calendar days after receipt of written notice from County, County may commence action to terminate the Agreement.

9.3 Changes in Services: County retains the right to change the size and type of the non-hazardous waste containers for any location; to add or delete locations where the waste containers are to be located; and to change the frequency of collection at any location upon giving seven (7) business days advanced notice to Contractor. Contractor shall respond to such changes within three (3) business days of such notification.

10.0 Compensation to Contractor: Compensation to be paid to Contractor for the provision of the Services agreed to herein shall be per the unit pricing noted in Exhibit "B", attached to this Agreement.

10.1 Contractor's Monthly Unit Pricing: Monthly unit pricing shall be based on (1) container size, (2) frequency of collection and (3) whether the container has a lock. Contractor's monthly unit pricing consists of three components; (1) disposal cost, which is the cost to off-load waste material from Contractor's equipment at the Citrus County Landfill and is based on the tipping fee charged by the Citrus County Landfill and Contractor's average waste density in pound per cubic yard for their equipment, (2) collection cost, which involves labor (truck driver) and equipment (truck) and (3) fuel cost for No. 2 Diesel Fuel.

10.2 Changes in Contractor's Disposal Costs: The disposal cost portion of Contractor's unit pricing shall be firm for the term of the Agreement. The only time a change in this cost will be permitted is whenever the Citrus County Landfill changes their tipping fee. Should such change occur, Contractor's disposal cost will be changed in accordance with the change in County's Landfill tipping fee. At the time of the execution of this Agreement, the tipping fee at the Citrus County Landfill is **$30.00** per ton or **$1.12** per cubic yard based on Contractor's average waste density of **75 lbs**. per cubic yard.

10.3 Changes in Contractor's Collection Cost: The collection cost portion of Contractor's unit pricing, which involves labor and equipment, shall be firm for the first year of the Agreement term. Contractor's collection cost shall be adjusted at each yearly anniversary commencing after the first year and shall be changed in accordance with the percentage change in the Consumer Price Index (CPI), **"U.S. City average, all items CUUR0000SAO"** as compared to one year prior. Any upward change in the CPI will result in a corresponding upward change in Contractor's collection cost. If there is no change or there is a negative change in the CPI, there will be no change to Contractor's collection costs. For the purpose of calculating any change in Contractor's collection cost, the CPI base index for

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

June 2021 shall be used. At the time of signing this Agreement, the June 2021 Index was **271.696**. This shall also apply to Contractor's unit pricing for "extra collections".

10.4 Changes in Contractor's Fuel Costs: The fuel cost portion of Contractor's unit pricing shall be firm for the first one year of the Agreement term. Contractor's fuel cost shall be adjusted upward or downward each year thereafter and shall be changed in accordance with the percentage change in the average price of Diesel Fuel as published by the U.S. Energy Information Administration in accordance with Lower Atlantic (PADD 1C) No 2 Diesel Retail Sales. For the purpose of calculating any change in Contractor's fuel cost, the average Lower Atlantic (PADD 1C) No. 2 Diesel Retail Sales price for June 2021 shall be used. At the time of signing this Agreement, the June 2021 No. 2 Diesel price was **$3.178**.

10.5 Changes in Services: If County changes the size or type of the waste storage containers for any County location; adds or deletes County Locations; or changes the frequency of collection for any County location; resultant changes in Contractor's compensation shall be based upon Contractor's monthly unit pricing in effect at the time of such changes.

10.6 Disposal of Waste Material: Contractor shall handle all waste materials removed from County property in full compliance with all laws, regulations, and requirements of all governmental authorities and those of County. All Citrus County waste materials must be disposed of at the Citrus County Landfill.

11.0 Payment of Payment Requests:

11.1 Payment Requests: Requests for payment for the provision of the Services provided under the Agreement shall be submitted no more frequently than once per month, unless stipulated differently in the Agreement. At a minimum, the payment requests shall include the Purchase Order Number, a description of the Services provided, and the amount of the payment request. All requests for payment shall be submitted in sufficient detail to demonstrate compliance with the terms of the Agreement and to allow for the proper pre-audit and post-audit thereof. Requests for payment that include travel expenses shall be in accordance with Section 112.061, Florida Statutes. County reserves the right to require any information from Contractor that County deems necessary to substantiate claims for remuneration. Upon receipt of Contractor's payment request, County will review such to ensure that it is in proper order, and that the Services covered under the payment request have been completed in accordance with this Agreement. If it is found that the payment request is not in proper order, or the Services covered under the payment request do not satisfy this Agreement, the payment request may be rejected.

11.2 Prompt Payment: County shall make payment of a payment request in accordance with Chapter 218, Part VII of the Florida Statutes "Local Government Prompt Payment Act" from the date which a payment request in proper order is recorded as received by County, for Services completed to the satisfaction of County.

11.3 Form of Request: If the payment request is not received in proper order, County may reject the payment request within ten (10) business days after the date on which the payment request is recorded as received by County. County shall provide Contractor with a written notification of the rejection specifying the deficiency and corrective measures necessary to make the payment request proper. Upon receipt of a payment request that corrects the deficiency, County shall make payment in accordance with Chapter 218, Part VII of the Florida Statutes "Local Government Prompt Payment Act".

11.4 Resolution of Payment Request Disputes: In the event of a dispute between Contractor and County concerning the full or partial payment of a payment request, such disagreement shall be finally determined by County. If the dispute between Contractor and County involves a portion of a payment request, the undisputed portion shall be paid by County in a timely manner, as long as the payment request for the undisputed portion is in proper order. Proceedings to resolve the dispute will be commenced within forty-five (45) business days after the date the payment request in dispute was recorded as being received by County and will be concluded by final decision of County within sixty (60) business days after the date on which the payment request was recorded as being received by

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

County. Such procedures do not constitute an administrative proceeding that prohibits a court from deciding de novo any action arising out of the dispute.

11.5 Purchase Order: Although an Agreement will be executed by County and Contractor for the Services being purchased by County, a purchase order will also be issued to Contractor for the purpose of facilitating payment to Contractor. Except under an "emergency request", Contractor shall not provide any Services to County until Contractor has received a purchase order from County. Contractor shall be permitted to accept an order to provide Services under an emergency purchase without a purchase order; however, such request from County must be transmitted to the Contractor via facsimile or e-mail. The written transmission order must be submitted with any payment request submitted by the Contractor for such emergency requests.

11.6 Payments to Subcontractors: When Contractor receives from County any payment for Services covered under the Agreement, Contractor must pay such moneys received to each subcontractor or supplier in proportion to the percentage of the Services completed by each subcontractor or supplier within ten (10) business days after Contractor's receipt of the payment. If Contractor receives less than full payment, then Contractor shall be required to disburse only the funds received on a pro rata basis to its subcontractors and suppliers, each receiving a prorated portion based on the amount due on the payment. If a subcontractor receives payment from Contractor for labor, services or materials furnished by subcontractors or suppliers hired by the subcontractor, the subcontractor must remit payment due to those subcontractors or suppliers within seven (7) business days after the subcontractor's receipt of payment from Contractor.

11.7 ACH Enrollment: All Contractors will be required to complete an "Authorization Agreement for ACH Credits Enrollment Form". Payments will be deposited directly into Contractor's bank account. This means there is no need to wait for the check to come in the mail and eliminates the possibility of a lost check. The Clerk's Accounts Payable Department will provide confirmation via email when payments are transmitted, ensuring immediate notification.

12.0 Warranties:

12.1 Warranty of Ability to Perform: Contractor warrants that, to the best of its knowledge, there are no pending or threatened actions, proceedings, investigations, or any other legal or financial conditions, that would in any way prohibit, restrain, or diminish Contractor's ability to satisfy its obligations under the Agreement.

12.2 Warranty Against Defects in Workmanship: Contractor shall warrant its Services against defects in materials and workmanship for a minimum period of one (1) year from acceptance of the Services by County. Should any defects in materials or workmanship appear during the warranty period, Contractor shall replace the materials or equipment, or repair or re-do the service, immediately upon receipt of written notice from County, at no additional expense to County. Contractor shall warrant such replaced materials or equipment, or repaired or re-done Services, for a period of one (1) year after acceptance of such by County.

12.3 Warranty of Standard Care: In the performance of professional services, Contractor will use that degree of care and skill ordinarily exercised by other similar professionals in the field under similar conditions in similar localities. Contractor will use due care in performing its Services and will have due regard for acceptable professional standards and principles. Contractor's standard of care shall not be altered by the application, interpretation, or construction of any other provision of this Agreement. If any of the Services performed by Contractor do not comply with the foregoing warranties and County notifies Contractor of such, then Contractor shall (at its sole expense) promptly re-execute the nonconforming Services. All such re-performed Services shall be performed on a mutually agreed schedule. Contractor shall and does hereby assign to County the benefits of any of Contractor's subconsultant's or subcontractor's warranties. Such assignment shall not relieve Contractor of its warranty obligations for performance or standard of care to County under this Agreement.

12.4 Warranty of Title: Title to any work product furnished by Contractor under the Agreement shall pass to County to the extent of the payments made for such by County, or on the date that County

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

accepts the completed Services of Contractor. When title passes to County in accordance with the Agreement, Contractor warrants that the work product furnished will be free and clear of all security interests, liens and encumbrances or claims of any party.

13.0 Public Records: Contractor will keep and maintain public records required by the County to perform the service. Upon request from the County's custodian of public records, Contractor will provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed the cost provided in Chapter 119, Florida Statues, or as otherwise provided by law. Contractor will ensure that the public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of the Agreement and following completion of the Agreement if Contractor does not transfer the records to the County. Upon completion of the Agreement, Contractor will transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by County to perform the service. If Contractor transfers all public records to County upon completion of the Agreement, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the Agreement, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology system of the County. If Contractor does not comply with the County's request for public records, the County shall enforce the provisions of the Agreement in accordance with the terms of the Agreement and may cancel the Agreement.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT NANCY KINCH, CUSTODIAN OF PUBLIC RECORDS, AT 3600 W. SOVEREIGN PATH, LECANTO, FL 34461; EMAIL: NANCY.KINCH@CITRUSBOCC.COM; PHONE: (352)527-5235.

14.0 Insurance: During the term of the Agreement, Contractor, at its sole expense, shall provide insurance of such a type and with such terms and limits as noted below. Providing and maintaining adequate insurance coverage is a material obligation of Contractor. Contractor shall provide County a certificate(s) of insurance, evidencing such coverage.

14.1 Minimum Insurance Requirements: Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the contractor, his agents, representatives, employees, or subcontractors. The coverage's, limits or endorsements required herein protect the primary interests of County, and these coverage's, limits or endorsements shall in no way be required to be relied upon when assessing the extent or determining appropriate types and limits of coverage to protect Contractor against any loss exposures, whether as a result of the Project or otherwise. The requirements contained herein, as well as County's review or acknowledgement, is not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by Contractor under a contract.

14.2 Commercial General Liability: Contractor must obtain a general liability policy with minimum limits of $1,000,000 per occurrence and a $2,000,000 general aggregate.

14.3 Automobile Liability: Contractor must obtain coverage for all for Bodily Injury and Property Damage of not less than $1,000,000 combined single limit each accident. In the event Contractor does not own vehicles, Contractor shall maintain coverage for Hired & Non-Owned Auto Liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

14.4 Workers Compensation and Employer's Liability:

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

14.4.1 Contractor must obtain Workers: Compensation insurance with limits in compliance with applicable state and federal laws; if any operations are to be undertaken on or about navigable waters, coverage must be included for the US Longshoremen & Harbor Workers Act. Employer's Liability limits for not less than $100,000 each accident, $500,000 disease policy limit and $100,000 disease each employee must be included.

14.4.2 For any officer of a Contractor that has exempt status as an individual, the County requires proof of workers compensation insurance coverage for that contractor/employer/owner's employees. If the contractor/employer/owner or individual has applied for a workers compensation exemption, the County does not recognize this exemption to extend to the employees of the contractor/employer/owner.

14.4.3 The purpose of this section is to ensure that all contractors, subcontractors, sole proprietors, or business entities of any kind who contract with the County for provision of goods or services, provide workers compensation coverage for all employees, and principles of subcontractors, subcontractors, sole proprietors, or other business entities. All provisions of this Section shall be construed in accord with this intent.

14.5 Pollution Liability:

14.5.1 Pollution Liability must be afforded for Bodily Injury and Property Damage of not less than $1,000,000 each claim.

14.5.2 When this contract includes the pick-up, transportation and /or disposal of hazardous wastes as governed under title 40 or 49 of the Code of Federal Regulations, the transporter's Automobile Insurance shall be endorsed to include the ICC Form MSC90 (Motor Carrier Act of 1980) and the ISO Form CA 9948 (Pollution Liability-Broadened Coverage for Covered Autos-Business Auto and Truckers Coverage Forms).

14.6 Other Insurance Provisions:

14.6.1 Contractor shall provide a Certificate of Insurance to County with a thirty (30) day notice of cancellation and/or changes in policy language, and ten (10) day notice if cancellation is for nonpayment of premium. The certificate shall indicate if coverage is provided under a "claims made" or "occurrence" form. If any coverage is provided under a claim made form the certificate will show a retroactive date, which should be the same date of the contract (original if contract is renewed) or prior.

14.6.2 The project's bid number shall be noted on the certificate. ITB 19-000

14.6.3 All required insurance policies must be maintained until the contract work has been accepted by County.

14.6.4 Citrus County, Florida, a political subdivision of the State of Florida, its officials, employees, and volunteers are to be covered as an Additional Insured on all policies except Worker's Compensation. The coverage shall contain no special limitation on the scope of protection afforded to the County, its officials, employees, or volunteers.

14.6.5 Contractor's insurance coverage shall be primary insurance as respects County, its officials, employees, and volunteers. Any insurance or self-insurance maintained by County, its officials, employees, or volunteers shall be excess of Contractor's insurance and shall be non-contributory.

14.6.6 For all policies of insurance: Contractor and its insurance carrier waive all subrogation rights against County for all losses or damages that occur during the contract and for any events occurring during the contract period, whether the suit is brought during the contract period or not. The County requires General Liability policies to be endorsed with CG 24 04 Waiver of Transfer of Rights of Recovery Against Others to Us or similar endorsement, and a WC 00 0313 Waiver of Our Right to Recover from Others for Workers Compensation coverage.

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

14.6.7 The Certificate Holder should read as follows: Citrus County, Florida, political subdivision of the State of Florida, 3600 W. Sovereign Path, Lecanto, FL 34461.

14.6.8 It is Contractor's responsibility to ensure that all subcontractors comply with these insurance requirements. Contractor shall include all subcontractors as insured under its policies or shall furnish separate certificates and endorsements for each sub-contractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

14.6.9 All required insurance policies must be written with an insurance carrier having a minimum A.M. Best rating of A-.

14.6.10 All Certificates must show that the Contractor's policies have been endorsed per the requirements.

14.6.11 Once ALL paperwork is completed and received by the County, an email will be sent to Contractor requesting online registration with myCOI. It is critical that the County is provided with an accurate email address. The **cost to register is $19.95 per year** and a credit/debit card will be needed. Part of the registration process includes providing contact information for Contractor's insurance agent(s), which will be needed at the time of registration. Once registered, an email will be sent to the insurance agent(s) requesting them to upload a current Certificate of Insurance (COI) directly into the myCOI website. Certificates of Insurance cannot be mailed, emailed, or faxed to County. Contractor will not be allowed to begin work and no payments will be made until registration is completed and a compliant Certificate of Insurance is received from Contractor's agent(s). This is a yearly requirement for the duration of the Agreement.

15.0 Indemnification: Contractor shall indemnify, save and hold harmless the County and all its officers, agents or employees from all causes of action, claims, demands, losses, liabilities and expenditures of any nature whatsoever, including defense costs and fees, caused by intentional or negligent acts of, or omissions of Contractor, its subcontractors, agents or employees or accruing, resulting from, or related to the subject matter of this Agreement including without limitation, any and all claims, losses, liabilities, expenditures, demands or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. Neither Contractor, nor any of its agents will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the County or any of its officers, agents, or employees. In the event any lawsuit or other proceeding is brought against County by reason of any such claim, cause of action or demand, Contractor shall, upon written notice from County, resist and defend such lawsuit or proceeding by counsel satisfactory to County or, at County's option, pay for an attorney selected by County to defend County. This indemnification includes attorney's fees and all costs of litigation including appellate attorney's fees and costs as well as any judgments. The parties agree that this clause shall not waive the benefits or provisions of section 768.28, Florida Statutes, or any similar provision of law. The provisions and obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the County, any sums due Contractor under this Agreement may be retained by County until all of the County's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by County.

16.0 Change Orders: County may at any time, as the need arises, order changes within the scope of the services without invalidating the Agreement. If such changes result in an increase or decrease in the Contract Price, or in the time required for performance of the Services, an equitable adjustment shall be authorized by way of a Change Order. County also may at any time, by issuing a Field Order, make changes in the details of the Services. Contractor shall proceed with the performance of any changes in the Services so ordered by County unless Contractor believes that such Field Order entitles it to a change in Contract Price or Time, or both, in which event Contractor shall give County written notice thereof within fifteen (15) calendar days after the receipt of the ordered change, and Contractor shall not execute such changes pending the receipt of an executed Change Order or further instruction from County.

17.0 Termination of Agreement: Either party may terminate this Agreement by giving the other party thirty (30) days written notice. In the event of termination, County will be responsible for compensating

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

Contractor only for those Services satisfactorily completed or partially completed up to the date of termination. Contractor shall not be entitled to compensation for loss of anticipated profit.

18.0 Licenses and Certifications: Contractor, and/or its sub-contractor(s), shall obtain Citrus County Certified Hauler status and shall maintain such throughout the duration of Agreement. If Contractor or any of its sub-contractors become non-certified, it shall be grounds for County to terminate the Agreement. Furthermore, it shall be Contractor's responsibility to ensure that it and its sub-contractors are properly licensed and/or permitted to conduct business in Citrus County, Florida, and the State of Florida. Contractor, or its sub-contractor(s), shall possess and maintain during the term of this Agreement any and all licenses required to perform the Services covered under this Agreement, as stipulated by the State of Florida and Citrus County Florida.

19.0 Additional Terms and Conditions:

19.1 Advertising: Subject to Chapter 119, Florida Statutes, Contractor shall not publicly disseminate any information concerning the Agreement without prior written approval from County, including, but not limited to mentioning the Agreement in a press release or other promotional material, identifying County as a reference, or otherwise linking Contractor's name and either a description of the Agreement or the name of County in any material published, either in print or electronically, to any entity that is not a party to the Agreement.

19.2 Assignment: Neither County nor Contractor shall sell, assign, or transfer any of its rights, duties or obligations under the Agreement without the prior written consent of the other Party. In the event of any assignment, Contractor remains secondarily liable for performance of the Agreement, unless County expressly waives such secondary liability.

19.3 Bankruptcy or Insolvency: Contractor shall promptly notify County in writing of the filing of any voluntary or involuntary petition for bankruptcy and/or of any insolvency of Contractor or any of its subcontractors who are involved in the provision of the Services under this Agreement.

19.4 Compliance with Laws: Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of Local, State and Federal agencies having jurisdiction and authority. These laws, shall include, but not be limited to, Chapter 287 of the Florida Statutes, the Uniform Commercial Code, the Immigration and Nationalization Act, the Americans with Disabilities Act, the United States Occupational Safety and Health Act, the United States Environmental Protection Agency, the State of Florida Department of Environmental Protection, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, sexual orientation, gender identity or expression or veteran's status. Violation of such laws shall be grounds for termination of the Agreement.

19.5 Conflict of Interest: Contractor covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner of degree with the performance of the Services covered under this Agreement. Furthermore, Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Contractor any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Agreement. Contractor, and its subcontractors at any tier, certify that they have not entered into any contract, sub-contract, or arrangement in connection with the Project covered under this Agreement, or of any property included or planned to be included in the Project, in which any member, officer, of employee of Contractor or its subcontractors, during its tenure, or for two years thereafter, has any interest, direct or indirect. Contractor, and its subcontractors at any tier, shall insert the following provision into each of their contracts and sub-contracts:

"No member, officer, or employee of the sub-contractor, during their tenure or for two years thereafter, shall have any interest, direct or indirect, in this contract or the proceeds thereof."

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

19.6 Cooperative Purchasing: If applicable, pursuant to Contractor's own governing laws, and subject to agreement of Contractor, other government entities may be permitted to make purchases at the terms and conditions contained herein. Non-County purchases are independent of the Agreement between County and Contractor, and County shall not be a party to any transaction between Contractor and any other government entity. Another government entity may attach additional contractual and technical terms and conditions to this Agreement. These "special conditions" shall take precedence over the terms and conditions in this Agreement unless the conflicting term in this Agreement is statutorily required, in which case the term contained in this Agreement shall take precedence.

19.7 Correction of Services: Contractor shall promptly remove from the premises all Services rejected by County for failure to comply with the Contract Documents, whether incorporated into the Project or not, and Contractor shall promptly replace and re-execute the Services in accordance with the Contract Documents, without additional expense to County, and shall bear the expense of making good all Services of other contractor's work destroyed or damaged by such removal or replacement. All removal and replacement of Services shall be done at Contractor's expense. If Contractor does not take action to remove such rejected Services within ten (10) calendar days after receipt of written notice from County, County may remove such Services on their own and store the materials at the expense of Contractor.

19.8 County Funds: If sufficient funding is not available for Contractor to complete the Services, County reserves the right to modify the terms and conditions of the Agreement to change the Scope of Services to reduce the cost to match any available funding. If such modifications to the Scope of Services are not feasible, or if funding has been totally exhausted prior to Contractor's completion of its Services, the Agreement shall be terminated on terms reasonably acceptable to both parties. Additionally, in accordance with Section 216.347, Florida Statutes, and as provided herein, Contractor may not expend any County funds for the purpose of lobbying the legislature, or local, state, or federal agencies.

19.9 Debarment: Contractor certifies to the best of their knowledge and belief, that they and their principals 1) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Municipal, County, State or Federal department or agency, 2) have not, within a three-year period preceding execution of this Agreement, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records; making false statements; or receiving stolen property, 3) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated above, 4) have not within a three-year period preceding execution of this Agreement had one or more public transactions (Federal, State or local) terminated for cause or default, and 5) will advise County immediately if their status changes and will provide an explanation for the change in status.

19.10 Discriminatory Vendor: Contractor certifies that they are not subject to Section 287.134 (2)(a) which specifies that an entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a Bid on a contract with a public entity for the construction or repair of a public building or public work, may not be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under a contract with any public entity, and may not transact business with public entity.

19.11 Disposal of Wastes: Contractor shall handle any waste materials generated in the performance of the Services in full compliance with all laws, regulations, and requirements of all governmental authorities and those of County. Contractor shall use only disposal facilities which have proper permits and are in full compliance with all Laws. Contractor agrees that County has the right to reject, for any reason, Contractor's use of any particular disposal facility.

19.12 Dispute Resolution: For any dispute concerning performance of the Agreement, which includes without limitation controversies based upon breach of contract, mistake, misrepresentation, or other

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

cause for contract modification or rescission, County shall attempt to reach a mutual agreement as to the settlement and resolution of the dispute with Contractor. Should a mutual agreement not be reached, County shall render a decision and reduce such to writing and serve a copy on Contractor. The decision shall be final and conclusive.

19.13 Documentation: All tracings, plans, specifications, maps, computer files and/or reports prepared or obtained under this Agreement, as well as all data collected, together with summaries and charts derived there from, will be considered works made for hire and will become the property of County upon expiration or termination of the Agreement without restriction or limitation on their use. Upon delivery to County of said document(s), County will become the custodian thereof in accordance with Chapter 119, Florida Statutes. Contractor will not copyright any material and products or patent any invention developed under this Agreement. Copies of these documents are not to be sold or distributed to third parties without the written consent of County.

19.14 Drug Free Workplace: Contractor certifies that it has in place a Drug-Free Workplace Program in accordance with the Drug-Free Workplace Act of 1988 (41 U.S.C. 702-706).

19.15 Employees, Subcontractors and Agents: All Contractor employees, subcontractors, and agents performing any of the Services under the Agreement shall be properly trained to meet or exceed any specified training qualifications. Upon request, Contractor shall furnish a copy of certification or other proof of qualification. All employees, subcontractors, and agents of Contractor must comply with all security and administrative requirements of County. County may conduct, and Contractor shall cooperate in, a security background check or otherwise assess any employee, sub-contractor, and agent of Contractor. County may refuse access to, or require replacement of, any of Contractor's employee, subcontractor, and agent for cause, including, but not limited to, technical or training qualifications, quality of services, change in security status, or non-compliance with County's security or other requirements. Such refusal shall not relieve Contractor of its obligation to perform all Services in compliance with the Agreement. County may reject and bar from any facility for cause any of Contractor's employees, subcontractors, or agents. County shall have the right to review and approve any sub-contractor used by Contractor. Contractor shall be fully responsible to County for the acts and omissions of its subcontractors, and persons directly or indirectly employed by them. It is Contractor's responsibility to ensure that their subcontractors are properly licensed to do business in the State of Florida and Citrus County, as required by law.

19.16 Environmental Issues: All notifications regarding environmental issues or requirements shall be sent immediately to County's Contact Person. Unless directed otherwise by County, Contractor is not to contact any local, state, or federal governmental agencies concerning environmental issues involving the Project Site.

19.17 Equal Employment Opportunity: Contractor shall not discriminate on the basis of race, color, sex, age, national origin, religion, and disability or handicap in accordance with the Provisions of: Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000 et seq.), Title VII of the Civil Rights Act of 1968 (42 U.S.C. § 3601 et seq.), Florida Civil Rights Act of 1992 (§ 760.10 et seq.), Title 41 CFR Part 60 for compliance with Executive Orders 11246 and 11375, Title 49 CFR 23 and Title 49 CFR 26 for Disadvantaged Business Enterprises, Age Discrimination Act of 1975 (42 U.S.C. § 6101, et seq.), Title 49 CFR 21 and Title 49 CFR 23, Nondiscrimination on the basis of handicap, Title 49 CFR 27, Americans with Disabilities Act of 1990 (42 U.S.C. 12102, et. seq.), Federal Fair Labor Standards Act (29 U.S.C. § 201, et seq.), and any other Federal and State discrimination statutes. Contractor shall furnish pertinent information regarding its employment policies and practices as well as those of their proposed subcontractors as the State of Florida Department of Transportation, the Secretary of Labor, or County may require. The above shall be required of any sub-contractor hired by Contractor. All Equal Employment Opportunity requirements shall be included in all non-exempt sub-contracts entered into by Contractor. Sub-contracts entered into by Contractor shall also include all other applicable labor provisions. No sub-contract shall be awarded to any non-complying sub-contractor. Additionally, Contractor shall insert in its sub-contracts a clause requiring subcontractors to include these provisions in any lower tier sub-contracts that may in turn be made. Contractor shall comply with all state laws and local ordinances, except that any preferential consideration of local in-state subcontractors is NOT allowed.

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

19.18 E-Verification System: Contractor shall comply with the Executive order No. 12989 as amended, and Executive Order No. 11-116, and agrees to utilize the U.S. Department of Homeland Security's E-Verify system, https://e-verify.uscis.gov/emp, to verify the employment eligibility of: (1) all persons employed by Contractor during the contract term to perform any duties within Florida, and; (2) all persons, including subcontractors, assigned by Contractor to perform work pursuant to this Contract. Contractors meeting the terms and conditions of the E-Verify System are deemed to be in compliance with this provision.

19.19 Force Majeure Event: Neither party shall be considered to be in default in the performance of its obligations under this Agreement, except obligations to make payments with respect to amounts already accrued, to the extent that performance of any such obligations is prevented or delayed by any cause, existing or future, which is beyond the reasonable control, and not a result of the fault or negligence of, the affected party (a "Force Majeure Event"). If a party is prevented or delayed in the performance of any such obligations by a Force Majeure Event, such party shall immediately provide notice to the other party of the circumstances preventing or delaying performance and the expected duration thereof. Such notice shall be confirmed in writing as soon as reasonably possible. The party so affected by a Force Majeure Event shall endeavor, to the extent reasonable, to remove the obstacles which prevent performance and shall resume performance of its obligations as soon as reasonably practicable. A Force Majeure Event shall include, but not be limited to acts of civil or military authority (including courts or regulatory agencies), act of God (excluding normal or seasonal weather conditions), war, riot, or insurrection, inability to obtain required permits or licenses, hurricanes, and severe floods.

19.20 Governing Law and Venue: The Agreement shall be governed in accordance with the laws of the State of Florida. In the event of litigation with respect to the obligation of the parties to the Agreement, the jurisdiction and venue of such action shall be an appropriate State Court in Citrus County, Florida.

19.21 Governmental Restrictions: If Contractor believes that any governmental restrictions have been imposed that require alteration of the materials used, the quality, workmanship or performance of the Services offered under the Agreement, Contractor shall immediately notify County in writing, indicating the specific restriction. County reserves the right and the complete discretion to accept any such alteration or to cancel the Agreement at no further expense to County.

19.22 Immigration and Nationality Act: Contractor shall comply with all immigration laws as outlined in 8 USC § 1324a - Unlawful employment of aliens. County will not intentionally award County contracts to any Contractor who knowingly employs unauthorized Alien workers. Any violation of the employment provisions outlined in the Immigration and Nationality Act throughout the term of any Agreement with County may result in immediate termination of the Agreement. County will consider the employment of unauthorized aliens a violation of Section 274A (e) of the Immigration and Nationality Act. Such violation will be cause for unilateral cancellation of the Agreement, by County, if Contractor knowingly employs unauthorized aliens.

19.23 Inspection, Performance, Supervision: County reserves the right to inspect the Services provided by Contractor, whether partially or fully completed, at any time, as deemed appropriate by County for the purpose of ensuring Contractor's performance under the Agreement. Such inspections performed by County, shall not be construed as a final approval of Contractor's Service, and shall not relieve Contractor from its obligations under the Agreement. County reserves the right to inspect, at any reasonable time with prior notice, Contractor's facilities to assess conformity of the provision of the Services with the Agreement requirements. County reserves the right to investigate or inspect, at any time, whether the provision of the Services complies with the Agreement requirements. Contractor shall at all times during the Agreement term remain responsive and responsible. Contractor must be prepared, if requested by County, to present evidence of experience, ability, and financial standing, as well as a statement as to capacity of Contractor for the performance of the provision of the Services covered under the Agreement. This paragraph shall not mean or imply that it is obligatory upon County to make an investigation either before or after award of the Agreement, but should County elect to do so, Contractor is not relieved from fulfilling all Agreement requirements. Contractor shall supervise and direct the performance of its Services and shall be solely responsible for the means, methods,

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

techniques, sequences, and safety of construction. Contractor will employ and maintain at the Project Site a qualified supervisor or superintendent who shall have been designated in writing by Contractor as the Contractor's representative at the Project Site. The supervisor or superintendent shall have full authority to act on behalf of Contractor and all communications given to the supervisor or superintendent shall be as binding as if given directly to Contractor. The supervisor or superintendent shall be present on the Project Site at all times as required to perform adequate supervision and coordination of the Contractor's Services.

19.24 Lawful Claims and Demands: Should any outstanding claims by subcontractors or suppliers incurred in the performance of the Services materialize after County has made Payment to Contractor, Contractor will indemnify and save County harmless from such claims. Acceptance by Contractor of payment shall be and shall operate as a release to County of all claims and all liabilities to Contractor, other than claims in stated amounts as may be specifically excepted by Contractor for things done or furnished in connection with the provision of the Services, and for every act and neglect of County and others relating to or arising out of the provision of the Services covered under this Agreement. Any payment, whether final or otherwise, shall not release Contractor or his sureties from any obligations under the Agreement.

19.25 Lobbying: Contractor shall not, in connection with the Agreement, directly or indirectly (1) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any County officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone any gratuity for the benefit of, or at the direction or request of, any County officer or employee. For purposes of clause (2), "gratuity" means any payment of more than nominal monetary value in the form of cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, Services, employment, or contracts of any kind.

19.26 Materials, Services, and Facilities: It is understood that, except as otherwise specifically stated in the Contract Documents, Contractor shall provide and pay for all materials, labor, tools, equipment, water, light, power, transportation, supervision, temporary construction of any nature, and all other services and facilities of any nature whatsoever necessary to execute, complete, and deliver the Services within the specified time.

19.27 Non-Collusion: Contractor agrees that neither it, nor any of its officers, partners, agents or employees have entered into any agreement, participated in any collusion, or otherwise taken any action which is in restraint of a free competitive solicitation in connection with this Agreement, and that Contractor intends to do the work with its own bona fide employees or subcontractors and has not provided a response for the benefit of another contractor. Furthermore, Contractor certifies that its affiliates, subsidiaries, directors, officers, and employees are not currently under investigation by any governmental authority and have not in the last ten (10) years been convicted or found liable for any act prohibited by law in any jurisdiction, involving conspiracy or collusion with respect to submitting a response on any public contract.

19.28 Project Site Conditions: Contractor shall be deemed to have examined the Project Site, if applicable and to have secured full knowledge of all conditions under which the Services are to be executed and completed.

19.29 Protection of Persons: Contractor will be responsible for the safety of its employees and the employees of its subcontractors, during the provision of the Services. Contractor will be responsible for initiating, maintaining, and supervising all safety programs in connection with the provision of the Services in accordance with applicable safety standards and regulations, as promulgated by the United States Occupational Safety and Health Act. Contractor shall report promptly to County any accident or unusual occurrence during performance of the Services, including personal injury or death to any Contractor employee, sub-contractor employee or any member of the public, or any damage to any of County's property, the Project Site, or adjacent property.

19.30 Public Entity Crime: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017, Florida Statutes for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

19.31 Relationship: Contractor is an independent contractor to County in the provision of the Services under this Agreement and is not an employee, agent, joint-venture, or partner of County.

19.32 Risk of Loss: Until the Services have been accepted by County, risk of loss or damage to any materials, equipment, supplies or work product, whether partially or fully completed, that are associated with the Services shall remain with Contractor.

19.33 Schedules, Reports and Records: Contractor shall submit to County cost schedules, progress schedules, estimates, records, reports, and any other data, as related to the provision of the Services covered under the Agreement. Furthermore, County reserves the right to inspect and audit Contractor's books and records relating to the Agreement, when deemed appropriate by County. All schedules, reports and records of Contractor, as they relate to the Agreement, shall be retained by Contractor for a period of three (3) years from the date of final payment under the Agreement.

19.34 Security and Confidentiality: Contractor shall comply fully with all security procedures of County in the performance of the Agreement. Contractor shall not divulge to third parties any information obtained by Contractor or its agents, distributors, resellers, subcontractors, officers, or employees in the course of the provision of the Services without the written consent of County. However, Contractor shall be permitted to release information to third parties if such information is publicly available through no fault of Contractor, information that Contractor developed independently without relying on County's information, or information that is otherwise obtainable under State and Federal law as a public record. To ensure confidentiality, Contractor shall take appropriate measures as to its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Agreement.

19.35 Severability: If a court deems any provision of the Agreement void or unenforceable, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable and all other provisions shall remain in full force and effect.

19.36 Survival: All express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive completion or termination of the Agreement for any reason.

19.37 Taxes: Contractor shall pay all sales, consumer, use and other similar taxes required to be paid by Contractor in accordance with the laws and regulations of the State of Florida which are applicable to the provision of the Services under the Agreement. County will not pay for any personal property taxes levied on Contractor or for any taxes levied on Contractor's employees' wages. County is a political subdivision of the State of Florida and holds a State of Florida Sales Tax Exemption Certificate (No. 85-8012621778C-1). All purchases made by County directly from a dealer, distributor or manufacturer for materials, equipment or supplies ("direct purchase") instead of through the Contractor are exempt from sales, consumer, use and other similar taxes.

19.38 Waiver: The delay or failure by County to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of County's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude the County of any other or further exercise thereof or the exercise of any other right.

19.39 Workforce Labor: County believes that the hiring of workforce labor by Contractors who County awards contracts to, should, to the maximum extent, be citizens within its boundaries that are unemployed or seeking work for the first time. To that extent, County has agreed to notify CareerSource CLM of all awards involving construction and other types of services. CareerSource CLM is a local

business-led organization that plans and coordinates quality employment and training services for businesses and individual career seekers in Citrus County. Contractor may be contacted by CareerSource CLM, to discuss hiring through its staff and services. Contractor participation with CareerSource CLM is not required as a condition of award, but rather an opportunity for greater support for the community of Citrus County.

20.0 Authority: Each person signing the Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

EXHIBIT "A"
SCOPE OF SERVICES

The Services to be provided by Contractor are for County Locations as shown on Exhibit "A", attached to this Solicitation and may be modified from time to time. Services shall include, but not be limited to, the following:

1. Provide non-hazardous waste storage containers of specified size (cubic yards) and type (food or non-food; with lock or without lock) for County Locations shown in Exhibit "A", which may be modified from time to time.

2. Empty the waste storage containers, transfer the waste to Contractor's vehicles, and transport the waste to, and dispose the waste at, the Citrus County Landfill at the frequencies stipulated for County Locations shown in Exhibit "A".

a. All solid waste materials collected in Citrus County or as a result of award of this bid MUST be disposed of at the Citrus County Central Landfill.

3. Maintain the waste storage containers in good condition and appearance and repair or replace any waste storage container that is heavily rusted, damaged or leaks fluids.

4. Sanitize the waste storage containers each time they are emptied (food containers only), or upon the request of County (non-food containers), to control odors and prevent attraction of insects and rodents.

5. Pick-up loose waste that may have spilled out of the containers (over-flow condition) and deposit the waste back into the waste storage container each time the container is emptied and provide a second empty/transfer of that respective waste storage container should the deposited spilled waste be of sufficient volume to refill the waste storage container.

6. Advise County whenever waste storage containers are observed to be too small in size (excessive waste spilling out of the containers on a re-occurring basis) or whenever waste containers are observed to be too large in size (partially empty on a re-occurring basis).

7. Respond to County's emergency or non-routine requests for emptying of waste storage containers and disposing of waste.

8. Provide non-hazardous waste storage containers of specified size (cubic yards) and type (food or non-food: with lock or without lock) for County Locations shown in Attachment "A", attached to this Solicitation, which may be modified from time to time.

9. County reserves the right to request additional pickup service. Vendors are requested to quote a price for both the stated frequency and extra pickup. The prices shown in the bid form matrix shall be the monthly charge for each service including both collection and disposal.

10. All dumpsters used for dumping food by-products must be sanitized after each pick-up either by sprinkling or spraying a deodorizing agent. All other dumpsters will be sanitized upon the request of the using departments at no additional cost to County.

11. The dumpsters are to be maintained in good repair and appearance to include repainting as needed. Newly painted dumpsters are to be provided at the onset on the contract. Any fully penetrating holes in the body of the container need to be repaired within 7 days following notification by County.

12. The collection schedule is to be coordinated with County and County will be notified of collection changes, i.e., holidays, natural disasters, etc.

Attachment: ITB 21-066 AGENDA (17238 : ITB 21-066 Dumpster Services; Waste-Pro of Florida, Inc.)

County retains the right to change the size and type of the non-hazardous waste containers for any location; to add, delete or change the location of facilities where the non-hazardous waste containers are to be located; and to change the emptying of containers and waste disposal frequency at any location upon giving seven (7) days advanced notice to Contractor. Contractor shall respond to such changes within three (3) business days of such notification.

a. Any adjustment in cost necessary due to the addition or deletion of containers will be at the current unit price.

AGENDA MEMORANDUM

FROM:	Colleen Scott, Management & Budget Director
SUBJECT:	Budget Transfers
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

Budget transfers increase the original budget for an expenditure account through a decrease in another expenditure account. These accounts must be within the same fund.

Boating Improvements - Allocate funds to the proper account to be in compliance with the State of Florida, Uniform Chart of Accounts.

Visitor & Convention Bureau (2) - Allocate funds to cover Destination Video Shoot by Madden Media and to upgrade service level by GOSH PR to enhance Citrus County representation in the UK.

Detention Services - Allocate funds to steam clean three air handling units.

Capital Improvement Program - Allocate funds for the ADA Accessible Entrance Ramp for the Elections office.

Circuit Court - Allocate funds to cover costs of network and computer equipment to facilitate remote work initiatives.

Aquatic Plant Control - Allocate funds to the proper account to be in compliance with the State of Florida, Uniform Chart of Accounts.

BUDGET IMPACT/FUNDING SOURCE:

Account No.	Account Title	Current Budget	YTD Expenditures	Encumbrances	Available Balance
					$0

As detailed on every budget transfer form attached.

RECOMMENDED ACTION:

Approve budget transfers for Boating Improvements, Visitor and Convention Bureau (2), Detention Services, Capital Improvement Program, Circuit Court and Aquatic Plant Control for fiscal year 2020-21.

AGENDA MEMORANDUM

FROM:	Colleen Scott, Management & Budget Director
SUBJECT:	Administrative Regulations; AR 9.11-4 Continuing Services for Contract for Construction Services
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

Staff continues to revise and update the County's Administrative Regulations. The following AR 9.11-4 has been revised to reflect the current operations and policies.

BUDGET IMPACT/FUNDING SOURCE:

Account No.	Account Title	Current Budget	YTD Expenditures	Encumbrances	Available Balance
					$0

RECOMMENDED ACTION:

Approve and adopt the following Administrative Regulations: 9.11-4 Continuing Services for Contract for Construction Services.

ADMINISTRATIVE REGULATION	AR: 9.11-4	DATE APPROVED

SUBJECT:	ORIGINATING DEPARTMENT
Continuing Services for Contract for Construction Services	**Management and Budget**

POLICY:

a. To facilitate expediting small construction projects, the County has entered into continuing services contracts with at least three General Contractors. Of these Contractors, one is a "Primary" Contractor to provide construction services for projects valued at less than $35,000,. All of the Contractors are "Alternate" Contractors to provide construction services for projects valued between $35,000 and $200,000.

b. The "Primary", and "Alternate" Contractors cannot be utilized for projects valued in excess of $200,000. These projects must be competitively bid through the process outlined in Administrative Regulation AR: 9.10 (latest revision); Invitation to Bid Procedures.

c. A continuing services contract shall be entered into with each selected Contractor for a maximum period of three (3) years.

d. The Contractors selected for a continuing services contract shall be available for use by all County Staff.

e. Staff shall make a good faith cost estimate as to the value of the proposed construction projects and follow the procedures outlined below, in accordance with the above threshold limits.

PROCEDURE:

I.PROCEDURE FOR PROJECTS LESS THAN $35,000:

a. "Staff" means Department/Division/Office.

b. "DMB" means Department of Management & Budget/Purchasing Section.

c. Staff shall be permitted to directly contact the "Primary" Contractor to convey what services are required and to request a quotation.

d. If the "Primary" Contractor is not able to respond to Staff's request for construction services or cannot provide such services within a reasonable period of time, as determined by Staff, staff shall be permitted to contact the "Alternate" Contractors and request a quote from them.

e. Staff shall not be permitted to obtain competitive quotes simultaneously from the "Primary" Contractor and the "Alternate" Contractors for comparison purposes.

f. The quote provided by the "Primary" Contractor, or the "Alternate" Contractors, as the case may be, shall be in such form and detail as required by Staff, to enable them to determine if the pricing proposed is reasonable and fair. This shall include, but not be limited to; 1) a listing of the Contractor's in-house work force to be used for the project,

Attachment: AR 9.11-4 Continuing Contracts for Construction Services-Clean (17200 : Administrative Regulations; AR 9.11-4 Continuing

2) the hourly labor rates for the Contractor's in-house work force, 3) the number of hours required by the Contractor's in-house work force to perform the work, 4) a description of the work to be performed by the Contractor's in-house work force, 5) a list of materials and/or equipment to be utilized, including their description, manufacturer and manufacturer's part number, 6) the cost for the materials and equipment, plus applicable mark-up, 7) a list of sub-contractors and a description of the work they will perform, 8) the cost of the sub-contractors' services, plus applicable mark-up, 9) an estimate of the time to complete the project, including a start date, and 10) total cost of the project.

g. Staff shall evaluate the Contractor's quote to determine that the scope has been clearly and accurately understood, that the work has been properly estimated with supporting data presented, and that the material and equipment estimates are reasonable and properly documented. Staff shall be allowed to request additional information or clarification from the Contractor, if required.

h. Staff shall be permitted to enter into **"value engineering"** negotiations with the Contractor to obtain the lowest and best pricing and schedule.

i. Staff shall complete a "Work Authorization Form", explaining why the work needs to be done and showing that funding is available and attach the quote to it. The Form shall be executed by the requester, the Division Director (all projects), the Department Director (projects valued less than $10,000), and the Management & Budget Director (projects valued greater than $10,000).

j. Once approved, Staff shall issue the Contractor a Purchase Order and Notice to Proceed, authorizing the Contractor to commence with the work. Staff shall complete a Notice of Commencement (if required) and have such recorded in the public records of Citrus County.

k. If the quote provided by the "Primary" Contractor exceeds $35,000 and the pricing cannot be reduced below $35,000 through **"value engineering"**, quotes must be obtained from all "Alternate" Contractors, as noted below.

II.PROCEDURE FOR PROJECTS GREATER THAN $35,000 BUT LESS THAN $200,000:

a. "Staff" means Department/Division/Office.

b. "DMB" means Department of Management & Budget/Purchasing Section.

c. Staff shall be permitted to directly contact the "Alternate" Contractors to convey what services are required and to request a competitive quotation from each.

d. If quotations cannot be obtained from all "Alternate" Contractors, documentation as to the reason for such shall be forwarded to DMB. DMB will address the non-responsiveness with the non-compliant Contractor(s). A trend of repeated non-compliance by any one "Alternate" Contractor will be cause for termination of that Contractor's continuing services contract.

e. The quotations provided by the "Alternate" Contractors shall be in such form and detail as required by Staff to enable them to determine if the pricing proposed is reasonable and fair. This shall include, but not be limited to, 1) a listing of the Contractor's in-house work force to be used for the project, 2) the hourly labor rates for the Contractor's in-

house work force, 3) the number of hours required by the Contractor's in-house work force to perform the work, 4) a description of the work to be performed by the Contractor's in-house work force, 5) a list of materials and/or equipment to be utilized, including their description, manufacturer and manufacturer's part number, 6) the cost for the materials and equipment, plus applicable mark-up, 7) a list of sub-contractors and a description of the work they will perform, 8) the cost of the sub-contractors' services, plus applicable mark-up, 9) an estimate of the time to complete the project, including a start date, and 10) total cost of the project.

f. Staff shall evaluate the Contractors' quotations to determine that the scope has been clearly and accurately understood by all Contractors, that the work has been properly estimated with supporting data presented, and that the material and equipment estimates are reasonable and properly documented. Staff shall be allowed to request additional information or clarification from the Alternate Contractors, if required.

g. Once Staff has determined that the Alternate Contractors have a clear understanding of the scope of the project and they have submitted their final adjusted cost estimate, if applicable, the Contractor that offers the lowest "total cost for the project" shall be awarded the project.

h. If the lowest "total cost for the project" exceeds the funding that Staff has budgeted for the project, Staff shall be permitted to enter into **"value engineering"** negotiations with the Contractor who submitted the lowest cost estimate after they are selected. If these negotiations result in a decrease in the originally quoted price, a new cost estimate shall be prepared by the Contractor to reflect such changes.

i. If the value of the project, as quoted by the selected Contractor, is between $35,000 and $200,000, Staff shall prepare an agenda item for presentation to the Board of County Commissioners for approval and signature. The agenda item shall have attached to it the three quotations and a completed "Work Authorization Form", explaining why the work needs to be done and showing that funding is available. The Form shall be executed by the requester, the Division Director, the Department Director, the County Administrator or designee and the Contractor. Once approved by the Board, Staff shall issue a Purchase Order and Notice to Proceed to the Contractor, authorizing the Contractor to commence with the work. Staff shall also complete a Notice of Commencement (if required) and have it recorded in the public records of Citrus County.

j. Upon completion of the project, the Contractor shall submit a request for payment. The payment request shall itemize the actual costs incurred by the Contractor and shall be substantiated with time sheets of its in-house work force and receipts for all materials, equipment and sub-contracted services. Payment of payment requests by the County will be made after inspection of the completed services and satisfactory acceptance of such by Staff.

AGENDA MEMORANDUM

FROM:	June Randall,
SUBJECT:	Revision to Employee Handbook – Section Seven: Compensation
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

Revision to Employee Handbook - Section Seven: Compensation

Sub-Section 7: Pay Rate in Reclassification, Transfer, Promotion, Demotion or Reemployment

Current language in the Handbook reads:

If an employee is reclassified, transferred, promoted, demoted or re-employed, his/her pay for the new position shall be determined as follows:

A. Reclassification - If an employee's position is reclassified as a result of a job analysis or review, the employee's pay rate will remain unchanged unless the employee's pay rate is below the minimum pay step in the pay range. In that case, the employee shall be assigned to the minimum pay step. No adjustment will be made in the employee's evaluation date because of the position being reclassified.

Revised language to read:

A. Reclassification - If an employee's position is reclassified to a higher pay grade as a result of a job analysis or review, the employee will receive a 5% increase or move to the minimum of the new pay grade, whichever is greater. Reclassifications to a lower pay grade will receive no adjustments. At no time may an employee's rate of pay exceed the maximum rate for the job class in which they are being reclassified to.

BUDGET IMPACT/FUNDING SOURCE:

Account No.	Account Title	Current Budget	YTD Expenditures	Encumbrances	Available Balance

RECOMMENDED ACTION:

Authorize the Chairman to:

1. Approve revision of the Employee Handbook to reflect:
    a. Reclassifications to a higher pay grade will receive a 5% increase or move to the minimum of the new pay grade, whichever is greater.
    b. Reclassifications to a lower pay grade will receive no adjustments.
    c. At no time may an employee's rate of pay exceed the maximum rate for the job class in which they are being reclassified to.

2. Approve the above changes effective 10/1/2021.

Memorandum of Understanding
Code 3 Associates Inc.
And Citrus County, Florida

Attachment: Code 3 MOU Citrus Co FL revised 7.21.21 (17181 : Code3 Associates MOU)

I. Purpose

The purpose of this Memorandum of Understanding (MOU) is to establish a working relationship between Code 3 Associates Inc. (Code3) and the Citrus County, Florida (Citrus Co) in preparing for and responding to disasters at all levels.

This Agreement provides the broad framework for cooperation and communication between Code 3 and CITRUS CO in providing assistance and service to animal victims of disaster; as well as for other services for which cooperation may be mutually beneficial.

II. Concept of Operations

Both Code 3 and CITRUS CO are separate and independent organizations. As such, each Party retains its own identity in providing services, and each Party is responsible for establishing its own policies and financing its own activities.

III. Definitions

1. Disaster: A disaster shall be defined as any natural or manmade situation that causes animal suffering or creates animal needs that cannot be met by a community without outside qualified professional assistance.

2. Authorized Representative: The chief executive or his or her designee. The list of titles of authorized representatives for each Party shall be attached hereto as "Exhibit A," and shall be updated as needed by each Party by means of a written notification.

IV. Code 3 operates under established ICS-NIMS incident command structures and provides the following services:

- Area evaluation, search and evacuation of animals
- Rescue of abandoned or stranded animals by authorized and qualified personnel
- Assistance with decontamination of animals exposed to hazardous materials or conditions
- Advise on implementation of record keeping and identification system
- Large Animal Shelter Management and Set-up Team
- Offer guidance and support regarding coordination of animal food and supplies
- Compassionate removal and documentation of animals who don't survive the disaster
- Lost animal documentation
- Assist with efforts in reuniting animals with caregivers
- Assist with dispersal of unclaimed or surrendered animals for adoption by providing additional contacts or transport
- Provide additional personnel and resources to enhance efforts of requesting partner

V. Other Services Available

Code 3 also participates in an ongoing process of proactive education and mutual awareness of the needs of animals and their guardians in disasters. Code 3 shall notify partnering organizations of any training classes, seminars, or other educational activities conducted by Code 3.

VI. Methods of Cooperation

In order that the resources of Code 3 and CITRUS CO may be coordinated and best utilized when providing disaster relief services under this agreement, both organizations agree to the following principles:

Attachment: Code 3 MOU Citrus Co FL revised 7.21.21 (17181 : Code3 Associates MOU)

- Close liaison shall be maintained between Code 3 and CITRUS CO through the use of meetings, telephone conferences, email and other means. This communication will include requests for assistance, situation reports and other disaster-related communications. Each Party will share current data regarding disaster, disaster declarations and changes in personnel, command structure policies and legislation. The interaction and liaison shall be encouraged at all levels of both Parties' organizations through established command structure.
- Code 3 and CITRUS CO will distribute this Agreement internally and shall urge full cooperation.
- Code 3 and CITRUS CO will keep each other updated as to the Authorized Representative to contact for emergency assistance
- The use of the name and emblem of either organization (Code3 or CITRUS CO) shall only be allowed with expressed and mutual consent

VII. Disaster Response Coordination

1. Requesting Assistance: CITRUS CO (or agent designated by CITRUS CO) will directly contact the Authorized Representative of Code 3 and shall provide him or her with the following information:

- A general assessment of the damage sustained or potential damage;
- Identification of the emergency service function or functions for which assistance is requested (e.g. emergency medical, search and rescue, transportation, communications, planning and information assistance, resource support, temporary animal sheltering and other services, etc.).
- The amount and type of personnel, equipment, materials and supplies needed and a reasonable estimate of the length of time that each will be needed;
- Locations of sites, structures or buildings to serve as relief centers or staging area for incoming personnel, goods, equipment, and services;
- Contact name and number of a person for the responding team to meet.
- The means for authorizing team to enter the disaster area (mission tasking #)
- Official request for assistance from the jurisdiction or local animal authority.
- The names of any other organizations which have also been asked to assist.

This information may be provided on the form attached to this Agreement as "Exhibit B," or by any other available means. Said request shall include information detailing the nature of the original request from local authorities authorizing the response. It is understood between the parties that any response will be based on the National Incident Management System model and fall under the umbrella of the established Emergency Operations Center for each incident.

The request for assistance from Code 3 must be made in writing by fax, email or other agreed upon method. This request must be from the authority having jurisdiction in charge of the disaster response. All requests for assistance will be handled on a priority basis and both organizations have the ability to refuse assistance when resources are limited.

This MOU is non-exclusive; Code 3 has formed and reserves the right to form similar agreements with other parties and jurisdictions, the Requesting Party may also form similar agreements with other organizations. If more than one party is assisting, Code3 strongly encourages the Requesting Party seek an agreement with both parties that requires all parties share information in a way similar to what is outlined under the above "Methods of Cooperation," section VI. With the permission of the requesting party Code 3 may bring in additional preexisting partner organizations to support relief efforts.

Attachment: Code 3 MOU Citrus Co FL revised 7.21.21 (17181 : Code3 Associates MOU)

2. Written Acknowledgment: Code 3 shall respond to a request for assistance by the quickest practical means. Requests will be considered based upon the resources available at the time the requests are received.

The form provided as "Exhibit C" need not itself be used, but rather is provided as an example of the format to be used to insure the accurate transmission of the necessary information.

3. Costs of Assistance: Code 3 will provide expenditures and receipts associated to the response for reimbursement to the requesting agency if pre-agreed upon in writing prior to the event outlined in "Exhibit C". Code 3 shall not be liable for any portion of any expenses incurred by CITRUS CO unless it has been expressly agreed upon in writing, prior to the incurrence of the expense. CITRUS CO shall not be liable for any portion of any expenses incurred by Code3.

4. Period of Assistance: The period of time beginning with the departure of any personnel and/or equipment of the Assisting Party from any point for the purpose of traveling to the Requesting Party in order to provide assistance and ending upon the return of all personnel and equipment of the Assisting Party, after providing the assistance requested, to their residence or regular place of work, whichever occurs first.

5. Supervision and Control: While Code 3 is in the community to assist the local Authorities, the personnel, equipment and resources of Code3 resources shall remain under the operational control of the Code 3 Leadership responding to the disaster. Code 3 and CITRUS CO shall each be separately responsible for the operation and maintenance of their own equipment and any other resources they provide. Code 3 shall maintain daily personnel time records, material records, a log of equipment hours, and daily activity reports to be provided to CITRUS CO upon request. Code 3 reserves the right under this agreement to withdraw their resources at any time for any reason, subject to reasonable notice to the other party. At least twenty-four hour advance notification of intent to withdraw personnel or resources shall be provided to the other party unless such notice is not practicable; in which case, such notice as is reasonable shall be provided.

6. Food; Housing; Self-Sufficiency: Code 3 personnel and equipment shall be self-sufficient for operations in areas stricken by disasters or emergencies.

7. Publicity: During a joint-effort (training, education or response), all reasonable efforts to promote the identity of both Parties shall be clearly communicated through all available means. Code 3 and CITRUS CO shall make every effort to keep the public informed of their cooperative efforts. Whenever reasonably possible, onsite signage, press releases, interviews and other communications efforts shall indicate the involvement of both Code 3 and CITRUS CO. When reasonably possible, advance notice and review of releases/reports shall be provided by each Party to the other. Insofar as allowed by law, assisting and requesting parties agree to share photography, videography and other materials that can be used for publicity purposes, with the understanding that all parties retain the rights to their materials and shall be credited as the source. Code 3 shall not use CITRUS CO's official seal or logo. Any materials produced jointly shall be mutually agreed upon in writing.

8. Fundraising: Both Parties recognize the dependence of Code 3 on voluntary public financial support to carry out disaster relief efforts. Code 3 shall be free to make special appeals to the public and to their respective members for funding. Code 3 will not solicit on site or solicit any local funding which interferes with local support or the needs of local animal agencies.

Attachment: Code 3 MOU Citrus Co FL revised 7.21.21 (17181 : Code3 Associates MOU)

9. Public Records: Code 3 will keep and maintain public records as required by Ch 119, Florida Stautes, required by the CITRUS CO. Upon request from the CITRUS CO.'s custodian of public records, Code 3 will provide the CITRUS CO. with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed the cost provided in Chapter 119, Florida Statues, or as otherwise provided by law. Code 3 will ensure that the public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of the Agreement and following completion of the Agreement if Code 3 does not transfer the records to the CITRUS CO. Upon completion of the Agreement, Code 3 will transfer, at no cost, to the CITRUS CO. all public records in possession of the Code 3 or keep and maintain public records required by CITRUS CO. to perform the service. If Code 3 transfers all public records to CITRUS CO. upon completion of the Agreement, Code 3 shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Code 3 keeps and maintains public records upon completion of the Agreement, Code 3 shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITRUS CO., upon request from the CITRUS CO.'s custodian of public records, in a format that is compatible with the information technology system of the CITRUS CO. If Code 3 does not comply with the CITRUS CO.'s request for public records, the CITRUS CO. shall enforce the provisions of the Agreement in accordance with the terms of the Agreement and may cancel the Agreement.

IF CODE 3 HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CODE 3'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT NANCY COLOGNA, CUSTODIAN OF PUBLIC RECORDS, AT 3600 W. SOVEREIGN PATH, LECANTO, FL 34461; EMAIL: NANCY.COLOGNA@CITRUSBOCC.COM; PHONE: (352)527-5235.

10. Insurance: During the term of the Agreement, Code 3, at its sole expense, shall provide insurance of such a type and with such terms and limits as noted below. Providing and maintaining adequate insurance coverage is a material obligation of Code 3. Code 3 shall provide CITRUS CO. a certificate(s) of insurance, evidencing such coverage.

10.1 Minimum Insurance Requirements: Code 3 shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Code 3, its agents, representatives, employees or subcontractors. The coverage's, limits or endorsements required herein protect the primary interests of CITRUS CO., and these coverage's, limits or endorsements shall in no way be required to be relied upon when assessing the extent or determining appropriate types and limits of coverage to protect Code 3 against any loss exposures, whether as a result of the Project or otherwise. The requirements contained herein, as well as CITRUS CO.'s review or acknowledgement, is not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by Code 3 under a contract.

10.2 Commercial General Liability: Code 3 must obtain an occurrence form policy for limits not less than $1,000,000 each occurrence, $1,000,000 products / completed operations each occurrence, $1,000,000 personal and advertising injury liability, $50,000 fire damage liability and $5,000 medical expense.

10.3 Automobile Liability: Code 3 must obtain coverage for all for Bodily Injury and Property Damage of not less than $1,000,000 combined single limit each accident. In the event Code 3 does not own vehicles, Code 3 shall maintain coverage for Hired & Non-Owned Auto Liability,

Attachment: Code 3 MOU Citrus Co FL revised 7.21.21 (17181 : Code3 Associates MOU)

which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

10.4 Workers Compensation and Employer's Liability:

10.4.1 Code 3 must obtain Workers Compensation insurance with limits in compliance with applicable state and federal laws; if any operations are to be undertaken on or about navigable waters, coverage must be included for the US Longshoremen & Harbor Workers Act. Employer's Liability limits for not less than $100,000 each accident, $500,000 disease policy limit and $100,000 disease each employee must be included.

10.4.2 For any officer of a Code 3 that has exempt status as an individual, the CITRUS CO. requires proof of workers compensation insurance coverage for that Code 3/employer/owner's employees. If the Code 3/employer/owner or individual has applied for a workers compensation exemption, the CITRUS CO. does not recognize this exemption to extend to the employees of the Code 3/employer/owner.

10.4.3 The purpose of this section is to ensure that all Code 3s, subcontractors, sole proprietors, or business entities of any kind who contract with the CITRUS CO. for provision of goods or services, provide workers compensation coverage for all employees, and principles of subcontractors, subcontractors, sole proprietors, or other business entities. All provisions of this Section shall be construed in accord with this intent.

10.5 Other Insurance Provisions:

10.5.1 Code 3 shall provide a Certificate of Insurance to CITRUS CO. with a thirty (30) day notice of cancellation and/or changes in policy language, and ten (10) day notice if cancellation is for nonpayment of premium. The certificate shall indicate if coverage is provided under a "claims made" or "occurrence" form. If any coverage is provided under a claims made form the certificate will show a retroactive date, which should be the same date of the contract (original if contract is renewed) or prior.

10.5.2 The project's proposal number shall be noted on the certificate.

10.5.3 Code 3 has sole responsibility for all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. For deductible or self-insured amounts that exceed $10,000, Code 3 shall maintain a Commercial Surety Bond or Letter of Credit in an amount equal to said deductible or self-insured retention.

10.5.4 All required insurance policies must be maintained until the contract work has been accepted by CITRUS CO.

10.5.5 Citrus County, Florida, a political subdivision of the State of Florida, its officials, employees and volunteers are to be covered as an Additional Named Insured on all policies except Worker's Compensation. The coverage shall contain no special limitation on the scope of protection afforded to the CITRUS CO., its officials, employees or volunteers.

Attachment: Code 3 MOU Citrus Co FL revised 7.21.21 (17181 : Code3 Associates MOU)

10.5.6 Code 3's insurance coverage shall be primary insurance as respects CITRUS CO., its officials, employees and volunteers. Any insurance or self-insurance maintained by CITRUS CO., its officials, employees or volunteers shall be excess of Code 3's insurance and shall be non-contributory.

10.5.7 For all policies of insurance: Code 3 and its insurance carrier waive all subrogation rights against CITRUS CO. for all losses or damages that occur during the contract and for any events occurring during the contract period, whether the suit is brought during the contract period or not. The CITRUS CO. requires General Liability policies to be endorsed with CG 24 04 Waiver of Transfer of Rights of Recovery Against Others to Us or similar endorsement, and a WC 00 0313 Waiver of Our Right to Recover from Others for Workers Compensation coverage.

10.5.8 The Certificate Holder should read as follows: Citrus County, Florida, political subdivision of the State of Florida, 3600 W. Sovereign Path, Lecanto, FL 34461.

10.5.9 It is Code 3's responsibility to ensure that all subcontractors comply with these insurance requirements. Code 3 shall include all subcontractors as insured under its policies or shall furnish separate certificates and endorsements for each sub-contractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

10.5.10 All required insurance policies must be written with an insurance carrier having a minimum A.M. Best rating of A-.

10.5.11 All Certificates must show that the Code 3's policies have been endorsed per the requirements.

10.5.12 Once ALL paperwork is completed and received by the CITRUS CO., an email will be sent to Code 3 requesting online registration with myCOI. It is critical that the CITRUS CO. is provided with an accurate email address. The cost to register is $19.95 and a credit/debit card will be needed. Part of the registration process includes providing contact information for Code 3's insurance agent(s), which will be needed at the time of registration. Once registered, an email will be sent to the insurance agent(s) requesting them to upload a current Certificate of Insurance (COI) directly into the myCOI website. Certificates of Insurance cannot be mailed, emailed or faxed to CITRUS CO.. Code 3 will not be allowed to begin work and no payments will be made until registration is completed and a compliant Certificate of Insurance is received from Code 3's agent(s)

11.0 Indemnification: To the extent permitted by law, and not withstanding any other provision of this Agreement to the contrary, including Exhibits, Code 3 shall indemnify, save and hold harmless CITRUS CO. and all its officers, agents or employees from all causes of action, claims, demands, losses, liabilities and expenditures of any nature whatsoever, including defense costs and fees, caused by intentional or negligent acts of, or omissions of Code 3, its subcontractors, agents or employees or accruing, resulting from, or related to the subject matter of this Agreement including without limitation, any and all claims, losses, liabilities, expenditures, demands or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. Neither Code 3, nor any of its agents will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the CITRUS CO. or any of its officers, agents or employees. In the event any lawsuit or other proceeding is brought against CITRUS CO. by reason of any such claim, cause of action or demand, Code 3 shall, upon written notice from CITRUS CO., resist and defend such lawsuit or proceeding

Attachment: Code 3 MOU Citrus Co FL revised 7.21.21 (17181 : Code3 Associates MOU)

by counsel satisfactory to CITRUS CO. or, at CITRUS CO.'s option, pay for an attorney selected by CITRUS CO. to defend CITRUS CO. This indemnification includes attorney's fees and all costs of litigation including appellate attorney's fees and costs as well as any judgments. The parties agree that this clause shall not waive the benefits or provisions of section 768.28, Florida Statutes, or any similar provision of law. The provisions and obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the CITRUS CO., any sums due Code 3 under this Agreement may be retained by CITRUS CO. until all of the CITRUS CO.'s claims for indemnification pursuant to this Agreement have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by CITRUS CO.

12. Nothing in this agreement shall be so construed as to create a relationship of employer and employee, or principal and agent, partnership or joint venture as between Code 3 and CITRUS CO . Nothing in this agreement shall be so construed as to provide either party with the authority to bind the other to any agreement, undertaking, cost, liability or expense of any nature without the express written consent of the other.

VII. Periodic Review

Code 3 and CITRUS CO shall, on or about January 1st every year, jointly evaluate this Agreement.

VIII. Term

This Agreement shall remain in effect for three years, but may be terminated by written notification from either Party at any time. Signature of current authorized representative must appear with this agreement to ensure validity of agreement.

IV. Code 3 operates under established ICS-NIMS incident command structures and provides the following services:

- Area evaluation, search and evacuation of animals
- Rescue of abandoned or stranded animals by authorized and qualified personnel
- Assistance with decontamination of animals exposed to hazardous materials or conditions
- Advise on implementation of record keeping and identification system
- Large Animal Shelter Management and Set-up Team
- Offer guidance and support regarding coordination of animal food and supplies
- Compassionate removal and documentation of animals who don't survive the disaster
- Lost animal documentation
- Assist with efforts in reuniting animals with caregivers
- Assist with dispersal of unclaimed or surrendered animals for adoption by providing additional contacts or transport
- Provide additional personnel and resources to enhance efforts of requesting partner

V. Other Services Available

Code 3 also participates in an ongoing process of proactive education and mutual awareness of the needs of animals and their guardians in disasters. Code 3 shall notify partnering organizations of any training classes, seminars, or other educational activities conducted by Code 3.

VI. Methods of Cooperation

In order that the resources of Code 3 and CITRUS CO may be coordinated and best utilized when providing disaster relief services under this agreement, both organizations agree to the following principles:

Attachment: Code 3 Citrus Co MOU signed 2021 (17181 : Code3 Associates MOU)

- Close liaison shall be maintained between Code 3 and CITRUS CO through the use of meetings, telephone conferences, email and other means. This communication will include requests for assistance, situation reports and other disaster-related communications. Each Party will share current data regarding disaster, disaster declarations and changes in personnel, command structure policies and legislation. - Code 3 and CITRUS CO will keep each other updated as to the Authorized Representative to contact for emergency assistance
- The use of the name and emblem of either organization (Code3 or CITRUS CO) shall only be allowed with expressed and mutual consent

VII. Disaster Response Coordination

1. Requesting Assistance: CITRUS CO (or agent designated by CITRUS CO) will directly contact the Authorized Representative of Code 3 and shall provide him or her with the following information:

- A general assessment of the damage sustained or potential damage;
- Identification of the emergency service function or functions for which assistance is requested (e.g. emergency medical, search and rescue, transportation, communications, planning and information assistance, resource support, temporary animal sheltering and other services, etc.).
- The amount and type of personnel, equipment, materials and supplies needed and a reasonable estimate of the length of time that each will be needed;
- Locations of sites, structures or buildings to serve as relief centers or staging area for incoming personnel, goods, equipment, and services;
- Contact name and number of a person for the responding team to meet.
- The means for authorizing team to enter the disaster area (mission tasking #)
- Official request for assistance from the jurisdiction or local animal authority.
- The names of any other organizations which have also been asked to assist.

This information may be provided on the form attached to this Agreement as "Exhibit B," or by any other available means. Said request shall include information detailing the nature of the original request from local authorities authorizing the response. It is understood between the parties that any response will be based on the National Incident Management System model and fall under the umbrella of the established Emergency Operations Center for each incident.

The request for assistance from Code 3 must be made in writing by fax, email or other agreed upon method. This request must be from the authority having jurisdiction in charge of the disaster response. All requests for assistance will be handled on a priority basis and both organizations have the ability to refuse assistance when resources are limited.

This MOU is non-exclusive; Code 3 has formed and reserves the right to form similar agreements with other parties and jurisdictions, the Requesting Party may also form similar agreements with other organizations. If more than one party is assisting, Code3 strongly encourages the Requesting Party seek an agreement with both parties that requires all parties share information in a way similar to what is outlined under the above "Methods of Cooperation," section VI. With the permission of the requesting party Code 3 may bring in additional preexisting partner organizations to support relief efforts.

Attachment: Code 3 Citrus Co MOU signed 2021 (17181 : Code3 Associates MOU)

2. Written Acknowledgment: Code 3 shall respond to a request for assistance by the quickest practical means. Requests will be considered based upon the resources available at the time the requests are received.

The form provided as "Exhibit C" need not itself be used, but rather is provided as an example of the format to be used to insure the accurate transmission of the necessary information.

3. Costs of Assistance: Code 3 will provide expenditures and receipts associated to the response for reimbursement to the requesting agency if pre-agreed upon in writing prior to the event outlined in "Exhibit C". Code 3 shall not be liable for any portion of any expenses incurred by CITRUS CO_unless it has been expressly agreed upon in writing, prior to the incurrence of the expense. CITRUS CO shall not be liable for any portion of any expenses incurred by Code3.

4. Period of Assistance: The period of time beginning with the departure of any personnel and/or equipment of the Assisting Party from any point for the purpose of traveling to the Requesting Party in order to provide assistance and ending upon the return of all personnel and equipment of the Assisting Party, after providing the assistance requested, to their residence or regular place of work, whichever occurs first.

5. Supervision and Control: While Code 3 is in the community to assist the local Authorities, the personnel, equipment and resources of Code3 resources shall remain under the operational control of the Code 3 Leadership responding to the disaster. Code 3 and CITRUS CO shall each be separately responsible for the operation and maintenance of their own equipment and any other resources they provide. Code 3 shall maintain daily personnel time records, material records, a log of equipment hours, and daily activity reports to be provided to CITRUS CO upon request. Code 3 reserves the right under this agreement to withdraw their resources at any time for any reason, subject to reasonable notice to the other party. At least twenty-four hour advance notification of intent to withdraw personnel or resources shall be provided to the other party unless such notice is not practicable; in which case, such notice as is reasonable shall be provided.

6. Food; Housing; Self-Sufficiency: Code 3 personnel and equipment shall be self-sufficient for operations in areas stricken by disasters or emergencies.

7. Publicity: During a joint-effort (training, education or response), all reasonable efforts to promote the identity of both Parties shall be clearly communicated through all available means. Code 3 and CITRUS CO shall make every effort to keep the public informed of their cooperative efforts. Whenever reasonably possible, onsite signage, press releases, interviews and other communications efforts shall indicate the involvement of both Code 3 and CITRUS CO. When reasonably possible, advance notice and review of releases/reports shall be provided by each Party to the other. Insofar as allowed by law, assisting and requesting parties agree to share photography, videography and other materials that can be used for publicity purposes, with the understanding that all parties retain the rights to their materials and shall be credited as the source. Code 3 shall not use CITRUS CO's official seal or logo. Any materials produced jointly shall be mutually agreed upon in writing.

8. Fundraising: Both Parties recognize the dependence of Code 3 on voluntary public financial support to carry out disaster relief efforts. Code 3 shall be free to make special appeals to the public and to their respective members for funding. Code 3 will not solicit on site or solicit any local funding which interferes with local support or the needs of local animal agencies.

Attachment: Code 3 Citrus Co MOU signed 2021 (17181 : Code3 Associates MOU)

9. Public Records: Code 3 will keep and maintain public records as required by Ch 119, Florida Stautes, required by the CITRUS CO. Upon request from the CITRUS CO.'s custodian of public records, Code 3 will provide the CITRUS CO. with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed the cost provided in Chapter 119, Florida Statues, or as otherwise provided by law. Code 3 will ensure that the public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of the Agreement and following completion of the Agreement if Code 3 does not transfer the records to the CITRUS CO. Upon completion of the Agreement, Code 3 will transfer, at no cost, to the CITRUS CO. all public records in possession of the Code 3 or keep and maintain public records required by CITRUS CO. to perform the service. If Code 3 transfers all public records to CITRUS CO. upon completion of the Agreement, Code 3 shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Code 3 keeps and maintains public records upon completion of the Agreement, Code 3 shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITRUS CO., upon request from the CITRUS CO.'s custodian of public records, in a format that is compatible with the information technology system of the CITRUS CO. If Code 3 does not comply with the CITRUS CO.'s request for public records, the CITRUS CO. shall enforce the provisions of the Agreement in accordance with the terms of the Agreement and may cancel the Agreement.

IF CODE 3 HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CODE 3'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT NANCY COLOGNA, CUSTODIAN OF PUBLIC RECORDS, AT 3600 W. SOVEREIGN PATH, LECANTO, FL 34461; EMAIL: NANCY.COLOGNA@CITRUSBOCC.COM; PHONE: (352)527-5235.

10. Insurance: During the term of the Agreement, Code 3, at its sole expense, shall provide insurance of such a type and with such terms and limits as noted below. Providing and maintaining adequate insurance coverage is a material obligation of Code 3. Code 3 shall provide CITRUS CO. a certificate(s) of insurance, evidencing such coverage.

10.1 Minimum Insurance Requirements: Code 3 shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Code 3, its agents, representatives, employees or subcontractors. The coverage's, limits or endorsements required herein protect the primary interests of CITRUS CO., and these coverage's, limits or endorsements shall in no way be required to be relied upon when assessing the extent or determining appropriate types and limits of coverage to protect Code 3 against any loss exposures, whether as a result of the Project or otherwise. The requirements contained herein, as well as CITRUS CO.'s review or acknowledgement, is not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by Code 3 under a contract.

10.2 Commercial General Liability: Code 3 must obtain an occurrence form policy for limits not less than $1,000,000 each occurrence, $1,000,000 products / completed operations each occurrence, $1,000,000 personal and advertising injury liability, $50,000 fire damage liability and $5,000 medical expense.

10.3 Automobile Liability: Code 3 must obtain coverage for all for Bodily Injury and Property Damage of not less than $1,000,000 combined single limit each accident. In the event Code 3 does not own vehicles, Code 3 shall maintain coverage for Hired & Non-Owned Auto Liability,

Attachment: Code 3 Citrus Co MOU signed 2021 (17181 : Code3 Associates MOU)

which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

10.4 Workers Compensation and Employer's Liability:

10.4.1 Code 3 must obtain Workers Compensation insurance with limits in compliance with applicable state and federal laws; if any operations are to be undertaken on or about navigable waters, coverage must be included for the US Longshoremen & Harbor Workers Act. Employer's Liability limits for not less than $100,000 each accident, $500,000 disease policy limit and $100,000 disease each employee must be included.

10.4.2 For any officer of a Code 3 that has exempt status as an individual, the CITRUS CO. requires proof of workers compensation insurance coverage for that Code 3/employer/owner's employees. If the Code 3/employer/owner or individual has applied for a workers compensation exemption, the CITRUS CO. does not recognize this exemption to extend to the employees of the Code 3/employer/owner.

10.4.3 The purpose of this section is to ensure that all Code 3s, subcontractors, sole proprietors, or business entities of any kind who contract with the CITRUS CO. for provision of goods or services, provide workers compensation coverage for all employees, and principles of subcontractors, subcontractors, sole proprietors, or other business entities. All provisions of this Section shall be construed in accord with this intent.

10.5 Other Insurance Provisions:

10.5.1 Code 3 shall provide a Certificate of Insurance to CITRUS CO. with a thirty (30) day notice of cancellation and/or changes in policy language, and ten (10) day notice if cancellation is for nonpayment of premium. The certificate shall indicate if coverage is provided under a "claims made" or "occurrence" form. If any coverage is provided under a claims made form the certificate will show a retroactive date, which should be the same date of the contract (original if contract is renewed) or prior.

10.5.2 The project's proposal number shall be noted on the certificate.

10.5.3 Code 3 has sole responsibility for all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. For deductible or self-insured amounts that exceed $10,000, Code 3 shall maintain a Commercial Surety Bond or Letter of Credit in an amount equal to said deductible or self-insured retention.

10.5.4 All required insurance policies must be maintained until the contract work has been accepted by CITRUS CO.

10.5.5 Citrus County, Florida, a political subdivision of the State of Florida, its officials, employees and volunteers are to be covered as an Additional Named Insured on all policies except Worker's Compensation. The coverage shall contain no special limitation on the scope of protection afforded to the CITRUS CO., its officials, employees or volunteers.

Attachment: Code 3 Citrus Co MOU signed 2021 (17181 : Code3 Associates MOU)

10.5.6 Code 3's insurance coverage shall be primary insurance as respects CITRUS CO., its officials, employees and volunteers. Any insurance or self-insurance maintained by CITRUS CO., its officials, employees or volunteers shall be excess of Code 3's insurance and shall be non-contributory.

10.5.7 For all policies of insurance: Code 3 and its insurance carrier waive all subrogation rights against CITRUS CO. for all losses or damages that occur during the contract and for any events occurring during the contract period, whether the suit is brought during the contract period or not. The CITRUS CO. requires General Liability policies to be endorsed with CG 24 04 Waiver of Transfer of Rights of Recovery Against Others to Us or similar endorsement, and a WC 00 0313 Waiver of Our Right to Recover from Others for Workers Compensation coverage.

10.5.8 The Certificate Holder should read as follows: Citrus County, Florida, political subdivision of the State of Florida, 3600 W. Sovereign Path, Lecanto, FL 34461.

10.5.9 It is Code 3's responsibility to ensure that all subcontractors comply with these insurance requirements. Code 3 shall include all subcontractors as insured under its policies or shall furnish separate certificates and endorsements for each sub-contractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

10.5.10 All required insurance policies must be written with an insurance carrier having a minimum A.M. Best rating of A-.

10.5.11 All Certificates must show that the Code 3's policies have been endorsed per the requirements.

10.5.12 Once ALL paperwork is completed and received by the CITRUS CO., an email will be sent to Code 3 requesting online registration with myCOI. It is critical that the CITRUS CO. is provided with an accurate email address. The cost to register is $19.95 and a credit/debit card will be needed. Part of the registration process includes providing contact information for Code 3's insurance agent(s), which will be needed at the time of registration. Once registered, an email will be sent to the insurance agent(s) requesting them to upload a current Certificate of Insurance (COI) directly into the myCOI website. Certificates of Insurance cannot be mailed, emailed or faxed to CITRUS CO.. Code 3 will not be allowed to begin work and no payments will be made until registration is completed and a compliant Certificate of Insurance is received from Code 3's agent(s)

11.0 Indemnification: To the extent permitted by law, and not withstanding any other provision of this Agreement to the contrary, including Exhibits, Code 3 shall indemnify, save and hold harmless CITRUS CO. and all its officers, agents or employees from all causes of action, claims, demands, losses, liabilities and expenditures of any nature whatsoever, including defense costs and fees, caused by intentional or negligent acts of, or omissions of Code 3, its subcontractors, agents or employees or accruing, resulting from, or related to the subject matter of this Agreement including without limitation, any and all claims, losses, liabilities, expenditures, demands or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. Neither Code 3, nor any of its agents will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the CITRUS CO. or any of its officers, agents or employees. In the event any lawsuit or other proceeding is brought against CITRUS CO. by reason of any such claim, cause of action or demand, Code 3 shall, upon written notice from CITRUS CO., resist and defend such lawsuit or proceeding

Attachment: Code 3 Citrus Co MOU signed 2021 (17181 : Code3 Associates MOU)

by counsel satisfactory to CITRUS CO. or, at CITRUS CO.'s option, pay for an attorney selected by CITRUS CO. to defend CITRUS CO. This indemnification includes attorney's fees and all costs of litigation including appellate attorney's fees and costs as well as any judgments. The parties agree that this clause shall not waive the benefits or provisions of section 768.28, Florida Statutes, or any similar provision of law. The provisions and obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the CITRUS CO., any sums due Code 3 under this Agreement may be retained by CITRUS CO. until all of the CITRUS CO.'s claims for indemnification pursuant to this Agreement have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by CITRUS CO.

12. Nothing in this agreement shall be so construed as to create a relationship of employer and employee, or principal and agent, partnership or joint venture as between Code 3 and CITRUS CO . Nothing in this agreement shall be so construed as to provide either party with the authority to bind the other to any agreement, undertaking, cost, liability or expense of any nature without the express written consent of the other.

VII. Periodic Review

Code 3 and CITRUS CO shall, on or about January 1st every year, jointly evaluate this Agreement.

VIII. Term

This Agreement shall remain in effect for three years, but may be terminated by written notification from either Party at any time. Signature of current authorized representative must appear with this agreement to ensure validity of agreement.

AGENDA MEMORANDUM

FROM:	Michael Sherman, AICP Growth Management Director
SUBJECT:	Notice of Demolition to Heirs
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

After receiving a complaint regarding the conditions of the property located at 3360 N. Holiday Dr., Crystal River, FL, Code Officer JC Charlton inspected the property for the first time on October 5, 2018 and observed a vacant mobile home with broken windows and roof damage. After contacting the property owner at that time, the property owner boarded up the vacant home thereby securing the structure.

Another complaint was made to Code Compliance in May, 2021 regarding the conditions of the property. An inspection conducted by Code Officer JC Charlton revealed that part of the mobile home had been dismantled with the debris remaining on the property and a portion of the mobile home still standing on the property.

The owner and encumbrance report revealed that the property owner, Carol Wright, is now deceased and that title to the property was never transferred to her heirs in a probate action. It is requested that the Board of County Commissioners determine whether Code Compliance should move forward with the demolition process. The estimated cost of demolition is $2,000.00.

BUDGET IMPACT/FUNDING SOURCE:

AGENDA MEMORANDUM

FROM:	Ken Cheek, Director, Water Resources Department
SUBJECT:	WRWSA FY21/22 Grant Funding Agreement
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

The BOCC approved and executed Resolution No. 2021-042 on May 25, 2021, to petition for co-funding from the Withlacoochee Regional Water Supply Authority (WRWSA). The funding is used for water conservation programs that reduce demands on water resources within the Citrus County Utilities service areas. The WRWSA has agreed to contribute up to $44,250.00 with a county match of $44,250.00. County match portion is funded by the Citrus County Utilities Enterprise fund.

BUDGET IMPACT/FUNDING SOURCE:

Account No.	Account Title	FY 21/22 Budget	Expenditures	Encumbrances	Available Balance
9000W-54800	WRWSA Grant	$44,250.00	$0	$0	$44,250.00

The County match portion is budgeted for FY21/22 in the amount of $44,250.00.

RECOMMENDED ACTION:

Approve and authorize the Chairman to execute the grant agreement between Citrus County, a political subdivision of the State of Florida, and the Withlacoochee Regional Water Supply Authority for the Local Government Water Supply Funding Assistance Program in the amount $44,250.00, with a Citrus County Utilities enterprise fund match of $44,250.00.

WITHLACOOCHEE REGIONAL WATER SUPPLY AUTHORITY
LOCAL GOVERNMENT WATER SUPPLY AND CONSERVATION
FUNDING ASSISTANCE PROGRAM

PROJECT GRANT AGREEMENT

This Agreement is made and entered into this twenty-first day of July , 2021, by and between the **WITHLACOOCHEE REGIONAL WATER SUPPLY AUTHORITY**, (hereinafter called the "AUTHORITY"), and **CITRUS COUNTY, FLORIDA**, (hereinafter called the "GRANTEE"), in furtherance of funding assistance in the development of the "CITRUS COUNTY WATER SUPPLY AND CONSERVATION PROGRAM". In consideration of the mutual covenants contained herein and pursuant to Chapter 163, Laws of Florida, Florida Interlocal Cooperation Act of 1969, as subsequently amended, and Section 373.713(2)(i), Florida Statutes, the parties hereto agree as follows:

1. The AUTHORITY has found that the implementation of water conservation programs by a member government is the primary purpose of the project known as the "CITRUS COUNTY WATER SUPPLY AND CONSERVATION PROGRAM" (hereinafter called the "PROJECT"), and enters into this Agreement with the GRANTEE for assisting in the funding of water conservation programs more particularly described in its Application. The PROJECT application is attached hereto marked Exhibit "A" and made a part hereof.

2. The GRANTEE shall provide the AUTHORITY with a copy of the GRANTEE's contract documents executed for the PROJECT and the third party vendor providing said services in order to confirm the total project costs.

3. PROJECT FUNDING:

A. The AUTHORITY agrees to pay, on a reimbursement basis, to the GRANTEE, the sum of $44,250.00 of the proposed $135,100.00 total budget cost for the PROJECT.

B. The GRANTEE shall pay PROJECT costs prior to requesting reimbursement from the AUTHORITY. The AUTHORITY shall reimburse the GRANTEE for fifty percent (50%) of all allowable costs in each approved invoice based upon the listed tasks contained in Exhibit "A", not to exceed the sum of $44,350.00 as identified in paragraph 3.A. above. Reimbursement requests must include all documentation required by the AUTHORITY for proper audit review and the GRANTEE shall certify that the request for payment is appropriate and that said task or portion thereof has been completed.

C. The GRANTEE shall provide the AUTHORITY with a schedule and description of "tasks" for the PROJECT with the cost associated with each task set forth.

D. The Grantee shall submit a final PROJECT reimbursement request after completion of the project, which shall be no later than September 30, 2022. The final reimbursement request

Attachment: Agreement (17193 : WRWSA FY21/22 Grant Funding Agreement)

must be submitted no later than December 31, 2022. Requests submitted after December 31, 2022 shall not be considered for reimbursement.

E. The AUTHORITY shall, within sixty (60) days after receipt of a payment request, review the work accomplished to date under this Agreement and, if the work and payment request are in accordance with all applicable requirements, approve the request for payment.

4. GRANTEE shall ensure that all services procured and all purchases of goods obtained for the accomplishment of the PROJECT shall be secured in accordance with applicable State and Federal laws and in accordance with the GRANTEE's adopted procurement procedures.

5. GRANTEE shall follow all State and Federal laws relating to its established audit and accounting procedures and as they relate to said PROJECT and cost reimbursements.

6. The GRANTEE shall retain all records supporting PROJECT costs for three (3) years after the fiscal year in which the final PROJECT payment was released by the AUTHORITY or until final resolution of matters resulting from any litigation, claim or audit that started prior to the expiration of the three-year retention period. The AUTHORITY, State Auditor General, State Comptroller, and other agencies or entities with jurisdiction shall have the right to inspect and audit the GRANTEE's records for said PROJECT within the retention period.

7. This Agreement shall become effective upon execution and the GRANTEE shall complete preparation and/or construction of all PROJECT elements on or before September 30, 2022. The completion date may be extended by the AUTHORITY for good cause at the written request of the GRANTEE and must be made prior to PROJECT completion date.

8. The AUTHORITY's Executive Director for the purposes of this Agreement shall be responsible for ensuring performance of its terms and conditions and shall be responsible for recommending approval of all reimbursement requests to the AUTHORITY prior to payment. The GRANTEE's Liaison Agent, as identified in the PROJECT application, or successor, shall act on behalf of the GRANTEE relative to the provisions of this Agreement.

9. The Executive Director shall have the authority to approve budget changes within individual tasks up to a total amount not to exceed TEN PERCENT (10%) of total project costs without Board approval.

10. All monies expended by the GRANTEE for the purpose contained herein at the option of the AUTHORITY shall be subject to audit review.

11. Each party hereto agrees that it shall be solely responsible for the wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of §768.28, Florida Statutes.

Attachment: Agreement (17193 : WRWSA FY21/22 Grant Funding Agreement)

12. The GRANTEE shall comply with all federal, state, and local rules and regulations in developing this PROJECT. The GRANTEE acknowledges that this requirement includes compliance with all federal, state, and local health and safety rules and regulations. The GRANTEE further agrees to ensure that the GRANTEE's contract will include this provision in all subcontracts issued as a result of this Agreement.

13. The AUTHORITY reserves the right to inspect said PROJECT and any and all records related thereto at any reasonable time.

14. This Agreement may be unilaterally canceled by the AUTHORITY in the event the GRANTEE refuses to allow public access to all documents, papers, letters or other material made or received in conjunction with this Agreement pursuant to Chapter 119, Florida Statutes.

15. The AUTHORITY shall also have the right to demand a refund, either in whole or in part, of the funds provided to the GRANTEE for non-compliance with the terms of this Agreement if not cured within thirty (30) days of written notice thereof from the AUTHORITY. The GRANTEE, upon notification from the AUTHORITY, agrees to refund and will forthwith pay to the AUTHORITY, the amount of money demanded by the AUTHORITY. Such refund shall include interest calculated at two percent (2%) over the prevailing prime rate as reported by the Federal Reserve on the date the AUTHORITY calculates the amount of refund due. Interest shall be calculated from the date(s) of payment(s) to the GRANTEE by the AUTHORITY.

16. The employment of unauthorized aliens by a GRANTEE is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the GRANTEE knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The GRANTEE shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

17. No person on the grounds of race, creed, color, national origin, age, sex or marital status shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

18. This Agreement strictly prohibits expenditure of these funds for the purpose of lobbying the Florida Legislature, the judicial branch, or a state agency.

19. The GRANTEE shall have an audit performed in accordance with the Rules of the Auditor General promulgated pursuant to §11.45, Florida Statutes, and have a statement prepared by an independent certified public accountant which attests that the GRANTEE has complied with the provisions of this Agreement and whether the audit results in an unqualified opinion.

20. A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not perform work as a grantee, contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity

Attachment: Agreement (17193 : WRWSA FY21/22 Grant Funding Agreement)

in excess of the threshold amount provided in §287.017, Florida Statutes, or Category Two, for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

21. A copy of the audit and attestation as required in Paragraph 19 shall be submitted to the AUTHORITY within one (1) year from the PROJECT completion date as set forth in Paragraph 7 or as extended by the AUTHORITY.

22. This Agreement is not intended nor shall it be construed as granting any rights, privileges or interest in any third party without mutual written agreement of the parties hereto.

23. This Agreement represents the entire agreement of the parties. Any alterations, variations, changes, modification or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly executed by each of the parties hereto, and attached to the original of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be duly executed on the date and year first above written.

FY21-22 Scope of Service

Project: Monetary Incentives

Objective: Reduce water consumption by providing monetary incentive for installation of water-efficient fixtures / systems.

Tasks: Provide three rebate opportunities to Citrus County Utilities customers: irrigation controllers, toilets and rain sensors. The rebates are publicized via three applications sent to the utility's customers as a bill insert. Customers wishing to participate in the account credit program, install the applicable water-saving fixture (toilets require a pre-verification inspection), and return the application with an itemized receipt. A credit is then applied to the customers bill. The Cooperative Funding Initiative project aims to install 120 WaterSense labeled irrigation controller at high-water use residential sites.

	Estimated QTY	COST PER	County	WRWSA	SWFWMD	Total Cost
WaterSense® labeled irrigation controller account credit	80	$100.00	$4,000.00	$4,000.00	n/a	$8,000.00
SWFWMD CFI - WaterSense® labeled toilet account credit	140	$100.00	$3,500.00	$3,500.00	$7,000.00	$14,000.00

AGENDA MEMORANDUM

FROM:	Mariselle Rodriguez, Community Services Director
SUBJECT:	HUD-VASH Voucher Program - Authorization to Apply
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

On July 14, the 2021 Appropriations Act provided $49 million in HUD-Veterans Affairs Supportive Housing (HUD-VASH) funding that will support approximately 6,000 new HUD-VASH vouchers. These vouchers are administered in partnership with the Department of Veterans Affairs (VA), and enables homeless veterans and their families to access affordable housing with an array of supportive services.

Citrus County Housing Services has been invited to apply for HUD-VASH vouchers. These will be administered in partnership with the Department of Veterans Affairs (VA), James A Haley Veterans' Hospital.

The U.S. Department of Housing and Urban Development (HUD) Section 8 Housing Choice Voucher Program increases affordable housing choices for very low-income households by allowing families to choose privately owned rental housing. The program makes up the difference between actual rent and 30% of the family's income. The impending HUD-VASH vouchers will be administered by Section 8 staff.

These vouchers are intended to serve Veterans in Citrus County.

BUDGET IMPACT/FUNDING SOURCE:

NO IMPACT TO COUNTY BUDGET

RECOMMENDED ACTION:

a. Adopt and authorize the Chairman to execute a Resolution authorizing an electronic application for funding and execution of a contract and other documents related to the Department of Housing and Urban Development (HUD) and Veterans Affairs Supportive Housing (VASH) Housing Choice Voucher Program and any documents related to the HUD-VASH Voucher Program.

b. Authorize the Housing Services Director to electronically sign and submit the electronic application and related contract and other related documents required to apply for and obtain funding under the HUD-VASH Voucher Program after review by the County Attorney.

Notice PIH 2021-21 (HA)

Issued: July 14, 2021

Expires: This notice remains in effect until amended, superseded, or rescinded.

Cross References: PIH 2020-14; *Implementation of the HUD-Veterans Affairs Supportive Housing (HUD-VASH) Program* published in the *Federal Register* on March 23, 2012 (77 FR 17086).

Subject: Registration of Interest for HUD-VASH Vouchers

1. Purpose. This notice announces the availability of $49 million in HUD-Veterans Affairs Supportive Housing (HUD-VASH) funding that will support approximately 6,000 new HUD-VASH vouchers. These vouchers are administered in partnership with the U.S. Department of Veterans Affairs (VA), and enable homeless veterans and their families to access affordable housing with an array of supportive services.

HUD-VASH vouchers are authorized under section 8(o)(19) of the United States Housing Act of 1937, as modified by the requirements in the Consolidated Appropriations Act, 2021 (Public Law 116-260), enacted on December 27, 2021 (the Act). The Act provides $40 million in funding for the vouchers being made available under this notice. The additional $9 million in funding is available from prior year appropriations.

2. Background. The HUD-VASH program combines HUD Housing Choice Voucher (HCV) rental assistance for homeless Veterans with case management and clinical services provided by the VA at its medical centers (VAMC) and community-based outpatient clinics (CBOCs) or by VA contractors or VA designated entities. The VA facility refers all eligible HUD-VASH families to the public housing agency (PHA).

Generally, the HUD-VASH program is administered in accordance with 24 CFR Section 982 and 983 (in cases where VASH vouchers are project-based). However, the Act allows HUD (in consultation with the VA) to waive or specify alternative requirements for any provision of any statute or regulation that HUD administers in connection with this program in order to effectively deliver and administer HUD-VASH assistance (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment), upon a finding by the Secretary that any such waivers or alternative requirements are necessary for the effective delivery and

Attachment: PIH Notice 2021-21 (17171 : HUD-VASH Voucher Program - Authorization to Apply)

administration of such voucher assistance.

Waivers and alternative requirements for HUD-VASH are detailed in the Revised Operating Requirements published in the *Federal Register* on March 23, 2012. 77 FR 17086. This and other documents pertinent to the program can be found on the HUD-VASH website at: https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/vash

3. Summary of 2021 Allocation Process. Under the Act, HUD-VASH funding must be awarded based on geographic need, PHA administrative performance, and other factors specified by HUD. Consistent with the requirements of the Act, HUD will award tenant-based HUD-VASH vouchers based on geographic need to PHAs who self-identify to HUD their interest in receiving an allocation. As in fiscal year 2020, awards will follow a two-step process:

(1) Eligible PHAs will respond to this notice with an email and a VA Letter of Support (collectively referred to as the "Registration of Interest"). See Section 7 of this notice for detailed instructions.
(2) Based on a relative need formula registered PHAs will receive an invitation to apply for a specific number of HUD-VASH vouchers.

The threshold criteria used to determine PHA eligibility is based on HUD-VASH utilization and PHA administrative performance as detailed in Section 6 of this notice.

4. Registration of Interest Due Date. Registrations of Interest must be submitted electronically to **VASH_ROI@hud.gov** no later than midnight in the time zone of the PHA on **August 31, 2021.** See Section 7 for all Registration of Interest Requirements.

5. Eligible Applicants. Any PHA currently administering an HCV program that also meets the threshold criteria detailed in Section 6 below is eligible to submit a Registration of Interest. Specifically, PHAs that do not currently administer the HUD-VASH program do not have to meet the threshold requirements outlined in Section 6.a. of this notice and are eligible to submit a Registration of Interest if the threshold requirements in Section 6.b. are met.
NOTE: Non-profit agencies that only administer HCV Mainstream vouchers are not eligible to submit a Registration of Interest under this Notice.

6. Threshold Criteria. PHAs, as required by the Act, must demonstrate the capacity to successfully administer the HUD-VASH program. The following threshold factors must be met in order for a PHA to be eligible to receive an award of HUD-VASH vouchers under this notice.

a. The threshold criteria described in this section apply only to PHAs with an existing HUD-VASH Program of more than 15 existing HUD-VASH vouchers.

- PHAs must have at least a 70% HUD-VASH unit utilization rate. – *Unit utilization rate will be defined as Voucher Management System (VMS) reported HUD-VASH April 2021 Unit Months Leased (UML) divided by total HUD-VASH awards to date.(note that this is total awards, not effective awards)*

Attachment: PIH Notice 2021-21 (17171 : HUD-VASH Voucher Program - Authorization to Apply)

NOTE: PHAs with very small HUD-VASH programs tend to have more volatile utilization rates and could be unfairly penalized by the above criteria given that only a minimal turnover of one or two vouchers can result in a utilization rate below the 70% threshold, thus **PHAs with fewer than 15 HUD-VASH vouchers are exempted from the above threshold criteria and are eligible to submit a Registration of Interest.**

PHAs can see the VMS data HUD uses to establish the utilization threshold criteria by accessing the public data dashboard located at the following link: https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/dashboard.

Further, if a PHA is uncertain about whether it meets the threshold criteria, the PHA should send an inquiry to VASH@hud.gov.

b. In addition to the utilization threshold, PHAs must not have any major unresolved program management findings from an Inspector General audit, HUD management review, or Independent Public Accountant (IPA) audit for the PHA's HCV program, or other significant program compliance issues that were not resolved, or in the process of being resolved, as determined by HUD, prior to this notice's application deadline. Additionally, applicants must resolve all outstanding civil rights matters to HUD's satisfaction prior to this notice's Registration of Interest deadline, provided that all applicable legal processes have been satisfied.

If a PHA is unsure whether these criteria are met, they should contact the PHA's HUD Office of Public and Indian Housing (PIH) Field Office point of contact.

c. All Registrations of Interest must include a signed Letter of Support from the partnering VA facility. There is no cure period after the deadline has passed, and incomplete submissions will not be considered.

7. Registration of Interest Requirements. PHAs must consult with their partnering VA facility to discuss their intentions of submitting a Registration of Interest and request a Letter of Support for HUD-VASH vouchers under this notice. Letters of support from the VA do not need to include a specific number of vouchers requested because the number of vouchers offered to a PHA will be determined by a formula.

- PHAs must send an email to **VASH_ROI@hud.gov** identifying that they are interested in receiving HUD-VASH vouchers. If a PHA partners with more than one VA facility, the PHA must submit *a separate email* with the signed letter of support for each partnering VA facility.

- The Subject Line of the email must be "Registration of Interest" followed by the PHA code (i.e., AL001).

- The body of the email must identify the name of the partnering VAMC (or CBOC), the

Attachment: PIH Notice 2021-21 (17171 : HUD-VASH Voucher Program - Authorization to Apply)

Veterans Integrated Services [VISN] number, and the facility's Station ID. For example: Birmingham VA Medical Center, VISN 7, Station 521.

- All Registrations of Interest must include a signed Letter of Support from the partnering VA facility.
    - If a PHA partners with more than one VA facility, a signed letter of support from each partnering VA facility must accompany each email submission.
    - A Registration of Interest submission without a valid, corresponding letter of support from the identified VA partner is not curable and will not be considered for an award.
    - Any additional attachments beyond the signed VA letter of support will NOT impact selection for an award.
- All Registrations of Interest must be transmitted no later than midnight in the time zone of the PHA on **August 31, 2021.**
    - After a successful email transmission to **VASH_ROI@hud.gov**, the sender will receive an "auto-reply" message, confirming receipt of an email. *If you do not receive an "auto-reply" confirming receipt, your email was not received, and the agency will not be considered for an award.* Faxes and hard copy submissions will not be accepted. Note: receipt of an "auto-reply" message does not validate whether or not the Registration of Interest is complete. Please review the notice in its entirety to ensure all requirements are met.

PHAs are encouraged to consult with the Continuum of Care (CoC) lead agency to discuss their intention of submitting a Registration of Interest. CoC planning is a critical tool in identifying resources, assessing a community's capacity, and developing solutions to challenges that homeless veterans and their families experience. PHAs are not required to provide a letter of support from the lead CoC or CoC partnering agencies.

8. Formula Used for Allocating HUD-VASH Vouchers. The allocation of HUD-VASH vouchers will be awarded based on a relative need formula using the VA Gap Analysis. The VA Gap Analysis integrates data from both VA and HUD, as well as feedback from community partners. Specifically, it incorporates annual Point-in-Time count and Housing Inventory Count (HIC) data using a crosswalk of VAMC and Continuum of Care jurisdictions. It takes into consideration utilization of existing resources to estimate current and future need at each VAMC.

9. Minimum/Maximum Number of Vouchers. HUD is establishing a minimum and maximum number of vouchers offered under this notice. Any single PHA may be invited to apply for a minimum of five (5) vouchers and up to five hundred (500) vouchers under this notice; this is applicable to both new and existing administrators of the HUD-VASH program.

10. Invitation of PHAs. Selected PHAs will receive an invitation via email to apply for a

Attachment: PIH Notice 2021-21 (17171 : HUD-VASH Voucher Program - Authorization to Apply)

specific number of HUD-VASH vouchers. This number is the maximum number of vouchers being offered. PHAs may choose to apply for fewer vouchers. Additional instructions will be included in the invitation letter.

HUD may award any remaining HUD-VASH funds via invitation to additional PHAs at any time based on availability of funding and geographic need as required by the 2021 Act.

11. Conversion to Project-Based Vouchers. All tenant-based HUD-VASH awards can be converted to Project-Based Vouchers (PBV) at any time after award without HUD approval. For additional guidance, PHAs should review PIH Notice 2017-21, Implementation Guidance: Housing Opportunity Through Modernization Act of 2016 (HOTMA) — Housing Choice Voucher (HCV) and Project-Based Voucher (PBV) Provisions.

12. Information Contact. All inquiries about this notice should be directed to VASH@hud.gov.

13. Paperwork Reduction Act. The information collection requirements contained in this notice have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C 3520). In accordance with the PRA, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. The active information collections contained in this notice have been approved under the PRA OMB Control Number 2577-0169.

Tammy Harris, Director
Citrus County Housing Services Division
2804 West Marc Knighton Court #12
Lecanto, FL 34461-8334

Dear Ms. Harris:

The Ending Veteran Homelessness Initiative remains a priority of the James A. Haley Veterans' Hospital, and the Housing and Urban Development – Department of Veterans Affairs Supportive Housing (HUD-VASH) program is an important part of our ongoing effort to reach functional zero.

Based on our internal deliberations, the James A. Haley Veterans' Hospital; VISN 8; Station ID 673, affirms with this letter our commitment to support a new allocation of HUD-VASH vouchers to:

Citrus County Housing Services Division – 10 Vouchers

Support for this allocation includes sufficient clinical staff of an appropriate discipline to provide case management as mandated in VHA Directive 1162.05 "Housing and Urban Development Department of Veterans Affairs Supportive Housing Program." Material support shall include office space and furniture, IT equipment, government owned vehicles or compensation for use of privately-owned vehicles, and adequate clinical supervision and oversight.

We understand that the HUD-VASH program will provide funding for staff and GSA vehicles, as it becomes available.

Sincerely,

Harry McCurdy

AGENDA MEMORANDUM

FROM:	Colleen Scott, Management & Budget Director
SUBJECT:	Commercial Property and Casualty Insurance - October 1, 2021
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

Risk Management is responsible for negotiating the County's purchase of commercial property and casualty insurance coverage to begin October 1, 2021 through October 1, 2022. The insurance package presented includes Aviation Liability, Crime and Employee Dishonesty, Cyber Liability, Excess General Liability, Excess Auto Liability, Excess Workers Compensation, Firefighters Statutory AD&D, Firefighters Cancer Benefit Insurance, Public Officials and Employment Practices Liability, Pollution Liability, National Flood Insurance policies, Florida Sheriff's Fund Additional Insured Endorsement and the Public Risk Insurance Advisors Brokerage Fee for 21/22.

This year, the market for cyber liability has been a tough one and we have been able to negotiate with Preferred Governmental Insurance Trust (PGIT) to purchase the Public Official Liability and Cyber coverage who will provide better limits and coverage for us this year than the market is allowing for other entities. Even though our overall increase is 6.8%, our renewal is one of the best the insurance market has to offer.

BUDGET IMPACT/FUNDING SOURCE:

Account No.	Account Title	Current Budget	YTD Expenditures	Encumbrances	Available Balance
8100-54500	Insurance				$0

These policies become effective as well as due and payable on October 1, 2021 through October 1, 2022.

RECOMMENDED ACTION:

Authorize the Chairman to execute the Premium Recapitulation and supporting signature pages and approval to purchase the following insurance policies: Aviation Liability, Crime and Employee Dishonesty, Public Officials and Employment Practices which includes Cyber Liability, Excess General Liability, Excess Auto Liability, Excess Workers Compensation, Firefighters Statutory AD&D, Firefighters Cancer Benefit Insurance, Pollution Liability, National Flood Insurance policies, Florida Sheriff's Additional Insured Endorsement and the Public Risk Advisor's Broker Fee for coverage for October 1, 2021 through October 1, 2022, for a combined total premium for all policies of $735,483.

YOU ARE ELECTING NOT TO PURCHASE CERTAIN VALUABLE COVERAGE WHICH PROTECTS YOU AND YOUR FAMILY OR YOU ARE PURCHASING UNINSURED MOTORISTS LIMITS LESS THAN YOUR BODILY INJURY LIABILITY LIMITS WHEN YOU SIGN THIS FORM. PLEASE READ CAREFULLY.

Uninsured Motorist coverage provides for payment of certain benefits for damages caused by owners or operators of uninsured motor vehicles because of bodily injury or death resulting there from. Such benefits may include payments for certain medical expenses, lost wages, and pain and suffering, subject to limitations and conditions contained in the Coverage Agreement. For the purpose of this coverage, an uninsured motor vehicle may include a motor vehicle as to which the bodily injury limits are less than your damages.

Florida law requires that automobile liability coverage agreements include Uninsured Motorist coverage at limits equal to the Bodily Injury limits in your coverage agreement unless you select a lower limit offered by the Trust, or reject Uninsured Motorist entirely. Please indicate whether you desire to entirely reject Uninsured Motorist coverage, or, whether you desire this coverage at limits lower than the Bodily Injury Liability limits of your Coverage Agreement:

[√] a. I hereby reject Uninsured Motorist coverage.

[ ] b. I hereby select the following Uninsured Motorist limits which are lower than my Bodily Injury Liability Limits:
each person (enter limit if applicable)
each accident

[ ] c. I hereby select Uninsured Motorist coverage limits equal to my Bodily Injury Liability limits. (If you select this option disregard the bold face statement above.)

ELECTION OF NON-STACKED COVERAGE

(Do not complete if you have rejected Uninsured Motorist)

You have the option to purchase, at a reduced rate, non-stacked (limited) type of Uninsured Motorists coverage. Under this form if injury occurs in a vehicle owned or leased by you or any family member who resides with you, this Coverage Agreement will apply only to the extent of coverage (if any) which applies to that vehicle in this Coverage Agreement. If an injury occurs while occupying someone else's vehicle, or you are struck as a pedestrian, you are entitled to select the highest limits of Uninsured Motorist coverage available on any one vehicle for which you are a Named Covered Party, covered family member, or covered resident of the Named Covered Party's household. This Coverage Agreement will not apply if you select the coverage available under any other Coverage Agreement issued to you or the Coverage Agreement of any other family member who resides with you.

If you do not elect to purchase the non-stacked form, your Coverage Agreement limit(s) for each motor vehicle are added together (stacked) for all covered injuries. Thus, your Coverage Agreement limits would automatically change during the Coverage Agreement term if you increase or decrease the number of autos covered under the Coverage Agreement.

[ ] I hereby elect the non-stacked form of Uninsured Motorist coverage.

I understand and agree that selection of any of the above options applies to my liability Coverage Agreement and future renewals or replacements of such Coverage Agreement which are issued at the same Bodily Injury Liability limits. If I decide to select another option at some future time, I must let the Trust or my agent know in writing.

AGENDA MEMORANDUM

FROM:	Randall Olney, Public Works Director
SUBJECT:	Acceptance of Temporary Construction Easements
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

Water Resource staff has negotiated with Herman Heinlein & George Heinlein to obtain the necessary temporary construction easements for Citrus County to excavate and install piping for a Wastewater Lift Station and Transmission System associated with the NW Quadrant wastewater collection system extension project. This RESTORE Act grant-funded project will address water quality issues by connecting existing private wastewater package plants that are adjacent to or near the County's wastewater collection lines to provide sewer service to additional areas in close proximity to the Crystal River.

WASTE DISPOSAL ACCOUNT AGREEMENT FOR THE IMPORTATION OF OUT OF COUNTY SOLID WASTE

THIS WASTE DISPOSAL ACCOUNT AGREEMENT is hereby made and entered into by and between Advanced Disposal Services Solid Waste Southeast, Inc., whose mailing address is: 7018 N. Lecanto Hwy, Hernando Florida 34442, hereinafter referred to as "COMPANY", and CITRUS COUNTY, FLORIDA, a political subdivision of the State of Florida, hereinafter referred to as "COUNTY".

W I T N E S S E T H :

WHEREAS, Company is lawfully engaged in business within Citrus County, Florida, and

WHEREAS, County operates a Class I Sanitary Landfill facility located at 230 West Gulf-to-Lake Highway, Lecanto, Fl 34461, and

WHEREAS, Company has established a monthly account with the County for its Landfill use, and desires to utilize the Landfill for disposal of 1,200 tons (more or less) of out of County solid waste collected from Levy County at the disposal rate of $40 per ton.

WHEREAS, County wishes to allow Company to utilize the Landfill for 1,200 tons of year of out of County solid waste collected from Levy County and to tender payments to the County at the end of each month for its use of the Landfill, and

NOW, THEREFORE, in consideration of the sum of Ten Dollars and No Cents ($10.00) to each in hand paid by the other, the receipt and sufficiency of which is hereby acknowledged by both parties hereto, Company and County agree as follows:

Attachment: Advanced Disposal Account Agreement (17185 : Solid Waste Disposal Agreement with Advanced Disposal for the Disposal of

1. Company has delivered to County as a security deposit, the sum of **$313,640.00** in the form of cash deposit or bond issued by an entity acceptable to County. The purpose of this security deposit is to permit County to draw against the deposit in the event of Company's nonpayment. If at any time the Company's charges reach the amount of the deposit, the Company will be placed on a cash only basis.

2. The term "solid waste" as used in this agreement shall be the same as said terms defined in Chapter 82, Citrus County Code.

3. Beginning on the date of this Agreement, County will forward a bill via U.S. Mail to Company at its listed address at the end of each month for charges that accrued during the month for out of County Solid Waste. Company's failure to receive the bill does not relieve Company of its obligation to tender payment in the full amount then due and owing County.

4. Company shall pay County all sums due within twenty-one (21) days of the billing date.

5. Company agrees that in the event it fails to pay the sum shown on its bill within twenty-one (21) days, County may, without prior notice to Company, immediately charge all sums due, against the cash deposit/bond.

6. If County is ever required to draw upon Company's security County may terminate this Agreement and Company will thereafter utilize the Landfill on a cash-only basis.

7. The term of this Agreement is one (1) year beginning on the date the last party signs the Agreement. This Agreement may be renewed upon the written consent of the parties in one (1) year increments.

Attachment: Advanced Disposal Account Agreement (17185 : Solid Waste Disposal Agreement with Advanced Disposal for the Disposal of

8. This Agreement may be terminated with or without cause upon thirty (30) days prior written notice to the non-terminating party. In the event the Company desires to terminate this Agreement, County will release Company's security only upon verification that Company's account is then current and there are no other charges then due and owing County.

9. Any right of County to draw upon Company's security will be in addition to, and not in lieu of, any other remedies provided by Florida law.

10. Company shall indemnify, save and hold harmless County and all its officers, agents or employees from and against any and all causes of action, demands, claims, losses, liabilities and expenditures of any nature whatsoever, including defense costs and fees, caused by the intentional or negligent act of, or omission of, Company, its agents or employees or accruing, resulting from, or related to the subject matter of this Agreement including, without limitation, any and all claims, losses, liabilities, expenditures, demands or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. Neither Company nor any of its agents will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of County or any of its officers, agents or employees. In the event any lawsuit or other proceeding is brought against County by reason of any such claim, cause of action or demand, Company shall, upon written notice from County, resist and defend such lawsuit or proceeding by counsel satisfactory to County or, at County's option, pay for an attorney selected by County to defend County. This indemnification includes attorney's fees and all costs of litigation including appellate attorney's fees and costs as well as any judgments. The parties agree that this clause shall not waive the benefits or provisions of Section 768.28, Florida Statutes, or any similar provision of law. The provisions and obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by County, any sums due Company under this Agreement may be retained by County until all of County's

Attachment: Advanced Disposal Account Agreement (17185 : Solid Waste Disposal Agreement with Advanced Disposal for the Disposal of

claims for indemnification pursuant to this Agreement have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by County.

11. In the event of breach of this Agreement by either party, both parties hereto shall be entitled to all remedies available to it at law or in equity including the right of specific performance of this Agreement. Any litigation with respect to this Agreement shall be filed in the Circuit Court of the Fifth Judicial Circuit in and for Citrus County, Florida.

12. Any delay or failure of either party in the performance of its required obligations hereunder shall be excused if any to the extent caused by acts of God; fire; flood; windstorm; explosion; riot; war; sabotage; extraordinary breakdown of or damage to County's facilities or their equipment; court injunction or order; federal and/or state law or regulations; order by any regulatory agency; or cause or causes beyond the reasonable control of the party affected; provided that prompt notice of such delays given by such party to the other and each of the parties hereunto shall be diligent in attempting to remove such cause or causes. If any circumstances of Force Majeure remains in effect for sixty (60) days, either party may terminate this Agreement.

13. This agreement shall be binding upon the successors, assigns and legal representatives of the respective parties by transfer or merger.

14. This Agreement includes the entire understanding of the parties and may only be modified by written amendment executed by both parties hereto.

AGENDA MEMORANDUM

FROM:	Ken Cheek, Director, Water Resources Department
SUBJECT:	Raftelis Rate Study
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

The last study to revise water and wastewater rates was approved by BOCC following the 10/20/2015 Public Hearing (Resolution Number 2015-184). Since October 1, 2018, the Department has amended rates in accordance with annual index increases approved by the Public Service Commission for Utilities. Due to continued infrastructure expansions and an increased customer base, Rafetlis began a new rate study FY21 year. The completion of a more comprehensive report requires Rafetlis to perform more analysis than originally budgeted due to changes to the capital plan as well as changes in how the system operates with respect to planning for funding of expansion now using a significant amount of assessment funding.

Subject: **Amendment to Provide Additional Utility Rate Consulting Services Related to the Water and Wastewater Revenue Sufficiency Study**

Dear Ms. Flood-Nichols:

This amendment is being submitted to provide for additional rate and financial consulting services on behalf of Citrus County's (the "County") water and wastewater utility systems. The original scope and purchase order agreement (Purchase Order 82125) to perform the study included a not-to-exceed budget of $25,000. This amendment reflects additional services performed and to be performed beyond those services included in the original scope that were requested by the County.

The original scope of services included three (3) total meetings. One (1) for kickoff and data gathering, one (1) to review assumptions and results, and one (1) public hearing. To date Raftelis has attended three (3) meetings to review the data and assumptions and discuss preliminary results and, based on discussions with the County, we estimate that we will probably need at least three (3) more to complete this study. One (1) meeting to review revised capital assumptions, one (1) meeting to discuss briefing documents and revised results, and one (1) public hearing. These three additional meetings are needed in addition to the time required to develop draft and final briefing documents and study report to complete this scope.

Additionally, we have spent more time than originally budgeted on the development of the financial projections due to changes/revisions to the capital plan as well as changes in how the system operates with respect to its planning for the funding of its expansions now using a significant amount of assessment funding. The modeling of these additional assessments required partial redesign of the financial model used for the County.

Based on the additional analytical tasks, meetings, other related activities performed for the County we propose to amend the agreement to increase the total project costs by $12,000 as shown on Attachment A. If approved, this amount would increase the total project cost to $37,000 ($25,000 Original + $12,000 Amendment).

COMPENSATION

Based on the additional tasks performed and remaining tasks to complete the study as summarized above, we propose to increase the total project costs for additional services by $12,000. If approved, this amount would increase the total project cost to $37,000. A summary of the cost proposal is summarized below:

FROM:	Mariselle Rodriguez, Community Services Director
SUBJECT:	First Responders of Citrus County Monument
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

Colonel Robert Crawford with Citrus Chapter 192 Korean War Veterans Association proposed to place a First Responders of Citrus County monument on the grounds of the Historic Courthouse Downtown during the June 8th BOCC meeting.

Attached for the Board's consideration is information regarding the monument, including graphics with the words inscribed on the monument. This will not require any excavation or modification of the grounds. The face of the monument will slope, and lower components being angled and tapered. The monument will project power and unity.

While the courthouse and grounds area are owned by the County, the courthouse itself is within the municipal limits of Inverness. Therefore, all permits, and site approval shall be obtained from the City of Inverness. The City of Inverness has $104 permit fee.

Commissioner:

My understanding is that Mr. Robert Crawford plans to propose to place a first responders monument at the Historic Courthouse Downtown at the June 8th BOCC meeting. Please note the current monuments at the Historic Courthouse relate are veterans related. My understanding is there is one remaining space. I do not believe he is requesting any funding.

Since this is a policy decision we wanted to make you aware of the potential request.

Sincerely,

Randy

Looking very good. I believe it would be helpful to include an oblique view to illustrate the relationship of the base to the top surface. That would will be helpful in the document we present to Citrus County on June 8th. The logos look great. Do you think that a smaller Citrus County logo inserted centered beneath the Sheriff's logo would overdo it? I will get my small working group' input on this within a week.. Thanks and appreciate your cooperation.

Will try to keep this out of the public eye until after the session with the commissioners.

AGREEMENT FOR PROFESSIONAL SERVICES

This agreement, made this 24th day August 2021 by and between GMA, Inc., a Florida Corporation, (hereinafter called the "Consultant"), and Citrus County, Florida, (hereinafter called the "Client").

WITNESSETH:

That in consideration of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

1. The Client does hereby retain the Consultant as its consultant for and during the period commencing on the 1st day of August 2021, and ending on the 30th day of July 2021 to provide lobbying services before the Florida Legislature, including all committees and all executive branch agencies of the State of Florida during the term of this agreement.

2. The Consultant accepts such retainer and agrees to render and perform all services necessary and proper for the advancement of the interests of the Client and assigned entities to the extent required by such Client and agreed to by the Consultant and designated as responsibilities to be assumed by Consultant.

3. The Client shall pay to the Consultant as compensation for the services to be performed as herein before set forth the sum of $60,000.00, which shall be paid in monthly installments of $5,000 with the first payment due on August 1, 2021.

4. In addition to the compensation herein before set forth, the Client shall reimburse the Consultant for travel expenses as authorized by Section 112.061, Florida Statutes. The Client must approve all expenses in advance of Consultant's travel.

Attachment: Citrus BOCC 2022 Retainer (17266 : Approve Contract Renewal with GMA, Inc. for Lobbying)

5. It is understood that the Consultant may also provide consulting services for other clients during the term of this Agreement. The Consultant, however, will not undertake any responsibilities or engage in any activities that reasonably conflict with the interests of the Client or any of the entities represented by the client. The Consultant shall disclose to the Client in writing any situation that may reasonably present a conflict of interest. The Client and Consultant will mutually attempt to resolve any perceived or apparent conflicts of interest.

6. Either Party may terminate this Agreement for any reason by giving at least thirty (30) days advance written notice of termination to the other party. Notwithstanding the provisions of the preceding sentence, this Agreement shall be deemed to have automatically terminated upon the occurrence of a material breach by either party in the performance of this Agreement which is not cured with ten (10) days after the non-defaulting party gives written notice thereof to the other party.

7. It is understood that Consultant is acting as an independent contractor, and not as an agent, partner of employee, in rendering services to the Client hereunder.

8. This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all previous communications, representations or agreements, with oral or written, between the parties. No waiver or modification of this Agreement or of any covenant, condition or limitation herein contained shall be valid unless in writing and duly executed by the party to be charged therewith. Neither party may assign this Agreement to any third party without the prior written approval of the other party. This Agreement shall be binding upon and insure to the benefit of the parties and their respective successors and approved assigns.

9. Consultant will keep and maintain public records required by the County to perform the service. Upon request from the County's custodian of public records, Consultant will

provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed the cost provided in Chapter 119, Florida Statues, or as otherwise provided by law. Consultant will ensure that the public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of the Agreement and following completion of the Agreement if Consultant does not transfer the records to the County. Upon completion of the Agreement, Consultant will transfer, at no cost, to the County all public records in possession of the Consultant or keep and maintain public records required by County to perform the service. If Consultant transfers all public records to County upon completion of the Agreement, Consultant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Consultant keeps and maintains public records upon completion of the Agreement, Consultant shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology system of the County. If Consultant does not comply with the County's request for public records, the County shall enforce the provisions of the Agreement in accordance with the terms of the Agreement and may cancel the Agreement.

RECOMMENDED ACTION:

Set a Public Hearing on September 14, 2021 at 2:15 PM on an Ordinance of the Board of County Commissioners of Citrus County, Florida, amending Chapter 86, Special Assessments, of the Citrus County Code of Ordinances, by creating Article VI, the Citrus County Local Provider Participation Fund Non-Ad Valorem Special Assessment, under the authority of Florida Constitution, Article VIII, Section 1(f), and Section 125.01, Florida Statutes, to help offset designated hospitals' Medicaid shortfall; providing findings; providing for the imposition of annual non-ad valorem special assessments on real property interests of designated private hospitals to be deposited into the fund; specifying the method of setting and computing the non-ad valorem special assessments; and specifying authorized uses for the fund proceeds; providing for severability, conflicts and area encompassed; and providing an effective date and inclusion in the code of ordinances.

ORDINANCE NO. _____

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA, AMENDING CHAPTER 86, SPECIAL ASSESSMENTS, OF THE CITRUS COUNTY CODE OF ORDINANCES, BY CREATING ARTICLE VI, THE CITRUS COUNTY LOCAL PROVIDER PARTICIPATION FUND NON-AD VALOREM SPECIAL ASSESSMENT, UNDER THE AUTHORITY OF FLORIDA CONSTITUTION, ARTICLE VIII, SECTION 1(f), AND SECTION 125.01, FLORIDA STATUTES, TO HELP OFFSET DESIGNATED HOSPITALS' MEDICAID SHORTFALL; PROVIDING FINDINGS; PROVIDING FOR THE IMPOSITION OF ANNUAL NON-AD VALOREM SPECIAL ASSESSMENTS ON REAL PROPERTY INTERESTS OF DESIGNATED PRIVATE HOSPITALS TO BE DEPOSITED INTO THE FUND; SPECIFYING THE METHOD OF SETTING AND COMPUTING THE NON-AD VALOREM SPECIAL ASSESSMENTS; AND SPECIFYING AUTHORIZED USES FOR THE FUND PROCEEDS; PROVIDING FOR SEVERABILITY, CONFLICTS AND AREA ENCOMPASSED; AND PROVIDING AN EFFECTIVE DATE AND INCLUSION IN THE CODE OF ORDINANCES.

WHEREAS, the Citrus County hospitals described herein (the "Hospitals") annually provide millions of dollars of uncompensated care to persons who qualify for Medicaid because Medicaid typically covers only 60% of the costs of the health care services actually provided by Hospitals to Medicaid-eligible persons, leaving hospitals with significant uncompensated costs ("Medicaid shortfall"); and

WHEREAS, the State of Florida (the "State") has obtained federal authority to establish the Statewide Medicaid Managed Care hospital directed payment program (the "DPP") to help offset Hospitals' Medicaid shortfall and improve the quality of care provided to the Florida Medicaid population; and

WHEREAS, several Hospitals in the State of Florida, including hospitals in Citrus County, have expressly requested Citrus County, Florida (the "County") to impose a non-ad valorem assessment upon the real property interests of the Hospitals in Citrus County to assist in the financing of the non-federal share of the State's Medicaid program; and

WHEREAS, the only real property interests that will be subject to the non-ad valorem assessments authorized herein are those belonging to the Hospitals; and

Attachment: Ordinance re Medicaid Hospital Assessment v3 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

WHEREAS, the County recognizes that one or more of the Hospitals within Citrus County's boundaries may be located upon real property leased from a governmental entity and that such leasehold interest of the Hospital may be assessed because courts do not make distinctions on the application of special assessments based on "property interests" but rather on the benefit derived by that interest from the assessment; and

WHEREAS, the revenues raised by the assessments authorized herein will, through intergovernmental transfers ("IGTs") that will be provided consistent with federal guidelines, support additional funding for Medicaid payments to the Hospitals to reduce the Medicaid shortfall; and

WHEREAS, the Board of County Commissioners of Citrus County, Florida, conducted a duly advertised public hearing to consider adoption of this ordinance on _____; and

WHEREAS, in advance of the public hearing on this Ordinance, the Board received a certified property appraiser's opinion indicating that the Hospital properties to be assessed will receive a special and unique benefit as a result of the amount of the assessments; and in consideration of this opinion, the Board finds that a logical relationship exists between the Medicaid services provided by the Hospitals, which will be supported by the assessment, and the special and particular benefit to the assessed property interests of the Hospitals; and

WHEREAS, the County has an interest in promoting access to health care for its low-income and under-insured residents, which affords benefits not only to those individuals, but to the community as a whole; and

WHEREAS, leveraging additional federal support through the above-described IGTs to fund payments to the Hospitals for health care services provided to Medicaid eligible persons directly and specifically benefits the Hospitals' property interests and supports their continued ability to provide those services; and

WHEREAS, imposing an assessment limited to those Hospital properties to help fund the provision of Medicaid services and the achievement of certain quality standards by the Hospitals to residents of Citrus County is a valid public purpose that benefits the health, safety and welfare of the citizens of Citrus County; and

WHEREAS, the assessments will strengthen the financial stability and viability of the Hospitals providing such Medicaid services; and

WHEREAS, the Hospitals are important contributors to the County's overall economy and the financial benefit to these Hospitals directly and specifically supports their mission, as well as their ability to grow, expand, and maintain their facilities in concert with the population growth in the jurisdiction of the County; and

Attachment: Ordinance re Medicaid Hospital Assessment v3 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

WHEREAS, the Board finds that the assessments will enhance the Hospitals' ability to grow, expand, maintain, improve, and increase the value of their Citrus County facilities under all present circumstances and those of the foreseeable future; and

WHEREAS, the County is proposing a properly apportioned assessment by which all of the Hospitals will be assessed at a uniform rate that is compliant with 42 C.F.R. § 433.68(d); and

WHEREAS, due to the unique nature of the assessments authorized herein; each Hospital that is assessed under the terms of this ordinance and any implementing resolutions shall provide, in writing, a statement that: (a) waives any legal challenges to the validity of this ordinance and implementing Board resolutions; (b) specifically agrees that the property interest properly receives a special benefit from the assessment and that the assessment is fairly apportioned among the benefited Hospitals; (c) agrees that the County has the legal authority to impose the assessments; and (d) that all the requirements of law have been satisfied.

WHEREAS, each Hospital shall also agree that it shall defend and hold Citrus County harmless from any damages that may be sustained by any of the benefitted Hospitals due to this ordinance and implementing resolutions; and defend and hold Citrus County harmless from any penalties that may be imposed by the State of Florida or any agency of the Federal Government, including but not limited to the Department of Health and Human Services or the Centers for Medicare and Medicaid Services ("CMS") as a result of any assessments that may be imposed hereunder, or any requests for federal matching funds with respect to revenues raised by such assessments; and

WHEREAS, the Board of County Commissioners adopted this Ordinance authorizing Citrus County to levy a uniform non-ad valorem special assessment, which by definition is fairly and reasonably apportioned among the Hospitals' property interests within the County's jurisdictional limits, to establish and maintain a system of funding for IGTs to support the non-federal share of Medicaid payments, thus directly and specially benefitting the Hospital properties.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA:

SECTION 1. Chapter 86 of the Citrus County Code, Special Assessments, is hereby amended, by adding a new Article VI, as follows:

Sec. 86-60. - Title.

This Article VI shall be known, and may be cited as, the "Citrus County Local Provider Participation Fund Ordinance."

Attachment: Ordinance re Medicaid Hospital Assessment v3 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

Sec. 86-61. - Authority.

Pursuant to Article VIII, Section 1(f) of the Constitution of the State of Florida and Chapter 125 of the Florida Statutes, the Board is authorized to impose a special assessment against private for-profit and not-for-profit hospitals located within Citrus County (the "Hospitals") to fund the non-federal share of Medicaid payments associated with Local Services.

Sec. 86-62. - Purpose.

The non-ad valorem special assessments authorized by this article shall be imposed, levied, collected, and enforced against the Assessed Properties located within Citrus County. Proceeds from the Assessments shall be used to benefit the Assessed Properties through enhanced Medicaid Payment for Local Services. When imposed, the Assessment shall constitute a lien upon the Assessed Properties equal in rank and dignity with the liens of all state, county, district, or municipal taxes and other non-ad valorem assessments, and failure to pay may cause foreclosure proceedings to be instituted that could result in loss of title. The assessment shall be computed and assessed only in the manner provided for in this Ordinance.

Sec. 86-63. - Alternative Method.

This Ordinance and its implementing resolutions shall together be deemed to provide an additional and alternative method, as specified in § 197.3631, Fla. Stat., for the assessment and collection of the non-ad valorem special assessment described herein. The Ordinance shall be regarded as supplemental and additional to powers conferred by other laws and shall not be regarded as in derogation of any powers now existing or which may exist in the future. This Ordinance, being necessary for the health, safety, and welfare of the inhabitants of the County, shall be liberally construed to effect the purposes hereof.

Sec. 86-64. - Definitions.

When used in this Ordinance, the following terms shall have the following meanings, unless the context clearly requires otherwise:

Annual Final Assessment Resolution means the resolution described in Sections 86-73 and 86-74 hereof, which shall be the final proceeding for the imposition of an Assessment, establishing the rate for the non-ad valorem assessment for a specific Fiscal Year.

Assessed Property means an institutional Health Care Provider holding a right of possession and right of use to real property in the County through an ownership or leasehold interest, thus making it subject to the Assessment.

Assessment means a non-ad valorem special assessment imposed by the County on Institutional Health Care Providers located in the County limits to fund the non-federal share of Medicaid and Medicaid managed care payments directed to hospitals providing Local Services in the County.

Assessment Coordinator means the person appointed to administer the Assessment imposed pursuant to this Article, or such person's designee.

Assessment Resolution means the resolution described in Section 86-68 hereof.

Board means the Board of County Commissioners of Citrus County, Florida.

Comptroller means the Citrus County Comptroller, ex officio Clerk to the Board, or other such person as may be duly authorized to act on such person's behalf.

County means Citrus County, Florida.

Fiscal Year means the period commencing on October 1 of each year and continuing through the next succeeding September 30, or such other period as may be prescribed by law as the fiscal year for the County.

Institutional Health Care Provider means a private for-profit or not-for-profit hospital that provides inpatient hospital services.

Local Services means the provision of inpatient and outpatient hospital services to Medicaid, indigent and uninsured members of the Citrus County community.

Non-ad valorem Assessment Roll means the special assessment roll prepared by the County.

Ordinance means the Citrus County Local Provider Participation Fund Ordinance.

Tax Collector means the Citrus County Tax Collector.

Sec. 86-65. - Interpretation.

Unless the context indicates otherwise, the terms "hereof," "hereby," "herein," "hereunder," and similar terms refer to this Article. The term "hereafter" means after, and the term "heretofore" means before the effective date of the Ordinance.

Sec. 86-66. - Assessment.

Pursuant to §125.01, Fla. Stat., the Board is hereby authorized to create an annual non-ad valorem special assessment that shall be imposed, levied, collected, and enforced against Assessed Property to fund the non-federal share of Medicaid payments benefitting Assessed Properties providing Local Services in the County. Funds generated

Attachment: Ordinance re Medicaid Hospital Assessment v3 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

as a result of the Assessment shall be held in a separate account called the local provider participation fund and shall be available to be used only to (1) provide to the Florida Agency for Health Care Administration (AHCA) the non-federal share for Medicaid payments to be made directly or indirectly in support of hospitals serving Medicaid beneficiaries and (2) reimburse the County for administrative costs associated with the implementation of the Assessment authorized by this Ordinance, as further specified in the Assessment Resolution.

The Assessment will be broad based, and the amount of the Assessment shall be uniformly imposed on each Assessed Property. [The Assessment may not hold harmless any Institutional Health Care Provider, as required under 42 U.S.C. § 1396b(w).] As set forth in Section 86-62, the Assessment shall constitute a lien upon the Assessed Property equal in rank and dignity with the liens of all state, county, district, or municipal taxes and other non-ad valorem assessments. In addition to other remedies available at law or equity, the enforcement of the aforementioned Assessment may be at the same time and in like manner as ad valorem taxes and may be subject to all ad valorem tax enforcement procedures afforded to use of the official annual real property tax notice.

Creation and implementation of the Assessment will not result in any additional pecuniary obligation on the County, Board, or County residents as the Assessment shall be imposed, levied, collected, and enforced against only Assessed Properties, and the Assessment Resolution shall provide that the County's administrative costs shall be reimbursed from the collected amounts and the Resolution shall establish the amount. The determination as to the amount of the administrative cost of the County shall be established in the sole discretion of the County, however, the amount of the administrative costs shall not exceed $150,000.00. Any reasonable expenses the County incurs to collect delinquent assessments, including any attorney's fees incurred as a result of contracting with an attorney to represent the county in seeking and enforcing the collection of delinquent assessments, are not subject to the limitation on administrative costs.

Sec. 86-67. - Computation of Assessment.

The annual Assessment shall be specified for each Assessed Property. The amount of the Assessment required of each Assessed Property may not exceed an amount that, when added to the amount of other required assessments, equals an amount of revenue that exceeds the maximum percent of the aggregate net patient revenue of all Assessed Hospitals in the County permitted by 42 C.F.R. §433.68(f)(3)(i)(A). Assessments for each Assessed Property will be derived from data contained in the Florida Hospital Uniform Reporting System, as available from the Florida Agency for Health Care Administration.

Sec. 86-68. - Assessment Resolution.

The Assessment Resolution shall describe (a) the Medicaid payments proposed for funding from proceeds of the Assessment; (b) the benefits to the Assessment Properties associated with the Assessment; (c) the methodology for computing the assessed

Attachment: Ordinance re Medicaid Hospital Assessment v3 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

amounts; and (d) the method of collection, including how and when the assessment is to be paid.

Sec. 86-19. - Non-Ad Valorem Assessment Roll.

The Assessment Coordinator shall prepare, or direct the preparation of, the Non-Ad Valorem Assessment Roll, which shall contain the following:

a) The names of the Assessed Properties;
b) The Assessment rate and amount of the Assessment to be imposed against each Assessed Property based on the Assessment Resolution.

The Non-Ad Valorem Assessment Roll shall be retained by the Assessment Coordinator and shall be open to public inspection. The foregoing shall not be construed to require that the Assessment Roll be in printed form if the amount of the Assessment for each Assessed Property can be determined by use of a computer terminal available to the public.

Sec. 86-70. - Notice by Publication.

Upon completion of the Non-Ad Valorem Assessment Roll, the Assessment Coordinator shall publish once in a newspaper of general circulation within the County a notice stating that at a meeting of the Board on a certain day and hour, not earlier than 20 calendar days from such publication, which meeting shall be a regular, adjourned, or special meeting, the Board will hear objections of all interested persons to approve the aforementioned Non-Ad Valorem Assessment Roll. Such notice shall include:

a) The Assessment rate;
b) The procedure for objecting to the Assessment rate;
c) The method by which the Assessment will be collected; and
d) A statement that the Non-Ad Valorem Special Assessment Roll is available for inspection at the Office of the Assessment Coordinator.

Sec. 86-71. - Notice by Mail.

In addition to the published notice required by Section 86-70, but only for the first year in which an Assessment is imposed by the Board against Assessed Properties, the Assessment Coordinator shall provide notice of the proposed Assessment by first class mail to the Assessed Properties. Such notice shall include:

a) The purpose of the Assessment;
b) The Assessment Rate to be levied against each Assessed Property;
c) The unit of measurement applied to determine the Assessment;
d) The total revenue to be collected by the County from the Assessment;
e) A statement that failure to pay the Assessment may cause a tax certificate to be issued against the property or foreclosure proceedings to be instituted,

Attachment: Ordinance re Medicaid Hospital Assessment v3 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

either of which may result in a loss of title to the property;

f) A statement that all affected and or interested parties have a right to appear at the hearing and to file written objections with the Board within 20 days of the notice; and

g) The date, time, and place of the hearing.

Notice shall be mailed at least 20 calendar days prior to the hearing, to each Assessed Property at such address as is shown on the Assessment Roll. Notice shall be deemed mailed upon delivery thereof to the possession of the United States Postal Service. The Assessment Coordinator may provide proof of such notice by affidavit. Failure of the Assessed Property to receive such notice, due to mistake or inadvertence, shall not affect the validity of the Assessment Roll or release or discharge any obligation for payment of the Assessment imposed by the Board pursuant to this Article.

Sec. 86-72. - Adoption of Assessment Resolution and Non-Ad Valorem Assessment Roll.

At the time named in the notice, the Board shall receive and consider any written objections of interested persons. All objections to the Assessment Resolution and Non-Ad Valorem Assessment Roll shall be made in writing and filed with the Assessment Coordinator at or before the time or adjourned time of such hearing. At the date and time set forth in the notice, the Board may adopt the Assessment Resolution and Non-Ad Valorem Assessment Roll which shall:

a) Set the rate of the Assessment to be imposed;

b) Approve the Non-Ad Valorem Assessment Roll, with such amendments as the Board deems just and right; and

c) Affirm the method of collection.

Sec. 86-73. - Annual Final Assessment Resolution.

The Board may revise the Non-Ad Valorem Assessment Roll during the Fiscal Year to change the Assessment rate if calculations suggest such change or correction is necessary. However, the Board shall adopt an Annual Final Assessment Resolution during the Fiscal Year to memorialize the final rate applicable for the Fiscal Year. Prior to the adoption of the Annual Final Assessment Resolution, each Assessed Property shall submit a written consent and waiver of the Assessed Property containing the following:

a. a waiver of any legal challenges to the validity of this ordinance and implementing Board's resolutions;

b. an agreement and consent that the property interest properly receives a special benefit from the assessment and that the assessment is fairly apportioned among the assessed properties;

c. an agreement that the County has the legal authority to impose the assessment;

d. that all the requirements of law have been complied with;

e. an agreement that it shall defend and hold Citrus County, Florida, harmless

from any damages that it may sustain due to this ordinance and implementing resolutions; and

f. an agreement to defend and hold Citrus County, Florida, harmless from any penalties that may be imposed by the State of Florida or any agency of the Federal Government, including but not limited to the Department of Health and Human Services or the Centers for Medicare and Medicaid Services ("CMS") as a result of any assessments that may be imposed hereunder, or any requests for federal matching funds with respect to revenues raised by such assessments

Sec. 86-74. - Effect of Annual Final Assessment Resolution.

The adoption of the Annual Final Assessment Resolution shall be the final adjudication of the issues presented (including, but not limited to, the method of apportionment and Assessment, the Assessment rate, the initial rate of Assessment, the Non-Ad Valorem Assessment Roll, and the levy and lien of the Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of Board action on the Annual Final Assessment Resolution. The Non-Ad Valorem Assessment Roll shall be delivered to the Tax Collector or such other official as the Board by resolution shall designate.

Sec. 86-75. - Method of Collection.

The amount of the assessment may be collected pursuant to any lawful means available to the County as specified in the Assessment Resolution. This section specifically authorizes the collection of the assessment by a mailed invoice for payment and such method shall be deemed an Alternative Method to the provisions of Section 197.3631, Florida Statutes.

Sec. 86-76. - Refunds.

If, at the end of the Fiscal Year, additional amounts remain in the Local Provider Participation Fund, the Board is hereby authorized to make refund to Assessed Properties in proportion to the amounts paid in during the Fiscal Year for all or a portion of the unutilized Local Provider Participation Fund.

Sec. 86-77. - Responsibility for Enforcement.

The County and its agent, if any, shall maintain the duty to enforce the prompt collection of the Assessment by the means provided herein. The duties related to collection of assessments may be enforced at the suit of any holder of obligations in a court of competent jurisdiction by mandamus or other appropriate proceedings or actions.

Sec. 86-78. Correction of Errors and Omissions.

No act of error or omission on the part of the Comptroller, Property Appraiser, Tax Collector, Assessment Coordinator, Board, or their deputies or employees shall operate

Attachment: Ordinance re Medicaid Hospital Assessment v3 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

to release or discharge any obligation for payment of the Assessment imposed by the Board under the provisions of this Chapter.

SECTION 2. APPLICABILITY.

It is hereby intended that this Ordinance shall constitute a uniform law applicable in all unincorporated areas of Citrus County, Florida, and to all incorporated areas of Citrus County where there is no existing conflict of law or municipal ordinance.

SECTION 3. SEVERABILITY.

If any portion of this Ordinance is for any reason held invalid or declared to be unconstitutional, inoperative, or void by any court of competent jurisdiction, such holdings shall not affect the validity of the remainder of this ordinance.

SECTION 4. RESOLUTION OF CONFLICT OF LAWS.

In all instances where Florida law, as evidenced by the Florida Statutes, Florida Administrative Code, applicable case law or otherwise, mandates standards or requirements that are stricter than the provisions of this Ordinance, or where a matter is addressed by Florida law that is not addressed by this Ordinance, then said law shall govern. In situations where this Ordinance addresses a matter in a manner that is stricter than that of Florida law, the provisions of this Ordinance shall control.

SECTION 5. INCLUSION IN THE CITRUS COUNTY CODE.

The provisions of this Ordinance shall be included and incorporated in the Citrus County Code, as an addition or amendment thereto, and shall be appropriately re-numbered to conform to the uniform numbering system of the Citrus County Code, once established.

SECTION 6. FILING OF ORDINANCE.

In accordance with the provisions of § 125.66, Fla. Stat., a certified copy of this Ordinance shall be filed with the Florida Department of State.

SECTION 7. EFFECTIVE DATE.

This Ordinance shall become effective as provided by law.

ORDINANCE NO. _____

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA, AMENDING CHAPTER 86, SPECIAL ASSESSMENTS, OF THE CITRUS COUNTY CODE OF ORDINANCES, BY CREATING ARTICLE VI, THE CITRUS COUNTY LOCAL PROVIDER PARTICIPATION FUND NON-AD VALOREM SPECIAL ASSESSMENT, UNDER THE AUTHORITY OF FLORIDA CONSTITUTION, ARTICLE VIII, SECTION 1(f), AND SECTION 125.01, FLORIDA STATUTES, TO HELP OFFSET DESIGNATED HOSPITALS' MEDICAID SHORTFALL; PROVIDING FINDINGS; PROVIDING FOR THE IMPOSITION OF ANNUAL NON-AD VALOREM SPECIAL ASSESSMENTS ON REAL PROPERTY INTERESTS OF DESIGNATED PRIVATE HOSPITALS TO BE DEPOSITED INTO THE FUND; SPECIFYING THE METHOD OF SETTING AND COMPUTING THE NON-AD VALOREM SPECIAL ASSESSMENTS; AND SPECIFYING AUTHORIZED USES FOR THE FUND PROCEEDS; PROVIDING FOR SEVERABILITY, CONFLICTS AND AREA ENCOMPASSED; AND PROVIDING AN EFFECTIVE DATE AND INCLUSION IN THE CODE OF ORDINANCES.

WHEREAS, the Citrus County hospitals described herein (the "Hospitals") annually provide millions of dollars of uncompensated care to persons who qualify for Medicaid because Medicaid typically covers only 60% of the costs of the health care services actually provided by Hospitals to Medicaid-eligible persons, leaving hospitals with significant uncompensated costs ("Medicaid shortfall"); and

WHEREAS, the State of Florida (the "State") has obtained federal authority to establish the Statewide Medicaid Managed Care hospital directed payment program (the "DPP") to help offset Hospitals' Medicaid shortfall and improve the quality of care provided to the Florida Medicaid population; and

WHEREAS, several Hospitals in the State of Florida, including hospitals in Citrus County, have expressly requested Citrus County, Florida (the "County") to impose a non-ad valorem assessment upon the real property interests of the Hospitals in Citrus County to assist in the financing of the non-federal share of the State's Medicaid program; and

WHEREAS, the only real property interests that will be subject to the non-ad valorem assessments authorized herein are those belonging to the Hospitals; and

Attachment: Additional Item E21 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

WHEREAS, the Board finds that the assessments will enhance the Hospitals' ability to grow, expand, maintain, improve, and increase the value of their Citrus County facilities under all present circumstances and those of the foreseeable future; and

WHEREAS, the County is proposing a properly apportioned assessment by which all of the Hospitals will be assessed at a uniform rate that is compliant with 42 C.F.R. § 433.68(d); and

WHEREAS, due to the unique nature of the assessments authorized herein; each Hospital that is assessed under the terms of this ordinance and any implementing resolutions shall provide, in writing, a statement that: (a) waives any legal challenges to the validity of this ordinance and implementing Board resolutions; (b) specifically agrees that the property interest properly receives a special benefit from the assessment and that the assessment is fairly apportioned among the benefited Hospitals; (c) agrees that the County has the legal authority to impose the assessments; and (d) that all the requirements of law have been satisfied.

WHEREAS, each Hospital shall also agree that it shall defend and hold Citrus County harmless from any damages that may be sustained by any of the benefitted Hospitals due to this ordinance and implementing resolutions; and defend and hold Citrus County harmless from any penalties that may be imposed by the State of Florida or any agency of the Federal Government, including but not limited to the Department of Health and Human Services or the Centers for Medicare and Medicaid Services ("CMS") as a result of any assessments that may be imposed hereunder, or any requests for federal matching funds with respect to revenues raised by such assessments; and

WHEREAS, the Board of County Commissioners adopted this Ordinance authorizing Citrus County to levy a uniform non-ad valorem special assessment, which by definition is fairly and reasonably apportioned among the Hospitals' property interests within the County's jurisdictional limits, to establish and maintain a system of funding for IGTs to support the non-federal share of Medicaid payments, thus directly and specially benefitting the Hospital properties.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA:

SECTION 1. Chapter 86 of the Citrus County Code, Special Assessments, is hereby amended, by adding a new Article VI, as follows:

Sec. 86-60. - Title.

This Article VI shall be known, and may be cited as, the "Citrus County Local Provider Participation Fund Ordinance."

Attachment: Additional Item E21 (17307 : Set a Public Hearing on a Medicaid Assessment Program Ordinance)

amounts; and (d) the method of collection, including how and when the assessment is to be paid.

Sec. 86-19. - Non-Ad Valorem Assessment Roll.

The Assessment Coordinator shall prepare, or direct the preparation of, the Non-Ad Valorem Assessment Roll, which shall contain the following:

a) The names of the Assessed Properties;
b) The Assessment rate and amount of the Assessment to be imposed against each Assessed Property based on the Assessment Resolution.

The Non-Ad Valorem Assessment Roll shall be retained by the Assessment Coordinator and shall be open to public inspection. The foregoing shall not be construed to require that the Assessment Roll be in printed form if the amount of the Assessment for each Assessed Property can be determined by use of a computer terminal available to the public.

Sec. 86-70. - Notice by Publication.

Upon completion of the Non-Ad Valorem Assessment Roll, the Assessment Coordinator shall publish once in a newspaper of general circulation within the County a notice stating that at a meeting of the Board on a certain day and hour, not earlier than 20 calendar days from such publication, which meeting shall be a regular, adjourned, or special meeting, the Board will hear objections of all interested persons to approve the aforementioned Non-Ad Valorem Assessment Roll. Such notice shall include:

a) The Assessment rate;
b) The procedure for objecting to the Assessment rate;
c) The method by which the Assessment will be collected; and
d) A statement that the Non-Ad Valorem Special Assessment Roll is available for inspection at the Office of the Assessment Coordinator.

Sec. 86-71. - Notice by Mail.

In addition to the published notice required by Section 86-70, but only for the first year in which an Assessment is imposed by the Board against Assessed Properties, the Assessment Coordinator shall provide notice of the proposed Assessment by first class mail to the Assessed Properties. Such notice shall include:

a) The purpose of the Assessment;
b) The Assessment Rate to be levied against each Assessed Property;
c) The unit of measurement applied to determine the Assessment;
d) The total revenue to be collected by the County from the Assessment;
e) A statement that failure to pay the Assessment may cause a tax certificate to be issued against the property or foreclosure proceedings to be instituted,

from any damages that it may sustain due to this ordinance and implementing resolutions; and

f. an agreement to defend and hold Citrus County, Florida, harmless from any penalties that may be imposed by the State of Florida or any agency of the Federal Government, including but not limited to the Department of Health and Human Services or the Centers for Medicare and Medicaid Services ("CMS") as a result of any assessments that may be imposed hereunder, or any requests for federal matching funds with respect to revenues raised by such assessments

Sec. 86-74. - Effect of Annual Final Assessment Resolution.

The adoption of the Annual Final Assessment Resolution shall be the final adjudication of the issues presented (including, but not limited to, the method of apportionment and Assessment, the Assessment rate, the initial rate of Assessment, the Non-Ad Valorem Assessment Roll, and the levy and lien of the Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of Board action on the Annual Final Assessment Resolution. The Non-Ad Valorem Assessment Roll shall be delivered to the Tax Collector or such other official as the Board by resolution shall designate.

Sec. 86-75. - Method of Collection.

The amount of the assessment may be collected pursuant to any lawful means available to the County as specified in the Assessment Resolution. This section specifically authorizes the collection of the assessment by a mailed invoice for payment and such method shall be deemed an Alternative Method to the provisions of Section 197.3631, Florida Statutes.

Sec. 86-76. - Refunds.

If, at the end of the Fiscal Year, additional amounts remain in the Local Provider Participation Fund, the Board is hereby authorized to make refund to Assessed Properties in proportion to the amounts paid in during the Fiscal Year for all or a portion of the unutilized Local Provider Participation Fund.

Sec. 86-77. - Responsibility for Enforcement.

The County and its agent, if any, shall maintain the duty to enforce the prompt collection of the Assessment by the means provided herein. The duties related to collection of assessments may be enforced at the suit of any holder of obligations in a court of competent jurisdiction by mandamus or other appropriate proceedings or actions.

Sec. 86-78. Correction of Errors and Omissions.

No act of error or omission on the part of the Comptroller, Property Appraiser, Tax Collector, Assessment Coordinator, Board, or their deputies or employees shall operate

EMS facing shortages after training pause

By Natasha Vaughn

COVID fatigue can affect EMS workers. Tribune News Service/WDAF-TV

HUDSON — Columbia County shares something in common with many places: A shortage of EMS workers.

The COVID-19 pandemic put a pause on emergency training.

Packet Pg. 515

"I think a couple agencies have lost some personnel, but due to the lull in training, in the meantime, they haven't been able to replenish them," Columbia County EMS Coordinator P.J. Keeler said. "I haven't seen the fallout from the pandemic. What we're experiencing basically is a lack of new people coming in because of that lull in training."

An increase in stress and the demands put on EMS workers during the pandemic has also led to COVID fatigue.

"COVID fatigue, that's the term we use in regard to what we just came out of the pandemic," Keeler said. "Because I think what seems to be happening, not just in Columbia County but nationally as well, is what these EMTs and paramedics had to go through in the past year on top of the normal emergencies for which they're trained for and handle, the pandemic really put another whole level of stress on these individuals."

EMTs and paramedics had to wear personal protective equipment, which included gowns, gloves, masks and face shields, Keeler said.

After each COVID call, EMTs and paramedics would have to disinfect the ambulances as well as themselves.

"It took quite a length of time," Keeler said. "I'm estimating in Columbia County that probably happened over 1,000 times last year. These people had to shower, change their clothes and decontaminate the entire ambulance."

The National Emergency Medical Technician Organization reported that during the pandemic, respondents to a survey in all 50 states said more than 18% of their EMS practitioners contracted COVID-19, and 27% had to self-quarantine at some point during the pandemic, Keeler said.

Columbia County was fortunate in that during the pandemic, EMS responders had minimal absenteeism, Keeler said.

"What we're looking at is people going into this profession today," Keeler said. "They're very intelligent, they read a lot, and I think they are looking at what happened and trying to determine for themselves, is that a profession that I really want to get into due to the potential concerns they could have for their personal welfare."

Attachment: Additional Information for item H1 - Submitted by Nature Coast EMS (17274 : 1:30 PM Presentation Nature Coast EMS)

Training regionally and in Columbia County was suspended during the pandemic, Keeler said. New training classes regionally and in Columbia County are full but these classes will not graduate until next fall. A typical EMT training class has between 10 and 15 people. A class is beginning Saturday.

The Columbia County EMS system includes all municipal agencies, Keeler said. This allows the 911 center to move people around from area to area as needed.

"That has really saved us," Keeler said. "Because we'll find one agency may be having a difficult time staffing, or people call in sick, other agencies can chip in when their call volume dictates it. We do have the county covered, but we could use more EMTs and paramedics, not just in Columbia County, but regionally and nationally, as well."

Numbers of EMS workers are consistent with pre-pandemic enrollment, Keeler said.

"I want to give credit to all the providers that sustained our EMS calls and the call volume during the pandemic the past year," said Keeler. "I give them all the credit in the world. They put their personal safety at risk to take care of people which really shows the level of compassion that they have for treating medically ill patients and I can't speak highly enough about their motivation and their dedication to the profession."

In a December 2019 report published by the New York State Emergency Medical Services Council, the number of certified EMS providers in New York has declined 9% in the last 10 years, according to the New York State Department of Health Bureau of Emergency Medical Services.

"It was a very challenging environment, something that they hadn't encountered before on a regular basis," Keeler said.

NATIONWIDE PARAMEDIC SHORTAGE IMPACTING TAMPA BAY, EXPECTED TO WORSEN

PINELLAS COUNTY, Fla. — A nationwide shortage of paramedics is impacting emergency health care service across the country, including right here in the Tampa Bay area.

By 2026, there's expected to be around 37,000 paramedic and EMT job openings, according to the U.S. Department of Labor Statistics. Departments are having to get creative to fill openings, and Pinellas County's Sunstar Paramedics is no exception.

Sunstar, which runs around 500 to 600 ambulance calls a day, is getting ready to launch two incentive programs. One is returning for the first time in four years. The other is brand new.

The programs include:

- A returning $35,000 sign-on bonus for any paramedic who signs a 5-year-contract. At the end of the contract, they receive the payment in full.
- A new 3/6/9 program. If a paramedic signs on for 3 years, they can cash in at $15,000. If they stay for 6 years, they get a $30,000 bonus. After 9 years, they can get a $50,000 bonus.

Sunstar believes the incentive will be a great recruiting tool that they hope will lure people to join the team.

"This gives us a way to thank them and get them to want to stay with us long term," John Peterson, the Chief Operating Officer of Sunstar explained.

Sunstar's average salary for a paramedic is $44,000. If you're interested in applying to Sunstar, click here.

Schools like St. Pete College are working hard to graduate as many students as they can in EMT and paramedic fields by attracting new students and expanding existing programs.

The paramedic shortage is also impacting Hillsborough County where some agencies say they are relying on their paramedics to work 48 hours straight.

According to a report from NewsOn6, the pandemic has created a paramedic shortage that has affected several industries. For the Emergency Medical Services Authority (EMSA), officials have noted that there's multiple reasons they're lacking in staff. However, they have looked at several creative ways to fill this void until more paramedics join their ranks.

A predicted nationwide shortage of 42,000 emergency medical technicians (EMTs) and paramedics by 2030, partially caused by paramedic schools putting things on hold during the pandemic, has caused EMSA to consider new ways to adapt to this change.

One way was by taking credentialed members in educational or supervisor roles out of their offices and have them staff trucks.

Adam Paluka, chief of public affairs for EMSA, has noted that, even with trucks staffed, they have faced issues with bed delay. To combat this, EMSA hired a transfer of care medic.

Paluka said they are also working on implementing a program for some part-time paramedics to come in and lend a hand.

Emergency Medicine's Original Sin

The misperception that paramedics are merely ambulance drivers is everyone's problem.

Lindsey Kaczmarek gets called an ambulance driver more often than she gets called a paramedic. "That's absolutely not what I do," she told me. What she does do is show up when someone needs medical help, figure out what's wrong with them, and do whatever she can to help them survive the trip to the hospital—in her case, the Mayo Clinic in Rochester, Minnesota. The primary symptom for one in three 911 medical calls is simply "pain," but during any given shift, Kaczmarek might attend to a heart attack, a stroke, a car crash, a labor and delivery gone wrong, a mental-health crisis, a

shooting, or an elderly patient suffering from a severe urinary tract infection. "If they're not breathing, I will breathe for them," she said. "If their heart's not beating, I will be the heartbeat for them."

The job of providing emergency medical services, or EMS, often resembles medical detective work, with limited clues, no specialists to consult, and very little, if any, of the sophisticated equipment available to doctors and nurses. But even though emergency medics—a catchall term used throughout this story for paramedics, emergency medical technicians, and emergency medical responders—handle tens of millions of calls in the United States each year and make life-altering decisions for their patients every day, they remain all but excluded from institutional medicine. "You're basically like a glorified taxi," says Sarayna McGuire, a Mayo Clinic emergency physician who has studied pre-hospital health care.

The misconception that emergency medics provide transportation, not medicine, leaves them to cope with all sorts of indignities. "They're used to being second-class citizens," says Michael Levy, the president of the National Association of EMS Physicians. In one hour—during which they may respond to several 911 calls—the median paramedic or EMT makes a little more than $17. That's half the hourly pay of registered nurses and less than one-fifth the pay of doctors—if they're paid at all. During the pandemic, emergency medics were literally enclosed in rolling boxes with COVID-19 patients. But in some states, they were not prioritized alongside other essential health-care workers for the first round of vaccines. After delivering their precious cargo to a hospital, in many cases they don't learn the final diagnosis, or whether their patient ever makes it back home.

That medicine treats emergency medics like disposable, low-wage workers instead of the health-care professionals they are isn't just unfortunate for the workers themselves—it also leads to less than optimal care for the rest of us on the day we may need it most.

What Happens If Health-Care Workers Stop Showing Up?

THOMAS KIRSCH

Read: What it's like to be a paramedic

The divide between health-care workers who respond to medical emergencies and those who treat patients in brick-and-mortar clinics is not new. In the 1800s, most accident victims were rushed to their homes, where they awaited medical care from private physicians. Hospitals started to staff their own 24/7 emergency departments only in the mid-20th century, in part thanks to the advent of lifesaving measures such as antibiotics, defibrillation, and blood transfusions. By the 1960s, a loose network of unregulated emergency medical systems had sprung up around the country. Undertakers and law-enforcement officers provided the bulk of hospital transports—known as "you call, we haul" missions—in the back of police cars, hearses, or delivery vans. These makeshift responders often had little or no formal medical instruction. "It was a little bit of the wild West," says Chris Richards, an emergency-medicine physician at the University of Cincinnati.

In the late '60s and early '70s, in response to growing concerns over traffic fatalities, the Department of Transportation—not the Department of Health and Human Services—developed a structured national EMS system, codifying the idea that emergency medics are drivers, not health-care workers. But the field has evolved significantly since then. Today, some emergency medics can dispense medications, and ambulances can house heart monitors and ultrasound machines. Over time, training and accreditation requirements have grown more and more rigorous. Still, in the eyes of some hospital staff, medics belong as much to today's medical establishment as police officers and undertakers did in the 1960s.

Many of Remle Crowe's EMT runs in rural Ohio ended with a dissatisfying reminder of her place in medicine's hierarchy. "I would drop [patients] off at the hospital and they would disappear," she told me. As she sped off to the next call, she'd wonder about her last pickup, and what happened to them beyond the emergency-room doors. "There was no way of knowing," Crowe said.

Ieva Jusionyte: What I learned as an EMT at the border wall

For the most part, EMS providers don't learn whether the split-second decisions they make—say, whether to intubate someone—ultimately help their patients. Only about one in three EMS agencies reports having any access to electronic, patient-specific medical information. Many hospitals refuse to share any outcome data with EMS, claiming it's a HIPAA violation (legally, it's not). Ultimately, even in the most clear-cut of cases, if a patient dies in the ambulance, an emergency medic may not learn the cause of death, or whether there was anything they could have done differently to change the outcome. "They're kind of flying blind," says Michael Sayre, the medical director of Seattle's EMS.

Leaving emergency medics out of the loop doesn't only turn their jobs into repeated chronic cliff-hangers. It also keeps them from improving the care they give to their patients, experts told me, robbing them of the opportunity to learn which of their instincts are correct and which to avoid. "Without creating this feedback loop, you really can't get better," Sayre says. "Of course medical errors happen because of that. You didn't have enough of the puzzle pieces." Few other fields, especially in the world of medicine, demand that its professionals tolerate working in a feedback-free environment. What if a chef never tasted a final dish? What if a teacher wasn't allowed to grade tests? Would a lawyer be okay with never hearing a verdict? "If you don't know if you're bettering patients," Kaczmarek said, "how do you keep coming to work?"

Read: 'They just feel that they've been violated'

Some don't. Emergency medics routinely struggle with high rates of burnout and job dissatisfaction, as well as PTSD and other mental illnesses. They are regularly bitten, punched, or otherwise assaulted by their patients, enduring a rate of occupational violence that is about 22 times higher than the average for all other U.S. workers. Altogether, the low pay, the absence of performance feedback, and the chronic mental

H.1.c

and emotional toll "sends the message that no one cares about you and your work," Crowe said.

The treatment of emergency medics as chauffeurs and not clinicians—as a profession of nonprofessionals—means that not enough Americans choose this career. While nurses and doctors generally stick around in the field for decades, the average age for an emergency medic is just 34, and about 80 percent leave the job after seven years or less. This affects the quality of medical care provided: Data suggest that more experienced EMS clinicians save more patients and lead to better health outcomes. Retention issues in EMS are so widespread that some states and counties are plagued by staffing shortages and, in turn, delayed emergency care. "In many places the turnover in this workforce is very high," Sayre says. "People accumulate these mental injuries that don't heal, and they don't work in the field long enough to become truly excellent."

As emergency medics continue to be undervalued, their work has never been more valuable. We needed them, and badly, during the pandemic, as 911 call volumes skyrocketed. We need them to respond to the urgent health needs of the country's growing population of elderly people, who are more likely than in the past to suffer from several chronic conditions and take a dozen-plus prescriptions. We need them on the scene of mass shootings and drug overdoses. We need them as our planet continues to warm, leading to natural disasters, bouts of extreme weather, and infrastructure collapses. America's health-care system ignores emergency medics at its own risk—and all of ours.

RESOLUTION NO. 2021-___

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA, RELATING TO THE PROVISION OF UTILITY AVAILABILITY SERVICES IN THE UNINCORPORATED AREA OF THE COUNTY; PROVIDING AUTHORITY AND DEFINITIONS; CONFIRMING THE INITIAL ASSESSMENT RESOLUTION; APPROVING THE UTILITY AVAILABILITY ASSESSMENT ROLL; PROVIDING FOR THE IMPOSITION OF THE ASSESSMENTS; PROVIDING FOR COLLECTION OF THE ASSESSMENTS PURSUANT TO THE UNIFORM ASSESSMENT COLLECTION ACT; PROVIDING FOR THE EFFECT OF THIS RESOLUTION; PROVIDING SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Citrus County (the "Board") adopted the Assessment Ordinance, which is codified in Chapter 86 of the Citrus County Code of Ordinances, to provide for the imposition of special assessments to fund the provision of services which benefit property within Assessment Areas; and

WHEREAS, the Board adopted the Utility Ordinance, which is codified in Chapter 102 of the Citrus County Code of Ordinances, to provide for imposition of Availability Charge, which may be collected as an annual special assessment pursuant to the Assessment Ordinance; and

WHEREAS, on July 13, 2021, the Board adopted Resolution No. 2021-059 (the "Initial Assessment Resolution") describing the method of assessing the Utility Availability Service Cost against the real property that will be specially benefited thereby, and directing preparation of the Utility Availability Assessment Roll and the provision of the notices required by the Ordinance; and

WHEREAS, pursuant to the provisions of the Ordinance, the Board is required to confirm or repeal the Initial Assessment Resolution with such amendments as the Board

deems appropriate after hearing comments and receiving objections of all interested parties; and

WHEREAS, the Utility Availability Assessment Roll has been filed with the County Manager, as required by the Ordinance; and

WHEREAS, as required by the Ordinance, notice of a public hearing has been published and mailed to each property owner proposed to be assessed notifying such property owner of the opportunity to be heard concerning the assessments; the proof of publication and an affidavit of mailing are attached hereto as Appendices A and B respectively; and

WHEREAS, a public hearing has been duly held on August 24, 2021 and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA:

SECTION 1. AUTHORITY. This Final Assessment Resolution is adopted pursuant to the Assessment Ordinance, the Utility Ordinance, the Initial Assessment Resolution, Article VIII, Section 1, Florida Constitution, section 125.01, Florida Statutes, and other applicable provisions of law.

SECTION 2. DEFINITIONS.

(A) This Resolution is the Final Assessment Resolution as defined in the Ordinance.

Attachment: 5c Supporting Docs FAR_2021 (17192 : 2:00 P.M. Public Hearing Proposed Utility Availability Assessments for Fiscal Year 2021-

(B) All capitalized terms in this Final Assessment Resolution shall have the meanings defined in the Assessment Ordinance, the Utility Ordinance, and the Initial Assessment Resolution.

SECTION 3. CONFIRMATION OF INITIAL ASSESSMENT RESOLUTION. The Initial Assessment Resolution is hereby ratified and confirmed.

SECTION 4. APPROVAL OF ASSESSMENT ROLL. The Utility Availability Assessment Roll, which is currently on file in the office of the County Manager, is hereby approved.

SECTION 5. IMPOSITION OF ASSESSMENTS TO FUND UTILITY AVAILABILITY SERVICES.

(A) The Tax Parcels described in the Utility Availability Assessment Roll are hereby found to be specially benefited by the provision of the utility availability services, facilities, and programs in the amount of the annual Assessment set forth in the Utility Availability Assessment Roll. Additionally, the Assessment Roll, as approved, includes those Tax Parcels of Assessed Property that cannot be set forth in that Assessment Roll due to the provisions of Chapter 2019-12, Laws of Florida, concerning exempt “home addresses” under Section 119.071(d), Florida Statutes.

(B) For the Fiscal Year commencing October 1, 2021, the Water Availability Service Cost is $582,448.68. The maximum annual assessment is $21.77 per ERP for potable water Utility Availability Services.

(C) For the Fiscal Year commencing October 1, 2021, the Wastewater Availability Service Cost is $158,105.52. The maximum annual assessment is $29.51 per ERP for Wastewater Utility Availability Services.

Attachment: 5c Supporting Docs FAR_2021 (17192 : 2:00 P.M. Public Hearing Proposed Utility Availability Assessments for Fiscal Year 2021-

(D) The methodology set forth in Sections of the Initial Assessment Resolution for assignment of ERPs and 2.04 of the Initial Assessment Resolution for computing the annual Assessments is hereby approved and found to be a fair and reasonable method of apportioning the Utility Availability Service Costs among the benefited properties.

(E) The annual Assessments computed in the manner set forth in the Initial Assessment Resolution are hereby levied and imposed on all Tax Parcels described in the Utility Availability Assessment Roll for the Fiscal Year commencing October 1, 2021. Additionally, even though they may not be shown in the Utility Availability Assessment Roll due to the provisions of Chapter 2019-12, Laws of Florida, Assessments are hereby levied and imposed on all Tax Parcels of Assessed Property with exempt "home addresses" pursuant to Section 119.071(d), Florida Statutes.

(F) Upon adoption of this Final Assessment Resolution, the Assessments shall constitute a lien against the assessed property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles, and claims until paid. The lien shall be deemed perfected upon adoption by the Board of this Final Assessment Resolution and shall attach to the property included on the Utility Availability Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

SECTION 6. COLLECTION OF ASSESSMENTS.

(A) The Assessments shall be collected pursuant to the Uniform Assessment Collection Act.

Attachment: 5c Supporting Docs FAR_2021 (17192 : 2:00 P.M. Public Hearing Proposed Utility Availability Assessments for Fiscal Year 2021-

(B) Upon adoption of this Final Assessment Resolution, the County Manager shall cause the certification and delivery of the Utility Availability Assessment Roll to the Tax Collector by September 15, in the manner prescribed by the Uniform Assessment Collection Act.

(C) The Utility Availability Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

SECTION 7. EFFECT OF FINAL RESOLUTION. The adoption of this Final Assessment Resolution shall be the final adjudication of the issues presented herein and in the Initial Assessment Resolution (including, but not limited to, the method by which the Assessments are computed, the Utility Availability Assessment Roll, the terms for prepayment of the Assessments, the levy and lien of the Assessments, and the special benefit to assessed property) unless proper steps are initiated in a court of competent jurisdiction to secure relief within 20 days from the date of the Board action on this Final Assessment Resolution.

SECTION 8. SEVERABILITY. If any clause, section or provision of this Resolution shall be declared unconstitutional or invalid for any reason or cause, the remaining portion of said Resolution shall remain in full force and effect and be valid as if such invalid portion thereof had not been incorporated herein.

Attachment: 5c Supporting Docs FAR_2021 (17192 : 2:00 P.M. Public Hearing Proposed Utility Availability Assessments for Fiscal Year 2021-

SECTION 9. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF UTILITY AVAILABILITY SPECIAL ASSESSMENTS

Notice is hereby given that the Board of County Commissioners of Citrus County, Florida will conduct a public hearing to consider the imposition of utility availability special assessments for the provision of water and wastewater utility availability services for the Fiscal Year beginning October 1, 2021 and future fiscal years within the unincorporated areas of Citrus County. The hearing will be held at **2:00 p.m.** on **August 24, 2021,** in Room 100 of the Citrus County Courthouse, 110 North Apopka Avenue, Inverness, Florida, for the purpose of receiving public comment on the proposed assessments.

All affected property owners have a right to appear at the hearing and to file written objections with the County within 20 days of this notice. All written objections to the non-ad valorem assessments must be filed with the Board of County Commissioners within twenty (20) days of this notice. Please include your name, parcel number, and the reason you object to the assessment on all written objections. Address all written objections as follows: Citrus County BOCC, Attn: Land Section, 3600 W. Sovereign Path, Suite 205, Lecanto, Florida 34461. If a person decides to appeal any decision made by the Board of County Commissioners with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the County Administrator's office, 3600 W. Sovereign Path, Suite 267, Lecanto, Florida 34461, (352) 527-5210, at least two days before the meeting. If you are hearing or speech impaired, dial 7-1-1, 1-800-955-8771 (TTY) or 1-800-955-8770 (v), via Florida Relay Service. If you need a Spanish Translator, please make arrangements with the County by telephone within two days of the publication notice at (352) 527-5370.

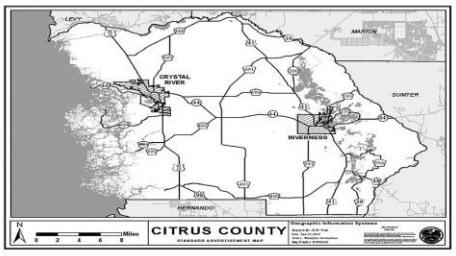

Si necesita un traductor de español por favor haga arreglos con el Condado dentro de los dos dias de la notificatión de la publicación a 352-527-5370.

The assessment for each parcel of property will be based the total number of ERPs attributed to that parcel. ERPs for improved property are assigned based on the property's existing development, as determined by the Property Appraiser's assigned land use codes, and the property's likely meter size and meter maximum flow rates. ERPs for vacant property are assigned based on a combination of the property's front footage abutting the available utility lines and the property's land area to which service is available. The annual assessment will include each Tax Parcel's share of the service cost, plus administrative and collection costs. The maximum annual assessment is estimated to be $21.77 per ERP for water and $29.51 per ERP for wastewater.

Copies of the Master Service Assessment Ordinance, Chapter 86 of the Citrus County Code of Ordinances, the Initial Assessment Resolution, and the preliminary Utility Availability Assessment Roll are available for inspection at the Board of County Commissioner's Administrative Office, Room 232, located at the Citrus County Courthouse, 110 North Apopka Avenue, Inverness, Florida. between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday.

The assessments will be collected on the ad valorem tax bill to be mailed in November 2021, as authorized by section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title.

If you have any questions, please contact Citrus County Land Section at (352) 527-5458, Monday through Friday between 8:30 a.m. and 4:30 p.m.

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, personally appeared Charles R. Oliver, who, after being duly sworn, deposes and says:

1. Charles R. Oliver, as County Manager of Citrus County, Florida, (the "County") pursuant to the authority and direction received from the Board of County Commissioners of Citrus County, Florida, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with Chapter 86 of the Citrus County Code and in conformance with the Initial Assessment Resolution for the 2021 Utility Availability Assessments, Resolution No. 2021-059 adopted by the Board on July 13, 2021.

2. In accordance with Chapter 86 of the Citrus County Code, Mr. Oliver has caused the notices required by Section 86-39 of the Ordinance to be prepared in conformance with the Initial Assessment Resolution and sent to such affected property owners. Each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the County expects to collect by the assessment; a statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title; a statement that all affected property owners have a right to appear at the hearing and to file written objections with the local governing board within 20 days of the notice; and the date, time, and place of the hearing.

3. On or before August 3, 2021, Mr. Oliver directed the mailing of the above-referenced notices in accordance with Section 86-39 of the Ordinance and the Initial Assessment Resolution by First Class Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Citrus County Property Appraiser for the purpose of the collection of ad valorem taxes.

CITRUS COUNTY, FLORIDA

RESOLUTION NO. 2021-___

A RESOLUTION OF CITRUS COUNTY, FLORIDA, RELATING TO THE PROVISION OF FIRE PROTECTION SERVICES, FACILITIES AND PROGRAMS IN THE CITRUS COUNTY MUNICIPAL SERVICE BENEFIT UNIT FOR FIRE PROTECTION SERVICES; ESTABLISHING THE RATE OF ASSESSMENT; REIMPOSING FIRE PROTECTION ASSESSMENTS AGAINST ASSESSED PROPERTY LOCATED WITHIN THE CITRUS COUNTY MUNICIPAL SERVICE BENEFIT UNIT FOR FIRE PROTECTION SERVICES; APPROVING THE ASSESSMENT ROLL; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Citrus County, Florida, (the "Board") has enacted the Master Service Assessment Ordinance, Ordinance No. 2013-03, which is codified in Chapter 86 of the Citrus County Code of Ordinances (the "Ordinance"), which authorizes the imposition of Service Assessments for fire protection services, facilities, and programs against Assessed Property located within the Citrus County Municipal Service Benefit Unit for Fire Protection Services, consisting of the entire unincorporated area of Citrus County (the “MSBU”); and

WHEREAS, the imposition of a Fire Protection Assessment for fire protection services, facilities, and programs each Fiscal Year is an equitable and efficient method of allocating and apportioning Fire Protection Assessed Costs among parcels of Assessed Property; and

WHEREAS, the Board desires to reimpose the Fire Protection Assessment program within the MSBU, as established in Resolution No. 2013-115, using the tax bill collection method for the Fiscal Year beginning on October 1, 2021; and

WHEREAS, the Board adopted Resolution No. 2021-060 on July 13, 2021 (the "Preliminary Rate Resolution"), containing a brief and general description of the fire protection facilities and services to be provided to Assessed Property, describing the method of apportioning the Fire Protection Assessed Cost to compute the Fire Protection Assessment for fire protection services, facilities, and programs against Assessed Property, estimating a rate of assessment, and directing preparation of the Assessment Roll and provision of the notice required by the Ordinance; and

WHEREAS, pursuant to the provisions of the Ordinance, the County is required to confirm or repeal the Preliminary Rate Resolution, with such amendments as the Board deems appropriate, after hearing comments and objections of all interested parties; and

WHEREAS, the Assessment Roll has heretofore been made available for inspection by the public, as required by the Ordinance; and

WHEREAS, notice of a public hearing has been published and, as required by the terms of the Ordinance, mailed to each property owner proposed to be assessed notifying such property owner of the Owner's opportunity to be heard, an affidavit regarding the form of notice mailed to each property owner being attached hereto as Appendix A and the proof of publication being attached hereto as Appendix B; and

WHEREAS, a public hearing was held on August 24, 2021, and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA:

Attachment: 5d Supporting Documents - Fire FRR (17189 : 2:05 pm Public Hearing to adopt the Annual Rate Resolution for Fire Protection

SECTION 1. AUTHORITY. This Resolution is adopted pursuant to the provisions of the Master Service Assessment Ordinance, Ordinance No. 2013-03, which is codified in Chapter 86 of the Citrus County Code of Ordinances (the "Ordinance"), the Initial Assessment Resolution (Resolution No. 2013-085), the Final Assessment Resolution (Resolution No. 2013-115), the Preliminary Rate Resolution (Resolution No. 2021-060), Article VIII, Section 1, Florida Constitution, sections 125.01 and 125.66, Florida Statutes, and other applicable provisions of law.

SECTION 2. DEFINITIONS AND INTERPRETATION. This resolution constitutes the Annual Rate Resolution as defined in the Ordinance. All capitalized words and terms not otherwise defined herein shall have the meanings set forth in the Ordinance, the Initial Assessment Resolution, the Final Assessment Resolution, and the Preliminary Rate Resolution.

SECTION 3. REIMPOSITION OF FIRE PROTECTION ASSESSMENTS.

(A) The parcels of Assessed Property described in the updated Assessment Roll which is hereby approved, are hereby found to be specially benefited by the provision of the fire protection services, facilities, and programs described in the Preliminary Rate Resolution in the amount of the Fire Protection Assessment set forth in the updated Assessment Roll, a copy of which was present or available for inspection at the above-referenced public hearing and is incorporated herein by reference.

(B) It is hereby ascertained, determined and declared that each parcel of Assessed Property within the MSBU will be specially benefited by the County's provision of fire protection services, facilities, and programs in an amount not less than the Fire

Attachment: 5d Supporting Documents - Fire FRR (17189 : 2:05 pm Public Hearing to adopt the Annual Rate Resolution for Fire Protection

Protection Assessment for such parcel, computed in the manner set forth in the Preliminary Rate Resolution.

(C) Adoption of this Annual Rate Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance and the Preliminary Rate Resolution from the fire protection services, facilities, or programs to be provided and a legislative determination that the Fire Protection Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Preliminary Rate Resolution.

(D) The method for computing Fire Protection Assessments described or referenced in the Preliminary Rate Resolution is hereby approved. The Cost and Parcel Apportionment methodologies described in Sections 6 and 7 of the Preliminary Rate Resolution are hereby approved.

(E) For the Fiscal Year beginning October 1, 2021, the estimated Fire Protection Assessed Cost to be assessed is $6,976,634.54. The Fire Protection Assessments to be assessed and apportioned among benefitted parcels pursuant to the Cost Apportionment and Parcel Apportionment to generate the estimated Fire Protection Assessed Cost for the Fiscal Year commencing October 1, 2021, are hereby established as follows:

(G) The above rates of assessment are hereby approved. The Fire Protection Assessments for fire protection services, facilities, and programs in the amounts set forth in the updated Assessment Roll, as herein approved, are hereby levied and imposed on all parcels of Assessed Property described in the Assessment Roll for the Fiscal Year beginning October 1, 2021. Additionally, even though not included in the Assessment Roll

Attachment: 5d Supporting Documents - Fire FRR (17189 : 2:05 pm Public Hearing to adopt the Annual Rate Resolution for Fire Protection

due to the provisions of Chapter 2019-12, Laws of Florida, Fire Protection Assessments are hereby levied and imposed on all Tax Parcels of Assessed Property with exempt "home addresses" pursuant to Section 119.071(d), Florida Statutes.

(H) No Fire Protection Assessment shall be imposed upon a Tax Parcel of Government Property nor upon a Building located on a parcel of Institutional Property whose Building use is wholly or partially exempt from ad valorem taxation under Florida law; however, Government Property that is owned by federal mortgage entities, such as VA and HUD, shall not be exempted from the Fire Protection Assessment. Any shortfall in the expected Fire Protection Assessment proceeds due to any reduction or exemption from payment of the Fire Protection Assessments required by law or authorized by the Board shall be supplemented by any legally available funds, or combination of such funds, and shall not be paid for by proceeds or funds derived from the Fire Protection Assessments.

(I) As authorized in the Ordinance, interim Fire Protection Assessments are also levied and imposed against all property for which a Certificate of Occupancy is issued after adoption of this Annual Rate Resolution based upon the rates of assessment approved herein.

(J) Fire Protection Assessments shall constitute a lien upon the Assessed Property so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid.

(K) The Assessment Roll as herein approved together with the correction of any errors or omissions as provided for in the Ordinance, shall be delivered to the Tax Collector for collection using the tax bill collection method in the manner prescribed by the

Ordinance. Additionally, the Assessment Roll, as approved, includes those Tax Parcels of Assessed Property that cannot be set forth in that Assessment Roll due to the provisions of Chapter 2019-12, Laws of Florida, concerning exempt "home addresses" under Section 119.071(d), Florida Statutes.

(L) The Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C. The Property Appraiser and Tax Collector shall apply the Fire Protection Assessment rates approved herein to any Tax Parcels of Assessed Property with exempt "home addresses" pursuant to Section 119.071(d), Florida Statutes.

SECTION 4. CONFIRMATION OF PRELIMINARY RATE RESOLUTION. The Preliminary Rate Resolution is hereby confirmed.

SECTION 5. EFFECT OF ADOPTION OF RESOLUTION. The adoption of this Annual Rate Resolution shall be the final adjudication of the issues presented (including, but not limited to, the determination of special benefit and fair apportionment to the Assessed Property, the method of apportionment and assessment, the rate of assessment, the Assessment Roll and the levy and lien of the Fire Protection Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of this Annual Rate Resolution.

SECTION 6. SEVERABILITY. If any clause, section or other part of this resolution shall be held by any court of competent jurisdiction to be unconstitutional or invalid, such unconstitutional or invalid part shall be considered as eliminated and in no way affecting the validity of the other provisions of this resolution.

(C) Upon adoption of this Annual Rate Resolution, the Assessments shall constitute a lien against the assessed property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles, and claims until paid. The lien shall be deemed perfected upon adoption by the Board of this Annual Rate Resolution and shall attach to the property included on the Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

SECTION 6. COLLECTION OF ASSESSMENTS. The Assessments shall be collected pursuant to the Uniform Assessment Collection Act. Upon adoption of this Annual Rate Resolution, the County Manager shall cause the certification and delivery of the Assessment Roll to the Tax Collector by September 15, in the manner prescribed by the Uniform Assessment Collection Act. The Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

SECTION 7. EFFECT OF ANNUAL RATE RESOLUTION. The adoption of this Annual Rate Resolution shall be the final adjudication of the issues presented herein and in the Preliminary Rate Resolution (including, but not limited to, the method by which the assessments are computed, the Assessment Roll, the annual assessment amount, the levy and lien of the assessments, and the special benefit to assessed property), unless proper steps are initiated in a court of competent jurisdiction to secure relief within 20 days from the date of the Board action on this Annual Rate Resolution.

SECTION 8. SEVERABILITY. If any clause, section or provision of this Resolution shall be declared unconstitutional or invalid for any reason or cause, the remaining portion of said Resolution shall remain in full force and effect and be valid as if such invalid portion thereof had not been incorporated herein.

SECTION 9. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, personally appeared Charles R. Oliver, who, after being duly sworn, deposes and says:

1. Charles R. Oliver, as County Administrator of Citrus County, Florida, (the "County") pursuant to the authority and direction received from the Board of County Commissioners of Citrus County, Florida, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with Chapter 86 and 90 of the Citrus County Code (the "Code") and in conformance with the Preliminary Rate Resolution for the Non-Ad Valorem Assessment adopted by the Board on July 13, 2021 (the "Preliminary Rate Resolution").

2. Mr. Oliver has directed that the notices required by the Code be prepared in conformance with the Preliminary Rate Resolution. An exemplary form of such notice is attached hereto. Mr. Oliver has directed that such individual notices for each affected property owner to be prepared and each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the County expects to collect by the assessment; a statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title; a statement that all affected property owners have a right to appear at the hearing and to file written objections with the local governing board within 20 days of the notice; and the date, time, and place of the hearing.

3. On or before August 3, 2021, Mr. Oliver or his designee delivered and directed the mailing of the above-referenced notices in accordance with the Code and the Preliminary Rate Resolution by First Class Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Citrus County Property Appraiser for the purpose of the levy and collection of ad valorem taxes.

FURTHER AFFIANT SAYETH NOT.

In «ORIGINATION_YR», the Board of County Commissioners of Citrus County created the «MSBU_NAME» Municipal Service Benefit Unit (the "MSBU") for the provision and funding of «DIST_TYPE» services. The provision of these services is funded by an annual «DIST_TYPE» assessment imposed against all benefited property within the MSBU. Accordingly, pursuant to section 197.3632, Florida Statutes, notice is hereby given that the Board of County Commissioners of Citrus County, which may be sitting as the governing body of the MSBU, will consider the continued imposition of an annual «DIST_TYPE» assessment for «DIST_TYPE» services using the tax bill collection method which may be levied on your property for the fiscal year beginning October 1, 2021 and future fiscal years. The use of the annual «DIST_TYPE» assessment to fund «DIST_TYPE» services benefiting property located within the MSBU is a fair, efficient and effective method of funding these essential public services.

The annual «DIST_TYPE» assessment is based on the number of «assmnt_unit_type»s attributed to each tax parcel of property. The annual «DIST_TYPE» assessment will include each tax parcel's share of the annual «DIST_TYPE» costs, administrative costs, and collection costs. The maximum annual «DIST_TYPE» assessment is estimated to be «BASE_ASMNT» per «ASSMNT_UNIT_TYPE». The total annual assessment revenue to be collected within the MSBU for the Fiscal Year beginning October 1, 2021, is estimated to be «TOTAL_COLLECTED». Information regarding the assessment for the tax parcel identified above is provided below:

The total number of «ASSMNT_UNIT_TYPE»s on the above tax parcel is «SPUNITNBR».

The maximum annual «DIST_TYPE» assessment for the above tax parcel for the fiscal year commencing on October 1, 2021 and future fiscal years is «SPDISTAMT».

A more specific description of the «DIST_TYPE» services and the method of computing the assessment for each parcel of property are set forth in Chapter 86 and Chapter 90 of the Citrus County Code of Ordinances and the County's existing rate resolution for the MSBU. Copies of these documents and the preliminary Annual «Dist_Type» Assessment Roll for the upcoming fiscal year are available for inspection at the Board of County Commissioners'

Administrative Office, Room 232, located at the Citrus County Courthouse, 110 North Apopka Avenue, Inverness, Florida, and the Land Section Office, located at 3600 W. Sovereign Path, Suite 205, Lecanto, Florida, between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday.

A public hearing will be held at 2:10 p.m., or as soon thereafter as the matter can be heard, on August 24, 2021, in Room 100 of the Citrus County Courthouse, 110 North Apopka Avenue, Inverness, Florida, for the purpose of receiving public comment on the proposed annual «DIST_TYPE» assessments and their collection on the ad valorem tax bill. All affected property owners have a right to appear at the hearing and to file written objections with the Board within 20 days of this notice. All comments should be addressed to the Clerk of the Board of County Commissioners, 110 North Apopka Avenue, Inverness, Florida 34450.

The County intends to include annual assessments on your ad valorem tax bill. Failure to pay your assessments will cause a tax certificate to be issued against the property which may result in a loss of title.

If you decide to appeal any decision made by the Board with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. Any person requiring reasonable accommodation at this meeting because of a disability or physical impairment should contact the County Administrator's Office, 3600 W. CERTIFICATE
TO
NON-AD VALOREM ASSESSMENT ROLL

I HEREBY CERTIFY that, I am the Chairman of the Board of County Commissioners of Citrus County, Florida, or an authorized agent of Citrus County, Florida (the "County"); as such I have satisfied myself that all property included or includable on the non-ad valorem assessment roll for street lighting services, installation and maintenance of neighborhood beautification improvements, the roadway maintenance and improvements, and construction and installation of water and wastewater utility improvements assessments (the "Non-Ad Valorem Assessment Roll") for the County is properly assessed so far as I have been able to ascertain; and that all required extensions on the above described roll to show the non-ad valorem assessments attributable to the property listed therein have been made pursuant to law.

I FURTHER CERTIFY that, in accordance with the Uniform Assessment Collection Act, this certificate and the herein described Non-Ad Valorem Assessment Roll will be delivered to the Citrus County Tax Collector by September 15, 2021.

IN WITNESS WHEREOF, I have subscribed this certificate and directed the same to be delivered to the Citrus County Tax Collector and made part of the above described Non-Ad Valorem Assessment Roll this 24th day of August, 2021.

RESOLUTION NO. _____

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA, RELATING TO THE PROVISION OF PROPERTY ABATEMENT SERVICES; ESTABLISHING THE PROPERTY ABATEMENT COSTS; IMPOSING PROPERTY ABATEMENT ASSESSMENTS AGAINST ASSESSED PROPERTY; APPROVING THE ASSESSMENT ROLL; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Citrus County, Florida, (the "Board") has enacted Chapter 86 of the Citrus County Code of Ordinances (hereinafter referred to as the “Assessment Ordinance”), and Chapters 19 and 20 of the Citrus County Code of Ordinances (hereinafter collectively referred to as the “Property Abatement Ordinance”), which authorizes the imposition of Assessments for property abatement services; and

WHEREAS, the imposition of a Property Abatement Assessment for property abatement services each Fiscal Year is an equitable and efficient method of allocating and collecting Property Abatement Service Costs from the parcels of Assessed Property; and

WHEREAS, the Board desires to impose Property Abatement Assessments using the tax bill collection method for the Fiscal Year beginning on October 1, 2021 and

WHEREAS, the Board adopted Resolution No. 2021-062, on July 13, 2021 (the "Initial Assessment Resolution"), containing a brief and general description of the property abatement services provided to Assessed Property, describing the method of apportioning the Property Abatement Service Cost to compute the Property Abatement Assessment for property abatement services against Assessed Property, estimating a rate of assessment, and directing preparation of the Property Abatement Assessment Roll and provision of the notice required by the Assessment Ordinance; and

Attachment: SupportingDocs (17190 : 2:15 PM Public Hearing Proposed 2021 Property Abatement Assessments)

WHEREAS, pursuant to the provisions of the Assessment Ordinance, the County is required to confirm or repeal the Initial Assessment Resolution, with such amendments as the Board deems appropriate, after hearing comments and objections of all interested parties; and

WHEREAS, the Property Abatement Assessment Roll has heretofore been made available for inspection by the public, as required by the Assessment Ordinance; and

WHEREAS, notice of a public hearing has been published and, as required by the terms of the Assessment Ordinance, mailed to each property owner proposed to be assessed notifying such property owner of the Owner's opportunity to be heard; an affidavit of mailing and the proof of publication are attached hereto as Appendices A and B respectively; and

WHEREAS, a public hearing was held on August 24, 2021, and comments and objections of all interested persons have been heard and considered as required by the terms of the Assessment Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CITRUS COUNTY, FLORIDA:

SECTION 1. AUTHORITY. This resolution is adopted pursuant to the provisions of the Assessment Ordinance, the Property Abatement Ordinance, Resolution No. 2021-062, the Initial Assessment Resolution for Property Abatement Assessments (the "Initial Assessment Resolution"), Article VIII, Section 1, Florida Constitution, section 125.01, Florida Statutes, and other applicable provisions of law.

Attachment: SupportingDocs (17190 : 2:15 PM Public Hearing Proposed 2021 Property Abatement Assessments)

SECTION 2. PURPOSE AND DEFINITIONS.

(A) This resolution constitutes the Final Assessment Resolution for Property Abatement Assessments (the "Final Assessment Resolution") as defined in the Assessment Ordinance.

(B) All capitalized words and terms not otherwise defined herein shall have the meanings set forth in the Assessment Ordinance and the Initial Assessment Resolution.

SECTION 3. IMPOSITION OF PROPERTY ABATEMENT ASSESSMENT.

(A) The parcels of Assessed Property described in the Property Abatement Assessment Roll, which is hereby approved, are hereby found to be specially benefited by the provision of property abatement services described in the Initial Assessment Resolution in the amount of the Property Abatement Assessment set forth in the Property Abatement Assessment Roll, a copy of which was present or available for inspection at the above-referenced public hearing and is incorporated herein by reference. Additionally, the Property Abatement Assessment Roll, as approved, includes those parcels of Assessed Property that cannot be set forth in that Property Abatement Assessment Roll pursuant to Section 119.071(d), Florida Statutes, concerning exempt “home addresses.”

(B) It is hereby ascertained, determined and declared that each parcel of Assessed Property has been specially benefited by the County's provision of property abatement services in an amount not less than the Property Abatement Assessment for such parcel, computed in the manner set forth in the Initial Assessment Resolution.

(C) Adoption of this Final Assessment Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations, and findings as set forth in the Assessment Ordinance and the Initial Assessment Resolution from the property abatement services that

Attachment: SupportingDocs (17190 : 2:15 PM Public Hearing Proposed 2021 Property Abatement Assessments)

were provided and a legislative determination that it is fair and equitable to allocate the Property Abatement Service Cost to property owners based upon the actual, administrative and collection costs incurred by the County in bringing the Tax Parcel into compliance.

(D) The method for computing Property Abatement Assessments described or referenced in the Initial Assessment Resolution is hereby approved.

(E) For the Fiscal Year beginning October 1, 2021, the Property Abatement Assessment for each affected Tax Parcel is hereby established as follows:

AltKey#	PARCEL ID	PROPERTY OWNER	TOTAL
1593875	19E18S14001A 00010 0090	Joseph D. Ambrose Saunders	**$14,102.07**

1007321	16E19S100020 000A0 0130	James Junior Burke	**$4,940.59**
1597901	19E18S140060 00200 0240	Ernest H. Carr	**$7,101.97**
1596084	19E18S140030 00170 0080	David J. Evans	**$4,980.70**
1175119	17E19S360280 0240	Steve & Miranda Gibson	**$5,046.36**
1102031	17E18S34 1A000 0220	Nickole Hite	**$3,342.32**
2328738	18E19S28004A 01190 0030	Troy Leslie Oliver & Jason Ingram	**$6,250.18**
2257164	18E16S330010 00040 0030	Travis Savage	**$7,110.23**
			$61,202.71

(F) The above assessments are hereby approved. The Property Abatement Assessments for property abatement services in the amounts set forth in the Property Abatement Assessment Roll, as herein approved, are hereby levied and imposed on all parcels of Assessed Property described in the Property Abatement Assessment Roll for the Fiscal Year beginning October 1, 2021.

(G) Property Abatement Assessments shall constitute a lien upon the Assessed Property so assessed equal in rank and dignity with the liens of all state, county, district or

Attachment: SupportingDocs (17190 : 2:15 PM Public Hearing Proposed 2021 Property Abatement Assessments)

municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid.

(H) The Property Abatement Assessment Roll as herein approved together with the correction of any errors or omissions as provided for in the Assessment Ordinance shall be delivered to the Tax Collector for collection using the tax bill collection method in the manner prescribed by the Assessment Ordinance. The Property Abatement Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

SECTION 4. CONFIRMATION OF INITIAL ASSESSMENT RESOLUTION. The Initial Assessment Resolution is hereby confirmed.

SECTION 5. EFFECT OF ADOPTION OF RESOLUTION. The adoption of this Final Assessment Resolution shall be the final adjudication of the issues presented (including, but not limited to, the determination of special benefit and fair apportionment to the Assessed Property, the method of apportionment and assessment, the rate of assessment, the Property Abatement Assessment Roll and the levy and lien of the Property Abatement Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of this Final Assessment Resolution.

SECTION 6. SEVERABILITY. If any clause, section or other part of this resolution shall be held by any court of competent jurisdiction to be unconstitutional or invalid, such unconstitutional or invalid part shall be considered as eliminated and in no way affecting the validity of the other provisions of this resolution.

SECTION 7. EFFECTIVE DATE. This Final Assessment Resolution shall take effect immediately upon its passage and adoption.

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, personally appeared Charles R. Oliver, who, after being duly sworn, deposes and says:

1. Charles R. Oliver, as County Administrator of Citrus County, Florida, (the "County") pursuant to the authority and direction received from the Board of County Commissioners of Citrus County, Florida, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with Chapter 86 of the Citrus County Code and in conformance with the Initial Assessment Resolution for Property Abatement Assessments adopted by the Board on July 13, 2021 (the "Initial Assessment Resolution"). The Initial Assessment Resolution directed and authorized notice by First Class Mail to all affected property owners if required by Section 86-42(f) of the Citrus County Code.

2. Mr. Oliver has directed that the notices required by Section 86-39 of the Code to be prepared in conformance with the Initial Assessment Resolution. An exemplary form of such notice is attached hereto. Mr. Oliver has directed that such individual notices for each affected property owner to be prepared and each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the County expects to collect by the assessment; a statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title; a statement that all affected property owners have a right to appear at the hearing and to file written objections with the local governing board within 20 days of the notice; and the date, time, and place of the hearing.

Attachment: SupportingDocs (17190 : 2:15 PM Public Hearing Proposed 2021 Property Abatement Assessments)

3. On or before August 3, 2021, Mr. Oliver or his designee delivered and directed the mailing of the above-referenced notices in accordance with Section 86-39 of the Code and the Initial Assessment Resolution by First Class Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Citrus County Property Appraiser for the purpose of the levy and collection of ad valorem taxes.

4. For Tax Parcels with exempt "home addresses" pursuant to Section 119.071(d), Florida Statutes, the County Administrator worked with the Property Appraiser and/or Tax Collector for provision of notice.

FURTHER AFFIANT SAYETH NOT.

1 INTRODUCTION

In 2016, the Florida Legislature identified 33 Outstanding Florida Springs (OFSs) in the Florida Springs and Aquifer Protection Act. The Act requires additional protection to ensure the springs' conservation and restoration for future generations. These protection measures are included in the Basin Management Action Plans (BMAPs), which were developed in response to the Total Maximum Daily Load (TMDL) requirements for each springs group. In 2018, the Florida Department of Environmental Protection (FDEP) approved the Homosassa and Chassahowitzka Group BMAP. This document provides a road map to address the nutrient-reduction plans for protection of these natural treasures.

Pollutants from septic tanks around the state have been studied and evaluated. FDEP has determined that Nitrogen and Phosphorus discharges from septic tanks are contributing to the pollutants in water bodies adjacent to the septic tanks. Citrus County is committed to taking the necessary steps to reduce the pollution threat to the estuary.

Jones Edmunds prepared this Facility Plan to evaluate options for constructing a sewer collection system and removing the septic tanks in the Old West Homosassa neighborhood in terms of cost, reliability, and constructability.

2 BACKGROUND

2.1 OLD HOMOSASSA SEPTIC TANK PHASE-OUT PLAN

Homosassa Springs and the Homosassa River are in west Citrus County, approximately 1 mile west of Homosassa Springs and parallel to US Highway 19. The Homosassa River originates in the Homosassa Main Springs Pool, starting from the Ellie Schiller Homosassa Springs Wildlife State Park, and extends 8 miles until it reaches the Gulf of Mexico. Eight springs that comprise the Homosassa Springs Group are the source waters for the Homosassa River. The Homosassa Springs Group is included in the Florida Springs and Aquifer Protection Act, which provides for the protection and restoration of the OFS. FDEP has identified the water quality of the OFSs as impaired with Nitrate-Nitrogen as a primary pollutant. The Nitrogen has produced an excessive growth of algae, causing adverse effects to the flora and fauna of the Springs.

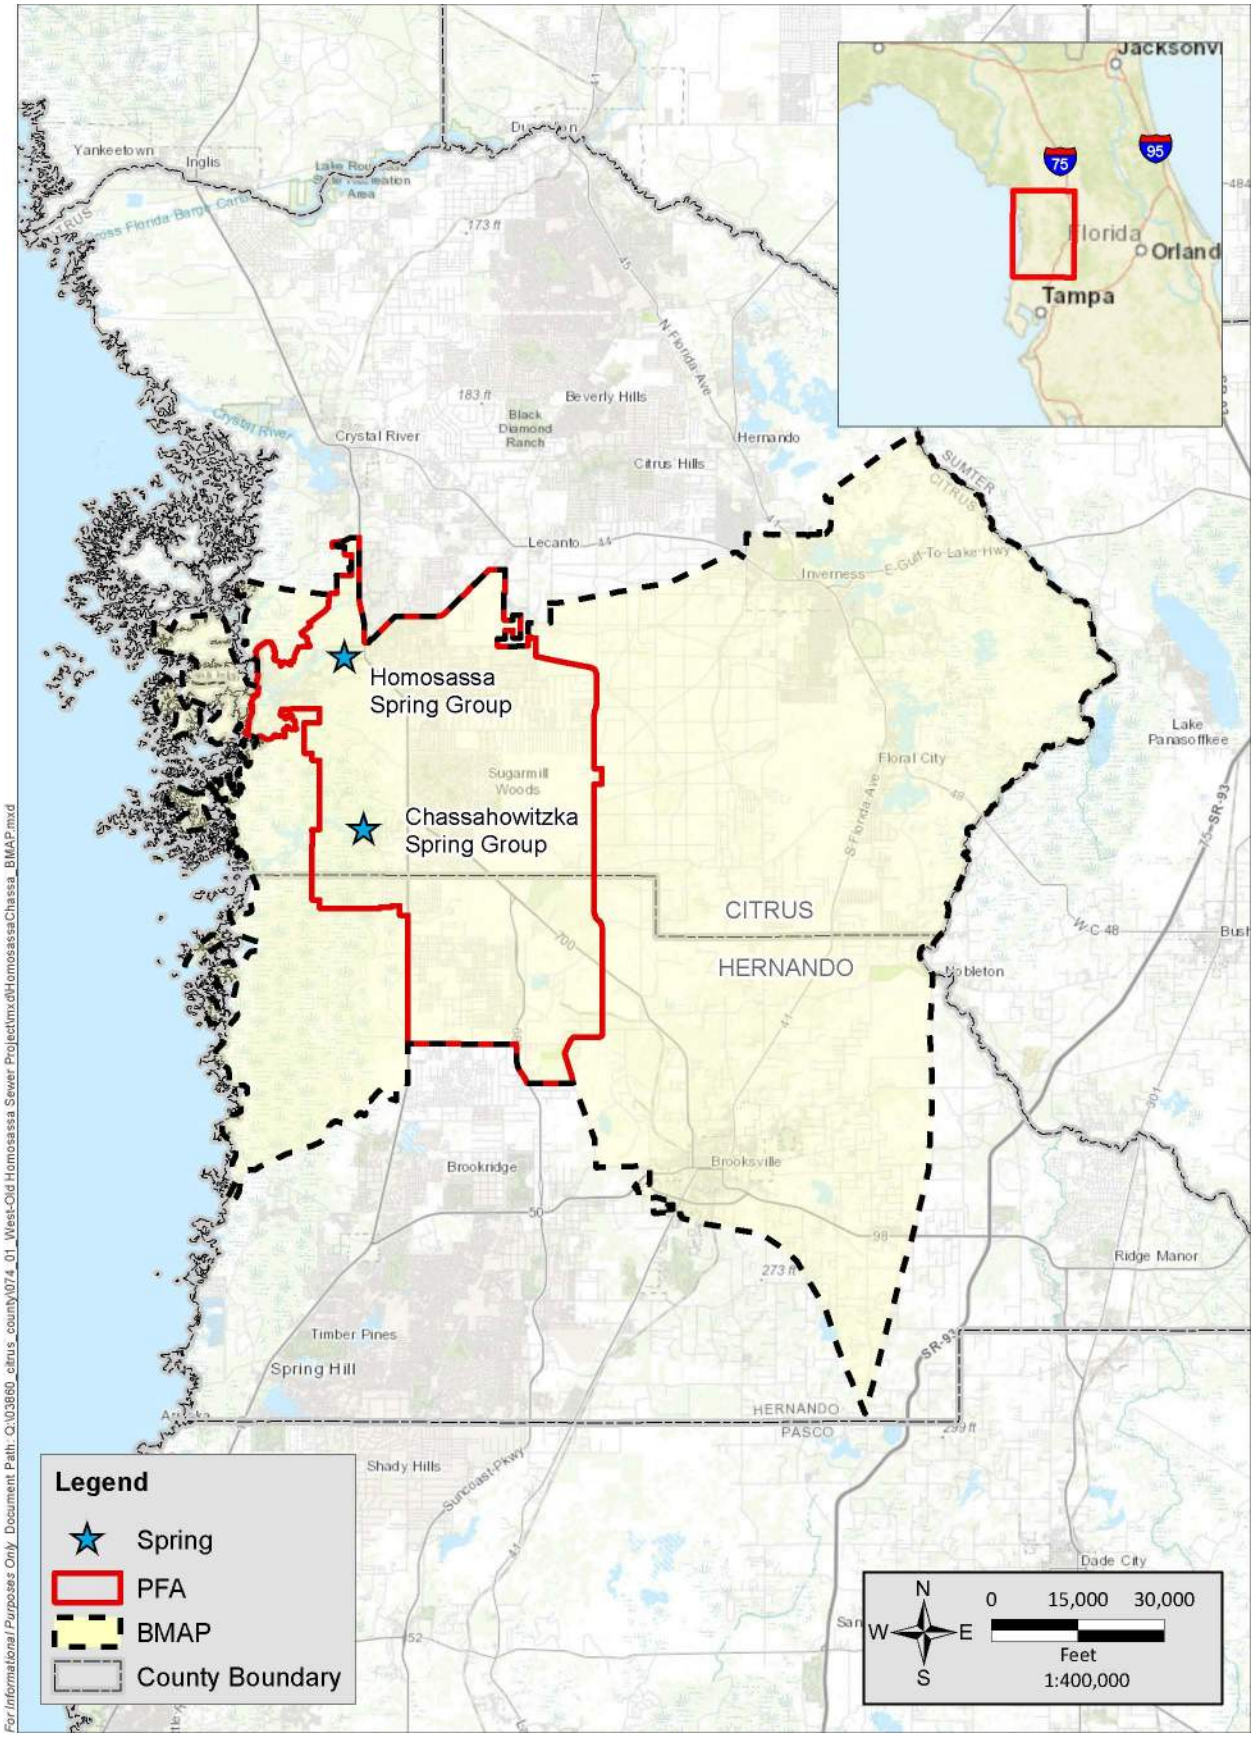

The Priority Focus Area (PFA) is within the Homosassa River BMAP area. According to the Homosassa and Chassahowitzka Springs Groups BMAP Order from the State of Florida (2018), the PFA is defined as the area of the basin where the Floridan aquifer is most vulnerable to pollutant inputs and a known connectivity exists between groundwater pathways and the Springs. The PFA (77,732 acres) partially consists of the west part of the Homosassa Springshed (36,961 acres), which contains the Homosassa Springs Group. Figure 2-1 shows the PFA and the Homosassa and Chassahowitzka Springs Groups.

As stated in the *Homosassa River Surface Water Improvement and Management Plan* (Southwest Florida Water Management District, 2017), achieving the TMDL of the Homosassa Springs Group will require reductions in Nitrate concentrations ranging from 63 to 76 percent. FDEP has adopted a monthly average Nitrate target of 0.23 milligram per liter (mg/L) as the TMDL. FDEP has also developed a Nitrogen Source Inventory Loading Tool (NSILT) to identify major sources of Nitrogen and estimate their loads to groundwater within the Homosassa River BMAP area. The tool provides estimates of the relative contribution of Nitrogen from major sources, while considering the processes affecting the various forms of Nitrogen as they move from the land surface through soil and geologic strata into the groundwater.

The BMAP report lists the major sources of Nitrogen loading for the Homosassa Springshed as:

- On-site sewage treatment and disposal systems (OSTDSs) or septic tanks.
- Urban turfgrass fertilizer.
- Atmospheric deposition.
- Farm fertilizer.
- Sports turfgrass fertilizer.
- Livestock waste.
- Wastewater treatment facility effluent.

Figure 2-1 PFA as Defined in the BMAP (2017)

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

The septic tanks alone contribute 16 percent of the overall Nitrogen loading to the Homosassa River in the BMAP area and 24 percent in the PFA. The County is committed to providing the residents of Old Homosassa with reliable, environmentally safe wastewater disposal to aid in preventing groundwater and surface water contamination via Nitrate-Nitrogen and to achieve the required TMDL. In support of this goal, the County prepared a Septic Tanks Phase-Out (STPO) Plan for the Old Homosassa area that identifies nine project areas along the Homosassa River that currently have septic tanks. Jones Edmunds is assisting the County by evaluating and studying these areas for connection to a centralized wastewater system. These nine areas are part of the OSTDS Remediation Plan adopted in the Homosassa/Chassahowitzka BMAP. Several funding sources are available to support the County in constructing these projects.

The nine project areas in Old Homosassa comprise 2,295 lots; approximately 1,137 (49.5 percent) of the lots are improved lots containing residential and commercial buildings with septic tanks. The remaining 1,158 lots are classified as unimproved lots, which will be included in the analysis as a future scenario. Figure 2-2 presents a map of the areas included in the study.

Table 2-1 lists the nine project areas contained in the County's STPO Plan for Old Homosassa, along with the total improved lots and the scheduled year to be connected to the sewer system. According to the schedule, the areas will be connected to the sewer system in a rate of one per year, starting in 2021.

2.2 PROJECT SITE ASSESSMENT

The Homosassa Springs STPO Plan will provide a new wastewater collection system to nine areas in the Homosassa Springs vicinity. The construction will be through nine independent projects. The main purpose is to eliminate the discharge of nutrients and other septic tank pollutants from entering the groundwater and seeping into the Homosassa River.

2.3 EXISTING WASTEWATER INFRASTRUCTURE

Figure 2-3 shows the existing wastewater collection system in the Old Homosassa area into which the new sewer system will connect. The County's existing wastewater collection system is a combination of gravity sewer mains and force mains ranging from 2 inches to 24 inches diameter. The collected flows will be pumped via 19 public and private lift stations to the Southwest Regional Water Reclamation Facility (SWRWRF).

The Old Homosassa area is primarily served by three master lift stations, RH-11 and MC-21. RH-11 is in the immediate vicinity of the Downtown West project area; it collects wastewater from five upstream lift stations and has a small gravity collection system. RH-11 pumps west through an 8-inch force main and manifolds with several smaller public and private lift stations before discharging into MC-21. MC-21 pumps south along US Highway 19 through an 8-inch force main to another master lift station, CZ-11. CZ-11 was recently upgraded by the County, including the 12-inch force main along US 19 and County Road (CR) 480.

All wastewater flows from the Homosassa and Sugarmill Woods collection areas ultimately flow through a 24-inch influent force main to the newly expanded SWRWRF. The SWRWRF has a permitted capacity of 1.5-million gallons per day (MGD) annual average daily flow (AADF) and receives an average of 0.679-MGD AADF as stated in the monthly operating records (MORs) from August 2019 to July 2020. The SWRWRF is a newly expanded Type I facility operated to achieve secondary treatment with high-level disinfection. The following summarizes the major unit processes included with the recent SWRWRF expansion:

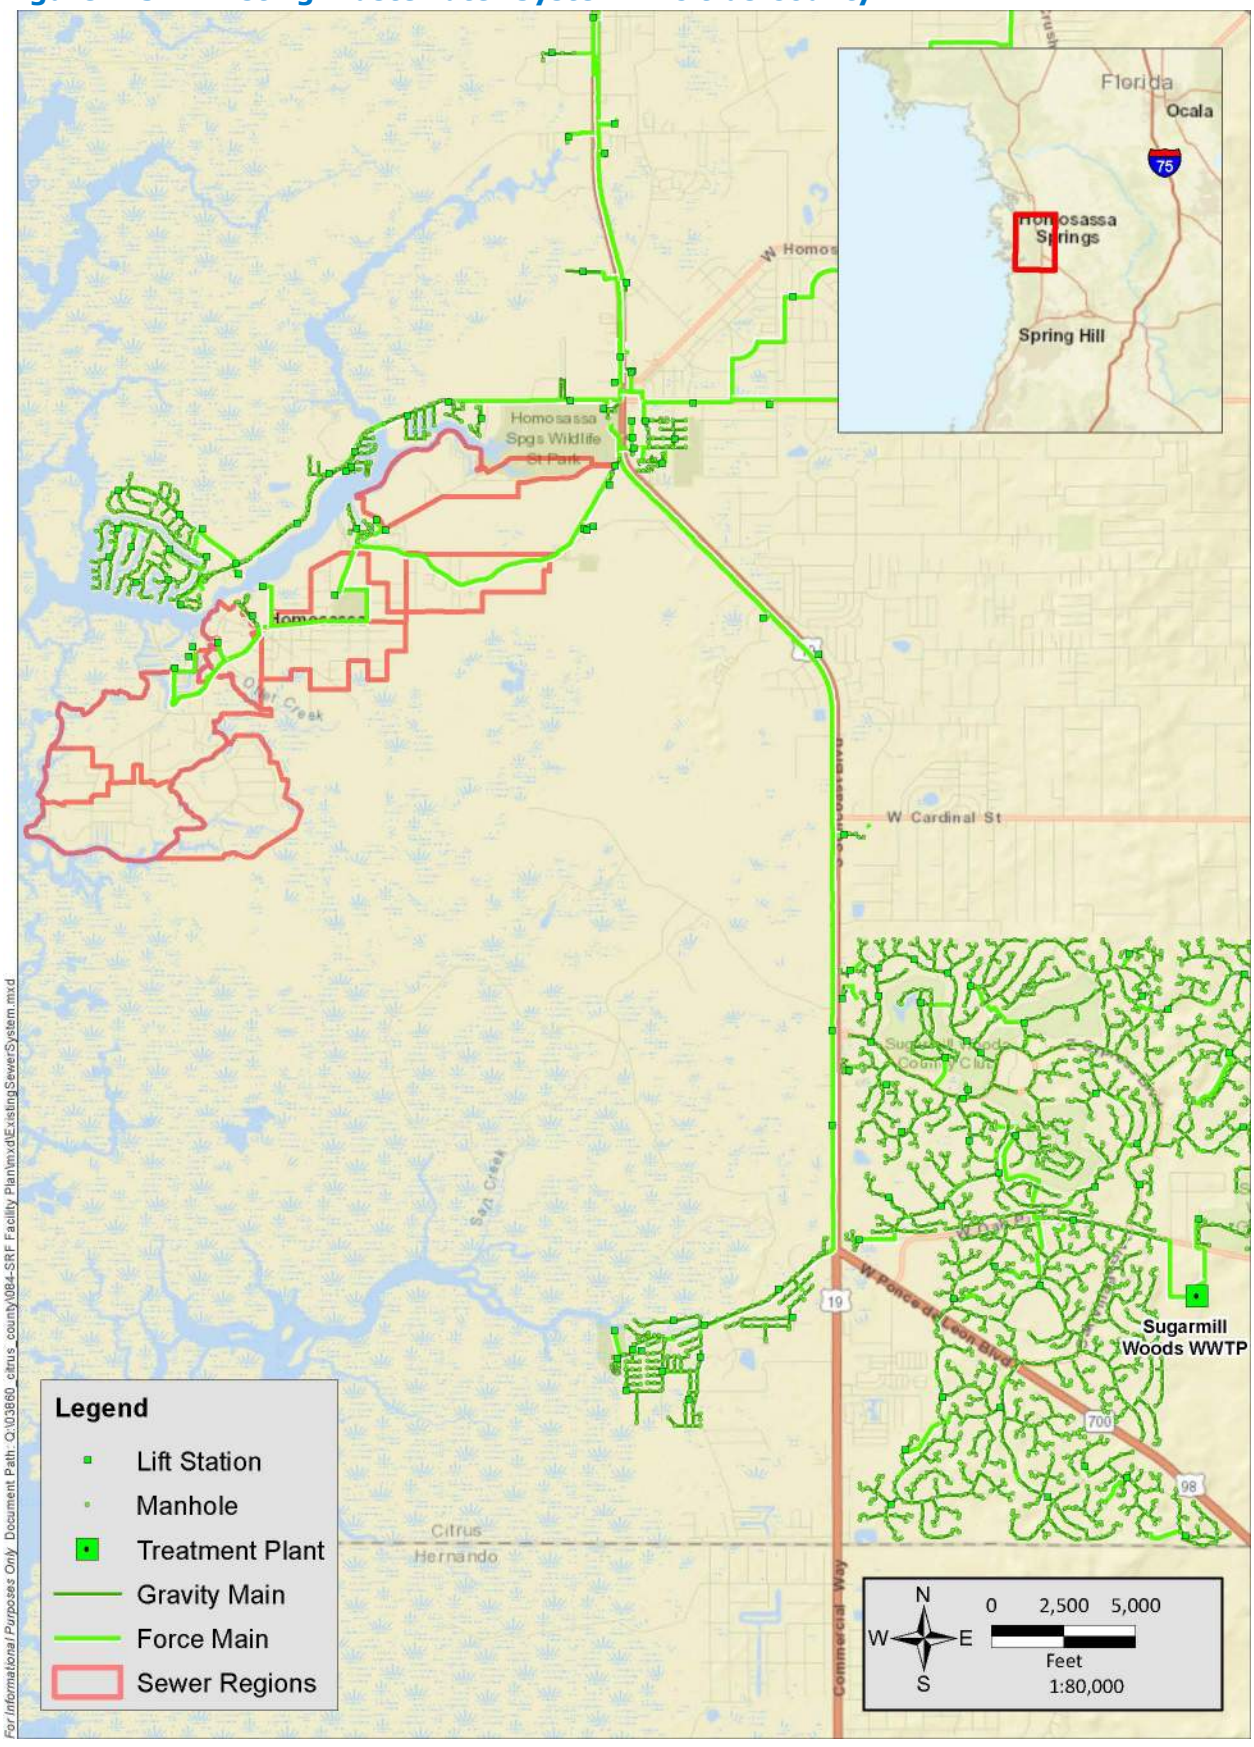

- Influent Pumping Station.
- Headworks with Mechanical Screening and Grit Removal.
- Four-Stage Biological Nutrient Removal Oxidation Ditch.
- Two Secondary Clarifiers.
- Effluent Filtration with Disc Filters.
- Chlorine Contact Tank with Sodium Hypochlorite (NaOCl) Disinfection.
- Effluent Disposal with Rapid Infiltration Basins (RIBs).

2.4 EXISTING SEPTIC INVENTORY

The Homosassa Springs area has 1,137 septic tanks based on the inventory included in the BMAP. Those septic tanks are planned to be eliminated with the connection of the nine study areas included in this Facility Plan to the County's sewer system.

2.5 PREVIOUS WASTEWATER MODELS

Jones Edmunds previously performed wastewater modeling studies of the Garcia Point collection system and the Chassahowitzka force main system. The studies evaluated the collection system upstream and downstream of the Downtown West project area. The results of these modeling studies are discussed in the following sections. An updated model was created combining the previous studies and adding the areas focused on in this study, including Downtown West. The expanded model will evaluate the impact of the additional areas being connected into the existing sewer system.

2.5.1 GARCIA POINT MODELING

The Garcia Point hydraulic model, developed in 2016, had the objective of evaluating alternatives to provide a wastewater collection system to the area. The model evaluated two alternatives; the first to provide a gravity wastewater collection system to the community, and the second evaluated the construction of low-pressure grinders at the connection points. The model provided information regarding the existing capacity of the wastewater infrastructure in Garcia Point.

2.5.2 CHASSAHOWITZKA FORCE MAIN MODELING

The Chassahowitzka hydraulic model was developed in 2017 to evaluate the impact of rebalancing two County wastewater treatment facilities upstream of the service area. As a result of the analysis, a new 12-inch force main was installed from CZ-11 to the existing 24-inch force main on CR 480.

This model is used as the base scenario for the wastewater model build for this Facility Plan. Chapter 3 describes the updates built into the model to validate the current operational data in the sewer system.

3 HYDRAULIC MODEL DEVELOPMENT

The objective of the hydraulic model developed for this report is to understand the existing conditions of the wastewater collection system and evaluate the impacts of the additional wastewater flow generated by the nine project areas planned to be connected in the Old Homosassa area. Jones Edmunds combined two existing models from previous projects, as described in Section 2.6. The north area of the Homosassa Garcia Point model, from RH-23 to Turtle Creek, was added to the new model, as well as the south area of the Chassahowitzka model, from MC-21 to the SWRWRF. The new model evaluates the behavior of the wastewater system and the compliance with a certain level of service (LOS), based on population and wastewater flow projections. We used geographic information system (GIS) data provided by Citrus County to identify existing infrastructure, model calibration, and simulation of the proposed infrastructure.

3.1 HYDRAULIC MODEL UPDATES

3.1.1 HYDRAULIC MODEL ASSUMPTIONS AND EVALUATION CRITERIA

Jones Edmunds combined the hydraulic model from Homosassa Garcia Point and Chassahowitzka projects for use as a baseline for the current modeling effort. The model was successfully calibrated for current average daily flow (ADF) and maximum daily flow (MDF) conditions.

3.1.1.1 Average and Maximum Daily Flows

Jones Edmunds evaluated SWRWRF influent flow records from August 2019 to July 2020 to determine typical ADF and MDF conditions. Flow records on December 27, 2019, and August 19, 2019, were representative of ADF and MDF days, respectively.

Wastewater influent flows to SWRWRF on the selected days were:

- ADF: 0.679 MGD (December 27, 2019).
- MDF: 1.335 MGD (August 19, 2019).

The dates selected above result in an MDF-to-ADF Peaking Factor of 1.92.

The model was validated for ADF and MDF events in a 24-hour extended-period simulation (EPS) using Bentley's SewerGEMS® software.

3.1.1.2 Model Parameters

The following LOS criteria were chosen in collaboration with the County based on regulatory requirements and the County's preferred operational conditions. The following were established as the LOS criteria for evaluating the system under each future scenario:

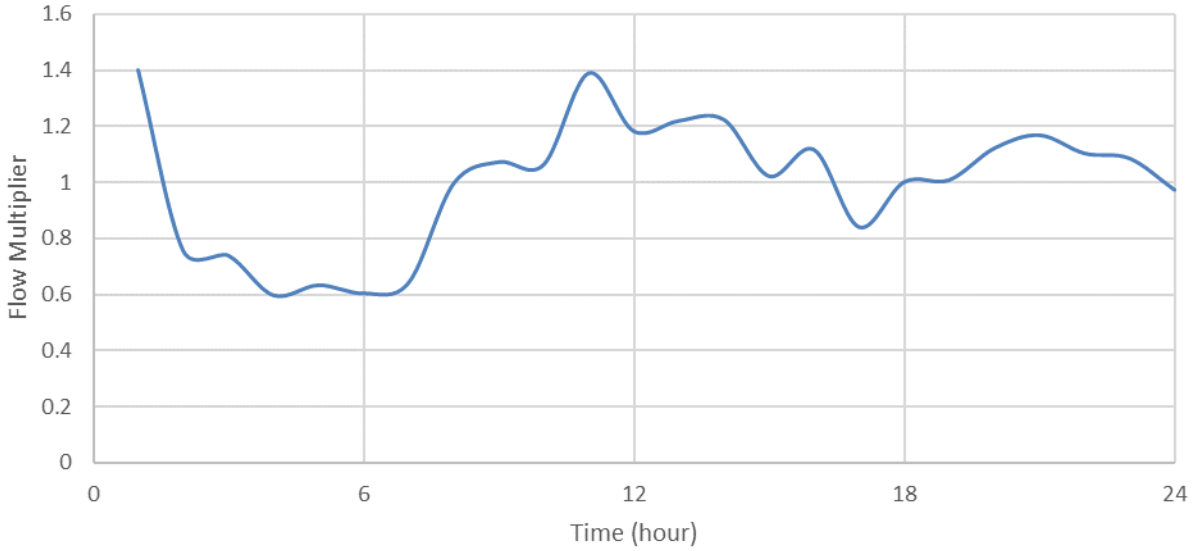

- No deadhead conditions within a 24-hour simulation.
- No stand-by pump-on conditions.
- No high-water-level (HWL) alarm at a wet well or lift station (LS) overflows.
- Force main velocity between 2 and 6 feet per second (fps).
- Pump runtime not to exceed 12 hours per day.

3.2 Model Calibration

The model parameters for pipe roughness, flow loadings, and pump performance were adjusted as part of the model calibration process until the model results for the ADF and MDF scenarios matched the observed data within an acceptable tolerance range of 5 to 10 percent. The following summarizes the model parameters modified as part of the calibration process:

- Adjusted Hazen-Williams C-factor roughness for force mains so that the drawdown testing matched the pump total dynamic head conditions at each lift station.
- Varied the sanitary flow loadings throughout the EPS using the normalized system diurnal curve developed from the SWRWRF influent flow data, as shown in Figure 3-1.
- Adjusted sanitary flows to match the December 27, 2019 ADF influent flow
- Adjusted sanitary flows to match the August 19, 2019 MDF influent flow.

Figure 3-1 SWRWRF Normalized Diurnal Curve

Jones Edmunds successfully calibrated ADF and MDF conditions in the hydraulic model for pump runtimes at both modeled RH-11 and MC-21 and the influent flows to SWRWRF.

3.2.1 Lift Station Drawdown Test

To calibrate the wastewater hydraulic model, pump performance assessments were conducted to determine the operating condition of the LSs. Based on input from the Citrus County Operations staff, the following six LSs were selected for pump testing and inspections:

- MC-21 (County owned)
- MC-24 (Privately owned)
- RH-11 (County owned)
- The Freezer (Privately owned)
- Tradewinds Resort (Privately owned)
- Turtle Creek (Privately owned)

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

On October 15, 2020, each LS was visually inspected to assess the current condition. Drawdown testing was performed on the two County-owned LSs. The drawdown test was performed by measuring the volume of sewage pumped over 60 seconds, recording the pressure downstream of the pumps via a pressure gauge, and measuring the static head. The results were summarized, graphed, and compared to the manufacturer's pump curves. Overall, the LSs were determined to be in good operating condition with both pumps operating within 3 percent of the manufacturer's curve. The most common issue observed during the inspections was a lack of access to the private LSs. Appendix A provides the complete assessments and pump drawdown test results.

3.3 PROPOSED MODELING SCENARIOS

A future scenario was created to include the wastewater flow to be generated by the nine STPO project areas in Old Homosassa.

The future ADFs were determined using buildout equivalent residential connections (ERCs) and a flow rate of 50 gallons per capita per day (gpcd). The Bureau of Economic and Business Research (BEBR) lists the average household size for Citrus County is 2.2 persons per household based on population estimates for 2020. Thus, the estimated average flow per ERC is 110 gallons per day (gpd). Using an MDF-to-ADF peaking factor of 1.92, as determined in Section 3.1.1, the MDF per ERC would be 211 gallons per day (gpd). The peak hourly flows (PHFs) were calculated using the methodology dictated by the *Ten States Standards*, which relates ADF with PHF based on population. Table 3-1 presents the design wastewater flows used as the basis of design for the nine project areas.

Table 3-1 Projected Wastewater Flows

Development	Improved ERC	MDF Flows (GPD)	Full Buildout ERC	MDF Buildout Flows (GPD)
Downtown West	122	25,704	218	45,930
Downtown East	232	48,880	473	99,656
Downtown North	129	27,179	325	68,474
Homosassa Park	89	18,751	189	39,820
Rooks	163	34,342	269	56,675
Homosassa Retreats	104	21,912	201	42,348
Cedars	23	4,846	122	25,704
Mason Creek	160	33,710	263	55,411
Homosassa Ph-05	115	24,229	235	49,512
Totals	**1,137**	**239,553**	**2,295**	**483,530**

Jones Edmunds developed two scenarios for future conditions to evaluate the impact of future wastewater flows from the nine project areas on the existing infrastructure:

- Scenario 1 – Existing Infrastructure and Improved Lots at MDF: This scenario evaluates the impact from current improved lots being connected to the existing system, connecting the areas progressively (one at a time).

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

- Scenario 2 – Existing Infrastructure and Full Buildout lots at MDF: This scenario includes the projected flows from the total lots (improved and unimproved) for all nine project areas. This scenario considers the connection of all project areas at the same time.

The model scenarios were run over a 24-hour EPS.

3.4 MODELING RESULTS

The ADF and MDF calibrations were evaluated for the LOS criteria described above. No LOS concerns were identified under ADF conditions. However, for MDF conditions the model predicts CZ-10 will experience deadhead for 22 minutes with current MDF flows. Dead heading in pumps occurs when the pump operates with no flow through the pump due to downstream restrictions. If a pump operates in a dead-head condition for extended periods, sanitary sewer overflows (SSOs) may occur due to the station's inability to pump influent flows. Also, the pumps may suffer damage if dead-head conditions are frequent and/or for extended periods. CZ-10 is not predicted to overflow or reach HWL conditions based on current flows; however, as the system flows increase, the likelihood of those conditions increases.

3.4.1 DOWNTOWN WEST RESULTS

Modeling results for the addition of the Downtown West neighborhood to the existing wastewater system suggest that sufficient capacity exists for adding the flows to RH-11 and that the system meets all LOS criteria for both scenarios for LSs and force mains listed in Section 3.1.1.2. No overflows were predicted in the LSs. Table 3-2 shows the run-time model results for Downtown West.

Table 3-2 Lift Station Run Time (Hours) Model Results – Downtown West

Lift Station	Current MDF	Scenario 1	Scenario 2
RH-11	4.2	5.5	6.5
MC-21	5.3	6.5	7.3
CZ-11	5.5	6.1	6.6

3.4.2 DOWNTOWN EAST RESULTS

The Downtown East development will connect to an existing 8-inch force main on W. Central Street. Modeling results for the addition of the Downtown East neighborhood to the existing wastewater system suggest that the existing system has sufficient capacity for adding the flows to MC-21 in Scenario 1 and Scenario 2. The system meets all LOS criteria in Scenario 1 and Scenario 2 for LSs and force mains listed in Section 3.1.1.2. No overflows were predicted in the LSs. The results for the Downtown East model consider the generated flows from Downtown West. Table 3-3 shows the LS run-time model results for Downtown East.

3.4.3 Downtown North Results

The Downtown North project will connect to an existing 8-inch force main on W. Anchorage Street. Modeling results for adding the Downtown East neighborhood to the existing wastewater system suggest that the existing system has sufficient capacity for adding the flows to MC-21 in Scenario 1 and Scenario 2. The system meets all LOS criteria in Scenario 1 for the LSs and force mains listed in Section 3.1.1.2. In Scenario 2, the system meets all LOS criteria for force mains; however, the model predicted a standby condition at LS MC-21 and a dead-head condition at LS CZ-10. No overflows were predicted in the LSs. The results consider the generated flows for Downtown West, East, and North. Table 3-4 shows the LS run time model results for Downtown North.

CZ-11	5.5	7.7	10.1
CZ-10	3.4	4.1	5.5

*Includes Pump 2 run time.

3.4.4 Homosassa Park Results

The Homosassa Park development will connect to an existing 8-inch force main on W. Yulee Drive. Modeling results suggest that the existing system has sufficient capacity for adding the flows from Downtown West, Downtown East, Downtown North, and Homosassa Park in Scenario 1 and Scenario 2. The system meets all LOS criteria in Scenario 1 for LSs and force mains. In Scenario 2, the system meets all LOS criteria for force mains; however, the model predicted a standby condition at LS MC-21 and a dead-head condition at LS CZ-10. No overflows were predicted in the LSs. Table 3-5 shows the LS run time model results for Homosassa Park. Table 3-5 shows the LS run-time model results for Homosassa Park.

CZ-11	5.5	8.1	10.8
CZ-10	3.4	4.7	5.8

*Includes Pump 2 run time.

3.4.5 Rooks Model Results

The Rooks development will connect to an existing 4-inch force main at the intersection of S. Garcia Road and S. Mason Creek Road. This area was modeled including the flows from Downtown West, Downtown East, Downtown North, Homosassa Park, and Rooks. The system meets all LOS criteria for force mains; however, the model predicted a standby condition at LS MC-21 and a dead-head condition at LS CZ-10 in Scenario 1. No overflows were predicted in the LSs.

However, in Scenario 2 the model predicted a standby condition at LS MC-21 and a dead-head condition at LS CZ-10. An overflow was predicted in LS MC-21. Table 3-6 shows the LS run-time model results for Rooks.

Table 3-6 Lift Station Run Time (Hours) Model Results – Rooks

3.4.6 Homosassa Retreats Model Results

The Homosassa Retreats development is south of Rooks and will manifold with the force main constructed during the Rooks project. The model results suggest that force mains will still meet LOS criteria when adding flows from Downtown West, Downtown East, Downtown North, Homosassa Park, Rooks, and Homosassa Retreats. However, the model predicted a standby condition at LS MC-21 and a dead-head condition at LS CZ-10 in Scenario 1 and Scenario 2. No overflows were predicted in the LSs in Scenario 1; however, the model predicted overflow at LS MC-21 and standby condition at LS RH-11 in Scenario 2. Table 3-7 shows the LS run time model results for Homosassa Retreats.

3.4.7 Cedars Model Results

The Cedars development will manifold with the force main constructed during the Rooks project. The model results suggest that force mains will still meet LOS criteria even with the added flows from Downtown West, Downtown East, Downtown North, Homosassa Park, Rooks, Homosassa Retreats, and Cedars. However, the model predicted a standby condition at LS MC-21 and a dead-head condition at LSs CZ-10 and Black in Scenarios 1 and 2. No overflows were predicted in the LS systems in Scenario 1; however, an overflow was

3.4.8 Mason Creek Model Results

The Mason Creek development will manifold with the force main constructed during the Rooks project. The model results suggest that the LOS criteria will be exceeded for force mains and LSs in Scenario 1 and Scenario 2. The model predicted a standby condition at LSs MC-21 and RH-23, dead-head conditions at LSs CZ-10 and Black, and velocities over 6 fps in the force mains; however, overflows were not predicted in the LSs in Scenario 1. In Scenario 2, the model predicted standby conditions at LSs MC-21, RH-11, and RH-23, a dead-head condition at LSs CZ-10, RH-23, Black, and The Freezer. Overflows were predicted at LS MC-21 and LS RH-11. Table 3-9 shows the LS run-time model results for Mason Creek.

3.4.9 Homosassa Ph-05 Model Results

The Homosassa Ph-05 development will connect directly into LS MC-21. Considering the flows generated at all nine areas, the model results suggest that the LOS criteria will be exceeded for force mains and LSs in Scenario 1 and Scenario 2. In Scenario 1, the model predicted a standby condition at LS MC-21 and LS RH-23, a dead-head condition at LSs CZ-10 and Black, and velocities over 6 fps in the force mains. However, overflows were not predicted in the LSs. In scenario 2, the model predicted a standby condition at LS MC-21, LS RH-11 and LS RH-23, a dead-head condition at LSs CZ-10, Black, RH-23, and The Freezer. Overflows were predicted at LSs MC-21 and RH-11. Table 3-10 shows the LS run-time model results for Homosassa Ph-05.

4 ALTERNATIVES ANALYSIS

This facility plan presents three alternatives to eliminate septic tank to achieve the required reduction on Nitrogen levels in the Homosassa River:

- No Action Alternative: The No Action Alternative is defined as the conversion of the existing septic tanks to on-site treatment units.
- Alternative 1: A low-pressure collection system with a simplex grinder pump station in the right-of-way (ROW) adjacent to each served property.
- Alternative 2: A hybrid system consisting of a combined gravity collection system and a duplex low-pressure pump station in the ROW.

This report will serve as the planning document for the project areas and includes a preliminary evaluation of the two alternatives described above. The evaluations considered the available space within the ROW, system-specific design requirements, capital costs for each system, disruption to residents during construction, land rights, and long-term operation and maintenance (O&M) of the system.

The following assumptions are common to Alternatives 1 and 2:

- All existing septic systems will be taken out of service and abandoned in accordance with Citrus County Department of Health requirements.
- Each homeowner will be required to have a gravity service lateral constructed from their abandoned septic tank to the service connection point in the ROW.
- The locations and depths of the existing septic systems and the depths of the existing residence sanitary services leading to the septic tank are unknown. For this Facility Plan, we have assumed a minimum depth of 4 feet for the gravity service connection from the property at the ROW line.

4.1 NO ACTION ALTERNATIVE

The No Action Alternative in this Facility Plan is for the home and business owners in the project areas to transition to aerobic treatment units, which are on-site treatment units similar to septic tanks but include additional treatment to allow for the reduction of Nitrogen content in the effluent of the system.

Maintaining the septic tank is not an option since it is required in the BMAP that all the residents must eliminate the septic tank to decrease the level of Nitrogen reaching the Homosassa area waters. Specifically, modification or repair permits issued by the Florida Department of Health (FDOH) for all OSTDS within the PFA on all lots will require enhanced treatment of Nitrogen, unless sewer connections will be available based on a BMAP-listed project. All OSTDS subject to the policy must include enhanced treatment of Nitrogen no later than 20 years after the BMAP adoption. Therefore, the No Action Alternative is to convert existing systems to aerobic treatment units on site to promote the removal of Nitrogen.

On BMAP adoption, the OSTDS Remediation Plan prohibits new systems on lots of less than 1 acre within the PFAs, unless the system includes enhanced treatment of Nitrogen as

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

defined by the OSTDS Remediation Plan. The unimproved lots will not be allowed to construct septic tanks.

An aerobic treatment unit is an on-site (or decentralized) wastewater treatment system that treats wastewater from a home or business and returns treated wastewater back into the receiving environment. These systems are a small-scale sewage treatment system similar to a septic tank system, but use an aerobic process for digestion rather than only the anaerobic process within the septic systems. These systems are commonly found in rural areas where public sewers are not available and may be used for a single residence or for a small group of homes.

Unlike the traditional septic system, the aerobic treatment system produces a better-quality secondary effluent that can be sterilized and used for surface irrigation and could potentially reduce the Nitrogen levels going to the Homosassa River. However, the reduction of Nitrogen in this kind of system highly depends on the operation of the system. The typical processes included in these systems are:

1. Pre-treatment stage to remove large solids and other undesirable substances.
2. Aeration stage, where aerobic bacteria digest biological wastes.
3. Settling stage to allow undigested solids to settle, which forms a sludge that must be periodically removed from the system.
4. Disinfecting stage, where chlorine or similar disinfectant is mixed with the water to produce an antiseptic output. The disinfecting stage is optional and is used where a sterile effluent is required, such as cases where the effluent is distributed above ground. The disinfectant typically used is calcium hypochlorite in form of tablets, which are specially made for waste treatment systems.

Table 4-1 lists some advantages and disadvantages of this systems.

Table 4-1 Aerobic Treatment Systems Advantages and Disadvantages

Advantages	Disadvantages
Higher level of effluent quality when compared to a septic tank.	High installation cost for an individual home.
Reduces Nitrogen to acceptable levels.	Too much water can overburden the system.
	Poorly maintained systems can cause contamination.
	Lack of technical knowledge to properly operate the system by homeowners.

These systems typically have a construction cost of approximately $35,000. Since this is a private system, the home or business owner will be the one responsible for this cost in addition to the normal annual O&M costs.

Jones Edmunds does not recommend installing this treatment system if the option of a centralized sewer system is feasible. This recommendation is based on a centralized sewer system that will be operated by a utility that has the capacity to properly maintain and operate a sewer system. Therefore, the likelihood of having compliance problems are

significantly reduced compared to systems operated by home and business owners. Therefore, this alternative will not be further considered.

4.2 Alternative 1: Low-Pressure Grinder Pump System

The low-pressure grinder pump system alternative consists of having a simplex grinder pump station installed at each service connection (improved and unimproved lots) that then discharges through small-diameter force mains. These systems use a small underground 70-gallon high-density polyethylene (HDPE) or fiberglass tank at the point of connection for temporary storage of the wastewater. A semi-positive displacement pump with a 1-horsepower (Hp) motor in the wet well is controlled via a pressure transducer (water level) and a remotely mounted electrical and control panel. Each pump includes a chopper blade on the impeller that grinds the sewage into a slurry that is then pumped into the small-diameter force main at a rate of approximately 11.5 gallons per minute (gpm). Motors for these simplex pumps typically require single-phase 120/240V power. Above-grade components of grinder pump stations typically consist of an electrical panel containing disconnects and alarms. The power is provided by the County with the electrical panel installed on a pole.

Table 4-2 summarizes the advantages and disadvantages of low-pressure grinder pump stations for Alternative 1.

Table 4-2 Low-Pressure Grinder Pump Stations, Advantages and Disadvantages

Advantages	Disadvantages
Lower community disruption during construction compared to Alternative 2.	Higher number of pump stations require more O&M than Alternative 2.
Construction costs are less than Alternative 2 due to smaller pipe sizes (1.25- to 3-inch diameter) and the convenience of constructing the pipe to follow grade at shallow depths when compared with Alternative 2.	The electrical costs associated with keeping numerous small pumps/ systems operating. This cost is borne by the utility.
Low potential for infiltration. Grinder pump stations eliminate the majority of the infiltration since the collection mains are pressurized.	Higher number of underground structures that may cause conflicts with existing infrastructure.
No easement procurement necessary.	Increased wastewater retention time compared to Alternative 2, causing potential septic conditions in tanks.
	Does not provide backup in case of pump failure, which may cause environmental concerns.

The following sections present the proposed infrastructure for Alternative 1 for each of the nine project areas.

4.2.1 Area 1: Downtown West

4.2.1.1 Proposed Infrastructure for Alternative 1 – Downtown West

Figure 4-1 shows the proposed layout for Alternative 1 for the Downtown West project. The design involves installing the following in the Old Homosassa Downtown West project area:

- 218 simplex grinder pump stations.
- Approximately 7,248 linear feet (LF) of 1.25-inch HDPE force main.
- Approximately 2,543 LF of 1.5-inch HDPE force main.
- Approximately 4,853 LF of 2-inch HDPE force main.
- Approximately 1,733 LF of 2.5-inch HDPE force main.
- Approximately 2,450 LF of 3-inch HDPE force main.

4.2.1.2 Capital Cost – Downtown West

Table 4-3 presents the Engineer's Opinion of Probable Construction Cost (EOPCC) for this alternative and summarizes the items; Appendix B provides a detailed cost breakdown and the Net Present Value (NPV) calculations.

Table 4-3 EOPCC for Alternative 1 on Downtown West

Item	Description	Cost
1	Construction of LSs (218 LSs, electrical work, and mechanical equipment)	$3,335,000
2	Installation of sewer pipes and horizontal directional drilling (1.25-, 1.5-, 2-, 2.5-, and 3-inch diameter)	$3,312,000
3	Performance Bond and Contingencies	$1,450,000
	Total Bid Amount With Contingency	**$8,097,000**

4.2.1.3 Operation and Maintenance Costs – Downtown West

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is approximately $144. This annual cost considers replacement of miscellaneous parts due to normal wear and tear and replacement of the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.
- Annual energy cost: The annual energy cost was estimated assuming a cost per kilowatt-hour ($/kWh) of $0.12. Table 4-4 shows the annual energy cost for Alternative 1.

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

Table 4-4 Alternative 1 Energy Cost per Year for Downtown West

Item	Value
Flow (gpd)	110
Pump Discharge (gallons per minute [gpm])	11.5
Head (foot [ft])	80
Pump Efficiency	0.8
Theoretical Horsepower Required (Hp)	0.29

Cost of Electricity ($/kWh)	$0.12
Daily Cost of Electricity per Pump ($)	$0.004
Number of Pumps	218
Total Annual Electricity Cost for the Project	$329.33

Combining the annual maintenance and energy costs, Alternative 1 is expected to have an annual O&M cost of $31,729. To estimate the amount of the total annual maintenance during the planning horizon, we used an inflation rate of 3 percent and 20 years of annual payments in maintenance. The present value of the annual O&M cost for Alternative 1 is $471,933 for the entire Downtown West project.

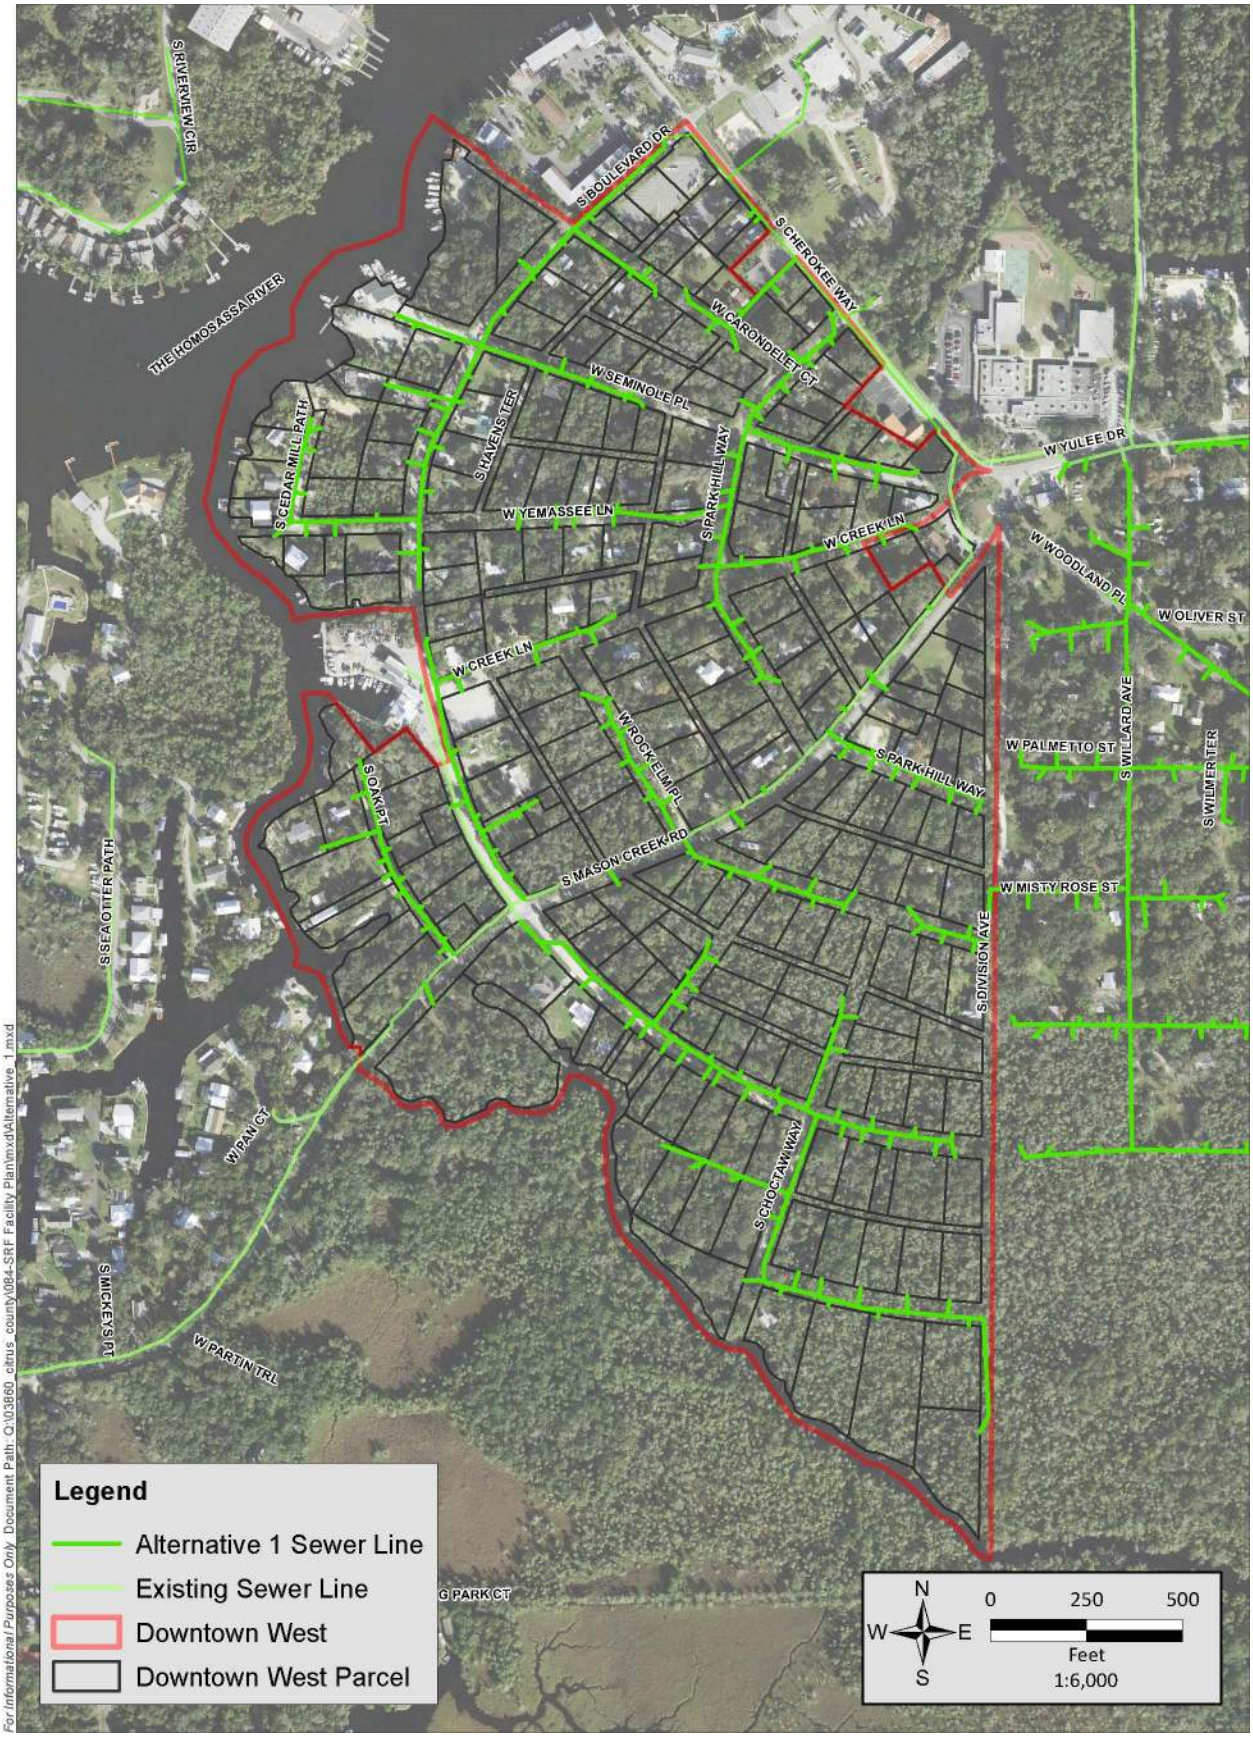

Therefore, the NPV for Alternative 1 is $8.57 million. Table 4-5 shows the NPV calculation of Alternative 1.

4.2.2 Area 2: Downtown East

4.2.2.1 Proposed Infrastructure for Alternative 1 – Downtown East

Figure 4-2 shows the proposed layout for Alternative 1 for the Downtown East project. The design involves installing the following in the Homosassa Downtown East project area:

- 473 simplex grinder pump stations.
- Approximately 15,900 LF of 1.25-inch HDPE force main.
- Approximately 6,525 LF of 1.5-inch HDPE force main.
- Approximately 12,150 LF of 2-inch HDPE force main.
- Approximately 6,140 LF of 2.5-inch HDPE force main.
- Approximately 6,110 LF of 3-inch HDPE force main.
- Approximately 1,931 LF of 4-inch HDPE force main.

4.2.2.2 Capital Cost – Downtown East

Table 4-6 presents the EOPCC for this alternative and summarizes the items; Appendix B provides a detailed cost breakdown and the NPV calculations.

	Total Bid Amount With Contingency	**$14,359,000**

4.2.2.3 Operation and Maintenance Costs – Downtown East

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is approximately $144. This annual cost considers replacement of miscellaneous parts due to normal wear and tear and replacement of the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.
- Annual energy cost: The annual energy cost was estimated assuming a cost per kilowatt-hour ($/kWh) of $0.12. Table 4-7 shows the annual energy cost for Alternative 1.

Total Annual Electricity Cost for the Project ($)	$714.56

Combining the annual maintenance and energy costs, Alternative 1 is expected to have an annual O&M cost of $68,826. To estimate the amount of the total annual maintenance during the planning horizon, we used an inflation rate of 3 percent and 20 years of annual payments in maintenance. The present value of the annual O&M cost for Alternative 1 is $1,023,965 for the entire Downtown East project.

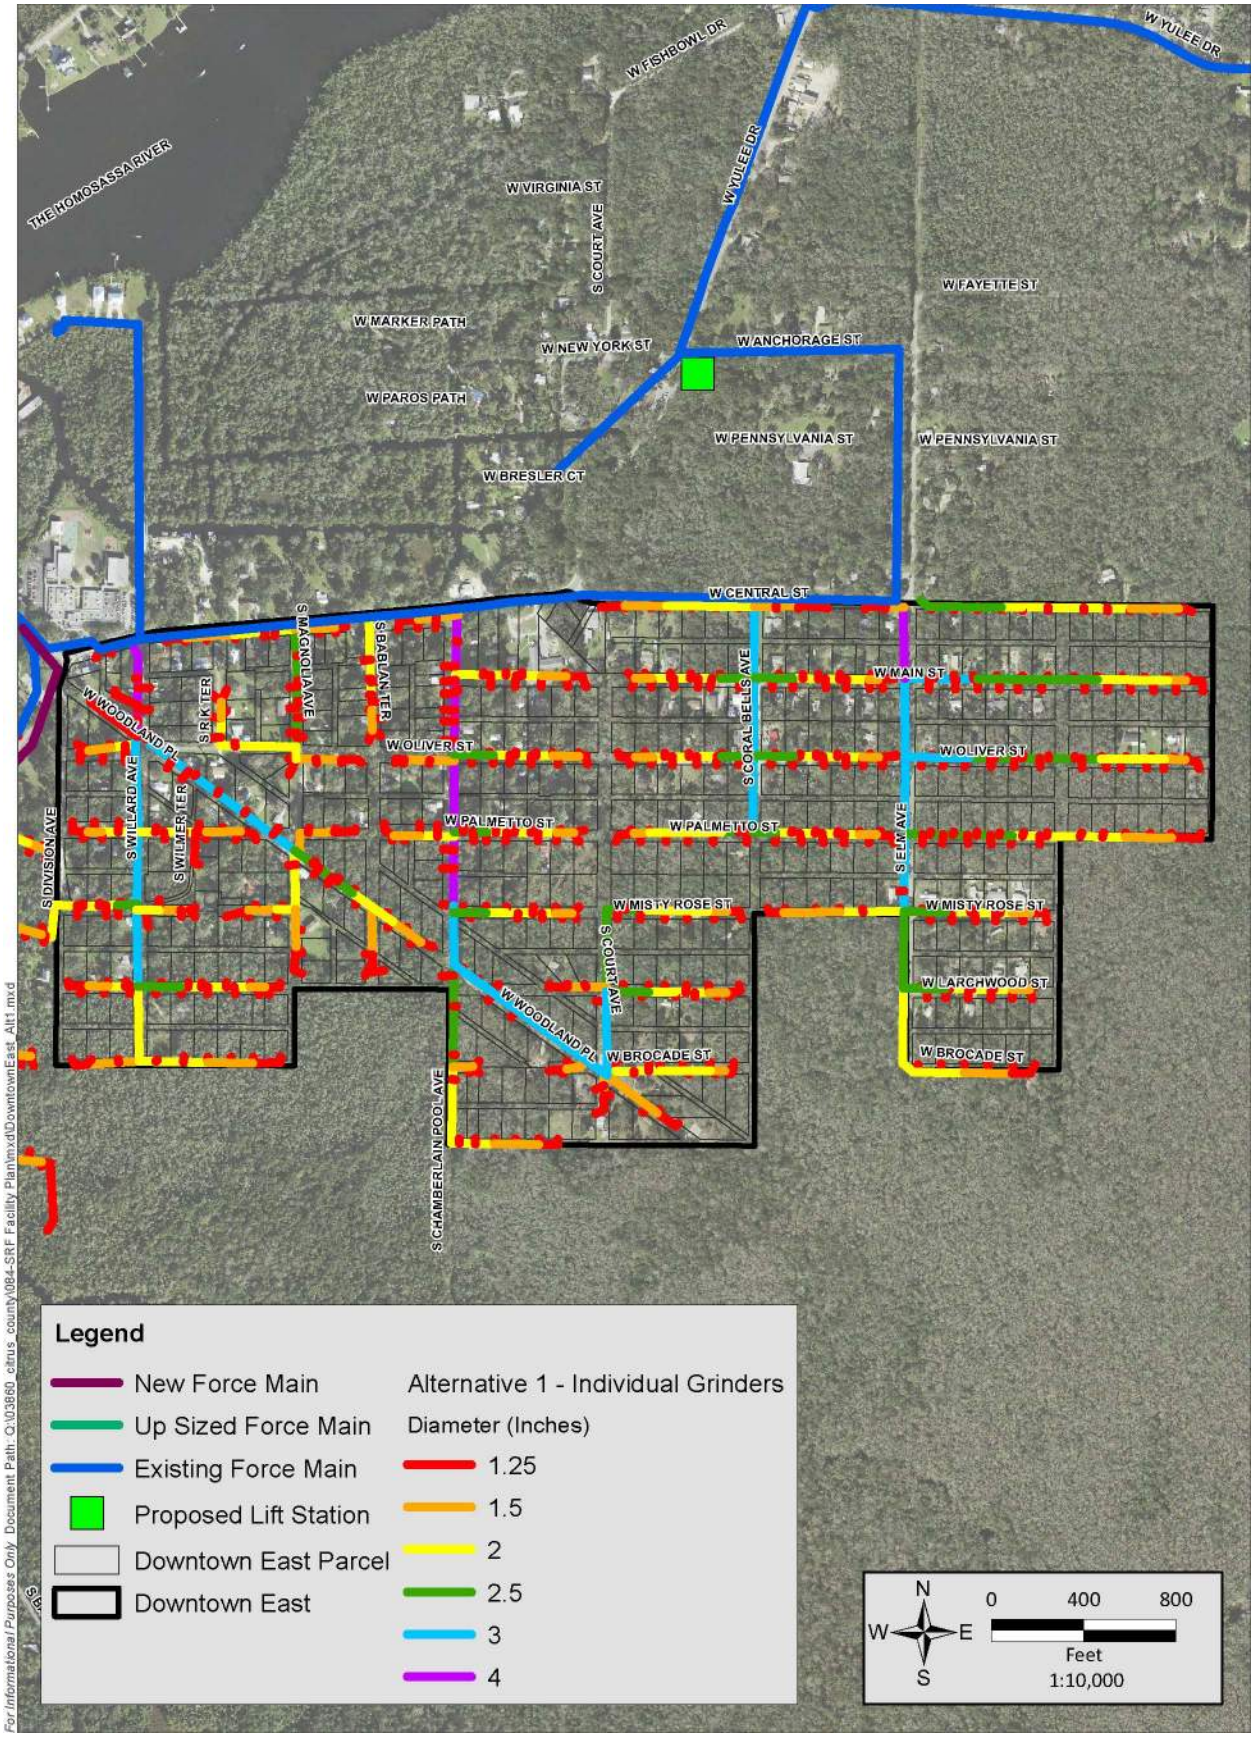

Therefore, the NPV for Alternative 1 is $15.4 million. Table 4-8 shows the NPV calculation of Alternative 1.

4.2.3.1 Proposed Infrastructure for Alternative 1 – Downtown North

Figure 4-3 shows the proposed layout for Alternative 1 for Downtown North project. The design involves installing the following in the Homosassa Downtown North project area:

- 129 simplex grinder pump stations.
- Approximately 16,121 LF of 1.25-inch HDPE pipe.
- Approximately 6,716 LF of 1.5-inch HDPE pipe.
- Approximately 12,150 LF of 2-inch HDPE pipe.
- Approximately 6,140 LF of 2.5-inch HDPE pipe.
- Approximately 6,010 LF of 3-inch HDPE pipe.
- Approximately 1,937 LF of 4-inch HDPE pipe.

4.2.3.2 Capital Cost – Downtown North

Table 4-9 presents the EOPCC for this alternative and summarizes the items; Appendix B provides a detailed cost breakdown and the NPV calculations.

4.2.3.3 Operation and Maintenance Costs – Downtown North

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is approximately $144. This annual cost considers replacement of miscellaneous parts due to normal wear and tear and replacement of the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.
- Annual energy cost. The annual energy cost was estimated assuming a cost per kWh of $0.12. Table 4-10 shows the annual energy cost for Alternative 1.

Combining the annual maintenance and energy costs, Alternative 1 is expected to have an annual O&M cost of $18,771. To estimate the amount of the total annual maintenance during the planning horizon, we used an inflation rate of 3 percent and 20 years of annual payments in maintenance. The present value of the annual O&M cost for Alternative 1 is $279,263 for the entire Downtown North project.

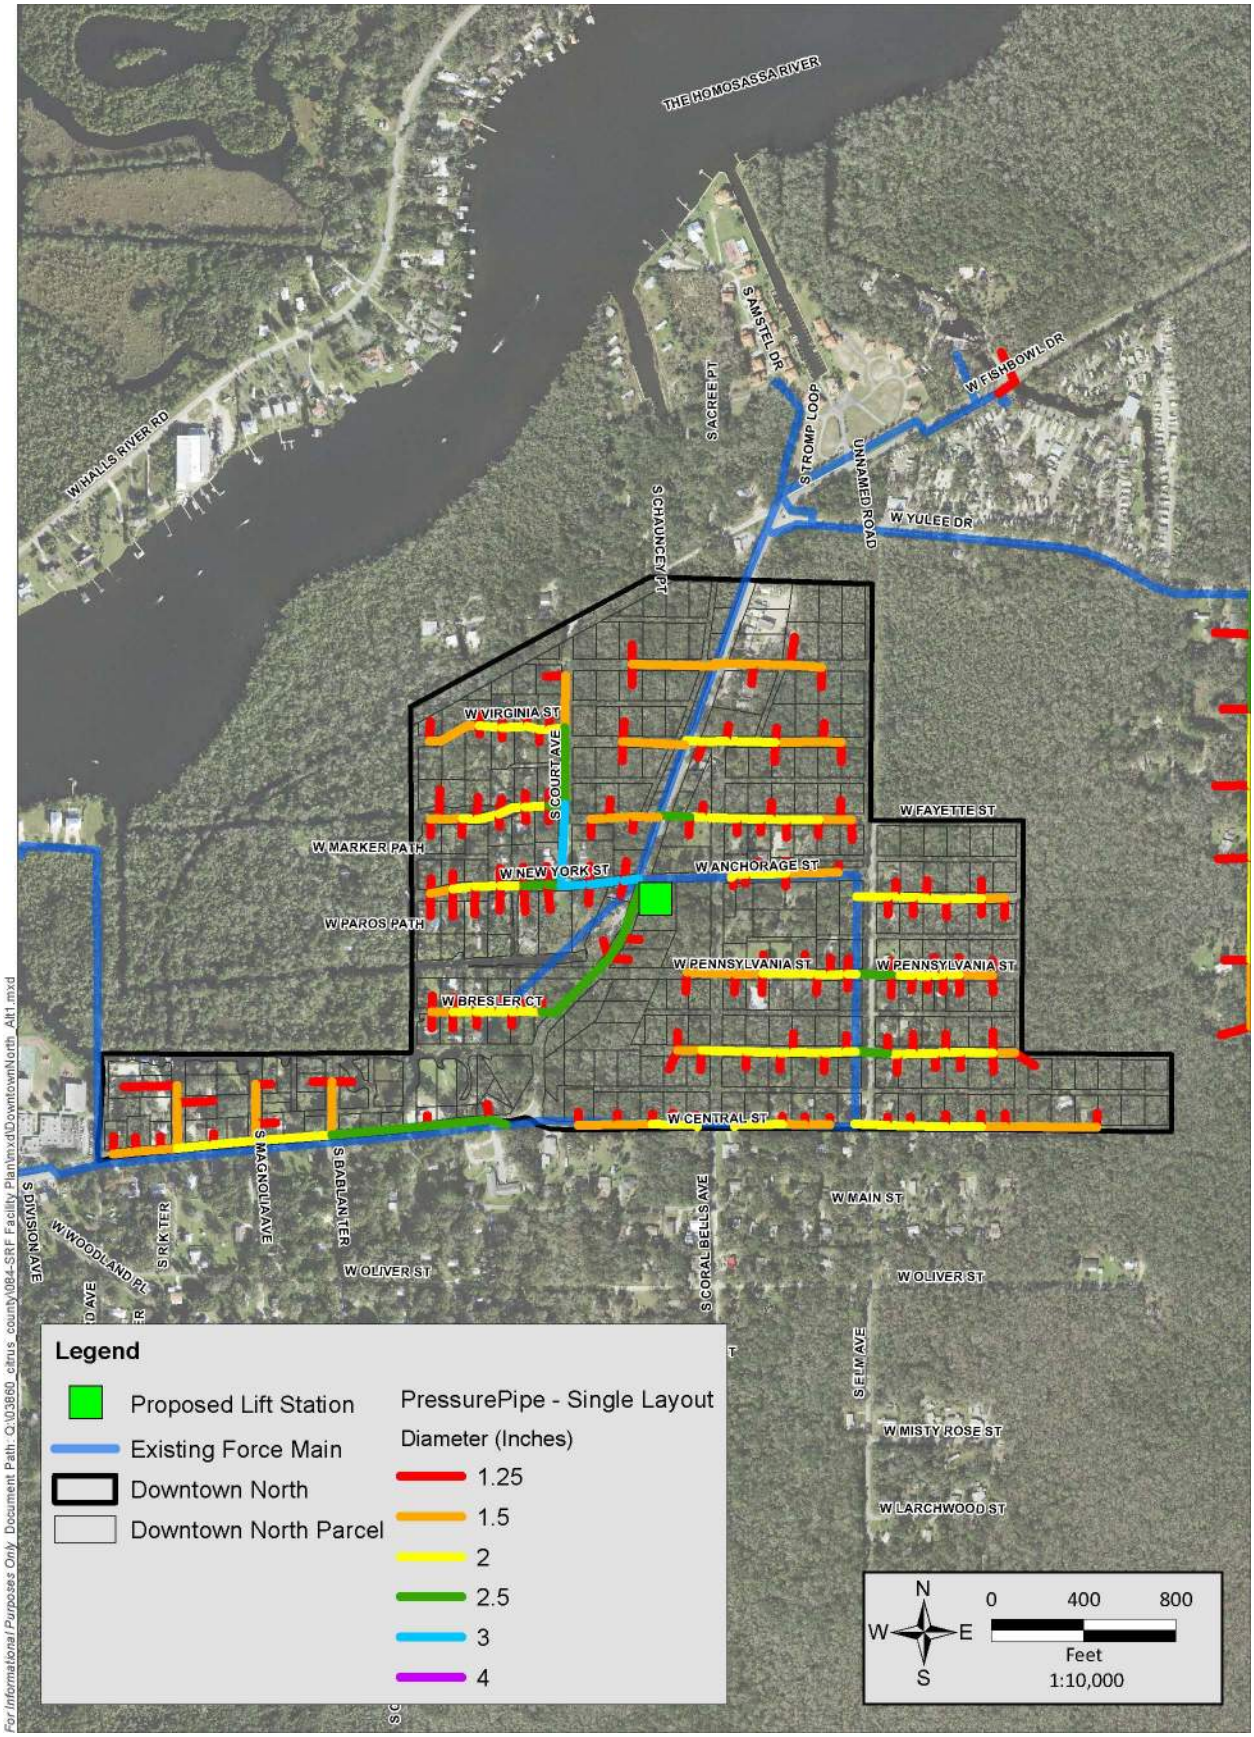

Therefore, the NPV for Alternative 1 is $6.75 million. Table 4-11 shows the NPV calculation of Alternative 1.

4.2.4 Area 4: Homosassa Park

4.2.4.1 Proposed Infrastructure for Alternative 1 – Homosassa Park

Figure 4-4 shows the proposed layout for Alternative 1 for the Homosassa Park project. The design involves installing the following in the Homosassa Park project area:

- 89 simplex grinder pump stations.
- Approximately 7,881 LF of 1.25-inch HDPE pipe.
- Approximately 2,572 LF of 1.5-inch HDPE pipe.
- Approximately 3,530 LF of 2-inch HDPE pipe.
- Approximately 1,851 LF of 2.5-inch HDPE pipe.
- Approximately 470 LF of 3-inch HDPE pipe.

	Total Bid Amount With Contingency	**$3,990,263**

4.2.4.3 Operation and Maintenance Costs – Homosassa Park

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is approximately $144. This annual cost considers replacement of miscellaneous parts due to normal wear and tear and replacement of the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.
- Annual energy cost. The annual energy cost was estimated assuming a cost per kWh of $0.12. Table 4-13 shows the annual energy cost for Alternative 1.

Combining the annual maintenance and energy costs, Alternative 1 is expected to have an annual O&M cost of $12,950. To estimate the amount of the total annual maintenance during the planning horizon, we used an inflation rate of 3 percent and 20 years of annual payments in maintenance. The present value of the annual O&M cost for Alternative 1 is $192,670 for the entire Homosassa Park project.

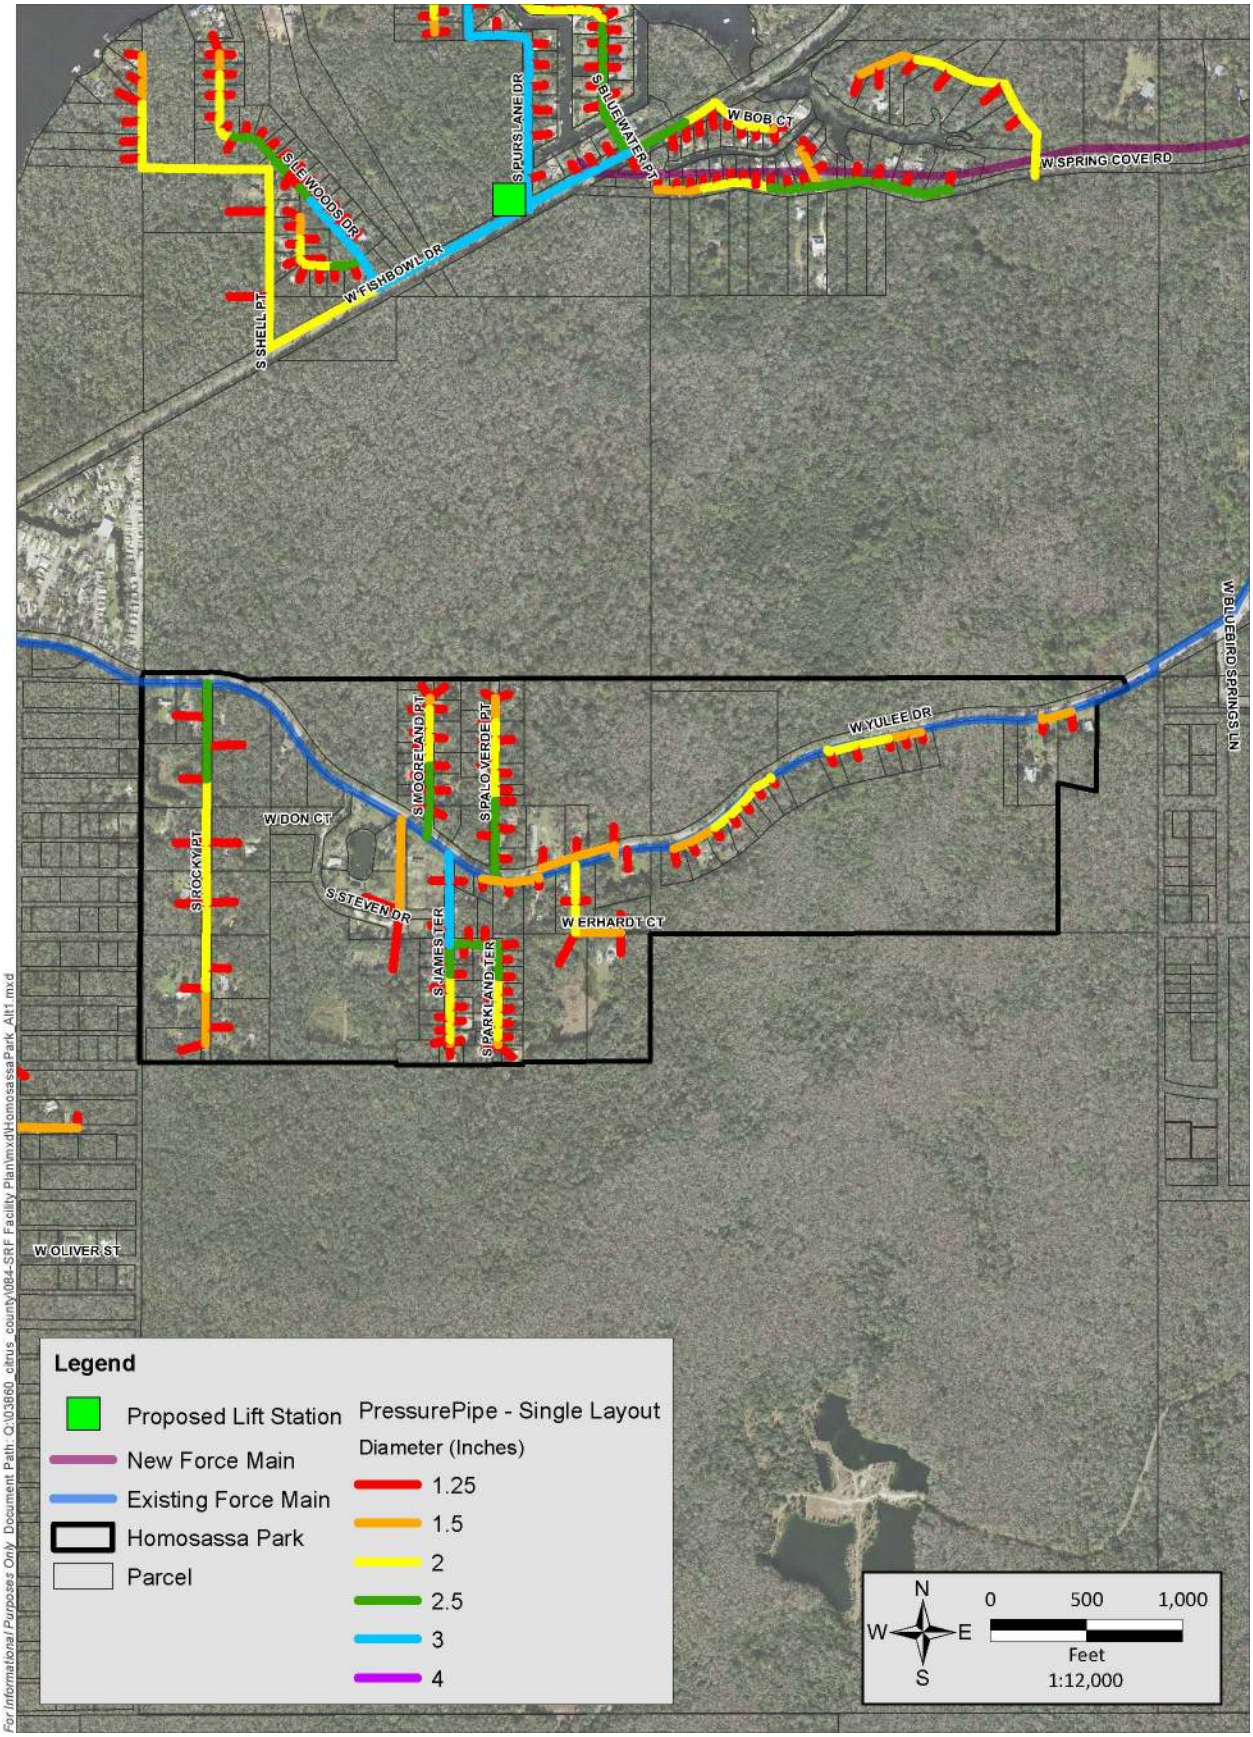

Therefore, the NPV for Alternative 1 is $4.18 million. Table 4-14 shows the NPV calculation of Alternative 1.

4.2.5 Area 5: Rooks

4.2.5.1 Proposed Infrastructure for Alternative 1 –Rooks

Figure 4-5 shows the proposed layout for Alternative 1 for the Rooks project. The design involves installing the following in the Rooks project area:

- 163 simplex grinder pump stations.
- Approximately 15,784 LF of 1.25-inch HDPE pipe.
- Approximately 6,351 LF of 1.5-inch HDPE pipe.
- Approximately 4,874 LF of 2-inch HDPE pipe.
- Approximately 3,440 LF of 2.5-inch HDPE pipe.
- Approximately 2,964 LF of 3-inch HDPE pipe.

4.2.5.2 Capital Cost – Rooks

Table 4-15 presents the EOPCC for this alternative and summarizes the items; Appendix B provides a detailed cost breakdown and the NPV calculations.

Table 4-15 EOPCC for Alternative 1 – Rooks

Item	Description	Cost
1	Construction of LSs (163 LSs, electrical work, and mechanical equipment)	$2,493,900
2	Installation of sewer pipes and horizontal directional drilling (1.25-, 1.5-, 2-, 2.5-, and 3-inch diameter)	$3,209,739
3	Performance Bond and Contingencies	$1,243,393
	Total Bid Amount With Contingency	**$6,947,000**

4.2.5.3 Operation and Maintenance Costs – Rooks

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is approximately $144. This annual cost considers replacement of miscellaneous parts due to normal wear and tear and replacement of the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.
- Annual energy cost. The annual energy cost was estimated assuming a cost per $/kWh of $0.12. Table 4-16 shows the annual energy cost for Alternative 1.

Combining the annual maintenance and energy costs, Alternative 1 is expected to have an annual O&M cost of $23,718. To estimate the amount of the total annual maintenance during the planning horizon, we used an inflation rate of 3 percent and 20 years of annual payments in maintenance. The present value of the annual O&M cost for Alternative 1 is $352,868 for the entire Rooks project.

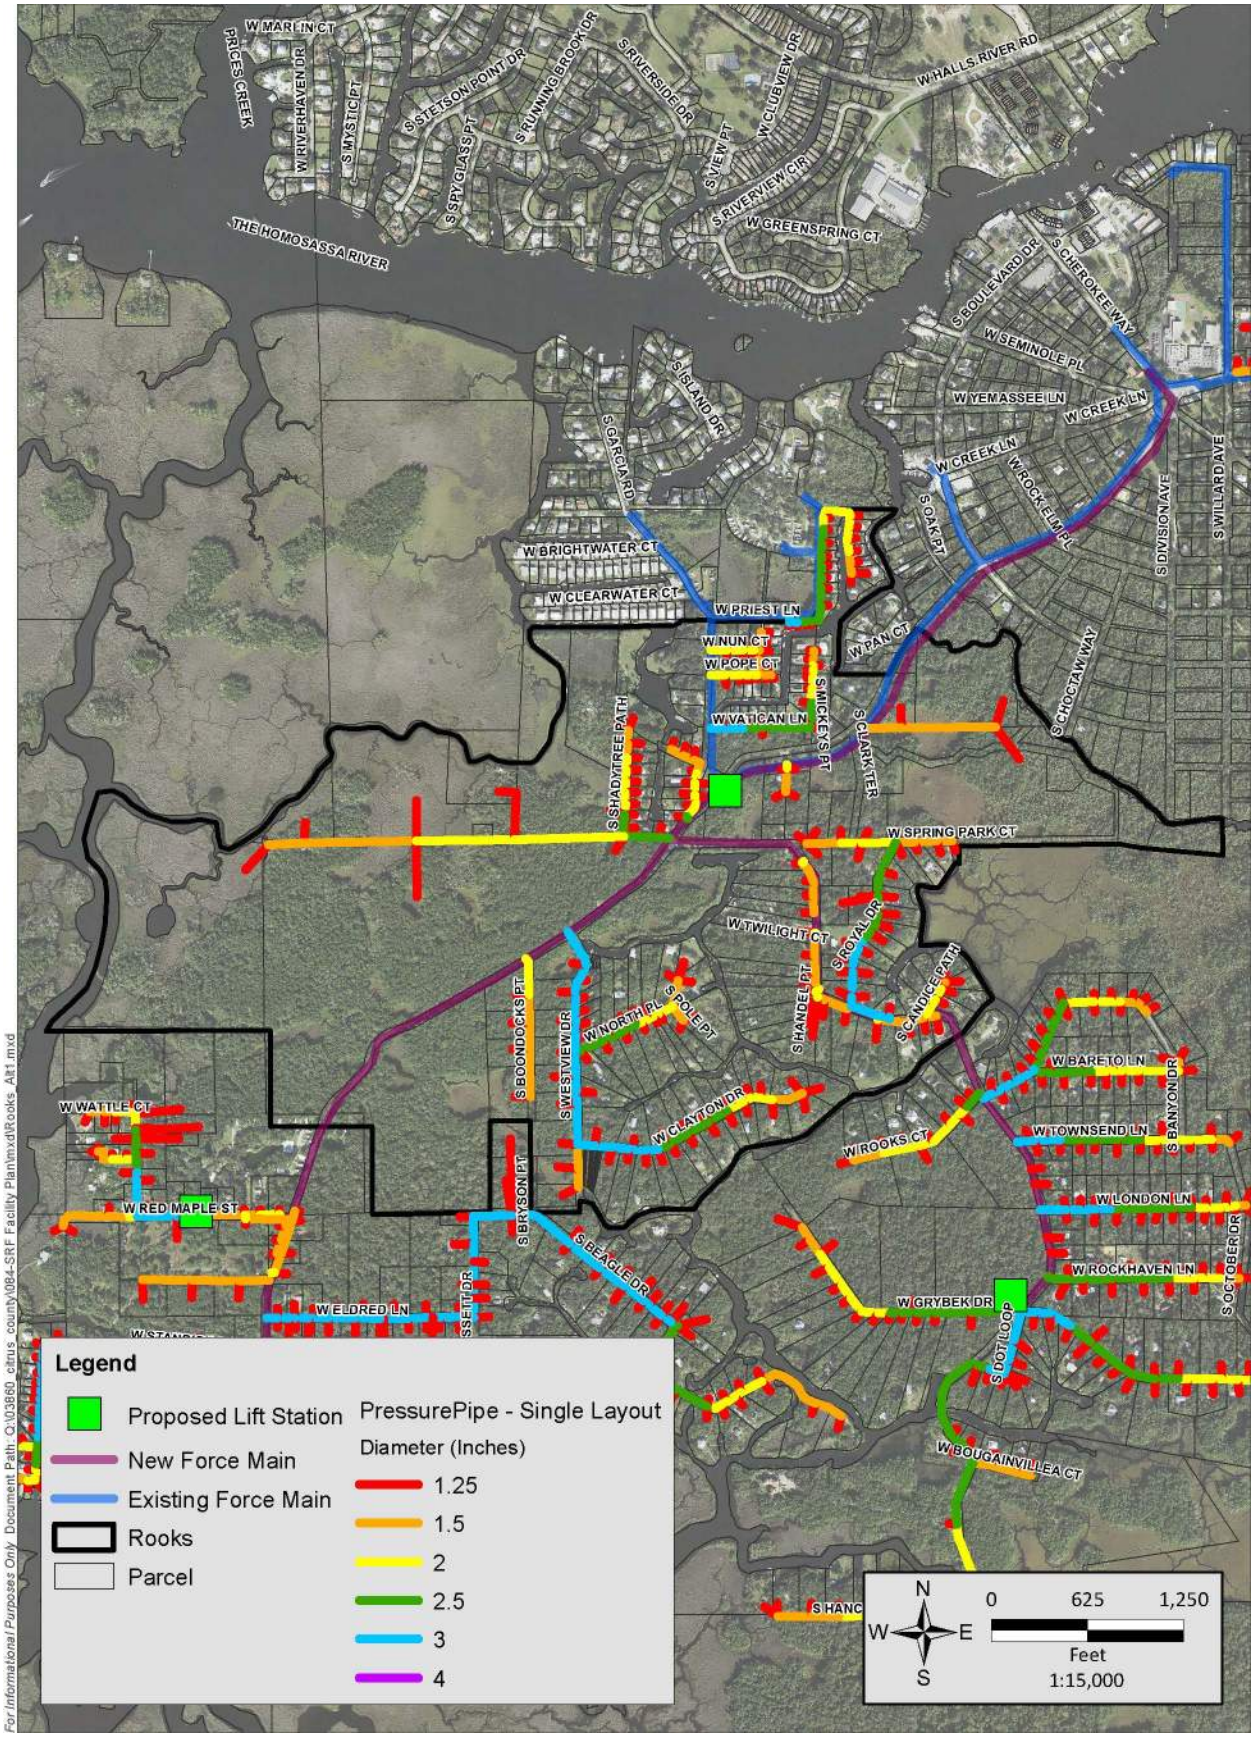

Therefore, the NPV for Alternative 1 is $7.30 million. Table 4-17 shows the NPV calculation of Alternative 1.

4.2.6.1 Proposed Infrastructure for Alternative 1 – Homosassa Retreats

Figure 4-6 shows the proposed layout for Alternative 1 for the Homosassa Retreats project. The design involves installing the following in the Homosassa Retreats project area:

- 104 simplex grinder pump stations.
- Approximately 12,954 LF of 1.25-inch HDPE pipe.
- Approximately 2,113 LF of 1.5-inch HDPE pipe.
- Approximately 5,218 LF of 2-inch HDPE pipe.
- Approximately 5,761 LF of 2.5-inch HDPE pipe.
- Approximately 1,988 LF of 3-inch HDPE pipe.

3	Performance Bond and Contingencies	$993,984
	Total Bid Amount With Contingency	**$5,554,000**

4.2.6.3 Operation and Maintenance Costs – Homosassa Retreats

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is approximately $144. This annual cost considers replacement of miscellaneous parts due to normal wear and tear and replacement of the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.
- Annual energy cost. The annual energy cost was estimated assuming a cost per $/kWh of $0.12. Table 4-19 shows the annual energy cost for Alternative 1.

4.3 Alternative 2: Hybrid Gravity Collection System and Duplex Low-Pressure Pump Stations

Alternative 2 is a combined gravity and low-pressure collection system. This system uses shallow 6-inch gravity laterals mains to collect and transfer wastewater flows from multiple homes to a common duplex LS.

Wastewater from the residents flows through gravity service lines and continues through gravity transmission mains within the ROWs to the duplex grinder pump station within the ROWs. This duplex grinder pump station arrangement will have one pump in stand-by. The waste is ground into slurry and then pumped through small-diameter force mains to treatment facilities. Above-grade components for the duplex grinder pump stations consist of a pole-mounted electrical panel containing disconnects and alarms. Typical floats are used to control the pumps operation.

Each duplex grinder pump station basin serves up to nine single-family residences, including improved and unimproved lots. The basin is 42-inch diameter, has an H-20 rated composite cover, and requires a varying depth based on slope constraints.

The final depths will be determined during design using a 1-percent slope for 4-inch-diameter gravity yard pipes and laterals. These slopes maintain self-scouring velocities while not allowing the liquids and solids to separate.

Table 4-30 summarizes the advantages and disadvantages of gravity sewers combined with duplex grinder pump stations.

Table 4-30 Alternative 2 – Combined Gravity and Low-Pressure, Advantages and Disadvantages

Advantages	Disadvantages
The combined gravity/low-pressure system has 189 fewer LSs for the County's maintenance personnel to operate and maintain.	The depth required for installing the pipe ranges from 4 to 6 feet, making the gravity portion of the system relatively expensive to construct and disruptions to homeowners significant during construction (while installing the system and repaving the streets).
Pumps can be more efficient and reduce overall O&M costs compared to Alternative 1.	Potential conflicts between the wastewater lines and other utilities (e.g., storm sewers).
A pump backup is provided in case of lead pump failure.	Higher likelihood of infiltration and inflow due to increased quantities of the gravity collection system.
Reduces septic conditions during periods of low flow compared to Alternative 1.	Flows are conveyed using more piping, which add complexity to the network.

4.3.1 Area 1: Downtown West

4.3.1.1 Proposed Infrastructure for Alternative 2

Figure 4-10 shows a layout of the preliminary design for Old Homosassa Downtown West with Alternative 2. The design involves installing the following in the Downtown West neighborhood:

- 32 duplex grinder pump stations.
- Approximately 4,800 LF of 1.5-inch HDPE force main pipe.
- Approximately 5,700 LF of 2-inch HDPE force main pipe.
- Approximately 705 LF of 3-inch HDPE force main pipe.
- Approximately 50 LF of 4-inch HDPE force main pipe.
- Approximately 14,210 LF of 6-inch PVC gravity sewer lateral pipe.

4.3.1.2 Capital Cost – Downtown West

Table 4-31 presents the EOPCC for this alternative and summarizes the items; Appendix B provides a detailed cost breakdown and the NPV calculations.

3	Performance Bond and Contingencies	$1,458,210
	Total Bid Amount With Contingency	**$8,147,000**

4.3.1.3 O&M Cost – Downtown West

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is about $144; therefore, considering that this project has two pumps per LS, the annual maintenance cost will be $288. This annual cost considers replacing minor pieces due to normal wear and tear and replacing the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.
- Annual energy cost: The annual energy cost was estimated assuming a cost per $/kWh of $0.12. Table 4-32 shows the annual energy cost for Alternative 2.

4.3.3.1 Proposed Infrastructure for Alternative 2 – Downtown North

Figure 4-12 shows a layout of the preliminary design for Downtown North with Alternative 2. The design involves installing the following in the Downtown North neighborhood:

- 17 duplex grinder LSs.
- Approximately 7,982 LF of 1.5-inch HDPE pipe.
- Approximately 1,251 LF of 2-inch HDPE pipe.
- Approximately 11,145 LF of 6-inch PVC gravity sewer lateral pipe.

4.3.3.2 Capital Cost

Table 4-37 presents the EOPCC for this alternative and summarizes the items; Appendix B provides a detailed cost breakdown and the NPV calculations.

Table 4-37 EOPCC for Alternative 2 on Downtown North

Item	Description	Cost
1	Construction of LSs (17 duplex LSs, electrical work, and mechanical equipment)	$1,598,000
2	Installation of sewer pipes and horizontal directional drilling (1.5- and 2-inch diameter force main and 6-inch gravity sewer)	$2,601,599
3	Performance Bond and Contingencies	$915,513
	Total Bid Amount With Contingency	**$5,115,000**

4.3.3.3 O&M Cost

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is about $144; therefore, considering that this project has two pumps per LS, the annual maintenance cost will be $288. This annual cost considers replacing minor pieces due to normal wear and tear and replacing the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.
- Annual energy cost: The annual energy cost was estimated assuming a cost per $/kWh of $0.12. Table 4-38 shows the annual energy cost for Alternative 2.

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

Combining the annual maintenance and energy costs, Alternative 2 is expected to have an annual O&M cost of $5,127. To estimate the amount of the total annual maintenance during the planning horizon, we used an inflation rate of 3 percent and 20 years of annual payments in maintenance. The present value of the annual O&M cost for Alternative 2 is $76,279 for the entire Downtown West project.

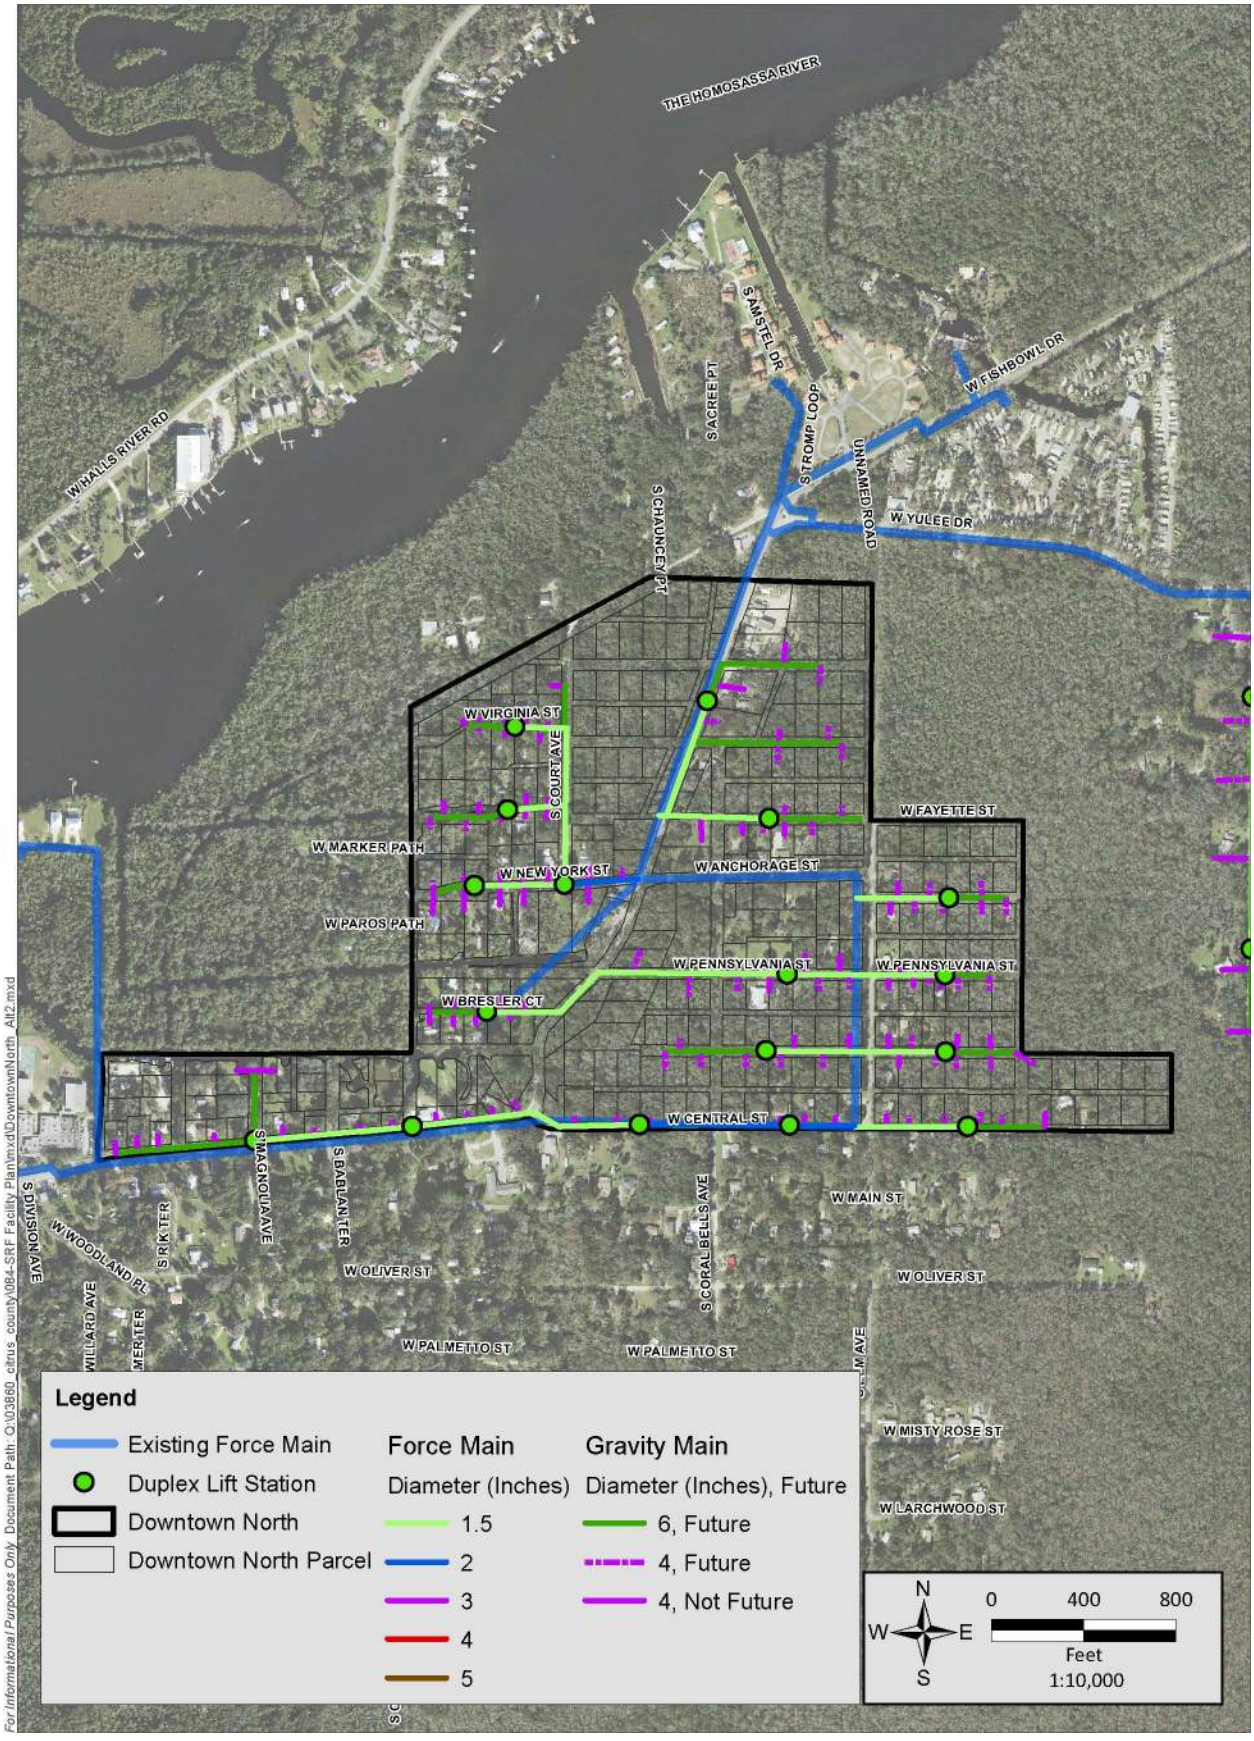

Therefore, the NPV for Alternative 2 is $5.19 million. Table 4-39 shows the NPV calculation of Alternative 2.

4.3.4 Area 4: Homosassa Park

4.3.4.1 Proposed Infrastructure for Alternative 2 – Homosassa Park

Figure 4-13 shows a layout of the preliminary design for Homosassa Park with Alternative 2. The design involves installing the following in the Homosassa Park neighborhood:

- 12 duplex grinder LSs.
- Approximately 5,998 LF of 1.5-inch HDPE pipe.
- Approximately 30 LF of 2-inch HDPE pipe.
- Approximately 7,777 LF of 6-inch PVC gravity sewer lateral pipe.

3	Performance Bond and Contingencies	$665,187
	Total Bid Amount With Contingency	**$3,717,000**

4.3.4.3 O&M Cost – Homosassa Park

O&M costs were estimated based on the following assumptions:

- Annual maintenance cost for the grinder pumps is about $144; therefore, considering that this project has two pumps per LS, the annual maintenance cost will be $288. This annual cost considers replacing minor pieces due to normal wear and tear and replacing the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times.

Combining the annual maintenance and energy costs, Alternative 2 is expected to have an annual O&M cost of $3,619. To estimate the amount of the total annual maintenance will cost during the planning horizon, we used an inflation rate of 3 percent and 20 years of annual payments in maintenance. The present value of the annual O&M cost for Alternative 2 is $53,844 for the entire Homosassa Park project.

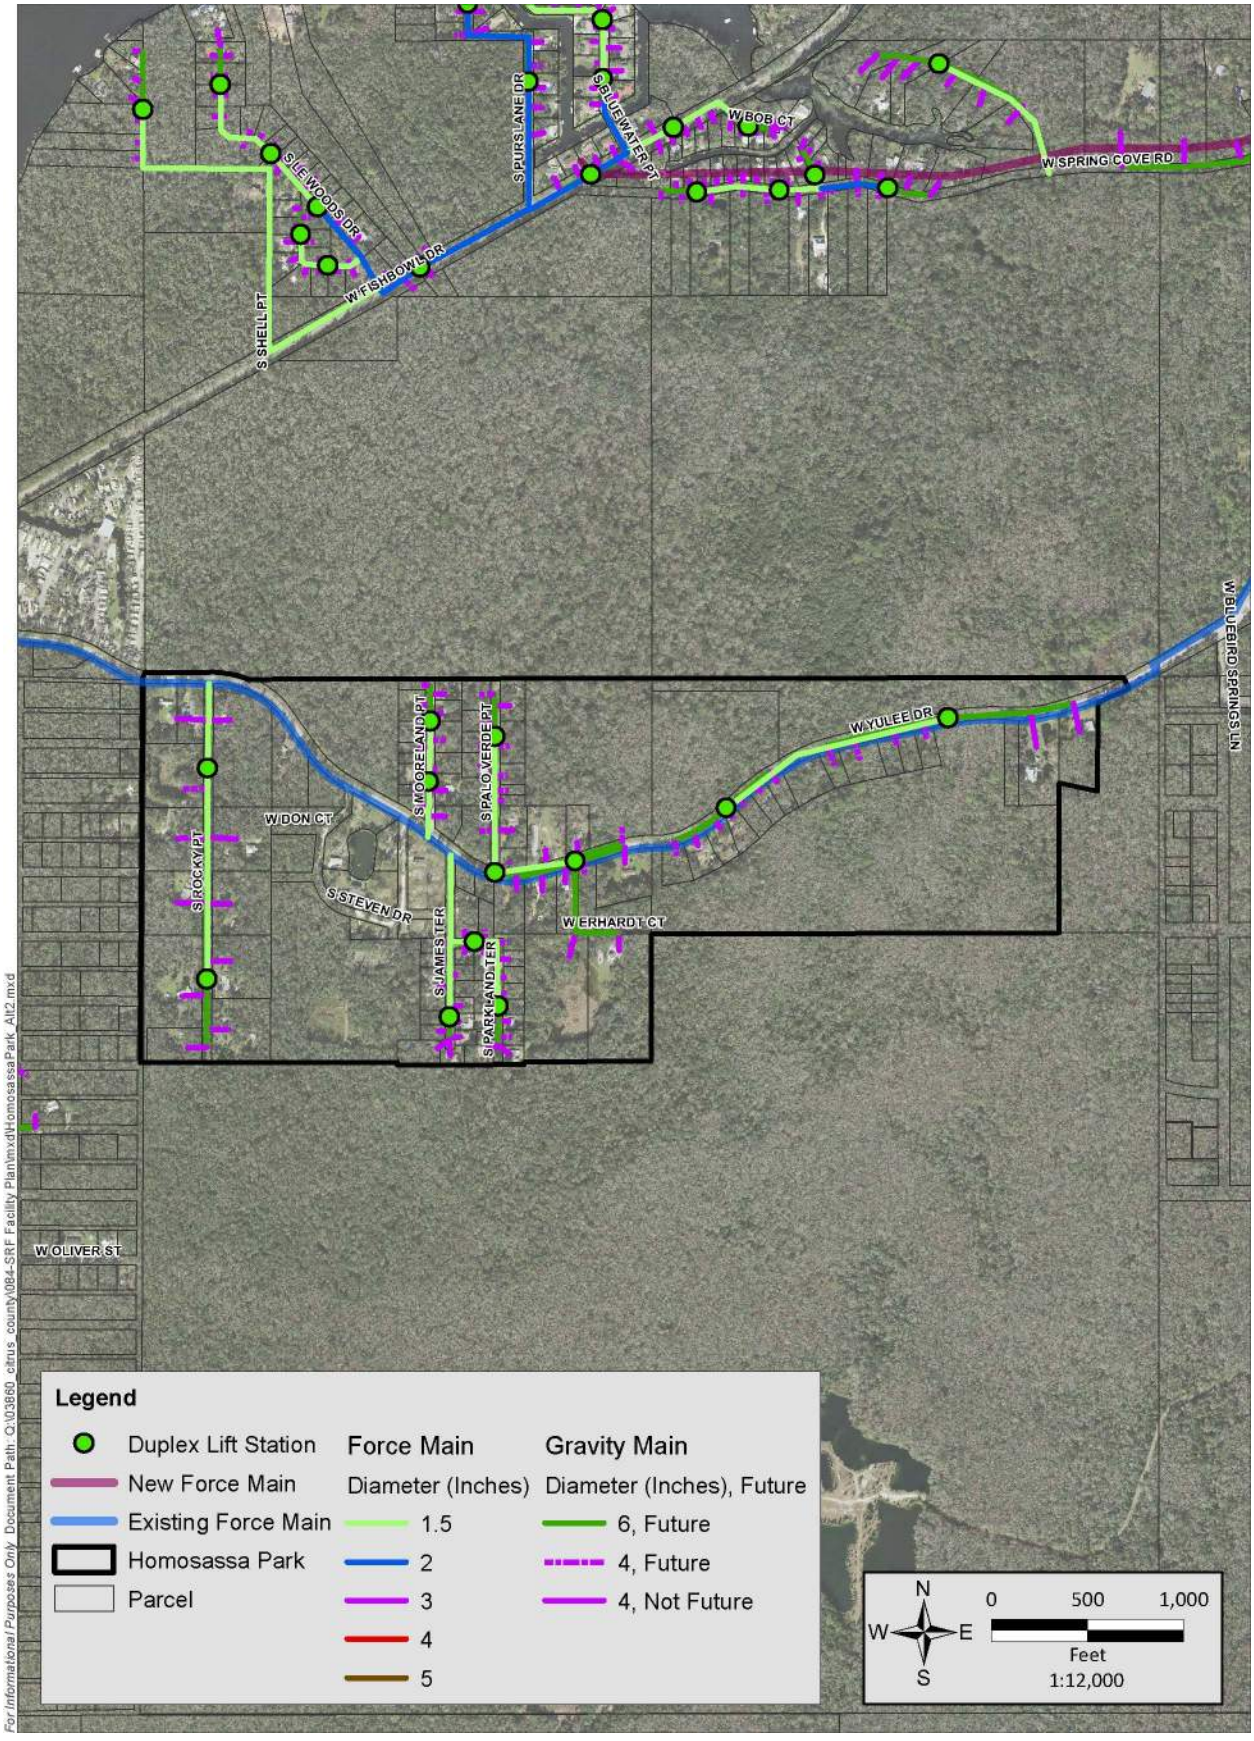

Therefore, the NPV for Alternative 2 is $3.77 million. Table 4-42 shows the NPV calculation of Alternative 2.

4.4 Additional Improvements to the Existing Sewer System

Jones Edmunds evaluated the impact on the existing sewer system of the additional flow that will be added as part of the connection of the nine areas included in this Facility Plan. As mentioned in Chapter 3, the existing system starts to present capacity problems to handle the flow generated after connecting the Rooks area. Therefore, additional improvements to the existing system are necessary to manage the flow generated in the Homosassa Retreats, Cedars, Mason Creek, and Homosassa Ph-05 areas.

As part of this Facility Plan, an additional modeling scenario was created to determine the necessary improvements to manage all the projected flows. However, no alternatives were developed to compare options to determine the best project to address the needed improvements. Therefore, a more detailed analysis is necessary to evaluate the improvements proposed in this section. The proposed improvements are shown in Figure 4-19 and are described as follow:

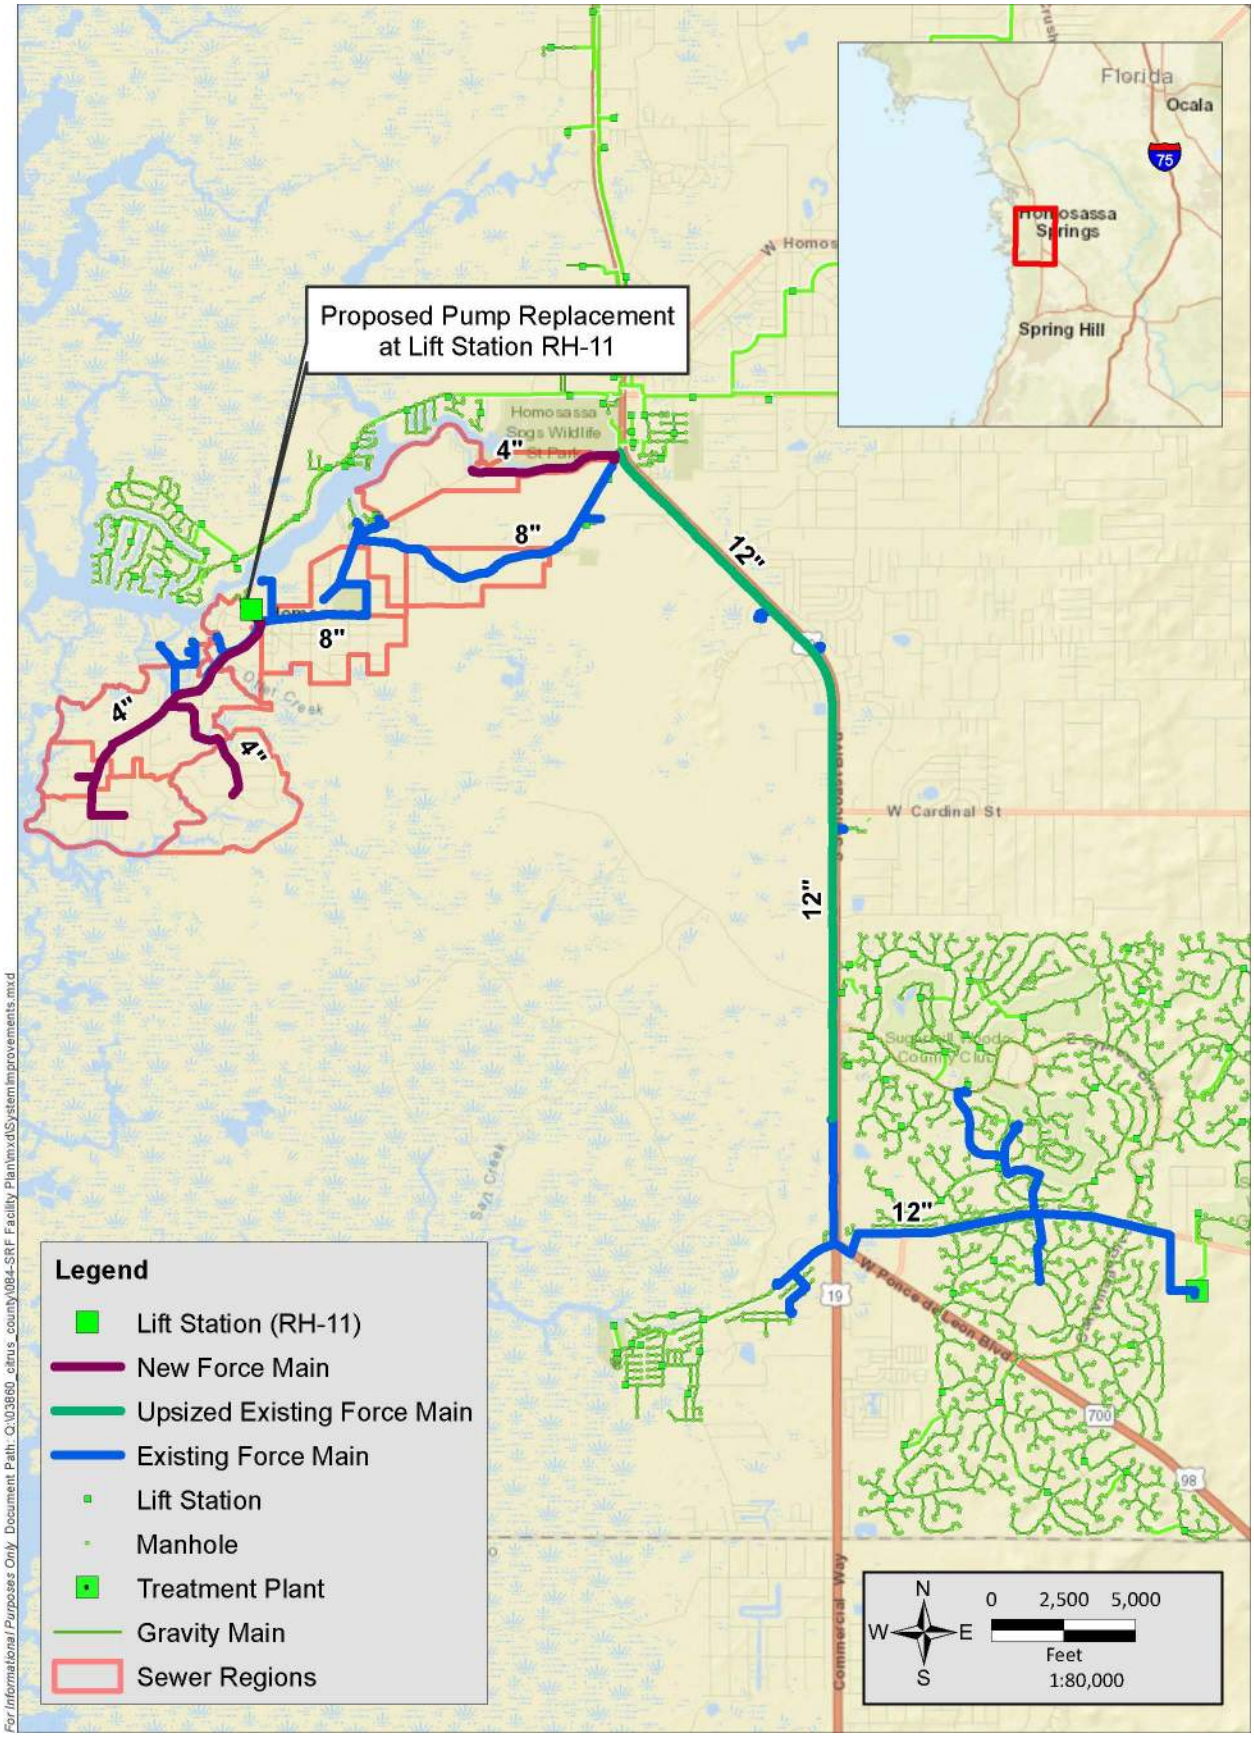

- Upgrade the pumps at LS RH-11 to the recommended conditions (Table 4-58); a preliminary pump selection was made based in the design pumping rate.
- Install a new Master LS at the intersection of W. Spring Park Court and S. Mason Creek Road with the operating conditions based on a design pump rate of 180 gpm and a head of 29 feet. The LS will intercept flow from Rooks, Cedars, Mason Creek, and Homosassa Retreats and pump it through a proposed 6-inch force main to LS RH-11.
- Install approximately 4,800 LF of 6-inch force main from the new Master LS north along S. Mason Creek Road up to an existing manhole in the intersection of S. Mason Creek Road and S. Cherokee Way.
- Install approximately 26,400 LF of 12-inch force main along S. Suncoast Boulevard from LS MC-21 to LS CZ-11. This pipeline will replace the existing 8-inch force main.
- LS CZ-10 and LS Tradewind are predicted to experience dead-head and will be unable to pump PHFs during high-head conditions. We recommend upsizing these pumps with higher head models capable of pumping build-out PHFs under high-head conditions.
- LS SMW-20, LS SMW-36, LS Sunny Day, LS Janack, LS MC-21, LS Black, LS RH-22, LS Turtle Creek, and LS Camp+Water are predicted to experience low head conditions causing the existing pumps to run out of their curves. Our recommendation is to replace these pumps with a lower head model.

5 SELECTION OF AN ALTERNATIVE

To achieve the objective of reducing the nutrient loads going into the Homosassa Springs, Jones Edmunds evaluated two alternatives to eliminate the septic tanks in the nine areas to be connected to the existing sewer system.

To ensure the objectivity and uniformity of the analysis, the mean-weighted-average method has been used to select the recommended alternative. The criteria considered in the comparison were:

- Capital Cost.
- O&M Cost.
- Reliability.
- Constructability.

A scale from 0 through 2 was used, with 2 meaning fully compliant to the criterion and 0 meaning no compliance. An individual evaluation was made for each neighborhood.

5.1 ALTERNATIVES EVALUATION FOR DOWNTOWN WEST AREA

Table 5-1 summarizes the methodology used for comparing the alternatives in Downtown West and the results of the analysis for each alternative.

Table 5-1 Alternatives Evaluation – Downtown West

Criterion	Weight (%)	Score		Weighted Score	
		Alternative 1	Alternative 2	Alternative 1	Alternative 2
Capital Cost	30	2	1	0.60	0.30
Present Value of the O&M Cost	30	1	2	0.30	0.60
Reliability	25	1	2	0.25	0.50
Constructability	15	2	1	0.30	0.15
			Total Score	**1.45**	**1.55**

The following describes each criterion used for the evaluation:

- Capital Cost: Alternative 1 has the lowest capital cost. The main reason for Alternative 1 having the lowest capital cost is the lower cost of the grinder pump stations compared to the duplex pump stations. Although Alternative 1 requires a higher number of grinder pumps, the unit cost for these is relatively low.
- O&M Cost: O&M cost for Alternative 2 is significantly lower than Alternative 1 due to fewer pumps being used.
- Reliability: This criterion considered the reliability of the system to manage the projected flows in a consistent manner with minimal consequences in case of an operational disruption. Alternative 2 received the highest score because it offers pump redundancy. In case of a malfunction in one of the pumps, the stand-by pump can manage the expected flows and allow time to resolve the issue without causing a service interruption.

Based on the analysis above, Alternative 2 obtained the highest score. Therefore, Jones Edmunds recommends that Alternative 2 be implemented to fulfill the objective of eliminating the septic tanks in the Downtown West area.

5.2 Alternatives Evaluation for Downtown East Area

Table 5-2 summarizes the methodology used for comparing the alternatives in Downtown East and the results of the analysis for each alternative.

Table 5-2 Alternatives Evaluation – Downtown East

Criterion	Weight (%)	Score		Weighted Score	
		Alternative 1	Alternative 2	Alternative 1	Alternative 2
Capital Cost	30	1	2	0.30	0.60
Present Value of the O&M Cost	30	1	2	0.30	0.60
Reliability	25	1	2	0.25	0.50
Constructability	15	2	1	0.30	0.15
			Total Score	**1.15**	**1.85**

The following describes each criterion used for the evaluation:

- Capital Cost: Alternative 2 results in the lowest capital cost. The main reason for Alternative 2 having the lowest capital cost is the fewer grinder pump stations. Although Alternative 2 proposes installing a more complex LS, the substantially higher number of LSs in Alternative 1 makes a significant difference.
- O&M Cost: The O&M cost for Alternative 2 is significantly lower than Alternative 1 due to fewer pumps being used.
- Reliability: This criterion considered the reliability of the system to manage the projected flows in a consistent manner with minimal consequences in case of an operational disruption. Alternative 2 received the highest score because it offers pump redundancy. In case of a malfunction in one of the pumps, the stand-by pump can manage the expected flows and allow time to resolve the issue without causing a service interruption.
- Constructability: For this criterion, both alternatives present similar challenges (work within the ROW); however, the highest ranking was awarded to Alternative 1 due to the reduced amount of open-cut pipe installation/construction.

Based on the analysis above, Alternative 2 obtained the highest score. Therefore, Jones Edmunds recommends that Alternative 2 be implemented to fulfill the objective of eliminating the septic tanks in the Downtown East area.

5.3 Alternatives Evaluation for Downtown North Area

Reliability	25	1	2	0.25	0.50
Constructability	15	2	1	0.30	0.15
			Total Score	**1.15**	**1.85**

The following describes each criterion used for the evaluation:

- Capital Cost: Alternative 2 results with the lowest capital cost. The main reason for Alternative 2 having the lowest capital cost is the fewer grinder pump stations. Although Alternative 2 proposes installing a more complex LD, the substantially higher number of lift stations in Alternative 1 makes a significant difference.
- O&M Cost: The O&M cost for Alternative 2 is significantly lower than in Alternative 1 due to fewer pumps being used.
- Reliability: This criterion considered the reliability of the system to manage the projected flows in a consistent manner with minimal consequences in case of an operational disruption. Alternative 2 received the highest score because it offers pump redundancy. In case of a malfunction in one of the pumps, the stand-by pump can manage the expected flows and allow time to resolve the issue without causing a service interruption.

6 ENVIRONMENTAL REVIEW

Appendix C provides an Environmental Review Report that presents the methods and results for an environmental assessment completed for the project area that assessed existing land use, listed wildlife species, and floodplains. The following briefly summarizes the results of this assessment:

- The installation of the proposed wastewater pipe network and pump stations will occur within existing ROW and is not expected to have any significant adverse effects on critical habitat or threatened or endangered animal species.
- Jurisdictional wetlands and surface waters do occur within the road ROW in some areas. However, impacts to wetlands and surface waters will be limited to a narrow area and will be temporary in nature. The necessary state and federal permits will be obtained authorizing jurisdictional wetland and surface water impacts before construction.
- Floodplains do occur within the project area. However, no net fill of floodplains is proposed since wastewater infrastructure will be installed underground.

7 PUBLIC PARTICIPATION

A County Commission public hearing for the Facilities Plan is expected to be held at the Citrus County Courthouse in May 2021. The hearing advertisement, agenda and meeting minutes will be provided to FDEP after the hearing is held.

8 FINANCIAL FEASIBILITY

Citrus County plans to repay the State Revolving Fund (SRF) loan using development-capacity charges assessed to new connections to the wastewater system, as well as net operating revenues of the County's water and sewer fund if the development capacity fees do not cover the repayment cost. The current wastewater treatment development capacity charge is $2,745 per Equivalent Residential Unit (ERU). The County has the legal authority to adjust water and sewer rates to ensure revenue availability for repaying the loan. A Capital Financing Plan will be provided to FDEP in May 2021. Appendix D includes a Fiscal Sustainability Plan.

1 PROJECT BACKGROUND

The Homosassa River is in west Citrus County approximately 1 mile west of Homosassa Springs on US Highway 19. The Homosassa River originates in the Homosassa Main Springs Pool in the Ellie Schiller Homosassa Springs Wildlife State Park and flows 8 miles to the Gulf of Mexico. The source waters for the Homosassa River consist of eight springs called the Homosassa Springs Group. The Homosassa Springs Group are included in the Florida Springs and Aquifer Protection Act, which provides for the protection and restoration of Outstanding Florida Springs (OFS). The Florida Department of Environmental Protection (FDEP) has identified the water quality of the OFS as impaired for the existence of nitrate-nitrogen as a primary pollutant. The nitrate-nitrogen has produced an excessive growth of algae that has caused adverse effects on the flora and fauna of these springs.

As stated in the Homosassa River Surface Water Improvement and Management Plan, 2017, the Homosassa River springs total maximum daily loads (TMDLs) will require reductions in nitrate concentrations ranging from 63 percent to 76 percent. FDEP has developed a draft Nitrogen Source Inventory Loading Tool (NSILT) to identify major sources of nitrogen and estimate their loads to groundwater within the Homosassa River Basin Management Action Plan (BMAP) area. The tool determined that 16 percent of the nutrient content in the Homosassa River comes from septic tanks. As a result, Citrus County identify areas along the Homosassa river that currently have septic tanks and plans to phase out septic tanks in a 5-Year Plan as part of the Onsite Sewage Treatment and Disposal System (OSTDS) Remediation Plan in the adopted BMAP. This phase-out program is essential to the prevention of the groundwater and surface-water contamination via nitrate-nitrogen to achieve the required TMDL previously mentioned.

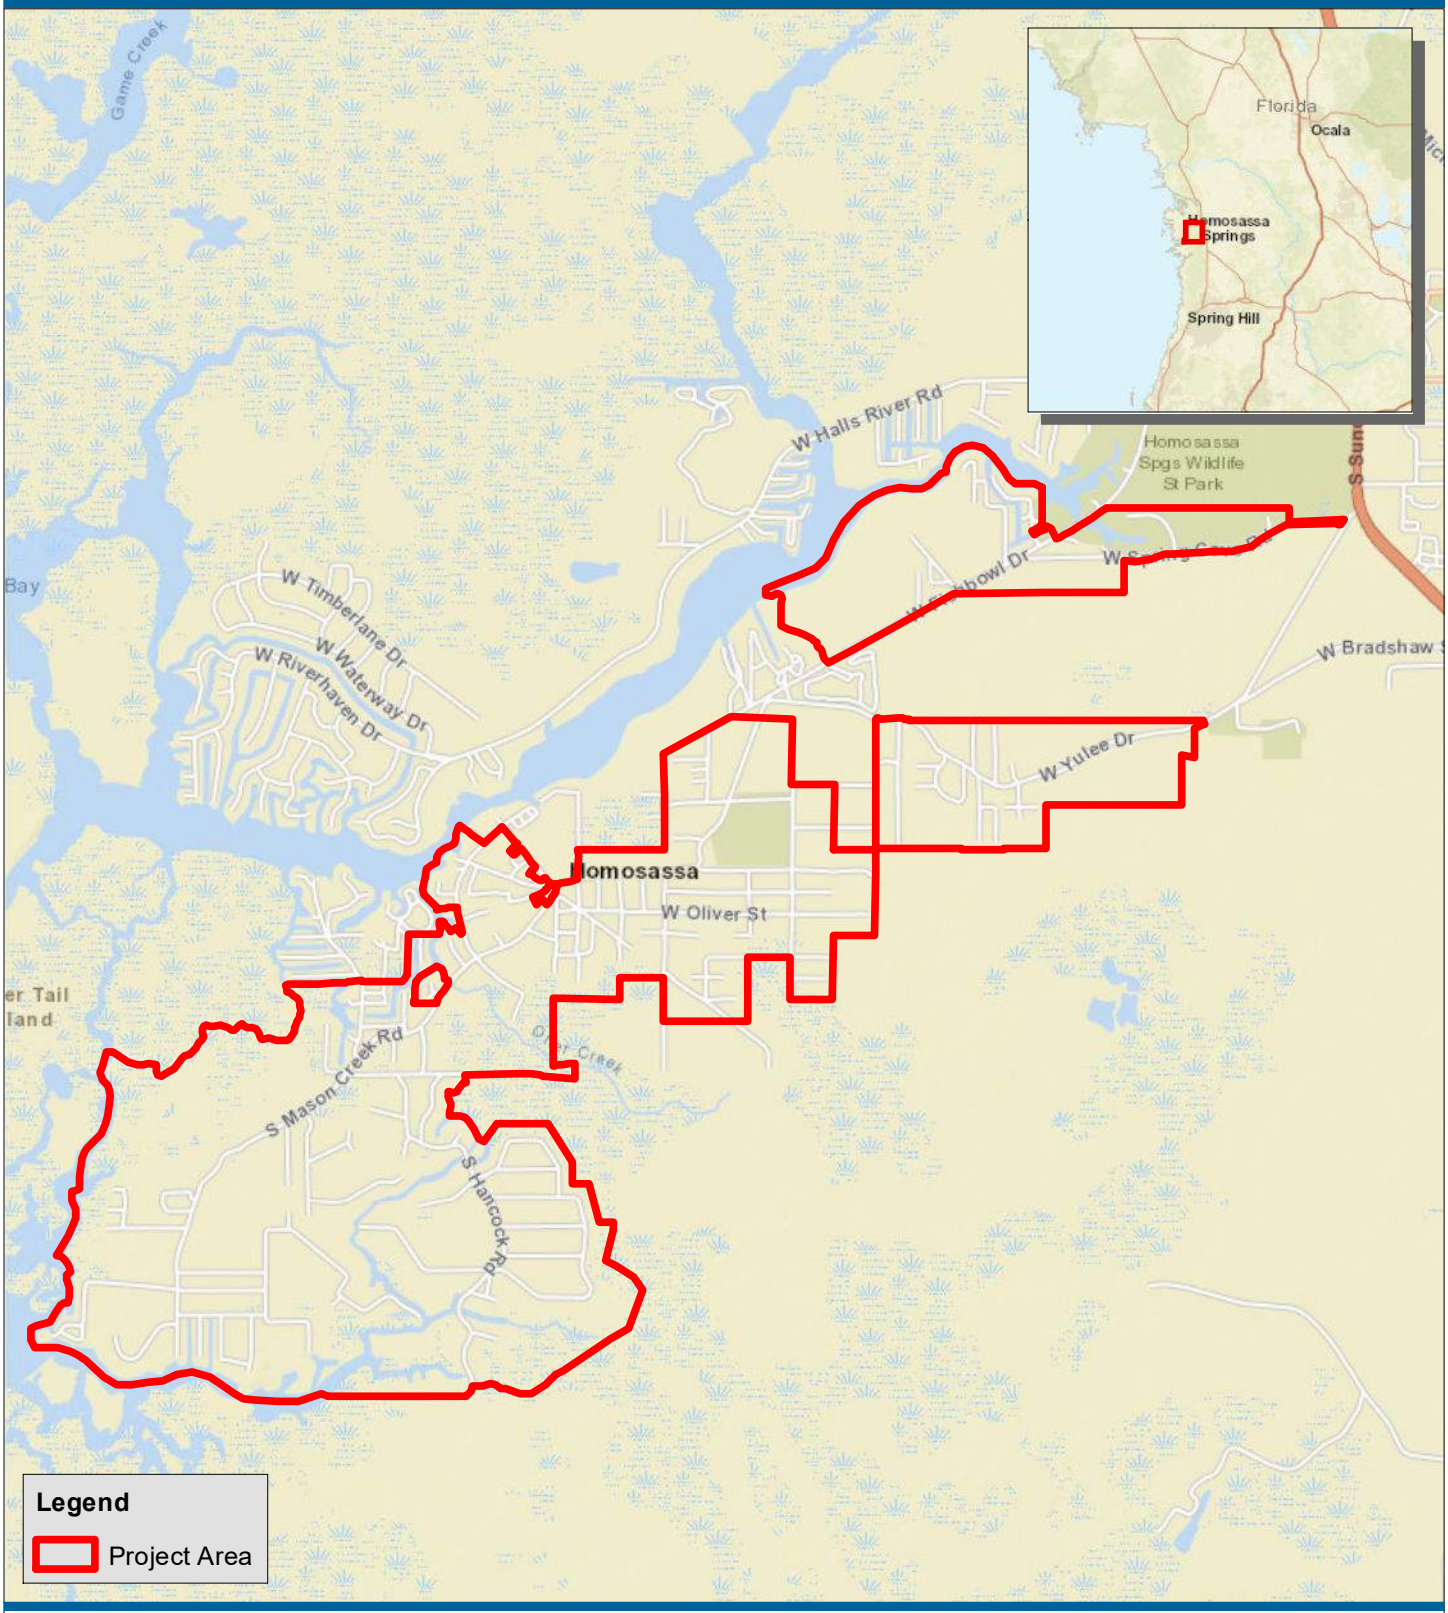

2 PROJECT DESCRIPTION

This project consists of nine areas in Old Homosassa of approximately 1,140 improved lots, which will be connected to the central sewer system (Figure 1). Several force mains will be upgraded and numerous pump stations will be installed. This infrastructure will be installed within existing road right-of-way (ROW).

3 ENVIRONMENTAL BENEFITS

The current and future Homosassa wastewater treatment plan (WWTP) service area is in a karst region within the Chassahowitzka springshed. Nitrogen loading to groundwater and surface waters by septic systems has been identified as a major threat to the water quality in the watershed. Expansion of the Homosassa WWTP, decommissioning of over 1,100 septic systems, and the ability to accommodate future growth with a centralized wastewater system within the current and future service area will protect the groundwater quality and springshed from the threat posed by nutrients from septic tank drainfields.

4 ENVIRONMENTAL EFFECTS

Most of the project activities will occur within maintained road ROWs within residential subdivisions (Photographs 1 and 2). The wastewater pipes are to be installed using the open-pit method, which requires a temporary disturbance area of approximately 10 to 15 feet in width depending on the size of the proposed pipe.

Jones Edmunds staff performed a biological survey and habitat assessment for the proposed Homosassa Wastewater Service Area (WSA) Septic-to-Sewer Conversion Project in March 2021. This assessment was to characterize the native vegetative communities present on site, identify the presence or likely presence of listed wildlife species, and assess the area for floodplains. Listed species are those animals formally listed as Endangered, Threatened, or Species of Special Concern by the US Fish and Wildlife Service (USFWS) or the Florida Fish and Wildlife Conservation Commission (FWC). The following presents the results of this assessment.

4.1 Land Use

Jones Edmunds characterized land use within the project area using the Florida Land Use, Cover, and Forms Classification System (FLUCFCS). Land uses in the project area include Urban and Built-Up (FLUCFCS 1000), Open Land (FLUCFCS 1900), Upland Forest (FLUCFCS 4000), Surface Waters (FLUCFCS Code 5000), and Wetlands (FLUCFCS 6000) (Figures 2a and 2b).

Urban and Built-Up (FLUCFCS 1000) areas consist of residential land with varying degrees of density and infrastructure development including commercial, retail, industrial, religious, military, and governmental facilities throughout the project area. Vegetation is dominated by turf grasses and a wide variety of ornamentals and native species that receive regular maintenance and mowing.

Open Land (FLUCFCS 1900) areas are characterized as inactive land with street patterns but without structures and are in the southwest region of the project limits. These areas appear to be inactive land dominated by grasses and shrubs and may be in a transitional state, ultimately to be developed into one of the typical urban land uses, although at the time of the assessment the intended use may not be clear.

Upland Forest (FLUCFCS 4000) areas are found throughout the project area and consist of upland forest dominated by a diversity of species such as pines and hardwoods. A wide variety of trees are within these communities depending on the location, but in all cases the habitat is considered an upland, not wetland, vegetative association. No xeric or other critical upland habitat is within the project area.

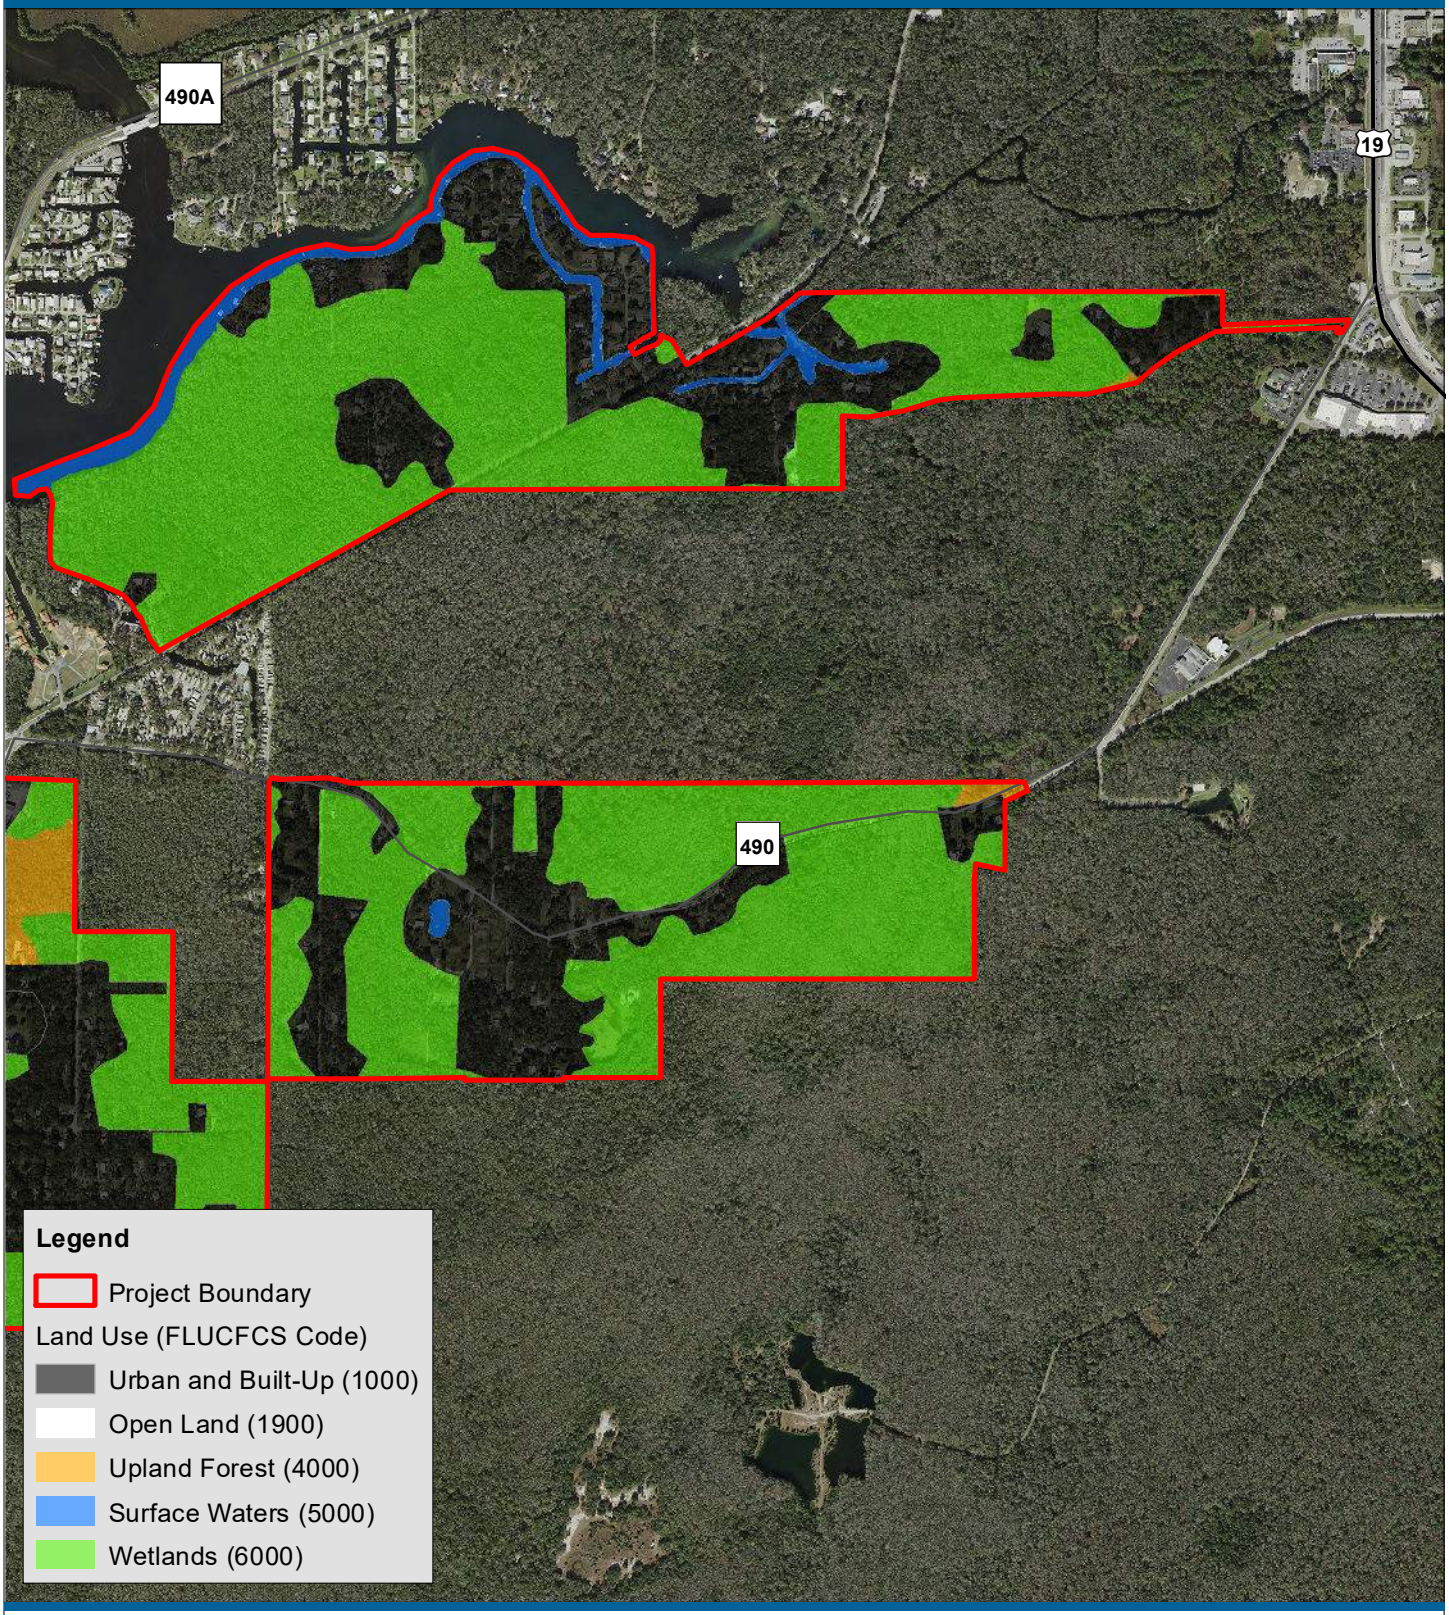

Surface Waters (FLUCFCS 5000) areas include primarily rivers, creeks, canals, ditches, roadside swales, ponds, and man-made reservoirs that are within the project area. The dominant surface waters are roadside swales that are in the road ROWs. Several creek systems will be crossed with the proposed wastewater lines. These lines will be directionally drilled under some surface waters and/or installed using an open-cut trench, which will result in only a temporary impact.

Wetlands (FLUCFCS 6000) areas are throughout the project area and range from forested to herbaceous. In some areas, the ROW contains jurisdictional wetlands. If the wetlands cannot be avoided, temporary impacts will likely occur to some of these wetlands resulting from the pipe installation. However, these wetlands will be backfilled to grade and seeded. Before construction, the necessary state and federal permits will be obtained authorizing activities in wetlands and any compensatory mitigation.

4.2 THREATENED AND ENDANGERED SPECIES

4.2.1 FEDERALLY LISTED WILDLIFE SPECIES

Before field investigations, Jones Edmunds used the USFWS Information, Planning, and Consultation System (IPaC) webtool to complete a desktop assessment of federally listed wildlife species and critical habitat that could occur within the project area. The USFWS IPaC system determined that the following listed wildlife species that could occur in the area include the following:

- Eastern Black Rail (*Laterallus jamaicensis spp. jamaicensis*).
- Florida Scrub-Jay (*Aphelocoma coerulescens*).
- Red-Cockaded Woodpecker (*Picoides borealis*).
- Wood Stork (*Mycteria americana).*
- Eastern Indigo Snake (*Drymarchon corais couperi*).
- Gopher Tortoise (*Gopherus polyphemus*).

Attachment 1 provides the results of the IPaC consultation. The bald eagle was also considered.

Using IPaC results, in March 2021 Jones Edmunds conducted a preliminary site assessment of the project area to document the presence/absence of listed wildlife species or critical habitat. No federally listed wildlife species were observed during field investigations. Table 1 summarizes the wildlife species observed at the site during the March 2021 Environmental Assessment.

The following provides potential effects and environmental considerations for these species.

4.2.1.1 Eastern Black Rail

Coastal marsh habitat does exist adjacent to road ROWs where wastewater pipes will be installed. However, impacts to these areas are not expected since all pipes will be installed in the road ROWs. Therefore, no adverse impacts are expected to this species.

4.2.1.2 Florida Scrub-Jay, Red-Cockaded Woodpecker

These species require high-quality scrub or pine flatwoods habitat to survive. These habitats are not within the road ROW where pipes will be installed. Therefore, no adverse impacts are expected to these species.

4.2.1.3 Wood Stork

No wood stork core foraging areas as delineated by the USFWS are within the project area. However, this species could potentially forage in some of the roadside ditches and swales within or adjacent to the ROW. However, any impacts that are proposed to these ditches and swales will be temporary and the surface waters will be backfilled to grade and stabilized. Therefore, installing the wastewater lines is not expected to adversely affect this species.

4.2.1.4 Eastern Indigo Snake

The Eastern indigo snake prefers xeric habitat that contains gopher tortoise burrows. This habitat is not in the road ROW or adjacent areas. Eastern indigo snakes are also averse to the noise and disturbance associated with roadways and rarely forage alongside roads. Therefore, it is very unlikely that this species utilizes the project limits. However, USFWS Eastern indigo snake protective measures will be implemented by the Contractor performing the work.

4.2.1.5 Gopher Tortoise

No gopher tortoise burrows were observed during field investigations. However, this species could occur within the project area as it could forage along the grassy ROW in maintained upland areas. Before construction activities begin, a formal pedestrian gopher tortoise survey of the project areas will be completed in accordance with FWC guidelines. If any gopher tortoise burrows are to be impacted, the County will obtain the necessary gopher tortoise relocation permit from the FWC and perform the relocations before construction.

4.2.1.6 Bald Eagle

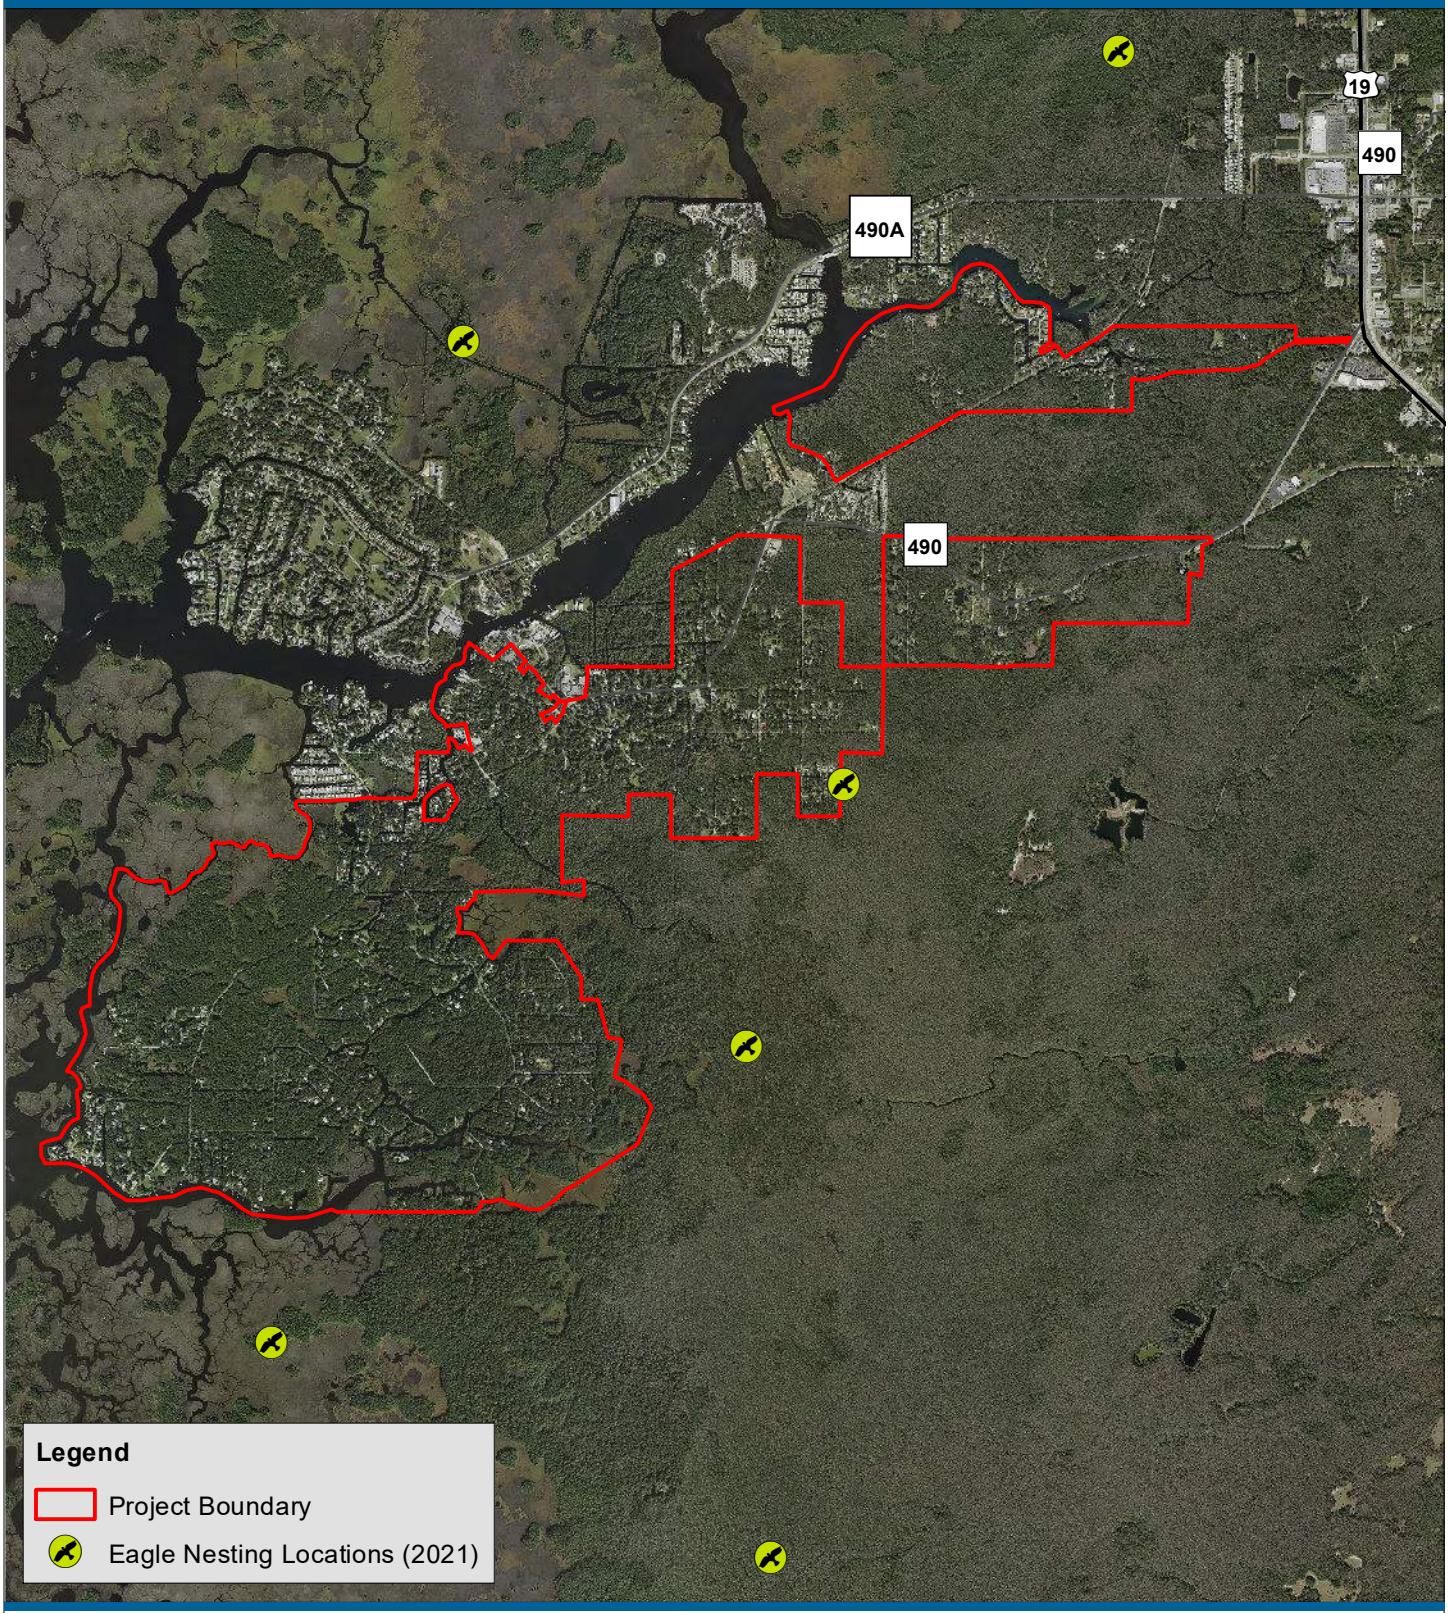

One Bald Eagle nest, listed as CL001, is within the project area. This nest is less than 660 linear feet from the proposed construction area (Figure 3). A confirmation of an active nest will be addressed during the design phase of this project. If work is proposed within the 660-foot protection zone of an active bald eagle nest, construction will be limited to May through October when eagles are not actively nesting.

4.2.2 State-Listed Wildlife Species

In addition to Federally listed species, the Florida Pine Snake (*Pituophis melanoleucus mugitus*) and the Sandhill Crane (*Grus canadensis pratensis*) are State-listed species that may have potential to forage on-site. Both species would likely be occasional foragers along the edge of the ROW, but no nesting or suitable living habitat was observed on-site. Therefore, no adverse impacts to this species are expected.

Based on the results of our assessment, this project will likely not negatively affect Federal or State-listed threatened and endangered species.

5 FLOODPLAINS

Portions of this project do occur within Zone AE and Zone VE Floodplains (Figure 4). However, permanent filling of floodplains is not expected as this project consists of installing wastewater lines, and areas will be backfilled to natural grade.

6 CONCLUSIONS

The installation of the proposed wastewater pipe network and pump stations will occur within an existing ROW and is not expected to have any significant adverse effects on critical habitat or threatened or endangered animal species.

Jurisdictional wetlands and surface waters are within the road ROW in some areas. However, impacts to wetlands and surface waters will be limited to a narrow area and will be temporary. The necessary state and federal permits will be obtained authorizing jurisdictional wetland and surface-water impacts before construction.

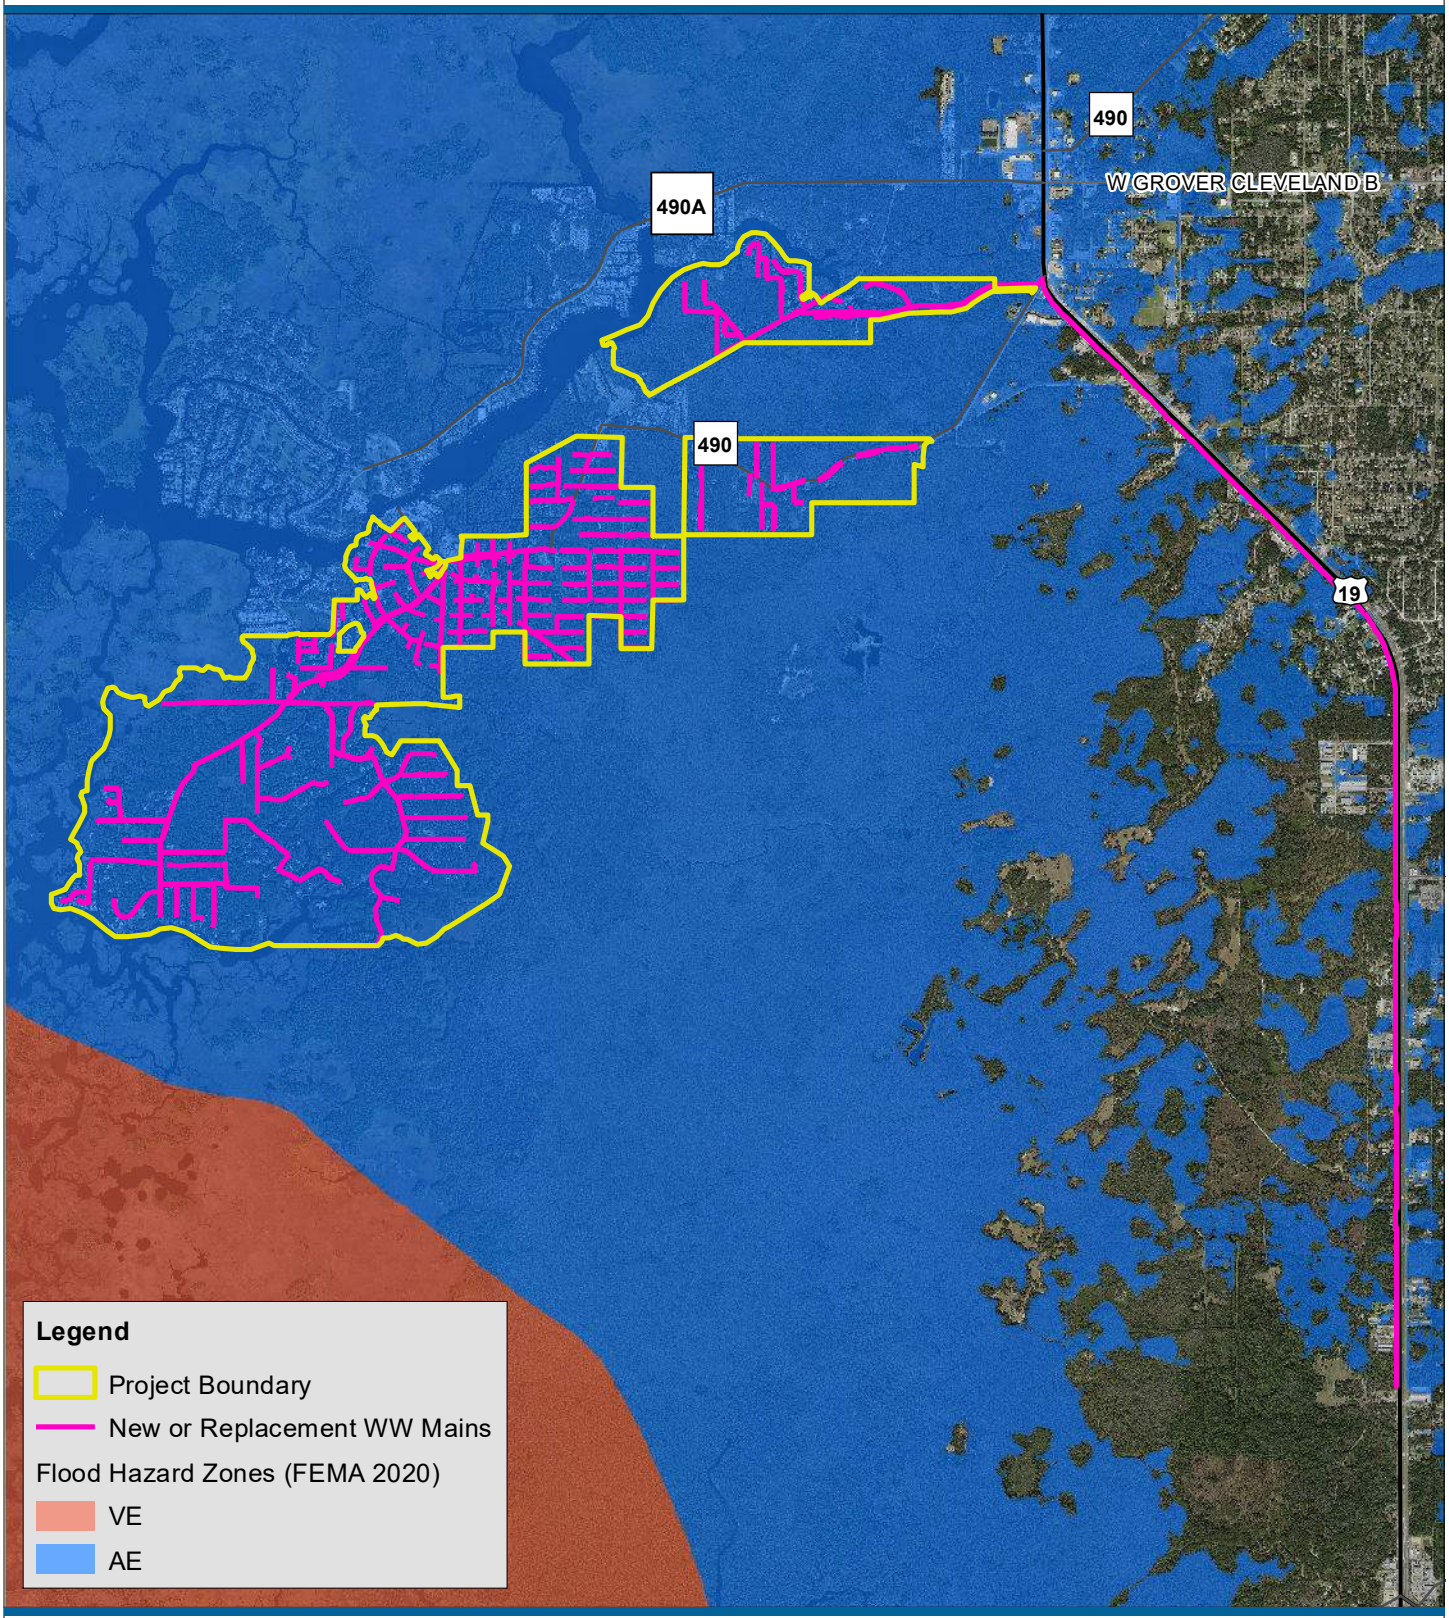

Floodplains are within the project area. However, no net fill of floodplains is proposed as wastewater infrastructure will be installed underground.

Subject: List of threatened and endangered species that may occur in your proposed project location or may be affected by your proposed project

To Whom It May Concern:

The enclosed species list identifies threatened, endangered, proposed and candidate species, as well as proposed and final designated critical habitat, that may occur within the boundary of your proposed project and/or may be affected by your proposed project. The species list fulfills the requirements of the U.S. Fish and Wildlife Service (Service) under section 7(c) of the Endangered Species Act (Act) of 1973, as amended (16 U.S.C. 1531 *et seq.*).

New information based on updated surveys, changes in the abundance and distribution of species, changed habitat conditions, or other factors could change this list. Please feel free to contact us if you need more current information or assistance regarding the potential impacts to federally proposed, listed, and candidate species and federally designated and proposed critical habitat. Please note that under 50 CFR 402.12(e) of the regulations implementing section 7 of the Act, the accuracy of this species list should be verified after 90 days. This verification can be completed formally or informally as desired. The Service recommends that verification be completed by visiting the ECOS-IPaC website at regular intervals during project planning and implementation for updates to species lists and information. An updated list may be requested through the ECOS-IPaC system by completing the same process used to receive the enclosed list.

The purpose of the Act is to provide a means whereby threatened and endangered species and the ecosystems upon which they depend may be conserved. Under sections 7(a)(1) and 7(a)(2) of the Act and its implementing regulations (50 CFR 402 *et seq.*), Federal agencies are required to utilize their authorities to carry out programs for the conservation of threatened and endangered species and to determine whether projects may affect threatened and endangered species and/or designated critical habitat.

A Biological Assessment is required for construction projects (or other undertakings having similar physical impacts) that are major Federal actions significantly affecting the quality of the human environment as defined in the National Environmental Policy Act (42 U.S.C. 4332(2)

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

(c)). For projects other than major construction activities, the Service suggests that a biological evaluation similar to a Biological Assessment be prepared to determine whether the project may affect listed or proposed species and/or designated or proposed critical habitat. Recommended contents of a Biological Assessment are described at 50 CFR 402.12.

If a Federal agency determines, based on the Biological Assessment or biological evaluation, that listed species and/or designated critical habitat may be affected by the proposed project, the agency is required to consult with the Service pursuant to 50 CFR 402. In addition, the Service recommends that candidate species, proposed species and proposed critical habitat be addressed within the consultation. More information on the regulations and procedures for section 7 consultation, including the role of permit or license applicants, can be found in the "Endangered Species Consultation Handbook" at:

http://www.fws.gov/endangered/esa-library/pdf/TOC-GLOS.PDF

Please be aware that bald and golden eagles are protected under the Bald and Golden Eagle Protection Act (16 U.S.C. 668 *et seq.*), and projects affecting these species may require development of an eagle conservation plan (http://www.fws.gov/windenergy/eagle_guidance.html). Additionally, wind energy projects should follow the wind energy guidelines (http://www.fws.gov/windenergy/) for minimizing impacts to migratory birds and bats.

Guidance for minimizing impacts to migratory birds for projects including communications towers (e.g., cellular, digital television, radio, and emergency broadcast) can be found at: http://www.fws.gov/migratorybirds/CurrentBirdIssues/Hazards/towers/towers.htm; http://www.towerkill.com; and http://www.fws.gov/migratorybirds/CurrentBirdIssues/Hazards/towers/comtow.html.

We appreciate your concern for threatened and endangered species. The Service encourages Federal agencies to include conservation of threatened and endangered species into their project planning to further the purposes of the Act. Please include the Consultation Tracking Number in the header of this letter with any request for consultation or correspondence about your project that you submit to our office.

Endangered Species Act Species

There is a total of 8 threatened, endangered, or candidate species on this species list.

Species on this list should be considered in an effects analysis for your project and could include species that exist in another geographic area. For example, certain fish may appear on the species list because a project could affect downstream species.

IPaC does not display listed species or critical habitats under the sole jurisdiction of NOAA Fisheries[1], as USFWS does not have the authority to speak on behalf of NOAA and the Department of Commerce.

See the "Critical habitats" section below for those critical habitats that lie wholly or partially within your project area under this office's jurisdiction. Please contact the designated FWS office if you have questions.

The birds listed below are birds of particular concern either because they occur on the USFWS Birds of Conservation Concern (BCC) list or warrant special attention in your project location. To learn more about the levels of concern for birds on your list and how this list is generated, see the FAQ below. This is not a list of every bird you may find in this location, nor a guarantee that every bird on this list will be found in your project area. To see exact locations of where birders and the general public have sighted birds in and around your project area, visit the E-bird data mapping tool (Tip: enter your location, desired date range and a species on your list). For projects that occur off the Atlantic Coast, additional maps and models detailing the relative occurrence and abundance of bird species on your list are available. Links to additional information about Atlantic Coast birds, and other important information about your migratory bird list, including how to properly interpret and use your migratory bird report, can be found below.

For guidance on when to schedule activities or implement avoidance and minimization measures to reduce impacts to migratory birds on your list, click on the PROBABILITY OF PRESENCE SUMMARY at the top of your list to see when these birds are most likely to be present and breeding in your project area.

Probability Of Presence Summary

The graphs below provide our best understanding of when birds of concern are most likely to be present in your project area. This information can be used to tailor and schedule your project activities to avoid or minimize impacts to birds. Please make sure you read and understand the FAQ "Proper Interpretation and Use of Your Migratory Bird Report" before using or attempting to interpret this report.

Probability of Presence (■)

Each green bar represents the bird's relative probability of presence in the 10km grid cell(s) your project overlaps during a particular week of the year. (A year is represented as 12 4-week months.) A taller bar indicates a higher probability of species presence. The survey effort (see below) can be used to establish a level of confidence in the presence score. One can have higher confidence in the presence score if the corresponding survey effort is also high.

How is the probability of presence score calculated? The calculation is done in three steps:

1. The probability of presence for each week is calculated as the number of survey events in the week where the species was detected divided by the total number of survey events for that week. For example, if in week 12 there were 20 survey events and the Spotted Towhee was found in 5 of them, the probability of presence of the Spotted Towhee in week 12 is 0.25.
2. To properly present the pattern of presence across the year, the relative probability of presence is calculated. This is the probability of presence divided by the maximum probability of presence across all weeks. For example, imagine the probability of presence in week 20 for the Spotted Towhee is 0.05, and that the probability of presence at week 12 (0.25) is the maximum of any week of the year. The relative probability of presence on week 12 is 0.25/0.25 = 1; at week 20 it is 0.05/0.25 = 0.2.
3. The relative probability of presence calculated in the previous step undergoes a statistical conversion so that all possible values fall between 0 and 10, inclusive. This is the probability of presence score.

Breeding Season (■)

Yellow bars denote a very liberal estimate of the time-frame inside which the bird breeds across its entire range. If there are no yellow bars shown for a bird, it does not breed in your project area.

Survey Effort (|)

Vertical black lines superimposed on probability of presence bars indicate the number of surveys performed for that species in the 10km grid cell(s) your project area overlaps. The number of surveys is expressed as a range, for example, 33 to 64 surveys.

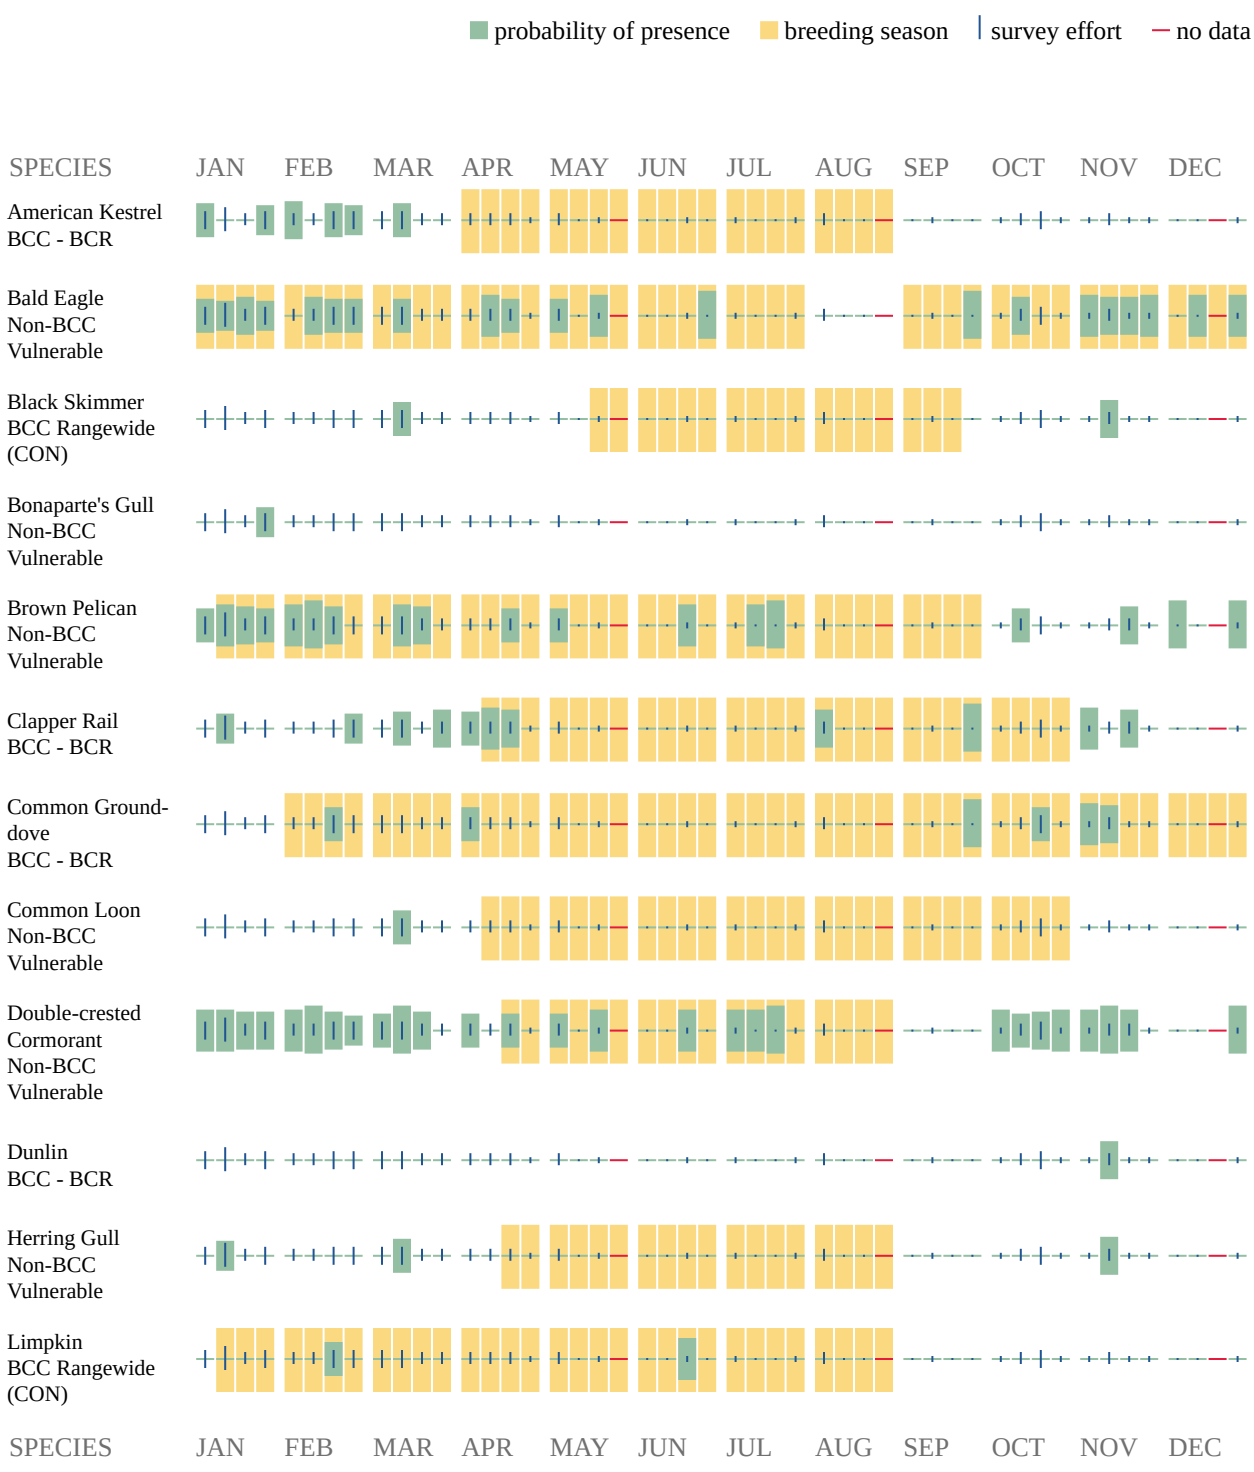

No Data (–)

A week is marked as having no data if there were no survey events for that week.

Survey Timeframe

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

Surveys from only the last 10 years are used in order to ensure delivery of currently relevant information. The exception to this is areas off the Atlantic coast, where bird returns are based on all years of available data, since data in these areas is currently much more sparse.

Migratory Birds FAQ

Tell me more about conservation measures I can implement to avoid or minimize impacts to migratory birds.

Nationwide Conservation Measures describes measures that can help avoid and minimize impacts to all birds at any location year round. Implementation of these measures is particularly important when birds are most likely to occur in the project area. When birds may be breeding in the area, identifying the locations of any active nests and avoiding their destruction is a very helpful impact minimization measure. To see when birds are most likely to occur and be breeding in your project area, view the Probability of Presence Summary. Additional measures or permits may be advisable depending on the type of activity you are conducting and the type of infrastructure or bird species present on your project site.

What does IPaC use to generate the migratory birds potentially occurring in my specified location?

The Migratory Bird Resource List is comprised of USFWS Birds of Conservation Concern (BCC) and other species that may warrant special attention in your project location.

The migratory bird list generated for your project is derived from data provided by the Avian Knowledge Network (AKN). The AKN data is based on a growing collection of survey, banding, and citizen science datasets and is queried and filtered to return a list of those birds reported as occurring in the 10km grid cell(s) which your project intersects, and that have been identified as warranting special attention because they are a BCC species in that area, an eagle (Eagle Act requirements may apply), or a species that has a particular vulnerability to offshore activities or development.

Again, the Migratory Bird Resource list includes only a subset of birds that may occur in your project area. It is not representative of all birds that may occur in your project area. To get a list of all birds potentially present in your project area, please visit the AKN Phenology Tool.

What does IPaC use to generate the probability of presence graphs for the migratory birds potentially occurring in my specified location?

The probability of presence graphs associated with your migratory bird list are based on data provided by the Avian Knowledge Network (AKN). This data is derived from a growing collection of survey, banding, and citizen science datasets .

Probability of presence data is continuously being updated as new and better information becomes available. To learn more about how the probability of presence graphs are produced and how to interpret them, go the Probability of Presence Summary and then click on the "Tell me about these graphs" link.

How do I know if a bird is breeding, wintering, migrating or present year-round in my project area?

To see what part of a particular bird's range your project area falls within (i.e. breeding, wintering, migrating or year-round), you may refer to the following resources: The Cornell Lab of Ornithology All About Birds Bird Guide, or (if you are unsuccessful in locating the bird of interest there), the Cornell Lab of Ornithology Neotropical Birds guide. If a bird on your migratory bird species list has a breeding season associated with it, if that bird does occur in your

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

project area, there may be nests present at some point within the timeframe specified. If "Breeds elsewhere" is indicated, then the bird likely does not breed in your project area.

What are the levels of concern for migratory birds?
Migratory birds delivered through IPaC fall into the following distinct categories of concern:

1. "BCC Rangewide" birds are Birds of Conservation Concern (BCC) that are of concern throughout their range anywhere within the USA (including Hawaii, the Pacific Islands, Puerto Rico, and the Virgin Islands);
2. "BCC - BCR" birds are BCCs that are of concern only in particular Bird Conservation Regions (BCRs) in the continental USA; and
3. "Non-BCC - Vulnerable" birds are not BCC species in your project area, but appear on your list either because of the Eagle Act requirements (for eagles) or (for non-eagles) potential susceptibilities in offshore areas from certain types of development or activities (e.g. offshore energy development or longline fishing).

Although it is important to try to avoid and minimize impacts to all birds, efforts should be made, in particular, to avoid and minimize impacts to the birds on this list, especially eagles and BCC species of rangewide concern. For more information on conservation measures you can implement to help avoid and minimize migratory bird impacts and requirements for eagles, please see the FAQs for these topics.

Details about birds that are potentially affected by offshore projects
For additional details about the relative occurrence and abundance of both individual bird species and groups of bird species within your project area off the Atlantic Coast, please visit the Northeast Ocean Data Portal. The Portal also offers data and information about other taxa besides birds that may be helpful to you in your project review. Alternately, you may download the bird model results files underlying the portal maps through the NOAA NCCOS Integrative Statistical Modeling and Predictive Mapping of Marine Bird Distributions and Abundance on the Atlantic Outer Continental Shelf project webpage.

Bird tracking data can also provide additional details about occurrence and habitat use throughout the year, including migration. Models relying on survey data may not include this information. For additional information on marine bird tracking data, see the Diving Bird Study and the nanotag studies or contact Caleb Spiegel or Pam Loring.

What if I have eagles on my list?
If your project has the potential to disturb or kill eagles, you may need to obtain a permit to avoid violating the Eagle Act should such impacts occur.

Proper Interpretation and Use of Your Migratory Bird Report
The migratory bird list generated is not a list of all birds in your project area, only a subset of birds of priority concern. To learn more about how your list is generated, and see options for identifying what other birds may be in your project area, please see the FAQ "What does IPaC use to generate the migratory birds potentially occurring in my specified location". Please be aware this report provides the "probability of presence" of birds within the 10 km grid cell(s) that overlap your project; not your exact project footprint. On the graphs provided, please also look carefully at the survey effort (indicated by the black vertical bar) and for the existence of the "no

Attachment: Final_SRF_Facility Plan Homosassa_050321-signed (15100 : 2:30 PM Public Hearing SRF Septic Tank Phase Out Facilities Plan)

data" indicator (a red horizontal bar). A high survey effort is the key component. If the survey effort is high, then the probability of presence score can be viewed as more dependable. In contrast, a low survey effort bar or no data bar means a lack of data and, therefore, a lack of certainty about presence of the species. This list is not perfect; it is simply a starting point for identifying what birds of concern have the potential to be in your project area, when they might be there, and if they might be breeding (which means nests might be present). The list helps you know what to look for to confirm presence, and helps guide you in knowing when to implement conservation measures to avoid or minimize potential impacts from your project activities, should presence be confirmed. To learn more about conservation measures, visit the FAQ "Tell me about conservation measures I can implement to avoid or minimize impacts to migratory birds" at the bottom of your migratory bird trust resources page.

1 INTRODUCTION

This Fiscal Sustainability Plan (FSP) has been prepared as required by the State of Florida State Revolving Fund (SRF) project's sponsor certification for the Homosassa Septic to Sewer Phase Out Projects. The objective of this document is to develop a list of critical assets and plan for maintaining, repairing, and replacing the assets along with a plan for funding those activities.

2 CRITICAL ASSETS

This project includes connecting nine areas that currently use septic tanks for managing sewage to an existing sewer system. The objective of this project is to eliminate the discharge of nutrients and other septic tank pollutants from entering into the groundwater and seeping into the Homosassa River.

The nine project areas in Old Homosassa that are part of this project contain a total of 2,295 lots. Of those, 1,137 are estimated to be improved lots containing residential and commercial buildings with septic tanks. The remaining 1,158 lots are classified as unimproved lots.

Table 2-1 lists the nine project areas in the County's Septic to Sewer Phase Out Plan for Old Homosassa, along with the total improved lots and the scheduled year to be connected to the sewer system, as obtained from Citrus County.

Table 2-1 Old Homosassa STPO Project Areas

Project Number	Area	Total Lots	No. of Improved Lots	Year to be Connected to the Sewer System
1	Downtown West	218	122	21/22
2	Downtown East	473	232	22/23
3	Downtown North	325	129	23/24
4	Homosassa Park	189	89	24/25
5	Rooks	269	163	25/26
6	Homosassa Retreats	201	104	26/27
7	Cedars	122	23	27/28
8	Mason Creek	263	160	29/30
9	Homosassa Ph-05	235	115	30/31
	TOTAL	2,295	1,137	

The proposed projects include duplex grinder pump stations and 6-inch gravity sewer and force mains of diameter ranging from 1.5 to 4-inch. Table 2-2 lists the critical assets for these projects.

Table 2-2 Critical Assets for the Homosassa STPO Projects

Asset	Quantity	Condition	Probability of Failure	Consequence of Failure
1.5-inch	69,206 linear feet (LF)	New	Low	Low
2-inch	30,417 LF	New	Low	Low
3-inch	3,571 LF	New	Low	Low
4-inch	372	New	Low	Low
216	Duplex grinder lift stations composed of two 1 hp grinder pumps	New	Low	Low

The probability of failure of the force main pipes is low due to the new condition, materials, and inspection and testing during construction. The low probability of failure of the duplex grinder pumps is due to the startup protocol that will follow construction and the preventive maintenance protocol to be implemented.

3 EVALUATION OF ENERGY CONSERVATION EFFORTS

Energy conservation measure that will be incorporated into the project include the following:

- Selection of quality grinder pumps with high efficiency, saving in operation and maintenance cost.
- The use of duplex grinder lift stations to be able to decrease the amount of lift stations needed.

4 FISCAL PLANNING

The objective of a fiscal plan is for the Citrus County to account for the expenses in their annual budgets of future replacements by planning their Capital Improvement Plan accordingly. To plan for these expenses, we considered future replacement cost. The annual maintenance cost for the grinder pumps is approximately $144 per pump. This annual cost considers replacement of miscellaneous parts due to normal wear and tear and replacement of the grinder pumps every 10 years. During the planning period, the pumps will need to be replaced two times. The total annual maintenance cost will be $31,104 after all projects are constructed.

AGENDA MEMORANDUM

FROM:	John Pricher, Tourism Director
SUBJECT:	3:00 PM Presentation Tourist Development Update
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

Citrus County Tourism remained a strong piece of the economy over the last year. Since our product is primarily outdoors and done alone or in small groups, Citrus County had a strong last quarter of the fiscal year.

In 2020, visitors to the area paid an estimated $17.7MM in sales taxes which equals an average annual countywide household savings of $248. January through April of 2021 showed an impressive 35.9% increase over 2020 and a 14.2% increase over 2019 in gross sales in the core tourism-related categories (Lodging, Dining, Nightlife, Admissions).

Congratulations on successfully completing the Florida Stormwater Erosion and Sedimentation Control Inspector Training Program. I greatly appreciate your participation in and successful completion of this course. I hope that it has helped you to better understand Florida's stormwater problems and the importance of proper design, construction, and maintenance of erosion and sediment controls during construction, in order to assure the proper-long-term operation and maintenance of stormwater systems after construction is completed.

Attached you will find your numbered certificate and wallet card. Please let me know if there are any errors in the certificate or card, or in the grading of your exam. If I can be of further assistance, please do not hesitate to contact me at 850/245-8294 or via email: heather.ritchie@dep.state.fl.us

AGENDA MEMORANDUM

FROM:	Ruthie Davis Schlabach, Commissioner
SUBJECT:	Citrus Springs Dog Park
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

I have been working with a group of citizens in Citrus Springs to locate and construct a Dog Park. The final not-too-exceed cost is estimated at $50,691. We have determined that the best place to locate the Dog Park is adjacent to the Citrus Springs Community Center. The Dog Park will have water, however, will not be lighted and is required by Code to have ADA access. Consequently, I am asking my colleagues to support the construction of the dog park with the cost being paid by impact fees. A PowerPoint presentation is attached.

BUDGET IMPACT/FUNDING SOURCE:

RECOMMENDED ACTION:

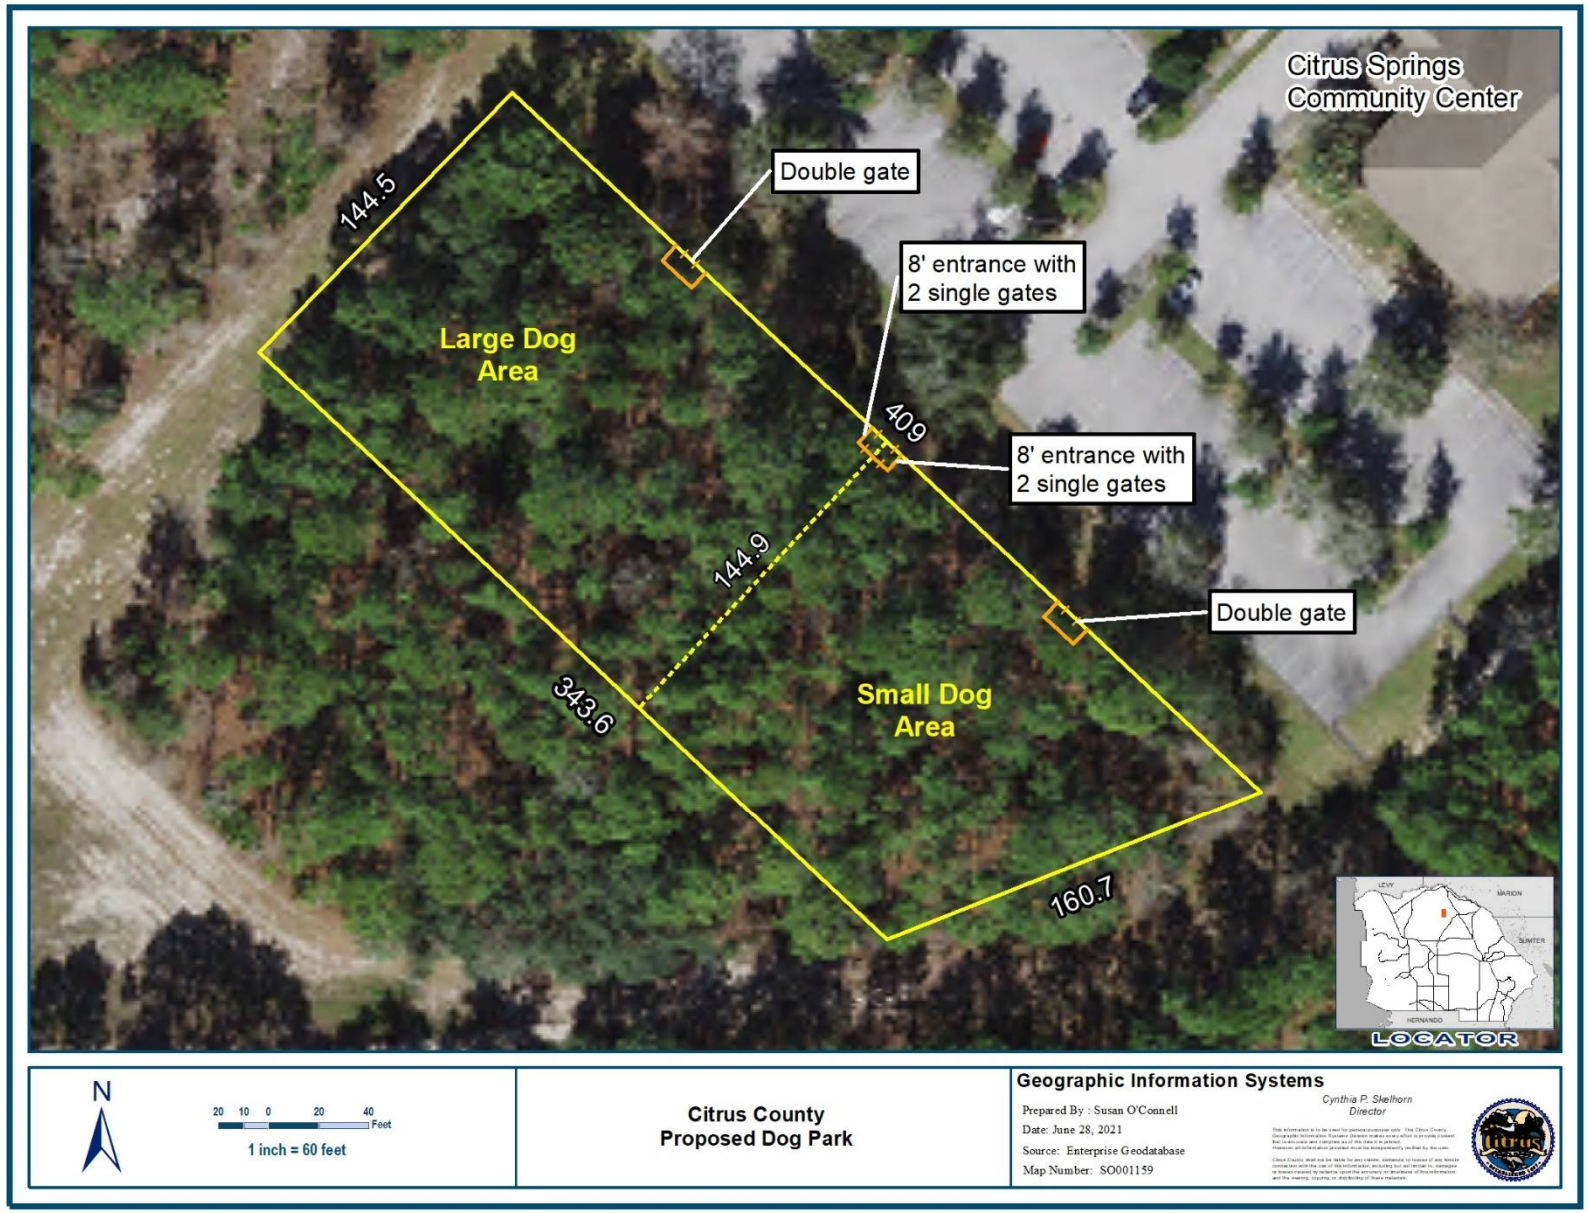

Approve the construction of a Dog Park at Citrus Springs Community Center and payment through the Impact Fee account, for that Impact Fee District.

AGENDA MEMORANDUM

FROM:	Scott Carnahan, Commissioner
SUBJECT:	Public Safety on the Water
AGENDA DATE:	**August 24, 2021**

BRIEF OVERVIEW:

I have talked with the Sheriff and the Administrator, and it was agreed, subject to Board approval, that the Sheriff's Office would place additional resources on the water over the Labor Day Holiday (September 3rd through September 5th) if the County provides the vessels. The Sheriff has agreed this would be done within his existing Budget.

The Administrator has identified two vessels that would meet the requirements, one in Aquatics and one in Fire. The Sheriff's Office would be responsible for picking up and returning the vessels from those two Departments.

The Labor Day weekend is one of the busiest times of the year and this would help address the needs of our community at no additional cost and represents a "win-win" for our community.

BUDGET IMPACT/FUNDING SOURCE:

Account No.	Account Title	Current Budget	YTD Expenditures	Encumbrances	Available Balance
					$0

No Budget Impact

RECOMMENDED ACTION:

Approve lending the Sheriff's Office two boats from September 3rd to 5th to enhance safety on our waterways.
