Uniform Policies and Procedures Manual for Value Adjustment Boards

**Florida Department of Revenue
December 2020**

Introduction

The Uniform Policies and Procedures Manual is available on the Department's website at <http://floridarevenue.com/property/Pages/VAB.aspx> and should be available on the board clerks' existing websites. Clerks may provide a working link to the manual on the Department's website to satisfy this requirement.

Statutory Requirements:

Section 194.011(5)(b), Florida Statutes, states:

(b) The department shall develop a uniform policies and procedures manual that shall be used by value adjustment boards, special magistrates, and taxpayers in proceedings before value adjustment boards. The manual shall be made available, at a minimum, on the department's website and on the existing websites of the clerks of circuit courts.

Rules and Forms:

The Department's rules and forms for value adjustment boards include:

1. Rule Chapter 12D-9, Florida Administrative Code (F.A.C.), and accompanying forms.
2. Rule Chapter 12D-10, F.A.C.

Rule Chapter 12D-9, F.A.C., is the primary component of the Uniform Policies and Procedures Manual. Value adjustment boards, board clerks, taxpayers, property appraisers, and tax collectors are required to follow these rules, as stated in sections 195.027(1) and 194.011(5)(b), Florida Statutes.

The Uniform Policies and Procedures Manual contains:

1. Rule Chapters 12D-9 and 12D-10, F.A.C.
2. Provisions in Florida Statutes that govern value adjustment board procedures with the rights of taxpayers
3. Forms used in the value adjustment board process
4. A notice regarding case law

Other sets of documents for use with the Uniform Policies and Procedures Manual:

1. Other Legal Resources Including Statutory Criteria

This set of compiled documents contains parts of the Florida Constitution, Florida Statutes, and Florida Administrative Code that are substantive criteria for the production of original assessments, including exemptions, classifications, and deferrals.

2. Reference Materials Including Guidelines

This set of compiled documents contains

Taxpayer brochure

Checklists

General description and internet links to:

The Department's training for value adjustment boards and special magistrates;

The Florida Real Property Appraisal Guidelines;

The Florida Tangible Personal Property Appraisal Guidelines;

The Florida Classified Use Valuation Guidelines for Agricultural Property; and

Florida Attorney General Opinions, Government in the Sunshine Manual, PTO Bulletins and Advisements, and other reference materials.

These materials are not part of the Uniform Policies and Procedures Manual. Each of these sets of documents contains an introduction that provides orientation on the authority, content, and use of that respective set.

IMPORTANT NOTE ABOUT CASE LAW

In 2009, the Legislature amended section 194.301, F.S., and created section 194.3015, F.S. The amendment and new statutory section addresses the use of case law in administrative reviews of assessments. Value adjustment boards and appraiser special magistrates should use case law in conjunction with legal advice from the board legal counsel.

“The provisions of this subsection preempt any prior case law that is inconsistent with this subsection.” See section 194.301(1), F.S.

“It is the express intent of the Legislature that a taxpayer shall never have the burden of proving that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment. All cases establishing the every-reasonable-hypothesis standard were expressly rejected by the Legislature on the adoption of chapter 97-85, Laws of Florida. It is the further intent of the Legislature that any cases published since 1997 citing the every-reasonable-hypothesis standard are expressly rejected to the extent that they are interpretative of legislative intent.” See section 194.3015(1), F.S.

12D-9.001 Taxpayer Rights in Value Adjustment Board Proceedings.

(1) Taxpayers are granted specific rights by Florida law concerning value adjustment board procedures.

(2) These rights include:

(a) The right to be notified of the assessment of each taxable item of property in accordance with the notice provisions set out in Florida Statutes for notices of proposed property taxes;

(b) The right to request an informal conference with the property appraiser regarding the correctness of the assessment or to petition for administrative or judicial review of property assessments. An informal conference with the property appraiser is not a prerequisite to filing a petition for administrative review or an action for judicial review;

(c) The right to file a petition on a form provided by the county that is substantially the same as the form prescribed by the department or to file a petition on the form provided by the department for this purpose;

(d) The right to state on the petition the approximate time anticipated by the taxpayer to present and argue his or her petition before the board;

(e) The right to authorize another person to file a board petition on the taxpayer's property assessment;

(f) The right, regardless of whether the petitioner initiates the evidence exchange, to receive from the property appraiser a copy of the current property record card containing information relevant to the computation of the current assessment, with confidential information redacted. This includes the right to receive such property record card when the property appraiser receives the petition from the board clerk, at which time the property appraiser will either send the property record card to the petitioner or notify the petitioner how to obtain it online;

(g) The right to be sent prior notice of the date for the hearing of the taxpayer's petition by the value adjustment board and the right to the hearing within a reasonable time of the scheduled hearing;

(h) The right to reschedule a hearing a single time for good cause, as described in this chapter;

(i) The right to be notified of the date of certification of the county's tax rolls;

- (j) The right to represent himself or herself or to be represented by another person who is authorized by the taxpayer to represent the taxpayer before the board;
- (k) The right, in counties that use special magistrates, to a hearing conducted by a qualified special magistrate appointed and scheduled for hearings in a manner in which the board, board attorney, and board clerk do not consider any assessment reductions recommended by any special magistrate in the current year or in any previous year;
- (l) The right to have evidence presented and considered at a public hearing or at a time when the petitioner has been given reasonable notice;
- (m) The right to have witnesses sworn and to cross-examine the witnesses;
- (n) The right to be issued a timely written decision within 20 calendar days of the last day the board is in session pursuant to Section 194.034, F.S., by the value adjustment board containing findings of fact and conclusions of law and reasons for upholding or overturning the determination of the property appraiser or tax collector;
- (o) The right to advertised notice of all board actions, including appropriate narrative and column descriptions, in brief and nontechnical language;
- (p) The right to bring an action in circuit court to appeal a value adjustment board valuation decision or decision to disapprove a classification, exemption, portability assessment difference transfer, or to deny a tax deferral or to impose a tax penalty;
- (q) The right to have federal tax information, ad valorem tax returns, social security numbers, all financial records produced by the taxpayer and other confidential taxpayer information, kept confidential; and,
- (r) The right to limiting the property appraiser's access to a taxpayer's records to only those instances in which it is determined that such records are necessary to determine either the classification or the value of taxable non-homestead property

12D-9.002 Informal Conference Procedures.

- (1) Any taxpayer who objects to the assessment placed on his or her property, including the assessment of homestead property at less than just value, shall have the right to request an informal conference with the property appraiser.
- (2) The property appraiser or a member of his or her staff shall confer with the taxpayer regarding the correctness of the assessment.
- (3) At the conference, the taxpayer shall present facts that he or she considers supportive of changing the assessment and the property appraiser or his or her representative shall present facts that the property appraiser considers to be supportive of the assessment.

(4) The request for an informal conference is not a prerequisite to administrative or judicial review of property assessments. Requesting or participating in an informal conference does not extend the petition filing deadline. A taxpayer may file a petition while seeking an informal conference in order to preserve his or her right to an administrative hearing.

The board may temporarily recess, but shall reconvene when necessary to hear petitions, complaints, or appeals and disputes filed upon the roll or portion of the roll when approved. 20 calendar days of the last day the board is in session pursuant to Section 194.034, F.S.

(2)(a) Value adjustment boards may have additional internal operating procedures, not rules, that do not conflict with, change, expand, suspend, or negate the rules adopted in this rule chapter or other provisions of law, and only to the extent indispensable for the efficient operation of the value adjustment board process. (2) The board clerk shall make petition forms available to the public upon request.

(3) The board clerk shall receive and acknowledge completed petitions and promptly furnish a copy of all completed and timely filed petitions to the property appraiser or tax collector. Alternatively, the property appraiser or the tax collector may obtain the relevant information from the board clerk electronically.

(4) The board clerk shall prepare a schedule of appearances before the board based on petitions timely filed with him or her. If the petitioner has indicated on the petition an estimate of the amount of time he or she will need to present and argue the petition, the board clerk must take this estimate into consideration when scheduling the hearing.

(5) No less than 25 calendar days prior to the day of the petitioner's scheduled appearance before the board, the board clerk must notify the petitioner of the date and time scheduled for the appearance. The board clerk shall simultaneously notify the property appraiser or tax collector.

clerk shall advise the chair of the board if the board's tentative schedule for holding hearings is insufficient to allow for proper scheduling.

(10) The board clerk shall timely notify the parties of the decisions of the board so that such decisions shall be issued within 20 calendar days of the last day the board is in session pursuant to Section 194.034, F.S., and shall otherwise notify the property appraiser or tax collector of such decision. Notification of the petitioner must be by first class mail or by electronic means as set forth in Section 194.034(2) or 192.048, F.S. In counties using special magistrates, the board clerk shall also make available to both parties as soon as practicable a copy of the recommended decision of the special magistrate by mail or electronic means. No party shall have access to decisions prior to any other party.

(11) After the value adjustment board has decided all petitions, complaints, appeals and disputes, the board clerk shall make public notice of the findings and results of the board in the manner prescribed in Section 194.037, F.S., and by the department.

(12) The board clerk is the official record keeper for the board and shall maintain a record of the proceedings which shall consist of:

- (b) A verbatim record of any hearing;
- (c) All tangible exhibits and documentary evidence presented;
- (d) Any meeting minutes; and,
- (e) Any other documents or materials presented on the record by the parties or by the board or special magistrate.

The record shall be maintained for four years after the final decision has been rendered by the board, if no appeal is filed in circuit court or for five years if an appeal is filed, or, if requested by one of the parties, until the final disposition of any subsequent judicial proceeding relating to the property.

(13) The board clerk shall make available to the public copies of all additional internal operating procedures and forms of the board or special magistrates described in Rule 12D-9.005, F.A.C., and shall post any such procedures and forms on the board clerk's website, if any. Making materials available on a website is sufficient; however, provisions shall be made for persons that have hardship. Such materials shall be consistent with Department rules and forms.

(14) The board clerk shall provide notification of appeals or value adjustment board petitions taken with respect to property located within a municipality to the chief executive officer of each municipality as provided in Section 193.116, F.S. 2. Contain a checkbox for the taxpayer to indicate that he or she has authorized a compensated or uncompensated representative to act on the taxpayer's behalf,

3. (h) If the petition indicates that the taxpayer has authorized an uncompensated representative to act on the taxpayer's behalf, at the time of filing, the petition must either be signed by the taxpayer or be accompanied by the taxpayer's written authorization.

(i) Contain a space for the petitioner to indicate if the property is four or less residential units; or other property type; provided the board clerk shall accept the petition even if this space is not filled in; and,

(j) Contain a statement that a tangible personal property assessment may not be contested unless a return required by Section 193.052, F.S., is timely filed.

(3) The petition form shall provide notice to the petitioner that the person signing the petition becomes the agent of the taxpayer for the purpose of serving process to obtain personal jurisdiction over the taxpayer for the entire value adjustment board proceeding, including any appeals to circuit court of a board decision by the property appraiser or tax collector.

(4) The petition form shall provide notice to the petitioner of his or her right to an informal conference with the property appraiser and that such conference is not a prerequisite to filing a petition nor does it alter the time frame for filing a timely petition.

(5) The department, the board clerk, and the property appraiser or tax collector shall make available to petitioners the blank petition form adopted or approved by the department. The department prescribes the Form DR-486 series, for this purpose, incorporated in Rule 12D-16.002, F.A.C., by reference.

(6) If the taxpayer or representative's name, address, telephone, or similar contact information on the petition changes after filing the petition and before the hearing, the taxpayer or representative shall notify the board clerk in writing.

(7) Filing Fees. By resolution of the value adjustment board, a petition shall be accompanied by a filing fee to be paid to the board clerk in an amount determined by the board not to exceed \$15 for each separate parcel of property, real or personal covered by the petition and subject to appeal. The resolution may include arrangements for petitioners to pay filing fees by credit card.

(a) Other than fees required for late filed applications under Sections 193.155(8)(j) and 196.011(8), F.S., only a single filing fee shall be charged to any particular parcel of real property or tangible personal property account, despite the existence of multiple issues or hearings pertaining to such parcels or accounts.

(b) No filing fee shall be required with respect to an appeal from the disapproval of a timely filed application for homestead exemption or from the denial of a tax deferral.

(c) For joint petitions filed pursuant to Section 194.011(3)(e), (f), or (g), F.S., a single filing fee shall be charged. Such fee shall be calculated as the cost of the time required for the special magistrate in hearing the joint petition and shall not exceed \$5 per parcel or account, for each additional parcel or account included in the petition, in addition to any filing fee for the petition. Said fee is to be proportionately paid by affected property owners.

(d) The value adjustment board or its designee shall waive the filing fee with respect to a petition filed by a taxpayer who demonstrates at the time of the filing by submitting with the petition documentation issued by the Department of Children and Families that the petitioner is currently an eligible recipient of temporary assistance under Chapter 414, F.S.

(e) All filing fees shall be paid to the board clerk at the time of filing. Any petition not accompanied by the required filing fee will be deemed incomplete.

(8) An owner of contiguous, undeveloped parcels may file a single joint petition if the property appraiser determines such parcels are substantially similar in nature. A condominium association, cooperative association, or any homeowners' association as defined in Section 723.075, F.S., with approval of its board of administration or directors, may file with the value adjustment board a single joint petition on behalf of any association members who own parcels of property which the property appraiser determines are substantially similar with respect to location, proximity to amenities, number of rooms, living area, and condition. An owner of multiple tangible personal property accounts may file a single joint petition if the property appraiser determines that the tangible personal property accounts are substantially similar in nature. The property appraiser shall provide the petitioner with such determination upon request by the petitioner. The petitioner must obtain the determination from the property appraiser prior to filing the petition and must file the determination provided and completed by the property appraiser with the petition. An incorporated attached list of parcels or accounts by parcel number or account number, with an indication on the petition form showing a joint petition, shall be sufficient to signify a joint petition.

(9) Persons Authorized to Sign and File Petitions. The following persons may sign and file petitions with the value adjustment board.

(a) The taxpayer may sign and file a petition.

(b) An employee of the taxpayer or of an affiliated entity or a licensed or certified professional listed in paragraph 12D-9.018(3)(a), F.A.C., who the taxpayer has authorized to file a petition and represent the taxpayer and who certifies under penalty of perjury that he or she has the taxpayer's authorization to file a petition on the taxpayer's behalf and

represent the taxpayer, may sign and file such a petition that is not signed by the taxpayer and that is not accompanied by the taxpayer's written authorization.

(c) A compensated person, who is not an employee of the taxpayer or of an affiliated entity and who is not acting as a licensed or certified professional listed in paragraph 12D-9.018(3)(a), F.A.C., may sign and file a petition on the taxpayer's behalf if the taxpayer has authorized such person by power of attorney. If the petition is not signed by the taxpayer, such person must provide a copy of the power of attorney to the board clerk at the time the petition is filed. This power of attorney is valid only for representing a single taxpayer in a single assessment year, and must identify the parcels or accounts for which the person is authorized to represent the taxpayer and must conform to the requirements of Chapter 709, Part II, F.S. A taxpayer may use a Department of Revenue form to grant the power of attorney or may use a different form provided it meets the requirements of Chapter 709, Part II, and Section 194.034(1), F.S. The Department has adopted Form DR-486POA, Power of Attorney for Representation Before the Value Adjustment Board, which is incorporated by reference in Rule 12D-16.002, F.A.C., as a form available to taxpayers for granting the power of attorney.

(d) An uncompensated person, who has a taxpayer's signed written authorization to represent the taxpayer, is authorized to sign and file a petition on the taxpayer's behalf if, at the time the petition is filed, such person provides a copy of the taxpayer's written authorization to the board clerk with the petition or the taxpayer's signed written authorization is contained on the petition form. This written authorization is valid only for representing a single taxpayer in a single assessment year and must identify the parcels or accounts for which the person is authorized to represent the taxpayer. A taxpayer may use a Department of Revenue form to grant the authorization in writing or may use a different form provided it meets the requirements of Section 194.034(1), F.S. The Department has adopted Form DR-486A, Written Authorization for Representation Before the Value Adjustment Board, which is incorporated by reference in Rule 12D-16.002, F.A.C., as a form available to taxpayers for granting the written authorization.

(10)(a) If a taxpayer notifies the board that an unauthorized petition has been filed for the taxpayer's property, the board may require the person who filed the petition to provide to the board, before a hearing is held on such petition, the taxpayer's written authorization for the person to file the petition and represent the taxpayer.

(b) If the board finds that an employee or a professional listed in paragraph 12D-9.018(3)(a), F.A.C., knowingly and willfully filed a petition not authorized by the taxpayer, the board shall require such employee or professional to provide to the board clerk, before any petition filed by that employee or professional is heard, the taxpayer's written authorization for the employee or professional to represent the taxpayer. This board requirement shall extend for one year after the board's imposition of the requirement.

(11) If duplicate petitions are filed on the same property, the board clerk shall contact the taxpayer and all petitioners to identify whether a person has the taxpayer's authorization to

file a petition and represent the taxpayer, and resolve the issue in accordance with this rule chapter.

(12)(a) The board clerk shall accept for filing any completed petition that is timely submitted on a form approved by the department, with payment if required. If an incomplete petition is received, the board clerk shall notify the petitioner and give the petitioner an opportunity to complete the petition within 10 calendar days. Such completed petition shall be timely if completed and filed within the time frame provided in the board clerk's notice.

(b) A "completed" petition is one that:

1. Provides information for all the required elements that are displayed on the department's form;
2. Is accompanied by a power of attorney if required;
3. Is accompanied by written taxpayer authorization if required; and,
4. Is accompanied by the appropriate filing fee if required.

(c) In accepting a petition, the board clerk shall rely on the licensure information provided by a licensed professional representative, the power of attorney provided by an authorized, compensated person, or the written taxpayer authorization provided by an authorized, uncompensated person.

(13) Timely Filing of Petitions. Petitions related to valuation issues may be filed, and must be accepted by the board clerk, at any time during the taxable year on or before the 25th day following the mailing of the notice of proposed property taxes. Other petitions may be filed as follows:

(a) With respect to issues involving the denial of an exemption on or before the 30th day following the mailing of the written notification of the denial of the exemption on or before July 1 of the year for which the application was filed;

(b) With respect to issues involving the denial of an agricultural classification application, on or before the 30th day following the mailing of the notification in writing of the denial of the agricultural classification on or before July 1 of the year for which the application was filed;

(c) With respect to issues involving the denial of a high-water recharge classification application on or before the 30th day following the mailing of the notification in writing of the denial of the high-water recharge classification on or before July 1 of the year for which the application was filed;

(d) With respect to issues involving the denial of a historic property used for commercial or certain nonprofit purposes classification application, on or before the 30th day following the mailing of the notification in writing of the denial of the classification on or before July 1 of the year for which the application was filed;

(e) With respect to issues involving the denial of a tax deferral, on or before the 30th day following the mailing of the notification in writing of the denial of the deferral application;

(f) With respect to exemption or classification claims relating to an exemption or classification that is not reflected on the notice of property taxes, including late filed exemption claims, on or before the 25th day following the mailing of the notice of proposed property taxes, or on or before the 30th day following the mailing of the written notification of the denial of the exemption or classification, whichever date is later; and,

(g) With respect to penalties imposed for filing incorrect information relating to tax deferrals for homestead, for recreational and commercial working waterfronts or for affordable rental housing properties, within 30 days after the penalties are imposed.

(14) Late Filed Petitions.

(a) The board may not extend the time for filing a petition. The board is not authorized to set and publish a deadline for late filed petitions. However, the failure to meet the statutory deadline for filing a petition to the board does not prevent consideration of such a petition by the board or special magistrate when the board or board designee determines that the petitioner has demonstrated good cause justifying consideration and that the delay will not, in fact, be harmful to the performance of board functions in the taxing process. "Good cause" means the verifiable showing of extraordinary circumstances, as follows:

1. Personal, family, or business crisis or emergency at a critical time or for an extended period of time that would cause a reasonable person's attention to be diverted from filing, or
2. Physical or mental illness, infirmity, or disability that would reasonably affect the petitioner's ability to timely file, or
3. Miscommunication with, or misinformation received from, the board clerk, property appraiser, or their staff regarding the necessity or the proper procedure for filing that would cause a reasonable person's attention to be diverted from timely filing, or
4. Any other cause beyond the control of the petitioner that would prevent a reasonably prudent petitioner from timely filing.

(b) The board clerk shall accept but not schedule for hearing a petition submitted to the board after the statutory deadline has expired, and shall submit the petition to the board or board designee for good cause consideration if the petition is accompanied by a written explanation for the delay in filing. Unless scheduled together or by the same notice, the decision regarding good cause for late filing of the petition must be made before a hearing is scheduled, and the parties shall be notified of such decision.

(c) The board clerk shall forward a copy of completed but untimely filed petitions to the property appraiser or tax collector at the time they are received or upon the determination of good cause.

(d) The board is authorized to, but need not, require good cause hearings before good cause determinations are made. The board or a board designee, which includes the board legal counsel or a special magistrate, shall determine whether the petitioner has demonstrated, in writing, good cause justifying consideration of the petition. If the board or a board designee determines that the petitioner has demonstrated good cause, the board clerk

shall accept the petition for filing and so notify the petitioner and the property appraiser or the tax collector.

(e) If the board or a board designee determines that the petitioner has not demonstrated good cause, or if the petition is not accompanied by a written explanation for the delay in filing, the board clerk shall notify the petitioner and the property appraiser or tax collector.

(f) A person who files a petition may timely file an action in circuit court to preserve the right to proceed in circuit court. (Sections 193.155(8)(l), 194.036, 194.171(2) and 196.151, F.S.).

(15) Acknowledgement of Timely Filed Petitions. The board clerk shall accept all completed petitions, as defined by statute and subsection (2), of this rule. Upon receipt of a completed and filed petition, the board clerk shall provide to the petitioner an acknowledgment of receipt of such petition and shall provide to the property appraiser or tax collector a copy of the petition.

(16) When the property appraiser receives the petition from the board clerk, regardless of whether the petitioner initiates the evidence exchange, the property appraiser shall provide to the petitioner a copy of the property record card containing information relevant to the computation of the current assessment, with confidential information redacted. The property appraiser shall provide such property record card to the petitioner either by sending it to the petitioner or by notifying the petitioner how to obtain it online.

(17) The board clerk shall send the notice of hearing such that it will be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The board clerk will have prima facie complied with the requirements of this section if the notice was deposited in the U.S. mail thirty (30) days prior to the day of such scheduled appearance.

(18) Copies of the forms incorporated in Rule 12D-16.002, F.A.C., may be obtained at the Department's Internet site: <http://floridarevenue.com/dor/property/forms/>.

(2)(a) Any hand-delivered or mailed document received by the office of the board clerk after close of business as determined by the board clerk shall be filed the next regular business day.

(b) If the board clerk accepts documents filed by FAX or other electronic transmission, documents received on or after 11:59:59 p.m. of the day they are due shall be filed the next

(c) Any document that is required to be filed, served, provided or made available may be filed, served, provided or made available electronically, if the board and the board clerk make such resources available, and no party is prejudiced.

(d) Local procedure may supersede provisions regarding the number of copies that must be provided.

(3) When a party files a document with the board, other than the petition, that party shall serve copies of the document to all parties in the proceeding. When a document is filed that does not clearly indicate it has been provided to the other party, the board clerk, board legal counsel, board members and special magistrates shall inform the party of the requirement to provide to every party or shall exercise care to ensure that a copy is provided to every party, and that no ex parte communication occurs.

(4) Any party who elects to file any document by FAX or other electronic transmission shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the board clerk as a result.

(b) This rule shall not prohibit internal communications among the board clerk, board, special magistrates, and board legal counsel, regarding internal operations of the board and other administrative matters. The special magistrate is specifically authorized to communicate with the board's legal counsel or board clerk on legal matters or other issues regarding a petition.

(2) Any attempt by the property appraiser, tax collector, taxpayer or taxpayer's representative to provide information or discuss issues regarding a petition without the presence of the opposing party before or after the hearing, with a member of the board or the special magistrate shall be immediately placed on the record by the board member or special magistrate.

12D-9.018 Representation of the Taxpayer.

(1) A taxpayer has the right, at the taxpayer's own expense, to be represented before the board by a person described in subsection (3), below. The taxpayer's representative may present testimony and other evidence in support of the petition

(2) The authorized individual, agent, or legal entity that signs the petition becomes the agent of the taxpayer for the purpose of serving process to obtain jurisdiction over the taxpayer for the entire value adjustment board proceedings, including any appeals of a board decision by the property appraiser or tax collector. However, this does not authorize the individual, agent, or legal entity to receive or access the taxpayer's confidential information without written authorization from the taxpayer.

(3) Subject to the petition filing requirements set forth in this rule chapter, a taxpayer may be represented before the board by one of the persons described in this subsection.

(a)1. An employee of the taxpayer or of an affiliated entity may represent the taxpayer.

2. One of the following professionals may represent the taxpayer:

a. An attorney who is a member of the Florida Bar,

b. A real estate appraiser licensed or certified under Chapter 475, Part II, F.S.,

c. A real estate broker licensed under Chapter 475, Part I, F.S., or

d. A certified public accountant licensed under Chapter 473, F.S.

3. If the taxpayer has authorized an employee or professional, listed in this subsection, to file a petition and represent the taxpayer and the employee or professional certifies under penalty of perjury that he or she has the taxpayer's authorization to file the petition on the taxpayer's behalf and represent the taxpayer, the employee or professional may file a petition that is not signed by the taxpayer and that is not accompanied by the taxpayer's written authorization.

(b) A person who provides to the board clerk at the time the petition is filed a power of attorney authorizing such person to act on the taxpayer's behalf, may represent the taxpayer. The power of attorney is valid only for representing a single taxpayer in a single assessment year, and must identify the parcels or accounts for which the person is authorized to represent the taxpayer and must conform to the requirements of Chapter 709, Part II, F.S. A taxpayer may use a Department of Revenue form to grant the power of attorney or may use a different form, provided it meets the requirements of Chapter 709, Part II, and Section 194.034(1), F.S. The Department has adopted Form DR-486POA, titled Power of Attorney for Representation Before the Value Adjustment Board, which is incorporated by reference in Rule 12D-16.002, F.A.C., as a form available to taxpayers for granting the power of attorney.

(c) An uncompensated person who provides to the board clerk at the time the petition is

filed, the taxpayer's written authorization for such person to act on the taxpayer's behalf, may represent the taxpayer. This written authorization is valid only for representing a single taxpayer in a single assessment year and must identify the parcels or accounts for which the person is authorized to represent the taxpayer. A taxpayer may use a Department of Revenue form to grant the authorization in writing or may use a different form provided it meets the requirements of Section 194.034(1), F.S. The Department has adopted Form DR-486A, titled Written Authorization for Representation Before the Value Adjustment Board, which is incorporated by reference in Rule 12D-16.002, F.A.C., as a form available to taxpayers for granting the written authorization.

(4) The board clerk may require the use of an agent or representative number to facilitate scheduling of hearings as long as such use is not inconsistent with this rule chapter.

12D-9.019 Scheduling and Notice of a Hearing.

(1)(a) The board clerk shall prepare a schedule of appearances before the board or special magistrates based on timely filed petitions, and shall notify each petitioner of the scheduled time of appearance. The board clerk shall simultaneously notify the property appraiser or tax collector. The board clerk may electronically send this notification to the petitioner, if the petitioner indicates on his or her petition this means of communication for receiving notices, materials, and communications.

(b) When scheduling hearings, the board clerk shall consider:

1. The anticipated amount of time if indicated on the petition,
2. The experience of the petitioner,
3. The complexity of the issues or the evidence to be presented,
4. The number of petitions/parcels to be heard at a single hearing,
5. The efficiency or difficulty for the petitioner of grouping multiple hearings for a single petitioner on the same day; and,
6. The likelihood of withdrawals, cancellations of hearings or failure to appear.

(c) Upon request of a party, the board clerk shall consult with the petitioner and the property appraiser or tax collector to ensure that, within the board clerk's judgment, an adequate amount of time is provided for presenting and considering evidence.

(d) In scheduling hearings before specific special magistrates, the board, board attorney, and board clerk shall not consider any assessment reductions recommended by any special magistrate in the current year or in any previous year.

(e) In those counties that use special magistrates, after an attorney special magistrate has produced a recommended decision on a determination that a change of ownership under Section 193.155(3), F.S., a change of ownership or control under Section 193.1554(5) or

193.1555(5), F.S., or a qualifying improvement under Section 193.1555(5), F.S., has occurred, the petition shall be scheduled for a hearing before a real property valuation special magistrate for an administrative review of the value(s), unless the petitioner waives administrative review of the value. The clerk must notify the petitioner and property appraiser of the scheduled time in the manner described in this rule. This hearing is subject to the single time reschedule for good cause as provided in this rule. In counties that do not use special magistrates the board may proceed directly to a valuation hearing where properly noticed as provided in this rule.

(2) No hearing shall be scheduled related to valuation issues prior to completion by the governing body of each taxing authority of the public hearing on the tentative budget and proposed millage rate.

(3)(a) The notice of hearing before the value adjustment board shall be in writing, and shall be delivered by regular or certified U.S. mail or personal delivery, or in the manner requested by the petitioner on Form DR-486, so that the notice shall be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The Form DR-486 series is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. The notice of hearing form shall meet the requirements of this section and shall be subject to approval by the department. The department provides Form DR-481 as a format for the form of such notice. Form DR-481, Value Adjustment Board – Notice of Hearing, is adopted and incorporated by reference in Rule 12D-16.002, F.A.C.

(b) The notice shall include these elements:

1. The parcel number, account number or legal address of all properties being heard at the scheduled hearing;

2. The type of hearing scheduled;

3. The date and time of the scheduled hearing, however, if the petition has been scheduled to be heard within a block of time, the beginning and ending of that block of time shall be indicated on the notice;

4. The time reserved, or instructions on how to obtain this information;

5. The location of the hearing, including the hearing room number if known, together with board clerk contact information including office address and telephone number, for petitioners to request assistance in finding hearing rooms;

6. Instructions on how to obtain a list of the potential special magistrates for the type of petition in question;

7. A statement of the petitioner's right to participate in the exchange of evidence with the property appraiser;

8. A statement that the petitioner has the right to reschedule the hearing a single time for good cause as defined in Section 194.032(2)(a), F.S.;

9. A statement that Section 194.032(2)(a), F.S., defines “good cause” as circumstances beyond the control of the person seeking to reschedule the hearing which reasonably prevent the party from having adequate representation at the hearing;

10. Instructions on bringing copies of evidence;

11. Any information necessary to comply with federal or state disability or accessibility acts; and,

12. Information regarding where the petitioner may obtain a copy of the uniform rules of procedure.

(4) Each party may reschedule the hearing a single time for good cause by submitting a written request to the board clerk before the scheduled appearance or as soon as practicable. As used in this subsection, the term “good cause” is defined in Section 194.032(2)(a), F.S.

(a) The board clerk shall ascertain if the opposing party has been furnished a copy of the request, and if not, shall furnish the request to the opposing party. The board clerk shall promptly forward the reschedule request to the board or a board designee to make a determination as to good cause; for this determination, the board designee includes the board clerk, board legal counsel or a special magistrate.

(b) The board or board designee shall grant the hearing reschedule for any request that qualifies under Section 194.032(2)(a), F.S. The board or board designee may act upon the request based on its face and whether it meets the provisions for good cause on its face.

(c) If the board or a board designee determines that the request does not show good cause, the request will be denied and the board may proceed with the hearing as scheduled.

(d) If the board or a board designee determines that the request demonstrates good cause, the request will be granted.

(e) Requests to reschedule shall be processed without delay and the processing shall be accelerated where necessary to ensure, if possible, that the parties are provided notice of the determination before the original hearing time.

(f) The board clerk shall give prompt notice to the parties of the determination as to good cause. Form DR-485WCN, Value Adjustment Board – Clerk’s Notice, is designated and may be used for this purpose. Form DR-485WCN is adopted and incorporated by reference in Rule 12D-16.002, F.A.C.

(g) If good cause is found, the clerk shall give immediate notice of cancellation of the hearing and shall proceed as provided in paragraph (h).

(h) The clerk must receive any notice of conflict dates submitted by a party before notice of a rescheduled hearing is sent to both parties or before expiration of any period allowed by the clerk or board to both parties for such submittal.

(i) The clerk must reschedule considering conflict dates received and should accommodate a notice of conflict dates when any associated delay will not be prejudicial to the board’s performance of its functions in the taxing process.

(j) The board clerk is responsible for notifying the parties of any rescheduling and will issue a notice of hearing with the new hearing date which shall, if possible, be the earliest date that is convenient for all parties.

(k) When rescheduling hearings under this rule, if the parties are unable to agree on an earlier date, the board clerk is authorized to schedule the hearing and send a notice of such hearing by regular or certified U.S. mail or personal delivery, or in the manner requested by the petitioner on the petition Form DR-486, so that the notice shall be received by the petitioner no less than fifteen (15) calendar days prior to the day of such scheduled appearance, unless this notice is waived by both parties.

(l) The clerk is authorized to inquire if a party wants their evidence considered in the event of their absence from the hearing.

(m) The clerk is authorized to ask the parties if they will waive the 15 days' notice for rescheduled hearings; however, the parties are not required to do so.

(n) A party must not assume the request to reschedule has been granted until notified by the clerk.

(5) If a hearing is rescheduled by a party, the board clerk must notify the petitioner of the rescheduled time in the manner referenced in subsection (3), so that the notice shall be received no less than fifteen (15) calendar days prior to the day of such rescheduled appearance, unless this notice is waived by both parties.

(6) If a hearing is rescheduled, the deadlines for the exchange of evidence shall be computed from the new hearing date, if time permits.

(7)(a) If a petitioner's hearing does not commence as scheduled, the board clerk is authorized to reschedule the hearing.

(b) In no event shall a petitioner be required to wait more than a reasonable time after the scheduled time to be heard or, if the petition has been scheduled to be heard within a block of time, after the beginning of the block of time. The board clerk is authorized to find that a reasonable time has elapsed based on other commitments, appointments or hearings of the petitioner, lateness in the day, and other hearings waiting to be heard earlier than the petitioner's hearing with the board or special magistrate. If his or her petition has not been heard within a reasonable time, the petitioner may request to be heard immediately. If the board clerk finds a reasonable time has elapsed and petitioner is not heard, the board clerk shall reschedule the petitioner's hearing. A reasonable time must not exceed two hours. After two hours, the petitioner has the right to inform the board chairperson, or the clerk as board designee, that he or she intends to leave. If the petitioner chooses to leave, the petitioner must first inform the board chairperson or clerk that he or she intends to leave. The clerk must not list the petitioner as a no show. If the hearing does not commence within two hours and the petitioner leaves, the clerk must reschedule the hearing.

(c) A rescheduling under this subsection is not a request by a party to reschedule as provided in subsection (4).

(d) A petitioner is not required to wait any length of time as a prerequisite to filing an action in circuit court.

12D-9.020 Exchange of Evidence.

(1)(a)1. At least 15 days before a petition hearing, the petitioner shall provide to the property appraiser a list of evidence to be presented at the hearing, a summary of evidence to be presented by witnesses, and copies of all documentation to be presented at the hearing.

2. To calculate the fifteen (15) days, the petitioner shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing. The last day of the period shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day that is neither a Saturday, Sunday, or legal holiday.

(b) A petitioner's noncompliance with paragraph (1)(a), does not affect the petitioner's right to receive a copy of the current property record card from the property appraiser as described in Section 194.032(2)(a), F.S.

(c) A petitioner's noncompliance with paragraph (1)(a), does not authorize a value adjustment board or special magistrate to exclude the petitioner's evidence. However, under Section 194.034(1)(h), F.S., if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and knowingly refuses to provide it to the property appraiser a reasonable time before the hearing, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. Reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. These requirements are more specifically described in subsection (8), of this rule, and in paragraphs 12D-9.025(4)(a) and (f), F.A.C.

(2)(a) If the property appraiser receives the petitioner's documentation as described in paragraph (1)(a), and if requested in writing by the petitioner, the property appraiser shall, no later than seven (7) days before the hearing, provide to the petitioner a list of evidence to be presented at the hearing, a summary of evidence to be presented by witnesses, and copies of all documentation to be presented by the property appraiser at the hearing. The evidence list must contain the current property record card. There is no specific form or format required for the petitioner's written request.

(b) To calculate the seven (7) days, the property appraiser shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing. The last day of the period so computed shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day which is neither a Saturday, Sunday, or legal holiday.

(3)(a) If the petitioner does not provide the information to the property appraiser described in paragraph (1)(a), the property appraiser need not provide the information to the petitioner as described in subsection (2).

(b) If the property appraiser does not provide the information to the petitioner within the time required by paragraph (2)(b), the hearing shall be rescheduled to allow the petitioner additional time to review the property appraiser's evidence.

(4) By agreement of the parties the evidence exchanged under this rule section shall be delivered by regular or certified U.S. mail, personal delivery, overnight mail, FAX or email. The petitioner and property appraiser may agree to a different timing and method of exchange. "Provided" means received by the party not later than the time frame provided in this rule section. If either party does not designate a desired manner for receiving information in the evidence exchange, the information shall be provided by U.S. mail. The property appraiser shall provide the information at the address listed on the petition form for the petitioner.

(5) Level of detail on evidence summaries: The summaries of evidence to be presented by witnesses for the petitioner and the property appraiser under this rule section shall be sufficiently detailed as to reasonably inform a party of the general subject matter of the witness' testimony, and the name and address of the witness.

(6) Hearing procedures: Neither the board nor the special magistrate shall take any general action regarding compliance with this section, but any action on each petition shall be considered on a case by case basis. Any action shall be based on a consideration of whether there has been a substantial noncompliance with this section, and shall be taken at a scheduled hearing and based on evidence presented at such hearing. "General action" means a prearranged course of conduct not based on evidence received in a specific case at a scheduled hearing on a petition.

(7) A property appraiser shall not use at a hearing evidence that was not supplied to the petitioner as required. The remedy for such noncompliance shall be a rescheduling of the hearing to allow the petitioner an opportunity to review the information of the property appraiser.

(8) No petitioner may present for consideration, nor may a board or special magistrate accept for consideration, testimony or other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. Such evidentiary materials shall be considered timely if provided to the property appraiser no later

than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in this section. If provided to the property appraiser less than fifteen (15) days before the hearing, such materials shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing, as described in paragraph 12D-9.025(4)(f), F.A.C. A petitioner's ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser.

(9) As the trier of fact, the board or special magistrate may independently rule on the admissibility and use of evidence. If the board or special magistrate has any questions relating to the admissibility and use of evidence, the board or special magistrate should consult with the board legal counsel. The basis for any ruling on admissibility of evidence must be reflected in the record.

12D-9.021 Withdrawn or Settled Petitions; Petitions Acknowledged as Correct; Non-Appearance; Summary Disposition of Petitions.

(1) A petitioner may withdraw a petition prior to the scheduled hearing. Form DR-485WI is prescribed by the department for such purpose; however, other written or electronic means may be used. Form DR-485WI is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. Form DR-485WI shall indicate the reason for the withdrawal as one of the following:

- (a) Petitioner agrees with the determination of the property appraiser or tax collector;
- (b) Petitioner and property appraiser or tax collector have reached a settlement of the issues;
- (c) Petitioner does not agree with the decision or assessment of the property appraiser or tax collector but no longer wishes to pursue a remedy through the value adjustment board process; or
- (d) Other specified reason.

(2) The board clerk shall cancel the hearing upon receiving a notice of withdrawal from the petitioner and there shall be no further proceeding on the matter.

(3) If a property appraiser or tax collector agrees with a petition challenging a decision to deny an exemption, classification, portability assessment difference transfer, or deferral, the property appraiser or tax collector shall issue the petitioner a notice granting said exemption, classification, portability assessment difference transfer, or deferral and shall file with the board clerk a notice that the petition was acknowledged as correct. The board clerk shall cancel the hearing upon receiving the notice of acknowledgement and there shall be no further proceeding on the matter acknowledged as correct.

(4) If parties do not file a notice of withdrawal or notice of acknowledgement but indicate the same at the hearing, the board or special magistrate shall so state on the hearing record and shall not proceed with the hearing and shall not issue a decision. If a petition is withdrawn or acknowledged as correct under subsection (1), (2), or (3), or settlement is reached and filed by the parties, at any time before a recommended decision or final board decision is issued, the board, special magistrate or clerk need not issue such decision. The board clerk shall list and report all withdrawals, settlements, acknowledgements of correctness as withdrawn or settled petitions. Settled petitions shall include those acknowledged as correct by the property appraiser or tax collector.

(5) For all withdrawn or settled petitions, a special magistrate shall not produce a recommended decision and the board shall not produce a final decision.

(6) When a petitioner does not appear by the commencement of a scheduled hearing and the petitioner has not indicated a desire to have their petition heard without their attendance and a good cause request is not pending, the board or the special magistrate shall not commence or proceed with the hearing and shall produce a decision or recommended decision as described in this section. If the petitioner makes a good cause request before the decision, if no special magistrate is used, or recommended decision, if a special magistrate is used, is issued, the board or board designee shall rule on the good cause request before determining that the decision or recommended decision should be set aside and that the hearing should be rescheduled, or that the board or special magistrate should issue the decision or recommended decision.

(7) When a petitioner does not appear by the commencement of a scheduled hearing and a good cause request is pending, the board or board designee shall rule on the good cause request before determining that the hearing should be rescheduled or that the board or special magistrate should issue a decision or recommended decision.

(a) If the board or board designee finds good cause for the petitioner's failure to appear, the board clerk shall reschedule the hearing.

(b) If the board or board designee does not find good cause for the petitioner's failure to appear, the board or special magistrate shall issue a decision or recommended decision.

(8) Decisions issued under subsection (6) or (7) shall not be treated as withdrawn or settled petitions and shall contain:

(a) A finding of fact that the petitioner did not appear at the hearing and did not state good cause; and

(b) A conclusion of law that the relief is denied and the decision is being issued in order that any right the petitioner may have to bring an action in circuit court is not impaired.

12D-9.022 Disqualification or Recusal of Special Magistrates or Board Members.

(1) If either the petitioner or the property appraiser communicates a reasonable belief that a special magistrate does not possess the statutory qualifications in accordance with Sections 194.035 and 475.611(1)(h) and (i), F.S., to conduct a particular proceeding, the basis for that belief shall be included in the record of the proceeding or submitted prior to the hearing in writing to the board legal counsel.

(2)(a) Upon review, if the board or its legal counsel determines that the original special magistrate does not meet the statutory requirements and qualifications, the board or legal counsel shall enter into the record an instruction to the board clerk to reschedule the petition before a different special magistrate to hear or rehear the petition without considering actions that may have occurred during any previous hearing.

(b) Upon review, if the board or its legal counsel determines that the special magistrate does meet the statutory requirements and qualifications, such determination shall be issued in writing and placed in the record, and the special magistrate will conduct the hearing, or, if a hearing was already held, the recommended decision will be forwarded to the board in accordance with these rules.

(3) Board members and special magistrates shall recuse themselves from hearing a petition when they have a conflict of interest or an appearance of a conflict of interest.

(4)(a) If either the petitioner or the property appraiser communicates a reasonable belief that a board member or special magistrate has a bias, prejudice or conflict of interest, the basis for that belief shall be stated in the record of the proceeding or submitted prior to the hearing in writing to the board legal counsel.

(b) If the board member or special magistrate agrees with the basis stated in the record, the board member or special magistrate shall recuse himself or herself on the record. A special magistrate who recuses himself or herself shall close the hearing on the record and notify the board clerk of the recusal. Upon a board member's recusal, the hearing shall go forward if there is a quorum. Upon a special magistrate's recusal, or a board member's recusal that results in a quorum not being present, the board clerk shall reschedule the hearing.

(c) If the board member or special magistrate questions the need for recusal, the board member or special magistrate shall request an immediate determination on the matter from the board's legal counsel.

(d) Upon review, if the board legal counsel:

1. Determines that a recusal is necessary, the board member or special magistrate shall recuse himself or herself and the board clerk shall reschedule the hearing; or

2. Is uncertain whether recusal is necessary, the board member or special magistrate shall recuse himself or herself and the board clerk shall reschedule the hearing; or

3. Determines the recusal is unnecessary, the board legal counsel shall set forth the basis upon which the request was not based on sufficient facts or reasons.

(e) In a rescheduled hearing, the board or special magistrate shall not consider any actions that may have occurred during any previous hearing on the same petition.

(5) A rescheduling for disqualification or recusal shall not be treated as the one time rescheduling to which a petitioner has a right upon timely request under Section 194.032(2), F.S.

12D-9.023 Hearings Before Board or Special Magistrates.

(1) Hearing rooms, office space, computer systems, personnel, and other resources used for any of the board's functions shall be controlled by the board through the board clerk of the value adjustment board. The board clerk shall perform his or her duties in a manner to avoid the appearance of a conflict of interest. The board clerk shall not use the resources of the property appraiser's or tax collector's office and shall not allow the property appraiser or tax collector to control or influence any part of the value adjustment board process.

(2) Boards and special magistrates shall adhere as closely as possible to the schedule of hearings established by the board clerk but must ensure that adequate time is allowed for parties to present evidence and for the board or special magistrate to consider the admitted evidence. If the board or special magistrate determines from the petition form that the hearing has been scheduled for less time than the petitioner requested on the petition, the board or special magistrate must consider whether the hearing should be extended or continued to provide additional time.

12D-9.024 Procedures for Commencement of a Hearing.

(1) If all parties are present and the petition is not withdrawn or settled, a hearing on the petition shall commence.

(2) The hearing shall be open to the public.

(3) Upon the request of either party, a special magistrate shall swear in all witnesses in that proceeding on the record. Upon such request and if the witness has been sworn in during an earlier hearing, it shall be sufficient for the special magistrate to remind the witness that he or she is still under oath.

(4) Before or at the start of the hearing, the board, the board's designee or the special magistrate shall give a short overview verbally or in writing of the rules of procedure and any administrative issues necessary to conduct the hearing.

(5) Before or at the start of the hearing, unless waived by the parties, the board or special magistrate shall make an opening statement or provide a brochure or taxpayer information sheet that:

(a) States the board or special magistrate is an independent, impartial, and unbiased hearing body or officer, as applicable;

(b) States the board or special magistrate does not work for the property appraiser or tax collector, is independent of the property appraiser or tax collector, and is not influenced by the property appraiser or tax collector;

(c) States the hearing will be conducted in an orderly, fair, and unbiased manner;

(d) States that the law does not allow the board or special magistrate to review any evidence unless it is presented on the record at the hearing or presented upon agreement of the parties while the record is open; and

(e) States that the law requires the board or special magistrate to evaluate the relevance and credibility of the evidence in deciding the results of the petition.

(6) The board or special magistrate shall ask the parties if they have any questions regarding the verbal or written overview of the procedures for the hearing.

(7) After the opening statement, and clarification of any questions with the parties, the board or special magistrate shall proceed with the hearing. The property appraiser shall indicate for the record his or her determination of just value, classified use value, tax exemption, property classification, or “portability” assessment difference, or deferral or penalties. Under subsection 194.301(1), F.S., in a hearing on just, classified use, or assessed value, the first issue to be considered is whether the property appraiser establishes a presumption of correctness for the assessment. The property appraiser shall present evidence on this issue first.

(8) If at any point in a hearing or proceeding the petitioner withdraws the petition or the parties agree to settlement, the petition becomes a withdrawn or settled petition and the hearing or proceeding shall end. The board or special magistrate shall state or note for the record that the petition is withdrawn or settled, shall not proceed with the hearing, shall not consider the petition, and shall not produce a decision or recommended decision.

(9)(a) If the petitioner does not appear by the commencement of a scheduled hearing, the board or special magistrate shall not commence the hearing and shall proceed under the requirements set forth in subsection 12D-9.021(6), F.A.C., unless:

1. The petition is on a “portability” assessment difference transfer in which the previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located. Requirements specific to hearings on such petitions are set forth in subsection 12D-9.028(6), F.A.C.; or

2. The petitioner has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider evidence submitted by the petitioner.

(b) A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider his or her evidence, shall submit his or her evidence to the board clerk and property appraiser before the hearing.

The board clerk shall:

1. Keep the petitioner's evidence as part of the petition file;
2. Notify the board or special magistrate before or at the hearing that the petitioner has indicated he or she will not appear at the hearing, but would like for the board or special magistrate to consider his or her evidence at the hearing; and
3. Give the evidence to the board or special magistrate at the beginning of the hearing.

(10) If the property appraiser or tax collector does not appear by the commencement of a scheduled hearing, except a good cause hearing, the board or special magistrate shall state on the record that the property appraiser or tax collector did not appear at the hearing. Then, the board or special magistrate shall request the petitioner to state for the record whether he or she wants to have the hearing rescheduled or wants to proceed with the hearing without the property appraiser or tax collector. If the petitioner elects to have the hearing rescheduled, the board clerk shall reschedule the hearing. If the petitioner elects to proceed with the hearing without the property appraiser or tax collector, the board or special magistrate shall proceed with the hearing and shall produce a decision or recommended decision.

(11) In any hearing conducted without one of the parties present, the board or special magistrate must take into consideration the inability of the opposing party to cross-examine the non-appearing party in determining the sufficiency of the evidence of the non-appearing party.

12D-9.025 Procedures for Conducting a Hearing; Presentation of Evidence; Testimony of Witnesses.

- (1) As part of administrative reviews, the board or special magistrate must:
- (a) Review the evidence presented by the parties;
 - (b) Determine whether the evidence presented is admissible;
 - (c) Admit the evidence that is admissible, and identify the evidence presented to indicate that it is admitted or not admitted; and
 - (d) Consider the admitted evidence.

(2)(a) In these rules, the term “admitted evidence” means evidence that has been admitted into the record for consideration by the board or special magistrate. Board and special magistrate proceedings are not controlled by strict rules of evidence and procedure. Formal rules of evidence shall not apply, but fundamental due process shall be observed and shall govern the proceedings.

(b) For administrative reviews, “relevant evidence” is evidence that is reasonably related, directly or indirectly, to the statutory criteria that apply to the issue under review. This description means the evidence meets or exceeds a minimum level of relevance necessary to be admitted for consideration, but does not necessarily mean that the evidence has sufficient relevance to legally justify a particular conclusion.

(c) Rebuttal evidence is relevant evidence used solely to disprove or contradict the original evidence presented by an opposing party.

(d) As the trier of fact, the board or special magistrate may independently rule on the admissibility and use of evidence. If the board or special magistrate has any questions relating to the admissibility and use of evidence, the board or special magistrate should consult with the board legal counsel. The basis for any ruling on admissibility of evidence must be reflected in the record. The special magistrate may delay ruling on the question during the hearing and consult with board legal counsel after the hearing.

(3)(a) In a board or special magistrate hearing, the petitioner is responsible for presenting relevant and credible evidence in support of his or her belief that the property appraiser’s determination is incorrect. The property appraiser is responsible for presenting relevant and credible evidence in support of his or her determination.

(b) Under Section 194.301, F.S., “preponderance of the evidence” is the standard of proof that applies in assessment challenges. The “clear and convincing evidence” standard of proof no longer applies, starting with 2009 assessments. A taxpayer shall never have the burden of proving that the property appraiser’s assessment is not supported by any reasonable hypothesis of a legal assessment.

(4)(a) No evidence shall be considered by the board or special magistrate except when presented and admitted during the time scheduled for the petitioner’s hearing, or at a time when the petitioner has been given reasonable notice. The petitioner may still present evidence if he or she does not participate in the evidence exchange. However, if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and refuses to provide it to the property appraiser, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. These requirements are more specifically described in paragraph (f) below.

(b) If a party submits evidence to the board clerk prior to the hearing, the board or special magistrate shall not review or consider such evidence prior to the hearing.

(c) In order to be reviewed by the board or special magistrate, any evidence filed with the board clerk shall be brought to the hearing by the party. This requirement shall not apply where:

1. A petitioner does not appear at a hearing on a “portability” assessment difference transfer petition in which the previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located. Requirements specific to hearings on such petitions are set forth in subsection 12D-9.028(6), F.A.C.; or

2. A petitioner has indicated that he or she does not wish to appear at the hearing but would like for the board or special magistrate to consider evidence submitted by the petitioner.

(d) A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider his or her evidence, shall submit his or her evidence to the board clerk before the hearing.

The board clerk shall:

1. Keep the petitioner's evidence as part of the petition file;
2. Notify the board or special magistrate before or at the hearing that the petitioner has indicated he or she will not appear at the hearing, but would like for the board or special magistrate to consider his or her evidence at the hearing; and
3. Give the evidence to the board or special magistrate at the beginning of the hearing.

(e) The board clerk may provide an electronic system for the filing and retrieval of evidence for the convenience of the parties, but such evidence shall not be considered part of the record and shall not be reviewed by the board or special magistrate until presented at a hearing. Any exchange of evidence should occur between the parties and such evidence is not part of the record until presented by the offering party and deemed admissible at the hearing.

(f)1. No petitioner shall present for consideration, nor shall the board or special magistrate accept for consideration, testimony or other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in Rule 12D-9.020, F.A.C., and, if provided to the property appraiser less than fifteen (15) days before the hearing, shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing. A petitioner's ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser. For purposes of this rule and Rule 12D-9.020, F.A.C., reasonableness shall be assumed if the property appraiser does not object. Otherwise, reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. If a petitioner has acted in good faith and not denied evidence to the property appraiser prior to the hearing, as provided by Section 194.034(1)(h), F.S., but wishes to submit evidence at the hearing which is of a nature that would require investigation or verification by the property appraiser, then the special magistrate may allow the hearing to be recessed and, if necessary, rescheduled so that the property appraiser may review such evidence.

2. A property appraiser shall not present undisclosed evidence that was not supplied to the petitioner as required under the evidence exchange rule, Rule 12D-9.020, F.A.C. The remedy

for such noncompliance shall be a rescheduling of the hearing to allow the petitioner an opportunity to review the information of the property appraiser.

(5) When testimony is presented at a hearing, each party shall have the right to cross-examine any witness.

(6)(a) By agreement of the parties entered in the record, the board or special magistrate may leave the record open and postpone completion of the hearing to a date certain to allow a party to collect and provide additional relevant and credible evidence. Such postponements shall be limited to instances where, after completing original presentations of evidence, the parties agree to the collection and submittal of additional, specific factual evidence for consideration by the board or special magistrate. In lieu of completing the hearing, upon agreement of the parties the board or special magistrate is authorized to consider such evidence without further hearing.

(b) If additional hearing time is necessary, the hearing must be completed at the date, place, and time agreed upon for presenting the additional evidence to the board or special magistrate for consideration.

(c) The following limitations shall apply if the property appraiser seeks to present additional evidence that was unexpectedly discovered and that would increase the assessment.

1. The board or special magistrate shall ensure that such additional evidence is limited to a correction of a factual error discovered in the physical attributes of the petitioned property; a change in the property appraiser's judgment is not such a correction and shall not justify an increase in the assessment.

2. A notice of revised proposed assessment shall be made and provided to the petitioner in accordance with the notice provisions set out in Florida Statutes for notices of proposed property taxes.

3. Along with the notice of revised proposed assessment, the property appraiser shall provide to the petitioner a copy of the revised property record card containing information relevant to the computation of the revised proposed assessment, with confidential information redacted. The property appraiser shall provide such revised property record card to the petitioner either by sending it to the petitioner or by notifying the petitioner how to obtain it online.

4. A new hearing shall be scheduled and notice of the hearing shall be sent to the petitioner.

5. The evidence exchange procedures in Rule 12D-9.020, F.A.C., shall be available.

6. The back assessment procedure in Section 193.092, F.S., shall be used for any assessment already certified.

(7)(a) The board or special magistrate shall receive, identify for the record, and retain all exhibits presented during the hearing and send them to the board clerk along with the recommended decision or final decision. Upon agreement of the parties, the board clerk is authorized to make an electronic representation of evidence that is difficult to store or maintain.

(b) The board or special magistrate shall have the authority, at a hearing, to ask questions at any time of either party, the witnesses, or board staff. When asking questions, the board or special magistrate shall not show bias for or against any party or witness. The board or special magistrate shall limit the content of any question asked of a party or witness to matters reasonably related, directly or indirectly, to matters already in the record.

(c) Representatives of interested municipalities may be heard as provided in Section 193.116, F.S.

(8) Unless a board or special magistrate determines that additional time is necessary, the board or special magistrate shall conclude all hearings at the end of the time scheduled for the hearing. If a hearing is not concluded by the end of the time scheduled, the board or special magistrate shall determine the amount of additional time needed to conclude the hearing.

(a) If the board or special magistrate determines that the amount of additional time needed to conclude the hearing would not unreasonably disrupt other hearings, the board or special magistrate is authorized to proceed with conclusion of the hearing.

(b) If the board or special magistrate determines that the amount of additional time needed to conclude the hearing would unreasonably disrupt other hearings, the board or special magistrate shall so state on the record and shall notify the board clerk to reschedule the conclusion of the hearing to a time as scheduled and noticed by the board clerk.

(9) The board or special magistrate shall not be required to make, at any time during a hearing, any oral or written finding, conclusion, decision, or reason for decision. The board or special magistrate has the discretion to determine whether to make such determinations during a hearing or to consider the petition and evidence further after the hearing and then make such determinations.

(10) For purposes of reporting board action on decisions and on the notice of tax impact, the value as reflected on the initial roll shall mean the property appraiser's determination as presented at the commencement of the hearing or as reduced by the property appraiser during the hearing, but before a decision by the board or a recommended decision by the special magistrate. See Rule 12D-9.038, F.A.C.

12D-9.026 Procedures for Conducting a Hearing by Electronic Media.

(1) Hearings conducted by electronic media shall occur only under the conditions set forth in this rule section.

(a) The board must approve and have available the necessary equipment and procedures.

(b) The special magistrate, if one is used, must agree in each case to the electronic hearing.

(c) The board must reasonably accommodate parties that have hardship or lack necessary equipment or ability to access equipment. The board must provide a physical location at which a party may appear, if requested.

(2) For any hearing conducted by electronic media, the board shall ensure that all equipment is adequate and functional for allowing clear communication among the participants and for creating the hearing records required by law. The board procedures shall specify the time period within which a party must request to appear at a hearing by electronic media.

(3) Consistent with board equipment and procedures:

(a) Any party may request to appear at a hearing before a board or special magistrate, using telephonic or other electronic media. If the board or special magistrate allows a party to appear by telephone, all members of the board in the hearing or the special magistrate must be physically present in the hearing room. Unless required by other provisions of state or federal law, the board clerk need not comply with such a request if such telephonic or electronic media are not reasonably available.

(b) The parties must also all agree on the methods for swearing witnesses, presenting evidence, and placing testimony on the record. Such methods must comply with the provisions of this rule chapter. The agreement of the parties must include which parties must appear by telephonic or other electronic media, and which parties will be present in the hearing room.

(4) Such hearings must be open to the public either by providing the ability for interested members of the public to join the hearing electronically or to monitor the hearing at the location of the board or special magistrate.

12D-9.027 Process of Administrative Review.

(1) This section sets forth the sequence of general procedural steps for administrative reviews. This order of steps applies to: the consideration of evidence, the development of conclusions, and the production of written decisions. The board or special magistrate shall follow this general sequence in order to fulfill the procedural requirements of Section 194.301, F.S. The following subsections set forth the steps for administrative reviews of:

(a) Just valuations in subsection (2);

(b) Classified use valuations, and assessed valuations of limited increase property, in subsection (3); and

(c) Exemptions, classifications, and portability assessment transfers in subsection (4).

(2) In administrative reviews of the just valuation of property, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Determine whether the property appraiser established a presumption of correctness for the assessment, and determine whether the property appraiser's just valuation methodology is appropriate. The presumption of correctness is not established unless the admitted evidence proves by a preponderance of the evidence that the property appraiser's just valuation methodology complies with Section 193.011, F.S., and professionally accepted appraisal practices, including mass appraisal standards, if appropriate.

(b)1. In administrative reviews of just valuations, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:

a. The property appraiser's just valuation does not represent just value; or

b. The property appraiser's just valuation is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county.

2. If one or both of the conditions in subparagraph (b)1. above are determined to exist, the property appraiser's presumption of correctness is overcome.

3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of just value which cumulatively meets the criteria of Section 193.011, F.S., and professionally accepted appraisal practices.

a. If the hearing record contains competent, substantial evidence for establishing a revised just value, the board or an appraiser special magistrate shall establish a revised just value based only upon such evidence. In establishing a revised just value, the board or special magistrate is not restricted to any specific value offered by one of the parties.

b. If the hearing record lacks competent, substantial evidence for establishing a revised just value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing just value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (b)1. above, the assessment stands.

(3) In administrative reviews of the classified use valuation of property or administrative reviews of the assessed valuation of limited increase property, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Identify the statutory criteria that apply to the classified use valuation of the property or to the assessed valuation of limited increase property, as applicable.

(b) Determine whether the property appraiser established a presumption of correctness for the assessment, and determine whether the property appraiser's classified use or assessed valuation methodology is appropriate. The presumption of correctness is not established unless the admitted evidence proves by a preponderance of the evidence that the property

appraiser's valuation methodology complies with the statutory criteria that apply to the classified use valuation or assessed valuation, as applicable, of the petitioned property.

(c)1. In administrative reviews of classified use valuations, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:

a. The property appraiser's classified use valuation does not represent classified use value; or

b. The property appraiser's classified use valuation is arbitrarily based on classified use valuation practices that are different from the classified use valuation practices generally applied by the property appraiser to comparable property of the same property classification within the same county.

2. If one or both of the conditions in subparagraph (c)1. above are determined to exist, the property appraiser's presumption of correctness is overcome.

3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of classified use value which cumulatively meets the statutory criteria that apply to the classified use valuation of the petitioned property.

a. If the hearing record contains competent, substantial evidence for establishing a revised classified use value, the board or an appraiser special magistrate shall establish a revised classified use value based only upon such evidence. In establishing a revised classified use value, the board or special magistrate is not restricted to any specific value offered by one of the parties.

b. If the hearing record lacks competent, substantial evidence for establishing a revised classified use value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing classified use value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (c)1. above, the assessment stands.

(d)1. In administrative reviews of assessed valuations of limited increase property, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:

a. The property appraiser's assessed valuation does not represent assessed value; or

b. The property appraiser's assessed valuation is arbitrarily based on assessed valuation practices that are different from the assessed valuation practices generally applied by the property appraiser to comparable property within the same county.

2. If one or both of the conditions in subparagraph (d)1. above are determined to exist, the property appraiser's presumption of correctness is overcome.

3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of assessed value which cumulatively meets the statutory criteria that apply to the assessed valuation of the petitioned property.

a. If the hearing record contains competent, substantial evidence for establishing a revised assessed value, the board or an appraiser special magistrate shall establish a revised assessed value based only upon such evidence. In establishing a revised assessed value, the board or special magistrate is not restricted to any specific value offered by one of the parties.

b. If the hearing record lacks competent, substantial evidence for establishing a revised assessed value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing assessed value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (d)1. above, the assessment stands.

(4) In administrative reviews of exemptions, classifications, and portability assessment transfers, the board or special magistrate shall follow this sequence of general procedural steps:

(a) In the case of an exemption, the board or special magistrate shall consider whether the denial was valid or invalid and shall:

1. Review the exemption denial, and compare it to the applicable statutory criteria in Section 196.193(5), F.S.;

2. Determine whether the denial was valid under Section 196.193, F.S.; and

3. If the denial is found to be invalid, not give weight to the exemption denial or to any evidence supporting the basis for such denial, but shall instead proceed to dispose of the matter without further consideration in compliance with Section 194.301, F.S.

4. If the denial is found to be valid, proceed with steps in paragraphs (b) through (g) below.

(b) Consider the admitted evidence presented by the parties.

(c) Identify the particular exemption, property classification, or portability assessment transfer issue that is the subject of the petition.

(d) Identify the statutory criteria that apply to the particular exemption, property classification, or portability assessment difference transfer that was identified as the issue under administrative review.

(e) Identify and consider the essential characteristics of the petitioned property or the property owner, as applicable, based on the statutory criteria that apply to the issue under administrative review.

(f) Identify and consider the basis used by the property appraiser in issuing the denial for the petitioned property.

(g) Determine whether the admitted evidence proves by a preponderance of the evidence that the property appraiser's denial is incorrect and the exemption, classification, or portability assessment transfer should be granted because all of the applicable statutory criteria are satisfied. Where necessary and where the context will permit in these rules, the term "statutory criteria" includes any constitutional criteria that do not require implementation by legislation.

(5) "Standard of proof" means the level of proof needed by the board or special magistrate to reach a particular conclusion. The standard of proof that applies in administrative reviews is called "preponderance of the evidence," which means "greater weight of the evidence."

(6) When applied to evidence, the term "sufficient" is a test of adequacy. Sufficient evidence is admitted evidence that has enough overall weight, in terms of relevance and credibility, to legally justify a particular conclusion. A particular conclusion is justified when the overall weight of the admitted evidence meets the standard of proof that applies to the issue under consideration. The board or special magistrate must determine whether the admitted evidence is sufficiently relevant and credible to reach the standard of proof that applies to the issue under consideration. In determining whether the admitted evidence is sufficient for a particular issue under consideration, the board or special magistrate shall:

(a) Consider the relevance and credibility of the admitted evidence as a whole, regardless of which party presented the evidence;

(b) Determine the relevance and credibility, or overall weight, of the evidence;

(c) Compare the overall weight of the evidence to the standard of proof;

(d) Determine whether the overall weight of the evidence is sufficient to reach the standard of proof; and

(e) Produce a conclusion of law based on the determination of whether the overall weight of the evidence has reached the standard of proof.

12D-9.028 Petitions on Transfer of "Portability" Assessment Difference.

(1) This rule section applies to the review of denials of assessment limitation difference transfers or of the amount of an assessment limitation difference transfer. No adjustment to the just, assessed or taxable value of the previous homestead parcel may be made pursuant to a petition under this rule.

(2) A petitioner may file a petition with the value adjustment board, in the county where the new homestead is located, to petition either a denial of a transfer or the amount

of the transfer, on Form DR-486PORT. Form DR-486PORT is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. Such petition must be filed at any time during the taxable year on or before the 25th day following the mailing of the notice of proposed property taxes as provided in Section 194.011, F.S. If only a part of a transfer of assessment increase differential is granted, the notice of proposed property taxes shall function as notice of the taxpayer's right to appeal to the board.

(3) The petitioner may petition to the board the decision of the property appraiser refusing to allow the transfer of an assessment difference, and the board shall review the application and evidence presented to the property appraiser upon which the petitioner based the claim and shall hear the petitioner on behalf of his or her right to such assessment. Such petition shall be heard by an attorney special magistrate if the board uses special magistrates.

(4) This subsection will apply to value adjustment board proceedings in a county in which the previous homestead is located. Any petitioner desiring to appeal the action of a property appraiser in a county in which the previous homestead is located must so designate on Form DR-486PORT.

(5) If the petitioner does not agree with the amount of the assessment limitation difference for which the petitioner qualifies as stated by the property appraiser in the county where the previous homestead property was located, or if the property appraiser in that county has not stated that the petitioner qualifies to transfer any assessment limitation difference, upon the petitioner filing a petition to the value adjustment board in the county where the new homestead property is located, the board clerk in that county shall, upon receiving the petition, send a notice using Form DR-486XCO, to the board clerk in the county where the previous homestead was located, which shall reconvene if it has already adjourned. Form DR-486XCO is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C.

(6)(a) If a cross county petition is filed as described in subsection (5), such notice operates as a timely petition and creates an appeal to the value adjustment board in the county where the previous homestead was located on all issues surrounding the previous assessment differential for the taxpayer involved. However, the petitioner may not petition to have the just, assessed, or taxable value of the previous homestead changed.

(b) The board clerk in the county where the previous homestead was located shall set the petition for hearing and notify the petitioner, the property appraiser in the county where the previous homestead was located, the property appraiser in the county where the new homestead is located, and the value adjustment board in that county, and shall hear the petition.

(c) The board clerk in the county in which the previous homestead was located must note and file the petition from the county in which the new homestead is located. No filing fee is required. The board clerk shall notify each petitioner of the scheduled time of appearance. The notice shall be in writing and delivered by regular or certified U.S. mail, or personal delivery, or delivered in the manner requested by the petitioner on Form DR-

486PORT, so that the notice shall be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The board clerk will have prima facie complied with the requirements of this section if the notice was deposited in the U.S. mail thirty (30) days prior to the day of such scheduled appearance.

(d) Such petition shall be heard by an attorney special magistrate if the value adjustment board in the county where the previous homestead was located uses special magistrates. The petitioner may attend such hearing and present evidence, but need not do so. If the petitioner does not appear at the hearing, the hearing shall go forward. The board or special magistrate shall obtain the petition file from the board clerk. The board or special magistrate shall consider deeds, property appraiser records that do not violate confidentiality requirements, and other documents that are admissible evidence. The petitioner may submit a written statement for review and consideration by the board or special magistrate explaining why the “portability” assessment difference should be granted based on applications and other documents and records submitted by the petitioner.

(e) The value adjustment board in the county where the previous homestead was located shall issue a decision and the board clerk shall send a copy of the decision to the board clerk in the county where the new homestead is located.

(f) In hearing the petition in the county where the new homestead is located, that value adjustment board shall consider the decision of the value adjustment board in the county where the previous homestead was located on the issues pertaining to the previous homestead and on the amount of any assessment reduction for which the petitioner qualifies. The value adjustment board in the county where the new homestead is located may not hold its hearing until it has received the decision from the value adjustment board in the county where the previous homestead was located.

(7) This rule does not authorize the consideration or adjustment of the just, assessed, or taxable value of the previous homestead property.

12D-9.029 Procedures for Remanding Value Assessments to the Property Appraiser.

(1) The board or appraiser special magistrate shall remand a value assessment to the property appraiser when the board or special magistrate has concluded that:

(a) The property appraiser did not establish a presumption of correctness, or has concluded that the property appraiser established a presumption of correctness that is overcome, as provided in Rule 12D-9.027, F.A.C.; and

(b) The record does not contain the competent substantial evidence necessary for the

board or special magistrate to establish a revised just value, classified use value, or assessed value, as applicable.

(2) An attorney special magistrate shall remand an assessment to the property appraiser for a classified use valuation when the special magistrate has concluded that a property classification will be granted.

(3) The board shall remand an assessment to the property appraiser for a classified use valuation when the board:

(a) Has concluded that a property classification will be granted; and

(b) Has concluded that the record does not contain the competent substantial evidence necessary for the board to establish classified use value.

(4) The board or special magistrate shall, on the appropriate decision form from the Form DR-485 series, produce written findings of fact and conclusions of law necessary to determine that a remand is required, but shall not render a recommended or final decision until after a continuation hearing is held or waived as provided in subsection (9). The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C.

(5) When an attorney special magistrate remands an assessment to the property appraiser for classified use valuation, an appraiser special magistrate retains authority to produce a recommended decision in accordance with law. When an appraiser special magistrate remands an assessment to the property appraiser, the special magistrate retains authority to produce a recommended decision in accordance with law. When the value adjustment board remands an assessment to the property appraiser, the board retains authority to make a final decision on the petition in accordance with law.

(6) For remanding an assessment to the property appraiser, the board or special magistrate shall produce a written remand decision which shall include appropriate directions to the property appraiser.

(7) The board clerk shall concurrently provide, to the petitioner and the property appraiser, a copy of the written remand decision from the board or special magistrate. The petitioner's copy of the written remand decision shall be sent by regular or certified U.S. mail, or by personal delivery, or in the manner requested by the taxpayer on Form DR-486, Petition to the Value Adjustment Board Request for Hearing. Form DR-486 is adopted and incorporated by reference in Rule 12D-16.002, F.A.C.

(8)(a) After receiving a board or special magistrate's remand decision from the board clerk, the property appraiser shall follow the appropriate directions from the board or special magistrate and shall produce a written remand review.

(b) The property appraiser or his or her staff shall not have, directly or indirectly, any ex parte communication with the board or special magistrate regarding the remanded assessment.

(9)(a) Immediately after receipt of the written remand review from the property appraiser, the board clerk shall send a copy of the written remand review to the petitioner

by regular or certified U.S. mail or by personal delivery, or in the manner requested by the taxpayer on Form DR-486, and shall send a copy to the board or special magistrate. The board clerk shall retain, as part of the petition file, the property appraiser's written remand review. Together with the petitioner's copy of the written remand review, the board clerk shall send to the petitioner a copy of this rule subsection.

(b) The board clerk shall schedule a continuation hearing if the petitioner notifies the board clerk, within 25 days of the date the board clerk sends the written remand review, that the results of the property appraiser's written remand review are unacceptable to the petitioner and that the petitioner requests a further hearing on the petition. The board clerk shall send the notice of hearing so that it will be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance, as described in subsection 12D-9.019(3), F.A.C. When a petitioner does not notify the board clerk that the results of the property appraiser's written remand review are unacceptable to the petitioner and does not request a continuation hearing, or if the petitioner waives a continuation hearing, the board or special magistrate shall issue a decision or recommended decision. Such decision shall contain:

1. A finding of fact that the petitioner did not request a continuation hearing or waived such hearing; and

2. A conclusion of law that the decision is being issued in order that any right the petitioner may have to bring an action in circuit court is not impaired.

The petition shall be treated and listed as board action for purposes of the notice required by Rule 12D-9.038, F.A.C.

(c) At a continuation hearing, the board or special magistrate shall receive and consider the property appraiser's written remand review and additional relevant and credible evidence, if any, from the parties. Also, the board or special magistrate may consider evidence admitted at the original hearing.

(10) In those counties that use special magistrates, if an attorney special magistrate has granted a property classification before the remand decision and the property appraiser has produced a remand classified use value, a real property valuation special magistrate shall conduct the continuation hearing.

(11) In no case shall a board or special magistrate remand to the property appraiser an exemption, "portability" assessment difference transfer, or property classification determination.

(12) Copies of all evidence shall remain with the board clerk and be available during the remand process.

(13) In lieu of remand, the board or special magistrate may postpone conclusion of the hearing upon agreement of the parties if the requirements of subsection 12D-9.025(6), F.A.C., are met.

12D-9.030 Recommended Decisions.

(1) For each petition not withdrawn or settled, special magistrates shall produce a written recommended decision that contains findings of fact, conclusions of law, and reasons for upholding or overturning the property appraiser's determination. Conclusions of law must be based on findings of fact. For each of the statutory criteria for the issue under administrative review, findings of fact must identify the corresponding admitted evidence, or lack thereof. Each recommended decision shall contain sufficient factual and legal information and reasoning to enable the parties to understand the basis for the decision, and shall otherwise meet the requirements of law. The special magistrate and board clerk shall observe the petitioner's right to be sent a timely written recommended decision containing proposed findings of fact and proposed conclusions of law and reasons for upholding or overturning the determination of the property appraiser. After producing a recommended decision, the special magistrate shall provide it to the board clerk.

(2) The board clerk shall provide copies of the special magistrate's recommended decision to the petitioner and the property appraiser as soon as practicable after receiving the recommended decision, and if the board clerk:

(a) Knows the date, time, and place at which the recommended decision will be considered by the board, the board clerk shall include such information when he or she sends the recommended decision to the petitioner and the property appraiser; or

(b) Does not yet know the date, time, and place at which the recommended decision will be considered by the board, the board clerk shall include information on how to find the date, time, and place of the meeting at which the recommended decision will be considered by the board.

(3) Any board or special magistrate workpapers, worksheets, notes, or other materials that are made available to a party shall immediately be sent to the other party. Any workpapers, worksheets, notes, or other materials created by the board or special magistrates during the course of hearings or during consideration of petitions and evidence, that contain any material prepared in connection with official business, shall be transferred to the board clerk and retained as public records. Value adjustment boards or special magistrates using standardized workpapers, worksheets, or notes, whether in electronic format or otherwise, must receive prior department approval to ensure that such standardized documents comply with the law.

(4) For the purpose of producing the recommended decisions of special magistrates, the department prescribes the Form DR-485 series, and any electronic equivalent forms approved by the department under Section 195.022, F.S. The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C. All recommended

decisions of special magistrates, and all forms used for the recommended decisions, must contain the following required elements:

- (a) Findings of fact;
- (b) Conclusions of law; and
- (c) Reasons for upholding or overturning the determination of the property appraiser.

(5) As used in this section, the terms “findings of fact” and “conclusions of law” include proposed findings of fact and proposed conclusions of law produced by special magistrates in their recommended decisions.

(6) Legal advice from the board legal counsel relating to the facts of a petition or to the specific outcome of a decision, if in writing, shall be included in the record and referenced within the findings of fact and conclusions of law. If not in writing, such advice shall be documented within the findings of fact and conclusions of law.

12D-9.031 Consideration and Adoption of Recommended Decisions of Special Magistrates by Value Adjustment Boards in Administrative Reviews.

(1) All recommended decisions shall comply with Sections 194.301, 194.034(2) and 194.035(1), F.S. A special magistrate shall not submit to the board, and the board shall not adopt, any recommended decision that is not in compliance with Sections 194.301, 194.034(2) and 194.035(1), F.S.

(2) As provided in Sections 194.034(2) and 194.035(1), F.S., the board shall consider the recommended decisions of special magistrates and may act upon the recommended decisions without further hearing. If the board holds further hearing for such consideration, the board clerk shall send notice of the hearing to the parties. Any notice of hearing shall be in the same form as specified in subsection 12D-9.019(3), F.A.C., but need not include items specified in subparagraphs 6. through 9. of that subsection. The board shall consider whether the recommended decisions meet the requirements of subsection (1), and may rely on board legal counsel for such determination. Adoption of recommended decisions need not include a review of the underlying record.

(3) If the board determines that a recommended decision meets the requirements of subsection (1), the board shall adopt the recommended decision. When a recommended decision is adopted and rendered by the board, it becomes final.

(4) If the board determines that a recommended decision does not comply with the requirements of subsection (1), the board shall proceed as follows:

(a) The board shall request the advice of board legal counsel to evaluate further action and shall take the steps necessary for producing a final decision in compliance with subsection (1).

(b) The board may direct a special magistrate to produce a recommended decision that complies with subsection (1) based on, if necessary, a review of the entire record.

(c) The board shall retain any recommended decisions and all other records of actions under this rule section.

12D-9.032 Final Decisions.

(1)(a) For each petition not withdrawn or settled, the board shall produce a written final decision that contains findings of fact, conclusions of law, and reasons for upholding or overturning the property appraiser's determination. Conclusions of law must be based on findings of fact. For each of the statutory criteria for the issue under administrative review, findings of fact must identify the corresponding admitted evidence, or lack thereof. Each final decision shall contain sufficient factual and legal information and reasoning to enable the parties to understand the basis for the decision, and shall otherwise meet the requirements of law. The board may fulfill the requirement to produce a written final decision by adopting a recommended decision of the special magistrate containing the required elements and providing notice that it has done so. The board may adopt the special magistrate's recommended decision as the decision of the board incorporating the recommended decision, using a postcard or similar notice. The board shall ensure regular and timely approval of recommended decisions.

(b) Legal advice from the board legal counsel relating to the facts of a petition or to the specific outcome of a decision, if in writing, shall be included in the record and referenced within the findings of fact and conclusions of law. If not in writing, such advice shall be documented within the findings of fact and conclusions of law.

(2) A final decision of the board shall state the just, assessed, taxable, and exempt value, for the county both before and after board action. Board action shall not include changes made as a result of action by the property appraiser. If the property appraiser has reduced his or her value or granted an exemption, property classification, or "portability" assessment difference transfer, whether before or during the hearing but before board action, the values in the "before" column shall reflect the adjusted figure before board action.

(3) The board's final decision shall advise the taxpayer and property appraiser that further proceedings in circuit court shall be as provided in Section 194.036, F.S.

(4) Upon issuance of a final decision by the board, the board shall provide it to the board clerk and the board clerk shall promptly provide notice of the final decision to the parties. Notice of the final decision may be made by providing a copy of the decision. The board shall issue all final decisions within 20 calendar days of the last day the board is in

session pursuant to Section 194.034, F.S.

(5) For the purpose of producing the final decisions of the board, the department prescribes the Form DR-485 series, and any electronic equivalent forms approved by the department under Section 195.022, F.S. The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C. The Form DR-485 series, or approved electronic equivalent forms, are the only forms that shall be used for producing a final decision of the board. Before using any form to notify petitioners of the final decision, the board shall submit the proposed form to the department for approval. The board shall not use a form to notify the petitioner unless the department has approved the form. All decisions of the board, and all forms used to produce final decisions on petitions heard by the board, must contain the following required elements:

- (a) Findings of fact;
- (b) Conclusions of law; and
- (c) Reasons for upholding or overturning the determination of the property appraiser.

(6)(a) If, prior to a final decision, any communication is received from a party concerning a board process on a petition or concerning a recommended decision, a copy of the communication shall promptly be furnished to all parties, the board clerk, and the board legal counsel. No such communication shall be furnished to the board or a special magistrate unless a copy is immediately furnished to all parties. A party may waive notification or furnishing of copies under this subsection.

(b) The board legal counsel shall respond to such communication and may advise the board concerning any action the board should take concerning the communication.

(c) No reconsideration of a recommended decision shall take place until all parties have been furnished all communications, and have been afforded adequate opportunity to respond.

(d) The board clerk shall provide to the parties:

- 1. Notification before the presentation of the matter to the board; and
- 2. Notification of any action taken by the board.

(c) Meeting minutes and a verbatim record of the hearing.

(2) The verbatim record of the hearing may be kept by any electronic means which is easily retrieved and copied. In counties that use special magistrates, the special magistrate shall accurately and completely preserve the verbatim record during the hearing, and may be assisted by the board clerk. In counties that do not use special magistrates, the board clerk shall accurately and completely preserve the verbatim record during the hearing. At the conclusion of each hearing, the board clerk shall retain the verbatim record as part of the petition file.

(3) The record shall be maintained for four years after the final decision has been rendered by the board if no appeal is filed in circuit court, or for five years if an appeal is filed.

(4) If requested by the taxpayer, the taxpayer's representative, or the property appraiser, the board clerk shall retain these records until the final disposition of any subsequent judicial proceeding related to the same property.

VALUE ADJUSTMENT BOARD

12D-10.003 Powers, Authority, Duties and Functions of Value Adjustment Board

12D-10.003 Powers, Authority, Duties and Functions of Value Adjustment Board.

(1) The board has no power to fix the original valuation of property for ad valorem tax purposes or to grant an exemption not authorized by law and the board is bound by the same standards as the county property appraiser in determining values and the granting of exemptions. The board has no power to grant relief either by adjustment of the value of a property or by the granting of an exemption on the basis of hardship of a particular taxpayer. The board, in determining the valuation of a specific property, shall not consider the ultimate amount of tax required.

(2) The powers, authority, duties and functions of the board, insofar as they are appropriate, apply equally to real property and tangible personal property (including taxable household goods).

(3) Every decision of the board must contain specific and detailed findings of fact which shall include both ultimate findings of fact and basic and underlying findings of fact. Each basic and underlying finding must be properly annotated to its supporting evidence. For purposes of these rules, the following are defined to mean:

(a) An ultimate finding is a determination of fact. An ultimate finding is usually expressed in the language of a statutory standard and must be supported by and flow rationally from adequate basic and underlying findings.

(b) Basic and underlying findings are those findings on which the ultimate findings rest and which are supported by evidence. Basic and underlying findings are more detailed than the ultimate findings but less detailed than a summary of the evidence.

(c) Reasons are those clearly stated grounds upon which the board or property appraiser acted.

194.011 Assessment notice; objections to assessments.—

(1) Each taxpayer whose property is subject to real or tangible personal ad valorem taxes shall be notified of the assessment of each taxable item of such property, as provided in s. 200.069.

¹(2) Any taxpayer who objects to the assessment placed on any property taxable to him or her, including the assessment of homestead property at less than just value under s. 193.155(8), may request the property appraiser to informally confer with the taxpayer. Upon receiving the request, the property appraiser, or a member of his or her staff, shall confer with the taxpayer regarding the correctness of the assessment. At this informal conference, the taxpayer shall present those facts considered by the taxpayer to be supportive of the taxpayer's claim for a change in the assessment of the property appraiser. The property appraiser or his

or her representative at this conference shall present those facts considered by the property appraiser to be supportive of the correctness of the assessment. However, nothing herein shall be construed to be a prerequisite to administrative or judicial review of property assessments.

(3) A petition to the value adjustment board must be in substantially the form prescribed by the department. Notwithstanding s. 195.022, a county officer may not refuse to accept a form provided by the department for this purpose if the taxpayer chooses to use it. A petition to the value adjustment board must be signed by the taxpayer or be accompanied at the time of filing by the taxpayer's written authorization or power of attorney, unless the person filing the petition is listed in s. 194.034(1)(a). A person listed in s. 194.034(1)(a) may file a petition with a value adjustment board without the taxpayer's signature or written authorization by certifying under penalty of perjury that he or she has authorization to file the petition on behalf of the taxpayer. If a taxpayer notifies the value adjustment board that a petition has been filed for the taxpayer's property without his or her consent, the value adjustment board may require the person filing the petition to provide written authorization from the taxpayer authorizing the person to proceed with the appeal before a hearing is held. If the value adjustment board finds that a person listed in s. 194.034(1)(a) willfully and knowingly filed a petition that was not authorized by the taxpayer, the value adjustment board shall require such person to provide the taxpayer's written authorization for representation to the value adjustment board clerk before any petition filed by that person is heard, for 1 year after imposition of such requirement by the value adjustment board. A power of attorney or written authorization is valid for 1 assessment year, and a new power of attorney or written authorization by the taxpayer is required for each subsequent assessment year. A petition shall also describe the property by parcel number and shall be filed as follows:

(a) The clerk of the value adjustment board and the property appraiser shall have available and shall distribute forms prescribed by the Department

Uniform Policies and Procedures Manual for Value Adjustment Boards
Department of Revenue December 2020

of Revenue on which the petition shall be made. Such petition shall be sworn to by the petitioner.

(b) The completed petition shall be filed with the clerk of the value adjustment board of the county, who shall acknowledge receipt thereof and promptly furnish a copy thereof to the property appraiser.

(c) The petition shall state the approximate time anticipated by the taxpayer to present and argue his or her petition before the board.

²(d) The petition may be filed, as to valuation issues, at any time during the taxable year on or before the 25th day following the mailing of notice by the property appraiser as provided in subsection (1). With respect to an issue involving the denial of an exemption, an agricultural or high-water recharge classification application, an application for classification as historic property used for commercial or certain nonprofit purposes, or a deferral, the petition must be filed at any time during the taxable year on or before the 30th day following the mailing of the notice by the property appraiser under s. 193.461, s. 193.503, s. 193.625, s. 196.173, or s. 196.193 or notice by the tax collector under s. 197.2425.

(e) A condominium association, cooperative association, or any homeowners' association as defined in s. 723.075, with approval of its board of administration or directors, may file with the value adjustment board a single joint petition on behalf of any association members who own parcels of property which the property appraiser determines are substantially similar with respect to location, proximity to amenities, number of rooms, living area, and condition. The condominium association, cooperative association, or homeowners' association as defined in s. 723.075 shall provide the unit owners with notice of its intent to petition the value adjustment board and shall provide at least 20 days for a unit owner to elect, in writing, that his or her unit not be included in the petition.

(f) An owner of contiguous, undeveloped parcels may file with the value adjustment board a single joint petition if the property appraiser determines such parcels are substantially similar in nature.

(g) An owner of multiple tangible personal property accounts may file with the value adjustment board a single joint petition if the property appraiser determines that the tangible personal property accounts are substantially similar in nature.

(h) The individual, agent, or legal entity that signs the petition becomes an agent of the taxpayer for the purpose of serving process to obtain personal jurisdiction over the taxpayer for the entire value adjustment board proceedings, including any appeals of a board decision by the property appraiser pursuant to s. 194.036. This paragraph does not authorize the individual, agent, or legal entity to receive or access the taxpayer's confidential information without written authorization from the taxpayer.

(4)(a) At least 15 days before the hearing the petitioner shall provide to the property appraiser a list of evidence to be presented at the hearing, together with copies of all documentation to be considered by the value adjustment board and a summary of evidence to be presented by witnesses.

(b) No later than 7 days before the hearing, if the petitioner has provided the information required under paragraph (a), and if requested in writing by the petitioner, the property appraiser shall provide to the petitioner a list of evidence to be presented at the hearing, together with copies of all documentation to be considered by the value adjustment board and a summary of evidence to be presented by witnesses. The evidence list must contain the property appraiser's property record card. Failure of the property appraiser to timely comply with the requirements of this paragraph shall result in a rescheduling of the hearing.

(5)(a) The department shall by rule prescribe uniform procedures for hearings before the value adjustment board which include requiring:

1. Procedures for the exchange of information and evidence by the property appraiser and the petitioner consistent with s. 194.032.

2. That the value adjustment board hold an organizational meeting for the purpose of making these procedures available to petitioners.

(b) The department shall develop a uniform policies and procedures manual that shall be used

Uniform Policies and Procedures Manual for Value Adjustment Boards
Department of Revenue December 2020

by value adjustment boards, special magistrates, and taxpayers in proceedings before value adjustment boards. The manual shall be made available, at a minimum, on the department's website and on the existing websites of the clerks of circuit courts.

(6) The following provisions apply to petitions to the value adjustment board concerning the assessment of homestead property at less than just value under s. 193.155(8):

(a) If the taxpayer does not agree with the amount of the assessment limitation difference for which the taxpayer qualifies as stated by the property appraiser in the county where the previous homestead property was located, or if the property appraiser in that county has not stated that the taxpayer qualifies to transfer any assessment limitation difference, upon the taxpayer filing a petition to the value adjustment board in the county where the new homestead property is located, the value adjustment board in that county shall, upon receiving the appeal, send a notice to the value adjustment board in the county where the previous homestead was located, which shall reconvene if it has already adjourned.

(b) Such notice operates as a petition in, and creates an appeal to, the value adjustment board in the county where the previous homestead was located of all issues surrounding the previous assessment differential for the taxpayer involved. However, the taxpayer may not petition to have the just, assessed, or taxable value of the previous homestead changed.

(c) The value adjustment board in the county where the previous homestead was located shall set the petition for hearing and notify the taxpayer, the property appraiser in the county where the previous homestead was located, the property appraiser in the county where the new homestead is located, and the value adjustment board in that county, and shall hear the appeal. Such appeal shall be heard by an attorney special magistrate if the value adjustment board in the county where the previous homestead was located uses special magistrates. The taxpayer may attend such hearing and present evidence, but need not do so. The value adjustment board in the county where the previous homestead was located

shall issue a decision and send a copy of the decision to the value adjustment board in the county where the new homestead is located.

(d) In hearing the appeal in the county where the new homestead is located, that value adjustment board shall consider the decision of the value adjustment board in the county where the previous homestead was located on the issues pertaining to the previous homestead and on the amount of any assessment reduction for which the taxpayer qualifies. The value adjustment board in the county where the new homestead is located may not hold its hearing until it has received the decision from the value adjustment board in the county where the previous homestead was located.

(e) In any circuit court proceeding to review the decision of the value adjustment board in the county where the new homestead is located, the court may also review the decision of the value adjustment board in the county where the previous homestead was located.

194.013 Filing fees for petitions; disposition; waiver.—

(1) If required by resolution of the value adjustment board, a petition filed pursuant to s. 194.011 shall be accompanied by a filing fee to be paid to the clerk of the value adjustment board in an amount determined by the board not to exceed \$15 for each separate parcel of property, real or personal, covered by the petition and subject to appeal. However, such filing fee may not be required with respect to an appeal from the disapproval of homestead exemption under s. 196.151 or from the denial of tax deferral under s. 197.2425. Only a single filing fee shall be charged

Uniform Policies and Procedures Manual for Value Adjustment Boards
Department of Revenue December 2020

under this section as to any particular parcel of real property or tangible personal property account despite the existence of multiple issues and hearings pertaining to such parcel or account. For joint petitions filed pursuant to s. 194.011(3)(e), (f), or (g), a single filing fee shall be charged. Such fee shall be calculated as the cost of the special magistrate for the time involved in hearing the joint petition and shall not exceed \$5 per parcel of real property or tangible property account. Such fee is to be proportionately paid by affected parcel owners.

(2) The value adjustment board shall waive the filing fee with respect to a petition filed by a taxpayer who demonstrates at the time of filing, by an appropriate certificate or other documentation issued by the Department of Children and Families and submitted with the petition, that the petitioner is then an eligible recipient of temporary assistance under chapter 414.

(3) All filing fees imposed under this section shall be paid to the clerk of the value adjustment board at the time of filing. If such fees are not paid at that time, the petition shall be deemed invalid and shall be rejected.

(4) All filing fees collected by the clerk shall be allocated and utilized to defray, to the extent possible, the costs incurred in connection with the administration and operation of the value adjustment board.

194.014 Partial payment of ad valorem taxes; proceedings before value adjustment board.—

(1)(a) A petitioner before the value adjustment board who challenges the assessed value of property must pay all of the non-ad valorem assessments and make a partial payment of at least 75 percent of the ad valorem taxes, less the applicable discount under s. 197.162, before the taxes become delinquent pursuant to s. 197.333.

(b)1. A petitioner before the value adjustment board who challenges the denial of a classification or exemption, or the assessment based on an

argument that the property was not substantially complete as of January 1, must pay all of the non-ad valorem assessments and the amount of the tax which the taxpayer admits in good faith to be owing, less the applicable discount under s. 197.162, before the taxes become delinquent pursuant to s. 197.333.

2. If the value adjustment board determines that the amount of the tax that the taxpayer has admitted to be owing pursuant to this paragraph is grossly disproportionate to the amount of the tax found to be due and that the taxpayer's admission was not made in good faith, the tax collector must collect a penalty at the rate of 10 percent of the deficiency per year from the date the taxes became delinquent pursuant to s. 197.333.

(c) The value adjustment board must deny the petition by written decision by April 20 if the petitioner fails to make the payment required by this subsection. The clerk, upon issuance of the decision, shall, on a form provided by the Department of Revenue, notify by first-class mail each taxpayer, the property appraiser, and the department of the decision of the board.

(2) If the value adjustment board or the property appraiser determines that the petitioner owes ad valorem taxes in excess of the amount paid, the unpaid amount accrues interest at an annual percentage rate equal to the bank prime loan rate on July 1, or the first business day thereafter if July 1 is a Saturday, Sunday, or legal holiday, of the year, beginning on the date the taxes became delinquent pursuant to s. 197.333 until the unpaid amount is paid. If the value adjustment board or the property appraiser determines that a refund is due, the overpaid amount accrues interest at an annual percentage rate equal to the bank prime loan rate on July 1, or the first business day thereafter if July 1 is a Saturday, Sunday, or legal holiday, of the tax year, beginning on the date the taxes became delinquent pursuant to s. 197.333 until a refund is paid. Interest on an overpayment related to a petition shall be funded proportionately by each taxing authority that was overpaid. Interest does not accrue on amounts paid in excess of 100 percent of the current taxes due as provided on the tax notice issued pursuant to s. 197.322. For purposes of this subsection, the term "bank prime loan rate" means

Uniform Policies and Procedures Manual for Value Adjustment Boards
Department of Revenue December 2020

the average predominant prime rate quoted by commercial banks to large businesses as published by the Board of Governors of the Federal Reserve System.

(3) This section does not apply to petitions for ad valorem tax deferrals pursuant to chapter 197.

History.—s. 1, ch. 2011-181; s. 9, ch. 2016-128.

194.015 Value adjustment board.—There is hereby created a value adjustment board for each county, which shall consist of two members of the governing body of the county as elected from the membership of the board of said governing body, one of whom shall be elected chairperson, and one member of the school board as elected from the membership of the school board, and two citizen members, one of whom shall be appointed by the governing body of the county and must own homestead property within the county and one of whom must be appointed by the school board and must own a business occupying commercial space located within the school district. A citizen member may not be a member or an employee of any taxing authority, and may not be a person who represents property owners in any administrative or judicial review of property taxes. The members of the board may be temporarily replaced by other members of the respective boards on appointment by their respective chairpersons. Any three members shall constitute a quorum of the board, except that each quorum must include at least one member of said governing board, at least one member of the school board, and at least one citizen member and no meeting of the board shall take place unless a quorum is present. Members of the board may receive such per diem compensation as is allowed by law for state employees if both bodies elect to allow such compensation. The clerk of the governing body of the county shall be the clerk of the value adjustment board. The board shall appoint private counsel who has practiced law for over 5 years and who shall receive such compensation as may be established by the board. The private counsel may not represent the property appraiser, the tax collector, any taxing authority, or any property owner in any administrative or judicial review of property taxes. No meeting of the board

shall take place unless counsel to the board is present. Two-fifths of the expenses of the board shall be borne by the district school board and three-fifths by the district county commission.

194.032 Hearing purposes; timetable.—

(1)(a) The value adjustment board shall meet not earlier than 30 days and not later than 60 days after the mailing of the notice provided in s. 194.011(1); however, no board hearing shall be held before approval of all or any part of the assessment rolls by the Department of Revenue. The board shall meet for the following purposes:

1. Hearing petitions relating to assessments filed pursuant to s. 194.011(3).

2. Hearing complaints relating to homestead exemptions as provided for under s. 196.151.

3. Hearing appeals from exemptions denied, or disputes arising from exemptions granted, upon the filing of exemption applications under s. 196.011.

4. Hearing appeals concerning ad valorem tax deferrals and classifications.

5. Hearing appeals from determinations that a change of ownership under s. 193.155(3), a change of ownership or control under s. 193.1554(5) or s. 193.1555(5), or a qualifying improvement under s. 193.1555(5) has occurred.

(b) Notwithstanding the provisions of paragraph (a), the value adjustment board may meet prior to the approval of the assessment rolls by the Department of Revenue, but not earlier than July 1, to hear appeals pertaining to the denial by the property appraiser of exemptions, tax abatements under s. 197.318, agricultural and high-water recharge classifications, classifications as historic property used for commercial or certain nonprofit purposes, and deferrals under subparagraphs (a)2., 3., and 4. In such event, however, the board may not certify any assessments under s. 193.122 until the Department of Revenue has approved the assessments in accordance with s. 193.1142 and all

Uniform Policies and Procedures Manual for Value Adjustment Boards
Department of Revenue December 2020

hearings have been held with respect to the particular parcel under appeal.

(c) In no event may a hearing be held pursuant to this subsection relative to valuation issues prior to completion of the hearings required under s. 200.065(2)(c).

(2)(a) The clerk of the governing body of the county shall prepare a schedule of appearances before the board based on petitions timely filed with him or her. The clerk shall notify each petitioner of the scheduled time of his or her appearance at least 25 calendar days before the day of the scheduled appearance. The notice must indicate whether the petition has been scheduled to be heard at a particular time or during a block of time. If the petition has been scheduled to be heard within a block of time, the beginning and ending of that block of time must be indicated on the notice; however, as provided in paragraph (b), a petitioner may not be required to wait for more than a reasonable time, not to exceed 2 hours, after the beginning of the block of time. The property appraiser must provide a copy of the property record card containing information relevant to the computation of the current assessment, with confidential information redacted, to the petitioner upon receipt of the petition from the clerk regardless of whether the petitioner initiates evidence exchange, unless the property record card is available online from the property appraiser, in which case the property appraiser must notify the petitioner that the property record card is available online. The petitioner and the property appraiser may each reschedule the hearing a single time for good cause. As used in this paragraph, the term “good cause” means circumstances beyond the control of the person seeking to reschedule the hearing which reasonably prevent the party from having adequate representation at the hearing. If the hearing is rescheduled by the petitioner or the property appraiser, the clerk shall notify the petitioner of the rescheduled time of his or her appearance at least 15 calendar days before the day of the rescheduled appearance, unless this notice is waived by both parties.

(b) A petitioner may not be required to wait for more than a reasonable time, not to exceed 2

hours, after the scheduled time for the hearing to commence. If the hearing is not commenced within that time, the petitioner may inform the chairperson of the meeting that he or she intends to leave. If the petitioner leaves, the clerk shall reschedule the hearing, and the rescheduling is not considered to be a request to reschedule as provided in paragraph (a).

(c) Failure on three occasions with respect to any single tax year to convene at the scheduled time of meetings of the board is grounds for removal from office by the Governor for neglect of duties.

(3) The board shall remain in session from day to day until all petitions, complaints, appeals, and disputes are heard. If all or any part of an assessment roll has been disapproved by the department pursuant to s. 193.1142, the board shall reconvene to hear petitions, complaints, or appeals and disputes filed upon the finally approved roll or part of a roll.

194.034 Hearing procedures; rules.—

(1)(a) Petitioners before the board may be represented by an employee of the taxpayer or an affiliated entity, an attorney who is a member of The Florida Bar, a real estate appraiser licensed under chapter 475, a real estate broker licensed under chapter 475, or a certified public accountant licensed under chapter 473, retained by the taxpayer. Such person may present testimony and other evidence.

(b) A petitioner before the board may also be represented by a person with a power of attorney to act on the taxpayer’s behalf. Such person may present testimony and other evidence. The power of attorney must conform to the requirements of part II of chapter 709, is valid only to represent a single petitioner in a single assessment year, and must identify the parcels for which the taxpayer has

Uniform Policies and Procedures Manual for Value Adjustment Boards
Department of Revenue December 2020

granted the person the authority to represent the taxpayer. The Department of Revenue shall adopt a form that meets the requirements of this paragraph. However, a petitioner is not required to use the department's form to grant the power of attorney.

(c) A petitioner before the board may also be represented by a person with written authorization to act on the taxpayer's behalf, for which such person receives no compensation. Such person may present testimony and other evidence. The written authorization is valid only to represent a single petitioner in a single assessment year and must identify the parcels for which the taxpayer authorizes the person to represent the taxpayer. The Department of Revenue shall adopt a form that meets the requirements of this paragraph. However, a petitioner is not required to use the department's form to grant the authorization.

(d) The property appraiser or his or her authorized representatives may be represented by an attorney in defending the property appraiser's assessment or opposing an exemption and may present testimony and other evidence.

(e) The property appraiser, each petitioner, and all witnesses shall be required, upon the request of either party, to testify under oath as administered by the chair of the board. Hearings shall be conducted in the manner prescribed by rules of the department, which rules shall include the right of cross-examination of any witness.

(f) Nothing herein shall preclude an aggrieved taxpayer from contesting his or her assessment in the manner provided by s. 194.171, regardless of whether he or she has initiated an action pursuant to s. 194.011.

(g) The rules shall provide that no evidence shall be considered by the board except when presented during the time scheduled for the petitioner's hearing or at a time when the petitioner has been given reasonable notice; that a verbatim record of the proceedings shall be made, and proof of any documentary evidence presented shall be preserved and made available to the Department of Revenue, if requested; and that further judicial proceedings shall be as provided in s. 194.036.

(h) Notwithstanding the provisions of this subsection, a petitioner may not present for

consideration, and a board or special magistrate may not accept for consideration, testimony or other evidentiary materials that were requested of the petitioner in writing by the property appraiser of which the petitioner had knowledge but denied to the property appraiser.

(i) Chapter 120 does not apply to hearings of the value adjustment board.

(j) An assessment may not be contested unless a return as required by s. 193.052 was timely filed. For purposes of this paragraph, the term "timely filed" means filed by the deadline established in s. 193.062 or before the expiration of any extension granted under s. 193.063. If notice is mailed pursuant to s. 193.073(1)(a), a complete return must be submitted under s. 193.073(1)(a) for the assessment to be contested.

(2) In each case, except if the complaint is withdrawn by the petitioner or if the complaint is acknowledged as correct by the property appraiser, the value adjustment board shall render a written decision. All such decisions shall be issued within 20 calendar days after the last day the board is in session under s. 194.032. The decision of the board must contain findings of fact and conclusions of law and must include reasons for upholding or overturning the determination of the property appraiser. Findings of fact must be based on admitted evidence or a lack thereof. If a special magistrate has been appointed, the recommendations of the special magistrate shall be considered by the board. The clerk, upon issuance of a decision, shall, on a form provided by the Department of Revenue, notify each taxpayer and the property appraiser of the decision of the board. This notification shall be by first-class mail or by electronic means if selected by the taxpayer on the originally filed petition. If requested by the Department of Revenue, the clerk shall provide to the department a copy of the decision or information relating to the tax impact of the findings and results of the board as described in s. 194.037 in the manner and form requested.

(3) Appearance before an advisory board or agency created by the county may not be required as a prerequisite condition to appearing before the value adjustment board.

Uniform Policies and Procedures Manual for Value Adjustment Boards
Department of Revenue December 2020

(4) A condominium homeowners' association may appear before the board to present testimony and evidence regarding the assessment of condominium units which the association represents. Such testimony and evidence shall be considered by the board with respect to hearing petitions filed by individual condominium unit owners, unless the owner requests otherwise.

(5) For the purposes of review of a petition, the board may consider assessments among comparable properties within homogeneous areas or neighborhoods.

(6) For purposes of hearing joint petitions filed pursuant to s. 194.011(3)(e), each included parcel shall be considered by the board as a separate petition. Such separate petitions shall be heard consecutively by the board. If a special magistrate is appointed, such separate petitions shall all be assigned to the same special magistrate.

194.035 Special magistrates; property evaluators.—

(1) In counties having a population of more than 75,000, the board shall appoint special magistrates for the purpose of taking testimony and making recommendations to the board, which recommendations the board may act upon without further hearing. These special magistrates may not be elected or appointed officials or employees of the county but shall be selected from a list of those qualified individuals who are willing to serve as special magistrates. Employees and elected or appointed officials of a taxing jurisdiction or of the state may not serve as special magistrates. The clerk of the board shall annually notify such individuals or their professional associations to make known to them that opportunities to serve as special magistrates exist. The Department of Revenue shall provide a list of qualified special magistrates to any county with a population of 75,000 or less. Subject to appropriation, the department shall reimburse counties with a population of 75,000 or less for payments made to special magistrates appointed for

the purpose of taking testimony and making recommendations to the value adjustment board pursuant to this section. The department shall establish a reasonable range for payments per case to special magistrates based on such payments in other counties. Requests for reimbursement of payments outside this range shall be justified by the county. If the total of all requests for reimbursement in any year exceeds the amount available pursuant to this section, payments to all counties shall be prorated accordingly. If a county having a population less than 75,000 does not appoint a special magistrate to hear each petition, the person or persons designated to hear petitions before the value adjustment board or the attorney appointed to advise the value adjustment board shall attend the training provided pursuant to subsection (3), regardless of whether the person would otherwise be required to attend, but shall not be required to pay the tuition fee specified in subsection (3). A special magistrate appointed to hear issues of exemptions, classifications, and determinations that a change of ownership, a change of ownership or control, or a qualifying improvement has occurred shall be a member of The Florida Bar with no less than 5 years' experience in the area of ad valorem taxation. A special magistrate appointed to hear issues regarding the valuation of real estate shall be a state certified real estate appraiser with not less than 5 years' experience in real property valuation. A special magistrate appointed to hear issues regarding the valuation of tangible personal property shall be a designated member of a nationally recognized appraiser's organization with not less than 5 years' experience in tangible personal property valuation. A special magistrate need not be a resident of the county in which he or she serves. A special magistrate may not represent a person before the board in any tax year during which he or she has served that board as a special magistrate. An appraisal may not be submitted as evidence to a value adjustment board in any year that the person who performed the appraisal serves as a special magistrate to that value adjustment board. Before appointing a special magistrate, a value adjustment board shall verify the special magistrate's qualifications. The value adjustment

board shall ensure that the selection of special magistrates is based solely upon the experience and qualifications of the special magistrate and is not influenced by the property appraiser. The special magistrate shall accurately and completely preserve all testimony and, in making recommendations to the value adjustment board, shall include proposed findings of fact, conclusions of law, and reasons for upholding or overturning the determination of the property appraiser. The expense of hearings before magistrates and any compensation of special magistrates shall be borne three-fifths by the board of county commissioners and two-fifths by the school board. When appointing special magistrates or when scheduling special magistrates for specific hearings, the board, the board attorney, and the board clerk may not consider the dollar amount or percentage of any assessment reductions recommended by any special magistrate in the current year or in any previous year.

(2) The value adjustment board of each county may employ qualified property appraisers or evaluators to appear before the value adjustment board at that meeting of the board which is held for the purpose of hearing complaints. Such property appraisers or evaluators shall present testimony as to the just value of any property the value of which is contested before the board and shall submit to examination by the board, the taxpayer, and the property appraiser.

(3) The department shall provide and conduct training for special magistrates at least once each state fiscal year in at least five locations throughout the state. Such training shall emphasize the department's standard measures of value, including the guidelines for real and tangible personal property. Notwithstanding subsection (1), a person who has 3 years of relevant experience and who has completed the training provided by the department under this subsection may be appointed as a special magistrate. The training shall be open to the public. The department shall charge tuition fees to any person attending this training in an amount sufficient to fund the department's costs to conduct all aspects of the training. The department shall deposit the fees collected into the Certification Program Trust Fund pursuant to s. 195.002(2).

194.036 Appeals.—Appeals of the decisions of the board shall be as follows:

(1) If the property appraiser disagrees with the decision of the board, he or she may appeal the decision to the circuit court if one or more of the following criteria are met:

(a) The property appraiser determines and affirmatively asserts in any legal proceeding that there is a specific constitutional or statutory violation, or a specific violation of administrative rules, in the decision of the board, except that nothing herein shall authorize the property appraiser to institute any suit to challenge the validity of any portion of the constitution or of any duly enacted legislative act of this state;

(b) There is a variance from the property appraiser's assessed value in excess of the following: 15 percent variance from any assessment of \$50,000 or less; 10 percent variance from any assessment in excess of \$50,000 but not in excess of \$500,000; 7.5 percent variance from any assessment in excess of \$500,000 but not in excess of \$1 million; or 5 percent variance from any assessment in excess of \$1 million; or

(c) There is an assertion by the property appraiser to the Department of Revenue that there exists a consistent and continuous violation of the intent of the law or administrative rules by the value adjustment board in its decisions. The property appraiser shall notify the department of those portions of the tax roll for which the assertion is made. The department shall thereupon notify the clerk of the board who shall, within 15 days of the notification by the department, send the written decisions of the board to the department. Within 30 days of the receipt of the decisions by the department, the department shall notify the property appraiser of its decision relative to further judicial proceedings. If the department finds upon investigation that a consistent and continuous violation of the intent of the law or administrative rules by the board has occurred, it shall so inform the property appraiser, who may thereupon bring

suit in circuit court against the value adjustment board for injunctive relief to prohibit continuation of the violation of the law or administrative rules and for a mandatory injunction to restore the tax roll to its just value in such amount as determined by judicial proceeding. However, when a final judicial decision is rendered as a result of an appeal filed pursuant to this paragraph which alters or changes an assessment of a parcel of property of any taxpayer not a party to such procedure, such taxpayer shall have 60 days from the date of the final judicial decision to file an action to contest such altered or changed assessment pursuant to s. 194.171(1), and the provisions of s. 194.171(2) shall not bar such action.

(2) Any taxpayer may bring an action to contest a tax assessment pursuant to s. 194.171.

(3) The circuit court proceeding shall be de novo, and the burden of proof shall be upon the party initiating the action.

194.037 Disclosure of tax impact.—

(1) After hearing all petitions, complaints, appeals, and disputes, the clerk shall make public notice of the findings and results of the board in at least a quarter-page size advertisement of a standard size or tabloid size newspaper, and the headline shall be in a type no smaller than 18 point. The advertisement shall not be placed in that portion of the newspaper where legal notices and classified advertisements appear. The advertisement shall be published in a newspaper of general paid circulation in the county. The newspaper selected shall be one of general interest and readership in the community, and not one of limited subject matter, pursuant to chapter 50. The headline shall read: TAX IMPACT OF VALUE ADJUSTMENT BOARD. The public notice shall list the members of the value adjustment board and the taxing authorities to which they are elected. The form shall show, in columnar form, for each of the property classes listed under subsection (2), the following information, with appropriate column totals:

(a) In the first column, the number of parcels for which the board granted exemptions that had

been denied or that had not been acted upon by the property appraiser.

(b) In the second column, the number of parcels for which petitions were filed concerning a property tax exemption.

(c) In the third column, the number of parcels for which the board considered the petition and reduced the assessment from that made by the property appraiser on the initial assessment roll.

(d) In the fourth column, the number of parcels for which petitions were filed but not considered by the board because such petitions were withdrawn or settled prior to the board's consideration.

(e) In the fifth column, the number of parcels for which petitions were filed requesting a change in assessed value, including requested changes in assessment classification.

(f) In the sixth column, the net change in taxable value from the assessor's initial roll which results from board decisions.

(g) In the seventh column, the net shift in taxes to parcels not granted relief by the board. The shift shall be computed as the amount shown in column 6 multiplied by the applicable millage rates adopted by the taxing authorities in hearings held pursuant to s. 200.065(2)(d) or adopted by vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution, but without adjustment as authorized pursuant to s. 200.065(6). If for any taxing authority the hearing has not been completed at the time the notice required herein is prepared, the millage rate used shall be that adopted in the hearing held pursuant to s. 200.065(2)(c).

(2) There must be a line entry in each of the columns described in subsection (1), for each of the following property classes:

(a) Improved residential property, which must be identified as "Residential."

PART III ASSESSMENT: PRESUMPTION OF CORRECTNESS

194.301 Challenge to ad valorem tax assessment.

194.3015 Burden of proof.

194.301 Challenge to ad valorem tax assessment.—

(1) In any administrative or judicial action in which a taxpayer challenges an ad valorem tax assessment of value, the property appraiser’s assessment is presumed correct if the appraiser proves by a preponderance of the evidence that the assessment was arrived at by complying with s. 193.011, any other applicable statutory requirements relating to classified use values or assessment caps, and professionally accepted appraisal practices, including mass appraisal standards, if appropriate. However, a taxpayer who challenges an assessment is entitled to a determination by the value adjustment board or court of the appropriateness of the appraisal methodology used in making the assessment. The value of property must be determined by an appraisal methodology that complies with the criteria of s. 193.011 and professionally accepted

appraisal practices. The provisions of this subsection preempt any prior case law that is inconsistent with this subsection.

(2) In an administrative or judicial action in which an ad valorem tax assessment is challenged, the burden of proof is on the party initiating the challenge.

(a) If the challenge is to the assessed value of the property, the party initiating the challenge has the burden of proving by a preponderance of the evidence that the assessed value:

1. Does not represent the just value of the property after taking into account any applicable limits on annual increases in the value of the property;

2. Does not represent the classified use value or fractional value of the property if the property is required to be assessed based on its character or use; or

3. Is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county.

(b) If the party challenging the assessment satisfies the requirements of paragraph (a), the presumption provided in subsection (1) is overcome, and the value adjustment board or the court shall establish the assessment if there is competent, substantial evidence of value in the record which cumulatively meets the criteria of s. 193.011 and professionally accepted appraisal practices. If the record lacks such evidence, the matter must be remanded to the property appraiser with appropriate directions from the value adjustment board or the court, and the property appraiser must comply with those directions.

(c) If the revised assessment following remand is challenged, the procedures described in this section apply.

(d) If the challenge is to the classification or exemption status of the property, there is no presumption of correctness, and the party initiating the challenge has the burden of proving by a preponderance of the evidence that the classification or exempt status assigned to the property is incorrect.

194.3015 Burden of proof.—

(1) It is the express intent of the Legislature that a taxpayer shall never have the burden of proving that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment. All cases establishing the every-reasonable-hypothesis standard were expressly rejected by the Legislature on the adoption of chapter 97-85, Laws of Florida. It is the further intent of the Legislature that any cases published since 1997 citing the every-reasonable-hypothesis standard are expressly rejected to the extent that they are interpretative of legislative intent.

(2) This section is intended to clarify existing law and apply retroactively.

286.0114 Public meetings; reasonable opportunity to be heard; attorney fees.—

(1) For purposes of this section, “board or commission” means a board or commission of any state agency or authority or of any agency or authority of a county, municipal corporation, or political subdivision.

(2) Members of the public shall be given a reasonable opportunity to be heard on a proposition before a board or commission. The opportunity to be heard need not occur at the same meeting at which the board or commission takes official action on the proposition if the opportunity occurs at a meeting that is during the decisionmaking process and is within reasonable proximity in time before the meeting at which the board or commission takes the official action. This section does not prohibit a board or commission from maintaining orderly conduct or proper decorum in a public meeting. The opportunity to be heard is subject to rules or policies adopted by the board or commission, as provided in subsection (4).

(3) The requirements in subsection (2) do not apply to:

(a) An official act that must be taken to deal with an emergency situation affecting the public health, welfare, or safety, if compliance with the requirements would cause an unreasonable delay in the ability of the board or commission to act;

(b) An official act involving no more than a ministerial act, including, but not limited to, approval of minutes and ceremonial proclamations;

(c) A meeting that is exempt from s. 286.011; or

(d) A meeting during which the board or commission is acting in a quasi-judicial capacity. This paragraph does not affect the right of a person to be heard as otherwise provided by law.

(4) Rules or policies of a board or commission which govern the opportunity to be heard are limited to those that:

(a) Provide guidelines regarding the amount of time an individual has to address the board or commission;

Uniform Policies and Procedures Manual for Value Adjustment Boards
Department of Revenue December 2020

(b) Prescribe procedures for allowing representatives of groups or factions on a proposition to address the board or commission, rather than all members of such groups or factions, at meetings in which a large number of individuals wish to be heard;

(c) Prescribe procedures or forms for an individual to use in order to inform the board or commission of a desire to be heard; to indicate his or her support, opposition, or neutrality on a proposition; and to indicate his or her designation of a representative to speak for him or her or his or her group on a proposition if he or she so chooses; or

(d) Designate a specified period of time for public comment.

(5) If a board or commission adopts rules or policies in compliance with this section and follows such rules or policies when providing an opportunity for members of the public to be heard, the board or commission is deemed to be acting in compliance with this section.

(6) A circuit court has jurisdiction to issue an injunction for the purpose of enforcing this section upon the filing of an application for such injunction by a citizen of this state.

(7)(a) Whenever an action is filed against a board or commission to enforce this section, the court shall assess reasonable attorney fees against such board or commission if the court determines that the defendant to such action acted in violation of this section. The court may assess reasonable attorney fees against the individual filing such an action if the court finds that the action was filed in bad faith or was frivolous. This paragraph does not apply to a state attorney or his or her duly authorized assistants or an officer charged with enforcing this section.

(b) Whenever a board or commission appeals a court order that has found the board or commission to have violated this section, and such order is affirmed, the court shall assess reasonable attorney fees for the appeal against such board or commission.

(8) An action taken by a board or commission which is found to be in violation of this section is not void as a result of that violation.

If you feel that the market value of your property is inaccurate or does not reflect fair market value, or if you are entitled to an exemption or classification that is not reflected above, contact your county property appraiser at _____ (phone number) or _____ (location).

If the property appraiser's office is unable to resolve the matter as to market value, classification, or an exemption, you may file a petition for adjustment with the Value Adjustment Board. Petition forms are available from the county property appraiser and must be filed ON OR BEFORE _____ (date).

Market Value:

Market value in Florida is also known as “just value” as provided by the constitution and described in state law. It is the amount a purchaser willing but not obliged to buy would pay to one willing but not obliged to sell, after proper consideration of all eight factors in section 193.011, F.S.

Assessed Value:

Assessed value is the market value of your property minus the amount of any assessment reductions. The assessed value may be different for millage levies made by different taxing authorities.

Assessment Reductions:

Properties can receive an assessment reduction for a number of reasons. Some of the common reasons are below.

- There are limits on how much the assessment of your property can increase each year. The Save Our Homes program and the limitation for non-homestead property are examples.
- Certain types of property, such as agricultural land and land used for conservation, are valued on their current use rather than their market value.
- Some reductions lower the assessed value only for levies of certain taxing authorities.

If your assessed value is lower than your market value because limits on increases apply to your property or because your property is valued based on its current use, the amount of the difference and reason for the difference are listed in the third box on page 2.

Exemptions:

Exemptions are specific dollar or percentage amounts that reduce assessed value. These are usually based on characteristics of the property or property owner. Examples include the homestead exemption, veterans' disability exemptions and charitable exemptions. The discount for disabled veterans is included in this box. Many exemptions apply only to tax levies by the taxing authority granting the exemption.

Taxable Value:

Taxable value is the value used to calculate the tax due on your property. Taxable value is the assessed value minus the value of exemptions and discounts.

PART 2. Petition Information and Hearing

Provide the time you think you will need on page 1. The VAB is not bound by the requested time.

Exchange of Evidence Rule 12D-9.020(1)(a)-(c), F.A.C.:

(1)(a)1. At least 15 days before a petition hearing, the petitioner shall provide to the property appraiser a list of evidence to be presented at the hearing, a summary of evidence to be presented by witnesses, and copies of all documentation to be presented at the hearing.

2. To calculate the fifteen (15) days, the petitioner shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing. The last day of the period shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day that is neither a Saturday, Sunday, or legal holiday.

(b) A petitioner's noncompliance with paragraph (1)(a) does not affect the petitioner's right to receive a copy of the current property record card from the property appraiser as described in Section 194.032(2)(a), F.S.

(c) A petitioner's noncompliance with paragraph (1)(a) does not authorize a value adjustment board or special magistrate to exclude the petitioner's evidence. However, under Section 194.034(1)(h), F.S., if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and knowingly refuses to provide it to the property appraiser a reasonable time before the hearing, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. Reasonableness shall be determined by whether the

material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. These requirements are more specifically described in subsection (8) of this rule and in paragraphs 12D-9.025(4)(a) and (f), F.A.C.

If you provide this evidence and make a written request for the property appraiser's evidence, the property appraiser must give you his or her evidence at least seven days before the hearing.

At the hearing, you have the right to have witnesses sworn.

ADDITIONAL INFORMATION

Required Partial Payment of Taxes (Section 194.014, F.S.)

You are required to make a partial payment of taxes if you have a VAB petition pending on or after the payment delinquency date (normally April 1, following the assessment year under review). If the required partial payment is not made before the delinquency date, the VAB will deny your petition. The last day to make a partial payment before the delinquency date is generally March 31. Review your tax bill or contact your tax collector to determine your delinquency date.

You should be aware that even if a special magistrate's recommended decision has been issued, a partial payment is still required before the delinquency date. A special magistrate's recommended decision is not a final decision of the VAB. A partial payment is not required only if the VAB makes a final decision on your petition before April 1. The payment amount depends on the type of petition filed on the property. The partial payment requirements are summarized below.

Value Appeals:

For petitions on the value of property and portability, the payment must include:

- * All of the non-ad valorem assessments, and
- * A partial payment of at least 75 percent of the ad valorem taxes,
- * Less applicable discounts under s. 197.162, F.S.

Other Assessment Appeals:

For petitions on the denial of a classification or exemption, or based on an argument that the property was not substantially complete on January 1, the payment must include:

- All of the non-ad valorem assessments, and
- The amount of the ad valorem taxes the taxpayer admits in good faith to owe,
- Less applicable discounts under s. 197.162, F.S.

Required Partial Payment of Taxes (Section 194.014, F.S.)

You are required to make a partial payment of taxes if you have a VAB petition pending on or after the payment delinquency date (normally April 1, following the assessment year under review). If the required partial payment is not made before the delinquency date, the VAB will deny your petition. The last day to make a partial payment before the delinquency date is generally March 31. Review your tax bill or contact your tax collector to determine your delinquency date.

You should be aware that even if a special magistrate's recommended decision has been issued, a partial payment is still required before the delinquency date. A special magistrate's recommended decision is not a final decision of the VAB. A partial payment is not required only if the VAB makes a final decision on your petition before April 1. The payment amount depends on the type of petition filed on the property. The partial payment requirements are summarized below.

Value Appeals:

For petitions on the value of property and portability, the payment must include:

- * All of the non-ad valorem assessments, and
- * A partial payment of at least 75 percent of the ad valorem taxes,
- * Less applicable discounts under s. 197.162, F.S.

Other Assessment Appeals:

For petitions on the denial of a classification or exemption, or based on an argument that the property was not substantially complete on January 1, the payment must include:

- All of the non-ad valorem assessments, and
- The amount of the ad valorem taxes the taxpayer admits in good faith to owe,
- Less applicable discounts under s. 197.162, F.S.

- (2) These rights include:
 - (a) The right to be notified of the assessment of each taxable item of property in accordance with the notice provisions set out in Florida Statutes for notices of proposed property taxes;
 - (b) The right to request an informal conference with the property appraiser regarding the correctness of the assessment or to petition for administrative or judicial review of property assessments. An informal conference with the property appraiser is not a prerequisite to filing a petition for administrative review or an action for judicial review;
 - (c) The right to file a petition on a form provided by the county that is substantially the same as the form prescribed by the department or to file a petition on the form provided by the department for this purpose;
 - (d) The right to state on the petition the approximate time anticipated by the taxpayer to present and argue his or her petition before the board;
 - (e) The right to authorize another person to file a board petition on the taxpayer's property assessment;
 - (f) The right, regardless of whether the petitioner initiates the evidence exchange, to receive from the property appraiser a copy of the current property record card containing information relevant to the computation of the current assessment, with confidential information redacted. This includes the right to receive such property record card when the property appraiser receives the petition from the board clerk, at which time the property appraiser will either send the property record card to the petitioner or notify the petitioner how to obtain it online;
 - (g) The right to be sent prior notice of the date for the hearing of the taxpayer's petition by the value adjustment board and the right to the hearing within a reasonable time of the scheduled hearing;
 - (h) The right to reschedule a hearing a single time for good cause, as described in this chapter;
 - (i) The right to be notified of the date of certification of the county's tax rolls;
 - (j) The right to represent himself or herself or to be represented by another person who is authorized by the taxpayer to represent the taxpayer before the board;
 - (k) The right, in counties that use special magistrates, to a hearing conducted by a qualified special magistrate appointed and scheduled for hearings in a manner in which the board, board attorney, and board clerk do not consider any assessment reductions recommended by any special magistrate in the current year or in any previous year;
 - (l) The right to have evidence presented and considered at a public hearing or at a time when the petitioner has been given reasonable notice;
 - (m) The right to have witnesses sworn and to cross-examine the witnesses;
 - (n) The right to be issued a timely written decision within 20 calendar days of the last day the board is in session pursuant to Section 194.034, F.S., by the value adjustment board containing findings of fact and conclusions of law and reasons for upholding or overturning the determination of the property appraiser or tax collector;
 - (o) The right to advertised notice of all board actions, including appropriate narrative and column descriptions, in brief and nontechnical language;
 - (p) The right to bring an action in circuit court to appeal a value adjustment board valuation decision or decision to disapprove a classification, exemption, portability assessment difference transfer, or to deny a tax deferral or to impose a tax penalty;
 - (q) The right to have federal tax information, ad valorem tax returns, social security numbers, all financial records produced by the taxpayer and other confidential taxpayer information, kept confidential; and,

(r) The right to limiting the property appraiser's access to a taxpayer's records to only those instances in which it is determined that such records are necessary to determine either the classification or the value of taxable non-homestead property.

(2) The property appraiser or a member of his or her staff shall confer with the taxpayer regarding the correctness of the assessment.

(3) At the conference, the taxpayer shall present facts that he or she considers supportive of changing the assessment and the property appraiser or his or her representative shall present facts that the property appraiser considers to be supportive of the assessment.

- (c) State the approximate time anticipated by the petitioner for presenting and arguing his or her petition before the board or special magistrate to be considered by the board clerk as provided in subsection 12D-9.019(1), F.A.C., and may provide dates of nonavailability for scheduling purposes if applicable;
- (d) Contain a space for the petitioner to indicate on the petition form that he or she does not wish to be present and argue the petition before the board or special magistrate but would like to have their evidence considered without an appearance;
- (e) Contain a statement that the petitioner has the right, regardless of whether the petitioner initiates the evidence exchange, to receive from the property appraiser a copy of the property record card containing information relevant to the computation of the current assessment, with confidential information redacted, along with a statement that when the property appraiser receives the petition, the property appraiser will either send the property record card to the petitioner or notify the petitioner how to obtain the property record card online;
- (f) 1. Contain a signature field for the taxpayer to sign the petition and a checkbox for the taxpayer to indicate that she or he has authorized a representative to receive or access confidential taxpayer information related to the taxpayer,
- 2. Contain a checkbox for the taxpayer to indicate that he or she has authorized a compensated or uncompensated representative to act on the taxpayer’s behalf,
- 3. Contain a signature field for an authorized employee or representative to sign the petition, when applicable, along with the authorized employee’s or representative’s sworn certification under penalty of perjury that he or she has the taxpayer’s authorization to file the petition on the taxpayer’s behalf together with checkboxes for professional information and spaces for license numbers; and,
- 4. Contain a signature field for a compensated or uncompensated representative, who is not an employee of the taxpayer or of an affiliated entity, and not an attorney who is a member of The Florida Bar, a real estate appraiser licensed or certified under Chapter 475, Part II, F.S., a real estate broker licensed under Chapter 475, Part I, F.S., or a certified public accountant licensed under Chapter 473, F.S., and contain checkboxes, for a compensated representative to indicate he or she is attaching a power of attorney from the taxpayer, and for an uncompensated representative to indicate he or she is attaching a written authorization from the taxpayer.

(g) If the petition indicates that the taxpayer has authorized a compensated representative, who is not acting as a licensed or certified professional listed in paragraph 12D-9.018(3)(a), F.A.C., to act on the taxpayer's behalf, at the time of filing, the petition must either be signed by the taxpayer or be accompanied by a power of attorney; and,

(h) If the petition indicates that the taxpayer has authorized an uncompensated representative to act on the taxpayer's behalf, at the time of filing, the petition must either be signed by the taxpayer or be accompanied by the taxpayer's written authorization.

(i) Contain a space for the petitioner to indicate if the property is four or less residential units; or other property type; provided the board clerk shall accept the petition even if this space is not filled in; and,

(j) Contain a statement that a tangible personal property assessment may not be contested unless a return required by Section 193.052, F.S., is timely filed.

(3) The petition form shall provide notice to the petitioner that the person signing the petition becomes the agent of the taxpayer for the purpose of serving process to obtain personal jurisdiction over the taxpayer for the entire value adjustment board proceeding, including any appeals to circuit court of a board decision by the property appraiser or tax collector.

(4) The petition form shall provide notice to the petitioner of his or her right to an informal conference with the property appraiser and that such conference is not a prerequisite to filing a petition nor does it alter the time frame for filing a timely petition.

(5) The department, the board clerk, and the property appraiser or tax collector shall make available to petitioners the blank petition form adopted or approved by the department. The department prescribes the Form DR-486 series, for this purpose, incorporated in Rule 12D-16.002, F.A.C., by reference.

(6) If the taxpayer or representative's name, address, telephone, or similar contact information on the petition changes after filing the petition and before the hearing, the taxpayer or representative shall notify the board clerk in writing.

(7) Filing Fees. By resolution of the value adjustment board, a petition shall be accompanied by a filing fee to be paid to the board clerk in an amount determined by the board not to exceed \$15 for each separate parcel of property, real or personal covered by the petition and subject to appeal. The resolution may include arrangements for petitioners to pay filing fees by credit card.

(a) Other than fees required for late filed applications under Sections 193.155(8)(j) and 196.011(8), F.S., only a single filing fee shall be charged to any particular parcel of real property or tangible personal property account, despite the existence of multiple issues or hearings pertaining to such parcels or accounts.

(b) No filing fee shall be required with respect to an appeal from the disapproval of a timely filed application for homestead exemption or from the denial of a tax deferral.

(c) For joint petitions filed pursuant to Section 194.011(3)(e), (f), or (g), F.S., a single filing fee shall be charged. Such fee shall be calculated as the cost of the time required for the special magistrate in hearing the joint petition and shall not exceed \$5 per parcel or account, for each additional parcel or account included in the petition, in addition to any filing fee for the petition. Said fee is to be proportionately paid by affected property owners.

(d) The value adjustment board or its designee shall waive the filing fee with respect to a petition filed by a taxpayer who demonstrates at the time of the filing by submitting with the petition documentation issued by the Department of Children and Families that the petitioner is currently an eligible recipient of temporary assistance under Chapter 414, F.S.

(e) All filing fees shall be paid to the board clerk at the time of filing. Any petition not accompanied by the required filing fee will be deemed incomplete.

(8) An owner of contiguous, undeveloped parcels may file a single joint petition if the property appraiser determines such parcels are substantially similar in nature. A condominium association, cooperative association, or any homeowners' association as defined in Section 723.075, F.S., with approval of its board of administration or directors, may file with the value adjustment board a single joint petition on behalf of any association members who own parcels of property which the property appraiser determines are substantially similar with respect to location, proximity to amenities, number of rooms, living area, and condition. An owner of multiple tangible personal property accounts may file a single joint petition if the property appraiser determines that the tangible personal property accounts are substantially similar in nature. The property appraiser shall provide the petitioner with such determination upon request by the petitioner. The petitioner must obtain the determination from the property appraiser prior to filing the petition and must file the determination provided and completed by the property appraiser with the petition. An incorporated attached list of parcels or accounts by parcel number or account number, with an indication on the petition form showing a joint petition, shall be sufficient to signify a joint petition.

(9) Persons Authorized to Sign and File Petitions. The following persons may sign and file petitions with the value adjustment board.

(a) The taxpayer may sign and file a petition.

(b) An employee of the taxpayer or of an affiliated entity or a licensed or certified professional listed in paragraph 12D-9.018(3)(a), F.A.C., who the taxpayer has authorized to file a petition and represent the taxpayer and who certifies under penalty of perjury that he or she has the taxpayer's authorization to file a petition on the taxpayer's behalf and represent the taxpayer, may sign and file such a petition that is not signed by the taxpayer and that is not accompanied by the taxpayer's written authorization.

(c) A compensated person, who is not an employee of the taxpayer or of an affiliated entity and who is not acting as a licensed or certified professional listed in paragraph 12D-9.018(3)(a), F.A.C., may sign and file a petition on the taxpayer's behalf if the taxpayer has authorized such person by power of attorney. If the petition is not signed by the taxpayer, such person must provide a copy of the power of attorney to the board clerk at the time the petition is filed. This power of attorney is valid only for representing a single taxpayer in a single assessment year, and must identify the parcels or accounts for which the person is authorized to represent the taxpayer and must conform to the requirements of Chapter 709, Part II, F.S. A taxpayer may use a Department of Revenue form to grant the power of attorney or may use a different form provided it meets the requirements of Chapter 709, Part II, and Section 194.034(1), F.S. The Department has adopted Form DR-486POA, Power of Attorney for Representation Before the Value Adjustment Board, which is incorporated by reference in Rule 12D-16.002, F.A.C., as a form available to taxpayers for granting the power of attorney.

(d) An uncompensated person, who has a taxpayer's signed written authorization to represent the taxpayer, is authorized to sign and file a petition on the taxpayer's behalf if, at the time the petition is filed, such person provides a copy of the taxpayer's written authorization to the board clerk with the petition or the taxpayer's signed written authorization is contained on the petition form. This written authorization is valid only for representing a single taxpayer in a single assessment year and must identify the parcels or accounts for which the person is authorized to represent the taxpayer. A taxpayer may use a Department of Revenue form to grant the authorization in writing or may use a different form provided it meets the requirements of Section 194.034(1), F.S. The Department has adopted Form DR-486A, Written Authorization for Representation Before the Value Adjustment Board, which is incorporated by reference in Rule 12D-16.002, F.A.C., as a form available to taxpayers for granting the written authorization.

(10)(a) If a taxpayer notifies the board that an unauthorized petition has been filed for the taxpayer's property, the board may require the person who filed the petition to provide to the board, before a hearing is held on such petition, the taxpayer's written authorization for the person to file the petition and represent the taxpayer.

(b) If the board finds that an employee or a professional listed in paragraph 12D-9.018(3)(a), F.A.C., knowingly and willfully filed a petition not authorized by the taxpayer, the board shall require such employee or professional to provide to the board clerk, before any petition filed by that employee or professional is heard, the taxpayer's written authorization for the employee or professional to represent the taxpayer. This board requirement shall extend for one year after the board's imposition of the requirement.

(11) If duplicate petitions are filed on the same property, the board clerk shall contact the taxpayer and all petitioners to identify whether a person has the taxpayer's authorization to file a petition and represent the taxpayer, and resolve the issue in accordance with this rule chapter.

(12)(a) The board clerk shall accept for filing any completed petition that is timely submitted on a form approved by the department, with payment if required. If an incomplete petition is received, the board clerk shall notify the petitioner and give the petitioner an opportunity to complete the petition within 10 calendar days. Such completed petition shall be timely if completed and filed within the time frame provided in the board clerk's notice.

(b) A "completed" petition is one that:

1. Provides information for all the required elements that are displayed on the department's form;
2. Is accompanied by a power of attorney if required;
3. Is accompanied by written taxpayer authorization if required; and,
4. Is accompanied by the appropriate filing fee if required.

(c) In accepting a petition, the board clerk shall rely on the licensure information provided by a licensed professional representative, the power of attorney provided by an authorized, compensated person, or the written taxpayer authorization provided by an authorized, uncompensated person.

(13) Timely Filing of Petitions. Petitions related to valuation issues may be filed, and must be accepted by the board clerk, at any time during the taxable year on or before the 25th day following the mailing of the notice of proposed property taxes. Other petitions may be filed as follows:

(a) With respect to issues involving the denial of an exemption on or before the 30th day following the mailing of the written notification of the denial of the exemption on or before July 1 of the year for which the application was filed;

(b) With respect to issues involving the denial of an agricultural classification application, on or before the 30th day following the mailing of the notification in writing of the denial of the agricultural classification on or before July 1 of the year for which the application was filed;

(c) With respect to issues involving the denial of a high-water recharge classification application on or before the 30th day following the mailing of the notification in writing of the denial of the high-water recharge classification on or before July 1 of the year for which the application was filed;

(d) With respect to issues involving the denial of a historic property used for commercial or certain nonprofit purposes classification application, on or before the 30th day following the mailing of the notification in writing of the denial of the classification on or before July 1 of the year for which the application was filed;

(e) With respect to issues involving the denial of a tax deferral, on or before the 30th day following the mailing of the notification in writing of the denial of the deferral application;

(f) With respect to exemption or classification claims relating to an exemption or classification that is not reflected on the notice of property taxes, including late filed exemption claims, on or before the 25th day following the mailing of the notice of proposed property taxes, or on or before the 30th day following the mailing of the written notification of the denial of the exemption or classification, whichever date is later; and,

(g) With respect to penalties imposed for filing incorrect information relating to tax deferrals for homestead, for recreational and commercial working waterfronts or for affordable rental housing properties, within 30 days after the penalties are imposed.

(14) Late Filed Petitions.

(a) The board may not extend the time for filing a petition. The board is not authorized to set and publish a deadline for late filed petitions. However, the failure to meet the statutory deadline for filing a petition to the board does not prevent consideration of such a petition by the board or special magistrate when the board or board designee determines that the petitioner has demonstrated good cause justifying consideration and that the delay will not, in fact, be harmful to the performance of board functions in the taxing process. "Good cause" means the verifiable showing of extraordinary circumstances, as follows:

1. Personal, family, or business crisis or emergency at a critical time or for an extended period of time that would cause a reasonable person's attention to be diverted from filing, or

2. Physical or mental illness, infirmity, or disability that would reasonably affect the petitioner's ability to timely file, or

3. Miscommunication with, or misinformation received from, the board clerk, property appraiser, or their staff regarding the necessity or the proper procedure for filing that would cause a reasonable person's attention to be diverted from timely filing, or

4. Any other cause beyond the control of the petitioner that would prevent a reasonably prudent petitioner from timely filing.

(b) The board clerk shall accept but not schedule for hearing a petition submitted to the board after the statutory deadline has expired, and shall submit the petition to the board or board designee for good cause consideration if the petition is accompanied by a written explanation for the delay in filing. Unless scheduled together or by the same notice, the decision regarding good cause for late filing of the petition must be made before a hearing is scheduled, and the parties shall be notified of such decision.

(c) The board clerk shall forward a copy of completed but untimely filed petitions to the property appraiser or tax collector at the time they are received or upon the determination of good cause.

(d) The board is authorized to, but need not, require good cause hearings before good cause determinations are made. The board or a board designee, which includes the board legal counsel or a special magistrate, shall determine whether the petitioner has demonstrated, in writing, good cause justifying consideration of the petition. If the board or a board designee determines that the petitioner has demonstrated good cause, the board clerk shall accept the petition for filing and so notify the petitioner and the property appraiser or the tax collector.

(e) If the board or a board designee determines that the petitioner has not demonstrated good cause, or if the petition is not accompanied by a written explanation for the delay in filing, the board clerk shall notify the petitioner and the property appraiser or tax collector.

(f) A person who files a petition may timely file an action in circuit court to preserve the right to proceed in circuit court. (Sections 193.155(8)(l), 194.036, 194.171(2) and 196.151, F.S.).

(15) Acknowledgement of Timely Filed Petitions. The board clerk shall accept all completed petitions, as defined by statute and subsection (2), of this rule. Upon receipt of a completed and filed petition, the board clerk shall provide to the petitioner an acknowledgment of receipt of such petition and shall provide to the property appraiser or tax collector a copy of the petition.

(16) When the property appraiser receives the petition from the board clerk, regardless of whether the petitioner initiates the evidence exchange, the property appraiser shall provide to the petitioner a copy of the property record card containing information relevant to the computation of the current assessment, with confidential information redacted. The property appraiser shall provide such property record card to the petitioner either by sending it to the petitioner or by notifying the petitioner how to obtain it online.

(17) The board clerk shall send the notice of hearing such that it will be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The board clerk will have prima facie complied with the requirements of this section if the notice was deposited in the U.S. mail thirty (30) days prior to the day of such scheduled appearance.

(18) Copies of the forms incorporated in Rule 12D-16.002, F.A.C., may be obtained at the Department's Internet site: <http://floridarevenue.com/dor/property/forms/>.

12D-9.016 Filing and Service.

(1) In construing these rules or any order of the board, special magistrate, or a board designee, filing shall mean received by the board clerk during open hours or by the board, special magistrate, or a board designee during a meeting or hearing.

(2)(a) Any hand-delivered or mailed document received by the office of the board clerk after close of business as determined by the board clerk shall be filed the next regular business day.

(b) If the board clerk accepts documents filed by FAX or other electronic transmission, documents received on or after 11:59:59 p.m. of the day they are due shall be filed the next regular business day.

(c) Any document that is required to be filed, served, provided or made available may be filed, served, provided or made available electronically, if the board and the board clerk make such resources available, and no party is prejudiced.

(d) Local procedure may supersede provisions regarding the number of copies that must be provided.

(3) When a party files a document with the board, other than the petition, that party shall serve copies of the document to all parties in the proceeding. When a document is filed that does not clearly indicate it has been provided to the other party, the board clerk, board legal counsel, board members and special magistrates shall inform the party of the requirement to provide to every party or shall exercise care to ensure that a copy is provided to every party, and that no ex parte communication occurs.

(4) Any party who elects to file any document by FAX or other electronic transmission shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the board clerk as a result.

12D-9.017 Ex Parte Communication Prohibition.

(1)(a) No participant, including the petitioner, the property appraiser, the board clerk, the special magistrate, a member of a value adjustment board, or other person directly or indirectly interested in the proceeding, nor anyone authorized to act on behalf of any party shall communicate with a member of the board or the special magistrate regarding the issues in the case without the other party being present or without providing a copy of any written communication to the other party.

(b) This rule shall not prohibit internal communications among the board clerk, board, special magistrates, and board legal counsel, regarding internal operations of the board and other administrative matters. The special magistrate is specifically authorized to communicate with the board's legal counsel or board clerk on legal matters or other issues regarding a petition.

(2) Any attempt by the property appraiser, tax collector, taxpayer or taxpayer's representative to provide information or discuss issues regarding a petition without the presence of the opposing party before or after the hearing, with a member of the board or the special magistrate shall be immediately placed on the record by the board member or special magistrate.

(3) The ex parte communication shall not be considered by the board or the special magistrate unless all parties have been notified about the ex parte communication, and no party objects, and all parties have an opportunity during the hearing to cross-examine, object, or otherwise address the communication.

12D-9.018 Representation of the Taxpayer.

(1) A taxpayer has the right, at the taxpayer's own expense, to be represented before the board by a person described in subsection (3), below. The taxpayer's representative may present testimony and other evidence in support of the petition.

(2) The authorized individual, agent, or legal entity that signs the petition becomes the agent of the taxpayer for the purpose of serving process to obtain jurisdiction over the taxpayer for the entire value adjustment board proceedings, including any appeals of a board decision by the property appraiser or tax collector. However, this does not authorize the individual, agent, or legal entity to receive or access the taxpayer's confidential information without written authorization from the taxpayer.

(3) Subject to the petition filing requirements set forth in this rule chapter, a taxpayer may be represented before the board by one of the persons described in this subsection.

(a)1. An employee of the taxpayer or of an affiliated entity may represent the taxpayer.

2. One of the following professionals may represent the taxpayer:

- a. An attorney who is a member of the Florida Bar,
- b. A real estate appraiser licensed or certified under Chapter 475, Part II, F.S.,
- c. A real estate broker licensed under Chapter 475, Part I, F.S., or
- d. A certified public accountant licensed under Chapter 473, F.S.

3. If the taxpayer has authorized an employee or professional, listed in this subsection, to file a petition and represent the taxpayer and the employee or professional certifies under penalty of perjury that he or she has the taxpayer's authorization to file the petition on the taxpayer's behalf and represent the taxpayer, the employee or professional may file a petition that is not signed by the taxpayer and that is not accompanied by the taxpayer's written authorization.

(b) A person who provides to the board clerk at the time the petition is filed a power of attorney authorizing such person to act on the taxpayer's behalf, may represent the taxpayer. The power of attorney is valid only for representing a single taxpayer in a single assessment year, and must identify the parcels or accounts for which the person is authorized to represent the taxpayer and must conform to the requirements of Chapter 709, Part II, F.S. A taxpayer may use a Department of Revenue form to grant the power of attorney or may use a different form, provided it meets the requirements of Chapter 709, Part II, and Section 194.034(1), F.S. The Department has adopted Form DR-486POA, titled Power of Attorney for Representation Before the Value Adjustment Board, which is incorporated by reference in Rule 12D-16.002, F.A.C., as a form available to taxpayers for granting the power of attorney.

(c) An uncompensated person who provides to the board clerk at the time the petition is filed, the taxpayer's written authorization for such person to act on the taxpayer's behalf, may represent the taxpayer. This written authorization is valid only for representing a single taxpayer in a single assessment year and must identify the parcels or accounts for which the person is authorized to represent the taxpayer. A taxpayer may use a Department of Revenue form to grant the authorization in writing or may use a different form provided it meets the requirements of Section 194.034(1), F.S. The Department has adopted Form DR-486A, titled Written Authorization for Representation Before the Value Adjustment Board, which is incorporated by reference in Rule 12D-16.002, F.A.C., as a form available to taxpayers for granting the written authorization.

(4) The board clerk may require the use of an agent or representative number to facilitate scheduling of hearings as long as such use is not inconsistent with this rule chapter.

12D-9.019 Scheduling and Notice of a Hearing.

(1)(a) The board clerk shall prepare a schedule of appearances before the board or special magistrates based on timely filed petitions, and shall notify each petitioner of the scheduled time of appearance. The board clerk shall simultaneously notify the property appraiser or tax collector. The board clerk may electronically send this notification to the petitioner, if the petitioner indicates on his or her petition this means of communication for receiving notices, materials, and communications.

(b) When scheduling hearings, the board clerk shall consider:

1. The anticipated amount of time if indicated on the petition,

2. The experience of the petitioner,
3. The complexity of the issues or the evidence to be presented,
4. The number of petitions/parcels to be heard at a single hearing,
5. The efficiency or difficulty for the petitioner of grouping multiple hearings for a single petitioner on the same day; and,
6. The likelihood of withdrawals, cancellations of hearings or failure to appear.

(c) Upon request of a party, the board clerk shall consult with the petitioner and the property appraiser or tax collector to ensure that, within the board clerk's judgment, an adequate amount of time is provided for presenting and considering evidence.

(d) In scheduling hearings before specific special magistrates, the board, board attorney, and board clerk shall not consider any assessment reductions recommended by any special magistrate in the current year or in any previous year.

(e) In those counties that use special magistrates, after an attorney special magistrate has produced a recommended decision on a determination that a change of ownership under Section 193.155(3), F.S., a change of ownership or control under Section 193.1554(5) or 193.1555(5), F.S., or a qualifying improvement under Section 193.1555(5), F.S., has occurred, the petition shall be scheduled for a hearing before a real property valuation special magistrate for an administrative review of the value(s), unless the petitioner waives administrative review of the value. The clerk must notify the petitioner and property appraiser of the scheduled time in the manner described in this rule. This hearing is subject to the single time reschedule for good cause as provided in this rule. In counties that do not use special magistrates the board may proceed directly to a valuation hearing where properly noticed as provided in this rule.

(2) No hearing shall be scheduled related to valuation issues prior to completion by the governing body of each taxing authority of the public hearing on the tentative budget and proposed millage rate.

(3)(a) The notice of hearing before the value adjustment board shall be in writing, and shall be delivered by regular or certified U.S. mail or personal delivery, or in the manner requested by the petitioner on Form DR-486, so that the notice shall be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The Form DR-486 series is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. The notice of hearing form shall meet the requirements of this section and shall be subject to approval by the department. The department provides Form DR-481 as a format for the form of such notice. Form DR-481, Value Adjustment Board – Notice of Hearing, is adopted and incorporated by reference in Rule 12D-16.002, F.A.C.

(b) The notice shall include these elements:

1. The parcel number, account number or legal address of all properties being heard at the scheduled hearing;
2. The type of hearing scheduled;
3. The date and time of the scheduled hearing, however, if the petition has been scheduled to be heard within a block of time, the beginning and ending of that block of time shall be indicated on the notice;
4. The time reserved, or instructions on how to obtain this information;
5. The location of the hearing, including the hearing room number if known, together with board clerk contact information including office address and telephone number, for petitioners to request assistance in finding hearing rooms;
6. Instructions on how to obtain a list of the potential special magistrates for the type of petition in question;
7. A statement of the petitioner's right to participate in the exchange of evidence with the property appraiser;
8. A statement that the petitioner has the right to reschedule the hearing a single time for good cause as defined in Section 194.032(2)(a), F.S.;
9. A statement that Section 194.032(2)(a), F.S., defines "good cause" as circumstances beyond the control of the person seeking to reschedule the hearing which reasonably prevent the party from having adequate representation at the hearing;
10. Instructions on bringing copies of evidence;
11. Any information necessary to comply with federal or state disability or accessibility acts; and,
12. Information regarding where the petitioner may obtain a copy of the uniform rules of procedure.

(4) Each party may reschedule the hearing a single time for good cause by submitting a written request to the board clerk before the scheduled appearance or as soon as practicable. As used in this subsection, the term "good cause" is defined in Section 194.032(2)(a), F.S.

(a) The board clerk shall ascertain if the opposing party has been furnished a copy of the request, and if not, shall furnish the request to the opposing party. The board clerk shall promptly forward the reschedule request to the board or a board designee to

make a determination as to good cause; for this determination, the board designee includes the board clerk, board legal counsel or a special magistrate.

(b) The board or board designee shall grant the hearing reschedule for any request that qualifies under Section 194.032(2)(a), F.S. The board or board designee may act upon the request based on its face and whether it meets the provisions for good cause on its face.

(c) If the board or a board designee determines that the request does not show good cause, the request will be denied and the board may proceed with the hearing as scheduled.

(d) If the board or a board designee determines that the request demonstrates good cause, the request will be granted.

(e) Requests to reschedule shall be processed without delay and the processing shall be accelerated where necessary to ensure, if possible, that the parties are provided notice of the determination before the original hearing time.

(f) The board clerk shall give prompt notice to the parties of the determination as to good cause. Form DR-485WCN, Value Adjustment Board – Clerk’s Notice, is designated and may be used for this purpose. Form DR-485WCN is adopted and incorporated by reference in Rule 12D-16.002, F.A.C.

(g) If good cause is found, the clerk shall give immediate notice of cancellation of the hearing and shall proceed as provided in paragraph (h).

(h) The clerk must receive any notice of conflict dates submitted by a party before notice of a rescheduled hearing is sent to both parties or before expiration of any period allowed by the clerk or board to both parties for such submittal.

(i) The clerk must reschedule considering conflict dates received and should accommodate a notice of conflict dates when any associated delay will not be prejudicial to the board’s performance of its functions in the taxing process.

(j) The board clerk is responsible for notifying the parties of any rescheduling and will issue a notice of hearing with the new hearing date which shall, if possible, be the earliest date that is convenient for all parties.

(k) When rescheduling hearings under this rule, if the parties are unable to agree on an earlier date, the board clerk is authorized to schedule the hearing and send a notice of such hearing by regular or certified U.S. mail or personal delivery, or in the manner requested by the petitioner on the petition Form DR-486, so that the notice shall be received by the petitioner no less than fifteen (15) calendar days prior to the day of such scheduled appearance, unless this notice is waived by both parties.

(l) The clerk is authorized to inquire if a party wants their evidence considered in the event of their absence from the hearing.

(m) The clerk is authorized to ask the parties if they will waive the 15 days’ notice for rescheduled hearings; however, the parties are not required to do so.

(n) A party must not assume the request to reschedule has been granted until notified by the clerk.

(5) If a hearing is rescheduled by a party, the board clerk must notify the petitioner of the rescheduled time in the manner referenced in subsection (3), so that the notice shall be received no less than fifteen (15) calendar days prior to the day of such rescheduled appearance, unless this notice is waived by both parties.

(6) If a hearing is rescheduled, the deadlines for the exchange of evidence shall be computed from the new hearing date, if time permits.

(7)(a) If a petitioner’s hearing does not commence as scheduled, the board clerk is authorized to reschedule the hearing.

(b) In no event shall a petitioner be required to wait more than a reasonable time after the scheduled time to be heard or, if the petition has been scheduled to be heard within a block of time, after the beginning of the block of time. The board clerk is authorized to find that a reasonable time has elapsed based on other commitments, appointments or hearings of the petitioner, lateness in the day, and other hearings waiting to be heard earlier than the petitioner’s hearing with the board or special magistrate. If his or her petition has not been heard within a reasonable time, the petitioner may request to be heard immediately. If the board clerk finds a reasonable time has elapsed and petitioner is not heard, the board clerk shall reschedule the petitioner’s hearing. A reasonable time must not exceed two hours. After two hours, the petitioner has the right to inform the board chairperson, or the clerk as board designee, that he or she intends to leave. If the petitioner chooses to leave, the petitioner must first inform the board chairperson or clerk that he or she intends to leave. The clerk must not list the petitioner as a no show. If the hearing does not commence within two hours and the petitioner leaves, the clerk must reschedule the hearing.

(c) A rescheduling under this subsection is not a request by a party to reschedule as provided in subsection (4).

(d) A petitioner is not required to wait any length of time as a prerequisite to filing an action in circuit court.

12D-9.020 Exchange of Evidence.

(1)(a)1. At least 15 days before a petition hearing, the petitioner shall provide to the property appraiser a list of evidence to be presented at the hearing, a summary of evidence to be presented by witnesses, and copies of all documentation to be presented at the hearing.

2. To calculate the fifteen (15) days, the petitioner shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing. The last day of the period shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day that is neither a Saturday, Sunday, or legal holiday.

(b) A petitioner's noncompliance with paragraph (1)(a), does not affect the petitioner's right to receive a copy of the current property record card from the property appraiser as described in Section 194.032(2)(a), F.S.

(c) A petitioner's noncompliance with paragraph (1)(a), does not authorize a value adjustment board or special magistrate to exclude the petitioner's evidence. However, under Section 194.034(1)(h), F.S., if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and knowingly refuses to provide it to the property appraiser a reasonable time before the hearing, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. Reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. These requirements are more specifically described in subsection (8), of this rule, and in paragraphs 12D-9.025(4)(a) and (f), F.A.C.

(2)(a) If the property appraiser receives the petitioner's documentation as described in paragraph (1)(a), and if requested in writing by the petitioner, the property appraiser shall, no later than seven (7) days before the hearing, provide to the petitioner a list of evidence to be presented at the hearing, a summary of evidence to be presented by witnesses, and copies of all documentation to be presented by the property appraiser at the hearing. The evidence list must contain the current property record card. There is no specific form or format required for the petitioner's written request.

(b) To calculate the seven (7) days, the property appraiser shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing. The last day of the period so computed shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day which is neither a Saturday, Sunday, or legal holiday.

(3)(a) If the petitioner does not provide the information to the property appraiser described in paragraph (1)(a), the property appraiser need not provide the information to the petitioner as described in subsection (2).

(b) If the property appraiser does not provide the information to the petitioner within the time required by paragraph (2)(b), the hearing shall be rescheduled to allow the petitioner additional time to review the property appraiser's evidence.

(4) By agreement of the parties the evidence exchanged under this rule section shall be delivered by regular or certified U.S. mail, personal delivery, overnight mail, FAX or email. The petitioner and property appraiser may agree to a different timing and method of exchange. "Provided" means received by the party not later than the time frame provided in this rule section. If either party does not designate a desired manner for receiving information in the evidence exchange, the information shall be provided by U.S. mail. The property appraiser shall provide the information at the address listed on the petition form for the petitioner.

(5) Level of detail on evidence summaries: The summaries of evidence to be presented by witnesses for the petitioner and the property appraiser under this rule section shall be sufficiently detailed as to reasonably inform a party of the general subject matter of the witness' testimony, and the name and address of the witness.

(6) Hearing procedures: Neither the board nor the special magistrate shall take any general action regarding compliance with this section, but any action on each petition shall be considered on a case by case basis. Any action shall be based on a consideration of whether there has been a substantial noncompliance with this section, and shall be taken at a scheduled hearing and based on evidence presented at such hearing. "General action" means a prearranged course of conduct not based on evidence received in a specific case at a scheduled hearing on a petition.

(7) A property appraiser shall not use at a hearing evidence that was not supplied to the petitioner as required. The remedy for such noncompliance shall be a rescheduling of the hearing to allow the petitioner an opportunity to review the information of the property appraiser.

(8) No petitioner may present for consideration, nor may a board or special magistrate accept for consideration, testimony or

other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in this section. If provided to the property appraiser less than fifteen (15) days before the hearing, such materials shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing, as described in paragraph 12D-9.025(4)(f), F.A.C. A petitioner's ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser.

(9) As the trier of fact, the board or special magistrate may independently rule on the admissibility and use of evidence. If the board or special magistrate has any questions relating to the admissibility and use of evidence, the board or special magistrate should consult with the board legal counsel. The basis for any ruling on admissibility of evidence must be reflected in the record.

12D-9.021 Withdrawn or Settled Petitions; Petitions Acknowledged as Correct; Non-Appearance; Summary Disposition of Petitions.

(1) A petitioner may withdraw a petition prior to the scheduled hearing. Form DR-485WI is prescribed by the department for such purpose; however, other written or electronic means may be used. Form DR-485WI is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. Form DR-485WI shall indicate the reason for the withdrawal as one of the following:

- (a) Petitioner agrees with the determination of the property appraiser or tax collector;
- (b) Petitioner and property appraiser or tax collector have reached a settlement of the issues;
- (c) Petitioner does not agree with the decision or assessment of the property appraiser or tax collector but no longer wishes to pursue a remedy through the value adjustment board process; or
- (d) Other specified reason.

(2) The board clerk shall cancel the hearing upon receiving a notice of withdrawal from the petitioner and there shall be no further proceeding on the matter.

(3) If a property appraiser or tax collector agrees with a petition challenging a decision to deny an exemption, classification, portability assessment difference transfer, or deferral, the property appraiser or tax collector shall issue the petitioner a notice granting said exemption, classification, portability assessment difference transfer, or deferral and shall file with the board clerk a notice that the petition was acknowledged as correct. The board clerk shall cancel the hearing upon receiving the notice of acknowledgement and there shall be no further proceeding on the matter acknowledged as correct.

(4) If parties do not file a notice of withdrawal or notice of acknowledgement but indicate the same at the hearing, the board or special magistrate shall so state on the hearing record and shall not proceed with the hearing and shall not issue a decision. If a petition is withdrawn or acknowledged as correct under subsection (1), (2) or (3), or settlement is reached and filed by the parties, at any time before a recommended decision or final board decision is issued, the board, special magistrate or clerk need not issue such decision. The board clerk shall list and report all withdrawals, settlements, acknowledgements of correctness as withdrawn or settled petitions. Settled petitions shall include those acknowledged as correct by the property appraiser or tax collector.

(5) For all withdrawn or settled petitions, a special magistrate shall not produce a recommended decision and the board shall not produce a final decision.

(6) When a petitioner does not appear by the commencement of a scheduled hearing and the petitioner has not indicated a desire to have their petition heard without their attendance and a good cause request is not pending, the board or the special magistrate shall not commence or proceed with the hearing and shall produce a decision or recommended decision as described in this section. If the petitioner makes a good cause request before the decision, if no special magistrate is used, or recommended decision, if a special magistrate is used, is issued, the board or board designee shall rule on the good cause request before determining that the decision or recommended decision should be set aside and that the hearing should be rescheduled, or that the board or special magistrate should issue the decision or recommended decision.

(7) When a petitioner does not appear by the commencement of a scheduled hearing and a good cause request is pending, the board or board designee shall rule on the good cause request before determining that the hearing should be rescheduled or that the board or special magistrate should issue a decision or recommended decision.

(a) If the board or board designee finds good cause for the petitioner's failure to appear, the board clerk shall reschedule the hearing.

(b) If the board or board designee does not find good cause for the petitioner's failure to appear, the board or special magistrate shall issue a decision or recommended decision.

(8) Decisions issued under subsection (6) or (7) shall not be treated as withdrawn or settled petitions and shall contain:

(a) A finding of fact that the petitioner did not appear at the hearing and did not state good cause; and,

(b) A conclusion of law that the relief is denied and the decision is being issued in order that any right the petitioner may have to bring an action in circuit court is not impaired.

12D-9.022 Disqualification or Recusal of Special Magistrates or Board Members.

(1) If either the petitioner or the property appraiser communicates a reasonable belief that a special magistrate does not possess the statutory qualifications in accordance with Sections 194.035 and 475.611(1)(h) and (i), F.S., to conduct a particular proceeding, the basis for that belief shall be included in the record of the proceeding or submitted prior to the hearing in writing to the board legal counsel.

(2)(a) Upon review, if the board or its legal counsel determines that the original special magistrate does not meet the statutory requirements and qualifications, the board or legal counsel shall enter into the record an instruction to the board clerk to reschedule the petition before a different special magistrate to hear or rehear the petition without considering actions that may have occurred during any previous hearing.

(b) Upon review, if the board or its legal counsel determines that the special magistrate does meet the statutory requirements and qualifications, such determination shall be issued in writing and placed in the record, and the special magistrate will conduct the hearing, or, if a hearing was already held, the recommended decision will be forwarded to the board in accordance with these rules.

(3) Board members and special magistrates shall recuse themselves from hearing a petition when they have a conflict of interest or an appearance of a conflict of interest.

(4)(a) If either the petitioner or the property appraiser communicates a reasonable belief that a board member or special magistrate has a bias, prejudice or conflict of interest, the basis for that belief shall be stated in the record of the proceeding or submitted prior to the hearing in writing to the board legal counsel.

(b) If the board member or special magistrate agrees with the basis stated in the record, the board member or special magistrate shall recuse himself or herself on the record. A special magistrate who recuses himself or herself shall close the hearing on the record and notify the board clerk of the recusal. Upon a board member's recusal, the hearing shall go forward if there is a quorum. Upon a special magistrate's recusal, or a board member's recusal that results in a quorum not being present, the board clerk shall reschedule the hearing.

(c) If the board member or special magistrate questions the need for recusal, the board member or special magistrate shall request an immediate determination on the matter from the board's legal counsel.

(d) Upon review, if the board legal counsel:

1. Determines that a recusal is necessary, the board member or special magistrate shall recuse himself or herself and the board clerk shall reschedule the hearing, or

2. Is uncertain whether recusal is necessary, the board member or special magistrate shall recuse himself or herself and the board clerk shall reschedule the hearing, or

3. Determines the recusal is unnecessary, the board legal counsel shall set forth the basis upon which the request was not based on sufficient facts or reasons.

(e) In a rescheduled hearing, the board or special magistrate shall not consider any actions that may have occurred during any previous hearing on the same petition.

(5) A rescheduling for disqualification or recusal shall not be treated as the one time rescheduling to which a petitioner has a right upon timely request under Section 194.032(2), F.S.

12D-9.023 Hearings Before Board or Special Magistrates.

(1) Hearing rooms, office space, computer systems, personnel, and other resources used for any of the board's functions shall be controlled by the board through the board clerk of the value adjustment board. The board clerk shall perform his or her duties in a manner to avoid the appearance of a conflict of interest. The board clerk shall not use the resources of the property appraiser's or tax collector's office and shall not allow the property appraiser or tax collector to control or influence any part of the value adjustment board process.

(2) Boards and special magistrates shall adhere as closely as possible to the schedule of hearings established by the board clerk but must ensure that adequate time is allowed for parties to present evidence and for the board or special magistrate to consider the admitted evidence. If the board or special magistrate determines from the petition form that the hearing has been scheduled for less time than the petitioner requested on the petition, the board or special magistrate must consider whether the hearing should be extended or continued to provide additional time.

12D-9.024 Procedures for Commencement of a Hearing.

(1) If all parties are present and the petition is not withdrawn or settled, a hearing on the petition shall commence.

(2) The hearing shall be open to the public.

(3) Upon the request of either party, a special magistrate shall swear in all witnesses in that proceeding on the record. Upon such request and if the witness has been sworn in during an earlier hearing, it shall be sufficient for the special magistrate to remind the witness that he or she is still under oath.

(4) Before or at the start of the hearing, the board, the board's designee or the special magistrate shall give a short overview verbally or in writing of the rules of procedure and any administrative issues necessary to conduct the hearing.

(5) Before or at the start of the hearing, unless waived by the parties, the board or special magistrate shall make an opening statement or provide a brochure or taxpayer information sheet that:

(a) States the board or special magistrate is an independent, impartial, and unbiased hearing body or officer, as applicable;

(b) States the board or special magistrate does not work for the property appraiser or tax collector, is independent of the property appraiser or tax collector, and is not influenced by the property appraiser or tax collector;

(c) States the hearing will be conducted in an orderly, fair, and unbiased manner;

(d) States that the law does not allow the board or special magistrate to review any evidence unless it is presented on the record at the hearing or presented upon agreement of the parties while the record is open; and,

(e) States that the law requires the board or special magistrate to evaluate the relevance and credibility of the evidence in deciding the results of the petition.

(6) The board or special magistrate shall ask the parties if they have any questions regarding the verbal or written overview of the procedures for the hearing.

(7) After the opening statement, and clarification of any questions with the parties, the board or special magistrate shall proceed with the hearing. The property appraiser shall indicate for the record his or her determination of just value, classified use value, tax exemption, property classification, or "portability" assessment difference, or deferral or penalties. Under subsection 194.301(1), F.S., in a hearing on just, classified use, or assessed value, the first issue to be considered is whether the property appraiser establishes a presumption of correctness for the assessment. The property appraiser shall present evidence on this issue first.

(8) If at any point in a hearing or proceeding the petitioner withdraws the petition or the parties agree to settlement, the petition becomes a withdrawn or settled petition and the hearing or proceeding shall end. The board or special magistrate shall state or note for the record that the petition is withdrawn or settled, shall not proceed with the hearing, shall not consider the petition, and shall not produce a decision or recommended decision.

(9)(a) If the petitioner does not appear by the commencement of a scheduled hearing, the board or special magistrate shall not commence the hearing and shall proceed under the requirements set forth in subsection 12D-9.021(6), F.A.C., unless:

1. The petition is on a “portability” assessment difference transfer in which the previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located. Requirements specific to hearings on such petitions are set forth in subsection 12D-9.028(6), F.A.C., or

2. The petitioner has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider evidence submitted by the petitioner.

(b) A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider his or her evidence, shall submit his or her evidence to the board clerk and property appraiser before the hearing. The board clerk shall:

1. Keep the petitioner’s evidence as part of the petition file,
2. Notify the board or special magistrate before or at the hearing that the petitioner has indicated he or she will not appear at the hearing, but would like for the board or special magistrate to consider his or her evidence at the hearing, and
3. Give the evidence to the board or special magistrate at the beginning of the hearing.

(10) If the property appraiser or tax collector does not appear by the commencement of a scheduled hearing, except a good cause hearing, the board or special magistrate shall state on the record that the property appraiser or tax collector did not appear at the hearing. Then, the board or special magistrate shall request the petitioner to state for the record whether he or she wants to have the hearing rescheduled or wants to proceed with the hearing without the property appraiser or tax collector. If the petitioner elects to have the hearing rescheduled, the board clerk shall reschedule the hearing. If the petitioner elects to proceed with the hearing without the property appraiser or tax collector, the board or special magistrate shall proceed with the hearing and shall produce a decision or recommended decision.

(11) In any hearing conducted without one of the parties present, the board or special magistrate must take into consideration the inability of the opposing party to cross-examine the non-appearing party in determining the sufficiency of the evidence of the non-appearing party.

Rulemaking Authority 194.011(5), 194.034(1), 195.027(1), 213.06(1) FS. Law Implemented 194.011, 194.032, 194.034, 195.022, 195.084, 213.05 FS. History—New 3-30-10.

12D-9.025 Procedures for Conducting a Hearing; Presentation of Evidence; Testimony of Witnesses.

(1) As part of administrative reviews, the board or special magistrate must:

- (a) Review the evidence presented by the parties;
- (b) Determine whether the evidence presented is admissible;
- (c) Admit the evidence that is admissible, and identify the evidence presented to indicate that it is admitted or not admitted; and,
- (d) Consider the admitted evidence.

(2)(a) In these rules, the term “admitted evidence” means evidence that has been admitted into the record for consideration by the board or special magistrate. Board and special magistrate proceedings are not controlled by strict rules of evidence and procedure. Formal rules of evidence shall not apply, but fundamental due process shall be observed and shall govern the proceedings.

(b) For administrative reviews, “relevant evidence” is evidence that is reasonably related, directly or indirectly, to the statutory criteria that apply to the issue under review. This description means the evidence meets or exceeds a minimum level of relevance necessary to be admitted for consideration, but does not necessarily mean that the evidence has sufficient relevance to legally justify a particular conclusion.

(c) Rebuttal evidence is relevant evidence used solely to disprove or contradict the original evidence presented by an opposing party.

(d) As the trier of fact, the board or special magistrate may independently rule on the admissibility and use of evidence. If the board or special magistrate has any questions relating to the admissibility and use of evidence, the board or special magistrate should consult with the board legal counsel. The basis for any ruling on admissibility of evidence must be reflected in the record. The special magistrate may delay ruling on the question during the hearing and consult with board legal counsel after the hearing.

(3)(a) In a board or special magistrate hearing, the petitioner is responsible for presenting relevant and credible evidence in support of his or her belief that the property appraiser’s determination is incorrect. The property appraiser is responsible for presenting relevant and credible evidence in support of his or her determination.

(b) Under Section 194.301, F.S., “preponderance of the evidence” is the standard of proof that applies in assessment challenges.

The “clear and convincing evidence” standard of proof no longer applies, starting with 2009 assessments. A taxpayer shall never have the burden of proving that the property appraiser’s assessment is not supported by any reasonable hypothesis of a legal assessment.

(4)(a) No evidence shall be considered by the board or special magistrate except when presented and admitted during the time scheduled for the petitioner’s hearing, or at a time when the petitioner has been given reasonable notice. The petitioner may still present evidence if he or she does not participate in the evidence exchange. However, if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and refuses to provide it to the property appraiser, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. These requirements are more specifically described in paragraph (f), below.

(b) If a party submits evidence to the board clerk prior to the hearing, the board or special magistrate shall not review or consider such evidence prior to the hearing.

(c) In order to be reviewed by the board or special magistrate, any evidence filed with the board clerk shall be brought to the hearing by the party. This requirement shall not apply where:

1. A petitioner does not appear at a hearing on a “portability” assessment difference transfer petition in which the previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located. Requirements specific to hearings on such petitions are set forth in subsection 12D-9.028(6), F.A.C., or

2. A petitioner has indicated that he or she does not wish to appear at the hearing but would like for the board or special magistrate to consider evidence submitted by the petitioner.

(d) A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider his or her evidence, shall submit his or her evidence to the board clerk before the hearing. The board clerk shall:

1. Keep the petitioner’s evidence as part of the petition file,
2. Notify the board or special magistrate before or at the hearing that the petitioner has indicated he or she will not appear at the hearing, but would like for the board or special magistrate to consider his or her evidence at the hearing; and,
3. Give the evidence to the board or special magistrate at the beginning of the hearing.

(e) The board clerk may provide an electronic system for the filing and retrieval of evidence for the convenience of the parties, but such evidence shall not be considered part of the record and shall not be reviewed by the board or special magistrate until presented at a hearing. Any exchange of evidence should occur between the parties and such evidence is not part of the record until presented by the offering party and deemed admissible at the hearing.

(f)1. No petitioner shall present for consideration, nor shall the board or special magistrate accept for consideration, testimony or other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in Rule 12D-9.020, F.A.C., and, if provided to the property appraiser less than fifteen (15) days before the hearing, shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing. A petitioner’s ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser. For purposes of this rule and Rule 12D-9.020, F.A.C., reasonableness shall be assumed if the property appraiser does not object. Otherwise, reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. If a petitioner has acted in good faith and not denied evidence to the property appraiser prior to the hearing, as provided by Section 194.034(1)(h), F.S., but wishes to submit evidence at the hearing which is of a nature that would require investigation or verification by the property appraiser, then the special magistrate may allow the hearing to be recessed and, if necessary, rescheduled so that the property appraiser may review such evidence.

2. A property appraiser shall not present undisclosed evidence that was not supplied to the petitioner as required under the evidence exchange rule, Rule 12D-9.020, F.A.C. The remedy for such noncompliance shall be a rescheduling of the hearing to allow the petitioner an opportunity to review the information of the property appraiser.

(5) When testimony is presented at a hearing, each party shall have the right to cross-examine any witness.

(6)(a) By agreement of the parties entered in the record, the board or special magistrate may leave the record open and postpone

completion of the hearing to a date certain to allow a party to collect and provide additional relevant and credible evidence. Such postponements shall be limited to instances where, after completing original presentations of evidence, the parties agree to the collection and submittal of additional, specific factual evidence for consideration by the board or special magistrate. In lieu of completing the hearing, upon agreement of the parties the board or special magistrate is authorized to consider such evidence without further hearing.

(b) If additional hearing time is necessary, the hearing must be completed at the date, place, and time agreed upon for presenting the additional evidence to the board or special magistrate for consideration.

(c) The following limitations shall apply if the property appraiser seeks to present additional evidence that was unexpectedly discovered and that would increase the assessment.

1. The board or special magistrate shall ensure that such additional evidence is limited to a correction of a factual error discovered in the physical attributes of the petitioned property; a change in the property appraiser's judgment is not such a correction and shall not justify an increase in the assessment.

2. A notice of revised proposed assessment shall be made and provided to the petitioner in accordance with the notice provisions set out in Florida Statutes for notices of proposed property taxes.

3. Along with the notice of revised proposed assessment, the property appraiser shall provide to the petitioner a copy of the revised property record card containing information relevant to the computation of the revised proposed assessment, with confidential information redacted. The property appraiser shall provide such revised property record card to the petitioner either by sending it to the petitioner or by notifying the petitioner how to obtain it online.

4. A new hearing shall be scheduled and notice of the hearing shall be sent to the petitioner.

5. The evidence exchange procedures in Rule 12D-9.020, F.A.C., shall be available.

6. The back assessment procedure in Section 193.092, F.S., shall be used for any assessment already certified.

(7)(a) The board or special magistrate shall receive, identify for the record, and retain all exhibits presented during the hearing and send them to the board clerk along with the recommended decision or final decision. Upon agreement of the parties, the board clerk is authorized to make an electronic representation of evidence that is difficult to store or maintain.

(b) The board or special magistrate shall have the authority, at a hearing, to ask questions at any time of either party, the witnesses, or board staff. When asking questions, the board or special magistrate shall not show bias for or against any party or witness. The board or special magistrate shall limit the content of any question asked of a party or witness to matters reasonably related, directly or indirectly, to matters already in the record.

(c) Representatives of interested municipalities may be heard as provided in Section 193.116, F.S.

(8) Unless a board or special magistrate determines that additional time is necessary, the board or special magistrate shall conclude all hearings at the end of the time scheduled for the hearing. If a hearing is not concluded by the end of the time scheduled, the board or special magistrate shall determine the amount of additional time needed to conclude the hearing.

(a) If the board or special magistrate determines that the amount of additional time needed to conclude the hearing would not unreasonably disrupt other hearings, the board or special magistrate is authorized to proceed with conclusion of the hearing.

(b) If the board or special magistrate determines that the amount of additional time needed to conclude the hearing would unreasonably disrupt other hearings, the board or special magistrate shall so state on the record and shall notify the board clerk to reschedule the conclusion of the hearing to a time as scheduled and noticed by the board clerk.

(9) The board or special magistrate shall not be required to make, at any time during a hearing, any oral or written finding, conclusion, decision, or reason for decision. The board or special magistrate has the discretion to determine whether to make such determinations during a hearing or to consider the petition and evidence further after the hearing and then make such determinations.

(10) For purposes of reporting board action on decisions and on the notice of tax impact, the value as reflected on the initial roll shall mean the property appraiser's determination as presented at the commencement of the hearing or as reduced by the property appraiser during the hearing, but before a decision by the board or a recommended decision by the special magistrate. See Rule 12D-9.038, F.A.C.

12D-9.026 Procedures for Conducting a Hearing by Electronic Media.

(1) Hearings conducted by electronic media shall occur only under the conditions set forth in this rule section.

- (a) The board must approve and have available the necessary equipment and procedures.
- (b) The special magistrate, if one is used, must agree in each case to the electronic hearing.
- (c) The board must reasonably accommodate parties that have hardship or lack necessary equipment or ability to access equipment. The board must provide a physical location at which a party may appear, if requested.
- (2) For any hearing conducted by electronic media, the board shall ensure that all equipment is adequate and functional for allowing clear communication among the participants and for creating the hearing records required by law. The board procedures shall specify the time period within which a party must request to appear at a hearing by electronic media.
- (3) Consistent with board equipment and procedures:
 - (a) Any party may request to appear at a hearing before a board or special magistrate, using telephonic or other electronic media. If the board or special magistrate allows a party to appear by telephone, all members of the board in the hearing or the special magistrate must be physically present in the hearing room. Unless required by other provisions of state or federal law, the board clerk need not comply with such a request if such telephonic or electronic media are not reasonably available.
 - (b) The parties must also all agree on the methods for swearing witnesses, presenting evidence, and placing testimony on the record. Such methods must comply with the provisions of this rule chapter. The agreement of the parties must include which parties must appear by telephonic or other electronic media, and which parties will be present in the hearing room.
 - (4) Such hearings must be open to the public either by providing the ability for interested members of the public to join the hearing electronically or to monitor the hearing at the location of the board or special magistrate.

12D-9.027 Process of Administrative Review.

(1) This section sets forth the sequence of general procedural steps for administrative reviews. This order of steps applies to: the consideration of evidence, the development of conclusions, and the production of written decisions. The board or special magistrate shall follow this general sequence in order to fulfill the procedural requirements of Section 194.301, F.S. The following subsections set forth the steps for administrative reviews of:

- (a) Just valuations in subsection (2);
- (b) Classified use valuations, and assessed valuations of limited increase property, in subsection (3); and,
- (c) Exemptions, classifications, and portability assessment transfers in subsection (4).
- (2) In administrative reviews of the just valuation of property, the board or special magistrate shall follow this sequence of general procedural steps:
 - (a) Determine whether the property appraiser established a presumption of correctness for the assessment, and determine whether the property appraiser's just valuation methodology is appropriate. The presumption of correctness is not established unless the admitted evidence proves by a preponderance of the evidence that the property appraiser's just valuation methodology complies with Section 193.011, F.S., and professionally accepted appraisal practices, including mass appraisal standards, if appropriate.
 - (b)1. In administrative reviews of just valuations, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:
 - a. The property appraiser's just valuation does not represent just value, or
 - b. The property appraiser's just valuation is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county.
 - 2. If one or both of the conditions in subparagraph (b)1., above, are determined to exist, the property appraiser's presumption of correctness is overcome.
 - 3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of just value which cumulatively meets the criteria of Section 193.011, F.S., and professionally accepted appraisal practices.
 - a. If the hearing record contains competent, substantial evidence for establishing a revised just value, the board or an appraiser special magistrate shall establish a revised just value based only upon such evidence. In establishing a revised just value, the board or special magistrate is not restricted to any specific value offered by one of the parties.
 - b. If the hearing record lacks competent, substantial evidence for establishing a revised just value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing just value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (b)1., above, the assessment stands.

(3) In administrative reviews of the classified use valuation of property or administrative reviews of the assessed valuation of limited increase property, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Identify the statutory criteria that apply to the classified use valuation of the property or to the assessed valuation of limited increase property, as applicable.

(b) Determine whether the property appraiser established a presumption of correctness for the assessment, and determine whether the property appraiser's classified use or assessed valuation methodology is appropriate. The presumption of correctness is not established unless the admitted evidence proves by a preponderance of the evidence that the property appraiser's valuation methodology complies with the statutory criteria that apply to the classified use valuation or assessed valuation, as applicable, of the petitioned property.

(c)1. In administrative reviews of classified use valuations, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:

a. The property appraiser's classified use valuation does not represent classified use value; or

b. The property appraiser's classified use valuation is arbitrarily based on classified use valuation practices that are different from the classified use valuation practices generally applied by the property appraiser to comparable property of the same property classification within the same county.

2. If one or both of the conditions in subparagraph (c)1., above, are determined to exist, the property appraiser's presumption of correctness is overcome.

3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of classified use value which cumulatively meets the statutory criteria that apply to the classified use valuation of the petitioned property.

a. If the hearing record contains competent, substantial evidence for establishing a revised classified use value, the board or an appraiser special magistrate shall establish a revised classified use value based only upon such evidence. In establishing a revised classified use value, the board or special magistrate is not restricted to any specific value offered by one of the parties.

b. If the hearing record lacks competent, substantial evidence for establishing a revised classified use value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing classified use value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (c)1., above, the assessment stands.

(d)1. In administrative reviews of assessed valuations of limited increase property, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:

a. The property appraiser's assessed valuation does not represent assessed value; or

b. The property appraiser's assessed valuation is arbitrarily based on assessed valuation practices that are different from the assessed valuation practices generally applied by the property appraiser to comparable property within the same county.

2. If one or both of the conditions in subparagraph (d)1., above, are determined to exist, the property appraiser's presumption of correctness is overcome.

3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of assessed value which cumulatively meets the statutory criteria that apply to the assessed valuation of the petitioned property.

a. If the hearing record contains competent, substantial evidence for establishing a revised assessed value, the board or an appraiser special magistrate shall establish a revised assessed value based only upon such evidence. In establishing a revised assessed value, the board or special magistrate is not restricted to any specific value offered by one of the parties.

b. If the hearing record lacks competent, substantial evidence for establishing a revised assessed value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing assessed value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (d)1., above, the assessment stands.

(4) In administrative reviews of exemptions, classifications, and portability assessment transfers, the board or special magistrate shall follow this sequence of general procedural steps:

(a) In the case of an exemption, the board or special magistrate shall consider whether the denial was valid or invalid and shall:

1. Review the exemption denial, and compare it to the applicable statutory criteria in Section 196.193(5), F.S.,
2. Determine whether the denial was valid under Section 196.193, F.S.; and,
3. If the denial is found to be invalid, not give weight to the exemption denial or to any evidence supporting the basis for such denial, but shall instead proceed to dispose of the matter without further consideration in compliance with Section 194.301, F.S.,
4. If the denial is found to be valid, proceed with steps in paragraphs (b) through (g), below.

(b) Consider the admitted evidence presented by the parties.

(c) Identify the particular exemption, property classification, or portability assessment transfer issue that is the subject of the petition.

(d) Identify the statutory criteria that apply to the particular exemption, property classification, or portability assessment difference transfer that was identified as the issue under administrative review.

(e) Identify and consider the essential characteristics of the petitioned property or the property owner, as applicable, based on the statutory criteria that apply to the issue under administrative review.

(f) Identify and consider the basis used by the property appraiser in issuing the denial for the petitioned property.

(g) Determine whether the admitted evidence proves by a preponderance of the evidence that the property appraiser's denial is incorrect and the exemption, classification, or portability assessment transfer should be granted because all of the applicable statutory criteria are satisfied. Where necessary and where the context will permit in these rules, the term "statutory criteria" includes any constitutional criteria that do not require implementation by legislation.

(5) "Standard of proof" means the level of proof needed by the board or special magistrate to reach a particular conclusion. The standard of proof that applies in administrative reviews is called "preponderance of the evidence," which means "greater weight of the evidence."

(6) When applied to evidence, the term "sufficient" is a test of adequacy. Sufficient evidence is admitted evidence that has enough overall weight, in terms of relevance and credibility, to legally justify a particular conclusion. A particular conclusion is justified when the overall weight of the admitted evidence meets the standard of proof that applies to the issue under consideration. The board or special magistrate must determine whether the admitted evidence is sufficiently relevant and credible to reach the standard of proof that applies to the issue under consideration. In determining whether the admitted evidence is sufficient for a particular issue under consideration, the board or special magistrate shall:

- (a) Consider the relevance and credibility of the admitted evidence as a whole, regardless of which party presented the evidence;
- (b) Determine the relevance and credibility, or overall weight, of the evidence;
- (c) Compare the overall weight of the evidence to the standard of proof;
- (d) Determine whether the overall weight of the evidence is sufficient to reach the standard of proof; and,
- (e) Produce a conclusion of law based on the determination of whether the overall weight of the evidence has reached the standard of proof.

12D-9.028 Petitions on Transfer of "Portability" Assessment Difference.

(1) This rule section applies to the review of denials of assessment limitation difference transfers or of the amount of an assessment limitation difference transfer. No adjustment to the just, assessed or taxable value of the previous homestead parcel may be made pursuant to a petition under this rule.

(2) A petitioner may file a petition with the value adjustment board, in the county where the new homestead is located, to petition either a denial of a transfer or the amount of the transfer, on Form DR-486PORT. Form DR-486PORT is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. Such petition must be filed at any time during the taxable year on or before the 25th day following the mailing of the notice of proposed property taxes as provided in Section 194.011, F.S. If only a part of a transfer of assessment increase differential is granted, the notice of proposed property taxes shall function as notice of the taxpayer's right to appeal to the board.

(3) The petitioner may petition to the board the decision of the property appraiser refusing to allow the transfer of an assessment difference, and the board shall review the application and evidence presented to the property appraiser upon which the petitioner based the claim and shall hear the petitioner on behalf of his or her right to such assessment. Such petition shall be heard by an attorney special magistrate if the board uses special magistrates.

(4) This subsection will apply to value adjustment board proceedings in a county in which the previous homestead is located. Any petitioner desiring to appeal the action of a property appraiser in a county in which the previous homestead is located must so designate on Form DR-486PORT.

(5) If the petitioner does not agree with the amount of the assessment limitation difference for which the petitioner qualifies as stated by the property appraiser in the county where the previous homestead property was located, or if the property appraiser in that county has not stated that the petitioner qualifies to transfer any assessment limitation difference, upon the petitioner filing a petition to the value adjustment board in the county where the new homestead property is located, the board clerk in that county shall, upon receiving the petition, send a notice using Form DR-486XCO, to the board clerk in the county where the previous homestead was located, which shall reconvene if it has already adjourned. Form DR-486XCO is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C.

(6)(a) If a cross county petition is filed as described in subsection (5), such notice operates as a timely petition and creates an appeal to the value adjustment board in the county where the previous homestead was located on all issues surrounding the previous assessment differential for the taxpayer involved. However, the petitioner may not petition to have the just, assessed, or taxable value of the previous homestead changed.

(b) The board clerk in the county where the previous homestead was located shall set the petition for hearing and notify the petitioner, the property appraiser in the county where the previous homestead was located, the property appraiser in the county where the new homestead is located, and the value adjustment board in that county, and shall hear the petition.

(c) The board clerk in the county in which the previous homestead was located must note and file the petition from the county in which the new homestead is located. No filing fee is required. The board clerk shall notify each petitioner of the scheduled time of appearance. The notice shall be in writing and delivered by regular or certified U.S. mail, or personal delivery, or delivered in the manner requested by the petitioner on Form DR-486PORT, so that the notice shall be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The board clerk will have prima facie complied with the requirements of this section if the notice was deposited in the U.S. mail thirty (30) days prior to the day of such scheduled appearance.

(d) Such petition shall be heard by an attorney special magistrate if the value adjustment board in the county where the previous homestead was located uses special magistrates. The petitioner may attend such hearing and present evidence, but need not do so. If the petitioner does not appear at the hearing, the hearing shall go forward. The board or special magistrate shall obtain the petition file from the board clerk. The board or special magistrate shall consider deeds, property appraiser records that do not violate confidentiality requirements, and other documents that are admissible evidence. The petitioner may submit a written statement for review and consideration by the board or special magistrate explaining why the “portability” assessment difference should be granted based on applications and other documents and records submitted by the petitioner.

(e) The value adjustment board in the county where the previous homestead was located shall issue a decision and the board clerk shall send a copy of the decision to the board clerk in the county where the new homestead is located.

(f) In hearing the petition in the county where the new homestead is located, that value adjustment board shall consider the decision of the value adjustment board in the county where the previous homestead was located on the issues pertaining to the previous homestead and on the amount of any assessment reduction for which the petitioner qualifies. The value adjustment board in the county where the new homestead is located may not hold its hearing until it has received the decision from the value adjustment board in the county where the previous homestead was located.

(7) This rule does not authorize the consideration or adjustment of the just, assessed, or taxable value of the previous homestead property.

12D-9.029 Procedures for Remanding Value Assessments to the Property Appraiser.

(1) The board or appraiser special magistrate shall remand a value assessment to the property appraiser when the board or special magistrate has concluded that:

(a) The property appraiser did not establish a presumption of correctness, or has concluded that the property appraiser established a presumption of correctness that is overcome, as provided in Rule 12D-9.027, F.A.C.; and,

(b) The record does not contain the competent substantial evidence necessary for the board or special magistrate to establish a revised just value, classified use value, or assessed value, as applicable.

(2) An attorney special magistrate shall remand an assessment to the property appraiser for a classified use valuation when the special magistrate has concluded that a property classification will be granted.

(3) The board shall remand an assessment to the property appraiser for a classified use valuation when the board:

(a) Has concluded that a property classification will be granted; and,

(b) Has concluded that the record does not contain the competent substantial evidence necessary for the board to establish classified use value.

(4) The board or special magistrate shall, on the appropriate decision form from the Form DR-485 series, produce written findings of fact and conclusions of law necessary to determine that a remand is required, but shall not render a recommended or final decision until after a continuation hearing is held or waived as provided in subsection (9). The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C.

(5) When an attorney special magistrate remands an assessment to the property appraiser for classified use valuation, an appraiser special magistrate retains authority to produce a recommended decision in accordance with law. When an appraiser special magistrate remands an assessment to the property appraiser, the special magistrate retains authority to produce a recommended decision in accordance with law. When the value adjustment board remands an assessment to the property appraiser, the board retains authority to make a final decision on the petition in accordance with law.

(6) For remanding an assessment to the property appraiser, the board or special magistrate shall produce a written remand decision which shall include appropriate directions to the property appraiser.

(7) The board clerk shall concurrently provide, to the petitioner and the property appraiser, a copy of the written remand decision from the board or special magistrate. The petitioner's copy of the written remand decision shall be sent by regular or certified U.S. mail, or by personal delivery, or in the manner requested by the taxpayer on Form DR-486, Petition to the Value Adjustment Board Request for Hearing. Form DR-486 is adopted and incorporated by reference in Rule 12D-16.002, F.A.C.

(8)(a) After receiving a board or special magistrate's remand decision from the board clerk, the property appraiser shall follow the appropriate directions from the board or special magistrate and shall produce a written remand review.

(b) The property appraiser or his or her staff shall not have, directly or indirectly, any ex parte communication with the board or special magistrate regarding the remanded assessment.

(9)(a) Immediately after receipt of the written remand review from the property appraiser, the board clerk shall send a copy of the written remand review to the petitioner by regular or certified U.S. mail or by personal delivery, or in the manner requested by the taxpayer on Form DR-486, and shall send a copy to the board or special magistrate. The board clerk shall retain, as part of the petition file, the property appraiser's written remand review. Together with the petitioner's copy of the written remand review, the board clerk shall send to the petitioner a copy of this rule subsection.

(b) The board clerk shall schedule a continuation hearing if the petitioner notifies the board clerk, within 25 days of the date the board clerk sends the written remand review, that the results of the property appraiser's written remand review are unacceptable to the petitioner and that the petitioner requests a further hearing on the petition. The board clerk shall send the notice of hearing so that it will be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance, as described in subsection 12D-9.019(3), F.A.C. When a petitioner does not notify the board clerk that the results of the property appraiser's written remand review are unacceptable to the petitioner and does not request a continuation hearing, or if the petitioner waives a continuation hearing, the board or special magistrate shall issue a decision or recommended decision. Such decision shall contain:

1. A finding of fact that the petitioner did not request a continuation hearing or waived such hearing; and,

2. A conclusion of law that the decision is being issued in order that any right the petitioner may have to bring an action in circuit court is not impaired.

The petition shall be treated and listed as board action for purposes of the notice required by Rule 12D-9.038, F.A.C.

(c) At a continuation hearing, the board or special magistrate shall receive and consider the property appraiser's written remand review and additional relevant and credible evidence, if any, from the parties. Also, the board or special magistrate may consider evidence admitted at the original hearing.

(10) In those counties that use special magistrates, if an attorney special magistrate has granted a property classification before the remand decision and the property appraiser has produced a remand classified use value, a real property valuation special

magistrate shall conduct the continuation hearing.

(11) In no case shall a board or special magistrate remand to the property appraiser an exemption, “portability” assessment difference transfer, or property classification determination.

(12) Copies of all evidence shall remain with the board clerk and be available during the remand process.

(13) In lieu of remand, the board or special magistrate may postpone conclusion of the hearing upon agreement of the parties if the requirements of subsection 12D-9.025(6), F.A.C., are met.

12D-9.030 Recommended Decisions.

(1) For each petition not withdrawn or settled, special magistrates shall produce a written recommended decision that contains findings of fact, conclusions of law, and reasons for upholding or overturning the property appraiser’s determination. Conclusions of law must be based on findings of fact. For each of the statutory criteria for the issue under administrative review, findings of fact must identify the corresponding admitted evidence, or lack thereof. Each recommended decision shall contain sufficient factual and legal information and reasoning to enable the parties to understand the basis for the decision, and shall otherwise meet the requirements of law. The special magistrate and board clerk shall observe the petitioner’s right to be sent a timely written recommended decision containing proposed findings of fact and proposed conclusions of law and reasons for upholding or overturning the determination of the property appraiser. After producing a recommended decision, the special magistrate shall provide it to the board clerk.

(2) The board clerk shall provide copies of the special magistrate’s recommended decision to the petitioner and the property appraiser as soon as practicable after receiving the recommended decision, and if the board clerk:

(a) Knows the date, time, and place at which the recommended decision will be considered by the board, the board clerk shall include such information when he or she sends the recommended decision to the petitioner and the property appraiser; or

(b) Does not yet know the date, time, and place at which the recommended decision will be considered by the board, the board clerk shall include information on how to find the date, time, and place of the meeting at which the recommended decision will be considered by the board.

(3) Any board or special magistrate workpapers, worksheets, notes, or other materials that are made available to a party shall immediately be sent to the other party. Any workpapers, worksheets, notes, or other materials created by the board or special magistrates during the course of hearings or during consideration of petitions and evidence, that contain any material prepared in connection with official business, shall be transferred to the board clerk and retained as public records. Value adjustment boards or special magistrates using standardized workpapers, worksheets, or notes, whether in electronic format or otherwise, must receive prior department approval to ensure that such standardized documents comply with the law.

(4) For the purpose of producing the recommended decisions of special magistrates, the department prescribes the Form DR-485 series, and any electronic equivalent forms approved by the department under Section 195.022, F.S. The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C. All recommended decisions of special magistrates, and all forms used for the recommended decisions, must contain the following required elements:

(a) Findings of fact;

(b) Conclusions of law; and,

(c) Reasons for upholding or overturning the determination of the property appraiser.

(5) As used in this section, the terms “findings of fact” and “conclusions of law” include proposed findings of fact and proposed conclusions of law produced by special magistrates in their recommended decisions.

(6) Legal advice from the board legal counsel relating to the facts of a petition or to the specific outcome of a decision, if in writing, shall be included in the record and referenced within the findings of fact and conclusions of law. If not in writing, such advice shall be documented within the findings of fact and conclusions of law.

12D-9.031 Consideration and Adoption of Recommended Decisions of Special Magistrates by Value Adjustment Boards in Administrative Reviews.

(1) All recommended decisions shall comply with Sections 194.301, 194.034(2) and 194.035(1), F.S. A special magistrate shall not submit to the board, and the board shall not adopt, any recommended decision that is not in compliance with Sections 194.301, 194.034(2) and 194.035(1), F.S.

(2) As provided in Sections 194.034(2) and 194.035(1), F.S., the board shall consider the recommended decisions of special magistrates and may act upon the recommended decisions without further hearing. If the board holds further hearing for such consideration, the board clerk shall send notice of the hearing to the parties. Any notice of hearing shall be in the same form as specified in subsection 12D-9.019(3), F.A.C., but need not include items specified in subparagraphs 6. through 9., of that subsection. The board shall consider whether the recommended decisions meet the requirements of subsection (1), and may rely on board legal counsel for such determination. Adoption of recommended decisions need not include a review of the underlying record.

(3) If the board determines that a recommended decision meets the requirements of subsection (1), the board shall adopt the recommended decision. When a recommended decision is adopted and rendered by the board, it becomes final.

(4) If the board determines that a recommended decision does not comply with the requirements of subsection (1), the board shall proceed as follows:

12D-9.032 Final Decisions.

(1)(a) For each petition not withdrawn or settled, the board shall produce a written final decision that contains findings of fact, conclusions of law, and reasons for upholding or overturning the property appraiser's determination. Conclusions of law must be based on findings of fact. For each of the statutory criteria for the issue under administrative review, findings of fact must identify the corresponding admitted evidence, or lack thereof. Each final decision shall contain sufficient factual and legal information and reasoning to enable the parties to understand the basis for the decision, and shall otherwise meet the requirements of law. The board may fulfill the requirement to produce a written final decision by adopting a recommended decision of the special magistrate containing the required elements and providing notice that it has done so. The board may adopt the special magistrate's recommended decision as the decision of the board incorporating the recommended decision, using a postcard or similar notice. The board shall ensure regular and timely approval of recommended decisions.

(b) Legal advice from the board legal counsel relating to the facts of a petition or to the specific outcome of a decision, if in writing, shall be included in the record and referenced within the findings of fact and conclusions of law. If not in writing, such advice shall be documented within the findings of fact and conclusions of law.

(2) A final decision of the board shall state the just, assessed, taxable, and exempt value, for the county both before and after board action. Board action shall not include changes made as a result of action by the property appraiser. If the property appraiser has reduced his or her value or granted an exemption, property classification, or "portability" assessment difference transfer, whether before or during the hearing but before board action, the values in the "before" column shall reflect the adjusted figure before board action.

(3) The board's final decision shall advise the taxpayer and property appraiser that further proceedings in circuit court shall be as provided in Section 194.036, F.S.

(4) Upon issuance of a final decision by the board, the board shall provide it to the board clerk and the board clerk shall promptly provide notice of the final decision to the parties. Notice of the final decision may be made by providing a copy of the decision. The board shall issue all final decisions within 20 calendar days of the last day the board is in session pursuant to Section

194.034, F.S.

(5) For the purpose of producing the final decisions of the board, the department prescribes the Form DR-485 series, and any electronic equivalent forms approved by the department under Section 195.022, F.S. The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C. The Form DR-485 series, or approved electronic equivalent forms, are the only forms that shall be used for producing a final decision of the board. Before using any form to notify petitioners of the final decision, the board shall submit the proposed form to the department for approval. The board shall not use a form to notify the petitioner unless the department has approved the form. All decisions of the board, and all forms used to produce final decisions on petitions heard by the board, must contain the following required elements:

- (a) Findings of fact;
- (b) Conclusions of law; and,
- (c) Reasons for upholding or overturning the determination of the property appraiser.

(6)(a) If, prior to a final decision, any communication is received from a party concerning a board process on a petition or concerning a recommended decision, a copy of the communication shall promptly be furnished to all parties, the board clerk, and the board legal counsel. No such communication shall be furnished to the board or a special magistrate unless a copy is immediately furnished to all parties. A party may waive notification or furnishing of copies under this subsection.

(b) The board legal counsel shall respond to such communication and may advise the board concerning any action the board should take concerning the communication.

(c) No reconsideration of a recommended decision shall take place until all parties have been furnished all communications, and have been afforded adequate opportunity to respond.

(d) The board clerk shall provide to the parties:

- 1. Notification before the presentation of the matter to the board, and
- 2. Notification of any action taken by the board.

At the conclusion of each hearing, the board clerk shall retain the verbatim record as part of the petition file.

(3) The record shall be maintained for four years after the final decision has been rendered by the board if no appeal is filed in circuit court, or for five years if an appeal is filed.

A Public Policy of Open Government

INTRODUCTION

Our system of open government is a valued and intrinsic part of the heritage of our state. Each day, Floridians use these laws to inform themselves as citizens, to attend government meetings and to review government records. As a result of these efforts, government leaders can be held accountable for their actions.

The Founding Fathers of our country recognized this fundamental truth during our nation's infancy and it remains just as valid today. As James Madison said: "Knowledge will forever govern ignorance; and a people who mean to be their own governors must arm themselves with the power which knowledge gives."

Florida is nationally recognized for its strong support for government in the sunshine and this commitment is reflected in our statutes and Constitution. As Attorney General, I remain committed to the principles of transparency embodied in these laws and the benefits they secure for our state.

This year's edition of the Government in the Sunshine Manual incorporates laws, judicial decisions, and Attorney General opinions in place as of October 1, 2019. Additional information about Florida's Sunshine Laws, including answers to frequently asked questions, is available through the Office of the Attorney General's Internet homepage, which may be reached at www.myfloridalegal.com.

Suggestions from those who use this Manual are welcome and appreciated. Please forward comments to: Office of the Attorney General, The Capitol, PL-01, Tallahassee, Florida 32399.

Legislative Highlights

The following are some of the more significant actions which occurred during the 2019 legislative session relating to the public's right of access to meetings and records.

Agency personnel information—The exemption for home addresses, telephone numbers, etc., of certain current and former agency personnel was amended in three ways. First, the term “home address” was defined to include the physical address as well as the legal description and other specified property information that may reveal the home address. Second, the exemption was clarified to add that it applies to “active or former civilian personnel employed by a law enforcement agency.” Third, a new provision was added providing conditions for the release of the information at the request of a covered individual. **Chapter 19-12, Laws of Florida, amending s. 119.071(4)(d), F.S.**

Child abuse reporter identifying information—Section 39.202, F.S., relating to abuse records of the Department of Children and Families, was amended to expand the confidentiality of the name of the person reporting abuse to also include other identifying information relating to the reporter. **Chapter 19-49, Laws of Florida, amending s. 39.202(2), F.S.**

Ethics Commission financial disclosure electronic filing—A new exemption was created for secure login credentials used to access the Commission's electronic filing system. In addition, the information entered into the system for purposes of financial disclosure is exempt until filed with the Commission. **Chapter 19-40, Laws of Florida, amending s. 112.31446, F.S.**

Lottery Department records—The exemption for certain records of the Department of the Lottery was amended to provide confidentiality for specified security information, background information, and information relating to financial responsibility review by the Department. **Chapter 19-41, Laws of Florida, creating s. 24.1051, F.S.**

Mental health treatment court records—A new exemption provides confidentiality for petitions for voluntary and involuntary admission for mental health treatment, court orders, and related records that are filed with or by a court. **Chapter 19-51, Laws of Florida, creating s. 394.464, F.S.**

Protective injunction petitions—An existing exemption relating to certain information in protective injunction cases was amended to provide confidentiality for any information that could be used to identify a petitioner or respondent in a petition for an injunction against domestic violence and other specified crimes until the respondent has been personally served with a copy of the petition for injunction, affidavits, notice of hearing, and temporary injunction. **Chapter 19-39, Laws of Florida, amending s. 119.0714(1)(k), F.S.**

Public utilities/Information technology security meetings—A new exemption from the Sunshine Law was created for portions of local government utility meetings dealing with information technology security systems. **Chapter 19-37, Laws of Florida, amending s. 286.0113, F.S.**

Public utilities/Smart meter data—An existing exemption relating to local government utilities was amended to include customer meter-derived data and billing information in increments less than one billing cycle. **Chapter 19-38, Laws of Florida, amending s. 119.0713(5)(a), F.S.**

Victims of mass violence/Photographs, video, and audio recordings—Confidentiality was established for photographs, and video and audio recordings that depict the killing or the body of a victim killed in an incident in which 3 or more persons, not including the perpetrator, are killed by the perpetrator of an intentional act of violence. Disclosure is authorized to certain

persons and entities as provided in the exemption. **Chapter 19-46, Laws of Florida, creating s. 119.071(2)(p), F.S.**

Voter registration information—A new exemption was created providing confidentiality for information relating to a voter registration applicant's or voter's prior felony conviction and whether such person has had his or her voting rights restored, and all information concerning preregistered voter registration applicants who are 16 or 17 years of age. **Chapter 19-55, Laws of Florida, amending s. 97.0585, F.S.**

Note: On November 6, 2018, Florida voters approved a constitutional amendment known as Marsy's Law. This proposal amends Art. I s. 16 of the Constitution to add several provisions relating to victim rights. Subsection (b)(5) provides that "every victim is entitled to the following rights, beginning at the time of his or her victimization" to include: "The right to prevent the disclosure of information or records that could be used to locate or harass the victim or the victim's family or which could disclose confidential or privileged information of the victim." The amendment took effect on January 8, 2019.

PART I

GOVERNMENT IN THE SUNSHINE LAW

A. SCOPE OF THE SUNSHINE LAW

Florida's Government in the Sunshine Law, s. 286.011, F.S., commonly referred to as the Sunshine Law, provides a right of access to governmental proceedings of public boards or commissions at both the state and local levels. The law is equally applicable to elected and appointed boards, and applies to any gathering of two or more members of the same board to discuss some matter which will foreseeably come before that board for action. Members-elect to such boards or commissions are also subject to the Sunshine Law, even though they have not yet taken office. There are three basic requirements of s. 286.011, F.S.:

- (1) meetings of public boards or commissions must be open to the public;
- (2) reasonable notice of such meetings must be given; and
- (3) minutes of the meetings must be taken and promptly recorded.

The complete text of the Government in the Sunshine Law and related statutes may be found in Appendix B.

A constitutional right of access to meetings of collegial public bodies is recognized in Art. I, s. 24, Fla. Const. See *Frankenmuth Mutual Insurance Company v. Magaha*, 769 So. 2d 1012, 1021 (Fla. 2000), noting that the Sunshine Law "is of both constitutional and statutory dimension." Virtually all collegial public bodies are covered by the open meetings mandate of this constitutional provision with the exception of the judiciary and the state Legislature, which has its own constitutional provision requiring access. The only exceptions are those established by law or by the Constitution. The complete text of Art. I, s. 24, Fla. Const., may be found in Appendix A of this manual.

The Government in the Sunshine Law applies to "any board or commission of any state agency or authority or of any agency or authority of any county, municipal corporation, or political subdivision." The statute thus applies to public collegial bodies within this state, at the local as well as state level. *City of Miami Beach v. Berns*, 245 So. 2d 38 (Fla. 1971). "All governmental entities in Florida are subject to the requirements of the Sunshine Law unless specifically exempted." *Sarasota Citizens for Responsible Government v. City of Sarasota*, 48 So. 3d 755, 762 (Fla. 2010).

The Sunshine Law is equally applicable to elected and appointed boards or commissions. AGO 73-223. Special district boards (AGO 74-169) and boards created by interlocal agreement (AGO 84-16) are also included. And see Inf. Op. to Martelli, July 20, 2009 (State Fair Authority, created by statute as a public corporation, subject to Sunshine Law). Cf. *Turner v. Wainwright*, 379 So. 2d 148, 155 (Fla. 1st DCA 1980), *affirmed and remanded*, 389 So. 2d 1181 (Fla. 1980) (legislative requirement that certain board meetings must be open to the public does not imply that the board could meet privately to discuss other matters).

B. WHAT ENTITIES ARE COVERED BY THE SUNSHINE LAW? APPLICATION OF THE SUNSHINE LAW TO:

1. Advisory boards

Advisory boards and committees created by public agencies may be subject to the Sunshine Law, even though their recommendations are not binding upon the entities that create them. The "dispositive question" is whether the committee has been delegated "decision-making authority," as opposed to mere "information-gathering or fact-finding authority." *Sarasota Citizens for Responsible Government v. City of Sarasota*, 48 So. 3d 755, 762 (Fla. 2010). "Where

the committee has been delegated decision-making authority, the committee's meetings must be open to public scrutiny, regardless of the review procedures eventually used by the traditional governmental body." *Id.*

For example, in *Town of Palm Beach v. Gradison*, 296 So. 2d 473 (Fla. 1974), a citizen planning committee appointed by a city council to assist in revision of zoning ordinances was found to be subject to the Sunshine Law. The *Gradison* court, concluding that the committee served as the alter ego of the council in making tentative decisions, stated that "any committee established by the Town Council to act in any type of advisory capacity would be subject to the provisions of the government in the sunshine law." *Id.* at 476. See also *Spillis Candela & Partners, Inc. v. Centrust Savings Bank*, 535 So. 2d 694, 695 (Fla. 3d DCA 1988) (committee which compiled a report that was perfunctorily accepted by the board made a significant ruling affecting decision-making process and was subject to s. 286.011; an "ad hoc advisory board, even if its power is limited to making recommendations to a public agency and even if it possesses no authority to bind the agency in any way, is subject to the Sunshine Law"); and *Lyon v. Lake County*, 765 So. 2d 785 (Fla. 5th DCA 2000) (Sunshine Law applies to site plan review committee created by county ordinance to serve in an advisory capacity to the county manager). Accord AGOs 98-13 (citizen advisory committee appointed by city council to make recommendations to the council regarding city government and city services), and 01-84 (school advisory council created pursuant to former s. 229.58 [now s. 1001.452], F.S.).

The Sunshine Law does not establish a lesser standard for members of advisory committees that are subject to the Sunshine Law. See *Monroe County v. Pigeon Key Historical Park, Inc.*, 647 So. 2d 857, 869 (Fla. 3d DCA 1994) ("[T]he Sunshine Law equally binds all members of governmental bodies, be they advisory committee members or elected officials"). Nor is there an exception from the Sunshine Law for an advisory group created by a county commissioner and composed of volunteers. See Inf. Op. to Wallace, January 7, 2019, emphasizing that it is the nature of the functions of an advisory group that determines the application of the Sunshine Law, not the manner of their appointment or their volunteer status.

a. Advisory boards appointed by a single public official

The Sunshine Law applies to advisory committees appointed by a single public official as well as those appointed by a collegial board. See Inf. Op. to Wallace, January 7, 2019 ("In the first place, advisory groups appointed by a single public official are not immunized from the public meetings requirement").

For example, in *Wood v. Marston*, 442 So. 2d 934 (Fla. 1983), the Florida Supreme Court determined that the Sunshine Law applied to an ad hoc advisory committee appointed by a university president to screen applications and make recommendations for the position of law school dean, because the committee, in deciding which applicants to reject from further consideration, performed a policy-based, decision-making function. See also *Silver Express Company v. District Board of Lower Tribunal Trustees*, 691 So. 2d 1099 (Fla. 3d DCA 1997) (committee established by agency purchasing director to consider and rank various contract proposals subject to Sunshine Law); and *Linares v. District School Board of Pasco County*, No. 17-00230 (Fla. 6th Cir. Ct. January 10, 2018) (Sunshine Law applies to committee formed by school board planning director to develop and recommend to the superintendent proposed new school attendance boundaries). Accord AGOs 05-05 (fact that advisory group was created by chief of police and not city commission and its recommendations were made to police chief would not remove group from ambit of the Sunshine Law); 85-76 (ad hoc committee appointed by mayor for purpose of making recommendations concerning legislation); 87-42 (ad hoc committee appointed by mayor to meet with Chamber of Commerce and draft proposal for transfer of city property); and Inf. Op. to Lamar, August 2, 1993 (transition team appointed by mayor to make recommendations regarding governmental reorganization).

b. Fact-finding committees

A limited exception to the applicability of the Sunshine Law to advisory committees has been recognized for advisory committees established for fact-finding only. “[A] committee is not subject to the Sunshine Law if the committee has only been delegated information-gathering or fact-finding authority and only conducts such activities.” *Sarasota Citizens for Responsible Government v. City of Sarasota*, 48 So. 3d 755, 762 (Fla. 2010). See also *National Council on Compensation Insurance v. Fee*, 219 So. 3d 172 (Fla. 1st DCA 2017); and *Cape Publications, Inc. v. City of Palm Bay*, 473 So. 2d 222 (Fla. 5th DCA 1985). Accord AGO 95-06 (when a group, on behalf of a public entity, functions solely as a fact-finder or information gatherer with no decision-making authority, no “board or commission” subject to the Sunshine Law is created).

“In determining whether a committee is subject to the Sunshine Law, the actual function of the committee must be scrutinized to determine whether it is exercising part of the decision-making function by sorting through options and making recommendations to the governmental body.” Inf. Op. to Randolph, June 10, 2010. Thus, if an advisory committee has a decision-making function in addition to fact-finding, the Sunshine Law is applicable. See *Wood v. Marston*, 442 So. 2d 934, 938 (Fla. 1983), recognizing that while a “search and screen” committee had a fact-gathering role in soliciting and compiling applications, the committee also “had an equally undisputed decision-making function in screening the applicants” by deciding which of the applicants to reject from further consideration, and thus was subject to the Sunshine Law. And see AGO 94-21 (application of Sunshine Law to members of a negotiating team created by a city commission).

Accordingly, the determination as to whether an advisory committee created by a public official is subject to the Sunshine Law will necessarily depend on the duties and responsibilities performed by the committee. See Inf. Op. to Wallace, January 7, 2019, noting that the mere designation of a committee’s function as “providing feedback” to the public official is not dispositive of the status of the committee for Sunshine Law purposes; instead, “the key determination will be the exact nature of the feedback being requested and provided.” See also AGO 98-13 (application of the Sunshine Law to a community advisory committee appointed by a city commission).

Moreover, the “fact-finding exception” applies only to advisory committees and not to boards that have “ultimate decision-making governmental authority.” *Finch v. Seminole County School Board*, 995 So. 2d 1068, 1071-1072 (Fla. 5th DCA 2008). In *Finch*, the court held that the “fact-finding exception” did not apply to a school board as the ultimate decision-making body; thus the board could not take a fact-finding bus tour without complying with the Sunshine Law even though school board members were separated from each other by several rows of seats, did not discuss their preferences or opinions, and no vote was taken during the trip. And see Inf. Op. to Sugarman, August 5, 2015 (pension board not authorized to travel out of state to meet with financial consultants).

c. Staff committees

The Sunshine Law applies to meetings of elected or appointed boards; it does not ordinarily apply to staff committees or meetings. See, e.g., *Occidental Chemical Company v. Mayo*, 351 So. 2d 336 (Fla. 1977), *disapproved in part on other grounds*, *Citizens v. Beard*, 613 So. 2d 403 (Fla. 1992); *School Board of Duval County v. Florida Publishing Company*, 670 So. 2d 99, 101 (Fla. 1st DCA 1996); and AGO 89-39.

Thus, a committee composed of staff that is responsible for advising and informing the decision-maker through fact-finding consultations is not subject to the Sunshine Law. *Bennett v. Warden*, 333 So. 2d 97 (Fla. 2d DCA 1976) (meetings of committee appointed by public college president to report on employee working conditions not subject to Sunshine Law). Cf. AGO 08-63 (although Sunshine Law does not apply to orientation sessions held by counties for special magistrates hired to hear value adjustment board petitions, “nothing would preclude a county from allowing the public to attend such orientations in order to enhance the knowledge of citizens who appear before value adjustment boards”).

Accordingly, a state agency did not violate the Sunshine Law when agency employees conducted an investigation into a licensee's alleged failure to follow state law, and an assistant director made the decision to file a complaint as "[c]ommunication among administrative staff in fulfilling investigatory, advisory, or charging functions does not constitute a 'Sunshine' Law violation." *Baker v. Florida Department of Agriculture and Consumer Services*, 937 So. 2d 1161 (Fla. 4th DCA 2006), *review denied*, 954 So. 2d 27 (Fla. 2007). *And see Knox v. District School Board of Brevard*, 821 So. 2d 311, 315 (Fla. 5th DCA 2002), holding that the Sunshine Law did not apply to a group of school board employees meeting with an area superintendent to review applications, which were then sent by the area superintendent to the school superintendent with her recommendation: "[A] Sunshine violation does not occur when a governmental executive uses staff for a fact-finding and advisory function in fulfilling his or her duties."

Similarly, the court in *Lyon v. Lake County*, 765 So. 2d 785 (Fla. 5th DCA 2000), ruled that the Sunshine Law did not apply to informal meetings of staff where the discussions were "merely informational," where none of the individuals attending the meetings had any decision-making authority during the meetings, and where no formal action was taken or could have been taken at the meetings. *See also Molina v. City of Miami*, 837 So. 2d 462, 463 (Fla. 3d DCA 2002) (police discharge of firearms committee not subject to Sunshine Law because the committee "is nothing more than a meeting of staff members who serve in a fact-finding advisory capacity to the chief"); and *J.I. v. Department of Children and Families*, 922 So. 2d 405 (Fla. 4th DCA 2006) (Sunshine Law not applicable to Department of Children and Families permanency staffing meetings conducted to determine whether to file a petition to terminate parental rights); and *National Council on Compensation Insurance v. Fee*, 219 So. 3d 172, 179 (Fla. 1st DCA 2017) (Sunshine Law inapplicable to meetings "held solely for the purpose of gathering information").

However, if a staff committee has been delegated decision-making authority as opposed to mere fact-finding or information-gathering, the Sunshine Law applies to the committee. *See Wood v. Marston*, 442 So. 2d 934, 938 (Fla. 1983). It is the nature of the act performed, not the makeup of the committee or the proximity of the act to the final decision, which determines whether a committee composed of staff is subject to the Sunshine Law. *Id.* *See News-Press Publishing Company, Inc. v. Carlson*, 410 So. 2d 546, 548 (Fla. 2d DCA 1982), concluding that it would be "ludicrous" to hold that "a certain committee is governed by the Sunshine Law when it consists of members of the public, who are presumably acting for the public, but hold that a committee may escape the Sunshine Law if it consists of individuals who owe their allegiance to, and receive their salaries from, the governing authority;" and *Evergreen the Tree Treasurers of Charlotte County, Inc. v. Charlotte County Board of County Commissioners*, 810 So. 2d 526, 531-532 (Fla. 2d DCA 2002) (staff committee members delegated decision-making authority from public officials no longer function as staff members but "stand in the shoes of such public officials" insofar as the Sunshine Law is concerned).

Thus, in *Silver Express Company v. District Board of Lower Tribunal Trustees*, 691 So. 2d 1099 (Fla. 3d DCA 1997), the district court determined that a committee composed primarily of staff that was created by a college purchasing director to assist and advise her in evaluating contract proposals was subject to the Sunshine Law. The committee's job to "weed through the various proposals, to determine which were acceptable and to rank them accordingly" was sufficient to bring the committee within the scope of the Sunshine Law. *See also Roscow v. Abreu*, No. 03-CA-1833 (Fla. 2d Cir. Ct. August 6, 2004) (committee created by the state department of transportation and composed of officials from state, local, and federal agencies was subject to the Sunshine Law because the committee was responsible for screening and evaluating potential corridors and alignments for a possible expansion of the Suncoast Parkway); AGO 05-06 (city development review committee, composed of several city officials and representatives of various city departments to review and approve development applications, is subject to the Sunshine Law); and AGO 86-51 (land selection committee appointed by water management district and delegated decision-making authority to consider projects for inclusion on a list of proposed acquisition projects must comply with Sunshine Law "even though such committee may be

composed entirely of district staff and its decisions and recommendations are subject to further action by the district's governing board").

Similarly, in *Dascott v. Palm Beach County*, 877 So. 2d 8 (Fla. 4th DCA 2004), the court held that a meeting of a pre-termination conference panel established pursuant to a county ordinance and composed of a department head, personnel director, and equal opportunity director should have been held in the Sunshine. Even though the county administrator had the sole authority to discipline employees, that authority had been delegated to the department head who in turn chose to share that authority with the other members of the panel. *And see Linares v. District School Board of Pasco County*, No. 17-00230 (Fla. 6th Cir. Ct. January 10, 2018) (Sunshine Law applied to committee formed by school board planning director, which was composed of parents, principals, and the director, and charged with making recommendations to the superintendent on proposed school attendance boundaries).

By contrast, in *Sarasota Citizens for Responsible Government v. City of Sarasota*, 48 So. 3d 755, 763 (Fla. 2010), the Court found that a county administrator's discussions with staff and consultants while negotiating a memorandum of understanding with a baseball team did not violate the Sunshine Law because the administrator's "so-called negotiations team only served an informational role." According to the Court, "[t]his is not a situation where [the administrator] and the individuals he consulted made joint decisions. *Cf. Dascott v. Palm Beach County*, [supra]." *See also McDougall v. Culver*, 3 So. 3d 391 (Fla. 2d DCA 2009) and *Jordan v. Jenne*, 938 So. 2d 526 (Fla. 4th DCA 2006).

2. Candidates or members-elect

a. Candidates

The Sunshine Law does not apply to candidates for office, unless the candidate is an incumbent seeking reelection. AGO 92-05.

b. Members-elect

The requirements of the Sunshine Law apply not only to meetings of covered boards or commissions but also to "meetings with or attended by any person elected to such board or commission, but who has not yet taken office." Section 286.011(1), F.S. Thus, members-elect are subject to the Sunshine Law in the same manner as board members who are currently in office. *See also Hough v. Stembridge*, 278 So. 2d 288, 289 (Fla. 3d DCA 1973) (individual, upon election to public office, loses his or her status as a private individual and acquires a position more akin to that of a public trustee and therefore is subject to s. 286.011, F.S.). *Cf. Inf. Op. to Lamar*, August 2, 1993 (Sunshine Law applies to transition team made up of citizens appointed by the mayor to make recommendations on city government reorganization). *And see Linares v. District School Board of Pasco County*, No. 17-00230 (Fla. 6th Cir. Ct. January 10, 2018) (Sunshine Law applied to advisory committee members "from the moment each member was selected to be on the [committee])."

A candidate who is unopposed is not considered to be a member-elect subject to the Sunshine Law until the election has been held. AGO 98-60. *Accord Inf. Op. to Popowitz*, August 12, 2016. The Popowitz opinion references a 2010 opinion from the Division of Elections (Div. of Elections Op. 10-09, July 26, 2010), finding that the date of a candidate's election to office could be deemed to be either the date specified by a court in an election case, election day itself, the date the final canvassing board certifies the election results, or some other date, depending upon the particular factual situation involved.

3. Commissions created by the Florida Constitution

Boards or commissions created by the Constitution which prescribes the manner of the exercise of their constitutional powers are not subject to s. 286.011, F.S., when carrying out such constitutionally prescribed duties. *See Kanner v. Frumkes*, 353 So. 2d 196 (Fla. 3d DCA 1977)

(judicial nominating commissions are not subject to s. 286.011, F.S.). *Cf. In re Advisory Opinion of the Governor*, 334 So. 2d 561 (Fla. 1976) (clemency power does not exist by virtue of legislative enactment; rather Constitution sufficiently prescribes rules for the manner of exercise of the power); and AGO 77-65 (Ch. 120, F.S., inapplicable to Constitution Revision Commission established by Art. XI, s. 2, Fla. Const.). *Compare Turner v. Wainwright*, 379 So. 2d 148 (Fla. 1st DCA), *affirmed and remanded*, 389 So. 2d 1181 (Fla. 1980), holding that the Parole Commission [now known as the Florida Commission on Offender Review, *see* s. 1, Ch. 14-191, Laws of Florida] which Art. IV, s. 8(c), Fla. Const., recognizes may be created by *law*, is subject to s. 286.011, F.S.

However, Art. I, s. 24, Fla. Const., establishes a constitutional right of access to meetings of any collegial public body of the executive branch of state government by providing that such meetings must be open and noticed to the public unless exempted by the Legislature pursuant to Art. I, s. 24, Fla. Const., or specifically closed by the Constitution.

4. Ex officio board members

An ex officio board member is subject to the Sunshine Law regardless of whether he or she is serving in a voting or non-voting capacity. AGO 05-18. . *And see Linares v. District School Board of Pasco County*, No. 17-00230 (Fla. 6th Cir. Ct. January 10, 2018) (finding that the Sunshine Law applied equally to all members of an advisory committee, including a staff member appointed as a non-voting member of the committee whose role was only to advise the voting committee members).

5. Federal entities

Federal agencies, *i.e.*, agencies created under federal law, operating within the state, do not come within the purview of the state Sunshine Law. AGO 71-191. Thus, meetings of a federally-created council are not subject to s. 286.011, F.S. AGO 84-16.

However, if a board is created pursuant state law, the Sunshine Law applies even if federal officials serve on the board. *See* Inf. Op. to Markham, September 10, 1996 (technical oversight committee established by state agencies as part of settlement agreement in federal lawsuit subject to Sunshine Law); and Inf. Op. to Green, December 11, 1998 (tri-state river commission established pursuant to *state and* federal law is subject to the Sunshine Law). *See also* Inf. Op. to Knox, January 6, 2005 (St. Johns River Alliance, Inc., a non-profit corporation formed to help carry out the federal American Heritage Rivers Initiative and the associated intergovernmental Partnership Agreement among state, local and federal governmental entities, is subject to s. 286.011, F.S., requirements); and *Roscow v. Abreu*, No. 03-CA-1833 (Fla. 2d Cir. Ct. August 6, 2004) (committee created by the state department of transportation and composed of officials from state, local, and federal agencies was subject to the Sunshine Law because the committee was responsible for screening and evaluating potential corridors and alignments for a possible expansion of the Suncoast Parkway). *Cf. Brown v. Denton*, 152 So. 3d 8 (Fla. 1st DCA 2014), (closed-door federal mediation sessions which resulted in changes to pension benefits of city employees in certain unions constituted collective bargaining negotiations which should have been held in the Sunshine).

6. Governor and Cabinet

Article IV, s. 4 of the Florida Constitution, establishes “a cabinet composed of an attorney general, a chief financial officer, and a commissioner of agriculture.” The Governor and Cabinet serve as the head of certain departments within the executive branch. In addition, the Governor and Cabinet have responsibilities that arise under the Constitution. *See* Art. IV, s. 8, Fla. Const. (clemency).

The Sunshine Law does not apply to those powers of the Governor and Cabinet which derive from the Constitution; thus, the Governor and Cabinet in dispensing pardons and the other forms of clemency authorized by Art. IV, s. 8(a), Fla. Const., are not subject to s. 286.011,

F.S. *Cf. In re Advisory Opinion of the Governor*, 334 So. 2d 561 (Fla. 1976) (Constitution sufficiently prescribes rules for the manner of exercise of gubernatorial clemency power; legislative intervention is, therefore, unwarranted).

Section 286.011, F.S., however, does apply to those functions of the Governor and Cabinet which are statutory responsibilities as opposed to duties arising under the Constitution. Thus, the Governor and Cabinet are subject to the Sunshine Law when sitting in their capacity as a board created by the Legislature or whose powers are prescribed by the Legislature, such as the Board of Trustees of the Internal Improvement Trust Fund or the Florida Department of Law Enforcement. In such cases, the Governor and Cabinet are not exercising powers derived from the Constitution but are subject to the “dominion and control” of the Legislature.

Moreover, Art. I, s. 24, Fla. Const., requires that meetings of “any collegial public body of the executive branch of state government” be open and noticed to the public. The only exceptions to this constitutional right of access are those meetings which have been exempted by the Legislature pursuant to Art. I, s. 24, Fla. Const., or which are specifically closed by the Constitution. *And see* Article III s. 4(e), Fla. Const., providing, in relevant part that “all prearranged gatherings, between . . . the governor, the president of the senate, or the speaker of the house of representatives, the purpose of which is to agree upon formal legislative action that will be taken at a subsequent time, or at which formal legislative action is taken, regarding pending legislation or amendments, shall be reasonably open to the public.”

7. Individual board members

Section 286.011, F.S., applies to public boards and commissions, *i.e.*, collegial bodies, and has been applied to meetings of “two or more members” of the same board or commission when discussing some matter which foreseeably will come before the board or commission. Therefore, the statute does not ordinarily apply to an *individual* member of a public board or commission or to public officials who are not board or commission members. *See National Council of Compensation Insurance v. Fee*, 219 So. 3d 172, 179 (Fla. 1st DCA 2017); and *Mitchell v. School Board of Leon County*, 335 So. 2d 354 (Fla. 1st DCA 1976). *See also* Inf. Op. to Dillener, January 5, 1990 (Sunshine Law not normally applicable to meeting of town council member with private citizens). *Cf. Jennings v. Dade County*, 589 So. 2d 1337 (Fla. 3d DCA 1991), *review denied*, 598 So. 2d 75 (Fla. 1992), stating that *ex parte* (*i.e.*, from one side only) communications in quasi-judicial proceedings raise a presumption that the contact was prejudicial to the decision-making process; and s. 286.0115, F.S., enacted in response to the *Jennings* case, relating to access to local public officials in quasi-judicial proceedings.

However, there have been circumstances where the application of the Sunshine Law to individual board members has been considered. As stated by the Supreme Court, the Sunshine Law is to be construed “so as to frustrate all evasive devices.” *Town of Palm Beach v. Gradison*, 296 So. 2d 473, 477 (Fla. 1974). *And see* AGO 89-39 (aides to county commissioners are not subject to the Sunshine law unless they have been delegated decision-making functions outside of the ambit of normal staff functions, are acting as liaisons between board members, or are acting in place of the board or its members at their direction).

a. Individual board member meeting with a member of another public board

The Sunshine Law does not apply to a meeting between individuals who are members of *different* boards *unless* one or more of the individuals has been delegated the authority to act on behalf of his or her board. *Rowe v. Pinellas Sports Authority*, 461 So. 2d 72 (Fla. 1984). *Accord* AGO 84-16 (meeting between the chair of a private industry council created pursuant to federal law and the chair of a five-county employment and training consortium created pursuant to state law is not subject to Sunshine Law, unless there is a delegation of decision-making authority to the chair of the consortium); and Inf. Op. to McClash, April 29, 1992 (Sunshine Law generally not applicable to county commissioner meeting with individual member of metropolitan planning organization). *And see News-Press Publishing Company, Inc. v. Lee County, Florida*, 570 So. 2d

1325 (Fla. 2d DCA 1990) (Sunshine Law not applicable to mediation proceeding attended by individual members of city and county boards who were in litigation because only one member of each board was present at the proceedings and no final settlement negotiations could be made during the mediation conference).

An individual city council member may, therefore, meet privately with an individual member of the municipal planning and zoning board to discuss a recommendation made by that board since two or more members of either board are not present, provided that no delegation of decision-making authority has been made and neither member is acting as a liaison. AGO 87-34. *Accord* AGOs 99-55 (school board member meeting with member of advisory committee established by school board), and 97-52 (discussions between individual member of community college board of trustees and school board member regarding acquisition of property by school board).

b. Mayor meeting with individual city commissioner or city council member

If the mayor is a member of the council or has a voice in decision-making through the power to break tie votes, meetings between the mayor and a member of the city council to discuss some matter which will come before the city council are subject to the Sunshine Law. AGOs 83-70 and 75-210. However, if a decision falls within the administrative functions of the mayor and would not come before the city council for consideration, discussions between an individual member of the city council and the mayor are not subject to the Sunshine Law since such discussions do not relate to a matter which will foreseeably come before the city council for action. *Id.*

On the other hand, if the mayor is *not* a member of the city council and does not possess any power to vote even in the case of a tie vote but possesses only the power to veto legislation, the mayor may privately meet with an individual member of the city council without violating the Sunshine Law, provided the mayor is not acting as a liaison between members and neither individual has been delegated the authority to act on behalf of the council. AGOs 90-26 and 85-36. *And see* Inf. Op. to Cassidy, April 7, 2005 (mayor who is not a member of the city council and cannot vote even in the event of a tie, may meet with an individual council member to discuss the mayor's recommendations to the council concerning prospective appointees). *Cf. City of Sunrise v. News and Sun-Sentinel Company*, 542 So. 2d 1354 (Fla. 4th DCA 1989) (since mayor was responsible under the city charter for disciplining city employees, mayor in carrying out this function was not subject to s. 286.011, F.S.).

c. Use of nonboard members or staff to act as liaisons or to conduct a de facto meeting of the board

As a general rule, individual board members “may call upon staff members for factual information and advice without being subject to the Sunshine Law’s requirements.” *Sarasota Citizens for Responsible Government v. City of Sarasota*, 48 So. 3d 755, 764 (Fla. 2010). *And see* AGO 81-42 (the fact that a city council member has expressed his or her views or voting intent on an upcoming matter to a news reporter prior to the scheduled public meeting does not violate the Sunshine Law so long as the reporter is not being used by the member as an intermediary in order to circumvent the requirements of s. 286.011, F.S.). *Compare, State v. Dorworth*, No. 14-MM-5841 (Fla. Orange Co. Ct. October 21, 2014), *affirmed*, No. 14-AP-48 (Fla. 9th Cir. Ct. August 19, 2015), dismissing a misdemeanor charge against a lobbyist who was accused of violating the Sunshine Law by relaying information between board members and thereby aiding the members to meet without complying with the Sunshine Law. The trial judge determined that by charging the lobbyist, the state attorney “expanded the reach of the Sunshine Law to private citizens; and, the Legislature did not intend for the statute to apply to private citizens.”

However, because the Sunshine Law must be construed to “frustrate all evasive devices,” the law is implicated by a meeting between a board member and a nonboard member who is

being used as a liaison for board members. See *Transparency for Florida, Inc. v. City of Port St. Lucie*, 240 So. 3d 780 (Fla. 4th DCA 2018), citing to AGOs 96-35 (city manager may not ask each commissioner to state his or her position on a specific matter that will foreseeably be considered by the commission at a public meeting, in order to provide the information to the members of the commission) and 75-59 (city manager may meet individually with city council members “to discuss city business provided that the manager does not act as a liaison for board members by circulating information and thoughts of individual councilmembers to the rest of the board”).

Therefore, a city manager should refrain from asking each commissioner to state his or her position on a specific matter which will foreseeably be considered by the commission at a public meeting in order to provide the information to the members of the commission. AGO 89-23. See also Inf. Op. to Goren, October 28, 2009 (while individual city commissioners may seek advice or information from staff, city should be cognizant of the potential that commissioners seeking clarification by follow-up with staff when staff responses are provided to all commissioners could be considered to have participated in a de facto meeting of the commissioners by using staff as a conduit between commissioners). Compare *Sarasota Citizens for Responsible Government v. City of Sarasota*, *supra* at 765 (private staff meetings with individual county commissioners in preparation for a public hearing on a proposed memorandum of understanding [MOU] did not violate the Sunshine Law because the meetings were “informational briefings regarding the contents of the MOU” and “[t]here is no evidence that [county] staff communicated what any commissioner said to any other commissioner”).

Additionally, in *Blackford v. School Board of Orange County*, 375 So. 2d 578 (Fla. 5th DCA 1979), the court held that a series of scheduled successive meetings between the school superintendent and individual members of the school board were subject to the Sunshine Law. While normally meetings between the school superintendent and an individual school board member would not be subject to s. 286.011, F.S., these meetings were held in “rapid-fire succession” in order to avoid a public airing of a controversial redistricting problem. Thus, even though the superintendent was “adamant that he did not act as a go-between during these discussions and [denied] that he told any one board member the opinions of the others,” the one-to-one meetings amounted to a de facto meeting of the school board in violation of s. 286.011, F.S. *Id.* at 580. See also *Transparency for Florida, Inc. v. City of Port St. Lucie*, 240 So. 3d 780 (4th DCA 2018) (evidence did not “conclusively refute” allegations that a series of telephone calls between the city attorney and individual city councilmembers to discuss termination of and severance pay to, the city manager did not constitute a Sunshine Law violation; accordingly, trial court should not have entered summary judgment in favor of the city). Cf. *State v. Foster*, 12 F.L.W. Supp. 1194a (Fla. Broward Co. Ct. September 26, 2005), in which the court rejected the argument that the Sunshine Law permitted city commissioners to attend a private breakfast meeting at which the sheriff spoke and the commissioners individually questioned the sheriff but did not direct comments or questions to each other. The court denied the commissioners’ motion for summary judgment and ruled that the discussion should have been held in the Sunshine because the sheriff was a “common facilitator” who received comments from each commissioner in front of the other commissioners.

Similarly, in *Citizens for a Better Royal Palm Beach, Inc. v. Village of Royal Palm Beach*, No. CL 9114417 AA (Fla. 15th Cir. Ct. May 14, 1992), the court invalidated a contract for the sale of municipal property when it determined that after the proposal to sell the property which had been discussed and approved at a public meeting collapsed, the city manager met individually with council members and from those discussions the property was sold to another group. The circuit court found that these meetings resulted in a substantial change in the terms of sale and that the execution of the contract, therefore, violated the Sunshine Law. See also *Sentinel Communications Company v. School Board of Osceola County*, No. CI92-0045 (Fla. 9th Cir. Ct. April 3, 1992) (series of private meetings between school superintendent and individual school board members to consider staff recommendations concerning administrative structure of the

school system and to privately address any of the board's concerns, should have been held in the sunshine; while individual board members are not prohibited from meeting privately with staff or the superintendent for informational purposes or on an ad hoc basis, the Sunshine Law "shall be construed to prohibit the scheduling of a series of such meetings which concern a specific agenda"); and AGO 93-90 (board that is responsible for assessing the performance of its chief executive officer [CEO] should not use a review procedure in which individual board members evaluate the CEO's performance and send their individual written comments to the board chair for compilation and subsequent discussion with the CEO).

Not all staff decisions, however, are required to be made or approved by a board. Thus, the district court concluded in *Florida Parole and Probation Commission v. Thomas*, 364 So. 2d 480 (Fla. 1st DCA 1978), that the decision to appeal made by legal counsel to a public board after discussions between the legal staff and individual members of the board was not subject to the Sunshine Law. *And see* Inf. Op. to Biasco, July 2, 1997 (administrative officers or staff who serve public boards should not poll board members on issues which will foreseeably come before the board although an administrative officer is not precluded from contacting individual board members for their views on a matter when the officer, and not the board, has been vested with the authority to take action).

d. Delegation of authority to individual to act on behalf of the board

"The Sunshine Law does not provide for any 'government by delegation' exception; a public body cannot escape the application of the Sunshine Law by undertaking to delegate the conduct of public business through an alter ego." *IDS Properties, Inc. v. Town of Palm Beach*, 279 So. 2d 353, 359 (Fla. 4th DCA 1973), *certified question answered sub nom., Town of Palm Beach v. Gradison*, 296 So. 2d 473 (Fla. 1974). *See also News-Press Publishing Company, Inc. v. Carlson*, 410 So. 2d 546, 547-548 (Fla. 2d DCA 1982) (when public officials delegate de facto authority to act on their behalf in the formulation, preparation, and promulgation of plans on which foreseeable action will be taken by those public officials, those delegated that authority stand in the shoes of such public officials insofar as the Sunshine Law is concerned).

In *News-Press Publishing Company v. Lee County*, 570 So. 2d 1325 (Fla. 2d DCA 1990), a newspaper challenged the trial court's decision to require the parties (two cities and a county) to participate in mediation and to each appoint a representative "with full authority to bind them." The judge then amended the order to allow the parties to limit the representatives' authority so that no final settlement decisions could be made during the mediation conference. On appeal, the district court concluded that the mediation's narrow scope did not give rise to a substantial delegation affecting the board's decision-making function so as to require the mediation to be open to the public. 570 So. 2d at 1327. *And see Broward County v. Conner*, 660 So. 2d 288, 290 (Fla. 4th DCA 1995), *review denied*, 669 So. 2d 250 (Fla. 1996) (since Sunshine Law provides that actions of a public board are not valid unless they are made at an open public meeting, a county's attorneys would not be authorized to enter into a settlement agreement on the commission's behalf "without formal action by the county commission at a meeting as required by the statute"). *Compare Lee County v. Pierpont*, 693 So. 2d 994 (Fla. 2d DCA 1997), *affirmed*, 710 So. 2d 958 (Fla. 1998) (authorization to county attorney to make settlement offers to landowners not to exceed appraised value plus 20%, rather than a specific dollar amount, did not violate the Sunshine Law). Moreover, the Attorney General's Office has advised that a single member of a board who has been delegated the authority to negotiate the terms of a lease on behalf of the board "is subject to the Sunshine Law and, therefore, cannot negotiate for such a lease in secret." AGO 74-294. *Accord* AGO 84-54. Similarly, when an individual member of a public board, or a board member and the executive director of the board, conducts a hearing or investigatory proceeding on behalf of the entire board, the hearing or proceeding must be held in the sunshine. AGOs 75-41 and 74-84. *And see* AGO 10-15 (special magistrate subject to the Sunshine Law when exercising the delegated decision-making authority of the value adjustment board).

Moreover, the Attorney General's Office has advised that a single member of a board who has been delegated the authority to negotiate the terms of a lease on behalf of the board "is subject to the Sunshine Law and, therefore, cannot negotiate for such a lease in secret." AGO 74-294. *Accord* AGO 84-54. Similarly, when an individual member of a public board, or a board member and the executive director of the board, conducts a hearing or investigatory proceeding on behalf of the entire board, the hearing or proceeding must be held in the sunshine. AGOs 75-41 and 74-84. *And see* AGO 10-15 (special magistrate subject to the Sunshine Law when exercising the delegated decision-making authority of the value adjustment board).

However, if the board member has been authorized only to gather information or function as a fact-finder, the Attorney General's Office has concluded that the Sunshine Law does not apply. *See e.g.* AGOs 95-06, 93-78, and 90-17 (if board member is authorized only to explore various contract proposals, with such proposals being related back to the governing body for consideration, the discussions between the board member and the applicant are not subject to the Sunshine Law). *Cf. State, Department of Management Services v. Lewis*, 653 So. 2d 467 (Fla. 1st DCA 1995) (issuance of an order of reconsideration by a board chair does not violate the Sunshine Law where the purpose of the order is to provide notice of a hearing to the parties and allow them an opportunity to provide argument on the issue).

More recently, the First District Court of Appeal ruled that a statute (s. 627.091[6], F.S.), requiring a "committee" of a national insurance rating organization to comply with the Sunshine Law when meeting to discuss the need to alter Florida rates, did not apply to an actuary who performed this function instead of a committee. *National Council on Compensation Insurance v. Fee*, 219 So. 3d 172, 179 (Fla. 1st DCA 2017). In *Fee*, the court noted that the term "committee" has been defined as a "subordinate group," not a single person, and that "the multi-person concept of the term 'committee' further finds support in well-established precedent construing the Sunshine Law."

Moreover, if the individual, rather than the board, is vested by law, charter, or ordinance with the authority to take action, such discussions are not subject to s. 286.011, F.S. *See City of Sunrise v. News and Sun-Sentinel Company*, 542 So. 2d 1354 (Fla. 4th DCA 1989) (since the mayor was responsible under the city charter for disciplining city employees and since the mayor was not a board or commission and was not acting for a board, meetings between the mayor and a city employee concerning the employee's duties were not subject to s. 286.011, F.S.). *Cf.* AGO 13-14 (where contract terms regarding the police chief's employment have been discussed and approved at a public city commission meeting, Sunshine Law does not require that the consistent written employment contract drafted by the town attorney as directed by the commission be subsequently presented to and approved at another commission meeting).

8. Judiciary

The open meetings provision found in Art. I, s. 24, Fla. Const., does not include meetings of the judiciary. In addition, separation of powers principles make it unlikely that the Sunshine Law, a legislative enactment, could apply to the courts established pursuant to Art. V, Fla. Const. AGO 83-97. Thus, questions of access to judicial proceedings usually arise under other constitutional guarantees relating to open and public judicial proceedings, Amend. VI, U.S. Const., and freedom of the press, Amend. I, U.S. Const.

However, a circuit conflict committee established by the Legislature to approve attorneys handling conflict cases is subject to the Sunshine Law, even though the chief judge or his or her designee is a member, because the "circuit conflict committees are created by the *Legislature*, subject to its dominion and control." AGO 83-97. *And see Canney v. Board of Public Instruction of Alachua County*, 278 So. 2d 260 (Fla. 1973) (Sunshine Law applies to quasi-judicial functions; a board exercising quasi-judicial functions is not a part of the judicial branch of government).

a. Criminal proceedings

A court possesses the inherent power to control the conduct of proceedings before it. *Miami Herald Publishing Company v. Lewis*, 426 So. 2d 1 (Fla. 1982); and *State ex rel. Miami Herald Publishing Company v. McIntosh*, 340 So. 2d 904 (Fla. 1976). A three-pronged test for closing criminal proceedings has been developed to provide “the best balance between the need for open government and public access, through the media, to the judicial process, and the paramount right of a defendant in a criminal proceeding to a fair trial before an impartial jury.” *Lewis, supra* at 7. And see *Morris Publishing Group, LLC v. State*, 136 So. 3d 770, 779 (Fla. 1st DCA 2014); and *Miami Herald Media Company v. State*, 218 So. 3d 460 (Fla. 3d DCA 2017). The factors to be considered are whether:

- 1) closure is necessary to prevent a serious and imminent threat to the administration of justice;
- 2) no alternatives are available, other than change of venue, which would protect the defendant’s right to a fair trial; and
- 3) closure would be effective in protecting the defendant’s rights without being broader than necessary to accomplish that purpose.

b. Civil proceedings

Stressing that *all* trials, civil and criminal, are public events and that there is a strong presumption of public access to these proceedings, the Supreme Court in *Barron v. Florida Freedom Newspapers, Inc.*, 531 So. 2d 113 (Fla. 1988), set forth the following factors which must be considered by a court in determining a request for closure of civil proceedings:

- 1) a strong presumption of openness exists for all court proceedings;
- 2) both the public and news media have standing to challenge any closure order with the burden of proof being on the party seeking closure;
- 3) closure should occur only when necessary
 - a) to comply with established public policy as set forth in the Constitution, statutes, rules or case law;
 - b) to protect trade secrets;
 - c) to protect a compelling governmental interest;
 - d) to obtain evidence to properly determine legal issues in a case;
 - e) to avoid substantial injury to innocent third parties; or
 - f) to avoid substantial injury to a party by disclosure of matters protected by a common law or privacy right not generally inherent in the specific type of civil proceeding sought to be closed.
- 4) whether a reasonable alternative is available to accomplish the desired result and if none exists, the least restrictive closure necessary to accomplish its purpose is used;
- 5) the presumption of openness continues through the appellate review process and the party seeking closure continues to have the burden to justify closure.

And see *Amendments to the Florida Family Law Rules of Procedure*, 723 So. 2d 208, 209 (Fla. 1998), reiterating support for the *Barron* standards and stating that “public access to court proceedings and records [is] important to assure testimonial trustworthiness; in providing a wholesome effect on all officers of the court for purposes of moving those officers to a strict conscientiousness in the performance of duty; in allowing nonparties the opportunity of learning whether they are affected; and in instilling a strong confidence in judicial remedies, which would be absent under a system of secrecy;” and *Lake v. State*, 193 So. 3d 932, 934 (Fla. 4th DCA 2016) (trial court did not depart from essential requirements of law by refusing to close Jimmy Ryce Act civil commitment review proceeding; statutory provision requiring that certain treatment records

introduced into evidence be maintained under seal unless opened by the judge “does not require that the press and public be barred from any discussion of treatment or treatment records during a review hearing”).

c. Depositions

While the courts have recognized that court proceedings are public events and the public generally has access to such proceedings, the general public and the press do not have a right under the First Amendment or the rules of procedure to attend discovery depositions. *See Palm Beach Newspapers, Inc. v. Burk*, 504 So. 2d 378, 380 (Fla. 1987), *cert. denied*, 108 S.Ct. 346 (1987), stating that while discovery depositions in criminal cases are judicially compelled for the purpose of allowing parties to investigate and prepare, they are not judicial proceedings. *Accord Post-Newsweek Stations, Florida, Inc. v. State*, 510 So. 2d 896 (Fla. 1987) (media not entitled to notice and opportunity to attend pretrial discovery depositions in criminal cases); and *SCI Funeral Services of Florida, Inc. v. Light*, 811 So. 2d 796 (Fla. 4th DCA 2002) (upholding protective order closing depositions to the media based on privacy concerns). *Cf. Lewis v. State*, 958 So. 2d 1027 (Fla. 5th DCA 2007) (while *Burk* applied to unfiled depositions made during an ongoing, active criminal prosecution, materials related to defendant’s prosecution, including depositions, are subject to disclosure after the case becomes final).

d. Florida Bar grievance proceedings

An attorney’s claim that the Florida Bar violated the Sunshine Law by refusing to allow him to attend a grievance committee meeting of the Bar was rejected in *Florida Bar v. Committee*, 916 So. 2d 741, 744-745 (Fla. 2005): “The grievance committee meetings of the Bar are private, and therefore the Bar is justified in prohibiting [the attorney] from attendance.” The Court reiterated its statement from *The Florida Bar: In re Advisory Opinion*, 398 So. 2d 446, 447 (Fla. 1981), that “[n]either the legislature nor the governor can control what is purely a judicial function.”

e. Grand juries

Section 905.24, F.S., provides that “[g]rand jury proceedings are secret”; thus, these proceedings are not subject to s. 286.011, F.S. *See Clein v. State*, 52 So. 2d 117, 120 (Fla. 1950) (it is the policy of the law to shield the proceedings of grand juries from public scrutiny); and *In re Getty*, 427 So. 2d 380, 383 (Fla. 4th DCA 1983) (public disclosure of grand jury proceedings “could result in a myriad of harmful effects”). The grand jury has also been referred to as a “coordinate branch of the judiciary, and as an arm, appendage, or adjunct of the circuit court.” *State ex rel. Christian v. Rudd*, 302 So. 2d 821, 828 (Fla. 1st DCA 1974). *Cf. Butterworth v. Smith*, 110 S.Ct. 1376 (1990), striking down a Florida statute to the extent that it prohibited a witness from disclosing his own testimony before a grand jury after the grand jury’s term has ended.

In addition, hearings on certain grand jury procedural motions are closed. The procedural steps contemplated in s. 905.28(1), F.S., for reports or presentments of the grand jury relating to an individual which are not accompanied by a true bill or indictment, are cloaked with the same degree of secrecy as is enjoyed by the grand jury in the receipt of evidence, its deliberations, and final product. Therefore, a newspaper has no right of access to grand jury procedural motions and to the related hearing. *In re Grand Jury, Fall Term 1986*, 528 So. 2d 51 (Fla. 2d DCA 1988). *And see Palm Beach Newspapers, Inc., v. Doe*, 460 So. 2d 406 (Fla. 4th DCA 1984) (hearing ancillary or related to a grand jury session constitutes a proceeding which comes within the protection of s. 905.24); and *In re Subpoena to Testify Before Grand Jury Directed to Custodian of Records*, 864 F.2d 1559 (11th Cir. 1989) (while a court must hold a hearing and give reasons for closure of criminal court proceedings, a court is not required to give newspapers a hearing and give reasons for closure of grand jury proceedings).

f. Judicial nominating commissions/Judicial Qualifications Commission

Judicial nominating commissions for the Supreme Court of Florida, the district courts of appeal, or for a judicial circuit for the trial courts within the circuit are not subject to the

Sunshine Law. *Kanner v. Frumkes*, 353 So. 2d 196 (Fla. 3d DCA 1977). Article V, s. 11(d), Fla. Const., however, requires that except for its deliberations, the proceedings of a judicial nominating commission and its records are open to the public. While the deliberations of a commission are closed, such a limitation appears to be applicable to that point in the proceedings when the commissioners are weighing and examining the reasons for and against a choice. Inf. Op. to Russell, August 2, 1991.

The statewide judicial nominating commission for workers' compensation judges, however, is not a judicial nominating commission as contemplated by the Constitution; thus, such a commission created pursuant to the workers' compensation law is subject to s. 286.011, F.S. AGO 90-76.

Proceedings of the Judicial Qualifications Commission are confidential. However, upon a finding of probable cause and the filing of formal charges against a judge or justice by the commission with the Clerk of the Supreme Court, all further proceedings of the commission are public. Article V, s. 12(a)(4), Fla. Const.

g. Mediation proceedings

(1) Court-ordered mediation

Court-ordered mediation and arbitration are to be conducted according to the rules of practice and procedure adopted by the Florida Supreme Court. Sections 44.102(1) and 44.103(1), F.S. *And see* rule 10.360(a), Florida Rules For Certified and Court-Appointed Mediators ("A mediator shall maintain confidentiality of all information revealed during mediation *except* where disclosure is required or permitted by law or is agreed to by all parties."). (e.s.) *Cf. Everglades Law Center, Inc. v. South Florida Water Management District*, 44 F.L.W. D2356 (Fla. 4th DCA September 18, 2019), noting that written mediation communications are confidential pursuant to ss. 44.103(3) and 44. 405(1), F.S., and must be redacted from the full transcript of a closed litigation session when it becomes public pursuant to s. 286.011(8), F.S.

Public access to court-ordered mediation proceedings between two cities and a county was raised in *News-Press Publishing Company, Inc. v. Lee County, Florida*, 570 So. 2d 1325 (Fla. 2d DCA 1990). Initially, the judge required the parties to have present a representative "with full authority to bind them"; however, after the media objected to the closure of the mediation proceeding, the judge amended the order to limit the representatives' authority so that no final settlement decisions could be made during the mediation conference. On appeal, the district court noted that no two members of any of the public boards would be present at the mediation proceedings and that the mediation's narrow scope did not give rise to a substantial delegation affecting the boards' decision-making function so as to require the mediation to be open to the public. 570 So. 2d at 1327. *Cf. Brown v. Denton*, 152 So. 3d 8 (Fla. 1st DCA 2014) (closed-door federal mediation sessions which resulted in changes to pension benefits of city employees in certain unions constituted collective bargaining negotiations which should have been held in the Sunshine; "[w]e cannot condone hiding behind federal mediation, whether intentionally or unintentionally, in an effort to thwart the requirements of the Sunshine Law.>").

Similarly, in *O'Connell v. Board of Trustees*, 1 F.L.W. Supp. 285 (Fla. 7th Cir. Ct. Feb. 9, 1993), the court noted that as to public agencies, mediation is subject to the Sunshine Law; thus, no more than one member of a collegial body should attend the mediation conference. *And see* Fla. R. Civ. P. 1.720(d), stating that "[i]f a party to mediation is a public entity required to operate in compliance with chapter 286, Florida Statutes, that party shall be deemed to appear at a mediation conference by the physical presence of a representative with full authority to negotiate on behalf of the entity and to recommend settlement to the appropriate decision-making body of the entity." *Accord* Fla. R. App. P. 9.720(a).

(2) Other mediation proceedings

Mediation meetings conducted pursuant to the Florida Governmental Conflict Resolution Act, ss. 164.101-164.1061, F.S., which involve officials or representatives of local governmental entities who have the authority to negotiate on behalf of that governmental entity are subject to the Sunshine Law. Inf. Op. to McQuagge, February 13, 2002. Similarly, a closed attorney-client session may not be held to discuss settlement negotiations on an issue that is the subject of ongoing mediation pursuant to a partnership agreement between a water management district and others which is not in litigation. AGO 06-03.

h. Statutes providing for closed court proceedings

Certain court proceedings may be closed in accordance with Florida Statutes as follows:

- (1) **Adoption:** Hearings held under the Florida Adoption Act are closed. Section 63.162(1), F.S. See *In re Adoption of H.Y.T.*, 458 So. 2d 1127 (Fla. 1984) (statute providing that all adoption hearings shall be held in closed court is not unconstitutional).
- (2) **Dependency:** Except as provided in s. 39.507, F.S., dependency adjudicatory hearings are open to the public unless, by special order, the court determines that the public interest or welfare of the child is best served by closing the hearing. Section 39.507(2), F.S. And see *Mayer v. State*, 523 So. 2d 1171 (Fla. 2d DCA), review dismissed, 529 So. 2d 694 (Fla. 1988) (former version of statute requiring hearings to be closed did not violate First Amendment).
- (3) **Guardian advocate appointments:** Hearings for appointment of guardian advocates are confidential. Section 39.827(4), F.S.
- (4) **HIV test results:** Court proceedings in cases where a person is seeking access to human immunodeficiency virus (HIV) test results are to be conducted in camera unless the person tested agrees to a hearing in open court or the court determines that a public hearing is necessary to the public interest and proper administration of justice. Section 381.004(2)(e)9., F.S.
- (5) **Pregnancy termination notice waiver:** Hearings conducted in accordance with a petition for a waiver of the notice requirements pertaining to a minor seeking to terminate her pregnancy shall remain confidential and closed to the public, as provided by court rule. Section 390.01114(4)(f), F.S.
- (6) **Termination of parental rights:** Hearings involving termination of parental rights are confidential and closed to the public. Section 39.809(4), F.S. See *Natural Parents of J.B. v. Florida Department of Children and Family Services*, 780 So. 2d 6 (Fla. 2001), upholding the constitutionality of the statute. And see *J.I. v. Department of Children and Families*, 922 So. 2d 405 (Fla. 4th DCA 2006) (Sunshine Law does not apply to Department of Children and Families permanency staffing meetings conducted to determine whether to file petition to terminate parental rights). Cf. *Stanfield v. Florida Department of Children and Families*, 698 So. 2d 321 (Fla. 3d DCA 1997) (trial court may not issue “gag” order preventing a woman from discussing a termination of parental rights case because “[t]he court cannot prohibit citizens from exercising their First Amendment right to publicly discuss knowledge that they have obtained independent of court documents even though the information may mirror the information contained in court documents”).
- (7) **Victim and witness testimony in certain circumstances:** Except as provided in s. 918.16(2), F.S., if any person under 16 years of age or any person with an intellectual disability is testifying in any civil or criminal trial concerning any sex offense, the judge shall clear the courtroom, except for listed individuals. Section 918.16(1), F.S. If the victim of a sex offense is testifying concerning that offense, the court shall clear the courtroom, except for listed individuals, upon request of the victim, regardless of the victim’s age or mental capacity. Section 918.16(2), F.S. Cf. *Pritchett v. State*, 566 So. 2d 6 (Fla. 2d DCA), review denied, 570 So. 2d 1306 (Fla. 1990) (where a trial court failed to make any findings to justify closure, application of s. 918.16, F.S., to the trial of a defendant charged with

capital sexual battery violates the defendant's constitutional right to a public trial). *Accord Kovalesski v. State*, 854 So. 2d 282 (Fla. 4th DCA 2003), *cause dismissed*, 860 So. 2d 978 (Fla. 2003).

9. Legislature

Article I, s. 24, Fla. Const., requires that meetings of the Legislature be open and noticed as provided in Art. III, s. 4(e), Fla. Const., except with respect to those meetings exempted by the Legislature pursuant to Art. I, s. 24, Fla. Const., or specifically closed by the Constitution. *And see* Art. III, s. 4(c), Fla. Const. (votes of members during final passage of legislation pending before a committee and, upon request of two members of a committee or subcommittee, on any other question, must be recorded).

Pursuant to Art. III, s. 4(e), Fla. Const., the rules of procedure of each house of the Legislature must provide that all legislative committee and subcommittee meetings of each house and joint conference committee meetings be open and noticed. Such rules must also provide:

[A]ll prearranged gatherings, between more than two members of the legislature, or between the governor, the president of the senate, or the speaker of the house of representatives, the purpose of which is to agree upon formal legislative action that will be taken at a subsequent time, or at which formal legislative action is taken, regarding pending legislation or amendments, shall be reasonably open to the public. All open meetings shall be subject to order and decorum. This section shall be implemented and defined by the rules of each house, and such rules shall control admission to the floor of each legislative chamber and may, where reasonably necessary for security purposes or to protect a witness appearing before a committee, provide for the closure of committee meetings. Each house shall be the sole judge for the interpretation, implementation, and enforcement of this section.

In accordance with Article III, s. 4(e), both the Senate and the House of Representatives have adopted rules implementing this section. Senate Rules may be found online at www.flsenate.gov. Rules of the House of Representatives may be found at www.myfloridahouse.gov.

10. Married couple serving on the same board

There is no *per se* violation of the Sunshine Law for a husband and wife to serve on the same public board or commission so long as they do not discuss board business without complying with the requirements of s. 286.011, F.S. AGO 89-06.

11. Private organizations

The Attorney General's Office has recognized that private organizations generally are not subject to the Sunshine Law unless the private organization has been created by a public entity, has been delegated the authority to perform some governmental function, or plays an integral part in the decision-making process of a public entity. AGO 07-27.

However, as discussed below, the Sunshine Law applies to private entities created by law or by public agencies, and to private entities providing services to governmental agencies and acting on behalf of those agencies in the performance of their public duties.

a. Private entities created pursuant to law or by public agencies

The Supreme Court has stated that "[t]he Legislature intended to extend application of the 'open meeting' concept so as to bind every 'board or commission' of the state, or of any county or

political subdivision over which [the Legislature] has dominion or control.” *City of Miami Beach v. Berns*, 245 So. 2d 38, 40 (Fla. 1971).

Accordingly, if a private entity has been created by law or by a public agency to perform a public function, the Sunshine Law applies. See *National Council on Compensation Insurance v. Fee*, 219 So. 3d 172, 180 (Fla. 1st DCA 2017), noting the application of the Sunshine Law to governmental bodies and to private entities created by a public entity. Accord AGO 00-08 (“a board or commission created by a public agency or entity is subject to section 286.011, Florida Statutes”).

For example, in AGO 04-44, the Attorney General advised that a nonprofit corporation established by state law to manage corrections work programs of the Department of Corrections, was subject to the Sunshine Law. And see AGOs 98-42 (association legislatively designated as the governing organization of athletics in Florida public schools), 97-17 (not-for-profit corporation created by a city redevelopment agency to assist in the implementation of its redevelopment plan), and 16-01 and 98-01 (board of trustees of an insurance trust fund created pursuant to collective bargaining agreement between a city and the employee union). Cf. s. 20.41(6) and (8), F.S., providing that area agencies on aging, described as “nongovernmental, independent, not-for-profit corporations” are “subject to [the Public Records Act], and, when considering any contracts requiring the expenditure of funds, are subject to ss. 286.011-286.012, relating to public meetings.”

b. Private entities providing services to public agencies

Much of the litigation regarding the application of the open government laws to private organizations doing business with public agencies has been in the area of public records, and the courts have often looked to Ch. 119, F.S., in determining the applicability of the Sunshine Law. See *Cape Coral Medical Center, Inc. v. News-Press Publishing Company, Inc.*, 390 So. 2d 1216, 1218n.5 (Fla. 2d DCA 1980) (inasmuch as the policies behind Ch. 119, F.S., and s. 286.011, F.S., are similar, they should be read together); *Wood v. Marston*, 442 So. 2d 934, 938 (Fla. 1983); and *Krause v. Reno*, 366 So. 2d 1244, 1252 (Fla. 3d DCA 1979).

As the courts have emphasized in analyzing the application of Ch. 119, F.S., to entities doing business with governmental agencies, the mere receipt of public funds by private corporations, is not, standing alone, sufficient to bring the organization within the ambit of the open government requirements. See, e.g., *News and Sun-Sentinel Company v. Schwab, Twitty & Hanser Architectural Group, Inc.*, 596 So. 2d 1029 (Fla. 1992) (records of private architectural firm not subject to Ch. 119, F.S., merely because firm contracted with school board).

Similarly, a private corporation performing services for a public agency and receiving compensation for such services is not by virtue of this relationship alone subject to the Sunshine Law unless the public agency’s governmental or legislative functions have been delegated to it. *McCoy Restaurants, Inc. v. City of Orlando*, 392 So. 2d 252 (Fla. 1980) (airlines are not by virtue of their lease with the aviation authority public representatives subject to the Sunshine Law); and AGO 98-47 (Sunshine Law does not apply to private nongovernmental organization when the organization counsels and advises private business concerns on their participation in a federal loan program made available through a city). Cf. AGO 80-45 (the receipt of Medicare, Medicaid, government grants and loans, or similar funds by a private nonprofit hospital does not, standing alone, subject the hospital to the Sunshine Law); and Inf. Op. to Gaetz and Coley, December 17, 2009 (mere receipt of federal grant does not subject private economic development organization to Sunshine Law).

However, although private entities are generally not subject to the Sunshine Law simply because they do business with public agencies, the Sunshine Law can apply if a public entity has delegated “the performance of its public purpose” to a private entity. *Memorial Hospital-West Volusia, Inc. v. News-Journal Corporation*, 729 So. 2d 373, 382-383 (Fla. 1999). Accord *National*

Council on Compensation Insurance v. Fee, 219 So. 3d 172, 180 (Fla. 1st DCA 2017).

For example, in *Keesler v. Community Maritime Park Associates, Inc.*, 32 So. 3d 659, 660 (Fla. 1st DCA 2010), *review denied*, 47 So. 3d 1289 (Fla. 2010), the court deemed it “undisputed” that a not-for-profit corporation charged by the City of Pensacola with overseeing the development of public waterfront property “is subject to the requirements of the Sunshine Law.”

In accordance with these principles, the Attorney General’s Office has found meetings of the following entities to be subject to the Sunshine Law: Family Services Coalition, Inc., board of directors, performing services for the Department of Children and Families which services would normally be performed by the department, AGO 00-03; Astronauts Memorial Foundation when performing duties funded under the General Appropriations Act, AGO 96-43; nonprofit organization designated by county to fulfill role of county’s dissolved cultural affairs council, AGO 98-49; nonprofit corporation specifically created to contract with county for operation of a public golf course on county property acquired by public funds, AGO 02-53; downtown redevelopment task force which, although not appointed by city commission, stood in place of the city commission when considering downtown improvement issues, AGO 85-55; and a private nonprofit corporation, if the county accepts the corporation’s offer to review, recodify, and prepare draft amendments to the county zoning code, AGO 83-95. *Cf. Inf. Op. to Bedell*, December 28, 2005 (private nonprofit organization which entered into an agreement with a city to operate a theater, received city funding in the form of a loan for this purpose, and leased property from the city, should comply with the Sunshine Law when holding discussions or making decisions regarding the theater).

By contrast, the First District determined a national insurance rating organization with statutory responsibility to file proposals for changes in Florida rates was not subject to the Sunshine Law. The court determined that the state insurance agency retained the responsibility to approve or disapprove rates and “did not delegate any authority to carry out an agency function required to be performed in the sunshine.” *National Council on Compensation Insurance v. Fee*, 219 So. 3d 172, 180 (Fla. 1st DCA 2017). *And see Memorial Hospital-West Volusia, Inc. v. News-Journal Corporation*, 927 So. 2d 961 (Fla. 5th DCA 2006), in which the Fifth District applied the “totality of factors” test set forth in *News and Sun-Sentinel Co. v. Schwab, Twitty & Hanser Architectural Group, Inc.*, 596 So. 2d 1029 (Fla. 1992), and determined that a private corporation that purchased a hospital it had previously leased from a public hospital authority was not “acting on behalf of” a public agency and therefore was not subject to the Public Records Act or the Sunshine Law.

c. Application of the Sunshine Law to specific private entities

(1) Direct-support organizations

In AGO 05-27, after reviewing the responsibilities of a nonprofit corporation created pursuant to statute as a direct-support organization and the organization’s relationship to the public agency, the Attorney General’s Office concluded that the organization was subject to the Sunshine Law. *See also Inf. Op. to Chimento*, June 27, 1990 (Sunshine Law applies to school district direct-support organizations created pursuant to statute; although the direct-support organizations “constitute private nonprofit corporations, they seek to assist the district school board in carrying out its functions of meeting the educational needs of the students in the county”). *And see AGOs 92-53* (John and Mable Ringling Museum of Art Foundation, Inc., established pursuant to statute as a not-for-profit corporation to assist the museum in carrying out its functions subject to Sunshine Law), and 11-01 (Sunshine Law applies to Biscayne Park Foundation, Inc., created as a nonprofit foundation to act as an instrumentality on behalf of the Village of Biscayne Park and intended to enhance the Village’s opportunities to raise monies through special events, sponsorships, donations, and grants for the Village).

The Legislature has specifically exempted portions of meetings of some direct-support

organizations. For example, any portion of a meeting of the board of directors of a university direct-support organization, or of the executive committee or other committee of the board, at which any proposal seeking research funding from the organization or a plan or program for either initiating or supporting research is discussed is exempt from s. 286.011, F.S. Section 1004.28(5)(c), F.S. *See also* s. 292.055(9), F.S. (portions of meetings of Department of Veterans' Affairs direct-support organization during which the identity of a donor or potential donor who wishes to remain anonymous is discussed are exempt).

(2) Economic development organizations

Several Attorney General Opinions have considered whether the Sunshine Law applies to private economic development organizations. These opinions have concluded that the Sunshine Law applies when there has been a delegation of a public agency's authority to conduct public business such as carrying out the terms of the county's economic development strategic plan. AGO 10-30. *See also* AGO 10-44 (Sunshine Law applies to nonprofit corporation delegated authority to carry out the terms of the county's green economic development plan). *Compare* Inf. Op. to Gaetz and Coley, December 17, 2009 (open government laws did not apply to private economic development corporation since no delegation of a public agency's governmental function was apparent and the corporation did not appear to play an integral part in the decision-making process of the agency). *Cf. Economic Development Commission v. Ellis*, 178 So. 3d 118, 123 (Fla. 5th DCA 2015) (trial court erred by using the "delegation of function" test to conclude that a private entity under contract with a county to provide economic development services was subject to the Public Records Act because there was "not a clear, compelling, complete delegation of a governmental function" to the entity; instead, the court should have used the "totality of factors" test to make this determination). For more information on the "delegation of function" and "totality of factors" tests, please refer to the discussion on pages 58-62.

(3) Homeowners' associations

The Sunshine Law does not generally apply to meetings of a homeowners' association board of directors. Inf. Op. to Fasano, June 7, 1996. Other statutes govern access to records and meetings of these associations. *See, e.g.*, s. 720.303(2), F.S. (homeowners' association board of directors); s. 718.112(2)(c), F.S. (condominium board of administration); s. 719.106(1)(c), F.S. (cooperative board of administration); and s. 723.078(2)(c), F.S. (mobile home park homeowners' association board of directors). *Cf.* AGOs 99-53 (an architectural review committee of a homeowners' association is subject to the Sunshine Law where that committee, pursuant to county ordinance, must review and approve applications for county building permits), and 07-44 (property owners association subject to open government laws when acting on behalf of a municipal services taxing unit).

(4) Political parties

Meetings of political parties are not subject to s. 286.011, F.S. Inf. Op. to Armesto, September 18, 1979.

(5) Volunteer fire departments

In AGO 04-32, the Attorney General advised that boards of directors of volunteer fire departments that provide firefighting services to the county and use facilities and equipment acquired with county funds are subject to the Sunshine Law. *Cf.* AGO 00-08 (meetings of Lee County Fire Commissioner's Forum, a nonprofit corporation created by fire districts operating in Lee County, at which two or more members of the same district board discuss matters that may foreseeably come before the board for official action are subject to the Sunshine Law). *And see Schwartzman v. Merritt Island Volunteer Fire Department*, 352 So. 2d 1230 (Fla. 4th DCA 1977), *cert. denied*, 358 So. 2d 132 (Fla. 1978) (private nonprofit volunteer fire department, which had been given stewardship over firefighting, which conducted its activities on county-owned property, and which was funded in part by public money, was an "agency" for purposes of the

Public Records Act, and its membership files, minutes of its meetings and charitable activities were subject to disclosure).

12. Staff member or public official also serving as member of public board

In some cases, staff members or public officials also serve as members of public boards. If so, discussions between those board members that involve matters which foreseeably could come before the board must be held in the Sunshine. For example, a 1993 Attorney General Opinion concluded that communications between the sheriff and the state attorney, as members of the county's criminal justice commission, would be subject to the Sunshine Law when such discussions involve matters which foreseeably would come before the commission. AGO 93-41. Cf. AGO 11-04, noting that if the state attorney and sheriff elect to appoint individuals to serve on a county criminal justice commission in the place of each officer, as authorized by county ordinance, neither the state attorney nor the sheriff would be a member of the commission so as to make these communications subject to the Sunshine Law. *See now*, s. 286.01141, F.S. (2013), creating a Sunshine Law exemption for that portion of a meeting of a duly constituted local advisory criminal justice commission at which members of the commission discuss active criminal intelligence or investigative information that is currently being considered by or which may foreseeably come before the commission, provided that public disclosure of the discussion is made at any public meeting of the commission at which the matter is being considered.

However, the Sunshine Law is applicable only to discussions of matters which may foreseeably come before the board. For example, the Sunshine Law would not apply to meetings between the mayor and city commissioners where a mayor performs the duties of city manager and the city commissioners individually serve as the head of a city department when the meeting is held solely by these officers in their capacity as department heads for the purpose of coordinating administrative and operational matters between executive departments of city government for which no formal action by the governing body is required or contemplated. Those matters which normally come before, or should come before, the city commission for discussion or action, however, must not be discussed at such meetings. AGO 81-88. *Accord* AGOs 83-70 and 75-210 (mayor may discuss matters with individual city council member which concern his or her administrative functions and would not come before the council for consideration and further action).

Similarly, the Sunshine Law would not apply to a school faculty meeting simply because two or more members of school advisory council who are also faculty members attend the faculty meeting as long as council members refrain from discussing matters that may come before the council for consideration. Inf. Op. to Hughes, February 17, 1995; and Inf. Op. to Boyd, March 14, 1994.

C. WHAT MEETINGS OF MEMBERS OF BOARDS ARE COVERED? APPLICATION OF THE SUNSHINE LAW TO:

1. Board members attending meetings or serving as members of another public board

a. Board members attending meetings of another public board

Several Attorney General Opinions have considered whether one or more members of a board may attend or participate in a meeting of another public board. For example, in AGO 99-55, the Attorney General's Office said that a school board member could attend and participate in the meeting of an advisory committee appointed by the school board without prior notice of his or her attendance. However, the opinion cautioned that "if it is known that two or more members of the school board are planning to attend and participate, it would be advisable to note their attendance in the advisory committee meeting notice."

Moreover, while recognizing that commissioners may attend meetings of a second public board and comment on agenda items that may subsequently come before the commission for final action, the Attorney General Opinions have also advised that if more than one "commissioner is in attendance at such a meeting, no discussion or debate may take place among the commissioners

on those issues.” AGO 00-68. *Accord* AGO 98-79 (city commissioner may attend a public community development board meeting held to consider a proposed city ordinance and express his or her views on the proposed ordinance even though other city commissioners may be in attendance; however, the city commissioners in attendance may not engage in a discussion or debate among themselves because “the city commission’s discussions and deliberations on the proposed ordinance must occur at a duly noticed city commission meeting”). *See also* AGOs 05-59 and 77-138.

b. Board members serving as members of another public board

Board members who also serve on a second public board may participate in the public meetings of the second board held in accordance with s. 286.011, F.S., and express their opinions without violating the Sunshine Law. AGO 07-13. In other words, “when two county commissioners are presently serving on [a regional planning] council this does not turn a meeting of the planning council into a county commission meeting, and the Sunshine Law does not require any additional or different notice of planning council meetings because of the presence of these county commission members.” *Id.* Similarly, AGO 98-14 concluded that membership of three city council members on the metropolitan planning organization did not turn a council meeting into a metropolitan planning organization meeting that required separate notice. Because, however, the discussion of metropolitan planning organization matters was planned for the council meeting, the city council had properly included mention of such items in its notice of the council meeting.

Similarly, in AGO 91-95, the Attorney General’s Office concluded that a county commissioner may attend and participate in the discussion at a public meeting held by the governing board of a county board on which another commissioner serves. However, “in an effort to satisfy the spirit of the Sunshine Law,” the opinion also recommended that the published notice of the county board “include mention of the anticipated attendance and participation of county commission members in board proceedings.” *Id.*

2. Board member meeting with his or her alternate

Since the alternate is authorized to act only in the absence of a board or commission member, there is no meeting of two individuals who exercise independent decision-making authority at the meeting. There is, in effect, only one decision-making official present. Therefore, a meeting between a board member and his or her alternate is not subject to the Sunshine Law. AGO 88-45.

3. Community forums sponsored by private organizations

A “Candidates’ Night” sponsored by a private organization at which candidates for public office, including several incumbent city council members, will speak about their political philosophies, trends, and issues facing the city, is not subject to the Sunshine Law unless the council members discuss issues coming before the council among themselves. AGO 92-05. *Compare* Inf. Op. to Jove, January 12, 2009, concluding that a public forum hosted by a city council member with city council members invited to attend and participate in the discussion would be subject to s. 286.011, F.S.

Similarly, in AGO 94-62, the Attorney General’s Office concluded that the Sunshine Law does not apply to a political forum sponsored by a private civic club during which county commissioners express their position on matters that may foreseeably come before the commission, so long as the commissioners avoid discussions among themselves on these issues. *And see* AGO 08-18 (participation by two city council members in a citizens police academy does not violate the Sunshine Law; “[t]he educational course is not changed into a meeting of a board or commission . . . by the attendance and participation of members of the city council in the course work of the academy”).

However, caution should be exercised to avoid situations in which private political or

community forums may be used to circumvent the statute's requirements. AGO 94-62. *See Town of Palm Beach v. Gradison*, 296 So. 2d 473, 477 (Fla. 1974) (Sunshine Law must be construed "so as to frustrate all evasive devices"). For example, in *State v. Foster*, 12 F.L.W. Supp. 1194a (Fla. Broward Co. Ct. September 26, 2005), the court rejected the argument that the Sunshine Law permitted city commissioners to attend a private breakfast meeting at which the sheriff spoke and the commissioners individually questioned the sheriff but did not direct comments or questions to each other. The court denied the commissioners' motion for summary judgment and ruled that the discussion should have been held in the Sunshine because the sheriff was a "common facilitator" who received comments from each commissioner in front of the other commissioners.

More recently, members of a city planning and zoning commission violated the Sunshine Law when they participated in discussions at meetings of a community improvement organization which involved planning and zoning matters. *City of Bradenton Beach v. Metz*, No. 2017 CA 003581 (Fla. 12th Cir. Ct. August 9, 2019). The trial judge found that the commissioners' participation in the discussions was particularly troubling because they continued to attend, despite Sunshine Law concerns expressed by the city attorney.

4. Confidential records discussions

The Florida Supreme Court has stated that in the absence of a statute exempting a meeting in which privileged material is discussed, s. 286.011, F.S., should be construed as containing no exceptions. *City of Miami Beach v. Berns*, 245 So. 2d 38 (Fla. 1971).

The Public Records Act was amended in 1991 after several district courts held that certain proceedings could be closed when considering confidential material. Section 119.07(7), F.S., provides that an exemption from s. 119.07, F.S., "does not imply an exemption from s. 286.011. The exemption from s. 286.011 must be expressly provided." Thus, exemptions from the Public Records Act do not by implication allow a public agency to close a meeting where exempt records are to be discussed in the absence of a specific exemption from the Sunshine Law. *See* AGOs 10-04 and 91-75 (school board), 04-44 (PRIDE), 93-41 (county criminal justice commission), and 91-88 (pension board).

For example, while s. 288.075(2), F.S., allows a private corporation to request confidentiality for certain records relating to a planned corporate relocation to Florida, this exemption "applies only to records and does not constitute an exemption from the provisions of the Government in the Sunshine Law . . ." AGO 04-19. *Accord* AGO 80-78 and Inf. Op. to Rooney, June 8, 2011.

In AGO 05-03, the Attorney General advised that a federal law prohibiting disclosure of certain identifying information did not authorize a state committee to close its meetings, although the committee should take steps to ensure that identifying information is not disclosed at such meetings. *And see* AGO 12-20 (county transportation board designated as "appropriate local official" authorized by statute to receive and investigate whistle-blower complaints must comply with the open meetings requirements in the Sunshine Law; however, the board must also "protect the confidential information it is considering at a meeting and must not disclose the name of the whistle-blower unless one of the specific circumstances listed in the statute is present). *Cf.* AGO 96-40 (town may not require a complainant to sign a waiver of confidentiality before accepting a whistle-blower's complaint for processing since the Legislature has provided for confidentiality of the whistle-blower's identity).

Similarly, in AGO 96-75 the Attorney General's Office advised that since under s. 286.011(8), F.S., the transcript of a closed attorney-client session is open to public inspection once the litigation is concluded, the city and its attorney should be sensitive to any discussions of confidential medical reports during such a meeting and take precautions to protect the confidentiality of such medical reports so that when the transcript is opened for inspection, the privacy of the employee will not be breached) *Compare Everglades Law Center, Inc. v. South Florida Water Management District*, 44 F.L.W. D2356 (Fla. 4th DCA September 18, 2019), noting that

the statements made in AGO 96-75, regarding taking steps to protect confidentiality and privacy applied to “an *individual’s* medical record in the context of a workers’ compensation claim,” and did not address “the confidentiality of mediation communications involving information regarding *multiple* persons,” these mediation communications are confidential pursuant to ss. 44.102(3) and 44.405(3), F.S., and should be redacted from the full public transcript). [Emphasis supplied by the court].

5. E-mail, text messages, and other written communications between board members

The Sunshine Law requires boards to meet in public; boards may not take action on or engage in private discussions of board business via written correspondence, e-mails, text messages, or other electronic communications. Thus, members of an advisory committee created to make recommendations to the superintendent on school attendance boundaries violated the Sunshine Law when they exchanged private electronic communications (emails and Facebook messages) relating to committee business. *Linares v. District School Board of Pasco County*, No. 17-00230 (Fla. 6th Cir. Ct. January 10, 2018). *See also* AGO 89-39 (members of a public board may not use computers to conduct private discussions among themselves about board business).

Similarly, city commissioners may not use an electronic newsletter to communicate among themselves on issues that foreseeably may come before the commission. *Inf. Op. to Syrkus*, October 31, 2000. *And see* AGO 09-19 (members of a city board or commission may not engage on the city’s Facebook page in an exchange or discussion of matters that foreseeably will come before the board or commission for official action); and *Inf. Op. to Martelli*, July 20, 2009 (authority should discuss business at publicly noticed meetings “rather than in a series of letters between authority members”). *Cf. Inf. Op. to Galaydick*, October 19, 1995 (school board members may share laptop computer even though computer’s hard drive contains information reflecting ideas of an individual member as long as computer is not being used as a means of communication between members).

Thus, a procedure whereby a board takes official action by circulating a memorandum for each board member to sign whether the board member approves or disapproves of a particular issue, violates the Sunshine Law. *Inf. Op. to Blair*, May 29, 1973. *And see Leach-Wells v. City of Bradenton*, 734 So. 2d 1168, 1171 (Fla. 2d DCA 1999) (selection committee created by city council to evaluate proposals violated the Sunshine Law when the city clerk unilaterally ranked the proposals based on the committee members’ individual written evaluations; the court held that “the short-listing was formal action that was required to be taken at a public meeting”); *Schweickert v. Citrus County Port Authority*, No. 12-CA-1339 (Fla. 5th Cir. Ct. September 30, 2013) (ad hoc committee appointed by board violated the Sunshine Law when the members submitted individual written evaluations of the proposals to the staff, which then compiled the scores and ranked the proposals for submission to the board; the committee should have ranked the proposals at a public meeting); and AGO 93-90 (board not authorized to use employee evaluation procedure whereby individual board members send their individual written comments to the board chair for compilation and subsequent private discussion with the employee). *Compare Carlson v. Department of Revenue*, 227 So. 3d 1261 (Fla. 1st DCA 2017) (state agency “evaluation team” members who individually evaluated competing proposals, individually assigned scores, and individually submitted their scores for consideration by others, did not take “formal action” and thus were not obligated to conduct a meeting subject to the Sunshine Law).

However, a commissioner may send a written report to other commissioners on a subject that will be discussed at a public meeting without violating the Sunshine Law, if prior to the meeting, there is no interaction related to the report among the commissioners and the report, which must be maintained as a public record, is not being used as a substitute for action at a public meeting. AGO 89-23. *And see* AGO 01-20 (e-mail communication of information from one council member to another is a public record but does not constitute a meeting subject to the Sunshine Law when it does not result in the exchange of council members’ comments or responses on subjects involving foreseeable action by the council). *Cf. Inf. Op. to Kessler*,

November 14, 2007 (procedural rule requiring county commissioner to make a written request to commission chair to withdraw an item from the consent agenda does not violate the Sunshine Law).

If, on the other hand, the report is circulated among board members for comments with such comments being provided to other members, there is interaction among the board members which is subject to s. 286.011, F.S. AGO 90-03. Similarly, in AGO 96-35, the Attorney General's Office concluded that while a school board member may prepare and circulate an informational memorandum or position paper to other board members, the use of a memorandum to solicit comments from other board members or the circulation of responsive memoranda by other board members would violate the Sunshine Law. "Such action would be equivalent to private meetings discussing the public business through the use of memoranda without allowing an opportunity for public input." *Id.*

In addition, the Attorney General's Office stated that while it is not a "direct violation" of the Sunshine Law for members to circulate their own written position papers on the same subject as long as the board members avoid any discussion or debate among themselves except at an open public meeting, this practice is "strongly discourage[d]." AGO 07-35. *See also* AGO 01-21 (city council's discussions and deliberations on matters coming before the council must occur at a duly noticed city council meeting and the circulation of position statements must not be used to circumvent the requirements of the statute); AGO 08-07 (city commissioner may post comment regarding city business on blog or message board; however, any subsequent postings by other commissioners on the subject of the initial posting could be construed as a response subject to the Sunshine Law); and Inf. Op. to Jove, January 22, 2009 (posting of anticipated vote on blog).

6. Fact-finding or inspection trips

The Sunshine Law does not prohibit *advisory* boards from conducting inspection trips provided that the board members do not discuss matters which may come before the board for official action. *See Bigelow v. Howze*, 291 So. 2d 645 (Fla. 2d DCA 1974); and AGO 02-24 (two or more members of an advisory group created by a city code to make recommendations to the city council or planning commission on proposed development may conduct vegetation surveys without subjecting themselves to the requirements of the Sunshine Law, provided that they do not discuss among themselves any recommendations or comments the committee may make).

The "fact-finding exception" to the Sunshine Law, however, does not apply to a board with "ultimate decision-making authority." *See Finch v. Seminole County School Board*, 995 So. 2d 1068 (Fla. 5th DCA 2008), holding that a district school board, as the ultimate decision-making body, violated the Sunshine Law when the board, together with school officials and members of the media, took a bus tour of neighborhoods affected by the board's proposed rezoning even though board members were separated from each other on the bus, did not express any opinions or their preference for any of the rezoning plans, and did not vote during the trip. *See also Citizens for Sunshine, Inc. v. School Board of Martin County*, 125 So. 3d 184 (Fla. 4th DCA 2013) (three school board members violated the Sunshine Law when they visited an adult education school and talked with a school administrator, teachers, and students, because the "undisputed evidence showed that the defendant board members, without providing notice, conducted a meeting at the adult education school relating to matters on which foreseeable action would have been taken."). *Cf. Citizens for Sunshine v. City of Sarasota*, No. 2013 CA 007532 (Fla. 12th Cir. Ct. July 8, 2016), *aff'd sub nom. Citizens for Sunshine, Inc. v. Chapman*, 225 So. 3d 810 (Fla. 2d DCA 2017), in which the trial judge held that a city commissioner did not violate the Sunshine Law when she spoke about city commission issues at a private event organized by local merchants even though another commissioner was in the audience, noting that "one cannot harmonize *Finch* with the large body of Florida law that defines 'meetings' under the Sunshine Law as gatherings of members of a governmental entity for the purpose of dialogue, decision, and action about a subject within the entity's purview."

7. Informal discussions, workshops, organizational sessions, election of officers

The Sunshine Law extends to the discussions and deliberations as well as the formal action taken by a public board or commission. There is no requirement that a quorum be present or that an item be listed on a board agenda in order for a meeting of members of a public board or commission to be subject to s. 286.011, F.S. As the Florida Supreme Court said, “collective inquiry and discussion stages” are embraced within the terms of the statute. *Town of Palm Beach v. Gradison*, 296 So. 2d 474, 477 (Fla. 1974).

Accordingly, the law is applicable to any gathering, whether formal or casual, of two or more members of the same board or commission to discuss some matter on which foreseeable action will be taken by the public board or commission. *Sarasota Citizens for Responsible Government v. City of Sarasota*, 48 So. 3d 755, 764 (Fla. 2010). And see *City of Miami Beach v. Berns*, 245 So. 2d 38 (Fla. 1971); and *Board of Public Instruction of Broward County v. Doran*, 224 So. 2d 693 (Fla. 1969).

It is the how and the why officials decided to so act which interests the public, not merely the final decision. As the court recognized in *Times Publishing Company v. Williams*, 222 So. 2d 470, 473 (Fla. 2d DCA 1969), *disapproved in part on other grounds*, *Neu v. Miami Herald Publishing Company*, 462 So. 2d 821 (Fla. 1985):

Every thought, as well as every affirmative act, of a public official as it relates to and is within the scope of his official duties, is a matter of public concern; and it is the entire decision-making process that the legislature intended to affect by the enactment of the statute before us.

Thus, two members of a civil service board violated the Sunshine Law when they held a private discussion about a pending employment appeal during a recess of a board meeting. *Citizens for Sunshine, Inc. v. City of Sarasota*, No. 2010CA4387NC (Fla. 12th Cir. Ct. February 27, 2012). Similarly, the Attorney General’s Office advised that the following gatherings are subject to the Sunshine Law: a public forum hosted by a city council member with city council members invited to attend and participate in the discussion, Inf. to Jove, January 12, 2009; “executive work sessions” held by a board of commissioners of a housing authority to discuss policy matters, AGO 76-102; “workshop meetings” of a planning and zoning commission, AGO 74-94; and “conference sessions” held by a town council before its regular meetings, AGO 74-62. Cf. AGO 04-58 (“coincidental unscheduled meeting of two or more county commissioners to discuss emergency issues with staff” during a declared state of emergency is not subject to s. 286.011 if the issues do not require action by the county commission); and Inf. Op. to Spencer, April 23, 2003 (where city charter provides that special meeting of the council may be called by three members of the council, Sunshine Law is not violated if three members call a special meeting; “[t]he members must, however, be mindful not to discuss substantive issues which may come before the council in their consideration of whether a special meeting is necessary”).

Similarly, the Sunshine Law applies to an organizational session of a board. *Ruff v. School Board of Collier County*, 426 So. 2d 1015 (Fla. 2d DCA 1983). Discussions between two members of a three-member complaint review board regarding their selection of a third member are subject to s. 286.011, F.S. AGO 93-79. Additionally, the Sunshine Law is applicable to meetings held to elect officers of the board. AGOs 72-326 and 71-32 (boards may not use secret ballots to elect officers).

The Sunshine Law is, therefore, applicable to all functions of covered boards and commissions, whether formal or informal, which relate to the affairs and duties of the board or commission. “[T]he Sunshine Law does not provide that cases be treated differently based upon their level of public importance.” *Monroe County v. Pigeon Key Historical Park, Inc.*, 647 So. 2d 857, 868 (Fla. 3d DCA 1994). See, e.g., Inf. Op. to Nelson, May 19, 1980 (meeting with congressman and city council members to discuss “federal budgetary matters which vitally

concern their communities” should be held in the sunshine because “it appears extremely likely that discussion of public business by the council members [and perhaps decision making] will take place at the meeting”).

8. Investigative meetings

The Sunshine Law is applicable to investigative inquiries of public boards or commissions. The fact that a meeting concerns alleged violations of laws or regulations does not remove it from the scope of the law. AGO 74-84; and *Canney v. Board of Public Instruction of Alachua County*, 278 So. 2d 260 (Fla. 1973).

A number of statutory exemptions to the Sunshine Law have been enacted to close meetings of some agencies (usually state agencies) when those agencies are making investigatory determinations. For example, s. 112.324(2)(c)(d) and (e), F.S., provides that any proceeding related to a complaint, referral, or preliminary investigation conducted by the Commission on Ethics or other specified entities is exempt from open meetings requirements until the complaint is dismissed as legally insufficient, the alleged violator requests in writing that the proceedings be made public, the Commission on Ethics determines that it will not investigate a referral, or until the Commission or other specified entity determines whether probable cause exists to believe that a violation has occurred. *Compare* ss. 455.225(4) and 456.073(4), F.S. (meetings of probable cause panels of the Department of Business and Professional Regulation and Department of Health exempt from Sunshine Law until 10 days after probable cause is found to exist or until confidentiality is waived by subject of investigation).

9. Litigation meetings

In the absence of a legislative exemption, discussions between a public board and its attorney are subject to s. 286.011, F.S. *Neu v. Miami Herald Publishing Company*, 462 So. 2d 821 (Fla. 1985) (s. 90.502, F.S., providing for the confidentiality of attorney-client communications under the Florida Evidence Code, does not create an exemption for attorney-client communications at public meetings; application of the Sunshine Law to such discussions does not usurp Supreme Court’s constitutional authority to regulate the practice of law, nor is it at odds with Florida Bar rules providing for attorney-client confidentiality). *Cf.* s. 90.502(6), F.S., stating that a discussion or activity that is not a meeting for purposes of s. 286.011, F.S., shall not be construed to waive the attorney-client privilege. *And see Florida Parole and Probation Commission v. Thomas*, 364 So. 2d 480 (Fla. 1st DCA 1978), stating that all decisions taken by legal counsel to a public board need not be made or approved by the board; thus, the decision to appeal made by legal counsel after private discussions with the individual members of the board did not violate s. 286.011, F.S.

There are statutory exemptions, however, which apply to some discussions of pending litigation between a public board and its attorney.

a. Settlement negotiations or strategy sessions related to litigation expenditures

Section 286.011(8), F.S., provides:

Notwithstanding the provisions of subsection (1), any board or commission of any state agency or authority or any agency or authority of any county, municipal corporation, or political subdivision, and the chief administrative or executive officer of the governmental entity, may meet in private with the entity’s attorney to discuss pending litigation to which the entity is presently a party before a court or administrative agency, *provided* that the following conditions are met:

- (a) The entity’s attorney shall advise the entity at a public meeting that he or she desires advice concerning the litigation.
- (b) The subject matter of the meeting shall be confined to settlement negotiations or strategy sessions related to litigation expenditures.

- (c) The entire session shall be recorded by a certified court reporter. The reporter shall record the times of commencement and termination of the session, all discussion and proceedings, the names of all persons present at any time, and the names of all persons speaking. No portion of the session shall be off the record. The court reporter's notes shall be fully transcribed and filed with the entity's clerk within a reasonable time after the meeting.
- (d) The entity shall give reasonable public notice of the time and date of the attorney-client session and the names of persons who will be attending the session. The session shall commence at an open meeting at which the persons chairing the meeting shall announce the commencement and estimated length of the attorney-client session and the names of the persons attending. At the conclusion of the attorney-client session, the meeting shall be reopened, and the person chairing the meeting shall announce the termination of the session.
- (e) The transcript shall be made part of the public record upon conclusion of the litigation. (e.s.)

(1) Strict compliance with statutory conditions

It has been held that the Legislature intended a strict construction of s. 286.011(8), F.S. *City of Dunnellon v. Aran*, 662 So. 2d 1026 (Fla. 5th DCA 1995). "The clear requirements of the statute are neither onerous nor difficult to satisfy." *Id.* at 1027. *Accord School Board of Duval County v. Florida Publishing Company*, 670 So. 2d 99 (Fla. 1st DCA 1996).

While section 286.011(8), F.S., does not specify who calls the closed attorney-client meeting, it requires that the governmental entity's attorney "shall advise the entity at a public meeting that he or she desires advice concerning the litigation." Thus, the exemption merely provides a governmental entity's attorney an opportunity to receive necessary direction and information from the governmental entity regarding pending litigation. AGO 04-35. Accordingly, one of the conditions that must be met prior to holding a closed attorney-client meeting is that the city attorney must indicate to the city council at a public meeting that he or she wishes the advice of the city council regarding the pending litigation to which the city is presently a party before a court or administrative agency. Inf. Op. to Vock, July 11, 2001. "If the city attorney does not advise the city council at a public meeting that he or she desires the council's advice regarding the litigation, the city council is not precluded from providing such advice to the city attorney but it must do so at a public meeting." *Id.*

The requirement that the board's attorney advise the board at a public meeting that he or she desires advice concerning litigation is not satisfied by a previously published notice of the closed session; such an announcement must be made at a public meeting of the board. AGO 04-35. The request may be made during a special meeting provided that the special meeting at which the request is made is open to the public, reasonable notice has been given, and minutes are taken. AGO 07-31.

In *City of Dunnellon v. Aran*, *supra*, the court said that a city council's failure to announce the names of the lawyers participating in a closed attorney-client session violated the Sunshine Law. The court rejected the city's claim that when the mayor announced that attorneys hired by the city would attend the session (but did not give the names of the individuals), his "substantial compliance" was sufficient to satisfy the statute. *Cf. Zorc v. City of Vero Beach*, 722 So. 2d at 901, noting that deviation from the agenda at an attorney-client session is not authorized; while such deviation is permissible if a *public* meeting has been properly noticed, "there is no case law affording the same latitude to deviations in closed door meetings."

(2) Permitted discussions during closed session

Section 286.011(8)(b), F.S., states that the subject matter of the meeting shall be confined to settlement negotiations or strategy sessions related to litigation expenditures. If a board goes beyond the "strict parameters of settlement negotiations and strategy sessions related to litigation

expenditures” and takes “decisive action,” a violation of the Sunshine Law results. *Zorc v. City of Vero Beach*, 722 So. 2d at 900. *And see* AGO 99-37 (closed-meeting exemption may be used only when the attorney for a governmental entity seeks advice on settlement negotiations or strategy relating to litigation expenditures; such meetings should not be used to finalize action or discuss matters outside these two narrowly prescribed areas). *Accord* AGO 04-35.

Section 286.011(8), F.S., “simply provides a governmental entity’s attorney an opportunity to receive necessary direction and information from the government entity. No final decisions on litigation matters can be voted on during these private, attorney-client strategy meetings. The decision to settle a case, for a certain amount of money, under certain conditions is a decision which must be voted upon in a public meeting.” *School Board of Duval County v. Florida Publishing Company*, 670 So. 2d 99, 100 (Fla. 1st DCA 1996), quoting Staff of Fla. H.R. Comm. on Gov’t Operations, CS/HB 491 (1993) Final Bill Analysis & Economic Impact Statement 2 (Fla. State Archives), at 3.

Thus, “[t]he settlement of a case is exactly that type of final decision contemplated by the drafters of section 286.011(8) which must be voted upon in the sunshine.” *Zorc v. City of Vero Beach*, 722 So. 2d at 901. *Accord* AGO 08-17 (any action to approve a settlement or litigation expenditures must be voted on in a public meeting).

Accordingly, a court found that a city did not comply with s. 286.011(8), F.S., when it held closed meetings that “covered a wide range of political and policy issues not connected to” settlement of pending litigation regarding a comprehensive plan amendment or litigation expenses relating to the pending cases which at that point were on appeal. “While some of the discussion at these meetings did in fact involve the costs associated with the pending litigation, by and large the meetings pertained to finding a way to readopt the comprehensive plan amendment that had been invalidated by the court and to avoid future litigation regarding the readopted amendment.” *Anderson v. City of St. Pete Beach*, 161 So. 3d 548, 553 (Fla. 2d DCA 2014).

Similarly, a city council violated the Sunshine Law where the “great majority” of the discussion at an attorney-client session concerned the specifics of a proposed amendment to the city’s trespass ordinance which was designed to address concerns expressed in a federal court decision finding the ordinance to be unconstitutional. *City of St. Petersburg v. Wright*, 241 So. 3d 903 (Fla. 2d DCA 2018). The participants at the closed meeting “did not limit themselves to discussing settlement or litigation expenditures” in the federal litigation. *Id. See also Freeman v. Times Publishing Company*, 696 So. 2d 427 (Fla. 2d DCA 1997) (discussion of methods or options to achieve continuing compliance with a long-standing federal desegregation mandate [such as whether to modify the boundaries of a school zone to achieve racial balance] must be held in the sunshine). *Compare Bruckner v. City of Dania Beach*, 823 So. 2d 167, 172 (Fla. 4th DCA 2002) (closed city commission meeting to discuss various options to settle a lawsuit involving a challenge to a city resolution, including modification of the resolution, authorized because the commission “neither voted, took official action to amend the resolution, nor did it formally decide to settle the litigation”).

(3) Entity involved in *pending* litigation

Section 286.011(8) permits an entity to use the exemption if the entity “is presently a party before a court or administrative agency” For example, a city council and its attorney may hold a closed-door meeting pursuant to this statute to discuss settlement negotiations or strategy related to litigation expenditures for pending litigation involving a workers’ compensation suit against the city because the system prescribed in ch. 440, F.S., “operates as a means of adjudicating workers’ compensation claims and would be considered litigation before an administrative agency.” AGO 96-75.

In *Brown v. City of Lauderhill*, 654 So. 2d 302 (Fla. 4th DCA 1995), the court said it could “discern no rational basis for concluding that a city is not a ‘party’ to pending litigation in

which it is the real party in interest.” *And see Zorc v. City of Vero Beach*, 722 So. 2d at 900 (city was presently a party to ongoing litigation by virtue of its already pending claims in bankruptcy proceedings); and AGOs 09-15 (exemption applicable when city is real party in interest of a pending lawsuit despite not being a named party at the time of the meeting), and 08-17 (health care district may hold a closed attorney-client meeting to discuss settlement negotiations and strategies related to litigation expenditures for pending litigation in which its wholly-owned subsidiary holding company is the named party).

Although the *Brown* decision established that the exemption could be used by a city that was a real party in interest on a claim involved in *pending* litigation, that decision does not mean that an agency may meet in executive session with its attorney where there is only the *threat* of litigation. *See* AGOs 04-35 and 98-21 (s. 286.011[8] exemption “does not apply when no lawsuit has been filed even though the parties involved believe litigation is inevitable”).

Similarly, s. 286.011(8), F.S. “may not be used to conduct a closed meeting during a mandatory arbitration proceeding, when there is no pending legal proceeding in a court or before an administrative agency.” AGO 13-17. *And see* AGOs 06-03 (exemption not applicable to pre-litigation mediation proceedings), 09-14 (exemption not applicable to discussion of terms of mediation in conflict resolution proceedings under the “Florida Governmental Conflict Resolution Act,” ss. 164.101-164.1061, F.S.), and 09-25 (town council which received pre-suit notice letter under the Bert J. Harris Act, s. 70.001, F.S., is not a party to pending litigation for purposes of s. 286.011[8], F.S.). and Inf. Op. to Barrett, February 17, 2016 (board not authorized to use exemption to discuss pending investigation and subpoena where there is no ongoing judicial or administrative proceeding).

(4) **Persons authorized to attend closed session**

Only those persons listed in the statutory exemption, *i.e.*, the entity, the entity’s attorney, the chief administrative officer of the entity, and the court reporter are authorized to attend a closed attorney-client session. Thus, other staff members, consultants, or officials are not allowed to be present. *School Board of Duval County v. Florida Publishing Company*, 670 So. 2d at 101. *See Zorc v. City of Vero Beach*, 722 So. 2d 891, 898 (Fla. 4th DCA 1998), *review denied*, 735 So. 2d 1284 (Fla. 1999) (city charter provision requiring that city clerk attend all council meetings does not authorize clerk to attend closed attorney-client session; municipality may not authorize what the Legislature has expressly forbidden); AGO 01-10 (clerk of court not authorized to attend); and AGO 09-52 (attorneys representing superintendent not authorized to attend closed session to discuss settlement of administrative action in which school board is the named party). *Cf.* AGO 95-06 (s. 286.011(8), F.S., does not authorize the temporary adjournment and reconvening of meetings in order for members who are attending such a session to leave the room and consult with others outside the meeting).

Since the entity’s attorney is permitted to attend the closed session, if the school board hires outside counsel to represent it in pending litigation, both the school board attorney and the litigation attorney may attend a closed session. AGO 98-06. *See Zorc v. City of Vero Beach*, 722 So. 2d at 898 (attendance of special counsel authorized). *And see* AGO 08-42 (qualified interpreters for the deaf are treated by the Americans with Disabilities Act as auxiliary aids in the nature of hearing aids and other assistive devices and may attend litigation strategy meetings of a board or commission to interpret for a deaf board member without violating section 286.011(8), F.S.). *Cf.* AGO 15-13 (mayor who is a voting member of the city council is not precluded from attending closed session relating to pending litigation in which city council is a party, even though plaintiffs have also sued the mayor in his individual capacity).

(5) **Determination of “conclusion” of the litigation**

Section 286.011(8)(e), F.S., provides that transcripts of closed meetings “shall be made part of the public record upon conclusion of the litigation.” *See* AGO 15-03 (transcript of a

litigation strategy session which was closed to the public while the litigation was ongoing became a public record once the litigation was concluded). *Cf. Everglades Law Center, Inc. v. South Florida Water Management District*, 44 F.L.W. D2356 (Fla. 4th DCA September 18, 2019), noting that the mediation communications disclosed by a governmental agency during a closed session must be redacted from the transcript of the meeting when it becomes public record; the exemptions from disclosure for mediation communications in ss. 44.102(1) and 44.405(1), F.S., are not inconsistent with the requirements of s. 286.011(8)(e), F.S.

The statute does not recognize a continuation of the exemption for “derivative claims” made in separate, subsequent litigation. AGO 13-13. For example, a transcript of a closed meeting to discuss settlement of a quiet title lawsuit became a public record upon the entry of a final judgment in that case, even though the same parties were now embroiled in an inverse condemnation lawsuit. *Chmielewski v. City of St. Pete Beach*, 161 So. 3d 521 (Fla. 2d DCA 2014). Similarly, a claim for payment of attorney’s fees does not extend the application of the exemption after a final judgment has been entered and a mandate issued. *Inf. Op. to Boutsis*, December 13, 2012.

Accordingly, a dismissal with prejudice pursuant to a settlement agreement that confers continuing jurisdiction on the court to enforce the terms of the settlement agreement operates as a conclusion of the litigation. AGO 15-03. By contrast, litigation that is ongoing but temporarily suspended pursuant to a stipulation for settlement has not been concluded for purposes of s. 286.011(8), F.S., and a transcript of meetings held between the city and its attorney to discuss such litigation may be kept confidential until conclusion of the litigation. AGO 94-64. *And see* AGO 94-33 (public agency may maintain the confidentiality of a record of a strategy or settlement meeting between a public agency and its attorney until the suit is dismissed with prejudice or the applicable statute of limitations has run); and *Inf. Op. to Boutsis*, *supra* (legislative history of s. 286.011[8], F.S., indicates “that the Legislature intended the exemption to continue through the appeals segment of the litigation”). *Cf. Wagner v. Orange County*, 960 So. 2d 785 (Fla. 5th DCA 2007), concluding that the phrase “conclusion of the litigation or adversarial administrative proceedings” for purposes of the attorney work product exemption from the public records law found in s. 119.071(1)(d), F.S., encompasses postjudgment collection efforts such as a legislative claims bill.

In AGO 13-21, the Attorney General’s Office observed that s. 286.011(8)(e), F.S., “should be seen as a tool which governmental boards or commissions may employ in their discretion but the statute should not be read as a prohibition against the release of such records prior to the conclusion of . . . litigation.” Therefore, a city council, as the collegial body to which the exemption applies, may waive the exemption and release transcripts of meetings held pursuant to s. 286.011(8), F.S., prior to the conclusion of litigation. *Id.*

b. Risk management exemption

Section 768.28(16)(c), F.S., states that portions of meetings and proceedings relating solely to the evaluation of claims or to offers of compromise of claims filed with a risk management program of the state, its agencies and subdivisions, are exempt from s. 286.011, F.S. The minutes of such meetings and proceedings are also exempt from public disclosure until the termination of the litigation and settlement of all claims arising out of the same incident. Section 768.28(16)(d), F.S.

This exemption is limited and applies only to tort claims for which the agency may be liable under s. 768.28, F.S. AGO 04-35. The exemption is not applicable to meetings held prior to the filing of a tort claim with the risk management program. AGO 92-82. Moreover, a meeting of a city’s risk management committee is exempt from the Sunshine Law only when the meeting relates solely to the evaluation of a tort claim filed with the risk management program or relates solely to an offer of compromise of a tort claim filed with the risk management program. AGO 04-35.

Unlike s. 286.011(8), F.S., s. 768.28(16), F.S., does not specify the personnel who are authorized to attend the meeting. See AGO 00-20, advising that personnel of the school district who are involved in the risk management aspect of the tort claim being litigated or settled may attend such meetings without jeopardizing the confidentiality provisions of the statute.

10. Personnel matters

In the absence of a specific statutory exemption, meetings of a public board or commission to discuss personnel matters are subject to the Sunshine Law. *Times Publishing Company v. Williams*, 222 So. 2d 470 (Fla. 2d DCA 1969), *disapproved in part on other grounds*, *Neu v. Miami Herald Publishing Company*, 462 So. 2d 821 (Fla. 1985).

a. Collective bargaining discussions

(1) Strategy sessions

A limited exemption from s. 286.011, F.S., exists for discussions between the chief executive officer of the public employer, or his or her representative, and the legislative body of the public employer relative to collective bargaining. Section 447.605(1), F.S. A similar exemption is contained in s. 110.201(4), F.S., for discussions between the Department of Management Services and the Governor, between the department and the Administration Commission or agency heads, or between any of their respective representatives, relative to collective bargaining.

A duly-appointed labor negotiating committee of a city that does not have a city manager or city administrator qualifies as the “chief executive officer” for purposes of s. 447.605(1), F.S., and may use the exemption when meeting with the city council to discuss collective bargaining. AGO 85-99. And see AGO 99-27, concluding that a committee formed by the city manager to represent the city in labor negotiations may participate in closed executive sessions conducted pursuant to s. 447.605(1), F.S. The exemption also extends to meetings of the negotiating committee itself which are held to discuss labor negotiation strategies, including when the committee adjourns during negotiations to hold a caucus among its members to determine the strategy to be employed in ongoing negotiations. *Id.*

If a school superintendent’s responsibility to conduct collective bargaining on behalf of the school board has been completely delegated to a separate labor negotiating committee and the superintendent does not participate in the collective bargaining negotiations, the exemption afforded by s. 447.605(1), F.S., applies to discussions between the committee and the school board only and does not encompass discussions among the committee, school board and superintendent. AGO 98-06.

The exemption afforded by s. 447.605(1), F.S., applies only in the context of actual and impending collective bargaining negotiations. AGO 85-99. It does not allow private discussions of a proposed “mini-PERC ordinance” or the stance a public body intends to adopt in regard to unionization and/or collective bargaining. AGO 75-48. Moreover, a public body may not conduct an entire meeting outside the Sunshine Law merely by discussing one topic during the course of that meeting which may be statutorily exempt from s. 286.011, F.S. AGO 85-99.

Section 447.605(1), F.S., does not directly address the dissemination of information that may be obtained at the closed meeting, but there is clear legislative intent that matters discussed during such meetings are not to be open to public disclosure. AGO 03-09.

(2) Negotiations

The collective bargaining negotiations between the chief executive officer and a bargaining agent are not exempt and pursuant to s. 447.605(2), F.S., must be conducted in the sunshine. Once the collective bargaining process begins, when one side or its representative, whether before or after the declaration of an impasse, meets with the other side or its representative to discuss anything relevant to the terms and conditions of the employer-employee relationship, the

meeting is subject to the Sunshine Law. *City of Fort Myers v. News-Press Publishing Company, Inc.*, 514 So. 2d 408, 412 (Fla. 2d DCA 1987). *Accord Brown v. Denton*, 152 So. 3d 8 (Fla. 1st DCA 2014), *review denied*, No. SC 16-2490 (Fla. February 24, 2016). *See also* AGO 99-27. As with other meetings subject to s. 286.011, F.S., minutes of the negotiation meeting must be kept. Inf. Op. to Fulwider, June 14, 1993.

The Legislature has, therefore, divided Sunshine Law policy on collective bargaining for public employees into two parts: when the public employer is meeting with its own side, it is exempt from the Sunshine Law; when the public employer is meeting with the other side, it is required to comply with the Sunshine Law. *City of Fort Myers v. News-Press Publishing Company, Inc.*, 514 So. 2d at 412. *And see Brown v. Denton*, 152 So. 3d at 12 (By holding closed-door negotiations that resulted in changes to public employee pension benefits, “the [city and pension board] ignored an important party who also had the right to be in the room -- the public.”). *Cf. Palm Beach County Classroom Teachers’ Association v. School Board of Palm Beach County*, 411 So. 2d 1375, 1376 (Fla. 4th DCA 1982) (collective bargaining agreement cannot be used “to circumvent the requirements of public meetings” in s. 286.011, F.S.).

b. Disciplinary, grievance, and complaint review proceedings

Meetings of a board or commission to conduct disciplinary proceedings are subject to the Sunshine Law. *See, e.g.*, AGO 92-65 (employee termination hearing conducted by housing authority commission). *And see News-Press Publishing Company v. Wisner*, 345 So. 2d 646, 647-648 (Fla. 1977), in which the Court disapproved of a county’s use of “pseudonyms or cloaked references” during a county commission meeting held to reprimand an unnamed department head.

Thus, two members of a civil service board violated the Sunshine Law when they held a private discussion about a pending employment appeal during a recess of a board meeting. *Citizens for Sunshine, Inc. v. City of Sarasota*, No. 2010CA4387NC (Fla. 12th Cir. Ct. February 27, 2012). *And see Barfield v. City of West Palm Beach*, No. CL94-2141-AC (Fla. 15th Cir. Ct. May 6, 1994) (complaint review board of a city police department is subject to the Sunshine Law; AGO 80-27 (sheriff civil service board created by special act is subject to the Sunshine Law). *Cf.* AGO 93-79 (discussions between two members of a three-member complaint review board regarding their selection of the third member of the board must be conducted in accordance with s. 286.011, F.S.).

Similarly, in *Dascott v. Palm Beach County*, 877 So. 2d 8 (Fla. 4th DCA 2004), the court held that a meeting of a pre-termination conference panel established pursuant to county ordinance and composed of a department head, personnel director, and equal opportunity director should have been held in the Sunshine. Even though the county administrator had the sole authority to discipline employees, that authority had been delegated to the department head who in turn chose to share that authority with the other members of the panel. *See also* AGO 10-14 (team created by charter school board of directors to review employment decisions is subject to the Sunshine Law). *Cf.* AGO 77-132 (personnel council composed of citizens appointed by members of county commission to hear appeals from county employees who have been disciplined not authorized to deliberate in secret).

A grievance committee established as “the final hearing body for all matters determined to be grievances and [authorized] to uphold, modify, or deny any grievance” is subject to the Sunshine Law “because the [committee] clearly exercises decision-making authority.” *Dascott v. Palm Beach County*, *supra* at 13. *And see* AGO 84-70 (Sunshine Law applies to staff grievance committee created to make a determination of “all facts and circumstances” and nonbinding recommendations to a county administrator regarding disposition of employee grievances). *Cf. Palm Beach County Classroom Teacher’s Association v. School Board of Palm Beach County*, 411 So. 2d 1375 (Fla. 4th DCA 1982), in which the court affirmed the lower tribunal’s refusal to issue a temporary injunction to exclude a newspaper reporter from a grievance arbitration hearing. A collective bargaining agreement cannot be used “to circumvent the requirements of public

meetings” in s. 286.011, F.S. *Id.* at 1376.

By contrast, in *Jordan v. Jenne*, 938 So. 2d 526, 530 (Fla. 4th DCA 2006), the court determined that the Sunshine Law did not apply to a professional standards committee responsible for reviewing charges against a sheriff's deputy and making recommendations to the inspector general, because the inspector general made the “ultimate decision” on discipline and did not deliberate with the committee. *See also McDougall v. Culver*, 3 So. 3d 391 (Fla. 2d DCA 2009) (Internal Affairs memorandum containing findings and recommendations circulated to senior officials for review and comment before submission to the sheriff for a decision on disciplinary action did not constitute a meeting under the Sunshine Law since officials only provided a recommendation but did not deliberate with the sheriff or have decision-making authority).

Similarly, if the mayor as chief executive officer, rather than the city council, is responsible under the city charter for disciplining city employees, meetings between the mayor and a city employee concerning discipline of the employee are not subject to the Sunshine Law. *City of Sunrise v. News and Sun-Sentinel Company*, 542 So. 2d 1354 (Fla. 4th DCA 1989). *And see* AGO 07-54 (while post-termination hearings before city manager are not subject to the Sunshine Law, hearings before a three-member panel appointed by the city manager should be open).

c. Evaluations

The Sunshine Law applies to meetings of a board of county commissioners when interviewing applicants for county positions appointed by the board, when conducting job evaluations of county employees answering to and serving at the pleasure of the board, and when conducting employment termination interviews of county employees who serve at the pleasure of the board. AGO 89-37.

A board that is responsible for assessing the performance of its chief executive officer (CEO) should conduct the review and appraisal process in a proceeding open to the public as prescribed by s. 286.011, F.S., instead of using a review procedure in which individual board members evaluate the CEO's performance and send their individual written comments to the board chair for compilation and subsequent discussion with the CEO. AGO 93-90. However, meetings of individual school board members with the superintendent to discuss the individual board members' evaluations do not violate the Sunshine Law when such evaluations do not become the board's evaluation until they are compiled and discussed at a public meeting by the school board for adoption by the board. AGO 97-23.

d. Selection and screening committees

The Sunshine Law applies to advisory committees created by an agency to assist in the selection process. In *Wood v. Marston*, 442 So. 2d 934 (Fla. 1983), a committee created to screen applications and make recommendations for the position of a law school dean was held to be subject to s. 286.011, F.S. By screening applicants and deciding which applicants to reject from further consideration, the committee performed a policy-based, decision-making function delegated to it by the president of the university. *See also Krause v. Reno*, 366 So. 2d 1244 (Fla. 3d DCA 1979) (Sunshine Law governs advisory group created by city manager to assist in screening applications and to recommend several applicants for the position of chief of police), and AGO 77-43 (Sunshine Law applies to committee selected by a county bar association on behalf of the school board to screen applicants and make recommendations for the position of school board attorney). *Cf. Dore v. Sliger*, No. 90-1850 (Fla. 2d Cir. Ct. July 11, 1990) (faculty of university law school prohibited from conducting secret ballots on personnel hiring matters).

However, if the sole function of the screening committee is simply to gather information for the decision-maker, rather than to accept or reject applicants, the committee's activities are outside the Sunshine Law. *See Cape Publications, Inc. v. City of Palm Bay*, 473 So. 2d 222 (Fla. 5th DCA 1985), holding that the Sunshine Law was not violated when the city manager, who was responsible for selecting the new police chief, asked several people to sit in on the interviews,

as the only function of this group was to assist the city manager in acquiring information on the applicants he had chosen by asking questions during the interviews and then discussing the qualifications of each candidate with the city manager after the interview. *And see Knox v. District School Board of Brevard*, 821 So. 2d 311, 314 (Fla. 5th DCA 2002), holding that an interview team composed of staff was not subject to s. 286.011, F.S., even though the team made recommendations since “all the applications went to the superintendent and he decided which applicants to interview and nominate to the school board.”

11. Purchasing meetings

a. Application of Sunshine Law

A committee appointed by a public college’s purchasing director to consider proposals submitted by contractors was held to be subject to the Sunshine Law because its function was to “weed through the various proposals, to determine which were acceptable and to rank them accordingly.” *Silver Express Company v. District Board of Lower Tribunal Trustees*, 691 So. 2d 1099, 1100 (Fla. 3d DCA 1997). *Accord* Inf. Op. to Lewis, March 15, 1999 (panels established by state agency to create requests for proposals and evaluate vendor responses are subject to the Sunshine Law), and AGO 80-51 (Sunshine Law applicable to city selection committee screening proposals from consultants and audit firms). *And see Leach-Wells v. City of Bradenton*, 734 So. 2d 1168, 1171 (Fla. 2d DCA 1999) (selection committee created by city council to evaluate proposals violated the Sunshine Law when the city clerk unilaterally ranked the proposals based on the committee members’ individual written evaluations; the court held that “the short-listing was formal action that was required to be taken at a public meeting”); and *Schweickert v. Citrus County Port Authority*, No. 12-CA-1339 (Fla. 5th Cir. Ct. September 30, 2013) (ad hoc committee appointed by board violated the Sunshine Law when the members submitted individual written evaluations of the proposals to the staff, which then compiled the scores and ranked the proposals for submission to the board; the committee should have ranked the proposals at a public meeting). *Compare Carlson v. Florida Department of Revenue*, 227 So. 3d 1261 (Fla. 1st DCA, 2017) (state agency “Evaluation Team” members who individually evaluated the competitors’ proposals, individually assigned scores, and individually submitted their scores for consideration by the “Negotiation Team” were not required to conduct a public meeting to perform these functions because “the Evaluation Team [or more accurately, its individual members] neither ranked the competitors nor excluded any from consideration of the ultimate decider, the Negotiation Team”).

In *Port Everglades Authority v. International Longshoremen’s Association, Local 1922-1*, 652 So. 2d 1169, 1170 (Fla. 4th DCA 1995), the court ruled that a board’s selection and negotiation committee violated the Sunshine Law when competing bidders were requested to excuse themselves from the public committee meeting during presentations by competitors. *Cf. Pinellas County School Board v. Suncam, Inc.*, 829 So. 2d 989 (Fla. 2d DCA 2002) (school board violated the Sunshine Law when it refused to permit videotaping of a public meeting held to evaluate general contractor construction proposals). *See now* s. 286.0113(2)(b), F.S., discussed below, providing an exemption from the Sunshine Law for certain competitive solicitation meetings and requiring a complete recording of the exempt meeting.

b. Recording requirement for exempt meetings

Section 286.0113(2)(b)1. and 2., F.S., provide that any portion of a meeting at which a negotiation with a vendor is conducted pursuant to a competitive solicitation, at which a vendor makes an oral presentation as part of a competitive solicitation, or at which a vendor answers questions as part of a competitive solicitation, is exempt from the Sunshine Law. In addition, any portion of a team meeting at which negotiation strategies are discussed is also exempt. *See Carlson v. Florida Department of Revenue*, 227 So. 3d 1261 (Fla. 1st DCA 2017), in which the court rejected the agency’s argument that the exemption applies to the *entirety* of any meeting at which negotiation strategies are discussed, even those portions that have nothing to do with procurement. However, the court also said that “the exempted ‘portion’ includes not only the

negotiation-strategies discussions themselves, but also meeting activities inextricably intertwined with those discussions.” *Id.* at 1269. *Cf.* s. 255.0518, F.S. (sealed bids received pursuant to a competitive solicitation for construction or repairs of a public building or public work must be opened at a public meeting conducted in compliance with the Sunshine Law).

The term “[c]ompetitive solicitation” means “the process of requesting and receiving sealed bids, proposals, or replies in accordance with the terms of a competitive process, regardless of the method of procurement.” Section 286.0113(2)(a)1., F.S.

The term “team” means a group of members established by an agency for the purpose of conducting negotiations as part of a competitive solicitation. Section 286.0113(2)(a)2., F.S.

A complete recording must be made of the exempt meeting; no portion of the exempt meeting may be held off the record. Section 286.0113(2)(c), F.S. *Cf.* AGO 10-42 (where statute required that closed proceedings of state committee be recorded and that no portion be off the record, audio recording of the proceedings “would appear to be the most expedient and cost-efficient manner to ensure that all discussion is recorded”).

The recording and any records presented at the exempt meeting are exempt from public disclosure until the agency provides notice of an intended decision or until 30 days after opening the bids, proposals, or final replies, whichever occurs earlier. Section 286.0113(2)(c)1. and 2., F.S. *And see* s. 286.0113(2)(c)3., F.S. (exempt status of recording if the agency rejects all bids, proposals, or replies, and concurrently provides notice of its intent to reissue a competitive solicitation). *Cf.* s. 255.065(15), F.S. (recording requirement for the portion of a meeting to discuss an exempt unsolicited proposal received as part of the public-private partnership process authorized under s. 255.065, F.S.).

12. Quasi-judicial matters, proceedings or hearings

The Sunshine Law does not authorize boards to conduct closed-door hearings or deliberations simply because the board is acting in a “quasi-judicial” capacity. *Canney v. Board of Public Instruction of Alachua County*, 278 So. 2d 260 (Fla. 1973). *And see* *Occidental Chemical Company v. Mayo*, 351 So. 2d 336, 340n.7 (Fla. 1977), *disapproved in part on other grounds*, *Citizens v. Beard*, 613 So. 2d 403 (Fla. 1992) (characterization of the Public Service Commission’s decision-making process as “quasi-judicial” did not exempt it from s. 286.011, F.S.); and *Palm Beach County Classroom Teacher’s Association v. School Board of Palm Beach County*, 411 So. 2d 1375 (Fla. 4th DCA 1982), affirming the lower court’s refusal to issue a temporary injunction to exclude a newspaper reporter from a grievance hearing.

Thus, in the absence of statutory exemption, “[t]he fact that a board or commission is acting in a quasi-judicial capacity does not remove it from the reach of section 286.011, Florida Statutes.” AGO 10-04. *And see* AGOs 92-65, 83-43 and 77-132. *Cf.* AGO 10-15 (special magistrate subject to the Sunshine Law when exercising the delegated decision-making authority of the value adjustment board).

13. Real property negotiations

In the absence of a statutory exemption, the negotiations by a public board or commission for the sale or purchase of property must be conducted in the sunshine. *See City of Miami Beach v. Berns*, 245 So. 2d 38, 40 (Fla. 1971) (city commission not authorized to hold closed sessions to discuss condemnation issues). In addition, if the authority of the public board or commission to acquire or lease property has been delegated to a single member, that member is subject to s. 286.011, F.S., and is prohibited from negotiating the acquisition or lease of the property in secret. AGO 74-294. *Cf.* AGO 95-06 (statutory exemption from Ch. 119, F.S., for certain records relating to the proposed purchase of real property does not authorize a city or its designee to conduct negotiations for purchase of property outside the Sunshine Law).

Advisory committees charged with land acquisition responsibilities are also subject to the Sunshine Law. *See* AGOs 87-42 (ad hoc committee appointed by mayor to meet with the Chamber of Commerce to discuss a proposed transfer of city property), and 86-51 (land selection committee appointed by water management district to evaluate and recommend projects for acquisition). *Cf. Monroe County v. Pigeon Key Historical Park, Inc.*, 647 So. 2d 857 (Fla. 3d DCA 1994) (committee established by county commission to negotiate lease agreement subject to s. 286.011).

14. Security meetings

While there is no general exemption from open meetings requirements that applies to all discussions relating to “security,” s. 281.301(1), F.S., provides an exemption for portions of meetings relating directly to or that would reveal the security or firesafety systems for any property owned by or leased to the state or any of its political subdivisions or for any privately owned or leased property which is in the possession of an agency.

Similarly, s. 286.0113(1), F.S., states that the portion of a meeting that would reveal a security or firesafety system plan or portion thereof made confidential and exempt by s. 119.071(3)(a), F.S. (providing an exemption from the Public Records Act for a “security or firesafety system plan”) is exempt from open meetings requirements. *See* Inf. Op. to Sherman, July 2, 2018, noting that the phrasing of s. 286.0113(1), F.S., and the statement of legislative intent included in the session law show that the exemption applies to any portion of a meeting in which a record as defined in s. 119.071(3)(a) would be revealed. *Cf.* s. 286.0113(3)(a), F.S. (exemption for portions of meetings held by local government owned utilities that would reveal information technology security records made exempt under s. 119.0713(5), F.S., although such portions must be transcribed and recorded); s. 1004.0962(5), F.S. (exemption for portions of meetings held to discuss a postsecondary educational institution’s “campus emergency response”); and s. 1004.055(2), F.S. (exemption for portions of meetings held to discuss specified information technology security records maintained by postsecondary educational institutions).

15. Social events

Members of a public board or commission are not prohibited under the Sunshine Law from meeting together socially, provided that matters which may come before the board or commission are not discussed at such gatherings. AGO 92-79. *Accord* Inf. Op. to Batchelor, May 27, 1982.

Therefore, a luncheon meeting held by a private organization for members of a public board or commission at which there is no discussion among such officials on matters relating to public business would not be subject to the Sunshine Law merely because of the presence of two or more members of a covered board or commission. AGO 72-158. *Cf.* AGO 71-295, cautioning that “[p]ublic bodies should avoid secret meetings, from which the public and the press are effectively excluded, preceding official meetings, even though such secret meetings are held ostensibly for purely social purposes only and with the understanding that the members of the public body will, in good faith, attempt to avoid any discussion of official business.”

16. Telephone conversations and meetings

a. Private telephone conversations

Private telephone conversations between board members to discuss matters which foreseeably will come before that board for action violate the Sunshine Law. *See State v. Childers*, No. 02-21939-MMC; 02-21940-MMB (Escambia Co. Ct. June 5, 2003), *per curiam affirmed*, 886 So. 2d 229 (Fla. 1st DCA 2004) (private telephone conversation during which two county commissioners and the supervisor of elections discussed redistricting violated the Sunshine Law). *See also* the discussion on pages 23-24 regarding the application of the Sunshine Law to emails, text messages, and other written communications between board members.

b. Authorization to conduct and participate in public meetings via telephone, video conferencing, or other electronic media

(1) State boards

In AGO 98-28, the Attorney General's Office concluded that s. 120.54(5)(b)2., F.S., authorizes *state* boards to conduct public meetings via entirely electronic means provided that the board complies with uniform rules of procedure adopted by the state Administration Commission. These rules contain notice requirements and procedures for providing points of access for the public. See Rule 28-109, F.A.C.

(2) Local boards**(a) Meetings**

As to *local* boards, the Attorney General's Office has noted that the authorization in s. 120.54(5)(b)2., to conduct meetings entirely through the use of electronic media technology applies only to *state* agencies. AGO 98-28.

The Attorney General's Office has observed that a local board's use of electronic media technology to increase public participation in meetings and the use of such media to allow members of a board or commission to participate in a duly noticed public meeting does not necessarily raise Sunshine Law issues, "but rather implicates the ability of a board or commission to conduct public business with a quorum." See Inf. Op. to Stebbins, December 1, 2015.

For example, since s. 1001.372(2)(b), F.S., requires a district school board to hold its meetings at a "public place in the county," a quorum of the board must be physically present at the meeting of the school board. *Id.* And see AGOs 09-56 (where a quorum is required and absent a statute to the contrary, the requisite number of members must be physically present at a meeting in order to constitute a quorum), and 10-34 (city may not adopt an ordinance allowing members of a city board to appear by electronic means to constitute a quorum). Cf. s. 163.01(18), F.S., authorizing certain entities created by interlocal agreement to conduct public meetings and workshops by means of communications media technology; and Ch. 17-214, Laws of Florida, authorizing the Monroe County School Board, Monroe County Commission, or any political subdivision thereof, to adopt rules and procedures for using communications media technology for meetings at which no final action is taken.

However, if a quorum of a local board is physically present, "the participation of an absent member by telephone conference or other interactive electronic technology is permissible when such absence is due to extraordinary circumstances such as illness[;] . . . [w]hether the absence of a member due to a scheduling conflict constitutes such a circumstance is a determination that must be made in the good judgment of the board." AGO 03-41.

For example, if a quorum of a local board is physically present at the public meeting site, a board may allow a member with health problems to participate and vote in board meetings through the use of such devices as a speaker telephone that allow the absent member to participate in discussions, to be heard by other board members and the public and to hear discussions taking place during the meeting. AGO 94-55. And see AGOs 92-44 (participation and voting by ill county commissioner), and 02-82 (physically-disabled city advisory committee members participating and voting by electronic means).

(b) Workshops

The physical presence of a quorum has not been required where electronic media technology (such as video conferencing and digital audio) is used to allow public access and participation at *workshop* meetings where no formal action will be taken. The use of electronic media technology, however, does not satisfy quorum requirements necessary for official action to be taken. See Inf. Op. to Stebbins, December 1, 2015 (approval of board meeting minutes constitutes official action; vote to approve minutes not exempted from quorum requirements).

For example, the Attorney General's Office advised that airport authority members may

conduct informal discussions and workshops over the Internet, provided proper notice is given, and interactive access by members of the public is provided. AGO 01-66. Such interactive access must include not only public access via the Internet but also at designated places within the authority boundaries where the airport authority makes computers with Internet access available to members of the public who may not otherwise have Internet access. *Id.* For meetings, however, where a quorum is necessary for action to be taken, the physical presence of the members making up the quorum would be required in the absence of a statute providing otherwise. *Id.* Internet access to such meetings, however may still be offered to provide greater public access. *Id.* Cf. AGO 08-65, noting that a city's plan to provide additional public access to on-line workshop meetings by making computers available at a public library "should ensure that operating-type assistance is available at the library where the computers are located."

However, the use of an electronic bulletin board to discuss matters over an extended period of days or weeks, which does not permit the public to participate online, violates the Sunshine Law by circumventing the notice and access provisions of that law. AGO 02-32. *And see* Inf. Op. to Ciocchetti, March 23, 2006 (even though the public would be able to participate online, a town commission's proposed use of an electronic bulletin board to discuss matters that foreseeably may come before the commission over an extended period of time would not comply with the spirit or letter of the Sunshine Law because the burden would be on the public to constantly monitor the site in order to participate meaningfully in the discussion). *Compare* AGO 08-65 (city advisory boards may conduct workshops lasting no more than two hours using an on-line bulletin board if proper notice is given and interactive access to members of the public is provided).

Moreover, there is no apparent authority for the use of electronic media technology to allow board members to remove a workshop or meeting from within the jurisdiction in which the board is empowered to carry out its functions and claim compliance with the Sunshine Law by providing the public electronic access to the remote meeting. Inf. Op. to Sugarman, August 5, 2015.

D. NOTICE AND PROCEDURES

1. Agenda

The Sunshine Law does not *mandate* that an agency provide notice of each item to be discussed via a published agenda although the Attorney General's Office has recommended the publication of an agenda, if available. The courts have rejected such a requirement because it could effectively preclude access to meetings by members of the general public who wish to bring specific issues before a governmental body. *See Hough v. Stembbridge*, 278 So. 2d 288 (Fla. 3d DCA 1973); and *Yarbrough v. Young*, 462 So. 2d 515 (Fla. 1st DCA 1985) (posted agenda unnecessary and public body not required to postpone meeting due to inaccurate press report which was not part of the public body's official notice efforts).

Thus, the Sunshine Law does not require boards to consider only those matters on a published agenda. "[W]hether to impose a requirement that restricts every relevant commission or board from considering matters not on an agenda is a policy decision to be made by the legislature." *Law and Information Services, Inc. v. City of Riviera Beach*, 670 So. 2d 1014, 1016 (Fla. 4th DCA 1996). *And see Grapski v. City of Alachua*, 31 So. 3d 193 (Fla. 1st DCA 2010), *review denied*, 47 So. 3d 1288 (Fla. 2010) (Sunshine Law does not prohibit use of consent agenda procedure).

Even though the Sunshine Law does not prohibit a board from adding topics to the agenda of a regularly noticed meeting, the Attorney General's Office has advised boards to postpone formal action on any added items that are controversial. *See* AGO 03-53, stating that "[i]n the spirit of the Sunshine Law, the city commission should be sensitive to the community's concerns that it be allowed advance notice and, therefore, meaningful participation on controversial issues coming before the commission."

While the Sunshine Law requires notice of *meetings*, not of the individual *items* which may be considered at that meeting, other statutes, codes, or ordinances may impose such a requirement and agencies subject to those provisions must follow them. *See* Inf. Op. to Mattimore, February 6, 1996.

For example, s. 120.525(2), F.S., requires that agencies subject to the Administrative Procedure Act must prepare an agenda in time to ensure that a copy may be received at least 7 days before the event by any person in the state who requests a copy and who pays the reasonable cost of the copy. The agenda, along with any meeting materials available in electronic form excluding confidential and exempt information, shall be published on the agency's website. *Id.* After the agenda has been made available, changes may be made only for good cause. *Id.*

Similarly, special districts are required to post certain information on the district's official website, including: "[a]t least 7 days before each meeting or workshop, the agenda of the event, along with any meeting materials available in an electronic format, excluding confidential and exempt information." Section 189.069(2)(a)16., F.S. The information must remain on the website for at least 1 year after the event. *Id.*

2. Location of meetings

a. Facilities that discriminate or unreasonably restrict access to the facility

Section 286.011(6), F.S., prohibits boards or commissions subject to the Sunshine Law from holding their meetings at any facility which discriminates on the basis of sex, age, race, creed, color, origin, or economic status, or which operates in such a manner as to unreasonably restrict public access to such a facility. *And see* s. 286.26, F.S., relating to accessibility of public meetings to the physically handicapped.

Public boards or commissions, therefore, are advised to avoid holding meetings at places where the public and the press are effectively excluded. AGO 71-295. Thus, a police pension board should not hold its meetings in a facility where the public has limited access and where there may be a "chilling" effect on the public's willingness to attend by requiring the public to provide identification, to leave such identification while attending the meeting, and to request permission before entering the room where the meeting is held. AGO 96-55. *And see* Inf. Op. to Galloway, August 21, 2008, in which the Attorney General's Office expressed concerns about holding a public meeting in a private home in light of the possible "chilling effect" on the public's willingness to attend.

While a city may not require persons wishing to attend public meetings to provide identification as a condition of attendance, it may impose certain security measures on members of the public entering a public building, such as requiring the public to go through metal detectors. AGO 05-13.

b. Luncheon meetings

Public access to meetings of public boards or commissions is the key element of the Sunshine Law, and public agencies are advised to avoid holding meetings in places not easily accessible to the public. The Attorney General's Office has suggested that public boards or commissions avoid the use of luncheon meetings to conduct board or commission business. These meetings may have a "chilling" effect upon the public's willingness or desire to attend. People who would otherwise attend such a meeting may be unwilling or reluctant to enter a public dining room without purchasing a meal and may be financially or personally unwilling to do so. Inf. Op. to Campbell, February 8, 1999; and Inf. Op. to Nelson, May 19, 1980. *Cf. City of Miami Beach v. Berns*, 245 So. 2d 38, 41 (Fla. 1971), in which the Florida Supreme Court observed: "A secret meeting occurs when public officials meet at a time and place to avoid being seen or heard by the public." *See also* the discussion on page 46 relating to inaudible discussions.

c. Out-of-town meetings

The fact that a meeting is held in a public room does not make it public within the meaning of the Sunshine Law; for a meeting to be “public,” the public must be given advance notice and provided with a reasonable opportunity to attend. *Bigelow v. Howze*, 291 So. 2d 645, 647-648 (Fla. 2d DCA 1974). See also the discussion on page 24 relating to inspection and fact-finding trips.

Accordingly, a school board workshop held outside county limits over 100 miles away from the board’s headquarters violated the Sunshine Law where the only advantage to the board resulting from the out-of-town gathering (elimination of travel time and expense due to the fact that the board members were attending a conference at the site) did not outweigh the interests of the public in having a reasonable opportunity to attend. *Rhea v. School Board of Alachua County*, 636 So. 2d 1383 (Fla. 1st DCA 1994). The court refused to adopt a rule prohibiting any board workshops from being held at a site more than 100 miles from its headquarters, instead applying a balancing of interests test to determine which interest predominates in a given case. As stated by the court, “[t]he interests of the public in having a reasonable opportunity to attend a Board workshop must be balanced against the Board’s need to conduct a workshop at a site beyond the county boundaries.” *Id.* at 1385. And see Inf. Op. to Sugarman, August 5, 2015 (no apparent authority for use of electronic media technology to allow board members to remove a workshop or meeting from within the jurisdiction in which the board is empowered to carry out its functions and claim compliance with the Sunshine Law by providing the public with electronic access to the remote meeting).

In addition, there may be other statutes which limit where board meetings may be held. See, e.g., s. 125.001, F.S. (meetings of the board of county commissioners may be held at any appropriate public place in the county); s. 1001.372, F.S. (school board meetings may be held at any appropriate public place in the county). And see AGOs 08-01 and 03-03 (municipality may not hold commission meetings at facilities outside its boundaries). See now ss. 166.0213(1), F.S. (governing body of municipality with 500 or fewer residents may hold meetings within 5 miles of the exterior jurisdictional boundary of the municipality at such time and place as may be prescribed by ordinance or resolution); 166.0213(2), F.S. (governing body of a municipality may hold joint meetings to receive, discuss, and act upon matters of mutual interest with the governing body of the county within which the municipality is located or the governing body of another municipality at such time and place as shall be prescribed by ordinance or resolution); and 125.001(2), F.S. (authorizing boards of county commissioners to hold joint public meetings with governing boards of adjacent counties or municipalities upon due public notice within the jurisdiction of all participating counties and municipalities; provided that an authorizing resolution is adopted, no official vote is taken at the joint meeting, and the joint meeting may not take the place of a public hearing required by law).

Conduct which occurs outside the state which would constitute a knowing violation of the Sunshine Law is a second degree misdemeanor. Section 286.011(3), F.S. Such violations are prosecuted in the county in which the board or commission normally conducts its official business. Section 910.16, F.S.

d. Size of meeting facilities

The Sunshine Law requires that meetings of a public board or commission be “open to the public.” If a large turnout is expected for a particular meeting, the Attorney General’s Office has recommended that public boards and commissions take reasonable steps (such as moving the meeting to a larger room) to accommodate those who wish to attend. Inf. Op. to Galloway, August 21, 2008. If the largest available public meeting room cannot accommodate all of those who are expected to attend, the use of video technology (e.g., a television screen outside the meeting room) may be appropriate. See *Kennedy v. St. Johns River Water Management District*, No. 2009-0441-CA (Fla. 7th Cir. Ct. September 27, 2010), *per curiam affirmed*, 84 So. 3d

331 (Fla. 5th DCA 2011) (even though not all members of the public were able to enter the meeting room, board did not violate the Sunshine Law when it held a meeting at the board's usual meeting place and in the largest available room; the court noted, however, that the board set up a computer with external speakers so that those who were not able to enter the meeting room could view and hear the proceedings).

3. Minutes

a. Scope of minutes requirement

Section 286.011(2), F.S., requires that minutes of a meeting of a public board or commission be promptly recorded and open to public inspection. Workshop meetings are not exempted from this requirement. AGOs 08-65 and 74-62. *And see Lozman v. City of Riviera Beach*, No. 502007CA007552XXXXMBAN (Fla. 15th Cir. Ct. June 9, 2009), *per curiam affirmed*, 46 So. 3d 573 (Fla. 4th DCA 2010) (minutes required for city council's agenda review meetings).

Because the term "promptly" is not defined in the statute, it "should be construed in its plain and ordinary sense." Inf. Op. to Board of Trustees, January 27, 2009. The informal advisory opinion notes that Webster's New Universal Unabridged Dictionary (2003) defines "prompt" as done, performed, delivered, etc., at once or without delay.

Draft minutes of a board meeting may be circulated to individual board members for corrections and studying prior to approval by the board, so long as any changes, corrections, or deletions are discussed and adopted during the public meeting when the board adopts the minutes. AGOs 02-51 and 74-294. *Cf.* Inf. Op. to Stebbins, December 1, 2015 (vote to approve minutes constitutes official action of a board; no authority to exempt a vote to approve minutes from quorum requirements).

The minutes are public records when the person responsible for preparing the minutes has performed his or her duty even though they have not yet been sent to the board members or officially approved by the board. AGO 91-26. *And see Grapski v. City of Alachua*, 31 So. 3d 193 (Fla. 1st DCA 2010), *review denied*, 47 So. 3d 1288 (Fla. 2010) (city violated both the language and the purpose of s. 286.011[2] by denying public access to its minutes until after approval).

Section 286.011, F.S., does not specify who is responsible for taking the minutes of public meetings. This appears to be a procedural matter which the individual boards or commissions must resolve. Inf. Op. to Baldwin, December 5, 1990.

b. Content of minutes

The term "minutes" as used in s. 286.011, F.S., contemplates a brief summary or series of brief notes or memoranda reflecting the events of the meeting; accordingly a verbatim transcript is not required. AGO 82-47. *And see State v. Adams*, No. 91-175-CC (Fla. Sumter Co. Ct. July 15, 1992) (no violation of Sunshine Law where minutes failed to reflect brief discussion concerning a proposed inspection trip). *Cf.* s. 20.052(5)(c), F.S., requiring that minutes, including a record of all votes cast, be maintained for all meetings of an advisory body, commission, board of trustees, or other collegial body adjunct to an executive agency.

c. Tape recording or Internet archive as minutes

The Sunshine Law does not require that public boards and commissions tape record their meetings. *See* AGO 86-21. However, other statutes may require that certain proceedings be recorded. *See Carlson v. Department of Revenue*, 227 So. 3d 1261 (Fla. 1st DCA 2017) (statute mandating that a "complete recording" be made of portions of a closed negotiation team meeting requires more than an agenda and meeting notes). *Cf.* AGO 10-42 (where statute requires that all closed proceedings of child abuse death review committee be recorded and that no portion be off the record, audio recording of the proceedings "would appear to be the most expedient and cost-efficient manner to ensure that all discussion is recorded").

However, while a board is authorized to tape record the proceedings if it chooses to do so, the Sunshine Law also requires written minutes. AGO 75-45. Similarly, while a board may archive the full text of all workshop discussions conducted on the Internet, written minutes of the workshops must also be prepared and promptly recorded. AGO 08-65.

Moreover, the tape recordings are public records and their retention is governed by schedules established by the Division of Library and Information Services of the Department of State in accordance with s. 257.36(6), F.S. AGO 86-21. *Accord* AGO 86-93 (tape recordings of school board meetings are subject to Public Records Act even though written minutes are required to be prepared and made available to the public).

d. Use of transcript as minutes

Although a written transcript is not required, a board may use a written transcript of the meeting as the minutes, if it chooses to do so. *Inf. Op. to Fulwider*, June 14, 1993.

4. Notice requirements

a. Reasonable notice required

A vital element of the Sunshine Law is the requirement that boards subject to the law provide “reasonable notice” of all meetings. *See* s. 286.011(1), F.S. Even before the statutory amendment in 1995 expressly requiring notice, the courts had stated that in order for a public meeting to be in essence “public,” reasonable notice of the meeting must be given. *See Hough v. Stembbridge*, 278 So. 2d 288, 291 (Fla. 3d DCA 1973); *Yarbrough v. Young*, 462 So. 2d 515, 517 (Fla. 1st DCA 1985).

Reasonable public notice is required for all meetings subject to the Sunshine Law and is required even though a quorum is not present. AGO 90-56. *And see Baynard v. City of Chiefland*, Florida, No. 38-2002-CA-000789 (Fla. 8th Cir. Ct. July 8, 2003) (reasonable notice required even if subject of meeting is “relatively unimportant”). Notice is required even though meetings of the board are “of general knowledge” and are not conducted in a closed door manner. *TSI Southeast, Inc. v. Royals*, 588 So. 2d 309, 310 (Fla. 1st DCA 1991). “Governmental bodies who hold unnoticed meetings do so at their peril.” *Monroe County v. Pigeon Key Historical Park, Inc.*, 647 So. 2d 857, 869 (Fla. 3d DCA 1994).

The Sunshine Law does not define the term “reasonable notice,” and “[f]ew cases address the question of what is reasonable notice.” *See Transparency for Florida, Inc. v. City of Port St. Lucie*, 240 So. 3d 780 (Fla. 4th DCA 2018). In *Transparency*, the court referenced AGO 73-170, which concluded that the type of notice given depends on the purpose for the notice, the character of the event about which the notice is given, and the nature of the rights to be affected. “Where there is no specific legislative directive as to what constitutes reasonable notice as a matter of law, we agree with the Attorney General that it is a fact specific inquiry.” *Transparency*, at 787.

Therefore, the type of notice is variable and depends upon the facts of the situation and the board involved. In each case, an agency must give notice at such time and in such a manner as to enable the media and the general public to attend the meeting. AGOs 04-44, 80-78 and 73-170. *And see Rhea v. City of Gainesville*, 574 So. 2d 221, 222 (Fla. 1st DCA 1991) (purpose of the notice requirement is to apprise the public of the pendency of matters that might affect their rights, afford them the opportunity to appear and present their views, and afford them a reasonable time to make an appearance if they wish). *Cf. Lyon v. Lake County*, 765 So. 2d 785, 790 (Fla. 5th DCA 2000) (where county attorney provided citizen with “personal due notice” of a committee meeting and its function, it would be “unjust to reward” the citizen by concluding that a meeting lacked adequate notice because the newspaper advertisement failed to correctly name the committee). *See also Suncam, Inc. v. Worrall*, No. CI97-3385 (Fla. 9th Cir. Ct. May 9, 1997) (Sunshine Law requires notice to the general public; agency not required to provide “individual notice” to company that wished to be informed when certain meetings were going

to occur).

While the Attorney General's Office cannot specify the type of notice which must be given in all cases, the following notice guidelines are suggested:

1. The notice should contain the time and place of the meeting and, if available, an agenda, or if no agenda is available, a statement of the general subject matter to be considered.
2. The notice should be prominently displayed in the area in the agency's offices set aside for that purpose, *e.g.*, for cities, in city hall, and on the agency's website, if there is one.
3. Except in the case of emergency or special meetings, notice should be provided at least 7 days prior to the meeting. Emergency sessions should be afforded the most appropriate and effective notice under the circumstances.
4. Special meetings should have no less than 24 and preferably at least 72 hours reasonable notice to the public. *See Yarbrough v. Young*, 462 So. 2d 515 (Fla. 1st DCA 1985) (three days notice of special meeting deemed adequate).
5. The use of press releases, faxes, e-mails, and/or phone calls to the local news media is highly effective in providing notice of upcoming meetings.

The notice procedures set forth above should be considered as suggestions which will vary depending upon the circumstances of each particular situation. *See* AGO 73-170 ("If the purpose for notice is kept in mind, together with the character of the event about which notice is to be given and the nature of the rights to be affected, the essential requirements for notice in that situation will suggest themselves"). *See also* AGOs 00-08, 94-62 and 90-56. An individual challenging the adequacy of a meeting notice is not required "to allege and prove that some member of the public was not afforded an opportunity to attend the meeting because notice was not adequate," because this "is not an element of a cause of action for a Sunshine Law violation." *Transparency for Florida, Inc. v. City of Port St. Lucie*, 240 So. 3d 780, 787 (Fla. 4th DCA 2018).

Thus, in *Rhea v. City of Gainesville*, 574 So. 2d 221 (Fla. 1st DCA 1991), the court held that a complaint alleging that members of the local news media were contacted about a special meeting of the city commission one and one-half hours before the meeting stated a sufficient cause of action that the Sunshine Law had been violated. *Compare News and Sun-Sentinel Company v. Cox*, 702 F. Supp. 891 (S.D. Fla. 1988) (no Sunshine Law violation occurred when on March 31, a "general notice" of a city commission meeting scheduled for April 5 was posted on the bulletin board outside city hall); and *Lozman v. City of Riviera Beach*, No. 502008CA027882 (Fla. 15th Cir. Ct. December 8, 2010), *per curiam affirmed*, 79 So. 3d 36 (Fla. 4th DCA 2012) (no violation of Sunshine Law where notice of special meeting held on Monday, September 15 was posted at city hall and faxed to the media on Friday, September 12 and members of the public [including the media] attended the meeting).

The determination as to who will actually prepare the notice or agenda is essentially "an integral part of the actual mechanics and procedures for conducting that meeting and, therefore, aptly relegated to local practice and procedure as prescribed by . . . charters and ordinances." *Hough*, 278 So. 2d at 291.

b. Notice requirements when meeting adjourned to a later date

If a meeting is to be adjourned and reconvened later to complete the business from the agenda of the adjourned meeting, the second meeting should also be noticed. AGO 90-56.

c. Notice relating to record needed for appellate review

Section 286.0105, F.S., requires:

Each board, commission, or agency of this state or of any political subdivision thereof shall include in the notice of any meeting or hearing, if notice of the meeting or hearing is required, of such

board, commission, or agency, conspicuously on such notice, the advice that, if a person decides to appeal any decision made by the board, agency, or commission with respect to any matter considered at such meeting or hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

The notice requirement in s. 286.0105, F.S., “is imposed at each occasion where notice of a meeting or hearing is required and is to be included in the notice to be given to the public of such meeting.” *Linares v. District School Board of Pasco County*, No. 17-00230 (Fla. 6th Cir. Ct. January 10, 2018), quoting from AGO 89-82. *See also Everglades Law Center, Inc. v. South Florida Water Management District*, 44 F.L.W. D2356, 2359 (Fla. 4th DCA September 18, 2019), noting that with the adoption of s. 286.0105, F.S., “the legislature understood the importance of a verbatim record for appellate review of government board decisions .”

d. Paid advertising requirements and additional notice provisions imposed by other statutes, codes, or ordinances

While the Sunshine Law requires only that *reasonable* public notice be given, a public agency may be subject to additional notice requirements imposed by other statutes, charters or codes. In such cases, the requirements of that statute, charter, or code must be strictly observed. Inf. Op. to Mattimore, February 6, 1996.

For example, while the Sunshine Law does not mandate that an agency use a paid advertisement to provide public notice of a meeting, other statutes may specify publication requirements for certain actions. *See Yarbrough v. Young*, 462 So. 2d 515, 517n.1 (Fla. 1st DCA 1985) (Sunshine Law does not require city council to give notice “by paid advertisements” of its intent to take action regarding utilities system improvements, although the Legislature “has required such notice for certain subjects,” e.g., 166.041[3][c], F.S.). *See also* s. 189.015(1), F.S. (notice requirements for meetings of the governing bodies of special districts); and s. 1001.372(2) (c), F.S. (school board meetings).

Similarly, a board or commission subject to Ch. 120, F.S., the Administrative Procedure Act, must comply with the notice and publication requirements of that act. *See, e.g.,* s. 120.525, F.S. Those requirements, however, are imposed by Ch. 120, F.S., not s. 286.011, F.S., although the notice of a board or commission meeting published pursuant to Ch. 120, F.S., also satisfies the notice requirements of s. 286.011, F.S. *Florida Parole and Probation Commission v. Baranko*, 407 So. 2d 1086 (Fla. 1st DCA 1982).

5. Public comment

Prior to the adoption of s. 286.0114, F.S. (2013), Florida courts had determined that s. 286.011, F.S., provides a right to attend public meetings, but does not provide a right to be heard. *See Herrin v. City of Deltona*, 121 So. 3d 1094, 1097 (Fla. 5th DCA 2013) (phrase “open to the public” as used in s. 286.011, F.S., means that “meetings must be properly noticed and reasonably accessible to the public, not that the public has the right to be heard at such meetings”). *See also Keesler v. Community Maritime Park Associates, Inc.*, 32 So. 3d 659 (Fla. 1st DCA 2010), *review denied*, 47 So. 3d 1289 (Fla. 2010); and *Grapski v. City of Alachua*, 31 So. 3d 193 (Fla. 1st DCA 2010), *review denied*, 47 So. 3d 1288 (Fla. 2010).

However, as the court observed in *Herrin*, s. 286.0114(2), F.S., now mandates that “[m]embers of the public shall be given a reasonable opportunity to be heard on a proposition before a board or commission.” The opportunity to be heard does not have to occur at the same meeting at which the board or commission takes official action if the opportunity “occurs at a meeting that is during the decisionmaking process and is within reasonable proximity in

time before the meeting at which the board or commission takes the official action.” Section 286.0114(2), F.S.

The terms “proposition” or “official action” are not defined in the statute, nor is there a distinction between official action taken at a formal meeting versus an informal setting, such as a workshop. Inf. Op. to Jacquot, April 25, 2014. “In light of the purpose of the statute to allow public participation during the decisionmaking process on a proposition, it should be liberally construed to facilitate that purpose.” *Id.*

Section 286.0114(3), F.S., states that the public’s “opportunity to be heard” does not apply to:

1. An official act that must be taken to deal with an emergency situation affecting the public health, welfare, or safety, if compliance with the requirements would cause an unreasonable delay in the ability of the board or commission to act;
2. An official act involving no more than a ministerial act, including, but not limited to, approval of minutes and ceremonial proclamations;
3. A meeting that is exempt from s. 286.011; or
4. A meeting during which the board or commission is acting in a quasi-judicial capacity. See AGO 17-01 (s. 286.0114, F.S., does not require that members of the public be given a reasonable opportunity to be heard at quasi-judicial code enforcement hearings held by a special magistrate pursuant to authority delegated from the county code enforcement board).

The statute does not prohibit a board or commission from “maintaining orderly conduct or proper decorum in a public meeting.” Section 286.0114(2), F.S. In addition, the opportunity to be heard is “subject to rules or policies adopted by the board or commission” as provided in s. 286.0114(4), F.S. These rules or policies are limited to those that:

1. Provide guidelines regarding the amount of time an individual has to address the board or commission;
2. Prescribe procedures for allowing representatives of groups or factions on a proposition to address the board or commission, rather than all members of such groups or factions, at meetings in which a large number of individuals wish to be heard;
3. Prescribe procedures or forms for an individual to use in order to inform the board or commission of a desire to be heard; to indicate his or her support, opposition, or neutrality on a proposition; and to indicate his or her designation of a representative to speak for him or her or his or her group on a proposition if he or she so chooses; or
4. Designate a specified period of time for public comment.

If a board or commission adopts such rules or policies and thereafter complies with them, it is deemed to be acting in compliance with the statute. Section 286.0114(5), F.S. *And see Jones v. Heyman*, 888 F.2d 1328, 1333 (11th Cir. 1989) (mayor’s actions in attempting to confine the speaker to the agenda item in the city commission meeting and having the speaker removed when the speaker appeared to become disruptive constituted a reasonable time, place and manner regulation and did not violate the speaker’s First Amendment rights); and *City of Miami v. Airbnb, Inc.*, 260 So. 3d 478, 483-484 (Fla. 3d DCA 2018) (temporary injunction prohibiting city from requiring speakers at public hearings to give their names and addresses was overbroad). *Cf. Lozman v. City of Riviera Beach, Fla.*, 138 S.Ct. 1945 (2018), in which the U.S. Supreme Court held that the existence of probable cause for a speaker’s arrest for failure to follow the city council’s rules of procedure did not bar the speaker’s First Amendment retaliation claim.

A circuit court is authorized to issue injunctions for the purpose of enforcing s. 286.0114, F.S. Section 286.0114(6), F.S. However, an action taken by a board or commission which is found to be in violation of that statute is not void as a result of the violation. Section 286.0114(8), F.S.

6. Restrictions on public attendance

a. Cameras and tape recorders

A board or commission may adopt reasonable rules and policies which ensure the orderly conduct of a public meeting and require orderly behavior on the part of those persons attending a public meeting. A board, however, may not ban the use of nondisruptive recording devices. *Pinellas County School Board v. Suncam, Inc.*, 829 So. 2d 989 (Fla. 2d DCA 2002) (school board's ban on unobtrusive videotaping invalid). *Accord* AGO 91-28. *And see* AGO 77-122 (silent nondisruptive tape recording of district meeting permissible).

The Legislature in Ch. 934, F.S., appears to implicitly recognize the public's right to silently record public meetings. AGO 91-28. Chapter 934, F.S., the Security of Communications Act, regulates the interception of oral communications. Section 934.02(2), F.S., however, defines "[o]ral communication" to specifically exclude "any public oral communication uttered at a public meeting" *See also* Inf. Op. to Gerstein, July 16, 1976, stating that public officials may not complain that they are secretly being recorded during public meetings in violation of s. 934.03, F.S.

b. Exclusion of certain members of the public

The term "open to the public" as used in the Sunshine Law means open to *all* persons who choose to attend. AGO 99-53. *Cf. Ribaya v. Board of Trustees of City Pension Fund for Firefighters and Police Officers in City of Tampa*, 162 So. 3d 348, 356 (Fla. 2d DCA 2015) (although there appears to be no case law "squarely resolving" whether a wrongful exclusion of one person would void all actions taken at the meeting, "there is legal support for that proposition").

Thus the court in *Port Everglades Authority v. International Longshoremen's Association, Local 1922-1*, 652 So. 2d 1169, 1170 (Fla. 4th DCA 1995), ruled that a procurement committee violated the Sunshine Law by requesting that bidders voluntarily excuse themselves from each other's presentations. *See now* s. 286.0113(2), F.S., providing an exemption from the Sunshine Law for any portion of a meeting at which a vendor makes an oral presentation or answers questions as part of a competitive solicitation, and requiring a complete recording of the exempt portion of the meeting.

Staff of a public agency clearly are members of the public as well as employees of the agency; they cannot, therefore, be excluded from public meetings. AGO 79-01. Section 286.011, F.S., however, does not preclude the reasonable application of ordinary personnel policies, for example, the requirement that annual leave be used to attend meetings, provided that such policies do not frustrate or subvert the purpose of the Sunshine Law. *Id.*

Although not directly addressing the open meetings laws, courts of other states have ruled that in the absence of a compelling governmental interest, agencies may not single out and exclude a particular news organization or reporter from press conferences. *See, e.g., Times-Picayune Publishing Corporation v. Lee*, 15 Media L. Rep. 1713 (E.D. La. 1988); *Borreca v. Fasi*, 369 F. Supp. 906 (D. Hawaii 1974); *Quad-City Community News Service, Inc. v. Jebens*, 334 F. Supp. 8 (S.D. Iowa 1971); and *Southwestern Newspapers Corporation v. Curtis*, 584 S.W.2d 362 (Tex. Ct. App. 1979).

c. Inaudible discussions

A school district advisory committee violated the Sunshine Law when it conducted "breakout sessions" where the members discussed committee business at two separate tables which meant that members at one table could not hear what was being discussed at the other table and members of the public could not hear what was being discussed at the sessions. *Linares v. District School Board of Pasco County*, No. 17-00230 (Fla. 6th Cir. Ct. January 10, 2018). *And see* AGO 71-159 (cautioning against discussions of public business which are audible only to "a select few" who are at the table with board members). *Cf. Citizens for Sunshine, Inc. v. City*

of *Sarasota*, No. 2010CA4387NC (Fla. 12th Cir. Ct. February 27, 2012) (two members of a civil service board violated the Sunshine Law when they held a private discussion concerning a pending employment appeal during a recess of a board meeting).

7. Time and length of meeting

In *Greenbarg v. Metropolitan Dade County Board of County Commissioners*, 618 So. 2d 760 (Fla. 3d DCA 1993), the court held that there was “no impropriety” when a county commission continued to meet until the “early morning hours.”

8. Use of codes or preassigned numbers in order to avoid identifying individuals

Section 286.011, F.S., requires that meetings of public boards or commissions be “open to the public at all times” See *Neu v. Miami Herald Publishing Company*, 462 So. 2d 821, 823 (Fla. 1985), disapproving a procedure permitting representatives of the media to attend a city council meeting provided that they agreed to “respect the confidentiality” of certain matters: “Under the Sunshine Law, a meeting is either fully open or fully closed; there are no intermediate categories.”

The use of preassigned numbers or codes at public meetings to avoid identifying the names of applicants violates s. 286.011, F.S., because “to permit discussions of applicants for the position of a municipal department head by a preassigned number or other coded identification in order to keep the public from knowing the identities of such applicants and to exclude the public from the appointive or selection process would clearly frustrate or defeat the purpose of the Sunshine Law.” AGO 77-48. Accord AGO 76-240 (Sunshine Law prohibits the use of coded symbols at a public meeting in order to avoid revealing the names of applicants for the position of city manager). And see *News-Press Publishing Company v. Wisner*, 345 So. 2d 646, 648 (Fla. 1977) (“public policy of this state as expressed in the public records law and the open meetings statute eliminate any notion that the commission was free to conduct the county’s personnel business by pseudonyms or cloaked references”).

9. Voting

a. Abstention

Section 286.012, F.S., provides:

A member of a state, county, or municipal governmental board, commission, or agency who is present at a meeting of any such body at which an official decision, ruling, or other official act is to be taken or adopted may not abstain from voting . . . and a vote *shall* be recorded or counted for each such member present, unless, with respect to any such member, there is, or appears to be, a possible conflict of interest under s. 112.311, s. 112.313, or s. 112.3143, or additional or more stringent standards of conduct, if any, adopted pursuant to s. 112.326. If there is or appears to be a possible conflict under s. 112.311, s. 112.313, or s. 112.3143, the member shall comply with the disclosure requirements of s. 112.3143. If the conflict is one arising from the additional or more stringent standards adopted pursuant to s. 112.326, the member shall comply with any disclosure requirements adopted pursuant to s. 112.326. If the official decision, ruling, or act occurs in the context of a quasi-judicial proceeding, a member may abstain from voting on such matter if the abstention is to assure a fair proceeding free from potential bias or prejudice. (e.s.)

A member of a state, county, or municipal board who is present at a meeting is thus prohibited from abstaining from voting except as authorized in s. 286.012, F.S. See AGO 02-40 (s. 286.012, F.S., applies to advisory board appointed by a county commission). Cf. Inf. Op. to

Dickens, August 10, 2006 (nothing in the language of s. 286.012 indicates that a member who temporarily absents himself or herself from the dais [but is still present in the meeting room] during a vote should be recorded as an affirmative vote).

Failure of a member to vote, however, does not invalidate the entire proceedings. *City of Hallandale v. Rayel Corporation*, 313 So. 2d 113 (Fla. 4th DCA 1975), *cause dismissed sua sponte*, 322 So. 2d 915 (Fla. 1975) (to rule otherwise would permit any member to frustrate official action merely by refusing to participate). *And see* Inf. Op. to Dickens, *supra* (failure of a member to vote does not render a voted matter invalid if a quorum is present and the required number of affirmative votes have been cast by the voting members).

Section 286.012, F.S., applies *only* to state, county, and municipal boards. AGO 04-21. Special district boards are not subject to its provisions and may adopt their own rules regarding abstention, subject to s. 112.3143, F.S. AGOs 04-21, 85-78 and 78-11.

Questions as to what constitutes a conflict of interest and when board members are prohibited from voting under the above statutes should be referred to the Florida Commission on Ethics.

b. Proxy votes

In the absence of statutory authority, proxy voting by board members is not allowed. AGO 78-117.

c. Roll call vote

While s. 286.012, F.S., requires that each member present cast a vote either for or against the proposal under consideration by the public board or commission, it is not necessary that a roll call vote of the members present and voting be taken so that each member's specific vote on each subject is recorded. The intent of the statute is that all members present cast a vote and that the minutes so reflect that by either recording a vote *or* counting a vote for each member. *Ruff v. School Board of Collier County*, 426 So. 2d 1015 (Fla. 2d DCA 1983) (roll call vote so as to *record* the individual vote of each such member is not necessary). *Cf.* s. 20.052(5)(c), F.S., requiring that minutes, including a record of all votes cast, be maintained for all meetings of an advisory body, commission, board of trustees, or other collegial body adjunct to an executive agency.

d. Written or secret ballot

A secret ballot violates the Sunshine Law. *See* AGO 73-264 (members of a personnel board may not vote by secret ballot during a hearing concerning a public employee). *Accord* AGOs 72-326 and 71-32 (board may not use secret ballots to elect the chair and other officers of the board).

However, board members are not prohibited from using written ballots to cast a vote as long as the votes are made openly at a public meeting, the name of the person who voted and his or her selection are written on the ballot, and the ballots are maintained and made available for public inspection in accordance with the Public Records Act. *See* AGO 73-344.

In addition, because the Sunshine Law expressly requires that public meetings be open to the public "at all times," after the ballots are marked, the person who tallies the votes should announce the names of the persons who voted and their votes. For example, a judge found that a board violated the Sunshine Law when the board members' individual votes for each applicant were not announced at the public meeting. According to the court, "[t]he fact that the ballots are preserved as public records available for public inspection does not satisfy the requirement of openness." *Schweickert v. Citrus County Port Authority*, No. 12-CA-1339 (Fla. 5th Cir. Ct. September 30, 2013). *See also* AGO 71-32 (if at any time during a public meeting, the proceedings become "covert, secret or not wholly exposed to the view and hearing of the public," that portion of the meeting is not "open to the public at all times").

E. STATUTORY EXEMPTIONS

1. Creation and review of exemptions

Article I, s. 24(b), Fla. Const., requires that all meetings of a collegial public body of the executive branch of state government or of local government, at which official acts are to be taken or at which the public business of such body is to be transacted or discussed, be open and noticed to the public. All laws in effect on July 1, 1993, that limit access to meetings remain in force until they are repealed. Article I, s. 24(d), Fla. Const.

The Legislature is authorized to provide by general law passed by two-thirds vote of each house for the exemption of meetings, provided such law states with specificity the public necessity justifying the exemption and is no broader than necessary to accomplish the stated purpose of the law. Article I, s. 24(c), Fla. Const. See s. 119.011(8), F.S., defining the term “exemption” to include a provision of general law which provides that a “specified . . . meeting, or portion thereof, is not subject to the access requirements” in s. 286.011, F.S., or Art. I, s. 24, Fla. Const. And see *Halifax Hospital Medical Center v. News-Journal Corporation*, 724 So. 2d 567 (Fla. 1999) (open meetings exemption for certain hospital board meetings unconstitutional because it did not meet the constitutional standard of specificity as to stated public necessity and limited breadth to accomplish that purpose). Compare *Baker County Press, Inc. v. Baker County Medical Services, Inc.*, 870 So. 2d 189, 195 (Fla. 1st DCA 2004), upholding a more recent public meetings exemption because “the constitutional concerns expressed by the Florida Supreme Court in *Halifax*” were met due to a more specific legislative justification accompanied by adequate findings to support the breadth of the exemption.

Section 119.15, F.S., the Open Government Sunset Review Act, provides for legislative review of exemptions from the open government laws. Pursuant to the Act, in the fifth year after enactment of a new exemption or expansion of an existing exemption, the exemption shall be repealed on October 2 of the fifth year, unless the Legislature acts to reenact the exemption. Section 119.15(3), F.S. The two-thirds vote requirement for enactment of exemptions set forth in Art. I, s. 24(c), Fla. Const., applies to re-adoption of exemptions as well as initial creation of exemptions. AGO 03-18.

2. Exemptions are narrowly construed

As a statute enacted for the public benefit, the Sunshine Law should be liberally construed to give effect to its public purpose, while exemptions should be narrowly construed. See, e.g., *Board of Public Instruction of Broward County v. Doran*, 224 So. 2d 693 (Fla. 1969); *Wood v. Marston*, 442 So. 2d 934 (Fla. 1983). And see *Turner v. Wainwright*, 379 So. 2d 148, 155 (Fla. 1st DCA 1980), *affirmed and remanded*, 389 So. 2d 1181 (Fla. 1980) (rejecting a board’s argument that a legislative requirement that certain board meetings must be open to the public implies that the board could meet privately to discuss other matters); and *Carlson v. Florida Department of Revenue*, 227 So. 3d 1261 (Fla. 1st DCA 2017), rejecting an agency’s argument that a statute providing an exemption for “[a]ny portion of team meeting at which negotiation strategies are discussed” covered the entirety of any meeting at which negotiation strategies were discussed.

The courts have recognized that the Sunshine Law should be construed so as to frustrate all evasive devices. *City of Miami Beach v. Berns*, 245 So. 2d 38 (Fla. 1971); *Blackford v. School Board of Orange County*, 375 So. 2d 578 (Fla. 5th DCA 1979); *Wolfson v. State*, 344 So. 2d 611 (Fla. 2d DCA 1977). As the Florida Supreme Court stated in *Canney v. Board of Public Instruction of Alachua County*, 278 So. 2d 260, 264 (Fla. 1973):

Various boards and agencies have obviously attempted to read exceptions into the Government in the Sunshine Law which do not exist. Even though their intentions may be sincere, such boards and agencies should not be allowed to circumvent the plain provisions of the statute. The benefit to the public far outweighs the inconvenience of the board or agency. If the board

or agency feels aggrieved, then the remedy lies in the halls of the Legislature and not in efforts to circumvent the plain provisions of the statute by devious ways in the hope that the judiciary will read some exception into the law.

If a board member is unable to determine whether a meeting is subject to the Sunshine Law, he or she should either leave the meeting or ensure that the meeting complies with the Sunshine Law. *See City of Miami Beach v. Berns, supra* at 41; *Town of Palm Beach v. Gradison*, 296 So. 2d 473, 477 (Fla. 1974) (“The principle to be followed is very simple: When in doubt, the members of any board, agency, authority or commission should follow the open-meeting policy of the State.”).

3. Effect of statutory exemptions

a. Notice requirements

If a statute exempts meetings from the requirements of s. 286.011, F.S., the meetings are also exempt from the notice provisions in that statute that would otherwise apply. AGO 93-86. *Accord* AGO 07-28.

b. Attendance at closed meetings

In some cases, a statutory exemption specifies the persons who are permitted to attend a closed session. For example, s. 286.011(8), F.S., establishing an open meetings exemption for certain discussions pertaining to pending litigation, provides that only the entity, the entity’s attorney, the entity’s chief administrative officer, and a court reporter may attend the closed meeting. *See* AGO 01-10 (clerk of court not authorized to attend).

However, where an exemption for certain public hospital board meetings relating to a “written strategic plan” did not specify who may attend (other than a court reporter), the Attorney General’s Office recommended that the board “strictly limit attendance to only those individuals who are essential to the purpose of the meeting, *i.e.*, to discuss, receive a report on, modify, or approve a strategic plan, in order to avoid what the courts might consider to be a disclosure to the public.” AGO 07-28. *And see* AGO 06-34 (members of a local advocacy council, who are attending a closed session of the statewide advocacy council during the discussion of one of the local council’s cases, may not remain in the closed session when the statewide advocacy council is considering cases from other advocacy councils which are unrelated to the local advocacy council’s cases).

c. Disclosure of matters discussed at closed meeting

In a 2014 informal opinion, the Attorney General’s Office considered whether the unauthorized disclosure by a council member of information discussed during a closed “shade meeting” held pursuant to s. 286.011(8), F.S., would violate the Sunshine Law or have other legal consequences. The opinion concluded that the prohibitions and penalties for violation of the Sunshine Law that are set forth in s. 286.011(3), F.S., appear to be directed only at persons who attend closed meetings that should have been open to the public. *See* Inf. Op. to Pritt, November 26, 2014. Accordingly, the Attorney General’s Office was unable to conclude that unauthorized disclosure of matters disclosed at a valid closed session would violate the Sunshine Law. *Id.* However, other statutory provisions, such as ss. 112.313(8), 112.51, or 839.26, F.S., relating to disclosure of privileged information could apply to this situation. *Id.* *And see* AGO 03-09 (exemption for collective bargaining strategy sessions in s. 447.605[1], F.S., does not directly address the dissemination of information that may be obtained at the closed meeting, but there is clear legislative intent that matters discussed during such meetings are not to be open to public disclosure).

4. Special act exemptions

Prior to July 1, 1993, exemptions from the Sunshine Law could be created by special act.

Article I, s. 24, Fla. Const., however, now limits the Legislature's ability to enact an exemption from the constitutional right of access to open meetings established thereunder. While exemptions in effect on July 1, 1993, remain in force until repealed, the Constitution requires that exemptions enacted after that date must be by general law. Such law must state with specificity the public necessity for the exemption and be no broader than necessary to accomplish that stated purpose.

F. REMEDIES AND PENALTIES

1. Criminal penalties

A *knowing* violation of the Sunshine Law is a misdemeanor of the second degree. Section 286.011(3)(b), F.S. See *Carlson v. Florida Department of Revenue*, 227 So. 3d 1261, 1263 (Fla. 1st DCA 2017), declaring that the Sunshine Law is "serious business," because "there is criminal liability for officials who knowingly disregard it."

A person convicted of a second degree misdemeanor may be sentenced to a term of imprisonment not to exceed 60 days and/or fined up to \$500. Sections 775.082(4)(b) and 775.083(1)(e), F.S. The criminal penalties apply to members of advisory councils subject to the Sunshine Law as well as to members of elected or appointed boards. AGO 01-84 (school advisory council members).

Conduct which occurs outside the state which constitutes a knowing violation of the Sunshine Law is a second degree misdemeanor. Section 286.011(3)(c), F.S. Such violations are prosecuted in the county in which the board or commission normally conducts its official business while violations occurring within the state may be prosecuted in that county. Section 910.16, F.S.

2. Removal from office

When a method for removal from office is not otherwise provided by the Florida Constitution or by law, the Governor may suspend an elected or appointed public officer who is indicted or informed against for any misdemeanor arising directly out of his or her official duties. Section 112.52(1), F.S. If convicted, the officer may be removed from office by executive order of the Governor. Section 112.52(3), F.S. A person who pleads guilty or nolo contendere or who is found guilty is, for purposes of s. 112.52, F.S., deemed to have been convicted, notwithstanding the suspension of sentence or the withholding of adjudication. *Id.* Cf. s. 112.51, F.S. (municipal officers) and Art. IV, s. 7, Fla. Const. (state and county officers).

3. Noncriminal infractions

Section 286.011(3)(a), F.S., imposes noncriminal penalties for violations of the Sunshine Law by providing that any public officer violating the provisions of the Sunshine Law is guilty of a noncriminal infraction, punishable by a fine not exceeding \$500. The state attorney may pursue such actions on behalf of the state. *State v. Foster*, 12 F.L.W. Supp. 1194a (Fla. Broward Co. Ct. September 26, 2005). Accord AGO 91-38. Cf. *State v. Foster*, 13 F.L.W. Supp. 385a (Fla. 17th Cir. Ct. January 25, 2006) (no right to jury trial is triggered when an individual faces a noncriminal violation of the Sunshine Law).

If a nonprofit corporation is subject to the Sunshine Law, its board of directors constitute "public officers" for purposes of s. 286.011(3)(a), F.S. AGO 98-21. See *Goosby v. State*, No. GF05-(001122-001130,001135)-BA (Fla. 10th Cir. Ct. December 22, 2006), *cert. denied*, No. 2D07-281 (Fla. 2d DCA May 25, 2007) (members of the Polk County Opportunity Council, which had assumed and exercised a delegated governmental function, were "public officers" for purposes of the Sunshine Law and subject to the imposition of the noncriminal infraction fine). Compare, *State v. Dorworth*, No. 14-MM-5841 (Fla. Orange Co. Ct. October 21, 2014), *affirmed*, No. 14-AP-48 (Fla. 9th Cir. Ct. August 19, 2015), dismissing a misdemeanor charge against a lobbyist who was accused of violating the Sunshine Law by relaying information between board members and thereby aiding the members to meet without complying with the Sunshine Law.

The trial judge determined that by charging the lobbyist, the state attorney “expanded the reach of the Sunshine Law to private citizens; and, the Legislature did not intend for the statute to apply to private citizens.”

4. Attorney’s fees

Reasonable attorney’s fees will be assessed against a board or commission found to have violated the Sunshine Law. Section 286.011(4), F.S. See *Indian River County Hospital District v. Indian River Memorial Hospital, Inc.*, 766 So. 2d 233, 235 (Fla. 4th DCA 2000), concluding that the trial court erred by failing to assess attorney’s fees against a nonprofit hospital corporation found to have violated the Sunshine Law. And see s. 286.011(5), F.S., authorizing the assessment of attorney fees if a board appeals an order finding the board in violation of the Sunshine Law and the order is affirmed.

While s. 286.011(4), F.S., authorizes an award of appellate fees if a person successfully appeals a trial court order denying access, the statute “does not supersede the appellate rules, nor does it authorize the trial court to make an initial award of appellate attorney’s fees.” *School Board of Alachua County v. Rhea*, 661 So. 2d 331 (Fla. 1st DCA 1995), review denied, 670 So. 2d 939, 332 (Fla. 1996). Thus, a person prevailing on appeal must file an appropriate motion in the appellate court in order to receive appellate attorney’s fees. *Id.* If a board appeals an order finding the board in violation of the Sunshine Law, and the order is affirmed, “the court shall assess a reasonable attorney’s fee for the appeal” against the board. Section 286.011(5), F.S.

Attorney’s fees may be assessed against the individual members of the board except in those cases where the board sought, and took, the advice of its attorney. Section 286.011(4) and (5), F.S.

If a member of a board or commission charged with a violation of s. 286.011, F.S., is subsequently acquitted, the board or commission is authorized to reimburse that member for any portion of his or her reasonable attorney’s fees. Section 286.011(7), F.S. Cf. AGO 86-35, stating that this subsection does not authorize the reimbursement of attorney’s fees incurred during an investigation of alleged sunshine violations when no formal charges were filed, although common law principles may permit such reimbursement.

Reasonable attorney’s fees may be assessed against the individual filing an action to enforce the provisions of s. 286.011, F.S., if the court finds that it was filed in bad faith or was frivolous. Section 286.011(4), F.S. The fact that a plaintiff may be unable to prove that a secret meeting took place, however, does not necessarily mean that attorney’s fees will be assessed. See *Bland v. Jackson County*, 514 So. 2d 1115, 1116 (Fla. 1st DCA 1987), concluding that although the plaintiff was unable to prove that a meeting in violation of the Sunshine Law took place, the evidence showed that the county commission unanimously voted on the issue in an open public meeting without identifying what they were voting on and without any discussion and under these circumstances an inference might reasonably be drawn that the commissioners had no need to discuss the action being taken because they had already discussed and decided the issue before the public meeting.

5. Civil actions for injunctive or declaratory relief

Section 286.011(2), F.S., states that the circuit courts have jurisdiction to issue injunctions upon application by any citizen of this state. See *Allen v. United Faculty of Miami-Dade College*, 197 So. 3d 604 (Fla. 3rd DCA 2016) (Public Employees Relations Commission [PERC] properly dismissed unfair labor practice charge alleging a violation of the Sunshine Law, as s. 286.011, F.S., is enforceable only by the courts, not by PERC).

While normally irreparable injury must be proved by the plaintiff before an injunction may be issued, in Sunshine Law cases the mere showing that the law has been violated constitutes “irreparable public injury.” *Town of Palm Beach v. Gradison*, 296 So. 2d 473 (Fla. 1974); and

Times Publishing Company v. Williams, 222 So. 2d 470 (Fla. 2d DCA 1969), *disapproved in part on other grounds*, *Neu v. Miami Herald Publishing Company*, 462 So. 2d 821 (Fla. 1985). The plaintiff's burden is to "establish by the greater weight of the evidence" that a meeting which should have been held in the sunshine took place on the date alleged. *Lyon v. Lake County*, 765 So. 2d 785, 789 (Fla. 5th DCA 2000).

A complaint for injunctive relief must allege by name or sufficient description the identity of the public official with whom the defendant public official has violated the Sunshine Law. *Deerfield Beach Publishing, Inc. v. Robb*, 530 So. 2d 510 (Fla. 4th DCA 1988). *And see Forehand v. School Board of Gulf County, Florida*, 600 So. 2d 1187 (Fla. 1st DCA 1992) (plaintiff was not denied a fair and impartial hearing because the board only briefly deliberated in public before a vote was taken as there was no evidence that the board had privately deliberated on this issue); and *Law and Information Services v. City of Riviera Beach*, 670 So. 2d 1014 (Fla. 4th DCA 1996) (patent speculation, absent any allegation that a nonpublic meeting in fact occurred, is insufficient to state a cause of action).

Although a court cannot issue a blanket order enjoining any violation of the Sunshine Law based upon a finding that the law was violated in particular respects, a court may enjoin a future violation that bears some resemblance to the past violation. *See Board of Public Instruction of Broward County v. Doran*, 224 So. 2d 693, 699-700 (Fla. 1969), *Port Everglades Authority v. International Longshoremen's Association, Local 1922-1*, 652 So. 2d 1169, 1173 (Fla. 4th DCA 1995), and *Citizens for Sunshine, Inc. v. Martin County School Board*, 125 So. 3d 184 (Fla. 4th DCA 2013). *See also Wood v. Marston*, 442 So. 2d 934 (Fla. 1983) (trial court's permanent injunction affirmed). *Compare Leach-Wells v. City of Bradenton*, 734 So. 2d 1168, 1170n. 1 (Fla. 2d DCA 1999), in which the court noted that had a citizen appealed the trial court's denial of her motion for temporary injunction based on a selection committee's alleged violation of the Sunshine Law, the appellate court "would have had the opportunity to review this matter before the project was completed and to direct that the City be enjoined from entering into a final contract with the developer until after such time as the ranking of the proposals could be accomplished in compliance with the Sunshine Law."

The future conduct must be "specified, with such reasonable definiteness and certainty that the defendant could readily know what it must refrain from doing without speculation and conjecture." *Port Everglades Authority v. International Longshoremen's Association, Local 1922-1*, *supra*, quoting from *Board of Public Instruction v. Doran*, 224 So. 2d 693, 699 (Fla. 1969). *And see Lozman v. City of Riviera Beach*, No. 502007CA007552XXXXMB (Fla. 15th Cir. Ct. June 9, 2009), *per curiam affirmed*, 46 So. 3d 573 (Fla. 4th DCA 2010) (injunctive relief against future violations of city to record minutes of certain meetings appropriate in light of city's past conduct and consistent refusal to record such minutes even after being advised to do so by the city attorney and because the city "has continuously taken the legal position that local governments are not required by the Sunshine Law to record minutes").

Declaratory relief is not appropriate where no present dispute exists but where governmental agencies merely seek judicial advice different from that advanced by the Attorney General and the state attorney or an injunctive restraint on the prosecutorial discretion of the state attorney. *Askew v. City of Ocala*, 348 So. 2d 308 (Fla. 1977).

6. Validity of action taken in violation of the Sunshine Law and subsequent corrective action

Section 286.011, F.S., provides that no resolution, rule, regulation or formal action shall be considered binding except as taken or made at an open meeting.

Recognizing that the Sunshine Law should be construed so as to frustrate all evasive devices, the courts have held that action taken in violation of the law is void ab initio. *Town of Palm Beach v. Gradison*, 296 So. 2d 473 (Fla. 1974). *Accord Sarasota Citizens For Responsible*

Government v. City of Sarasota, 48 So. 3d 755, 762 (Fla. 2010), noting that “where officials have violated section 286.011, the official action is void ab initio.” See *Silver Express Company v. District Board of Lower Tribunal Trustees*, 691 So. 2d 1099 (Fla. 3d DCA 1997) (selection committee rankings resulting from a meeting held in violation of the Sunshine Law are void ab initio and agency enjoined from entering into contract based on such rankings); *TSI Southeast, Inc. v. Royals*, 588 So. 2d 309 (Fla. 1st DCA 1991) (contract for sale and purchase of real property voided because board failed to properly notice the meeting under s. 286.011, F.S.); *Grapski v. City of Alachua*, 31 So. 3d 193 (Fla. 1st DCA 2010), *review denied*, 47 So. 3d 1288 (Fla. 2010) (by failing to open its minutes to public inspection and copying in a timely and reasonable manner, prejudice is presumed and therefore city’s approval of minutes is null and void ab initio); and *Brown v. Denton*, 152 So. 3d 8 (Fla. 1st DCA 2014), *review denied*, No. SC14-2490 (Fla. February 24, 2016) (upholding trial court ruling that voided an agreement reached after closed-door mediation sessions which resulted in changes to pension benefits of city employees in certain unions). Compare s. 286.0114(8), F.S. (an action taken by a board or commission which is found to be in violation of s. 286.0114, F.S. [providing a right to be heard on a proposition before a state or local board or commission] “is not void as a result of that violation”).

Similarly, a circuit judge found that where two members of civil service board held a private discussion about a pending case during a recess, the board’s subsequent findings in the case were “null and void” and the city must reconvene the board and hear the evidence de novo. *Citizens for Sunshine, Inc. v. City of Sarasota*, No. 2010CA4387NC (Fla. 12th Cir. Ct. February 27, 2012). And see *Ribaya v. Board of Trustees of City Pension Fund for Firefighters and Police Officers in City of Tampa*, 162 So. 3d 348, 356 (Fla. 2d DCA 2015) (although there appears to be no case law “squarely resolving” whether a wrongful exclusion of one person would void all actions taken at the meeting, “there is legal support for that proposition”).

A violation need not be “clandestine” in order for a contract to be invalidated because “the principle that a Sunshine Law violation renders void a resulting official action does not depend upon a finding of intent to violate the law or resulting prejudice.” *Port Everglades Authority v. International Longshoremen’s Association, Local 1922-1*, 652 So. 2d 1169, 1171 (Fla. 4th DCA 1995). But see *Killearn Properties, Inc. v. City of Tallahassee*, 366 So. 2d 172 (Fla. 1st DCA 1979), *cert. denied*, 378 So. 2d 343 (Fla. 1979) (city which had received benefits under contract was estopped from claiming contract invalid as having been entered into in violation of the Sunshine Law).

Where, however, a public board or commission does not merely perfunctorily ratify or ceremoniously accept at a later open meeting those decisions which were made at an earlier secret meeting but rather takes “independent final action in the sunshine,” the decision of the board or commission will not be disturbed. *Tolar v. School Board of Liberty County*, 398 So. 2d 427, 429 (Fla. 1981). *Accord Bruckner v. City of Dania Beach*, 823 So. 2d 167, 171 (Fla. 4th DCA 2002) (Sunshine violations “can be cured by independent, final action completely in the Sunshine”). And see *Monroe County v. Pigeon Key Historical Park, Inc.*, 647 So. 2d 857, 861 (Fla. 3d DCA 1994) (adoption of the open government constitutional amendment, Art. I, s. 24, Fla. Const., did not overrule the *Tolar* “standard of remediation”). Cf. *Board of County Commissioners of Sarasota County v. Webber*, 658 So. 2d 1069 (Fla. 2d DCA 1995) (no evidence suggesting that board members met in secret during a recess to reconsider and deny a variance and then perfunctorily ratified this decision at the public hearing held a few minutes later); *B.M.Z. Corporation v. City of Oakland Park*, 415 So. 2d 735 (Fla. 4th DCA 1982) (where no evidence that any decision was made in private, subsequent formal action in sunshine was not merely perfunctory ratification of secret decisions or ceremonial acceptance of secret actions).

Thus, in a case involving the validity of a lease approved by a board of county commissioners after an advisory committee held two unnoticed meetings regarding the lease, a court held that the Sunshine Law violations were cured when the board of county commissioners held open public hearings after the unnoticed meetings, an effort was made to make available to the public

the minutes of the unnoticed meetings, the board approved a lease that was markedly different from that recommended by the advisory committee, and most of the lease negotiations were conducted after the advisory committee had concluded its work. *Monroe County v. Pigeon Key Historical Park, Inc.*, 647 So. 2d 857, 860-861 (Fla. 3d DCA 1994).

Similarly, a school board remedied an inadvertent violation of the Sunshine Law when it subsequently held full, open and independent public hearings prior to adopting a redistricting plan. *Finch v. Seminole County School Board*, 995 So. 2d 1068, 1073 (Fla. 5th DCA 2008). *And see Sarasota Citizens for Responsible Government v. City of Sarasota*, 48 So. 3d 755 (Fla. 2010) (any possible violations that occurred when county commissioners circulated e-mails among each other were cured by subsequent public meetings). *Jackson v. City of Tallahassee*, 265 So. 3d 736 (Fla. 1st DCA 2019) (public city commission meeting to fill a vacancy on the commission, which included a full discussion of the appointment, candidate presentations, more than an hour of public comment, and numerous speakers, cured any purported violation that may have occurred during the application process). *Cf. Anderson v. City of St. Pete Beach*, 161 So. 3d 548, 553-554 (Fla. 2d DCA 2014), noting that “even when an illicit action is ‘cured’ it does not absolve a public body of its responsibility for violating the Sunshine Law in the first instance; it simply provides a way to salvage a void act by reconsidering it in Sunshine.”

It must be emphasized, however, that only a full open hearing will cure the defect; a violation of the Sunshine Law will not be cured by a perfunctory ratification of the action taken outside of the sunshine. *Spillis Candela & Partners, Inc. v. Centrust Savings Bank*, 535 So. 2d 694 (Fla. 3d DCA 1988). *See also Anderson v. City of St. Pete Beach*, 161 So. 3d at 553 (city failed to cure Sunshine Law violation since it merely perfunctorily ratified in public session what had already been decided in closed meetings).

For example, in *Zorc v. City of Vero Beach*, 722 So. 2d 891, 903 (Fla. 4th DCA 1998), *review denied*, 735 So. 2d 1284 (Fla. 1999), the Fourth District explained why a subsequent city council meeting did not cure the council’s prior violation of the Sunshine Law:

It is evident from the record that the meeting was not a full reexamination of the issues, but rather, was merely the perfunctory acceptance of the City’s prior decision. This was not a full, open public hearing convened for the purpose of enabling the public to express its views and participate in the decision-making process. Instead, this was merely a Council meeting which was then opened to the public for comment at the City’s request. There was no significant discussion of the issues or a discourse as to the language sought to be included. The City Councilmen were provided with transcripts of the hearings, but none reviewed the language previously approved, and the Council subsequently voted to deny reconsideration of the wording.

More recently, the Fourth District reversed an order granting summary judgment in favor of a city which claimed that a special meeting cured an alleged Sunshine Law violation arising from approval of a separation agreement for the departing city manager. The court observed that the entire proceeding lasted less than 15 minutes and “no one mentioned the terms of the agreement, nor did they discuss at length the reasons for the termination.” *Transparency for Florida, Inc. v. City of Port St. Lucie*, 240 So. 3d 780, 786 (Fla. 4th DCA 2018). According to the court, “[t]he meeting may be more perfunctory . . . than the meeting in *Zorc*.” *Id.* *And see Gateway Southeast Properties, Inc. v. Town of Medley*, 14 F.L.W. Supp. 20a (Fla. 11th Cir. Ct. October 24, 2006) (subsequent public meeting did not cure the defects of earlier closed meeting where no evidence was presented and no questions asked or discussion pursued by council members at subsequent open meeting); *Linares v. District School Board of Pasco County*, No. 17-00230 (Fla. 6th Cir. Ct. January 10, 2018) (minutes of school board meeting did not go into enough depth to carry the school district’s burden of proving a cure of an advisory committee’s

violation of the Sunshine Law; the violation can be remedied only when all matters previously considered by the advisory committee are brought by independent action into the sunshine). *Cf.* AGO 12-31 (audit committee's statutorily prescribed function to create a request for proposals may not be delegated to a subordinate entity; the committee may not, therefore, ratify a defective request for proposals which was created and issued by the county's financial officer contrary to the requirements of the law).

Moreover, an appellate court warned that while subsequent public board meetings may have "cured" a Sunshine Law violation, "if a pattern of Sunshine Law violations existed before this violation, then perhaps we may have found that any subsequent school board actions were merely 'perfunctory ratification[s] of secret actions and decisions.'" *Citizens for Sunshine, Inc. v. Martin County School Board*, 125 So. 3d 184, 189 (Fla. 4th DCA 2013). See *Bert Fish Foundation v. Southeast Volusia Hospital District*, No. 2010-20801-CINS (Fla. 7th Cir. Ct. February 24, 2011) (series of public meetings did not "cure" Sunshine Law violations that resulted from 21 closed door meetings over 16 months; "[t]here was so much darkness for so long, that a giant infusion of sunshine might have been too little or too late").

7. Damages

The only remedies provided for in the Sunshine Law are a declaration of the wrongful action as void and reasonable attorney fees. *Dascott v. Palm Beach County*, 988 So. 2d 47 (Fla. 4th DCA 2008), *review denied*, 6 So. 3d 51 (Fla. 2009) (equitable recovery of back pay not authorized for employment termination conducted in violation of Sunshine Law).

PART II

PUBLIC RECORDS

A. SCOPE OF THE PUBLIC RECORDS ACT

Florida's Public Records Law, Ch. 119, F.S., provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. In the absence of a statutory exemption, this right of access applies to all materials made or received by an agency in connection with the transaction of official business which are used to perpetuate, communicate or formalize knowledge. Access to public records has been described as a "cornerstone of our political culture." *In re Report & Recommendations of Judicial Mgmt. Council of Fla. on Privacy & Elec. Access to Court Records*, 832 So. 2d 712, 713 (Fla. 2002).

Section 119.011(2), F.S., defines "agency" to include:

any state, county, district, authority, or municipal officer, department, division, board, bureau, commission, or other separate unit of government created or established by law including, for the purposes of this chapter, the Commission on Ethics, the Public Service Commission, and the Office of Public Counsel, and any other public or private agency, person, partnership, corporation, or business entity acting on behalf of any public agency.

A right of access to records is also recognized in Art. I, s. 24, Fla. Const., which applies to virtually all state and local governmental entities, including the legislative, executive and judicial branches of government. The only exceptions are those established by law or by the Constitution.

Section 119.011(12), F.S., defines "public records" to include:

all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other

material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency.

The Florida Supreme Court has interpreted this definition to encompass all materials made or received by an agency in connection with official business which are used to perpetuate, communicate or formalize knowledge. *Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.*, 379 So. 2d 633, 640 (Fla. 1980). All such materials, regardless of whether they are in final form, are open for public inspection unless the Legislature has exempted them from disclosure. *Wait v. Florida Power & Light Company*, 372 So. 2d 420 (Fla. 1979). Exemption summaries are found in Appendix D.

The term “public record” is not limited to traditional written documents. As the statutory definition states, “tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission” can all constitute public records. *And see National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201 (Fla. 1st DCA 2009), *review denied*, 37 So. 3d 848 (Fla. 2010) (“public records law is not limited to paper documents but applies, as well, to documents that exist only in digital form”). *Cf. Church of Scientology Flag Service Org., Inc. v. Wood*, No. 97-688CI-07 (Fla. 6th Cir. Ct. February 27, 1997) (physical specimens relating to an autopsy are not public records because in order to constitute a “public record” for purposes of Ch. 119, “the record itself must be susceptible of some form of copying . . .”).

Clearly, as technology changes the means by which agencies communicate, manage, and store information, public records will take on increasingly different forms. Yet, the comprehensive scope of the term “public records” will continue to make the information open to public inspection unless exempted by law.

Article I, s. 24, Fla. Const., establishes a constitutional right of access to any public record made or received in connection with the official business of any public body, officer, or employee of the state, or persons acting on their behalf, except those records exempted pursuant to Art. I, s. 24, Fla. Const., or specifically made confidential by the Constitution. *See State ex rel. Clayton v. Board of Regents*, 635 So. 2d 937 (Fla. 1994) (“[O]ur Constitution requires that public officials must conduct public business in the open and that public records must be made available to all members of the public.”); and *Rhea v. District Board of Trustees of Santa Fe College*, 109 So. 3d 851, 855 (Fla. 1st DCA 2013) (“A citizen’s access to public records is a fundamental constitutional right in Florida”). The complete text of Art. I, s. 24, Fla. Const., the Public Records and Meetings Amendment, may be found in Appendix A.

B. WHAT ENTITIES ARE COVERED? APPLICATION OF THE PUBLIC RECORDS ACT TO:

1. Advisory boards

The definition of “agency” for purposes of Ch. 119, F.S., is not limited to governmental entities. A “public or private agency, person, partnership, corporation, or business entity acting on behalf of any public agency” is also subject to the requirements of the Public Records Act. *See also* Art. I, s. 24(a), Fla. Const., providing that the constitutional right of access to public records extends to “any public body, officer, or employee of the state, or persons acting on their behalf. . .” (e.s.).

Thus, the Attorney General’s Office has concluded that the records of an employee advisory committee, established pursuant to special law to make recommendations to a public hospital authority, are subject to Ch. 119, F.S., and Art. I, s. 24(a), Fla. Const. AGO 96-32. *And see* Inf. Op. to Nicoletti, November 18, 1987, stating that the Loxahatchee Council of

Governments, Inc., formed by eleven public agencies to study and make recommendations on local governmental issues was an “agency” for purposes of Ch. 119, F.S.

2. Private organizations

A more complex question is presented when a private corporation or entity provides services for, or receives funds from, a governmental body. The term “agency,” as used in the Public Records Act, includes private entities “acting on behalf of any public agency.” Section 119.011(2), F.S. The Florida Supreme Court has stated that this broad definition of “agency” ensures that a public agency cannot avoid disclosure by contractually delegating to a private entity that which would otherwise be an agency responsibility. *News and Sun-Sentinel Company v. Schwab, Twitty & Hanser Architectural Group, Inc.*, 596 So. 2d 1029 (Fla. 1992). Cf. *Booksmart Enterprises, Inc. v. Barnes & Noble College Bookstores, Inc.*, 718 So. 2d 227, 229n.4 (Fla. 3d DCA 1998) (private company operating state university bookstores is an “agency” as defined in s. 119.011[2], F.S., “[n]otwithstanding the language in its contract with the universities that purports to deny any agency relationship”); and *Schwartzman v. Merritt Island Volunteer Fire Department*, 352 So. 2d 1230 (Fla. 4th DCA 1977), *cert. denied*, 358 So. 2d 132 (Fla. 1978) (private nonprofit volunteer fire department, which had been given stewardship over firefighting, which conducted its activities on county-owned property, and which was funded in part by public money, was an “agency” for purposes of the Public Records Act, and its membership files, minutes of its meetings and charitable activities were subject to disclosure).

While the mere act of contracting with, or receiving public funds from, a public agency is not sufficient to subject a private entity to Ch. 119, F.S., the following discussion considers when the statute has been held applicable to private entities.

a. Private entities created pursuant to law or by public agencies

The fact that a private entity is incorporated as a nonprofit corporation is not dispositive as to its status under the Public Records Act, but rather the issue is whether the entity is “acting on behalf of” a public agency. The Attorney General’s Office has issued numerous opinions advising that if a private entity is created by law or by a public agency, it is subject to Ch. 119 disclosure requirements. The following are some examples of such entities: Pace Property Finance Authority, Inc., created as a Florida nonprofit corporation by Santa Rosa County to provide assistance in the funding and administration of certain governmental programs, AGO 94-34; South Florida Fair and Palm Beach County Expositions, Inc., created pursuant to Ch. 616, F.S., AGO 95-17; rural health networks established as nonprofit legal entities to plan and deliver health care services on a cooperative basis pursuant to s. 381.0406, F.S., Inf. Op. to Ellis, March 4, 1994. *And see* s. 20.41(8), F.S., providing that area agencies on aging, described as “nongovernmental, independent, not-for-profit corporations” are “subject to [the Public Records Act], and, when considering any contracts requiring the expenditure of funds, are subject to ss. 286.011-286.012, relating to public meetings.”

b. Private entities contracting with public agencies or receiving public funds

There is no single factor which is controlling on the question of when a private corporation, not otherwise connected with government, becomes subject to the Public Records Act. However, the courts have held that the mere act of contracting with a public agency is not dispositive. *See, e.g., News and Sun-Sentinel Company v. Schwab, Twitty & Hanser Architectural Group, Inc., supra* (private corporation does not act “on behalf of” a public agency merely by entering into a contract to provide architectural services to the agency); *Parsons & Whittemore, Inc. v. Metropolitan Dade County*, 429 So. 2d 343 (Fla. 3d DCA 1983); *Stanfield v. Salvation Army*, 695 So. 2d 501, 503 (Fla. 5th DCA 1997) (contract with county to provide services does not in and of itself subject the organization to Ch. 119 disclosure requirements). *And see Weekly Planet, Inc. v. Hillsborough County Aviation Authority*, 829 So. 2d 970 (Fla. 2d DCA 2002) (fact that private development is located on land the developer leased from a governmental agency does not transform the leases between the developer and other private entities into public records).

Similarly, the receipt of public funds, standing alone, is not dispositive of the organization's status for purposes of Ch. 119, F.S. See *Sarasota Herald-Tribune Company v. Community Health Corporation, Inc.*, 582 So. 2d 730 (Fla. 2d DCA 1991) (mere provision of public funds to the private organization is not an important factor in this analysis, although the provision of a substantial share of the capitalization of the organization is important); and *Times Publishing Company v. Acton*, No. 99-8304 (Fla. 13th Cir. Ct. November 5, 1999) (attorneys retained by individual commissioners in a criminal matter were not "acting on behalf of" a public agency for purposes of Ch. 119, F.S., even though county commission subsequently voted to pay the legal expenses in accordance with a county policy providing for reimbursement of legal expenses to officers successfully defending charges filed against them arising out of the performance of their official duties). Cf. Inf. Op. to Cowin, November 14, 1997 (fact that nonprofit medical center is built on property owned by the city would not in and of itself be determinative of whether the medical center's meetings and records are subject to open government requirements).

The courts have relied on "two general sets of circumstances" in determining when a private entity is "acting on behalf of" a public agency and must therefore produce its records under Ch. 119, F.S. See *Weekly Planet, Inc. v. Hillsborough County Aviation Authority*, 829 So. 2d 970, 974 (Fla. 2d DCA 2002); *B & S Utilities, Inc. v. Baskerville-Donovan, Inc.*, 988 So. 2d 17 (Fla. 1st DCA 2008), review denied, 4 So. 3d 1220 (Fla. 2009); and *County of Volusia v. Emergency Communications Network, Inc.*, 39 So. 3d 1280 (Fla. 5th DCA 2010). Each of these circumstances or tests is discussed below.

(1) "Totality of factors" test

Recognizing that "the statute provides no clear criteria for determining when a private entity is 'acting on behalf of' a public agency," the Supreme Court adopted a "totality of factors" test to serve as a guide for evaluating whether a private entity is subject to Ch. 119, F.S. *News and Sun-Sentinel Company v. Schwab, Twitty & Hanser Architectural Group, Inc.*, 596 So. 2d 1029, 1031 (Fla. 1992). See *New York Times Company v. PHH Mental Health Services, Inc.*, 616 So. 2d 27 (Fla. 1993); *Wells v. Aramark Food Service Corporation*, 888 So. 2d 134 (Fla. 4th DCA 2004).

Accordingly, when a public agency contracts with a private entity to provide goods or services to facilitate the agency's performance of its duties, the courts have considered the "totality of factors" in determining whether there is a significant level of involvement by the public agency so as to subject the private entity to Ch. 119, F.S. See *Weekly Planet, Inc. v. Hillsborough County Aviation Authority*, *supra* at 974.

The factors listed by the Supreme Court in *Schwab* include the following:

- 1) the level of public funding;
- 2) commingling of funds;
- 3) whether the activity was conducted on publicly owned property;
- 4) whether the contracted services are an integral part of the public agency's chosen decision-making process;
- 5) whether the private entity is performing a governmental function or a function which the public agency otherwise would perform;
- 6) the extent of the public agency's involvement with, regulation of, or control over the private entity;
- 7) whether the private entity was created by the public agency;
- 8) whether the public agency has a substantial financial interest in the private entity;
- 9) for whose benefit the private entity is functioning.

Thus, the application of the totality of factors test will often require an analysis of the

statutes, ordinances or charter provisions which establish the function to be performed by the private entity as well as the contract, lease or other document between the governmental entity and the private organization.

For example, in AGO 92-37 the Attorney General's Office, following a review of the Articles of Incorporation and other materials relating to the establishment and functions of the Tampa Bay Performing Arts Center, Inc., concluded that the center was an "agency" subject to the Public Records Act, noting that the center was governed by a board of trustees composed of a number of city and county officials or appointees of the mayor, utilized city property in carrying out its goals to benefit the public, and performed a governmental function. *See also* AGOs 97-27 (documents created or received by the Florida International Museum after the date of its purchase/lease/option agreement with city subject to disclosure under Ch. 119, F.S.), 92-53 (John and Mable Ringling Museum of Art Foundation, Inc., subject to Public Records Act), and 11-01. *Cf.* Inf. Op. to Goodman, September 26, 2016 (in the absence of a request from the chief of the volunteer fire department or additional information making the relationship between the town and the fire department clearer, the Attorney General's Office may not respond formally to town attorney's inquiry about the application of the Public Records Act to the town's volunteer fire department).

By contrast, an architectural firm providing architectural services associated with construction of school facilities was found to be outside the scope of the Public Records Act. *See News and Sun-Sentinel Company v. Schwab, Twitty & Hanser Architectural Group, Inc., supra.* *See also Sipkema v. Reedy Creek Improvement District*, No. CI96114 (Fla. 9th Cir. Ct. May 29, 1996), *per curiam affirmed*, 697 So. 2d 880 (Fla. 5th DCA 1997), *review dismissed*, 699 So. 2d 1375 (Fla. 1997) (private security force providing services on Walt Disney World property, including traffic control and accident reports is not subject to Ch. 119); *Trepal v. State*, 704 So. 2d 498 (Fla. 1997) (soft drink company cooperating with law enforcement in the testing of soda bottles during an investigation of a poisoning death is outside the scope of the Public Records Act); and Inf. Op. to Michelson, January 27, 1992 (telephone company supplying cellular phone services to city officials for city business is not an "agency" since the company was not created by the city, did not perform a city function, and did not receive city funding except in payment for services rendered). *Cf. National Council on Compensation Insurance v. Fee*, 219 So. 3d 172, 182 (Fla. 1st DCA 2017) (trial court conclusion that insurance rating organization violated Public Records Act was erroneous because the court "expressly declined to apply the *Schwab* factors" prior to making this determination).

(2) Delegation of function test

While the mere act of contracting with a public agency is not sufficient to bring a private entity within the scope of the Public Records Act, there is a difference between a party contracting with a public agency to provide services to the agency and a contracting party which provides services in place of the public body. *News-Journal Corporation v. Memorial Hospital-West Volusia, Inc.*, 695 So. 2d 418 (Fla. 5th DCA 1997), *approved*, 729 So. 2d 373 (Fla. 1999). *And see Weekly Planet, Inc. v. Hillsborough County Aviation Authority*, 829 So. 2d 970, 974 (Fla. 2d DCA 2002).

For example, if a private entity contracts to relieve the public body from the operation of a public obligation such as operating a jail or providing fire protection, the open government laws apply. *News-Journal Corporation v. Memorial Hospital-West Volusia, Inc.*, 695 So. 2d 418 (Fla. 5th DCA 1997), *approved*, 729 So. 2d 373 (Fla. 1999). *And see Dade Aviation Consultants v. Knight Ridder, Inc.*, 800 So. 2d 302, 307 (Fla. 3d DCA 2001) (consortium of private businesses created to manage a massive renovation of an airport was an "agency" for purposes of the Public Records Act because it was created for and had no purpose other than to work on the airport contract; "when a private entity undertakes to provide a service otherwise provided by the government, the entity is bound by the Act, as the government would be"); and *Fox v. News-Press Publishing Company*, 545 So. 2d 941, 943 (Fla. 2d DCA 1989) (upholding a trial court decision finding that business records maintained by a towing company in connection with its contract with a city were public

records, as the company “was clearly performing what is essentially a governmental function, i.e., the removal of wrecked and abandoned automobiles from public streets and property”). *See also* AGOs 08-66 (Public Records Act applies to not-for-profit corporation contracting with city to carry out affordable housing responsibilities and screening applicant files for such housing); 99-53 (while not generally applicable to homeowners associations, Ch. 119 applies to an architectural review committee of a homeowners association which is required by county ordinance to review and approve applications for county building permits as a prerequisite to consideration by the county building department); and 07-44 (property owners association, delegated performance of services otherwise performed by municipal services taxing unit, subject to Public Records Act when acting on behalf of the taxing unit). *Compare* AGO 87-44 (records of a private nonprofit corporation pertaining to a fund established for improvements to city parks were not public records since the corporation raised and disbursed only private funds and had not been delegated any governmental responsibilities or functions).

Thus, in *Stanfield v. Salvation Army*, 695 So. 2d 501 (Fla. 5th DCA 1997), the Fifth District recognized that the delegation of function test was the appropriate standard to use to determine that records generated by the Salvation Army in performing a contract to provide misdemeanor services for a county were subject to Ch. 119, F.S. As stated by the court: “Because we find the statutory and contractual delegation of governmental responsibility so compelling in this case, it is unnecessary to engage in the factor-by-factor analysis outlined in *Schwab*.” *Stanfield*, 695 So. 2d at 503. *B & S Utilities v. Baskerville-Donovan Inc.*, 988 So. 2d 17, 21 (Fla. 1st DCA 2008), citing to *Memorial Hospital-West Volusia, Inc. v. News-Journal Corp.*, 729 So. 2d 373 (Fla. 1999). In *Baskerville*, the court recognized that while the “totality of factors” test favored a private engineering firm’s position that it was not an agency, “the fact that the City delegated its municipal engineering functions” to [the firm] “is *dispositive*.” *Baskerville*, 988 So. 2d at 22. (e.s.)

The following are other examples of private businesses and nonprofit entities which were delegated a governmental function and thus determined to be subject to the Public Records Act in carrying out that function:

Corrections company operating county jail: *Times Publishing Company v. Corrections Corporation of America*, No. 91-429 CA 01 (Fla. 5th Cir. Ct. December 4, 1991), *affirmed per curiam*, 611 So. 2d 532 (Fla. 5th DCA 1993). *And see Prison Health Services, Inc. v. Lakeland Ledger Publishing Company*, 718 So. 2d 204 (Fla. 2d DCA 1998), *review denied*, 727 So. 2d 909 (Fla. 1999) (medical services).

Employment search firm: *Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.* 379 So. 2d 633 (Fla. 1980). *Accord* AGO 92-80 (materials made or received by recruitment company in the course of its contract with a public agency to seek applicants and make recommendations to the board regarding the selection of an executive director, subject to Ch. 119).

Humane society investigating animal abuse for county: *Putnam County Humane Society, Inc. v. Woodward*, 740 So. 2d 1238 (Fla. 5th DCA 1999).

However, the “delegation of function” test should not be used unless there is a “clear, compelling, complete delegation of a governmental function” to the private entity. *Economic Development Commission v. Ellis*, 178 So. 3d 118, 123 (Fla. 5th DCA 2015). In *Ellis*, the Fifth District found that the trial judge should not have used the delegation test to determine whether a private economic development entity (EDC) under contract with the county to provide services was an “agency.” The appellate court explained that the EDC was the county’s “primary” but not its “sole” agency for economic development activity. *Id.* The county “continued to carry out economic development activities itself through its own paid county employees and in

conjunction with other entities to the exclusion of EDC.” *Id.* In other words, “EDC did not take over the county’s role or completely assume the county’s provision of economic development services.” *Id.* Because “EDC provided services to, not in place of, the county,” the trial judge should have applied the “totality of factors” test instead of the “delegation of function” test. *Id.*

c. Private company delegated authority to keep certain records

If a public agency has delegated its responsibility to maintain records necessary to perform its functions, such records have been deemed to be accessible to the public. *See, e.g., Harold v. Orange County*, 668 So. 2d 1010 (Fla. 5th DCA 1996) (where county hired a private company to be the construction manager on a county project and delegated to the company the responsibility of maintaining records necessary to show compliance with a “fairness in procurement ordinance,” the company’s records for this purpose were public records). *See also Booksmart Enterprises, Inc. v. Barnes & Noble College Bookstores, Inc.*, 718 So. 2d 227 (Fla. 3d DCA 1998), *review denied*, 729 So. 2d 389 (Fla. 1999) (private company operating a campus bookstore pursuant to a contract with a state university is the custodian of public records made or received by the store in connection with university business).

d. Subcontractors

A circuit court has addressed whether a subcontractor may be subject to the Public Records Act if both the subcontractor and contractor have been delegated a public function. In *Multimedia Holdings Corporation v. CRSPE, Inc.*, No 03-3474-G (Fla. 20th Cir. Ct. December 3, 2003), the court required a consulting firm to disclose its timesheets and internal billing records generated pursuant to a subcontract with another firm (CRSPE) which had entered into a contract with a town to prepare a traffic study required by the Department of Transportation. Rejecting the subcontractor’s argument that Ch. 119, F.S., did not apply to it because it was a subcontractor, not the contractor, the court found that the study was prepared and submitted jointly by both consultants; both firms had acted in place of the town in performing the tasks required by the department: “[T]he Public Records Act cannot be so easily circumvented simply by CRSPE delegating its responsibilities to yet another private entity.”

e. Other statutory provisions governing records of private entities

(1) Contract requirements

Section 119.0701, F.S., mandates that all agency contracts for services must contain specific provisions requiring the contractor to comply with public records laws, including retention and public access requirements. The term “contractor” is defined to mean “an individual, partnership, corporation or business entity that enters into a contract for services with a public agency *and* is acting on behalf of the public agency as provided under s. 119.011(2), [F.S.].” Section 119.0701(1)(a), F.S. (e.s.). “Thus, based on the terms of section 119.0701(1)(a), Florida Statutes, the nature and scope of the services provided by a private contractor determine whether he or she is ‘acting on behalf of’ an agency and thus, would be subject to the requirements of the statute.” AGO 14-06. For more information on when a private entity is determined to be “acting on behalf of” a public agency for purposes of s. 119.011(2), F.S., please refer to the preceding discussion on pages 58-61.

In addition, contracts entered into or amended after July 1, 2016, must contain a statement, in the form prescribed by the statute, providing the contact information for the public agency’s custodian of public records in the event that the contractor has questions about its duty to provide public records relating to the contract. Section 119.0701(2)(a), F.S. A request for records for records relating to the contract must be made directly to the public agency. Section 119.0701(3)(a), F.S. If the public agency does not possess the requested records, the public agency shall immediately notify the contractor of the request, and the contractor must provide the records to the public agency or allow the records to be inspected or copied within a reasonable time. *Id.* Sections 119.0701(3) and (4), F.S., establish consequences in the event of a

contractor's noncompliance.

Section 287.058(1)(c), F.S., provides, with limited exceptions, that *every* procurement for contracted services by a *state* agency be evidenced by a written agreement containing a provision allowing unilateral cancellation by the agency for the contractor's refusal to allow public access to "all documents, papers, letters, or other material made or received by the contractor in conjunction with the contract, unless the records are exempt" from disclosure.

(2) Legislative appropriation

Section 11.45(3)(e), F.S., states that all records of a nongovernmental agency, corporation, or person with respect to the receipt and expenditure of an appropriation made by the Legislature to that entity "shall be public records and shall be treated in the same manner as other public records are under general law." *Cf.* AGO 96-43 (Astronauts Memorial Foundation, a nonprofit corporation, is subject to the Sunshine Law when performing those duties funded under the General Appropriations Act).

(3) Public funds used for dues

Section 119.01(3), F.S., provides that if an agency spends public funds in payment of dues or membership contributions to a private entity, then the private entity's financial, business and membership records pertaining to the public agency are public records and subject to the provisions of s. 119.07, F.S.

3. Judiciary

a. Public Records Act inapplicable to judicial records

Relying on separation of powers principles, the courts have consistently held that the judiciary is not an "agency" for purposes of Ch. 119, F.S. *See, e.g., Times Publishing Company v. Ake*, 660 So. 2d 255 (Fla. 1995) (the judiciary, as a coequal branch of government, is not an "agency" subject to supervision or control by another coequal branch of government); *State v. Wooten*, 260 So. 3d 1060, 1069 (Fla. 4th DCA 2018) ("Access to judicial branch records is governed by the rules and decisions of the Florida Supreme Court, not Chapter 119, Florida Statutes."); and *Locke v. Hawkes*, 595 So. 2d 32 (Fla. 1992). *Cf.* s. 119.0714(1), F.S., stating that "[n]othing in this chapter shall be construed to exempt from [s. 119.07(1), F.S.] a public record that was made a part of a court file *and that is not specifically closed by order of court . . .*" (e.s.) *And see Tampa Television, Inc. v. Dugger*, 559 So. 2d 397 (Fla. 1st DCA 1990) (Legislature has recognized the distinction between documents sealed under court order and those not so sealed, and has provided for disclosure of the latter only).

However, the Florida Supreme Court has expressly recognized that "both civil and criminal proceedings in Florida are public events" and that it will "adhere to the well established common law right of access to court proceedings and records." *Barron v. Florida Freedom Newspapers*, 531 So. 2d 113, 116 (Fla. 1988). *See also Russell v. Miami Herald Publishing Co.*, 570 So. 2d 979, 982 (Fla. 2d DCA 1990), in which the court stated: "[W]e recognize that the press has a general right to access of judicial records." *And see C.H.-C v. Miami Herald Publishing Co.*, 262 So. 3d 226 (Fla. 3d DCA 2018) (trial court did not abuse its discretion in finding that newspaper had proper interest in access to redacted transcript of judicial review dependency hearing involving minor children).

b. Public access to and protection of judicial branch records, Fla. R. Jud. Admin. 2.420

(1) Scope of the rule

Although the judiciary is not an "agency" for purposes of Ch. 119, F.S., there is a constitutional right of access to judicial records established by Art. I, s. 24, of the Florida Constitution. In accordance with this directive, access to records of the judicial branch is governed by Florida Rule of Judicial Administration 2.420 (formerly 2.051), entitled "Public Access to

and Protection of Judicial Branch Records.” See 2.420(a), Fla. R. Jud. Admin., providing that “[t]he public shall have access to all records of the judicial branch of government except as provided [in the rule].” Cf. *Morency v. State*, 223 So. 3d 439 (Fla. 5th DCA 2017), noting that “electronic records, videotapes, or stenographic tapes of depositions or other proceedings filed with the clerk, and electronic records, videotapes or stenographic tapes of court proceedings” are included within the scope of the rule.

According to the Florida Supreme Court, rule 2.420 is “intended to reflect the judiciary’s responsibility to perform both an administrative function and an adjudicatory function.” *In re Amendments to the Florida Rules of Judicial Administration--Public Access to Judicial Records*, 608 So. 2d 472 (Fla. 1992). In its administrative role, the judiciary is a governmental entity expending public funds and employing government personnel. Thus, “records generated while courts are acting in an administrative capacity should be subject to the same standards that govern similar records of other branches of government.” *Id.* at 472-473. See also *Media General Convergence, Inc. v. Chief Judge of the Thirteenth Judicial Circuit*, 840 So. 2d 1008, 1016 (Fla. 2003) (when an individual complains to a chief circuit judge about judicial misconduct involving sexual harassment or sexually inappropriate behavior by a judge, the records made or received by the chief judge “constitute ‘judicial records’ subject to public disclosure absent an applicable exemption”).

An online version of Fla. R. Jud. Admin. 2.420 is also available at: <http://www.floridabar.org>.

(2) Confidential judicial records

Rule 2.420(c)(1) through (6) contains a list of confidential and exempt judicial branch records. Examples include trial and appellate court memoranda, complaints alleging misconduct against judges and other court personnel until probable cause is established, periodic evaluations implemented solely to assist judges in improving their performance, information (other than names and qualifications) about persons seeking to serve as unpaid volunteers unless made public by the court based upon a showing of materiality or good cause, and copies of arrest and search warrants until executed or until law enforcement determines that execution cannot be made.

Rule 2.420(d)(1) provides that the clerk of court shall designate and maintain the confidentiality of any information contained within a court record that is described in subdivision (d)(1)(A) or (d)(1)(B) of the rule. Subdivision (A) references “information described by any of the subdivisions (c)(1) through (c)(6).” Subdivision (B) contains a list of specific statutory exemptions. And see Fla. R. Jud. Admin. 2.420(d)(2)-(5) establishing procedures for filing material designated as confidential. Cf. s. 119.0714(2)(g), F.S., providing that the clerk of court is not liable for the release of information that is required by the Florida Rules of Judicial Administration to be identified by the filer as confidential if the filer fails to make the required identification of the confidential information to the clerk.

Although Rule 2.420(c)(1)-(6) lists specific confidential and exempt records, subdivision (c)(8) of the rule provides a general exemption from disclosure for records deemed to be confidential by court rule, Florida Statutes, prior Florida case law, and by rules of the Judicial Qualifications Commission. See *State v. Buenoano*, 707 So. 2d 714, 718 (Fla. 1998). In addition, Fla. R. Jud. Admin. 2.420(c)(7) provides an exemption for “all records made confidential under the Florida and United States Constitutions and Florida and federal law.”

Subdivision (c)(9) of rule 2.420 incorporates the holdings in *Barron v. Florida Freedom Newspapers*, 531 So. 2d 113 (Fla. 1988), and *Miami Herald Publishing Company v. Lewis*, 426 So. 2d 1 (Fla. 1982) by “establishing that confidentiality [of court records] may be required to protect the rights of defendants, litigants, or third parties; to further the administration of justice; or to otherwise promote a compelling governmental interest.” *Commentary, In re Amendments to Rule of Judicial Administration 2.051--Public Access to Judicial Records*, 651 So. 2d 1185, 1191 (Fla. 1995). The degree, duration, and manner of confidentiality ordered by the court shall be

no broader than necessary to protect these interests. Fla. R. Jud. Admin. 2.420(c)(9)(B). “The burden of proof . . . shall always be on the party seeking closure.” *Barron, supra* at 118.

Procedures for judicial determinations of requests for confidentiality of court records and for obtaining access to confidential court records are referenced in rule 2.420(e)-(j). For example, rule 2.420(f)(3) states that “any motion to determine whether a court record that pertains to a plea agreement, substantial assistance agreement, or other court record that reveals the identity of a confidential informant or active criminal investigative information is confidential under subdivision (c)(9)(A)(i), (c)(9)(A)iii, (c)(9)(A)(v), or (c)(9)(A)(vii) of this rule may be made in the form of a written motion captioned ‘Motion to Determine Confidentiality of Court Records.’” See also Fla. R. Jud. Admin. 2.425, governing the filing of sensitive personal information, and establishing categories of personal information that must not be filed or must be truncated or redacted before filing.

(3) Procedures for accessing judicial branch records under rule 2.420

“Requests and responses to requests for access to records under this rule shall be made in a reasonable manner.” Fla. R. Jud. Admin. 2.420(m). Requests must be in writing and directed to the custodian. *Id. See Morris Publishing Group, LLC v. State*, 13 So. 3d 120 (Fla. 1st DCA 2009), in which the court denied a Florida newspaper’s records request for an audio tape related to a shooting since the request was made orally instead of in writing as required by the rule. In a commentary to the decision incorporating the written request provision, the Court cautioned that the “writing requirement is not intended to disadvantage any person who may have difficulty writing a request; if any difficulty exists, the custodian should aid the requestor in reducing the request to writing.” *Commentary, In re Report of the Supreme Court Workgroup on Public Records*, 825 So. 2d 889, 898 (Fla. 2002).

A public records request “shall provide sufficient specificity to enable the custodian to identify the requested records. The reason for the request is not required to be disclosed.” Fla. R. Jud. Admin. 2.420(m)(1).

The custodian “is required to provide access to or copies of records but is not required either to provide information from records or to create new records in response to a request.” *Commentary, In re Report of the Supreme Court Workgroup on Public Records*, 825 So. 2d 889, 898 (Fla. 2002).

The custodian shall determine whether the requested records are subject to the rule, whether there are any exemptions, and the form in which the record is provided. Fla. R. Jud. Admin. 2.420(m)(2). If the request is denied, the custodian shall state in writing the basis for the denial. *Id.*

Expedited review of denials of access to administrative records of the judicial branch shall be provided through an action for mandamus, or other appropriate relief. Fla. R. Jud. Admin. 2.420(l). See *Jacobs Keeley, PLLC v. Chief Judge of the Seventeenth Judicial Circuit*, 169 So. 3d 192 (Fla. 4th DCA 2015). And see *C.H.-C v. Miami Herald Publishing Co.*, 262 So. 3d 226 (Fla. 3d DCA 2018) (trial court did not abuse its discretion in finding that newspaper had proper interest in access to redacted transcript of judicial review dependency hearing involving minor children).

c. Discovery material

The Florida Supreme Court has ruled that there is no First Amendment right of access to unfiled discovery materials. *Palm Beach Newspapers v. Burk*, 504 So. 2d 378 (Fla. 1987) (discovery in criminal proceedings); and *Miami Herald Publishing Company v. Gridley*, 510 So. 2d 884 (Fla. 1987), *cert. denied*, 108 S.Ct. 1224 (1988) (civil discovery). Cf. *Lewis v. State*, 958 So. 2d 1027 (Fla. 5th DCA 2007) (*Burk* applies to a request for unfiled depositions made during an ongoing, active criminal prosecution but does not extend to a defendant’s request for deposition transcripts after the conviction becomes final; such transcripts must be produced in accordance

with Ch. 119, F.S.). *And see SCI Funeral Services of Florida, Inc. v. Light*, 811 So. 2d 796, 798 (Fla. 4th DCA 2002), noting that even though there is no constitutional right of access to prefiled discovery materials, “it does not necessarily follow that there is a constitutional right to *prevent* access to discovery.” (emphasis supplied by the court).

Even though unfiled discovery material is not accessible under the First Amendment, it may be open to inspection under Ch. 119, F.S., if the document is a public record which is otherwise subject to disclosure under that law. *See, e.g., Tribune Company v. Public Records*, 493 So. 2d 480, 485 (Fla. 2d DCA 1986), *review denied sub nom., Gillum v. Tribune Company*, 503 So. 2d 327 (Fla. 1987), in which the court reversed a trial judge’s ruling limiting inspection of police records produced in discovery to those materials which were made part of an open court file because “this conflicts with the express provisions of the Public Records Act.” *And see Smithwick v. Television 12 of Jacksonville, Inc.*, 730 So. 2d 795 (Fla. 1st DCA 1999) (trial court properly required defense counsel to return discovery documents once it realized that its initial order permitting removal of the documents from the court file had been entered in error because the requirements of rule 2.420 had not been met).

Thus, in *Florida Freedom Newspapers, Inc. v. McCrary*, 520 So. 2d 32 (Fla. 1988), the Court noted that where pretrial discovery material developed for the prosecution of a criminal case had reached the status of a public record under Ch. 119, F.S., the material was subject to public inspection as required by that statute in the absence of a court order finding that release of the material would jeopardize the defendant’s right to a fair trial. *See also Rameses, Inc. v. Demings*, 29 So. 3d 418 (Fla. 5th DCA 2010) (government not precluded from asserting applicable statutory exemptions to public records that have been disclosed during discovery to a criminal defendant). *And see Post-Newsweek Stations, Florida, Inc. v. Doe*, 612 So. 2d 549 (Fla. 1992) (public’s statutory right of access to pretrial discovery information in a criminal case must be balanced against a nonparty’s constitutional right to privacy).

d. Florida Bar

“Given that The Florida Bar is ‘an official arm of the court,’ see R. Regulating Fla. Bar, Introduction, [the Florida Supreme] Court has previously rejected the Legislature’s power to regulate which Florida Bar files were subject to public records law” *The Florida Bar v. Committee*, 916 So. 2d 741, 745 (Fla. 2005). *See also The Florida Bar, In re Advisory Opinion Concerning the Applicability of Ch. 119, Florida Statutes*, 398 So. 2d 446, 448 (Fla. 1981) (Ch. 119, F.S., does not apply to unauthorized practice of law investigative files maintained by the Bar). *Cf. Florida Board of Bar Examiners Re: Amendments to the Rules of the Supreme Court of Florida Relating to Admissions to the Bar*, 676 So. 2d 372 (Fla. 1996) (no merit to argument that under Art. I, s. 24, Fla. Const., all records in possession of Board of Bar Examiners should be open for inspection by applicant and the public).

e. Judicial Qualifications Commission and judicial nominating commissions

Proceedings by or before the Judicial Qualifications Commission are confidential until formal charges against a justice or judge are filed by the Commission with the clerk of the Florida Supreme Court; upon a finding of probable cause and the filing of formal charges with the clerk, the charges and all further proceedings before the Commission are public. *See Art. V, s. 12(a)(4), Fla. Const; Media General Convergence, Inc. v. Chief Judge of the Thirteenth Judicial Circuit*, 840 So. 2d 1008 (Fla. 2003).

With regard to judicial nominating commissions, Art. V, s. 11(d), Fla. Const., provides that “[e]xcept for deliberations of the . . . commissions, the proceedings of the commissions and their records shall be open to the public.” *See Inf. Op. to Frost*, November 4, 1987, concluding that correspondence between a member of a judicial nominating commission and persons wishing to obtain an application for a vacant seat on a District Court of Appeal is a public record subject to disclosure.

However, records pertaining to voting, including vote sheets, ballots, and ballot tally sheets “are clearly part of the deliberation process” and, therefore, are not subject to public disclosure. *Justice Coalition v. The First District Court of Appeal Judicial Nominating Commission*, 823 So. 2d 185, 192 (Fla. 1st DCA 2002). In addition, personal notes of individual commission members made during the deliberation process are not subject to disclosure because they are mere “precursors” of governmental records, and thus fall outside the definition of “public record.” *Id.*, citing *Shevin v. Byron, Harless, Schaffer, Reid and Associates Inc.*, 379 So. 2d 633 (Fla. 1980).

f. Jury records

(1) Grand jury

Proceedings before a grand jury are secret; therefore, records prepared for use of the grand jury during the regular performance of its duties are not subject to s. 119.07(1), F.S. See *Buchanan v. Miami Herald Publishing Company*, 206 So. 2d 465 (Fla. 3d DCA 1968), *modified*, 230 So. 2d 9 (Fla. 1969) (grand jury proceedings are “absolutely privileged”); and *In re Grand Jury, Fall Term 1986*, 528 So. 2d 51 (Fla. 2d DCA 1988), affirming a trial court order barring public disclosure of motions filed in accordance with s. 905.28, F.S., to repress or expunge stemming from a grand jury presentment not accompanied by a true bill or indictment. See also AGO 90-48 (as an integral part of the grand jury proceeding to secure witnesses, grand jury subpoenas would fall under the “absolute privilege” of the grand jury and not be subject to disclosure under Ch. 119, F.S.).

Thus, a letter written by a city official to the grand jury is not subject to public inspection. AGO 73-177. Similarly, a circuit court held that the list of grand jurors is confidential. *Wood v. Childers*, No. 13-CA-000877 (Fla. 1st Cir. Ct. April 16, 2013), *per curiam affirmed*, 130 So. 3d 1282 (Fla. 1st DCA 2014). *Accord* Inf. Op. to Alexander, September 8, 1995. However, the clerk of court is not authorized to redact the name of a grand jury foreperson or the acting foreperson from an indictment after it has been made public. AGO 99-09.

It is important to emphasize, however, that the exemption from disclosure for grand jury records does not apply to those records which were prepared by a public agency independent of a grand jury investigation. Thus, public records which are made or received by an agency in the performance of its official duties do not become confidential simply because they are subsequently viewed by the grand jury as part of its investigation. As the court stated in *In re Grand Jury Investigation, Spring Term 1988*, 543 So. 2d 757, 759 (Fla. 2d DCA 1989):

Nor can we allow the grand jury to become a sanctuary for records which are otherwise accessible to the public. The mere fact that documents have been presented to a grand jury does not, in and of itself, cloak them in a permanent state of secrecy.

Accordingly, a state attorney and sheriff must provide public access to investigative records regarding a judge that were compiled independently of and prior to a grand jury’s investigation of the judge. *In re Grand Jury Investigation, Spring Term 1988, supra*. See also *In re Subpoena To Testify Before Grand Jury*, 864 F.2d 1559 (11th Cir. 1989) (trial court’s authority to protect grand jury process enabled court to prevent disclosure of materials prepared for grand jury proceedings; however, court not empowered to prohibit disclosure of documents assembled independent of grand jury proceedings).

There are a number of statutes which relate to secrecy of grand jury proceedings. See ss. 905.24-905.28, F.S., and s. 905.395, F.S. (statewide grand jury). But see *Butterworth v. Smith*, 110 S.Ct. 1376 (1990) (provisions of s. 905.27, F.S., which prohibit “a grand juror . . . reporter . . . or any other person” appearing before a grand jury from ever disclosing testimony before the grand jury except pursuant to a court order were unconstitutional insofar as they prohibit a grand jury witness from disclosing his own testimony after the term of the grand jury has ended).

(2) Trial jury

In *Kever v. Gilliam*, 886 So. 2d 263 (Fla. 1st DCA 2004), the appellate court ruled that the clerk of court was required to comply with appellant's public records request for names and addresses of trial court jurors empanelled in his trial. *Accord* AGO 05-61 (statute requiring Department of Highway Safety and Motor Vehicles to provide driver license information to courts for purposes of establishing jury selection lists does not operate to exempt from public disclosure jurors' names and addresses appearing on a jury list compiled by the clerk of court). *Cf. Sarasota Herald-Tribune v. State*, 916 So. 2d 904, 909 (Fla. 2d DCA 2005) (while "[t]here are unquestionably times when it might be necessary for a trial judge to impose media restrictions on the publication of juror information, . . ." trial court order prohibiting news media from publishing names and addresses of prospective or seated jurors in the high profile murder trial constituted a prior restraint on speech); and *WPTV-TV v. State*, 61 So. 3d 1191 (Fla. 5th DCA 2011) (given exceptional media coverage and public interest in upcoming criminal trial, trial court's decision to withhold location of jury selection until a time proximate to the start of the trial was not a material departure from essential requirements of law).

g. Sunshine in Litigation Act

The Sunshine in Litigation Act, s. 69.081, F.S., provides, with limited exceptions, that no court shall enter an order or judgment which has the purpose or effect of concealing a public hazard or which has the purpose or effect of concealing any information which may be useful to members of the public in protecting themselves from injury which may result from a public hazard. *See State v. American Tobacco Company*, No. CL 95-1466-AH (Fla. 15th Cir. Ct. July 28, 1997) (upholding constitutionality of Sunshine in Litigation Act).

Additionally, s. 69.081(8), F.S., provides, subject to certain exceptions, that any portion of an agreement which has the purpose or effect of concealing information relating to the settlement or resolution of any claim or action against an agency is void, contrary to public policy, and may not be enforced. Settlement records must be maintained in compliance with Ch. 119, F.S. *See* Inf. Op. to Barry, June 24, 1998 (agency not authorized to enter into a settlement agreement authorizing the concealment of information relating to an adverse personnel decision from the remainder of a personnel file).

A governmental entity, except a municipality or county, settling a claim in tort which requires the expenditure of more than \$5,000 in public funds, is required to provide notice pursuant to Ch. 50, F.S., of the settlement in the county in which the claim arose within 60 days of entering into the settlement. No notice is required if the settlement has been approved by a court of competent jurisdiction. Section 69.081(9), F.S.

4. Legislature

The Public Records Act does not apply to the legislative branch. *Locke v. Hawkes*, 595 So. 2d 32 (Fla. 1992) (definition of "agency" in the Public Records Act does not include the Legislature or its members). There is, however, a constitutional right of access to legislative records provided in Art. I, s. 24, Fla. Const., which provides that "[e]very person has the right to inspect or copy any public record made or received in connection with the official business of any public body" This right of access specifically includes the legislative branch. Article I, s. 24(a), Fla. Const. The Legislature, however, may provide by general law for the exemption of records provided that such law must state with specificity the public necessity justifying the exemption and be no broader than necessary to accomplish the stated purpose of the law. Article I, s. 24(c), Fla. Const. Each house of the Legislature is authorized to adopt rules governing the enforcement of this section for records of the legislative branch. *Id.* Any statutes providing limitations on access which were in effect on July 1, 1993, continue in force and apply to records of the legislative branch until repealed. Article I, s. 24(d), Fla. Const.

In accordance with Art. I, s. 24(c), Fla. Const., the Senate and House of Representatives have adopted rules relating to records of the legislative branch. These rules may be accessed online at www.flsenate.gov (Florida Senate) and www.myfloridahouse.gov (Florida House of

Representatives).

In addition, s. 11.0431(2), F.S., lists legislative records which are exempt from inspection and copying. The text of s. 11.0431, F.S., is set forth in Appendix E. *See League of Women Voters v. Florida House of Representatives*, 132 So. 3d 135, 153 (Fla. 2013) (“We agree that the first issue to be decided is whether the draft [apportionment] plans fall within the scope of the public records exemption in section 11.0431[2][e], Florida Statutes [2012], and that this exemption should be strictly construed in favor of disclosure”). *And see* s. 11.26(1), F.S. (legislative employees are forbidden from revealing to anyone outside the area of their direct responsibility the contents or nature of any request for services made by any member of the Legislature except with the consent of the legislator making the request); and s. 15.07, F.S. (the journal of the executive session of the Senate shall be kept free from inspection or disclosure except upon order of the Senate itself or some court of competent jurisdiction).

5. Governor and Cabinet

The Governor and Cabinet have duties which derive from both the Constitution and the Legislature. Because of separation of powers principles, the legislatively created Public Records Act does not apply to records gathered in the course of carrying out a specific duty or function which has been assigned to the Governor and Cabinet by the Constitution rather than by statute. *See* AGO 86-50, stating that materials collected by the former Parole and Probation Commission [now known as the Florida Commission on Offender Review] pursuant to direction of the Governor and Cabinet for pardons or other forms of clemency authorized by Art. IV, s. 8(a), Fla. Const., are not subject to Ch. 119, F.S.

The Public Records Act, however, does apply to the Governor and Cabinet when sitting in their capacity as a board created by the Legislature or whose powers are prescribed by the Legislature, such as the Board of Trustees of the Internal Improvement Trust Fund. In such cases, the Governor and Cabinet are not exercising powers derived from the Constitution but are subject to the “dominion and control” of the Legislature.

In addition, Art. I, s. 24, Fla. Const., establishes a constitutional right of access by providing that “every person” shall have a right of access to public records of the executive branch and of “each constitutional officer, board, and commission, or entity created pursuant to law or this Constitution” except as otherwise provided in this section or specifically made confidential in the Constitution.

6. Commissions created by the Constitution

A board or commission created by the Constitution is not subject to Ch. 119, F.S., inspection requirements when such board or commission is carrying out its constitutionally prescribed duties. *Cf. Kanner v. Frumkes*, 353 So. 2d 196 (Fla. 3d DCA 1977) (judicial nominating commissions are not subject to s. 286.011, F.S.); and AGO 77-65 (Ch. 120, F.S., is inapplicable to Constitution Revision Commission established by Art. XI, s. 2, Fla. Const., because the commission is authorized in that section to adopt its own rules of procedure).

Accordingly, the Public Records Act does not apply to the clemency investigative files and reports produced by the Florida Commission on Offender Review [formerly the Parole Commission] on behalf of the Governor and Cabinet relating to the granting of clemency; release of such materials is governed by the Rules of Executive Clemency adopted by the Governor and Cabinet, sitting as the clemency board. *Parole Commission v. Lockett*, 620 So. 2d 153 (Fla. 1993). *Accord Jennings v. State*, 626 So. 2d 1324 (Fla. 1993). *And see* AGO 86-50.

There is, however, a difference between the status of a commission created by the Constitution which exercises constitutional duties and a commission whose creation is merely authorized by the Constitution and whose duties are established by law. While the former is not subject to the Public Records Act, it has been held that a commission performing duties

assigned to it by the Legislature must comply with the open government laws. *See Turner v. Wainwright*, 379 So. 2d 148 (Fla. 1st DCA 1980), *affirmed and remanded*, 389 So. 2d 1181 (Fla. 1980), holding that the Parole Commission [now known as the Florida Commission on Offender Review] which Art. IV, s. 8(c), Fla. Const., recognizes may be created by law, is subject to s. 286.011, F.S., in carrying out its statutory duties and responsibilities relating to parole.

Moreover, Art. I, s. 24, Fla. Const., provides a constitutional right of access for public records of each branch of government, and “each constitutional officer, board, and commission, or entity created pursuant to law or this Constitution.” The only exceptions to the right of access are those records exempted pursuant to s. 24 or specifically made confidential by the Constitution. Article I, s. 24(a), Fla. Const. *See King v. State*, 840 So. 2d 1047 (Fla. 2003) (clemency records exempt pursuant to s. 14.28, F.S., providing that records made or received by any state entity pursuant to a Board of Executive Clemency investigation are not subject to public disclosure).

C. WHAT RECORDS ARE COVERED? APPLICATION OF THE PUBLIC RECORDS ACT TO:

This section discusses the application of the Public Records Act to various records made or received by agencies in the course of official business. Many, but not all of the statutory exemptions to disclosure for particular records or information are also referenced. For a more complete listing of statutory exemptions, please refer to Appendices C and D and the Index.

1. Adoption and birth records

Except for birth records over 100 years old which are not under seal pursuant to court order, all birth records are considered to be confidential documents and exempt from public inspection; such records may be disclosed only as provided by law. Section 382.025(1), F.S.; AGO 74-70. *Cf.* s. 383.51, F.S. (the identity of a parent who leaves a newborn infant at a hospital, emergency medical services station, or fire station in accordance with s. 383.50, F.S., is confidential).

Adoption records are also confidential and may not be disclosed except as provided in s. 63.162, F.S. An unadopted individual, however, has the right to obtain his or her birth records which include the names of the individual’s parents from the hospital in which he or she was born. *Atwell v. Sacred Heart Hospital of Pensacola*, 520 So. 2d 30 (Fla. 1988).

In the absence of court order issued for good cause shown, the name and identity of a birth parent, an adoptive parent, or an adoptee may not be disclosed unless the birth parent authorizes in writing the release of his or her name; the adoptee, if 18 or older, authorizes in writing the release of his or her name; or, if the adoptee is less than 18, written consent is obtained from an adoptive parent to disclose the adoptee’s name; or the adoptive parent authorizes in writing the release of his or her name. Section 63.162(4), F.S. *And see* s. 63.165(1), F.S. (state adoption registry); and s. 63.0541, F.S. (putative father registry).

2. Autopsy and death records

a. Autopsy reports

Autopsy reports made by a district medical examiner pursuant to Ch. 406, F.S., are public records and are open to the public for inspection in the absence of an exemption. AGO 78-23. *And see Blutworth v. Palm Beach Newspapers, Inc.*, 476 So. 2d 775, 777 (Fla. 4th DCA 1985), *review denied*, 488 So. 2d 67 (Fla. 1986), noting that a former statutory exemption precluding release of autopsy reports had been repealed. *Cf. Church of Scientology Flag Service Org., Inc. v. Wood*, No. 97-688CI-07 (Fla. 6th Cir. Ct. February 27, 1997) (physical specimens relating to an autopsy are not public records).

Although autopsy reports are subject to Ch. 119, F.S., “[d]ocuments or records made confidential by statute do not lose such status upon receipt by the medical examiner.” AGO 78-

23. See *Church of Scientology Flag Service Org., Inc. v. Wood*, *supra* (predeath medical records in the possession of the medical examiner are not subject to public inspection).

In addition, statutory exemptions from disclosure, such as the exemption for active criminal investigative information, may apply to an autopsy report. AGO 78-23. See *Williams v. City of Minneola*, 575 So. 2d 683 (Fla. 5th DCA), *review denied*, 589 So. 2d 289 (Fla. 1991), noting the application of the active criminal investigative information exemption to information contained in autopsy records.

b. Autopsy photographs and recordings

Section 406.135(2), F.S., provides that a photograph or video or audio recording of an autopsy held by a medical examiner is confidential and may not be released except as provided by court order or as otherwise authorized in the exemption. See AGOs 03-25 and 01-47, discussing the circumstances under which autopsy photographs and recordings may be viewed or copied. *And see* Inf. Op. to Lynn, July 25, 2007 (exemption applies to photographs and recordings taken or made by the medical examiner as a part of the autopsy process, including those taken before, during, and after the medical examiner performs the actual autopsy procedure). *Cf. Campus Communications, Inc. v. Earnhardt*, 821 So. 2d 388 (Fla. 5th DCA 2002), *review denied*, 848 So. 2d 1153 (Fla. 2003) (upholding trial court finding that newspaper failed to establish good cause for release of autopsy photographs of race car driver). *Compare Sarasota Herald-Tribune v. State*, 924 So. 2d 8, 14 (Fla. 2d DCA 2005), *review denied*, 918 So. 2d 293 (Fla. 2005), *cert. dismissed*, 126 S. Ct. 1139 (2006), in which the district court reversed a trial court order that had barred the media from viewing autopsy photographs that were admitted into evidence in open court during a murder trial; according to the appellate court, s. 406.135, F.S., “does not render these court exhibits confidential.” (e.s.)

c. Photographs, video and audio recordings that depict or record the killing of a law enforcement officer or the killing of a victim of mass violence

A photograph or video or audio recording that depicts or records the killing of a law enforcement officer acting in accordance with his or her official duties or the killing of a victim of mass violence is confidential and exempt from s. 119.07(1), F.S., and may not be disclosed except as authorized in the exemption. Section 119.071(2)(p), F.S. For more information please refer to the discussion on page 120.

d. Death certificates

Information relating to cause of death in all death and fetal death records, and the parentage, marital status, and medical information of fetal death records are confidential and exempt from s. 119.07(1), F.S., except for health research purposes as approved by the Department of Health. Section 382.008(6), F.S. *And see* s. 28.2221(5)(a), F.S. (clerk of court not authorized to place certain records, including death certificates, on a publicly available Internet website); s. 382.008(8), F.S. (confidential information in nonviable birth certificates). *Cf. Department of Health v. Rehabilitation Center at Hollywood Hills, LLC*, 259 So. 3d 979, 982 (Fla. 1st DCA 2018), overturning the lower court’s order holding the agency in contempt for failing to produce death certificates of all Floridians who died within a specified time period because, among other things, the final judgment “failed to take into account the confidential or exempt status of information in the death certificates it ordered the Department to produce”).

Section 382.025(2)(a), F.S., provides for the Department of Health to authorize the issuance of a certified copy of all or part of a death or fetal death certificate, excluding the portion that is confidential pursuant to s. 382.008, F.S., upon payment of the fee prescribed by that section. The statute also specifies those persons and governmental agencies authorized to receive a copy of a death certificate that includes the confidential portions. All portions of a death certificate cease to be exempt 50 years after the death. Section 382.025(2)(b), F.S.

3. Child and vulnerable adult abuse and protection records

a. Department of Children and Families abuse records

(1) Confidentiality of abuse records

Generally, reports of abused children or vulnerable adults which are received by the Department of Children and Families (DCF) are confidential and exempt from disclosure, except as expressly provided by statute. *See* ss. 39.202(1) and 415.107(1), F.S.

Thus, a union representative may not attend that portion of an investigatory interview between the DCF inspector general and an employee requiring the discussion of information taken from a child abuse investigation that is confidential under s. 39.202, F.S. AGO 99-42. *And see* s. 383.412(2)(b), F.S., providing that any information held by the State Child Abuse Death Review Committee or a local committee which reveals the identity of a deceased child whose death has been reported to the central abuse hotline but determined not to be the result of abuse or neglect, or which reveals the identity of the surviving siblings, family members, or others living in the home of such deceased child is confidential and exempt from disclosure requirements. In addition, the identity of the surviving siblings of a deceased child whose death occurred as the result of a verified report of abuse or neglect is confidential. Section 383.412(2)(a), F.S.

All records and reports of the Child Protection Team of the Department of Health are confidential and exempt, and shall not be disclosed, except, upon request, to the state attorney, law enforcement, DCF, and necessary professionals in furtherance of the treatment or additional evaluative needs of the child, by court order, or to health plan payors, limited to that information used for insurance reimbursement purposes. Section 39.202(6), F.S.

(2) Release of abuse records

Section 39.2021(1), F.S., authorizes any person or organization, including DCF, to petition the court to make public DCF records relating to its investigation into alleged abuse, neglect, exploitation or abandonment of a child. The court shall determine if good cause exists for public access to the records and is required to balance the best interest of the child and the interests of the child's siblings, together with the privacy rights of other persons identified in the reports against the public interest. *Id.*

This “balancing process” thus “requires the trial court to weigh the harm to the child against the benefit to the public that would potentially result from the disclosure of the records at issue.” *In re Records of the Department of Children and Family Services*, 873 So. 2d 506, 513 (Fla. 2d DCA 2004). To perform this function, the trial court must conduct an in camera review because “[i]t is impossible to judge the potential impact of the disclosure of information contained in records without knowing what that information is.” *Id.* at 514. *But see Department of Health and Rehabilitative Services v. Gainesville Sun Publishing Company*, 582 So. 2d 725 (Fla. 1st DCA 1991), holding that the trial court was not required to hold a hearing before finding good cause to release the department's records relating to a child abuse investigation, where shortly after the department's investigation, the individual who had been investigated killed the victim, the victim's family, and himself. *Cf. Records of the Children's Advocacy Center of Southwest Florida Relating to Michele Fontanez*, No. 06-DR-001850 (Fla. 20th Cir. Ct. June 16, 2006) (newspaper granted access to records of child protection team relating to child in care of DCF who died from injuries sustained from a sexual battery allegedly committed by her stepfather).

In cases involving serious bodily injury to a child, DCF may petition the court for immediate public release of records pertaining to the protective investigation. Section 39.2021(2), F.S. The court has 24 hours to determine if good cause exists for public release of the records. If no action is taken by the court in that time, DCF may, subject to specified exceptions, release summary information including a confirmation that an investigation has been conducted concerning the victim, the dates and a brief description of procedural activities undertaken in the investigation, and information concerning judicial proceedings. *Id.*

Similar procedures are established in Ch. 415, F.S., for access to DCF records relating to investigations of alleged abuse, neglect, or exploitation of a vulnerable adult. *See* s. 415.1071, F.S.

The petitioner seeking public access to the records must formally serve DCF with the petition. *Florida Department of Children and Families v. Sun-Sentinel*, 865 So. 2d 1278 (Fla. 2004). A “very narrow” exception to the home venue privilege applies when a petition is filed seeking to make DCF records public. *See Sun-Sentinel, supra*, at 1289, adopting the exception in cases “where a party petitions the court for an order to gain access to public records, and where the records sought are by law confidential and cannot be made public without a determination by the court, pursuant to the petition, that good cause exists for public access.”

Section 39.202(2)(o), F.S., provides that access to child abuse records shall be granted to any person in the event of the child’s death due to abuse, abandonment, or neglect. However, any information identifying the person reporting abuse, abandonment, or neglect, or any information that is otherwise made confidential or exempt by law shall not be released. *Id.* Section 415.107(3)(l), F.S., provides for similar release of records in the event of the death of a vulnerable adult. *And see* s. 39.202(4), F.S., authorizing DCF and the investigating law enforcement agency to release certain identifying information to the public in order to help locate or protect a missing child under investigation or supervision of the department or its contracted service providers.

In addition, “it is the intent of the Legislature to provide prompt disclosure of the basic facts of all deaths of children from birth through 18 years of age which occur in this state and which are reported to the [DCF] central abuse hotline.” Section 39.2022(1), F.S. Disclosure shall be posted on the DCF public website. *Id.* Section 39.2022(2), F.S., lists the information about the child which must be posted.

b. Foster home, licensure and quality assurance records

Records relating to licensure of foster homes, or assessing how the Department of Children and Families is carrying out its duties, including references to incidents of abuse, abandonment, or neglect, contained in such records, do not fall within the parameters of s. 39.202, F.S. AGO 01-54. Such reports are in the nature of quality assurance reports that do not substitute for the protective investigation of child abuse, abandonment, or neglect; to the extent that such incident reports reference an occurrence of abuse, abandonment, or neglect, identifying information that reveals the identity of the victim contained in the reference should be redacted. *Id.* *Cf.* s. 409.175(16), F.S., providing an exemption for certain personal information about licensed foster parents, foster parent applicants, and their families. *And see Boyles v. Mid-Florida Television Corp.*, 431 So. 2d 627, 637 (Fla. 5th DCA 1983), *approved*, 467 So. 2d 282 (Fla. 1985) (summary report compiled during a licensing investigation of a residential facility for developmentally disabled persons, subject to disclosure pursuant to statute [now found at s. 393.067(9), F.S.] providing for public access to inspection reports of such facilities).

c. Guardians ad litem and court monitors

Section 39.0132(4)(a)2., F.S., establishes confidentiality for specified information held by a guardian ad litem. *And see* s. 744.2104(2), F.S. (confidentiality of records held by the Office of Public and Professional Guardians relating to the medical, financial, or mental health of vulnerable adults, persons with a developmental disability, or persons with a mental illness); s. 744.1076(1)(b), F.S. (except as provided in the exemption, reports of court monitors or emergency court monitors which relate to the medical condition, financial affairs, or mental health of the ward are confidential); s. 744.2103 (2), F.S. (no disclosure of the personal or medical records of a ward of a public guardian shall be made, except as authorized by law); and s. 744.3701, F.S. (court records relating to settlement of a ward or minor’s claim).

d. Status of abuse records held by law enforcement agencies

For information regarding the status of abuse records held by law enforcement agencies

in the course of a criminal investigation, please refer to the discussion in s. C. 15 relating to law enforcement records.

4. Direct-support organizations

Direct-support organizations established by or pursuant to law to support the efforts of public agencies have been found to be subject to the open government laws. *See* AGOs 92-53 (John and Mable Ringling Museum of Art Foundation, Inc., established pursuant to statute as a not-for-profit corporation to assist the museum in carrying out its functions must comply with open government laws), 11-01 (nonprofit corporation created by municipality and described as its “fundraising arm” subject to open government laws); and 05-27 (Sunshine Law applies to Florida College System institution [formerly community college] direct-support organization as defined in s. 1004.70, F.S.). *Cf.* s. 20.058, F.S., requiring that citizen support organizations or direct-support organizations created or authorized by law or executive order and created, approved, or administered by an agency must submit specified information to the agency which shall then post the information on the agency’s website.

However, the Legislature has enacted exemptions for information identifying *donors* to certain direct-support organizations. For example, the identity of donors to a direct-support organization of a district school board, and all information identifying such donors and prospective donors, are confidential and exempt from the provisions of s. 119.07(1), F.S.; that anonymity is required to be maintained in the auditor’s report. *See* s. 1001.453(4), F.S.

More commonly, however, the statutory exemption applies only to the identity of donors who wish to remain anonymous. *See, e.g.,* s. 570.691(6), F.S. (identity of a donor or prospective donor to the direct-support organizations authorized to support programs in the Department of Agriculture and Consumer Services “who desires to remain anonymous and all information identifying such donor or prospective donor” is confidential). *Cf.* s. 265.7015, F.S. (if the donor or prospective donor of a donation made for the benefit of a publicly owned performing arts center desires to remain anonymous, information that would identify the name, address, or telephone number of that donor or prospective donor is confidential and exempt).

The identity of donors to a university direct-support organization who wish to remain anonymous shall be protected, and that anonymity shall be maintained in the auditor’s report of the organization. Section 1004.28(5)(a), F.S. Other than the auditor’s report, management letter, any records related to the expenditure of state funds, and any financial records related to the expenditure of private funds for travel, all records of a university direct-support organization and any supplemental data requested by the Board of Governors, the Auditor General, board of trustees, and the Office of Program Policy Analysis and Government Accountability [OPPAGA] are confidential and exempt from s. 119.07(1), F.S. Section 1004.28(5)(b), F.S.

By contrast, s. 1004.70(6), F.S., provides that records of the Florida College System institution direct-support organizations other than the auditor’s report, any information necessary for the auditor’s report, any information related to the expenditure of funds, and any supplemental data requested by the board of trustees, the Auditor General, and OPPAGA, are confidential and exempt from s. 119.07(1), F.S. *See Palm Beach Community College Foundation, Inc. v. WFTV*, 611 So. 2d 588 (Fla. 4th DCA 1993) (direct-support organization’s expense records are public records subject to deletion of donor-identifying information).

For more information on exemptions for particular direct-support or citizen-support organizations, please consult Appendix D or the Index.

5. Domestic violence and stalking records

Information about clients received by the Department of Children and Families or by authorized persons employed by or volunteering services to a domestic violence center, through files, reports, inspection or otherwise, is confidential and exempt from disclosure except as

provided by statute. Section 39.908, F.S. Information about the location of domestic violence centers and facilities is also confidential. *Id.*

A petitioner seeking an injunction for protection against domestic violence may furnish the petitioner's address to the court in a separate confidential filing for safety reasons. Section 741.30(3)(b), F.S. *And see* ss.784.046 (4) (b) and s. 784.0485(3)(b). In addition, a petition for an injunction for protection against domestic violence, repeat violence, dating violence, sexual violence, stalking, or cyberstalking that is dismissed without a hearing, dismissed at an ex parte hearing due to a failure to state a claim or lack of jurisdiction, or dismissed for any reason having to do with the sufficiency of the petition itself without an injunction being issued on or after July 1, 2017, is exempt from disclosure. Section 119.0714(1)(k)1., F.S. Prior to July 1, 2017, the petition is exempt only upon request by an individual named in the petition as a respondent. Section 119.0714(1)(k)2., F.S. *And see* s. 119.0174(1)(k)3., F.S., providing confidentiality for information that can be used to identify the petitioner or respondent until the respondent has been personally served with a copy of the petition for injunction, affidavits, notice of hearing, and temporary injunction.

A victim of domestic violence or aggravated stalking may file a written request, accompanied by official verification that a crime has occurred, to have his or her home or employment address, home or employment telephone number, or personal assets exempted from disclosure. Section 119.071(2)(j)1., F.S. For more information on this exemption, please refer to the discussion on pages 117-118. *And see* s. 741.313(7), F.S. (personal identifying information contained in records documenting an act of domestic violence or sexual violence that is submitted to an agency by an employee seeking to take leave under the requirements of s. 741.313, F.S., is confidential and exempt; a written request for leave submitted by an employee and an agency time sheet reflecting such request are confidential and exempt until 1 year after the leave has been taken). *See also* s. 787.03(6)(c), F.S. (current address and telephone number of the person taking the minor or incompetent person when fleeing from domestic violence and the current address and telephone number of the minor or incompetent person which are contained in the report made to a sheriff or state attorney under s. 787.03[6][b], F.S., are confidential and exempt from disclosure).

The addresses, telephone numbers, and social security numbers of participants in the Address Confidentiality Program for Victims of Domestic Violence Program [Program] are exempt from disclosure, except as provided in the exemption. Section 741.465(1), F.S. A similar exemption is provided for the names, addresses, and telephone numbers of program participants contained in voter registration and voting records. Section 741.465(2), F.S. *And see* s. 741.4651, F.S. (names, addresses, and telephone numbers of persons who are victims of stalking or aggravated stalking are exempt from public disclosure requirements in the same manner that the names, addresses and telephone numbers of participants in the Program which are held by the Attorney General under s. 741.465, F.S., are exempt, provided that the victim files a sworn statement of stalking with the Office of the Attorney General and otherwise complies with the procedures in ss. 741.401-741.409, F.S.).

Any information in a record created by a domestic violence fatality review team that reveals the identity of a domestic violence victim or the identity of the victim's children is confidential and exempt from disclosure. Section 741.3165, F.S.

6. Drafts and notes

There is no "unfinished business" exception to the public inspection and copying requirements of Ch. 119, F.S. As the Florida Supreme Court stated in *Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.*, 379 So. 2d 633, 640 (Fla. 1980), the term "public record" means "any material prepared in connection with official agency business which is intended to perpetuate, communicate, or formalize knowledge of some type." Such material is a "public record" regardless of whether it is in final form or the ultimate product of an agency. *Id.*

Thus, “[i]nteroffice memoranda and intra-office memoranda communicating information from one public employee to another or merely prepared for filing, even though not a part of an agency’s later, formal public product, would nonetheless constitute public records inasmuch as they supply the final evidence of knowledge obtained in connection with the transaction of official business.” 379 So. 2d at 640. *See also Booksmart Enterprises, Inc. v. Barnes & Noble College Bookstores, Inc.*, 718 So. 2d 227, 229 (Fla. 3d DCA 1998) (book selection forms completed by state university instructors and furnished to campus bookstore “are made in connection with official business, for memorialization and communication purposes” and are public records); and *National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201, 1207 (Fla. 1st DCA 2009), *review denied*, 37 So. 3d 848 (Fla. 2010) (transcript and response prepared as part of NCAA disciplinary proceeding involving state university were public records because the “the purpose of the transcript was to perpetuate the information presented to the infractions committee” and the response “was designed to communicate information to the body that would hear the appeal within the NCAA”). *Compare Rogers v. Hood*, 906 So. 2d 1220, 1223 (Fla. 1st DCA 2005), *review denied*, 919 So. 2d 436 (Fla. 2005) (unused or unvoted Florida punch card ballots from 2000 election do not constitute public records because they do not “perpetuate, communicate, or formalize knowledge,” but a ballot becomes a public record once it is voted because at that point “the voted ballot, as received by the supervisor of elections in a given county, has memorialized the act of voting”).

Accordingly, any agency record, if circulated for review, comment or information, is a public record regardless of whether it is an official expression of policy or marked “preliminary” or “working draft” or similar label. Examples of such materials include interoffice memoranda, preliminary drafts of agency rules or proposals which have been submitted for review to anyone within or outside the agency, and working drafts of reports which have been furnished to a supervisor for review or approval.

In each of these cases, the fact that the records are part of a preliminary process does not remove them from the definition of “public record.” When material falls within the statutory definition of “public record” in s. 119.011(12), F.S., and has been prepared to “perpetuate, communicate or formalize knowledge,” the record is subject to disclosure even if the agency believes that release of the nonfinal product could be detrimental. *See, e.g., Gannett Corporation, Inc. v. Goldtrap*, 302 So. 2d 174 (Fla. 2d DCA 1974) (county’s concern that premature disclosure of a report could be harmful to the county does not make the document confidential). As with other public records, only the Legislature has the authority to exempt preliminary or draft public records from disclosure. *Wait v. Florida Power & Light Company*, 372 So. 2d 420 (Fla. 1979). *See, e.g., s. 119.071(1)(d), F.S.*, providing a limited work product exemption for agency attorneys.

While the broad definition of the term “public record” ensures that the public’s right of access includes preliminary and nonfinal records, the *Shevin* decision recognizes that not every record made or received in the course of official business is prepared to “perpetuate, communicate or formalize knowledge.” Accordingly, preliminary drafts or notes prepared for the personal use of the writer may constitute mere “precursors” of public records *if* they are not intended to be the final evidence of the knowledge recorded. *See Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.*, 379 So. 2d 633, 640 (Fla.1980). *And see* the discussion of “attorney notes” on pages 126-127.

Thus, public employees’ notes to themselves “*which are designed for their own personal use in remembering certain things* do not fall within the definition of ‘public record.’” (e.s.) *Justice Coalition v. The First District Court of Appeal Judicial Nominating Commission*, 823 So. 2d 185, 192 (Fla. 1st DCA 2002). *Accord Coleman v. Austin*, 521 So. 2d 247 (Fla. 1st DCA 1988), holding that preliminary handwritten notes prepared by agency attorneys and intended only for the attorneys’ own personal use are not public records. *See also* AGO 10-55 (handwritten personal notes taken by city manager to assist in remembering matters discussed during manager’s interviews of city employees are not public records “if the notes have not been transcribed or

shown to others and were not intended to perpetuate, communicate, or formalize knowledge”); and Inf. Op. to Trovato, June 2, 2009 (to the extent city commissioner has taken notes for his own personal use and such notes are not intended to perpetuate, communicate, or formalize knowledge, personal notes taken at a workshop or during a commission meeting would not be considered public records). *Compare Barfield v. City of Sarasota*, 21 F. L.W. Supp 874 (Fla. 12th Cir. Ct. May 5, 2014) (those portions of police officer’s notes containing his research on homeless shelters became a public record when he made multiple references to them while answering questions during a presentation at a city commission meeting; however the unread portions of the notes did not become a public record because they were not disseminated).

The relevant test is whether the records have been prepared to “perpetuate, communicate, or formalize knowledge of some type.” See AGO 05-23, stating that “it is only uncirculated materials that are not in and of themselves intended to serve as the final evidence of the knowledge to be recorded that fall outside of the definition of a public record.” Accord AGOs 10-55 (“nonfinal documents need not be communicated to anyone in order to constitute a public record”) and 04-15 (tape recordings of staff meetings made at the request of the executive director by a secretary for use in preparing minutes of the meeting are public records because “they are made at the request of the executive director as an independent record of the proceedings, and, unlike tapes or notes taken by a secretary as dictation, are intended to perpetuate the discussion at a staff meeting”). See also Inf. Op. to Yoder, November 10, 2014 (video recording of a school board meeting which was made at the direction of a school board member “appears to be a record intended to perpetuate the discussion at the meeting”).

For example, in *Miami Herald Media Co. v. Sarnoff*, 971 So. 2d 915 (Fla. 3d DCA 2007), the court held that a memorandum prepared by a city commissioner after a meeting with a former city official, summarizing details of what was said and containing alleged factual information about possible criminal activity, was a public record subject to disclosure. The court determined that the memorandum was not a draft or a note containing mental impressions that would later form a part of a government record, but rather formalized and perpetuated his final knowledge gained at the meeting. See also *Grapski v. City of Alachua*, 31 So. 3d 193, 197 (Fla. 1st DCA 2010), *review denied*, 47 So. 3d 1288 (Fla. 2010) (canvassing board minutes constitute “final work product of the [b]oard, not a preliminary draft or note”); *City of Pinellas Park, Florida v. Times Publishing Company*, No. 00-008234CI-19 (Fla. 6th Cir. Ct. January 3, 2001) (rejecting city’s argument that employee responses to survey are “notes” which are not subject to disclosure because “as to each of the employees, their responses were prepared in connection with their official agency business and they were ‘intended to perpetuate, communicate, or formalize knowledge’ that they had about their department”); and AGO 05-23 (handwritten notes taken by an assistant city labor attorney during her interviews with city personnel that were reviewed by the city’s labor attorney, used to prepare a disciplinary action form, and then filed, constituted a public record).

7. Education records

a. Charter schools

Section 1002.33(16)(b), F.S., provides that charter schools are subject to the Public Records Act and the Sunshine Law. The open government laws apply regardless of whether the charter school operates as a public or private entity. AGO 98-48. The records and meetings of a not-for-profit corporation granted charter school status are subject to the requirements of Ch. 119, F.S., and s. 286.011, F.S., even though the charter school has not yet opened its doors to students. AGO 01-23. And see AGO 2010-14 (records of team created by charter school to review personnel decisions subject to Ch. 119, F.S.).

b. Student records

Public access to student records is limited by statute. In 2009, the Legislature amended the state statutes relating to student records to incorporate the federal Family Education Rights and

Privacy Act (FERPA). Section 1002.221(1), F.S., provides that “[e]ducation records as defined in [FERPA], and the federal regulations issued pursuant thereto, are confidential and exempt” from public disclosure and may be released only as authorized in the exemption. “Education records” are defined by FERPA to mean “those records, files, documents, and other materials which contain information directly related to a student; and are maintained by an educational agency or institution or by a person acting for such agency or institution.” 20 U.S.C. s. 1232g(a)(4) (A). *Cf.* AGO 10-04 (school board meeting at which student records may be discussed may not be closed to the public in the absence of a statutory exemption from the Sunshine Law; however, “school board should be sensitive to confidential student records that may be reviewed during such a meeting and protect these records to the extent that is possible to protect the privacy of the student involved . . .”). *Compare* s. 1003.57(1)(c), F.S., providing an exemption from the Sunshine Law for hearings on exceptional student identification, evaluation, and eligibility determination; and s. 1006.07(1)(a), F.S. (student expulsion hearings exempted).

Public postsecondary educational institutions are also required to comply with FERPA with respect to the education records of students. Section 1002.225(2), F.S. Section 1006.52(1), F.S., authorizes a public postsecondary educational institution to prescribe the content and custody of records the institution maintains on its students and applicants for admission. A student’s education records and applicant records are confidential and exempt. *Id.* See *Knight News, Inc. v. University of Central Florida*, 200 So. 3d 125, 128 (Fla. 5th DCA 2016) (personally identifiable information contained within records regarding alleged hazing incidents qualifies as confidential student disciplinary records; however, the names of student government officers charged with malfeasance in the performance of student government duties or alleged to have engaged in misconduct with regard to their election or appointment to their position are not confidential under FERPA because “given the statutory scheme [relating to university student government officers] student government officers know or reasonably should know” that they could be disciplined for misconduct in connection with their student government duties).

In *National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201, 1211 (Fla. 1st DCA 2009), *review denied*, 37 So. 3d 848 (Fla. 2010), the court construed FERPA and the 2009 amendments to the Florida Statutes. Recognizing that under FERPA a record “qualifies as an educational record only if it ‘directly’ relates to a student,” the court found that a transcript of an NCAA hearing and an NCAA committee response pertained to allegations of misconduct by the university athletic department, and only tangentially related to students. Therefore, since the transcript and the response had been redacted to remove student-identifying information and thus did not disclose education records, they were not exempt from disclosure. *And see Rhea v. District Board of Trustees of Santa Fe College*, 109 So. 3d 851 (Fla. 1st DCA 2013) (student’s *unredacted* email which criticized instructor’s classroom performance constituted an exempt education record). *Compare WFTV v. School Board of Seminole County, Florida*, 874 So. 2d 48 (Fla. 5th DCA 2004), *review denied*, 892 So. 2d 1015 (Fla. 2004), concluding that under *prior* student confidentiality laws (which did not incorporate FERPA), a school bus surveillance videotape was a confidential student record and could not be released to the media even with student-identifying information redacted).

In AGO 01-64 the Attorney General, in interpreting the former statutes, stated that a felony complaint/arrest affidavit created and maintained by school police officers for a juvenile or adult who is a student in the public schools is a law enforcement record subject to disclosure, provided that exempt information such as active criminal investigative information is deleted prior to release. See *now* 20 U.S.C. s. 1232g(a)(4)(B)(ii) excluding “records maintained by a law enforcement unit of the educational agency or institution that were created by that law enforcement unit for the purpose of law enforcement” from the definition of “education records.”

c. Children in government-sponsored recreation programs

Section 119.071(5)(c), F.S., exempts information that would identify or locate a child or the parent or guardian of a child, participating in a government-sponsored recreation program.

A government-sponsored recreation program means “a program for which an agency assumes responsibility for a child participating in that program, including, but not limited to, after-school programs, athletic programs, nature programs, summer camps, or other recreational programs.” *Id.*

d. School system security—Please see page 150.

e. Testing materials

Testing materials are generally exempt from the disclosure provisions of s. 119.07(1), F.S. *See, e.g.,* s. 1008.23, F.S. (examination and assessment instruments, including developmental materials and workpapers directly related to such instruments, which are prepared or administered pursuant to cited statutes), and s. 1012.56(9)(g), F.S. (state-developed educator certification examination, developmental materials and workpapers). *See* AGO 09-35, concluding that student assessment tests developed by teachers to measure student preparedness for college board advanced placement exams are confidential and exempt from the inspection and copying requirements of Ch. 119, F.S. *Cf.* s. 1008.24(4)(b), F.S. (identity of a school or postsecondary educational institution, personal identifying information of personnel of a school district or postsecondary educational institution, or specific allegations of misconduct obtained or reported in connection with an investigation of a testing impropriety conducted by the Department of Education are confidential and exempt from disclosure until the investigation is concluded or becomes inactive).

8. Election records

a. Ballots

Election records are generally open to public inspection. An individual or group is entitled to inspect the ballots and may take notes regarding the number of votes cast. AGO 93-48. *See also Rogers v. Hood*, 906 So. 2d 1220, 1223 (Fla. 1st DCA 2005), *review denied*, 919 So. 2d 436 (Fla. 2005) (voted ballots are public records because they have “memorialized the act of voting”). *Cf. Trout v. Bucher*, 205 So. 3d 876 (Fla. 4th DCA 2016), stating that the supervisor of elections was not required to charge the hourly rate of the lowest paid person capable of providing ballots for inspection because s. 119.07[4][d], F.S., authorizes the agency to impose a reasonable charge based on labor costs “actually incurred by the agency or attributable to the agency” when extensive clerical or supervisory assistance is required).

Section 119.07(5), F.S., prohibits any person other than the supervisor of elections or the supervisor’s employees from touching the ballots. *And see* s. 101.572, F.S. (no persons other than the supervisor, supervisor’s employees, or the county canvassing board shall handle any official ballot or ballot card). However, this restriction does not prohibit the supervisor from producing copies of optically scanned ballots which were cast in an election in response to a public records request. AGO 04-11. *And see* AGO 01-37.

Information regarding requests for vote-by-mail ballots that is recorded by the supervisor of elections pursuant to s. 101.62(3), F.S., is confidential and exempt and shall be made available to or reproduced only for the individuals and entities set forth in the exemption, for political purposes only. Section 101.62(3), F.S.

b. Voter registration and voter records

Section 97.0585(1), F.S., states that the following information is confidential and exempt from public disclosure requirements and may be used only for purposes of voter registration: declinations to register to vote; information relating to the place where a person registered to vote or updated a voter registration; the social security number, driver license number, and the Florida identification number of a voter registration applicant or voter; information related to a voter registration applicant’s or voter’s prior felony conviction and whether such person has had his or her voting rights restored; and all information concerning preregistered voter registration

applicants who are 16 or 17 years old. The signature of a voter registration applicant or a voter is exempt from copying requirements. Section 97.0585(2), F.S.. *See also* ss. 741.465(2), F.S. (identifying information concerning participants in the Office of the Attorney General Address Confidentiality Program for Victims of Domestic Violence contained in voter registration and voting records is exempt); and 741.4651, F.S. (exemption for identifying information of stalking victims who have filed a sworn statement of stalking with the Office of the Attorney General and otherwise comply with the procedures set forth in ss. 741.401-741.409, F.S.). *And see* AGO 04-18, concluding that the supervisor of elections must maintain the exempt status of specified personal information for certain officers and employees which appears in petitions or campaign papers if the affected employee or officer or his or her employing agency has filed a written request for exemption with the supervisor as authorized by s. 119.071(4)(d)3., F.S.

Section 98.075(2)(b), F.S., allows the Department of State to join a nongovernmental entity composed of state and District of Columbia election officials whose sole purpose is to share and exchange information in order to verify voter registration information. Information received by the department from another state or the District of Columbia which is confidential or exempt pursuant to the laws of that state or the District of Columbia is exempt from disclosure. Section 98.075(2)(c), F.S.

9. Electronic and computer records

a. Electronic databases and files

Information stored in a public agency's computer "is as much a public record as a written page in a book or a tabulation in a file stored in a filing cabinet . . ." *Seigle v. Barry*, 422 So. 2d 63, 65 (Fla. 4th DCA 1982), *review denied*, 431 So. 2d 988 (Fla. 1983). *And see National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201 (Fla. 1st DCA 2009), *review denied*, 37 So. 3d 848 (Fla. 2010) (public records law is not limited to paper documents but applies to documents that exist only in digital form); AGO 98-54 (application and disciplinary reports maintained in a computer system operated by a national securities dealers association which are received electronically by state agency for use in licensing and regulating securities dealers doing business in Florida are public records); AGO 91-61 (agency must provide copy of computer disk in response to Ch. 119 request); and AGO 85-03 (computer tape subject to disclosure).

Thus, information such as electronic calendars, databases, and word processing files stored in agency computers, can all constitute public records because records made or received in the course of official business and intended to perpetuate, communicate or formalize knowledge of some type, fall within the scope of Ch. 119, F.S. AGO 89-39. *Compare* AGO 85-87 (to the extent that "machine-readable intermediate files" may be intended to "communicate" knowledge, any such communication takes place completely within the data processing equipment and in such form as to render any inspection pursuant to Ch. 119, F.S., unintelligible and, except perhaps to the computer itself, meaningless; therefore, these files are analogous to notes used to prepare some other documentary material, and are not public records). *And see Grapski v. Machen*, No. 01-2005-CA-4005 J (Fla. 8th Cir. Ct. May 9, 2006), *affirmed per curiam*, 949 So. 2d 202 (Fla. 1st DCA 2007) (spam or bulk mail received by a public agency does not necessarily constitute a public record).

Moreover, the definition of "public records" specifically includes "data processing software" and establishes that a record made or received in connection with official business is a public record, regardless of physical form, characteristics, "or means of transmission." *See* s. 119.011(12), F.S. "Automation of public records must not erode the right of access to [public records]." Section 119.01(2)(a), F.S.

Accordingly, electronic public records are governed by the same rule as written documents and other public records--the records are subject to public inspection unless a statutory exemption exists which removes the records from disclosure. *Cf.* AGO 90-04, stating that a county official is not authorized to assign the county's right to a public record (a computer program developed

by a former employee while he was working for the county) as part of a settlement compromising a lawsuit against the county. *And see* the discussion on pages 127-129 noting that in evaluating whether a public official's records were made or received in the course of official business for purposes of Ch. 119, the determining factor is the nature of the record, and not whether the record is located in a private or a government computer or communications device.

b. Consideration of public access in design of electronic recordkeeping system

When an agency is designing or acquiring an electronic recordkeeping system, the agency must consider whether the proposed system is capable of providing data in some common format such as, but not limited to, the American Standard Code for Information Interchange. Section 119.01(2)(b), F.S. *Cf.* Inf. Op. to Moore, October 19, 1993, noting that an agency considering the acquisition of computer software should be responsive to the need for preserving public access to the information through use of the computer's software and that "[t]he design and development of the software, therefore, should ensure that the system has the capability of redacting confidential or exempt information when a public records request is made." *And see* s. 287.042(3)(h), F.S. (Department of Management Services responsible for development of procedures to be used by state agencies when procuring information technology commodities and contractual services that ensure compliance with public records and records retention requirements).

Similarly, an agency may not enter into a contract for the creation or maintenance of a public records database if that contract impairs the ability of the public to inspect or copy the public records of that agency, including public records that are online or stored in an electronic recordkeeping system used by the agency. Section 119.01(2)(c), F.S.

The importance of ensuring public access to computer records is recognized by statute and in the electronic recordkeeping rules of the Division of Library and Information Services of the Department of State. Rule 1B-26.003(6)(g), F.A.C., provides that each agency shall "[e]nsure that agency electronic recordkeeping systems meet state requirements for public access to records in accordance with Chapter 119, F.S."

c. E-Mail

E-mail messages made or received by agency officers and employees in connection with official business are public records and subject to disclosure in the absence of an exemption. AGOs 96-34 and 01-20. *See Rhea v. District Board of Trustees of Santa Fe College*, 109 So. 3d 851, 855 (Fla. 1st DCA 2013), noting that "electronic communications, such as e-mail, are covered [by the Public Records Act] just like communications on paper." *Cf.* s. 668.6076, F.S., requiring agencies that operate a website and use electronic mail to post the following statement in a conspicuous location on the agency website: "Under Florida law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public records request, do not send electronic mail to this entity. Instead, contact this office by phone or in writing."

Similarly, e-mails sent by city commissioners in connection with the transaction of official business are public records subject to disclosure even though the e-mails contain undisclosed or "blind" recipients and their e-mail addresses. AGO 07-14. *Cf. Butler v. City of Hallandale Beach*, 68 So. 3d 278 (Fla. 4th DCA 2011) (affirming a trial court order finding that a list of recipients of a *personal* e-mail sent by mayor from her personal computer was not a public record).

Like other public records, e-mail messages are subject to the statutory restrictions on destruction of public records. *See* s. 257.36(6), F.S., stating that a public record may be destroyed or otherwise disposed of only in accordance with retention schedules established by the Division of Library and Information Services (division) of the Department of State. Thus, an e-mail communication of "factual background information" from one city council member to another is a public record and should be retained in accordance with the retention schedule for other records relating to performance of the agency's functions and formulation of policy. AGO 01-20.

d. Facebook

The Attorney General's Office has stated that the placement of material on a city's Facebook page presumably would be in connection with the transaction of official business and thus subject to Ch. 119, F.S., although in any given instance, the determination would have to be made based upon the definition of "public record" contained in s. 119.011(12), F.S. AGO 09-19. To the extent that the information on the city's Facebook page constitutes a public record, the city is under an obligation to follow the public records retention schedules established in accordance with s. 257.36(6), F.S. *Id.* And see AGO 08-07 (city council members who post comments and emails relating to the transaction of city business on a privately owned and operated website "would be responsible for ensuring that the information is maintained in accordance with the Public Records Law").

e. Text messages

In 2010, the Attorney General's Office advised the Department of State (which is statutorily charged with development of public records retention schedules) that the "same rules that apply to e-mail should be considered for electronic communications including Blackberry PINS, SMS communications (text messaging), MMS communications (multimedia content), and instant messaging conducted by government agencies." Inf. Op. to Browning, March 17, 2010.

In response, the Department revised the records retention schedule to recognize that retention periods for text messages and other electronic messages or communications "are determined by the content, nature, and purpose of the records, and are set based on their legal, fiscal, administrative, and historical values, regardless of the format in which they reside or the method by which they are transmitted." Stated another way, it is the content, nature and purpose of the electronic communication that determines how long it is retained, not the technology that is used to send the message. See General Records Schedule GS1-SL for State and Local Government Agencies, Electronic Communications, available online at <http://dos.myflorida.com/library-archives>.

A public official or employee's use of a private cell phone to conduct public business via text messaging "can create an electronic written public record subject to disclosure" if the text message is "prepared, owned, used, or retained . . . within the scope of his or her employment or agency." *O'Boyle v. Town of Gulf Stream*, 257 So. 3d 1036, 1040-1041 (Fla. 4th DCA 2018). In order to comply with the requirements of the Public Records Act, "the governmental entity must proceed as it relates to text messaging no differently than it would when responding to a request for written documents and other public records in the entity's possession—such as emails—by reviewing each record, determining if some or all are exempted from production, and disclosing the unprotected records to the requester." *Id.* at 1041. And see the discussion on page 158-159 regarding the entity's responsibility to conduct a reasonable search to locate text messages that have been requested from the governmental entity, including those located on private accounts or devices.

f. Twitter

The determination as to whether a list or record of accounts which have been blocked from posting to or accessing an elected official's personal Twitter feed is a public record involves mixed questions of law and fact which cannot be resolved by the Attorney General's Office. Inf. Op. to Shalley, June 1, 2016. However, "if the tweets the public official is sending are public records [because they were sent in connection with the transaction of official business] then a list of blocked accounts, prepared in connection with those public records 'tweets,' could well be determined by a court to be a public record." *Id.* Cf. *Knight First Amendment Institute v. Trump*, No. 18-1691 (2d Cir. July 9, 2019) (public official engaged in unconstitutional viewpoint discrimination by blocking certain users from access to his Twitter account, which is otherwise open to the public at large and "used for all manner of official duties," because he disagreed with their speech).

10. Emergency records

a. Emergency “911” records

Section 365.171(12)(a), F.S., provides that any record, recording, or information, or portions thereof, obtained by a public agency for the purpose of providing services in an emergency which reveals the name, address, or telephone number or personal information about, or information which may identify any person requesting emergency service or reporting an emergency by accessing an emergency communications E911 system is confidential and exempt from s. 119.07(1), F.S. However, disclosure of the location of a coronary emergency to a private person or entity that owns an automated external defibrillator is authorized in some circumstances, as set forth in the exemption. Section 365.171(12)(b), F.S.

The exemption applies only to the name, address, telephone number or personal information about or information which may identify any person requesting emergency services or reporting an emergency while such information is in the custody of the public agency or public safety agency providing emergency services. Section 365.171(12)(a), F.S. *See* AGO 93-60. There is no clear indication that the Legislature intended to include the sound of a person’s voice as information protected from disclosure. AGO 15-01. Moreover, identifying information obtained or created independently of the 911 call, for example from a criminal investigation or offense report created as a result of such investigation, is not exempt under s. 365.171(12)(a), F.S. AGO 11-27.

A tape recording of a “911” call is a public record which is subject to disclosure after the deletion of the exempt information. AGO 93-60. This does not, however, preclude the application of another exemption to such records. Thus, if the “911” calls are received by a law enforcement agency and the county emergency management department, information which is determined by the law enforcement agency to constitute active criminal investigative information may also be deleted from the tape prior to public release. AGO 95-48. *See also* Inf. Op. to Fernandez, September 22, 1997 (while police department is not prohibited from entering into an agreement with the public to authorize access to its radio system, the department must maintain confidentiality of exempt personal information contained in “911” radio transmissions).

Moreover, an audio recording that records the killing of a law enforcement officer acting in accordance with his or her official duties or the killing of a victim of mass violence is confidential and exempt and may not be listened to or copied except as authorized in the exemption. Section 119.071(2)(p), F.S. For more information on this exemption, please refer to the discussion on pages 120.

b. Emergency evacuation plans

Section 119.071(3)(a), F.S., provides an exemption from disclosure for a security or firesafety system plan of a private or public entity that is held by an agency. The term “security or firesafety system plan” includes emergency evacuation plans and sheltering arrangements. *And see* s. 119.071(2)(d), F.S., providing an exemption from disclosure for “[a]ny comprehensive inventory of state and local law enforcement resources compiled pursuant to Part I, chapter 23 [Florida Mutual Aid Act], and any comprehensive policies or plans compiled by a criminal justice agency pertaining to the mobilization, deployment, or tactical operations involved in responding to emergencies as defined in s. 252.34, F.S.; and s. 395.1056, F.S., providing an exemption for those portions of a comprehensive emergency management plan that address the response of a public or private hospital to an act of terrorism.

c. Emergency medical services records

Please refer to the discussion of this topic found on pages 92-93.

d. Emergency notification

Any information furnished by a person to any agency for the purpose of being provided with emergency notification by the agency is exempt from disclosure requirements. Section 119.071(5)(j)1., F.S. The e-mail addresses and corresponding home, school, and other “watched addresses of concern” provided for participation in the Florida Department of Law Enforcement Offender Alert System come within the scope of this exemption. AGO 11-16. *And see* s. 119.0712(2)(d)1. and 2., F.S. (emergency contact information contained in a motor vehicle record issued by the Department of Highway Safety and Motor Vehicles is confidential and exempt, and, without the express consent of the person to whom such emergency contact information applies, may be released only to law enforcement agencies for purposes of contacting those listed in the event of an emergency).

e. Emergency planning information furnished to Division of Emergency Management

The Division of Emergency Management (Division) manages a statewide public awareness program which encourages individuals, families, and businesses to develop disaster plans in preparation for and in response to natural or manmade disasters. *See* s. 2, Ch. 14-188, Laws of Florida. Any information furnished by a person or a business to the Division for the purpose of being provided assistance with emergency planning is exempt. Section 252.905, F.S.

f. Special needs registry

Section 252.355(1), F.S., states that the Division of Emergency Management, in coordination with each local emergency management agency in the state, shall maintain a registry of persons with special needs (*i.e.*, persons who would need assistance during evacuations and sheltering because of physical, mental, cognitive impairment, or sensory disabilities), located within the jurisdiction of the local agency. The registration shall identify those persons in need of assistance and plan for resource allocation to meet those identified needs. Records relating to the registration of persons with special needs are confidential and exempt, except such information is available to other emergency response agencies, as determined by the local emergency management director. Section 252.355(4), F.S. Local law enforcement agencies shall be given complete shelter roster information upon request. *Id.*

11. Financial records

Many agencies prepare or receive financial records as part of their official duties and responsibilities. As with other public records, these materials are generally open to inspection unless a specific statutory exemption exists. *See* AGO 96-96 (financial information submitted by harbor pilots in support of a pilotage rate increase application is not exempt from disclosure requirements).

a. Audit reports

(1) Auditor General audits

The audit report prepared by the Auditor General is a public record once finalized. Section 11.45(4)(c), F.S. The audit workpapers and notes are not a public record; however, those workpapers necessary to support the computations in the final audit report may be made available by a majority vote of the Legislative Auditing Committee after a public hearing showing proper cause. *Id.* *And see* AGO 79-75 (“the term ‘audit work papers and notes’ should be construed narrowly and limited to such ‘raw data’ as is commonly considered to constitute the work papers of an accountant”). *Cf.* s. 11.51(4), F.S. (work papers held by the Office of Program Policy Analysis and Government Accountability which relate to an authorized project or a research product are exempt from disclosure).

At the conclusion of the audit, the Auditor General provides the head of the agency being audited with a list of the findings so that the agency head may explain or rebut them before the report is finalized. Section 11.45(4)(d), F.S. The list of audit findings is a public record. AGO 79-75.

(2) Local government audits

The audit report of an internal auditor prepared for or on behalf of a unit of local government becomes a public record when the audit becomes final. Section 119.0713(2)(b), F.S. The audit becomes final when the audit report is presented to the unit of local government; until the audit becomes final, the audit workpapers and notes related to such audit report are confidential. *Id.*

Thus, a draft audit report of a county legal department prepared by the clerk of court, acting in her capacity as county auditor, did not become subject to disclosure when the clerk submitted copies of her draft report to the county administrator for review and response. *Nicolai v. Baldwin*, 715 So. 2d 1161, 1163 (Fla. 5th DCA 1998). According to the exemption, the report would become “final,” and hence subject to disclosure, when presented to the county commission. *Id.* And see *Rushing v. Barfield*, No. 2011-CA-5864-NC (Fla. 12th Cir. Ct. August 4, 2011), *per curiam affirmed*, 83 So. 3d 718 (Fla. 2d DCA 2012) (even though an audit has been completed with regard to some matters, clerk authorized to redact those portions of workpapers and notes relating to additional matters under investigation until the audit relating to the additional matters is concluded).

The term “internal auditor” is not defined for purposes of this exemption. However, the term would appear to encompass an official within county government who is responsible under the county code for conducting an audit. AGO 99-07. Compare AGO 04-33 (exemption does not apply to audit of guardianship files prepared by clerk of court because that audit “is not an internal audit performed by or on behalf of any of the specified units of local government”).

(3) State agency inspector general audits

Section 20.055(2), F.S., establishes the Office of Inspector General in each state agency. Pursuant to s. 20.055(6), F.S., the inspector general is required to conduct audits of the agency and prepare audit reports of the findings. Such audit reports and workpapers are public records to the extent that they do not include information which has been made confidential and exempt from disclosure. Section 20.055(6)(b), F.S.

b. Bids, proposals and financial statements

Section 119.071(1)(b)2., F.S., provides an exemption for “sealed bids, proposals, or replies received by an agency pursuant to a competitive solicitation” until such time as the agency provides notice of an intended decision or until 30 days after opening “the bids, proposals, or final replies,” whichever is earlier. Cf. s. 255.0518, F.S., providing that notwithstanding s. 119.071(1)(b), F.S., agencies receiving sealed bids pursuant to a competitive solicitation for construction or repairs of a public building or public work, must open the bids at a public meeting conducted in compliance with the Sunshine Law, and must also announce bidder and price information at that meeting; and s. 255.065(15), F.S., providing an exemption from public records requirements for a specified period for unsolicited proposals received by a public entity pursuant to the public-private partnership process established in s. 255.065, F.S.

The term “competitive solicitation” means “the process of requesting and receiving sealed bids, proposals, or replies in accordance with the terms of a competitive process, regardless of the method of procurement.” Section 119.071(1)(b)1., F.S.

If an agency rejects all bids, proposals, or replies submitted in response to a competitive solicitation and the agency concurrently provides notice of its intent to reissue the competitive solicitation, the rejected bids, proposals, or replies remain exempt until such time as the agency provides notice of an intended decision concerning the reissued competitive solicitation or until the agency withdraws the reissued competitive solicitation. A bid, proposal, or reply is not exempt for longer than 12 months after the initial agency notice rejecting all bids, proposals, or replies. Section 119.071(1)(b)3., F.S. And see s. 286.0113(2)(c), F.S., providing an exemption for

the recording of, and records presented at, an exempt meeting held pursuant to s. 286.0113(2)(b), F.S. For more information on this exemption, please refer to the discussion on page 35.

Any financial statement that an agency requires a prospective bidder to submit in order to prequalify for bidding or for responding to a proposal for a road or any other public works project is exempt from disclosure requirements. Section 119.071(1)(c), F.S. See also s. 119.0713(3), F.S., limiting access to materials used by municipal utilities to prepare bids; s. 339.55(10)(a), F.S., providing an exemption for financial information of a private entity applicant which the Department of Transportation requires as part of the application process for loans or credit enhancements from the state-funded infrastructure bank; and s. 337.168, F.S., providing restrictions on disclosure of Department of Transportation cost estimates, persons requesting bid packages, and the bid analysis and monitoring system.

c. Budgets

Budgets and working papers used to prepare them are normally subject to inspection. *Bay County School Board v. Public Employees Relations Commission*, 382 So. 2d 747 (Fla. 1st DCA 1980); *Warden v. Bennett*, 340 So. 2d 977 (Fla. 2d DCA 1976); and *City of Gainesville v. State ex. rel. International Association of Fire Fighters Local No. 2157*, 298 So. 2d 478 (Fla. 1st DCA 1974). *Accord* Inf. Op. to Pietrodangelo, Nov. 29, 1972 (financial operating budget of athletic department of state university constitutes a public record). Cf. *News-Press Publishing Company, Inc. v. Carlson*, 410 So. 2d 546, 548 (Fla. 2d DCA 1982), holding that the preponderant interest in allowing public participation in the budget process justified the inclusion of an agency's internal budget committee within the provisions of the Government in the Sunshine Law.

The exemption afforded by s. 447.605(3), F.S., for work products developed by the public employer in preparation for collective bargaining negotiations does not remove the working papers used in preparing an agency budget from disclosure. *Warden v. Bennett*, *supra*. See also AGO 92-56 (budget of a public hospital would not, in and of itself, appear to constitute either a trade secret or marketing plan for purposes of a statutory exemption for documents revealing a hospital's marketing plan or trade secrets).

d. Economic development records

(1) Business location or expansion plans

If a private entity requests in writing before an economic incentive agreement is signed that an economic development agency maintain the confidentiality of information concerning the entity's interest in or plans to locate or expand its business activities in Florida, the information is confidential and exempt from disclosure for 12 months after the date an economic development agency receives a request for confidentiality or until the information is otherwise disclosed, whichever occurs first. Section 288.075(2)(a)1., F.S. Confidentiality may be extended for up to an additional 12 months upon the written request of the private entity if the agency finds that the private entity is still actively considering locating or expanding its business activities in Florida. Section 288.075(2)(a)2., F.S. If a final project order for a signed economic development agreement is issued, then the information remains confidential for 180 days after the final project order is issued, until a date specified in the final project order, or until the information is otherwise disclosed, whichever occurs first. However, such period of confidentiality may not extend beyond the period of confidentiality specified in s. 288.075(2)(a)1. or s. 288.075(2)(a)2., F.S. And see s. 288.075(2)(b), F.S., restricting public officials from entering into binding agreements with the private entity requesting confidentiality until 90 days after the information has been made public, unless certain conditions are met.

The term "economic development agency" means the state Department of Economic Opportunity, an industrial development authority, Space Florida, the public economic development agency of a county or municipality, or a research and development authority. Also included are the county or municipal officers or employees assigned the duty to promote the

general business interests or industrial interests of that county or municipality or the related responsibilities, if the county or municipality does not have a public economic development agency. The term also includes private persons or agencies authorized by the state, a county or a municipality to promote the general business interests of the state or that municipality or county. Section 288.075(1)(a), F.S.

The Legislature's designation of those entities which are considered economic development agencies for purposes of s. 288.075, F.S., precludes any other entities from falling under the definition. *See* AGO 12-36 (St. Augustine-St. Johns County Airport Authority is not an "economic development agency" as defined in s. 288.075, F.S.). *Cf.* Inf. to Rooney, June 8, 2011 (if by amendment of the county charter, the voters made the county commission a part of the county economic development agency by placing the executive director of the agency under the direct supervision of the county commission, then the provisions of s. 288.075, F.S., would apply to the county commission).

A written request for confidentiality under s. 288.075(2), F.S., may constitute or contain information required to be held confidential under that statute; however, such a determination must be made by the custodian on a case-by-case basis as to whether a particular record or portion of a record falls within the scope of the exemption. AGO 07-15. The section, however, may be cited by the records custodian as statutory authority for withholding information from public disclosure without violating the required confidentiality provisions of the statute. *Id.* *Cf.* AGO 80-78 (county industrial development authority permitted to withhold access only to those records "clearly falling" within the exemption provided in s. 288.075; "policy considerations" do not justify nondisclosure of public records).

Development plans, financial records, financial commitment letters and draft memoranda of understanding between the city and a developer considering expansion or relocation within the city appear to come within the scope of the exemption. AGO 04-19. However, the burden is on the economic development agency "to carefully and in good faith distinguish between those documents clearly covered by the exemption and those not covered." *Id.*

Trade secrets, as defined in s. 688.002, F.S., contained in the records held by an economic development agency are confidential and exempt from disclosure. Section 288.075(3), F.S. Proprietary confidential business information held by an economic development agency is confidential and exempt until such information is otherwise publicly available or is no longer treated by the proprietor as proprietary confidential business information. Section 288.075(4), F.S. Federal employer identification numbers, reemployment assistance account numbers, or Florida sales tax registration numbers held by an economic development agency are confidential and exempt. Section 288.075(5), F.S. In addition, certain information held pursuant to the administration of an economic incentive program is confidential and exempt for limited periods as specified in the exemption. Section 288.075(6), F.S.

(2) Convention center booking business records

Booking business records of a public convention center, sports facility, or auditorium are exempt from public disclosure. Section 255.047(2), F.S. The statute defines "booking business records" to include "client calendars, client lists, exhibitor lists, and marketing files." Section 255.047(1)(a), F.S. The term does not include "contract negotiation documents, lease agreements, rental rates, event invoices, event work orders, ticket sales information, box office records, attendance figures, payment schedules, certificates of insurance, accident reports, incident reports, or correspondence specific to a confirmed event." *Id.* *And see* s. 125.0104(9)(d)1., F.S. (providing an exemption for information given to a county tourism promotion agency, which, if released, would reveal the identity of those who provide information in response to a sales promotion, advertisement, or research project or whose names, addresses, meeting or convention plan information or accommodations or other visitation needs become booking or reservation list data).

e. Ownership records for registered public obligations

Records regarding ownership of, or security interests in, registered public obligations are not open to inspection. Section 279.11, F.S.

f. Personal financial records

In the absence of a statutory exemption, financial information prepared or received by an agency is subject to Ch. 119, F.S. *See Wallace v. Guzman*, 687 So. 2d 1351 (Fla. 3d DCA 1997) (personal income tax returns and financial statements submitted by housing finance authority members as part of the authority's application to organize a bank are subject to disclosure). *See also* Inf. Op. to Lovelace, April 3, 1992 (records identifying mortgage recipients held by a bank acting as agent of a housing finance authority in granting mortgages funded by the authority are public records).

(1) Bank account, debit and credit card numbers

Bank account numbers, and debit, charge, and credit card numbers held by an agency are exempt from public disclosure. Section 119.071(5)(b), F.S. *See also* s. 119.0714(1)(j), (2)(e) and 3(b), F.S., regarding confidentiality of bank account numbers and debit, charge, and credit card numbers contained in court and official records.

(2) Consumer financial information

There are statutes which exempt consumer financial information received by certain agencies. For example, s. 624.23, F.S., provides confidentiality for personal financial information held by the Department of Financial Services or the Office of Financial Regulation relating to a consumer's complaint or inquiry regarding a matter or activity regulated under the Florida Insurance Code. *See State, Department of Financial Services v. Danahy & Murray*, 246 So. 3d 466 (Fla. 1st DCA 2018), upholding the constitutionality of the statute. *See also* s. 717.117(8), F.S. (property identifiers contained in unclaimed property reports held by the Department of Financial Services are confidential); s. 627.351(6)(x)1., F.S. (claims and underwriting files of the Citizens Property Insurance Corporation, except as provided in the exemption); s. 119.071(5)(f), F.S. (health or property insurance information provided by applicants or participants in government housing assistance programs); and s. 655.057(1)(c), F.S. (personal financial information contained in investigation records of the Office of Financial Regulation).

(3) Financial information submitted by state licensure applicants

In the absence of statutory exemption, financial information in a licensing file is subject to disclosure. *See* AGO 04-16. However, the Legislature has enacted exemptions for financial information held by certain licensing agencies. For example, credit history information and credit scores held by the Office of Financial Regulation for purposes of licensing loan originators, mortgage brokers and mortgage lenders are confidential. Section 494.00125(3) F.S. Financial information submitted by license applicants to the Department of Business and Professional Regulation is also confidential. Section 455.229(1), F.S. *And see* s. 456.014(1), F.S. (Department of Health license applicants). *Cf. Surterra Florida, LLC v. Florida Department of Health*, 223 So. 3d 376 (Fla. 1st DCA 2017) (affirming trial court finding that identities of investors and partners listed in applications to dispense medical cannabis were not confidential trade secrets). For more information on disclosure issues relating to trade secrets, please refer to the discussion of that topic in pages 153-154.

(4) Temporary cash assistance program participant

Except as provided in the exemption, personal identifying information of a temporary cash assistance program participant is confidential. Section 414.295(1), F.S.

(5) Toll payment personal identifying information

Section 338.155(6), F.S. provides an exemption for personal identifying information held by the Department of Transportation, a county, a municipality, or an expressway authority for the purpose of paying, prepaying, or collecting tolls and associated charges due for the use of toll facilities.

(6) Utility payment records

Agency records of payments for utility services are subject to disclosure. *See* AGOs 88-57 (county records of payments made by individuals for waste collection services are public records), and 92-09 (customer delinquency information held by a utilities commission is subject to disclosure). *Cf.* s. 119.0713(5)(a), F.S., providing an exemption for customer meter-derived data and billing information in increments less than one billing cycle.

g. Taxpayer records

There are a number of statutes providing for confidentiality of taxpayer records held by the Department of Revenue. *See, e.g.,* s. 213.053(2)(a), F.S. (all information contained in returns, reports, accounts, or declarations received by the Department of Revenue, including investigative reports and information and letters of technical advice, is confidential except for official purposes and exempt from s. 119.07[1], F.S.); s. 213.21(3), F.S. (records of compromises of taxpayer liability not subject to disclosure); and s. 213.27(6), F.S. (confidential information shared by the Department of Revenue with debt collection or auditing agencies under contract with the department is exempt from public disclosure and such debt collection or auditing agencies are bound by the same confidentiality requirements as the department). *Cf. Wallace v. Guzman*, 687 So. 2d 1351 (Fla. 3d DCA 1997) (personal income tax returns submitted by housing finance authority members to state banking agency as part of the authority's application to organize a bank are subject to disclosure).

In addition, s. 193.074, F.S., provides for confidentiality of certain taxpayer information. In light of the position taken by the Department of Revenue that its form entitled "Original Application for Ad Valorem Tax Exemption" constitutes a "return," such form should be treated as a "return" that is confidential pursuant to s. 193.074, F.S. AGO 05-04. *Accord* AGO 95-07. *And see NYT Management Services, Inc. v. Florida Department of Revenue*, No. 2006-CA-0896 (Fla. 2d Cir. Ct. April 25, 2006) (declarations or written statements filed with the Department of Revenue pursuant to the state's revenue laws would be a return and thus confidential under s. 193.074, F.S.).

A taxpayer's e-mail address held by a tax collector for purpose of sending certain tax notices or obtaining the consent of a taxpayer for electronic transmission of certain tax notices, as provided in cited statutes, is exempt from public disclosure requirements. Section 197.3225(1), F.S.

However, taxpayer information that is confidential in the hands of certain specified officers under s. 193.074, F.S., is subject to disclosure under the Public Records Act when it has been submitted by a taxpayer to a value adjustment board as evidence in an assessment dispute. AGO 01-74. *Cf.* Inf. Op. to Echeverri, April 30, 2010 (while property appraiser may use confidential records submitted to the value adjustment board by the taxpayer, it is not clear whether property appraiser may independently submit confidential material to the board in the absence of a taxpayer's submission although board may order production of confidential records). Similarly, absent a specific statutory exemption for assessment rolls and public information cards, such documents made or received by the property appraiser are public records subject to the Public Records Act, regardless of the confidentiality of a return that may contain information used in their creation. AGO 05-04.

12. Firearms records

Personal identifying information of an individual who has applied for or received a license

to carry a concealed weapon or firearm pursuant to s. 790.06, F.S., held by the Department of Agriculture and Consumer Services is confidential and exempt from public disclosure requirements. Section 790.0601(1), F.S. The same information is also confidential when held by a tax collector appointed by the Department. Sections 790.0601(2), and 790.0625(4), F.S.

Information made confidential by s. 790.0601, F.S., shall be disclosed with the express written consent of the applicant or licensee or his or her legally authorized representative, by court order upon a showing of good cause, or upon request by a law enforcement agency in connection with the performance of lawful duties. Section 790.0601(3), F.S. *Cf. Times Publishing Company v. City of Pensacola*, No. 2002-2053 (Fla. 1st Cir. Ct. November 13, 2002), *per curiam affirmed*, 869 So. 2d 546 (Fla. 1st DCA 2004), concluding that police department records of weapons assigned to law enforcement officers and described as “specialty weapons utilized for surveillance and defensive purposes, by surveillance personnel” were exempt from disclosure under s. 119.071(3)(a), F.S., relating to security system plans and terrorist threat assessments, and the exemption for surveillance personnel, techniques, and procedures, now found at s. 119.071(2)(d), F.S.

13. Hospital and medical records

a. Communicable or infectious disease reports

A number of exemptions exist for communicable or infectious disease reports. *See, e.g.*, s. 381.0031(6), F.S. (information submitted in public health reports to Department of Health is confidential and is to be made public only when necessary to public health); s. 384.29, F.S. (sexually transmissible diseases). *See Ocala Star-Banner v. State*, 697 So. 2d 1317 (Fla. 5th DCA 1997) (upholding court order sealing portions of a battery prosecution case file pertaining to transmission of sexually transmissible diseases to victims due to s. 384.29, F.S., confidentiality requirements). However, notwithstanding any other provision of law to the contrary, the Department of Health, the Department of Children and Families, and the Agency for Persons with Disabilities may share confidential information on any individual who is or has been the subject of a program within the jurisdiction of each agency. Section 402.115, F.S. The shared information remains confidential or exempt as provided by law. *Id.* See AGO 98-52.

Results of screenings for sexually transmissible diseases conducted by the Department of Health in accordance with s. 384.287, F.S., may be released only to those persons specified in the exemption. Section 384.287(5), F.S.

Notification to an emergency medical technician, paramedic or other person that a patient they treated or transported has an infectious disease must be done in a manner to protect the confidentiality of patient information and shall not include the patient’s name. Section 395.1025, F.S.

There are strict confidentiality requirements for test results for HIV infection; such information may be released only as expressly prescribed by statute. *See ss.* 381.004, and 384.287(6), F.S. Any person who violates the confidentiality provisions of s. 381.004, F.S., and s. 951.27, F.S., is guilty of a first degree misdemeanor. Section 381.004(5)(b), F.S. *And see s.* 381.004(5)(c), F.S., establishing felony penalties for disclosure in certain circumstances. Thus, information received by the clerk of court indicating that an individual has complied with an order to be tested for HIV and the attendant test results “would appear to be confidential and should be maintained in that status.” AGO 00-54. *Cf. Florida Department of Corrections v. Abril*, 969 So. 2d 201 (Fla. 2007) (an entity that negligently violates a patient’s right of confidentiality in disclosing the results of HIV testing may be held responsible in a negligence action).

Results of HIV and hepatitis tests performed on persons charged with certain offenses may not be disclosed except as authorized in the exemption. Section 960.003, F.S. *See also s.* 951.27, F.S. (limited disclosure of infectious disease test results, including HIV testing pursuant to s. 775.0877, F.S., of inmates as provided in statute).

b. Hospital records**(1) Public hospitals**

Like other governmental agency records, public hospital records are subject to disclosure in the absence of a statutory exemption. For example, the court in *Tribune Company v. Hardee Memorial Hospital*, No. CA 91-370 (Fla. 10th Cir. Ct. August 19, 1991), held that a settlement agreement entered in a lawsuit against the public hospital alleging that the hospital had swapped babies was a public record. The court held that the agreement was subject to disclosure despite a confidentiality provision contained within the agreement and claims by the hospital that it constituted work product. *Cf. Bert Fish Foundation, Inc. v. Southeast Volusia Hospital District*, No. 10-20801-CINS (Fla. 7th Cir. Ct. December 22, 2010) (governing boards of hospital district and medical center violated the Sunshine Law when they held numerous closed meetings to discuss an affiliation or merger with a healthcare corporation). For information on exemptions applicable to public hospitals, please refer to Appendix D and the Index. *Cf. AGO 14-10*, noting that an exemption in s. 395.3035(5), F.S., for certain records and meetings relating to a “strategic plan” for operation of a hospital must be narrowly construed and would not apply to an evaluation conducted pursuant to s. 155.40(5), F.S., for purposes of the sale or lease of a public hospital.

(2) Private hospitals/private organizations operating public hospitals

A private organization leasing the facilities of a public hospital is acting on behalf of a public agency and thus constitutes an agency subject to open records requirements in the absence of statutory exemption. *See Memorial Hospital-West Volusia, Inc. v. News-Journal Corporation*, 729 So. 2d 373 (Fla. 1999).

Section 395.3036, F.S., however, provides that records of a private entity that leases a public hospital or other public health care facility are confidential and exempt from disclosure when the public lessor complies with the public finance accountability provisions of s. 155.40(18), F.S., with respect to the transfer of any public funds to the private lessee and when the private lessee meets at least three of five criteria set forth in the exemption. *See Indian River County Hospital District v. Indian River Memorial Hospital, Inc.*, 766 So. 2d 233 (Fla. 4th DCA 2000) (nonprofit corporation leasing hospital from hospital district). *And see Baker County Press, Inc. v. Baker County Medical Services, Inc.*, 870 So. 2d 189 (Fla. 1st DCA 2004), upholding the constitutionality of the exemption. *Cf. Memorial Hospital-West Volusia, Inc. v. News-Journal Corporation*, 927 So. 2d 961 (Fla. 5th DCA 2006) (private corporation that *purchased* hospital from public hospital authority not subject to Public Records Act); and s. 155.40(21), F.S., describing and construing the term “complete sale” as applied to a purchase of a public hospital by a private entity.

c. Patient and clinical records**(1) Patient and clinical records generally**

Patient records are generally protected from disclosure. For example, patient records in hospitals and surgical facilities licensed under Ch. 395, F.S., are confidential and may not be disclosed without the consent of the patient, or the patient’s legal representative, except as provided in the statute. Section 395.3025(4), (5), (7) and (8), F.S. *And see* s. 119.0712(1), F.S. (personal identifying information contained in records relating to an individual’s personal health or eligibility for health-related services held by the Department of Health); and s. 400.022(1)(m), F.S. (nursing home residents’ medical and personal records).

Patient clinical records are also protected. *See, e.g.*, s. 393.13(4)(i)1., F.S. (central client records of persons with developmental disabilities); s. 394.4615(1), F.S. (clinical records of persons subject to “The Baker Act”); and s. 397.501(7), F.S. (individuals receiving services from substance abuse service providers). *And see* ss. 397.6760(1), F.S. (petitions for involuntary assessment and stabilization and related court records filed with a court under Part V of Ch. 397, F.S. [substance abuse]); and 394.464(1) (petitions for voluntary and involuntary admission for mental health treatment, courts orders and related records filed with or by a court under the Baker Act). *Cf. s.*

381.987, F.S. (patient caregiver identifying information in the medical marijuana use registry).

(2) Disclosure of patient records

Patient medical records made by health care practitioners may not be furnished to any person other than the patient, his or her legal representative or other health care practitioners and providers involved in the patient's care and treatment without written authorization, except as provided by ss. 440.13(4)(c) and 456.057, F.S. Section 456.057(7)(a), F.S. See *State v. Johnson*, 814 So. 2d 390 (Fla. 2002) (state attorney's subpoena power under s. 27.04, F.S., cannot override notice requirements of s. 395.3025[4][d], F.S., which provides for disclosure of confidential patient records upon issuance of subpoena and upon proper notice to the patient or the patient's legal representative). Cf. s. 408.051(3), F.S., permitting a health care provider to release or access an identifiable health record of a patient without the patient's consent for use in the treatment of the patient for an emergency medical condition, as defined in s. 395.002(8), F.S., when the health care provider is unable to obtain the patient's consent or the consent of the patient representative due to the patient's condition or the nature of the situation requiring immediate medical attention.

The recipient of patient records, if other than the patient or the patient's representative, may use such information only for the purpose provided and may not disclose any information to any other person or entity, unless expressly permitted by the written consent of the patient. See ss. 395.3025(7) (hospital patient records) and 456.057(11), F.S. (health care practitioner patient records). Thus, predeath medical records in the possession of the medical examiner are not subject to public inspection. *Church of Scientology Flag Service Org., Inc. v. Wood*, No. 97-688CI-07 (Fla. 6th Cir. Ct. February 27, 1997).

Similarly, clinical records maintain their confidentiality even when disclosed to another agency such as the clerk of the circuit court. AGO 91-10. And see *Sarasota Herald-Tribune v. Department of Children and Families*, No. 2001-CA-002445 (Fla. 2d Cir. Ct. April 8, 2002) (confidentiality of clinical record is maintained even though Department of Children and Families may have filed portions of the records in court proceedings throughout the state; department has no authority to waive confidentiality of clinical records). Cf. AGO 01-69 (documents submitted to the statewide provider and managed care organization claim dispute resolution program pursuant to s. 408.7057, F.S., found to be subject to disclosure after redaction of patient-identifying information).

d. Emergency medical services

With limited exceptions, s. 401.30(4), F.S., provides, in relevant part, that "[r]ecords of emergency calls which contain patient examination or treatment information are confidential and exempt from the provisions of s. 119.07(1) and may not be disclosed without the consent of the person to whom they pertain." Such records may be released only in certain circumstances and only to the persons and entities specified in the statute. AGO 86-97. Thus, a city commissioner is not authorized to review records of an emergency call by the city's fire-rescue department when those records contain patient examination and treatment information, except with the consent of the patient. AGO 04-09. See *Lee County v. State Farm Mutual Automobile Insurance Company*, 634 So. 2d 250 (Fla. 2d DCA 1994), upholding the county's right to require the patient's notarized signature on all release forms, to ensure that these confidential records are not improperly released. And see AGO 09-30 (entire record of emergency call containing patient examination and treatment information which is maintained as required by s. 401.30[1], F.S., is confidential and exempt; reports containing statistical data, required by the Department of Health, are public records and must be made available for inspection and copying following redaction of any patient-identifying information).

However, s. 401.30(4), is not violated by the city attorney, or an attorney under contract to the city, and other city officials having access to the city fire-rescue department's records of

emergency calls that contain patient information when such access is granted to such individuals in carrying out their official duties to advise and defend, or assess the liability of, the city in a possible or anticipated claim against the city arising out of the provision of such care. AGO 95-75. *And see* AGO 08-20 (s. 401.30[4], F.S., permits emergency medical services transportation licensee to release records of emergency calls including patient's name, address, and pertinent medical information to local law enforcement agency that does not provide regulatory or supervisory responsibility over licensee).

e. Hospital employees

Section 395.3025(10), F.S., establishes that the home addresses, telephone numbers, and photographs of hospital or surgical center employees who provide direct patient care or security services, as well as specified information about the spouses and children of such employees, are confidential and exempt from disclosure requirements. The same information must also be held confidential by the facility upon written request by other employees who have a reasonable belief, based upon specific circumstances that have been reported in accordance with the procedure adopted by the facility, that release of the information may be used to threaten, intimidate, harass, inflict violence upon, or defraud the employee or any member of the employee's family. Section 395.3025(11), F.S.

14. Investigative records of non-law enforcement agencies

a. Investigative records generally

In the absence of a specific legislative exemption, investigative records made or received by public agencies are open to public inspection pursuant to Ch. 119, F.S. *See State ex rel. Veale v. City of Boca Raton*, 353 So.2d 1194 (Fla. 4th DCA 1977), *cert. denied*, 360 So. 2d 1247 (Fla. 1978) (report prepared by assistant city attorney for the city council concerning suspected irregularities in the city's building department is a public record). *See also Caswell v. Manhattan Fire and Marine Insurance Company*, 399 F.2d 417 (5th Cir. 1968) (ordering that certain investigative records of the state insurance agency be produced for inspection under Ch. 119, F.S.). *Accord* AGO 91-75 (documents containing information compiled by school board employees during an investigation of school district departments are open to inspection in the absence of statutory exemption); AGO 85-79 (interoffice memoranda, correspondence, inspection reports of restaurants, grocery stores and other such public premises, nuisance complaint records, and notices of violation of public health laws maintained by county public health units are subject to disclosure in the absence of any statutory exemption); and AGO 71-243 (inspection reports made or received by a school board in connection with its official investigation of the collapse of a school roof constitute public records). *Cf. Canney v. Board of Public Instruction of Alachua County*, 278 So. 2d 260 (Fla. 1973) (Sunshine Law applies to boards acting in a "quasi-judicial" capacity).

Disclosure of records of investigative proceedings upon completion of a preliminary investigation is not violative of privacy rights arising under the state or federal Constitutions. *See Garner v. Florida Commission on Ethics*, 415 So. 2d 67 (Fla. 1st DCA 1982), *review denied*, 424 So. 2d 761 (Fla. 1983) (public's right to view commission files prepared in connection with investigation of alleged violations of the Code of Ethics outweighs an individual's disclosural privacy rights).

The investigative exemptions now found in paragraphs (2)(c) through (f), (h) and (i) of s. 119.071(2), F.S., limit disclosure of specified *law enforcement* records, and thus do not apply to investigations conducted by agencies outside the criminal justice system. *See Douglas v. Michel*, 410 So. 2d 936, 939 (Fla. 5th DCA 1982), *questions answered and approved*, 464 So. 2d 545 (Fla. 1985) (exemption for "information revealing surveillance techniques or procedures or personnel" [now found at s. 119.071(2)(d)] does not apply to a hospital's personnel files). *See also* AGO 91-75, stating that the active criminal investigation and intelligence exemption does not apply to information compiled in a school board investigation into the conduct of certain school departments; and AGO 87-51, concluding that complaints from state labor department

employees relating to departmental integrity and efficiency do not constitute criminal intelligence information or criminal investigative information.

Thus, the contents of an investigative report compiled by the Inspector General for a state agency in carrying out his or her duty to determine program compliance are not converted into criminal intelligence information merely because the Florida Department of Law Enforcement also conducts an investigation or because such report or a copy thereof has been transferred to the department. Inf. Op. to Slye, August 5, 1993.

b. Statutory exemptions

A number of exemptions exist for investigative records. For a more complete listing, please refer to Appendix D and the Index.

(1) Discrimination investigations

Complaints and other records in the custody of any agency which relate to a complaint of discrimination based on race, color, religion, sex, national origin, age, handicap, or marital status in connection with hiring practices, position classifications, salary, benefits, discipline, discharge, employee performance evaluation, or related activities are exempt from 119.07(1), F.S., until a probable cause finding is made, the investigation becomes inactive, or the complaint or other record is made part of the record of a hearing or court proceeding. Section 119.071(2)(g)1., F.S. See AGO 96-93 (prior to completion of an investigation and a finding of probable cause, records of a county equal opportunity board are exempt from disclosure). Cf. s. 119.071(2)(k), F.S., providing for confidentiality of complaints and investigative records of employee misconduct until the investigation is no longer active or has been concluded as set forth in the exemption.

Section 119.071(2)(g)1., F.S., was found to be inapplicable to a complaint filed against a county commissioner which listed many examples of alleged abusive behavior that would be inappropriate for one in the commissioner's position, because the complaint did not assert any form of discrimination based upon race, color, religion, sex, national origin, handicap or marital status. *Schweickert v. Citrus County Florida Board*, 193 So. 3d 1075, 1080 (Fla. 5th DCA 2016). The appellate court also rejected the county's argument that it could delay producing the complaint until after the investigation was completed because the investigator might have discovered or generated records during her investigation that could have related to discrimination based on race, color, religion, sex, national origin, handicap or marital status which would have qualified for the exemption.

Section 119.071(2)(g)2., F.S., provides that when the alleged victim chooses not to file a complaint and requests that the records of the complaint remain confidential, all records relating to an allegation of employment discrimination are confidential. But see AGO 09-10, stating that when an agency has reached a settlement with an individual who has filed a discrimination complaint, the claimant is considered to have pursued the claim and may not request confidentiality pursuant to the exemption.

Complaints and other records in the custody of any unit of local government which relate to a complaint of discrimination based on race, color, religion, sex, national origin, age, handicap, marital status, sale or rental of housing, the provision of brokerage services, or the financing of housing, are exempt from s. 119.07(1), F.S., until a probable cause finding is made, the investigation becomes inactive, or the complaint or other record is made part of the record of any hearing or court proceeding. Section 119.0713(1), F.S.

Personal identifying information of the alleged victim in an allegation of sexual harassment is confidential and exempt. The information may be disclosed to another governmental entity in the furtherance of its official duties and responsibilities. Section 119.071(2)(n), F.S.

(2) Employee misconduct investigations

For information about the exemption for complaints and active investigations of employee misconduct contained in s. 119.071(2)(k), F.S., please refer to the discussion on page 130.

(3) Ethics investigations

The complaint and records relating to the preliminary investigation conducted by the Commission on Ethics or other specified entities are confidential and exempt until the complaint is dismissed as legally insufficient, the alleged violator requests in writing that the records be made public, or until the Commission or other listed entity determines whether probable cause exists to believe that a violation has occurred. Section 112.324(2)(a) and (e), F.S. *See also* s. 112.3215(8) (b) and (d), F.S. (providing confidentiality for certain records relating to Ethics Commission investigation of alleged violations of lobbying laws).

However, a police report of an investigation of a public employee that has been concluded and is in the possession of the police department is not made confidential by the fact that the same issue and the same individual are the subject of an ethics complaint pursuant to Part III, Ch. 112, F.S., or because a copy of the police report may be included in information obtained by the Ethics Commission pursuant to its powers to investigate ethics complaints. AGO 96-05. *And see Gay v. City of Madeira Beach*, No. 16-004836 (Fla. 6th Cir. Ct. May 26, 2017) (city must permit inspection and copying of complaints filed with the Ethics Commission and received by the City Attorney). *Cf.* s. 112.324(2)(b), F.S. (written referrals to the Ethics Commission submitted pursuant to s. 112.324[1][b], F.S., records relating to such referrals held by the commission, the Governor, the Department of Law Enforcement, or a state attorney, and records relating to any preliminary investigation of such referrals held by the commission, are confidential and exempt except as provided in s. 112.324[2][e], F.S.)

(4) Local government inspector general investigations

The investigative report of the inspector general prepared for or on behalf of a unit of local government becomes a public record when the investigation becomes final. Section 119.0713(2) (b), F.S. An investigation becomes final when the investigative report is presented to the unit of local government, as defined in the exemption. *Id.* *Cf. Nicolai v. Baldwin*, 715 So. 2d 1161, 1163 (Fla. 5th DCA 1998), noting that a draft audit report prepared by the clerk of court did not become “final” when it was reviewed by the county administrator; the report became “final” and subject to disclosure when presented to the county commission. Information received, produced, or derived from an investigation is confidential and exempt until the investigation is complete or when the investigation is no longer active, as defined in the exemption. *Id.*

(5) State inspector general investigations

Audit workpapers and reports of state agency inspectors general appointed in accordance with s. 20.055, F.S., are public records to the extent that they do not include information which has been made confidential and exempt from s. 119.07(1), F.S. Section 20.055(6)(b), F.S. However, when the inspector general or a member of the staff receives from an individual a complaint or information that falls within the definition provided in s. 112.3187(5), F.S. [whistle-blower], the name or identity of the individual shall not be disclosed to anyone else without the written consent of the individual, unless the inspector general determines that such disclosure is unavoidable during the course of the audit or investigation. *Id.* *And see* page 130, discussing the exemption for complaints alleging employee misconduct found in s. 119.071(2)(k), F.S.

Section 112.31901(2), F.S., authorizes the Governor, in the case of the Chief Inspector General, or agency head, in the case of an employee designated as the agency inspector general under s. 112.3189, F.S., to certify that an investigatory record of the Chief Inspector General or an agency inspector general requires an exemption in order to protect the integrity of the investigation or avoid unwarranted damage to an individual's good name or reputation. If so certified, the investigatory records are exempt from s. 119.07(1), F.S., until the investigation ceases to be active, or a report detailing the investigation is provided to the Governor or the

agency head, or 60 days from the inception of the investigation for which the record was made or received, whichever first occurs. Section 112.31901(1), F.S. The provisions of this section do not apply to whistle-blower investigations conducted pursuant to the whistle-blower act. Section 112.31901(3), F.S.

(6) State licensing investigations

Pursuant to s. 455.225(10), F.S., complaints against a licensed professional filed with the state licensing board or the Department of Business and Professional Regulation are confidential and exempt from disclosure until 10 days after probable cause has been found to exist by the probable cause panel of the licensing board or by the Department of Business and Professional Regulation, or the professional waives his or her privilege of confidentiality, whichever occurs first. A similar exemption applies to complaints and investigations conducted by the Department of Health and licensing boards within that department as provided in s. 456.073(10), F.S.

Complaints filed by a municipality against a licensed professional are included within the confidentiality provisions. AGO 02-57. However, while the complaint filed by the municipality with the state licensing agency is exempt, the exemption afforded by the statute does not extend to other records held by the city related to the nature of the alleged offense by the licensed professional. *Id.*

(7) Whistle-blower investigations

(a) Whistle-blower identity

The Whistle-blower's Act, ss. 112.3187-112.31895, F.S., "is intended to prevent agencies, or independent contractors of agencies, from taking retaliatory action against an employee who reports violations of law on the part of a public employer or an independent contractor." AGO 12-20. It provides, with limited exceptions, for the confidentiality of the identity of a whistle-blower who discloses in good faith to the Chief Inspector General, an agency inspector general, a local chief executive officer, or other appropriate local official information that alleges that an employee or agent of an agency or independent contractor has violated or is suspected of having violated any federal, state, or local law, rule or regulation, thereby creating and presenting a substantial and specific danger to the public's health, safety, or welfare; or has committed or is suspected of having committed an act of gross mismanagement, malfeasance, misfeasance, gross waste of public funds, or gross neglect of duty. Section 112.3188(1), F.S. *See also* s. 20.055(6)(b), F.S.

A complainant may waive the right to confidential treatment of his or her name or identity. AGO 95-20. However, an individual may not be required to sign a waiver of confidentiality as a condition of processing a complaint. AGO 96-40.

In order to qualify as a whistle-blower complaint, particular information must be disclosed to an "appropriate local official" or other statutorily designated officials; a general complaint of wrongdoing or a complaint to officials other than those specifically named in s. 112.3188(1), F.S., does not entitle the complainant to whistle-blower protection. AGO 98-37. *And see* AGO 99-07 (county inspector general qualifies as an "appropriate local official" for purposes of the whistle-blower law); and AGO 96-40 (town ethics commission may constitute "appropriate local official" for purposes of processing complaints under the whistle-blower law). *Cf.* AGO 12-20 (while county transportation board may be designated as an "appropriate local official" under s. 112.3188, F.S., such designation "may not be advisable" because board must comply with the Sunshine Law and, "[a]bsent a statutory exemption, the handling of confidential information or records during the course of public meetings does not otherwise allow meetings of the board to be closed").

(b) Active investigations

Section 112.3188(2)(a), F.S., states that except as specifically authorized in s. 112.3189, F.S., all information received by the Chief Inspector General or an agency inspector general or

information produced or derived from fact-finding or other investigations conducted by the Florida Commission on Human Relations or the Department of Law Enforcement is confidential and exempt if the information is being received or derived from allegations as set forth in s. 112.3188(1)(a) or (b), F.S., and an investigation is “active” as defined s. 112.3188(2)(c), F.S. “Thus, the act protects the identity of employees and persons who disclose information that can serve as the basis for a whistle-blower complaint, as well as information received in the course of a whistle-blower investigation.” AGO 10-48.

Information received by an appropriate local official or local chief executive officer or produced or derived from fact-finding or investigations by local government pursuant to s. 112.3187(8)(b), F.S. [authorizing administrative procedures for handling whistle-blower complaints filed by local public employees] is confidential and exempt, provided that the information is being received or derived from allegations set forth in s. 112.3188(1) and an investigation is “active” as defined in the section. Section 112.3188(2)(b), F.S. The exemption applies to records received by a municipality conducting an active investigation of a whistle-blower complaint, and is not limited to records received as part of an active investigation of a complaint of retaliation against a whistle-blower. AGO 98-37. *See also* s. 119.071(2)(k), F.S. (2013), providing that complaints alleging “employee misconduct” are confidential until the investigation is no longer active or has concluded as provided in the exemption.

The exemption applies whether the allegations of wrongdoing were received from an anonymous source or a named individual; in either case information received or generated during the course of the investigation is subject to the exemption. AGO 99-07. *And see* AGO 10-48 (confidential information received by the county’s inspector general pursuant to the county’s whistle-blower act may be shared with the county’s ethics commission only for the purpose of carrying out the commission’s whistle-blower functions).

15. Law enforcement records

a. Arrest and crime reports and the exemption for active criminal investigative and active criminal intelligence information

(1) Arrest and crime reports

Arrest and crime reports are generally considered to be open to public inspection. AGOs 91-74 and 80-96. *And see* AGO 08-23 (officer trip sheets revealing identity of officer, location and hours of work and locations to which officers have responded for emergency and non-emergency purposes are public records); and AGO 12-07, discussing requirements for recording telephone conversations set forth in Ch. 934, F.S., Florida’s Security of Communications law, but noting that “any recordings of telephone conversations made by [a police department] in the usual course of business would be public records,” subject to the access and confidentiality provisions of the Public Records Act. *Cf.* s. 901.43(1), F.S., prohibiting a person or entity engaged in publishing or disseminating arrest booking photographs through a publicly accessible print or electronic medium from soliciting or accepting a fee or other payment to remove the photographs.

However, statutory exemptions for active criminal investigative and intelligence information, confessions, juvenile offender records and certain victim information may apply to crime reports and other law enforcement records. A discussion of these and other exemptions pertaining to law enforcement records follows; for additional information regarding exemptions, please refer to Appendix D and the Index, *infra*.

(2) Purpose and scope of exemption

Section 119.071(2)(c)1., F.S., exempts active criminal intelligence information and active criminal investigative information from public inspection. To be exempt, the information must be both “active” and constitute either “criminal investigative” or “criminal intelligence” information. *See Woollong v. Lamar*, 764 So. 2d 765, 768 (Fla. 5th DCA 2000), *review denied*, 786 So. 2d 1186 (Fla. 2001).

Thus, if a crime report contains active criminal investigative information, the criminal investigative information may be excised from the report. AGO 91-74. *See also Palm Beach Daily News v. Terlizzese*, No. CL-91-3954-AF (Fla. 15th Cir. Ct. April 5, 1991), holding that a newspaper was not entitled under Ch. 119, F.S., to inspect the complete and uncensored incident report (prepared following a reported sexual battery but prior to the arrest of a suspect), including the investigating officer's narrative report of the interview with the victim, since such information was exempt from inspection as active criminal investigative information and as information identifying sexual battery victims. *See* s. 119.071(2)(c) and (h), F.S.

The active criminal investigative and intelligence exemption is limited in scope; its purpose is to prevent premature disclosure of information when such disclosure could impede an ongoing investigation or allow a suspect to avoid apprehension or escape detection. *See Tribune Company v. Public Records*, 493 So. 2d 480, 483 (Fla. 2d DCA 1986), *review denied sub nom.*, *Gillum v. Tribune Company*, 503 So. 2d 327 (Fla. 1987). *And see Palm Beach County Sheriff's Office v. Sun-Sentinel Co., LLC*, 226 So. 3d 969, 973 (Fla. 4th DCA 2017), noting that the exemption furthers "the critical importance" of preserving the confidentiality of police records compiled during an ongoing investigation being conducted in good faith by criminal justice agencies.

Moreover, the active criminal investigative and intelligence information exemption does not *prohibit* the disclosure of the information by the criminal justice agency; the information is exempt from and not subject to the mandatory inspection requirements in s. 119.07(1), F.S., which would otherwise apply. As the court stated in *Williams v. City of Minneola*, 575 So. 2d 683, 687 (Fla. 5th DCA), *review denied*, 589 So. 2d 289 (Fla. 1991), "[t]here are many situations in which investigators have reasons for displaying information which they have the option not to display." *And see* AGO 90-50. *Cf.* s. 838.21, F.S., providing that it is unlawful for a public servant, with intent to obstruct, impede, or prevent a criminal investigation or a criminal prosecution, to disclose active criminal investigative or intelligence information or to disclose or use information regarding either the efforts to secure or the issuance of a warrant, subpoena, or other court process or court order relating to a criminal investigation or criminal prosecution when such information is not available to the general public and is gained by reason of the public servant's official position.

The law enforcement agency asserting the exemption has the burden of proving that it is entitled to it. *Christy v. Palm Beach County Sheriff's Office*, 698 So. 2d 1365 (Fla. 4th DCA 1997); and *Florida Freedom Newspapers, Inc. v. Dempsey*, 478 So. 2d 1128 (Fla. 1st DCA 1985).

(3) Definition of active criminal investigative or intelligence information

"Criminal intelligence information" means information concerning "an identifiable person or group of persons collected by a criminal justice agency in an effort to anticipate, prevent, or monitor possible criminal activity." Section 119.011(3)(a), F.S.

Criminal intelligence information is considered "active" as long "as it is related to intelligence gathering conducted with a reasonable, good faith belief that it will lead to detection of ongoing or reasonably anticipated criminal activities" or "is directly related to pending prosecutions or appeals." Section 119.011(3)(d), F.S.

"Criminal investigative information" is defined as information relating to "an identifiable person or group of persons compiled by a criminal justice agency in the course of conducting a criminal investigation of a specific act or omission, including, but not limited to, information derived from laboratory tests, reports of investigators or informants, or any type of surveillance." Section 119.011(3)(b), F.S. *See Rose v. D'Alessandro*, 380 So. 2d 419 (Fla. 1980) (complaints and affidavits received by a state attorney in the discharge of his investigatory duties constitute criminal intelligence or criminal investigative information). Similarly, an autopsy report may constitute criminal investigative information. *See* AGO 78-23.

Such information is considered “active” as long “as it is related to an ongoing investigation which is continuing with a reasonable, good faith anticipation of securing an arrest or prosecution in the foreseeable future” or “is directly related to pending prosecutions or appeals.” Section 119.011(3)(d), F.S.

“Criminal justice agency” is defined to mean any law enforcement agency, court, prosecutor or any other agency charged by law with criminal law enforcement duties or any agency having custody of criminal intelligence information or criminal investigative information for the purpose of assisting such law enforcement agencies in the conduct of active criminal investigation or prosecution or for the purpose of litigating civil actions under the Racketeer Influenced and Corrupt Organization Act, during the time that such agencies are in possession of criminal intelligence information or criminal investigative information pursuant to their criminal law enforcement duties. The term also includes the Department of Corrections. Section 119.011(4), F.S.

(4) Information that is *not* considered to be criminal investigative or intelligence information and must be released unless some other exemption applies

Section 119.011(3)(c), F.S., states that the following information is not criminal investigative or criminal intelligence information:

1. The time, date, location and nature of a reported crime;
2. The name, sex, age, and address of a person arrested (but see pages 109-112 regarding confidentiality of certain juvenile crime records) or the name, sex, age and address of the victim of a crime, except as provided in s. 119.071(2)(h) or (o). F.S. Section 119.071(2)(h), F.S., provides confidentiality for information revealing the identity of a victim of a sexual offense, child abuse, or a child victim of human trafficking. Section 119.071(2)(o), F.S., provides that the address of a victim of an incident of mass violence is exempt. For more information, please refer to the discussion of exemptions pertaining to certain crime victims found on pages 118-119 (child abuse and sexual offense victims) and page 120 (homicide victims). For information on the constitutional amendment known as Marsy’s Law, please see the discussion on page 116;
3. The time, date and location of the incident and of the arrest;
4. The crime charged;
5. Documents given or required to be given to the person arrested, except as provided in s. 119.071(2)(h) or (m), F.S., unless the court finds that release of the information prior to trial would be defamatory to the good name of a victim or witness or jeopardize the safety of such victim or witness; and would impair the ability of the state attorney to locate or prosecute a codefendant;
6. Informations and indictments except as provided in s. 905.26, F.S. [prohibiting disclosure of finding of indictment against a person not in custody, under recognizance or under arrest].

Accordingly, since the above information does not fall within the definition of criminal intelligence or criminal investigative information, it is always subject to disclosure unless some other specific exemption applies. For example, the “time, date, and location of the incident and of the arrest” cannot be withheld from disclosure since such information is expressly exempted from the definitions of criminal intelligence and criminal investigative information. *See* s. 119.011(3)(c)3., F.S. *See also Barfield v. City of Tallahassee*, 171 So. 3d 239 (Fla. 1st DCA 2015) (while “active criminal investigative information” is exempt from public disclosure requirements, the statute expressly excludes the time, date, location, and nature of a reported crime from the exemption).

(5) Records released to the defendant

Except in limited circumstances, records which have been given or are required to be

given to the person arrested cannot be withheld from public inspection as criminal investigative or intelligence information. See s. 119.011(3)(c)5., F.S. In other words, once the material has been made available to the defendant as part of the discovery process in a criminal proceeding, the material is ordinarily no longer considered to be exempt criminal investigative or criminal intelligence information. See, e.g., *Staton v. McMillan*, 597 So. 2d 940, 941 (Fla. 1st DCA 1992), *review dismissed sub nom.*, *Staton v. Austin*, 605 So. 2d 1266 (Fla. 1992) (active criminal investigation exemption does not apply to information for which disclosure was previously required under the rules of discovery). *Accord Tribune Company v. Public Records*, 493 So. 2d 480, 485 (Fla. 2d DCA 1986), *review denied sub nom.*, *Gillum v. Tribune Company*, 503 So. 2d 327 (Fla. 1987) and *Times Publishing Company v. State*, 903 So. 2d 322, 325 (Fla. 2d DCA 2005). Cf. *State v. Buenoano*, 707 So. 2d 714 (Fla. 1998) (restricted access documents provided to state attorney by federal government pursuant to a loan agreement retained their confidential status under a Florida law providing an exemption for out-of-state criminal investigative information that is shared with Florida criminal justice agencies on a confidential basis, even though the documents erroneously had been given to the defendant and placed in the court record).

For example, in *Satz v. Blankenship*, 407 So. 2d 396 (Fla. 4th DCA 1981), *review denied*, 413 So. 2d 877 (Fla. 1982), the court ruled that a newspaper reporter was entitled to access to tape recordings concerning a defendant in a criminal prosecution where the recordings had been disclosed to the defendant. The court concluded that a reading of the statute reflected the Legislature's belief that once the information was released to the defendant, there was no longer any need to exclude the information from the public. Thus, the tape recordings were no longer "criminal investigative information" that could be withheld from public inspection. See also *News-Press Publishing Co. Inc. v. D'Alessandro*, No. 96-2743-CA-RWP (Fla. 20th Cir. Ct. April 24, 1996) (once state allowed defense counsel to listen to portions of a surveillance audiotape involving a city councilman accused of soliciting undue compensation, those portions of the audiotape became excluded from the definition of "criminal investigative information," and were subject to public inspection). Cf. *City of Miami v. Post-Newsweek Stations Florida, Inc.*, 837 So. 2d 1002, 1003 (Fla. 3d DCA 2002), *review dismissed*, 863 So. 2d 1190 (Fla. 2003) (where defendant filed request for discovery, but withdrew request before state attorney provided such materials, requested materials were not "given or required by law . . . to be given to the person arrested" and thus did not lose their exempt status as active criminal investigative information).

Similarly, in *Bludworth v. Palm Beach Newspapers, Inc.*, 476 So. 2d 775 (Fla. 4th DCA 1985), *review denied*, 488 So. 2d 67 (Fla. 1986), the court upheld a trial judge's order requiring the state attorney to release to the news media all information furnished to the defense counsel in a criminal investigation. While the state attorney argued that the documents could be withheld because the criminal investigation was still "active" and thus exempt from disclosure, the court rejected this contention by concluding that once the material was given to the defendant pursuant to the rules of criminal procedure, the material was excluded from the statutory definition of criminal investigative information. Therefore, it was no longer relevant whether the investigation was active or not and the documents could not be withheld as active criminal investigative information. *Id.* at 779n.1.

Chapter 119's requirement of public disclosure of records made available to the defendant does not violate the attorney disciplinary rule prohibiting extrajudicial comments about defendants as long as the state attorney does not put an interpretation on the record that prejudices the defendant or exposes witnesses. *Bludworth v. Palm Beach Newspapers, Inc.*, 476 So. 2d at 780.

The only circumstances where criminal intelligence or investigative information can retain that status even though it has been made available to the defendant are:

- 1) If the information would reveal identifying information of a victim of a sexual offense, child abuse, or certain human trafficking crimes pursuant to s. 119.071(2)(h), F.S.; or identifying information of a witness to a homicide for a specified period as provided in s.

- 119.071(2)(m), F.S.; or the address of a victim of an incident of mass violence as provided in s. 119.071(2)(o), F.S.; or
- 2) If a court order has been issued finding that release of the information prior to trial would:
 - a) be defamatory to the good name of a victim or witness or jeopardize the safety of a victim or witness; and
 - b) impair the ability of a state attorney to locate or prosecute a codefendant.

In all other cases, material which has been made available to the defendant cannot be deemed criminal investigative or intelligence information and must be open to inspection unless some other exemption applies (*e.g.*, s. 119.071[2][e], F.S., exempting all information “revealing the substance of a confession” by a person arrested until there is a final disposition in the case); or the court orders closure of the material in accordance with its constitutional authority to take such measures as are necessary to obtain orderly proceedings and a fair trial or to protect constitutional privacy rights of third parties. *See Miami Herald Publishing Company v. Lewis*, 426 So. 2d 1 (Fla. 1982); *Florida Freedom Newspapers, Inc. v. McCrary*, 520 So. 2d 32 (Fla. 1988); *Post-Newsweek Stations, Florida Inc. v. Doe*, 612 So. 2d 549 (Fla. 1992). *And see Morris Communications Company LLC v. State*, 844 So. 2d 671, 673n.3 (Fla. 1st DCA 2003) (although documents turned over to the defendant during discovery are generally public records subject to disclosure under Ch. 119, the courts have authority to manage pretrial publicity to protect the defendant’s constitutional rights as described in *Miami Herald Publishing Company v. Lewis*, *supra*; *Times Publishing Co. v. State*, 903 So. 2d 322 (Fla. 2d DCA 2005) (while the criminal discovery rules authorize a nonparty to file a motion to restrict disclosure of discovery materials based on privacy considerations, where no such motion has been filed, the judge is not authorized to prevent public access on his or her own initiative). *Cf. Rameses, Inc. v. Demings*, 29 So. 3d 418, 423 (Fla. 5th DCA 2010) (“disclosure to criminal defendant during discovery of unredacted versions of undercover police surveillance recordings does not destroy, in a public records context, the exemptions contained in section 119.071 for information relating to the identity of undercover law enforcement personnel”).

(6) Active versus inactive criminal investigative or intelligence information

(a) Active criminal investigative information

Criminal investigative information is considered active (and, therefore, exempt from disclosure pursuant to s. 119.071[2][c], F.S.) “as long as it is related to an ongoing investigation which is continuing with a reasonable, good faith anticipation of securing an arrest or prosecution in the foreseeable future.” Section 119.011(3)(d)2., F.S. Information in cases barred from prosecution by a statute of limitation is not active. *Id.*

The definition of “active” requires “a showing in each particular case that an arrest or prosecution is reasonably anticipated in the foreseeable future.” *Barfield v. City of Fort Lauderdale Police Department* 639 So. 2d 1012, 1016 (Fla. 4th DCA), *review denied*, 649 So. 2d 869 (Fla. 1994). Thus, “once the investigations are concluded, if no charges are filed, the records would cease to be ‘active’ and thus subject to disclosure.” *Id.* at 1018.

There is no fixed time limit for naming suspects or making arrests other than the applicable statute of limitations. *See Florida Freedom Newspapers, Inc. v. Dempsey*, 478 So. 2d 1128 (Fla. 1st DCA 1985). The fact that investigators might not yet have decided upon a suspect does not necessarily imply that the investigation is inactive. *Id.* at 1131. The Legislature did not intend that confidentiality be limited to investigations where the outcome and an arrest or prosecution was a certainty or even a probability. *Barfield v. City of Fort Lauderdale Police Department* at 1016-1017.

Thus, an investigation will be deemed to be “active,” even though there is no immediate anticipation of an arrest, so long as the investigation is proceeding in good faith, and the state attorney or grand jury will reach a determination in the foreseeable future. *Barfield v. City of Fort*

Lauderdale Police Department, supra. Accordingly, a police department's criminal investigation into a shooting incident involving its officers continued to be "active" even though pursuant to department policy, all police shooting cases were sent to the state attorney's office for review by the grand jury and the department did not know if there would be an arrest in this particular case. *Id.*

Similarly, in *News-Press Publishing Co., Inc. v. Sapp*, 464 So. 2d 1335 (Fla. 2d DCA 1985), the court held that in view of an ongoing investigation by the state attorney and the convening of a grand jury in the very near future to consider a shooting incident by deputy sheriffs during an undercover drug transaction, documents consisting of the sheriff's completed internal investigation of the incident constituted "active criminal investigative information" and were, therefore, exempt from disclosure. *See also Wells v. Sarasota Herald Tribune Company, Inc.*, 546 So. 2d 1105 (Fla. 2d DCA 1989) (investigative files of the sheriff and state attorney were not inactive where an active prosecution began shortly after the trial judge determined that the investigation was inactive and ordered that the file be produced for public inspection).

Additionally, a circuit court held that a criminal investigative file involving an alleged 1988 sexual battery which had been inactive for three years, due in part to the death of the victim from unrelated causes, could be "reactivated" and removed from public view in 1992 when new developments prompted the police to reopen the case. The court found that it was irrelevant that the 1988 file could have been inspected prior to the current investigation; the important considerations were that the file apparently had not been viewed by the public during its "inactive" status and the file was now part of an active criminal investigation and therefore exempt from disclosure as active criminal investigative information. *News-Press Publishing Co., Inc. v. McDougall*, No. 92-1193CA-WCM (Fla. 20th Cir. Ct. February 26, 1992).

In another case, however, the appellate court upheld a court order unsealing an arrest warrant affidavit upon a showing of good cause by the subject of the affidavit. The affidavit had been quashed and no formal charges were filed against the subject. The court held that the affidavit did not constitute active criminal investigative information because there was no reasonable, good faith anticipation that the subject would be arrested or prosecuted in the near future. In addition, most of the information was already available to the subject through grand jury transcripts, the subject's perjury trial, or by discovery. *Metropolitan Dade County v. San Pedro*, 632 So. 2d 196 (Fla. 3d DCA 1994). *And see Mobile Press Register, Inc. v. Witt*, 24 Med. L. Rptr. 2336, No. 95-06324 CACE (13) (Fla. 17th Cir. Ct. May 21, 1996) (ordering that files in a 1981 unsolved murder be opened to the public because, despite recent reactivation of the investigation, the case had been dormant for many years and no arrest or prosecution had been initiated or was imminent).

(b) Active criminal intelligence information

In order to constitute exempt "active" criminal intelligence information, the information must "be of the type that will lead to the 'detection of *ongoing or reasonably anticipated criminal activities*.'" *Christy v. Palm Beach County Sheriff's Office*, 698 So. 2d 1365, 1367 (Fla. 4th DCA 1997), quoting s. 119.011(3)(d)1., F.S. *See Barfield v. Orange County, Florida*, No. CI92-5913 (Fla. 9th Cir. Ct. August 4, 1992) (denying a petition for writ of mandamus seeking access to gang intelligence files compiled by the sheriff's office). *See also* AGO 94-48 (information contained in the statewide integrated violent crime information system established by the Florida Department of Law Enforcement constitutes active criminal intelligence information; even though some of the information may have come from closed investigations, the information is collected to "anticipate, prevent, and monitor criminal activity and to assist in the conduct of ongoing criminal investigations").

By contrast, in *Christy v. Palm Beach County Sheriff's Office, supra*, the court ruled that records generated in connection with a criminal investigation conducted 13 years earlier did not constitute "active" criminal intelligence information. The court noted that the exemption "is not

intended to prevent disclosure of criminal files forever on the mere possibility that other potential criminal defendants may learn something from the files.” *Id.*

(c) Pending prosecutions or appeals

Criminal intelligence and investigative information is also considered to be “active” while such information is directly related to pending prosecutions or direct appeals. Section 119.011(3)(d), F.S. See *News-Press Publishing Co., Inc. v. Sapp*, *supra*; and *Tal-Mason v. Satz*, 614 So. 2d 1134 (Fla. 4th DCA), *review denied*, 624 So. 2d 269 (Fla. 1993) (contents of prosecutorial case file must remain secret until the conclusion of defendant’s direct appeal).

Once the conviction and sentence have become final, criminal investigative information can no longer be considered to be “active.” See *State v. Kokal*, 562 So. 2d 324, 326 (Fla. 1990) and *Osario v. State*, 34 So. 3d 98 (Fla. 3rd DCA 2010). *Accord Tribune Company v. Public Records*, 493 So. 2d 480, 483-484 (Fla. 2d DCA 1986), *review denied sub nom.*, *Gillum v. Tribune Company*, 503 So. 2d 327 (Fla. 1987) (actions for postconviction relief following affirmance of the conviction on direct appeal are not pending appeals for purposes of s. 119.011[3][d]2., F.S. See also *Christy v. Palm Beach County Sheriff’s Office*, 698 So. 2d 1365, 1367 (Fla. 4th DCA 1997) (the term “pending prosecutions or appeals” in s. 119.011[3][d], F.S., applies only to ongoing prosecutions or appeals which have not yet become final).

Moreover, the determination as to whether investigatory records related to pending prosecutions or appeals are “active” is relevant *only* to those records which constitute criminal intelligence or investigative information. In other words, if records are excluded from the definition of criminal intelligence or investigative information, as in the case of records given or required to be given to the defendant under s. 119.011(3)(c)5., F.S., it is immaterial whether the investigation is active or inactive. See *Bludworth v. Palm Beach Newspapers, Inc.*, 476 So. 2d 775, 779n.1 (Fla. 4th DCA 1985), *review denied*, 488 So. 2d 67 (Fla. 1986) (“Something that is not criminal intelligence information or criminal investigative information cannot be active criminal intelligence information or active criminal investigative information.”). *Accord Staton v. McMillan*, 597 So. 2d 940, 941 (Fla. 1st DCA 1992), *review dismissed sub nom.*, *Staton v. Austin*, 605 So. 2d 1266 (Fla. 1992) (active criminal investigation exemption does not apply to information for which disclosure was previously required under discovery rules even though there is a pending direct appeal).

(7) Criminal defendant’s public records request

Section 119.07(8), F.S., states that the public access rights set forth in s. 119.07, F.S., “are not intended to expand or limit the provisions of Rule 3.220, Florida Rules of Criminal Procedure, regarding the right and extent of discovery by the state or by a defendant in a criminal prosecution or in collateral postconviction proceedings.” Thus, a criminal defendant’s public records request for nonexempt law enforcement records relating to the defendant’s pending prosecution constitutes an election to participate in discovery and triggers a reciprocal discovery obligation. *Henderson v. State*, 745 So. 2d 319 (Fla. 1999).

(8) Disclosure of active criminal investigative information to the public

It has been held that the criminal investigative exemption does not apply if the information has already been made public. *Staton v. McMillan*, 597 So. 2d 940, 941 (Fla. 1st DCA 1992), *review dismissed sub nom.*, *Staton v. Austin*, 605 So. 2d 1266 (Fla. 1992). See also *Downs v. Austin*, 522 So. 2d 931, 935 (Fla. 1st DCA 1988) (once state has gone public with information which could have been previously protected from disclosure under Public Records Act exemptions, no further purpose is served by preventing full access to the desired information). Cf. *State v. Buenoano*, 707 So. 2d 714, 717 (Fla. 1998) (confidential documents furnished to a state attorney by the federal government remained exempt from public inspection even though the documents inadvertently had been given to the defendant and placed in the court record in violation of the conditions of the federal loan agreement).

However, the voluntary disclosure of a non-public record does not automatically waive the exempt status of *other* documents. *Arbelaez v. State*, 775 So. 2d 909, 918 (Fla. 2000). *Accord Church of Scientology Flag Service Org., Inc. v. Wood*, No. 97-688CI-07 (Fla. 6th Cir. Ct. February 27, 1997) (release of the autopsy report and the medical examiner's public comments about the report did not mean that other records in the possession of the medical examiner relating to an active criminal investigation into the death were public; "[i]t is not unusual for law enforcement and criminal investigatory agencies to selectively release information relating to an ongoing criminal investigation in an effort to enlist public participation in solving a crime").

(9) Disclosure of active criminal investigative information to another criminal justice agency

Exempt active criminal investigative information may be shared with another criminal justice agency and retain its protected status; in "determining whether or not to compel disclosure of active criminal investigative or intelligence information, the primary focus must be on the statutory classification of the information sought rather than upon in whose hands the information rests." *City of Riviera Beach v. Barfield*, 642 So. 2d 1135, 1137 (Fla. 4th DCA 1994), *review denied*, 651 So. 2d 1192 (Fla. 1995). The *City of Riviera Beach* court held that exempt records of the West Palm Beach police department's active criminal investigation concerning a shooting incident involving a police officer from Riviera Beach could be furnished to the Riviera Beach police department for use in a simultaneous administrative internal affairs investigation of the officer without losing their exempt status. *Accord Ragsdale v. State*, 720 So. 2d 203, 206 (Fla. 1998) (applicability of a particular exemption is determined by the document being withheld, not by the identity of the agency possessing the record).

Additionally, a police department may enter into a contract with a private company that compiles raw police data and then provides informational reports to law enforcement. The release of the exempt information to the corporation for this purpose would not cause such records to lose their exempt status. AGO 96-36.

However, while the courts have recognized that active criminal investigative information may be forwarded from one criminal justice agency to another without jeopardizing its exempt status, "[t]here is no statutory exemption from disclosure of an 'ongoing federal prosecution.'" *Woolling v. Lamar*, 764 So. 2d 765, 768 (Fla. 5th DCA 2000), *review denied*, 786 So. 2d 1186 (Fla. 2001). In *Woolling*, the court held that a state attorney bore the burden of establishing that state attorney files in a *nolle prossed* case which were furnished to the federal government for prosecution of a defendant constituted active criminal investigative information; the fact that the federal government was actively prosecuting the case was not sufficient, standing alone, to justify imposition of the exemption.

Moreover, the exemption for active criminal intelligence and investigative information does not exempt other public records from disclosure simply because they are transferred to a law enforcement agency. *See, e.g., Tribune Company v. Cannella*, 438 So. 2d 516, 523 (Fla. 2d DCA 1983), *reversed on other grounds*, 458 So. 2d 1075 (Fla. 1984), *appeal dismissed sub nom., Deperte v. Tribune Company*, 105 S.Ct. 2315 (1985) (assistant state attorney could not withdraw public records from public scrutiny by asserting that he "compiled" the records simply because he subpoenaed them; thus, law enforcement personnel records compiled and maintained by the employing agency prior to a criminal investigation did not constitute criminal intelligence or criminal investigative information); and *State Attorney's Office of the Seventeenth Judicial Circuit v. Cable News Network, Inc.*, 251 So. 3d 205 (Fla. 4th DCA 2018) (surveillance video footage created by a school district before a criminal investigation began did not constitute "criminal investigative information" within the meaning of s. 119.011[3]b) because it was not compiled by a criminal justice agency in the course of conducting a criminal investigation). *And see New Times, Inc. v. Ross*, No. 92-5795 CIV 25 (Fla. 11th Cir. Ct. March 17, 1992) (papers in a closed civil forfeiture file which subsequently became part of a criminal investigation were open to inspection as the materials could not be considered criminal investigative information because the file was closed prior to the commencement of the criminal investigation).

Thus, public records maintained and compiled by the Office of the Capital Collateral Representative cannot be transformed into active criminal investigative information by merely transferring the records to the Florida Department of Law Enforcement (FDLE). AGO 88-25. *Accord* Inf. Op. to Slye, August 5, 1993, concluding that the contents of an investigative report compiled by a state agency inspector general in carrying out his or her duty to determine program compliance are not converted into criminal intelligence information merely because FDLE also conducts an investigation or because such report or a copy thereof has been transferred to that department. *And see Sun-Sentinel, Inc. v. Florida Department of Children and Families*, 815 So. 2d 793 (Fla. 3d DCA 2002).

Similarly, in AGO 92-78, the Attorney General's Office concluded that otherwise disclosable public records of a housing authority are not removed from public scrutiny merely because the records have been subpoenaed by and transferred to the state attorney's office. Inf. Op. to Theobald, November 16, 2006, stating that while an individual would be prohibited from obtaining records from the internal investigation file pursuant to s. 112.533(2), F.S., while the investigation is active, public records such as overtime slips created prior to the investigation and maintained in the law enforcement officer's personnel file would not become confidential simply because copies of such records are being used in the investigation.

However, the exemption for active criminal investigative information may not be subverted by making a public records request for all public records gathered by a law enforcement agency in the course of an ongoing investigation; to permit such requests would negate the purpose of the exemption. AGO 01-75.

In addition, a request made by a law enforcement agency to inspect or copy a public record that is in the custody of another agency and the custodian's response to the request, and any information that would identify whether a law enforcement agency has requested or received that public record are exempt from disclosure requirements, during the period in which the information constitutes active criminal investigative or intelligence information. Section 119.071(2)(c)2.a., F.S. The law enforcement agency that made the request must give notice to the custodial agency when the criminal intelligence information or criminal investigative information is no longer active, so that the custodian's response to the request and information that would identify the public record requested are available to the public. Section 119.071(2)(c)2.b., F.S.

Thus, while agency records are not exempt merely because they have been submitted to FDLE, s. 119.071(2)(c)2.a., F.S., exempts FDLE's request to inspect or copy records, as well as the agency's response, or any information that would identify the public record that was requested by FDLE or provided by the agency during the period in which the information constitutes criminal intelligence or criminal investigative information that is active. AGO 06-04. Although a request may be made for the agency's records, such a request may not be phrased, or responded to, in terms of a request for the specific documents asked for and received by FDLE during the course of any active criminal investigation. *Id.* Cf. Inf. Op. to Theobald, November 16, 2006, stating that while the records in a personnel department were subject to disclosure, the personnel department was precluded from identifying which of its records had been gathered by a law enforcement agency in the course of its active internal investigation.

(10) Records containing both active criminal investigative information and non-exempt information

The fact that a crime or incident report may contain some active criminal investigative or intelligence information does not mean that the entire report is exempt from disclosure. Section 119.07(1)(d), F.S., requires the custodian of the document to redact only that portion of the record for which an exemption is asserted and to provide the remainder of the record for inspection and copying. *See, e.g., City of Riviera Beach v. Barfield*, 642 So. 2d 1135, 1137 (Fla. 4th DCA 1994), *review denied*, 651 So. 2d 1192 (Fla. 1995), in which the court held that a city

was authorized to withhold exempt active criminal investigative records but “must comply with the disclosure requirements of sections 119.07(2) [now s. 119.07(1)(d)] and 119.011(3)(c) by making partial disclosure of certain non-exempt information contained in the records including, *inter alia*, the date, time and location of the incident.”

(11) Criminal investigative or intelligence information received from other states or the federal government

Pursuant to s. 119.071(2)(b), F.S., criminal intelligence or investigative information received by a Florida criminal justice agency from a non-Florida criminal justice agency on a confidential or similarly restricted basis is exempt from disclosure. *See State v. Wright*, 803 So. 2d 793 (Fla. 4th DCA 2001), *review denied*, 823 So. 2d 125 (Fla. 2002) (state not required to disclose criminal histories of civilian witnesses which it obtained from the Federal Bureau of Investigation). The purpose of this statute is to “encourage cooperation between non-state and state criminal justice agencies.” *State v. Buenoano*, 707 So. 2d 714, 717 (Fla. 1998). Thus, confidential documents furnished to a state attorney by the federal government remained exempt from public inspection even though the documents inadvertently had been given to the defendant and placed in the court record in violation of the conditions of the federal loan agreement. *Id.*

(12) Criminal investigative or intelligence information received prior to January 25, 1979

Criminal intelligence or investigative information obtained by a criminal justice agency prior to January 25, 1979, is exempt from disclosure. Section 119.071(2)(a), F.S. *See Satz v. Gore Newspapers Company*, 395 So. 2d 1274, 1275 (Fla. 4th DCA 1981) (“All criminal intelligence and criminal investigative information received by a criminal justice agency prior to January 25, 1979, is specifically exempt from the requirements of public disclosure.”).

b. “Baker Act” reports prepared by law enforcement officers

Part I, Ch. 394, F.S., is the “Baker Act,” Florida’s mental health act. The Baker Act provides for the voluntary or involuntary examination and treatment of mentally ill persons. Pursuant to s. 394.463(2)(a)2., F.S., a law enforcement officer must take a person who appears to meet the statutory criteria for involuntary examination into custody and deliver that person, or have that person delivered, to the nearest receiving facility for examination.

Section 394.463(2)(a)2., F.S., requires the officer to “execute a written report detailing the circumstances under which the person was taken into custody, and the report shall be made a part of the patient’s clinical record.” A patient’s clinical record is confidential. Section 394.4615(1), F.S. Thus, the report prepared by the officer pursuant to this statute is part of the patient’s clinical record and is confidential. *Cf. Lake v. State*, 193 So. 3d 932 (Fla. 4th DCA 2016) (Legislature has not made records of a sexually violent predator confidential in the same way as the clinical records of a Baker Act patient).

However, in AGO 93-51, the Attorney General’s Office advised that a *separate* written incident or event report prepared after a specific crime has been committed which contains information given during the initial reporting of the crime, is filed with the law enforcement agency as a record of that event, and is not made a part of the patient’s clinical record, is not confidential pursuant to Ch. 394, F.S. The opinion noted that the incident report in question was not the confidential law enforcement report required by s. 394.463(2)(a)2., but was a separate written incident or event report prepared by a deputy sheriff for filing with the sheriff’s office as an independent record of the deputy’s actions. *Cf. s. 394.464(1)*, F.S., providing confidentiality for petitions for voluntary and involuntary admission for mental health treatment, court orders, and related records that are filed with or by a court under the Baker Act and authorizing disclosure to specified persons and entities.

c. Body camera recordings

A body camera recording is confidential and exempt from public disclosure when taken

inside a private residence, inside a health care, mental health care, or social services facility, or in a place that a reasonable person would expect to be private. Section 119.071(2)(l)2., F.S. The term “body camera” is defined to mean a “portable electronic recording device that is worn on a law enforcement officer’s body and that records audio and video data in the course of the officer performing his or her official duties and responsibilities.” Section 119.071(2)(l)1.a., F.S.

A law enforcement agency may disclose the recording in furtherance of its official duties and responsibilities or to another governmental agency in furtherance of that agency’s duties and responsibilities. Section 119.071(2)(l)3., F.S.

The recording must be disclosed to certain individuals as set forth in the statute, including the person recorded, or pursuant to court order. Section 119.071(2)(l)4., F.S. *And see* s. 943.1718(2)(d), F.S. However, the exemption does not supersede any other public records exemption that existed before or is created after the effective date of the exemption. Those portions of a recording which are protected from disclosure by another public records exemption shall continue to be exempt or confidential and exempt. Section 119.071(2)(l)7., F.S.

A law enforcement agency must retain a body camera recording for at least 90 days. Section 119.071(2)(l)5., F.S. The exemption applies retroactively. Section 119.071(2)(l)6., F.S.

d. Confessions

Section 119.071(2)(e), F.S., exempts from disclosure any information revealing the substance of a confession by a person arrested until such time as the case is finally determined by adjudication, dismissal, or other final disposition. *See Times Publishing Co. v. Patterson*, 451 So. 2d 888 (Fla. 2d DCA 1984) (trial court order permitting state attorney or defendant to designate affidavits, depositions or other papers which contained “statements or substance of statements” to be sealed was overbroad because the order was not limited to those statements revealing the substance of a “confession”).

In AGO 84-33, the Attorney General’s Office advised that only such portions of the complaint and arrest report in a criminal case file which reveal the “substance of a confession,” *i.e.*, the material parts of a statement made by a person charged with the commission of a crime in which that person acknowledges guilt of the essential elements of the act or acts constituting the entire criminal offense, are exempt from public disclosure. *And see Times Publishing Company v. State*, 827 So. 2d 1040, 1042 (Fla. 2d DCA 2002), (portions of police interview transcript and tape which did not “directly relate to [the defendant’s] participation in the crimes” did not contain the substance of a confession pursuant to s. 119.071(2)(e), F.S.).

e. Confidential informants

Section 119.071(2)(f), F.S., exempts information disclosing the identity of confidential informants or sources. This exemption applies regardless of whether the informants or sources are still active or may have, through other sources, been identified as such. *Christy v. Palm Beach County Sheriff’s Office*, 698 So. 2d 1365, 1368 (Fla. 4th DCA 1997); *Salcines v. Tampa Television*, 454 So. 2d 639 (Fla. 2d DCA 1984); and *Rameses, Inc. v. Demings*, 29 So. 3d 418 (Fla. 5th DCA 2010). *And see State v. Natson*, 661 So. 2d 926 (Fla. 4th DCA 1995) (private citizen who provided police with tip information which led to defendant’s arrest may be afforded confidential informant status). *Cf. Doe v. State*, 901 So. 2d 881 (Fla. 4th DCA 2005) (where citizen provided information to state attorney’s office which led to a criminal investigation and was justified in inferring or had a reasonable expectation that he would be treated as a confidential source, the citizen is entitled to have his identifying information redacted from the closed file, even though there was no express assurance of confidentiality by the state attorney’s office); *State v. Bartholomew*, No. 08-5656CF10A (Fla. 17th Cir. Ct., August 7, 2009) (even if Crimestoppers Council of Broward County were an agency for purposes of Ch. 119, F.S., information relating to the identity of informants and persons from whom they received information would be confidential under s. 119.071[2][f], F.S.).

However, in *Ocala Star Banner Corporation v. McGhee*, 643 So. 2d 1196 (Fla. 5th DCA 1994), the court held that a police department should not have refused to release an entire police report on the ground that the report contained some information identifying a confidential informant. According to the court, “[w]ithout much difficulty the name of the informant, [and] the sex of the informant (which might assist in determining the identity) . . . can be taken out of the report and the remainder turned over to [the newspaper].” *Id.* at 1197. *Accord Christy v. Palm Beach County Sheriff’s Office*, 698 So. 2d at 1368. *And see Holley v. Bradford County Sheriff’s Department*, 171 So. 3d 805 (Fla. 1st DCA 2015) (trial court must conduct an in camera inspection of the records to determine whether they could be redacted to remove information identifying confidential informants). *Cf. Althouse v. Palm Beach County Sheriff’s Office*, 92 So. 3d 899 (Fla. 4th DCA 2012), *disapproved on other grounds, Board of Trustees, Jacksonville Police & Fire Pension Fund v. Lee*, 189 So. 3d 120 (Fla. 2016) (agency conceded that its initial response denying public records request for “rules, regulations, operating procedures and policies regarding the recruitment and use of confidential informants” was “incorrect”; records were subsequently produced after portions were redacted pursuant to s. 119.071[2][d], F.S.).

Moreover, in *City of St. Petersburg v. Romine ex rel. Dillinger*, 719 So. 2d 19, 21 (Fla. 2d DCA 1998), the court ruled that information regarding payments to a confidential informant (who had been previously identified as a confidential informant during a criminal trial) is subject to disclosure as long as the records are sufficiently redacted to conceal the specific cases on which the informant worked. The court acknowledged that the Public Records Act may not be used in such a way as to obtain information that the Legislature has declared must be exempt from disclosure, but said that “this is not a situation where someone has alleged that they know or suspect the identity of a confidential informant and the production of records involving that informant would confirm the person’s information or suspicion.” *Id.*

Section 943.082(1), F.S., authorizes the Florida Department of Law Enforcement, in collaboration with the Department of Legal Affairs, to competitively procure a mobile suspicious activity reporting tool that allows students and the community to relay information anonymously concerning unsafe, potentially harmful, dangerous, violent or criminal activities, or the threat of these activities, to appropriate public safety agencies and school officials. The identity of the reporting party received through the reporting tool and held by the department, law enforcement agencies, or school officials is confidential. Section 943.082(6), F.S.

f. Criminal history information

(1) Criminal history information generally

Except where specific exemptions apply, criminal history information is a public record. AGO 77-125; Inf. Op. to Lymn, June 1, 1990. *And see* AGO 97-09 (a law enforcement agency may, without a request, release nonexempt information contained in its public records relating to sexual offenders; the agency’s authority to release such information is not limited to those offenders who are designated as “sexual predators”).

Section 943.046, F.S., states:

(1) Any state or local law enforcement agency may release to the public any criminal history information and other information regarding a criminal offender, including, but not limited to, public notification by the agency of the information, unless the information is confidential and exempt [from disclosure]. However, this section does not contravene any provision of s. 943.053 which relates to the method by which an agency or individual may obtain a copy of an offender’s criminal history record.

(2) A state or local law enforcement agency and its personnel are immune from civil liability for the release of criminal history information or other information regarding a criminal offender, as provided by this section.

Section 943.053(2), F.S., referenced in the above statute, provides restrictions on the

dissemination of criminal justice information obtained from *federal* criminal justice information systems and other states by stating that such information shall not be disseminated in a manner inconsistent with the laws, regulations, or rules of the originating agency. Thus, criminal history record information shared with a public school district by the Federal Bureau of Investigation retains its character as a federal record to which only limited access is provided by federal law and is not subject to public inspection. AGO 99-01.

Section 943.053(3)(a), F.S., states that criminal history information compiled by the Criminal Justice Information Program of the Florida Department of Law Enforcement from *intrastate* sources shall be provided to law enforcement agencies free of charge and to persons in the private sector upon payment of fees as provided in the subsection. *And see* pages 111-112 relating to dissemination of criminal history information relating to juveniles.

(2) Sealed and expunged records

Access to criminal history records sealed or expunged by court order in accordance with s. 943.059 or s. 943.0585, F.S., is strictly limited. *See, e.g., Alvarez v. Reno*, 587 So. 2d 664 (Fla. 3d DCA 1991) (Goderich, J., specially concurring) (state attorney report and any other information revealing the existence or contents of sealed records is not a public record and cannot, under any circumstances, be disclosed to the public). *And see* s. 943.0595, F.S., providing for automatic sealing of certain criminal history records.

A law enforcement agency that has been ordered to expunge criminal history information or records should physically destroy or obliterate information consisting of identifiable descriptions and notations of arrest, detentions, indictments, informations, or other formal criminal charges and the disposition of those charges. AGO 02-68. However, criminal intelligence information and criminal investigative information do not fall within the purview of s. 943.0585, F.S. *Id.* *And see* AGO 00-16 (only those records maintained to formalize the petitioner's arrest, detention, indictment, information, or other formal criminal charge and the disposition thereof would be subject to expungement under s. 943.0585).

There are exceptions allowing disclosure of information relating to the existence of an expunged criminal history record to specified entities for their respective licensing and employment purposes, and to criminal justice agencies for their respective criminal justice purposes. Section 943.0585(6), F.S. Similar provisions exist relative to disclosure of sealed criminal history records. Section 943.059(6), F.S. *And see* s. 943.0583(10)(a), F.S. (expunged criminal history record of human trafficking victim). A records custodian who has received information relating to the existence of an expunged or sealed criminal history record is prohibited from disclosing the existence of such record. AGO 94-49.

g. Fingerprint records

Biometric identification information is exempt from s. 119.07(1), F.S. Section 119.071(5)(g), F.S. The term "biometric identification information" means any record of friction ridge detail, fingerprints, palm prints, and footprints. *Id.*

h. Forensic behavioral health evaluations

A forensic behavioral health evaluation filed with the court pursuant to Ch. 916, F.S. (mentally deficient and mentally ill defendants) is confidential and exempt. Section 916.1065(1), F.S.

i. Juvenile offender records

(1) Confidentiality and authorized disclosure

Juvenile offender records traditionally have been considered confidential and treated differently from other records in the criminal justice system. With limited exceptions, s.

985.04(1)(a), F.S., provides, in relevant part, that:

Except as provided in subsections (2), (3), (6), and (7) and s. 943.053, *all information obtained under this chapter* in the discharge of official duty by any judge, any employee of the court, any authorized agent of the department [of Juvenile Justice], the Florida Commission on Offender Review, the Department of Corrections, the juvenile justice circuit boards, any law enforcement agent, or any licensed professional or licensed community agency representative participating in the assessment or treatment of a juvenile *is confidential and exempt [from public disclosure]*. This exemption applies to information obtained before, on, or after the effective date of this exemption. (e.s).

Section 985.04(1)(b), F.S., states that the confidential and exempt information may be disclosed only to the authorized personnel of the court, the department and its designees, the Department of Corrections, the Florida Commission on Offender Review, law enforcement agents, school superintendents and their designees, any licensed professional or licensed community agency representative participating in the assessment or treatment of a juvenile, and others entitled under this chapter to receive that information, or upon court order. *Cf.* AGO 96-65 (subject of juvenile offense records may authorize access to such records to others [such as a potential employer] by means of a release).

Similarly, s. 985.04(7)(a), F.S., limits access to records in the custody of the Department of Juvenile Justice. With the exception of specified persons and agencies, juvenile records in the custody of that agency “may be inspected only upon order of the Secretary of Juvenile Justice or his or her authorized agent by persons who have sufficient reason and upon such conditions for their use and disposition as the secretary or his or her authorized agent deems proper.” If a juvenile prosecuted as an adult is transferred to serve his or her sentence in the custody of the Department of Juvenile Justice, the department’s records relating to that juvenile are not open to public inspection. *New York Times Company v. Florida Department of Juvenile Justice*, No. 03-46-CA, 2003 WL 22723464 (Fla. 2d Cir. Ct. March 20, 2003).

Thus, as a general rule, access to records of juvenile offenders is limited. *See, e.g.*, Inf. Op. to Galbraith, April 8, 1992 (city’s risk manager and attorney representing city in unrelated civil lawsuit not among those authorized to have access); and Inf. Op. to Wierzbicki, April 7, 1992 (domestic violence center not among those authorized to receive juvenile information). *And see* AGO 07-19 (confidentiality provisions preclude public release of the names and addresses of the parents of juvenile arrested for a misdemeanor). *And see* s. 985.045(2), F.S., providing, with limited exceptions, for confidentiality of juvenile court records. *Cf.* AGO 97-28 (juvenile confidentiality requirements do not apply to court records of a case in which a juvenile is prosecuted as an adult, regardless of the sanctions ultimately imposed in the case).

Confidential photographs of juveniles taken in accordance with s. 985.11, F.S., “may be shown by a law enforcement officer to any victim or witness of a crime for the purpose of identifying the person who committed such crime.” Section 985.11(1)(b), F.S. This statute authorizes a law enforcement officer to use photographs of juvenile offenders in a photographic lineup for the purpose of identifying the perpetrator of a crime, regardless of whether those juvenile offenders are suspects in the crime under investigation. AGO 96-80. *Cf. Barfield v. Orange County*, Florida, No. CI92-5913 (Fla. 9th Cir. Ct. August 4, 1992) (denying petitioner’s request to inspect gang intelligence files compiled by the sheriff’s office).

(2) Exceptions to confidentiality

(a) Child traffic violators

All records of child traffic violations shall be kept in the full name of the violator and shall

be open to inspection and publication in the same manner as adult traffic violations. Section 985.11(3), F.S.

(b) Felony arrests and adult system transfers

Until October 1, 1994, law enforcement agencies generally could release only the name and address of juveniles 16 and older who had been charged with or convicted of certain crimes. In 1994, the juvenile confidentiality laws were modified to eliminate the age restriction and provide enhanced disclosure. Section 985.04(2), F.S., was amended again in 2016 and now provides:

Notwithstanding any other provisions of this chapter, the name, photograph, address, and crime or arrest report of a child:

- (a) Taken into custody by a law enforcement officer for a violation of law which, if committed by an adult, would be a felony;
- (b) Charged with a violation of law which, if committed by an adult, would be a felony;
- (c) Found to have committed an offense which, if committed by an adult, would be a felony; or
- (d) Transferred to adult court pursuant to part X of Chapter 985,

are not considered confidential and exempt from s. 119.07(1) solely because of the child's age.

The Attorney General's Office has stated that the expanded disclosure provisions originally enacted in 1994 apply only to juvenile records created after October 1, 1994, the effective date of the 1994 amendments to the juvenile confidentiality laws. AGO 95-19. Confidential information on juveniles arrested prior to October 1, 1994, is available by court order upon a showing of good cause. *Id.* See *G.G. v. Florida Department of Law Enforcement*, 97 So. 3d 268, 274 (Fla. 1st DCA 2012) ("it is clear that only the arrest records of those juveniles who the legislature has designated in section 985.04[2] have lost their confidential status and are available to the public . . ."). See also the discussion below regarding the dissemination of criminal history information relating to juveniles.

A public records custodian may choose not to electronically publish on the custodian's website the arrest or booking photographs of a child which are not confidential and exempt under this section or otherwise restricted from publication by law; however, this subparagraph does not restrict public access to records as provided by s. 119.07, F.S. Section 985.04(2)(a)2., F.S.

(c) Mandatory notification to schools

Section 985.04(4)(b), F.S., provides that when the state attorney charges a juvenile with a felony or a delinquent act that would be a felony if committed by an adult, the state attorney must notify the superintendent of the juvenile's school that the juvenile has been charged with such felony or delinquent act. A similar directive applies to a law enforcement agency that takes a juvenile into custody for an offense that would have been a felony if committed by an adult, or a crime of violence. Section 985.04(4)(a), F.S. And see s. 1006.08(2), F.S. (notification by court to school superintendent); and s. 985.04(4)(c), F.S. (notification by school superintendent to certain school personnel). Cf. s. 985.04(4)(d), F.S. (notification by Department of Juvenile Justice of the presence of a juvenile sex offender in the care and custody or under the jurisdiction and supervision of the department).

(d) Criminal history information relating to juveniles

Section 943.053(3)(c)1., F.S., provides that criminal history information relating to juveniles, including information that is confidential pursuant to s. 943.053(3)(b), F.S., shall be

available to:

- (a) A criminal justice agency for criminal justice purposes on a priority basis and free of charge;
- (b) The person to whom the record relates, or his or her attorney;
- (c) The parent, guardian, or legal custodian of the person to whom the record relates, provided such person has not reached the age of majority, been emancipated by a court, or been legally married; or
- (d) An agency or entity specified in s. 943.0585(4) or s. 943.059(4), F.S., for the purpose specified therein, and any person within such agency or entity who has direct responsibility for employment, access authorization, or licensure decisions.

(e) Victim access

Section 985.036(1), F.S., allows the victim, the victim's parent or guardian, their lawful representatives, and, in a homicide case, the next of kin, to have access to information and proceedings in a juvenile case, provided that such rights do not interfere with the constitutional rights of the juvenile offender. Those entitled to access "may not reveal to any outside party any confidential information obtained under this subsection regarding a case involving a juvenile offense, except as is reasonably necessary to pursue legal remedies." *Id.* And see s. 960.001(8), F.S., authorizing similar disclosures to victims.

In addition, s. 985.04(3), F.S., states that a "law enforcement agency may release a copy of the juvenile offense report to the victim of the offense." *Cf. Harvard v. Village of Palm Springs*, 98 So. 3d 645 (Fla. 4th DCA 2012), noting that the authorization in s. 985.04(3), F.S., is permissive not mandatory; thus, a local government was not *required* to produce a juvenile offense report to the victim's mother.

j. Motor vehicle records

(1) Automated license plate recognition system records

Images and data containing or providing personal identifying information obtained through use of an automated license plate recognition system are confidential and exempt. Section 316.0777, F.S.

(2) Crash reports

Motor vehicle crash reports are confidential for a period of 60 days after the report is filed. Section 316.066(2)(a), F.S. However, such reports may be made immediately available to the parties involved in the crash, their legal representatives, their insurance companies and agents, prosecutorial authorities, law enforcement agencies, the Department of Transportation, county traffic operations, victim services programs, and certain print and broadcast media as described in the exemption. Section 316.066(2)(b), F.S. Nevertheless, certain "free newspapers of general circulation," as specified in the exemption, may not have access to the home, cellular, employment, or other telephone number or the home or employment address of any of the parties involved with the crash if the newspaper requests ten or more crash reports within a 24 hour period before the 60 day period has ended. Section 316.066(2)(f), F.S.

The owner of a vehicle involved in a crash is among those authorized to receive a copy of the crash report immediately. AGO 01-59. In addition, the statute provides that any local, state, or federal agency that is authorized to have access to crash reports by any provision of law shall be granted such access in the furtherance of the agency's statutory duties. Section 316.066(2)(c), F.S. *Cf.* AGO 06-11 (fire department that is requesting crash reports in order to seek reimbursement from the at-fault driver does not fall within the scope of this provision authorizing immediate access to the reports).

“As a condition precedent to accessing a crash report within 60 days after the date the report is filed, a person must present a valid driver’s license or other photographic identification, proof of status or identification that demonstrates his or her qualifications to access that information, and file a written sworn statement with the state or local agency in possession of the information stating that information from a crash report made confidential and exempt by this section will not be used for any commercial solicitation of accident victims, or knowingly disclosed to any third party for the purpose of such solicitation, during the period of time that the information remains confidential and exempt.” Section 316.066(2)(d), F.S.

The written statement must be completed and sworn to by the requesting party for each individual crash report that is being requested within 60 days after the report is filed. *Id.* Reports may be released without the sworn statement to third-party vendors under contract with one or more insurers, but only if the conditions set forth in the statute are stated in the contract. *Id.* Third-degree felony penalties are established for knowing unauthorized disclosure or use of confidential information in violation of this statute. *See* s. 316.066(3)(b), (c), and (d), F.S., for more information.

(3) Department of Highway Safety and Motor Vehicles motor vehicle records

Section 119.0712(2)(b), F.S., provides that personal information, including highly restricted personal information as defined in 18 U.S.C. s. 2725, contained in a motor vehicle record is confidential pursuant to the federal Driver’s Privacy Protection Act of 1994, 18 U.S.C. ss. 2721 *et seq* (DPPA). Such information may be released only as authorized by that act. The term “motor vehicle record” is defined to mean any record that pertains to a motor vehicle operator’s permit, motor vehicle title, motor vehicle registration, or identification card issued by the Department of Highway Safety and Motor Vehicles (DHSMV). Section 119.0712(2)(a), F.S. *And see* s. 119.0712(2)(d)1. and 2., F.S., providing that emergency contact information contained in a motor vehicle record is confidential.

E-mail addresses collected by DHSMV pursuant to cited statutes [motor vehicle record and driver license transactions] are exempt from public disclosure requirements. Section 119.0712(2)(c), F.S.

(4) Law enforcement agency records

The Attorney General’s Office has stated that while DHSMV motor vehicle records are confidential in the hands of a law enforcement agency, to the extent information is taken from DHSMV records and used in preparing other records of the law enforcement agency or its agent, the confidentiality requirements of s. 119.0712(2)(b), F.S., do not reach those records created by subsequent users. Thus, a driver’s license number that is included in a law enforcement officer’s report is not confidential or exempt from disclosure and copying. AGO 10-10.

Similarly, DPPA does not prohibit a city from disclosing to a newspaper, in response to a public-records request, the violation notices the city sent to vehicle owners based on images captured by red-light cameras. *City of Tallahassee v. Federated Publications, Inc.*, No. 4:11cv395-RH/CAS (N.D. Fla. August 9, 2012). *Cf.* s. 316.0777, F.S. (2014).

k. Pawnbroker records

All records relating to pawnbroker transactions delivered to appropriate law enforcement officials pursuant s. 539.001, F.S., the Florida Pawnbroking Act, are confidential and exempt from disclosure and may be used only for official law enforcement purposes. Section 539.003, F.S. However, law enforcement officials are not prohibited from disclosing the name and address of the pawnbroker, the name and address of the conveying customer, or a description of the pawned property to the alleged owner of pawned property. *Id.* *And see* AGO 01-51.

l. Polygraph records

The Attorney General's Office is not aware of any statutory provision barring access to otherwise public records, simply because the records are in the form of polygraph charts. *See, e.g., Wisner v. City of Tampa Police Department*, 601 So. 2d 296 (Fla. 2d DCA 1992) (polygraph materials resulting from polygraph examination that citizen took in connection with a closed internal affairs investigation were public records); and *Downs v. Austin*, 522 So. 2d 931 (Fla. 1st DCA 1988) (because state had already publicly disclosed the results of polygraph tests administered to defendant's accomplice, the tests were not exempt criminal investigative or intelligence information and were subject to disclosure to the defendant).

However, the s. 119.071(1)(a), F.S., exemption for questions and answers used in employment examinations applies to questions and answers contained in pre-employment polygraph examinations. *Rush v. High Springs*, 82 So. 3d 1108 (Fla. 1st DCA 2012). This exemption applies to examination questions and answers but does not include the "impressions and grading of the responses" by the examiners. *See Dickerson v. Hayes*, 543 So. 2d 836, 837 (Fla. 1st DCA 1989). *See also Gillum v. Times Publishing Company*, No. 91-2689-CA (Fla. 6th Cir. Ct. July 10, 1991) (newspaper entitled to access to employment polygraph records "to the extent such records consist of polygraph machine graph strips and examiners' test results, including the bottom portion of the machine graph denoted 'Findings and Comments' or similar designation"; however, agency could redact "any examinee's actual answers to questions or summaries thereof").

m. Prison and inmate records

In the absence of statutory exemption, prison and inmate records are subject to disclosure under the Public Records Act. *Cf. Williams v. State*, 741 So. 2d 1248 (Fla. 2d DCA 1999) (order imposing offender's habitual offender sentence and documents showing his qualifying convictions, subject to disclosure under Ch. 119). *And see Cruz v. State*, 44 F.L.W. D2076 (Fla. 4th DCA August 14, 2019), *review pending*, No. SC19-1784 (October 17, 2019), finding that county jail visitation logs are public records, and rejecting the defendant's argument that the names of jail visitors should be protected from disclosure.

Subject to limited exceptions, s. 945.10, F.S., states that the following records and information held by the Department of Corrections are confidential and exempt from public inspection: mental health, medical (including HIV tests) or substance abuse records of inmates or offenders; preplea, pretrial intervention, presentence or postsentence investigative records; information regarding a person in the federal witness protection program; confidential or exempt Florida Commission on offender review records; information which if released would jeopardize someone's safety; information concerning a victim's statement and identity; information which identifies an executioner; and records that are otherwise confidential or exempt by law. *See Correll v. State*, 184 So. 3d 478 (Fla. 2015), in which the Court summarized prior precedent upholding the constitutionality of s. 945.10, F.S., and again rejected claims that an inmate has the right to know the identity of execution team members. *See also Roberts v. Singletary*, No. 96-603 (Fla. 2d Cir. Ct. July 28, 1997) (portions of the Department of Corrections Execution Procedures Manual containing "highly sensitive security information" not subject to disclosure). *Cf. s. 951.27*, F.S. (limited disclosure of infectious disease test results, including HIV testing pursuant to s. 775.0877, F.S., of inmates in county and municipal detention facilities).

The Public Records Act applies to a private corporation which has contracted to operate and maintain the county jail. *Times Publishing Company v. Corrections Corporation of America*, No. 91-429 CA 01 (Fla. 5th Cir. Ct. December 4, 1991), *per curiam affirmed*, 611 So. 2d 532 (Fla. 5th DCA 1993). *See also Prison Health Services, Inc. v. Lakeland Ledger Publishing Company*, 718 So. 2d 204 (Fla. 2d DCA 1998), *review denied*, 727 So. 2d 909 (Fla. 1999) (records of private company under contract with sheriff to provide health care to jail inmates are subject to Ch. 119 just as if they were maintained by a public agency).

n. Resource inventories and emergency response plans

Section 119.071(2)(d), F.S., exempts “[a]ny comprehensive inventory of state and local law enforcement resources compiled pursuant to part I, chapter 23, and any comprehensive policies or plans compiled by a criminal justice agency pertaining to the mobilization, deployment, or tactical operations involved in responding to emergencies, as defined in s. 252.34” See *Timoney v. City of Miami Civilian Investigative Panel*, 917 So. 2d 885 (Fla. 3d DCA 2005), in which the court held that a city police department’s Operational Plan prepared in response to intelligence reports warning of possible violence surrounding an economic summit remained exempt from disclosure after the summit ended. The court found that the city planned to use portions of the Plan for future events and the “language of [the exemption] leads us to believe that the legislature intended to keep such security information exempt after an immediate emergency passes.” *Id.* at 887. And see s. 119.071(3)(a)1., F.S., which includes “emergency evacuation plans” and “sheltering arrangements” within the definition of a “security or firesafety system plan” that is confidential and exempt from public disclosure.

o. Surveillance techniques, procedures or personnel

Information revealing surveillance techniques, procedures or personnel is exempt from public inspection pursuant to s. 119.071(2)(d), F.S. See *Rameses, Inc. v. Demings*, 29 So. 3d 418 (Fla. 5th DCA 2010) (disclosure to criminal defendant of unredacted undercover police surveillance recordings does not destroy exemption in s. 119.071[2][d], F.S.; therefore, sheriff is only required to provide redacted recording in response to a public records request); and *State v. Bee Line Entertainment Partners Ltd.*, No. CIO 00-5358, 28 Med.L.Rptr. 2592 (Fla. 9th Cir. Ct. October 25, 2000) (videotapes created with hidden camera by law enforcement investigation showing result of investigative activity but that do not reveal confidential surveillance methods must be released once investigation is no longer active). And see *Althouse v. Palm Beach County Sheriff’s Office*, 92 So. 3d 899 (Fla. 4th DCA 2012), *disapproved on other grounds*, *Board of Trustees, Jacksonville Police & Fire Pension Fund v. Lee*, 189 So. 3d 120 (Fla. 2016) noting that the agency had conceded that its initial response denying Althouse’s request for “rules, regulations, operating procedures and policies regarding the recruitment and use of confidential informants” was “incorrect” and that the agency had subsequently produced the records after redacting portions pursuant to s. 119.071(2)(d), F.S. Cf. *State v. Wooten*, 260 So. 3d 1060, 1070 (Fla. 4th DCA 2018), in which the court noted that surveillance techniques are “*exempt*, not confidential and exempt.” [Emphasis supplied by the Court]

The detailed schedule and travel plans of the Governor, including drive times and the time and location of the Governor’s arrival and departure, were encompassed within the s. 119.071(2)(d), F.S., exemption where the Florida Department of Law Enforcement special agent submitted an undisputed affidavit attesting that premature disclosure of this information would reveal “surveillance techniques, procedures, or personnel,” and would jeopardize the security of the Governor and the officers assigned to protect him. *Executive Office of the Governor v. AHF MCO of Florida, Inc.*, 257 So. 3d 612 (Fla. 1st DCA 2018).

p. Undercover personnel

Section 119.071(4)(c), F.S., provides that any information revealing undercover personnel of any criminal justice agency is exempt from public disclosure. But see *Ocala Star Banner Corporation v. McGhee*, 643 So. 2d 1196, 1197 (Fla. 5th DCA 1994) (police department should not have refused to release an entire police report containing some information that could lead to an undercover person’s identity, when, without much difficulty, the name or initials and identification numbers of the undercover officer and that officer’s supervisor could be taken out of the report and the remainder released). *Accord Christy v. Palm Beach County Sheriff’s Office*, 698 So. 2d 1365 (Fla. 4th DCA 1997).

Information regarding law enforcement officers who are assigned to undercover duty and whose names appear on personnel rosters or other lists of all law enforcement officers of the city

without regard to whether the record reveals the nature of their duties may constitute “[a]ny information revealing undercover personnel of any criminal justice agency[.]” AGO 15-02. The Legislature’s determination that such information is exempt from public inspection, rather than confidential, conditions the release of exempt information upon a determination by the custodian that there is a statutory or substantial policy need for disclosure. *Id.*

For information on the identity of safe-school officers appointed pursuant to s. 1006.12, F.S., please refer to the discussion on page 151.

q. Victim information

(1) Marsy’s Law

On November 6, 2018, Florida voters approved a constitutional amendment known as Marsy’s Law. Marsy’s Law amends Art. I, s. 16 of the Constitution to add several provisions relating to victim rights. Subsection (b)(5) provides that “every victim is entitled to the following rights, beginning at the time of his or her victimization” to include: “The right to prevent the disclosure of information or records that could be used to locate or harass the victim or the victim’s family or which could disclose confidential or privileged information of the victim.” The amendment took effect on January 8, 2019.

(2) Statutory exemptions relating to victim information

Although s. 119.071(2)(c), F.S., exempts active criminal investigative information from disclosure, the “name, sex, age, and address of . . . the victim of a crime, except as provided in s. 119.071(2)(h) or (o),” are specifically excluded from the definition of criminal investigative or intelligence information. *See* s. 119.011(3)(c)2., F.S. Accordingly, victim information is considered to be public record in the absence of a statutory exemption. *Cf. Palm Beach County Sheriff’s Office v. Sun-Sentinel Company, LLC*, 226 So. 3d 969 (Fla. 4th DCA 2017) (s. 119.071[2][m], F.S., providing an exemption for the identity of homicide witnesses for 2 years after the date on which the murder is observed by the witness shields the identity of witnesses to a highway shooting who became victims when the perpetrator shot at their vehicle). A discussion of the statutory exemptions which apply to crime victims generally, and those which apply to the victims of certain crimes, follows.

(a) Amount of stolen property

Pursuant to s. 119.071(2)(i), F.S., criminal intelligence or investigative information that reveals the personal assets of a crime victim, which were not involved in the crime, is exempt from disclosure. However, this exemption does not apply to information relating to the amount of property stolen during the commission of a crime. AGO 82-30. Note, however, that s. 119.071(2)(j)1., F.S., provides that victims of certain crimes may file a written request to exempt information revealing their “personal assets.”

(b) Commercial solicitation of victims

Section 119.105, F.S., provides that police reports are public records except as otherwise made exempt or confidential and that every person is allowed to examine nonexempt or nonconfidential police reports. However, a person who comes into possession of exempt or confidential information in police reports may not use that information for commercial solicitation of the victims or relatives of the victims and may not knowingly disclose such information to a third party for the purpose of such solicitation during the period of time that information remains exempt or confidential. *Id.* The statute “does not prohibit the publication of such information to the general public by any news media legally entitled to possess that information or the use of such information for any other data collection or analysis purposes by those entitled to possess that information.” *Id.* A willful and knowing violation of this statute is a third-degree felony. Section 119.10(2)(b), F.S.

(c) Documents which are *received* by an agency regarding victims

Section 119.071(2)(j)1., F.S., exempts from disclosure any document that reveals the identity, home or employment telephone number or address, or personal assets of the victim of a crime and identifies that person as the victim of a crime, if that document is *received* by an agency that regularly receives information from or concerning the victims of crime. However, this provision is limited to documents received by agencies which regularly receive information from or concerning victims of crime; it does not apply to records generated or made by these agencies. AGO 90-80. Accordingly, this exemption does not apply to police reports. *Id.*

Section 119.071(2)(j)1., F.S., also provides that “[a]ny state or federal agency that is authorized to have access to such documents by any provision of law shall be granted such access in the furtherance of such agency’s statutory duties, notwithstanding this section.” *See* Inf. Op. to McCabe, November 27, 1995 (state attorney authorized to release materials received during an investigation of a domestic violence incident to a police department for use in the department’s internal affairs investigation).

(d) Home or employment address, telephone number, assets

Victims of specified crimes listed in s. 119.071(2)(j)1., F.S., are authorized to file a written request for exemption of their addresses, telephone numbers and personal assets as follows:

Any information not otherwise held confidential or exempt [from disclosure] which reveals the home or employment telephone number, home or employment address, or personal assets of a person who has been the victim of *sexual battery, aggravated child abuse, aggravated stalking, harassment, aggravated battery, or domestic violence* is exempt [from disclosure], upon written request by the victim which must include official verification that an applicable crime has occurred. Such information shall cease to be exempt 5 years after the receipt of the written request. (e.s.)

This exemption is not limited to documents *received* by an agency, but exempts specified information in records--whether generated or received by--an agency. Thus, a victim of the enumerated crimes may file a written request and have his or her home or employment telephone number, home or employment address, or personal assets, exempted from the police report of the crime, provided that the request includes official verification, such as a copy of the incident or offense report for one of the listed crimes, that an applicable crime has occurred. *See* AGO 96-82. The exemption is limited to the victim’s address, telephone number, or personal assets; it does not apply to the victim’s identity. *City of Gainesville v. Gainesville Sun Publishing Company*, No. 96-3425-CA (Fla. 8th Cir. Ct. October 28, 1996).

The exemption applies to records created prior to, as well as after, the agency’s receipt of the victim’s written request for exemption AGO 96-82. It applies to any records held by an agency and is not limited to those records relating to the offense. *Id.* “[A]n examination of the legislative history surrounding the adoption of this exemption indicates that the Legislature intended that the exemption not be limited to those documents identifying the individual as a victim of crime but rather be applied to any document revealing the personal information held by any agency.” *Id.* And *see* AGO 02-50, in which the Attorney General’s Office advised that s. 119.071(2)(j)1., F.S., does not contain an exception for copies of the police report that are sent to domestic violence centers pursuant to s. 741.29, F.S., if the victim has made a written request for exempt status of the personal information specified in s. 119.071(2)(j)1., F.S.

In addition, the requirement that the victim make a written request for exemption applies only to information not otherwise held confidential by law; thus, the exemption supplements, but does not replace, other confidentiality provisions, such as s. 119.071(2)(h), F.S., that may be applicable to certain crime victims. AGO 96-82

For more information on exemptions pertaining to domestic violence or stalking victims, please see the discussion on page 75.

(e) Information identifying or depicting victims of sex offenses and of child abuse

(1) Law enforcement and prosecution records

Section 119.071(2)(h)1.a., F.S., provides confidentiality for criminal investigative and intelligence information that reveals the identity of a victim of the crime of child abuse, as defined by Ch. 827, F.S., or that reveals the identity of a person under the age of 18 who is a victim of the crime of human trafficking proscribed in s. 787.06(3)(a), F.S. Information which may reveal the identity of a victim of a sexual offense, including a sexual offense prohibited in s. 787.06(3)(b), (d), (f), or (g), or Chs. 794, 796, 800, 827, or 847, F.S., is also confidential. Section 119.071(2)(h)1.b., F.S.

In addition, the photograph, videotape, or image of any part of the body of a victim of a sexual offense prohibited under ss. 787.06(3)(b), (d), (f), or (g) or 810.145, or Chs. 794, 796, 800, 827, or 847, F.S., is confidential and exempt, regardless of whether the photograph, videotape, or image identifies the victim. Section 119.071(2)(h)1.c., F.S. *See Harvard v. Village of Palm Springs*, 98 So. 3d 645, 647 (Fla. 4th DCA 2012), rejecting a mother's assertion that there is "no law prohibiting her" from obtaining a copy of her son's videotaped interview, because s. 119.071(2)(h)1.a-c, F.S., "provides that a video of a victim is exempt from a public records request if it is taken during the course of one of several enumerated types of criminal investigations."

Thus, the Attorney General's Office advised that information revealing the identity of victims of child abuse or sexual battery must be deleted from the copy of the report of domestic violence which is sent by a law enforcement agency to the nearest domestic violence center pursuant to s. 741.29(2), F.S. AGO 92-14. *And see Palm Beach County Police Benevolent Association v. Neumann*, 796 So. 2d 1278 (Fla. 4th DCA 2001), applying exemption to information identifying a child abuse victim which was contained in files prepared as part of an internal investigation conducted in accordance with s. 112.533, F.S.

Section 119.071(2)(h)2.a-c, F.S., sets forth circumstances which permit a law enforcement agency to disclose the confidential information. Moreover, the Attorney General's Office has advised that the confidentiality provisions do not apply to the identity of a child abuse victim who *died* from suspected abuse. AGO 90-103.

Section 119.071(2)(j)2a., F.S., provides that identifying information in a videotaped statement of a minor who is alleged to be or who is a victim of a sexual offense prohibited in the cited laws which reveals the minor's identity, including, but not limited to, the minor's face; the minor's home, school, church, or employment telephone number; the minor's home, school, church, or employment address; the name of the minor's school, church, or place of employment; or the personal assets of the minor; and which identifies the minor as a victim, held by a law enforcement agency, is confidential. Access shall be provided, however, to authorized governmental agencies when necessary to the furtherance of the agency's duties. *Id.* A public employee may not willfully and knowingly disclose videotaped information that reveals the minor's identity to anyone other than the designated individuals, including the defendant. Section 119.071(2)(j)2b., F.S. *Cf. State v. Ingram*, 170 So. 3d 727 (Fla. 2015) (J. Pariente concurring) (s. 119.071[2][j]2.b. does not authorize disclosure to a convicted incarcerated inmate of videotaped information that reveals the minor victim's identity).

A public employee or officer having access to the photograph, name, or address of a person alleged to be a victim of an offense described in Ch. 794 (sexual battery); Ch. 800 (lewdness, indecent exposure); s. 827.03 (abuse, aggravated abuse, and neglect of a child); s. 827.04 (contributing to delinquency or dependency of a child); or s. 827.071 (sexual performance by a child) may not willfully and knowingly disclose it to a person not assisting in the investigation or prosecution of the alleged offense or to any person other than the defendant, the defendant's

attorney, a person specified in a court order entered by the court having jurisdiction over the alleged offense, to organizations authorized to receive such information made exempt by s. 119.071(2)(h), F.S., or to a rape crisis center or sexual assault counselor, as defined in s. 90.5035(1)(b), F.S., who will be offering services to the victim. Section 794.024(1), F.S. A violation of this section constitutes a second degree misdemeanor. Section 794.024(2), F.S. *Cf. State v. Globe Communications Corporation*, 648 So. 2d 110, 111 (Fla. 1994) (statute mandating criminal sanctions for printing, publishing or broadcasting “in any instrument of mass communication” information identifying a victim of a sexual offense, ruled unconstitutional).

An entity or individual who communicates to others, prior to open judicial proceedings, the name, address, or other specific identifying information concerning the victim of any sexual offense under Ch. 794 or Ch. 800 shall be liable to the victim for all damages reasonably necessary to compensate the victim for any injuries suffered as a result of such communication. Section 794.026(1), F.S. The victim, however, may not maintain a cause of action unless he or she is able to show that such communication was intentional and was done with reckless disregard for the highly offensive nature of the publication. Section 794.026(2), F.S. *Cf. Cox Broadcasting Corp. v. Cohn*, 95 S.Ct. 1029 (1975); and *Cape Publications, Inc. v. Hitchner*, 549 So. 2d 1374 (Fla. 1989), *appeal dismissed*, 110 S.Ct. 296 (1989).

The Crime Victims’ Services Office in the Attorney General’s Office is authorized to receive confidential records from law enforcement and prosecutorial agencies. Section 960.05(2)(k), F.S. *And see* AGO 92-51 (city victim services division, as a governmental agency which is part of the city’s criminal justice system, may receive identifying information about victims of sex offenses, for the purpose of advising the victim of available services pursuant to s. 960.001, F.S., requiring distribution of victim support information).

(2) Court records

Section 92.56, F.S., provides that criminal intelligence information or criminal investigative information made confidential pursuant to s. 119.071(2)(h), F.S., must be maintained in court records and in court proceedings, including witnesses’ testimony. If a petition for access to these records is filed with the trial court with jurisdiction over an alleged offense, the status of the information must be maintained by the court if the state or the victim demonstrates certain factors as set forth in the statute. Section 92.56(1), F.S. A person who willfully and knowingly violates section 92.56, F.S., or any court order issued under this section is subject to contempt proceedings. Section 92.56(6), F.S. *See also* AGO 03-56 and s. 119.0714(1)(h), F.S.

(3) Department of Children and Families abuse records

As discussed on pages 72-73, there are statutory exemptions set forth in Ch. 415, F.S., which relate to records of abuse of vulnerable adults. Similar provisions relating to child abuse records are found in Ch. 39, F.S. The Attorney General’s Office has concluded that the confidentiality provisions in these laws, *i.e.*, ss. 415.107 and 39.202, F.S., apply to records of the Department of Children and Families [DCF] and do not encompass a law enforcement agency’s arrest report of persons charged with criminal child abuse, after the agency has deleted all information which would reveal the identity of the victim. *See* AGO 93-54. *Accord* Inf. Op. to O’Brien, January 18, 1994. *Cf. Times Publishing Company v. A.J.*, 626 So. 2d 1314 (Fla. 1993), holding that a sheriff’s incident report of alleged child abuse that was forwarded to the state child welfare department for investigation pursuant to Ch. 415, F.S. 1990 [see now Part II, Ch. 39, F.S., entitled “Reporting Child Abuse”], should not be released. The Court noted that the department had found no probable cause and that child protection statutes accommodate privacy rights of those involved in these cases “by providing that the supposed victims, their families, and the accused should not be subjected to public scrutiny at least during the initial stages of an investigation, before probable cause has been found.” *Id.* at 1315.

Section 39.202(1) and (2)(b), F.S., authorizes criminal justice agencies to have access

to confidential abuse, abandonment, or neglect records held by DCF and provides that the exemption from disclosure for DCF abuse records also applies to DCF records and information in the possession of the agencies granted access. *See* Inf. Op. to Russell, October 24, 2001.

(f) Homicide victims and witnesses

(1) Photographs and video or audio recordings of killing of law enforcement officer or killing of victim of mass violence

Section 119.071(2)(p)1., F.S., provides confidentiality for a photograph, video or audio recording that depicts or records the killing of a law enforcement officer acting in accordance with his or her official duties or the killing of a victim of mass violence. Disclosure may be made to certain persons and entities as authorized in the exemption. Section 119.071(2)(p)2., F.S. *And see* page 71 discussing the confidentiality of autopsy photographs.

The term “killing of a law enforcement officer who was acting in accordance with his or her official duties” is defined to mean “all acts or events that cause or otherwise relate to the death of a law enforcement officer who was acting in accordance with his or her official duties, including any related acts or events immediately preceding or subsequent to the acts or events that were the proximate cause of death.” Section 119.071(2)(p)1.a., F.S.

“Killing of a victim of mass violence” means events that depict either a victim being killed or the body of a victim killed in an incident in which 3 or more persons, not including the perpetrator, are killed by the perpetrator of an intentional act of violence. Section 119.071(2)(p)1.b., F.S.

Section 119.071(2)(p)7., F.S., provides that the exemption shall be given retroactive application and shall apply to all photographs and recordings of persons covered by the exemption regardless of whether the killing occurred before, on, or after the effective date of the act, May 23, 2019. *And see State v. Schenecker*, No. 11 CF 001376A (Fla. 13th Cir. Ct. August 3, 2011), *cert.denied sub nom., Media General Operations v. State*, 71 So. 3d 124 (Fla. 2d DCA 2011), in which the court concluded that a prior version of this statute applied to crime scene photographs of the victims.

(2) Address of victim of an incident of mass violence

The address of a victim of an incident of mass violence is exempt from disclosure requirements. Section 119.071(2)(o), F.S. The term “incident of mass violence” means an incident in which 4 or more people, not including the perpetrator, are severely injured or killed by an intentional and indiscriminate act of violence of another. The term “victim” means a person killed or injured during an incident of mass violence, not including the perpetrator. *Id.*

(3) Homicide witness

Criminal investigative or intelligence information that reveals the personal identifying information of a witness to a murder, as described in s. 782.04, F.S., is confidential for 2 years after the date on which the murder is observed by the witness. Section 119.071(2)(m)1., F.S. A criminal justice agency may disclose this information in the furtherance of its official duties and responsibilities; to assist in locating or identifying the witness if the agency believes the witness to be missing or endangered; to another governmental agency for use in the performance of its official duties and responsibilities; to the parties in a pending criminal prosecution as required by law. *Id.* *And see Palm Beach County Sheriff's Office v. Sun-Sentinel Company, LLC*, 226 So. 3d 969 (Fla. 4th DCA 2017) (applying exemption to shield the identity of witnesses who observed a homicide on the highway and whose vehicle was hit by bullets fired by the perpetrator as the witnesses attempted to follow the suspect's car).

(g) Human trafficking victims

Criminal intelligence information or criminal investigative information that may reveal the identity of a person who is a victim of human trafficking whose criminal history record has been expunged pursuant to s. 943.0583, F.S., is confidential. Section 943.0583(11)(a), F.S. Disclosure is authorized under certain circumstances. Section 943.0583(11)(b), F.S. *And see* s. 119.071(2)(h), F.S., relating to victims of the crime of human trafficking proscribed in s. 787.06, F.S., discussed on page 118.

Information about the location of a safe house, safe foster home, or other residential facility serving child victims of commercial sexual exploitation, as defined in s. 409.016, F.S., is confidential and exempt from public disclosure requirements. Section 409.1678(6)(a), F.S. Information may be provided to an agency as necessary to maintain health and safety standards and to address emergency situations in the house or facility. Section 409.1678(6)(b), F.S.

(h) Relocated victim or witness information

Information held by a law enforcement agency, prosecutorial agency or the Victim and Witness Protection Review Committee which discloses the identity or location of a victim or witness (or their immediate family) who has been identified or certified for protective or relocation services is confidential and exempt from disclosure. Section 914.27, F.S.

16. Litigation records

a. Attorney-client communications

The Public Records Act applies to communications between attorneys and governmental agencies; there is no judicially created privilege which exempts these documents from disclosure. *Wait v. Florida Power & Light Company*, 372 So. 2d 420 (Fla. 1979) (only the Legislature and not the judiciary can exempt attorney-client communications from Ch. 119, F.S.). *See also City of North Miami v. Miami Herald Publishing Company*, 468 So. 2d 218 (Fla. 1985) (although s. 90.502, F.S., of the Evidence Code establishes an attorney-client privilege for public and private entities, this evidentiary statute does not remove communications between an agency and its attorney from the open inspection requirements of Ch. 119, F.S.).

Moreover, public disclosure of these documents does not violate the public agency's constitutional rights of due process, effective assistance of counsel, freedom of speech, or the Supreme Court's exclusive jurisdiction over The Florida Bar. *City of North Miami v. Miami Herald Publishing Company*, *supra*. *And see Seminole County, Florida v. Wood*, 512 So. 2d 1000, 1001 (Fla. 5th DCA 1987), *review denied*, 520 So. 2d 586 (Fla. 1988) (the rules of ethics provide that an attorney may divulge a communication when required by law; the Legislature has plenary authority over political subdivisions and can require disclosure of otherwise confidential materials); and AGO 98-59 (records in the files of the former city attorney, who served as a contract attorney for the city, which were made or received in carrying out her duties as city attorney and which communicate, perpetuate, or formalize knowledge constitute public records and are required to be turned over to her successor).

On the other hand, the Florida Supreme Court has ruled that files in the possession of the Capital Collateral Representative (CCR) in furtherance of its representation of an indigent client are not subject to public disclosure under Ch. 119, F.S. The Court noted that the files are not governmental records for purposes of the public records law but are the "private records" of the CCR client. *Kight v. Dugger*, 574 So. 2d 1066 (Fla. 1990). *And see Times Publishing Company v. Acton*, No. 99-8304 (Fla. 13th Cir. Ct. November 5, 1999) (private attorneys retained by individual county commissioners in a criminal case were not "acting on behalf" of a public agency so as to become subject to the Public Records Act, even though the board of county commissioners subsequently voted to pay the commissioners' legal expenses in accordance with a county policy providing for reimbursement of legal expenses to individual county officers who successfully defend criminal charges filed against them arising out of the performance of their official duties).

b. Attorney work product

The Supreme Court has ruled that the Legislature and not the judiciary has exclusive authority to exempt litigation records from the scope of Ch. 119, F.S. *Wait v. Florida Power & Light Company*, 372 So. 2d 420 (Fla. 1979). See also *Edelstein v. Donner*, 450 So. 2d 562 (Fla. 3d DCA 1984), approved, 471 So. 2d 26 (Fla. 1985), noting that in the absence of legislation, a work product exemption is “non-existent;” and *Hillsborough County Aviation Authority v. Azzarelli Construction Company*, 436 So. 2d 153, 154 (Fla. 2d DCA 1983), stating that the Supreme Court’s decision in *Wait* “constituted a tacit recognition that work product can be a public record.”

With the enactment of s. 119.071(1)(d), F.S., the Legislature created a narrow statutory exemption for certain litigation work product of agency attorneys. See *City of Orlando v. Desjardins*, 493 So. 2d 1027, 1029 (Fla. 1986), in which the Court noted that the exemption was enacted because of “developing case law affording public entities no protection under either the work product doctrine or the attorney-client privilege . . .” See also *City of North Miami v. Miami Herald Publishing Company*, 468 So. 2d 218, 219 (Fla. 1985) (noting application of exemption to “government agency, attorney-prepared litigation files during the pendency of litigation”); and *City of Miami Beach v. DeLapp*, 472 So. 2d 543 (Fla. 3d DCA 1985) (opposing counsel not entitled to city’s legal memoranda as such material is exempt work product). Cf. *Dettelbach v. Department of Business and Professional Regulation*, 261 So. 3d 676, 682 (Fla. 1st DCA 2018), noting that “it was important” that an agency attorney’s memorandum which was prepared exclusively to assess the strength of the agency’s evidence in a licensing case remain exempt from disclosure during the pendency of the adversarial administrative proceedings.

Section 119.071(1)(d)1., F.S., states, in relevant part:

A public record that was prepared by an agency attorney (including an attorney employed or retained by the agency or employed or retained by another public officer or agency to protect or represent the interests of the agency having custody of the record) or prepared at the attorney’s express direction, that reflects a mental impression, conclusion, litigation strategy, or legal theory of the attorney or the agency, and that was prepared exclusively for civil or criminal litigation or for adversarial administrative proceedings, or that was prepared in anticipation of imminent civil or criminal litigation or imminent adversarial administrative proceedings, is exempt [from disclosure] until the conclusion of the litigation or adversarial administrative proceedings.

Note that this statutory exemption applies to attorney work product that has reached the status of becoming a public record; as discussed more extensively on pages 126-127, certain preliminary trial preparation materials, such as handwritten notes for the personal use of the attorney, are not considered to be within the definitional scope of the term “public records” and, therefore, are outside the scope of Ch. 119, F.S. See *Johnson v. Butterworth*, 713 So. 2d 985 (Fla. 1998).

Under the terms of the statute, the work product exemption “is not waived by the release of such public record to another public employee or officer of the same agency or any person consulted by the agency attorney.” Section 119.071(1)(d)2., F.S. See also AGO 94-77 (work product exemption continues to apply to records prepared by the county attorney when these records are transferred to the city attorney pursuant to a transfer agreement whereby the city is substituted for the county as a party to the litigation).

An agency asserting the work product exemption must identify the potential parties to the litigation or proceedings. Section 119.071(1)(d)2., F.S. However, the agency is not required to identify each *document* in a record that it asserts to be exempt under the work product exemption.

Dettelbach v. Department of Business and Professional Regulation, 261 So. 3d 676, 683 (Fla. 1st DCA 2018). Whether to impose such a requirement “is a matter properly addressed to the legislature rather than this court.” *Id.*

In the event of litigation disputing the claimed work product exemption, the court must conduct an in camera inspection of the records. *Environmental Turf, Inc. v. University of Florida Board of Trustees*, 83 So. 3d 1012 (Fla. 1st DCA 2012).

If a court finds that the record was improperly withheld, the party seeking the record shall be awarded reasonable attorney’s fees and costs in addition to any other remedy ordered by the court. Section 119.071(1)(d)2., F.S. As one court has noted, the inclusion of an attorney’s fee sanction “was prompted by the legislature’s concern that government entities might claim the work product privilege whenever public access to their records is demanded.” *Smith & Williams, P.A. v. West Coast Regional Water Supply Authority*, 640 So. 2d 216, 218 (Fla. 2d DCA 1994).

(1) Scope of exemption

(a) Attorney bills and payments

Only those records which reflect a “mental impression, conclusion, litigation strategy, or legal theory” are included within the parameters of the work product exemption. Accordingly, in AGO 85-89, the Attorney General’s Office concluded that a contract between a county and a private law firm for legal counsel and documentation for invoices submitted by such firm to the county do not fall within the work product exemption. *Accord* AGO 00-07 (records of outside attorney fee bills for the defense of the county, as well as its employees who are sued individually, for alleged civil rights violations are public records subject to disclosure).

If the bills and invoices contain some exempt work product--i.e., “mental impression[s], conclusion[s], litigation strateg[ies], or legal theor[ies],”--the exempt material may be deleted and the remainder disclosed. AGO 85-89. However, information such as the hours worked or the hourly wage clearly would not fall within the scope of the exemption. *Id.* *And see Herskovitz v. Leon County*, No. 98-22 (Fla. 2d Cir. Ct. June 9, 1998) (“Obviously, an entry on a [billing] statement which identifies a specific legal strategy to be considered or puts a specific amount of settlement authority received from the client, would fall within the exemption. On the other hand, a notation that the file was opened, or that a letter was sent to opposing counsel, would not.”).

Thus, an agency which “blocked out” most notations on invoices prepared in connection with services rendered by and fees paid to attorneys representing the agency, “improperly withheld” nonexempt material when it failed to limit its redactions to those items “genuinely reflecting its ‘mental impression, conclusion, litigation strategy, or legal theory.’” *Smith & Williams, P.A. v. West Coast Regional Water Supply Authority*, 640 So. 2d at 218. *And see Davis v. Sarasota County Public Hospital Board*, 480 So. 2d 203 (Fla. 2d DCA 1985), *review denied*, 488 So. 2d 829 (Fla. 1986), holding in part that a citizen seeking to examine records of a public hospital board concerning the payment of legal fees was entitled to examine actual records, not merely excerpts taken from information stored in the hospital’s computer.

(b) Records prepared prior to litigation or for other purposes

Unlike the open meetings exemption in s. 286.011(8), F.S., for certain attorney-client discussions between a governmental board and its attorney, s. 119.071(1)(d), F.S., is not limited to records created for *pending* litigation before a court or administrative agency, but may also apply to records prepared “in *anticipation of imminent* civil or criminal litigation or imminent adversarial administrative proceedings . . .” (e.s.) *See* AGO 98-21, discussing the differences between the public records work product exemption in s. 119.071(1)(d) and the Sunshine Law exemption in s. 286.011(8), F.S.

However, s. 119.071(1)(d), F.S., does not create a blanket exception to the Public Records Act for all attorney work product. AGO 91-75. The exemption is narrower than the work product privilege recognized by the courts for private litigants. AGO 85-89. In order to qualify for the work product exemption, the records must have been prepared exclusively for litigation or adversarial administrative proceedings, or prepared in anticipation of imminent litigation or adversarial administrative proceedings; records prepared for other purposes may not be converted into exempt material simply because they are also used in or related to the litigation. *See, e.g., Lightbourne v. McCollum*, 969 So. 2d 326, 333 (Fla. 2007), *cert. denied*, 553 U.S. 1059 (2008) (memoranda prepared by corrections department attorney regarding lethal injection procedures do not constitute exempt attorney work product because memoranda do not relate to any pending litigation nor appear to have been prepared exclusively for litigation); *MHM Correctional Services, Inc. v. State, Department of Corrections*, No. 2009 CA 2105 (Fla. 2d Cir. Ct. June 10, 2009) (department wrongfully withheld portions of an e-mail stream regarding the bid process as protected work product or privileged communications as none of the emails were prepared in contemplation of litigation as required by the statute).

Moreover, only those records which are prepared by or at the express direction of the agency attorney and reflect “a mental impression, conclusion, litigation strategy, or legal theory of the attorney or the agency” are exempt from disclosure until the conclusion of the proceedings. *See City of Orlando v. Desjardins*, 493 So. 2d 1027, 1028 (Fla. 1986) (trial court must examine city’s litigation file in accident case and prohibit disclosure only of those records reflecting mental impression, conclusion, litigation strategy or legal theory of attorney or city); *Jordan v. School Board of Broward County*, 531 So. 2d 976, 977 (Fla. 4th DCA 1988) (record did not constitute exempt work product because it “was not prepared at an attorney’s express direction nor did it reflect a conclusion and mental impression of appellee”); and *Lightbourne v. McCollum*, *supra* (exemption inapplicable to records that conveyed specific factual information rather than mental impressions or litigation strategies). *Cf. Tober v. Sanchez*, 417 So. 2d 1053, 1055 (Fla. 3d DCA 1982), *review denied sub nom., Metropolitan Dade County Transit Agency v. Sanchez*, 426 So. 2d 27 (Fla. 1983) (documents which are given by a client to an attorney in the course of seeking legal advice are privileged in the attorney’s hands only if the documents were privileged in the client’s hands; thus, otherwise public records made or received by agency personnel do not become privileged merely by transferring them to the agency attorney).

Thus, a circuit judge refused to apply the exemption to tapes, witness statements and interview notes taken by police as part of an investigation of a drowning accident at a city summer camp. *See Sun-Sentinel Company v. City of Hallandale*, No. 95-13528(05) (Fla. 17th Cir. Ct. October 11, 1995). Similarly, in AGO 05-23, the Attorney General’s Office advised that notes taken by the assistant city attorney during interviews with co-workers of certain city employees in order to ascertain if employee discipline was warranted are not exempt from disclosure. *See also* AGO 91-75 (work product exemption not applicable to documents generated or received by school district investigators, acting at the direction of the school board to conduct an investigation of certain school district departments). *Cf. City of Avon Park v. State*, 117 So. 3d 470 (Fla. 2d DCA 2013) (recognizing that where no charges were filed against any of the parties mentioned in a state attorney investigator’s report, the report was a public record and the s. 119.071[1][d], F.S., exemption was inapplicable).

(c) Settlement records

A circuit court held that draft settlement agreements furnished to a state agency by a federal agency were public records despite the department’s agreement with the federal agency to keep such documents confidential. *Florida Sugar Cane League, Inc. v. Department of Environmental Regulation*, No. 91-2108 (Fla. 2d Cir. Ct. September 20, 1991), *per curiam affirmed*, 606 So. 2d 1267 (Fla. 1st DCA 1992). *And see Florida Sugar Cane League, Inc. v. Florida Department of Environmental Regulation*, No. 91-4218 (Fla. 2d Cir. Ct. June 5, 1992) (technical documents or data which were not prepared for the purpose of carrying litigation forward but rather were jointly authored among adversaries to promote settlement are not exempted as attorney work

product); and Inf. Op. to Gastesi, August, 27, 2015 (settlement demand furnished by plaintiff to agency). *Cf. Prison Health Services, Inc. v. Lakeland Ledger Publishing Company*, 718 So. 2d 204, 205 (Fla. 2d DCA 1998), *review denied*, 727 So. 2d 909 (Fla. 1999) (private company under contract with sheriff to provide medical services for inmates at county jail must release records relating to a settlement agreement with an inmate because all of its records that would normally be subject to the Public Records Act if in the possession of the public agency, are likewise covered by that law, even though in the possession of the private corporation).

In addition, if the state settles a claim against one company accused of conspiracy to fix prices, the state has concluded the litigation against that company. Thus, the records prepared in anticipation of litigation against that company are no longer exempt from disclosure even though the state has commenced litigation against the alleged co-conspirator. *State v. Coca-Cola Bottling Company of Miami, Inc.*, 582 So. 2d 1 (Fla. 4th DCA 1990). *And see Tribune Company v. Hardee Memorial Hospital*, No. CA-91-370 (Fla. 10th Cir. Ct. August 19, 1991) (settlement agreement not exempt as attorney work product even though another related case was pending, and agency attorneys feared disclosure of their assessment of the merits of the settled case and their litigation strategy would have a detrimental effect upon the agency's position in the related case).

(2) Duration of exemption

The exemption from disclosure provided by s. 119.071(1)(d), F.S., is temporary and limited in duration. *City of North Miami v. Miami Herald Publishing Co.*, *supra*. The exemption exists only until the “conclusion of the litigation or adversarial administrative proceedings” even if disclosure of the information in the concluded case could negatively impact the agency's position in related cases or claims. *See State v. Coca-Cola Bottling Company of Miami, Inc.*, 582 So. 2d 1 (Fla. 4th DCA 1990); *Seminole County v. Wood*, 512 So. 2d 1000 (Fla. 5th DCA 1987), *review denied*, 520 So. 2d 586 (Fla. 1988); *and Lightbourne v. McCollum*, *supra* (rejecting a “continuing exemption” claim by the state). *And see* AGO 13-13 (Sunshine Law exemption for certain attorney-client meetings found in s. 286.011[8], F.S., “does not recognize a continuation of the exemption for ‘derivative claims’ made in separate, subsequent litigation”). *Cf. State v. Coca-Cola Bottling Company of Miami, Inc.*, *supra* (although state cannot claim work product exemption for litigation records after conclusion of litigation, Ch. 119 does not cover oral testimony; thus, opposing counsel not entitled to take *depositions* of state representatives regarding the concluded litigation).

Thus, a school board failed to meet its burden of showing that items contained in a school board litigation report were exempt from disclosure where there was no evidence that the cases in question were pending and open when the board received the public records request. *Barfield v. School Board of Manatee County*, 135 So. 3d 560 (Fla. 2d DCA 2014).

However, the phrase “conclusion of the litigation or adversarial administrative proceedings” encompasses post-judgment collection efforts such as a legislative claims bill. *Wagner v. Orange County*, 960 So. 2d 785 (Fla. 5th DCA 2007). *And see* AGO 94-33, concluding that for purposes of the attorney-client exemption from the Sunshine Law in s. 286.011(8), F.S., a pending lawsuit is concluded when the suit is dismissed with prejudice or the applicable statute of limitations has run; “[t]o allow a plaintiff who has voluntarily dismissed a suit to gain access to transcripts of strategy or settlement meetings in order to obtain an advantage in the refile of a lawsuit would subvert the purpose of the statute.” *Cf. Chmielewski v. City of St. Pete Beach*, 161 So. 3d 521 (Fla. 2d DCA 2014) (rejecting city's argument that because an agreement settling a quiet title action provided for further mediation should a dispute arise regarding the meaning of the agreement, the case was still pending for purposes of the Sunshine Law exemption in s. 286.011[8], F.S.).

In addition, the exemption extends “through prosecution of appeals.” Inf. Op. to Boutsis, December 13, 2012. *Cf. s. 119.071(1)(d)1.*, F.S. (“For purposes of capital collateral litigation as set forth in s. 27.7001, the Attorney General's office is entitled to claim this exemption for those public records prepared for direct appeal as well as for all capital collateral litigation after direct

appeal until execution of sentence or imposition of a life sentence.”).

c. Other statutory exemptions relating to litigation records

Section 768.28(16)(b), F.S., provides an exemption for claims files maintained by agencies pursuant to a risk management program for tort liability until the termination of all litigation and settlement of all claims arising out of the same incident.

The “plain language of the statute” indicates that the “*entire* claims file is exempt from disclosure until resolution of the claim or claims.” *City of Homestead v. McDonough*, 232 So. 3d 1069, 1071 (Fla. 3d DCA 2017). [emphasis supplied by the court]. Accordingly, the trial court erred by ordering production of certain records in the file on the theory that production would not harm the city. *Id.* See also *Wagner v. Orange County*, 960 So. 2d 785 (Fla. 5th DCA 2007), stating that the phrase “settlement of all claims arising out of the same incident” included a legislative claims bill.

The exemption afforded by s. 768.28(16), F.S., is limited to tort claims for which the agency may be liable under s. 768.28, F.S., and does not apply to federal civil rights actions under 42 U.S.C. s. 1983. AGOs 00-20 and 00-07. And see *Sun-Sentinel Company v. City of Hallandale*, No. 95-13528(05) (Fla. 17th Cir. Ct. October 11, 1995) (exemption now found at s. 768.28[16] [b], F.S., for risk management files did not apply to tapes, witness statements and interview notes taken by police as part of an investigation of a drowning accident at a city summer camp). Moreover, the exemption does not include outside attorney invoices indicating hours worked and amount to be paid by the public agency, even though the records may be maintained by the agency’s risk management office pursuant to a risk management program. AGO 00-07. And see AGO 92-82 (open meetings exemption provided by s. 768.28, F.S., applies only to meetings held *after* a tort claim is filed with the risk management program).

Section 624.311(2), F.S., provides that the “records of insurance claim negotiations of any state agency or political subdivision are confidential and exempt [from disclosure] until termination of all litigation and settlement of all claims arising out of the same incident.” A county’s self-insured workers compensation program is the legal equivalent of “insurance” for purposes of this exemption. *Herskovitz v. Leon County*, No. 98-22 (Fla. 2d Cir. Ct. June 9, 1998). And see AGO 85-102 (s. 624.311, F.S., exemption includes correspondence regarding insurance claims negotiations between a county’s retained counsel and its insurance carriers until termination of litigation and settlement of claims arising out of the same incident). Compare s. 284.40(2), F.S. (claim files maintained by the risk management division of the Department of Financial Services are confidential, shall be only for the use of the department, and are exempt from disclosure); and s. 1004.24(4), F.S. (claims files of self-insurance program adopted by Board of Governors, or the board’s designee, are confidential and exempt).

d. Attorney notes

Relying on its conclusion in *Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.*, 379 So. 2d 633 (Fla. 1980), the Florida Supreme Court has recognized that “not all trial preparation materials are public records.” *State v. Kokal*, 562 So. 2d 324, 327 (Fla. 1990). In *Kokal*, the Court approved the decision of the Fifth District in *Orange County v. Florida Land Co.*, 450 So. 2d 341, 344 (Fla. 5th DCA 1984), *review denied*, 458 So. 2d 273 (Fla. 1984), which described certain documents as not within the term “public records” because they were not used to perpetuate, formalize, or communicate knowledge:

Document No. 2 is a list in rough outline form of items of evidence which may be needed for trial. Document No. 9 is a list of questions the county attorney planned to ask a witness. Document No. 10 is a proposed trial outline. Document No. 11 contains handwritten notes regarding the county’s sewage system and a meeting with Florida Land’s attorneys. Document No. 15

contains notes (in rough form) regarding the deposition of an anticipated witness. These documents are merely notes from the attorneys to themselves designed for their own personal use in remembering certain things. They seem to be simply *preliminary* guides intended to aid the attorneys when they later formalized the knowledge. We cannot imagine that the Legislature, in enacting the Public Records Act, intended to include within the term ‘public records’ this type of material. [Emphasis supplied by Court]

Similarly, in *Johnson v. Butterworth*, 713 So. 2d 985, 987 (Fla. 1998), the Court ruled that “outlines, time lines, page notations regarding information in the record, and other similar items” in the case file, do not fall within the definition of public record, and thus are not subject to disclosure. *See also Braddy v. State*, 219 So. 3d 803, 821 (Fla. 2017) (“handwritten attorney notes, draft documents, and annotated copies of decisional law . . . do not constitute public records”); *Patton v. State*, 784 So. 2d 380, 389 (Fla. 2000) (prosecutor’s personal notes, *i.e.*, handwritten details of specific questions to ask jurors during voir-dire, notes on potential jurors, a time-line of events, or specific detailed questions for witnesses, are not public records); *Ragsdale v. State*, 720 So. 2d 203, 205 (Fla. 1998) (“attorney’s notes and other such preliminary documents are not public records and are never subject to public records disclosure”); *Valle v. State*, 705 So. 2d 1331, 1335 (Fla. 1997) (prosecutors’ notes to themselves for their own personal use, including outlines of opening and closing arguments and notes of witness depositions are not public records); *Lopez v. State*, 696 So. 2d 725, 727 (Fla. 1997) (handwritten notes dealing with trial strategy and cross-examination of witnesses are not public records); and *Atkins v. State*, 663 So. 2d 624, 626 (Fla. 1995) (notes of state attorney’s investigations and annotated photocopies of decisional case law are not public records).

By contrast, documents prepared to communicate, perpetuate, or formalize knowledge constitute public records and are, therefore, subject to disclosure in the absence of statutory exemption. *See Shevin v. Byron, Harless, Schaffer, Reid & Associates, Inc.*, 379 So. 2d 633, 640 (Fla. 1980), stating that “[i]nter-office memoranda and intra-office memoranda communicating information from one public employee to another or merely prepared for filing, even though not a part of an agency’s later, formal public product, would nonetheless constitute public records inasmuch as they supply the final evidence of knowledge obtained in connection with the transaction of official business.”

Thus, in *Coleman v. Austin*, 521 So. 2d 247, 248 (Fla. 1st DCA 1988), the court observed that “although notes from attorneys to themselves might not be public records when intended for their own personal use, inter-office and intra-office memoranda may constitute public records even though encompassing trial preparation materials.” *And see Orange County v. Florida Land Company, supra*, in which the court concluded that trial preparation materials consisting of interoffice and intraoffice memoranda communicating information from one public employee to another or merely prepared for filing, even though not part of the agency’s formal work product, were public records although such circulated trial preparation materials might be exempt from disclosure pursuant to s. 119.071(1)(d), F.S., while the litigation is ongoing. *See also* AGO 05-23 (handwritten notes prepared by city’s assistant labor attorney during her interviews with city employees are public records “when those notes are made to perpetuate and formalize knowledge and to communicate that information to the city’s labor attorney”).

17. Personal records not made or received in the course of official business

As noted in AGO 04-33, the broad definition of “public record” makes it clear that the “form of the record is irrelevant; the material issue is whether the record is made or received by the public agency in connection with the transaction of official business.” *See* s. 119.011(12), F.S., defining the term “public records” to mean materials “made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency.” *See also Shevin*

v. Byron, Harless, Schaffer, Reid and Associates, Inc., 379 So. 2d 633, 640 (Fla. 1980), stating that in order to constitute “public records” for purposes of Ch. 119 disclosure requirements, the records must have been prepared “in connection with official agency business” and be intended to “perpetuate, communicate, or formalize knowledge of some type.”

Accordingly, records which are *not* made or received in connection with the transaction of official business do not constitute public records for purposes of Ch. 119 disclosure requirements. *See e.g. Butler v. City of Hallandale Beach*, 68 So. 3d 278 (Fla. 4th DCA 2011) (e-mail sent by mayor from her personal account using her personal computer and blind copied to friends and supporters did not constitute a public record because the e-mail was not made pursuant to law or ordinance or in connection with the transaction of official business).

In evaluating whether a record is made or received in connection with the official business of an agency, “the determining factor is the nature of the record, not its physical location.” *State v. City of Clearwater*, 863 So. 2d 149, 154 (Fla. 2003). In *Clearwater*, the Court held that personal e-mails between government employees on government-owned computers which were not made or received in the course of official business did not constitute public records. *See also Bent v. State*, 46 So. 3d 1047, 1050 (Fla. 4th DCA 2010) (recordings made by sheriff’s office of personal telephone calls between minors in jail awaiting trial and third parties are not public records when contents of the phone calls do not involve criminal activity or a security breach); and *Media General Operations, Inc. v. Feeney*, 849 So. 2d 3 (Fla. 1st DCA 2003) (records of personal or private calls of legislative employees using cellular phone service provided by a political party do not constitute official business of the Legislature and are not subject to public disclosure).

However, in concluding that the location of e-mails on a government computer does not control the application of Public Records Act, the *Clearwater* court also cautioned that the case before it did not involve e-mails “that may have been isolated by a government employee whose job required him or her to locate employee misuse of government computers.” *State v. City of Clearwater*, at 151n.2. *And see Miami-Dade County v. Professional Law Enforcement Association*, 997 So. 2d 1289 (Fla. 3d DCA 2009) (personal flight log of pilots paid by county which are required as part of pilots’ administrative duties are distinguishable from personal e-mails in *City of Clearwater* case and are subject to disclosure). *See also* AGO 09-19 (because the creation of a city Facebook page must be for a municipal, not private purpose, the “placement of material on the city’s page would presumably be in furtherance of such purpose and in connection with the transaction of official business and thus subject to the provisions of Chapter 119, Florida Statutes”),

Thus, in *Bill of Rights, Inc. v. City of New Smyrna Beach*, No. 2009-20218-CINS (Fla. 7th Cir. Ct. April 8, 2010), the court concluded that billing documents regarding personal calls made and received by city employees on city-owned or city-leased cellular telephones are public records, when those documents are received and maintained in connection with the transaction of official business; “and, the ‘official business’ of a city includes paying for telephone service and obtaining reimbursement from employees for personal calls.” *See also* AGO 77-141 (copies of letters or other documents received by the mayor in his official capacity constitute records received “in connection with the transaction of official business” and therefore are public records). *Compare* Inf. Op. to Burke, April 14, 2010 (while the licensing board, and not Attorney General’s Office, must determine whether a letter, allegedly sent to the board by mistake, had been received by the board in connection with the transaction of official business, the board “may wish to consider whether circumstances characterize how the document was received, such as does the letter relate to a past, existing, or potential investigation by the board”).

Similarly, the mere fact that an e-mail is sent from a private e-mail account using a personal computer is not the determining factor as to whether it is a public record; it is whether the e-mail was prepared or received in connection with official agency business. *See Butler v. City of Hallandale Beach, supra*. For example, if a public employee sends a proposed agency budget

to his or her supervisor for review, the report is a public record, regardless of whether the report was sent from the employee's agency e-mail account using a government computer, or from his or her home computer using a personal e-mail account. *And see* AGO 08-07 (individual council members who post comments and emails relating to transaction of city business on a privately-owned and operated website "would be responsible for ensuring that the information is maintained in accordance with the Public Records Law").

"An elected official's use of a private cell phone to conduct public business via text messaging can create an electronic written public record subject to disclosure." *O'Boyle v. Town of Gulf Stream*, 257 So. 3d 1036, 1040 (Fla. 4th DCA 2018). However, in order for the communication to constitute a public record, "an official or employee must have prepared, owned, used, or retained it within the scope of his or her employment or agency." *Id.* at 1040-1041. According to the *O'Boyle* court, an official or employee's communication "falls 'within the scope of employment or agency' only when their job requires it, the employer or principal directs it, or it furthers the employer's or principal's interests." *Id.* at 1041. *Cf.* AGO 16-16 (hospital district not authorized to reimburse a board member for attorney fees incurred in responding to a public records request for records relating to her board service which were stored in her private computer and telephone when no suit, claim, charge, or action was instituted against the commissioner when the fees were incurred).

18. Personnel records

The general rule with regard to personnel records is the same as for other public records; unless the Legislature has expressly exempted certain personnel records from disclosure or authorized the agency to adopt rules limiting access to such records, personnel records are subject to public inspection and copying under s. 119.07(1), F.S. *See Michel v. Douglas*, 464 So. 2d 545 (Fla. 1985).

a. Annuity or custodial account activities

Records identifying individual participants in any annuity contract or custodial account under s. 112.21, F.S. (relating to tax-sheltered annuities or custodial accounts for employees of governmental agencies) and their personal account activities are confidential and exempt from s. 119.07(1), F.S. Section 112.21(1), F.S.

b. Applications for employment, references, and resumes

Applications and resumes are subject to disclosure, after redaction of statutorily exempt information such as social security numbers. *See Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.*, 379 So. 2d 633 (Fla. 1980); and AGOs 15-10 and 77-48. Similarly, communications from third parties are subject to disclosure. *See Douglas v. Michel*, 410 So. 2d 936 (Fla. 5th DCA 1982), *questions answered and approved*, 464 So. 2d 545 (Fla. 1985). A written employment contract is a public record. AGO 13-14.

c. Collective bargaining

(1) Relationship of collective bargaining agreement to personnel records

A collective bargaining agreement between a public employer and its employees may not validly make the personnel records of public employees confidential or exempt the same from the Public Records Act. AGO 77-48. Thus, employee grievance records are disclosable even though classified as confidential in a collective bargaining contract because "to allow the elimination of public records from the mandate of Chapter 119 by private contract would sound the death knell of the Act." *Mills v. Doyle*, 407 So. 2d 348, 350 (Fla. 4th DCA 1981). *Cf. Palm Beach County Classroom Teacher's Association v. School Board of Palm Beach County*, 411 So. 2d 1375, 1376 (Fla. 4th DCA 1982) (collective bargaining agreement cannot be used "to circumvent the requirements of public meetings" in s. 286.011, F.S.).

Similarly, a city may not remove and destroy disciplinary notices, with or without the employee's consent, during the course of resolving collective bargaining grievances, except in accordance with retention schedules established by the Division of Library and Information Services of the Department of State. AGO 94-75. *Accord* AGO 94-54.

(2) Collective bargaining work product exemption

Section 447.605(3), F.S., provides:

All work products developed by the public employer in preparation for negotiations, and during negotiations, shall be confidential and exempt from the provisions of s. 119.07(1), F.S.

The exemption is limited and does not remove budgetary or fiscal information from the purview of Ch. 119, F.S. *See Bay County School Board v. Public Employees Relations Commission*, 382 So. 2d 747, 749 (Fla. 1st DCA 1980), noting that records which are prepared for other purposes do not, as a result of being used in negotiations, come within the s. 447.605(3) exemption; and *Warden v. Bennett*, 340 So. 2d 977 (Fla. 2d DCA 1976), ordering that working papers used in preparing a college budget be produced for inspection by a labor organizer.

Thus, proposals and counter proposals presented during the course of collective bargaining would appear to be subject to public disclosure. However, written notes taken by the representative of a fire control district during collective bargaining sessions for use in preparing for subsequent bargaining sessions which reflect the impressions, strategies and opinions of the district representative are exempt pursuant to s. 447.605(3), F.S. Inf. Op. to Fulwider, June 14, 1993.

d. Complaints against employees

Section 119.071(2)(k), F.S., provides that a complaint of misconduct filed with an agency against an agency employee and all information obtained pursuant to an investigation by the agency of the complaint is confidential and exempt until the investigation ceases to be active, or until the agency provides written notice to the employee who is the subject of the complaint, either personally or by mail, that the agency has either:

- a. Concluded the investigation with a finding not to proceed with disciplinary action or file charges; or
- b. Concluded the investigation with a finding to proceed with disciplinary action or file charges.

Prior to the enactment of this statute in 2013, there was no general exemption from public disclosure for complaints and investigative records based on alleged misconduct by agency employees. *See e.g.*, AGO 04-22 (anonymous letter sent to city officials containing allegations of misconduct by city employees is a public record). Instead, the Legislature enacted exemptions pertaining to specific types of complaints and investigations. *See e.g.* s. 943.03(2), F.S., providing for confidentiality of Florida Department of Law Enforcement records relating to an active investigation of misconduct, in connection with their official duties, of public officials and employees and of members of public corporations and authorities subject to suspension or removal by the Governor.

For information on the exemptions for whistleblower, discrimination and ethics complaints directed against public officials and employees, please refer to the discussion on pages 94-97. A discussion of exemptions addressing complaints against law enforcement officers and educators follows:

(1) Law enforcement officers and correctional officers

(a) Scope of exemption and duration of confidentiality

In the absence of an express legislative exemption, law enforcement personnel records are

open to inspection just like those of other public employees. See *Tribune Company v. Cannella*, 438 So. 2d 516, 524 (Fla. 2d DCA 1983), *quashed on other grounds*, 458 So. 2d 1075 (Fla. 1984), *appeal dismissed sub nom.*, *Deperte v. Tribune Company*, 105 S.Ct. 2315 (1985) (law enforcement personnel records compiled and maintained by the employing agency “can never constitute criminal investigative or intelligence information within the meaning of the Public Records Act even if subpoenaed by another law enforcement agency at some point after their original compilation by the employing agency”).

However, section 112.533(2)(a), F.S., provides that complaints filed against law enforcement officers and correctional officers, and all information obtained pursuant to the agency’s investigation of the complaint, are confidential *until* the investigation is no longer active or until the agency head or his or her designee provides written notice to the officer who is the subject of the complaint that the agency has concluded the investigation with a finding to either proceed or not to proceed with disciplinary action or the filing of charges.

The term “law enforcement officer” is defined as any person, other than a chief of police, who is employed full time by any municipality or the state or any political subdivision thereof and whose primary responsibility is the prevention and detection of crime or the enforcement of the penal, traffic, or highway laws of this state; and includes any person who is appointed by the sheriff as a deputy sheriff pursuant to s. 30.07, F.S. Section 112.531(1), F.S.

Complaints filed with the employing agency by any person, whether within or outside the agency, are subject to the exemption. AGO 93-61. However, the complaint must be in writing in order for the confidentiality provisions to apply. *City of Delray Beach v. Barfield*, 579 So. 2d 315 (Fla. 4th DCA 1991). Cf. *Fraternal Order of Police v. Rutherford*, 51 So. 3d 485, 488 (Fla. 1st DCA 2010) (written complaint not necessary to trigger confidentiality afforded by s. 112.532[4] [b], F.S., as that statute provides a broader confidentiality for ongoing investigations whenever a law enforcement or correctional officer faces possible dismissal, demotion, or suspension without pay until the investigating agency “completes or abandons its investigation”).

While s. 112.533, F.S., applies to complaints and records obtained pursuant to the law enforcement agency’s investigation of the complaint, it does not transform otherwise public records (such as crime or incident reports) into confidential records simply because the actions which are described in the crime report later form the basis of a complaint filed pursuant to s. 112.533, F.S. AGO 96-27. Thus, a circuit judge ordered a police department to provide the media with a copy of an unredacted incident report that identified a police officer involved in the shooting of an armed suspect. *Morris Publishing Group, LLC v. Thomason*, No. 16-2005-CA-7052-XXXX-MA (Fla. 4th Cir. Ct. October 14, 2004). And see AGO 08-33 (list of law enforcement officers who have been placed on administrative duty by their employer is not confidential under s. 112.533[2][a], F.S., but is subject to inspection and copying even if information on the list will identify officers who are the subject of internal investigation).

If the officer resigns prior to the agency’s completion of its investigation, the exemption from disclosure provided by s. 112.533(2), F.S., no longer applies, even if the agency is still actively investigating the complaint. AGO 91-73. However, if the complaint has generated information which qualifies as active criminal investigative information, *i.e.*, information compiled by a criminal justice agency while conducting an ongoing criminal investigation of a specific act, such information would be exempt while the investigation is continuing with a good faith anticipation of securing an arrest or prosecution in the foreseeable future. *Id.* See s. 112.533(2)(b), F.S., providing that the disclosure provisions do not apply to any public record [such as active criminal investigative information exempted in s. 119.071(2)(c), F.S.] which is exempt from disclosure pursuant to Ch. 119, F.S.

The exemption is of limited duration. Section 112.533(2), F.S., establishes that the complaint and all information gathered in the investigation of that complaint generally become

public records at the conclusion of the investigation or at such time as the investigation becomes inactive. AGO 95-59. Thus, a court ruled that the exemption ended once the sheriff's office provided the accused deputy with a letter stating that the investigation had been completed, the allegations had been sustained, and that the deputy would be notified of the disciplinary action to be taken. *Neumann v. Palm Beach County Police Benevolent Association*, 763 So. 2d 1181 (Fla. 4th DCA 2000).

However, the mere fact that written notice of intervening actions is provided to the officer under investigation does not signal the end of the investigation nor does such notice make this information public prior to the conclusion of the investigation. AGO 95-59. Similarly, the exemption remains in effect if an agency schedules a pre-disciplinary determination meeting with an officer to hear and evaluate the officer's side of the case because "[d]iscipline is not an accepted fact at this point." *Palm Beach County Police Benevolent Association v. Neumann*, 796 So. 2d 1278, 1280 (Fla. 4th DCA 2001).

A complaint is presumed to be inactive, and hence subject to disclosure, if no finding is made within 45 days after the complaint is filed. Section 112.533(2)(b), F.S. See *City of Delray Beach v. Barfield*, 579 So. 2d at 318 (trial court's finding that complaint was inactive, despite contrary testimony of law enforcement officers conducting the investigation, comes to appellate court "clothed with its own presumption of correctness--especially, as here, where there is other record evidence which sustains it").

(b) Limitations on disclosure

Section 112.533(2)(b), F.S., states that the inspection provisions in that subsection do not apply to any public record which is exempt from public disclosure under Ch. 119, F.S. For example, active criminal investigative or intelligence information which is exempt pursuant to s. 119.071(2)(c), F.S., remains exempt notwithstanding the disclosure provisions set forth in s. 112.533(2)(a), F.S. *Palm Beach County Police Benevolent Association v. Neumann*, 796 So. 2d 1278 (Fla. 4th DCA 2001). And see AGO 91-73. Thus, in such cases, the information would be subject to disclosure when the criminal investigative information exemption ends, rather than as provided in s. 112.533(2), F.S. Cf. *City of Riviera Beach v. Barfield*, 642 So. 2d 1135 (Fla. 4th DCA 1994), *review denied*, 651 So. 2d 1192 (Fla. 1995) (exempt active criminal investigative information may be shared with another criminal justice agency for use in a simultaneous internal affairs investigation and retain its protected status).

Similarly, information that would reveal the identity of the victim of child abuse or the victim of a sexual offense is not subject to disclosure since the information is exempt pursuant to s. 119.071(2)(h), F.S. *Palm Beach County Police Benevolent Association v. Neumann*, *supra*.

However, the state attorney's records of a *closed* criminal investigation are not made confidential by s. 112.533, F.S., even though an internal investigation conducted by the police department remains pending concerning the same complaint. AGO 00-66. Cf. AGO 96-05, noting that a police report of an agency's criminal investigation of a police officer is a public record in the hands of the police department after the investigation is over regardless of whether a copy of the report is forwarded to the Criminal Justice Standards and Training Commission or to the Commission on Ethics.

(c) Unauthorized disclosure penalties

Section 112.533(4), F.S., makes it a first degree misdemeanor for any person who is a participant in an internal investigation to willfully disclose any information obtained pursuant to the agency's investigation before such information becomes a public record. However, the subsection "does not limit a law enforcement or correctional officer's ability to gain access to information under paragraph (2)(a)." Section 112.533(4), F.S. In addition, a sheriff, police chief or other head of a law enforcement agency, or his or her designee, may acknowledge the existence of a complaint, and the fact that an investigation is underway. *Id.*

The Attorney General's Office has issued several advisory opinions interpreting this statute. *See, e.g.*, AGO 03-60 (while public disclosure of information obtained pursuant to an internal investigation prior to its becoming a public record is prohibited, s. 112.533[4], F.S., "would not preclude intradepartmental communications among those participating in the investigation). *Cf.* AGO 97-62 (confidentiality requirements prevent the participation of a citizens' board in resolving a complaint made against a law enforcement officer until the officer's employing agency has made its initial findings). *But see Cooper v. Dillon*, 403 F. 3d 1208, 1218-1219 (11th Cir. 2005), in which the 11th Circuit Court of Appeals ruled that s. 112.533(4), F.S., was unconstitutional "[b]ecause the curtailment of First Amendment freedoms by Fla. Stat. ch. 112.533(4) is not supported by a compelling state interest, the statute fails to satisfy strict scrutiny and unconstitutionally abridges the rights to speak, publish, and petition government."

(2) Public school system employees

The complaint and material relating to the investigation of a complaint against a public school system employee are confidential until the preliminary investigation is either concluded or ceases to be active. Section 1012.31(3)(a)1., F.S. *See* AGO 91-75 (while exemption applies when a complaint against a district employee has been filed and an investigation against that employee ensues, it does not provide a basis for withholding documents compiled in a general investigation of school departments). *Cf. Johnson v. Deluz*, 875 So. 2d 1,3 (Fla. 4th DCA 2004) (because "legislature had no intention of permitting confidential student information to be made public," student-identifying information must be redacted from public report of investigation of school principal); and *Rhea v. District Board of Trustees of Santa Fe College*, 109 So. 3d 851 (Fla. 1st DCA 2013) (student's unredacted e-mail complaining about a college instructor's classroom behavior qualifies as an exempt "education record").

While s. 1012.31(1)(b), F.S., prohibits placing anonymous letters and material in a school district employee's personnel file, the statute does not prevent a school board from investigating the allegations contained in an anonymous letter nor does it permit the school board to destroy the anonymous material absent compliance with statutory restrictions on destruction of public records. AGO 87-48. Moreover, the personnel file is open at all times to school board members, the superintendent, or the principal, or their respective designees in the exercise of their duties, and to law enforcement personnel in the conduct of a lawful criminal investigation. Section 1012.31(3)(b) and (c), F.S.

(3) State university and Florida College System institution employees

For information on statutory exemptions for complaints filed against state university or Florida College System institution (formerly community college) employees, please refer to the discussion of employee evaluations on page 137.

e. Conditions for inspection of personnel records

An agency is not authorized to unilaterally impose special conditions for the inspection of personnel records. An automatic delay in the production of such records is invalid. *Tribune Company v. Cannella*, 458 So. 2d 1075 (Fla. 1984), *appeal dismissed sub nom., DePerte v. Tribune Company*, 105 S.Ct. 2315 (1985) (automatic 48 hour delay unauthorized by Ch. 119, F.S.). *And see Alterra Healthcare Corporation v. Estate of Shelley*, 827 So. 2d 936, 940n.4 (Fla. 2002) ("only the custodian of such records can assert any applicable exemption; not the employee").

Thus, while an agency is not precluded from notifying an employee that a request has been made to inspect his or her personnel records, in the absence of express legislative authority, the production of personnel records may not be delayed in order to allow the employee to be notified or present during the inspection of the public records relating to that employee. *Compare* s. 1012.31(3)(a)3., F.S., providing that no material derogatory to a *public school employee* may be inspected until 10 days after the employee has been notified by certified mail or personal delivery as provided in s. 1012.31(2)(c), F.S.

(1) Privacy issues

The courts have rejected claims that constitutional privacy interests operate to shield agency personnel records from disclosure. See *Michel v. Douglas*, 464 So. 2d 545, 546 (Fla. 1985), holding that the state constitution “does not provide a right of privacy in public records” and that a state or federal right of disclosural privacy does not exist.

“Absent an applicable statutory exception, pursuant to Florida’s Public Records Act (embodied in chapter 119, Florida Statutes), public employees (as a general rule) do not have privacy rights in such records.” *Alterra Healthcare Corporation v. Estate of Shelley*, 827 So. 2d 936, 940n.4 (Fla. 2002). See also *Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.*, 379 So. 2d 633 (Fla. 1980); and *Mills v. Doyle*, 407 So. 2d 348 (Fla. 4th DCA 1981). But see *Fadjo v. Coon*, 633 F.2d 1172, 1175n.3 (5th Cir. 1981), noting that “it is clear that the legislature cannot authorize by statute an unconstitutional invasion of privacy.”

Additionally, the judiciary has refused to deny access to personnel records based on claims that the release of such information could prove embarrassing or unpleasant for the employee. See e.g., *News-Press Publishing Company, Inc. v. Gadd*, 388 So. 2d 276, 278 (Fla. 2d DCA 1980) (absent a statutory exemption, a court is not free to consider public policy questions regarding the relative significance of the public’s interest in disclosure and damage to an individual or institution resulting from such disclosure).

Public employers should note, however, that a court has held that an agency must provide a discharged employee with an opportunity for a post-termination name-clearing hearing when stigmatizing information concerning the employee is made a part of the public records or is otherwise published. *Buxton v. City of Plant City, Florida*, 871 F.2d 1037 (11th Cir. 1989). See also *Garcia v. Walder Electronics, Inc.*, 563 So. 2d 723 (Fla. 3d DCA 1990), *review denied*, 576 So. 2d 287 (Fla. 1990) (public employer has an affirmative duty to inform a discharged employee of his right to seek a post-termination name-clearing hearing). Cf. *Cannon v. City of West Palm Beach*, 250 F.3d 1299, 1303 (11th Cir. 2001) (failure to provide name-clearing hearing to employee who alleged that he was denied a promotion due to stigmatizing information in his personnel file does not violate the employee’s due process rights, because “in this circuit a ‘discharge or more’ is required”).

(2) Sealed records

An agency is not authorized to “seal” disciplinary notices and thereby remove such notices from disclosure under the Public Records Act. AGO 94-75. Nor may an agency, absent a statutory exemption for such records, agree to remove counseling slips and written reprimands from an employee’s personnel file and maintain such documents in a separate disciplinary file for the purpose of removing such records from public access. AGO 94-54. *Accord* AGO 11-19 (superintendent’s failure to comply with a statutory requirement to discuss a performance evaluation with the employee before filing it in the employee’s personnel file, does not change the public records status of the evaluation; the evaluation is a public record and may not be removed from public view or destroyed). And see AGO 15-10 (agency may not “seal” job applications or request that they be submitted as “sealed” records to foreclose public access).

f. Criminal history information

Except where specific exemptions apply, criminal history information is a public record. AGO 77-125; Inf. Op. to Lymn, June 1, 1990.

In some cases, criminal or juvenile records information obtained by specific agencies as part of a background check required for certain positions has been made confidential and exempt from s. 119.07(1), F.S., or use of the information is restricted. See, e.g., s. 110.1127(2)(d) and (e), F.S. (agency positions designated or specified as provided in s. 110.1127, F.S.); s. 1002.36(7)(d) and (e), F.S. (School for the Deaf and the Blind); and s. 39.821(1) F.S. (guardian ad litem).

Federal confidentiality provisions also apply to criminal history information received from the U.S. government. For example, criminal history information shared with a public school district by the Federal Bureau of Investigation retains its character as a federal record to which only limited access is provided by federal law and is not subject to public inspection under Florida's Public Records Act. AGO 99-01. However, information developed by the school district from further inquiry into references in the federal criminal history record information is a public record which should be included in a school district employee's personnel file. *Id.*

Sections 943.0585 and 943.059, F.S., prohibit a records custodian who has received information relating to the existence of an expunged or sealed criminal history record from disclosing the existence of such record. AGO 94-49.

g. Deferred compensation

All records identifying individual participants in any deferred compensation plan under the Government Employees' Deferred Compensation Plan Act and their personal account activities shall be confidential and exempt. Section 112.215(7), F.S.

h. Direct deposit

Direct deposit records made prior to October 1, 1986, are exempt from s. 119.07(1), F.S. With respect to direct deposit records made on or after October 1, 1986, the names of the authorized financial institutions and the account numbers of the beneficiaries are confidential and exempt. Section 17.076(5), F.S.

i. Drug test results

Drug test results and other information received or produced by a state agency employer as a result of a drug-testing program in accordance with s. 112.0455, F.S., the Drug-Free Workplace Act, are confidential and exempt, and may not be disclosed except as authorized in the statute. Section 112.0455(11), F.S. *See also* s. 112.0455(8)(l) and (t), F.S.

While the provisions of s. 112.0455, F.S., are applicable to state agencies and not to municipalities, ss. 440.101-440.102, F.S., may be used by a municipality or other entity that is an "employer" for purposes of these statutes, to establish a drug-free workplace program. *See* AGO 98-38. Section 440.102(8), F.S., provides for confidentiality of drug test results or other information received as a result of a drug-testing program implemented pursuant to Ch. 440, F.S. AGO 13-19. *Cf.* AGO 94-51 (city not authorized to delete or remove consent forms or records of disciplinary action relating to city employees' drug testing from personnel records when drug testing was not conducted pursuant to s. 440.102, F.S.); and Inf. Op. to McCormack, May 13, 1997 (s. 440.102[8], F.S., applies to public employees and not to drug test results of public assistance applicants). *And see* s. 443.1715(3), F.S., relating to confidentiality of drug test information and limited disclosure in proceedings conducted for purposes of determining compensability under the reemployment assistance law.

In AGO 96-58, the Attorney General's Office advised that the medical director for a city fire and rescue department may submit drug test results to the state health department pursuant to s. 401.265(2), F.S., requiring a medical director to report to the department any emergency medical technician or paramedic who may have acted in a manner constituting grounds for discipline under the licensing law. The tests were conducted during routine pre-employment and annual fitness for duty examinations and not pursuant to ss. 440.101-440.102, F.S.

j. Employee assistance program

An employee's personal identifying information contained in records held by the employing agency relating to that employee's participation in an employee assistance program is confidential and exempt from disclosure. *See* ss. 110.1091 (state employees), 125.585 (county employees), and 166.0444 (municipal employees), F.S.

k. Employment search or consultant records

“[D]ocuments provided to a consultant in relation to his acting on behalf of a public agency are public documents.” *Wallace v. Guzman*, 687 So. 2d 1351, 1353 (Fla. 3d DCA 1997). Thus, if an agency uses a recruitment company to conduct an employment search for the agency, records made or received by the private company in connection with the search are public records. AGO 92-80. See also *Shevin v. Byron, Harless, Schaffer, Reid and Associates*, 379 So. 2d 633 (Fla. 1980) (firm of consultants hired to conduct an employment search for position of managing director of a public agency was “acting on behalf of” a public agency and thus letters, memoranda, resumes, and travel vouchers made or received by consultants as part of search were public records).

l. Evaluations of employee performance

Evaluations of public employee performance are generally subject to disclosure. As the Florida Supreme Court pointed out in *News-Press Publishing Company v. Wisher*, 345 So. 2d 646, 648 (Fla. 1977):

No policy of the state protects a public employee from the embarrassment which results from his or her public employer’s discussion or action on the employee’s failure to perform his or her duties properly.

However, there are statutory restrictions on access to evaluations of employee performance for public school system employees. Section 1012.31(3)(a), F.S. Similarly, there are exemptions for evaluations contained in limited-access records prescribed by a hospital or other facility licensed under Ch. 395, F.S., for employees of the facility, s. 395.3025(9), F.S.; prescribed by the State Board of Education for Florida College System institution employees, s. 1012.81, F.S.; or prescribed by a university board of trustees for its employees, s. 1012.91, F.S.

A discussion of each of these exemptions follows:

(1) Hospital employees

Section 395.3025(9), F.S., authorizes hospitals to prescribe the content of limited-access employee records which are not available for disclosure for 5 years after such designation. Such records are limited to evaluations of employee performance, including records forming the basis for evaluation and subsequent actions. See *Times Publishing Company v. Tampa General Hospital*, No. 93-03362 (Fla. 13th Cir. Ct. May 27, 1993) (s. 395.3025[9] exemption does not apply to list of terminated hospital employees; hospital ordered to allow newspaper to inspect list and personnel files of those persons named in list after “limited-access” documents have been removed).

(2) Public school employees

Employee evaluations of public school system employees prepared pursuant to cited statutes are confidential until the end of the school year immediately following the school year during which the evaluation was made; however, no evaluations made prior to July 1, 1983, shall be made public. Section 1012.31(3)(a)2., F.S. However, the exemption applies only to the “employee evaluation.” See *Morris Publishing Group, LLC v. Department of Education*, 133 So. 3d 957, 960 (Fla. 1st DCA 2013), *review denied*, 157 So. 3d 1046 (Fla. 2014) (“While section 1012.31[3][a]2 provides that the evaluation of a public school teacher is not subject to disclosure under the public records law, it does not follow that any information or data used to prepare the evaluation is likewise exempt from disclosure”).

Moreover, information obtained from evaluation forms circulated by the local teacher’s union to its members that is provided unsolicited to the superintendent is not exempt under this statute. AGO 94-94. In addition, written comments and performance memoranda prepared by individual school board members regarding an appointed superintendent are not exempt from

disclosure. AGO 97-23. *Cf.* AGO 11-19, concluding that a superintendent's failure to comply with a statute requiring that a performance evaluation be discussed with an employee before it is filed in the employee's personnel file, does not change the public records status of the evaluation; the evaluation is a public record and may not be removed from public view or destroyed.

(3) State university and Florida College System institution employees

Limited-access records maintained by a state university on its employees are confidential and exempt from s. 119.07(1), F.S., and may be released only upon authorization in writing from the employee or upon court order. Without such authorization, access to the records is limited to university personnel as specified in the statute. Section 1012.91, F.S.

"Limited-access records" are limited to: information reflecting academic evaluations of employee performance that are open to inspection only by the employee and university officials responsible for supervision of the employee; records relating to an investigation of employee misconduct which records are confidential until the conclusion of the investigation or the investigation ceases to be active as defined in the exemption; and records maintained for the purpose of any disciplinary proceeding against the employee or records maintained for any grievance proceeding brought by an employee for enforcement of a collective bargaining agreement or contract until a final decision is made. Section 1012.91(1), F.S.

For sexual harassment investigations of university personnel, portions of records that identify or reasonably could lead to the identification of the complainant or a witness also constitute limited-access records. Section 1012.91(2), F.S. Records which comprise the common core items contained in the State University System Student Assessment of Instruction instrument may not be prescribed as limited-access records. Section 1012.91(4), F.S.

Regarding Florida College System institution employees, s. 1012.81, F.S., states that rules of the State Board of Education shall prescribe the content and custody of limited-access records maintained by a Florida College System institution on its employees. Such records are limited to information reflecting academic evaluations of employee performance and certain disciplinary and grievance records as described in the exemption. Limited access records are confidential and exempt and may not be released except as authorized in the exemption. *Cf. Rhea v. District Board of Trustees of Santa Fe College*, 109 So. 3d 851 (Fla. 1st DCA 2013) (student's unredacted e-mail complaining about an instructor's classroom behavior qualifies as an exempt "education record").

m. Examination questions and answer sheets

Examination questions and answer sheets of examinations administered by governmental entities for the purpose of licensure, certification, or employment are exempt from mandatory disclosure requirements. Section 119.071(1)(a), F.S. *See Dickerson v. Hayes*, 543 So. 2d 836, 837 (Fla. 1st DCA 1989) (applying exemption to portions of rating sheets used by promotion board which contained summaries of applicants' responses to oral examination questions where the oral questioning "was a formalized procedure with identical questions asked of each applicant [which] 'tested' the applicants' response both as to style and content"). *And see Rush v. High Springs*, 82 So. 3d 1108 (Fla. 1st DCA 2012) (exemption applies to questions and answers contained in pre-employment polygraph examinations).

The exemption from disclosure in s. 119.071(1)(a), F.S., applies to examination questions and answers, and does not include the "impressions and grading of the responses" by the examiners. *See Dickerson v. Hayes, supra* at 837. *Compare* s. 455.229(1), F.S., providing confidentiality for "examination questions, answers, papers, grades, and grading keys" used in licensing examinations administered by the Department of Business and Professional Regulation.

A person who has taken an examination has the right to review his or her own completed examination. Section 119.071(1)(a), F.S. *See* AGO 76-210, stating that an examinee has the right to inspect the results of a completed civil service promotional examination, including

question and answer sheets, after the examination has been completed. However, the examinee possesses only the right to *review* his or her own completed examination and may not make or obtain copies of that examination. AGO 81-12.

n. Home addresses, telephone numbers and other personal information

In the absence of statutory exemption, home addresses, telephone numbers, photographs, and dates of birth of public officers and employees are not exempt from disclosure. *See* AGO 96-88 (home addresses and telephone numbers and business addresses and telephone numbers of members of state and district human rights advocacy committees are public records); *Browning v. Walton*, 351 So. 2d 380 (Fla. 4th DCA 1977) (city cannot refuse to allow inspection of records containing the names and addresses of city employees who have filled out forms requesting that the city maintain the confidentiality of their personnel files). *And see United Teachers of Dade v. School Board of Dade County*, No. 92-17803 (01) (Fla. 11th Cir. Ct. Nov. 30, 1992) (home telephone numbers and addresses of school district employees not protected by constitutional right to privacy; only the Legislature can exempt such information). *Cf.* AGO 85-03 (list containing names and addresses of subscribers to state magazine is a public record).

Note: In AGO 96-57, the Attorney General's Office concluded that this exemption should be construed as including personnel whose duties include *both* revenue collection and enforcement, as opposed to those personnel whose duties include only revenue collection or only revenue enforcement.

(y) U.S. military servicemembers

- a. Scope of exemption: Current or former members of the Armed Forces of the United States, a reserve component of the Armed Forces of the United States, or the National Guard who served after September 11, 2001, if the servicemember has submitted to the custodial agency a written request to exempt the information; and a written statement that he or she has made reasonable efforts to protect the information from being accessible through other means available to the public

- d. Statutory reference: Section 119.071(5)(k), F.S.

(2) Authority to release protected information

The purpose of the s. 119.071(4)(d), F.S., exemption is to protect the safety of the enumerated individuals and their families by removing certain information relating to such individuals from the mandatory disclosure requirements of Ch. 119, F.S. AGO 10-37. *And see* AGOs 90-50 and 96-57. The statute makes these records exempt from mandatory disclosure requirements, not confidential; thus, an agency is not prohibited from disclosing the information in all circumstances. AGO 10-37. For example, the property appraiser may disclose the address

of an alleged violator of the local code when a code inspector or code enforcement board is attempting to provide notice regarding the violation as required by s. 162.06, F.S. AGO 17-05.

However, in determining whether to disclose the information, the agency should consider the underlying purpose of the statute, *i.e.*, safety of the listed individuals and their families. AGO 90-50. *See also* AGO 08-24. *Cf.* AGO 90-50, noting that the exemption does not prohibit an agency from “access to, and maintaining information on, its employees, including their names and addresses.”

In other words, a police department, in deciding whether to publicly release photographs of law enforcement personnel, should determine whether there is a statutory or substantial policy need for disclosure. AGO 07-21. In the absence of a statutory or other legal duty to be accomplished by disclosure, the agency should consider whether the release of such information is consistent with the purpose of the exemption afforded by s. 119.071(4)(d)2. *Id.* For example, a posting of the names, I.D. numbers and photographs of police officers in the hallway of the police department for public display would appear to be counter to the purpose of the exemption. AGO 90-50. By contrast, information from the city personnel files which reveals the home addresses of former law enforcement personnel may be disclosed to the State Attorney’s office for the purpose of serving criminal witness subpoenas by mail pursuant to s. 48.031, F.S. *Inf. Op. to Reese*, April 25, 1989.

Similarly, in AGO 08-24, the Attorney General’s Office noted that the home addresses and other protected personal information of the spouses of law enforcement officers who are employed by the school board are exempt from disclosure under s. 119.071(4)(d)2., F.S., and therefore, the school board was not required to report such information to the certified bargaining representative. *And see Henderson v. Perez*, 835 So. 2d 390, 392 (Fla. 2d DCA 2003) (trial court order compelling sheriff to produce exempt home addresses and photographs of 10 active law enforcement officers in a civil lawsuit filed by Perez predicated on his arrest, quashed because “Perez has not shown that the photographs and home addresses of the law enforcement officers are essential to the prosecution of his suit”).

By contrast, information from the city personnel files which reveals the home addresses of former law enforcement personnel may be disclosed to the State Attorney’s office for the purpose of serving criminal witness subpoenas by mail pursuant to s. 48.031, F.S. *Inf. Op. to Reese*, April 25, 1989. Similarly, a police and firefighter pension board may release exempt employee information pursuant to a confidentiality agreement for use by a vendor that has contracted with the board to conduct cybersecurity testing of the board’s electronic data storage systems. AGO 19-08.

The s. 119.071(4)(d)2. exemption applies to public agencies, not private entities unless the private entity is acting on behalf of a public agency. *Inf. Op. to Gomez*, Nov. 3, 2008. *Cf.* s. 843.17, F.S., making it a misdemeanor to maliciously publish or disseminate, with intent to obstruct the due execution of the law or with the intent to intimidate, hinder, or interrupt any law enforcement officer in the legal performance of his or her duties, the residence address or telephone number of any law enforcement officer while designating the officer as such, without authorization of the agency which employs the officer. *But see Brayshaw v. City of Tallahassee*, Fla., 709 F. Supp. 2d 1244 (N.D. Fla. 2010), holding that s. 843.17, F.S., was unconstitutional on its face.

(3) Records held by agencies that are not the employer of the designated officers or employees

An agency that is the custodian of personal information specified in s. 119.071(4)(d)2., F.S., but is not the employer of the officer or employee, may maintain the exempt status of that information only if the officer or employee or the employing agency of the designated employee submits a written request for maintenance of the exemption to the custodial agency. Section

119.071(4)(d)3., F.S. *See* AGOs 97-67 (Official Records maintained by clerk of court), 04-18 (applying exemption when requested to petitions and campaign papers filed with supervisor of elections), and 04-20 (property appraiser). *And see* AGO 05-38 (request made to the property appraiser for an exemption from disclosure of personal information would follow the property appraiser's records when they are relayed to the clerk of courts carrying out duties for the Value Adjustment Board).

The provisions of s. 119.071(4)(d), F.S., should not be read “to impose a burden on employers to know the past law enforcement employment status of employees who may work for them in other capacities.” AGO 10-37. Thus, a former law enforcement officer from one municipality who is currently employed by another municipality in a non-law enforcement capacity must make a written request pursuant to s. 119.071(4)(d)3., F.S., that his or her personal information be maintained as exempt by the current employer. *Id.*

A request made pursuant to s. 119.071(4)(d)3., F.S., for maintenance of exempt information in court records or the official records must specify the document type, identification number, and page number of the court record or official record that contains the exempt information. Section 119.0714(2)(f) and (3)(f), F.S.

A covered officer or employee or other specified person may submit a written request for the release of his or her exempt information to the custodial agency. The written request must be notarized and must specify the information to be released and the party that is authorized to receive the information. Upon receipt of the written request, the custodial agency shall release the specified information to the party authorized to receive such information. Section 119.071(4)(d)4., F.S.

(4) Application of exemption to:

(a) Telephone numbers of cellular telephones issued by agencies

Cellular telephone numbers of telephones provided by the agency to law enforcement officers and used in performing law enforcement duties are not exempt from disclosure. *Inf. Op. to Laquidara*, July 17, 2003. In 2012, the Legislature amended s. 119.071(4)(d), F.S., to define the term “telephone numbers” as used in the exemption to include “home telephone numbers, personal cellular telephone numbers, personal pager telephone numbers, and telephone numbers associated with personal communications devices.” *See* s. 119.071(4)(d)1.b., F.S. As originally introduced, the 2012 legislation would have also included “telephone numbers associated with agency cellular telephones” within the definition of “telephone numbers.” *See* HB 629, filed November 10, 2011. However, this proposed language was removed from the original bill during the legislative process.

(b) List of names of designated officers and employees

While s. 119.071(4)(d)2., F.S., exempts home addresses and other personal information of the designated public officers and employees, it does not exempt the *names* of these officers and employees from public disclosure (although typically the names of the *spouses and children* are exempt). *See, e.g.,* s. 119.071(4)(d)2.g., F.S. (names of spouses and children of code enforcement officers are exempt).

Accordingly, if the property appraiser maintains a list of the names of officers and employees who have requested the exemption of their home addresses as authorized by s. 119.071(4)(d)3., F.S., this list is not exempt. AGO 08-29. However, as noted elsewhere in this manual, the property appraiser is not required to *create* or reformat records in order to comply with a request under Ch. 119; the duty of the public records custodian is to provide access to existing records. *See* the discussion on pages 158-159.

(c) Prior home addresses

Section 119.071(4)(d)2., F.S., applies only to the current home address or addresses (including a current vacation home address) of the designated individuals. AGO 10-37.

(d) Maps showing physical location of homes

A property appraiser is precluded from making technology available to the public that would enable a user to view a map on the Internet showing the physical location of a law enforcement officer's home, even though the map does not contain the actual home address of the officer, if the property appraiser has received a written exemption request from the officer. AGO 04-20.

(e) Home addresses of persons who are not the owner of the property

The exemption applies to the home addresses, telephone numbers, and other personal information relating to the specified individuals "without regard to whether or not they own the real property at which they reside." AGO 14-07.

(f) Booking photographs

Section 119.071(4)(d), F.S., exempts the photograph of a current or former law enforcement officer, whether held by the employing agency or by a nonemploying agency which has received a written request to maintain the exempt status of the record. Inf. Op. to Amunds, June 8, 2012. Thus, the agency should determine whether there is a statutory or substantial policy need for disclosure before releasing the booking photograph. *Id.* In the absence of a statutory or other legal duty to be accomplished by disclosure, an agency should consider whether the release of such information is consistent with the purpose of the exemption, *i.e.*, the safety of law enforcement officers and their families. *Id.* See also AGOs 90-50 and 07-21. *Cf.* AGO 94-90 (statute did not preclude release of booking photograph of deputy who was not an undercover officer whose identity would otherwise be protected by s. 119.071[2][c], F.S.).

o. Medical information and health insurance participant information

(1) Medical information and medical claims records

Medical information pertaining to a prospective, current, or former officer or employee of an agency which, if disclosed, would identify that officer or employee is exempt from s. 119.07(1), F.S. Section 119.071(4)(b)1., F.S. Such information may be disclosed if the person or the person's legal representative provides written permission or pursuant to court order. *Id.* See AGO 98-17 (exemption "appears to extend to governmental employees the protection for personal medical records that is generally enjoyed by private sector employees"). *Cf. Delaurentos v. Peguero*, 47 So. 3d 879, 881 (Fla. 3d DCA 2010) (s. 119.071[4][b]1., "simply provides an exemption in the event that a citizen makes a public records request for medical records;" but does not "create a privilege which would insulate such records from discovery in litigation").

Public school system employee medical records, including psychiatric and psychological records, are confidential and exempt from s. 119.07(1), F.S. Section 1012.31(3)(a)5., F.S.

Every employer who provides or administers health insurance benefits or life insurance benefits to its employees shall maintain the confidentiality of information relating to the medical condition or status of any person covered by such insurance benefits. Such information is exempt from s. 119.07(1), F.S. Section 760.50(5), F.S.

Patient medical records and medical claims records of current or former employees and eligible dependents enrolled in group insurance plans of specified governmental entities are confidential and exempt from s. 119.07(1), F.S.; such records shall not be furnished to any person other than the employee or the employee's legal representative, except as authorized in the subsection. Sections 110.123(9) (state employees), 112.08(7) (county or municipal employees), and 112.08(8) (water management district employees), F.S. See AGO 91-88, citing to *News-Press Company, Inc. v. Kaune*,

511 So. 2d 1023 (Fla. 2d DCA 1987), stating that the exemption applies broadly and is not limited solely to medical records filed in conjunction with an employee's participation in a group insurance plan; rather, the exemption applies to all medical records relating to employees enrolled in a group insurance plan. *And see* AGOs 01-33 (confidentiality of patient records at medical clinic owned and operated by city for the use and benefit of its employees); 94-78 (monthly printout of medical claims paid under city group health insurance plan that identifies the public employees who obtained medical services and the amounts of the claims, together with some account information, is exempt from public inspection), and 94-51 (agency "should be vigilant in its protection of the confidentiality provided by statute for medical records of [its] employees").

(2) Health insurance participant information

While "information relating to an insurance program participant's medical condition is protected from disclosure . . . there is no clear statement that such protection extends to the name, address, age, or other non-medical information of such participants." Inf. Op. to Dockery, November 10, 2008.

Subsequent to the issuance of this opinion, the Legislature enacted an exemption for personal identifying information *of a dependent child* of a current or former officer or employee of an agency, whose dependent child (as defined in s. 409.2554, F.S.) is insured by the agency's group insurance plan. Section 119.071(4)(b)2., F.S. However, while personal identifying information relating to the dependent child's participation in an agency's group insurance plan is now confidential, personal identifying information relating to the current or former officer's or employee's participation in such plan is subject to disclosure. *Cf.* s. 110.12301(3), F.S., providing confidentiality for records collected for purposes of dependent eligibility verification services conducted for the state group insurance program and held by the Department of Management Services.

p. Payroll deduction records

There is no general exemption from disclosure that applies to agency payroll deduction records. However, *public school system employee* payroll deduction records are confidential. Section 1012.31(3)(a)4., F.S. *See* AGO 09-11 (tax information [such as Federal Withholding Tax Deduction, FICA Tax Deduction and the Medicare Tax Deduction] of a public school system employee would appear to constitute payroll deduction records and would be confidential and exempt from disclosure pursuant to s. 1012.31[3][a]4., F.S.).

q. Retiree lists

The names and addresses of retirees are confidential and exempt from s. 119.07(1), F.S., to the extent that no state or local governmental agency may provide the names or addresses of such persons in aggregate, compiled or list form except to public agencies engaged in official business, to collective bargaining agents or to retiree organizations for official business use. Section 121.031(5), F.S. "Any person may view or copy any individual's retirement records at the Department of Management Services, one record at a time, or may obtain information by a separate written request for a named individual for which information is desired." *Id.* *Cf.* s. 121.4501(19), F.S. (personal identifying information of members in the investment plan contained in Florida Retirement System records held by the State Board of Administration or the Department of Management Services is exempt).

Section 121.021(60), F.S., defines the term "retiree" to mean "a former member of the Florida Retirement System or an existing system who has terminated employment and is receiving benefit payments from the system in which he or she was a member." Accordingly, the s. 121.031(5) exemption does not apply to employees who are participants in the Deferred Retirement Option Program (DROP); DROP participants "are not retirees since they have not terminated their employment." *Palm Beach Newspapers, Inc. v. School Board of Palm Beach County*, No. 502007CA020000XXXXMB (Fla. 15th Cir. Ct. November 28, 2007).

r. Salary records

Salary and other information relating to compensation is subject to disclosure. *Lewis v. Schreiber*, No. 92-8005(03) (Fla. 17th Cir. Ct. June 12, 1992), *per curiam affirmed*, 611 So. 2d 531 (Fla. 4th DCA 1992). *Accord* AGOs 80-92 and 73-30.

s. Travel records

Travel vouchers are open to public inspection, after redaction of exempt material such as credit card account numbers (s. 119.071[5][b], F.S.) or social security numbers (ss. 119.071[4] a) and [5][a]F.S.). *See Shevin v. Byron, Harless, Schaffer, Reid and Associates*, 379 So. 2d 633 (Fla. 1980). *See also* AGO 72-356 (travel itineraries and plane reservations for use of state aircraft are public records). *Cf. Executive Office of the Governor v. AHF MCO of Florida, Inc.*, 257 So. 3d 612 (Fla. 1st DCA 2019), finding that premature disclosure of prospective information relating to the Governor's detailed schedule and travel plans would reveal surveillance techniques, procedures, or personnel which are exempt pursuant to s. 119.071(2)(d), F.S.

t. Undercover personnel of criminal justice agencies

Please refer to the discussion of this topic on pages 115-116.

19. Security system information and blueprints**a. Blueprints**

Section 119.071(3)(b)1., F.S., exempts building plans, blueprints, schematic drawings, and diagrams of government buildings. Exempt information may be disclosed to another governmental entity, to a licensed professional performing work on the building, or upon a showing of good cause to a court. Section 119.071(3)(b)3., F.S.

Exempt documents may also be released in order to comply with competitive bidding requirements. AGO 02-74. However, the entities or persons receiving such information must maintain its exempt status. *Id.* And see s. 119.071(3)(c)1., F.S. (exemption for building plans, blueprints, schematic drawings and diagrams which depict the internal layout or structural elements of various attractions, retail, resort, office, health care facilities, and industrial complexes and developments when the records are held by an agency). The exemption afforded by this statute, however, does not apply to comprehensive plans or site plans, or amendments thereto, which are submitted for approval or which have been approved under local land development regulations, local zoning regulations, or development of regional impact review. Section 119.071(3)(c)4., F.S.

b. Security system records

Information relating to the security or firesafety systems for property owned by or leased to the state or any of its political subdivisions is confidential and exempt from disclosure. Section 281.301, F.S. Exempt information includes all records, information, photographs, audio and visual presentations, schematic diagrams, surveys, recommendations, or consultations or portions thereof relating directly to or revealing such security systems or information. *Id.*

The exemption extends to information relating to or revealing the security or firesafety systems for property owned or leased by the state or its political subdivisions, and also to such information concerning privately owned or leased property which is in the possession of an agency. AGOs 01-75 and 93-86, and Inf. Op. to Sherman, July 2, 2018. *See also* ss. 331.22, F.S. (airport security plans); s. 311.13, F.S. (seaport security plans); and 1004.0962(2), F.S. (campus emergency response of postsecondary education institution).

Section 119.071(3)(a), F.S., provides a similar exemption from disclosure for a security or firesafety system plan of a private or public entity that is held by an agency. The information may be disclosed to the property owner or leaseholder; in furtherance of the official duties and

responsibilities of the agency holding the information; to another local, state or federal agency in furtherance of that agency's official duties and responsibilities; or upon a showing of good cause before a court.

The term "security or firesafety system plan" includes: records relating directly to the physical security or firesafety of the facility or revealing security or firesafety systems; threat assessments conducted by an agency or private entity; threat response plans; emergency evacuation plans; sheltering arrangements; or security or firesafety manuals. *Id.* Cf. *Marino v. University of Florida*, 107 So. 3d 1231 (Fla. 1st DCA 2013), in which the court rejected a university's contention that it could withhold the location of animal research facilities based on a determination that the nature of the public activities occurring at the facility subjects them to physical threats.

(1) Security system (alarm) permits and applications

Sections 281.301 and 119.071(3)(a), F.S., prohibit public disclosure of the name and address of applicants for security system permits, of persons cited for violations of alarm ordinances, and of individuals who are the subject of law enforcement dispatch reports for verified or false alarms "because disclosure would imperil the safety of persons and property." *Critical Intervention Services, Inc. v. City of Clearwater*, 908 So. 2d 1195, 1197 (Fla. 2d DCA 2005). Accord AGO 04-28.

(2) Surveillance video recordings

The term "security or firesafety system plan" as used in s. 119.071(3)(a)1., F.S., includes "audio and visual presentations . . . relating directly to the physical security or firesafety of the facility or revealing security or firesafety systems." Video footage captured by city bus cameras "directly relates to and reveals information about a security system" and thus was determined to be confidential and exempt from disclosure by ss. 281.301 and 119.071(3)(a), F.S. *Central Florida Regional Transportation Authority v. Post-Newsweek Stations, Orlando, Inc.*, 157 So. 3d 401 (Fla. 5th DCA 2015). The videos "reveal the capabilities—and as a corollary, the vulnerabilities" of the security system. *Id.* at 405. And see AGO 15-06, relying on *Central Florida Regional Transportation Authority*, and applying the exemption to surveillance tapes from a security system for a public transit authority building. Cf. *Gonzalez v. State*, 240 So. 3d 99 (Fla. 2d DCA 2018) (in the absence of an in camera inspection of the requested records [CDs] the circuit court could not conclude that the contents were exempt from disclosure under s. 119.071(3)(a)2., or s. 281.301; nor could it determine whether redaction was possible).

Video footage from surveillance cameras at a high school "relates directly" to the security system at the school, including both its capabilities and its vulnerabilities, and thus is confidential and exempt from disclosure unless one of the exceptions to the exemption applies. *State Attorney's Office of the Seventeenth Judicial Circuit v. Cable News Network, Inc.*, 251 So. 3d 205 (Fla. 4th DCA 2018). As previously discussed on this page, there are several exceptions to this confidentiality provision, including a court order issued upon a showing of good cause. In *State Attorney's Office*, the appellate court affirmed the trial judge's order mandating release of surveillance video from a school shooting where 17 students and staff were killed. The court found that the media had established good cause because the footage revealed the conduct of public servants in the discharge of their duties and also provided "insight" into the high school's security "net" that failed to protect the students and staff. *Id.* at 215.

By contrast, the First District overturned the trial court's determination that a news organization had shown good cause to obtain security footage from two correctional institutions. *Florida Department of Corrections v. Miami Herald Media Company*, 278 So. 3d 786 (Fla. 1st DCA 2019). At the hearing, the Miami Herald advised that it no longer needed the video recordings as they were no longer newsworthy. Nevertheless the court still found that the Herald had satisfied the statutory exception to confidentiality, noting the awards the journalist received for her reporting on prison issues, and that this fact, combined with the "extremely important right of freedom of the press" constituted good cause. The appellate court reversed, finding that

the Herald “extinguished any claim to good cause when it unambiguously renounced its need for the video footage.” 278 So. 3d at 790.

c. Security issues relating to electronic records

Section 119.01(2)(a), F.S., states that agencies “must provide reasonable public access to records electronically maintained and must ensure that exempt or confidential records are not disclosed except as otherwise permitted by law.” *And see* Rule 1B-26.003(6)(g)3., F.A.C., adopted by the Division of Library and Information Services of Department of State pursuant to its records management rulemaking authority in s. 257.14, F.S. The rule states that “[i]n providing access to electronic records, agencies shall ensure that procedures and controls are in place to maintain confidentiality for information which is exempt from public disclosure.” *Cf.* AGO 19-08 (pension board authorized to release nonpublic personnel information pursuant to a confidentiality agreement with a vendor conducting cybersecurity testing of the board’s electronic data storage systems).

Accordingly, an agency is not required to provide direct access to the agency’s electronic records through a hard drive provided by a requestor, but must otherwise allow inspection and copying of such records in a manner which will accommodate the request, but protect from disclosure exempt or confidential materials. AGO 13-07. *And see Rea v. Sansbury*, 504 So. 2d 1315, 1317-1318 (Fla. 4th DCA 1987), *review denied*, 513 So. 2d 1063 (Fla. 1987) (while county possesses statutory authority to facilitate inspection of public records by electronic means, this “does not mean that every means adopted by the county to facilitate the work of county employees *ipso facto* requires that the public be allowed to participate therein”). *Compare* AGO 05-12 (city may not require use of a code to review e-mail correspondence of city police department and human services department).

Section 282.318(4), F.S., requires state agencies, as defined in the statute, to conduct risk assessments, conduct internal audits, and develop procedures to address information technology security issues. This section also contains exemptions for records relating to these functions. For example, written internal policies and procedures that, if disclosed, could facilitate the unauthorized modification, disclosure, or destruction of data or information technology resources are confidential. Section 282.318(4)(e), F.S. *See also* s. 282.318(5), F.S. *Cf.* s. 119.0713(5)(a), F.S. (records relating to security of information technology systems of local government owned or operated utilities); s. 627.352 (Citizens Property Insurance Corporation) and s. 1004.055(1), F.S. (state postsecondary education institutions).

d. School system security

Section 943.082(1), F.S., requires the Florida Department of Law Enforcement to acquire a mobile suspicious activity reporting tool that allows students and the community to relay information anonymously concerning unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities to appropriate public safety agencies and school officials. The identity of the reporting party received through the reporting tool and held by the department, law enforcement agencies, or school officials is confidential and exempt. Section 943.082(6), F.S. Any other information received through the reporting tool and held by the above agencies is exempt. *Id.* *And see* ss. 1004.0962(2), F.S. (campus emergency response held by a public postsecondary institution or specified agencies is exempt from disclosure); and 1004.055(1) (certain security incident information records held by state postsecondary education institution).

Any information that would identify whether an individual has been appointed as a safe-school officer pursuant to s. 1006.12, F.S., held by a law enforcement agency, school district, or charter school is exempt. Section 1006.12(4), F.S. *See also* s. 119.071(3)(a), F.S., providing an exemption for agency security system plans, discussed on pages 149-151.

20. Social security numbers

Section 119.071(5)(a)5., F.S., states that social security numbers held by an agency are confidential and exempt from public disclosure requirements. *See Department of Health v. Rehabilitation Center at Hollywood Hills*, 259 So. 3d 979, 981 (Fla. 1st DCA 2018), noting the confidential status of social security numbers.

The exemption does not supersede any federal law prohibiting the release of social security numbers or any other applicable public records exemptions for such numbers. Section 119.071(5)(a)5., F.S. *See, e.g.*, s. 193.114(5), F.S. (social security number submitted on an application for a tax exemption is confidential); and s. 119.071(4)(a), F.S. (social security numbers of current and former employees held by the employing agency are confidential and exempt from disclosure). *And see* s. 119.0714, F.S., regarding confidentiality of social security numbers in court records and in the official records.

Section 119.071(5)(a)6., F.S., authorizes disclosure of social security numbers under certain conditions. In addition, s. 119.071(5)(a)7.b., F.S., states that an agency may not deny a commercial entity engaged in “commercial activity,” as defined in the exemption, access to social security numbers, “provided the social security numbers will be used only in the performance of a commercial activity and provided the commercial entity makes a written request for the social security numbers.” “Commercial activity” does not include the display or bulk sale of social security numbers to the public or the distribution of such numbers to any customer not identifiable by the commercial entity. Section 119.071(5)(a)7.a.(I), F.S. *See* Inf. Op. to Carland, January 12, 2012 (teacher union’s access to social security numbers maintained by school district limited to those social security numbers which will be used to verify the accuracy of numbers which the union has already received in the normal course of business) and AGO 19-08 (pension board authorized to release social security numbers pursuant to a confidentiality agreement to a vendor conducting cybersecurity testing on the board’s electronic data storage systems).

The written request must be verified as provided in Florida law and meet the other requirements specified in the exemption. *See Florida Department of Education v. NYT Management Services, Inc.*, 895 So. 2d 1151 (Fla. 1st DCA 2005). *See also* AGO 10-06 (agency authorized to request additional information that is reasonably necessary to verify the identity of the commercial entity and the specific purposes for which the social security numbers will be used).

21. Telephone records

Records of telephone calls made from agency telephones are subject to disclosure in the absence of statutory exemption. *See Gillum v. Times Publishing Company*, No. 91-2689-CA (Fla. 6th Cir. Ct. July 10, 1991). *See also Media General Operation, Inc. v. Feeney*, 849 So. 2d 3, 6 (Fla. 1st DCA 2003), rejecting the argument that redaction of telephone numbers for calls made in the course of official business could be justified because disclosure could result in “unreasonable consequences” to the persons called. *Cf.* s. 119.071(5)(d), F.S. (all records supplied by a telecommunications company, as defined by s. 364.02, F.S., to an agency which contain the name, address, and telephone number of subscribers are confidential and exempt). *And see* Inf. to Michelson, January 27, 1992 (cellular telephone company which provided city with statements reflecting amount of usage of cell phones by city staff rather than listing individual calls, did not appear to be an “agency” for purposes of Ch. 119, F.S., making company’s records of individual calls subject to disclosure).

In *Bill of Rights, Inc. v. City of New Smyrna Beach*, No. 2009-20218-CINS (Fla. 7th Cir. Ct. April 8, 2010), the court stated that “as a matter of law, . . . billing documents regarding personal calls made and received by city employees on city-owned or city-leased cellular telephones are public records, when those documents are received and maintained in connection with the transaction of official business; and, the ‘official business’ of a city includes paying for telephone service and obtaining reimbursement from employees for personal calls.” *Compare Media General Operation, Inc. v. Feeney, supra*, in which the court held that under the circumstances of that case (involving access to records of cellular phone service provided by a political party for legislative

employees), records of personal or private calls of the employees fell outside the definition of public records.

Additionally, in responding to a question from a police department regarding the provisions of Ch. 934, F.S., (interception of wire and oral communications), the Attorney General's Office advised that recordings of telephone conversations made by the police department in the usual course of business would be public records subject to the inspection, copying, and retention requirements of Ch. 119, F.S. AGO 12-07. "Any such public records would likewise be subject to the exemption and confidentiality provisions of the Public Records Law." *Id.* And see *Morris Publishing Group, LLC v. State*, 154 So. 3d 528, 532 (Fla. 1st DCA 2015), *review denied*, 163 So. 3d 512 (Fla. 2015) ("No one disputes" that phone recordings of telephone calls made by the defendant while incarcerated and provided in criminal discovery were public records). Compare *Bent v. State*, 46 So. 3d 1047 (Fla. 4th DCA 2010) (recordings of personal telephone calls between minors in jail awaiting trial and third parties made by sheriff's office are not public records when contents of the phone calls do not involve criminal activity or a security breach).

22. Trade secrets and proprietary confidential business information

a. Trade secrets

(1) Statutory exemptions for specific trade secrets

(a) Trade secrets held by specified agencies

The Legislature has created a number of specific exemptions from Ch. 119, F.S., for trade secrets. See, e.g., s. 1004.22(2), F.S. (trade secrets produced in research within state universities); and s. 570.544(8), F.S. (trade secrets contained in records of the Division of Consumer Services of the Department of Agriculture and Consumer Services). Please refer to the listing of exemptions in Appendix D for more information on statutes providing confidentiality for trade secrets held by specific agencies.

(b) Computer systems and software trade secrets

Data processing software which has been obtained by an agency under a licensing agreement prohibiting its disclosure and which is a trade secret as defined in s. 812.081, F.S., is exempt. Section 119.071(1)(f), F.S. In order for the exemption to apply, two conditions must be present: The licensing agreement must prohibit disclosure of the software and the software must meet the statutory definition of "trade secret" found in s. 812.081, F.S. See AGOs 90-104 and 90-102.

Section 815.04(3), F.S., provides that data, programs, or supporting documentation that is a trade secret as defined in s. 812.081, F.S., that is held by an agency, and that resides or exists internal or external to a computer, computer system, computer network or electronic device is confidential and exempt from s. 119.07(1), F.S.

(2) Trade secrets identified as confidential and submitted to an agency

As noted in the preceding discussion, the Legislature has enacted statutes that expressly require certain agencies to maintain the confidentiality of trade secrets submitted to or held by that agency, and has also enacted exemptions for computer trade secrets. However, even in the absence of a statutory exemption for particular trade secrets, s. 815.045, F.S., "should be read to exempt from disclosure as public records *all* trade secrets as defined in [s. 812.081(1)(c), F.S.] . . ." *Sepro Corporation v. Florida Department of Environmental Protection*, 839 So. 2d 781, 785-787 (Fla. 1st DCA 2003), *review denied sub nom.*, *Crist v. Florida Department of Environmental Protection*, 911 So. 2d 792 (Fla. 2005). (e.s.) According to the court, while "a conversation with a [public] employee is not enough to prevent [alleged trade secrets] from being made available to anyone who makes a public records request," documents submitted by a private party which constitute trade secrets as defined in s. 812.081, and which are stamped as confidential at the time of submission to an agency, are not subject to public access. *Id.* at 784. And see *Seta Corporation of*

Boca, Inc. v. Office of the Attorney General, 756 So. 2d 1093 (Fla. 4th DCA 2000). *But see Cubic Transportation Systems, Inc. v. Miami-Dade County*, 899 So. 2d 453, 454 (Fla. 3d DCA 2005) (company, which supplied documents to an agency and failed to mark them as “confidential” and which continued to supply them without asserting even a legally ineffectual post-delivery claim to confidentiality for some thirty days, failed adequately to protect an alleged trade secret claim).

In addition, the claimed trade secrets must actually constitute trade secrets as defined by law. *See* s. 812.081, F.S. For example, in *James, Hoyer, Newcomer, Smiljanich, & Yanchunis, P.A., v. Rodale, Inc.*, 41 So. 3d 386, 389 (Fla. 1st DCA 2010), the court rejected a company’s claim that information in customer complaints and company responses were trade secrets; noting that such information “is not secret and is not [the company’s] to control.” *See also Managed Care of North America, Inc. v. Florida Healthy Kids*, 268 So. 3d 856, 860 (Fla. 1st DCA 2019) (in order to be entitled to the exemption under s. 812.081(1)(c), the requesting party must not only label the information as secret but must also prove a business advantage or an opportunity to obtain an advantage).

Similarly, the Fourth District upheld the trial court’s determination, after an in camera inspection, that the aggregate number of airport pick-ups by a transportation service company and the sums of money paid to the county pursuant to a license agreement between the company and the county did not constitute trade secret information. *Rasier-DC, LLC v. B & L Service, Inc.*, 237 So. 3d 374 (Fla. 4th DCA 2018). The court also found that a provision in the agreement requiring that the county maintain the confidentiality of the company’s trade secret information and assert the exempt status in response to a public records request could not transform the information into a confidential record, citing to *National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201, 1208 (Fla. 1st DCA 2009). *Cf.* AGO 09-02 (authorized representatives of Division of Plant Industry in Department of Agriculture and Consumer Services prohibited from disclosing trade secrets obtained in carrying out their duties under Ch. 581 to any unauthorized person, provided such trade secrets fall within the statutory definition in s. 812.081, F.S., and owner of trade secrets has taken measures to maintain the information’s secrecy). *And see Allstate Floridian Ins. Co. v. Office of Ins. Regulation*, 981 So. 2d 617 (Fla. 1st DCA 2008), *review denied*, 987 So. 2d 79 (Fla. 2008) (to the extent Allstate believed any documents sought by the Office of Insurance Regulation were privileged as trade secrets, Allstate was required to timely seek a protective order in circuit court); *Inf. Op. to Brown*, March 11, 2016 (if an agency has received material that the sender has identified as “trade secret” and the material does not appear to meet the statutory definition of trade secret or has not been protected as in *Sepero*, the agency should advise the sender “that it has received a public request and will release the records and allow the sender to seek a protective order for those materials”).

The trial court’s conclusion as to whether specific information constitutes a trade secret “rests on factual determinations that are assailable on appeal only if unsupported by competent, substantial evidence.” *Sepero*, 839 So. 2d at 785. *See Managed Care of North America, Inc. v. Florida Healthy Kids Corporation*, at 286 So. 3d at 859 (appellate court’s role “is to strictly construe section 812.081(1)(c), including its definition of ‘trade secret,’ and determine if competent, substantial evidence exists to support the factual findings of the trial court;” the trial court’s interpretation of a statute and its application of the law to facts are subject to *de novo* review); *Office of Insurance Regulation v. State Farm Florida Insurance Company*, 213 So. 3d 1104 (Fla. 1st DCA 2017) (trial court’s conclusion that insurance policy statistics submitted to the Office of Insurance Regulation had “independent economic value” within the meaning of the statutory definition of trade secret in s. 688.002(4), F.S., was supported by competent, substantial evidence). *Cf. Surterra Florida, LLC v. Florida Department of Health*, 223 So. 3d 376 (Fla. 1st DCA 2017) (affirming trial court’s finding that identities of investors and partners listed in applications to dispense medical cannabis were not trade secrets because the applicants “did not prove” that this information constituted a trade secret). *And see Barfield v. Florida Department of Health*, No. 2015 CA 003014 (Fla. 2d Cir. Ct. October 27, 2017) (identity of consultants and related information contained in application to dispense medical cannabis qualified as a trade secret).

b. Proprietary confidential business information

While there is no generic exemption for information claimed to be “proprietary confidential business information,” the Legislature has created a number of exemptions from Ch. 119, F.S., for proprietary confidential business information held by certain agencies. The term is generally defined by the statute creating the exemption and frequently includes trade secrets. *See, e.g.*, s. 288.075, F.S. (economic development agency); s. 288.9626, F.S. (Florida Opportunity Fund); and ss. 364.183, 366.093, 367.156, and 368.108, F.S. (Public Service Commission). *Cf. Florida Power & Light Company v. Public Service Commission*, 31 So. 3d 860 (Fla. 1st DCA 2010) (listed categories of proprietary confidential business information in s. 366.093, F.S., as exempt are not exhaustive; information relating to employees’ compensation warranted confidential classification as it would have impaired utility’s competitive interests). *Compare Southern Bell Telephone and Telegraph Company v. Beard*, 597 So. 2d 873, 876 (Fla. 1st DCA 1992) (Public Service Commission’s determination that statutory exemption for proprietary confidential business information should be narrowly construed and did not apply to company’s internal self-analysis was “consistent with the liberal construction afforded the Public Records Act in favor of open government”). *And see* AGO 08-14 (lease payment amount made by a private company to the city does not constitute “proprietary confidential business information”).

D. PROVIDING PUBLIC RECORDS

1. Validity of agency conditions on access

Section 119.07(1)(a), F.S., establishes a right of access to public records in plain and unequivocal terms:

Every person who has custody of a public record shall permit the record to be inspected and copied by any person desiring to do so, at any reasonable time, under reasonable conditions, and under supervision by the custodian of the public records.

The term “reasonable conditions” as used in s. 119.07(1)(a), F.S., “refers not to conditions which must be fulfilled before review is permitted but to reasonable regulations that would permit the custodian of records to protect them from alteration, damage, or destruction and also to ensure that the person reviewing the records is not subjected to physical constraints designed to preclude review.” *Wait v. Florida Power & Light Company*, 372 So. 2d 420, 425 (Fla. 1979). *See also Chandler v. City of Greenacres*, 140 So. 3d 1080, 1084 (Fla. 4th DCA 2014) (noting the narrow interpretation of the phrase “reasonable conditions”); and *Tribune Company v. Cannella*, 458 So. 2d 1075, 1078 (Fla. 1984), *appeal dismissed sub nom., DePerte v. Tribune Company*, 105 S.Ct. 2315 (1985) (the sole purpose of custodial supervision is to protect the records from alteration, damage, or destruction).

Accordingly, the “reasonable conditions” do not include a rule or condition of inspection which operates to restrict or circumvent a person’s right of access. AGO 75-50. “The courts of this state have invalidated measures which seek to impose any additional burden on those seeking to exercise their rights to obtain records” under Ch. 119, F.S. Inf. Op. to Cook, May 27, 2011. *And see State v. Webb*, 786 So. 2d 602 (Fla. 1st DCA 2001) (requirement that persons with custody of public records allow records to be examined “at any reasonable time, under reasonable conditions” is not unconstitutional as applied to public records custodian who was dilatory in responding to public records requests).

The Public Records Act “embodies important public policy” and “is designed to provide citizens with a simple and expeditious method of accessing public records.” *Orange County v. Hewlings*, 152 So. 3d 812, 817 (Fla. 5th DCA 2014). Thus, an agency violated the Act when instead of complying with Hewlings’ “simple request” for records, it “chose to interpose the additional bureaucratic hurdles of forcing her to come to its offices, comb through the records, mark the records in a certain manner, wait for a written estimate of costs, then, after paying the costs, wait again for the records to be mailed to her.” *Id.*

The custodian “is at all times responsible for the custody of the [public] records but when a citizen applies to inspect or make copies of them it is his duty to make provision for this to be done in such a manner as will accommodate the applicant and at the same time safeguard the records.” *Fuller v. State ex rel. O'Donnell*, 17 So. 2d 607 (Fla. 1944). Thus, the right of inspection may not be frustrated or circumvented through indirect means such as the use of a code book. *State ex rel. Davidson v. Couch*, 158 So. 103, 105 (Fla. 1934) (right of inspection was “hindered and obstructed” by city “imposing conditions to the right of examination which were not reasonable nor permissible under the law”). *Accord* AGO 05-12 (city may not require the use of a code to review e-mail correspondence of city’s police department and human resources department). *And see* Inf. Op. to Cook, May 27, 2011, noting that “[a] policy requiring a physical address for mailing copies of requested public records or the personal appearance of the requestor would not appear to relate to the custodian’s duty to protect public records from alteration or destruction, but to impose additional constraints on the requestor.” *Compare Siegmeyer v. Johnson*, 240 So. 3d 70 (Fla. 1st DCA 2018) (state attorney did not violate the Public Records Act by making requested records available for inspection and copying at the main office of the state attorney, rather than at a branch office closer to the requester’s home, because the Public Records Act “does not require government officials to move records from where they are being maintained to a different place convenient to the requester”).

Moreover, any local enactment or policy which purports to dictate additional conditions or restrictions on access to public records is of dubious validity since the legislative scheme of the Public Records Act has preempted any local regulation of this subject. *Tribune Company v. Cannella*, *supra* at 1077. A policy of a governmental agency cannot exempt it from the application of Ch. 119, F.S., a general law. *Douglas v. Michel*, 410 So. 2d 936, 938 (Fla. 5th DCA 1982), *questions answered and approved*, 464 So. 2d 545 (Fla. 1985). *And see* AGO 90-04 (county official not authorized to assign county’s rights to a public record as part of a settlement agreement compromising a lawsuit against the county). *Cf. Herbits v. City of Miami*, 207 So. 3d 274, 275 (Fla. 3d DCA 2016) (claim based on alleged concealment of information in violation of transparency mandates established in local enactments is preempted by the Florida Public Records Act, because the “Florida Legislature has so pervasively legislated regarding this subject area that a local government is precluded from legislating in the same area.”).

2. Individuals authorized to inspect and receive copies of public records

Section 119.01, F.S., provides that “[i]t is the policy of this state that all state, county, and municipal records are open for personal inspection and copying by *any person*.” (e.s.) A state citizenship requirement was deleted from the law in 1975. A public employee is a person within the meaning of Ch. 119, F.S. and, as such, possesses the same right of inspection as any other person. AGO 75-175. Likewise, a county is “any person” who is allowed to seek public records under Ch. 119, F.S. *Hillsborough County, Florida v. Buccaneers Stadium Limited Partnership*, No. 99-0321 (Fla. 13th Cir. Ct. February 5, 1999), *affirmed per curiam*, 758 So. 2d 676 (Fla. 2d DCA 2000).

Thus, “the law provides any member of the public access to public records, whether he or she be the most outstanding civic citizen or the most heinous criminal.” *Church of Scientology Flag Service Org., Inc. v. Wood*, No. 97-688CI-07 (Fla. 6th Cir. Ct. February 27, 1997). “[A]s long as the citizens of this state desire and insist upon ‘open government’ and liberal public records disclosure, as a cost of that freedom public officials have to put up with demanding citizens even when they are obnoxious as long as they violate no laws.” *State v. Colby*, No. MM96-317A-XX (Fla. Highlands Co. Ct. May 23, 1996). “Even though a public agency may believe that a person or group are fanatics, harassers or are extremely annoying, the public records are available to all of the citizens of the State of Florida.” *Salvadore v. City of Stuart*, No. 91-812 CA (Fla. 19th Cir. Ct. December 17, 1991). *And see Curry v. State*, 811 So. 2d 736, 741 (Fla. 4th DCA 2002) (defendant’s conduct in making over 40 public records requests concerning victim constituted a “legitimate purpose,” and thus cannot violate the stalking law “because the right to obtain the records is established by statute and acknowledged in the state constitution”). *Cf. James v.*

Loxahatchee Groves Water Control District, 820 So. 2d 988 (Fla. 4th DCA 2002), concluding that a trial court erred when it failed to hold a hearing before denying a request to require a district to permit inspection at the district offices, rather than at an off-premises location. The agency argued that it would be “disruptive” to require that the records inspection be conducted at its offices. *Id.* However, the appeals court ruled that a hearing should have been held to determine whether the requestor, who was in litigation with the district, should be allowed to view the records at the district offices, and if so, under what conditions. *Id.*

3. Purpose of request

The requester is not required to explain the purpose or reason for a public records request. “The motivation of the person seeking the records does not impact the person’s right to see them under the Public Records Act.” *Curry v. State*, 811 So. 2d 736, 742 (Fla. 4th DCA 2002). *See also Barfield v. School Board of Manatee County*, 135 So. 3d 560, 562 (Fla. 2d DCA 2014) (“An individual’s reason for requesting a public record is irrelevant”); *Timoney v. City of Miami Civilian Investigative Panel*, 917 So. 2d 885, 886n.3 (Fla. 3d DCA 2005) (“generally, a person’s motive in seeking access to public records is irrelevant”); *Staton v. McMillan*, 597 So. 2d 940, 941 (Fla. 1st DCA 1992), *review dismissed sub nom.*, *Staton v. Austin*, 605 So. 2d 1266 (Fla. 1992) (petitioner’s reasons for seeking access to public records “are immaterial”); *Lorei v. Smith*, 464 So. 2d 1330, 1332 (Fla. 2d DCA 1985), *review denied*, 475 So. 2d 695 (Fla. 1985) (legislative objective underlying the creation of Ch. 119 was to insure to the people of Florida the right freely to gain access to governmental records; the purpose of such inquiry is immaterial); and *News-Press Publishing Company, Inc. v. Gadd*, 388 So. 2d 276, 278 (Fla. 2d DCA 1980) (“the newspaper’s motives [for seeking the documents], as well as the hospital’s financial harm and public harm defenses, are irrelevant in an action to compel compliance with the Public Records Act”). *Cf. Town of Gulf Stream v. O’Boyle*, 654 F. App’x 439 (11th Cir. 2016) (alleged filing of large numbers of frivolous public records requests which are then followed by lawsuits when the requests are not addressed does not constitute a predicate act under the Racketeer Influenced Corrupt Organizations Act).

Thus, an agency is not authorized to impose conditions or limit access to public records based on a suspicion that the request may be for an improper purpose. *Inf. Op. to Cook*, May 27, 2011. However, as noted in that opinion, Florida Statutes impose criminal penalties for the unauthorized use of personal identification information for fraudulent or harassment purposes and for the criminal use of a public record or public records information. *See ss. 817.568 and 817.569, F.S.*

Similarly, “the fact that a person seeking access to public records wishes to use them in a commercial enterprise does not alter his or her rights under Florida’s public records law.” *Microdecisions, Inc. v. Skinner*, 889 So. 2d 871, 875 (Fla. 2d DCA 2004), *review denied*, 902 So. 2d 791 (Fla. 2005), *cert. denied*, 126 S.Ct. 746 (2005). *See also State ex rel. Davis v. McMillan*, 38 So. 666 (Fla. 1905) (abstract companies may copy documents from the clerk’s office for their own use and sell copies to the public for a profit); *Booksmart Enterprises, Inc. v. Barnes & Noble College Bookstores, Inc.*, 718 So. 2d 227, 228n.2 (Fla. 3d DCA 1998), *review denied*, 729 So. 2d 389 (Fla. 1999) (“Booksmart’s reason for wanting to view and copy the documents is irrelevant to the issue of whether the documents are public records”).

4. Role of the records custodian

Section 119.011(5), F.S., defines the term “custodian of public records” to mean “the elected or appointed state, county, or municipal officer charged with the responsibility of maintaining the office having public records, or his or her designee.”

The custodian of public records, or a person having custody of public records, may designate another officer or employee of the agency to permit the inspection and copying of public records, but must disclose the identity of the designee to the person requesting to inspect or copy public records. Section 119.07(1)(b), F.S. *and see s. 119.0701(2)*, F.S. (discussed more

fully on pages 62-63) requiring that certain agency contracts for public services must contain contact information pertaining to the agency's custodian of public records; and s. 119.12(1)(b) and (2), F.S., mandating that the complainant in a public records lawsuit must provide written notice identifying the public records request to the custodian at least 5 business days prior to filing a civil action, but stipulating that the notice is not required if the agency fails to prominently post the contact information for the agency's custodian in the manner prescribed in the statute. *Cf. Remia v. City of St. Petersburg Police Pension Board of Trustees*, 14 F.L.W. Supp. 854a (Fla. 6th Cir. Ct. July 17, 2007), *cert. denied*, 996 So. 2d 860 (Fla. 2d DCA 2008) (since city clerk's responsibility to provide public records was ministerial, city was not entitled to protective order prohibiting attorney in litigation with the city from directly contacting the clerk with a public records request without first contacting the city attorney). Questions relating to the application of the Rules of Professional Conduct should be addressed to The Florida Bar. See Florida Bar Ethics Opinion 09-01, issued December 10, 2010.

However, the courts have concluded that the statutory reference to the records custodian does not alter the "duty of disclosure" imposed by s. 119.07(1), F.S., upon "[e]very person who has custody of a public record." *Puls v. City of Port St. Lucie*, 678 So. 2d 514 (Fla. 4th DCA 1996). [Emphasis supplied by the court]. Thus, the term "custodian" for purposes of the Public Records Act refers to all agency personnel who have it within their power to release or communicate public records. *Mintus v. City of West Palm Beach*, 711 So. 2d 1359 (Fla. 4th DCA 1998) (citing *Williams v. City of Minneola*, 575 So. 2d 683, 687 [Fla. 5th DCA 1991]). But, "the mere fact that an employee of a public agency temporarily possesses a document does not necessarily mean that the person has custody as defined by section 119.07." *Id.* at 1361. In order to have custody, one must have supervision and control over the document or have legal responsibility for its care, keeping or guardianship. *Id.*

In *Siegmeister v. Johnson*, 240 So. 3d 70 (Fla. 1st DCA 2018), the court rejected the requester's claim that he was entitled to view the records at the office of an assistant state attorney in Lake City when office policy required that the records be sent to the state attorney's main office in Live Oak to be reviewed for exemptions. The court reasoned that the assistant state attorney "couldn't have, for instance simply handed over the records on the spot" when the requester asked for them in Lake City because both the "[Public Records] Act and office policy" required that the records "be reviewed for exempt information by the public records custodian (who was also responsible for supervising the record inspection and copying process)" as provided in s. 119.07(1)(a), F.S. *Id.* at 74

The custodian of public records and his or her designee must acknowledge requests to inspect or copy records promptly and respond to such requests in good faith. Section 119.07(1)(c), F.S. See *Board of Trustees, Jacksonville Police & Fire Pension Fund v. Lee*, 189 So. 3d 120, 128 (Fla. 2016), noting that the "good faith language" was intended "to strengthen the responsibilities of records custodians by imposing an explicit requirement on public agencies that they act in good faith in responding to public records requests."

A good faith response includes making reasonable efforts to determine from other officers or employees within the agency whether such a record exists and, if so, the location at which the record can be accessed. *Id.* *Cf. SDE Media LLC v. City of Doral*, 25 F.L.W. Supp 243a (Fla. 11th Cir. Ct. May 5, 2017) (city violated the Public Records Law by "misrepresenting to SDE Media LLC that all responsive records had been located and produced when, in fact, [the city] knew that a good faith search had not been made and that additional responsive records may not have been produced").

The duty of "good faith" imposed on public officers who are charged with the responsibility of complying with the law is "subjective." *Consumer Rights, LLC v. Union County*, 159 So. 3d 882, 885 (Fla. 1st DCA 2015), *review denied*, 177 So. 3d 1264 (Fla. 2015). "Whether a governmental entity acted in 'good faith' in the manner in which it responded to a request for disclosure of public

records is necessarily a question for the court to decide based on the circumstances of a case.” *Id.*

5. Requests for copies versus requests to inspect public records

“It is the policy of this state that all state, county, and municipal records are open for personal inspection and *copying* by any person.” (e.s.) Section 119.01(1), F.S. In addition, s. 119.07(1)(a), F.S., provides that “[e]very person who has custody of a public record shall permit the record to be inspected and copied by any person desiring to do so” Finally, s. 119.07(4), F.S., requires the custodian to “furnish a copy or a certified copy of the record upon payment of the fee prescribed by law” *And see Fuller v. State ex rel. O'Donnell*, 17 So. 2d 607 (Fla. 1944) (“The best-reasoned authority in this country holds that the right to inspect public records carries with it the right to make copies”); and *Schwartzman v. Merritt Island Volunteer Fire Department*, 352 So. 2d 1230, 1232n.2 (Fla. 4th DCA 1977) (Public Records Act requires custodian to furnish copies). *Cf. Wootton v. Cook*, 590 So. 2d 1039, 1040 (Fla. 1st DCA 1991) (if the requestor identifies a record with sufficient specificity to permit the agency to identify it and forwards the appropriate fee, the agency must furnish by mail a copy of the record).

6. Records maintained by more than one agency

The fact that a particular record is also maintained by another agency does not relieve the custodian of the obligation to permit inspection and copying in the absence of an applicable statutory exemption. AGO 86-69. If information contained in the public record is available from other sources, a person seeking access to the record is not required to make an unsuccessful attempt to obtain the information from those sources as a condition precedent to gaining access to the public records. *Warden v. Bennett*, 340 So. 2d 977, 979 (Fla. 2d DCA 1976).

7. Records not in physical possession of agency

An agency is not authorized to refuse to allow inspection of public records it made or received in the course of official business on the grounds that the documents are in the actual possession of another agency or official other than the records custodian. *See Wallace v. Guzman*, 687 So. 2d 1351 (Fla. 3d DCA 1997) (public records cannot be hidden from the public by transferring physical custody of the records to the agency’s attorneys); *Tober v. Sanchez*, 417 So. 2d 1053 (Fla. 3d DCA 1982), *review denied sub nom., Metropolitan Dade County Transit Agency v. Sanchez*, 426 So. 2d 27 (Fla. 1983) (official charged with maintenance of records may not transfer actual physical custody of records to county attorney and thereby avoid compliance with request for inspection under Ch. 119, F.S.); and AGO 92-78 (public housing authority not authorized to withhold its records from disclosure on the grounds that the records have been subpoenaed by the state attorney and transferred to that office). “Given the aggressive nature of the public’s right to inspect and duplicate public records, a governmental agency may not avoid a public records request by transferring custody of its records to another agency.” *Chandler v. City of Sanford*, 121 So. 3d 657, 660 (Fla. 5th DCA 2013).

Thus, in *Barfield v. Florida Department of Law Enforcement*, No. 93-1701 (Fla. 2d Cir. Ct. May 19, 1994), the court held that an agency that received records from a private entity in the course of official business and did not make copies of the documents could not “return” them to the entity following receipt of a public records request. The court ordered the agency to demand the return of the records from the private entity so they could be copied for the requestor.

Similarly, in *Times Publishing Company v. City of St. Petersburg*, 558 So. 2d 487, 492-493 (Fla. 2d DCA 1990), the court found that both the city and a private entity violated the Public Records Act when, pursuant to a plan to circumvent Ch. 119, F.S., the city avoided taking possession of negotiation documents reviewed and discussed by both parties and instead left them with the private entity’s attorney. The court determined that although city officials may have intended merely to “avoid” the law, the effect of their actions was to “evade the broad policy of open government.” *And see Wisner v. City of Tampa Police Department*, 601 So. 2d 296, 298 (Fla. 2d DCA 1992) (city may not allow a private entity to maintain physical custody of public records [polygraph chart used in internal investigation] “to circumvent the public records

chapter”); and *National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201 (Fla. 1st DCA 2009), *review denied*, 37 So. 3d 848 (Fla. 2010) (records on private entity’s secure website that were viewed and used by a state university in carrying out its official duties were public records even though the university did not take physical possession); and AGO 98-54 (registration and disciplinary records stored in a computer database maintained by a national securities association which are used by a state agency in licensing and regulating securities dealers doing business in Florida are public records).

8. “Overbroad” public records requests

In *Lorei v. Smith*, 464 So. 2d 1330, 1332 (Fla. 2d DCA 1985), *review denied*, 475 So. 2d 695 (Fla. 1985), the court recognized that the “breadth of such right [to gain access to public records] is virtually unfettered, save for the statutory exemptions” Accordingly, in the absence of a statutory exemption, a custodian must produce the records requested regardless of the number of records involved or possible inconvenience. Note, however, s. 119.07(4)(d), F.S., authorizes a custodian to charge, in addition to the cost of duplication, a reasonable service charge for the cost of the extensive use of information technology resources or of personnel, if such extensive use is required because of the nature or volume of public records to be inspected or copied. See AGO 92-38.

Thus, a person seeking to inspect “all” financial records of a municipality may not be required to specify a particular book or record he or she wishes to inspect. *State ex rel. Davidson v. Couch*, 156 So. 297, 300 (Fla. 1934). In *Davidson*, the Florida Supreme Court explained that if this were the case, “one person may be required to specify the book, while another and more favored one, because of his pretended ignorance of the name of the record might be permitted examination of all of them.” *Id.* Such a result would be inconsistent with the mandate in the Public Records Act that public records are open to all who wish to inspect them. *Id.* Cf. *Salvadore v. City of Stuart*, No. 91-812 CA (Fla. 19th Cir. Ct. December 17, 1991), stating that if a public records request is insufficient to identify the records sought, the city has an affirmative duty to promptly notify the requestor that more information is needed in order to produce the records; it is the responsibility of the city and not the requestor to follow up on any requests for public records. Compare *Woodard v. State*, 885 So. 2d 444, 446 (Fla. 4th DCA 2004) (records custodian must furnish copies of records when the person requesting them identifies the portions of the record with sufficient specificity to permit the custodian to identify the record and forwards the statutory fee).

9. Written request or form requirements

Chapter 119, F.S., does not authorize an agency to require that requests for records be in writing. See *Dade Aviation Consultants v. Knight Ridder, Inc.*, 800 So. 2d 302, 305n.1 (Fla. 3d DCA 2001) (“There is no requirement in the Public Records Act that requests for records must be in writing”). As noted in AGO 80-57, a custodian must honor a request for copies of records which is sufficient to identify the records desired, whether the request is in writing, over the telephone, or in person, provided that the required fees are paid. “In sum, the city could not properly condition disclosure of the public records, to the then-anonymous requester on filling out the city’s form” *Chandler v. City of Greenacres*, 140 So. 3d 1080, 1085 (Fla. 4th DCA 2014).

If a public agency believes that it is necessary to provide written documentation of a request for public records, the agency may require that the *custodian* complete an appropriate form or document; however, the person requesting the records cannot be required to provide such documentation as a precondition to the granting of the request to inspect or copy public records. See *Sullivan v. City of New Port Richey*, No. 86-1129CA (Fla. 6th Cir. Ct. May 22, 1987), *per curiam affirmed*, 529 So. 2d 1124 (Fla. 2d DCA 1988), noting that a requestor’s failure to complete a city form required for access to documents did not authorize the custodian to refuse to honor the request to inspect or copy public records.

However, a request for records of the judicial branch (which is not subject to Ch. 119,

F.S., see *Times Publishing Company v. Ake*, 660 So. 2d 255 [Fla. 1995]), must be in writing. Rule 2.420(m)(1), Fla. R. Jud. Admin. In its commentary accompanying the rule change that incorporated this requirement, the Court said that the “writing requirement is not intended to disadvantage any person who may have difficulty writing a request; if any difficulty exists, the custodian should aid the requestor in reducing the request to writing.” *In re Report of the Supreme Court Workgroup on Public Records*, 825 So. 2d 889, 898 (Fla. 2002).

10. Identification of requester

A person requesting access to or copies of public records may not be required to disclose his or her name, address, telephone number or the like to the custodian, unless the custodian is required by law to obtain this information prior to releasing the records. AGOs 92-38 and 91-76. *Accord* Inf. Op. to Cook, May 27, 2011. See also *Bevan v. Wanicka*, 505 So. 2d 1116 (Fla. 2d DCA 1987) (production of public records may not be conditioned upon a requirement that the person seeking inspection disclose background information about himself or herself). Cf. s. 1012.31(2)(f), F.S., providing that the custodian of *public school employee* personnel files shall maintain a record in the file of those persons reviewing an employee personnel file each time it is reviewed.

Thus, a city may not require an anonymous requester who made a public records request via e-mail to provide an “address or other identifiable source for payment of the associated costs.” *Chandler v. City of Greenacres*, 140 So. 3d 1080, 1085 (Fla. 4th DCA 2014). Instead, “the city could have sent an estimate of costs through e-mail to the requester just as it could through regular mail, had the request been made via paper by an anonymous requester.” *Id.* Cf. *Consumer Rights, LLC v. Union County, Florida*, 159 So. 3d 882, 886 (Fla. 1st DCA 2015), *review denied*, 177 So. 3d 1264 (Fla. 2015) (“We know of no law that requires a governmental entity to provide public records to a generic email address, at least not until such time as it is made clear that the address belongs to a person”); and *Citizens Awareness Foundation, Inc. v. Wantman Group, Inc.*, 195 So. 3d 396, 402 (Fla. 4th DCA 2016) (“There is a difference between allowing anonymous public records requests and evaluating an agency’s response when such requests are justifiably handled with caution”).

11. Remote access

Section 119.07(2)(a), F.S., states that “[a]n additional means of inspecting or copying public records, a custodian may provide access to public records by remote electronic means, provided exempt or confidential information is not disclosed.” And see s. 119.01(2)(e), F.S. Thus, an agency is authorized but not required to permit remote electronic access to public records.

Similarly, access to public records by remote electronic means is merely an additional means of inspecting or copying public records; this “additional means of access, however, is insufficient where the person requesting the records specifies the traditional method of access via paper copies.” *Lake Shore Hospital Authority v. Lilker*, 168 So. 3d 332, 333 (Fla. 1st DCA 2015).

Section 119.07(2)(b), F.S., requires the custodian to provide safeguards to protect the contents of the public records from unauthorized electronic access or alteration and to prevent the disclosure or modification of those portions of the records which are exempt from disclosure.

Unless otherwise required by law, the custodian may charge a fee for remote electronic access, granted under a contractual arrangement with a user, which fee may include the direct and indirect costs of providing such access. However, fees for remote electronic access provided to the general public must be in accordance with the provisions of s. 119.07, F.S. Section 119.07(2)(c), F.S.

12. Requests to create new records, answer questions about the records, or reformat existing records

The statutory obligation of the custodian of public records is to provide access to, or copies

of, public records “at any reasonable time, under reasonable conditions, and under supervision by the custodian of the public records” provided that the required fees are paid. Section 119.07(1) (a) and (4), F.S. However, a custodian is not required to give out *information* from the records of his or her office. AGO 80-57. The Public Records Act does not require a town to produce an employee, such as the financial officer, to answer questions regarding the financial records of the town. AGO 92-38. *Cf. In re Report of the Supreme Court Workgroup on Public Records*, 825 So. 2d 889, 898 (Fla. 2002) (the custodian of judicial records “is required to provide access to or copies of records but is not required either to provide information from records or to create new records in response to a request”).

In other words, Ch. 119, F.S., provides a right of access to inspect and copy an agency’s existing public records; it does not mandate that an agency create new records in order to accommodate a request for information from the agency. Thus, the clerk of court is not required to provide an inmate with a list of documents from a case file which may be responsive to some forthcoming request. *Wootton v. Cook*, 590 So. 2d 1039 (Fla. 1st DCA 1991). *See also* AGO 08-29. *Cf. s. 120.53, F.S.*, relating to maintenance of final orders by agencies subject to Ch. 120, F.S.

However, in order to comply with the statutory directive that an agency provide copies of public records upon payment of the statutory fee, an agency must respond to requests by mail for information as to copying costs. *Wootton v. Cook*, *supra*. *See also Woodard v. State*, 885 So. 2d 444, 445n.1 (Fla. 4th DCA 2004), remanding a case for further proceedings where the custodian forwarded only information relating to the statutory fee schedule rather than the total copying cost of the requested records. *Cf. Gilliam v. State*, 996 So. 2d 956 (Fla. 2d DCA 2008) (clerk, as custodian of judicial records, had a legal duty to respond to Gilliam’s request for information regarding costs) and *Blackshear v. State*, 115 So. 3d 1093 (Fla. 1st DCA 2013) (clerk is “duty-bound to respond to a request about copying costs for the records sought”).

Similarly, as stated in *Seigle v. Barry*, 422 So. 2d 63, 66 (Fla. 4th DCA 1982), *review denied*, 431 So. 2d 988 (Fla. 1983), the intent of Ch. 119, F.S., is “to make available to the public information which is a matter of public record, in some meaningful form, not necessarily that which the applicant prefers.” Accordingly, an agency is not ordinarily required to reformat its records and provide them in a particular form as demanded by the requestor. AGO 08-29. As explained in *Seigle*:

If the health department maintains a chronological list of dog-bite incidents with rabies implications [a] plaintiff, bitten by a suspect dog, may not require the health department to reorder that list and furnish a record of incidents segregated by geographical areas. Nothing in the statute, case law or public policy imposes such a burden upon our public officials. 422 So. 2d at 65.

Thus, in AGO 97-39, the Attorney General’s Office concluded that a school district was not required to furnish electronic public records in an electronic format other than the standard format routinely maintained by the district.

Despite the general rule, however, the *Seigle* court recognized that an agency may be required to provide access through a specially designed program, prepared by or at the expense of the requestor, where:

- 1) available programs do not access all of the public records stored in the computer’s data banks; or
- 2) the information in the computer accessible by the use of available programs would include exempt information necessitating a special program to delete such exempt items; or
- 3) for any reason the form in which the information is proffered does not fairly and meaningfully represent the records; or

- 4) the court determines other exceptional circumstances exist warranting this special remedy. 422 So. 2d at 66-67.

For the purpose of satisfying a public records request, the fee to be charged by an agency if it elects to provide a copy of a public record in a medium that is not routinely used by the agency, or if it elects to compile information that is not routinely developed or maintained by the agency or that requires a substantial amount of manipulation or programming, must be in accordance with s. 119.07(4), F.S. (authorizing imposition of a special service charge if extensive information technology resources or labor are required). Section 119.01(2)(f), F.S.

13. Records available in more than one medium

An agency must provide a copy of the record in the medium requested if the agency maintains the record in that medium, and the agency may charge a fee which shall be in accordance with Ch. 119, F.S. Section 119.01(2)(f), F.S. *See* AGO 13-07. Accordingly, an agency violated the Public Records Act when it referred the requester to a website instead of providing paper copies as the requester asked. *Lake Shore Hospital Authority v. Lilker*, 168 So. 3d 332 (Fla. 1st DCA 2015).

Similarly, a custodian of public records must, if asked for a copy of a computer software disk used by an agency, provide a copy of the disk in its original format; a typed transcript would not satisfy the requirements of s. 119.07(1), F.S. AGO 91-61. *See also Miami-Dade County v. Professional Law Enforcement Association*, 997 So. 2d 1289 (Fla. 3d DCA 2009) (fact that pertinent information may exist in more than one format is not a basis for exemption or denial of the request). *Cf.* AGO 06-30, stating that an agency may respond to a public records request requiring the production of thousands of documents by composing a static web page where the responsive public documents are posted for viewing if the requesting party agrees to the procedure and agrees to pay the administrative costs, in lieu of copying the documents at a much greater cost.

14. Amount of time allowed for response to public records requests

a. Duty to acknowledge requests promptly

The custodian of public records or his or her designee is required to acknowledge requests to inspect or copy records promptly and to respond to such requests in good faith. Section 119.07(1)(c), F.S. *Cf. Hewlings v. Orange County*, 87 So. 3d 839 (Fla. 5th DCA 2012) (mere fact that county quickly responded to public records request by voicemail and fax is not dispositive of whether county's 45-day delay in *complying* with the request was unjustified for purposes of s. 119.12, F.S., authorizing an award of attorney's fees to a party who succeeds in a civil action resulting from an unlawful refusal to provide public records).

b. Automatic delay impermissible

A policy which provides for an automatic delay in the production of public records is impermissible. *Tribune Company v. Cannella*, 458 So. 2d 1075, 1078-1079 (Fla. 1984), *appeal dismissed sub nom.*, *Deperte v. Tribune Company*, 105 S.Ct. 2315 (1985). *And see Lake Shore Hospital Authority v. Lilker*, 168 So. 3d 332, 333-334 (Fla. 1st DCA 2015) (agency not authorized to automatically delay production by imposing a 24-hour notice requirement).

Thus, an agency is not authorized to delay inspection of personnel records in order to allow the employee to be present during the inspection of his or her records. *Tribune Company v. Cannella*, 458 So. 2d at 1078. *Compare* s. 1012.31(3)(a)3., F.S., in which the Legislature has expressly provided that no material derogatory to a public school employee may be inspected until 10 days after the employee has been notified as prescribed by statute.

Similarly, the Attorney General's Office has advised that a board of trustees of a police pension fund may not delay release of its records until such time as the request is submitted to the board for a vote. AGO 96-55. *And see Grapski v. City of Alachua*, 31 So. 3d 193 (Fla. 1st

DCA 2010), *review denied*, 47 So. 3d 1288 (Fla. 2010) (city may not delay public access to board meeting minutes until after the city commission has approved the minutes).

c. Unjustified delay

The Public Records Act does not contain a specific time limit (such as 24 hours or 10 days) for compliance with public records requests. However, “delay in making public records available is permissible under very limited circumstances.” *Promenade D’Iberville, LLC v. Sundy*, 145 So. 3d 980, 983 (Fla. 1st DCA, 2014). In *Promenade*, the court noted that a records custodian could delay production to determine whether the records exist, s. 119.07[1][c], F.S.; if the custodian believes the some or all of the record is exempt, s. 119.07[1][d]-[e]; or if the requesting party fails to forward the appropriate fees, s. 119.07[4], F.S. Otherwise, the only delay in producing records permitted under Ch. 119, F.S., “is the limited reasonable time allowed the custodian to retrieve the record and delete those portions of the record the custodian asserts are exempt.” *Id.* at 983, citing *Tribune Company v. Cannella*, 458 So. 2d 1075, 1078 (Fla. 1984), *appeal dismissed sub nom., DePerte v. Tribune Company*, 105 S.Ct. 2315 (1985). Where the delays aren’t justified, “the Public Records Act holds officials accountable.” *Siegmeister v. Johnson*, 240 So. 3d 70, 74 (Fla. 1st DCA 2018).

Thus, an agency’s unjustified delay in producing public records constitutes an unlawful refusal to provide access to public records. See *Lilker v. Suwannee Valley Transit Authority*, 133 So. 3d 654, 655 (Fla. 1st DCA 2014) (“Unlawful refusal under section 119.12 includes not only affirmative refusal to produce records, but also unjustified delay in producing them”). See also *Rechler v. Town of Manalapan*, No. CL 94-2724 AD (Fla. 15th Cir. Ct. November 21, 1994), *affirmed*, 674 So. 2d 789, 790 (Fla. 4th DCA 1996), *review denied*, 684 So. 2d 1353 (Fla. 1996), finding that the town engaged in a “pattern of delays” by taking months to fully comply with the petitioner’s public records requests; and *State v. Webb*, 786 So. 2d 602, 604 (Fla. 1st DCA 2001) (error for a lower court judge to vacate a misdemeanor conviction of a records custodian [Webb] who had been found guilty of willfully violating s. 119.07(1)(a), F.S., based on her “dilatatory” response to public records requests).

For example, in *Promenade D’Iberville, LLC v. Sundy*, *supra*, the appellate court determined that an agency violated the Public Records Act by refusing to provide non-exempt public records until a court denied its motion for a protective order to block the requestor (an adversary in out-of-state litigation) from using the Act. Similarly, a trial judge erred by granting the agency’s motion to dismiss on the grounds that the agency ultimately provided the record three months after the request was made and two weeks after the request for mandamus relief had been filed. *Consumer Rights, LLC v. Bradford County, Florida*, 153 So. 3d 394, 398 (Fla. 1st DCA 2014). Instead, the judge should have conducted a hearing to determine whether the delay was justified. *Id.*

By contrast, in *Lang v. Reedy Creek Improvement District*, No. CJ-5546 (Fla. 9th Cir. Ct. October 2, 1995), *affirmed per curiam*, 675 So. 2d 947 (Fla. 5th DCA 1996), the circuit court rejected the petitioner’s claim that the agency should have produced requested records within 10, 20 and 60-day periods. The court determined that the agency’s response to numerous (19) public records requests for 135 categories of information and records filed by the opposing party in litigation was reasonable in light of the cumulative impact of the requests and the fact that the requested records contained exempt as well as nonexempt information and thus required a considerable amount of review and redaction. And see *Herskovitz v. Leon County*, No. 98-22 (Fla. 2d Cir. Ct. June 9, 1998), in which the court said that in view of the “nature and volume of the materials requested [over 9000 pages], their location, and the need for close supervision by some knowledgeable person of the review of those records for possible exemptions,” the amount of time expended by the county to produce the records (several weeks) to opposing counsel was not unreasonable.

Moreover, recent cases have emphasized that in order for a delay to constitute an “unlawful

refusal” for purposes of the award of attorney’s fees under s. 119.12, F.S., the delay must be “unjustified.” *See e.g., Consumer Rights, LLC v. Union County*, 159 So. 3d 882, 885 (Fla. 1st DCA 2015), *review denied*, 177 So. 3d 1264 (Fla. 2015) and *Citizens Awareness Foundation, Inc. v. Wantman Group, Inc.*, 195 So. 3d 396, 401 (Fla. 4th DCA 2016). *See also* the discussion on pages 189-191 relating to attorney’s fees awarded under s. 119.12, F.S., for an “unlawful refusal” to provide access to public records.

Stated another way, the Public Records Act “demands prompt attention and a reasonable response time, not the quickest-possible response.” *Siegmeister v. Johnson*, 240 So. 3d 70, 74 (Fla. 1st DCA 2018). In *Siegmeister*, the court noted that the agency had not “intentionally or unjustifiably delayed responding” to a public records request because it took two weeks for the response to be delivered to the requester. *Id.* at 74. *Cf. Florida Agency for Health Care Administration v. Zuckerman, Spaeder, LLP*, 221 So. 3d 1260, 1264 (Fla. 1st DCA 2017) (trial court abused its discretion by issuing a writ of mandamus requiring health care agency to produce a large number of public records within 48 hours when the records could not be reviewed for redaction of exempt information within this “compressed time period;” trial court also erred by requiring the agency to produce the records prior to the requester’s payment of the agency’s invoices associated with production of the records).

d. Arbitrary time for inspection

The Public Records Act authorizes inspection and copying of public records “at any reasonable time.” Section 119.07(1)(a), F.S. While the custodian may reasonably restrict inspection to those hours during which his or her office is open to the public, an agency policy that restricts inspection of public records to the hours of 8:30 a.m. to 9:30 a.m., Monday through Friday with 24-hour advance notice violates the Public Records Act. *Lake Shore Hospital Authority v. Lilker*, 168 So. 3d 332 (Fla. 1st DCA 2015). *Accord* AGO 81-12 (custodian not authorized to establish an arbitrary time period during which records may or may not be inspected).

There may be instances where, due to the nature or volume of the records requested, a delay based upon the physical problems in retrieving the records and protecting them is necessary; however, the adoption of a schedule in which public records may be viewed only during certain hours is impermissible. *Inf. Op. to Riotte*, May 21, 1990, concluding that an agency policy which permits inspection of its public records only from 1:00 p.m. to 4:30 p.m., Monday through Friday, violates the Public Records Act.

e. Standing requests

The Attorney General’s Office has stated that upon receipt of a public records request, the agency must comply by producing all non-exempt documents in the custody of the agency that are responsive to the request, upon payment of the charges authorized in Chapter 119, F.S. However, this mandate applies only to those documents in the custody of the agency at the time of the request; nothing in the Public Records Act appears to require that an agency respond to a so-called “standing” request for production of public records that it may receive in the future. *See Inf. Op. to Worch*, June 15, 1995.

15. Confidentiality agreements

An agency “cannot bargain away its Public Records Act duties with promises of confidentiality in settlement agreements.” *The Tribune Company v. Hardee Memorial Hospital*, No. CA-91-370 (Fla. 10th Cir. Ct. August 19, 1991) (confidentiality provision in a settlement agreement which resolved litigation against a public hospital did not remove the document from the Public Records Act).

Thus, in *National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201, 1207 (Fla. 1st DCA 2009), *review denied*, 37 So. 3d 848 (Fla. 2010), the court held that a confidentiality agreement entered into by a private law firm on behalf of a state university with the NCAA that allowed access to records contained on the NCAA’s secure custodial website that were used by

the university in preparing a response to possible NCAA sanctions, had no impact on whether such records were public records, stating that “[a] public record cannot be transformed into a private record merely because an agent of the government has promised that it will be kept private.” *And see Rasier-DC, LLC v. B & L Service, Inc.*, 237 So. 3d 374 (Fla. 4th DCA 2018) (provision in license agreement between company and county which required county to maintain the confidentiality of company’s trade secret information and assert its exempt status in response to a public records request could not transform information found to be a public record into a private record); *City of Pinellas Park, Florida v. Times Publishing Company*, No. 00-008234CI-19 (Fla. 6th Cir. Ct. January 3, 2001) (“there is absolutely no doubt that promises of confidentiality [given to employees who were asked to respond to a survey] do not empower the Court to depart from the public records law”); and *Gadd v. News-Press Publishing Company*, 412 So. 2d 894 (Fla. 2d DCA 1982) (records of a county hospital’s utilization review committee were not exempt from Ch. 119, F.S., even though the information may have come from sources who expected or were promised confidentiality).

Similarly, in *Times Publishing Company v. City of St. Petersburg*, 558 So. 2d 487, 494 (Fla. 2d DCA 1990), the court determined that a baseball organization and a city improperly attempted to circumvent the Public Records Act by agreeing to keep negotiation documents relating to use of a municipal stadium confidential and in the exclusive custody of the organization. Noting the dangers that exist if private entities “are allowed to demand that they retain custody [and prevent inspection] of documents as a condition of doing business with a governmental body,” the court ruled that both the organization and the city violated the Public Records Act. *Cf. WPTV-TV v. State*, 61 So. 3d 1191 (Fla. 5th DCA 2011) (trial court may not require media to enter into confidentiality agreement in order to receive advance notice of information relating to jury selection in criminal case).

Additionally, s. 69.081(8), F.S., part of the Sunshine in Litigation Act, provides, subject to limited exceptions, that any portion of an agreement which has the purpose or effect of concealing information relating to the settlement or resolution of any claim or action against an agency is void, contrary to public policy, and may not be enforced. Settlement records must be maintained in compliance with Ch. 119, F.S. *See* Inf. Op. to Barry, June 24, 1998 (agency not authorized to enter into a settlement agreement authorizing the concealment of information relating to an adverse personnel decision from the remainder of a personnel file). *Cf. s. 215.425(5), F.S.* (any agreement or contract, executed on or after July 1, 2011, which involves extra compensation between a unit of government and an officer, agent, employee, or contractor may not include provisions that limit the ability of any party to the agreement or contract to discuss the agreement or contract).

Moreover, to allow the maker or sender of records to dictate the circumstances under which the records are to be deemed confidential would permit private parties as opposed to the Legislature to determine which public records are subject to disclosure and which are not. Such a result would contravene the purpose and terms of Ch. 119, F.S. *Browning v. Walton*, 351 So. 2d 380 (Fla. 4th DCA 1977) (city cannot refuse to allow inspection of records containing the names and addresses of city employees who filled out forms requesting that city maintain the confidentiality of all material in their personnel files); AGO 97-84 (architectural and engineering plans under seal pursuant to s. 481.221 or s. 471.025, F.S., that are held by a public agency in connection with the transaction of official business are subject to public inspection); and Inf. Op. to Echeverri, April 30, 2010 (taxpayer may not request that records submitted to value adjustment board be kept confidential).

Accordingly, it is clear that the determination as to when public records are to be deemed confidential rests exclusively with the Legislature. *See Sepro Corporation v. Florida Department of Environmental Protection*, 839 So. 2d 781 (Fla. 1st DCA 2003), *review denied sub nom.*, *Crist v. Department of Environmental Protection*, 911 So. 2d 792 (Fla. 2005) (private party cannot render public records exempt from disclosure merely by designating as confidential the material it furnishes

to a state agency). *See also* AGO 90-104 (desire of data processing company to maintain “privacy” of certain materials filed with Department of State is of no consequence unless such materials fall within a legislatively created exemption to Ch. 119, F.S.). *And see Hill v. Prudential Insurance Company of America*, 701 So. 2d 1218 (Fla. 1st DCA 1997), *review denied*, 717 So. 2d 536 (Fla. 1998) (materials obtained by state agency from anonymous sources during its investigation of an insurance company were public records subject to disclosure in the absence of statutory exemption, notwithstanding the company’s contention that the records were “stolen” or “misappropriated” privileged documents that were delivered to the state without the company’s permission).

Therefore, unless the Legislature has expressly authorized the maker of records received by an agency to keep the material confidential, the wishes of the sender or the agency in this regard cannot supersede the requirements of Ch. 119, F.S. *Compare, e.g., s. 377.2409(1), F.S.* (information on geophysical activities conducted on state-owned mineral lands received by Department of Environmental Protection shall, on the request of the person conducting the activities, be held confidential and exempt from Ch. 119, F.S., for 10 years). *And see Morris v. Whitehead*, 588 So. 2d 1023, 1024 (Fla. 2d DCA 1991) (upholding the nondisclosure of confidential records received by housing authority from the federal government pursuant to agreement authorized by state housing law). *Cf. Doe v. State*, 901 So. 2d 881 (Fla. 4th DCA 2005) (where citizen provided information to state attorney’s office which led to a criminal investigation was justified in inferring or had a reasonable expectation that he would be treated as a confidential source in accordance with statutory exemption now found at s. 119.071[2][f], F.S., the citizen was entitled to have his identifying information redacted from the closed file, even though there was no express assurance of confidentiality by the state attorney’s office).

16. Redaction of confidential or exempt information

If the custodian asserts that an exemption applies to part of the record, the custodian “shall redact that portion . . . and shall produce the remainder of such record for inspection and copying.” Section 119.07(1)(d), F.S. *Ocala Star Banner Corp. v. McGhee*, 643 So. 2d 1196 (Fla. 5th DCA 1994) (city may redact information identifying confidential informant from police report but must produce the rest for inspection); *City of Riviera Beach v. Barfield*, 642 So. 2d 1135, 1137 (Fla. 4th DCA 1994), *review denied*, 651 So. 2d 1192 (Fla. 1995) (police department authorized to withhold statutorily exempt criminal investigative information but must allow inspection of nonexempt portions of the records); and AGO 95-42 (statute providing for confidentiality of certain audit information did not make the entire report confidential and exempt from disclosure; the portions of the report which do not contain exempt information must be released).

The fact that an agency believes that it would be impractical or burdensome to redact confidential information from its records does not excuse noncompliance with the mandates of the Public Records Act. AGO 99-52. *See also* AGO 02-73 (agency must redact confidential and exempt information and release the remainder of the record; agency not authorized to release records containing confidential information, albeit anonymously). *Compare Florida Agency for Health Care Administration v. Zuckerman Spaeder, LLP*, 221 So. 3d 1260 (Fla. 1st DCA 2017) (trial court order mandating that agency produce a large number of public records within 48 hours “effectively requires AHCA to ignore its statutory duty to redact exempted information”); and *Department of Health v. Rehabilitation Center at Hollywood Hills* 259 So. 3d 979, 982 (Fla. 1st DCA 2018), reversing a lower court order that ordered production of death certificates without addressing the Department’s “statutory duty to safeguard confidential and exempt information contained in the requested certificates.”

A custodian of records containing both exempt and nonexempt material may comply with s. 119.07(1)(d), F.S., by any reasonable method which maintains and does not destroy the exempted portion while allowing public inspection of the nonexempt portion. AGO 84-81. *And see* AGOs 97-67 and 05-37 (Official Records).

Section 119.011(13), F.S., defines the term “redact” to mean “to conceal from a copy of an original public record, or to conceal from an electronic image that is available for public viewing, that portion of the record containing exempt or confidential information.” See AGO 02-69 (statute providing for redaction of certain information in court records available for public inspection does not authorize clerk of court to permanently remove or obliterate such information from the original court records).

Section 119.07(1)(e), F.S., states that a custodian of a public record who contends that a record or part of a record is exempt from inspection must state the basis for the exemption, including the statutory citation to the exemption. Additionally, upon request, the custodian must state in writing and with particularity the reasons for the conclusion that the record is exempt or confidential. Section 119.07(1)(f), F.S. See *Weeks v. Golden*, 764 So. 2d 633 (Fla. 1st DCA 2000) (agency’s response that it had provided all records “with the exception of certain information relating to the victim” deemed inadequate because the response “failed to identify with specificity either the reasons why records were believed to be exempt, or the statutory basis for any exemption”); and *Langlois v. City of Deerfield Beach*, Florida, 370 F. Supp. 2d 1233 (S.D. Fla. 2005) (city fire chief’s summary rejection of request for employee personnel file violated the Public Records Act because the chief gave no statutory reason for failing to produce the records).

However, in *City of St. Petersburg v. Romine ex rel. Dillinger*, 719 So. 2d 19, 21 (Fla. 2d DCA 1998), the court cautioned that the Public Records Act “may not be used in such a way to obtain information that the legislature has declared must be exempt from disclosure.” Thus, a request for agency records may not be phrased or responded to in terms of a request for the specific documents asked for and received by a law enforcement agency during the course of an active criminal investigation. AGO 06-04. Compare AGO 08-33 (list of law enforcement officers who have been placed on administrative duty is a public record; the list is not confidential pursuant to section 112.533[2][a], F.S., providing for confidentiality of complaints filed against a law enforcement officer); and AGO 07-15 (statutory exemption authorizing certain corporations to request confidentiality of information relating to the company’s interest or plans to relocate to the state may be cited by a records custodian as statutory authority for withholding information from public disclosure without violating the confidentiality provisions of the exemption).

However, s. 119.07(1)(e), F.S., “requires only record-by-record—not redaction-by-redaction—identification of the exemptions authorizing the redactions in each record.” *Jones v. Miami Herald Media Company*, 198 So. 3d 1143 (Fla. 1st DCA 2016). The court upheld the agency’s use of a form with checkboxes identifying the various statutory exemptions relied upon for the redactions in the records and rejected the petitioner’s contention that the agency should have specified which exemption applied to which redaction. And see *Lopez v. State*, 696 So. 2d 725 (Fla. 1997) (state attorney’s contention that requested records were work product and not subject to public records disclosure was sufficient to identify asserted statutory exemptions). “The merit of imposing a duty on the Department to identify each document in a record that it asserts to be exempt under the [Public Records] Act—similar to the generation of a privilege log in response to a civil discovery request—is a matter properly addressed to the legislature rather than this court.” *Dettelbach v. Department of Business and Professional Regulation*, 261 So. 3d 676, 683 (Fla. 1st DCA 2018).

It has been held that a federal agency subject to the federal Freedom of Information Act, 5 U.S.C. s. 552, must, in addition to providing a detailed justification of the basis for claimed exemptions under the Act, specifically itemize and index the documents involved so as to show which are disclosable and which are exempt. See *Vaughn v. Rosen*, 484 F.2d 820, 827-828 (D.C. Cir. 1973), cert. denied, 94 S.Ct. 1564 (1974). However, a Florida court refused to apply the *Vaughn* requirements to the state Public Records Act. See *Lorei v. Smith*, 464 So. 2d 1330, 1332 (Fla. 2d DCA 1985), review denied, 475 So. 2d 695 (Fla. 1985).

17. Privacy rights

It is well established in Florida that “neither a custodian of records nor a person who is the subject of a record can claim a constitutional right of privacy as a bar to requested inspection of a public record which is in the hands of a government agency.” *Williams v. City of Minneola*, 575 So. 2d 683, 687 (Fla. 5th DCA), *review denied*, 589 So. 2d 289 (Fla. 1991).

In reaching the conclusion that public records must be open to public inspection unless the Legislature provides otherwise, the courts have rejected claims that the constitutional right of privacy bars disclosure. Article I, s. 23, Fla. Const., provides:

Every natural person has the right to be let alone and free from governmental intrusion into the person's private life except as otherwise provided herein. *This section shall not be construed to limit the public's right of access to public records and meetings as provided by law.* (e.s.)

Accordingly, the Florida Constitution “does not provide a right of privacy in public records” and a state or federal right of disclosural privacy does not exist. *Michel v. Douglas*, 464 So. 2d 545, 546 (Fla. 1985). *See also Forsberg v. Housing Authority of City of Miami Beach*, 455 So. 2d 373 (Fla. 1984); and AGO 09-19 (to extent that information on an agency's Facebook page constitutes a public record within the meaning of Ch. 119, F.S., Art. I, s. 23, Fla. Const., “is not implicated”). “[I]n Florida the right to privacy is expressly subservient to the Public Records Act.” *Board of County Commissioners of Palm Beach County v. D.B.*, 784 So. 2d 585, 591 (Fla. 4th DCA 2001). *But see Post-Newsweek Stations, Florida Inc. v. Doe*, 612 So. 2d 549 (Fla. 1992) (public's right of access to pretrial criminal discovery materials must be balanced against a nonparty's constitutional right to privacy).

In *O'Boyle v. Town of Gulf Stream*, 257 So. 3d 1036, 1040 (Fla. 4th DCA 2018), the court recognized that a public official's use of a private cell phone to conduct public business via text messaging could create a written public record subject to disclosure. “The purpose of both Article I, section 24 and Chapter 119 is to ensure that citizens may review (and criticize) government actions. That purpose would be defeated if a public official could shield the disclosure of public records by conducting business on a private phone.” 257 So. 3d at 1042. The court acknowledged that the public's right to public records “does not extinguish an individual's constitutional and statutory rights in private information.” However, the court found that a judicial review of the records could safeguard “all legitimate privacy concerns.” *Id.*

18. Liability for disclosure

Nothing in Ch. 119, F.S., indicates an intent to give private citizens a right to recovery for an agency negligently maintaining and providing information from public records. *City of Tarpon Springs v. Garrigan*, 510 So. 2d 1198 (Fla. 2d DCA 1987); *Friedberg v. Town of Longboat Key*, 504 So. 2d 52 (Fla. 2d DCA 1987). *Cf. Layton v. Florida Department of Highway Safety and Motor Vehicles*, 676 So. 2d 1038 (Fla. 1st DCA 1996) (agency has no common law or statutory duty to citizen to maintain accurate records). *Accord Hillsborough County v. Morris*, 730 So. 2d 367 (Fla. 2d DCA 1999).

However, a custodian is not protected against tort liability resulting from that person *intentionally* communicating public records or their contents to someone outside the agency which is responsible for the records unless the person inspecting the records has made a bona fide request to inspect the records or the communication is necessary to the agency's transaction of its official business. *Williams v. City of Minneola*, 575 So. 2d 683 (Fla. 5th DCA 1991), *review denied*, 589 So. 2d 289 (Fla. 1991). On appeal, after remand, the Fifth District held the claim against the city was barred on the basis of sovereign immunity. *Williams v. City of Minneola*, 619 So. 2d 983 (Fla. 5th DCA 1993). *Cf. AGO 97-09* (law enforcement agency's release of sexual offender records for purposes of public notification is consistent with its duties and responsibilities).

E. STATUTORY EXEMPTIONS

1. Creation of exemptions

“Courts cannot judicially create any exceptions, or exclusions to Florida’s Public Records Act.” *Board of County Commissioners of Palm Beach County v. D.B.*, 784 So. 2d 585, 591 (Fla. 4th DCA 2001). *Wait v. Florida Power and Light Company*, 372 So. 2d 420, 425 (Fla. 1979) (Public Records Act “excludes any judicially created privilege of confidentiality;” only the Legislature may exempt records from public disclosure). *Accord Wait v. Florida Power and Light Company*, 372 So. 2d 420, 425 (Fla. 1979) (Public Records Act “excludes any judicially created privilege of confidentiality;” only the Legislature may exempt records from public disclosure). See s. 119.011(8), F.S., defining the term “exemption” to mean “a provision of general law which provides that a specified record or meeting, or portion thereof, is not subject to the access requirements of s. 119.07(1), s. 286.011, or s. 24, Art. I of the State Constitution.”

Article I, s. 24(c), Fla. Const., authorizes the *Legislature* to enact general laws creating exemptions provided that such laws “shall state with specificity the public necessity justifying the exemption and shall be no broader than necessary to accomplish the stated purpose of the law.” “The Constitution allows for the legislature, not the courts to provide for exceptions to the public records act.” *Cruz v. State*, 44 F.L.W. D2076, 2077 (Fla. 4th DCA August 14, 2019). See *Halifax Hospital Medical Center v. News-Journal Corporation*, 724 So. 2d 567 (Fla. 1999) (statute providing an exemption from the Sunshine Law for portions of hospital board meetings is unconstitutional because it does not meet the constitutional standard of specificity as to stated public necessity and it is broader than necessary to achieve its purpose). Compare *Memorial Hospital-West Volusia v. News-Journal Corporation*, 729 So. 2d 373, 380 (Fla. 1999), in which the Court refused to “imply” an exemption from open records requirements, stating “we believe that an exemption from public records access is available only after the legislature has followed the express procedure provided in article I, section 24(c) of the Florida Constitution.” And see *Campus Communications, Inc. v. Earnhardt*, 821 So. 2d 388, 395 (Fla. 5th DCA 2002), *review denied*, 848 So. 2d 1153 (Fla. 2003) (statutory exemption for autopsy photographs serves identifiable public purpose and is no broader than necessary to meet that public purpose); *Bryan v. State*, 753 So. 2d 1244 (Fla. 2000) (statute exempting from public disclosure certain prison records satisfies the constitutional standard because the Legislature set forth the requisite public necessity [personal safety of prison officials and inmates] for the exemption); and *State, Department of Financial Services v. Danahy & Murray, P.A.*, 246 So. 3d 466 (Fla. 1st DCA 2018) (distinguishing *Halifax* and finding that a statute exempting certain information held by the Department of Financial Services under the Florida Insurance Code met the constitutional standard in Article I s. 24[c], Fla. Const.).

Laws enacted pursuant to Art. I, s. 24, Fla. Const., shall relate to one subject and must contain only exemptions or provisions governing enforcement. *Cf. State v. Knight*, 661 So. 2d 344 (Fla. 4th DCA 1995) (while exemptions when enacted must contain a public necessity statement, exceptions to an exemption are not required to contain such a statement; thus, a trial judge erred in overturning a statute providing a limited exception to the public records exemption for grand jury materials).

Article I, s. 24(c) also requires that laws providing exemptions from public records or public meetings requirements must be passed by a two-thirds vote of each house. The two-thirds vote requirement applies when an exemption is readopted in accordance with the Open Government Sunset Review Act, s. 119.15, F.S., as well as to the initial creation of an exemption. AGO 03-18.

In accordance with s. 24(d), all statutory exemptions in effect on July 1, 1993, are grandfathered into the statutes and remain in effect until they are repealed. Rules of court in effect on November 3, 1992, that limit access to records remain in effect until repealed. See Rule 2.420, Fla. R. Jud. Admin. (originally adopted by the Florida Supreme Court on October 29,

1992, as Rule 2.051, and subsequently renumbered in 2006 as Rule 2.420). Rule 2.420 may be accessed online at www.floridabar.org.

The Open Government Sunset Review Act, codified at s. 119.15, F.S., provides for the review and repeal or reenactment of an exemption from s. 24, Art. I, Fla. Const., and s. 119.07(1), or s. 286.011, F.S. The act does not apply to an exemption that is required by federal law or applies solely to the Legislature or the State Court System. Section 119.15(2)(a) and (b), F.S. Pursuant to the Act, in the fifth year after enactment of a new exemption or expansion of an existing exemption, the exemption shall be repealed on October 2 of the fifth year, unless the Legislature acts to reenact the exemption. Section 119.15(3), F.S.

2. Strict construction

The general purpose of Ch. 119, F.S., “is to open public records to allow Florida’s citizens to discover the actions of their government.” *Christy v. Palm Beach County Sheriff’s Office*, 698 So. 2d 1365, 1366 (Fla. 4th DCA 1997). The Public Records Act is to be liberally construed in favor of open government, and exemptions from disclosure are to be narrowly construed so they are limited to their stated purpose. See *National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201, 1206 (Fla. 1st DCA 2009), *review denied*, 37 So. 3d 848 (Fla. 2010); *Krischer v. D’Amato*, 674 So. 2d 909, 911 (Fla. 4th DCA 1996); *Seminole County v. Wood*, 512 So. 2d 1000, 1002 (Fla. 5th DCA 1987), *review denied*, 520 So. 2d 586 (Fla. 1988); *Tribune Company v. Public Records*, 493 So. 2d 480, 483 (Fla. 2d DCA 1986), *review denied sub nom.*, *Gillum v. Tribune Company*, 503 So. 2d 327 (Fla. 1987).

An agency claiming an exemption from disclosure bears the burden of proving the right to an exemption. See *Barfield v. School Board of Manatee County*, 135 So. 3d 560, 562 (Fla. 2d DCA 2014); *Woolling v. Lamar*, 764 So. 2d 765, 768 (Fla. 5th DCA 2000), *review denied*, 786 So. 2d 1186 (Fla. 2001); *Barfield v. City of Fort Lauderdale Police Department*, 639 So. 2d 1012, 1015 (Fla. 4th DCA), *review denied*, 649 So. 2d 869 (Fla. 1994); and *Florida Freedom Newspapers, Inc. v. Dempsey*, 478 So. 2d 1128, 1130 (Fla. 1st DCA 1985). See also *Bludworth v. Palm Beach Newspapers, Inc.*, 476 So. 2d 775, 780n.1 (Fla. 4th DCA 1985), *review denied*, 488 So. 2d 67 (Fla. 1986); *Tribune Company v. Public Records*, *supra*, stating that doubt as to the applicability of an exemption should be resolved in favor of disclosure rather than secrecy. And see *Times Publishing Company v. City of St. Petersburg*, 558 So. 2d 487, 492, noting that the judiciary cannot create a privilege of confidentiality to accommodate the desires of government and that “[a]n open government is crucial to the citizens’ ability to adequately evaluate the decisions of elected and appointed officials”; rather the “right to access public documents is virtually unfettered, save only the statutory exemptions designed to achieve a balance between an informed public and the ability of the government to maintain secrecy in the public interest.” *Accord* AGO 80-78 (“policy considerations” do not, standing alone, justify nondisclosure of public records).

3. Retroactive application of new exemptions

Access to public records is a substantive right. *Memorial Hospital-West Volusia, Inc. v. News-Journal Corporation*, 784 So. 2d 438 (Fla. 2001). Thus, a statute affecting that right is presumptively prospective and there must be a clear legislative intent for the statute to apply retroactively. *Id.* Generally, the critical date in determining whether a document is subject to disclosure is the date the public records request is made; the law in effect on that date applies. *Baker County Press, Inc. v. Baker County Medical Services*, 870 So. 2d 189, 192-193 (Fla. 1st DCA 2004).

However, if the Legislature is “clear in its intent,” an exemption may be applied retroactively. *Campus Communications, Inc. v. Earnhardt*, 821 So. 2d 388, 396 (Fla. 5th DCA 2002), *review denied*, 848 So. 2d 1153 (Fla. 2003) (statute exempting autopsy photographs from disclosure is remedial and may be retroactively applied). See also *Palm Beach County Sheriff’s Office v. Sun-Sentinel Company, LLC*, 226 So. 3d 969 (Fla. 4th DCA, 2017); *City of Orlando v. Desjardins*, 493 So. 2d 1027, 1028 (Fla. 1986); and *Roberts v. Butterworth*, 668 So. 2d 580 (Fla.

1996). *Cf. Cebrian By and Through Cebrian v. Klein*, 614 So.2d 1209 (Fla. 4th DCA 1993) (amendment to child abuse statute limiting access to unfounded reports was remedial in nature and therefore applied retroactively); AGO 11-16 (applying exemption to a public records request received before the statute's effective date because the legislation creating the exemption states that it "applies to information held by an agency, before, on, or after the effective date of this exemption"); and AGO 94-70 (amendment to expungement statute appears to be remedial and, therefore, should be retroactively applied to those records ordered expunged prior to the effective date of the amendment).

4. Retroactive application of statutes eliminating confidentiality

In *Baker v. Eckerd Corporation*, 697 So. 2d 970 (Fla. 2d DCA 1997), the court held that an amendment eliminating protection against disclosure of certain records applies prospectively from the effective date of the amendment. *See also* AGO 95-19 (expanded disclosure provisions for juvenile records apply only to records created after the effective date of the amendment); and *Coventry First, LLC v. Office of Insurance Regulation*, 30 So. 3d 552 (Fla. 1st DCA 2010) (although intended to apply retroactively, statutory amendment imposing a time limitation on the exempt status of certain records submitted to an agency applied prospectively since retroactive application improperly deprived company of its vested property rights in records already submitted to the agency).

Records made before the date of a repeal of an exemption under s. 119.15, F.S., the Open Government Sunset Review Act, "may not be made public unless otherwise provided by law." Section 119.15(7), F.S.

5. Difference between exempt and confidential records

a. Confidential records

There is a difference between records the Legislature has determined to be exempt from the Public Records Act and those which the Legislature has determined to be exempt from the Act *and confidential*. *WFTV, Inc. v. School Board of Seminole County*, 874 So. 2d 48, 53 (Fla. 5th DCA 2004), *review denied*, 892 So. 2d 1015 (Fla. 2004). *And see State v. Wooten*, 260 So. 3d 1060, 1069-1070 (Fla. 4th DCA 2018) (Ch. 119, F.S., refers to both "exempt" records and records which are "confidential and exempt").

If information is made confidential in the statutes, the information is not subject to inspection by the public and may be released only to those persons and entities designated in the statute. *Id. And see* AGOs 08-24, 04-09 and 86-97. Thus, where a statute provided confidentiality for all records in the city's risk management claims file, the trial judge lacked authority to order the city to produce certain records based on a determination that their production would not harm the city. *City of Homestead v. McDonough*, 232 So. 3d 1069 (Fla. 4th DCA 2017).

However, a statute restricting release of confidential emergency call information does not prevent the city's attorneys or other city officials who are responsible for advising the city regarding the provision of emergency medical services or for defending the city against a possible claim arising from such services, from reviewing the records related to such emergency calls that contain patient examination or treatment information. AGO 95-75.

An agency is authorized to take reasonable steps to ensure that confidential records are not improperly released. *Lee County v. State Farm Mutual Automobile Insurance Company*, 634 So. 2d 250, 251 (Fla. 2d DCA 1994) (county policy requiring the patient's notarized signature on all release forms for emergency services medical records "not unreasonable or onerous;" requirement was a valid means of protecting records made confidential by s. 401.30[4], F.S.). *Accord* AGO 94-51 (agency "should be vigilant in its protection of the confidentiality provided by statute for medical records of [its] employees"). *Cf. Florida Department of Revenue v. WHI Limited Partnership*, 754 So. 2d 205 (Fla. 1st DCA 2000) (administrative law judge [ALJ] not authorized to mandate that agency disclose confidential records because ALJ is not a judge of a court of

competent jurisdiction for purposes of statute permitting disclosure of confidential records in response “to an order of a judge of a court of competent jurisdiction”); and AGO 94-86 (if custodian of confidential library circulation records believes that such records should not be disclosed in response to a subpoena because the subpoena is not a “proper judicial order” as provided in s. 257.261, F.S., custodian may assert the confidentiality provisions in a motion to quash the subpoena but should not ignore the subpoena for production of such records). *And see State Attorney’s Office of the Seventeenth Judicial Circuit v. Cable News Network, Inc.*, 251 So. 3d 205, 214 (Fla. 4th DCA 2018) (when statute authorizes release of confidential security system records upon a showing of “good cause,” the Legislature “intended the courts to apply a common law approach to ‘good cause,’ where meaning emerges over time, on a case-by-case basis, and courts arrive at a desirable equilibrium between the competing needs of disclosure and secrecy of government records”). *Cf. Florida Department of Corrections v. Miami Herald Media Company*, (Fla. 1st DCA 2019) (trial court erred when it found “good cause” for release of confidential prison video footage even though newspaper had admitted at the hearing that it no longer needed the recordings).

b. Exempt records

If records are not made confidential but are simply exempt from the mandatory disclosure requirements in s. 119.07(1), F.S., the agency is not prohibited from disclosing the documents in all circumstances. *See Williams v. City of Minneola*, 575 So. 2d 683, 687 (Fla. 5th DCA), *review denied*, 589 So. 2d 289 (Fla. 1991), in which the court observed that pursuant to s. 119.07(3)(d), F.S. [now s. 119.071(2)(c), F.S.], “active criminal investigative information” was exempt from the requirement that public records be made available for public inspection. However, as stated by the court, “the exemption does not *prohibit* the showing of such information. There are many situations in which investigators have reasons for displaying information which they have the option not to display.” [Emphasis supplied by the Court] *See also* AGO 07-21 (while statute makes photographs of law enforcement personnel exempt rather than confidential, custodian, in deciding whether such information should be disclosed, must determine whether there is a statutory or substantial policy need for disclosure and in the absence of a statutory or other legal duty to be accomplished by disclosure, whether release of such information is consistent with the exemption’s purpose). *Accord* AGO 08-24. *And see* AGO 17-05 (property appraiser authorized to disclose addresses that are exempt from public inspection, but not confidential, to the code inspector seeking to provide notice of code violations pursuant to s. 162.06, F.S.).

Once an agency has gone public with information which could have been previously protected from disclosure under Public Records Act exemptions, no further purpose is served by preventing full access to the desired information. *Downs v. Austin*, 522 So. 2d 931, 935 (Fla. 1st DCA 1988). *Cf.* AGO 01-74 (taxpayer information that is confidential in the hands of certain specified officers under s. 193.074, F.S., is subject to disclosure under the Public Records Act when it has been submitted by a taxpayer to a value adjustment board as evidence in an assessment dispute).

However, in *City of Riviera Beach v. Barfield*, 642 So. 2d 1135 (Fla. 4th DCA 1994), *review denied*, 651 So. 2d 1192 (Fla. 1995), the court held that when a criminal justice agency transfers exempt criminal investigative information to another criminal justice agency, the information retains its exempt status. *And see Ragsdale v. State*, 720 So. 2d 203, 206 (Fla. 1998) (“the focus in determining whether a document has lost its status as a public record must be on the policy behind the exemption and not on the simple fact that the information has changed agency hands”); *Alice P. v. Miami Daily News, Inc.*, 440 So. 2d 1300 (Fla. 3d DCA 1983), *review denied*, 467 So. 2d 697 (Fla. 1985) (confidential birth information contained in license application submitted to state health agency not subject to disclosure); AGO 04-44 (if the prison industry agency sends exempt proprietary confidential business information to the Secretary of the Department of Corrections in his capacity as a member of the board of directors of the prison industry agency, that information does not lose its exempt status by virtue of the fact that it was sent to the Secretary’s office in the department); and AGO 94-77 (work product exception

authorized in former s. 119.07[3][l], F.S. [now s. 119.071(1)(d), F.S.], will be retained if the work product is transferred from the county attorney to the city attorney pursuant to a substitution of parties to the litigation).

6. Discovery of exempt or confidential records

An exemption from disclosure under the Public Records Act does not render the document automatically privileged for purposes of discovery under the Florida Rules of Civil Procedure or in administrative proceedings. See *Department of Health v. Poss*, 45 So. 3d 510 (Fla. 1st DCA 2010); *Department of Professional Regulation v. Spiva*, 478 So. 2d 382 (Fla. 1st DCA 1985). “Although the Rules of Civil Procedure and the Public Records Act may overlap in certain areas, they are not coextensive in scope.” *Department of Highway Safety and Motor Vehicles v. Kropff*, 445 So. 2d 1068, 1069n.1 (Fla. 3d DCA 1984). See also *Department of Highway Safety and Motor Vehicles v. Krejci Company Inc.*, 570 So. 2d 1322 (Fla. 2d DCA 1990), *review denied*, 576 So. 2d 286 (Fla. 1991) (records which are exempt from public inspection may be subject to discovery in a civil action upon a showing of exceptional circumstances and if the trial court takes all precautions to ensure the confidentiality of the records). Cf. *League of Women Voters v. Florida House of Representatives*, 132 So. 3d 135, 153 (Fla. 2013) (“if the circuit court concludes, after undertaking an in camera review of any disputed documents, that draft [apportionment] plans are exempt from public records disclosure, the circuit court should still require the Legislature to produce the draft apportionment maps and supporting documents under appropriate litigation discovery rules, to the extent these documents do not contain information regarding individual legislators’ or legislative staff members’ thoughts or impressions”).

For example, in *B.B. v. Department of Children and Family Services*, 731 So. 2d 30 (Fla. 4th DCA 1999), the court ruled that as a party to a dependency proceeding involving her daughters, a mother was entitled to discovery of the criminal investigative records relating to the death of her infant. The court found that the statutory exemption for active criminal investigative information did not “override the discovery authorized by the Rules of Juvenile Procedure.” *Id.* at 34. Compare *Henderson v. Perez*, 835 So. 2d 390, 392 (Fla. 2d DCA 2003) (trial court order compelling sheriff to produce exempt home addresses and photographs of 10 active law enforcement officers in a civil lawsuit filed by Perez predicated on his arrest, quashed because “Perez has not shown that the photographs and home addresses of the law enforcement officers are essential to the prosecution of his suit”). And see *Delaurentos v. Peguero*, 47 So. 3d 879 (Fla. 3d DCA 2010) (while the exemption for employee medical information in s. 119.071[4][b] did not preclude the discovery of a police officer’s pre-employment psychological evaluation, the estate’s request for the evaluation in a wrongful death case filed against the officer and county was, under the circumstances of the case, outside the scope of permissible discovery).

F. FEDERAL LAW AND THE FLORIDA PUBLIC RECORDS LAW

1. Application of federal confidentiality requirements to Florida public records

The general rule is that records which would otherwise be public under state law are unavailable for public inspection only when there is an absolute conflict between federal and state law relating to confidentiality of records. If a federal statute requires particular records to be closed and the state is clearly subject to the provisions of such statute, then pursuant to the Supremacy Clause of the United States Constitution, Art. VI, U.S. Const., the state must keep the records confidential. *State ex rel. Cummer v. Pace*, 159 So. 679 (Fla. 1935); AGOs 90-102, 85-03, 81-101, 80-31, and 74-372. See also *Wallace v. Guzman*, 687 So. 2d 1351, 1353 (Fla. 3d DCA 1997) (exemptions from disclosure set forth in federal Freedom of Information Act apply to federal agencies but not to state agencies). Compare *Florida Department of Education v. NYT Management Services, Inc.*, 895 So. 2d 1151 (Fla. 1st DCA 2005) (federal law prohibits public disclosure of social security numbers in state teacher certification database).

Thus, tenant records of a public housing authority are not exempt, by reason of the Federal Privacy Act, from disclosure otherwise required by the Florida Public Records Act. *Housing*

Authority of the City of Daytona Beach v. Gomillion, 639 So. 2d 117 (Fla. 5th DCA 1994). Rejecting the housing authority's argument that it was an agency of the federal government and thus subject to the Federal Privacy Act, the court concluded that while the authority received federal funds and was subject to some oversight, the federal government was not involved in the day-to-day operations of the authority and the records produced and submitted to the federal government were simply "monitoring devices." See now s. 119.071(5)(f), F.S., providing confidentiality for medical history records and certain insurance information provided by applicants for or participants in government housing assistance programs.

Similarly, a map prepared by the U.S. Justice Department concerning desegregation of Lakeland schools and given to school district employees was determined to be a public record and open to inspection. Cf. *Morris v. Whitehead*, 588 So. 2d 1023, 1024 (Fla. 2d DCA 1991) (upholding nondisclosure of confidential records received by housing authority from the federal government pursuant to agreement authorized by state housing law); and *City of Miami v. Metropolitan Dade County*, 745 F. Supp. 683 (S.D. Fla. 1990) (while the actions of the State of Florida in releasing documents are subject to the mandates of Ch. 119, F.S., the actions of the federal government in a criminal prosecution undertaken by the Office of the United States Attorney are not).

2. Copyrighted records

a. Copyrights held by agencies

In the absence of statutory authorization, a public official is not empowered to obtain a copyright for material produced by his or her office in connection with the transaction of official business. *Microdecisions, Inc. v. Skinner*, 889 So. 2d 871 (Fla. 2d DCA 2004), *review denied*, 902 So. 2d 791 (Fla. 2005), *cert. denied*, 126 S.Ct. 746 (2005) (property appraiser not authorized to assert copyright protection for the Geographic Information System maps created by his office). Accord AGOs 03-42, 88-23, and 86-94. Cf. AGO 00-13 (in the absence of express statutory authority, state agency not authorized to secure a trademark).

Section 119.084(2), F.S., however, specifically authorizes agencies to hold a copyright for data processing software created by the agency. The agency may sell the copyrighted software to public or private entities or may establish a license fee for its use. See also s. 24.105(10), F.S., authorizing the Department of the Lottery to hold patents, copyrights, trademarks and service marks; and see ss. 286.021 and 286.031, F.S., prescribing duties of the Department of State with respect to authorized copyrights obtained by state agencies.

b. Copyrighted material obtained by agencies

The federal copyright law vests in the owner of a copyright, subject to certain limitations, the exclusive right to do or to authorize, among other things, the reproduction of the copyrighted work and the distribution of the copyrighted work to the public by sale or other transfer of ownership. See AGO 97-84, citing to pertinent federal law and interpretive cases. However, the Attorney General's Office has concluded that the fact that material received by a state agency may be copyrighted does not preclude the material from constituting a public record. For example, AGO 90-102 advised that copyrighted data processing software which was not specifically designed or created for the county but was being used by the county in its official capacity for official county business fell within the definition of "public record."

Moreover, in *State, Department of Health and Rehabilitative Services v. Southpointe Pharmacy*, 636 So. 2d 1377, 1382-1383 (Fla. 1st DCA 1994), the court rejected a state agency's argument that a transcript of a hearing that had been copyrighted by the court reporter and filed with the agency should not be copied without the copyright holder's permission. The court stated that the agency was under a statutory obligation to preserve all testimony in the proceeding and make a transcript available in accordance with the fees set forth in Ch. 119, F.S. And see AGO 75-304 (agency may not enter into agreement with court reporter to refer all requests for copies of agency

proceedings to court reporter who originally transcribed proceedings; agency must provide copies of transcripts in accordance with charges set forth in Public Records Act).

The federal copyright law, when read together with Ch. 119, F.S., authorizes and requires the custodian of records of the Department of State to make maintenance manuals supplied to that agency pursuant to law, available for examination and inspection purposes. AGO 03-26. “With regard to reproducing, copying, and distributing copies of these maintenance manuals which are protected under the federal copyright law, state law must yield to the federal law on the subject.” *Id.* The custodian should advise individuals seeking to copy such records of the limitations of the federal copyright law and the consequences of violating its provisions; such notice may take the form of a posted notice that the making of a copy may be subject to the copyright law. AGOs 03-26 and 97-84. However, it is advisable for the custodian to refrain from copying such records himself or herself. AGO 03-26. *But see State v. Allen*, 14 F.L.W. Supp. 172a (Fla. 7th Cir. Ct. November 2, 2006) (defendant entitled to inspect and copy copyrighted operating manual for the radar unit and speedometer used by the police under Art. I, s. 24, Fla. Const.; if police department declined to make copies, defendant or his representative must be allowed reasonable access to the documents and a copy machine to make copies).

Moreover, as noted by the court in *State, Department of Health and Rehabilitative Services v. Southpointe Pharmacy*, *supra*, once a transcript of an administrative hearing conducted by or on behalf of an agency has been filed with the agency, the transcript becomes a public record, without regard to who ordered the transcription or bore its expense. The agency which is under a statutory obligation to preserve all testimony can charge neither the parties nor the public more than the charges authorized by Ch. 119, F.S., regardless of the fact that the court reporter may have copyrighted the transcript.

G. FEES FOR INSPECTING AND COPYING PUBLIC RECORDS

1. Inspection of public records

Providing access to public records is a statutory duty imposed by the Legislature upon all record custodians and should not be considered a profit-making or revenue-generating operation. AGO 85-03. Thus, public information must be open for inspection without charge unless otherwise expressly provided by law. *See State ex rel. Davis v. McMillan*, 38 So. 666 (Fla. 1905). *See also* AGOs 84-03 and 76-34 (only those fees or charges which are authorized by statute may be imposed upon an individual seeking access to public records). *Cf.* AGO 75-50 (the fact that the record sought to be inspected is a tape recording as opposed to a written document is of no import insofar as the imposition of a fee for inspection is concerned).

Section 119.07(4)(d), F.S., however, authorizes the imposition of a special service charge when the nature or volume of public records to be inspected is such as to require *extensive* use of information technology resources, or *extensive* clerical or supervisory assistance, or both. The charge must be reasonable and based on the labor or computer costs actually incurred by the agency. *See Board of County Commissioners of Highlands County v. Colby*, 976 So. 2d 31 (Fla. 2d DCA 2008) (special service charge applies to requests for both inspection and copies of public records when extensive clerical assistance is required).

In addition, an agency may adopt a policy imposing a reasonable special service charge based on the actual labor cost for clerical personnel who are required, due to the nature or volume of a public records request, to safeguard such records from loss or destruction during their inspection. AGO 00-11. For example, in AGO 00-11, the requested records were described as “original documents that have no recorded or maintained counterparts, such that, by their nature, they would need a heightened degree of protection from alteration or destruction.” A determination of whether the nature or volume of the public records requires such extensive assistance must be made on a case-by-case basis; the special service charge may not be routinely imposed. *Id.*

Moreover, it would be difficult to justify the imposition of a fee for extensive clerical or supervisory assistance if the personnel providing such assistance were simultaneously performing regular duties. *Id.* And see *Board of Trustees, Jacksonville Police & Fire Pension Fund v. Lee*, 189 So. 3d 120 (Fla. 2016) (affirming trial court finding that two conditions—an hourly photocopying fee and an hourly supervisory fee—were imposed in violation of s. 119.07, F.S.).

2. Copies of public records

If no fee is prescribed elsewhere in the statutes, s. 119.07(4)(a)1., F.S., authorizes the custodian to charge a fee of up to 15 cents per one-sided copy for copies that are 14 inches by 8 1/2 inches or less. An agency may charge no more than an additional 5 cents for each two-sided duplicated copy. Section 119.07(4)(a)2., F.S. And see s. 119.011(7), F.S., defining the term “duplicated copies” to mean “new copies produced by duplicating, as defined in s. 283.30,” F.S. “Duplicating” means “the process of reproducing an image or images from an original to a final substrate through the electrophotographic, xerographic, laser, or offset process or any combination of these processes, by which an operator can make more than one copy without rehandling the original.” Section 283.30(3), F.S.

A charge of up to \$1.00 per copy may be assessed for a certified copy of a public record. Section 119.07(4)(c), F.S.

For other copies, the charge is limited to the actual cost of duplication of the record. Section 119.07(4)(a)3., F.S. The phrase “actual cost of duplication” is defined to mean “the cost of the material and supplies used to duplicate the public record, but does not include the labor cost and overhead cost associated with such duplication.” Section 119.011(1), F.S. An exception, however, exists for copies of county maps or aerial photographs supplied by county constitutional officers which may include a reasonable charge for the labor and overhead associated with their duplication. Section 119.07(4)(b), F.S. Cf. AGO 13-03 (while agency may charge “actual cost of duplication” if it sends public records via e-mail, agency did not identify any actual costs of duplication involved in forwarding copies of electronic mail in lieu of photocopying and “the definition [of actual cost of duplication] does not allow for the imposition of labor costs or associated overhead costs”).

3. Special service charge for *extensive* use of clerical or supervisory labor or *extensive* information technology resources

Section 119.07(4)(d), F.S. provides that if the nature or volume of public records to be inspected or copied requires the extensive use of information technology resources or extensive clerical or supervisory assistance, or both, the agency may charge, in addition to the actual cost of duplication, a reasonable service charge based on the cost actually incurred by the agency for such extensive use of information technology resources or personnel. When warranted, the special service charge applies to requests for both inspection and copies of public records. *Board of County Commissioners of Highlands County v. Colby*, 976 So. 2d 31 (Fla. 2d DCA 2008).

Thus, while an agency may not refuse to allow inspection or copying of public records based upon the amount of records requested or the span of time which is covered by the public records request, if extensive use of information technology resources or clerical or supervisory personnel is needed in order to produce the requested records, the agency may impose a reasonable special service charge that reflects the actual costs incurred for the extensive use of such resources or personnel. See AGOs 92-38 and 90-07. Cf. *Trout v. Bucher*, 205 So. 3d 876 (Fla. 4th DCA 2016) (supervisor of elections authorized to charge a reasonable fee based on the labor costs “actually incurred” to comply with Trout’s request to inspect ballots in accordance with s. 119.07[5], F.S.).

a. Meaning of the term “extensive”

Section 119.07(4)(d), F.S., “does not identify the Legislature’s intent as to what may constitute ‘extensive use’ and provides no definition of that term.” AGO 13-03. In 1991, a divided First District Court of Appeal upheld a hearing officer’s order rejecting an inmate

challenge to a Department of Corrections rule that defined “extensive” for purposes of the special service charge to mean that it would take more than 15 minutes to locate, review for confidential information, copy and refile the requested material. *Florida Institutional Legal Services, Inc. v. Florida Department of Corrections*, 579 So. 2d 267 (Fla. 1st DCA 1991), *review denied*, 592 So. 2d 680 (Fla. 1991). The court agreed with the hearing officer that the burden was on the challenger to show that the administrative rule was invalid under Ch. 120, F.S., and the record did not indicate that the officer’s ruling was “clearly erroneous” in this case.

In light of the lack of clear direction in the statute as to the meaning of the term “extensive,” the Attorney General’s Office has suggested that agencies implement the service charge authorization “in a manner that reflects the purpose and intent of the Public Records Act and that does not constitute an unreasonable infringement upon the public’s statutory and constitutional right of access to public records.” AGO 13-03. In addition, the Attorney General’s Office also strongly encourages agencies to adopt a public records procedure that addresses imposition of special service charge. *Id.*

Moreover, the statute mandates that the special service charge be “reasonable.” *See Carden v. Chief of Police*, 696 So. 2d 772, 773 (Fla. 2d DCA 1996), in which the court reviewed a challenge to a service charge that exceeded \$4,000 for staff time involved in responding to a public records request, and said that an “excessive charge could well serve to inhibit the pursuit of rights conferred by the Public Records Act.” Accordingly, the court remanded the case and required the agency to “explain in more detail the reason for the magnitude of the assessment.” *Id.* And see *Board of Trustees, Jacksonville Police & Fire Pension Fund v. Lee*, 189 So. 3d 120, 129 (Fla. 2016), noting that “excessive, unwarranted special service charges deter individuals seeking public records from gaining access to the records to which they are entitled.”

b. Meaning of the term “information technology resources”

“Information technology resources” is defined as data processing hardware and software and services, communications, supplies, personnel, facility resources, maintenance and training. Section 119.011(9), F.S. The term does not include a videotape or a machine to view a videotape. AGO 88-23. The fact that the request involves the use of information technology resources is not sufficient to incur the imposition of the special service charge; rather, *extensive* use of such resources is required. AGOs 13-03 and 99-41.

c. Cost to review records for exempt information

An agency is not ordinarily authorized to charge for the cost to review records for statutorily exempt material. AGO 84-81. However, the special service charge may be imposed for this work if the volume of records and the number of potential exemptions make review and redaction of the records a time-consuming task. *See Florida Institutional Legal Services v. Florida Department of Corrections*, 579 So. 2d at 269. And see *Agency for Health Care Administration v. Zuckerman Spaeder, LLP*, 221 So. 3d 1260 (Fla. 1st DCA 2017) (prior court decisions as well as the language in s. 119.07[4], F.S., dictate that the requester, who had submitted several voluminous public records requests for records which included confidential information “should be required to pay for the cost of searching, review, and redaction of exempted information prior to production”).

d. Calculation of labor cost

In *Board of County Commissioners of Highlands County v. Colby*, 976 So. 2d 31 (Fla. 2d DCA 2008), the court approved a county’s special service charge pursuant to s. 119.07(4), F.S., which included both an employee’s salary and benefits in calculating the labor cost for the special service charge, recognizing, however, that the charge must be reasonable and based upon the actual labor costs incurred by or attributable to the county. *See Trout v. Bucher*, 205 So. 3d 876 (Fla. 4th DCA 2016) (supervisor of elections not required to charge the lowest hourly rate of the employee capable of doing the work needed to comply with Trout’s request to inspect ballots in accordance with s. 119.07[5], F.S., because s. 119.07[4][d] allows the agency to charge the

labor cost of the personnel that is “actually incurred” by the agency where extensive assistance is required).

The term “supervisory assistance” has not been widely interpreted. *See Herskovitz v. Leon County*, No. 98-22 (Fla. 2d Cir. Ct. June 9, 1998), concluding that an appropriate charge for supervisory review is “reasonable” in cases involving a large number of documents that contain some exempt information. In *State v. Gudinas*, No. CR 94-7132 (Fla. 9th Cir. Ct. June 1, 1999), the circuit judge approved a rate based on an agency attorney’s salary when the attorney was required to review exempt material in a voluminous criminal case file. The court noted that “only an attorney or paralegal” could responsibly perform this type of review because of the “complexity of the records reviewed, the various public record exemptions and possible prohibitions, and the necessary discretionary decisions to be made with respect to potential exemptions.”

e. Reasonable deposit or advance payment

Section 119.07(4)(a)1., F.S., states that the custodian of public records shall furnish a copy or a certified copy of the record “upon payment of the fee prescribed by law” *See Wootton v. Cook*, 590 So. 2d 1039, 1040 (Fla. 1st DCA 1991) (if a requestor “identifies a record with sufficient specificity to permit [the agency] to identify it *and forwards the appropriate fee*, [the agency] must furnish by mail a copy of the record.”) (e.s.); and *Promenade D’Iberville, LLC v. Sundy* 145 So. 3d 980, 983 (Fla. 1st DCA 2014) (a records custodian may delay production “if the requesting party fails to remit the appropriate fees”).

Accordingly, an agency’s policy of requiring the payment of a deposit prior to redaction and delivery of hundreds of telephone recordings related to a criminal trial was determined to be “facially reasonable.” *Morris Publishing Group, LLC v. State*, 154 So. 3d 528, 534 (Fla. 1st DCA 2015), *review denied*, 163 So. 3d 512 (Fla. 2015). *Accord Board of County Commissioners of Highlands County v. Colby*, 976 So. 2d 31, 37 (Fla. 2d DCA 2008), noting that a “policy of requiring an advance deposit seems prudent given the legislature’s determination that taxpayers should not shoulder the entire expense of responding to an extensive request for public records.” “[T]he reasonableness of a policy and its application — based on the facts in a particular case — guides whether an abuse of discretion is shown.” *Morris Publishing Group, LLC* at 534. *And see Agency for Health Care Administration v. Zuckerman Spaeder, LLP*, 221 So. 3d 1260 (Fla. 1st DCA 2017) (lower court abused its discretion by ordering the agency to produce a large number of responsive public records within 48 hours of the issuance of the order without requiring advance payment of the agency’s invoices associated with production of the records).

An agency may refuse to produce additional records if the fees for a previous request for records have not been paid by the requestor. *See Lozman v. City of Riviera Beach*, 995 So. 2d 1027 (Fla. 4th DCA 2008) (s. 119.07[4], F.S., “does not require the City to do any more than what it did in this case,” *i.e.*, require Lozman to pay the bill for the first group of records he requested before the city would make any further documents available). *Cf.* AGO 05-28 (custodian authorized to bill the requestor for any shortfall between the deposit and the actual cost of copying the public records when the copies have been made and the requesting party subsequently advises the city that the records are not needed).

4. Requests for information regarding costs to obtain public records

In order to comply with the statutory directive that an agency provide copies of public records upon payment of the statutory fee, an agency must respond to requests for information as to copying costs. *Wootton v. Cook*, *supra*. *See also Woodard v. State*, 885 So. 2d 444 (Fla. 4th DCA 2004), remanding a case for further proceedings where the custodian forwarded only information relating to the statutory fee schedule rather than the total cost to copy the requested records. *And see, Herskovitz v. Leon County*, No. 98-22 (Fla. 2d Cir. Ct. June 9, 1998), in which the court said that if an agency is asked for a large number of records, the fee should be communicated to the requestor before the work is undertaken. “If the agency gives the requesting party an estimate of the total charge, or the hourly rate to be applied, the party can then determine whether it appears

reasonable under the circumstances.” *Id.*

5. Requests for free copies of public records

An agency is not precluded from choosing to provide informational copies of public records without charge. AGO 90-81.

However, chapter 119, F.S., does not contain a provision that prohibits agencies from charging indigent persons or inmates the applicable statutory fee to obtain copies of public records. *See Roesch v. State*, 633 So. 2d 1, 3 (Fla. 1993) (indigent inmate not entitled to receive copies of public records free of charge nor to have original state attorney files mailed to him in prison; prisoners are “in the same position as anyone else seeking public records who cannot pay” the required costs); *Potts v. State*, 869 So. 2d 1223 (Fla. 2d DCA 2004) (no merit to inmate’s contention that Ch. 119, F.S., entitles him to free copies of all records generated in his case); *Bennett v. Clerk of Circuit Court Citrus County*, 150 So. 3d 277 (Fla. 5th DCA 2014) (authority providing indigent criminal defendants with free copies does not extend beyond the direct appeal of judgment and sentence and transcripts of evidentiary hearings held on postconviction claims); *Milner v. State*, 196 So. 3d 569 (Fla. 4th DCA 2016) (indigent prisoners are not entitled to free copies of records under the Public Records Act); and *Yanke v. State*, 588 So. 2d 4 (Fla. 2d DCA 1991), *review denied*, 595 So. 2d 559 (Fla. 1992), *cert. denied*, 112 S.Ct. 1592 (1992) (prisoner must pay copying and postage charges to have copies of public records mailed to him). *And see State, Department of Health and Rehabilitative Services v. Southpointe Pharmacy*, 636 So. 2d 1377, 1382n.7 (Fla. 1st DCA 1994) (indigent person “is not relieved by his indigency” from paying statutory costs to obtain public records). *Cf. Siegmeister v. Johnson*, 240 So. 3d 70 (Fla. 1st DCA 2018) (Public Records Act does not require government officials to move records from where they are being maintained to a different place convenient to the requester, citing to *Roesch v. State*).

Similarly, a labor union must pay the costs stipulated in Ch. 119, F.S., for copies of documents it has requested from a public employer for collective bargaining purposes because “[a] labor union seeking information from the employer with whom it is locked in collective bargaining negotiations is not exempt from the Florida Public Records Act.” *City of Miami Beach v. Public Employees Relations Commission*, 937 So. 2d 226 (Fla. 3d DCA 2006). *And see* Inf. Op. to Garganese, April 14, 1998 (authority to charge city council member for copies of public records).

A school district is under no statutory obligation to provide copies of public records free of charge to individual members of a school advisory council, but a school district may formulate a policy for the distribution of such records. AGO 99-46. If it is found that the *advisory council* needs certain school records in order to carry out its statutory functions, such records should be provided to the *council* in the same manner that records related to agenda items are provided to school board members. *Id.* *Cf.* Inf. Op. to Martin, November 21, 2006 (school board policy requiring that a request for information by an individual board member requiring more than sixty minutes of staff time to prepare must be presented to the school board for approval would be invalid if the school board member is asking under public records law; however, the school board member would be subject to any charges allowed by Chapter 119, F.S.).

6. Authority to charge for development, travel or overhead costs

An agency should not consider the furnishing of public records to be a “revenue-generating operation.” AGO 85-03. *See also* AGO 89-93 (city not authorized to sell copies of its growth management book for \$35.00 each when the actual cost to reproduce the book is \$15.10 per copy; city is limited to charging only the costs authorized by Ch. 119, F.S.).

The Public Records Act does not authorize the addition of overhead costs such as utilities or other office expenses to the charge for public records. AGO 99-41. Similarly, an agency may not charge for travel time to obtain public records stored off-premises. AGO 90-07. For example, if municipal pension records are stored in a records storage facility outside city limits,

the city may not pass along to the public records requester the costs to retrieve the records. *Inf. Op. to Sugarman*, September 5, 1997. *Cf. Cone & Graham, Inc. v. State*, No. 97-4047 (Fla. 2d Cir. Ct. October 7, 1997) (an agency's decision to "archive" older e-mail messages on tapes so that they could not be retrieved or printed without a systems programmer was analogous to an agency's decision to store records off-premises in that the agency rather than the requester must bear the costs for retrieving the records).

An agency may not assess fees designed to recoup the original cost of developing or producing the records. AGO 88-23 (state attorney not authorized to impose a charge to recover part of costs incurred in production of a training program; the fee to obtain a copy of the videotape of such program is limited to the actual cost of duplication of the tape). *And see State, Department of Health and Rehabilitative Services v. Southpointe Pharmacy*, 636 So. 2d 1377, 1382 (Fla. 1st DCA 1994) (once a transcript of an administrative hearing is filed with the agency, the transcript becomes a public record regardless of who ordered the transcript or paid for the transcription; the agency can charge neither the parties nor the public a fee that exceeds the charges authorized in the Public Records Act). *Cf. s. 119.07(4)(b)*, F.S., providing that the charge for copies of county maps or aerial photographs supplied by county constitutional officers may also include a reasonable charge for the labor and overhead associated with their duplication.

Therefore, unless a specific request for copies requires extensive clerical or supervisory assistance or extensive use of information technology resources so as to trigger the special service charge authorized by *s. 119.07(4)(d)*, F.S., an agency may charge only the actual cost of duplication for copies of computerized public records. AGO 99-41. The imposition of the service charge, however, is dependent upon the nature or volume of records requested, not on the cost to either develop or maintain the records or the database system. *Id.*

7. Fees to obtain agency records held by private companies

Although an agency may contract with private companies to provide information also obtainable through the agency, it may not abdicate its duty to produce such records for inspection and copying by requiring those seeking public records to do so only through its designee and then paying whatever fee that company may establish for its services. AGO 02-37. The agency is the custodian of its public records and, upon request, must produce such records for inspection and copy such records at the statutorily prescribed fee. *Id. Accord* AGO 13-03. *And see* AGO 05-34 (while the property appraiser may provide public records, excluding exempt or confidential information, to a private company, the property appraiser may receive only those fees that are authorized by statute and may not, in the absence of statutory authority, enter into an agreement with the private company where the property appraiser provides such records in exchange for either in-kind services or a share of the profits or proceeds from the sale of the information by the private company). *Cf. s. 119.0701(2)(b)2.*, F.S., requiring that certain contracts contain a provision stipulating that upon request from the public agency's custodian of public records, the contractor must provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in *ch. 119* or as otherwise provided by law.

8. Sales tax

In AGO 86-83, the Attorney General's Office advised that the sales tax imposed pursuant to *s. 212.05*, F.S., is not applicable to the fee charged for providing copies of records under *s. 119.07*, F.S. *See s. 5(a)* of Department of Revenue Rule 12A-1.041, F.A.C., stating that "[t]he fee prescribed by law, or the actual cost of duplication, for providing copies of public records . . . under Chapter 119, F.S., is exempt from sales tax."

9. Confidential records

Unless another fee to obtain a particular record is prescribed by law, an agency may not charge fees that exceed those in *Ch. 119*, F.S., when providing copies of confidential records to persons who are authorized to obtain them. For example, in AGO 03-57, the Attorney General's

Office advised that persons who are authorized by statute to obtain otherwise confidential autopsy photographs should be provided copies in accordance with the provisions of the Public Records Act, *i.e.*, s. 119.07(4), F.S. The medical examiner is not authorized to charge a fee that exceeds those charges. *Id.*

10. Requester makes his/her own copies

Section 119.07(3)(a), F.S., provides a “right of access to public records for the purpose of making photographs of the record while such record is in the possession, custody, and control of the custodian of public records.” This subsection “applies to the making of photographs in the conventional sense by use of a camera device to capture images of public records but excludes the duplication of microfilm in the possession of the clerk of the circuit court” if the clerk can provide a copy of the microfilm. Section 119.07(3)(b), F.S.

The photographing is to be done in the room where the public records are kept. Section 119.07(3)(d), F.S. However, if in the custodian’s judgment, this is impossible or impracticable, the copying shall be done in another room or place, as close as possible to the room where the public records are kept. *Id.* Where provision of another room or place is necessary, the expense of providing the same shall be paid by the person who wants to copy the records. *Id.* The custodian may charge the person making the copies for supervision services. Section 119.07(4)(e)2., F.S. In such cases the custodian may not charge the copy charges authorized in s. 119.07(4)(a), F.S., but may charge only the supervision service charge authorized in s. 119.07(4)(e)2., F.S. *See* AGO 82-23. *Cf. Board of Trustees, Jacksonville Police & Fire Pension Fund v. Lee*, 189 So. 3d 120, 122 (Fla. 2016) (affirming trial court finding that two conditions—“an hourly photocopying fee and an hourly supervisory fee”—were imposed in violation of s. 119.07, F.S.).

11. Fee issues relating to specific records

a. Clerk of court records

(1) County records

Pursuant to s. 125.17, F.S., the clerk of the circuit court serves as the ex officio clerk to the board of county commissioners. Records maintained by the clerk which relate to this function (*e.g.*, county resolutions, budgets, minutes, etc.) are public records which are subject to the copying fees set forth in Ch. 119, F.S., and not the service charges set forth in Ch. 28, F.S. AGO 85-80. *Accord* AGO 94-60 (documents such as minutes of public meetings, which are in the custody of the clerk as ex officio clerk of the board of county commissioners, are not subject to the \$1.00 per page charge prescribed in Ch. 28). *See also* AGO 82-23 (when members of the public use their own photographic equipment to make their own copies, the clerk is not entitled to the fees prescribed in s. 28.24, F.S., but is entitled only to the supervisory service charge now found in s. 119.07[4][e]2., F.S.).

(2) Judicial records

When the clerk is exercising his or her duties derived from Article V of the Constitution, the clerk is not subject to legislative control. *Times Publishing Company v. Ake*, 660 So. 2d 255 (Fla. 1995). Thus, when the clerk is acting in his or her capacity as part of the judicial branch of government, access to the judicial records under the clerk’s control is governed exclusively by Fla. R. Jud. Admin. 2.420, Public Access to and Protection of Judicial Records. *Id.* *See* Fla. R. Jud. Admin. 2.420(b)(2), defining the term “judicial branch” for purposes of the rule, to include “the clerk of court when acting as an arm of the court.”

Florida Rule of Judicial Administration 2.420(m)(3) states that “[f]ees for copies of records in all entities in the judicial branch of government, *except for copies of court records*, shall be the same as those provided in section 119.07, Florida Statutes.” (e.s.). The fees to obtain copies of court records are set forth in s. 28.24, F.S. This statute establishes fees that are generally higher than those in Ch. 119, F.S. For example, the charge to obtain copies of court records is \$1.00 per page, rather than 15 cents per page as established in s. 119.07(4)(a)1., F.S. *See also* *WFTV, Inc.*

v. Wilken, 675 So. 2d 674 (Fla. 4th DCA 1996) (the \$1.00 per page copying charge in s. 28.24, F.S., applies to all court documents, whether unrecorded or recorded).

b. Department of Highway Safety and Motor Vehicles crash reports

In the absence of statutory provision, the charges authorized in s. 119.07(4), F.S., govern the fees to obtain copies of crash reports from law enforcement agencies. However, there are specific statutes which apply to fees to obtain copies of reports from the Department of Highway Safety and Motor Vehicles. Section 321.23(2)(a), F.S., provides that the fee to obtain a copy of a crash report from the department is \$10.00 per copy. A copy of a homicide report is \$25 per copy. Section 321.23(2)(b), F.S. Separate charges are provided for photographs. Section 321.23(2)(d), F.S.

H. REMEDIES AND PENALTIES

1. Voluntary mediation program

Section 16.60, F.S., establishes an informal mediation program within the Office of the Attorney General as an alternative for resolution of open government disputes. For more information about the voluntary mediation program, please contact the Office of the Attorney General at the following address: The Office of the Attorney General, PL-01, The Capitol, Tallahassee, Florida 32399-1050; telephone (850)245-0140; or you may visit the Office of the Attorney General website: www.myfloridalegal.com.

2. Civil action

a. Remedies

A person denied the right to inspect and/or copy public records under the Public Records Act may bring a civil action against the agency to enforce the terms of Ch. 119, F.S. *Cf.* s. 119.07(8), F.S. (s. 119.07, F.S., may not be used by an inmate as the basis for failing to timely litigate any postconviction action).

Before filing a lawsuit, the petitioner must have furnished a public records request to the agency. *Villarreal v. State*, 687 So. 2d 256 (Fla. 1st DCA 1996), *review denied*, 694 So. 2d 741 (Fla. 1997), *cert. denied*, 118 S.Ct. 316 (1997) (improper to order agency to produce records before it has had an opportunity to comply); and *Maraia v. State*, 685 So. 2d 851 (Fla. 2d DCA 1995) (public records action dismissed where petitioner failed to file a request for public records with the records custodian before filing suit). *Cf. Coconut Grove Playhouse, Inc. v. Knight-Ridder, Inc.*, 935 So. 2d 597 (Fla. 3d DCA 2006) (trial court order departed from essential requirements of law by requiring defendant in a public records action to produce its records as a sanction for failure to respond to a discovery subpoena).

Where a multi-agency law enforcement task force had been created by a mutual aid agreement and the agreement did not indicate an intent to create a separate legal entity capable of being sued in its own name, a requestor could not sue the task force for production of records; however, as the agreement did not specify which agency would be responsible for responding to public records requests, an action could be brought against any of the member agencies to produce records in the possession of the task force. *Rameses, Inc. v. Metropolitan Bureau of Investigation*, 954 So. 2d 703 (Fla. 5th DCA 2007).

(1) Mandamus

Mandamus is an appropriate remedy to enforce compliance with the Public Records Act. *See Chandler v. City of Greenacres*, 140 So. 3d 1080, 1083 (Fla. 4th DCA 2014); *Weeks v. Golden*, 764 So. 2d 633 (Fla. 1st DCA 2000); *Smith v. State*, 696 So. 2d 814 (Fla. 2d DCA 1997); *Donner v. Edelstein*, 415 So. 2d 830 (Fla. 3d DCA 1982). *See also Farmer v. State*, 927 So. 2d 1075 (Fla. 2d DCA 2006) (trial court should treat motion to compel production of public

records as petition for writ of mandamus); *Major v. Hallandale Beach Police Department*, 219 So. 3d 856 (Fla. 4th DCA 2017) (petition for writ of mandamus filed against a governmental agency must attach a copy of any record that supports the petition). *Cf. Agency for Health Care Administration v. Zuckerman Spaeder, LLP*, 221 So. 3d 1260 (Fla. 1st DCA 2017) (mandamus relief ordering agency to produce records within 48 hours and prior to requester's payment of invoices or agency's opportunity to review and redact exempt material was improper because agency's duty was not "ministerial" and requester's right to the records was not "indisputable").

If the requester's petition presents a prima facie claim for relief, an order to show cause should be issued so that the claim may receive further consideration on the merits. *Staton v. McMillan*, 597 So. 2d 940 (Fla. 1st DCA 1992). *Accord Gay v. State*, 697 So. 2d 179 (Fla. 1st DCA 1997). *See Radford v. Brock*, 914 So. 2d 1066 (Fla. 2d DCA 2005) (trial judge dismissal of a writ of mandamus directed to clerk of court and court reporter who were alleged to be records custodians was erroneous because trial judge did not issue an alternative writ of mandamus requiring the clerk and court reporter to show cause why the writ should not be issued, and because there was no sworn evidence refuting the petitioner's allegations).

Thus, a petition for writ of mandamus should not have been dismissed based on the agency's response that the requested records "would have been destroyed" in accordance with agency policy. *Brown v. State*, 152 So. 3d 739, 741 (Fla. 4th DCA 2014). Similarly, the trial judge erred in dismissing a petition seeking records relating to the chain of custody for a weapon without issuing an alternative writ of mandamus. *Tracy v. State*, 219 So. 3d 958 (Fla. 1st DCA 2017). The agency had produced an evidence card showing that the weapon in question had been destroyed; accordingly, the trial court concluded that dismissal was appropriate as there were no records to produce. However, because the petitioner contended that additional records were available, the appellate court found that "factual disputes remain." On remand, "if the [agency] fails to provide sworn evidence that all available information has been provided, the trial court must conduct an evidentiary hearing on the issue prior to denying the claim."

Mandamus is a "one time order by the court to force public officials to perform their legally designated employment duties." *Town of Manalapan v. Rechler*, 674 So. 2d 789, 790 (Fla. 4th DCA 1996), *review denied*, 684 So. 2d 1353 (Fla. 1996). Thus, a trial court erred when it retained continuing jurisdiction to oversee enforcement of a writ of mandamus granted in a public records case. *Id. See also Stone v. Ward*, 752 So. 2d 100, 101 (Fla. 2d DCA 2000) ("It is well-settled that mandamus is not appropriate to control or regulate a general course of conduct for an unspecified period of time"). *Cf. Areizaga v. Board of County Commissioners of Hillsborough County*, 935 So. 2d 640 (Fla. 2d DCA 2006), *review denied*, 958 So. 2d 918 (Fla. 2007) (circuit courts may not refer extraordinary writs to mediation; thus, trial judge should not have ordered mediation of petition for writ of mandamus seeking production of public records).

(2) Injunction

Injunctive relief may be available upon an appropriate showing for a violation of Ch. 119, F.S. *See Daniels v. Bryson*, 548 So. 2d 679 (Fla. 3d DCA 1989) (injunctive relief appropriate where there is a demonstrated pattern of noncompliance with the Public Records Act, together with a showing of likelihood of future violations; mandamus would not be an adequate remedy since mandamus would not prevent future harm). However, an injunction is not appropriate if the acts complained of have already been committed and there is not a well-grounded probability of similar future conduct. *Id. See Promenade D'Iberville, LLC v. Sundy*, 145 So. 3d 980, 984 (Fla. 1st DCA 2014).

(3) Declaratory relief sought by agencies

Occasionally an agency, faced with a demand for public records, seeks guidance from the court in the form of a complaint for declaratory judgment instead of complying with the request for public records or asserting an exemption. *See Butler v. City of Hallandale Beach*, 68 So. 3d 278, 279 (Fla. 4th DCA 2011) ("Michael Butler appeals from a final judgment in a declaratory

action filed by The City of Hallandale Beach [the City] . . . which sought a declaration that a list of recipients of a personal email . . . was not sent in connection with the discharge of any municipal duty and therefore, is not a public record under Florida's Public Records Law"). *Cf. Sarasota Herald-Tribune Company, Inc. v. Schaub*, No. CA87-2949 (Fla. 12th Cir. Ct. July 20, 1988), *per curiam affirmed*, 539 So. 2d 478 (Fla. 2d DCA 1989) (state attorney cannot litigate a declaratory judgment action to obtain judicial advice on how to perform his public duties under the Public Records Act); *Wille v. McDaniel*, 18 Med. L. Rptr. 2144, No. CL-91-154-AE (Fla. 15th Cir. Ct. February 18, 1991) (sheriff's stated purpose in litigating declaratory judgment action [to avoid being assessed attorney fees under the Public Records Act] is insufficient to support a declaratory action). *See also Askew v. City of Ocala*, 348 So. 2d 308 (Fla. 1977) (trial court properly dismissed complaint for declaratory relief for failure to state a cause of action where public officials disagreed with Attorney General's advisory opinion and sought different judicial opinion).

In *WFTV, Inc. v. Robbins*, 625 So.2d 941 (Fla. 4th DCA 1993), the court held that a supervisor of elections who denied a public records request to inspect certain election results on the grounds that a court order entered in another case involving the election prohibited disclosure, "unlawfully refused" access to public records. The court determined that the supervisor herself had sought the confidentiality order by means of a motion seeking "directions" from the court in the election lawsuit. The supervisor was thus liable for payment of attorney fees incurred by the requestor in the subsequent public records action pursuant to s. 119.12, F.S., providing for an assessment of attorney fees and costs if an agency unlawfully refuses to permit examination and inspection of documents under the Public Records Act. *See also City of St. Petersburg v. St. Petersburg Junior College*, No. 93-0004210-CI-13, Order Awarding Attorney's Fees (Fla. 6th Cir. Ct. March 25, 1994), in which a city that had initially filed an action for declaratory relief as to whether records requested under Ch. 119 were confidential under federal law was ultimately determined to be liable for attorney fees under s. 119.12, F.S., after the party seeking the records filed a counterclaim and the judge determined that the records were not exempt.

(4) Damages

Section 119.12, F.S. does not create a private right of action authorizing the award of monetary damages for a person who brings an action to enforce the provisions of Ch. 119, F.S. Section 119.12(4), F.S. Payments by the responsible agency may include only the reasonable costs of enforcement, including reasonable attorney fees, directly attributable to a civil action brought to enforce the provisions of Ch. 119, F.S. *Id.*

b. Procedural issues

(1) Discovery

In the absence of an evident abuse of power, the trial court's exercise of discretion in matters associated with pretrial discovery in a public records action will not be disturbed. *Lorei v. Smith*, 464 So. 2d 1330, 1333 (Fla. 2d DCA 1985), *review denied*, 475 So. 2d 695 (Fla. 1985). In *Lorei*, the appellate court upheld the trial judge's denial of a request to permit discovery pertaining to the agency's procedures for maintaining public records. *Id.* The court noted that the interrogatories related to "the mechanics associated with the department's record maintenance, the internal policies or actions which lead to the development of files," and other matters which were not relevant to the question of whether the requested records were exempt from disclosure. *Id.*

The court cautioned, however, that "discovery in a context such as the one at hand may well be appropriate in the circumstance where a good faith belief exists that the public agency may be playing 'fast and loose' with the requesting party or the court, once its statutorily delegated authority is activated." *Id.* *Cf. Lopez v. State*, 696 So. 2d 725, 727 (Fla. 1997) (trial court's denial of motion to depose custodian affirmed because there were "no allegations that any documents had been removed"); and *Johnson v. State*, 769 So. 2d 990, 995 (Fla. 2000) (discovery

not warranted based on “bare allegations” that additional records “should” exist).

(2) Hearing

Section 119.11(1), F.S., mandates that actions brought under Ch. 119 are entitled to an immediate hearing and take priority over other pending cases. *See Board of Trustees, Jacksonville Police & Fire Pension Fund v. Lee*, 189 So. 3d 120, 124 (Fla. 2016), in which the Court observed that “an accelerated civil action plays a critical role in the enforcement of the Public Records Act as is reflected in the title of section 119.11— ‘Accelerated hearing; immediate compliance.’” *See also Matos v. Office of the State Attorney for the 17th Judicial Circuit*, 80 So. 3d 1149 (Fla. 4th DCA 2012) (an “immediate hearing does not mean one scheduled within a reasonable time, but means what the statute says: immediate”); and *Woodfaulk v. State*, 935 So. 2d 1225 (Fla. 5th DCA 2006) (s. 119.11, F.S., does not place specific requirements on a party requesting public records to obtain an accelerated hearing except the filing of an action to enforce the public records law).

The purpose of the hearing “is to allow the court to hear argument from the parties and resolve any dispute as to whether there are public records responsive to the request and whether an exemption from disclosure applies in whole or in part to the requested records.” *Kline v. University of Florida*, 200 So. 3d 271 (Fla. 1st DCA 2016). For example, an order dismissing a public records complaint filed against a sheriff was overturned on appeal because the judge failed to hold a hearing before entering the order. “Although the sheriff may ultimately not be able to retrieve these records, because of their age or another reason, the order in this case, entered without an evidentiary hearing, was premature.” *Grace v. Jenne*, 855 So. 2d 262, 263 (Fla. 4th DCA 2003). *And see Rogers v. State*, 271 So. 3d 79, 80 (Fla. 3d DCA 2019) (hearing required where “there remains a disputed factual issue as to whether the State possesses the requested records”); *Ferrier v. Public Defender’s Office, Second Judicial Circuit of Florida*, 171 So. 3d 744 (Fla. 1st DCA 2015) (circuit court erred in not conducting an evidentiary hearing “on the contested issue of whether [the agency] had the requested materials in its possession”); and *Holley v. Bradford County Sheriff’s Department*, 171 So. 3d 805 (Fla. 1st DCA 2015) (because petitioner disputed the agency’s “unsworn claim that it did not possess the requested records, the trial court could not deny [the] petition without conducting an evidentiary hearing on this issue”). The failure to hold a hearing may be remedied by a petition for writ of certiorari. *See Martinez v. State*, 969 So. 2d 1174, 1174-75 (Fla. 5th DCA 2007).

“A motion to dismiss tests the legal sufficiency of a complaint and does not resolve factual issues.” *Clay County Education Association v. Clay County School Board*, 144 So. 3d 708, 709 (Fla. 1st DCA 2014). Therefore, the trial judge erred when he granted the agency’s motion to dismiss based on the agency’s “unsworn response . . . that it either had already provided the documents, did not have the information in the format requested, or could not produce the documents because they did not exist.” *Id.* The appellate court remanded the case “for an immediate hearing under section 119.11[1] and, if necessary, further proceedings to resolve any factual disputes that remain between the parties’ complaint and answer.” *Id.* *See also Williams v. State*, 163 So. 3d 618 (Fla. 4th DCA 2015) (where petitioner asserted that the record produced by the agency was not the record he requested, trial judge erred by denying prison inmate’s petition for writ of mandamus without issuing an alternative writ to show cause and failing to hold an evidentiary hearing to resolve disputed issues of fact). *Cf. Morgan v. Wagner*, 73 So. 3d 815 (Fla. 4th DCA 2011), in which the Fourth District said it was “compelled to affirm” the lower court order dismissing the petitioner’s public records action because there was no transcript or documentation in the appendix to show that petitioner had preserved “what may have been a valid procedural argument.”

(3) In camera inspection

Section 119.07(1)(g), F.S., provides that in any case in which an exemption is alleged to exist pursuant to s. 119.071(1)(d) or (f), (2)(d), (e), or (f), or (4)(c), F.S., the public record or part of the record in question shall be submitted to the trial court for an in camera examination.

See *City of St. Petersburg v. Romine ex rel. Dillinger*, 719 So. 2d 19 (Fla. 2d DCA 1998) (in camera review mandated when confidential informant exemption now found at s. 119.071[2][f], F.S., is asserted); *Walton v. Dugger*, 634 So. 2d 1059 (Fla. 1993); *Lopez v. Singletary*, 634 So. 2d 1054 (Fla. 1993) (records claimed by state attorney to constitute exempted work product must be produced for an in camera inspection); and *Environmental Turf, Inc. v. University of Florida Board of Trustees*, 83 So. 3d 1012 (Fla. 1st DCA 2012) (in camera inspection required where university claimed that records were exempt pursuant to s. 119.071[1][d], F.S. [attorney work product] and s. 1004.22, F.S. [proprietary research records]). And see *Weeks v. Golden*, 764 So. 2d 633 (Fla. 1st DCA 2009) (“We fail to see how the trial court can [determine whether an agency is entitled to a claimed exemption] without examining the records”). Cf. *Agrosource, Inc. v. Florida Department of Citrus*, 148 So. 3d 138 (Fla. 2d DCA 2014) (trial court finding after in camera review that certain prelitigation emails were exempt attorney work product was supported by competent substantial evidence).

An in camera inspection is also required so that the trial judge can determine whether the records can be redacted to remove exempt information. See *Holley v. Bradford County Sheriff's Department*, 171 So. 3d 805 (Fla. 1st DCA 2015) (trial court must conduct an in camera inspection of the records to determine whether they could be redacted to remove information identifying confidential informants); and *Gonzalez v. State*, 240 So. 3d 99 (Fla. 2d DCA 2018) (in the absence of an in camera inspection of the requested CDs, the circuit court could not conclude that their contents are exempt from disclosure under s. 119.071[3][a][2] or section 281.301; nor could it determine whether redaction was possible). Cf. *Executive Office of the Governor v. AHF MCO of Florida, Inc.*, 257 So. 3d 612 (Fla. 1st DCA 2018) (reversing trial judge order which found prospective information relating to Governor's detailed schedule and travel plans to be public even though the judge did not inspect the records and despite special agent's undisputed affidavit that premature disclosure of such information would reveal state law enforcement agency's “surveillance techniques, procedures, and personnel” made exempt under s. 119.071(2)(d), F.S., and jeopardize the security of the Governor and the agents who protect him).

Similarly, the Fourth District held that “it is fundamental error” for a trial court to decide whether a statutory exemption from disclosure for mediation communications required that such communications be redacted from the otherwise public transcript of a closed attorney client session without conducting an in camera hearing to assess whether the redactions were appropriately applied. *Everglades Law Center v. South Florida Water Management District*, 44 F.L.W. D2356, 2360 (Fla. 4th DCA September 18, 2019). The appellate court also observed that the trial court was “led astray by the parties' agreement that an in camera review of the transcript was not needed.” *Id.*

While s. 119.07(1)(g), F.S., states that an in camera inspection is “discretionary” in cases where an exemption is alleged under s. 119.071(2)(c), F.S. (the exemption for active criminal investigative or intelligence information), it has been held that an in camera inspection is necessary in order for the court to determine whether the exemption applies to the records at issue. For example, in *Woolling v. Lamar*, 764 So. 2d 765, 768-769 (Fla. 5th DCA 2000), *review denied*, 786 So. 2d 1186 (Fla. 2001), the Fifth District noted that the state attorney had not presented “evidence to meet its burden that the records are exempt” under s. 119.071(2)(c), F.S.; therefore, an “in camera inspection by the lower court is . . . required so that the trial judge will have a factual basis to decide if the records are exempt. . . .” See also *Garrison v. Bailey*, 4 So. 3d 683 (Fla. 1st DCA 2009). Compare *Althouse v. Palm Beach County Sheriff's Office*, 89 So. 3d 288, 289 (Fla. 4th DCA 2012) (while trial court's failure to conduct an in camera inspection usually constitutes reversible error, in this case petitioner objected to an inspection and thereby precluded judge from conducting “an intelligent review of the documents;” accordingly, appellate court was “compelled to affirm” trial court's denial of a petition seeking documents relating to a pending criminal investigation).

Similarly, if a public records request involves electronic information stored on privately-owned devices, an agency's reasons for its lack of disclosure, "whether for reasons related to relevancy, the application of possible privileges, or otherwise, necessitates a judicial review of the available communications to identify those which are subject to disclosure and any defenses to allegations of noncompliance." *O'Boyle v. Town of Gulf Stream*, 257 So. 3d 1036, 1042 (Fla. 4th DCA 2018).

(4) Mootness

In *Puls v. City of Port St. Lucie*, 678 So. 2d 514 (Fla. 4th DCA 1996), the court, noting that "[p]roduction of the records after the [public records] lawsuit was filed did not moot the issues raised in the complaint," remanded the case for an evidentiary hearing on whether there was an unlawful refusal of access to public records. See also *Times Publishing Company v. City of St. Petersburg*, 558 So. 2d 487, 491 (Fla. 2d DCA 1990) (while courts do not ordinarily resolve disputes unless a case or controversy exists, "since the instant situation is capable of repetition while evading review, we find it appropriate to address the issues before us concerning applicability of the Public Records Act for future reference"); *Mazer v. Orange County*, 811 So. 2d 857, 860 (Fla. 5th DCA 2002) ("the fact that the requested documents were produced in the instant case after the action was commenced, but prior to final adjudication of the issue by the trial court, does not render the case moot or preclude consideration of [the petitioner's] entitlement to fees under the statute"); *Grapski v. City of Alachua*, 31 So. 3d 193 (Fla. 1st DCA 2010), *review denied*, 47 So. 3d 1288 (Fla. 2010) (because damage occurred when city refused to produce canvassing board minutes until approved by city commission, production after the fact did nothing to mollify appellants' injury and therefore issue was not moot as city's refusal "denied any realistic access for the only purpose appellants sought to achieve--review of the Minutes before the Commission meeting."); and *Schweickert v. Citrus County, Florida Board*, 193 So. 3d 1075, 1079 (Fla. 5th DCA 2016) ("We agree that Appellant's case was not rendered moot simply because the Board produced the requested documents after the filing of the initial complaint but prior to filing the amended complaint"). *Accord O'Boyle v. Town of Gulf Stream*, 257 So. 3d 1036, 1043 (Fla. 4th DCA 2018) (public records case did not become moot after the town provided unredacted records prior to the hearing, because there were collateral issues "yet to be decided by the trial court—specifically a determination whether the Town's initial redactions . . . were proper and whether any reasonable attorney's fees, costs, and expenses, should be awarded"). *Compare, State v. Ingram*, 170 So. 3d 727 (Fla. 2015) (opinion of district court of appeal holding that prison inmate was entitled to unredacted version of videotaped statement of minor victim vacated following State's uncontested representation at oral argument before the Supreme Court that the videotape does not exist).

Similarly, in *Microdecisions, Inc. v. Skinner*, 889 So. 2d 871 (Fla. 2d DCA 2004), *review denied*, 902 So. 2d 791 (Fla. 2005), *cert. denied*, 126 S.Ct. 746 (2005), the court found that a public records lawsuit over a custodian's requirement that a commercial company obtain a licensing agreement before using the records did not become moot when the custodian provided the company with the requested data after the lawsuit was filed. Because the data was delivered subject to a condition that it was for personal use only, a controversy remained concerning the validity of the custodian restriction on the use of the data. And see *Southern Coatings, Inc. v. City of Tamarac*, 916 So. 2d 19 (Fla. 4th DCA 2005) (federal court's dismissal of pendent claims based on state public records law is not a judgment on the merits and, therefore, not *res judicata* in a subsequent lawsuit in state court).

(5) Stay

If the person seeking public records prevails in the trial court, the public agency must comply with the court's judgment within 48 hours unless otherwise provided by the trial court or such determination is stayed within that period by the appellate court. Section 119.11(2), F.S. An automatic stay shall exist for 48 hours after the filing of a notice of appeal for public records and public meeting cases, which stay may be extended by the lower tribunal or the court on

motion. Fla. R. App. P. 9.310(b)(2).

c. Attorney fees and costs

Section 119.12, F.S., provides authority for an award of attorney fees and reasonable costs in civil actions filed to enforce the provisions of the Public Records Act, provided that certain conditions are met. *Cf. Managed Care of North America, Inc. v. Florida Healthy Kids Corporation*, 268 So. 3d 856, 862 (Fla. 1st DCA 2019) (s. 119.12 does not provide authority to award attorney's fees to a third party intervenor in a case where the litigation involved a request for a declaratory judgment to determine whether portions of bid documents constituted trade secrets); *Cf. Department of Health and Rehabilitative Services v. Martin*, 574 So. 2d 1223 (Fla. 3d DCA 1991) (error to award attorney's fees where order requiring production of records was entered pursuant to Adult Protective Services Act, rather than the Public Records Act); and *Downs v. Austin*, 559 So. 2d 246 (Fla. 1st DCA 1990), *review denied*, 574 So. 2d 140 (Fla. 1990) (s. 119.12, F.S., does not constitute authority for the award of attorney's fees for efforts expended to obtain the fee provided by that statute). *And see State, Department of Economic Opportunity v. Consumer Rights, LLC*, 181 So. 3d 1239 (Fla. 1st DCA 2015), rejecting appellee's argument that the requirements in s. 284.30, F.S. (establishing procedures to be followed by those seeking to have attorney's fees paid by the state or any of its agencies) are inapplicable to public records cases. *Cf. AGO 16-16* (hospital district not authorized to reimburse an individual *board member's* attorney fees incurred by her in responding to a public records request pertaining to her board service when no suit, claim, charge or action has been instituted against the commissioner during the time the attorney fees were incurred).

A successful pro se litigant may recover reasonable costs under this section. *Weeks v. Golden*, 764 So. 2d 633 (Fla. 1st DCA 2000); *Wisner v. City of Tampa Police Department*, 601 So. 2d 296 (Fla. 2d DCA 1992). *And see Weeks v. Golden*, 846 So. 2d 1247 (Fla. 1st DCA 2003) (awarding costs associated with postage, envelopes and copying, as well as filing and service of process fees, incurred by inmate who prevailed in public records lawsuit). *Accord Yasir v. Forman*, 149 So. 3d 107 (Fla. 4th DCA 2014).

As amended in 2017, s. 119.12(1), F.S., provides that, if a civil action is filed against an agency to enforce the provisions of this chapter the court shall assess and award the reasonable costs of enforcement including reasonable attorney fees against the responsible agency if the court determines that the agency unlawfully refused to permit a public record to be inspected or copied and the complainant provided written notice of the public records request to the agency's custodian of public records at least 5 business days before filing the civil action.

However, notice is not required if the agency fails to prominently post the contact information for the agency's custodian of public records in the agency's primary administrative building in which public records are routinely created, sent, received, maintained, and requested and on the agency's website, if the agency has a website. Section 119.12(2), F.S.

The court must also determine whether the complainant made the public records request or participated in the civil action for an improper purpose. Section 119.12(3), F.S. If the court determines that there was an improper purpose, the court may not award attorney fees or the costs of enforcement, to the complainant, and shall assess and award against the complainant and to the agency the reasonable costs, including reasonable attorney fees, incurred by the agency in responding to the civil action. *Id.* The term "improper purpose" means "a request to inspect or copy a public record or to participate in the civil action primarily to cause a violation of this chapter or for a frivolous purpose." *Id.*

Section 119.12, F.S., is designed to encourage voluntarily compliance with the requirements of Ch. 119, F.S. "If public agencies are required to pay attorney's fees and costs to parties who are wrongfully denied access to the records of such agencies, then the agencies are less likely to deny proper requests for documents." *New York Times Company v. PHH Mental Health Services*,

Inc., 616 So. 2d 27, 29 (Fla. 1993). Stated another way, the statute “has the dual role of both deterring agencies from wrongfully denying access to public records and encouraging individuals to continue pursuing their right to access public records.” *Board of Trustees, Jacksonville Police & Fire Pension Fund v. Lee*, 189 So. 3d 120, 125 (Fla. 2016). There is no additional requirement that the court find that the “public agency did not act in good faith, acted in bad faith or acted unreasonably.” *Lee*, 189 So. 3d at 122. However, as noted previously, s. 119.12, F.S., was amended in 2017, to add other conditions which must be met prior to an award of fees and costs under this statute.

An “unlawful refusal” may include unlawful conditions or requirements for obtaining public records. As the Supreme Court explained in *Lee*: “Unlawful conditions or excessive, unwarranted special service charges deter individuals seeking public records from gaining access to the records to which they are entitled Even if not malicious or done in bad faith, the Pension Fund’s actions—which were found be unlawful—had the effect of frustrating Lee’s constitutional right to access public records and required him to turn to the courts to vindicate that right.” *Lee*, 189 So. 3d at 129-130.

An “unjustified failure to respond to a public records request until after an action has been commenced to compel compliance amounts to an unlawful refusal” for purposes of s. 119.12, F.S. *Weeks v. Golden*, 764 So. 2d 633 (Fla. 1st DCA 2000). See also *Mazer v. Orange County*, 811 So. 2d 857, 860 (Fla. 5th DCA 2002) (“[T]he fact that the requested documents were produced in the instant case after the action was commenced, but prior to final adjudication of the issue by the trial court, does not render the case moot or preclude consideration of [the petitioner’s] entitlement to fees under the statute.”); *Barfield v. Town of Eatonville*, 675 So. 2d 223, 224 (appellant entitled to attorney’s fees because “[t]he evidence clearly establishes that it was only after the appellant filed a lawsuit that the documents he had previously sought by written request to the Town were finally turned over to him”); *Promenade D’Iberville, LLC v. Sundry*, 145 So. 3d 980, 984 (Fla. 1st DCA 2014) (“(an agency’s “production of the records on the eve of the enforcement hearing did not cure its unjustified delay”); and *Schweickert v. Citrus County, Florida Board*, 193 So. 3d 1075, 1080 (Fla. 5th DCA 2016) (county’s failure to produce a complaint alleging inappropriate conduct by a county commissioner until litigation was filed was an unlawful refusal because the exemption for records relating to an investigation of alleged discrimination did not apply to the complaint; court rejected the county’s argument that the delay was justified because the investigation into the complaint might have ultimately produced records which related to discriminatory behavior).

Stated another way, a delay in disclosing records can rise to the level of a refusal if “there was no good reason for the delay.” *Consumer Rights, LLC v. Union County*, 159 So. 3d 882, 885 (Fla. 1st DCA 2015), review denied, 177 So. 3d 1264 (Fla. 2015). For example, in *Barfield v. Town of Eatonville*, 675 So. 2d 223 (Fla. 5th DCA 1996), the court held that a town was liable for attorney’s fees even if the delay in providing records was due to either the intentional wrongdoing or ineptitude of its clerk. And see *Office of the State Attorney for the Thirteenth Judicial Circuit of Florida v. Gonzalez*, 953 So. 2d 759 (Fla. 2d DCA 2007) (attorney’s fees authorized even if failure to turn over the records was due to a mistake or ineptitude). Cf. *Hewlings v. Orange County, Florida*, 87 So. 3d 839 (Fla. 5th DCA 2012) (the mere fact that a county quickly responded to public records request via voicemail and fax is not dispositive of whether the county’s 45-day delay in complying with the request was justified).

“However, it is equally clear that a delay does not in and of itself create liability under s. 119.12, F.S.” *Consumer Rights, LLC v. Union County*, 159 So. 3d at 885. See also *Lilker v. Suwannee Valley Transit Authority*, 133 So. 3d 654, 655 (Fla. 1st DCA 2014) (where delay is the issue, the court must determine whether the delay was justified under the facts of the particular case). Cf. *Citizens Awareness Foundation, Inc. v. Wantman Group, Inc.*, 195 So. 3d 396, 401 (Fla. 4th DCA 2016) (“The public records law should not be applied in a way that encourages the manufacture of public records requests designed to obtain no response, for the purpose of

generating attorney's fees.”).

As to calculation of the reasonable costs of enforcement including reasonable attorney fees to which the prevailing party is entitled, “the trial judge is in a better position than the appellate court to make “a factual determination regarding the objectives sought by the [prevailing party], the extent of statutory enforcement obtained, and the time expended in achieving those results.” *Daniels v. Bryson*, 548 So. 2d 679, 682 (Fla. 3d DCA 1989). However, where the contract between the client and attorney provided that the attorney would be compensated on a flat hourly basis regardless of the outcome at trial, the trial court erred in awarding an enhanced fee based upon a contingency risk multiplier. *Id.* And see *Grapski v. City of Alachua*, 134 So. 3d 987 (Fla. 1st DCA 2012), *review denied*, 118 So. 3d 220 (Fla. 2012) (the trial court's findings of fact on the issue of attorney's fees are presumed correct; the standard of review is abuse of discretion).

A different rule has been applied when it is unclear whether a *private* corporation is an “agency” for purposes of the Public Records Act. Section 119.12, F.S., “was not intended to force private entities to comply with the inspection requirements of chapter 119 by threatening to award attorney's fees against them.” *New York Times Company v. PHH Mental Health Services, Inc.*, 616 So. 2d 27, 29 (Fla. 1993). *Accord Fox v. News-Press Publishing Company, Inc.*, 545 So. 2d 941 (Fla. 2d DCA 1989).

Thus, attorney fees “are not warranted when the [private] entity in charge of the public records at issue was reasonably and understandably unsure of its status as an agency.” *Lee v. Board of Trustees, Jacksonville Police & Fire Pension Fund*, 113 So. 3d 1010 (Fla. 1st DCA 2013), *approved*, 189 So. 3d 120 (Fla. 2016). And see *Economic Development Commission v. Ellis*, 178 So. 3d 118, 123 (Fla. 5th DCA 2016) (“attorney's fees should not be awarded in those cases where the party refusing to provide documents acted on the good-faith belief that it was not an agent, subject to compliance with the [Public Records] Act”).

Attorney fees may also be awarded for a successful appeal of a denial of access, provided that at the time of appeal a motion is filed in accordance with the appellate rules. *Downs v. Austin*, *supra*. And see *Office of the State Attorney v. Gonzalez*, *supra* (where motion seeking appellate attorney fees is granted by appellate court and remanded only for calculation of such fees, lower court required to follow court's mandate without further consideration); and *Cf. Johnson v. Jarvis*, 107 So. 3d 428 (Fla. 1st DCA 2012) (trial court erred in denying motion for costs based on appellant's failure to comply with the notice requirement in s. 284.30, F.S.; “[f]or purposes of appellate costs, the appellant was the prevailing party . . . and is entitled to an award of his costs incurred therein”).

Appellate attorney fees were also considered in *State Attorney's Office of the Seventeenth Judicial Circuit v. Cable News Network, Inc.*, 254 So.3d 461 (Fla. 4th DCA 2018). In that case, the court denied the media's request for appellate attorney's fees from the state attorney's office and school board. The agencies had appealed the lower court's order allowing the media to access certain video footage taken by security cameras at a high school where a gunman killed students and staff. Although the media prevailed in the appeal, the court observed that the video footage was confidential security information under s. 119.071(3)(a), F.S. The media obtained access because a judge found “good cause” to release the video footage as authorized by a statutory exception to the confidentiality provision. Thus, the school board's conduct was not ‘unlawful’ for purposes of s.119.12(1)(a), F.S. Additionally, the court refused to award fees against the state attorney because the state attorney was not the custodian of the records at issue; the state attorney was only an intervenor in the lawsuit below.

3. Criminal and noncriminal infraction penalties

Section 119.10(1)(b), F.S., states that a public officer who knowingly violates the provisions of s. 119.07(1), F.S., is subject to suspension and removal or impeachment and commits a misdemeanor of the first degree, punishable by possible criminal penalties of one year in prison,

or \$1,000 fine, or both. *See State v. Webb*, 786 So. 2d 602 (Fla. 1st DCA 2001) (s. 119.10[1][b] authorizes a conviction for violating s. 119.07 only if a defendant is found to have committed such violation “knowingly”; statute cannot be interpreted as allowing a conviction based on mere negligence).

Section 119.10(1)(a), F.S., provides that a violation of any provision of Ch. 119, F.S., by a public officer is a noncriminal infraction, punishable by fine not exceeding \$500. *Cf.* s. 838.022(1)(b), F.S. (unlawful for a public servant or public contractor, to knowingly and intentionally obtain a benefit for any person or to cause unlawful harm to another, by concealing, covering up, destroying, mutilating, or altering any official record or official document, except as authorized by law or contract, or causing another person to perform such an act).

A state attorney may prosecute suits charging public officials with violations of the Public Records Act, including those violations which may result in a finding of guilt for a noncriminal infraction. AGO 91-38.

I. MAINTENANCE, STORAGE AND RETENTION REQUIREMENTS

1. Maintenance and storage of records

All public records should be kept in the buildings in which they are ordinarily used. Section 119.021(1)(a), F.S. Moreover, insofar as practicable, a custodian of public records of vital, permanent, or archival records shall keep them in fireproof and waterproof safes, vaults, or rooms fitted with noncombustible materials and in such arrangement as to be easily accessible for convenient use. Section 119.021(1)(b), F.S. Records that are in need of repair, restoration, or rebinding may be authorized by the head of the governmental entity to be removed from the building or office in which such records are ordinarily kept for the length of time required to repair, restore, or rebind them. Section 119.021(1)(c), F.S.

Thus, public records may not routinely be removed from the building or office in which such records are ordinarily kept except for official purposes. AGO 93-16. The retention of such records in the home of a public official would appear to circumvent the public access requirements of the Public Records Act and compromise the rights of the public to inspect and copy such records. *Id.* And see AGO 04-43 (mail addressed to city officials at City Hall and received at City Hall should not be forwarded unopened to the private residences of the officials, but rather the original or a copy of the mail that constitutes a public record should be maintained at city offices); and AGO 07-14 (“Although the Public Records Law does not prescribe a location at which public records must be maintained, it does suggest that such records be kept where they are ordinarily used”). *Cf.* Inf. Op. to Sola, March 9, 2010 (municipal election records are municipal records which should be maintained by city even though election conducted by county supervisor of elections) and AGO 88-26 (while Ch. 119, F.S., does not require a county to transport microfilmed copies of public records maintained in a storage facility outside the county to the county courthouse when the originals are available at the courthouse, the microfilmed copies must be available for copying at their location outside the county).

2. Delivery of records to successor

Section 119.021(4)(a), F.S., provides that whoever has custody of public records shall deliver such records to his or her successor at the expiration of his or her term of office or, if there is no successor, to the records and information management program of the Division of Library and Information Services of the Department of State. *See Maxwell v. Pine Gas Corporation*, 195 So. 2d 602 (Fla. 4th DCA 1967) (state, county, and municipal records are not the personal property of a public officer); AGO 98-59 (records in the files of the former city attorney which were made or received in carrying out her duties as city attorney and which communicate, perpetuate, or formalize knowledge constitute public records and are required to be turned over to her successor); and AGO 75-282 (public records regardless of usefulness or relevancy must be turned over to the custodian’s successor in office or to the Department of State). *And see*

s. 119.021(4)(b), F.S., providing that “[w]hoever is entitled to custody of public records shall demand them from any person having illegal possession of them, who must forthwith deliver the same to him or her.”

In the absence of contrary direction in the legislation dissolving a special taxing district, the district’s records should be delivered to the Department of State. AGO 95-03. *Compare* AGO 09-39, stating that in light of a court order holding that an independent special district is the successor-in-interest to the powers and duties of a municipal services benefit unit [MSBU], the records of the MSBU should be delivered to the special district. *Cf.* s. 257.36(2)(b), F.S., specifying procedures for disposition of agency records stored in the state records center in the event that the agency is dissolved or its functions are transferred to another agency.

3. Transition records of certain officers-elect

Section 119.035(4), F.S., states that “upon taking the oath of office, the officer-elect shall, as soon as practicable deliver to the person or persons responsible for records and information management in such office all public records kept or received in the transaction of official business during the period following election to public office.” The term “officer-elect” for purposes of this section means the Governor, the Lieutenant Governor, the Attorney General, the Chief Financial Officer, and the Commissioner of Agriculture. Section 119.035(5), F.S.

4. Retention and disposal of records

a. Retention schedules

Section 119.021(2)(a), F.S. requires the Division of Library and Information Services (division) of the Department of State to adopt rules establishing retention schedules and a disposal process for public records. Each agency must comply with these rules. Section 119.021(2)(b), F.S. *See generally* Chs. 1B-24 and 1B-26, Florida Administrative Code. The approved records retention schedule for state and local governmental entities is located online at <http://dlis.dos.state.fl.us/barm/genschedules/GS1-SL.pdf>. *Cf. L.R. v. Department of State, Division of Archives, History and Records Management*, 488 So. 2d 122 (Fla. 3d DCA 1986) (an affected party seeking to challenge an agency’s approved records retention schedule may be entitled to a hearing pursuant to Ch. 120, F.S.).

Retention schedules for judicial branch records are established by court rule. *See* Fla. R. Jud. Admin. 2.430 (court records) and Fla. R. Jud. Admin. 2.440 (judicial branch administrative records). Similarly, procedures for maintenance and destruction of legislative records are established in legislative rules. Legislative rules may be accessed online at www.flsenate.gov (Florida Senate) and www.myfloridahouse.gov (Florida House of Representatives).

b. Disposal of records

Section 257.36(6), F.S., states that a “public record may be destroyed or otherwise disposed of only in accordance with retention schedules established by the division.” Section 119.021(2)(c), F.S., provides that public officials must “systematically dispose” of records no longer needed, subject to the consent of the division in accordance with s. 257.36, F.S. *Compare* s. 119.021(3), F.S., stating that notwithstanding the provisions of Chs. 119 or 257, F.S., certain orders that comprise final agency action must be permanently maintained.

Thus, for example, a municipality may not remove and destroy disciplinary notices, with or without the employee’s consent, during the course of resolving collective bargaining grievances, except in accordance with the statutory restrictions on disposal of records. AGO 94-75. *See also* AGOs 09-19 (city must follow public records retention schedules established by law for information on its Facebook page which constitutes a public record); 96-34 (e-mail messages are subject to statutory limitations on destruction of public records); and 75-45 (tape recordings of proceedings before a public body must be preserved in compliance with statutory record retention and disposal restrictions).

Similarly, registration and disciplinary records stored in a national association securities dealers database and used by state banking department for regulatory purposes are public records and may not be destroyed merely because an arbitration panel of the national association has ordered that they be expunged; such records are subject to statutory mandates governing destruction of records. AGO 98-54. *Accord* Inf. Op. to Hernandez, July 1, 2003 (agency not authorized to purge or expunge documents it created while carrying out what it perceived to be its official duty based upon an accusation that the agency may have been mistaken in such an assessment). *Cf.* AGO 91-23 (clerk of court not authorized to expunge a court order from the Official Records, in the absence of a court order directing such action).

c. Exempt records

The statutory restrictions on destruction of public records apply even if the record is exempt from disclosure. For example, in AGO 81-12, the Attorney General's Office concluded that the City of Hollywood could not destroy or dispose of licensure, certification, or employment examination question and answer sheets except as authorized by statute. *And see* AGO 87-48 (statutory prohibition against placing anonymous materials in the personnel file of a school district employee did not permit the destruction of such materials received in the course of official school business, absent compliance with statutory restrictions on destruction of records). An exemption only removes the records from public access requirements, it does not exempt the records from the other provisions of Ch. 119, F.S., such as those requiring that public records be kept in a safe place or those regulating the destruction of public records. AGO 93-86. *See* s. 119.021, F.S.

Moreover, if an assertion is made by the custodian that a requested record is not a public record subject to public inspection or copying, the requested record may not be disposed of for a period of 30 days after the date on which a written request to inspect or copy the record was made to the custodian; if a civil action is instituted within the 30-day period to enforce the provisions of this section with respect to the requested record, the custodian may not dispose of the record except by order of a court of competent jurisdiction after notice to all affected parties. Section 119.07(1)(h), F.S.

d. Evidence obtained by law enforcement agencies

Documentary evidence obtained by a police department is a public record subject to retention schedules approved by the division. AGO 04-51. *Accord* Inf. Op. to Blair, August 24, 2011 (evidence that constitutes a public record may be destroyed only in accordance with retention schedules established by the division and noting that the division has adopted a General Records Schedule GS2 for law enforcement agencies).

However, "the disposition of evidence *not* constituting a public record within the meaning of Chapter 119, Florida Statutes, would appear to be dependent upon an agency's determination that it is no longer needed." Inf. Op. to Blair, August 24, 2011. (e.s.) *Cf. Church of Scientology Flag Service Org., Inc. v. Wood*, No. 97-688CI-07 (Fla. 6th Cir. Ct. February 27, 1997) (physical specimens relating to an autopsy are not public records because in order to constitute a "public record" for purposes of Ch. 119, "the record itself must be susceptible of some form of copying").

e. Duplicate records

Section 257.36(6), F.S., requires the division to adopt rules which, among other things, establish "[s]tandards for the reproduction of records for security or with a view to the disposal of the original record." *See* AGO 18-04 (according to a division rule, "an agency that designates an electronic or microfilmed copy as the record (master) copy may then designate the paper original as a duplicate and dispose of it in accordance with the retention requirement for duplicates in the applicable retention schedule unless another law, rule, or ordinance specifically requires its retention").

Accordingly, the division is responsible for determining whether an agency may dispose

of an audiotape of a witness statement without regard to the retention schedule, if there is also a transcript of the statement. Inf. Op. to Mathews, July 12, 2004. Cf. AGO 91-09 (if a facsimile document is subsequently copied by the receiving agency, the facsimile document is considered an intermediate document which may be destroyed; the copy of the facsimile then is retained as a public record). See also AGO 92-85, stating that individual school board members are not required to retain copies of public records which are regularly maintained in the course of business by the clerk of the school board in the school board administrative offices.

APPENDICES

A. PUBLIC RECORDS AND MEETINGS CONSTITUTIONAL AMENDMENT

Section 24. Access to public records and meetings.

- (a) Every person has the right to inspect or copy any public record made or received in connection with the official business of any public body, officer, or employee of the state, or persons acting on their behalf, except with respect to records exempted pursuant to this section or specifically made confidential by this Constitution. Laws enacted pursuant to this subsection shall contain only exemptions from the requirements of subsections (a) or (b) and provisions governing the enforcement of this section, and shall relate to one subject.
- (d) All laws that are in effect on July 1, 1993 that limit public access to records or meetings shall remain in force, and such laws apply to records of the legislative and judicial branches, until they are repealed. The board or commission must provide reasonable notice of all such meetings.

- (2) The minutes of a meeting of any such board or commission of any such state agency or authority shall be promptly recorded, and such records shall be open to public inspection. The circuit courts of this state shall have jurisdiction to issue injunctions to enforce the purposes of this section upon application by any citizen of this state.

- (4) Whenever an action has been filed against any board or commission of any state agency or authority or any agency or authority of any county, municipal corporation, or political subdivision to enforce the provisions of this section or to invalidate the actions of any such board, commission, agency, or authority, which action was taken in violation of this section, and the court determines that the defendant or defendants to such action acted in violation of this section, the court shall assess a reasonable attorney's fee against such agency, and may assess a reasonable attorney's fee against the individual filing such an action if the court finds it was filed in bad faith or was frivolous. Any fees so assessed may be assessed against the individual member or members of such board or commission; provided, that in any case where the board or commission seeks the advice of its attorney and such advice is followed, no such fees shall be assessed against the individual member or members of the board or commission. However, this subsection shall not apply to a state attorney or his or her duly authorized assistants or any officer charged with enforcing the provisions of this section.
- (5) Whenever any board or commission of any state agency or authority or any agency or authority of any county, municipal corporation, or political subdivision appeals any court order which has found said board, commission, agency, or authority to have violated this section, and such order is affirmed, the court shall assess a reasonable attorney's fee for the appeal against such board, commission, agency, or authority. Any fees so assessed may be assessed against the individual member or members of such board or commission; provided, that in any case where the board or commission seeks the advice of its attorney and such advice is followed, no such fees shall be assessed against the individual member or members of the board or commission.
- (6) All persons subject to subsection (1) are prohibited from holding meetings at any facility or location which discriminates on the basis of sex, age, race, creed, color, origin, or economic status or which operates in such a manner as to unreasonably restrict public access to such a facility.

This section does not prohibit a board or commission from maintaining orderly conduct or proper decorum in a public meeting. The opportunity to be heard is subject to rules or policies adopted by the board or commission, as provided in subsection (4).

- (3) The requirements in subsection (2) do not apply to:

- (2) If an affected handicapped person objects in the written request, nothing contained in the provisions of this section shall be construed or interpreted to permit the use of human physical assistance to the physically handicapped in lieu of the construction or use of ramps or other mechanical devices in order to comply with the provisions of this section.

C. THE PUBLIC RECORDS ACT (SELECTED PORTIONS ONLY)

CHAPTER 119, FLORIDA STATUTES

119.01 General state policy on public records.--

- (1) It is the policy of this state that all state, county, and municipal records are open for personal inspection and copying by any person. Providing access to public records is a duty of each agency.
- (2)(a) Automation of public records must not erode the right of access to those records. As each agency increases its use of and dependence on electronic recordkeeping, each agency must provide reasonable public access to records electronically maintained and must ensure that exempt or confidential records are not disclosed except as otherwise permitted by law.

- (b) When designing or acquiring an electronic recordkeeping system, an agency must consider whether such system is capable of providing data in some common format such as, but not limited to, the American Standard Code for Information Interchange.
- (c) An agency may not enter into a contract for the creation or maintenance of a public records database if that contract impairs the ability of the public to inspect or copy the public records of the agency, including public records that are online or stored in an electronic recordkeeping system used by the agency.
- (d) Subject to the restrictions of copyright and trade secret laws and public records exemptions, agency use of proprietary software must not diminish the right of the public to inspect and copy a public record.
- (e) Providing access to public records by remote electronic means is an additional method of access that agencies should strive to provide to the extent feasible. If an agency provides access to public records by remote electronic means, such access should be provided in the most cost-effective and efficient manner available to the agency providing the information.
- (f) Each agency that maintains a public record in an electronic recordkeeping system shall provide to any person, pursuant to this chapter, a copy of any public record in that system which is not exempted by law from public disclosure. An agency must provide a copy of the record in the medium requested if the agency maintains the record in that medium, and the agency may charge a fee in accordance with this chapter. For the purpose of satisfying a public records request, the fee to be charged by an agency if it elects to provide a copy of a public record in a medium not routinely used by the agency, or if it elects to compile information not routinely developed or maintained by the agency or that requires a substantial amount of manipulation or programming, must be in accordance with s. 119.07(4).
- (3) If public funds are expended by an agency in payment of dues or membership contributions for any person, corporation, foundation, trust, association, group, or other organization, all the financial, business, and membership records of that person, corporation, foundation, trust, association, group, or other organization which pertain to the public agency are public records and subject to the provisions of s. 119.07.

 - a. Be defamatory to the good name of a victim or witness or would jeopardize the safety of such victim or witness; and

- In addition, criminal intelligence and criminal investigative information shall be considered “active” while such information is directly related to pending prosecutions or appeals. - (c)1. Record books should be copied or repaired, renovated, or rebound if worn, mutilated, damaged, or difficult to read.

- 3. Any public official who causes a record book to be copied shall attest and certify under oath that the copy is an accurate copy of the original book. The copy shall then have the force and effect of the original.
- (2)(a) The Division of Library and Information Services of the Department of State shall adopt rules to establish retention schedules and a disposal process for public records.
- (b) Each agency shall comply with the rules establishing retention schedules and disposal processes for public records which are adopted by the records and information management program of the division.
- (c) Each public official shall systematically dispose of records no longer needed, subject to the consent of the records and information management program of the division in accordance

with s. 257.36.

- (d) The division may ascertain the condition of public records and shall give advice and assistance to public officials to solve problems related to the preservation, creation, filing, and public accessibility of public records in their custody. Public officials shall assist the division by preparing an inclusive inventory of categories of public records in their custody. The division shall establish a time period for the retention or disposal of each series of records. Upon the completion of the inventory and schedule, the division shall, subject to the availability of necessary space, staff, and other facilities for such purposes, make space available in its records center for the filing of semicurrent records so scheduled and in its archives for noncurrent records of permanent value, and shall render such other assistance as needed, including the microfilming of records so scheduled.
- (3) Agency final orders rendered before July 1, 2015, that were indexed or listed pursuant to s. 120.53, and agency final orders rendered on or after July 1, 2015, that must be listed or copies of which must be transmitted to the Division of Administrative Hearings pursuant to s. 120.53, have continuing legal significance; therefore, notwithstanding any other provision of this chapter or any provision of chapter 257, each agency shall permanently maintain records of such orders pursuant to the applicable rules of the Department of State.

119.035 Officers-elect.--

- (1) It is the policy of this state that the provisions of this chapter apply to officers-elect upon their election to public office. Such officers-elect shall adopt and implement reasonable measures to ensure compliance with the public records obligations set forth in this chapter.
- (2) Public records of an officer-elect shall be maintained in accordance with the policies and procedures of the public office to which the officer has been elected.
- (3) If an officer-elect, individually or as part of a transition process, creates or uses an online or electronic communication or recordkeeping system, all public records maintained on such system shall be preserved so as not to impair the ability of the public to inspect or copy such public records.
- (4) Upon taking the oath of office, the officer-elect shall, as soon as practicable, deliver to the person or persons responsible for records and information management in such office all public records kept or received in the transaction of official business during the period following election to public office.
- (5) As used in this section, the term "officer-elect" means the Governor, the Lieutenant Governor, the Attorney General, the Chief Financial Officer, and the Commissioner of Agriculture.

119.07 Inspection and copying of records; photographing public records; fees; exemptions.--

- (1)(a) Every person who has custody of a public record shall permit the record to be inspected and copied by any person desiring to do so, at any reasonable time, under reasonable

- conditions, and under supervision by the custodian of the public records.
- (b) A custodian of public records or a person having custody of public records may designate another officer or employee of the agency to permit the inspection and copying of public records, but must disclose the identity of the designee to the person requesting to inspect or copy public records.
 - (c) A custodian of public records and his or her designee must acknowledge requests to inspect or copy records promptly and respond to such requests in good faith. A good faith response includes making reasonable efforts to determine from other officers or employees within the agency whether such a record exists and, if so, the location at which the record can be accessed.
 - (d) A person who has custody of a public record who asserts that an exemption applies to a part of such record shall redact that portion of the record to which an exemption has been asserted and validly applies, and such person shall produce the remainder of such record for inspection and copying.
 - (e) If the person who has custody of a public record contends that all or part of the record is exempt from inspection and copying, he or she shall state the basis of the exemption that he or she contends is applicable to the record, including the statutory citation to an exemption created or afforded by statute.
 - (f) If requested by the person seeking to inspect or copy the record, the custodian of public records shall state in writing and with particularity the reasons for the conclusion that the record is exempt or confidential.
 - (g) In any civil action in which an exemption to this section is asserted, if the exemption is alleged to exist under or by virtue of s. 119.071(1)(d) or (f), (2)(d),(e), or (f), or (4)(c), the public record or part thereof in question shall be submitted to the court for an inspection in camera. If an exemption is alleged to exist under or by virtue of s. 119.071(2)(c), an inspection in camera is discretionary with the court. If the court finds that the asserted exemption is not applicable, it shall order the public record or part thereof in question to be immediately produced for inspection or copying as requested by the person seeking such access.
 - (h) Even if an assertion is made by the custodian of public records that a requested record is not a public record subject to public inspection or copying under this subsection, the requested record shall, nevertheless, not be disposed of for a period of 30 days after the date on which a written request to inspect or copy the record was served on or otherwise made to the custodian of public records by the person seeking access to the record. If a civil action is instituted within the 30-day period to enforce the provisions of this section with respect to the requested record, the custodian of public records may not dispose of the record except by order of a court of competent jurisdiction after notice to all affected parties.
 - (i) The absence of a civil action instituted for the purpose stated in paragraph (g) does not relieve the custodian of public records of the duty to maintain the record as a public record if the record is in fact a public record subject to public inspection and copying under this subsection and does not otherwise excuse or exonerate the custodian of public records from any unauthorized or unlawful disposition of such record.
- (2)(a) As an additional means of inspecting or copying public records, a custodian of public records may provide access to public records by remote electronic means, provided exempt or confidential information is not disclosed.
 - (b) The custodian of public records shall provide safeguards to protect the contents of public records from unauthorized remote electronic access or alteration and to prevent the disclosure or modification of those portions of public records which are exempt or confidential from subsection (1) or s. 24, Art. I of the State Constitution.

- (c) Unless otherwise required by law, the custodian of public records may charge a fee for remote electronic access, granted under a contractual arrangement with a user, which fee may include the direct and indirect costs of providing such access. Fees for remote electronic access provided to the general public shall be in accordance with the provisions of this section.
- (3)(a) Any person shall have the right of access to public records for the purpose of making photographs of the record while such record is in the possession, custody, and control of the custodian of public records.
 - (b) This subsection applies to the making of photographs in the conventional sense by use of a camera device to capture images of public records but excludes the duplication of microfilm in the possession of the clerk of the circuit court where a copy of the microfilm may be made available by the clerk.
 - (c) Photographing public records shall be done under the supervision of the custodian of public records, who may adopt and enforce reasonable rules governing the photographing of such records.
 - (d) Photographing of public records shall be done in the room where the public records are kept. If, in the judgment of the custodian of public records, this is impossible or impracticable, photographing shall be done in another room or place, as nearly adjacent as possible to the room where the public records are kept, to be determined by the custodian of public records. Where provision of another room or place for photographing is required, the expense of providing the same shall be paid by the person desiring to photograph the public record pursuant to paragraph (4)(e).
- (4) The custodian of public records shall furnish a copy or a certified copy of the record upon payment of the fee prescribed by law. If a fee is not prescribed by law, the following fees are authorized:
 - (a)1. Up to 15 cents per one-sided copy for duplicated copies of not more than 14 inches by 8½ inches;
 - 2. No more than an additional 5 cents for each two-sided copy; and
 - 3. For all other copies, the actual cost of duplication of the public record.
 - (b) The charge for copies of county maps or aerial photographs supplied by county constitutional officers may also include a reasonable charge for the labor and overhead associated with their duplication.
 - (c) An agency may charge up to \$1 per copy for a certified copy of a public record.

119.105 Protection of victims of crimes or accidents.--

Police reports are public records except as otherwise made exempt or confidential. Every person is allowed to examine nonexempt or nonconfidential police reports. A person who comes into possession of exempt or confidential information contained in police reports may not use that information for any commercial solicitation of the victims or relatives of the victims of the reported crimes or accidents and may not knowingly disclose such information to any third party for the purpose of such solicitation during the period of time that information remains exempt or confidential. This section does not prohibit the publication of such information to the general public by any news media legally entitled to possess that information or the use of such information for any other data collection or analysis purposes by those entitled to possess that information.

- (1) Whenever an action is filed to enforce the provisions of this chapter, the court shall set an immediate hearing, giving the case priority over other pending cases.
- (2) Whenever a court orders an agency to open its records for inspection in accordance with this chapter, the agency shall comply with such order within 48 hours, unless otherwise provided by the court issuing such order, or unless the appellate court issues a stay order within such 48-hour period.
- (3) A stay order shall not be issued unless the court determines that there is a substantial probability that opening the records for inspection will result in significant damage.
- (4) Upon service of a complaint, counterclaim, or cross-claim in a civil action brought to enforce the provisions of this chapter, the custodian of the public record that is the subject matter of such civil action shall not transfer custody, alter, destroy, or otherwise dispose of the public record sought to be inspected and examined, notwithstanding the applicability of an exemption or the assertion that the requested record is not a public record subject to inspection and examination under s. 119.07(1), until the court directs otherwise. The

person who has custody of such public record may, however, at any time permit inspection of the requested record as provided in s. 119.07(1) and other provisions of law.

119.12 Attorney fees.--

- (1) If a civil action is filed against an agency to enforce the provisions of this chapter, the court shall assess and award the reasonable costs of enforcement, including reasonable attorney fees, against the responsible agency if the court determines that:
 - (a) The agency unlawfully refused to permit a public record to be inspected or copied; and
 - (b) The complainant provides written notice identifying the public record request to the agency's custodian of public records at least 5 business days before filing the civil action, except as provided under subsection (2). The notice period begins on the day the written notice of the request is received by the custodian of public records, excluding Saturday, Sunday, and legal holidays, and runs until 5 business days have elapsed.
- (2) The complainant is not required to provide written notice of the public record request to the agency's custodian of public records as provided in paragraph (1)(b) if the agency does not prominently post the contact information for the agency's custodian of public records in the agency's primary administrative building in which public records are routinely created, sent, received, maintained, and requested and on the agency's website, if the agency has a website.
- (3) The court shall determine whether the complainant requested to inspect or copy a public record or participated in the civil action for an improper purpose. If the court determines there was an improper purpose, the court may not assess and award the reasonable costs of enforcement, including reasonable attorney fees, to the complainant, and shall assess and award against the complainant and to the agency the reasonable costs, including reasonable attorney fees, incurred by the agency in responding to the civil action. For purposes of this subsection, the term "improper purpose" means a request to inspect or copy a public record or to participate in the civil action primarily to cause a violation of this chapter or for a frivolous purpose.
- (4) This section does not create a private right of action authorizing the award of monetary damages for a person who brings an action to enforce the provisions of this chapter. Payments by the responsible agency may include only the reasonable costs of enforcement, including reasonable attorney fees, directly attributable to a civil action brought to enforce the provisions of this chapter.

119.15 Legislative review of exemptions from public meeting and public records requirements.--

- (1) This section may be cited as the "Open Government Sunset Review Act."
- (2) This section provides for the review and repeal or reenactment of an exemption from s. 24, Art. I of the State Constitution and s. 119.07(1) or s. 286.011. This act does not apply to an exemption that:
 - (a) Is required by federal law; or
 - (b) Applies solely to the Legislature or the State Court System.
- (3) In the 5th year after enactment of a new exemption or substantial amendment of an existing exemption, the exemption shall be repealed on October 2nd of the 5th year, unless the Legislature acts to reenact the exemption.
- (4)(a) A law that enacts a new exemption or substantially amends an existing exemption must state that the record or meeting is:
 1. Exempt from s. 24, Art. I of the State Constitution;
 2. Exempt from s. 119.07(1) or s. 286.011; and

3. Repealed at the end of 5 years and that the exemption must be reviewed by the Legislature before the scheduled repeal date.
- (b) For purposes of this section, an exemption is substantially amended if the amendment expands the scope of the exemption to include more records or information or to include meetings as well as records. An exemption is not substantially amended if the amendment narrows the scope of the exemption.
- (c) This section is not intended to repeal an exemption that has been amended following legislative review before the scheduled repeal of the exemption if the exemption is not substantially amended as a result of the review.
- (5)(a) By June 1 in the year before the repeal of an exemption under this section, the Office of Legislative Services shall certify to the President of the Senate and the Speaker of the House of Representatives the language and statutory citation of each exemption scheduled for repeal the following year.
- (b) An exemption that is not identified and certified to the President of the Senate and the Speaker of the House of Representatives is not subject to legislative review and repeal under this section. If the office fails to certify an exemption that it subsequently determines should have been certified, it shall include the exemption in the following year's certification after that determination.
- (6)(a) As part of the review process, the Legislature shall consider the following:
 1. What specific records or meetings are affected by the exemption?
 2. Whom does the exemption uniquely affect, as opposed to the general public?
 3. What is the identifiable public purpose or goal of the exemption?
 4. Can the information contained in the records or discussed in the meeting be readily obtained by alternative means? If so, how?
 5. Is the record or meeting protected by another exemption?
 6. Are there multiple exemptions for the same type of record or meeting that it would be appropriate to merge?
- (b) An exemption may be created, revised, or maintained only if it serves an identifiable public purpose, and the exemption may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the exemption meets one of the following purposes and the Legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exemption:
 1. Allows the state or its political subdivisions to effectively and efficiently administer a governmental program, which administration would be significantly impaired without the exemption;
 2. Protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. However, in exemptions under this subparagraph, only information that would identify the individuals may be exempted; or
 3. Protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information which is used to protect or further a business advantage over those who do not know or use it, the disclosure of which information would injure the affected entity in the marketplace.
- (7) Records made before the date of a repeal of an exemption under this section may not be made public unless otherwise provided by law. In deciding whether the records shall be made public, the Legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exemption of the type specified in subparagraph (6)(b)2. or subparagraph (6)(b)3. would occur if the records were made public.

- (8) Notwithstanding s. 768.28 or any other law, neither the state or its political subdivisions nor any other public body shall be made party to any suit in any court or incur any liability for the repeal or revival and reenactment of an exemption under this section. The failure of the Legislature to comply strictly with this section does not invalidate an otherwise valid reenactment.

**E. SECTION 11.0431, FLORIDA STATUTES - LEGISLATIVE RECORDS;
EXEMPTIONS FROM PUBLIC DISCLOSURE.**

11.0431 Legislative records; intent of legislation; exemption from public disclosure.--

- (1) It is the policy of the Legislature that every person has the right to inspect and copy records of the Senate and the House of Representatives received in connection with the official business of the Legislature as provided for by the constitution of this state. To that end, public records shall be open to personal inspection and copying at reasonable times except when specific public necessity justifies that public records be exempt from such inspection and copying.
- (2) The following public records are exempt from inspection and copying:
 - (a) Records, or information contained therein, held by the legislative branch of government which, if held by an agency as defined in s. 119.011, or any other unit of government, would be confidential or exempt from the provisions of s. 119.07(1), or otherwise exempt from public disclosure, and records or information of the same type held by the Legislature.
 - (b) A formal complaint about a member or officer of the Legislature or about a lobbyist and the records relating to the complaint, until the complaint is dismissed, a determination as to probable cause has been made, a determination that there are sufficient grounds for review has been made and no probable cause panel is to be appointed, or the respondent has requested in writing that the President of the Senate or the Speaker of the House of Representatives make public the complaint or other records relating to the complaint, whichever occurs first.
 - (c) A legislatively produced draft, and a legislative request for a draft, of a bill, resolution, memorial, or legislative rule, and an amendment thereto, which is not provided to any person other than the member or members who requested the draft, an employee of the Legislature, a member of the Legislature who is a supervisor of the legislative employee, a contract employee or consultant retained by the Legislature, or an officer of the Legislature.
 - (d) A draft of a bill analysis or fiscal note until the bill analysis or fiscal note is provided to a person other than an employee of the Legislature, a contract employee or consultant retained by the Legislature, or an officer of the Legislature.
 - (e) A draft, and a request for a draft, of a reapportionment plan or redistricting plan and an amendment thereto. Any supporting documents associated with such plan or amendment until a bill implementing the plan, or the amendment, is filed.
 - (f) Records prepared for or used in executive sessions of the Senate until 10 years after the date on which the executive session was held.
 - (g) Portions of records of former legislative investigating committees whose records are sealed or confidential as of June 30, 1993, which may reveal the identity of any witness, any person who was a subject of the inquiry, or any person referred to in testimony, documents, or evidence retained in the committee's records; however, this exemption does not apply to a member of the committee, its staff, or any public official who was not a subject of the inquiry.
 - (h) Requests by members for an advisory opinion concerning the application of the rules of either house pertaining to ethics, unless the member requesting the opinion authorizes in writing the release of such information. All advisory opinions shall be open to inspection except that the identity of the member shall not be disclosed in the opinion unless the member requesting the opinion authorizes in writing the release of such information.

- (i) Portions of correspondence held by the legislative branch which, if disclosed, would reveal information otherwise exempt from disclosure by law; an individual's medical treatment, history, or condition; the identity or location of an individual if there is a substantial likelihood that releasing such information would jeopardize the health or safety of that individual; or information regarding physical abuse, child abuse, spouse abuse, or abuse of the elderly.
- (3) Any record created prior to July 1, 1993, which was not available to the public from the house, commission, committee, or office of the legislative branch that created the record, is exempt from inspection and copying until July 1, 1993. Prior to July 1, 1993, the presiding officer of each house shall determine which records held by that house should remain exempt from inspection and copying. The presiding officers of both houses shall jointly determine which records held by joint committees should remain exempt from inspection and copying. No later than July 1, 1993, the presiding officers shall publish a list of records that remain exempt from inspection and copying.
- (4) For purposes of this section, "public record" means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by the legislative branch.
- (5) Nothing herein shall be construed to limit the authority of each house of the Legislature to adopt rules pursuant to s. 24, Art. I of the State Constitution.

PROPERTY TAX OVERSIGHT

Florida's property taxes are administered by locally elected officials and supervised by the Florida Department of Revenue. Florida does not have a state-level property tax.

1 Property Tax Base

Property Appraisers

Florida's Constitution requires property appraisers to establish the property tax base for their counties annually. In doing so, property appraisers determine the just, or market, value of each parcel of property in the county as of January 1 of each year. Then they apply all valid exemptions, classifications, and assessment limitations to determine each property's taxable value, or relative tax burden. The property appraiser does not determine the property tax rate or the amount of property taxes levied.

Department of Revenue

The department reviews each county's property tax rolls in July and August of every year. These reviews ensure that the just value that the property appraiser established is equitable, uniform, and in compliance with Florida law. The department also reviews and approves each property appraiser's annual budget.

2 Property Tax Rates

Locally Elected Officials

Florida has more than 640 local governments that levy a property tax. These include cities, counties, school boards, and special districts. Each year, usually in September, locally elected officials in each jurisdiction set a millage, or tax, rate for the upcoming fiscal year, usually beginning on October 1. Millage rates for each jurisdiction are uniform across all property types.

Department of Revenue

The department ensures that local government millage rates do not exceed state-mandated caps. In addition, the department confirms that local governments send notices and advertise public hearings to adopt millage rates and annual budgets properly and on time.

3 Annual Truth-in-Millage (TRIM) Notice

Property Appraisers and Locally Elected Officials

In August, the property appraiser sends each property owner a Notice of Proposed Property Taxes, or TRIM notice. This notice contains the property's value on January 1, the millage rates proposed by each local government, and an estimate of the amount of property taxes the property owner owes based on the proposed millage rates. The date, time, and location of each local government's budget hearing are also on the notice. This provides property owners the opportunity to attend the hearings and comment on the millage rates before approval.

Department of Revenue

The department verifies that the information from each local government is accurate and in compliance with Florida Truth-in-Millage requirements.

4 Appeals Process

Value Adjustment Boards

Each county has a five-member value adjustment board, which hears and rules on challenges to a property's assessment, classification, or exemptions. The value adjustment board is independent of the property appraiser and tax collector. Value adjustment boards cannot change the millage, or property tax, rates local governments adopt.

Department of Revenue

The department provides annual training to value adjustment boards. The department also issues mandatory procedures and forms to promote fair, impartial, and uniform hearings for all taxpayers.

5 Billing and Payment

Tax Collectors

After local governments adopt millage rates, county tax collectors send annual property tax bills, usually in late October or early November. Full payment is due by the following March 31. Taxpayers receive discounts of up to 4 percent for early payment.

Department of Revenue

The department provides training and certification to tax collectors and their staff to promote uniform and cost-effective tax collection practices. The department also reviews and approves most tax collectors' annual budgets.

7 Funding of Public Education and Local Services

Tax Collectors

The tax collector distributes property taxes to the local governments and taxing authorities. Roughly 50 percent of Florida's public education funding and 30 percent of its local government revenues come from property taxes.

Department of Revenue

The department provides statistics to the Department of Education to ensure adequate funding for public education.

6 Collections and Refunds

Tax Collectors

If a taxpayer does not pay a property tax bill by the following March 31, the tax collector sells a tax certificate on that property to collect the unpaid taxes. A tax deed may be sold if the property owner has not paid all back taxes, interest, and fees within two years. Tax collectors also process and issue refunds for overpayment of property taxes.

Department of Revenue

The department assists those who have questions about the local property tax process. The department also reviews property tax refunds of \$2,500 or more to verify they were issued in accordance with Florida law.

192.001 Definitions.— All definitions set out in chapters 1 and 200 that are applicable to this chapter are included herein. In addition, the following definitions shall apply in the imposition of ad valorem taxes:

(1) "Ad valorem tax" means a tax based upon the assessed value of property. The term "property tax" may be used interchangeably with the term "ad valorem tax."

(2) "Assessed value of property" means an annual determination of the just or fair market value of an item or property or the value of the homestead property as limited pursuant to s. 4(d), Art. VII of the State Constitution or, if a property is assessed solely on the basis of character or use or at a specified percentage of its value, pursuant to s. 4(a) or 4(c), Art. VII of the State Constitution, its classified use value or fractional value.

(3) "County property appraiser" means the county officer charged with determining the value of all property within the county, with maintaining certain records connected therewith, and with determining the tax on taxable property after taxes have been levied. He or she shall also be referred to in these statutes as the "property appraiser" or "appraiser."

(4) "County tax collector" means the county officer charged with the collection of ad valorem taxes levied by the county, the school board, any special taxing districts within the county, and all municipalities within the county.

(5) "Department," unless otherwise designated, means the Department of Revenue.

(6) "Extend on the tax roll" means the arithmetic computation whereby the millage is converted to a decimal number representing one one-thousandth of a dollar and then multiplied by the taxable value of the property to determine the tax on such property.

(7) "Governing body" means any board, commission, council, or individual acting as the executive head of a unit of local government.

(8) "Homestead" means that property described in s. 6(a), Art. VII of the State Constitution.

(9) "Levy" means the imposition of a tax, stated in terms of "millage," against all appropriately located property by a governmental body authorized by law to impose ad valorem taxes.

(10) "Mill" means one one-thousandth of a United States dollar. "Millage" may apply to a single levy of taxes or to the cumulative of all levies.

(11) "Personal property," for the purposes of ad valorem taxation, shall be divided into four categories as follows:

(a) "Household goods" means wearing apparel, furniture, appliances, and other items ordinarily found in the home and used for the comfort of the owner and his or her family. Household goods are not held for commercial purposes or resale.

(b) "Intangible personal property" means money, all evidences of debt owed to the taxpayer, all evidences of ownership in a corporation or other business organization having multiple owners, and all other forms of property where value is based upon that which the property represents rather than its own intrinsic value.

(c) "Inventory" means only those chattels consisting of items commonly referred to as goods, wares, and merchandise (as well as inventory) which are held for sale or lease to customers in the ordinary course of business. Supplies and raw materials shall be considered to be inventory only to the extent that they are acquired for sale or lease to customers in the ordinary course of business or will physically become a part of merchandise intended for sale or lease to customers in the ordinary course of business. Partially finished products which when completed will be held for sale or lease to customers in the ordinary course of business shall be deemed items of inventory. All livestock shall be considered inventory. Items of inventory held for lease to customers in the ordinary course of business, rather than for sale, shall be deemed inventory only prior to the initial lease of such items. For the purposes of this section, fuels used in the production of electricity shall be considered inventory.

(d) "Tangible personal property" means all goods, chattels, and other articles of value (but does not include the vehicular items enumerated in s. 1(b), Art. VII of the State Constitution and elsewhere defined) capable of manual possession and whose chief value is intrinsic to the article itself. "Construction work in progress" consists of those items of tangible personal property commonly known as fixtures, machinery, and equipment when in the process of being installed in new or expanded improvements to real property and whose value is materially enhanced upon connection or use with a preexisting, taxable, operational system or facility. Construction work in progress shall be deemed substantially completed when connected with the preexisting, taxable, operational system or facility. Inventory and household goods are expressly excluded from this definition.

(12) "Real property" means land, buildings, fixtures, and all other improvements to land. The terms "land," "real estate," "realty," and "real property" may be used interchangeably.

(13) "Taxpayer" means the person or other legal entity in whose name property is assessed, including an agent of a timeshare period titleholder.

(14) "Fee timeshare real property" means the land and buildings and other improvements to land that are subject to timeshare interests which are sold as a fee interest in real property.

(15) "Timeshare period titleholder" means the purchaser of a timeshare period sold as a fee interest in real property, whether organized under chapter 718 or chapter 721.

(16) "Taxable value" means the assessed value of property minus the amount of any applicable exemption provided under s. 3 or s. 6, Art. VII of the State Constitution and chapter 196.

(17) "Floating structure" means a floating barge-like entity, with or without accommodations built thereon, which is not primarily used as a means of transportation on water but which serves purposes or provides services typically associated with a structure or other improvement to real property. The term "floating structure" includes, but is not limited to, each entity used as a residence, place of business, office, hotel or motel, restaurant or lounge, clubhouse, meeting facility, storage or parking facility, mining platform, dredge, dragline, or similar facility or entity represented as such. Floating structures are expressly excluded from the definition of the term "vessel" provided in s. 327.02.

Incidental movement upon water shall not, in and of itself, preclude an entity from classification as a floating structure. A floating structure is expressly included as a type of tangible personal property.

(18) “Complete submission of the rolls” includes, but is not necessarily limited to, accurate tabular summaries of valuations as prescribed by department rule; a computer tape copy of the real property assessment roll including for each parcel total value of improvements, land value, the two most recently recorded selling prices, the value of any improvement made to the parcel in the 12 months preceding the valuation date, the type and amount of any exemption granted, and such other information as may be required by department rule; an accurate tabular summary by property class of any adjustments made to recorded selling prices or fair market value in arriving at assessed value, as prescribed by department rule; a computer tape copy of the tangible personal property assessment roll, including for each entry a unique account number and such other information as may be required by department rule; and an accurate tabular summary of per-acre land valuations used for each class of agricultural property in preparing the assessment roll, as prescribed by department rule.

(19) “Computer software” means any information, program, or routine, or any set of one or more programs, routines, or collections of information used or intended for use to convey information or to cause one or more computers or pieces of computer-related peripheral equipment, or any combination thereof, to perform a task or set of tasks. Without limiting the generality of the definition provided in this subsection, the term includes operating and applications programs and all related documentation. Computer software does not include embedded software that resides permanently in the internal memory of a computer or computer-related peripheral equipment and that is not removable without terminating the operation of the computer or equipment. Computer software constitutes personal property only to the extent of the value of the unmounted or uninstalled medium on or in which the information, program, or routine is stored or transmitted, and, after installation or mounting by any person, computer software does not increase the value of the computer or computer-related peripheral equipment, or any combination thereof. Notwithstanding any other provision of law, this subsection applies to the 1997 and subsequent tax rolls and to any assessment in an administrative or judicial action pending on June 1, 1997.

192.0105 Taxpayer rights.— There is created a Florida Taxpayer’s Bill of Rights for property taxes and assessments to guarantee that the rights, privacy, and property of the taxpayers of this state are adequately safeguarded and protected during tax levy, assessment, collection, and enforcement processes administered under the revenue laws of this state. The Taxpayer’s Bill of Rights compiles, in one document, brief but comprehensive statements that summarize the rights and obligations of the property appraisers, tax collectors, clerks of the court, local governing boards, the Department of Revenue, and taxpayers. Additional rights afforded to payors of taxes and assessments imposed under the revenue laws of this state are provided in s. 213.015. The rights afforded taxpayers to assure that their privacy and property are safeguarded and protected during tax levy, assessment, and collection are available only insofar as they are implemented in other parts of the Florida Statutes or rules of the Department of Revenue. The rights so guaranteed to state taxpayers in the Florida Statutes and the departmental rules include:

(1) THE RIGHT TO KNOW.—

(a) The right to be sent a notice of proposed property taxes and proposed or adopted non-ad valorem assessments (see ss. 194.011(1), 200.065(2)(b) and (d) and (13)(a), and 200.069). The notice must also inform the taxpayer that the final tax bill may contain additional non-ad valorem assessments (see s. 200.069(9)).

(b) The right to notification of a public hearing on each taxing authority’s tentative budget and proposed millage rate and advertisement of a public hearing to finalize the budget and adopt a millage rate (see s. 200.065(2)(c) and (d)).

(c) The right to advertised notice of the amount by which the tentatively adopted millage rate results in taxes that exceed the previous year’s taxes (see s. 200.065(2)(d) and (3)). The right to notification of a comparison of the amount

of the taxes to be levied from the proposed millage rate under the tentative budget change, compared to the previous year's taxes, and also compared to the taxes that would be levied if no budget change is made (see ss. 200.065(2)(b) and 200.069(2), (3), (4), and (8)).

(d) The right that the adopted millage rate will not exceed the tentatively adopted millage rate. If the tentative rate exceeds the proposed rate, each taxpayer shall be mailed notice comparing his or her taxes under the tentatively adopted millage rate to the taxes under the previously proposed rate, before a hearing to finalize the budget and adopt millage (see s. 200.065(2)(d)).

(e) The right to be sent notice by first-class mail of a non-ad valorem assessment hearing at least 20 days before the hearing with pertinent information, including the total amount to be levied against each parcel. All affected property owners have the right to appear at the hearing and to file written objections with the local governing board (see s. 197.3632(4)(b) and (c) and (10)(b)2.b.).

(f) The right of an exemption recipient to be sent a renewal application for that exemption, the right to a receipt for homestead exemption claim when filed, and the right to notice of denial of the exemption (see ss. 196.011(6), 196.131(1), 196.151, and 196.193(1)(c) and (5)).

(g) The right, on property determined not to have been entitled to homestead exemption in a prior year, to notice of intent from the property appraiser to record notice of tax lien and the right to pay tax, penalty, and interest before a tax lien is recorded for any prior year (see s. 196.161(1)(b)).

(h) The right to be informed during the tax collection process, including: notice of tax due; notice of back taxes; notice of late taxes and assessments and consequences of nonpayment; opportunity to pay estimated taxes and non-ad valorem assessments when the tax roll will not be certified in time; notice when interest begins to accrue on delinquent provisional taxes; notice of the right to prepay estimated taxes by installment; a statement of the taxpayer's estimated tax liability for use in making installment payments; and notice of right to defer taxes and non-ad valorem assessments on homestead property (see ss. 197.322(3), 197.3635, 197.343, 197.363(2)(c), 197.222(3) and (5), 197.2301(3), 197.3632(8)(a), 193.1145(10)(a), and 197.254(1)).

(i) The right to an advertisement in a newspaper listing names of taxpayers who are delinquent in paying tangible personal property taxes, with amounts due, and giving notice that interest is accruing at 18 percent and that, unless taxes are paid, warrants will be issued, prior to petition made with the circuit court for an order to seize and sell property (see s. 197.402(2)).

(j) The right to be sent a notice when a petition has been filed with the court for an order to seize and sell property and the right to be mailed notice, and to be served notice by the sheriff, before the date of sale, that application for tax deed has been made and property will be sold unless back taxes are paid (see ss. 197.413(5), 197.502(4)(a), and 197.522(1)(a) and (2)).

(k) The right to have certain taxes and special assessments levied by special districts individually stated on the "Notice of Proposed Property Taxes and Proposed or Adopted Non-Ad Valorem Assessments" (see s. 200.069).

Notwithstanding the right to information contained in this subsection, under s. 197.122 property owners are held to know that property taxes are due and payable annually and are charged with a duty to ascertain the amount of current and delinquent taxes and obtain the necessary information from the applicable governmental officials.

(2) THE RIGHT TO DUE PROCESS.—

(a) The right to an informal conference with the property appraiser to present facts the taxpayer considers to support changing the assessment and to have the property appraiser present facts supportive of the assessment upon proper request of any taxpayer who objects to the assessment placed on his or her property (see s. 194.011(2)).

(b) The right to petition the value adjustment board over objections to assessments, denial of exemption, denial of agricultural classification, denial of historic classification, denial of high-water recharge classification, disapproval of tax deferral, and any penalties on deferred taxes imposed for incorrect information willfully filed. Payment of estimated taxes does not preclude the right of the taxpayer to challenge his or her assessment (see ss. 194.011(3),

196.011(6) and (9)(a), 196.151, 196.193(1)(c) and (5), 193.461(2), 193.503(7), 193.625(2), 197.2425, 197.301(2), and 197.2301 (11)).

(c) The right to file a petition for exemption or agricultural classification with the value adjustment board when an application deadline is missed, upon demonstration of particular extenuating circumstances for filing late (see ss. 193.461(3)(a) and 196.011(1), (7), (8), and (9)(e)).

(d) The right to prior notice of the value adjustment board's hearing date and the right to the hearing within 4 hours of scheduled time (see s. 194.032(2)).

(e) The right to notice of date of certification of tax rolls and receipt of property record card if requested (see ss. 193.122(2) and (3) and 194.032(2)).

(f) The right, in value adjustment board proceedings, to have all evidence presented and considered at a public hearing at the scheduled time, to be represented by an attorney or agent, to have witnesses sworn and cross-examined, and to examine property appraisers or evaluators employed by the board who present testimony (see ss. 194.034(1)(a) and (c) and (4), and 194.035(2)).

(g) The right to be sent a timely written decision by the value adjustment board containing findings of fact and conclusions of law and reasons for upholding or overturning the determination of the property appraiser, and the right to advertised notice of all board actions, including appropriate narrative and column descriptions, in brief and nontechnical language (see ss. 194.034(2) and 194.037(3)).

(h) The right at a public hearing on non-ad valorem assessments or municipal special assessments to provide written objections and to provide testimony to the local governing board (see ss. 197.3632(4)(c) and 170.08).

(i) The right to bring action in circuit court to contest a tax assessment or appeal value adjustment board decisions to disapprove exemption or deny tax deferral (see ss. 194.036(1)(c) and (2), 194.171, 196.151, and 197.2425).

(3) THE RIGHT TO REDRESS. —

(a) The right to discounts for early payment on all taxes and non-ad valorem assessments collected by the tax collector, except for partial payments as defined in s. 197.374, the right to pay installment payments with discounts, and the right to pay delinquent personal property taxes under a payment program when implemented by the county tax collector (see ss. 197.162, 197.3632(8) and (10)(b)3., 197.222(1), and 197.4155).

(b) The right, upon filing a challenge in circuit court and paying taxes admitted in good faith to be owing, to be issued a receipt and have suspended all procedures for the collection of taxes until the final disposition of the action (see s. 194.171(3)).

(c) The right to have penalties reduced or waived upon a showing of good cause when a return is not intentionally filed late, and the right to pay interest at a reduced rate if the court finds that the amount of tax owed by the taxpayer is greater than the amount the taxpayer has in good faith admitted and paid (see ss. 193.072(4) and 194.192(2)).

(d) The right to a refund when overpayment of taxes has been made under specified circumstances (see ss. 193.1145(8)(e) and 197.182(1)).

(e) The right to an extension to file a tangible personal property tax return upon making proper and timely request (see s. 193.063).

(f) The right to redeem real property and redeem tax certificates at any time before full payment for a tax deed is made to the clerk of the court, including documentary stamps and recording fees, and the right to have tax certificates canceled if sold where taxes had been paid or if other error makes it void or correctable. Property owners have the right to be free from contact by a certificateholder for 2 years after April 1 of the year the tax certificate is issued (see ss. 197.432(13) and (14), 197.442(1), 197.443, and 197.472(1) and (6)).

(g) The right of the taxpayer, property appraiser, tax collector, or the department, as the prevailing party in a judicial or administrative action brought or maintained without the support of justiciable issues of fact or law, to recover all costs of the administrative or judicial action, including reasonable attorney's fees, and of the department and the taxpayer to settle such claims through negotiations (see ss. 57.105 and 57.111).

(4) THE RIGHT TO CONFIDENTIALITY. —

(a) The right to have information kept confidential, including federal tax information, ad valorem tax returns, social security numbers, all financial records produced by the taxpayer, Form DR-219 returns for documentary stamp tax information, and sworn statements of gross income, copies of federal income tax returns for the prior year, wage and earnings statements (W-2 forms), and other documents (see ss. 192.105, 193.074, 193.114(5), 195.027(3) and (6), and 196.101(4)(c)).

(b) The right to limiting access to a taxpayer's records by a property appraiser, the Department of Revenue, and the Auditor General only to those instances in which it is determined that such records are necessary to determine either the classification or the value of taxable nonhomestead property (see s. 195.027(3)).

192.011 All property to be assessed.— The property appraiser shall assess all property located within the county, except inventory, whether such property is taxable, wholly or partially exempt, or subject to classification reflecting a value less than its just value at its present highest and best use. Extension on the tax rolls shall be made according to regulation promulgated by the department in order properly to reflect the general law. Streets, roads, and highways which have been dedicated to or otherwise acquired by a municipality, a county, or a state agency may be assessed, but need not be.

Note.— Former s. 192.01.

192.032 Situs of property for assessment purposes.— All property shall be assessed according to its situs as follows:

- (1) Real property, in that county in which it is located and in that taxing jurisdiction in which it may be located.
- (2) All tangible personal property which is not immune under the state or federal constitutions from ad valorem taxation, in that county and taxing jurisdiction in which it is physically present on January 1 of each year unless such property has been physically present in another county of this state at any time during the preceding 12-month period, in which case the provisions of subsection (3) apply. Additionally, tangible personal property brought into the state after January 1 and before April 1 of any year shall be taxable for that year if the property appraiser has reason to believe that such property will be removed from the state prior to January 1 of the next succeeding year. However, tangible personal property physically present in the state on or after January 1 for temporary purposes only, which property is in the state for 30 days or less, shall not be subject to assessment. This subsection does not apply to goods in transit as described in subsection (4) or supersede the provisions of s. 193.085(4).
- (3) If more than one county of this state assesses the same tangible personal property in the same assessment year, resolution of such multicounty dispute shall be governed by the following provisions:
 - (a) Tangible personal property which was physically present in one county of this state on January 1, but present in another county of this state at any time during the preceding year, shall be assessed in the county and taxing jurisdiction where it was habitually located or typically present. All tangible personal property which is removed from one county in this state to another county after January 1 of any year shall be subject to taxation for that year in the county where located on January 1; except that this subsection does not apply to tangible personal property located in a county on January 1 on a temporary or transitory basis if such property is included in the tax return being filed in the county in this state where such tangible personal property is habitually located or typically present.
 - (b) For purposes of this subsection, an item of tangible personal property is "habitually located or typically present" in the county where it is generally kept for use or storage or where it is consistently returned for use or storage. For purposes of this subsection, an item of tangible personal property is located in a county on a "temporary or transitory basis" if it is located in that county for a short duration or limited utilization with an intention to remove it to another county where it is usually used or stored.

(4)(a) Personal property manufactured or produced outside this state and brought into this state only for transshipment out of the United States, or manufactured or produced outside the United States and brought into this state for transshipment out of this state, for sale in the ordinary course of trade or business is considered goods-in-transit and shall not be deemed to have acquired a taxable situs within a county even though the property is temporarily halted or stored within the state.

(b) The term “goods-in-transit” implies that the personal property manufactured or produced outside this state and brought into this state has not been diverted to domestic use and has not reached its final destination, which may be evidenced by the fact that the individual unit packaging device utilized in the shipping of the specific personal property has not been opened except for inspection, storage, or other process utilized in the transportation of the personal property.

(c) Personal property transshipped into this state and subjected in this state to a subsequent manufacturing process or used in this state in the production of other personal property is not goods-in-transit. Breaking in bulk, labeling, packaging, relabeling, or repacking of such property solely for its inspection, storage, or transportation to its final destination outside the state shall not be considered to be a manufacturing process or the production of other personal property within the meaning of this subsection. However, such storage shall not exceed 180 days.

(5)(a) Notwithstanding the provisions of subsection (2), personal property used as a marine cargo container in the conduct of foreign or interstate commerce shall not be deemed to have acquired a taxable situs within a county when the property is temporarily halted or stored within the state for a period not exceeding 180 days.

(b) “Marine cargo container” means a nondisposable receptacle which is of a permanent character, strong enough to be suitable for repeated use; which is specifically designed to facilitate the carriage of goods by one or more modes of transport, one of which shall be by ocean vessel, without intermediate reloading; and which is fitted with devices permitting its ready handling, particularly in the transfer from one transport mode to another. The term “marine cargo container” includes a container when carried on a chassis but does not include a vehicle or packaging.

(6) Notwithstanding any other provision of this section, tangible personal property used in traveling shows such as carnivals, ice shows, or circuses shall be deemed to be physically present or habitually located or typically present only to the extent the value of such property is multiplied by a fraction, the numerator of which is the number of days such property is present in Florida during the taxable year and the denominator of which is the number of days in the taxable year. However, railroad property of such traveling shows shall be taxable under s. 193.085(4)(b) and not under this section.

Note.—Consolidation of provisions of former ss. 193.022, 193.034, 196.0011.

192.037 Fee timeshare real property; taxes and assessments; escrow. —

(1) For the purposes of ad valorem taxation and special assessments, the managing entity responsible for operating and maintaining fee timeshare real property shall be considered the taxpayer as an agent of the timeshare period titleholder.

(2) Fee timeshare real property shall be listed on the assessment rolls as a single entry for each timeshare development. The assessed value of each timeshare development shall be the value of the combined individual timeshare periods or timeshare estates contained therein.

(3) The property appraiser shall annually notify the managing entity of the proportions to be used in allocating the valuation, taxes, and special assessments on timeshare property among the various timeshare periods. Such notice shall be provided on or before the mailing of notices pursuant to s. 194.011. Ad valorem taxes and special assessments shall be allocated by the managing entity based upon the proportions provided by the property appraiser pursuant to this subsection.

(4) All rights and privileges afforded property owners by chapter 194 with respect to contesting or appealing assessments shall apply both to the managing entity responsible for operating and maintaining the timesharing plan and to each person having a fee interest in a timeshare unit or timeshare period.

(5) The managing entity, as an agent of the timeshare period titleholders, shall collect and remit the taxes and special assessments due on the fee timeshare real property. In allocating taxes, special assessments, and common expenses to individual timeshare period titleholders, the managing entity must clearly label the portion of any amounts due which are attributable to ad valorem taxes and special assessments.

(6)(a) Funds received by a managing entity or its successors or assigns from timeshare titleholders for ad valorem taxes or special assessments shall be placed in escrow as provided in this section for release as provided herein.

(b) If the managing entity is a condominium association subject to the provisions of chapter 718 or a cooperative association subject to the provisions of chapter 719, the control of which has been turned over to owners other than the developer, the escrow account must be maintained by the association; otherwise, the escrow account must be placed with an independent escrow agent, who shall comply with the provisions of chapter 721 relating to escrow agents.

(c) The principal of such escrow account shall be paid only to the tax collector of the county in which the timeshare development is located or to his or her deputy.

(d) Interest earned upon any sum of money placed in escrow under the provisions of this section shall be paid to the managing entity or its successors or assigns for the benefit of the owners of timeshare units; however, no interest may be paid unless all taxes on the timeshare development have been paid.

(e) On or before May 1 of each year, a statement of receipts and disbursements of the escrow account must be filed with the Division of Florida Condominiums, Timeshares, and Mobile Homes of the Department of Business and Professional Regulation, which may enforce this paragraph pursuant to s. 721.26. This statement must appropriately show the amount of principal and interest in such account.

(f) Any managing entity or escrow agent who intentionally fails to comply with this subsection concerning the establishment of an escrow account, deposits of funds into escrow, and withdrawal therefrom is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. The failure to establish an escrow account or to place funds therein as required in this section is prima facie evidence of an intentional violation of this section.

(7) The tax collector shall accept only full payment of the taxes and special assessments due on the timeshare development.

(8) The managing entity shall have a lien pursuant to s. 718.121 or s. 721.16 on the timeshare periods for the taxes and special assessments.

(9) All provisions of law relating to enforcement and collection of delinquent taxes shall be administered with respect to the timeshare development as a whole and the managing entity as an agent of the timeshare period titleholders; if, however, an application is made pursuant to s. 197.502, the timeshare period titleholders shall receive the protections afforded by chapter 197.

(10) In making his or her assessment of timeshare real property, the property appraiser shall look first to the resale market.

(11) If there is an inadequate number of resales to provide a basis for arriving at value conclusions, then the property appraiser shall deduct from the original purchase price "usual and reasonable fees and costs of the sale." For purposes of this subsection, "usual and reasonable fees and costs of the sale" for timeshare real property shall include all marketing costs, atypical financing costs, and those costs attributable to the right of a timeshare unit owner or user to participate in an exchange network of resorts. For timeshare real property, such "usual and reasonable fees and costs of the sale" shall be presumed to be 50 percent of the original purchase price; provided, however, such presumption shall be rebuttable.

(12) Subsections (10) and (11) apply to fee and non-fee timeshare real property.

192.042 Date of assessment.— All property shall be assessed according to its just value as follows:

(1) Real property, on January 1 of each year. Improvements or portions not substantially completed on January 1 shall have no value placed thereon. “Substantially completed” shall mean that the improvement or some self-sufficient unit within it can be used for the purpose for which it was constructed.

(2) Tangible personal property, on January 1, except construction work in progress shall have no value placed thereon until substantially completed as defined in s. 192.001(11)(d).

192.047 Date of filing.—

(1) For the purposes of ad valorem tax administration, the date of an official United States Postal Service postmark of an application for exemption, an application for special assessment classification, or a return filed by mail shall be considered the date of filing the application or return.

(2) When the deadline for filing an ad valorem tax application or return falls on a Saturday, Sunday, or legal holiday, the filing period shall extend through the next working day immediately following such Saturday, Sunday, or legal holiday.

History.— s. 1, ch. 78-185.

192.053 Lien for unpaid taxes.— A lien for all taxes, penalties, and interest shall attach to any property upon which a lien is imposed by law on the date of assessment and shall continue in full force and effect until discharged by payment as provided in chapter 197 or until barred under chapter 95.

192.071 Administration of oaths.— For the purpose of administering the provisions of this law or of any other duties pertaining to the proper administration of the duties of the office of property appraiser, or of the filing of applications for tax exemptions as required by law, the property appraisers or their lawful deputies may administer oaths and attest same in the same manner and with the same effect as other persons authorized by law to administer oaths by the laws of the state.

192.091 Commissions of property appraisers and tax collectors.—

(1)(a) The budget of the property appraiser’s office, as approved by the Department of Revenue, shall be the basis upon which the several tax authorities of each county, except municipalities and the district school board, shall be billed by the property appraiser for services rendered. Each such taxing authority shall be billed an amount that bears the same proportion to the total amount of the budget as its share of ad valorem taxes bore to the total levied for the preceding year. All municipal and school district taxes shall be considered as taxes levied by the county for purposes of this computation.

(b) Payments shall be made quarterly by each such taxing authority. The property appraiser shall notify the various taxing authorities of his or her estimated budget requirements and billings thereon at the same time as his or her budget request is submitted to the Department of Revenue pursuant to s. 195.087 and at the time the property appraiser receives final approval of the budget by the department.

(2) The tax collectors of the several counties of the state shall be entitled to receive, upon the amount of all real and tangible personal property taxes and special assessments collected and remitted, the following commissions:

(a) On the county tax:

1. Ten percent on the first \$100,000;
2. Five percent on the next \$100,000;

3. Three percent on the balance up to the amount of taxes collected and remitted on an assessed valuation of \$50 million; and
 4. Two percent on the balance.
- (b) On collections on behalf of each taxing district and special assessment district:
- 1.a. Three percent on the amount of taxes collected and remitted on an assessed valuation of \$50 million; and
 - b. Two percent on the balance; and
 2. Actual costs of collection, not to exceed 2 percent, on the amount of special assessments collected and remitted.

For the purposes of this subsection, the commissions on the amount of taxes collected from the nonvoted school millage, and on the amount of additional taxes that would be collected for school districts if the exemptions applicable to homestead property for school district taxation were the same as exemptions applicable for all other ad valorem taxation, shall be paid by the board of county commissioners.

(3) In computing the amount of taxes levied on an assessed valuation of \$50 million for the purposes of this section the valuation of nonexempt property and the taxes levied thereon shall be taken first.

All commissions for collecting special tax district taxes shall be paid at the time and in the manner now, or as may hereafter be, provided for the payment of the commissions for the collection of county taxes. All amounts paid as compensation to any tax collector under the provisions of this or any other law shall be a part of the general income or compensation of such officer for the year in which received, and nothing contained in this section shall be held or construed to affect or increase the maximum salary as now provided by law for any such officer.

(5) The provisions of this section shall not apply to commissions on drainage district or drainage subdistrict taxes.

(6) If any property appraiser or tax collector in the state is receiving compensation for expenses in conducting his or her office or by way of salary pursuant to any act of the Legislature other than the general law fixing compensation of property appraisers, such property appraiser or tax collector may file a declaration in writing with the board of county commissioners of his or her county electing to come under the provisions of this section, and thereupon such property appraiser or tax collector shall be paid compensation in accordance with the provisions hereof, and shall not be entitled to the benefit of the said special or local act. If such property appraiser or tax collector does not so elect, he or she shall continue to be paid such compensation as may now be provided by law for such property appraiser or tax collector.

At no time within the year shall there be paid by the board of county commissioners and the school board more than the total advances due to that date or the commissions earned to that date, whichever is the greater. (1) The present cash value of the property, which is the amount a willing purchaser would pay a willing seller, exclusive of reasonable fees and costs of purchase, in cash or the immediate equivalent thereof in a transaction at arm's length;

(2) The highest and best use to which the property can be expected to be put in the immediate future and the present use of the property, taking into consideration the legally permissible use of the property, including any applicable judicial limitation, local or state land use regulation, or historic preservation ordinance, and any zoning changes, concurrency requirements, and permits necessary to achieve the highest and best use, and considering any moratorium imposed by executive order, law, ordinance, regulation, resolution, or proclamation adopted by any governmental body or agency or the Governor when the moratorium or judicial limitation prohibits or restricts the development or improvement of property as otherwise authorized by applicable law. The applicable governmental body or agency or the Governor shall notify the property appraiser in writing of any executive order, ordinance, regulation, resolution, or proclamation it adopts imposing any such limitation, regulation, or moratorium;

(3) The location of said property;

When the net proceeds of the sale of any property are utilized, directly or indirectly, in the determination of just valuation of realty of the sold parcel or any other parcel under the provisions of this section, the property appraiser, for the purposes of such determination, shall exclude any portion of such net proceeds attributable to payments for household furnishings or other items of personal property.

193.015 Additional specific factor; effect of issuance or denial of permit to dredge, fill, or construct in state waters to their landward extent.—

(1) If the Department of Environmental Protection issues or denies a permit to dredge, fill, or otherwise construct in or on waters of the state, as defined in chapter 403, to their landward extent as determined under ¹s. 403.817(2), the property appraiser is expressly directed to consider the effect of that issuance or denial on the value of the property and any limitation that the issuance or denial may impose on the highest and best use of the property to its landward extent.

(2) The Department of Environmental Protection shall provide the property appraiser of each county in which such property is situated a copy of any final agency action relating to an application for such a permit.

(3) The provisions of subsection (1) do not apply if:

- (a) The property owner had no reasonable basis for expecting approval of the application for permit; or
- (b) The application for permit was denied because of an incomplete filing, failure to meet an applicable deadline, or failure to comply with administrative or procedural requirements.

History.—s. 3, ch. 84-79; s. 42, ch. 94-356.

¹**Note.**— Repealed by s. 14, ch. 94-122.

193.016 Property appraiser's assessment; effect of determinations by value adjustment board.— If the property appraiser's assessment of the same items of tangible personal property in the previous year was adjusted by the value adjustment board and the decision of the board to reduce the assessment was not successfully appealed by the property appraiser, the property appraiser shall consider the reduced values determined by the value adjustment board in assessing those items of tangible personal property. If the property appraiser adjusts upward the reduced values previously determined by the value adjustment board, the property appraiser shall assert additional basic and underlying facts not properly considered by the value adjustment board as the basis for the increased valuation notwithstanding the prior adjustment by the board.

History.—s. 2, ch. 2000-262.

193.017 Low-income housing tax credit.— Property used for affordable housing which has received a low-income housing tax credit from the Florida Housing Finance Corporation, as authorized by s. 420.5099, shall be assessed under s. 193.011 and, consistent with s. 420.5099(5) and (6), pursuant to this section.

- (1) The tax credits granted and the financing generated by the tax credits may not be considered as income to the property.
- (2) The actual rental income from rent-restricted units in such a property shall be recognized by the property appraiser.
- (3) Any costs paid for by tax credits and costs paid for by additional financing proceeds received under chapter 420 may not be included in the valuation of the property.
- (4) If an extended low-income housing agreement is filed in the official public records of the county in which the property is located, the agreement, and any recorded amendment or supplement thereto, shall be considered a land-use regulation and a limitation on the highest and best use of the property during the term of the agreement, amendment, or supplement.

History.—s. 6, ch. 2004-349.

¹193.018 Land owned by a community land trust used to provide affordable housing; assessment; structural improvements, condominium parcels, and cooperative parcels.—

- (1) As used in this section, the term “community land trust” means a nonprofit entity that is qualified as charitable under s. 501(c)(3) of the Internal Revenue Code and has as one of its purposes the acquisition of land to be held in perpetuity for the primary purpose of providing affordable homeownership.
- (2) A community land trust may convey structural improvements, condominium parcels, or cooperative parcels, that are located on specific parcels of land that are identified by a legal description contained in and subject to a ground lease having a term of at least 99 years, for the purpose of providing affordable housing to natural persons or families who meet the extremely-low-income, very-low-income, low-income, or moderate-income limits specified in s. 420.0004, or the income limits for workforce housing, as defined in s. 420.5095(3). A community land trust shall retain a preemptive option to purchase any structural improvements, condominium parcels, or cooperative parcels on the land at a price determined by a formula specified in the ground lease which is designed to ensure that the structural improvements, condominium parcels, or cooperative parcels remain affordable.
- (3) In arriving at just valuation under s. 193.011, a structural improvement, condominium parcel, or cooperative parcel providing affordable housing on land owned by a community land trust, and the land owned by a community land trust that is subject to a 99-year or longer ground lease, shall be assessed using the following criteria:

(a) The amount a willing purchaser would pay a willing seller for the land is limited to an amount commensurate with the terms of the ground lease that restricts the use of the land to the provision of affordable housing in perpetuity.

(b) The amount a willing purchaser would pay a willing seller for resale-restricted improvements, condominium parcels, or cooperative parcels is limited to the amount determined by the formula in the ground lease.

(c) If the ground lease and all amendments and supplements thereto, or a memorandum documenting how such lease and amendments or supplements restrict the price at which the improvements, condominium parcels, or cooperative parcels may be sold, is recorded in the official public records of the county in which the leased land is located, the recorded lease and any amendments and supplements, or the recorded memorandum, shall be deemed a land use regulation during the term of the lease as amended or supplemented.

History.—s. 16, ch. 2009-96; s. 2, ch. 2011-15.

¹**Note.**—Section 20, ch. 2011-15, provides that “[t]his act shall take effect upon becoming a law, and those portions of this act which were amended, created, or repealed by chapter 2009-96, Laws of Florida, shall operate retroactively to June 1, 2009. If such retroactive application is held by a court of last resort to be unconstitutional, this act shall apply prospectively from the date that this act becomes a law.”

¹193.023 Duties of the property appraiser in making assessments.—

(1) The property appraiser shall complete his or her assessment of the value of all property no later than July 1 of each year, except that the department may for good cause shown extend the time for completion of assessment of all property.

(2) In making his or her assessment of the value of real property, the property appraiser is required to physically inspect the property at least once every 5 years. Where geographically suitable, and at the discretion of the property appraiser, the property appraiser may use image technology in lieu of physical inspection to ensure that the tax roll meets all the requirements of law. The Department of Revenue shall establish minimum standards for the use of image technology consistent with standards developed by professionally recognized sources for mass appraisal of real property. However, the property appraiser shall physically inspect any parcel of taxable or state-owned real property upon the request of the taxpayer or owner.

(3) In revaluating property in accordance with constitutional and statutory requirements, the property appraiser may adjust the assessed value placed on any parcel or group of parcels based on mass data collected, on ratio studies prepared by an agency authorized by law, or pursuant to regulations of the Department of Revenue.

(4) In making his or her assessment of leasehold interests in property serving the unit owners of a condominium or cooperative subject to a lease, including property subject to a recreational lease, the property appraiser shall assess the property at its fair market value without regard to the income derived from the lease.

(5) In assessing any parcel of a condominium or any parcel of any other residential development having common elements appurtenant to the parcels, if such common elements are owned by the condominium association or owned jointly by the owners of the parcels, the assessment shall apply to the parcel and its fractional or proportionate share of the appurtenant common elements.

(6) In making assessments of cooperative parcels, the property appraiser shall use the method required by s. 719.114.

History.—s. 9, ch. 70-243; s. 1, ch. 72-290; s. 5, ch. 76-222; s. 1, ch. 77-102; s. 2, ch. 84-261; s. 14, ch. 86-300; s. 1, ch. 88-216; s. 5, ch. 91-223; s. 970, ch. 95-147; s. 1, ch. 2006-36; s. 1, ch. 2009-135; ss. 1, 10, ch. 2010-280; SJR 8-A, 2010 Special Session A.

¹**Note.**—Section 10, ch. 2010-280, provides that “[t]his act shall take effect upon becoming a law.” Passed by the Senate and the House of Representatives over the Governor’s veto November 16, 2010. Senate Joint Resolution 8-A, 2010 Special Session A, provides that C.S. for C.S. for S.B. 1516, which became ch. 2010-280, is effective November 17, 2010.

193.0235 Ad valorem taxes and non-ad valorem assessments against subdivision property.—

(1) Ad valorem taxes and non-ad valorem assessments shall be assessed against the lots within a platted residential subdivision and not upon the subdivision property as a whole. An ad valorem tax or non-ad valorem

assessment, including a tax or assessment imposed by a county, municipality, special district, or water management district, may not be assessed separately against common elements utilized exclusively for the benefit of lot owners within the subdivision, regardless of ownership. The value of each parcel of land that is or has been part of a platted subdivision and that is designated on the plat or the approved site plan as a common element for the exclusive benefit of lot owners shall, regardless of ownership, be prorated by the property appraiser and included in the assessment of all the lots within the subdivision which constitute inventory for the developer and are intended to be conveyed or have been conveyed into private ownership for the exclusive benefit of lot owners within the subdivision.

(2) As used in this section, the term “common element” includes:

(a) Subdivision property not included within lots constituting inventory for the developer which are intended to be conveyed or have been conveyed into private ownership.

(b) An easement through the subdivision property, not including the property described in paragraph (a), which has been dedicated to the public or retained for the benefit of the subdivision.

(c) Any other part of the subdivision which has been designated on the plat or is required to be designated on the site plan as a drainage pond, or detention or retention pond, for the exclusive benefit of the subdivision.

History.—s. 4, ch. 2003-284.

193.024 Deputy property appraisers.— Property appraisers may appoint deputies to act in their behalf in carrying out the duties prescribed by law.

History.—s. 2, ch. 80-366.

193.052 Preparation and serving of returns.—

(1) The following returns shall be filed:

(a) Tangible personal property; and

(b) Property specifically required to be returned by other provisions in this title.

(2) No return shall be required for real property the ownership of which is reflected in instruments recorded in the public records of the county in which the property is located, unless otherwise required in this title. In order for land to be considered for agricultural classification under s. 193.461 or high-water recharge classification under s. 193.625, an application for classification must be filed on or before March 1 of each year with the property appraiser of the county in which the land is located, except as provided in s. 193.461(3)(a). The application must state that the lands on January 1 of that year were used primarily for bona fide commercial agricultural or high-water recharge purposes.

(3) A return for the above types of property shall be filed in each county which is the situs of such property, as set out under s. 192.032.

(4) All returns shall be completed by the taxpayer in such a way as to correctly reflect the owner’s estimate of the value of property owned or otherwise taxable to him or her and covered by such return. All forms used for returns shall be prescribed by the department and delivered to the property appraisers for distribution to the taxpayers.

(5) Property appraisers may distribute returns in whatever way they feel most appropriate. However, as a minimum requirement, the property appraiser shall requisition, and the department shall distribute, forms in a timely manner so that each property appraiser can and shall make them available in his or her office no later than the first working day of the calendar year.

(6) The department shall promulgate the necessary regulations to ensure that all railroad and utility property is properly returned in the appropriate county. However, the evaluating or assessing of utility property in each county shall be the duty of the property appraiser.

(7) A property appraiser may accept a tangible personal property tax return in a form initiated through an electronic data interchange. The department shall prescribe by rule the format and instructions necessary for such filing to ensure that all property is properly listed. The acceptable method of transfer, the method, form, and content of the electronic data interchange, the method by which the taxpayer will be provided with an acknowledgment, and the duties of the property appraiser with respect to such filing shall be prescribed by the department. The department’s rules shall provide: a uniform format for all counties; that the format shall resemble form DR-405 as closely as

possible; and that adequate safeguards for verification of taxpayers' identities are established to avoid filing by unauthorized persons.

A request for extension must be made in time for the property appraiser to consider the request and act on it before the regular due date of the return.  - (c) For property unlisted on the return—15 percent of the tax attributable to the omitted property.
 - (d) For incomplete returns by railroad and railroad terminal companies and private car and freight line and equipment companies—2 percent of the assessed value, not to exceed 10 percent thereof, shall be added to the values apportioned to the counties for each month or fraction thereof in which the return is incomplete; however, the return shall not be deemed incomplete until 15 days after notice of incompleteness is provided to the taxpayer.

¹193.085 Listing all property.—

- (1) The property appraiser shall ensure that all real property within his or her county is listed and valued on the real property assessment roll. Streets, roads, and highways which have been dedicated to or otherwise acquired by a municipality, county, or state agency need not, but may, be listed.
- (2) The department shall promulgate such regulations and shall make available maps and mapping materials as it deems necessary to ensure that all real property within the state is listed and valued on the real property assessment rolls of the respective counties. In addition, individual property appraisers may use such other maps and materials as they deem expedient to accomplish the purpose of this section.
- (3)(a) All forms of local government, special taxing districts, multicounty districts, and municipalities shall provide written annual notification to the several property appraisers of any and all real property owned by any of them so that ownership of all such property will be properly listed.
- (b) Whenever real property is listed on the real property assessment rolls of the respective counties in the name of the State of Florida or any of its agencies, the listing shall not be changed in the absence of a recorded deed executed by the State of Florida or the state agency in whose name the property is listed. If, in preparing the assessment rolls, the several property appraisers within the state become aware of the existence of a recorded deed not executed by the state and purporting to convey real property listed on the assessment rolls as state-owned, the property appraiser shall immediately forward a copy of the recorded deed to the state agency in whose name the property is listed.
- (4) The department shall promulgate such rules as are necessary to ensure that all railroad property of all types is properly listed in the appropriate county and shall submit the county railroad property assessments to the respective county property appraisers not later than June 1 in each year. However, in those counties in which railroad assessments are not completed by the department by June 1, for millage certification purposes, the property appraiser may utilize the prior year's values for such property.
- (a) All railroad and railroad terminal companies maintaining tracks or other fixed assets in the state and subject to assessment under the unit-rule method of valuation shall make an annual return to the Department of Revenue. Such returns shall be filed on or before April 1 and shall be subject to the penalties provided in s. 193.072. The department shall make an annual assessment of all operating property of every description owned by or leased to such companies. Such assessment shall be apportioned to each county, based upon actual situs and, in the case of property not having situs in a particular county, shall be apportioned based upon track miles. Operating property shall include all property owned or leased to such company, including right-of-way presently in use by the company, track, switches, bridges, rolling stock, and other property directly related to the operation of the railroad. Nonoperating property shall include

that portion of office buildings not used for operating purposes, property owned but not directly used for the operation of the railroad, and any other property that is not used for operating purposes. The department shall promulgate rules necessary to ensure that all operating property is properly valued, apportioned, and returned to the appropriate county, including rules governing the form and content of returns. The evaluation and assessment of utility property shall be the duty of the property appraiser.

(b)1. All private car and freight line and equipment companies operating rolling stock in Florida shall make an annual return to the Department of Revenue. The department shall make an annual determination of the average number of cars habitually present in Florida for each company and shall assess the just value thereof.

2. The department shall promulgate rules respecting the methods of determining the average number of cars habitually present in Florida, the form and content of returns, and such other rules as are necessary to ensure that the property of such companies is properly returned, valued, and apportioned to the state.

3. For purposes of this paragraph, "operating rolling stock in Florida" means having ownership of rolling stock which enters Florida.

4. The department shall apportion the assessed value of such property to the local taxing jurisdiction based upon the number of track miles and the location of mainline track of the respective railroads over which the rolling stock has been operated in the preceding year in each taxing jurisdiction. The situs for taxation of such property shall be according to the apportionment.

(c) The values determined by the department pursuant to this subsection shall be certified to the property appraisers when such values have been finalized by the department. Prior to finalizing the values to be certified to the property appraisers, the department shall provide an affected taxpayer a notice of a proposed assessment and an opportunity for informal conference before the executive director's designee. A property appraiser shall certify to the tax collector for collection the value as certified by the Department of Revenue.

(d) Returns and information from returns required to be made pursuant to this subsection may be shared pursuant to any formal agreement for the mutual exchange of information with another state.

(e) In any action challenging final assessed values certified by the department under this subsection, venue is in Leon County.

(5)(a) Beginning in the year in which a notice of new, rebuilt, or expanded property is accepted and certified pursuant to s. 193.077 and for the 4 years immediately thereafter, the property appraiser shall separately assess the prior existing property and the expansion-related or rebuilt property, if any, of each business having submitted said notice pursuant to s. 220.182(4). The listing of expansion-related or rebuilt property on an assessment roll shall immediately follow the listing of prior existing property for each expanded business. However, beginning with the first assessment roll following receipt of a notice from the department that a business has been disallowed an enterprise zone property tax credit, the property appraiser shall singly list the property of such business.

(b) This subsection expires on the date specified in s. 290.016 for the expiration of the Florida Enterprise Zone Act.

193.092 Assessment of property for back taxes. —

(1) When it shall appear that any ad valorem tax might have been lawfully assessed or collected upon any property in the state, but that such tax was not lawfully assessed or levied, and has not been collected for any year within a period of 3 years next preceding the year in which it is ascertained that such tax has not been assessed, or levied, or collected, then the officers authorized shall make the assessment of taxes upon such property in addition to

the assessment of such property for the current year, and shall assess the same separately for such property as may have escaped taxation at and upon the basis of valuation applied to such property for the year or years in which it escaped taxation, noting distinctly the year when such property escaped taxation and such assessment shall have the same force and effect as it would have had if it had been made in the year in which the property shall have escaped taxation, and taxes shall be levied and collected thereon in like manner and together with taxes for the current year in which the assessment is made. But no property shall be assessed for more than 3 years' arrears of taxation, and all property so escaping taxation shall be subject to such taxation to be assessed in whomsoever's hands or possession the same may be found, except that property acquired by a bona fide purchaser who was without knowledge of the escaped taxation shall not be subject to assessment for taxes for any time prior to the time of such purchase, but it is the duty of the property appraiser making such assessment to serve upon the previous owner a notice of intent to record in the public records of the county a notice of tax lien against any property owned by that person in the county. Any property owned by such previous owner which is situated in this state is subject to the lien of such assessment in the same manner as a recorded judgment. Before any such lien may be recorded, the owner so notified must be given 30 days to pay the taxes, penalties, and interest. Once recorded, such lien may be recorded in any county in this state and shall constitute a lien on any property of such person in such county in the same manner as a recorded judgment, and may be enforced by the tax collector using all remedies pertaining to same; provided, that the county property appraiser shall not assess any lot or parcel of land certified or sold to the state for any previous years unless such lot or parcel of lands so certified or sold shall be included in the list furnished by the Chief Financial Officer to the county property appraiser as provided by law; provided, if real or personal property be assessed for taxes, and because of litigation delay ensues and the assessment be held invalid the taxing authorities, may reassess such property within the time herein provided after the termination of such litigation; provided further, that personal property acquired in good faith by purchase shall not be subject to assessment for taxes for any time prior to the time of such purchase, but the individual or corporation liable for any such assessment shall continue personally liable for same. As used in this subsection, the term "bona fide purchaser" means a purchaser for value, in good faith, before certification of such assessment of back taxes to the tax collector for collection.

(2) This section applies to property of every class and kind upon which ad valorem tax is assessable by any state or county authority under the laws of the state.

(3) Notwithstanding subsection (2), the provisions of this section requiring the retroactive assessment and collection of ad valorem taxes shall not apply if:

(a) The owner of a building, structure, or other improvement to land that has not been previously assessed complied with all necessary permitting requirements when the improvement was completed; or

(b) The owner of real property that has not been previously assessed voluntarily discloses to the property appraiser the existence of such property before January 1 of the year the property is first assessed. The disclosure must be made on a form provided by the property appraiser.

193.102 Lands subject to tax sale certificates; assessments; taxes not extended.—

(1) All lands against which the state holds any tax sale certificate or other lien for delinquent taxes assessed for the year 1940 or prior years shall be assessed for the year 1941 and subsequent years in like manner and to the same effect as if no taxes against such lands were delinquent. Should the taxes on such lands not be paid as required by law, such lands shall be sold or the title thereto shall become vested in the county, in like manner and to the same effect as other lands upon which taxes are delinquent are sold or the title to which becomes vested in the county under this law. Such lands upon which tax certificates have been issued to this state, when sold by the county for delinquent taxes, may be redeemed in the manner prescribed by this law; provided, that all tax certificates held by the state on such lands shall be redeemed at the same time, and the clerk of the circuit court shall disburse the money as provided by law. After the

title to any such lands against which the state holds tax certificates becomes vested in the county as provided by this law, the county may sell such lands in the same manner as provided in s. 197.592, and the clerk of the circuit court shall distribute the proceeds from the sale of such lands by the board of county commissioners in proportion to the interest of the state, the several taxing units, and the funds of such units, as may be calculated by the clerk.

(2) The property appraisers, in making up their assessment rolls, shall place thereon the lands upon which taxes have been sold to the county, enter their valuation of the same on the roll, and extend the taxes upon such lands.

“(1) The executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of implementing this act.

“(2) Notwithstanding any other provision of law, such emergency rules shall remain in effect for 18 months after the date of adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.”

Note.— Consolidation of provisions of former ss. 193.041, 193.051, 193.061, 193.071, 193.113, 193.131, 193.251, 193.261, 193.361-193.381, 193.392.

193.1142 Approval of assessment rolls.—

¹(1)(a) Each assessment roll shall be submitted to the executive director of the Department of Revenue for review in the manner and form prescribed by the executive director on or before July 1. The department shall require the assessment roll submitted under this section to include the social security numbers required under s. 196.011. The roll submitted to the executive director need not include centrally assessed properties prior to approval under this subsection and subsection (2). Such review by the executive director shall be made to determine if the rolls meet all the appropriate requirements of law relating to form and just value. Upon approval of the rolls by the executive director, who, as used in this section includes his or her designee, the hearings required in s. 194.032 may be held.

(b) In addition to the other requirements of this chapter, the executive director is authorized to require that additional data be provided on the assessment roll submitted under this section and subsequent submissions of the tax roll. The executive director is authorized to notify property appraisers by April 1 of each year of the form and content of the assessment roll to be submitted on July 1.

(c) The roll shall be submitted in the compatible electronic format specified by the executive director. This format includes comma delimited, or other character delimited, flat file. Any property appraiser subject to hardship because of the specified format may provide written notice to the executive director by May 1 explaining the hardship and may be allowed to provide the roll in an alternative format at the executive director's discretion. If the tax roll submitted pursuant to this section is in an incompatible format or if its data field integrity is lacking in any respect, such failure shall operate as an automatic extension of time to submit the roll. Additional parcel-level data that may be required by the executive director include, but are not limited to codes, fields, and data pertaining to:

1. The elements set forth in s. 193.114; and

2. Property characteristics, including location and other legal, physical, and economic characteristics regarding the property, including, but not limited to, parcel-level geographical information system information.

(2)(a) The executive director or his or her designee shall disapprove all or part of any assessment roll of any county not in full compliance with the administrative order of the executive director issued pursuant to the notice called for in s. 195.097 and shall otherwise disapprove all or any part of any roll not assessed in substantial compliance with law, as disclosed during the investigation by the department, including, but not limited to, audits by the Department of Revenue and Auditor General establishing noncompliance.

(b) If an assessment roll is disapproved under paragraph (a) and the reason for the disapproval is noncompliance due to material mistakes of fact relating to physical characteristics of property, the executive director or his or her designee may issue an administrative order as provided in s. 195.097. In such event, the millage adoption process, extension of tax rolls, and tax collection shall proceed and the interim roll procedures of s. 193.1145 shall not be invoked.

(c) For purposes of this subsection, "material mistakes of fact" means any and all mistakes of fact relating to physical characteristics of property that, if included in the assessment of property, would result in a deviation or change in assessed value of the parcel of property.

(3) An assessment roll shall be deemed to be approved if the department has not taken action to disapprove it within 50 days of a complete submission of the rolls by the property appraiser, except as provided in subsection (4). A submission shall be deemed complete if it meets all applicable provisions of law as to form and content; includes, or is accompanied by, all information which was lawfully requested by the department prior to the initial submission date; and is not an interim roll. The department shall notify the property appraiser of an incomplete submission not later than 10 days after receipt thereof.

(4) The department is authorized to issue a review notice to a county property appraiser within 30 days of a complete submission of the assessment rolls of that county. Such review notice shall be in writing; shall set forth with specificity all reasons relied on by the department as a basis for issuing the review notice; shall specify all supporting data, surveys, and statistical compilations for review; and shall set forth with particularity remedial steps which the department requires the property appraiser to take in order to obtain approval of the tax roll. In the event that such notice is issued:

(a) The time period of 50 days specified in subsection (3) shall be 60 days after the issuance of the notice.

(b) The notice required pursuant to s. 200.069 shall not be issued prior to approval of an assessment roll for the county or prior to institution of interim roll procedures under s. 193.1145.

(5) Whenever an assessment roll submitted to the department is returned to the property appraiser for additional evaluation, a review notice shall be issued for the express purpose of the adjustment provided in s. 200.065(11).

(6) In no event shall a formal determination by the department pursuant to this section be made later than 90 days after the first complete submission of the rolls by the county property appraiser.

(7) Approval or disapproval of all or any part of a roll shall not be deemed to be final until the procedures instituted under s. 195.092 have been exhausted.

(8) Chapter 120 does not apply to this section.

¹**Note.**—Section 13, ch. 2008-173, provides that:

"(1) The executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of implementing this act.

"(2) Notwithstanding any other provision of law, such emergency rules shall remain in effect for 18 months after the date of adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules."

193.1145 Interim assessment rolls.—

(1) It is the intent of the Legislature that no undue restraint shall be placed on the ability of local government to finance its activities in a timely and orderly fashion, and, further, that just and uniform valuations for all parcels shall not be frustrated if the attainment of such valuations necessitates delaying a final determination of assessments beyond the normal 12-month period. Toward these ends, the Legislature hereby provides a method for levying and collecting ad valorem taxes which may be used if:

(a) The property appraiser has been granted an extension of time for completion of the assessment of all property pursuant to s. 193.023(1) beyond September 1 or has not certified value pursuant to s. 200.065(1) by August 1; or

(b) All or part of the assessment roll of a county is disapproved pursuant to s. 193.1142;

provided a local taxing authority brings a civil action in the circuit court for the county in which relief is sought and the court finds that there will be a substantial delay in the final determination of assessments, which delay will substantially impair the ability of the authority to finance its activities. Such action may be filed on or after July 1. Upon such a determination, the court may order the use of the last approved roll, adjusted to the extent practicable to reflect additions, deletions, and changes in ownership, parcel configuration, and exempt status, as the interim roll when the action was filed under paragraph (a), or may order the use of the current roll as the interim roll when the action was filed under paragraph (b). When the action was filed under paragraph (a), certification of value pursuant to s. 200.065(1) shall be made immediately following such determination by the court. When the action was filed under paragraph (b), the procedures required under s. 200.065 shall continue based on the original certification of value. However, if the property appraiser recommends that interim roll procedures be instituted and the governing body of the county does not object and if conditions of paragraph (a) or paragraph (b) apply, such civil action shall not be required. The property appraiser shall notify the department and each taxing authority within his or her jurisdiction prior to instituting interim roll procedures without a court order.

(2) The taxing authority shall, in its name as plaintiff, initiate action for relief under this section by filing an "Application for Implementation of an Interim Assessment Roll" in the circuit court. The property appraiser and the executive director of the Department of Revenue shall be named as the defendants when the action is filed. The court shall set an immediate hearing and give the case priority over other pending cases. When the disapproval of all or any part of the assessment roll is contested, the court shall sever this issue from the proceeding and transfer it to the Circuit Court in and for Leon County for a determination.

(3)(a) If the court so finds as provided in subsection (1), the property appraiser shall prepare and extend taxes against the interim assessment roll. The extension of taxes shall occur within 60 days of disapproval of all or part of the assessment roll, or by November 15, in the event that the assessment roll has not been submitted to the department pursuant to s. 193.1142; however, in no event shall taxes be extended before the hearing and notice procedures required in s. 200.065 have been completed.

(b) Upon authorization to use an interim assessment roll, the property appraiser shall so advise the taxing units within his or her jurisdiction. The millage rates adopted at the hearings held pursuant to s. 200.065(2)(d) shall be considered provisional millage rates and shall apply only to valuations shown on the interim assessment roll. Such taxing units shall certify such rates to the property appraiser.

(4) All provisions of law applicable to millage rates and limitations thereon shall apply to provisional millage rates, except as otherwise provided in this section.

(5) Upon extension, the property appraiser shall certify the interim assessment roll to the tax collector and shall notify the tax collector and the clerk of the circuit court that such roll is provisional and that ultimate tax liability on the property is subject to a final determination. The tax collector and the clerk of the circuit court shall be responsible for posting notices to this effect in conspicuous places within their respective offices. The property appraiser shall ensure that such notice appears conspicuously on the printed interim roll.

(6) The tax collector shall prepare and mail provisional tax bills to the taxpayers based upon interim assessments and provisional millage rates, which bills shall be subject to all provisions of law applicable to the collection and distribution of ad valorem taxes, except as otherwise provided in this section. These bills shall be clearly marked

“PROVISIONAL—THIS IS NOT A FINAL TAX BILL”; shall be accompanied by an explanation of the possibility of a supplemental tax bill or refund based upon the tax roll as finally approved, pursuant to subsection (7); and shall further explain that the total amount of taxes collected by each taxing unit shall not be increased when the roll is finally approved.

(7) Upon approval of the assessment roll by the executive director, and after certification of the assessment roll by the value adjustment board pursuant to s. 193.122(2), the property appraiser shall, subject to the provisions of subsection (11), recompute each provisional millage rate of the taxing units within his or her jurisdiction, so that the total taxes levied when each recomputed rate is applied against the approved roll are equal to those of the corresponding provisional rate applied against the interim roll. Each recomputed rate shall be considered the official millage levy of the taxing unit for the tax year in question. The property appraiser shall notify each taxing unit as to the value of the recomputed or official millage rate.

(8)(a) Upon recomputation, the property appraiser shall extend taxes against the approved roll and shall prepare a reconciliation between the interim and approved assessment rolls. For each parcel, the reconciliation shall show provisional taxes levied, final taxes levied, and the difference thereof.

(b) The property appraiser shall certify such reconciliation to the tax collector, unless otherwise authorized pursuant to paragraph (d), which reconciliation shall contain sufficient information for the preparation of supplemental bills or refunds.

(c) Upon receipt of such reconciliation, the tax collector shall prepare and mail to the taxpayers either supplemental bills, due and collectible in the same manner as bills issued pursuant to chapter 197, or refunds in the form of county warrants. However, no bill shall be issued or considered due and owing, and no refund shall be authorized, if the amount thereof is less than \$10. Approval by the Department of Revenue shall not be required for refunds made pursuant to this section.

(d) However, the court, upon a determination that the amount to be supplementally billed and refunded is insufficient to warrant a separate billing or that the length of time until the next regular issuance of ad valorem tax bills is similarly insufficient, may authorize the tax collector to withhold issuance of supplemental bills and refunds until issuance of the next year's tax bills. At that time, the amount due or the refund amount shall be added to or subtracted from the amount of current taxes due on each parcel, provided that the current tax and the prior year's tax or refund shall be shown separately on the bill. Alternatively, at the option of the tax collector, separate bills and statements of refund may be issued.

(e) Any tax bill showing supplemental taxes due or a refund due, or any warrant issued as a refund, shall be accompanied by an explanatory notice in substantially the following form:

NOTICE OF SUPPLEMENTAL BILL
OR REFUND
OF PROPERTY TAXES

Property taxes for (year) were based upon a temporary assessment roll, to allow time for a more accurate determination of property values. Reassessment work has now been completed and final tax liability for (year) has been recomputed for each taxpayer. BY LAW, THE REASSESSMENT OF PROPERTY AND RECOMPUTATION OF TAXES WILL NOT INCREASE THE TOTAL AMOUNT OF TAXES COLLECTED BY EACH LOCAL GOVERNMENT. However, if your property was relatively underassessed on the temporary roll, you owe additional taxes. If your property was relatively overassessed, you will receive a partial refund of taxes. If you have questions concerning this matter, please contact your county tax collector's office.

(9) Any person objecting to an interim assessment placed on any property taxable to him or her may request an informal conference with the property appraiser, pursuant to s. 194.011(2), or may seek judicial review of the interim property assessment. However, petitions to the value adjustment board shall not be filed or heard with respect to interim assessments. All provisions of law applicable to objections to assessments shall apply to the final approved

assessment roll. The department shall adopt by rule procedures for notifying taxpayers of their final approved assessments and of the time period for filing petitions.

(10)(a) Delinquent provisional taxes on real property shall not be subject to the delinquent tax provisions of chapter 197 until such time as the assessment roll is reconciled, supplemental bills are issued, and taxes on the property remain delinquent. However, delinquent provisional taxes on real property shall accrue interest at an annual rate of 12 percent, computed in accordance with s. 197.172. Interest accrued on provisional taxes shall be added to the taxes, interest, costs, and charges due with respect to final taxes levied. When interest begins to accrue on delinquent provisional taxes, the property owner shall be given notice by first-class mail.

(b) Delinquent provisional taxes on personal property shall be subject to all applicable provisions of chapter 197.

(11) A recomputation of millage rates under this section shall not reduce or increase the total of all revenues available from state or local sources to a school district or to a unit of local government as defined in part II of chapter 218. Notwithstanding the provisions of subsection (7), the provisional millage rates levied by a multicounty taxing authority against an interim roll shall not be recomputed, but shall be considered the official or final tax rate for the year in question; and the interim roll shall be considered the final roll for each such taxing authority. Notwithstanding the provisions of subsection (7), millage rates adopted by vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution shall not be recomputed.

(12) The property appraiser shall follow a reasonable and expeditious timetable in completing a roll in compliance with the requirements of law. In the event of noncompliance, the executive director may seek any judicial or administrative remedy available to him or her under law to secure such compliance.

(13) For the purpose of this section, the terms “roll,” “assessment roll,” and “interim assessment roll” mean the rolls for real, personal, and centrally assessed property.

(14) Chapter 120 shall not apply to this section.

193.1147 Performance review panel.— If there occurs within any 4-year period the final disapproval of all or any part of a county roll pursuant to s. 193.1142 for 2 separate years, the Governor shall appoint a three-member performance review panel. The panel shall investigate the circumstances surrounding such disapprovals and the general performance of the property appraiser. If the panel finds unsatisfactory performance, the property appraiser shall be ineligible for the designation and special qualification salary provided in s. 145.10(2). Within not less than 12 months, the property appraiser may requalify therefor, provided he or she successfully reCompletes the courses and examinations applicable to new candidates.

193.116 Municipal assessment rolls.—

(1) The county property appraiser shall prepare an assessment roll for every municipality in the county. The value adjustment board shall give notice to the chief executive officer of each municipality whenever an appeal has been taken with respect to property located within that municipality. Representatives of that municipality shall be given an opportunity to be heard at such hearing. The property appraiser shall deliver each assessment roll to the appropriate municipality in the same manner as assessment rolls are delivered to the county commissions. The governing body of the municipality shall have 30 days to certify all millages to the county property appraiser. The county property appraiser shall extend the millage against the municipal assessment roll. The property appraiser shall certify the municipal tax roll to the county tax collector for collection in the same manner as the county tax roll is certified for collection. The property appraiser shall deliver to each municipality a copy of the municipal tax roll.

(2) The county tax collector shall collect all ad valorem taxes for municipalities within the county. He or she shall collect municipal taxes in the same manner as county taxes.

193.122 Certificates of value adjustment board and property appraiser; extensions on the assessment rolls. —

(1) The value adjustment board shall certify each assessment roll upon order of the board of county commissioners pursuant to s. 197.323, if applicable, and again after all hearings required by s. 194.032 have been held. These certificates shall be attached to each roll as required by the Department of Revenue.

(2) After the first certification of the tax rolls by the value adjustment board, the property appraiser shall make all required extensions on the rolls to show the tax attributable to all taxable property. Upon completion of these extensions, and upon satisfying himself or herself that all property is properly taxed, the property appraiser shall certify the tax rolls and shall within 1 week thereafter publish notice of the date and fact of extension and certification in a periodical meeting the requirements of s. 50.011 and publicly display a notice of the date of certification in the office of the property appraiser. The property appraiser shall also supply notice of the date of the certification to any taxpayer who requests one in writing. These certificates and notices shall be made in the form required by the department and shall be attached to each roll as required by the department by regulation.

(3) When the tax rolls have been extended pursuant to s. 197.323, the second certification of the value adjustment board shall reflect all changes made by the board together with any adjustments or changes made by the property appraiser. Upon such certification, the property appraiser shall recertify the tax rolls with all changes to the collector and shall provide public notice of the date and fact of recertification pursuant to subsection (2).

(4) An appeal of a value adjustment board decision pursuant to s. 194.036(1)(a) or (b) by the property appraiser shall be filed prior to extension of the tax roll under subsection (2) or, if the roll was extended pursuant to s. 197.323, within 30 days of recertification under subsection (3). The roll may be certified by the property appraiser prior to an appeal being filed pursuant to s. 194.036(1)(c), but such appeal shall be filed within 20 days after receipt of the decision of the department relative to further judicial proceedings.

(5) The department shall promulgate regulations to ensure that copies of the tax rolls are distributed to the appropriate officials and maintained as part of their records for as long as is necessary to provide for the orderly collection of taxes. Such regulations shall also provide for the maintenance of the necessary permanent copies of such rolls.

(6) The property appraiser may extend millage as required in subsection (2) against the assessment roll and certify it to the tax collector even though there are parcels subject to judicial or administrative review pursuant to s. 194.036(1). Such parcels shall be certified and have taxes extended against them in accordance with the decisions of the value adjustment board or the property appraiser's valuation if the roll has been extended pursuant to s. 197.323, except that payment of such taxes by the taxpayer shall not preclude the taxpayer from being required to pay additional taxes in accordance with final judicial determination of an appeal filed pursuant to s. 194.036(1).

(7) Each assessment roll shall be submitted to the executive director of the department in the manner and form prescribed by the department within 1 week after extension and certification to the tax collector and again after recertification to the tax collector, if applicable. When the provisions of s. 193.1145 are exercised, the requirements of this subsection shall apply upon extension pursuant to s. 193.1145(3)(a) and again upon reconciliation pursuant to s. 193.1145(8)(a).

193.132 Prior assessments validated.—Every assessment of taxes heretofore made on property of any kind, when such assessment has been actually made in the name of the true owner, is hereby validated. No tax assessment or tax levy made upon any such property shall be held invalid by reason of or because of the subsequent amendment in the law.

193.133 Effect of mortgage fraud on property assessments. —

(1) Upon the finding of probable cause of any person for the crime of mortgage fraud, as defined in s. 817.545, or any other fraud involving real property that may have artificially inflated or could artificially inflate the value of property affected by such fraud, the arresting agency shall promptly notify the property appraiser of the county in which such property or properties are located of the nature of the alleged fraud and the property or properties affected. If notification as required in this section would jeopardize or negatively impact a continuing investigation, notification may be delayed until such time as notice may be made without such effect.

(2) The property appraiser may adjust the assessment of any affected real property.

(3) Upon a conviction of fraud as defined in subsection (1), the property appraiser of the county in which such property or properties are located shall, if necessary, reassess such property or properties affected by such fraud.

History.—s. 1, ch. 2008-80.

¹**193.155 Homestead assessments.**—Homestead property shall be assessed at just value as of January 1, 1994. Property receiving the homestead exemption after January 1, 1994, shall be assessed at just value as of January 1 of the year in which the property receives the exemption unless the provisions of subsection (8) apply.

(1) Beginning in 1995, or the year following the year the property receives homestead exemption, whichever is later, the property shall be reassessed annually on January 1. Any change resulting from such reassessment shall not exceed the lower of the following:

(a) Three percent of the assessed value of the property for the prior year; or

(b) The percentage change in the Consumer Price Index for All Urban Consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) If the assessed value of the property as calculated under subsection (1) exceeds the just value, the assessed value of the property shall be lowered to the just value of the property.

(3)(a) Except as provided in this subsection or subsection (8), property assessed under this section shall be assessed at just value as of January 1 of the year following a change of ownership. Thereafter, the annual changes in the assessed value of the property are subject to the limitations in subsections (1) and (2). For the purpose of this section, a change of ownership means any sale, foreclosure, or transfer of legal title or beneficial title in equity to any person, except as provided in this subsection. There is no change of ownership if:

1. Subsequent to the change or transfer, the same person is entitled to the homestead exemption as was previously entitled and:

a. The transfer of title is to correct an error;

b. The transfer is between legal and equitable title or equitable and equitable title and no additional person applies for a homestead exemption on the property; or

c. The change or transfer is by means of an instrument in which the owner is listed as both grantor and grantee of the real property and one or more other individuals are additionally named as grantee. However, if any individual who is additionally named as a grantee applies for a homestead exemption on the property, the application shall be considered a change of ownership;

2. Legal or equitable title is changed or transferred between husband and wife, including a change or transfer to a surviving spouse or a transfer due to a dissolution of marriage;

3. The transfer occurs by operation of law to the surviving spouse or minor child or children under s. 732.401; or

4. Upon the death of the owner, the transfer is between the owner and another who is a permanent resident and is legally or naturally dependent upon the owner.

(b) For purposes of this subsection, a leasehold interest that qualifies for the homestead exemption under s. 196.031 or s. 196.041 shall be treated as an equitable interest in the property.

(4)(a) Except as provided in paragraph (b), changes, additions, or improvements to homestead property shall be assessed at just value as of the first January 1 after the changes, additions, or improvements are substantially completed.

(b) Changes, additions, or improvements that replace all or a portion of homestead property damaged or destroyed by misfortune or calamity shall not increase the homestead property's assessed value when the square footage of the homestead property as changed or improved does not exceed 110 percent of the square footage of the homestead property before the damage or destruction. Additionally, the homestead property's assessed value shall not increase if the total square footage of the homestead property as changed or improved does not exceed 1,500 square feet. Changes, additions, or improvements that do not cause the total to exceed 110 percent of the total square footage of the homestead property before the damage or destruction or that do not cause the total to exceed 1,500 total square feet shall be reassessed as provided under subsection (1). The homestead property's assessed value shall be increased by the just value of that portion of the changed or improved homestead property which is in excess of 110 percent of the square footage of the homestead property before the damage or destruction or of that portion exceeding 1,500 square feet. Homestead property damaged or destroyed by misfortune or calamity which, after being changed or improved, has a square footage of less than 100 percent of the homestead property's total square footage before the damage or destruction shall be assessed pursuant to subsection (5). This paragraph applies to changes, additions, or improvements commenced within 3 years after the January 1 following the damage or destruction of the homestead.

(c) Changes, additions, or improvements that replace all or a portion of real property that was damaged or destroyed by misfortune or calamity shall be assessed upon substantial completion as if such damage or destruction had not occurred and in accordance with paragraph (b) if the owner of such property:

1. Was permanently residing on such property when the damage or destruction occurred;
2. Was not entitled to receive homestead exemption on such property as of January 1 of that year; and
3. Applies for and receives homestead exemption on such property the following year.

(d) Changes, additions, or improvements include improvements made to common areas or other improvements made to property other than to the homestead property by the owner or by an owner association, which improvements directly benefit the homestead property. Such changes, additions, or improvements shall be assessed at just value, and the just value shall be apportioned among the parcels benefiting from the improvement.

(5) When property is destroyed or removed and not replaced, the assessed value of the parcel shall be reduced by the assessed value attributable to the destroyed or removed property.

(6) Only property that receives a homestead exemption is subject to this section. No portion of property that is assessed solely on the basis of character or use pursuant to s. 193.461 or s. 193.501, or assessed pursuant to s. 193.505, is subject to this section. When property is assessed under s. 193.461, s. 193.501, or s. 193.505 and contains a residence under the same ownership, the portion of the property consisting of the residence and curtilage must be assessed separately, pursuant to s. 193.011, for the assessment to be subject to the limitation in this section.

(7) If a person received a homestead exemption limited to that person's proportionate interest in real property, the provisions of this section apply only to that interest.

²(8) Property assessed under this section shall be assessed at less than just value when the person who establishes a new homestead has received a homestead exemption as of January 1 of either of the 2 immediately preceding years. A person who establishes a new homestead as of January 1, 2008, is entitled to have the new homestead assessed at less than just value only if that person received a homestead exemption on January 1, 2007, and only if this subsection applies retroactive to January 1, 2008. For purposes of this subsection, a husband and wife who owned and both permanently resided on a previous homestead shall each be considered to have received the homestead exemption even though only the husband or the wife applied for the homestead exemption on the previous homestead. The assessed value of the newly established homestead shall be determined as provided in this subsection.

(a) If the just value of the new homestead as of January 1 is greater than or equal to the just value of the immediate prior homestead as of January 1 of the year in which the immediate prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of \$500,000 or the difference between the just value and the assessed value of the immediate prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this section.

(b) If the just value of the new homestead as of January 1 is less than the just value of the immediate prior homestead as of January 1 of the year in which the immediate prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the immediate prior homestead and multiplied by the assessed value of the immediate prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this paragraph is greater than \$500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals \$500,000. Thereafter, the homestead shall be assessed as provided in this section.

(c) If two or more persons who have each received a homestead exemption as of January 1 of either of the 2 immediately preceding years and who would otherwise be eligible to have a new homestead property assessed under this subsection establish a single new homestead, the reduction from just value is limited to the higher of the difference between the just value and the assessed value of either of the prior eligible homesteads as of January 1 of the year in which either of the eligible prior homesteads was abandoned, but may not exceed \$500,000.

(d) If two or more persons abandon jointly owned and jointly titled property that received a homestead exemption as of January 1 of either of the 2 immediately preceding years, and one or more such persons who were entitled to and received a homestead exemption on the abandoned property establish a new homestead that would otherwise be eligible for assessment under this subsection, each such person establishing a new homestead is entitled to a reduction from just value for the new homestead equal to the just value of the prior homestead minus the assessed value of the prior homestead divided by the number of owners of the prior homestead who received a homestead exemption, unless the title of the property contains specific ownership shares, in which case the share of reduction from just value shall be proportionate to the ownership share. In calculating the assessment reduction to be transferred from a prior homestead that has an assessment reduction for living quarters of parents or grandparents pursuant to s. 193.703, the value calculated pursuant to s. 193.703(6) must first be added back to the assessed value of the prior homestead. The total reduction from just value for all new homesteads established under this paragraph may not exceed \$500,000. There shall be no reduction from just value of any new homestead unless the prior homestead is reassessed at just value or is reassessed under this subsection as of January 1 after the abandonment occurs.

(e) If one or more persons who previously owned a single homestead and each received the homestead exemption qualify for a new homestead where all persons who qualify for homestead exemption in the new homestead also qualified for homestead exemption in the previous homestead without an additional person qualifying for homestead exemption in the new homestead, the reduction in just value shall be calculated pursuant to paragraph (a) or paragraph (b), without application of paragraph (c) or paragraph (d).

(f) For purposes of receiving an assessment reduction pursuant to this subsection, a person entitled to assessment under this section may abandon his or her homestead even though it remains his or her primary residence by notifying the property appraiser of the county where the homestead is located. This notification must be in writing and delivered at the same time as or before timely filing a new application for homestead exemption on the property.

(g) In order to have his or her homestead property assessed under this subsection, a person must file a form provided by the department as an attachment to the application for homestead exemption. The form, which must include a sworn statement attesting to the applicant's entitlement to assessment under this subsection, shall be considered sufficient documentation for applying for assessment under this subsection. The department shall require by rule that the required form be submitted with the application for homestead exemption under the timeframes and processes set forth in chapter 196 to the extent practicable.

(h)1. If the previous homestead was located in a different county than the new homestead, the property appraiser in the county where the new homestead is located must transmit a copy of the completed form together with a completed application for homestead exemption to the property appraiser in the county where the previous homestead was located. If the previous homesteads of applicants for transfer were in more than one county, each applicant from a different county must submit a separate form.

2. The property appraiser in the county where the previous homestead was located must return information to the property appraiser in the county where the new homestead is located by April 1 or within 2 weeks after receipt of the completed application from that property appraiser, whichever is later. As part of the information returned, the property appraiser in the county where the previous homestead was located must provide sufficient information concerning the previous homestead to allow the property appraiser in the county where the new homestead is located to calculate the amount of the assessment limitation difference which may be transferred and must certify whether the previous homestead was abandoned and has been or will be reassessed at just value or reassessed according to the provisions of this subsection as of the January 1 following its abandonment.

3. Based on the information provided on the form from the property appraiser in the county where the previous homestead was located, the property appraiser in the county where the new homestead is located shall calculate the amount of the assessment limitation difference which may be transferred and apply the difference to the January 1 assessment of the new homestead.

4. All property appraisers having information-sharing agreements with the department are authorized to share confidential tax information with each other pursuant to s. 195.084, including social security numbers and linked information on the forms provided pursuant to this section.

5. The transfer of any limitation is not final until any values on the assessment roll on which the transfer is based are final. If such values are final after tax notice bills have been sent, the property appraiser shall make appropriate corrections and a corrected tax notice bill shall be sent. Any values that are under administrative or judicial review shall be noticed to the tribunal or court for accelerated hearing and resolution so that the intent of this subsection may be carried out.

6. If the property appraiser in the county where the previous homestead was located has not provided information sufficient to identify the previous homestead and the assessment limitation difference is transferable, the taxpayer may file an action in circuit court in that county seeking to establish that the property appraiser must provide such information.

7. If the information from the property appraiser in the county where the previous homestead was located is provided after the procedures in this section are exercised, the property appraiser in the county where the new homestead is located shall make appropriate corrections and a corrected tax notice and tax bill shall be sent.

8. This subsection does not authorize the consideration or adjustment of the just, assessed, or taxable value of the previous homestead property.

9. The property appraiser in the county where the new homestead is located shall promptly notify a taxpayer if the information received, or available, is insufficient to identify the previous homestead and the amount of the assessment limitation difference which is transferable. Such notification shall be sent on or before July 1 as specified in s. 196.151.

10. The taxpayer may correspond with the property appraiser in the county where the previous homestead was located to further seek to identify the homestead and the amount of the assessment limitation difference which is transferable.

11. If the property appraiser in the county where the previous homestead was located supplies sufficient information to the property appraiser in the county where the new homestead is located, such information shall be considered timely if provided in time for inclusion on the notice of proposed property taxes sent pursuant to ss. 194.011 and 200.065(1).

12. If the property appraiser has not received information sufficient to identify the previous homestead and the amount of the assessment limitation difference which is transferable before mailing the notice of proposed property taxes, the taxpayer may file a petition with the value adjustment board in the county where the new homestead is located.

(i) Any person who is qualified to have his or her property assessed under this subsection and who fails to file an application by March 1 may file an application for assessment under this subsection and may, pursuant to s. 194.011 (3), file a petition with the value adjustment board requesting that an assessment under this subsection be granted.

Such petition may be filed at any time during the taxable year on or before the 25th day following the mailing of the notice by the property appraiser as provided in s. 194.011(1). Notwithstanding s. 194.013, such person must pay a nonrefundable fee of \$15 upon filing the petition. Upon reviewing the petition, if the person is qualified to receive the assessment under this subsection and demonstrates particular extenuating circumstances judged by the property appraiser or the value adjustment board to warrant granting the assessment, the property appraiser or the value adjustment board may grant an assessment under this subsection. For the 2008 assessments, all petitioners for assessment under this subsection shall be considered to have demonstrated particular extenuating circumstances.

(j) Any person who is qualified to have his or her property assessed under this subsection and who fails to timely file an application for his or her new homestead in the first year following eligibility may file in a subsequent year. The assessment reduction shall be applied to assessed value in the year the transfer is first approved, and refunds of tax may not be made for previous years.

(k) The property appraisers of the state shall, as soon as practicable after March 1 of each year and on or before July 1 of that year, carefully consider all applications for assessment under this subsection which have been filed in their respective offices on or before March 1 of that year. If, upon investigation, the property appraiser finds that the applicant is entitled to assessment under this subsection, the property appraiser shall make such entries upon the tax rolls of the county as are necessary to allow the assessment. If, after due consideration, the property appraiser finds that the applicant is not entitled under the law to assessment under this subsection, the property appraiser shall immediately make out a notice of such disapproval, giving his or her reasons therefor, and a copy of the notice must be served upon the applicant by the property appraiser either by personal delivery or by registered mail to the post office address given by the applicant. The applicant may appeal the decision of the property appraiser refusing to allow the assessment under this subsection to the value adjustment board, and the board shall review the application and evidence presented to the property appraiser upon which the applicant based the claim and shall hear the applicant in person or by agent on behalf of his or her right to such assessment. Such appeal shall be heard by an attorney special magistrate if the value adjustment board uses special magistrates. The value adjustment board shall reverse the decision of the property appraiser in the cause and grant assessment under this subsection to the applicant if, in its judgment, the applicant is entitled to be granted the assessment or shall affirm the decision of the property appraiser. The action of the board is final in the cause unless the applicant, within 15 days following the date of refusal of the application by the board, files in the circuit court of the county in which the homestead is located a proceeding against the property appraiser for a declaratory judgment as is provided by chapter 86 or other appropriate proceeding. The failure of the taxpayer to appear before the property appraiser or value adjustment board or to file any paper other than the application as provided in this subsection does not constitute any bar to or defense in the proceedings.

(9) Erroneous assessments of homestead property assessed under this section may be corrected in the following manner:

(a) If errors are made in arriving at any assessment under this section due to a material mistake of fact concerning an essential characteristic of the property, the just value and assessed value must be recalculated for every such year, including the year in which the mistake occurred.

(b) If changes, additions, or improvements are not assessed at just value as of the first January 1 after they were substantially completed, the property appraiser shall determine the just value for such changes, additions, or improvements for the year they were substantially completed. Assessments for subsequent years shall be corrected, applying this section if applicable.

(c) If back taxes are due pursuant to s. 193.092, the corrections made pursuant to this subsection shall be used to calculate such back taxes.

(10) If the property appraiser determines that for any year or years within the prior 10 years a person who was not entitled to the homestead property assessment limitation granted under this section was granted the homestead property assessment limitation, the property appraiser making such determination shall record in the public records of the county a notice of tax lien against any property owned by that person in the county, and such property must be

identified in the notice of tax lien. Such property that is situated in this state is subject to the unpaid taxes, plus a penalty of 50 percent of the unpaid taxes for each year and 15 percent interest per annum. However, when a person entitled to exemption pursuant to s. 196.031 inadvertently receives the limitation pursuant to this section following a change of ownership, the assessment of such property must be corrected as provided in paragraph (9)(a), and the person need not pay the unpaid taxes, penalties, or interest.

193.1551 Assessment of certain homestead property damaged in 2004 named storms.—Notwithstanding the provisions of s. 193.155(4), the assessment at just value for changes, additions, or improvements to homestead property rendered uninhabitable in one or more of the named storms of 2004 shall be limited to the square footage exceeding 110 percent of the homestead property’s total square footage. Additionally, homes having square footage of 1,350 square feet or less which were rendered uninhabitable may rebuild up to 1,500 total square feet and the increase in square footage shall not be considered as a change, an addition, or an improvement that is subject to assessment at just value. The provisions of this section are limited to homestead properties in which repairs are commenced by January 1, 2008, and apply retroactively to January 1, 2005.

History.—s. 1, ch. 2005-268; s. 2, ch. 2007-106.

193.1552 Assessment of properties affected by imported or domestic drywall.—

(1) As used in this section, the term “imported or domestic drywall” means drywall that contains elevated levels of elemental sulfur that results in corrosion of certain metals.

(2) When a property appraiser determines that a single-family residential property is affected by imported or domestic drywall and needs remediation to bring that property up to current building standards, the property appraiser shall adjust the assessed value of that property by taking into consideration the presence of the imported or domestic drywall and the impact of such drywall on the assessed value. If the building cannot be used for its intended purpose without remediation or repair, the value of such building shall be assessed at the nominal just value of \$0.

(3) This section applies only to properties in which:

(a) Imported or domestic drywall was used in the construction of the property or an improvement to the property.
(b) The imported or domestic drywall has a significant negative impact on the just value of the property or improvement.

(c) The purchaser was unaware of the imported or domestic drywall at the time of purchase.

(4) This section does not apply to property owners who were aware of the presence of imported or domestic drywall at the time of purchase.

(5) Homestead property to which this section applies shall be considered damaged by misfortune or calamity under s. 193.155(4)(b), except that the 3-year deadline does not apply.

(6) Homestead property shall not be considered abandoned when a homeowner vacates such property for the purpose of remediation and repair under this section, provided the homeowner does not establish a new homestead.

(7) Upon the substantial completion of remediation and repairs, the property shall be assessed as if such imported or domestic drywall had not been present.

(8) This section is repealed July 1, 2017, unless reviewed and reenacted by the Legislature on or before that date.

History.—s. 1, ch. 2010-170.

¹193.1554 Assessment of nonhomestead residential property. —

(1) As used in this section, the term “nonhomestead residential property” means residential real property that contains nine or fewer dwelling units, including vacant property zoned and platted for residential use, and that does not receive the exemption under s. 196.031.

(2) For all levies other than school district levies, nonhomestead residential property shall be assessed at just value as of January 1, 2008. Property placed on the tax roll after January 1, 2008, shall be assessed at just value as of January 1 of the year in which the property is placed on the tax roll.

²(3) Beginning in 2009, or the year following the year the property is placed on the tax roll, whichever is later, the property shall be reassessed annually on January 1. Any change resulting from such reassessment may not exceed 10 percent of the assessed value of the property for the prior year.

(4) If the assessed value of the property as calculated under subsection (3) exceeds the just value, the assessed value of the property shall be lowered to the just value of the property.

(5) Except as provided in this subsection, property assessed under this section shall be assessed at just value as of January 1 of the year following a change of ownership or control. Thereafter, the annual changes in the assessed value of the property are subject to the limitations in subsections (3) and (4). For purpose of this section, a change of ownership or control means any sale, foreclosure, transfer of legal title or beneficial title in equity to any person, or the cumulative transfer of control or of more than 50 percent of the ownership of the legal entity that owned the property when it was most recently assessed at just value, except as provided in this subsection. There is no change of ownership if:

(a) The transfer of title is to correct an error.

(b) The transfer is between legal and equitable title.

(c) The transfer is between husband and wife, including a transfer to a surviving spouse or a transfer due to a dissolution of marriage.

(d) For a publicly traded company, the cumulative transfer of more than 50 percent of the ownership of the entity that owns the property occurs through the buying and selling of shares of the company on a public exchange. This exception does not apply to a transfer made through a merger with or an acquisition by another company, including an acquisition by acquiring outstanding shares of the company.

(6)(a) Except as provided in paragraph (b), changes, additions, or improvements to nonhomestead residential property shall be assessed at just value as of the first January 1 after the changes, additions, or improvements are substantially completed.

(b) Changes, additions, or improvements that replace all or a portion of nonhomestead residential property damaged or destroyed by misfortune or calamity shall not increase the property's assessed value when the square footage of the property as changed or improved does not exceed 110 percent of the square footage of the property before the damage or destruction. Additionally, the property's assessed value shall not increase if the total square footage of the property as changed or improved does not exceed 1,500 square feet. Changes, additions, or improvements that do not cause the total to exceed 110 percent of the total square footage of the property before the damage or destruction or that do not cause the total to exceed 1,500 total square feet shall be reassessed as provided under subsection (3). The property's assessed value shall be increased by the just value of that portion of the changed

or improved property which is in excess of 110 percent of the square footage of the property before the damage or destruction or of that portion exceeding 1,500 square feet. Property damaged or destroyed by misfortune or calamity which, after being changed or improved, has a square footage of less than 100 percent of the property's total square footage before the damage or destruction shall be assessed pursuant to subsection (8). This paragraph applies to changes, additions, or improvements commenced within 3 years after the January 1 following the damage or destruction of the property.

(c) Changes, additions, or improvements include improvements made to common areas or other improvements made to property other than to the nonhomestead residential property by the owner or by an owner association, which improvements directly benefit the property. Such changes, additions, or improvements shall be assessed at just value, and the just value shall be apportioned among the parcels benefiting from the improvement.

³(7) Any increase in the value of property assessed under this section which is attributable to combining or dividing parcels shall be assessed at just value, and the just value shall be apportioned among the parcels created.

(8) When property is destroyed or removed and not replaced, the assessed value of the parcel shall be reduced by the assessed value attributable to the destroyed or removed property.

(9) Erroneous assessments of nonhomestead residential property assessed under this section may be corrected in the following manner:

(a) If errors are made in arriving at any assessment under this section due to a material mistake of fact concerning an essential characteristic of the property, the just value and assessed value must be recalculated for every such year, including the year in which the mistake occurred.

(b) If changes, additions, or improvements are not assessed at just value as of the first January 1 after they were substantially completed, the property appraiser shall determine the just value for such changes, additions, or improvements for the year they were substantially completed. Assessments for subsequent years shall be corrected, applying this section if applicable.

(c) If back taxes are due pursuant to s. 193.092, the corrections made pursuant to this subsection shall be used to calculate such back taxes.

(10) If the property appraiser determines that for any year or years within the prior 10 years a person or entity who was not entitled to the property assessment limitation granted under this section was granted the property assessment limitation, the property appraiser making such determination shall record in the public records of the county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. Such property that is situated in this state is subject to the unpaid taxes, plus a penalty of 50 percent of the unpaid taxes for each year and 15 percent interest per annum.

¹**193.1555 Assessment of certain residential and nonresidential real property.**—

(1) As used in this section, the term:

(a) “Nonresidential real property” means real property that is not subject to the assessment limitations set forth in s. 4(a), (c), (d), or (g), Art. VII of the State Constitution.

(b) “Improvement” means an addition or change to land or buildings which increases their value and is more than a repair or a replacement.

(2) For all levies other than school district levies, nonresidential real property shall be assessed at just value as of January 1, 2008. Property placed on the tax roll after January 1, 2008, shall be assessed at just value as of January 1 of the year in which the property is placed on the tax roll.

²(3) Beginning in 2009, or the year following the year the property is placed on the tax roll, whichever is later, the property shall be reassessed annually on January 1. Any change resulting from such reassessment may not exceed 10 percent of the assessed value of the property for the prior year.

(4) If the assessed value of the property as calculated under subsection (3) exceeds the just value, the assessed value of the property shall be lowered to the just value of the property.

(5) Except as provided in this subsection, property assessed under this section shall be assessed at just value as of January 1 of the year following a qualifying improvement or change of ownership or control. Thereafter, the annual

changes in the assessed value of the property are subject to the limitations in subsections (3) and (4). For purpose of this section:

(a) A qualifying improvement means any substantially completed improvement that increases the just value of the property by at least 25 percent.

(b) A change of ownership or control means any sale, foreclosure, transfer of legal title or beneficial title in equity to any person, or the cumulative transfer of control or of more than 50 percent of the ownership of the legal entity that owned the property when it was most recently assessed at just value, except as provided in this subsection. There is no change of ownership if:

1. The transfer of title is to correct an error.
2. The transfer is between legal and equitable title.
3. For a publicly traded company, the cumulative transfer of more than 50 percent of the ownership of the entity that owns the property occurs through the buying and selling of shares of the company on a public exchange. This exception does not apply to a transfer made through a merger with or acquisition by another company, including acquisition by acquiring outstanding shares of the company.

(6)(a) Except as provided in paragraph (b), changes, additions, or improvements to nonresidential real property shall be assessed at just value as of the first January 1 after the changes, additions, or improvements are substantially completed.

(b) Changes, additions, or improvements that replace all or a portion of nonresidential real property damaged or destroyed by misfortune or calamity shall not increase the property's assessed value when the square footage of the property as changed or improved does not exceed 110 percent of the square footage of the property before the damage or destruction and do not change the property's character or use. Changes, additions, or improvements that do not cause the total to exceed 110 percent of the total square footage of the property before the damage or destruction and do not change the property's character or use shall be reassessed as provided under subsection (3). The property's assessed value shall be increased by the just value of that portion of the changed or improved property which is in excess of 110 percent of the square footage of the property before the damage or destruction. Property damaged or destroyed by misfortune or calamity which, after being changed or improved, has a square footage of less than 100 percent of the property's total square footage before the damage or destruction shall be assessed pursuant to subsection (8). This paragraph applies to changes, additions, or improvements commenced within 3 years after the January 1 following the damage or destruction of the property.

³(7) Any increase in the value of property assessed under this section which is attributable to combining or dividing parcels shall be assessed at just value, and the just value shall be apportioned among the parcels created.

(8) When property is destroyed or removed and not replaced, the assessed value of the parcel shall be reduced by the assessed value attributable to the destroyed or removed property.

(9) Erroneous assessments of nonresidential real property assessed under this section may be corrected in the following manner:

(a) If errors are made in arriving at any assessment under this section due to a material mistake of fact concerning an essential characteristic of the property, the just value and assessed value must be recalculated for every such year, including the year in which the mistake occurred.

(b) If changes, additions, or improvements are not assessed at just value as of the first January 1 after they were substantially completed, the property appraiser shall determine the just value for such changes, additions, or improvements for the year they were substantially completed. Assessments for subsequent years shall be corrected, applying this section if applicable.

(c) If back taxes are due pursuant to s. 193.092, the corrections made pursuant to this subsection shall be used to calculate such back taxes.

(10) If the property appraiser determines that for any year or years within the prior 10 years a person or entity who was not entitled to the property assessment limitation granted under this section was granted the property assessment limitation, the property appraiser making such determination shall record in the public records of the

county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. Such property that is situated in this state is subject to the unpaid taxes, plus a penalty of 50 percent of the unpaid taxes for each year and 15 percent interest per annum.

¹**193.1556 Notice of change of ownership or control required.**—

(1) Any person or entity that owns property assessed under s. 193.1554 or s. 193.1555 must notify the property appraiser promptly of any change of ownership or control as defined in ss. 193.1554(5) and 193.1555(5). If the change of ownership is recorded by a deed or other instrument in the public records of the county where the property is located, the recorded deed or other instrument shall serve as notice to the property appraiser. If any property owner fails to so notify the property appraiser and the property appraiser determines that for any year within the prior 10 years the owner’s property was not entitled to assessment under s. 193.1554 or s. 193.1555, the owner of the property is subject to the taxes avoided as a result of such failure plus 15 percent interest per annum and a penalty of 50 percent of the taxes avoided. It is the duty of the property appraiser making such determination to record in the public records of the county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. Such property is subject to the payment of all taxes and penalties. Such lien when filed shall attach to any property, identified in the notice of tax lien, owned by the person or entity that illegally or improperly was assessed under s. 193.1554 or s. 193.1555. If such person or entity no longer owns property in that county, but owns property in some other county or counties in the state, it shall be the duty of the property appraiser to record a notice of tax lien in such other county or counties, identifying the property owned by such person or entity in such county or counties, and it becomes a lien against such property in such county or counties.

(2) The Department of Revenue shall provide a form by which a property owner may provide notice to all property appraisers of a change of ownership or control. The form must allow the property owner to list all property that it owns or controls in this state for which a change of ownership or control as defined in s. 193.1554(5) or s. 193.1555(5) has occurred, but has not been noticed previously to property appraisers. Providing notice on this form constitutes compliance with the notification requirements in this section.

193.441 Legislative intent; findings and declaration.—

- (1) For the purposes of assessment roll preparation and recordkeeping, it is the legislative intent that any assessment for tax purposes which is less than the just value of the property shall be considered a classified use assessment and reported accordingly.
- (2) The Legislature finds that Florida's groundwater is among the state's most precious and basic natural resources. The Legislature further finds that it is in the interest of the state to protect its groundwater from pollution, overutilization, and other degradation because groundwater is the primary source of potable water for 90 percent of Floridians. The Legislature declares that it is in the public interest to allow county governments the flexibility to implement voluntary tax assessment programs that protect the state's high-water recharge areas.

History.—s. 12, ch. 79-334; s. 1, ch. 96-204.

193.451 Annual growing of agricultural crops, nonbearing fruit trees, nursery stock; taxability.—

- (1) Growing annual agricultural crops, nonbearing fruit trees, and nursery stock, regardless of the growing methods, shall be considered as having no ascertainable value and shall not be taxable until they have reached maturity or a stage of marketability and have passed from the hands of the producer and/or offered for sale. This section shall be construed liberally in favor of the taxpayer.
- (2) Raw, annual, agricultural crops shall be considered to have no ascertainable value and shall not be taxable until such property is offered for sale to the consumer.
- (3) Personal property leased or subleased by the Department of Agriculture and Consumer Services and utilized in the inspection, grading, or classification of citrus fruit shall be deemed to have value for purposes of assessment for ad valorem property taxes no greater than its market value as salvage. It is the expressed intent of the Legislature that this subsection shall have retroactive application to December 31, 2003.

History.—ss. 1, 2, ch. 63-432; s. 1, ch. 67-573; ss. 1, 2, ch. 69-55; s. 1, ch. 2005-210.

Note.—Former s. 192.063.

¹193.461 Agricultural lands; classification and assessment; mandated eradication or quarantine program.—

- (1) The property appraiser shall, on an annual basis, classify for assessment purposes all lands within the county as either agricultural or nonagricultural.

(2) Any landowner whose land is denied agricultural classification by the property appraiser may appeal to the value adjustment board. The property appraiser shall notify the landowner in writing of the denial of agricultural classification on or before July 1 of the year for which the application was filed. The notification shall advise the landowner of his or her right to appeal to the value adjustment board and of the filing deadline. The board may also review all lands classified by the property appraiser upon its own motion. The property appraiser shall have available at his or her office a list by ownership of all applications received showing the acreage, the full valuation under s. 193.011, the valuation of the land under the provisions of this section, and whether or not the classification requested was granted.

(3)(a) No lands shall be classified as agricultural lands unless a return is filed on or before March 1 of each year. The property appraiser, before so classifying such lands, may require the taxpayer or the taxpayer's representative to furnish the property appraiser such information as may reasonably be required to establish that such lands were actually used for a bona fide agricultural purpose. Failure to make timely application by March 1 shall constitute a waiver for 1 year of the privilege herein granted for agricultural assessment. However, an applicant who is qualified to receive an agricultural classification who fails to file an application by March 1 may file an application for the classification and may file, pursuant to s. 194.011(3), a petition with the value adjustment board requesting that the classification be granted. The petition may be filed at any time during the taxable year on or before the 25th day following the mailing of the notice by the property appraiser as provided in s. 194.011(1). Notwithstanding the provisions of s. 194.013, the applicant must pay a nonrefundable fee of \$15 upon filing the petition. Upon reviewing the petition, if the person is qualified to receive the classification and demonstrates particular extenuating circumstances judged by the property appraiser or the value adjustment board to warrant granting the classification, the property appraiser or the value adjustment board may grant the classification. The owner of land that was classified agricultural in the previous year and whose ownership or use has not changed may reapply on a short form as provided by the department. The lessee of property may make original application or reapply using the short form if the lease, or an affidavit executed by the owner, provides that the lessee is empowered to make application for the agricultural classification on behalf of the owner and a copy of the lease or affidavit accompanies the application. A county may, at the request of the property appraiser and by a majority vote of its governing body, waive the requirement that an annual application or statement be made for classification of property within the county after an initial application is made and the classification granted by the property appraiser. Such waiver may be revoked by a majority vote of the governing body of the county.

²(b) Subject to the restrictions specified in this section, only lands that are used primarily for bona fide agricultural purposes shall be classified agricultural. The term "bona fide agricultural purposes" means good faith commercial agricultural use of the land.

1. In determining whether the use of the land for agricultural purposes is bona fide, the following factors may be taken into consideration:

- a. The length of time the land has been so used.
- b. Whether the use has been continuous.
- c. The purchase price paid.
- d. Size, as it relates to specific agricultural use, but a minimum acreage may not be required for agricultural assessment.

e. Whether an indicated effort has been made to care sufficiently and adequately for the land in accordance with accepted commercial agricultural practices, including, without limitation, fertilizing, liming, tilling, mowing, reforestation, and other accepted agricultural practices.

- f. Whether the land is under lease and, if so, the effective length, terms, and conditions of the lease.
- g. Such other factors as may become applicable.

2. Offering property for sale does not constitute a primary use of land and may not be the basis for denying an agricultural classification if the land continues to be used primarily for bona fide agricultural purposes while it is being offered for sale.

(c) The maintenance of a dwelling on part of the lands used for agricultural purposes shall not in itself preclude an agricultural classification.

(d) When property receiving an agricultural classification contains a residence under the same ownership, the portion of the property consisting of the residence and curtilage must be assessed separately, pursuant to s. 193.011, to qualify for the assessment limitation set forth in s. 193.155. The remaining property may be classified under the provisions of paragraphs (a) and (b).

(e) Notwithstanding the provisions of paragraph (a), land that has received an agricultural classification from the value adjustment board or a court of competent jurisdiction pursuant to this section is entitled to receive such classification in any subsequent year until such agricultural use of the land is abandoned or discontinued, the land is diverted to a nonagricultural use, or the land is reclassified as nonagricultural pursuant to subsection (4). The property appraiser must, no later than January 31 of each year, provide notice to the owner of land that was classified agricultural in the previous year informing the owner of the requirements of this paragraph and requiring the owner to certify that neither the ownership nor the use of the land has changed. The department shall, by administrative rule, prescribe the form of the notice to be used by the property appraiser under this paragraph. If a county has waived the requirement that an annual application or statement be made for classification of property pursuant to paragraph (a), the county may, by a majority vote of its governing body, waive the notice and certification requirements of this paragraph and shall provide the property owner with the same notification provided to owners of land granted an agricultural classification by the property appraiser. Such waiver may be revoked by a majority vote of the county's governing body. This paragraph does not apply to any property if the agricultural classification of that property is the subject of current litigation.

(4)(a) The property appraiser shall reclassify the following lands as nonagricultural:

1. Land diverted from an agricultural to a nonagricultural use.
2. Land no longer being utilized for agricultural purposes.
3. Land that has been zoned to a nonagricultural use at the request of the owner subsequent to the enactment of this law.

(b) The board of county commissioners may also reclassify lands classified as agricultural to nonagricultural when there is contiguous urban or metropolitan development and the board of county commissioners finds that the continued use of such lands for agricultural purposes will act as a deterrent to the timely and orderly expansion of the community.

(c) Sale of land for a purchase price which is three or more times the agricultural assessment placed on the land shall create a presumption that such land is not used primarily for bona fide agricultural purposes. Upon a showing of special circumstances by the landowner demonstrating that the land is to be continued in bona fide agriculture, this presumption may be rebutted.

(5) For the purpose of this section, "agricultural purposes" includes, but is not limited to, horticulture; floriculture; viticulture; forestry; dairy; livestock; poultry; bee; pisciculture, when the land is used principally for the production of tropical fish; aquaculture; sod farming; and all forms of farm products as defined in s. 823.14(3) and farm production.

(6)(a) In years in which proper application for agricultural assessment has been made and granted pursuant to this section, the assessment of land shall be based solely on its agricultural use. The property appraiser shall consider the following use factors only:

1. The quantity and size of the property;
2. The condition of the property;
3. The present market value of the property as agricultural land;
4. The income produced by the property;
5. The productivity of land in its present use;
6. The economic merchantability of the agricultural product; and
7. Such other agricultural factors as may from time to time become applicable, which are reflective of the standard present practices of agricultural use and production.

(b) Notwithstanding any provision relating to annual assessment found in s. 192.042, the property appraiser shall rely on 5-year moving average data when utilizing the income methodology approach in an assessment of property used for agricultural purposes.

(c)1. For purposes of the income methodology approach to assessment of property used for agricultural purposes, irrigation systems, including pumps and motors, physically attached to the land shall be considered a part of the average yields per acre and shall have no separately assessable contributory value.

2. Litter containment structures located on producing poultry farms and animal waste nutrient containment structures located on producing dairy farms shall be assessed by the methodology described in subparagraph 1.

3. Structures or improvements used in horticultural production for frost or freeze protection, which structures or improvements are consistent with the Department of Agriculture and Consumer Services' interim measures or best management practices adopted pursuant to s. 570.085 or s. 403.067(7)(c), shall be assessed by the methodology described in subparagraph 1.

(d) In years in which proper application for agricultural assessment has not been made, the land shall be assessed under the provisions of s. 193.011.

(7) Lands classified for assessment purposes as agricultural lands which are taken out of production by any state or federal eradication or quarantine program shall continue to be classified as agricultural lands for the duration of such program or successor programs. Lands under these programs which are converted to fallow, or otherwise nonincome-producing uses shall continue to be classified as agricultural lands and shall be assessed at a de minimis value of no more than \$50 per acre, on a single year assessment methodology; however, lands converted to other income-producing agricultural uses permissible under such programs shall be assessed pursuant to this section. Land under a mandated eradication or quarantine program which is diverted from an agricultural to a nonagricultural use shall be assessed under s. 193.011.

¹**Note.**—Section 11, ch. 2010-277, provides that “[t]his act shall take effect July 1, 2010.” Passed by the Senate and the House of Representatives over the Governor’s veto November 16, 2010. House Joint Resolution 5-A, 2010 Special Session A, provides that C.S. for C.S. for C.S. for H.B. 981, which became ch. 2010-277, is effective November 17, 2010.

²**Note.**—Section 2, ch. 2010-277, provides that “[t]he amendment by this act to s. 193.461(3)(b), Florida Statutes, is remedial and clarifying in nature and applies retroactively to all parcels for which a final court order has not yet been entered as of the effective date of this act.”

193.4615 Assessment of obsolete agricultural equipment.—

(1) For purposes of ad valorem property taxation, agricultural equipment that is located on property classified as agricultural under s. 193.461 and that is no longer usable for its intended purpose shall be deemed to have a market value no greater than its value for salvage.

(2) This section shall take effect January 1, 2007.

History.—s. 16, ch. 2006-289.

193.462 Agricultural lands; annual application process; extenuating circumstances; waivers.—

(1) For purposes of granting an agricultural classification for January 1, 2003, the term “extenuating circumstances,” as used in s. 193.461(3)(a), includes the failure of a property owner in a county that waived the annual application process to return the agricultural classification form or card, which return was required by operation of s. 193.461(3)(e), as created by chapter 2002-18, Laws of Florida.

(2) Any waiver of the annual application granted under s. 193.461(3)(a), which is in effect on December 31, 2002, shall remain in full force and effect until subsequently revoked as provided by s. 193.461(3)(a).

History.—s. 3, ch. 2003-162; s. 44, ch. 2003-254.

193.481 Assessment of mineral, oil, gas, and other subsurface rights.—

(1) Whenever the mineral, oil, gas, and other subsurface rights in or to real property in this state shall have been sold or otherwise transferred by the owner of such real property, or retained or acquired through reservation or otherwise, such subsurface rights shall be taken and treated as an interest in real property subject to taxation separate and apart from the fee or ownership of the fee or other interest in the fee. Such mineral, oil, gas, and other subsurface rights, when separated from the fee or other interest in the fee, shall be subject to separate taxation. Such taxation shall be against such subsurface interest and not against the owner or owners thereof or against separate interests or rights in or to such subsurface rights.

(2) The property appraiser shall, upon request of the owner of real property who also owns mineral, oil, gas, or other subsurface mineral rights to the same property, separately assess the subsurface mineral right and the remainder of the real estate as separate items on the tax roll.

(3) Such subsurface rights shall be assessed on the basis of a just valuation, as required by s. 4, Art. VII of the State Constitution, which valuation, when combined with the value of the remaining surface and undisposed of subsurface interests, shall not exceed the full just value of the fee title of the lands involved, including such subsurface rights.

(4) Statutes and regulations, not in conflict with the provisions herein, relating to the assessment and collection of ad valorem taxes on real property, shall apply to the separate assessment and taxation of such subsurface rights, insofar as they may be applied.

(5) Tax certificates and tax liens encumbering subsurface rights, as aforesaid, may be acquired, purchased, transferred, and enforced as are tax certificates and tax liens encumbering real property generally, including the issuance of a tax deed.

(6) Nothing contained in chapter 69-60, Laws of Florida, amending subsections (1) and (3) of this section and creating former s. 197.083 shall be construed to affect any contractual obligation existing on June 4, 1969.

(1) The owner or owners in fee of any land subject to a conservation easement as described in s. 704.06; land qualified as environmentally endangered pursuant to paragraph (6)(i) and so designated by formal resolution of the governing board of the municipality or county within which such land is located; land designated as conservation land in a comprehensive plan adopted by the appropriate municipal or county governing body; or any land which is utilized for outdoor recreational or park purposes may, by appropriate instrument, for a term of not less than 10 years:

(a) Convey the development right of such land to the governing board of any public agency in this state within which the land is located, or to the Board of Trustees of the Internal Improvement Trust Fund, or to a charitable corporation or trust as described in s. 704.06(3); or

(b) Covenant with the governing board of any public agency in this state within which the land is located, or with the Board of Trustees of the Internal Improvement Trust Fund, or with a charitable corporation or trust as described in s. 704.06(3), that such land be subject to one or more of the conservation restrictions provided in s. 704.06(1) or not be used by the owner for any purpose other than outdoor recreational or park purposes. If land is covenanted and used for an outdoor recreational purpose, the normal use and maintenance of the land for that purpose, consistent with the covenant, shall not be restricted.

(2) The governing board of any public agency in this state, or the Board of Trustees of the Internal Improvement Trust Fund, or a charitable corporation or trust as described in s. 704.06(3), is authorized and empowered in its discretion to accept any and all instruments conveying the development right of any such land or establishing a covenant pursuant to subsection (1), and if accepted by the board or charitable corporation or trust, the instrument

shall be promptly filed with the appropriate officer for recording in the same manner as any other instrument affecting the title to real property.

(3) When, pursuant to subsections (1) and (2), the development right in real property has been conveyed to the governing board of any public agency of this state, to the Board of Trustees of the Internal Improvement Trust Fund, or to a charitable corporation or trust as described in s. 704.06(2), or a covenant has been executed and accepted by the board or charitable corporation or trust, the lands which are the subject of such conveyance or covenant shall be thereafter assessed as provided herein:

(a) If the covenant or conveyance extends for a period of not less than 10 years from January 1 in the year such assessment is made, the property appraiser, in valuing such land for tax purposes, shall consider no factors other than those relative to its value for the present use, as restricted by any conveyance or covenant under this section.

(b) If the covenant or conveyance extends for a period less than 10 years, the land shall be assessed under the provisions of s. 193.011, recognizing the nature and length thereof of any restriction placed on the use of the land under the provisions of subsection (1).

(4) After making a conveyance of the development right or executing a covenant pursuant to this section, or conveying a conservation easement pursuant to this section and s. 704.06, the owner of the land shall not use the land in any manner not consistent with the development right voluntarily conveyed, or with the restrictions voluntarily imposed, or with the terms of the conservation easement or shall not change the use of the land from outdoor recreational or park purposes during the term of such conveyance or covenant without first obtaining a written instrument from the board or charitable corporation or trust, which instrument reconveys all or part of the development right to the owner or releases the owner from the terms of the covenant and which instrument must be promptly recorded in the same manner as any other instrument affecting the title to real property. Upon obtaining approval for reconveyance or release, the reconveyance or release shall be made to the owner upon payment of the deferred tax liability. Any payment of the deferred tax liability shall be payable to the county tax collector within 90 days of the date of approval by the board or charitable corporation or trust of the reconveyance or release. The collector shall distribute the payment to each governmental unit in the proportion that its millage bears to the total millage levied on the parcel for the years in which such conveyance or covenant was in effect.

(5) The governing board of any public agency or the Board of Trustees of the Internal Improvement Trust Fund or a charitable corporation or trust which holds title to a development right pursuant to this section may not convey that development right to anyone other than the governing board of another public agency or a charitable corporation or trust, as described in s. 704.06(3), or the record owner of the fee interest in the land to which the development right attaches. The conveyance from the governing board of a public agency or the Board of Trustees of the Internal Improvement Trust Fund to the owner of the fee shall be made only after a determination by the board that such conveyance would not adversely affect the interest of the public. Section 125.35 does not apply to such sales, but any public agency accepting any instrument conveying a development right pursuant to this section shall forthwith adopt appropriate regulations and procedures governing the disposition of same. These regulations and procedures must provide in part that the board may not convey a development right to the owner of the fee without first holding a public hearing and unless notice of the proposed conveyance and the time and place at which the public hearing is to be held is published once a week for at least 2 weeks in some newspaper of general circulation in the county involved prior to the hearing.

(6) The following terms whenever used as referred to in this section have the following meanings unless a different meaning is clearly indicated by the context:

(a) "Board" is the governing board of any city, county, or other public agency of the state or the Board of Trustees of the Internal Improvement Trust Fund.

(b) "Conservation restriction" means a limitation on a right to the use of land for purposes of conserving or preserving land or water areas predominantly in their natural, scenic, open, agricultural, or wooded condition. The limitation on rights to the use of land may involve or pertain to any of the activities enumerated in s. 704.06(1).

(c) "Conservation easement" means that property right described in s. 704.06.

- (d) "Covenant" is a covenant running with the land.
- (e) "Deferred tax liability" means an amount equal to the difference between the total amount of taxes that would have been due in March in each of the previous years in which the conveyance or covenant was in effect if the property had been assessed under the provisions of s. 193.011 and the total amount of taxes actually paid in those years when the property was assessed under the provisions of this section, plus interest on that difference computed as provided in s. 212.12(3).
- (f) "Development right" is the right of the owner of the fee interest in the land to change the use of the land.
- (g) "Outdoor recreational or park purposes" includes, but is not necessarily limited to, boating, golfing, camping, swimming, horseback riding, and archaeological, scenic, or scientific sites and applies only to land which is open to the general public.
- (h) "Present use" is the manner in which the land is utilized on January 1 of the year in which the assessment is made.
- (i) "Qualified as environmentally endangered" means land that has unique ecological characteristics, rare or limited combinations of geological formations, or features of a rare or limited nature constituting habitat suitable for fish, plants, or wildlife, and which, if subject to a development moratorium or one or more conservation easements or development restrictions appropriate to retaining such land or water areas predominantly in their natural state, would be consistent with the conservation, recreation and open space, and, if applicable, coastal protection elements of the comprehensive plan adopted by formal action of the local governing body pursuant to s. 163.3161, the Community Planning Act; or surface waters and wetlands, as determined by the methodology ratified in s. 373.4211.
- (7)(a) The property appraiser shall report to the department showing the just value and the classified use value of property that is subject to a conservation easement under s. 704.06, property assessed as environmentally endangered land pursuant to this section, and property assessed as outdoor recreational or park land.
- (b) The tax collector shall annually report to the department the amount of deferred tax liability collected pursuant to this section.
- (8) A person or organization that, on January 1, has the legal title to land that is entitled by law to assessment under this section shall, on or before March 1 of each year, file an application for assessment under this section with the county property appraiser. The application must identify the property for which assessment under this section is claimed. The initial application for assessment for any property must include a copy of the instrument by which the development right is conveyed or which establishes a covenant that establishes the conservation purposes for which the land is used. The Department of Revenue shall prescribe the forms upon which the application is made. The failure to file an application on or before March 1 of any year constitutes a waiver of assessment under this section for that year. However, an applicant who is qualified to receive an assessment under this section but fails to file an application by March 1 may file an application for the assessment and may file, pursuant to s. 194.011(3), a petition with the value adjustment board requesting that the assessment be granted. The petition must be filed at any time during the taxable year on or before the 25th day following the mailing of the notice by the property appraiser pursuant to s. 194.011(1). Notwithstanding s. 194.013, the applicant must pay a nonrefundable fee of \$15 upon filing the petition. Upon reviewing the petition, if the person is qualified to receive the assessment and demonstrates particular extenuating circumstances judged by the property appraiser or the value adjustment board to warrant granting the assessment, the property appraiser or the value adjustment board may grant the assessment. The owner of land that was assessed under this section in the previous year and whose ownership or use has not changed may reapply on a short form as provided by the department. A county may, at the request of the property appraiser and by a majority vote of its governing body, waive the requirement that an annual application or statement be made for assessment of property within the county. Such waiver may be revoked by a majority vote of the governing body of the county.
- (9) A person or entity that owns land assessed pursuant to this section must notify the property appraiser promptly if the land becomes ineligible for assessment under this section. If any property owner fails to notify the property appraiser and the property appraiser determines that for any year within the preceding 10 years the land was not eligible for assessment under this section, the owner of the land is subject to taxes avoided as a result of such

failure plus 15 percent interest per annum and a penalty of 50 percent of the taxes avoided. The property appraiser making such determination shall record in the public records of the county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. The property is subject to a lien in the amount of the unpaid taxes and penalties. The lien when filed shall attach to any property identified in the notice of tax lien which is owned by the person or entity and which was improperly assessed. If such person or entity no longer owns property in that county but owns property in some other county or counties of this state, the property appraiser shall record a notice of tax lien in such other county or counties, identifying the property owned by such person or entity.

193.503 Classification and assessment of historic property used for commercial or certain nonprofit purposes.—

(1) Pursuant to s. 4(e), Art. VII of the State Constitution, the board of county commissioners of a county or the governing authority of a municipality may adopt an ordinance providing for assessment of historic property used for commercial or certain nonprofit purposes as described in this section solely on the basis of character or use as provided in this section. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The board of county commissioners or municipal governing authority shall notify the property appraiser of the adoption of such ordinance no later than December 1 of the year prior to the year such assessment will take effect. If such assessment is granted only for a specified period or the ordinance is repealed, the board of county commissioners or municipal governing authority shall notify the property appraiser no later than December 1 of the year prior to the year the assessment expires.

(2) If an ordinance is adopted as described in subsection (1), the property appraiser shall, for assessment purposes, annually classify any eligible property as historic property used for commercial or certain nonprofit purposes, for purposes of the taxes levied by the governing body or authority adopting the ordinance. For all other purposes, the property shall be assessed pursuant to s. 193.011.

(3) No property shall be classified as historic property used for commercial or certain nonprofit purposes unless a return is filed on or before March 1 of each year. The property appraiser, before so classifying such property, may require the taxpayer or the taxpayer's representative to furnish the property appraiser such information as may reasonably be required to establish that such property was actually used as required by this section. Failure to make timely application by March 1 shall constitute a waiver for 1 year of the privilege herein granted for such assessment.

(4) Any property classified and assessed as historic property used for commercial or certain nonprofit purposes pursuant to this section must meet all of the following criteria:

(a) The property must be used for commercial purposes or used by a not-for-profit organization under s. 501(c)(3) or (6) of the Internal Revenue Code of 1986.

(b) The property must be listed in the National Register of Historic Places, as defined in s. 267.021; or must be a contributing property to a National Register Historic District; or must be designated as a historic property or as a contributing property to a historic district, under the terms of a local preservation ordinance.

(c) The property must be regularly open to the public; that is, it must be open for a minimum of 40 hours per week for 45 weeks per year or an equivalent of 1,800 hours per year.

(d) The property must be maintained in good repair and condition to the extent necessary to preserve the historic value and significance of the property.

(5) In years in which proper application for assessment has been made and granted pursuant to this section, the assessment of such historic property shall be based solely on its use for commercial or certain nonprofit purposes. The property appraiser shall consider the following use factors only:

- (a) The quantity and size of the property.
- (b) The condition of the property.

(c) The present market value of the property as historic property used for commercial or certain nonprofit purposes.

(d) The income produced by the property.

(6) In years in which proper application for assessment has not been made under this section, the property shall be assessed under the provisions of s. 193.011 for all purposes.

(7) Any property owner who is denied classification under this section may appeal to the value adjustment board. The property appraiser shall notify the property owner in writing of the denial of such classification on or before July 1 of the year for which the application was filed. The notification shall advise the property owner of his or her right to appeal to the value adjustment board and of the filing deadline. The board may also review all property classified by the property appraiser upon its own motion. The property appraiser shall have available at his or her office a list by ownership of all applications received showing the full valuation under s. 193.011, the valuation of the property under the provisions of this section, and whether or not the classification requested was granted.

(8) For the purposes of assessment roll preparation and recordkeeping, the property appraiser shall report the assessed value of property qualified for the assessment pursuant to this section as its "classified use value" and shall annually determine and report as "just value" the fair market value of such property, irrespective of any negative impact that restrictions imposed or conveyances made pursuant to this section may have had on such value.

(9)(a) After qualifying for and being granted the classification and assessment pursuant to this section, the owner of the property shall not use the property in any manner not consistent with the qualifying criteria. If the historic designation status or the use of the property changes or if the property fails to meet the other qualifying criteria for the classification and assessment, the property owner shall be liable for the amount of taxes equal to the "deferred tax liability" for up to the past 10 years in which the property received the use classification and assessment pursuant to this section. The governmental taxing unit shall determine the time period for which the deferred tax liability is due. A written instrument from the governmental taxing unit shall be promptly recorded in the same manner as any other instrument affecting the title to real property. A release of the written instrument shall be made to the owner upon payment of the deferred tax liability.

(b) For purposes of this subsection, "deferred tax liability" means an amount equal to the difference between the total amount of taxes that would have been due in March if the property had been assessed under the provisions of s. 193.011 and the total amount of taxes actually paid in those years when the property was assessed under the provisions of this section, plus interest on that difference computed as provided in s. 212.12(3).

(c) Any payment of the deferred tax liability shall be payable to the county tax collector within 90 days after the date of the change in classification. The collector shall distribute the payment to each governmental unit where the classification and assessment was allowed in the proportion that its millage bears to the total millage levied on the parcel for the years in which such classification and assessment was in effect.

(d) The tax collector shall annually report to the department the amount of deferred tax liability collected pursuant to this section.

193.505 Assessment of historically significant property when development rights have been conveyed or historic preservation restrictions have been covenanted. —

(1) The owner or owners in fee of any improved real property qualified as historically significant pursuant to paragraph (6)(a), and so designated by formal resolution of the governing body of the county within which the property is located, may by appropriate instrument:

(a) Convey all rights to develop the property to the governing body of the county in which such property is located; or

(b) Enter into a covenant running with the land for a term of not less than 10 years with the governing body of the county in which the property is located that the property shall not be used for any purpose inconsistent with historic preservation or the historic qualities of the property.

(2)(a) The governing body of each county is authorized and empowered in its discretion, subject to the provisions of paragraph (6)(b), to accept any instrument conveying a development right or establishing a covenant pursuant to subsection (1); and, if such instrument is accepted by the governing body, it shall be promptly filed with the appropriate officer for recording in the same manner as any other instrument affecting title to real property.

(b) Before accepting any instrument pursuant to this section, the governing body of the county shall seek the counsel and advice of the governing body of the municipality in which the property lies, if any, as to the merit of such acceptance.

(3) When, pursuant to this section, the development right in historically significant property has been conveyed to the governing body of the county or a covenant for historic preservation has been executed and accepted by such body, the real property subject to such conveyance or covenant shall be assessed at fair market value; however, the appraiser shall recognize the nature and length of the restriction placed on the use of the property under the provisions of the conveyance or covenant.

(4)(a) During the unexpired term of a covenant executed pursuant to this section, the owner of the property subject thereto shall not use the property in any manner inconsistent with historic preservation or the historic character of the property without first obtaining a written instrument from the governing body of the county releasing the owner from the terms of the covenant. Such instrument shall be promptly recorded in the same manner as any other instrument affecting the title to real property. Upon obtaining the approval of the board for release, the property will be subject to a deferred tax liability. The release shall be made to the owner upon payment of the deferred tax liability. Any payment of the deferred tax liability shall be payable to the county tax collector within 90 days of the date of approval of the release by the board. The tax collector shall distribute the payment to each governmental unit in the proportion that its millage bears to the total millage levied on the parcel for the years in which the covenant was in effect.

(b) After a covenant executed pursuant to this section has expired, the property previously subject to the covenant will be subject to a deferred tax liability, payable as provided in paragraph (a), within 90 days of the date of such expiration.

(5) The governing body of any county which holds title to a development right pursuant to this section shall not convey that right to anyone and shall not exercise that right in any manner inconsistent with historic preservation. No property for which the development right has been conveyed to the governing body of the county shall be used for any purpose inconsistent with historic preservation or the historic qualities of the property.

(6)(a) Improved real property shall be qualified as historically significant only if:

1. The property is listed on the national register of historic places pursuant to the National Historic Preservation Act of 1966, as amended, 16 U.S.C. s. 470; or is within a certified locally ordained district pursuant to s. 48(g)(3)(B)(ii), Internal Revenue Code; or has been found to be historically significant in accordance with the intent of and for purposes of this section by the Division of Historical Resources existing under chapter 267, or any successor agency, or by the historic preservation board existing under chapter 266, if any, in the jurisdiction of which the property lies; and

2. The owner of the property has applied to such division or board for qualification pursuant to this section.

(b) It is the legislative intent that property be qualified as historically significant pursuant to paragraph (a) only when it is of such unique or rare historic character or significance that a clear and substantial public benefit is provided by virtue of its preservation.

(7) A covenant executed pursuant to this section shall, at a minimum, contain the following restrictions:

(a) No use shall be made of the property which in the judgment of the covenantee or the division or board is inconsistent with the historic qualities of the property.

(b) In any restoration or repair of the property, the architectural features of the exterior shall be retained consistent with the historic qualities of the property.

(c) The property shall not be permitted to deteriorate and shall be maintained in good repair and condition to the extent necessary to preserve the historic value and significance of the property.

(d) The covenant shall include provisions for periodic access by the public to the property.

(8) For the purposes of this section, the term “deferred tax liability” means an amount equal to the difference between the total amount of taxes which would have been due in March in each of the previous years in which a covenant executed and accepted pursuant to this section was in effect if the property had been assessed under the provisions of s. 193.011 irrespective of any negative impact on fair market value that restrictions imposed pursuant to this section may have caused and the total amount of taxes actually paid in those years, plus interest on that difference computed as provided in s. 212.12(3).

(9)(a) For the purposes of assessment roll preparation and recordkeeping, the property appraiser shall report the assessed value of property subject to a conveyance or covenant pursuant to this section as its “classified use value” and shall annually determine and report as “just value” the fair market value of such property irrespective of any negative impact that restrictions imposed or conveyances made pursuant to this section may have had on such value.

(b) The property appraiser shall annually report to the department the just value and classified use value of property for which the development right has been conveyed separately from such values for property subject to a covenant.

(c) The tax collector shall annually report to the department the amount of deferred tax liability collected pursuant to this section.

History.—s. 1, ch. 84-253; s. 8, ch. 86-163.

193.621 Assessment of pollution control devices.—

(1) If it becomes necessary for any person, firm or corporation owning or operating a manufacturing or industrial plant or installation to construct or install a facility, as is hereinafter defined, in order to eliminate or reduce industrial air or water pollution, any such facility or facilities shall be deemed to have value for purposes of assessment for ad valorem property taxes no greater than its market value as salvage. Any facility as herein defined heretofore constructed shall be assessed in accordance with this section.

(2) If the owner of any manufacturing or industrial plant or installation shall find it necessary in the control of industrial contaminants to demolish and reconstruct that plant or installation in whole or part and the property appraiser determines that such demolition or reconstruction does not substantially increase the capacity or efficiency of such plant or installation or decrease the unit cost of production, then in that event, such demolition or reconstruction shall not be deemed to increase the value of such plant or installation for ad valorem tax assessment purposes.

(3) The terms “facility” or “facilities” as used in this section shall be deemed to include any device, fixture, equipment, or machinery used primarily for the control or abatement of pollution or contaminants from manufacturing or industrial plants or installations, but shall not include any public or private domestic sewerage system or treatment works.

(4) Any taxpayer claiming the right of assessments for ad valorem taxes under the provisions of this law shall so state in a return filed as provided by law giving a brief description of the facility. The property appraiser may require the taxpayer to produce such additional evidence as may be necessary to establish taxpayer’s right to have such properties classified hereunder for assessments.

(5) If a property appraiser is in doubt whether a taxpayer is entitled, in whole or in part, to an assessment under this section, he or she may refer the matter to the Department of Environmental Protection for a recommendation. If the property appraiser so refers the matter, he or she shall notify the taxpayer of such action. The Department of Environmental Protection shall immediately consider whether or not such taxpayer is so entitled and certify its recommendation to the property appraiser.

(6) The Department of Environmental Protection shall promulgate rules and regulations regarding the application of the tax assessment provisions of this section for the consideration of the several county property appraisers of this state. Such rules and regulations shall be distributed to the several county property appraisers of this state.

193.623 Assessment of building renovations for accessibility to the physically handicapped.— Any taxpayer who renovates an existing building or facility owned by such taxpayer in order to permit physically handicapped persons to enter and leave such building or facility or to have effective use of the accommodations and facilities therein shall, for the purpose of assessment for ad valorem tax purposes, be deemed not to have increased the value of such building more than the market value of the materials used in such renovation, valued as salvage materials. “Building or facility” shall mean only a building or facility, or such part thereof, as is intended to be used, and is used, by the general public. The renovation required in order to entitle a taxpayer to the benefits of this section must include one or more of the following: the provision of ground level or ramped entrances and washroom and toilet facilities accessible to, and usable by, physically handicapped persons.

History.—s. 1, ch. 76-144.

193.625 High-water recharge lands; classification and assessment.—

(1) Notwithstanding the provisions of s. 193.461, the property appraiser shall annually classify for assessment purposes all lands within a county choosing to have a high-water recharge protection tax assessment program as either agricultural, nonagricultural, or high-water recharge. The classification applies only to taxes levied by the counties and municipalities adopting an ordinance under subsection (5).

(2) Any landowner whose land is within a county that has a high-water recharge protection tax assessment program and whose land is denied high-water recharge classification by the property appraiser may appeal to the value adjustment board. The property appraiser shall notify the landowner in writing of the denial of high-water recharge classification on or before July 1 of the year for which the application was filed. The notification must advise the landowner of a right to appeal to the value adjustment board and of the filing deadline. The board may also review all lands classified by the property appraiser upon its own motion. The property appraiser shall have available at her or his office a list by ownership of all applications received showing the acreage, the full valuation under s. 193.011, the valuation of the land under the provisions of this section, and whether or not the classification requested was granted.

(3)(a) Lands may not be classified as high-water recharge lands unless a return is filed on or before March 1 of each year. The property appraiser, before so classifying the lands, may require the taxpayer or the taxpayer’s representative to furnish the property appraiser such information as may reasonably be required to establish that the lands were actually used for a bona fide high-water recharge purpose. Failure to make timely application by March 1 constitutes a waiver for 1 year of the privilege granted for high-water recharge assessment. The owner of land that was classified high-water recharge in the previous year and whose ownership or use has not changed may reapply on a short form as provided by the department. A county may, at the request of the property appraiser and by a majority vote of its governing body, waive the requirement that an annual application or statement be made for classification of property within the county after an initial application is made and the classification granted.

(b) Subject to the restrictions set out in this section, only lands that are used primarily for bona fide high-water recharge purposes may be classified as high-water recharge. The term “bona fide high-water recharge purposes” means good faith high-water recharge use of the land. In determining whether the use of the land for high-water recharge purposes is bona fide, the following factors apply:

1. The land use must have been continuous.
2. The land use must be vacant residential, vacant commercial, vacant industrial, vacant institutional, nonagricultural, or single-family residential. The maintenance of one single-family residential dwelling on part of the land does not in itself preclude a high-water recharge classification.
3. The land must be located within a prime groundwater recharge area or in an area considered by the appropriate water management district to supply significant groundwater recharge. Significant groundwater recharge shall be assessed by the appropriate water management district on the basis of hydrologic characteristics of the soils and underlying geologic formations.

4. The land must not be receiving any other special classification.
5. There must not be in the vicinity of the land any activity that has the potential to contaminate the ground water, including, but not limited to, the presence of:
 - a. Toxic or hazardous substances;
 - b. Free-flowing saline artesian wells;
 - c. Drainage wells;
 - d. Underground storage tanks; or
 - e. Any potential pollution source existing on a property that drains to the property seeking the high-water recharge classification.
6. The owner of the property has entered into a contract with the county as provided in subsection (5).
7. The parcel of land must be at least 10 acres.

Notwithstanding the provisions of this paragraph, the property appraiser shall use the best available information on the high-water recharge characteristics of lands when making a final determination to grant or deny an application for high-water recharge assessment for the lands.

- (4) The provisions of this section do not constitute a basis for zoning restrictions.
- (5)(a) In years in which proper application for high-water recharge assessment has been made and granted under this section, for purposes of taxes levied by the county, the assessment of the land must be based on the formula adopted by the county as provided in paragraph (b).
- (b) Counties that choose to have a high-water recharge protection tax assessment program must adopt by ordinance a formula for determining the assessment of properties classified as high-water recharge property and a method of contracting with property owners who wish to be involved in the program.
- (c) The contract must include a provision that the land assessed as high-water recharge land will be used primarily for bona fide high-water recharge purposes for a period of at least 5 years, as determined by the county, from January 1 of the year in which the assessment is made. Violation of the contract results in the property owner being subject to the payment of the difference between the total amount of taxes actually paid on the property and the amount of taxes which would have been paid in each previous year the contract was in effect if the high-water recharge assessment had not been used.
- (d) A municipality located in any county that adopts an ordinance under paragraph (a) may adopt an ordinance providing for the assessment of land located in the incorporated areas in accordance with the county's ordinance.
- (e) Property owners whose land lies within an area determined to be a high-water recharge area must not be required to have their land assessed according to the high-water recharge classification.
- (f) In years in which proper application for high-water recharge assessment has not been made, the land must be assessed under s. 193.011.

193.6255 Applicability of duties of property appraisers and clerks of the court pursuant to high-water recharge areas.— The amendments to ss. 193.625 and 194.037 by this act, insofar as they impose duties on property appraisers and on clerks of the court, apply only to the unincorporated area within those counties that adopt an ordinance under s. 193.625(5). A municipality located in any county that adopts such an ordinance may include all eligible property for high-water recharge classification by ordinance adopted by the municipality's governing body.

History.—s. 9, ch. 96-204.

193.703 Reduction in assessment for living quarters of parents or grandparents.—

- (1) In accordance with s. 4(f), Art. VII of the State Constitution, a county may provide for a reduction in the assessed value of homestead property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive parents or grandparents of the owner of the

property or of the owner's spouse if at least one of the parents or grandparents for whom the living quarters are provided is at least 62 years of age.

(2) A reduction may be granted under subsection (1) only to the owner of homestead property where the construction or reconstruction is consistent with local land development regulations.

(3) A reduction in assessment which is granted under this section applies only to construction or reconstruction that occurred after the effective date of this section to an existing homestead and applies only during taxable years during which at least one such parent or grandparent maintains his or her primary place of residence in such living quarters within the homestead property of the owner.

(4) Such a reduction in assessment may be granted only upon an application filed annually with the county property appraiser. The application must be made before March 1 of the year for which the reduction is to be granted. If the property appraiser is satisfied that the property is entitled to a reduction in assessment under this section, the property appraiser shall approve the application, and the value of such residential improvements shall be excluded from the value of the property for purposes of ad valorem taxation. The value excluded may not exceed the lesser of the following:

- (a) The increase in assessed value resulting from construction or reconstruction of the property; or
- (b) Twenty percent of the total assessed value of the property as improved.

(5) If the owner of homestead property for which such a reduction in assessed value has been granted is found to have made any willfully false statement in the application for the reduction, the reduction shall be revoked, the owner is subject to a civil penalty of not more than \$1,000, and the owner shall be disqualified from receiving any such reduction for a period of 5 years.

(6) When the property owner no longer qualifies for the reduction in assessed value for living quarters of parents or grandparents, the previously excluded just value of such improvements as of the first January 1 after the improvements were substantially completed shall be added back to the assessed value of the property.

194.011 Assessment notice; objections to assessments.—

(1) Each taxpayer whose property is subject to real or tangible personal ad valorem taxes shall be notified of the assessment of each taxable item of such property, as provided in s. 200.069.

¹(2) Any taxpayer who objects to the assessment placed on any property taxable to him or her, including the assessment of homestead property at less than just value under s. 193.155(8), may request the property appraiser to informally confer with the taxpayer. Upon receiving the request, the property appraiser, or a member of his or her staff, shall confer with the taxpayer regarding the correctness of the assessment. At this informal conference, the taxpayer shall present those facts considered by the taxpayer to be supportive of the taxpayer's claim for a change in the assessment of the property appraiser. The property appraiser or his or her representative at this conference shall present those facts considered by the property appraiser to be supportive of the correctness of the assessment. However, nothing herein shall be construed to be a prerequisite to administrative or judicial review of property assessments.

(3) A petition to the value adjustment board must be in substantially the form prescribed by the department. Notwithstanding s. 195.022, a county officer may not refuse to accept a form provided by the department for this

purpose if the taxpayer chooses to use it. A petition to the value adjustment board shall describe the property by parcel number and shall be filed as follows:

(a) The property appraiser shall have available and shall distribute forms prescribed by the Department of Revenue on which the petition shall be made. Such petition shall be sworn to by the petitioner.

(b) The completed petition shall be filed with the clerk of the value adjustment board of the county, who shall acknowledge receipt thereof and promptly furnish a copy thereof to the property appraiser.

(c) The petition shall state the approximate time anticipated by the taxpayer to present and argue his or her petition before the board.

²(d) The petition may be filed, as to valuation issues, at any time during the taxable year on or before the 25th day following the mailing of notice by the property appraiser as provided in subsection (1). With respect to an issue involving the denial of an exemption, an agricultural or high-water recharge classification application, an application for classification as historic property used for commercial or certain nonprofit purposes, or a deferral, the petition must be filed at any time during the taxable year on or before the 30th day following the mailing of the notice by the property appraiser under s. 193.461, s. 193.503, s. 193.625, s. 196.173, or s. 196.193 or notice by the tax collector under s. 197.2425.

(e) A condominium association, cooperative association, or any homeowners' association as defined in s. 723.075, with approval of its board of administration or directors, may file with the value adjustment board a single joint petition on behalf of any association members who own parcels of property which the property appraiser determines are substantially similar with respect to location, proximity to amenities, number of rooms, living area, and condition. The condominium association, cooperative association, or homeowners' association as defined in s. 723.075 shall provide the unit owners with notice of its intent to petition the value adjustment board and shall provide at least 20 days for a unit owner to elect, in writing, that his or her unit not be included in the petition.

(f) An owner of contiguous, undeveloped parcels may file with the value adjustment board a single joint petition if the property appraiser determines such parcels are substantially similar in nature.

(g) The individual, agent, or legal entity that signs the petition becomes an agent of the taxpayer for the purpose of serving process to obtain personal jurisdiction over the taxpayer for the entire value adjustment board proceedings, including any appeals of a board decision by the property appraiser pursuant to s. 194.036.

(4)(a) At least 15 days before the hearing the petitioner shall provide to the property appraiser a list of evidence to be presented at the hearing, together with copies of all documentation to be considered by the value adjustment board and a summary of evidence to be presented by witnesses.

(b) No later than 7 days before the hearing, if the petitioner has provided the information required under paragraph (a), and if requested in writing by the petitioner, the property appraiser shall provide to the petitioner a list of evidence to be presented at the hearing, together with copies of all documentation to be considered by the value adjustment board and a summary of evidence to be presented by witnesses. The evidence list must contain the property record card if provided by the clerk. Failure of the property appraiser to timely comply with the requirements of this paragraph shall result in a rescheduling of the hearing.

(5)(a) The department shall by rule prescribe uniform procedures for hearings before the value adjustment board which include requiring:

1. Procedures for the exchange of information and evidence by the property appraiser and the petitioner consistent with s. 194.032.

2. That the value adjustment board hold an organizational meeting for the purpose of making these procedures available to petitioners.

(b) The department shall develop a uniform policies and procedures manual that shall be used by value adjustment boards, special magistrates, and taxpayers in proceedings before value adjustment boards. The manual shall be made available, at a minimum, on the department's website and on the existing websites of the clerks of circuit courts.

¹(6) The following provisions apply to petitions to the value adjustment board concerning the assessment of homestead property at less than just value under s. 193.155(8):

(a) If the taxpayer does not agree with the amount of the assessment limitation difference for which the taxpayer qualifies as stated by the property appraiser in the county where the previous homestead property was located, or if the property appraiser in that county has not stated that the taxpayer qualifies to transfer any assessment limitation difference, upon the taxpayer filing a petition to the value adjustment board in the county where the new homestead property is located, the value adjustment board in that county shall, upon receiving the appeal, send a notice to the value adjustment board in the county where the previous homestead was located, which shall reconvene if it has already adjourned.

(b) Such notice operates as a petition in, and creates an appeal to, the value adjustment board in the county where the previous homestead was located of all issues surrounding the previous assessment differential for the taxpayer involved. However, the taxpayer may not petition to have the just, assessed, or taxable value of the previous homestead changed.

(c) The value adjustment board in the county where the previous homestead was located shall set the petition for hearing and notify the taxpayer, the property appraiser in the county where the previous homestead was located, the property appraiser in the county where the new homestead is located, and the value adjustment board in that county, and shall hear the appeal. Such appeal shall be heard by an attorney special magistrate if the value adjustment board in the county where the previous homestead was located uses special magistrates. The taxpayer may attend such hearing and present evidence, but need not do so. The value adjustment board in the county where the previous homestead was located shall issue a decision and send a copy of the decision to the value adjustment board in the county where the new homestead is located.

(d) In hearing the appeal in the county where the new homestead is located, that value adjustment board shall consider the decision of the value adjustment board in the county where the previous homestead was located on the issues pertaining to the previous homestead and on the amount of any assessment reduction for which the taxpayer qualifies. The value adjustment board in the county where the new homestead is located may not hold its hearing until it has received the decision from the value adjustment board in the county where the previous homestead was located.

(e) In any circuit court proceeding to review the decision of the value adjustment board in the county where the new homestead is located, the court may also review the decision of the value adjustment board in the county where the previous homestead was located.

“(1) The executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of implementing this act.

“(2) Notwithstanding any other provision of law, such emergency rules shall remain in effect for 18 months after the date of adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.”

²**Note.**—

A. Section 4, ch. 2011-93, provides that “[t]he Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules pursuant to ss. 120.536(1) and 120.54, Florida Statutes, to administer the provisions of this act. The emergency rules shall remain in effect for 6 months after the rules are adopted and the rules may be renewed during the pendency of procedures to adopt permanent rules addressing the subject of the emergency rules.”

B. Section 6, ch. 2011-93, provides that “[t]his act shall take effect upon becoming a law, and first applies to ad valorem tax rolls for 2011.”

Note.— Former s. 193.25.

194.013 Filing fees for petitions; disposition; waiver.—

(1) If so required by resolution of the value adjustment board, a petition filed pursuant to s. 194.011 shall be accompanied by a filing fee to be paid to the clerk of the value adjustment board in an amount determined by the board not to exceed \$15 for each separate parcel of property, real or personal, covered by the petition and subject to appeal. However, no such filing fee may be required with respect to an appeal from the disapproval of homestead exemption under s. 196.151 or from the denial of tax deferral under s. 197.2425. Only a single filing fee shall be charged under this section as to any particular parcel of property despite the existence of multiple issues and hearings pertaining to such parcel. For joint petitions filed pursuant to s. 194.011(3)(e) or (f), a single filing fee shall be charged. Such fee shall be calculated as the cost of the special magistrate for the time involved in hearing the joint petition and shall not exceed \$5 per parcel. Said fee is to be proportionately paid by affected parcel owners.

(2) The value adjustment board shall waive the filing fee with respect to a petition filed by a taxpayer who demonstrates at the time of filing, by an appropriate certificate or other documentation issued by the Department of Children and Family Services and submitted with the petition, that the petitioner is then an eligible recipient of temporary assistance under chapter 414.

(3) All filing fees imposed under this section shall be paid to the clerk of the value adjustment board at the time of filing. If such fees are not paid at that time, the petition shall be deemed invalid and shall be rejected.

(4) All filing fees collected by the clerk shall be allocated and utilized to defray, to the extent possible, the costs incurred in connection with the administration and operation of the value adjustment board.

¹194.014 Partial payment of ad valorem taxes; proceedings before value adjustment board.—

(1)(a) A petitioner before the value adjustment board who challenges the assessed value of property must pay all of the non-ad valorem assessments and make a partial payment of at least 75 percent of the ad valorem taxes, less the applicable discount under s. 197.162, before the taxes become delinquent pursuant to s. 197.333.

(b)1. A petitioner before the value adjustment board who challenges the denial of a classification or exemption, or the assessment based on an argument that the property was not substantially complete as of January 1, must pay all of the non-ad valorem assessments and the amount of the tax which the taxpayer admits in good faith to be owing, less the applicable discount under s. 197.162, before the taxes become delinquent pursuant to s. 197.333.

2. If the value adjustment board determines that the amount of the tax that the taxpayer has admitted to be owing pursuant to this paragraph is grossly disproportionate to the amount of the tax found to be due and that the taxpayer’s admission was not made in good faith, the tax collector must collect a penalty at the rate of 10 percent of the deficiency per year from the date the taxes became delinquent pursuant to s. 197.333.

(c) The value adjustment board must deny the petition by written decision by April 20 if the petitioner fails to make the payment required by this subsection. The clerk, upon issuance of the decision, shall, on a form provided by the Department of Revenue, notify by first-class mail each taxpayer, the property appraiser, and the department of the decision of the board.

(2) If the value adjustment board determines that the petitioner owes ad valorem taxes in excess of the amount paid, the unpaid amount accrues interest at the rate of 12 percent per year from the date the taxes became delinquent pursuant to s. 197.333 until the unpaid amount is paid. If the value adjustment board determines that a refund is due, the overpaid amount accrues interest at the rate of 12 percent per year from the date the taxes became delinquent pursuant to s. 197.333 until a refund is paid. Interest does not accrue on amounts paid in excess of 100 percent of the current taxes due as provided on the tax notice issued pursuant to s. 197.322.

(3) This section does not apply to petitions for ad valorem tax deferrals pursuant to chapter 197.

History.—s. 1, ch. 2011-181.

¹**Note.**—Section 4, ch. 2011-181, provides that “[t]his act shall take effect July 1, 2011, and shall apply to petitions filed with value adjustment boards on or after July 1, 2011.”

194.015 Value adjustment board.— There is hereby created a value adjustment board for each county, which shall consist of two members of the governing body of the county as elected from the membership of the board of said governing body, one of whom shall be elected chairperson, and one member of the school board as elected from the membership of the school board, and two citizen members, one of whom shall be appointed by the governing body of the county and must own homestead property within the county and one of whom must be appointed by the school board and must own a business occupying commercial space located within the school district. A citizen member may not be a member or an employee of any taxing authority, and may not be a person who represents property owners in any administrative or judicial review of property taxes. The members of the board may be temporarily replaced by other members of the respective boards on appointment by their respective chairpersons. Any three members shall constitute a quorum of the board, except that each quorum must include at least one member of said governing board, at least one member of the school board, and at least one citizen member and no meeting of the board shall take place unless a quorum is present. Members of the board may receive such per diem compensation as is allowed by law for state employees if both bodies elect to allow such compensation. The clerk of the governing body of the county shall be the clerk of the value adjustment board. The board shall appoint private counsel who has practiced law for over 5 years and who shall receive such compensation as may be established by the board. The private counsel may not represent the property appraiser, the tax collector, any taxing authority, or any property owner in any administrative or judicial review of property taxes. No meeting of the board shall take place unless counsel to the board is present. Two-fifths of the expenses of the board shall be borne by the district school board and three-fifths by the district county commission.

194.032 Hearing purposes; timetable.—

(1)(a) The value adjustment board shall meet not earlier than 30 days and not later than 60 days after the mailing of the notice provided in s. 194.011(1); however, no board hearing shall be held before approval of all or any part of the assessment rolls by the Department of Revenue. The board shall meet for the following purposes:

1. Hearing petitions relating to assessments filed pursuant to s. 194.011(3).
2. Hearing complaints relating to homestead exemptions as provided for under s. 196.151.
3. Hearing appeals from exemptions denied, or disputes arising from exemptions granted, upon the filing of exemption applications under s. 196.011.
4. Hearing appeals concerning ad valorem tax deferrals and classifications.

(b) Notwithstanding the provisions of paragraph (a), the value adjustment board may meet prior to the approval of the assessment rolls by the Department of Revenue, but not earlier than July 1, to hear appeals pertaining to the denial by the property appraiser of exemptions, agricultural and high-water recharge classifications, classifications as historic property used for commercial or certain nonprofit purposes, and deferrals under subparagraphs (a)2., 3., and 4. In such event, however, the board may not certify any assessments under s. 193.122 until the Department of Revenue has approved the assessments in accordance with s. 193.1142 and all hearings have been held with respect to the particular parcel under appeal.

(c) In no event may a hearing be held pursuant to this subsection relative to valuation issues prior to completion of the hearings required under s. 200.065(2)(c).

(2) The clerk of the governing body of the county shall prepare a schedule of appearances before the board based on petitions timely filed with him or her. The clerk shall notify each petitioner of the scheduled time of his or her appearance no less than 25 calendar days prior to the day of such scheduled appearance. Upon receipt of this

notification, the petitioner shall have the right to reschedule the hearing a single time by submitting to the clerk of the governing body of the county a written request to reschedule, no less than 5 calendar days before the day of the originally scheduled hearing. A copy of the property record card containing relevant information used in computing the taxpayer's current assessment shall be included with such notice, if said card was requested by the taxpayer. Such request shall be made by checking an appropriate box on the petition form. No petitioner shall be required to wait for more than 4 hours from the scheduled time; and, if his or her petition is not heard in that time, the petitioner may, at his or her option, report to the chairperson of the meeting that he or she intends to leave; and, if he or she is not heard immediately, the petitioner's administrative remedies will be deemed to be exhausted, and he or she may seek further relief as he or she deems appropriate. Failure on three occasions with respect to any single tax year to convene at the scheduled time of meetings of the board shall constitute grounds for removal from office by the Governor for neglect of duties.

(3) The board shall remain in session from day to day until all petitions, complaints, appeals, and disputes are heard. If all or any part of an assessment roll has been disapproved by the department pursuant to s. 193.1142, the board shall reconvene to hear petitions, complaints, or appeals and disputes filed upon the finally approved roll or part of a roll.

194.034 Hearing procedures; rules.—

(1)(a) Petitioners before the board may be represented by an attorney or agent and present testimony and other evidence. The property appraiser or his or her authorized representatives may be represented by an attorney in defending the property appraiser's assessment or opposing an exemption and may present testimony and other evidence. The property appraiser, each petitioner, and all witnesses shall be required, upon the request of either party, to testify under oath as administered by the chairperson of the board. Hearings shall be conducted in the manner prescribed by rules of the department, which rules shall include the right of cross-examination of any witness.

(b) Nothing herein shall preclude an aggrieved taxpayer from contesting his or her assessment in the manner provided by s. 194.171, whether or not he or she has initiated an action pursuant to s. 194.011.

(c) The rules shall provide that no evidence shall be considered by the board except when presented during the time scheduled for the petitioner's hearing or at a time when the petitioner has been given reasonable notice; that a verbatim record of the proceedings shall be made, and proof of any documentary evidence presented shall be preserved and made available to the Department of Revenue, if requested; and that further judicial proceedings shall be as provided in s. 194.036.

(d) Notwithstanding the provisions of this subsection, no petitioner may present for consideration, nor may a board or special magistrate accept for consideration, testimony or other evidentiary materials that were requested of the petitioner in writing by the property appraiser of which the petitioner had knowledge and denied to the property appraiser.

(e) Chapter 120 does not apply to hearings of the value adjustment board.

(f) An assessment may not be contested until a return required by s. 193.052 has been filed.

¹(2) In each case, except when a complaint is withdrawn by the petitioner, is acknowledged as correct by the property appraiser, or is denied pursuant to s. 194.014(1)(c), the value adjustment board shall render a written decision. All such decisions shall be issued within 20 calendar days of the last day the board is in session under s. 194.032. The decision of the board shall contain findings of fact and conclusions of law and shall include reasons for upholding or overturning the determination of the property appraiser. When a special magistrate has been appointed, the recommendations of the special magistrate shall be considered by the board. The clerk, upon issuance of the decisions, shall, on a form provided by the Department of Revenue, notify by first-class mail each taxpayer, the property appraiser, and the department of the decision of the board.

(3) Appearance before an advisory board or agency created by the county may not be required as a prerequisite condition to appearing before the value adjustment board.

(4) A condominium homeowners' association may appear before the board to present testimony and evidence regarding the assessment of condominium units which the association represents. Such testimony and evidence shall be considered by the board with respect to hearing petitions filed by individual condominium unit owners, unless the owner requests otherwise.

(5) For the purposes of review of a petition, the board may consider assessments among comparable properties within homogeneous areas or neighborhoods.

(6) For purposes of hearing joint petitions filed pursuant to s. 194.011(3)(e), each included parcel shall be considered by the board as a separate petition. Such separate petitions shall be heard consecutively by the board. If a special magistrate is appointed, such separate petitions shall all be assigned to the same special magistrate.

¹**Note.**—Section 4, ch. 2011-181, provides that “[t]his act shall take effect July 1, 2011, and shall apply to petitions filed with value adjustment boards on or after July 1, 2011.”

194.035 Special magistrates; property evaluators.—

(1) In counties having a population of more than 75,000, the board shall appoint special magistrates for the purpose of taking testimony and making recommendations to the board, which recommendations the board may act upon without further hearing. These special magistrates may not be elected or appointed officials or employees of the county but shall be selected from a list of those qualified individuals who are willing to serve as special magistrates. Employees and elected or appointed officials of a taxing jurisdiction or of the state may not serve as special magistrates. The clerk of the board shall annually notify such individuals or their professional associations to make known to them that opportunities to serve as special magistrates exist. The Department of Revenue shall provide a list of qualified special magistrates to any county with a population of 75,000 or less. Subject to appropriation, the department shall reimburse counties with a population of 75,000 or less for payments made to special magistrates appointed for the purpose of taking testimony and making recommendations to the value adjustment board pursuant to this section. The department shall establish a reasonable range for payments per case to special magistrates based on such payments in other counties. Requests for reimbursement of payments outside this range shall be justified by the county. If the total of all requests for reimbursement in any year exceeds the amount available pursuant to this section, payments to all counties shall be prorated accordingly. If a county having a population less than 75,000 does not appoint a special magistrate to hear each petition, the person or persons designated to hear petitions before the value adjustment board or the attorney appointed to advise the value adjustment board shall attend the training provided pursuant to subsection (3), regardless of whether the person would otherwise be required to attend, but shall not be required to pay the tuition fee specified in subsection (3). A special magistrate appointed to hear issues of exemptions and classifications shall be a member of The Florida Bar with no less than 5 years' experience in the area of ad valorem taxation. A special magistrate appointed to hear issues regarding the valuation of real estate shall be a state certified real estate appraiser with not less than 5 years' experience in real property valuation. A special magistrate appointed to hear issues regarding the valuation of tangible personal property shall be a designated member of a nationally recognized appraiser's organization with not less than 5 years' experience in tangible personal property valuation. A special magistrate need not be a resident of the county in which he or she serves. A special magistrate may not represent a person before the board in any tax year during which he or she has served that board as a special magistrate. Before appointing a special magistrate, a value adjustment board shall verify the special magistrate's qualifications. The value adjustment board shall ensure that the selection of special magistrates is based solely upon the experience and qualifications of the special magistrate and is not influenced by the property appraiser. The special magistrate shall accurately and completely preserve all testimony and, in making recommendations to the value adjustment board, shall include proposed findings of fact, conclusions of law, and reasons for upholding or

overturning the determination of the property appraiser. The expense of hearings before magistrates and any compensation of special magistrates shall be borne three-fifths by the board of county commissioners and two-fifths by the school board.

(2) The value adjustment board of each county may employ qualified property appraisers or evaluators to appear before the value adjustment board at that meeting of the board which is held for the purpose of hearing complaints. Such property appraisers or evaluators shall present testimony as to the just value of any property the value of which is contested before the board and shall submit to examination by the board, the taxpayer, and the property appraiser.

(3) The department shall provide and conduct training for special magistrates at least once each state fiscal year in at least five locations throughout the state. Such training shall emphasize the department's standard measures of value, including the guidelines for real and tangible personal property. Notwithstanding subsection (1), a person who has 3 years of relevant experience and who has completed the training provided by the department under this subsection may be appointed as a special magistrate. The training shall be open to the public. The department shall charge tuition fees to any person attending this training in an amount sufficient to fund the department's costs to conduct all aspects of the training. The department shall deposit the fees collected into the Certification Program Trust Fund pursuant to s. 195.002(2).

194.036 Appeals.— Appeals of the decisions of the board shall be as follows:

(1) If the property appraiser disagrees with the decision of the board, he or she may appeal the decision to the circuit court if one or more of the following criteria are met:

(a) The property appraiser determines and affirmatively asserts in any legal proceeding that there is a specific constitutional or statutory violation, or a specific violation of administrative rules, in the decision of the board, except that nothing herein shall authorize the property appraiser to institute any suit to challenge the validity of any portion of the constitution or of any duly enacted legislative act of this state;

(b) There is a variance from the property appraiser's assessed value in excess of the following: 15 percent variance from any assessment of \$50,000 or less; 10 percent variance from any assessment in excess of \$50,000 but not in excess of \$500,000; 7.5 percent variance from any assessment in excess of \$500,000 but not in excess of \$1 million; or 5 percent variance from any assessment in excess of \$1 million; or

(c) There is an assertion by the property appraiser to the Department of Revenue that there exists a consistent and continuous violation of the intent of the law or administrative rules by the value adjustment board in its decisions. The property appraiser shall notify the department of those portions of the tax roll for which the assertion is made. The department shall thereupon notify the clerk of the board who shall, within 15 days of the notification by the department, send the written decisions of the board to the department. Within 30 days of the receipt of the decisions by the department, the department shall notify the property appraiser of its decision relative to further judicial proceedings. If the department finds upon investigation that a consistent and continuous violation of the intent of the law or administrative rules by the board has occurred, it shall so inform the property appraiser, who may thereupon bring suit in circuit court against the value adjustment board for injunctive relief to prohibit continuation of the violation of the law or administrative rules and for a mandatory injunction to restore the tax roll to its just value in such amount as determined by judicial proceeding. However, when a final judicial decision is rendered as a result of an appeal filed pursuant to this paragraph which alters or changes an assessment of a parcel of property of any taxpayer not a party to such procedure, such taxpayer shall have 60 days from the date of the final judicial decision to file an action to contest such altered or changed assessment pursuant to s. 194.171(1), and the provisions of s. 194.171(2) shall not bar such action.

(2) Any taxpayer may bring an action to contest a tax assessment pursuant to s. 194.171.

(3) The circuit court proceeding shall be de novo, and the burden of proof shall be upon the party initiating the action.

History.—s. 23, ch. 83-204; s. 149, ch. 91-112; s. 982, ch. 95-147.

194.037 Disclosure of tax impact.—

(1) After hearing all petitions, complaints, appeals, and disputes, the clerk shall make public notice of the findings and results of the board in at least a quarter-page size advertisement of a standard size or tabloid size newspaper, and the headline shall be in a type no smaller than 18 point. The advertisement shall not be placed in that portion of the newspaper where legal notices and classified advertisements appear. The advertisement shall be published in a newspaper of general paid circulation in the county. The newspaper selected shall be one of general interest and readership in the community, and not one of limited subject matter, pursuant to chapter 50. The headline shall read: TAX IMPACT OF VALUE ADJUSTMENT BOARD. The public notice shall list the members of the value adjustment board and the taxing authorities to which they are elected. The form shall show, in columnar form, for each of the property classes listed under subsection (2), the following information, with appropriate column totals:

(a) In the first column, the number of parcels for which the board granted exemptions that had been denied or that had not been acted upon by the property appraiser.

(b) In the second column, the number of parcels for which petitions were filed concerning a property tax exemption.

(c) In the third column, the number of parcels for which the board considered the petition and reduced the assessment from that made by the property appraiser on the initial assessment roll.

(d) In the fourth column, the number of parcels for which petitions were filed but not considered by the board because such petitions were withdrawn or settled prior to the board's consideration.

(e) In the fifth column, the number of parcels for which petitions were filed requesting a change in assessed value, including requested changes in assessment classification.

(f) In the sixth column, the net change in taxable value from the assessor's initial roll which results from board decisions.

(g) In the seventh column, the net shift in taxes to parcels not granted relief by the board. The shift shall be computed as the amount shown in column 6 multiplied by the applicable millage rates adopted by the taxing authorities in hearings held pursuant to s. 200.065(2)(d) or adopted by vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution, but without adjustment as authorized pursuant to s. 200.065(6). If for any taxing authority the hearing has not been completed at the time the notice required herein is prepared, the millage rate used shall be that adopted in the hearing held pursuant to s. 200.065(2)(c).

(2) There must be a line entry in each of the columns described in subsection (1), for each of the following property classes:

- (a) Improved residential property, which must be identified as "Residential."
 - (b) Improved commercial property, which must be identified as "Commercial."
 - (c) Improved industrial property, utility property, leasehold interests, subsurface rights, and other property not properly attributable to other classes listed in this section, which must be identified as "Industrial and Misc."
 - (d) Agricultural property, which must be identified as "Agricultural."
 - (e) High-water recharge property, which must be identified as "High-Water Recharge."
 - (f) Historic property used for commercial or certain nonprofit purposes, which shall be identified as "Historic Commercial or Nonprofit."
 - (g) Tangible personal property, which must be identified as "Business Machinery and Equipment."
 - (h) Vacant land and nonagricultural acreage, which must be identified as "Vacant Lots and Acreage."
- (3) The form of the notice, including appropriate narrative and column descriptions, shall be prescribed by department rule and shall be brief and nontechnical to minimize confusion for the average taxpayer.

PART II

JUDICIAL REVIEW

194.171 Circuit court to have original jurisdiction in tax cases.

194.181 Parties to a tax suit.

194.192 Costs; interest on unpaid taxes; penalty.

194.211 Injunction against tax sales.

194.231 Parties in suits relating to distribution, etc., of funds to counties, etc.

194.171 Circuit court to have original jurisdiction in tax cases.—

(1) The circuit courts have original jurisdiction at law of all matters relating to property taxation. Venue is in the county where the property is located, except that venue shall be in Leon County when the property is assessed pursuant to s. 193.085(4).

(2) No action shall be brought to contest a tax assessment after 60 days from the date the assessment being contested is certified for collection under s. 193.122(2), or after 60 days from the date a decision is rendered concerning such assessment by the value adjustment board if a petition contesting the assessment had not received final action by the value adjustment board prior to extension of the roll under s. 197.323.

(3) Before an action to contest a tax assessment may be brought, the taxpayer shall pay to the collector not less than the amount of the tax which the taxpayer admits in good faith to be owing. The collector shall issue a receipt for the payment, and the receipt shall be filed with the complaint. Notwithstanding the provisions of chapter 197, payment of the taxes the taxpayer admits to be due and owing and the timely filing of an action pursuant to this section shall suspend all procedures for the collection of taxes prior to final disposition of the action.

(4) Payment of a tax shall not be deemed an admission that the tax was due and shall not prejudice the right to bring a timely action as provided in subsection (2) to challenge such tax and seek a refund.

(5) No action to contest a tax assessment may be maintained, and any such action shall be dismissed, unless all taxes on the property assessed in years after the action is brought, which the taxpayer in good faith admits to be owing, are paid before they become delinquent.

(6) The requirements of subsections (2), (3), and (5) are jurisdictional. No court shall have jurisdiction in such cases until after the requirements of both subsections (2) and (3) have been met. A court shall lose jurisdiction of a case when the taxpayer has failed to comply with the requirements of subsection (5).

Note.—Former ss. 192.21, 194.151, 196.01.

194.181 Parties to a tax suit.—

(1) The plaintiff in any tax suit shall be:

(a) The taxpayer or other person contesting the assessment of any tax, the payment of which he or she is responsible for under a statute or a person who is responsible for the entire tax payment pursuant to a contract and has the written consent of the property owner, or the condominium association, cooperative association, or homeowners' association as defined in s. 723.075 which operates the units subject to the assessment; or

(b) The property appraiser pursuant to s. 194.036.

(2) In any case brought by the taxpayer or association contesting the assessment of any property, the county property appraiser shall be party defendant. In any case brought by the property appraiser pursuant to s. 194.036(1)(a) or (b), the taxpayer shall be party defendant. In any case brought by the property appraiser pursuant to s. 194.036(1)(c), the value adjustment board shall be party defendant.

(3) In any suit involving the collection of any tax on property, as well as questions relating to tax certificates or applications for tax deeds, the tax collector charged under the law with collecting such tax shall be the defendant.

(4) In any suit involving a tax other than an ad valorem tax on property, the tax collector charged under the law with collecting such tax shall be defendant. However, this section does not apply in any instance wherein general law provides for some other person to be the party defendant.

(5) In any suit in which the assessment of any tax, or the collection of any tax, tax certificate, or tax deed is contested on the ground that it is contrary to the State Constitution, the official of the state government responsible for overall supervision of the assessment and collection of such tax shall be made a party defendant of such suit. Any such suit shall be brought in that county having venue under s. 194.171 or, when that section is inapplicable, in the Circuit Court of Leon County, and the attorney for the defendant county officer shall upon request represent the state official in any such suit or proceeding, for which he or she shall receive no additional compensation.

(6) In any suit in which the validity of any statute or regulation found in, or issued pursuant to, chapters 192-197, inclusive, is contested, the public officer affected may be a party plaintiff.

Note.—Former s. 196.03.

194.192 Costs; interest on unpaid taxes; penalty.—

(1) In any suit involving the assessment or collection of any tax, the court shall assess all costs.

(2) If the court finds that the amount of tax owed by the taxpayer is greater than the amount the taxpayer has in good faith admitted and paid, it shall enter judgment against the taxpayer for the deficiency and for interest on the deficiency at the rate of 12 percent per year from the date the tax became delinquent. If it finds that the amount of tax which the taxpayer has admitted to be owing is grossly disproportionate to the amount of tax found to be due and that the taxpayer's admission was not made in good faith, the court shall also assess a penalty at the rate of 10 percent of the deficiency per year from the date the tax became delinquent.

History.—s. 8, ch. 69-140; s. 33, ch. 70-243; s. 35, ch. 71-355; s. 2, ch. 72-239; s. 18, ch. 82-226; s. 4, ch. 96-397.

194.211 Injunction against tax sales.—In any tax suit, the court may issue injunctions to restrain the sale of real or personal property for any tax which shall appear to be contrary to law or equity, and in no case shall any complaint be dismissed because the tax assessment complained of, or the injunction asked for, involves personal property only.

194.231 Parties in suits relating to distribution, etc., of funds to counties, etc.—

(1) No court shall hereafter enter any interlocutory or final order, decree, or judgment in any case involving the validity or constitutionality of any law relating to the distribution, apportionment, or allocation of any state excise or other taxes equally to the several counties in this state under such law, until it shall be made to appear of record in the case that the party to the cause seeking such order, decree, or judgment has duly served upon the chairperson of the board of county commissioners or the chairperson of the school board of each of the counties of this state or upon both such chairpersons of said boards, depending upon whether one or both of said boards has an interest in the subject matter, written notice of the pendency of the case and thereafter of all hearings of all applications or motions for such orders, decrees of judgments in such cases, at least 5 days before all hearings.

(2) Such notice shall state the time, place and date of each such hearing and adjournments thereof, and shall be accompanied by copy of the complaint and petition, motion or application for any such order, decree, or judgment and the exhibits thereto attached, if any; and upon such service such boards of such counties having an interest in the subject matter of the case shall forthwith be and become parties to the cause, and shall be by order of the court properly aligned as parties plaintiff or defendant.

PART III ASSESSMENT: PRESUMPTION OF CORRECTNESS

194.301 Challenge to ad valorem tax assessment.

194.3015 Burden of proof.

194.301 Challenge to ad valorem tax assessment. —

(1) In any administrative or judicial action in which a taxpayer challenges an ad valorem tax assessment of value, the property appraiser's assessment is presumed correct if the appraiser proves by a preponderance of the evidence that the assessment was arrived at by complying with s. 193.011, any other applicable statutory requirements relating to classified use values or assessment caps, and professionally accepted appraisal practices, including mass appraisal standards, if appropriate. However, a taxpayer who challenges an assessment is entitled to a determination by the value adjustment board or court of the appropriateness of the appraisal methodology used in making the assessment. The value of property must be determined by an appraisal methodology that complies with the criteria of s. 193.011 and professionally accepted appraisal practices. The provisions of this subsection preempt any prior case law that is inconsistent with this subsection.

(2) In an administrative or judicial action in which an ad valorem tax assessment is challenged, the burden of proof is on the party initiating the challenge.

(a) If the challenge is to the assessed value of the property, the party initiating the challenge has the burden of proving by a preponderance of the evidence that the assessed value:

1. Does not represent the just value of the property after taking into account any applicable limits on annual increases in the value of the property;
2. Does not represent the classified use value or fractional value of the property if the property is required to be assessed based on its character or use; or
3. Is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county.

(b) If the party challenging the assessment satisfies the requirements of paragraph (a), the presumption provided in subsection (1) is overcome, and the value adjustment board or the court shall establish the assessment if there is competent, substantial evidence of value in the record which cumulatively meets the criteria of s. 193.011 and professionally accepted appraisal practices. If the record lacks such evidence, the matter must be remanded to the property appraiser with appropriate directions from the value adjustment board or the court, and the property appraiser must comply with those directions.

(c) If the revised assessment following remand is challenged, the procedures described in this section apply.

(d) If the challenge is to the classification or exemption status of the property, there is no presumption of correctness, and the party initiating the challenge has the burden of proving by a preponderance of the evidence that the classification or exempt status assigned to the property is incorrect.

History.—s. 1, ch. 97-85; s. 1, ch. 2009-121.

194.3015 Burden of proof. —

(1) It is the express intent of the Legislature that a taxpayer shall never have the burden of proving that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment. All cases establishing the every-reasonable-hypothesis standard were expressly rejected by the Legislature on the adoption of chapter 97-85, Laws of Florida. It is the further intent of the Legislature that any cases published since 1997 citing the every-reasonable-hypothesis standard are expressly rejected to the extent that they are interpretative of legislative intent.

(2) This section is intended to clarify existing law and apply retroactively.

195.0011 Short title.— Chapter 195 shall be known as the “Property Assessment Administration and Finance Law.”

History.—s. 1, ch. 73-172.

195.0012 Legislative intent.— It is declared to be the legislative purpose and intent in this entire chapter to recognize and fulfill the state’s responsibility to secure a just valuation for ad valorem tax purposes of all property and to provide for a uniform assessment as between property within each county and property in every other county or taxing district.

History.—s. 47, ch. 70-243; s. 2, ch. 73-172.

Note.— Former s. 195.111.

195.002 Supervision by Department of Revenue.—

(1) The Department of Revenue shall have general supervision of the assessment and valuation of property so that all property will be placed on the tax rolls and shall be valued according to its just valuation, as required by the constitution. It shall also have supervision over tax collection and all other aspects of the administration of such taxes. The supervision of the department shall consist primarily of aiding and assisting county officers in the assessing and

collection functions, with particular emphasis on the more technical aspects. In this regard, the department shall conduct schools to upgrade assessment skills of both state and local assessment personnel.

(2) In furtherance of its duty to conduct schools to upgrade assessment skills and collection skills, the department may establish by rule committees on admissions and certification. The department may also incur reasonable expenses for hiring instructors, travel, office operations, certificates of completion, badges or awards, food service incidental to conducting such schools, salaries and benefits of department employees whose duties are directly associated with developing and conducting such schools, and administering any certification program under s. 145.10, s. 145.11, or s. 194.035. The department may charge a tuition fee and an examination fee to any person who attends such a school and may charge a fee to certify or recertify any person under such a program. The department shall deposit such fees into the Certification Program Trust Fund which is created in the State Treasury. There shall be separate school accounts and program accounts in the trust fund for property appraisers, tax collectors, and special magistrates. The department shall use money in the fund to pay such expenses.

History.—s. 35, ch. 70-243; s. 7, ch. 74-234; s. 5, ch. 86-300; s. 25, ch. 90-203; s. 1, ch. 2008-138; s. 8, ch. 2008-197.

195.022 Forms to be prescribed by Department of Revenue.— The Department of Revenue shall prescribe all forms to be used by property appraisers, tax collectors, clerks of the circuit court, and value adjustment boards in administering and collecting ad valorem taxes. The department shall prescribe a form for each purpose. The county officer shall reproduce forms for distribution at the expense of his or her office. A county officer may use a form other than the form prescribed by the department upon obtaining written permission from the executive director of the department; however, a county officer may not use a form if the substantive content of the form varies from the form prescribed by the department for the same or a similar purpose. If the executive director finds good cause to grant such permission he or she may do so. The county officer may continue to use the approved form until the law that specifies the form is amended or repealed or until the officer receives written disapproval from the executive director. Otherwise, all such officers and their employees shall use the forms, and follow the instructions applicable to the forms, which are prescribed by the department. Upon request of any property appraiser or, in any event, at least once every 3 years, the department shall prescribe and furnish such aerial photographs and nonproperty ownership maps to the property appraisers as necessary to ensure that all real property within the state is properly listed on the roll. All photographs and maps furnished to counties with a population of 25,000 or fewer shall be paid for by the department as provided by law. For counties with a population greater than 25,000, the department shall furnish such items at the property appraiser's expense. The department may incur reasonable expenses for procuring aerial photographs and nonproperty ownership maps and may charge a fee to the respective property appraiser equal to the cost incurred. The department shall deposit such fees into the Certification Program Trust Fund created pursuant to s. 195.002. There shall be a separate account in the trust fund for the aid and assistance activity of providing aerial photographs and nonproperty ownership maps to property appraisers. The department shall use money in the fund to pay such expenses. All forms and maps and instructions relating to their use must be substantially uniform throughout the state. An officer may employ supplemental forms and maps, at the expense of his or her office, which he or she deems expedient for the purpose of administering and collecting ad valorem taxes. The forms required in ss. 193.461(3)(a) and 196.011(1) for renewal purposes must require sufficient information for the property appraiser to evaluate the changes in use since the prior year. If the property appraiser determines, in the case of a taxpayer, that he or she has insufficient current information upon which to approve the exemption, or if the information on the renewal form is inadequate for him or her to evaluate the taxable status of the property, he or she may require the resubmission of an original application.

History.—s. 37, ch. 70-243; s. 4, ch. 73-172; s. 7, ch. 74-234; s. 10, ch. 76-133; s. 2, ch. 78-185; s. 1, ch. 78-193; s. 153, ch. 91-112; s. 8, ch. 93-132; ss. 70, 71, ch. 2003-399; s. 1, ch. 2004-22; s. 2, ch. 2008-138; s. 1, ch. 2009-67.

195.027 Rules and regulations.—

(1) The Department of Revenue shall prescribe reasonable rules and regulations for the assessing and collecting of taxes, and such rules and regulations shall be followed by the property appraisers, tax collectors, clerks of the circuit

court, and value adjustment boards. It is hereby declared to be the legislative intent that the department shall formulate such rules and regulations that property will be assessed, taxes will be collected, and the administration will be uniform, just, and otherwise in compliance with the requirements of the general law and the constitution.

(2) It is the legislative intent that all counties operate on computer programs that are substantially similar and produce data which are directly comparable. The rules and regulations shall prescribe uniform standards and procedures for computer programs and operations for all programs installed in any property appraiser's office. It is the legislative intent that the department shall require a high degree of uniformity so that data will be comparable among counties and that a single audit procedure will be practical for all property appraisers' offices.

(3) The rules and regulations shall provide procedures whereby the property appraiser, the Department of Revenue, and the Auditor General shall be able to obtain access, where necessary, to financial records relating to nonhomestead property which records are required to make a determination of the proper assessment as to the particular property in question. Access to a taxpayer's records shall be provided only in those instances in which it is determined that such records are necessary to determine either the classification or the value of the taxable nonhomestead property. Access shall be provided only to those records which pertain to the property physically located in the taxing county as of January 1 of each year and to the income from such property generated in the taxing county for the year in which a proper assessment is made. All records produced by the taxpayer under this subsection shall be deemed to be confidential in the hands of the property appraiser, the department, the tax collector, and the Auditor General and shall not be divulged to any person, firm, or corporation, except upon court order or order of an administrative body having quasi-judicial powers in ad valorem tax matters, and such records are exempt from the provisions of s. 119.07(1).

(4)(a) The rules and regulations prescribed by the department shall require a return of tangible personal property which shall include:

1. A general identification and description of the property or, when more than one item constitutes a class of similar items, a description of the class.
2. The location of such property.
3. The original cost of such property and, in the case of a class of similar items, the average cost.
4. The age of such property and, in the case of a class of similar items, the average age.
5. The condition, including functional and economic depreciation or obsolescence.
6. The taxpayer's estimate of fair market value.

(b) For purposes of this subsection, a class of property shall include only those items which are substantially similar in function and use. Nothing in this chapter shall authorize the department to prescribe a return requiring information other than that contained in this subsection; nor shall the department issue or promulgate any rule or regulation directing the assessment of property by the consideration of factors other than those enumerated in s. 193.011.

(5) The rules and regulations shall require that the property appraiser deliver copies of all pleadings in court proceedings in which his or her office is involved to the Department of Revenue.

(6) The fees and costs of the sale or purchase and terms of financing shall be presumed to be usual unless the buyer or seller or agent thereof files a form which discloses the unusual fees, costs, and terms of financing. Such form shall be filed with the clerk of the circuit court at the time of recording. The rules and regulations shall prescribe an information form to be used for this purpose. Either the buyer or the seller or the agent of either shall complete the information form and certify that the form is accurate to the best of his or her knowledge and belief. The information form shall be confidential in the hands of all persons after delivery to the clerk, except that the Department of Revenue and the Auditor General shall have access to it in the execution of their official duties, and such form is exempt from the provisions of s. 119.07(1). The information form may be used in any judicial proceeding, upon a motion to produce duly made by any party to such proceedings. Failure of the clerk to obtain an information form with the recording shall not impair the validity of the recording or the conveyance. The form shall provide for a notation by the clerk

indicating the book and page number of the conveyance in the official record books of the county. The clerk shall promptly deliver all information forms received to the property appraiser for his or her custody and use.

Note.— Former s. 195.042.

195.032 Establishment of standards of value.— In furtherance of the requirement set out in s. 195.002, the Department of Revenue shall establish and promulgate standard measures of value not inconsistent with those standards provided by law, to be used by property appraisers in all counties, including taxing districts, to aid and assist them in arriving at assessments of all property. The standard measures of value shall provide guidelines for the valuation of property and methods for property appraisers to employ in arriving at the just valuation of particular types of property consistent with ss. 193.011 and 193.461. The standard measures of value shall assist the property appraiser in the valuation of property and be deemed prima facie correct, but shall not be deemed to establish the just value of any property. However, the presumption of correctness accorded an assessment made by a property appraiser shall not be impugned merely because the standard measures of value do not establish the just value of any property.

History.—s. 38, ch. 70-243; s. 12, ch. 76-133; s. 9, ch. 76-234; s. 62, ch. 82-226.

195.052 Research and tabulation of data.— The department shall conduct constant research and maintain accurate tabulations of data and conditions existing as to ad valorem taxation, shall annually publish such data as may be appropriate to facilitate fiscal policymaking, and shall annually make such recommendations to the Legislature as are necessary to ensure that property is valued according to its just value and is equitably taxed throughout the state. Such data shall include the annual percentage increase in total nonvoted ad valorem taxes levied by each city and county and shall include information on the distribution of ad valorem taxes levied among the various classifications of property, including homestead, nonhomestead residential, new construction, commercial, and industrial properties. Such data shall include the previous year's adopted millage rate, the current year's millage rate, and the current percentage increase in taxes levied above the rolled-back rate. Such data shall be published, at a minimum, on the department's website and on the websites of all property appraisers of this state, if available. Publication shall occur not later than 90 days after receipt of extended rolls for all counties pursuant to s. 193.122(7).

History.—s. 40, ch. 70-243; s. 3, ch. 82-388; s. 6, ch. 83-204; s. 9, ch. 2008-197.

195.062 Manual of instructions.—

(1) The department shall prepare and maintain a current manual of instructions for property appraisers and other officials connected with the administration of property taxes. This manual shall contain all:

- (a) Rules and regulations.
- (b) Standard measures of value.
- (c) Forms and instructions relating to the use of forms and maps.

Consistent with s. 195.032, the standard measures of value shall be adopted in general conformity with the procedures set forth in s. 120.54, but shall not have the force or effect of such rules and shall be used only to assist tax officers in the assessment of property as provided by s. 195.002. Guidelines may be updated annually to incorporate new market data, which may be in tabular form, technical changes, changes indicated by established decisions of the Supreme Court, and, if a summary of justification is set forth in the notice required under s. 120.54, other changes relevant to appropriate assessment practices or standard measurement of value. Such new data may be incorporated into the guidelines on the approval of the executive director if after notice in substantial conformity with s. 120.54 there is no objection filed with the department within 45 days, and the procedures set forth in s. 120.54 do not apply.

(2) The department may also include in such manual any other information which it deems pertinent or helpful in the administration of taxes. Such manual shall instruct that the mere recordation of a plat on previously unplatted

acreage shall not be construed as evidence of sufficient change in the character of the land to require reassessment until such time as development is begun on the platted acreage. Such manual shall be made available for distribution to the public at a nominal cost, to include cost of printing and circulation.

195.072 Cooperation of other agencies of state government.— The several departments and agencies of state government are hereby authorized and directed to render such necessary aid and assistance to the Department of Revenue as is required to enable the department to carry out its functions of insuring just valuation and equitable administration of property taxes in this state.

History.—s. 42, ch. 70-243.

195.073 Classification of property.— All items required by law to be on the assessment rolls must receive a classification based upon the use of the property. The department shall promulgate uniform definitions for all classifications. The department may designate other subclassifications of property. No assessment roll may be approved by the department which does not show proper classifications.

(1) Real property must be classified according to the assessment basis of the land into the following classes:

(a) Residential, subclassified into categories, one category for homestead property and one for nonhomestead property:

1. Single family.
2. Mobile homes.
3. Multifamily.
4. Condominiums.
5. Cooperatives.
6. Retirement homes.
- (b) Commercial and industrial.
- (c) Agricultural.
- (d) Nonagricultural acreage.
- (e) High-water recharge.
- (f) Historic property used for commercial or certain nonprofit purposes.
- (g) Exempt, wholly or partially.

- (a) Floating structures—residential.
- (b) Floating structures—nonresidential.
- (c) Mobile homes and attachments.
- (d) Household goods.
- (e) Other tangible personal property.

(3) When the tax roll is submitted to the department for approval, there shall also be appended a statement indicating the total assessed valuation of structures added to and deleted from the assessment roll for that year in each taxing jurisdiction.

(4)(a) Rules adopted pursuant to this section shall provide for the separate identification of property as prior existing property of an expanded or rebuilt business, as expansion-related property of an expanded or rebuilt

business, and as property of a new business, in the event the business qualifies for an enterprise zone property tax credit pursuant to s. 220.182, in addition to classification according to use.

(b) This subsection expires on the date specified in s. 290.016 for the expiration of the Florida Enterprise Zone Act.

(5) Rules adopted pursuant to this section shall provide for the separate identification of property granted an economic development ad valorem tax exemption, in addition to classification according to use.

(6) To the greatest extent practicable and based on existing information, all publicly owned real property required to be listed on the assessment roll shall also be separately classified according to ownership by federal, state, or local government; water management district; or other public entity.

195.084 Information exchange.—

(1) The department shall promulgate rules and regulations for the exchange of information among the department, the property appraisers' offices, the tax collector, the Auditor General, and the Office of Program Policy Analysis and Government Accountability. All records and returns of the department useful to the property appraiser or the tax collector shall be made available upon request but subject to the reasonable conditions imposed by the department. This section shall supersede statutes prohibiting disclosure only with respect to the property appraiser, the tax collector, the Auditor General, and the Office of Program Policy Analysis and Government Accountability, but the department may establish regulations setting reasonable conditions upon the access to and custody of such information. The Auditor General, the Office of Program Policy Analysis and Government Accountability, the tax collectors, and the property appraisers shall be bound by the same requirements of confidentiality as the Department of Revenue. Breach of confidentiality shall be a misdemeanor of the first degree, punishable as provided by ss. 775.082 and 775.083.

(2) All of the records of property appraisers and collectors, including, but not limited to, worksheets and property record cards, shall be made available to the Department of Revenue, the Auditor General, and the Office of Program Policy Analysis and Government Accountability. Property appraisers and collectors are hereby directed to cooperate fully with representatives of the Department of Revenue, the Auditor General, and the Office of Program Policy Analysis and Government Accountability in realizing the objectives stated in s. 195.0012.

195.087 Property appraisers and tax collectors to submit budgets to Department of Revenue.—

(1)(a) On or before June 1 of each year, every property appraiser, regardless of the form of county government, shall submit to the Department of Revenue a budget for the operation of the property appraiser's office for the ensuing fiscal year beginning October 1. The property appraiser shall submit his or her budget in the manner and form required by the department. A copy of such budget shall be furnished at the same time to the board of county commissioners. The department shall, upon proper notice to the county commission and property appraiser, review the budget request and may amend or change the budget request as it deems necessary, in order that the budget be neither inadequate nor excessive. On or before July 15, the department shall notify the property appraiser and the board of county commissioners of its tentative budget amendments and changes. Prior to August 15, the property appraiser and the board of county commissioners may submit additional information or testimony to the department respecting the budget. On or before August 15, the department shall make its final budget amendments or changes to the budget and shall provide notice thereof to the property appraiser and board of county commissioners.

(b) The Governor and Cabinet, sitting as the Administration Commission, may hear appeals from the final action of the department upon a written request being filed by the property appraiser or the presiding officer of the county commission no later than 15 days after the conclusion of the hearing held pursuant to s. 200.065(2)(d). The Administration Commission may amend the budget if it finds that any aspect of the budget is unreasonable in light of the workload of the office of the property appraiser in the county under review. The budget request as approved by

the department and as amended by the commission shall become the operating budget of the property appraiser for the ensuing fiscal year beginning October 1, except that the budget so approved may subsequently be amended under the same procedure. After final approval, the property appraiser shall make no transfer of funds between accounts without the written approval of the department. However, all moneys received by property appraisers in complying with chapter 119 shall be accounted for in the same manner as provided for in s. 218.36, for moneys received as county fees and commissions, and any such moneys may be used and expended in the same manner and to the same extent as funds budgeted for the office and no budget amendment shall be required.

(2) On or before August 1 of each year, each tax collector, regardless of the form of county government, shall submit to the Department of Revenue a budget for the operation of the tax collector's office for the ensuing fiscal year, in the manner and form prescribed by the department. A copy of such budget shall be furnished at the same time to the board of county commissioners. The department shall examine the budget and, if it is found adequate to carry on the work of the tax collector, shall approve the budget and certify it back to the tax collector. If the department finds the budget inadequate or excessive, it shall return such budget to the tax collector, together with its ruling thereon. The tax collector shall revise the budget as required and resubmit it to the department. After the final approval of the budget by the department, there shall be no reduction or increase by any officer, board, or commission without the approval of the department. However, all moneys received by tax collectors in complying with chapter 119 shall be accounted for in the same manner as provided for in s. 218.36, for moneys received as county fees and commissions, and any such moneys may be used and expended in the same manner and to the same extent as funds budgeted for the office and no budget amendment shall be required. This subsection does not apply in a county in which the office of tax collector has been abolished and the duties of that office have been transferred to another office pursuant to s. 1 (d), Art. VIII of the State Constitution or in a county in which a resolution is in effect pursuant to s. 145.022 or in any charter county where the charter specifically provides for a different method for the submission of the tax collector's budget.

(3) Any check received by the office of the collector which is returned by the bank upon which the check is drawn shall be the personal liability of the tax collector unless the collector, after due diligence to collect the returned check, forwards the returned check for prosecution to the state attorney of the circuit where the check was drawn. This subsection does not apply to ad valorem taxes, in which case the collector shall proceed under chapter 197.

(4) The property appraisers and tax collectors of this state are hereby authorized to pay any fee established by the department for attendance by an employee at a school established and conducted by the department pursuant to s. 195.002. Further, the travel and per diem expenses of such employee may be paid as set forth in s. 112.061. Property appraisers are authorized to pay a fee established by the department for the costs of aerial photographs and nonproperty ownership maps provided by the department pursuant to s. 195.022.

(5) Any property appraiser or tax collector whose budget is approved by the Department of Revenue who has not been reelected to office or is not seeking reelection shall be prohibited from making any budget amendments, transferring funds between itemized appropriations, or expending in a single month more than one-twelfth of any itemized approved appropriation following the date he or she is eliminated as a candidate or October 1, whichever comes later, without the approval of the Department of Revenue.

(6) Each property appraiser and tax collector must post their final approved budget on their official website within 30 days after adoption. Each county's official website must have a link to the websites of the property appraiser or tax collector where the final approved budget is posted. If the property appraiser or tax collector does not have an official website, the final approved budget must be posted on the county's official website.

Note.—Former ss. 193.02, 195.011.

195.092 Authority to bring and maintain suits.—

(1) The Department of Revenue shall have authority to bring and maintain such actions at law or in equity by mandamus or injunction, or otherwise, to enforce the performance of any duties of any officer or official performing duties with relation to the execution of the tax laws of the state, or to enforce obedience to any lawful order, rule, regulation, or decision of the Department of Revenue lawfully made under the authority of these tax laws. Venue for such actions shall be in the county in which the official duties of the property appraiser are to be performed.

(2) The property appraiser or any taxing authority shall have the authority to bring and maintain such actions as may be necessary to contest the validity of any rule, regulation, order, directive, or determination of any agency of the state, including, but not limited to, disapproval of all or any part of an assessment roll or a determination of assessment levels. The defendant in such actions shall be the agency head, and service of process shall be on such person or, when the head of the agency is a collegial body, its executive director, if there be one. Such action shall be brought within 60 days of the date the rule, regulation, order, directive, or determination becomes effective. Venue for such actions shall be in Leon County. The circuit court judge, upon proper motion, may agree to hear the case in the county where the property is located if trial in Leon County would result in substantial expense and inconvenience to the necessary participants. Appeal shall be to the First District Court of Appeal.

(3) No action shall be instituted to compel reappraisal of property or adjustment of the tax rolls unless the executive director has first met or in good faith has attempted to meet in conference with the affected property appraiser and has been unable to resolve differences or obtain acceptable written assurance of the implementation of a plan to ensure compliance with general law and the constitutional requirement of just value.

(4) In any action instituted against a property appraiser to compel the performance of his or her official duties, the court may order the implementation of a plan of reappraisal to be completed within a prescribed period of time. To implement its decision, the court shall have the power to:

(a) Enter such orders as are necessary to ensure that assessments shall be uniform, equitable, at just value, and otherwise in compliance with law.

(b) Maintain jurisdiction until such time as all of the requirements of the court as expressed in its order have been met.

(5) Chapter 120 shall not apply to this section.

Note.—Former ss. 196.16, 195.041.

195.096 Review of assessment rolls.—

(1) The assessment rolls of each county shall be subject to review by the Department of Revenue.

(2) The department shall conduct, no less frequently than once every 2 years, an in-depth review of the assessment rolls of each county. The department need not individually study every use-class of property set forth in s. 195.073, but shall at a minimum study the level of assessment in relation to just value of each classification specified in subsection

(3). Such in-depth review may include proceedings of the value adjustment board and the audit or review of procedures used by the counties to appraise property.

(a) The department shall, at least 30 days prior to the beginning of an in-depth review in any county, notify the property appraiser in the county of the pending review. At the request of the property appraiser, the department shall consult with the property appraiser regarding the classifications and strata to be studied, in order that the review will be useful to the property appraiser in evaluating his or her procedures.

(b) Every property appraiser whose upcoming roll is subject to an in-depth review shall, if requested by the department on or before January 1, deliver upon completion of the assessment roll a list of the parcel numbers of all parcels that did not appear on the assessment roll of the previous year, indicating the parcel number of the parent parcel from which each new parcel was created or “cut out.”

(c) In conducting assessment ratio studies, the department must use all practicable steps, including stratified statistical and analytical reviews and sale-qualification studies, to maximize the representativeness or statistical reliability of samples of properties in tests of each classification, stratum, or roll made the subject of a ratio study

published by it. The department shall document and retain records of the measures of representativeness of the properties studied in compliance with this section. Such documentation must include a record of findings used as the basis for the approval or disapproval of the tax roll in each county pursuant to s. 193.1142. In addition, to the greatest extent practicable, the department shall study assessment roll strata by subclassifications such as value groups and market areas for each classification or stratum to be studied, to maximize the representativeness of ratio study samples. For purposes of this section, the department shall rely primarily on an assessment-to-sales-ratio study in conducting assessment ratio studies in those classifications of property specified in subsection (3) for which there are adequate market sales. The department shall compute the median and the value-weighted mean for each classification or subclassification studied and for the roll as a whole.

(d) In the conduct of these reviews, the department shall adhere to all standards to which the property appraisers are required to adhere.

(e) The department and each property appraiser shall cooperate in the conduct of these reviews, and each shall make available to the other all matters and records bearing on the preparation and computation of the reviews. The property appraisers shall provide any and all data requested by the department in the conduct of the studies, including electronic data processing tapes. Any and all data and samples developed or obtained by the department in the conduct of the studies shall be confidential and exempt from the provisions of s. 119.07(1) until a presentation of the findings of the study is made to the property appraiser. After the presentation of the findings, the department shall provide any and all data requested by a property appraiser developed or obtained in the conduct of the studies, including tapes. Direct reimbursable costs of providing the data shall be borne by the party who requested it. Copies of existing data or records, whether maintained or required pursuant to law or rule, or data or records otherwise maintained, shall be submitted within 30 days from the date requested, in the case of written or printed information, and within 14 days from the date requested, in the case of computerized information.

(f) Within 120 days following the receipt of a county assessment roll by the executive director of the department pursuant to s. 193.1142(1), or within 10 days after approval of the assessment roll, whichever is later, the department shall complete the review for that county and forward its findings, including a statement of the confidence interval for the median and such other measures as may be appropriate for each classification or subclassification studied and for the roll as a whole, employing a 95-percent level of confidence, and related statistical and analytical details to the Senate and the House of Representatives committees with oversight responsibilities for taxation, and the appropriate property appraiser. Upon releasing its findings, the department shall notify the chairperson of the appropriate county commission or the corresponding official under a consolidated charter that the department's findings are available upon request. The department shall, within 90 days after receiving a written request from the chairperson of the appropriate county commission or the corresponding official under a consolidated charter, forward a copy of its findings, including the confidence interval for the median and such other measures of each classification or subclassification studied and for all the roll as a whole, and related statistical and analytical details, to the requesting party.

(3)(a) Upon completion of review pursuant to paragraph (2)(f), the department shall publish the results of reviews conducted under this section. The results must include all statistical and analytical measures computed under this section for the real property assessment roll as a whole, the personal property assessment roll as a whole, and independently for the following real property classes whenever the classes constituted 5 percent or more of the total assessed value of real property in a county on the previous tax roll:

1. Residential property that consists of one primary living unit, including, but not limited to, single-family residences, condominiums, cooperatives, and mobile homes.
2. Residential property that consists of two or more primary living units.
3. Agricultural, high-water recharge, historic property used for commercial or certain nonprofit purposes, and other use-valued property.
4. Vacant lots.
5. Nonagricultural acreage and other undeveloped parcels.

6. Improved commercial and industrial property.
7. Taxable institutional or governmental, utility, locally assessed railroad, oil, gas and mineral land, subsurface rights, and other real property.

When one of the above classes constituted less than 5 percent of the total assessed value of all real property in a county on the previous assessment roll, the department may combine it with one or more other classes of real property for purposes of assessment ratio studies or use the weighted average of the other classes for purposes of calculating the level of assessment for all real property in a county. The department shall also publish such results for any subclassifications of the classes or assessment rolls it may have chosen to study.

(b) When necessary for compliance with s. 1011.62, and for those counties not being studied in the current year, the department shall project value-weighted mean levels of assessment for each county. The department shall make its projection based upon the best information available, utilizing professionally accepted methodology, and shall separately allocate changes in total assessed value to:

1. New construction, additions, and deletions.
2. Changes in the value of the dollar.
3. Changes in the market value of property other than those attributable to changes in the value of the dollar.
4. Changes in the level of assessment.

In lieu of the statistical and analytical measures published pursuant to paragraph (a), the department shall publish details concerning the computation of estimated assessment levels and the allocation of changes in assessed value for those counties not subject to an in-depth review.

(4) It is declared to be the legislative intent that approval of the rolls by the department pursuant to s. 193.1142 and certification by the value adjustment board pursuant to s. 193.122(1) shall not be deemed to impugn the use of postcertification reviews to require adjustments in the preparation of succeeding assessment rolls to ensure that such succeeding assessment rolls do meet the constitutional mandates of just value.

(5) It is the legislative intent that the department utilize to the fullest extent practicable objective measures of market value in the conduct of reviews pursuant to this section.

(6) Reviews conducted under this section must include an evaluation of whether nonhomestead exempt values determined by the appraiser under applicable provisions of chapter 196 are correct and whether agricultural and high-water recharge classifications and classifications of historic property used for commercial and certain nonprofit purposes were granted in accordance with law.

(7) When a roll is prepared as an interim roll pursuant to s. 193.1145, the department shall compute assessment levels for both the interim roll and the final approved roll.

(8) Chapter 120 shall not apply to this section.

195.097 Postaudit notification of defects; supervision by the department.—

(1)(a) Upon evaluation of any reviews, studies, or findings of the Department of Revenue, the executive director of the department shall issue a notice to any property appraiser who the executive director has determined has one or more classes or other strata of property listed on the assessment rolls in a manner inconsistent with the requirements of law, or is otherwise not assessing in accordance with law. The executive director shall specify in his or her notice the classes or strata of property that have been improperly assessed on the prior year's roll, the nature of the defect or defects, and the requirements of the department to obtain approval of the current year's assessment roll. Such notice shall be provided to the property appraiser no later than November 15.

(b) Notwithstanding other provisions of this section, the executive director is not required to notice as a defect a class or stratum of property which, based upon the evaluation of any review, study, or finding of the department, indicates an assessment level of more than 100 percent of just value in any class or stratum of property on the prior year's tax roll.

(2) Within 15 days after receipt of a notice, but no later than December 1, the property appraiser shall either notify the executive director in writing of his or her intention to comply or request an immediate conference with the executive director for the purpose of attempting to resolve differences between the property appraiser and the executive director. Such conference shall be held no later than December 15. At the conclusion of the conference, but no later than January 1, the executive director shall issue an administrative order, which order shall incorporate the remedial steps, if any, to be taken by the property appraiser to ensure that all property on his or her rolls is assessed at just value. An administrative order shall also be issued in the case of a property appraiser who has stated his or her intention to comply.

(3) Upon receipt of an administrative order issued pursuant to this section, but not later than January 15, the property appraiser shall notify the department of his or her intent to comply with the order or of the basis for intended noncompliance. Upon receipt of a notice of intended noncompliance, the department shall take such action as it deems necessary pursuant to s. 195.092.

(4) Upon the issuance of the administrative order, the department shall commence continuing supervision of the preparation of the current rolls to ensure that every reasonable effort is being taken by the property appraiser to comply with the order. Supervision may include, but shall not be limited to, the conduct of ratio or other mass-data studies on the roll being prepared, onsite inspection of the property appraiser's office or field operations, and interviews with the property appraiser's personnel or consultants. The executive director may require the property appraiser to certify in writing the specific steps taken to comply with the administrative order. During such supervision, the executive director may seek any judicial remedy available to him or her under law to force compliance with the order, and may request removal of the property appraiser by the Governor when he or she deems such action necessary. No later than May 1, the executive director shall notify the property appraiser, in writing, as to whether he or she is in substantial compliance with the order. In the event that the executive director determines that the property appraiser is not in substantial compliance at that time, he or she shall send to the property appraiser and the governing body of each tax-levying agency in the county a notice of intent to disapprove the tax roll in whole or in part.

(5) The dates specified in this section shall be extended if the date for completion of the current or prior year's roll was extended pursuant to s. 193.023(1), or records or data requested in writing pursuant to s. 195.096(2)(e) were not submitted within the time allowed by law. The length of extension of dates specified in this section shall be equal to:

- (a) The number of days the date for completion of the rolls was extended; or
- (b) The number of days from the time the data or records were required by law to be submitted until the time received by the department.

(1)(a) The department shall periodically review the assessments of new, rebuilt, and expanded business reported according to s. 193.077(3), to ensure parity of level of assessment with other classifications of property.

(b) This subsection shall expire on the date specified in s. 290.016 for the expiration of the Florida Enterprise Zone Act.

(2) The department shall review the assessments of new and expanded businesses granted an exemption pursuant to s. 196.1995 to ensure parity of level of assessment with other classifications of property.

195.0995 Use of sales transactions data; qualification; review.—

(1) For each sales transaction disqualified by a property appraiser, the property appraiser shall document the reason for disqualification of the sale in a manner prescribed by the department.

(2) The department shall randomly sample all sales in the county to determine whether those sales were properly qualified or disqualified. If the department finds that more than 10 percent of sales qualification decisions do not fall within the applicable criteria, the department shall issue a postaudit notification of defects and shall follow the procedures set forth in s. 195.097.

195.101 Withholding of state funds.—

Appropriate remand directions to property appraiser:

Determine correct property value based upon property receiving agricultural classification

The record presented by the PAO at the hearing lacks competent, substantial evidence for establishing a revised classified use value and it is not possible to determine a classified use value for the subject property with the application of an agricultural classification. Therefore, this matter needs to be remanded to the PAO so that the PAO can determine the appropriate classification use value.

The board retains authority to make a final decision on this petition.

FINDINGS OF FACT

Hearing on October 20, 2020

The petitioner in this matter is James Odell, Jr., the co-owner of the property located at 9263 W. Wauchula Drive, Crystal River, Florida 33764 (Parcel No.: 17E18S04 3C040 1330). Barnard/US Doors Direct (dated 03/26/2019); invoice from Nature Coast Services (dated 02/01/2019); Petitioner's Business Plan (dated 01/01/2019); aerial photographs of the subject property (dated 01/17/2017, 01/12/2019, 01/18/2019, and undated with notation of Dec, Jan, Feb, 2020); photographs of the subject property (dated 01/02/2019, 04/23/2020, 05/12/2020 and 08/18/2020); application for registration - the miniature donkey registration (blank and undated); web pages on miniature donkeys (bearing print date of 10/07/2020); email from Daniel Wolfe to PAO (dated 07/10/2019); email from Pam Kong to PAO (dated 09/23/2020), and; letter from Daniel Wolfe to PAO, with attachments, affidavits and documents (dated 09/24/2020).

The testimony provided by the PAO included the following:

The subject property is comprised of approximately 6.295 acres which had been classified as agricultural when owned by the previous owner. The Petitioner acquired the subject property in 2018. The Petitioner timely filed an application for agricultural classification, was denied and timely filed an appeal.

The primary reason for the denial of the agricultural classification is because the PAO asserts that the Petitioner is not using the subject property for a bona fide agricultural purpose.

Site visits were carried out by the PAO on 01/02/2019, 03/23/2020 and 05/12/2020. Donkeys were observed on the subject property. The donkeys were observed on the back half of the property but due to a locked gate the PAO could not gain access to the back half of the property and could not determine the exact number of donkeys on the subject property. It was noted by the PAO that there did not appear to be any evidence that donkeys were kept on the front half of the property.

While the PAO acknowledged that donkeys are similar to horses in certain ways such as the type of feed they

PETITION 2020 - 2
ODELL JAMES JR

consume, the PAO asserts that donkeys and mules do not qualify for agricultural classification because donkeys and mules do not require any pedigree. The PAO stated that Citrus County PAO requires three registered brood mares and standard sized horses as opposed to miniature breeds which are considered novelty livestock. The PAO explained the differences between registered horses and registered donkeys and noted that the Petitioner has not registered his donkeys. The PAO acknowledged that the Petitioner's business plan identifies marketing miniature donkeys as livestock guardians as its goal, but questioned the validity of such an effort as being contrary to industry information. The PAO also noted that there has been no evidence presented by the Petitioner of the treatment of the soil for an agricultural purpose.

Other miniature donkey operations were researched by the PAO and it was determined that a miniature donkey operation in Orange County does not have an agricultural classification, a miniature donkey operation in Hillsborough County receives an agricultural classification for goats, and a miniature donkey operation in Alachua County receives an agricultural classification for horse breeding.

The PAO argued that miniature donkeys are not used for a bona fide agricultural use and that the size of the Petitioner's property is not sufficient for a bona fide agricultural purpose. The PAO acknowledged that horse breeding and livestock breeding are agricultural purposes, and that training and boarding horses can be an agricultural purpose, but miniature donkeys are merely pets.

The Petitioner submitted the following documents which were admitted into evidence:

Letter from Daniel Wolfe to PAO (dated 09/24/2020), with attachments, affidavits of James O'Dell, Bill Murley, Bruce Mills, Del Sandlin, and Janet Bishop, Petitioner's business plan, Petitioner's website printouts, Form 1040 profit/loss statement and documents and invoices for hay and veterinary services, which are comprised of IRS form Schedule F of the co-owner of the subject property (undated); invoices from Shamrock Stables (dated 01/04/2020 and 10/25/2020); invoices from Crystal River Animal Hospital (dated 12/19/2019 and 08/31/2019), and; patient histories from Crystal River Animal Hospital (dated 11/01/2019 - 01/02/2020), and letter from Pamela Kong to Citrus County VAB (dated 09/30/2020).

The testimony provided by the Petitioner included the following:

The Petitioner applied previously for an agricultural classification for the subject property and was denied. The Petitioner challenged the PAO's statement that full access to the property had not been provided or that further inspection was required because the PAO acknowledged that they did observe donkeys on the property. The Petitioner also questioned whether the PAO is maintaining that miniature donkeys do not qualify for agricultural classification under any circumstance. The Petitioner argued that court decisions in Florida do not support such a conclusion and that breeding miniature donkeys is an agricultural purpose sufficient to establish entitlement to an agricultural classification.

The affidavits provided by the Petitioner are from neighbors who have observed the operations and activities on the subject property and all of them show that the miniature donkey operation is a bona fide agricultural purpose. In response to the observation by the PAO that the front half of the property did not exhibit any evidence of the presence of miniature donkeys, the Petitioner explained that there are two pastures on the subject property and that the Petitioner rotates the animals between the two pastures, in keeping with good and sound agricultural practices. The Petitioner also explained that the apparent absence of any evidence of donkeys present on the front half of the property is also because the Petitioner has a tractor and harrow, and spreads the manure and keeps the pastures clean, which is also good agricultural practice.

The evidence presented by the Petitioner included documentation of the purchase of six female miniature donkeys and one male miniature donkey, as well as veterinary care for the animals. The miniature donkey operation is in its second year and has produced foals, some of which have been sold and others are almost ready to be sold. The Petitioner stated that some of the people who have purchased the miniature donkeys use them as livestock guardians and that two owners in the neighborhood use them as livestock guardians. The feed for the animals includes hay and pellets which supplements the grass on the property. The Petitioner has

ODELL JAMES JR

installed a sprinkler system to maintain the grass and a pole barn. The receipts provided by the Petitioner included evidence of the feed for and care of the miniature donkeys. The Petitioner explained that a camper was placed on the property so that the owner could be present and use it when the donkeys give birth.

In response to the PAO's argument that registration is required to show an agricultural purpose, the Petitioner stated that registration is not required to sell miniature donkeys and that registration may make the animals more valuable or be good for show but it is not required.

The Petitioner asserts that breeding miniature donkeys on the subject property is a bona fide agricultural use of the property in accordance with Florida law. The Petitioner references various case law authority and Florida statutes in support of this argument. However, the Petitioner acknowledges that there is no Florida case law directly on point.

Conclusions of Fact:

The subject property was classified agricultural when owned by the previous owner. The change in use of the subject property is that the former owner grazed cattle and the current owner breeds miniature donkeys. The PAO in part relies upon an inability to fully access all of the property as a basis for denial. The PAO also argues that there is no evidence of treatment of the soil to promote pastureland. The Petitioner has overcome the PAO decision for denial with affidavits, receipts and other documents, which show by a preponderance of the evidence that improvements have been made and the subject property is being used to breed miniature donkeys. Furthermore, the photographs introduced into evidence (particularly those taken in 2020) show that property is fenced, cleared and adequately covered in grass, such that it appears evident that the property can support a grazing operation, albeit small.

The record presented by the PAO at the hearing lacks competent, substantial evidence for establishing a revised classified use value and it is not possible to determine a classified use value for the subject property with the application of an agricultural classification. Therefore, this matter needs to be remanded to the PAO so that the PAO can determine the appropriate classification use value.

The Petitioner did not request a continuation hearing or waived such hearing.

CONCLUSIONS OF LAW

Conclusions of Law:

Florida Statute ? 193.461, provides that real property used primarily for bona fide agricultural purposes may be classified as agricultural for tax assessment purposes. The statute defines "bona fide agricultural purpose" as a good faith commercial agricultural use of land. In determining whether the use of the land for agricultural purposes is bona fide, the statute requires a focus on the actual physical use of land Love PGI Partners, LP v. Schultz, 706 So. 2d 887, 891-892 (Fla. 5th DCA 1998) approved in Schultz v. Love PGI Partners, LP, 731 So. 2d 1270 (Fla. 1999). This statute also provides enumerated factors which are to be considered, each of which will be addressed herein. ?193.461(3)(b), Fla. Stat.; see also: Schultz v. Love PGI Partners, LP, Id.

The first factor is the "length of time the land has been so used." ?193.461(3)(b)(1)(a). The PAO has asserted that they are unable to confirm the length of time, and that the agricultural classification has been removed, due to an ownership change. The Petitioner has asserted, and has introduced evidence to support his assertion, that the property has been used as his miniature donkey breeding operation since or shortly after his acquisition of the property in late 2018, and had been up and running for some time as of January 1, 2020. Furthermore, the subject property had previously been used for cattle grazing and had previously received agricultural classification. The evidence and testimony clearly show that the only things that changed from the previous owner to the current owner is that the current owner cleared brush and made certain improvements to the subject property, and maintained miniature donkeys instead of cattle.

The second factor is whether the use has been continuous. ?193.461(3)(b)(1)(b). The PAO asserts that the use has not been continuous because the agricultural classification was removed because of the ownership change. The Petitioner has asserted that the subject property was acquired for the purpose of raising and breeding miniature donkeys, that miniature donkeys have been maintained on the subject property since acquisition in 2018, and therefore the use has been continuous. The mere change in ownership of property is not, in and of

ODELL JAMES JR

Page 4

itself a sufficient basis to justify the removal of an agricultural classification. The actual use of the subject property is the primary consideration which must be applied to this factor, as well as all of the other factors. *Straughn v. Tuck*, 354 So.2d 368 (Fla. 1978). The prior use of the subject property was cattle grazing, for which the previous owner received an agricultural classification. The current use of the subject property is miniature donkey raising and breeding, which includes grazing, for which the current owner is requesting an agricultural classification. The evidence supports a continuous use of the subject property for grazing of livestock.

The third factor is the purchase price paid for the subject property. ?193.461(3)(b)(1)(c). The PAO asserts that this is not a determining factor, but did introduce the property record card for the subject property which included a reference to the purchase price paid by the Petitioner. The Petition did not introduce any evidence or testimony on this issue.

The fourth factor is the "size, as it relates to specific agricultural use". ?193.461(3)(b)(1)(d). The PAO asserts that the size is not a determining factor but questions whether the limited area of the subject property covered in grass could support an agricultural use with a commercial amount of livestock. The Petitioner asserts that the property is more than adequate in size and that the miniature donkeys are maintained either in the front half of the property or the back half of the property and that they are rotated between the two pastures in keeping with sound agricultural practices. While size may not be a determining factor, the PAO did not introduce any evidence or testimony clearly showing that the size is not adequate for breeding miniature donkeys. Conversely, the Petitioner introduced evidence and testimony showing that the subject property was adequate in size for his miniature donkey breeding operation.

The fifth factor is "whether an indicated effort has been made to care sufficiently and adequately for the land in accordance with accepted commercial agricultural practices". ?193.461(3)(b)(1)(e). The PAO asserts that this is not a determining factor but states that the Petitioner failed to show any effort to care for or maintain the property for grazing purposes. The Petitioner asserts that he has maintained the property in accordance with accepted commercial agricultural practices. In support of this assertion the Petitioner introduced evidence and testimony showing that the Petitioner has acquired and uses a tractor, mower and implements, including a harrow to spread manure and maintain the land, rotates the miniature donkeys between two pasture to keep the grass in good grazing condition, has constructed a pole barn and made other improvements, and has installed a sprinkler system to promote grass growth in the pasturing areas. While the PAO may be correct with its argument that the Petitioner has not introduced any evidence of liming or fertilizing, no evidence or testimony was offered that such efforts were needed and photographs of the subject property and documents introduced into evidence seem to support the Petitioner's assertion that he is positively maintaining the property for grazing purposes.

The sixth factor is "whether the land is under lease". ?193.461(3)(b)(1)(f). The PAO asserts that this is not a determining factor. The Petitioner did not introduce any lease or other testimony or evidence pertaining to this factor.

The seventh factor is any "other factors as may become applicable." ?193.461(3)(b)(1)(g). The PAO asserts that donkey breeding is different from horse breeding and therefore is not a bona fide commercial agricultural purpose.

The PAO distinguishes the registration of horses from the registration of mules and donkeys, which do not require any pedigree. The PAO points out that Citrus County requires three registered brood mares for agricultural classification and that miniature breeds are considered novelty livestock, which presumably would not qualify for agricultural classification. Lastly, the PAO questions whether miniature donkeys should be used as livestock guardians. The Petitioner stated that he has sold miniature donkeys as livestock guardians and that registration is not required to sell the animals.

The PAO introduced its guidelines for qualifying for an agricultural classification, including guidelines for a horse breeding operation. While the PAO is directed to annually classify all lands either as agricultural or nonagricultural (see: ?193.461, Fla. Stat.) the ultimate decision rests in the interpretation and application of the law to the subject property. The guideline of the PAO requiring registration of horses and the implied disqualification of mules and donkeys may be a helpful to the PAO in carrying out its duty to determine whether lands should be classified as agricultural, but does not appear to be supported by any statutory authority or case

law applicable. The concept that only breeding of registered horses can support an agricultural classification to the exclusion of other non-registered equines is contrary to existing Florida case law and the broad language of applicable statutes.

In order to qualify the property for an agricultural classification, the landowner must show that the land is "used primarily for bona fide agricultural purposes". Florida Statute ?193.461(5) provides that the definition of agricultural purposes "includes, but is not limited to livestock and all forms of farm product as defined in ?823.14(3)..." Id. Florida Statute ?823.14(3) provides that the definition of "farm product" includes any animal "useful to humans..." The language included in these statutes must be accorded a clear and plain meaning. The use of the word "and" at the conclusion of the definition provided in ?193.461(5), unambiguously means that an agricultural purpose can be any one or more of the enumerated items. As this statute is applied to this matter, an agricultural purpose can involve livestock, or any form of farm product. A farm product is any animal that is useful to humans.

The PAO and the Petitioner presented opposing arguments on whether miniature donkeys are to be considered livestock as that term applies to Florida Statute ?193.461. Unfortunately, the legislature did not provide a definition of livestock in this Chapter. Courts addressing this issue have looked to other authoritative sources to provide guidance on the definition of livestock to be applied to ?193.461. see: Markham v. PPI, Inc., 843 So.2d 922 (Fla. 4th DCA 2003). Applying dictionary definitions, the Court in Markham determined that "horses, cattle, sheep and other useful animals kept or raised on a farm" or "raised for profit" should be included as livestock. Id., at 925. The Court in Robbins v. Racetrack Training Center, 833 So.2d 306 (Fla. 3rd DCA 2003), reviewed and applied other statutory definitions for livestock to determine that livestock includes horses. Id., at 309.

In Florida Statute ?212.02(29) the Florida Legislature has defined livestock for purposes of the application of Tax on Sales, Use and Other Transactions to include "all animals of the equine, bovine, or swine class, including goats, sheep, mules, horses, hogs, cattle, ostriches, and other grazing animals raised for commercial purposes." Under this definition miniature donkeys would qualify as livestock as members of the equine class. In Florida Statute ?585.01(13), the Florida Legislature has defined livestock for purposes of addressing Animal Industry to include "grazing animals, such as cattle, horses, sheep, swine, goats, other hoofed animals, ostriches, emus, and rheas which are raised for private use or commercial purposes." Under this definition miniature donkeys would qualify as livestock because they are other hoofed animals raised for private use or commercial purposes, in this case the commercial purpose of breeding as explained in Petitioner's business plan. In Florida Statute ?588.13(1), the Florida Legislature has defined livestock for purposes of addressing Legal Fences and Livestock at Large to include "all animals of the equine, bovine, or swine class, including goats, sheep, mules, horses, hogs, cattle, ostriches, and other grazing animals." Again, under this definition, as a grazing animal of the equine class, a miniature donkey qualifies as livestock. In Florida Statute ?828.23, the Florida Legislature has defined livestock for purposes of addressing Animals: Cruelty; Sales; Animal Enterprise Protection to include "cattle, calves, sheep, swine, horses, mules, goats, ostriches, rheas, emus, and any other domestic animal that can or may be used in the preparation of animal products. For the purposes of ?? 828.22-828.26, 'livestock' does not include poultry and aquatic species." It may be inferred that under this definition, with the inclusion of horses and mules, miniature donkeys would be included as other domestic animals that also may similarly be used in the preparation of animal products. While none of these statutory definitions specifically apply to Florida Statute ?193.461, no statutory definition could be located which excluded or inferred the exclusion of donkeys or miniature donkeys or miniature equines as livestock and no such reference was offered or introduced by either party.

Both the PAO and the Petitioner argued that the case of Markham v. PPI, Inc., 843 So.2d 922 (Fla. 4th DCA 2003), stood as authority supporting their opposing arguments. In Markham, the Court concluded that "the phrase 'all forms of farm products and farm production' contained in section 193.461(5) 'is not meant to be a limiting phrase but rather a catch-all' and that the term 'livestock' should be given its plain meaning." Id., at 925, citing Robbins, Id., at 309. This issue was addressed by the esteemed Judge Damoorgian in the case of McLendon v. Nikolits, 211 So.3d 92 (Fla. 4th DCA 2017). That case involved land being used to raise wild birds for sale as pets. The Court carefully dissected the applicable statutes to similarly conclude that the use of the phrase "include, but are not limited to" by the Florida Legislature expresses an intent that the items listed are not exhaustive of what may be an agricultural purpose. ?193.461(5). The Court also addressed whether animals

raised to be used as pets could serve a function useful to humans and therefore be considered as a farm product as referenced in Florida Statute ?193.461(5).

The PAO emphasized that miniature donkeys are only pets and therefore cannot be considered livestock or animals which could qualify the subject property for an agricultural classification. However, the Court in McLendon, concluded that the birds in question were "'useful to humans' as entertainment and companions and, therefore, constitute a farm product as that term is used in sections 193.461(5) and 823.14(3)." Id., at 95. Arguably, even if it is assumed that the miniature donkeys were only raised to be sold as pets, the land may still qualify for an agricultural classification. However, the Petitioner introduced evidence and testimony to the effect that the miniature donkeys served other purposes useful to humans, including livestock guardians. While the PAO contested this evidence with evidence to the contrary indicating that miniature donkeys should not be used as livestock guardians, the Petitioner provided testimony that some of the miniature donkeys had already been sold as livestock guardians. This testimony establishes that miniature donkeys are useful to humans as livestock guardians, regardless of whether they are also useful to humans as pets.

The Courts in Robbins, Markham and McLendon, acknowledged to varying degrees the limitation of interpreting what the Florida Legislature has created with the language and definitions provided in Florida Statute ?193.461. The Court in Markham and the dissenting opinion in McLendon expressly acknowledged that the existing statutory interpretation necessitated an expanded and broadened understanding of what may be considered as included within the qualifying parameters of activity which may establish an agricultural activity sufficient to support an agricultural classification. In doing so, the Courts correctly concluded that it is for the Legislative Branch and not the Judicial Branch to "shape exemptions from taxation" and that it is not the purview of the Judicial Branch to "depart from the plain meaning to write tax policy." Markham, Id., at 926.

The Petitioner's appeal should be granted.

This recommendation is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired.

PETITION 2020 - 3
WARD PATRICIA E

FINDINGS OF FACT

Petition 3 (2020)

Hearing on October 14, 2020

The petitioner in this matter is Patricia Ward, the owner of the property located at 2199 Shining Dawn Lane, Lecanto, Florida 34461 (Parcel No.: 18E18S 220030 00030 0030). At the hearing on the petition, the Petitioner was represented by Jonathan Cash, and testimony and evidence were provided by Mr. Cash and by Patricia Ward.

The Property Appraisers Office (hereinafter "PAO") was represented by Robert Christensen, Kelly Carpenter and Megan McGuire and testimony and evidence were provided on behalf of the Property Appraisers Office by Ms. Carpenter and Mr. Christensen.

The PAO submitted the following documents which were admitted into evidence:

Evidence List and Summary of Testimony; Petition to the Value Adjustment Board (dated 06/30/2020, with receipt date of 07/14/2020); Letter from Patricia Moring, Esq. on behalf of Petitioner to PAO, with attachments - AGO opinions and Petition and Answer for Dissolution of Marriage (dated 12/16/2019); PAO letter to Petitioner (dated 01/02/2020); PAO letter to Petitioner (dated 01/02/2020); Property Record Card for Parcel 18E18S220030 00030 0030 (bearing print date of 10/08/2020); Property Record Card for Parcel 19E18S18 1A000 0430 (bearing print date of 10/08/2020); Application for Homestead Exemption (dated 02/27/2020); copy of Petitioner's Florida driver's license and voter registration card; copy of computer printout of 31 Pond St., South Yarmouth, MA 02664; copy of statement of electrical services from Duke Energy (January, 2020, December, 2019, and November, 2019); copy of bill for water (for 12/18/2019 and 01/17/2020); copy of bank statement (01/31/2020 and 12/31/2019); copy of automobile insurance application (bearing date sent of 10/25/2019); copy of settlement statement on the purchase of the subject property (bearing settlement date of 04/1/2019); copy of homeowners policy declaration (bearing effective date of 04/10/2019); Petitioner's affidavits of financial independence (dated 02/27/2020 and 01/30/2020); PAO denial letter to Petitioner, with return receipt and tracking (dated 06/24/2020); copy of excerpts of Florida Constitution Article VII, Section 6; Petitioner's Answer to Petition for Dissolution of Marriage (bearing e-filed date of 07/16/2019).

The testimony provided by the PAO included the following:

The subject property is a single-family residence owned by the Petitioner. The Petitioner is also co-owner of another residence which she previously shared with her estranged husband. The Petitioner has previously and continues to receive the benefit of a homestead exemption on the residence currently occupied by her estranged husband. The PAO requested and received information pertaining to Petitioner's financial independence. However, Petitioner has filed and will file her Federal tax return as "married, filing jointly." The Petitioner has asked for alimony and support as part of her divorce.

The primary reason for the denial of the homestead exemption is because the Petitioner is still receiving homestead exemption on the marital home. The Petitioner is asking the Court in the divorce proceeding for one-half interest in the marital home, partition of the marital home as well as alimony and financial support from her husband.

The Petitioner submitted the following documents which were admitted into evidence:

Affidavit as to Separate Family Units for Homestead Property (dated 10/06/2020); copy of Petitioner's Florida driver's license and voter registration card; Petitioner's form 1040 tax return for 2019; water bill (bill date of 02/14/2020); statement of electrical services from Duke Energy (December 2019); summary statement from Spectrum (December, 2019); copy of bank statements (12/31/2019); Homeowners Insurance Declarations Page from People's Trust (bearing effective date of 04/17/2020); Homeowner Insurance Declarations Change from St. John's Insurance (bearing effective date of 04/10/2019); Automobile insurance Policy Declarations (bearing effective date of 10/31/2019).

The testimony provided by the Petitioner included the following:

The Petitioner acknowledged that she had a financial interest in the marital home and will be receiving one-half of all marital assets. The Petitioner's accountant/representative stated that the Petitioner had to file a joint return.

Attachment: VAB_Decision-3 (12322 : Special Magistrates Recommended Decisions)

PETITION 2020 - 3
WARD PATRICIA E**Page 2**

Petitioner's estranged husband is not paying the Petitioner anything during the divorce process and the Petitioner maintains a separate residence from the marital home. The Petitioner does not reside in the marital home and has not done so since April, 2019. The Petitioner asserts that because the divorce is dragging on, she is being disadvantaged. The Petitioner asserts that she is financially independent.

Conclusions of Fact:

The Petitioner maintains a financial interest in the marital home and has received homestead exemption on that property. While the Petitioner has presented evidence and testimony of living separate from her husband and asserts financial independence, she is claiming and pursuing a one-half interest in the marital assets which include the marital home and she continues to hold herself out to the United States government as married by filing her tax return with her husband.

CONCLUSIONS OF LAW**Conclusions of Law:**

The issue of entitlement to homestead exemption is murky at best when a husband and wife no longer live in the marital home together. The Florida Constitution allows for a homestead exemption for "any individual or family unit or with respect to any residential unit." Art VII, 6, Fla. Const. While the term family unit is not specifically defined in this context, courts have generally found that a married couple qualifies as a family unit. (citations omitted) The issue of whether a married couple remain as a family unit for purposes of homestead exemption becomes murky when the couple no longer reside together but still have some financial, legal, or other connections. In other words, when a married couple separate but continue to link their lives together in several important ways a family unit, as contemplated in the above-mentioned reference in the Florida Constitution, may continue to exist. Only one homestead exemption is allowed for any family unit. *Endsley vs. Broward County*, 189 So.3d 938 (Fla. 4th DCA 2016).

The burden falls to the Petitioner to show that she has clearly established separate family units and all applicable facts and circumstances are determinative on this issue and not simply the representations of the Petitioner. *Op. Att'y Gen. Fla. 2005-60* (2005). While legal separation is one of the factors to be considered, it alone is not determinative. *Id.* Married couples living separately may still be considered a single-family unit if they hold themselves out and receive benefits of being married. In this matter, the Petitioner claims and is pursuing a one-half interest in the marital home and is receiving a homestead exemption on that property. This alone would not be sufficient to support the contention of the PAO that there remains only one family unit. In addition to this factor, the Petitioner continues to file joint tax returns with the Federal government. The effect of this is that the Petitioner continues to receive financial benefits available only to those persons who represent to the Federal government that they remain a married family unit. In essence, the Petitioner is attempting to justify claiming the financial benefits accorded to married family unit status to the Federal government and the financial benefits accorded to unmarried separate family unit status to the State government. By claiming to be a married family unit in order to continue to receive Federal financial benefits the Petitioner has effectively committed to the existence of a family unit for purposes of determining entitlement to homestead exemption regardless of the whether the couple is living together or apart.

Petitioner's application should be denied.

PETITION 2020 - 4
MROTEK MICHAEL

Page 1

FINDINGS OF FACT

The Petitioner in this matter is Michael Mrotek, the owner of the property located at 7856 N. Shillelagh Avenue, Crystal River, Florida (Parcel No.: 17E17S29-14100-00D0; AK No.: 3157206). At the hearing on the petition, the Petitioner was represented by Jesse Haskins, and testimony was provided by Mr. Haskins and Michael Mrotek. The Property Appraisers Office (hereinafter "PAO") was represented by Loren Levy, Kim Whitton, Herb Mack, CFE, and Dan Robbins and testimony and evidence were provided on behalf of the Property Appraiser's Office by Mr. Levy and Ms. Whitton.

The PAO submitted the following documents which were admitted into evidence:

The testimony provided by the PAO included the following:

The subject property is located in Citrus County and is comprised of approximately 10 acres, of which approximately 5 to 6 acres may be possible grazing area, all of which is the subject of Petitioner's request for an agricultural classification. The PAO inspected the subject property on 04/23/2020, 05/12/2020 and 06/29/2020. At the inspection on 04/23/2020 the PAO found the parcel heavily covered in trees with no sign or evidence of cattle being present or having been present. A water trough was observed, but it did not appear that it was hooked up to a water supply. The PAO also observed that the grass was approximately six inches tall and there as no visible evidence of cow manure, tracking or cattle activity around the pond. The PAO noted that the Petitioner advised the PAO that he had cattle on the property until the middle of April, just days before the PAO inspection but the cattle had been removed. The inspection did not support the presence of cattle on the subject property. The PAO compared photographs of the subject property from 10/19/2019 and 04/23/2020 and noted that there is not much of a change in appearance of the condition of the subject property.

Although Petitioner submitted documentation indicating that he had purchased cattle in late 2019, including Registered Angus and Purebred cattle, none of the cattle were observed on the subject property and no registration documentation or confirmation has been submitted or located. Petitioner also submitted other receipts, but all were dated after January 1, 2020. The PAO expressed some confusion and contradictions with the affidavit testimony of Willie Hamilton. The PAO questioned whether Mr. Hamilton was a lessee of the property, using the property to graze his own cattle in accordance with a 2019 grazing lease or whether he was offering testimony of observing the Petitioner's own cattle on the subject property. The confusion of how the agricultural purpose operated on the subject property is exacerbated by the absence of any farm business plan or statement as required as part of the application for agricultural classification. The PAO questioned the legitimacy

PETITION 2020 - 4
MROTEK MICHAEL**Page 2**

of the Petitioner's assertion that the cattle had to be removed from the subject property for fertilizer delivery and referenced authoritative sources in support. The PAO also questioned the legitimacy of the receipts submitted by the Petitioner to the effect that cattle being purchased that had not yet been born and the absence of the purchase on Petitioner's tax return. The PAO pointed out that the evidence of the Petitioner is confusing, contradictory and unreliable with receipts for nine head of cattle but 3/5 grazing animals being listed on the Petitioner's application and photographs of 7 head of cattle.

The PAO denied the Petitioner's application for agricultural classification because the PAO has determined that the subject property is not primarily being used for a bona fide commercial agricultural purpose and does not meet the criteria set forth in section 193.461 (3)(b).

The Petitioner submitted the following documents which were accepted into evidence:

A copy of letter from Haskins to VAB Clerk, with attachments of farm equipment supplies receipt, bills of sale dated 11/25/2019, 12/04/2019 and 12/07/2019, Yellow Rose Feed and Farm receipts, fence receipts, Affidavits of Petitioner and Willie Hamilton, soil test results, SiteOne landscape supply sales invoice, Cattlemans Feed receipt, and photographs of cattle on Petitioner's property (dated 10/09/2020); affidavit of Michael Strawn (dated 10/14/2020), and; affidavit of Jimmy Underwood (dated 10/13/2020).

The testimony provided by the Petitioner included the following:

The Petitioner stated that he has satisfied most of the statutory requirements to show that the land is being used for a bona fide agricultural purpose. The Petitioner asserts that the photographs of the subject property introduced into evidence by the PAO are not relevant and that simply clearing land is a bona fide use by itself. The Petitioner has owned the subject property since 2005 and that the land has been used for cattle since the 1800's. The Petitioner lives in Boynton Beach and travels to the subject property once a month for periods of ten days to two weeks to use the land for agricultural purposes. While the Petitioner acknowledges that the land was fallow in 2019, the land has been prepared for livestock with the installation of a well, addition of top soil, removal and trimming of trees, seeding, application of herbicide, cleaning of the pond, filling a sinkhole and the placement of feeder trays, and the Petitioner asserts that he purchased cattle in 2019.

Receipts were introduced into evidence to show the use of a tractor, digging of post holes, removal of trees and the well. Bills of sale were introduced into evidence to show that cattle were purchased and delivered to the subject property. Cattle feed receipts were introduced into evidence to show that the purchased cattle were being fed. The Petitioner asserts that the soil test results were obtained in January, 2020 to get the land prepared to graze cattle in it. The soil test results showed that the land needed fertilizer to bring the pasture back to good health and support grazing. The Petitioner stated that the cattle were moved to Hamilton's property in April when fertilizer was applied to the subject property and Hamilton's affidavit states that he helped move the cattle. The fertilizer invoice shows that the fertilizer was acquired on May 14, 2020 and Petitioner states that it was applied a few days after and that the cattle were brought back to the subject property after the fertilizer was rained into the soil. The Petitioner tendered a fence receipt dated 05/24/2020 and photographs of cattle on the property in April, August and September, 2020.

Conclusions of Fact:

The Petitioner has presented facts which support his assertion that he is attempting to operate a cattle operation of some sort on the subject property. Some of those facts are of questionable value due to the confusing, contradictory and unreliable nature or presentation. The Petitioner failed to provide an agricultural business plan as mandated by the PAO guidelines. The bills of sale for the alleged purchases of cattle were dated in December, 2019, but upon closer inspection, they are for the future delivery of cattle and do not represent an immediate delivery or otherwise provide for when delivery was to take place. The bills of sale are simply a reserved right of ownership of two angus steer and two angus heifers and delivery was to take place no sooner than seven months after birth, which would be well after January 1, 2020, and in any event could not have been until the earliest at the beginning of June, 2020. Petitioner introduced into evidence a statement of sale allegedly showing the purchase of four cattle dated 11/25/2019. However, the Petitioner's tax return for 2019, which is a

report to the U.S. government and declared by the Petitioner under penalties of perjury to be true, correct, and complete, does not include or reference any of Petitioner's alleged purchase of cattle in November or December, 2019. Petitioner failed to provide any explanation and therefore the inescapable conclusion is that the Petitioner is either making a material misrepresentation to the U.S. government or the Value Adjustment Board. In any event, this serious inconsistency severely damages the veracity and reliability of all of Petitioner's evidence. Furthermore, no evidence of the presence of the cattle on the property could be observed by the PAO when inspection took place in April, 2020. Petitioner's explanation of the absence of cattle being the result of having to fertilize the land could be plausible, but the fertilizer was not purchased until a month later and the PAO introduced evidence to the effect that the cattle did not need to be removed from the land to apply the fertilizer.

The Petitioner introduced into evidence the affidavit testimony of Jimmy Underwood and Michael Strawn. Both affiants state that they have observed the subject property and that they have observed cattle grazing on the property since late 2019. The mere observation of cattle on property, while helpful, is not determinative. The affidavits are not supported by other evidence introduced by Petitioner. It is also unclear whether the cattle referred to in the affidavits were the Petitioner's cattle or cattle grazing pursuant to the 2019 grazing lease, or someone else's cattle. The lack of consistency with the various bits of information calls into question the reliability of this evidence. The receipts provided by the Petitioner from Yellow Rose II Farm & Feed are illegible and it is not possible to decipher what they represent. The probative value of these documents is therefore very limited. The receipts from Rural King are also of very limited probative value. It is difficult, if not impossible, to determine the purpose of offering these documents as most of the items that can be read on the receipts, such as bird seed, peanuts and trail mix, do not support a showing of the existence of a commercial agricultural operation and the documents are otherwise illegible. In any event, Petitioner failed to explain what on the receipts pertained to a commercial agricultural operation and how it may so relate. The activity Petitioner presented may indicate that expenditures and effort were put toward preparing the land in 2020, but do not support the critical issue of the actual use of the land on January 1, 2020.

CONCLUSIONS OF LAW

Conclusions of Law:

The legal standard that must be applied in this matter to determine whether a property owner may be entitled to an agricultural classification is "the actual physical activity being conducted on the land." *Love PGI Partners, LP v. Schultz*, 706 So.2d 887, 891 (Fla. 5th DCA, 1998) (citations omitted). The intention of the landowner is relevant but not determinative. Only the actual use of the land is determinative of a bona fide operation. *Greenwood vs. Oates*, 251 So.2d 665 (Fla. 1971). The use of the land needs to be immediate and not speculative or anticipated. *Straughn v. Tuck*, 354 So.2d 368 (Fla. 1978). The determination of whether agricultural classification is appropriate must be based upon "the use of the property as of January 1st of the subject year." *RH Resorts, Ltd. vs. Donegan*, 881 So.2d 1152 (Fla. 5th DCA 2004), see also: *Bystrom vs. Union Land Investments, Inc.*, 477 So.2d 585 (Fla. 3rd DCA 1985). Although Petitioner testified that some effort has been made to ready the land for cattle grazing, the Petitioner failed to establish that such efforts were sufficient to ready the land for cattle grazing by January 1, 2020 or otherwise show that the subject property was in adequate condition to be used for any commercial agricultural practices on January 1, 2020.

The factors to be taken into consideration in determining whether agricultural classification is warranted are set forth in Florida Statute §193.461(3)(b), addressing bona fide agricultural purposes. It is the responsibility of the Petitioner show that there exists a bona fide agricultural use on the land. This requires an affirmative, coherent showing that the agricultural use is real, actual and genuine and not merely a sham or deception. *Champion Realty Corporation v. Burgess*, 541 So.2d 615 (Fla. 1st DCA, 1989), *Bystrom, Id.*

The burden of proof is on the Petitioner as the party challenging the classification or exemption status. Florida Statute section 194.301. That burden requires the Petitioner to show that the status assigned to the property is incorrect. The Petitioner's burden of proof does not include proving "that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment." Florida Statute section 194.3015. The burden of proof is a preponderance of the evidence. See: *CVS EGL Fruitville Sarasota FL, LLC vs. Todora*, 124 So.3d 289 (Fla.2nd DCA, 2013). The credibility and reliability of the evidence and testimony of the Petitioner has been shown to be confusing, contradictory and unreliable. Therefore, the Petitioner has failed to meet his burden of proof to show that the subject property was being used for a bona fide agricultural purpose as of January 1,

2020.

Petitioner failed to introduce sufficient credible supporting evidence of a bona fide commercial agricultural use of the land as of January 1, 2020. Fla. Stat. §193.461. Evidence of some agricultural activity on the land is not sufficient. The testimony and evidence offered by the Petitioner was not persuasive and did not overcome the testimony and evidence presented by the PAO. Evidence presented by Petitioner supporting his application seemed to show that a commercial agricultural operation may have been in the process of being developed on the subject property sometime later in 2020 but this evidence is not material to show the condition or use of the land on January 1, 2020.

The Petition should be denied.

UNDERWOOD JAMES & BRANDIE**FINDINGS OF FACT**

The Petitioners in this matter are James and Brandie Underwood, the owners of the property located at 7864 N. Shillelagh Avenue, Crystal River, Florida (Parcel No.: 17E17S29-14100-00C0; AK No.: 3161491). At the hearing on the petition, the Petitioners were represented by James Underwood, and testimony was provided by Mr. Underwood and Michael Strawn.

The Property Appraisers Office (hereinafter "PAO") was represented by Kim Whitton, Herb Mack, CFE, and Dan Robbins and testimony and evidence were provided on behalf of the Property Appraiser's Office by Ms. Whitton.

The PAO submitted the following documents which were admitted into evidence:

Evidence List and Summary of Testimony; the Petition to the Value Adjustment Board (dated 07/27/2020, with a received date of 08/05/2020); Petitioner's Application and Return for Agricultural Classification of Lands with supplement (dated 02/26/2020, with acknowledgement of receipt dated 02/28/2020); letter of denial from PAO to Petitioner (dated 06/30/2020); Notice of Disapproval of Application for Property Tax Exemption or Classification (dated 06/30/2020); letter from PAO to Petitioner (dated 03/18/2020); Farm Lease (dated 12/1/2019); list of additional information requested by PAO (undated); PAO guideline for Pasture Land (undated); map/plat of subject property (undated); property record card for the subject property (bearing print date of 09/22/2020); aerial photos of the property (dated 01/18/2019); site photos (dated 04/23/20, 05/12/2020 and 06/29/2020); Florida Statute section 193.461, and; letter from PAO to Petitioner (dated 09/3/2020).

The testimony provided by the PAO included the following:

The subject property is located in Citrus County and is comprised of approximately 10 acres. The PAO inspected the subject property on 04/23/2020, 05/12/2020 and 06/29/2020. At the inspection on 04/23/2020, the PAO observed the presence of one cow. At the inspections on 05/12/2020 and 06/29/2020, the PAO could not secure access to the property due to a locked gate and "No Trespassing" sign. The basis for the denial of an agricultural classification is the insufficiency of evidence to support such a request. No receipts, tax returns, farm business plan or other documentation has been provided by the Petitioner. The Petitioner produced a farm lease, but failed to support the authenticity of this document with any supporting financial or other documentation. The PAO questions the reliability and genuineness of the lease. The PAO requested supporting documentation from the lessee and no documentation was provided. Production of a lease for the subject property alone is not sufficient to qualify property to receive an agricultural classification. The PAO asserts that the subject property was not utilized as a bona fide commercial agricultural operation as of January 1, 2020.

The Petitioner submitted the following documents which were accepted into evidence:

A copy of Procedures for Hearings Regarding Value Adjustment Board Petitions (undated); Farm Lease (unsigned and undated); letter of denial from PAO to Petitioner (dated 06/30/2020); survey of subject property (dated 10/11/2000); photograph of mailboxes (undated); PAO guideline for Pasture Land (undated), and; Florida Statute section 823.14.

The testimony provided by the Petitioner included the following:

The Petitioner stated that he resides on the subject property and uses the property for cattle grazing in accordance with the farm lease. Petitioner stated in a summary fashion that cattle grazing is a bona fide use of the land and objected to the PAO conducting an inspection of his land without notice as a violation of Florida Statute section 810.12. The Petitioner also argued that the request by the PAO for a copy of Schedule F of his tax return is not legal pursuant to Florida Statute section 823.14, paragraph 6. Addressing the absence of cattle on the property, Petitioner explained that the lease does not provide for Petitioner to determine when cattle will be placed on the subject property. Petitioner reiterated, in summary fashion, that he has made reasonable effort to use the land for a bona fide agricultural purpose. The Petitioner acknowledged that no payments have been

UNDERWOOD JAMES & BRANDIE

made under the lease and that no cattle were on the subject property in January, 2020.

Conclusions of Fact:

The Petitioner has failed to present nearly any sufficient facts to support his assertion that he is attempting to operate a cattle operation of some sort on the subject property. The only evidence presented is the farm lease and it is of questionable value due to lack of any supporting financial or other documentation to support its authenticity. With the exception of the lease, no evidence was offered by the Petitioner to show the existence of a bona fide commercial agricultural use of the subject property. Notwithstanding the fatal absence of evidence, by Petitioner's own admission, his alleged cattle operation is to raise cattle for his own consumption and selling to friends, and no cattle were present on the subject property in January, 2020.

CONCLUSIONS OF LAW**Conclusions of Law:**

The burden of proof is on the Petitioner as the party challenging the classification or exemption status. Florida Statute section 194.301. That burden requires the Petitioner to show that the status assigned to the property is incorrect. The Petitioner's burden of proof does not include proving "that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment." Florida Statute section 194.3015. The burden of proof is a preponderance of the evidence. See: CVS EGL Fruitville Sarasota FL, LLC vs. Todora, 124 So.3d 289 (Fla.2nd DCA, 2013). The Petitioner failed to produce almost any credible and reliable evidence to support his application. Therefore, the Petitioner has failed to meet his burden of proof to show that the subject property was being used for a bona fide agricultural purpose as of January 1, 2020.

By his own testimony Petitioner acknowledged that no cattle were on the subject property in January, 2020. The critical issue for consideration is "the actual physical activity being conducted on the land." Love PGI Partners, LP v. Schultz, 706 So.2d 887, 891 (Fla. 5th DCA, 1998) (citations omitted). Only the actual use of the land is determinative of a bona fide operation and it must be immediate and not speculative. Greenwood vs. Oates, 251 So.2d 665 (Fla. 1971), Straughn v. Tuck, 354 So.2d 368 (Fla. 1978). The issue of whether agricultural classification is appropriate must be based upon "the use of the property as of January 1st of the subject year." RH Resorts, Ltd. vs. Donegan, 881 So.2d 1152 (Fla. 5th DCA 2004), see also: Bystrom vs. Union Land Investments, Inc., 477 So.2d 585 (Fla. 3rd DCA 1985). The evidence in this matter conclusively shows that as of January 1, 2020, the subject property was not being used for any bona fide commercial agricultural purpose.

The factors to be taken into consideration in determining whether agricultural classification is warranted are set forth in Florida Statute ?193.461(3)(b), addressing bona fide agricultural purposes. It is the responsibility of the Petitioner show that there exists a bona fide agricultural use on the land. This requires an affirmative, coherent showing that the agricultural use is real, actual and genuine and not merely a sham or deception. Champion Realty Corporation v. Burgess, 541 So.2d 615 (Fla. 1st DCA,1989), Bystrom, Id. There is almost a complete absence of evidence to support Petitioner's argument that his use of the land is for a real, actual and genuine agricultural purpose as defined by Florida Statutes.

Lastly, no credence is given to Petitioner's arguments of PAO violations of Florida Statutes sections 810.12 and 823.14.

The Petition should be denied.

STRAWN MICHAEL & JAMIE**FINDINGS OF FACT**

The Petitioners in this matter are Michael and Jamie Strawn, the owners of the property located at 7880 N. Shillelagh Avenue, Crystal River, Florida (Parcel No.: 17E17S29-14100-00A0; AK No.: 3223523). At the hearing on the petition, the Petitioners were represented by Michael Strawn, and testimony was provided by Mr. Strawn and James Underwood.

The Property Appraisers Office (hereinafter "PAO") was represented by Kim Whitton, Herb Mack, CFE, and Dan Robbins and testimony and evidence were provided on behalf of the Property Appraiser's Office by Ms. Whitton.

The PAO submitted the following documents which were admitted into evidence:

Evidence List and Summary of Testimony; the Petition to the Value Adjustment Board (dated 07/27/2020, with a received date of 08/05/2020); Petitioner's Application and Return for Agricultural Classification of Lands with supplement (dated 02/26/2020, with acknowledgement of receipt dated 02/28/2020); letter of denial from PAO to Petitioner (dated 06/30/2020); Notice of Disapproval of Application for Property Tax Exemption or Classification (dated 06/30/2020); property record card (bearing print date of 09/22/2020); letter from PAO to Petitioner (dated 03/18/2020); Farm Lease (dated 12/1/2019); pamphlet on Agricultural Classification of Lands (undated); map/plat of subject property (undated); aerial photos of the property (dated 01/18/2019); site photos (dated 12/03/2019, 04/23/20, 05/12/2020 and 06/29/2020); Florida Statute section 193.461, and; letter from PAO to Petitioner (dated 09/23/2020).

The testimony provided by the PAO included the following:

The subject property is located in Citrus County and is comprised of approximately 10 acres. The PAO inspected the subject property on 04/23/2020, 05/12/2020 and 06/29/2020. At the inspection on 04/23/2020, the PAO observed that there were no cattle present on the property. At the inspections on 05/12/2020 and 06/29/2020, the PAO could not secure access to the property due to a locked gate and "No Trespassing" sign. Photographs of the subject property from December, 2019 show that there were no cattle present at that time and the fencing was not complete. The basis for the denial of an agricultural classification is the insufficiency of evidence to support such a request. No receipts, tax returns, farm business plan or other documentation has been provided by the Petitioner. The Petitioner produced a farm lease, but failed to support the authenticity of this document with any supporting financial or other documentation. The PAO questions the reliability and genuineness of the lease. The PAO requested supporting documentation from the lessee and no documentation was provided. Production of a lease for the subject property alone is not sufficient to qualify property to receive an agricultural classification. The PAO denied the Petitioner's application for agricultural classification because the PAO has determined that the subject property was not primarily being used for a bona fide commercial agricultural purpose as of January 1, 2020, and does not meet the criteria set forth in section 193.461 (3)(b).

The Petitioner attempted to offer documents into evidence, however the documents were rejected and not accepted into evidence.

The testimony provided by the Petitioner included the following:

The Petitioner provided very little testimony in support of his application, but rather chose to rely on the testimony provided by his neighbor, James Underwood, at his hearing on Mr. Underwood's Petition #6, which immediately preceded the hearing in this matter. The Petitioner likewise stated in summary fashion that he has done everything pursuant to the PAO guidelines to qualify for an agricultural classification.

Conclusions of Fact:

The Petitioner has failed to present any sufficient facts to support his assertion that he is attempting to operate a cattle operation of some sort on the subject property. The only evidence presented is the farm lease, which was introduced by the PAO, and it is of questionable value due to lack of any supporting financial or other documentation to support its authenticity. With the exception of the lease, no evidence was offered by the Petitioner to show the existence of a bona fide commercial agricultural use of the subject property. The Petitioner failed to offer any evidence of the actual presence of cattle on the subject property and the PAO did not observe that any cattle were present on the subject property.

STRAWN MICHAEL & JAMIE**CONCLUSIONS OF LAW**

Conclusions of Law:

The legal standard that must be applied in this matter to determine whether a property owner may be entitled to an agricultural classification is "the actual physical activity being conducted on the land." *Love PGI Partners, LP v. The use of the land needs to be immediate and not speculative or anticipated. *Straughn v. Tuck*, 354 So.2d 368 (Fla. 1978). The determination of whether agricultural classification is appropriate must be based upon "the use of the property as of January 1st of the subject year." *RH Resorts, Ltd. vs. Donegan*, 881 So.2d 1152 (Fla. 5th DCA 2004), see also: *Bystrom vs. Union Land Investments, Inc.*, 477 So.2d 585 (Fla. 3rd DCA 1985). The Petitioner failed to offer any testimony or evidence of any effort ready the land for cattle grazing or any other agricultural purpose.

The factors to be taken into consideration in determining whether agricultural classification is warranted are set forth in Florida Statute §193.461(3)(b), addressing bona fide agricultural purposes. It is the responsibility of the Petitioner show that there exists a bona fide agricultural use on the land. This requires an affirmative, coherent showing that the agricultural use is real, actual and genuine and not merely a sham or deception. *Champion Realty Corporation v. Burgess*, 541 So.2d 615 (Fla. 1st DCA, 1989), *Bystrom, Id.* There is almost a complete absence of evidence to support Petitioner's argument that his use of the land is for a real, actual and genuine agricultural purpose as defined by Florida Statutes.

The burden of proof is on the Petitioner as the party challenging the classification or exemption status. Florida Statute section 194.301. That burden requires the Petitioner to show that the status assigned to the property is incorrect. The Petitioner's burden of proof does not include proving "that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment." Florida Statute section 194.3015. The burden of proof is a preponderance of the evidence. See: *CVS EGL Fruitville Sarasota FL, LLC vs. Todora*, 124 So.3d 289 (Fla.2nd DCA, 2013). The Petitioner failed to produce almost any credible and reliable evidence to support his application. Therefore, the Petitioner has failed to meet his burden of proof to show that the subject property was being used for a bona fide agricultural purpose as of January 1, 2020.

The Petition should be denied.

Conclusions of Law

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Since Petitioner otherwise failed to show by a preponderance of the evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner.

BARTKIEWICZ JANEVSKI DRAGICA**FINDINGS OF FACT**

The hearing for Petition 8 with Petitioner Ms. Janevski Dragicu and the County Property Appraiser, Mr. Jonathan Franke. It is noted that the petitioner provided no evidence for this hearing. Although prior to the hearing Petitioner submitted a list of sales to the County Appraiser dated as follows: 2014, 2017, 2003, 2017, 1989, and 2020, none of which offer a sound basis of comparison per the time of sale. Mr. Franke has been previously sworn and the Petitioner are duly sworn.

The subject property is a one story single family dwelling constructed in 2018 of concrete block and stucco on a slab with a wood framed high quality interior and hip roof with a fiberglass shingled roof containing with 3,406 square feet of living area and a three car garage and a caged inground swimming pool. The property is located in Pine Ridge Subdivision with frontage on the 13th tee of the golf course with a site are of 43,759 square feet.

To properly assess a Just Value for the subject property per Florida Statute 193.011, County Appraiser applied the eight factors of value.--1.) a cash value as ascertained by a sale comparison.--2.) the highest and best use as determined with a review of land sales and abutting uses.--3.) the location of the subject is located in a well occupied quality residential development with a golf course and other amenities.--4.) the size of the subject parcel is considered typical for parcels along the golf course, with the use of the most recent sales available of similar size and use potential.--5.) as an improved parcel, replacement costs with applied depreciation for an excellent condition for good construction are provided.--6.) for the subject replacement cost the County Appraiser applied 99% good for this one to two year old house.

In review of the appraisal process the income approach was not applied with no available and reasonable rental market comparables to apply for this type of property. The sales comparables, all in the same subdivision around the golf course readily support the just market value of the subject by their closest location to the subject, similar parcel size and quality of the homes.

Petitioner has failed to provide to the hearing a copy of the sales she listed with the County Appraiser. The Petitioner presented that she is a sole person living in this four bedroom house with three bathrooms, a swimming pool, marble and polished stone counter finishes with tray ceilings in the master bedroom, and a fully accoutered kitchen with top of line appliances, and that she cannot afford the taxes that go with owning such a large and beautifully finished dwelling. Special Magistrate finds it hard to believe a single person bought the subject lot and then built the subject house just for herself, but no finished transaction price is indicated on the property card. In any case the law provides for ad valorem taxation regardless of ownership distinctions. With no discussion of sales, just an oral argument about just one person occupancy, petitioner has in total failed to meet the standards of overcoming the country appraiser's estimate of the Just Value for the subject. At the same time the County Appraiser has provided an analysis according to the eight factors of valuation in F.S. 193.011. The County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support a Just Value of \$397,239.00 including the cost of sale adjustment provided by law in the 8th factor in F.S. 193.011.

PETITION 2020 - 14
MROTEK MICHAEL A

Page 1

FINDINGS OF FACT

The hearing for Petition 14 opened with Petitioner Mr. Michael Mrotek and County Appraiser Mr. Jonathan Frank present. Both are duly sworn. It is noted that the petitioner provided no evidence in exchange 15 days prior to this hearing. Mr. Mrotek attempted to submit evidence at the start of the hearing which has been rejected per the County Property Appraiser.

The subject property is a quonset and flat roof style storage building on 10.3 acres, labeled miscellaneous buildings by the County Appraiser. The construction dates to 2014 and 2015 up to 2019 as the total building was completed in stages to total approximately 10,446 square feet. For this hearing it must be noted that the County Appraiser indicated he was not allowed to measure the subject building. The only photograph available to the county is a 2018 photograph and an aerial from the county system which also shows a previous stage of construction for the basement. Measurements were taken from the aerial photography. Nevertheless, the Petitioner testified that he allowed a complete inspection from top to bottom.

The interesting feature and added value for this property is the heavily partitioned basement with is poured in place concrete for exterior walls with lower level windows and interior walls, floor, and a ceiling acting as a floor for the space above. This is not only a secure space it is a fireproof space. Yet the owner testifies there is no electrical service, no plumbing and as such no lighting for the entire space. The owner testifies that the basement is filling a hole created by his removal at his cost of a receding land filled with trash deposited and covered by the previous owner. He cured this hazard and improved the hole with an expensive concrete structure instead of gravel fill. All of the improvements were made with the owner's management his labor his hired labor and sub contractors. His only evidence to indicate an excessive valuation is the quoting of the low cost of pre engineered steel quonset portions of the building as a package of steel sheets, nuts and bolts without assembly, concrete footings and flooring. Petitioner refused to recognize the value added to the property by his labor and management of the construction which is functionally adequate to the use and thus achieves an equity gain in value above and beyond his out of pocket costs, i.e. contractor's profit.

To properly assess a Just Value for the subject property per Florida Statute 193.011, County Appraiser applied the eight factors of value.--1.) a cash value as ascertained by a sale comparison.--2.) the highest and best use as determined with a review of land sales and abutting uses.--3.) the subject is located in a well occupied residential area and appears as a remainder area of a large residentially platted subdivision and is not considered an adverse influence on the subject use, --4.) the acreage size of the subject parcel is considered with the most recent sales available of similar size and use potential,--5.) as an improved parcel, replacement costs with applied depreciation for an average condition for standard construction are provided.--6.) for the subject replacement cost the County Appraiser applied reference to Marshall Valuation Cost Service for utility building construction.

In review of the appraisal process the income approach was not applied with no available and reasonable rental market comparables to apply for this type of property without lighting, plumbing, or any electrical service per the owner. (It is noted the owner stores a volume of his personal property at the site and there is a travel trailer next to the building, likely to provide living quarters, water, and bathroom service as needed while at the site.

Petitioner's testimony begins with accusations of error and a self serving methodology statement which he fails to detail in his ad homonym presentation, with no analysis or data other than a quote on packaged steel quonset buildings. The special magistrate questioned the Petitioner to gain more information on his landfill and basement construction. In the end, the petitioner's argument basically focused on the price of the property improvements without accounting for his value added for an equity gain by curing the land fill hole problem and installing a concrete fireproof basement for his well concealed and secured personal property. He presented no sales data, nor did he volunteer his actual costs for completion of the improvements. Although the Petitioner questioned the County Appraiser for his choice of sales and cost analysis, petitioner has in total failed to meet the standards of overcoming the country appraiser's estimate of the Just Value for the subject. At the same time the County Appraiser has provided an analysis according to the eight factors of valuation in F.S. 193.011. And the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the indicated Just Value including the cost of sale adjustment provided by law in the 8th factor in F.S. 193.011.

PETITION 2020 - 18
OUPA PROPERTIES LLC

FINDINGS OF FACT

Petition 18: Findings of Fact

INTRODUCTION

The important subject of this hearing is just value. Florida law dictates that the property appraiser is responsible for presenting relevant and credible (worthy of belief) admissible evidence in support of their determination of just value. See rule 12 D-9.025 (3)(a), F.A.C. Relevant evidence, is evidence that is reasonably related, directly or indirectly, to the statutory criteria that apply to the issue under review. This description means the evidence meets or exceeds the minimum level of relevance necessary to be admitted for consideration. Also, the special magistrate must determine that the evidence presented is admissible. Admissible evidence means evidence that has been admitted into the record for consideration by the special magistrate. See rule 12 D-9.025 (2)(a) F.A.C.

If the property appraiser establishes a presumption of correctness by proving by a preponderance of the evidence that the just value assessment was arrived at by complying with section 193.011, F.S. and professionally accepted appraisal practices the petitioner must prove by a preponderance of the evidence that the property appraiser's just valuation does not represent just value or the property appraiser's just valuation is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county. See subsection 194. 301 (2) (a) F.S. as amended by chapter 2009- 121, Laws of Florida (House Bill 521). Under rule 12 D - 9.025(1), F.A.C.

There are eight factors of just valuation established by Section 193. 011, Florida Statutes. This Florida law states that in arriving at just valuation as required under S. 4, Art. VII of the State Constitution, the property appraiser shall take into consideration the following factors:

1) Present cash value - willing buyer/seller. 2) Highest and best use. 3) Location of property. 4) Quantity or size. 5) Cost of property and present replacement cost of improvements. 6) Condition of property. 7) Income of property. 8) Net proceeds of sale.

Florida court decisions have used the terms lawfully, properly, duly, and carefully to describe the standard of care required of property appraisers in considering each of the eight factors." Just value is to be determined by giving careful consideration to each of the factors contained in Florida Statute 93. 011 and by giving such weight to a factor as a particular factual situation may justify." See Florida Attorney General's opinion AGO 77-106, September 29, 1977.

After lawfully considering the factors, the property appraiser may discard entirely any factor that is not probative (indicative) of just value under the circumstances, as long as the appraisal methodology used complies with professionally accepted appraisal practices. See Mazourek V. Wal-Mart Stores, 831 So. 2d 85 (Fla. 2002) and Section 194.301, F.S. as amended by Chapter 2009-121, Laws of Florida (House Bill 521). In administrative reviews, the property appraiser is responsible for proving by a preponderance of the evidence that he or she complied with section 193. 011 by properly considering each of the eight factors in developing original just valuations. See subsection 194.301 (1), F.S.

Findings of Fact:

This petition 18 was heard on October 28, 2020. The subject property was a Publix store located at 9525 S. Suncoast Boulevard, in Homosassa. It was constructed in 2008 with 39,936 square feet of building area. Petition 20 which follows is an adjoining strip type retail shopping center with the same ownership as the subject petition 18. The testimony, opinions and evidence provided within the petition 18 hearing, where applicable, also apply to some of petition 20. The recordings for petitions 18 and 20 are separate.

Regarding written evidence, the property appraiser submitted a narrative appraisal report for this Publix subject property. The property owners representative narrative appraisal included the Publix property as well as the adjoining retail strip center property as both have the same ownership.

PETITION 2020 - 18
OUPA PROPERTIES LLC

The owner's representative for petitions 18 and 20 was Mr. Tim A. Hart with Property Tax Services, Property Tax Alliance Group, MJ Stone & associates, PA. Mr. Herb Mack was the main and lead witness for the Citrus County Property Appraiser. He was assisted by Mr. Tim Renard. These three witnesses were sworn to tell the truth, the whole truth and nothing but the truth, so help them God by Robert Sutte, special magistrate.

The special magistrate called this telephonic hearing to order about 10: 00 am. Mr. Mack provided his evidence and testified first. The property appraiser legally identified the subject property and entered into the record their values. His estimated subject property value was based upon the application of the Income approach. The property appraiser (PA) also presented a sales and cost approach to value. After a deduction of 15% for a cost of sale, the estimated property appraisers value was \$4,033,420 or \$101.00 per building square foot. This conclusion was supported by the following indicated other two values:

Cost \$3,995,030 Sales \$6,516,520

Mr. Mack provided a description of his application of the cost approach. He relied upon an application of the Calculator Section, provided by the Marshall Valuation Service. The estimated land value was \$1,037,461. This was supported by comparison of three comparable land sales. The total estimated value was \$4,700,035. After a deduction of 15 % for cost of sale, the indicated just value via the cost approach was \$ \$3,995,030 or \$101.00 per square foot of building area including the value of the land.

For the application of the income approach, the property appraiser estimated a market rent for the subject property of \$10.15per square foot for this retail store soace (39,936 S F). The gross potential income was estimated to be \$405,350. Five comparable retail rentals were provided as support for this estimate. The allowance for vacancy and rent loss was 5 %. The effective gross income was estimated to be \$385,083.

Assuming a large single tenant retail store lease would be triple net, only 5.0 % of EGI was allocated for operating expenses. The reserve for replacement allowance was 3.0 %. The estimated net annual operating income was \$354,276.

For the record, the property appraiser noted that the subject owners had not provided any requested subject property income and expense information for each of the last five years for them to consider as part of their appraisal process.

The PA's capitalization rate was 7.47 %. This was based primarily upon consideration of national published market information. Dividing the estimated net income by the selected overall capitalization rate indicated a value for the subject property of \$4,745,195. Then, 15% was deducted as for cost of sale. The resulting indicated just value for real estate only via the income approach was \$ \$4,033,416 or \$ 101.00 per building square foot including the value of the land.

The property appraiser also provided two sales of area retail properties which took place April 2016 and March 2017. These retail transactions involved building areas of 18,900 and 55,011. square feet. These buildings were constructed years 2003 and 2014. The unadjusted prices paid per square foot of building area including the value of the land were \$206.88 and \$137.47

A third comparable sale was the purchase of the subject Publix property including the adjoining retail strip center property and an out parcel in May 2015. Given a total of 54,376 square feet the unit acquisition price e was \$ 241.83 including 505,757 square feet of land (11.61 acres).

After some comparative adjustments were made to sales 1 and 2, the average unit sale price was \$191.97 per foot. 15% was deducted for cost of sale indicating a value \$163.17 per building square foot. The sales approach indicated value was \$6,516,520.

Mr. Mack considered the application of all three approaches to value. His concluded value was based upon the application of the income approach. It was his opinion that the reliability of the estimated just or market value is

PETITION 2020 - 18
OUPA PROPERTIES LLC

supported by the values indicated by the cost and sales approaches.

The property owners representative Mr. Tim Hart reported that his estimate of value was based upon his application of the income approach and it included both the petition 18 Publix property and the adjoining petition 20 multi-tenant retail property. He argued that this was appropriate because there was unity of use and unity of ownership. Mr. Mack argued that they were required by Florida law to value these two tax parcels as separate and individual real estate ownerships.

The petitioner reported that the owner of this property was a new client established about one month earlier and that no subject income and expense information had been provided to his office and this situation was not even discussed with the new client.

Mr. Hart did not develop a cost approach. He also noted that the improved sales information he provided with no specific comments were to support the reliability of his estimated value via the income approach which he relied upon.

The income approach pro forma analysis provided by Mr. Hart indicated that their average estimated rent was \$13.04 per square foot. Many pages of tabulated and published retail rental and expense information was provided as support for this income approach application.

The estimated total rentable building area was 50,330 square feet. The estimated vacancy was 6.1% indicating an effective gross income of \$616,265. The allowance for estimated operating expenses including reserves for replacements was 31.3 % of effective gross income. The resulting estimated net operating annual income was \$423,435.

The selected overall capitalization rate was 8.95% indicating a value of \$4,729,349. A minus 15% was applied for a cost of sale indicating a value for the total property of \$4,019,947 or \$79.87 per square foot of building area based upon 50,330 square feet.

The petitioners final estimated value was rounded and called \$4,025,000. Of this number, \$2,865,393 was identified for the Publix property petition 18 and \$1,159,607 was identified for the adjoining retail property petition 20. Since no information or evidence was provided to indicate that this allocation of value was market justified, this allocation was subjective. For comparison the PET reported total property appraisers estimated value for the two subject properties was \$5,665,720.

Both sides had various rebuttal arguments which were discussed in detail. Of substantial importance here is the property appraisers contention that they were obligated by Florida law to value the two subject properties individually as they were two legally identified tax parcels. This was also discussed. Mr. Tim Renard testified that Florida Statute 194.011 states that each tax parcel must be valued separately unless it is vacant land with similar adjoining land which could be valued based upon assemblage. The petitioner had no rebuttal comments. The special magistrate necessarily accepted the property appraisers' premise.

The overall review of the evidence presented indicates that both sides relied upon the application of the income approach which was appropriate and justified. Both sides provided general published information regarding such things as estimated vacancy, market rent, operating expenses and the selection of capitalization rates.

Based upon careful consideration of all verbal and written information and evidence provided, the special magistrate also concluded the following:

Insufficient information was presented by the petitioner to support a reduction in the assessment. The assessment was not proven to be incorrect.

The property appraisers assessment was developed by generally accepted appraisal methods.

PETITION 2020 - 18
OUPA PROPERTIES LLC

Page 4

The market value of the subject property is within the discretion of the property appraiser and within a reasonable range of values for the property.

The property appraiser lawfully considered the eight criteria enumerated in section 193.011, Florida Statutes.

Of substantial importance is that the special magistrate cannot consider the petitioners allocation of his total estimated market value between the two petitioned subject properties because there is no information or evidence to indicate that this allocation is market meaningful and market reliable.

CONCLUSIONS OF LAW

Petition 18: Conclusions of Law

In accordance with section 194.301 F.S., it was determined that there is competent evidence of value on record in compliance with the criteria of 193.011 and professionally accepted appraisal practice to establish an appropriate assessment for the subject property. In the professional opinion of the special magistrate, the property appraiser's evidence was credible, relevant, and sufficient. In this case, the property appraiser proved by a preponderance of the evidence that their estimation of value does not exceed just value. Therefore, the special magistrate has denied the petitioners request for any reduction in value and recommends that the property appraiser's value be upheld.

Stated another way, if the property appraiser establishes a presumption of correctness and the petitioner does not overcome the presumption of correctness the assessment stands. This decision, that tax relief is denied, means that any right the petitioner may have to bring action in circuit court is not impaired.

PETITION 2020 - 20
OUPA PROPERTIES LLC

FINDINGS OF FACT

Petition 20: Findings of Fact

INTRODUCTION

The important subject of this hearing is just value. Florida law dictates that the property appraiser is responsible for presenting relevant and credible (worthy of belief) admissible evidence in support of their determination of just value. See rule 12 D-9.025 (3)(a), F.A.C. Relevant evidence, is evidence that is reasonably related, directly or indirectly, to the statutory criteria that apply to the issue under review. This description means the evidence meets or exceeds the minimum level of relevance necessary to be admitted for consideration. Also, the special magistrate must determine that the evidence presented is admissible. Admissible evidence means evidence that has been admitted into the record for consideration by the special magistrate. See rule 12 D-9.025 (2)(a) F.A.C.

If the property appraiser establishes a presumption of correctness by proving by a preponderance of the evidence that the just value assessment was arrived at by complying with section 193.011, F.S. and professionally accepted appraisal practices the petitioner must prove by a preponderance of the evidence that the property appraiser's just valuation does not represent just value or the property appraiser's just valuation is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county. See subsection 194. 301 (2) (a) F.S. as amended by chapter 2009- 121, Laws of Florida (House Bill 521). Under rule 12 D - 9.025(1), F.A.C.

There are eight factors of just valuation established by Section 193. 011, Florida Statutes. This Florida law states that in arriving at just valuation as required under S. 4, Art. VII of the State Constitution, the property appraiser shall take into consideration the following factors:

1) Present cash value - willing buyer/seller. 2) Highest and best use. 3) Location of property. 4) Quantity or size. 5) Cost of property and present replacement cost of improvements. 6) Condition of property. 7) Income of property. 8) Net proceeds of sale.

Florida court decisions have used the terms lawfully, properly, duly, and carefully to describe the standard of care required of property appraisers in considering each of the eight factors." Just value is to be determined by giving careful consideration to each of the factors contained in Florida Statute 93. 011 and by giving such weight to a factor as a particular factual situation may justify." See Florida Attorney General's opinion AGO 77-106, September 29, 1977.

After lawfully considering the factors, the property appraiser may discard entirely any factor that is not probative (indicative) of just value under the circumstances, as long as the appraisal methodology used complies with professionally accepted appraisal practices. See Mazourek V. Wal-Mart Stores, 831 So. 2d 85 (Fla. 2002) and Section 194.301, F.S. as amended by Chapter 2009-121, Laws of Florida (House Bill 521). In administrative reviews, the property appraiser is responsible for proving by a preponderance of the evidence that he or she complied with section 193. 011 by properly considering each of the eight factors in developing original just valuations. See subsection 194.301 (1), F.S.

Findings of Fact:

This petition 20 was heard on October 28, 2020. The subject property was a strip type retail shopping center adjoining the petition 18 Publix property. This center is located at 9429 S. Suncoast Boulevard, in Homosassa. It was contracted in 2007 with 14,400 square feet of building area. The testimony, opinions and evidence provided within the petition 18 hearing, where applicable, also applies to petition 20. The recordings for petitions 18 and 20 are separate.

Regarding written evidence, the property appraiser submitted a narrative appraisal report for this subject property. The property owners representative narrative appraisal included the petition 20 property as well as the Publix property included with petition 18. Both retail properties have unity of use and unity of ownership.

PETITION 2020 - 20
OUPA PROPERTIES LLC

The owner's representative for petitions 18 and 20 was Mr. Tim A. Hart with Property Tax Services, Property Tax Alliance Group, MJ Stone & associates, PA.

Mr. Herb Mack was the main and lead witness for the Citrus County Property Appraiser. He was assisted by Mr. Tim Renard. These three witnesses were sworn to tell the truth, the whole truth and nothing but the truth, so help them God by Robert Sutte, special magistrate at the beginning of the earlier today petition 18 hearing. It should also be noted that at the conclusion of that hearing Mr. Hart reported that he was obligated to attend another hearing and asked that his evidence presented for petition 18, which also applied to petition 20, be considered in his absence.

The special magistrate called this hearing to order at 1:10pm. Mr. Mack provided his evidence and testimony. The property appraiser legally identified the subject property and entered into the record their values. His estimated subject property value was based upon the application of the income approach. The property appraiser (PA) also presented a sales and cost approach to value. After a deduction of 15% for a cost of sale, the estimated property appraisers value was \$4,033,420, which was supported by the following indicated values:

The special magistrate called this telephonic hearing to order about 10: 00 am. Mr. Mack provided his evidence and testified first. The property appraiser legally identified the subject property and entered into the record their values. His estimated subject property value was based upon the application of the Income approach. The property appraiser (PA) also presented a sales and cost approach to value. After a deduction of 15% for a cost of sale, the estimated property appraisers value was \$1,632,300 or xxxx per square foot of building area including the value of the land This conclusion was supported by the following indicated other two values:

Cost \$1,732,970 Sales \$2,120,911

Mr. Mack provided a description of the cost approach. He relied upon an application of the Calculator Section, provided by the Marshall Valuation Service. The estimated land value was \$872,329. This was supported by comparison of three comparable land sales. The total estimated value was \$2,038,788. After a deduction of 15 % for cost of sale, the indicated just value via the cost approach was \$1,732,970.

For the application of the income approach, the property appraiser estimated an average market rent for the subject multi-tenant retail property of \$17.20 per square foot. This retail store space included 14,400 S .F. The gross potential income was estimated to be \$247,680. Eight comparable retail rentals were provided as support for this estimate. The allowance for vacancy and rent loss was 15.0 %. Operating expenses were estimated to be 25% of effective gross income net which included 2% for reserves for replacements. The estimated annual net operating income was \$157,911.

For the record, the property appraiser noted that the subject owners had not provided any requested subject property income and expense information for each of the last five years for them to consider as part of their appraisal process.

The PA's capitalization rate was 8.22 %. This was based primarily upon consideration of national published market information. Dividing the estimated net income by the selected overall capitalization rate indicated a value for the subject property of \$1,920,354. Then, 15% was detected as for cost of sale. The resulting indicated just value for real estate only via the income approach was \$1,632,301.

The property appraiser also provided two sales of area retail properties which took place February 2018 and December 2017. These retail transactions involved building areas of 60,498 and 11,000 square feet. These buildings were constructed years 2006 and 1996. The unadjusted prices paid per square foot of building area including the value of the land were \$158.91 and \$119.09.

A third comparable sale was the purchase of the subject petition 20 Shoppes of Sugarmill Woods, the adjoining Publix property and a vacant land out parcel in May 2015. Given the total purchase price of \$13,150,000 for

PETITION 2020 - 20
OUPA PROPERTIES LLC

54,376 building square feet, the unit acquisition price was \$ 241.83 including 505,757 square feet of land (11.61 acres).

The average un- adjusted unit sale price was \$173.28. Given 14,400 feet of subject space indicates a value of \$2,495,189. 15% was deducted for cost of sale indicating a value \$147.29per building square foot. The sales approach indicated value was \$2,120,911.

Mr. Mack considered the application of all three approaches to value. His concluded value was based upon the application of the income approach. It was his opinion that the reliability of the estimated just or market value is supported by the values indicated by the cost and sales approaches.

As noted earlier, the property owners representative testified regarding the value of this petition 20 property as part of his testimony for the petition 18 property which was conducted prior to this hearing. Because of another obligation, Mr. Hart noted that he could not attend this second hearing telephonically and asked that his appraisal - valuation information and testimony be considered for petition 20 in absentia. The following is the special magistrates reporting of that testimony and information provided for petition 18.

The property owners representative Mr. Tim Hart, reported that his estimate of value was based upon his application of the income approach and it included both the petition 18 Publix property and the adjoining petition 20 multi- tenant retail property. He argued that this was appropriate because there was unity of use and unity of ownership. Mr. Mack argued that they were required by Florida law to value these two tax parcels as separate and individual real estate ownerships.

The petitioner reported that the owner of this property was a new client established about one month earlier and that no subject income and expense information had been provided to his office and this situation was not even discussed with the new client.

Mr. Hart did not develop a cost approach. He also noted that the improved sales information he provided with no specific comments were to support the reliability of his estimated value via the income approach which he relied upon.

The income approach pro forma analysis provided by Mr. Hart indicated that their average estimated rent was \$13.04 per square foot. Many pages of tabulated and published retail rental and expense information was provided as support for this income approach application.

The estimated total rentable building area was 50,330 square feet. The estimated vacancy was 6.1% indicating an effective gross income of \$616,265. The allowance for estimated operating expenses including reserves for replacements was 31.3 % of effective gross income. The resulting estimated net operating annual income was \$423,435.

The selected overall capitalization rate was 8.95% indicating a value of \$4,729,349. A minus 15% was applied for a cost of sale indicating a value for the total property of \$4,019,947 or \$79.87 per square foot of building area based upon 50,330 square feet.

The petitioners final estimated value was rounded and called \$4,025,000. Of this number, \$2,865,393 was identified for the Publix property petition 18 and \$1,159,607 was identified for the adjoining retail property petition 20. Since no information or evidence was provided to indicate that this allocation of value was market justified, this allocation was subjective. For comparison the PET reported total property appraisers estimated value for the two subject properties was \$5,665,720.

Both sides had various rebuttal arguments which were discussed in detail. Of substantial importance here is the property appraisers contention that they were obligated by Florida law to value the two subject properties individually as they were two legally identified tax parcels. This was also discussed. Mr. Tim Renard testified that Florida Statute 194.011 states that each tax parcel must be valued separately unless it is vacant land with similar

adjoining land which could be valued based upon assemblage. The petitioner had no rebuttal comments. The special magistrate necessarily accepted the property appraisers premise.

The overall review of the evidence presented indicates that both sides relied upon the application of the income approach which was appropriate and justified. Both sides provided general published information regarding such things as estimated vacancy, market rent, operating expenses and the selection of capitalization rates.

Based upon careful consideration of all verbal and written information and evidence provided, the special magistrate also concluded the following:

Insufficient information was presented by the petitioner to support a reduction in the assessment. The assessment was not proven to be incorrect.

The property appraisers assessment was developed by generally accepted appraisal methods.

The market value of the subject property is within the discretion of the property appraiser and within a reasonable range of values for the property.

The property appraiser lawfully considered the eight criteria enumerated in section 193.011, Florida Statutes.

Of substantial importance is that the special magistrate cannot consider the petitioners allocation of his total estimated market value between the two petitioned subject properties because there is no information or evidence to indicate that this allocation is market meaningful and market reliable.

CONCLUSIONS OF LAW

Petition 20: Conclusions of Law

In accordance with section 194.301 F.S., it was determined that there is competent evidence of value on record in compliance with the criteria of 193.011 and professionally accepted appraisal practice to establish an appropriate assessment for the subject property. In the professional opinion of the special magistrate, the property appraiser's evidence was credible, relevant, and sufficient. In this case, the property appraiser proved by a preponderance of the evidence that their estimation of value does not exceed just value. Therefore, the special magistrate has denied the petitioners request for any reduction in value and recommends that the property appraiser's value be upheld.

Stated another way, if the property appraiser establishes a presumption of correctness and the petitioner does not overcome the presumption of correctness the assessment stands. This decision, that tax relief is denied, means that any right the petitioner may have to bring action in circuit court is not impaired.

Final Decision of the Value Adjustment Board

HUGHES WAYNE**FINDINGS OF FACT**

The hearing for Petition 27 scheduled for 2:00 P.M. opened in absentia with the Petitioner not present; however, Petitioner requested that the hearing proceed in his absence. Petitioner has not presented any evidence for this hearing. As such, the County Property Appraiser, Mr. Jonathan Franke, previously, sworn testifies with evidence for the making of the assessment on the subject property.

The subject property is a one story single family dwelling constructed in 2011 of concrete block and stucco on a slab with a wood framed interior and hip roof with asphalt/fiberglass shingled roof containing 1,384 square feet of living area with three bedrooms, two baths, and a two car attached garage.

To properly assess a Just Value for the subject property per Florida Statute 193.011, County Appraiser applied the eight factors of value.--1.) a cash value as ascertained by a sale comparison.--2.) the highest and best use as determined with a review of land sales and abutting uses.--3.) the location of the subject is located in a well occupied complimentary large subdivision in Citrus Springs. --4.) the size of the subject parcel is considered with the most recent sales available of similar size and use potential,--5.) as an improved parcel, replacement costs with applied depreciation for an average condition for standard construction are provided.--6.) for the subject replacement cost the County Appraiser applied on line cost data in the county mass appraisal system with an effective age equal to the date of construction allocating normal depreciation for an eight year old building.

In review of the appraisal process the income approach was not applied with no available and reasonable rental market comparables to apply for this type of property. The sales comparables numbering numbering six properly bracket the subject property with an average price of \$143,650 that readily supports the just market value of the subject with similar locations, similar parcel size and similar aged homes for a factor 8 final adjusted Just Value of \$131,014.

Petitioner has failed to appear and failed to provide to the County Appraiser any evidence 15 days prior to this hearing and for submission and use in this hearing. Without the Petitioner present to question the County Appraiser for his choice of sales and cost analysis, petitioner has in total failed to meet the standards of overcoming the country appraiser's estimate of the Just Value for the subject. The letter submitted by the Petitioner is a complaint about his taxes going up from the previous owner. A legal situation that is beyond consideration of this hearing. The County Appraiser has provided an analysis according to the eight factors of valuation in F.S. 193.011. The County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support for a Just Value including the cost of sale adjustment provided by law in the 8th factor in F.S. 193.011.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show any evidence to overcome the property appraiser's indication of Just Value per the criteria in F.S. 193.011. Relief is denied. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

PETITION 2020 - 28**Page 1****NELSKI DENNIS****FINDINGS OF FACT**

Hearing on October 14, 2020

Petitions 28 and 29 were heard together. The petitioner in both of these matters is Dennis Nelski, the owner, individually and/or as Trustee of the Dennis Nelski Trust, of the property located at 13275 Old Jones Road, Floral City, Florida 34436 (Parcel No.: 19E21S11 24000), and 13263 Old Jones Road, Floral City, Florida 34436 (Parcel No.: 19E21S11 24100), which are Petitions 28 and 29, respectively. At the hearing on the petition, the Petitioner was represented by Dennis Nelski, and testimony and evidence were provided by Mr. Nelski and testimony was also provided by Joe Smith.

The Property Appraisers Office (hereinafter "PAO") was represented by Kim Whitton and testimony and evidence were provided on behalf of the Property Appraisers Office by Ms. Whitton, and testimony was also provided by Herb Mack.

The PAO submitted the following documents which were admitted into evidence:

Evidence List and Summary of Testimony; copy of Florida Statute section 193.461 (3)(b), with comments; Petition to the Value Adjustment Board (dated 09/03/2020); Application and Return for Agricultural Classification of Lands, and Supplement (dated 10/15/2019, bearing a received date of 12/09/2019); a copy of Petitioner's business card and Premises Identification card; Petitioner's IRS Form 1040, Schedule F for 2018; PAO denial letter to Petitioner (dated 06/30/2020); Notice of Disapproval of Application for Property Tax Exemption or Classification (dated 06/30/2020); Florida Statute section 193.461; Property Record Card for Parcel 19E21S11 24100, (Petition 29), (bearing print date of 09/17/2020); Property Record Card for Parcel 18E19S04 21300, apparently an unrelated property (bearing print date of 09/17/2020); aerial photographs of subject property (dated 02/02/2020 and 02/03/2020); photographs of the subject property (dated 04/25/2019 and 05/29/2020); PAO letter to Petitioner (dated 03/11/2020); Petitioner's business card and comments; receipts for cows (bearing dates of 08/07/2018 and 06/19/2018); Petitioner's credit card statements for September and October, 2019; Petitioner's letter to PAO (undated); Petitioner's IRS Form 1040, Schedule F for 2019, 2018 and 2017 with depreciation worksheets; receipts for various and sundry agriculture related items bearing dates of March and April, 2019; receipt for tractor and equipment (dated 01/15/2019); receipts for Lime bearing dates of April, 2019; receipt for picking berries (dated 04/15/2019); receipt for well (dated 11/21/2019); receipts bearing dates of May, June, July and August 2019; photographs (dated 07/16/2020); MLS listing of 13263 S. Old Jones Rd., Floral City, FL (dated 09/16/2020); real estate sale listing of 13263 S. Old Jones Rd., Floral City, FL (dated 07/20/2020); listing of subject properties; American Angus Association printout; Sumter County Tax Collector information on Petitioner from 2016; Hernando County Tax Collector information on Petitioner from 2016; photographs of 13275 Old Jones Road, Floral City, FL (dated 09/27/2020); photographs of farm equipment, hay bales and cattle (undated); Disbursement Statement from U.S. Department of Agriculture to Petitioner (dated 07/31/2017); Petitioner's IRS Form 1040, Schedule F for 2009; USDA page referencing Rotational Grazing; Florida Administrative Code Chapter 12D-5; Sumter County Tax Collector notice of taxes for Petitioner from 2016; Warranty Deed from Petitioner to David Richard Shaw for Lot 13, Reserve of Sumter County (dated 03/11/2020); Sumter County Trim Notice of David Richard Shaw for 2020; Hernando County Tax Collector information on Petitioner from 2016; Warranty Deed from Petitioner to Abel Arredondo for metes and bound vacant land (dated 12/14/2018); Hernando County Property Record card for parcel R18 423 20 0000 0090 0020; Hernando County Tax Collector information on Petitioner from 2016, and; Hernando County Property Record cards of Petitioner for 2020 tax roll.

The testimony provided by the PAO included the following:

The subject properties are comprised of approximately 32 acres (Petition 28) and 10 acres (Petition 29) which had been part of a larger tract of land which had been classified as agricultural when owned by the previous owner. The Petitioner acquired the subject properties on March 20, 2019. A site inspection of the subject properties on April 25, 2019 revealed that the land was heavily covered in trees and underbrush and that there was limited grass production with no dedicated grazing areas. Subsequent site inspections of the subject properties on May 29, 2020 and July 16, 2020 revealed that the condition of the land was substantially similar to the previous inspection, with the exception that there were eight to ten cattle on the subject property in July, 2020. The PAO

PETITION 2020 - 28
NELSKI DENNIS

determined that the subject properties comprise a wooded tract of land which has moderate canopy with no or insufficient livestock, and insufficient grazing areas for livestock.

The PAO acknowledged that the Petitioner presented numerous and various receipts to support his claim that he was engaging in an agricultural use of the subject properties. However, the PAO questioned and refuted Petitioner's assertions that the items listed in the receipts were actually used or applied to the subject properties. Rather, the PAO asserts that the items listed in the receipts were actually used or applied to other properties the Petitioner owns or has an interest in Sumter and Hernando counties. The PAO did not observe any evidence on inspection that the items listed in the receipts were used or applied to the subject properties. The PAO also questioned whether the Petitioner's receipt for two cows, which was dated 2018, was applicable as the cows were not present on the property. The PAO stated that most all of the evidence presented by the Petitioner indicates that the Petitioner operates some agricultural business at other locations but did not indicate that Petitioner uses the subject properties for bona fide agricultural purposes. The PAO also acknowledged that the Petitioner replaced fencing, installed a well and built a metal building on the subject properties.

Upon investigation, the PAO determined that the farming equipment identified by the Petitioner in various receipts were not listed as Petitioner's tangible property by the Hernando County Property Appraiser. The PAO also investigated and determined that Petitioner is not listed as being registered to sell purebred Angus cattle and that a listing for sale of the subject properties on May 12, 2020 described the subject properties as being a nicely treed parklike setting.

The primary reason for the denial of the agricultural classification is because the Petitioner did not provide sufficient evidence that the subject properties y is non-producing and therefor is not a bona fide agricultural purpose. The aerial photos and site photos are consistent with the PAO's description of the subject property as a declining and non-producing citrus grove. The PAO cited and reviewed the factors listed in ?193.461 (3)(b) as they apply to the subject property. The PAO emphasized that the factors most determinative in this case are ?193.461(3)(b)1.b., d., and e. The PAO asserts that the factor referenced in 1.b. is not met because the use of the property has not been continuous due to it is no longer being a producing citrus grove; 1.d. is not a major consideration, but the size of the subject property is small for use as a commercially viable citrus grove, and; 1.e. supports the removal of the agricultural classification because the subject property has not been sufficiently and adequately cared for or maintained in accordance with accepted agricultural purposes. The PAO asserts that the citrus grove operation has been abandoned. The other factors mentioned as relevant included the application of Florida Administrative Code 12D-5.004 (2)b., that the general character of the area has changed and is now predominantly residential and commercial, and no longer agricultural. In conclusion, the PAO stated that the citrus industry has been declining in Florida, referenced the citrus industry data introduced into evidence and reiterated that the subject property has not been maintained or been productive and therefore is not entitled to an agricultural classification.

The Petitioner submitted the following documents which were admitted into evidence:

Greenwood v. Oates, 251 So.2d 665 (Fla. 1971); Dictionary definition of "commercial"; Florida Administrative Code section 12D-51.001; Hernando County Tax Collector information on Petitioner from 2016; Hernando County Property Appraiser information on Petitioner for 2020 tax roll; Hernando County Property Appraiser information on Petitioner for 2018 tax roll; Warranty Deed from Petitioner to Abel Arredondo for metes and bound vacant land (dated 12/14/2018); Hernando County Property Record card for 2019 tax roll; Sumter County Tax Collector notice of taxes for Petitioner from 2016; Warranty Deed from Petitioner to David Richard Shaw for Lot 13, Reserve of Sumter County (dated 03/11/2020); Warranty Deed from Clark and Sandra Wilson to Petitioner for undescribed property (dated 03/20/2019); Tilton v. from Petitioner to PAO (undated); photograph with note (bearing date of 04/25/2019); photograph identified as "picture when purchased" (undated); photographs with notes; photograph of bales of hay (dated 09/23/2019); photograph of farm equipment (dated 09/12/2019); photograph of bales of hay (dated 10/02/2019); photograph with note of view up and down drive entrance (undated); photograph of gate (dated 07/13/2020); photographs of brush and trees (undated) and of fire (dated 10/14/2019); photographs with notes; photograph of cattle (dated 09/06/2020); photograph of field and trees (dated 10/10/2020); photographs of water trough (dated 07/16/2020 and 10/10/2020); photograph of shed and generator (dated 01/01/2014); photographs of field and trees (dated 07/22/2020); photographs of fence (dated 10/10/2020); aerial photograph of subject property with notes (dated 02/03/2020).

The Petitioner left other documents on the podium in the hearing room but did not offer them into evidence those documents were not considered in rendering this recommendation.

The testimony provided by the Petitioner included the following:

The Petitioner stated that the subject properties have been bushhogged and fenced and that he has worked hard on the subject properties. The Petitioner asserted that the subject properties are being used for the bona fide agricultural purpose of raising cattle. The Petitioner explained that he does not have to be registered to breed Angus cattle and that he has qualifications and licenses for the use and application of herbicides and pesticides.

The Petitioner asserted that he could have placed cattle on the land and that leaving the land fallow is a necessary farming operation and qualifies as a bona fide agricultural purpose. The Petitioner identified the improvements to the subject property as being the eradication of Blackberries and getting the subject property ready for cattle. The Petitioner explained that in July 2020, cattle were present on the property.

While the Petitioner presented photographs of bales of hay, he did not assert that the hay was farmed from or used on the subject properties. Likewise, the Petitioner did not show that the tractor and equipment evidenced by the receipts was used on the subject properties. The herbicides and pesticides as well as the well, trough, and building may have actually prepared all or some portion of the subject properties for cattle, the Petitioner did not establish that all such efforts were completed prior to January 1, 2020. Petitioner introduced pictures and asserted that the subject properties are being used currently for agricultural purposes, but did not adequately address the condition and status of the subject properties as of January 1, 2020.

Conclusions of Fact:

The subject properties are primarily treed land with limited space for cattle grazing. While the subject property was formerly a part of a larger tract of land which had been classified agricultural, the subject properties now need to be assessed independent of the adjoining lands in determining whether such classification is warranted. Petitioner has improved the properties and taken action to prepare the properties for cattle grazing, it has not been clearly established that the subject properties were in any adequate condition to support cattle grazing as of January 1, 2020.

CONCLUSIONS OF LAW**Conclusions of Law:**

The burden of proof is on the party challenging the classification or exemption status, Florida Statute section 194.301. In this case the burden is on the Petitioner to show that the status assigned to the property is incorrect. The Petitioner's burden of proof does not include proving "that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment" (Florida Statute section 194.3015), but rather the burden of proof is a preponderance of the evidence. See: CVS EGL Fruitville Sarasota FL, LLC vs. Todora, 124 So.3d 289 (Fla.2nd DCA, 2013) The Petitioner has failed to meet his burden of proof to show that the subject property was being used for agricultural purposes as of January 1, 2020.

It has long been recognized that "the key to determining entitlement to agricultural classification is the actual

PETITION 2020 - 28
NELSKI DENNIS**Page 4**

physical activity being conducted on the land." *Love PGI Partners, LP v. Schultz*, 706 So.2d 887, 891 (Fla. 5th DCA, 1998) (citations omitted). The expressed intention of the landowner is relevant but not determinative, rather the actual use of the land is determinative of a bona fide operation. *Greenwood vs. Oates*, 251 So.2d 665 (Fla. 1971). The use of the land needs to be immediate and not speculative. *Straughn v. Tuck*, 354 So.2d 368 (Fla. 1978). The future or anticipated use of the land is also not determinative, but rather the determination of whether agricultural classification is appropriate must be based upon "the use of the property as of January 1st of the subject year." *RH Resorts, Ltd. vs. Donegan*, 881 So.2d 1152 (Fla. 5th DCA 2004). Although Petitioner testified that some effort has been made to ready the land for cattle grazing, the Petitioner failed to establish that such efforts were sufficient to ready the land for cattle grazing by January 1, 2020 or otherwise show that the subject properties were in adequate condition to be used for any commercial agricultural practices on January 1, 2020.

While Petitioner introduced into evidence one picture of hay being harvested in 2019, arguably on the subject properties, Petitioner failed to introduce sufficient supporting evidence of a commercial agricultural practice. No evidence or testimony was offered to establish how large or how much of the subject property was depicted in the photograph and the photograph appeared to be distinctly different from the make-up of the subject properties as reflected in the aerial photographs introduced into evidence. In any event, evidence of some agricultural activity on the land is not sufficient. Furthermore, the Petitioner's efforts to sell the land as treed parkland and not as cattle grazing farmland support the conclusion that the subject properties are not adequately suitable for an agricultural purpose. See: *Tilton v. Gardner*, 52 So.3d 771 (Fla. 5th DCA, 2011). The other evidence presented by Petitioner supporting his application seemed to show that a commercial agricultural operation may have been in the process of being developed on the subject properties sometime later in 2020 but this evidence is not material to show the condition or use of the land on January 1, 2020.

A showing of a bona fide agricultural use requires the Petitioner to show that the asserted agricultural use is real, actual and genuine. *Champion Realty Corporation v. Burgess*, 541 So.2d 615 (Fla. 1st DCA, 1989). The factors to be taken into consideration in determining whether agricultural classification is warranted are set forth in Florida Statute §193.461(3)(b), addressing bona fide agricultural purposes. The record in this case does not support a bona fide agricultural purpose as of January 1, 2020, but rather reveals that the subject properties were not primarily used as a bona fide agricultural operation, as defined by Florida law. It has long been established that a good faith commercial agricultural use does not require that the agricultural operations on the property produce a profit. *Wilkinson v. Kirby*, 654 So.2d 194 (Fla. 2nd DCA, 1995). However, profitability is a factor to be considered even though by itself it is not a controlling or determinative factor. *Department of Revenue v. Goembel*, 382 So.2d 783 (Fla. 5th DCA, 1980). In this case, the inability to produce any evidence to show that the subject properties are or might soon be a profitable operation further supports the denial of Petitioner's application for agricultural classification.

The testimony offered by the Petitioner was not persuasive and did not overcome the testimony and evidence presented by the PAO. Petitioner did not sufficiently or adequately show that there was a good faith commercial agricultural use of the land as of January 1, 2020. Fla. Stat. §193.461

The testimony provided by the PAO included the following:

The subject properties are comprised of approximately 32 acres (Petition 28) and 10 acres (Petition 29) which had been part of a larger tract of land which had been classified as agricultural when owned by the previous owner. The Petitioner acquired the subject properties on March 20, 2019. A site inspection of the subject properties on April 25, 2019 revealed that the land was heavily covered in trees and underbrush and that there was limited grass production with no dedicated grazing areas. Subsequent site inspections of the subject properties on May 29, 2020 and July 16, 2020 revealed that the condition of the land was substantially similar to the previous inspection, with the exception that there were eight to ten cattle on the subject property in July, 2020. The PAO determined that the subject properties comprise a wooded tract of land which has moderate canopy with no or insufficient livestock, and insufficient grazing areas for livestock.

The PAO acknowledged that the Petitioner presented numerous and various receipts to support his claim that he was engaging in an agricultural use of the subject properties. However, the PAO questioned and refuted Petitioner's assertions that the items listed in the receipts were actually used or applied to the subject properties.

PETITION 2020 - 29
NELSKI DENNIS

Page 2

Rather, the PAO asserts that the items listed in the receipts were actually used or applied to other properties the Petitioner owns or has an interest in Sumter and Hernando counties. The PAO did not observe any evidence on inspection that the items listed in the receipts were used or applied to the subject properties. The PAO also questioned whether the Petitioner's receipt for two cows, which was dated 2018, was applicable as the cows were not present on the property. The PAO stated that most all of the evidence presented by the Petitioner indicates that the Petitioner operates some agricultural business at other locations but did not indicate that Petitioner uses the subject properties for bona fide agricultural purposes. The PAO also acknowledged that the Petitioner replaced fencing, installed a well and built a metal building on the subject properties.

Upon investigation, the PAO determined that the farming equipment identified by the Petitioner in various receipts were not listed as Petitioner's tangible property by the Hernando County Property Appraiser. The PAO also investigated and determined that Petitioner is not listed as being registered to sell purebred Angus cattle and that a listing for sale of the subject properties on May 12, 2020 described the subject properties as being a nicely treed parklike setting.

The primary reason for the denial of the agricultural classification is because the Petitioner did not provide sufficient evidence that the subject properties y is non-producing and therefor is not a bona fide agricultural purpose. The aerial photos and site photos are consistent with the PAO's description of the subject property as a declining and non-producing citrus grove. The PAO cited and reviewed the factors listed in ?193.461 (3)(b) as they apply to the subject property. The PAO emphasized that the factors most determinative in this case are ?193.461(3)(b)1.b., d., and e. The PAO asserts that the factor referenced in 1.b. is not met because the use of the property has not been continuous due to it is no longer being a producing citrus grove; 1.d. is not a major consideration, but the size of the subject property is small for use as a commercially viable citrus grove, and; 1.e. supports the removal of the agricultural classification because the subject property has not been sufficiently and adequately cared for or maintained in accordance with accepted agricultural purposes. The PAO asserts that the citrus grove operation has been abandoned. The other factors mentioned as relevant included the application of Florida Administrative Code 12D-5.004 (2)b., that the general character of the area has changed and is now predominantly residential and commercial, and no longer agricultural. In conclusion, the PAO stated that the citrus industry has been declining in Florida, referenced the citrus industry data introduced into evidence and reiterated that the subject property has not been maintained or been productive and therefore is not entitled to an agricultural classification.

The Petitioner submitted the following documents which were admitted into evidence:

Greenwood v. Oates, 251 So.2d 665 (Fla. 1971); Dictionary definition of "commercial"; Florida Administrative Code section 12D-51.001; Hernando County Tax Collector information on Petitioner from 2016; Hernando County Property Appraiser information on Petitioner for 2020 tax roll; Hernando County Property Appraiser information on Petitioner for 2018 tax roll; Warranty Deed from Petitioner to Abel Arredondo for metes and bound vacant land (dated 12/14/2018); Hernando County Property Record card for 2019 tax roll; Sumter County Tax Collector notice of taxes for Petitioner from 2016; Warranty Deed from Petitioner to David Richard Shaw for Lot 13, Reserve of Sumter County (dated 03/11/2020); Warranty Deed from Clark and Sandra Wilson to Petitioner for undescribed property (dated 03/20/2019); Tilton v. Gardner, No. 5D09-1097; Florida Statute section 193.461; Property Record Card for Parcel 19E21S11 24100, (Petition 29), (bearing print date of 09/17/2020); handwritten note (undated); receipts for various and sundry agriculture related items bearing dates of March and April, 2019; receipt for tractor and equipment (dated 01/15/2019); receipts for Lime bearing dates of April, 2019; receipt for picking berries (dated 04/15/2019); receipt for well (dated 11/21/2019); receipts bearing dates of May, June, July and August 2019; copy of Pesticide/Herbicide Agricultural License for Petitioner (bearing issue date of 09/22/2020); Letter from Petitioner to PAO (undated); photograph with note (bearing date of 04/25/2019); photograph identified as "picture when purchased" (undated); photographs with notes; photograph of bales of hay (dated 09/23/2019); photograph of farm equipment (dated 09/12/2019); photograph of bales of hay (dated 10/02/2019); photograph with note of view up and down drive entrance (undated); photograph of gate (dated 07/13/2020); photographs of brush and trees (undated) and of fire (dated 10/14/2019); photographs with notes; photograph of cattle (dated 09/06/2020); photograph of field and trees (dated 10/10/2020); photographs of water trough (dated 07/16/2020)

and 10/10/2020); photograph of shed and generator (dated 01/01/2014); photographs of field and trees (dated 07/22/2020); photographs of fence (dated 10/10/2020); aerial photograph of subject property with notes (dated 02/03/2020).

The Petitioner left other documents on the podium in the hearing room but did not offer them into evidence those documents were not considered in rendering this recommendation.

The testimony provided by the Petitioner included the following:

The Petitioner stated that the subject properties have been bushhogged and fenced and that he has worked hard on the subject properties. The Petitioner asserted that the subject properties are being used for the bona fide agricultural purpose of raising cattle. The Petitioner explained that he does not have to be registered to breed Angus cattle and that he has qualifications and licenses for the use and application of herbicides and pesticides.

The Petitioner asserted that he could have placed cattle on the land and that leaving the land fallow is a necessary farming operation and qualifies as a bona fide agricultural purpose. The Petitioner identified the improvements to the subject property as being the eradication of Blackberries and getting the subject property ready for cattle. The Petitioner explained that in July 2020, cattle were present on the property.

While the Petitioner presented photographs of bales of hay, he did not assert that the hay was farmed from or used on the subject properties. Likewise, the Petitioner did not show that the tractor and equipment evidenced by the receipts was used on the subject properties. The herbicides and pesticides as well as the well, trough, and building may have actually prepared all or some portion of the subject properties for cattle, the Petitioner did not establish that all such efforts were completed prior to January 1, 2020. Petitioner introduced pictures and asserted that the subject properties are being used currently for agricultural purposes, but did not adequately address the condition and status of the subject properties as of January 1, 2020.

Conclusions of Fact:

The subject properties are primarily treed land with limited space for cattle grazing. While the subject property was formerly a part of a larger tract of land which had been classified agricultural, the subject properties now need to be assessed independent of the adjoining lands in determining whether such classification is warranted. Petitioner has improved the properties and taken action to prepare the properties for cattle grazing, it has not been clearly established that the subject properties were in any adequate condition to support cattle grazing as of January 1, 2020.

CONCLUSIONS OF LAW

Conclusions of Law:

The burden of proof is on the party challenging the classification or exemption status, Florida Statute section 194.301. In this case the burden is on the Petitioner to show that the status assigned to the property is incorrect. The Petitioner's burden of proof does not include proving "that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment" (Florida Statute section 194.3015), but rather the burden of proof is a preponderance of the evidence. See: CVS EGL Fruitville Sarasota FL, LLC vs. Todora, 124 So.3d 289 (Fla.2nd DCA, 2013) The Petitioner has failed to meet his burden of proof to show that the subject property was being used for agricultural purposes as of January 1, 2020.

It has long been recognized that "the key to determining entitlement to agricultural classification is the actual physical activity being conducted on the land." Love PGI Partners, LP v. Schultz, 706 So.2d 887, 891 (Fla. 5th DCA, 1998) (citations omitted). The expressed intention of the landowner is relevant but not determinative, rather the actual use of the land is determinative of a bona fide operation. Greenwood vs. Oates, 251 So.2d 665 (Fla. 1971). The use of the land needs to be immediate and not speculative. Straughn v. Tuck, 354 So.2d 368 (Fla. 1978). The future or anticipated use of the land is also not determinative, but rather the determination of whether agricultural classification is appropriate must be based upon "the use of the property as of January 1st of the subject year." RH Resorts, Ltd. vs. Donegan, 881 So.2d 1152 (Fla. 5th DCA 2004). Although Petitioner testified that some effort has been made to ready the land for cattle grazing, the Petitioner failed to establish that such efforts were sufficient to ready the land for cattle grazing by January 1, 2020 or otherwise show that the subject properties were in adequate condition to be used for any commercial agricultural practices on January 1, 2020.

While Petitioner introduced into evidence one picture of hay being harvested in 2019, arguably on the subject properties, Petitioner failed to introduce sufficient supporting evidence of a commercial agricultural practice. No

PETITION 2020 - 29
NELSKI DENNIS**Page 4**

evidence or testimony was offered to establish how large or how much of the subject property was depicted in the photograph and the photograph appeared to be distinctly different from the make-up of the subject properties as reflected in the aerial photographs introduced into evidence. In any event, evidence of some agricultural activity on the land is not sufficient. Furthermore, the Petitioner's efforts to sell the land as treed parkland and not as cattle grazing farmland support the conclusion that the subject properties are not adequately suitable for an agricultural purpose. See: *Tilton v. Gardner*, 52 So.3d 771 (Fla. 5th DCA, 2011). The other evidence presented by Petitioner supporting his application seemed to show that a commercial agricultural operation may have been in the process of being developed on the subject properties sometime later in 2020 but this evidence is not material to show the condition or use of the land on January 1, 2020.

A showing of a bona fide agricultural use requires the Petitioner to show that the asserted agricultural use is real, actual and genuine. *Champion Realty Corporation v. Burgess*, 541 So.2d 615 (Fla. 1st DCA, 1989). The factors to be taken into consideration in determining whether agricultural classification is warranted are set forth in Florida Statute §193.461(3)(b), addressing bona fide agricultural purposes. The record in this case does not support a bona fide agricultural purpose as of January 1, 2020, but rather reveals that the subject properties were not primarily used as a bona fide agricultural operation, as defined by Florida law. It has long been established that a good faith commercial agricultural use does not require that the agricultural operations on the property produce a profit. *Wilkinson v. Kirby*, 654 So.2d 194 (Fla. 2nd DCA, 1995). However, profitability is a factor to be considered even though by itself it is not a controlling or determinative factor. *Department of Revenue v. Goembel*, 382 So.2d 783 (Fla. 5th DCA, 1980). In this case, the inability to produce any evidence to show that the subject properties are or might soon be a profitable operation further supports the denial of Petitioner's application for agricultural classification.

The testimony offered by the Petitioner was not persuasive and did not overcome the testimony and evidence presented by the PAO. Petitioner did not sufficiently or adequately show that there was a good faith commercial agricultural use of the land as of January 1, 2020. Fla. Stat. §193.461. The Petition should be denied.

PETITION 2020 - 41
WINWOOD HOMOSASSA 2 LLC

Page 1

FINDINGS OF FACT

Citrus Petitions: 41 (42,118,119)

Findings of Fact:

The November 10, 2020 hearing included consideration of the above identified four petitions. Each petition involved a CVS pharmacy store. This hearing was scheduled to be heard at 1: 00 PM on November 10, 2020. Due to a prior hearing delay, this hearing commenced at 1:53 PM. The real estate owners representative was Flanagan Bilton LLC "a nationwide property tax law firm" located at 1 N. LaSalle Street, Suite 2100, Chicago Illinois. A Mr. Spero Kopitas sent two emails to Ms. Georgette Tozer, DC, VAB Clerk.

1) The November 5 communication stated" We will not be attending the hearing and we do not require a telephonic hearing. We will accept the VAB decision sustaining the proposed values."

2) A subsequent November 9 communication stated" Unfortunately my client has not authorized me to withdraw the appeals."

In addition to the above, MS. Georgette Tozer reported that the petitioner did not provide any value evidence. The special magistrate, Robert Sutte, acknowledged that this request for these petitions to be heard in absentia is to comply with the taxpayer representatives clients request and also preserve the property owners right to appeal the VAB decision to the circuit court. Therefore, the special magistrate instructed the property appraiser to proceed with the submission of their evidence, identify the subject property and report the related values.

Mr. Tim Renard MAI, CFE, with the property appraisers office was sworn to tell the truth the whole truth and nothing but the truth so help him God by the special magistrate. For the record, he legally identified the subject property, and reported ownership, property address, building size, year built, land area, and opinions of highest and best use. The estimated values were also entered into evidence. The PA submitted their narrative appraisal report which was accepted into evidence by the special magistrate. The property appraiser's estimated value for Petition 41 was \$3,314,109 and the estimated market value was \$2,675,510.

Based upon careful consideration of all verbal and written information and evidence provided, the special magistrate concluded the following:

No evidence was submitted by the petitioner to support a reduction in the assessment. The assessment was not proven to be incorrect.

The property appraisers assessment was developed by generally accepted appraisal methods.

The market value of the subject property is within the discretion of the property appraiser and within a reasonable range of values for the property.

The property appraiser lawfully considered the eight criteria enumerated in section 193.011, Florida Statutes.

CONCLUSIONS OF LAW

Petition 41: Conclusions of Law

In accordance with section 194.301 F.S., it was determined that there is competent evidence of value on record in compliance with the criteria of 193.011 and professionally accepted appraisal practice to establish an appropriate assessment for the subject property. In the professional opinion of the special magistrate, the property appraiser's evidence was credible, relevant, and sufficient. In this case, the property appraiser proved by a preponderance of the evidence that their estimation of value does not exceed just value. Therefore, the special magistrate has denied the petitioners request for any reduction in value and recommends that the property appraiser's value be upheld.

PETITION 2020 - 52
PORT PARADISE HOTEL LLC

FINDINGS OF FACT

Petition 52: Findings of Fact

INTRODUCTION

The important subject of this hearing is just value. Florida law dictates that the property appraiser is responsible for presenting relevant and credible (worthy of belief) admissible evidence in support of their determination of just value. See rule 12 D-9.025 (3)(a), F.A.C. Relevant evidence, is evidence that is reasonably related, directly or indirectly, to the statutory criteria that apply to the issue under review. This description means the evidence meets or exceeds the minimum level of relevance necessary to be admitted for consideration. Also, the special magistrate must determine that the evidence presented is admissible. Admissible evidence means evidence that has been admitted into the record for consideration by the special magistrate. See rule 12 D-9.025 (2)(a) F.A.C.

If the property appraiser establishes a presumption of correctness by proving by a preponderance of the evidence that the just value assessment was arrived at by complying with section 193.011, F.S. and professionally accepted appraisal practices the petitioner must prove by a preponderance of the evidence that the property appraiser's just valuation does not represent just value or the property appraiser's just valuation is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county. See subsection 194. 301 (2) (a) F.S. as amended by chapter 2009- 121, Laws of Florida (House Bill 521). Under rule 12 D - 9.025(1), F.A.C.

There are eight factors of just valuation established by Section 193. 011, Florida Statutes. This Florida law states that in arriving at just valuation as required under S. 4, Art. VII of the State Constitution, the property appraiser shall take into consideration the following factors:

1) Present cash value - willing buyer/seller. 2) Highest and best use. 3) Location of property. 4) Quantity or size. 5) Cost of property and present replacement cost of improvements. 6) Condition of property. 7) Income of property. 8) Net proceeds of sale.

Florida court decisions have used the terms lawfully, properly, duly, and carefully to describe the standard of care required of property appraisers in considering each of the eight factors." Just value is to be determined by giving careful consideration to each of the factors contained in Florida Statute 93. 011 and by giving such weight to a factor as a particular factual situation may justify." See Florida Attorney General's opinion AGO 77-106, September 29, 1977.

After lawfully considering the factors, the property appraiser may discard entirely any factor that is not probative (indicative) of just value under the circumstances, as long as the appraisal methodology used complies with professionally accepted appraisal practices. See Mazourek V. Wal-Mart Stores, 831 So. 2d 85 (Fla. 2002) and Section 194.301, F.S. as amended by Chapter 2009-121, Laws of Florida (House Bill 521). In administrative reviews, the property appraiser is responsible for proving by a preponderance of the evidence that he or she complied with section 193. 011 by properly considering each of the eight factors in developing original just valuations. See subsection 194.301 (1), F.S.

Findings of Fact:

This petition 52 was heard on October 28, 2020 commencing at 2:03 PM. The subject property was a 47 room limited service older motel. This property is identified as the Port Paradise Motel and it is located at 1508 S. E. Kings Bay Drive on Kings Bay in the City of Crystal River. Reportedly, in the early days of this resort , distinguished guests such as Elvis Presley, Arthur Godfrey and Arnold Palmer visited this Port Paradise.

The owner's representative for petition 52 was attorney Mr. Daniel Wolfe, Esquire, with Rennert Vogel Mandel & Rodriguez P.A., Miami. This petitioner notified the VAB thath he would not attend this hearing but asked that his evidence be heard in absentia. Mr. Timothy M. Renard, MAI, CFE, Deputy Appraiser represented Mr. Less Cook, CFA , the Citrus County Property Appraiser. He reported that the submission of the petitioners evidence was

PORT PARADISE HOTEL LLC

timely. Mr. Renard had been sworn in during an earlier hearing by Robert Sutte special magistrate.

The Port Paradise 47 rooms are in two-story sections of this improve property. The total building area is 29,964 square feet. There is a restaurant with 5112 S.F., a tiki bar lounge with 630 S.F. and a dive shop with 1148 S.F. The one story detached dive shop has frontage on Kings Bay and a rooftop observation deck. Attached is a canopied roof covered outdoor waterfront lounge area. There is also a swimming pool recreation area with restrooms.

These buildings were constructed between 1953 in 1985 with a weighted chronological average age of 42 years. The estimated effective age is 47 years with an estimated total life of 50 years leaving three years of estimated remaining economic building life.

The land area of 10.382 acres is zoned PUD (planned unit development) by the city of Crystal River. Reportedly, the property owner is in discussions with Marriott Hotels to build a four-story multimillion dollar new facility on this land.

Mr. Renard provided his evidence and testified. He legally identified the subject property and entered into the record their values. His estimated subject land value was based on a comparable sales comparative analysis. He stated that he could not find comparable sales of improved property to value the improved property and that his cost approach was given no weight in his value reconciliation process.

Because the subject building improvements are almost at the end of their economic life, the PAs estimate of land value is extremely important. Four area vacant land sales were selected for comparison. Three had proximity to the subject with Crystal River -Kings Bay water influence. Sale 2 was further south and south west of Homosassa Springs. It had river influence and this purchase included 10 boat slips.

Very large tracts of vacant land like the subject with Kings Bay- Crystal River influence are extremely rare. These selected for comparison four vacant commercial land sales were substantially smaller than the subject and three of the four sales were dated. Unadjusted prices paid per square foot ranged from \$9.12 to \$21.18. Based upon this comparative analysis, the property appraiser estimated the subject land as of January 1, 2020 to have a value of \$11.00 per square foot which is a total estimated value of \$4,974,750.

The property appraiser used the income approach to estimate an annual net operating income for the Port Paradise Motel. He estimated that the remaining economic life of the improvements was three years and took the present worth of three years of the estimated annual net income to estimate a contributory value for the building improvements. This was added to the estimated land value to arrive at the total estimated value of the subject property by the property appraiser.

For the application of the income approach, the property appraiser estimated an average room rental rate of \$70.00 per night. Seven area hotel rent comparables were presented. The estimated potential gross income was \$1,200,850 less 43% for vacancy plus other sources of revenue. The total estimated effective gross income was \$892,068.

Published information was also presented regarding hotel occupancy's, operating expenses, and capitalization rates. A very detailed analysis of operating expenses was made resulting in an estimate of 62% of effective gross income for expenses. This resulted in an estimated net operating income of \$339,423. The property appraiser's estimate of value was based upon the premise that there are only three years remaining of economic life for the subject building improvements. Mr. Renard chose to discount this estimated net annual income for three years at 9.75 % to arrive at an estimated present value of the improved property of \$847,824.

This was an estimated interim use value. So, the estimated land value of \$4,974,750 was added indicating a total value via this value analysis of \$5,822,574. A deduction of 15% was made for cost of sale indicating a value for the subject property of \$4,949,188. It was the PAs opinion that this indicated value strongly supports the premise that the property appraisers estimated value of \$3,179,010 is fair and equitable.

PORT PARADISE HOTEL LLC

The evidence and valuation analysis information provided by the owners representative was extremely limited. Attorney Daniel Wolfe did not provide a cost approach or an improved property sales comparison approach for indications of subject property value. His estimated indicated value was based only upon owner reported income and expense information for calendar year 2019. Relying only upon this owner reported very limited information, the petitioner estimated a gross annual income for the subject property of \$890,743. The estimated annual net operating income was \$184,146.

Based on published capitalization rate information, the petitioner used 10.8648 % and arrived at an indicated value of \$1,694,886. To this number he added \$800,000 as a value for 2.0 acres of presumed excess land with no market support (comparable sales) for this estimated value. Tangible personal property value of \$94,727 was deducted. This resulted in a total estimated value of \$2,400,159. A deduction of 15% was made for cost of sale to arrive at a final summation of value for the subject improve property of \$2,040,135. This was the petitioners requested value.

It is the special magistrate opinion that the evidence provided by the petitioner regarding his estimated value is not credible i.e. worthy of belief. The estimated value was based totally upon an income analysis involving only one year of owner reported income and expenses with no comparable hotel rental rate or occupancy information provided. It should be noted that the PET also capitalized his estimate of annual net income in perpetuity meaning that the subject property would provide this estimated net annual income sfor a non-determined period of time. Also, no comparable land sales or listings were provided to support the added \$800,000 value for 2.0acres of presumed excess land.

Based upon careful consideration of all verbal and written information and evidence provided, the special magistrate also concluded the following:

Insufficient information was presented by the petitioner to support a reduction in the assessment. The assessment was not proven to be incorrect.

The property appraisers assessment was developed by generally accepted appraisal methods.

The market value of the subject property is within the discretion of the property appraiser and within a reasonable range of values for the property.

Of substantial importance, is that the special magistrate must reject the petitioners opinion of value because a Uniform Standards of Professional Appraisal Practice credible appraisal was not provided.

The property appraiser lawfully considered the eight criteria enumerated in section 193.011, Florida Statutes.

CONCLUSIONS OF LAW**Petition 52: Conclusions of Law**

In accordance with section 194.301 F.S., it was determined that there is competent evidence of value on record in compliance with the criteria of 193.011 and professionally accepted appraisal practice to establish an appropriate assessment for the subject property. In the professional opinion of the special magistrate, the property appraiser's evidence was credible, relevant, and sufficient. In this case, the property appraiser proved by a preponderance of the evidence that their estimation of value does not exceed just value. Therefore, the special magistrate has denied the petitioners request for any reduction in value and recommends that the property appraiser's value be upheld.

Stated another way, if the property appraiser establishes a presumption of correctness and the petitioner does not overcome the presumption of correctness the assessment stands. This decision, that tax relief is denied, means that any right the petitioner may have to bring action in circuit court is not impaired.

KINGWOOD CRYSTAL RIVER RESORT CORP**FINDINGS OF FACT**

Present for Petition 90 is the Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Timothy Renard in company with Mr. Herb Mack providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to this subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner lacks any singular demonstration with a preponderance of evidence that the making of the subject assessment does not meet the standards of F.S. 193.011. As such, the Magistrate hears the testimony of the County Appraiser to review the County Appraiser's assessment per the standards of appraising as required in by F.S. 193.011

The subject property is the Plantation Inn Resort located at 9301 West Fort Island Trail in Crystal River. This two story hotel and resort operation on site has 173 rooms with a two story masonry and frame construction on a concrete slab. The entire complex represents eleven buildings including wing additions to the main hotel building, two conference and banquet buildings, a maintenance and laundry building, a dive shop and marina building with docks, a Tiki Hut by the pool, and gazebo on the water side, with an open view of the Gulf of Mexico. The total building area amounts to 129,735 square feet. The entrance is designed with a Southern Plantation, Greek Revival style including columns and a two lane porte cochere.

As for uses, there is a formal restaurant/lounge fronting the rear site amenities and waterfront under a glass enclosed porch. The second floor ballroom is accessed by a wide spiral staircase, as well as elevator service, and there is a well finished and decorated interior reception area. All of the sleeping rooms are well furnished including some with extended stay designs. Other amenities include a very large heated lagoon style pool, a large morning breakfast room on the first floor, a fitness room, and a spa with a separate entrance including a massage parlor and hair styling. The conference centers are of similar but separate construction and allow for room size scaling with sliding separators and offer beverage and food service for meetings, banquets, and wedding parties. The original hotel construction dates from 1963, but the conference center and remodeling of the hotel with wing additions to current good quality standards occurred from 2010 to 2012.

With above average quality and an iconic architecture the building rests on 14.435 acres of land with water frontage on three sides. The site is irregular in shape with level, well drained land with 2500 feet of sea wall reinforced frontage for parallel boat tying. There is paved and curbed parking for 230 cars with ample pole lighting and a grassed site for parking sixty boat trailers. There is ample frontage and exposure of the subject on Fort Island Trail.

Finally, the owner's transferred by Assignment of Leases and Rents for all of the subject property for \$17,000,000 in May of 2018. The assignment of leases and rents provide further security and collateral for a loan.

The County Appraiser presented a Cost and Income analysis of the subject with supporting documentation in accordance with the 8 factors of value per FS 193.011. Florida law requires the Property Appraiser to consider eight criteria specified in Florida Statutes 193.011 when developing just or market value. The eight criteria were considered by the Property Appraiser in the following manner.

1) Present cash value: This is the price a buyer would pay for a fee simple property in a hypothetical sale, after deducting fees and cost of sale. With arms length sales, the Property Appraiser provided a value estimate by comparison of recently sold competitive vacant land properties to properly value the subject site for the Cost Approach. With the unique character of the subject resort, with all of the variables of uses, parcels, and buildings, make providing location and feature adjustments difficult, no reasonable comparable was located to apply with the necessary adjustments.

2) Highest and best use: County Appraiser identified and valued the subject property as a full service hotel, the current use, at its highest and best use.

KINGWOOD CRYSTAL RIVER RESORT CORP

3) Location: The Property Appraiser reviewed the location of the subject with a map relative to its neighborhood, access and complimentary uses. The subject location was similarly considered in the cost, land sales, and income approaches.

4) Quantity or size: The Property Appraiser properly described the size of the subject property by land and building area with room counts relative to the cost, land sales and income approaches.

5) Cost and present replacement value: The Property Appraiser provided a detailed cost breakdown with the Marshall Valuation Service with a replacement cost new including entrepreneurial profit, all with supporting documentation, including land sales.

6) Condition: The Property Appraiser provided a description of the good condition of the petitioned property, which the Appraiser considered in the cost, and income approaches.

7) Income: The Property Appraiser's income approach for the petitioned property includes appropriate adjustments for tangibles and applies a cost consideration for replacement of tangibles with an allowance for an entrepreneurial profit. However, no adjustment was included for the intangible workforce value and its estimated cost for replacement including lost income at start up. For the services industry it takes three months to hire and to organize and train staff. This loss may be subtracted from the Petitioner' listed annual income for rooms, food, beverage, and marina, at a rate of 25%, that is, three months of a year's income subtracted from the annual income to Rooms, Food, Beverage. and Other. This produces a needed adjustment for an intangible for Parcel 90 with the reported revenues for all departments at \$11,777,592 X 25%, indicating a minus \$2,944,398 for the final conclusion of Just Value.

8) Net proceeds of sale: The Property Appraiser adjusted the cost, land sales and income approaches with this factor as required by F.S. 193.011, but failed to take into account the intangible value of a work force in place in the cost and income approach.

As such the County Appraiser concluded upon a \$15,819,992 value with the Cost Approach without adjusting for a work force intangible value. The final value for the Income Approach is \$15,471,421 after deducting for the replacement cost of tangibles at \$3,114,000 and only \$259,500 for intangibles listed as working capital. The actual assessed TPP value is \$473,357 although the original cost adjusted to replacement is close to the County Appraisers estimate for replacement. Unfortunately this does not account for the value of the workforce in place, which is intangible. By subtracting a typical work force value, as indicated above, at \$2,944,398 from the County Appraiser's \$21,575,172 Income Approach value less the TTP assessment at \$473,357 and the working capital allowance of \$259,000 indicates \$17,898,417. Multiplying this amount for Factor 8 at 85% indicates a Just Value of \$15,213,654. The final assessment is \$14,509,210, which offers a margin for undisclosed and undocumented intangibles. Per the County Appraiser testimony under oath, the owner has failed for a decade to provided details of requested information regarding detailed income and expenses for all of the features of the Plantation operation.

With his 99 page, written report, with sufficient, competent, credible and relevant data and a detailed development of his value conclusion, the County Appraiser concludes upon a Just Value of \$14,509,210. (It is noted that this value is 15% lower than the \$17,000,000 lease and rent assignment taken out on the entire property holdings. For the estimate of Just Value for the subject property, the County Appraiser appropriately employed the Cost and Income Approach with Market Sales for Land. The Property Appraiser's Office also applies a 15% "costs of sale" adjustment to value indications estimated via the traditional valuation approaches to recognize the requirements of the 1st and 8th criteria of F. S. 193.011.

Petitioner, Mr. John McDonald, refused to testify after the testimony provided by Mr. Renard, claiming that he will only discuss the total property as a value issue, not the individually listed parcels as required by law, even though major different uses such as two golf courses are to be considered. Regrettably this stance reveals a lack of detailed analysis on his part with no Cost Approach applied and a one page write up indicating an Income Approach to value utilizing a statement of operations for all units of value. Mr. McDonald wrote no guiding analysis for this complex property, but rather submitted collections of articles on going concern, highlighting sentences and scribbled remarks, the State Manual on Assessing, various sources for assessments and tables including sales of motels, with no specific grid analysis. His evidence is hardly probative when not normatively

KINGWOOD CRYSTAL RIVER RESORT CORP

applied and analyzed to answer the questions at hand in this hearing.

With no testimony from the Petitioner after the County Appraiser the hearing is closed. It is noted that at the closing of the last hearing Mr. McDonald complained of the Assessor not responding to his evidence even though it was delivered in September before this hearing, although request from all tax payers are made for delivery in April. In response, the County Appraiser testified to a lack of cooperation by the owner over the last ten years, never responding, without a courtesy of explanation, for requests of data on the property.

Mr. McDonald's lack of detail and analysis with appraising the subject property as a whole shows a lack of appraisal perspective without using the cost approach to deal with specific issues that may add to a sum of values higher than valuing the whole as a single unit. The owner could at any time since purchase, petition the county to combine all of the subject parcels into a single unit. Why not? Does the owner shelter one parcel from another with separation maintained, i.e. converting the nine hole course into a RV park? Finally, Petitioner's concluding comments at the end of all of the hearings generalized about the decline in the golf industry based upon his submitted articles and tables prove very little. His credibility and knowledge of the property is seriously challenged when he admits he did not inspect the subject property. Who would believe a realtor like himself valuing a property without seeing it?

At that, what was delivered as an operating statement by petitioner in the late September delivery of evidence lacked detail to discern the reasonableness of expenses listed at 92%, an amount in excess of full service and resort operations by 15% to 20%.

Given a detailed review of the evidence presented by Petitioner without testimony at this hearing #90, and the County Appraiser testimony and evidence, Special Magistrate finds that Petitioner lacks sufficiency, relevance and credibility to support his lack of a specific conclusion of value for the subject's Just Value assessment.

In the professional opinion of the Special Magistrate, the Petitioner failed to demonstrate by a preponderance of the evidence that the assessment does not represent the just value of the subject property after taking into account all factor's of Just Value including personal property and intangibles. Therefore, as the Petitioner's analysis lacked credibility, sufficiency, and relevance and did not overcome the presumption of correctness the Special Magistrate recommends denial of the petition.

CONCLUSIONS OF LAW

Conclusion of Law: Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including the personal property and intangibles of the subject hotel including a cost of sale adjustment as provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show by a preponderance of the evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

The County Appraiser first provides evidence and testimony after which Petitioner provides evidence and no testimony claiming to withhold comment and rebuttal until all eleven parcels under consideration have been heard. As Petitioner fails to specifically apply any evidence regarding this parcel, Petitioner weakens his challenge of this assessment. As such, the Magistrate hears the testimony of the County Appraiser per the standards of appraising as required in by F.S. 193.011.

The subject property, known as the Plantation Villas, is located at 9453 on West Plantation Lane in Crystal River. It has two, concrete block and stucco residential town house style, two story buildings on concrete slabs with twelve rental units built in 1981 and in average condition. Part of the complex is used as an office for the restaurant operations of the hotel and golf course. The two buildings contain 13,680 square feet on 1.526 acres of land zoned High Intensity Commercial. The townhouse occupancy is dependent upon the Plantation Hotel operation. The property is adequately maintained for rental occupancy. The property is currently assessed at a Just Value of \$602,470.

County Appraiser presented a Cost, and an Income analysis, with no comparable market sales as improved available. All chosen approaches include supporting documentation in accordance with the 8 factors of value per FS 193.011. (Florida law requires the Property Appraiser to consider eight criteria specified in Florida Statutes 193.011 when developing just or market value.) The eight criteria were considered by the Property Appraiser in the following manner.

- 1) Present cash value: This is the price a buyer would pay for a fee simple property in a hypothetical sale, after 15% for factor 8 including non realty items and the cost of sale. Without arms length sales of improved parcels, the Property Appraiser provided a value estimate by comparison of recently sold competitive vacant parcels for use in the Cost Approach. As required by FS 193.011 Factor 8, the value estimate was adjusted downward for the costs of sale. Both the final Cost and Income approaches were also adjusted downward for this reason.
- 2) Highest and best use: County Appraiser identified and valued the subject property as a small apartment construction, the current use at its highest and best use, and proves functional for rentals with the hotel operation, and likely on its own for annual rentals.
- 3) Location: The Property Appraiser reviewed the location of the subject with a map relative to its neighborhood, access and complimentary uses in an area of similarly aged housing and uses. The subject location was similarly considered in the cost, sales and income approaches.
- 4) Quantity or size: The Property Appraiser properly described the size of the subject property by land and building area relative to the cost, sales and income approaches.
- 5) Cost and present replacement value: The Property Appraiser provided a detailed Marshall and Swift manual for the cost approach with a replacement cost new and supporting documentation, including land sales.
- 6) Condition: The Property Appraiser provided a description of the condition of the subject property, properly taking into account its age relative to hotel comparables and remaining economic life.
- 7) Income: The Property Appraiser's income approach for the petitioned property is provided with sufficient industry documentation for hotel operations. No detailed rental data or expenses were provided by the owner or petitioner.
- 8) Net proceeds of sale: The Property Appraiser adjusted the cost, sales and income approach with this factor as required by F.S. 193.011.

The County Appraiser presented evidence supporting the valuation of this adjunct property of a hotel operation. His just value is based upon an adjusted cost approach at \$1,075,766, and an adjusted income approach after allowing \$120,000 for furnishings and fixtures at \$758,254. The County Appraiser then concluded upon a Just Value of \$602,470 in conjunction with sales and the cost analysis.

Petitioner presented no testimony or analysis for an indication of value for the subject property in his evidence package. He provided no evidence directed to the specific valuation of the subject, but rather submitted over 100 pages of articles, tables and graphs, and Florida instructions on how to do an appraisal without himself doing an appraisal on the subject property, thus making his Petition lacking credibility, competence, sufficiency and relevance in establishing a sound opinion of value for the subject. It is not sufficient to rely upon an income approach concluding upon a value of the entire hotel operation involving eleven parcels using an operating statement from the owner for only one year with an un-detailed expense ratio 15-20% higher than the national

KINGWOOD CRYSTAL RIVER RESORT CORP

average for full service hotels. Applying without analysis, using other than references of what other appraisers do regarding the non realty value tied to the total value of the entire hotel operation is not a sound indication of value and does not meet the standards of the appraisal industry. To claim a lower the value of the whole which cannot be related in any way with the value for the subject property, which on its own can readily be marketed as a freestanding condominiums or apartment buildings is mere self serving speculation on the part of the Petitioner. At the end of all of the hearings when commentary, conclusion and rebuttal are provided, Mr. McDonald's lack of professional depth is emphasized with his failure to comment or rebut on the assessment of this property or how it might add to or take away from the total value of his proclaimed best method, poorly demonstrated, of valuing the whole.

It is this Magistrate's conclusion that Petitioner's one step valuation of the entire operation of a golf course, conference and hotel operation without detailing component contributions to value simply fails to meet the needs of an acceptable appraisal, especially without detailed justification of expenses, and without a complimentary analysis of each component of the whole operation with the Cost Approach. The Petitioner has failed to overcome the County Appraiser's Just Value. The Petitioner's method lacks sufficiency, credibility, and suitability for a conclusion of Just Value. He has failed to provide a preponderance of evidence to overcome the County Appraiser's Just Value and the Special Magistrate recommends a denial of the Petitioner's appeal to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner otherwise failed to show by a preponderance of the evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

CRYSTAL RIVER PLANTATION CORP**FINDINGS OF FACT**

Present for Petition 98 is Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Herb Mack in company with Mr. Timothy Renard providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to provide a preponderance of evidence that the subject assessment does not meet the standards of F.S. 193.011. The Magistrate hears the testimony of the County Appraiser regarding the subject Just Value per the standards of appraising as required in by F.S. 193.011

The subject property is a vacant underwater, canal parcel of land, located next to the dive shop and marina frontage for the Plantation Complex at 9453 West Plantation Lane. The canal bottom site contains 8,566 square feet and is deep enough to handle boat traffic from the marina and dive shop going to and past the Plantation complex and out to the Gulf of Mexico. The overall site shape is a rough rectangle with a turn at the end. The zoning is CH. No specific evidence is added by the Petitioner in this package that addresses this analysis.

County Property Appraiser presented a CAMA property card indicating a value of \$90 for the subject. Per the requirements of listing parcels this value does not generate a tax bill but does meet the requirement of valuing a parcel. However, this water may be navigated by anyone without charge. Since this allocation does meet a conclusion of nominal value per requirements, it is noted there is a lack of market sales for underwater land. The canal is also an open use which in the end is an easement which has no value to the owner. The eight factors apply with highest and best use, open use with no charge, and no market sales. Yet with location it adds value to the abutting parcels which are duly assessed with market evidence. The subject is described in size and function, with no cost incurred for its use, with a useable condition for small boats, and in the CAMA system it is assumed to provide a 15% deduction to reach \$90.

Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence is a collection of articles on going concern valuation, manuals issued by the State of Florida, a summarized, not departmentalized operating statement for the hotel and a one page income approach valuing the subject complex as a whole along with other documents including an environmental study of the Lagoon golf course, none of which does anything to indicate the value of the subject property. Petitioner has made no specific concluding comments or rebuttal regarding this property at the end of the hearing for the eleven properties Petitioned by the owner.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this minor value component property of a large complex of multi-uses, indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. The Petitioner's shot gun evidence and lack of testimony lacks sufficiency, credibility, and suitability for a conclusion of Just Value. As such, Petitioner has failed to provide a preponderance of evidence to overcome the County Property Appraiser's Just Value. The Special Magistrate recommends a denial of this appeal by the Petitioner to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible analysis to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

CRYSTAL RIVER PLANTATION CORP**FINDINGS OF FACT**

Present for Petition 93 is Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Herb Mack in company with Mr. Timothy Renard providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner lacks direct evidence that the making of the subject assessment did not meet the standards of F.S. 193.011. As such, the Magistrate hears the testimony of the County Appraiser to present his analysis regarding the assessment and the standards of appraising as required in by F.S. 193.011.

The subject property includes an Eighteen Hole PGA Golf Course with Driving Range, Putting Green, Tennis Courts, Restaurant with Beverage Service, Pro Shop, Maintenance, Offices, and Cart Storage Buildings. Located at 9453 West Plantation Lane in Crystal River, the course site contains 152.81 acres zoned CH intense commercial and is contoured, graded and improved with greens, fairways, irrigation, sand traps, water hazards and rough areas including trees, shrubs and bushes along the fairways. The course traverses 6,531 yards for a par 72. The collection of buildings includes 17,733 square feet with masonry and stucco construction on a slab dating to 1981 for the clubhouse with locker rooms, and 1963 for the maintenance and cart storage. The buildings are in average condition for their age and the course was upgraded in 2011 to continue with average to good playing conditions. All municipal services are connected and adequate parking is paved. The overall site shape is irregular, level with a high water table and well contoured for play with good access and exposure.

County Property Appraiser presents a cost, market and income approach. All approaches include supporting documentation in accordance with the 8 factors of value per FS 193.011. (Florida law requires the Property Appraiser to consider eight criteria specified in Florida Statutes 193.011 when developing just or market value.) The eight criteria are considered by the Property Appraiser in the following manner.

- 1) Present cash value: This is the price a buyer would pay for a fee simple property in a hypothetical sale, after 15% for factor 8 including non realty items and the cost of sale. With arms length sales, the Property Appraiser provided a value estimate by comparison of recently sold competitive properties of vacant land and employed a listing of golf course sales to determine a price per hole for the subject. As required by FS 193.011 Factor 8, the value estimate was adjusted downward for the costs of sale including personal property. The income approaches is also adjusted downward for this reason.
- 2) Highest and best use: County Property Appraiser identifies and values the subject property as a mixed use site improved for recreation as a golf course. As operating, the current use is represented as the highest and best use with other potential uses available as if vacant.
- 3) Location: The County Property Appraiser reviews the location of the subject with a map relative to its neighborhood, access and complimentary uses in an area of similarly aged and developed property uses. The subject location is similarly considered in the cost, sales and income approaches.
- 4) Quantity or size: The County Property Appraiser properly describes the size of the subject property by land and building area relative to the cost, sales and income approaches.
- 5) Cost and present replacement value: The County Property Appraiser provides a detailed cost approach with a replacement cost new and supporting documentation, including land sales.
- 6) Condition: The County Property Appraiser provides a description of the condition of the subject property, properly taking into account its age relative to market comparables for fees and sales.
- 7) Income: The County Property Appraiser's income approach for the petitioned property provides a pro forma income and expense with capitalization of the net income. Fee data or expenses reflect market data collected and utilized by the County Appraiser, and considered appropriate and adequate supporting documentation for a Just Value conclusion.
- 8) Net proceeds of sale: The County Property Appraiser adjusted the cost, sales and income approaches with this factor as required by F.S. 193.011.

The County Property Appraiser presents his evidence supporting the valuation of this property readily taking into account the declining market conditions for golf rounds played nationally as well as in Florida and Citrus County, noting the current valuation is a reduction in the current assessment relative to 2019. The Just Value is based upon an adjusted cost approach at \$1,964,000, an adjusted sales approach at \$2,344,640, and an adjusted

CRYSTAL RIVER PLANTATION CORP

income approach at \$1,581,460. The County Property Appraiser then concludes upon a Just Value of \$1,581,460.

Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence is a collection of articles on going concern valuation, manuals issued by the State of Florida, a list of golf course sales across the country without any grid comparison of pricing per hole, a summarized, not departmentalized operating statement for the hotel and a one page income approach valuing the subject complex as a whole with no component value segregation. Also Petitioner has made concluding comments about the decline of the golfing industry. He noted that County Appraiser's analysis overstates the course income, (a point made with an uncertified owner's operating statement that with a total gross income for the whole property nearly matches County Appraiser data taken from sales tax information.) County Appraiser responded in detail about his lowering of assessments on golf courses over the last two years because of cooperative data and assistance by the owners, all except by the subject owner. Nevertheless the County Appraiser has lowered the subject assessment 20% from the previous year.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of appraisal evidence and processing to provide a value for this valuable component property of a large complex of multi-uses indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. The Petitioner has not inspected the property, and his shot gun evidence and ending rebuttal testimony lacks sufficiency, credibility, and suitability for a conclusion of Just Value. As such, Petitioner has failed to provide a preponderance of evidence to overcome the County Property Appraiser's Just Value and the Special Magistrate recommends a denial of this appeal by the Petitioner to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

CRYSTAL RIVER PLANTATION CORP**FINDINGS OF FACT**

Present for Petition 94 and 96 is Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Herb Mack in company with Mr. Timothy Renard providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to show with a preponderance of evidence that the making of the subject assessment did not meet the standards of F.S. 193.011. As such, the Magistrate hears the testimony of the County Appraiser to show his meeting of the standards of appraising as required in by F.S. 193.011

The subject property includes two parcels combined to represent a nine hole executive course called the Lagoon built in 1957. It is tied into the eighteen hole site with access to the Driving Range, Putting Green, Tennis Courts, Restaurant with Beverage Service, Pro Shop, and Maintenance, Offices and Cart Storage Buildings. Located at 9453 West Plantation Lane in Crystal River, the course site contains 60.73 acres zoned CH intense commercial and is contoured, graded and improved with greens, fairways, irrigation, sand traps, water hazards and rough areas including trees, shrubs and bushes along the fairways and cart paths. The course is designed as a par 33. There are no buildings on this site. Sprinkling is provided by pond water. The overall site shape is irregular, level with a high water table and is well contoured for play with good access and shared parking at the 18 hole site. Evidence added by the Petitioner for this analysis indicates that the subject site is fully contaminated with Arsenic to a depth of two feet and for any change in use requiring human habitation, it is assumed it would require a clean-up.

County Property Appraiser presented a cost, market and income approach. County Appraiser notes that the contamination, sourced by fertilizer and pesticides over the years, do not affect the current use of the subject as a golf course. Moreover the water table is not contaminated with soluble arsenic; therefore blooming of contamination to other properties is not indicated in the report. As such the following appraisal reflects its current use, not the County Appraiser's discovery of a proposed conversion of the site, after clean-up, into a quality campground likely sited for over 55 owners of RV's, campers, and single and double wide modular housing, all of which would elevate the value of the land significantly being next to an eighteen hole course. As such County Appraiser remains certain of the following value conclusion as being relevant as used today. All approaches included supporting documentation in accordance with the 8 factors of value per FS 193.011 are considered by the Property Appraiser in the following manner.

- 1) Present cash value: This is the price a buyer would pay for a fee simple property in a hypothetical sale, after deducting 15% for factor 8 including non realty items and the cost of sale. With arms length sales, the Property Appraiser also provided a value estimate by comparison of recently sold competitive properties of vacant land for the subject. As required by FS 193.011 Factor 8, the value estimate was adjusted downward for the costs of sale including personal property. Both the cost and income approaches were also adjusted downward for this reason.
- 2) Highest and best use: County Property Appraiser identified and valued the subject property as a mixed use site improved for recreation as a golf course. As operating, the current use is represented as the highest and best use with other potential uses available as if vacant.
- 3) Location: The County Property Appraiser reviewed the location of the subject with a map relative to its neighborhood, access and complimentary uses in an area of similarly aged and developed industrial property uses. The subject location was similarly considered in the cost, sales and income approaches.
- 4) Quantity or size: The County Property Appraiser properly described the size of the subject property by land and building area relative to the cost, sales and income approaches.
- 5) Cost and present replacement value: The County Property Appraiser provided a detailed cost approach with site improvement costs a replacement cost new and supporting documentation, including land sales.
- 6) Condition: The County Property Appraiser provided a description of the condition of the subject property, properly taking into account its age relative to market comparables for rents and sales.
- 7) Income: The County Property Appraiser's income approach for the petitioned property is provided with the pro forma income and expense with capitalization of the net income. Rental data or expenses reflect market data collected and utilized by the County Appraiser, and considered appropriate and adequate supporting documentation for a Just Value conclusion.

CRYSTAL RIVER PLANTATION CORP

8) Net proceeds of sale: The County Property Appraiser adjusted the cost, sales and income approaches with this factor as required by F.S. 193.011.

The County Property Appraiser presented evidence supporting the valuation of this property readily taking into account the declining market conditions for rounds played nationally as well as in Florida and Citrus County, noting a reduction in the current assessment relative to 2019. The Just Value is based upon an adjusted cost approach at \$515,482, an adjusted sales approach at \$515,482, and an adjusted income approach at \$607,538. The County Property Appraiser then concluded upon a Just Value of \$516,400, when divided by the two parcels equally, amounts to \$258,200 for Petition #94 and \$258,200 for Petition #96.

Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence, however, does include the details of an environmental study indicating the subject site contamination. Yet this evidence and a collection of articles on going concern valuation, manuals issued by the State of Florida, a list of sold golf courses country wide, and a summarized, not departmentalized operating statement for the entire eleven parcel property, and a one page income approach valuing the subject complex as a whole, does nothing to indicate the value of the subject property.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this valuable component property of a large complex of multi-uses indicates, demonstrates a lack of competence and awareness regarding this assessment and a Just Value consideration. As promised, after all of the hearings, Petitioner claimed a loss in value for this course and that the assessment was too high because of the contamination, again without any kind of stigma analysis required for an adjustment. The County Appraiser responds that the subject assessment has been lowered from the previous year for the decline in the golf industry based upon local course information provided by the owners, except for the subject owner, and that the current use is not interrupted. The Petitioner's consultant recommends a cost to clean-up the contamination at plus or minus \$900,000 to \$1,000,000, which far exceeds the return to the land as used, thus making a clean-up unfeasible and unnecessary for the current use as assessed. The Petitioner's shot gun evidence and lack of detailed analysis and testimony lacks sufficiency, credibility, and suitability for a conclusion of Just Value. As such, Petitioner has failed to provide a preponderance of evidence to overcome the County Property Appraiser's Just Value. The Specia

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

CRYSTAL RIVER PLANTATION CORP**FINDINGS OF FACT**

Present for Petition 95 is Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Herb Mack in company with Mr. Timothy Renard providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to provide any evidence that the making of the subject assessment did not meet the standards of F.S. 193.011. As such, the Magistrate hears the testimony of the County Appraiser to show his determination of Just Value per the standards of appraising as required in by F.S. 193.011

The subject property is a vacant parcel of land located at 9520 West Fort Island formerly occupied by a six unit condominium, now demolished with site improvements remaining. The site contains 39,062 square feet, is at road grade and includes municipal sewer and water and paved road frontage. The overall site shape is a rectangle, level with a high water table and some wet lands at the rear. The zoning is Coastal Lakes and Rivers. No evidence or description is added by the Petitioner for this analysis.

County Property Appraiser presented a CAMA cost system and only and market sales comparison. All approaches include supporting documentation in accordance with the 8 factors of value per FS 193.011. Florida law requires the Property Appraiser to consider eight criteria specified in Florida Statutes 193.011 when developing just or market value. The eight criteria are considered by the Property Appraiser in the following manner.

- 1) Present cash value: This is the price a buyer would pay for a fee simple property in a hypothetical sale, after deducting 15% for factor 8 including non realty items and the cost of sale. With arms length sales, the Property Appraiser provided a value estimate by comparison of recently sold competitive properties of vacant land for the subject. As required by FS 193.011 Factor 8, the value estimate is adjusted downward for the costs of sale including personal property. Both the cost and income approaches are also adjusted downward for this reason.
- 2) Highest and best use: County Property Appraiser identified and valued the subject property as a multifamily site for six unit construction. The past use is represented as the highest and best use with other potential uses available.
- 3) Location: The County Property Appraiser reviewed the location of the subject with a map relative to its neighborhood, access and complimentary uses in an area of similarly aged and developed property uses. The subject location is similarly considered in the cost, sales approaches.
- 4) Quantity or size: The County Property Appraiser properly described the size of the subject property relative to the CAMA cost and sales approaches.
- 5) Cost and present replacement value: The County Property Appraiser estimated remaining flatwork to have a value of \$5,000.
- 6) Condition: The County Property Appraiser provided a description of the condition of the subject property, properly taking into account its past use for multifamily housing as feasible for re-use.
- 7) Income: The County Property Appraiser's did not provide an income approach for vacant land not typically for rent.
- 8) Net proceeds of sale: The County Property Appraiser adjusted the cost, sales approaches with this factor as required by F.S. 193.011.

The County Property Appraiser presented evidence supporting the valuation of this property taking into account the market conditions for single family lots since no six unit lot sales were found available in Citrus County, noting the sale prices of single family lots aggregated to six units and discounted would provide market evidence of its value. The Just Value is based upon an adjusted cost approach at \$36,565 per CAMA and \$40,551 per sales adjusted for factor 8 with a final assessment at \$31,080.

Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence is a collection of articles on going concern valuation, manuals issued by the State of Florida, a summarized, not departmentalized operating statement for the hotel and a one page income approach valuing the subject complex as a whole along with other documents including an environmental study of the Lagoon golf course, none of which does anything to indicate the value of the subject property. Nor has Petitioner made any specific concluding comments or rebuttal regarding this property at the end of the hearing for the eleven properties Petitioned by the

CRYSTAL RIVER PLANTATION CORP

owner.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this minor value component property of a large complex of multi-uses indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. The Petitioner's shot gun evidence and lack of testimony lacks sufficiency, credibility, and suitability for a conclusion of Just Value. As such, Petitioner has failed to provide a preponderance of evidence to overcome the County Property Appraiser's Just Value. The Special Magistrate recommends a denial of this appeal by the Petitioner to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

CRYSTAL RIVER PLANTATION CORP**FINDINGS OF FACT**

Present for Petition 94 and 96 is Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Herb Mack in company with Mr. Timothy Renard providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to show with a preponderance of evidence that the making of the subject assessment did not meet the standards of F.S. 193.011. As such, the Magistrate hears the testimony of the County Appraiser to show his meeting of the standards of appraising as required in by F.S. 193.011

The subject property includes two parcels combined to represent a nine hole executive course called the Lagoon built in 1957. It is tied into the eighteen hole site with access to the Driving Range, Putting Green, Tennis Courts, Restaurant with Beverage Service, Pro Shop, and Maintenance, Offices and Cart Storage Buildings. Located at 9453 West Plantation Lane in Crystal River, the course site contains 60.73 acres zoned CH intense commercial and is contoured, graded and improved with greens, fairways, irrigation, sand traps, water hazards and rough areas including trees, shrubs and bushes along the fairways and cart paths. The course is designed as a par 33. There are no buildings on this site. Sprinkling is provided by pond water. The overall site shape is irregular, level with a high water table and is well contoured for play with good access and shared parking at the 18 hole site. Evidence added by the Petitioner for this analysis indicates that the subject site is fully contaminated with Arsenic to a depth of two feet and for any change in use requiring human habitation, it is assumed it would require a clean-up.

County Property Appraiser presented a cost, market and income approach. County Appraiser notes that the contamination, sourced by fertilizer and pesticides over the years, do not affect the current use of the subject as a golf course. Moreover the water table is not contaminated with soluble arsenic; therefore blooming of contamination to other properties is not indicated in the report. As such the following appraisal reflects its current use, not the County Appraiser's discovery of a proposed conversion of the site, after clean-up, into a quality campground likely sited for over 55 owners of RV's, campers, and single and double wide modular housing, all of which would elevate the value of the land significantly being next to an eighteen hole course. As such County Appraiser remains certain of the following value conclusion as being relevant as used today. All approaches included supporting documentation in accordance with the 8 factors of value per FS 193.011 are considered by the Property Appraiser in the following manner.

- 1) Present cash value: This is the price a buyer would pay for a fee simple property in a hypothetical sale, after deducting 15% for factor 8 including non realty items and the cost of sale. With arms length sales, the Property Appraiser also provided a value estimate by comparison of recently sold competitive properties of vacant land for the subject. As required by FS 193.011 Factor 8, the value estimate was adjusted downward for the costs of sale including personal property. Both the cost and income approaches were also adjusted downward for this reason.
- 2) Highest and best use: County Property Appraiser identified and valued the subject property as a mixed use site improved for recreation as a golf course. As operating, the current use is represented as the highest and best use with other potential uses available as if vacant.
- 3) Location: The County Property Appraiser reviewed the location of the subject with a map relative to its neighborhood, access and complimentary uses in an area of similarly aged and developed industrial property uses. The subject location was similarly considered in the cost, sales and income approaches.
- 4) Quantity or size: The County Property Appraiser properly described the size of the subject property by land and building area relative to the cost, sales and income approaches.
- 5) Cost and present replacement value: The County Property Appraiser provided a detailed cost approach with site improvement costs a replacement cost new and supporting documentation, including land sales.
- 6) Condition: The County Property Appraiser provided a description of the condition of the subject property, properly taking into account its age relative to market comparables for rents and sales.
- 7) Income: The County Property Appraiser's income approach for the petitioned property is provided with the pro forma income and expense with capitalization of the net income. Rental data or expenses reflect market data collected and utilized by the County Appraiser, and considered appropriate and adequate supporting documentation for a Just Value conclusion.

CRYSTAL RIVER PLANTATION CORP

8) Net proceeds of sale: The County Property Appraiser adjusted the cost, sales and income approaches with this factor as required by F.S. 193.011.

The County Property Appraiser presented evidence supporting the valuation of this property readily taking into account the declining market conditions for rounds played nationally as well as in Florida and Citrus County, noting a reduction in the current assessment relative to 2019. The Just Value is based upon an adjusted cost approach at \$515,482, an adjusted sales approach at \$515,482, and an adjusted income approach at \$607,538. The County Property Appraiser then concluded upon a Just Value of \$516,400, when divided by the two parcels equally, amounts to \$258,200 for Petition #94 and \$258,200 for Petition #96.

Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence, however, does include the details of an environmental study indicating the subject site contamination. Yet this evidence and a collection of articles on going concern valuation, manuals issued by the State of Florida, a list of sold golf courses country wide, and a summarized, not departmentalized operating statement for the entire eleven parcel property, and a one page income approach valuing the subject complex as a whole, does nothing to indicate the value of the subject property.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this valuable component property of a large complex of multi-uses indicates, demonstrates a lack of competence and awareness regarding this assessment and a Just Value consideration. As promised, after all of the hearings, Petitioner claimed a loss in value for this course and that the assessment was too high because of the contamination, again without any kind of stigma analysis required for an adjustment. The County Appraiser responds that the subject assessment has been lowered from the previous year for the decline in the golf industry based upon local course information provided by the owners, except for the subject owner, and that the current use is not interrupted. The Petitioner's consultant recommends a cost to clean-up the contamination at plus or minus \$900,000 to \$1,000,000, which far exceeds the return to the land as used, thus making a clean-up unfeasible and unnecessary for the current use as assessed. The Petitioner's shot gun evidence and lack of detailed analysis and testimony lacks sufficiency, credibility, and suitability for a conclusion of Just Value. As such, Petitioner has failed to provide a preponderance of evidence to overcome the County Property Appraiser's Just Value. The Special Magistrate recommends a denial of this appeal by the Petitioner to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. CRYSTAL RIVER PLANTATION CORP**FINDINGS OF FACT**

Present for Petition 97 is Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Herb Mack in company with Mr. Timothy Renard providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to demonstrate that the making of the subject assessment did not meet the standards of F.S. 193.011. As such, the Magistrate hears the testimony of the County Appraiser to demonstrate the making of the assessment per the standards of appraising as required in by F.S. 193.011

The subject property is a residentially zoned parcel level at grade with municipal services containing 1.36 acres of land at grade, wooded, level, and adequately drained and with all municipal services. The parcel is shaped like a long triangle squaring off at the intersection of East Plantation Lane and North Greenleaf Forest Road and backs up to a developed subdivision. The overall site shape is irregular with good access.

County Property Appraiser presented a property card representing a CAMA system valuation that reflects review of six sales. Florida law requires the Property Appraiser to consider eight criteria specified in Florida Statutes 193.011 when developing a just value. The eight criteria were considered by the Property Appraiser. This method after allowance for factor 8 produced a Just Value of \$4,390.00 which reflects the odd thin rectangular shape with long frontage and declining rear area making the site with excessive unusable frontage with a rear area that is difficult to use. As such County Appraiser remains certain of the following value conclusion as being relevant for an odd shaped residential parcel. His analysis reflects the market, its highest and best use, with a residential subdivision nearby, the adverse triangular shape and size, with no adverse cost considerations, yet viewed as a build-able parcel, with no income potential as vacant, and with an automatic deduction for factor 8 in the conclusion of the CAMA analysis.

Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence does not include any information or analysis of the subject. Also Petitioner has made no specific concluding comments or rebuttal regarding this property at the end of the hearing of all eleven properties Petitioned by the owner.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this minor value component property of a large complex of multi-uses indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. This dereliction in appraising reminds one that the sum of the parts may be more or less than the value of the whole, so how can you appraise the whole without knowing the value of the parts. The Petitioner's shot gun evidence and lack of testimony lacks sufficiency, credibility, and suitability for a conclusion of Just Value. As such, Petitioner has failed to provide a preponderance of evidence to overcome the County Property Appraiser's Just Value. The Special Magistrate recommends a denial of this appeal by the Petitioner to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

THE PLANTATION HOTEL INC**FINDINGS OF FACT**

Present for Petition 98 is Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Herb Mack in company with Mr. Timothy Renard providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to provide evidence that the subject assessment did not meet the standards of F.S. 193.011. As such, the Magistrate hears the testimony of the County Appraiser to demonstrate the making of the subject assessment per the standards of appraising as required in by F.S. 193.011

The subject property is a vacant underwater, canal parcel of land, providing water access for the dive shop and marina frontage to the Plantation Complex at 9453 West Plantation Lane. The canal bottom site contains 19,166 square feet and is deep enough to handle small boat traffic from the marina and dive shop to the Plantation complex and out to the Gulf of Mexico. The overall site shape is linear in a straight line until a westerly turn at the head of the Plantation. The zoning is CH. No evidence is provided by the Petitioner for this analysis.

County Property Appraiser presented a CAMA property card indicating a value of \$110.00 for the subject. Per the County requirements to list legal descriptions, this value does not generate a tax bill but does meet the requirement of posting a parcel. However, for value considerations this water may be navigated by anyone without charge. Since this allocation does meet a conclusion of nominal value it also reflects a lack of market for underwater land, an open use which in the end provides an open easement which has no value to the owner. And the eight factors apply with highest and best use, open use with no charge, no market sales, but reflecting consideration of location adding value to the abutting parcels which are duly assessed, a description of size and function, no cost incurred for its use, with a useable condition for small boats, and in the CAMA system it is assumed to provide a 15% deduction to reach \$110.00.

Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence is a collection of articles on going concern valuation, manuals issued by the State of Florida, a summarized, not departmentalized operating statement for the hotel and a one page income approach valuing the subject complex as a whole along with other documents including an environmental study of the Lagoon golf course, none of which does anything to indicate the value of the subject property.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this minor value component property of a large complex of multi-uses, indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. The Petitioner's shot gun evidence and lack of testimony lacks sufficiency, credibility, and suitability for a conclusion of Just Value. As such, Petitioner has failed to provide any evidence to overcome the County Property Appraiser's Just Value. The Petitioner also failed to provide comment or rebuttal on this property at the end of all of the hearings on the Plantation. The Special Magistrate recommends a denial of this appeal by the Petitioner to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible analysis to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

KINGSWOOD CRYSTAL RIVER RESORT**FINDINGS OF FACT**

Present for Petition 99 is the Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Tangible Property Appraiser Ms. Gwen Klaiber providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence, none of which includes tangible property information on the subject and no testimony is provided, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to show any evidence that the making of the subject assessment did not meet the standards of F.S. 195.027 (4). Moreover, the County Tangible Property Appraiser indicates that any adjustment to combine the valuations of tangible parcels eliminates the three \$25,000 exemptions down to one exemption, a loss of \$50,000 to the taxpayer. As such, the Magistrate hears the testimony of the County Tangible Appraiser's testimony per the standards of appraising as required by F.S. 195.027 (4) for determining an assessable Fair Market Value.

The subject property is part of a Marina Operation of the Plantation Resort complex. All assessable equipment, furnishings, and fixtures, are listed at cost by the Petitioner and submitted in an appropriate form after an allowed extension. Said form is evaluated for a value conclusion with a computer assisted mass appraisal program, a method which is professionally accepted practice in appraising. The method applied is the Cost Approach wherein all eight factors of valuation are considered. No evidence is added by the Petitioner for this analysis. The eight criteria are considered by the Tangible Property Appraiser in the following manner.

- 1) Present cash value: This is based upon installed cost adjusted to Replacement Cost New with Marshall Valuation Indexes and Department of Labor Price Indexes and then depreciated according to State supplied schedules.
- 2) Highest and best use: Tangible Property Appraiser identifies and values the subject property as functional and useable at its highest and best use at the current location.
- 3) Location: The Tangible Property Appraiser confirms that the tangible subject property is located as addressed by the owner and users.
- 4) Quantity or size: The Tangible Property Appraiser properly accepts owner description and pricing as a description of the quantity and size of said property.
- 5) Cost and present replacement value: The Tangible Property Appraiser estimates remaining market value based upon replacement cost new subject to depreciation in place.
- 6) Condition: The Tangible Property Appraiser reviews the owner indication of value.
- 7) Income: The Tangible Property Appraiser's did not provide an income approach for this appraisal as estimating a return on combined machinery and fixtures is limited for market evidence unless leases that can be compared in the market are provided.
- 8) Net proceeds of sale: The Tangible Property Appraiser does not adjust for the cost of sale, as such tangible sales that occur do not involve fees or costs of sale except at auctions which do not indicate fair market conditions.

The Tangible Property Appraiser presented its conclusion based upon information provided by the owner and provided a value of \$45,587 and after a \$25,000 exemption indicates a taxable amount of \$20,587.

Petitioner failed to presented any analysis for an indication of value for the subject. Petitioner's package of evidence is a collection of articles on going concern valuation, manuals issued by the State of Florida, a summarized, no departmentalized operating statement for the hotel and a one page income approach valuing the subject complex as a whole along with other documents including an environmental study of the Lagoon golf course, none of which does anything to indicate the value of the subject property. Petitioner has made no specific concluding comments or rebuttal regarding this property at the end of the hearing for eleven properties Petitioned by the owner. Tangible Property Appraiser wonders why her assessments were under appeal as the Petitioner used her assessed values in his income analysis for the whole, indicating acceptance of her assessments and a waste of hers and the County's time.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this value component property of a large complex of multi-uses indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. For the sum of the parts may be less or more than the value of the whole and not knowing the parts limits the

perspective support or confidence in the value of the whole. The Petitioner's shot gun evidence and lack of testimony lacks sufficiency, credibility, and suitability for a sound conclusion of Just Value. As such, Petitioner has failed to provide any evidence to overcome the Tangible Property Appraiser's Just Value. The Special Magistrate recommends a denial of this appeal by the Petitioner to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 195.027 (4) Special Magistrate has found that the Tangible Property Appraiser has provided sufficient, relevant, and credible analysis of the Petitioner's submitted Personal Property Forms to indicate a Fair Market Value, including a \$25,000 exemption provided by the County, for each of three returns. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Fair Market Value per the criteria in F.S. 195.027 (4); therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

PLANTATION INN & GOLF RESORT**FINDINGS OF FACT**

Present for Petition 100 is the Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Tangible Property Appraiser Ms. Gwen Klaiber providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence, none of which includes tangible property information on the subject and no testimony is provided, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to show any evidence that the making of the subject assessment did not meet the standards of F.S. 195.027 (4). Finally, Petitioner has made no specific concluding comments or rebuttal regarding this property at the end of the hearing for all eleven properties Petitioned by the owner. Tangible Property Appraiser wonders why her assessments were under appeal as the Petitioner used her assessed values in his income analysis for the whole, indicating acceptance of her assessments and a waste of hers and the County's time. Moreover, the County Tangible Property Appraiser indicates that any adjustment to combine the valuations of tangible parcels eliminates the three \$25,000 exemptions down to one exemption, a loss of \$50,000 to the taxpayer. As such, the Magistrate hears the testimony of the County Tangible Appraiser's testimony per the standards of appraising as required by F.S. 195.027 (4) for determining an assessable Fair Market Value.

The subject property is the Hotel Operation of the Plantation Resort complex. All assessable equipment, furnishings, and fixtures, are listed at cost by the Petitioner and submitted in an appropriate form after an allowed extension after the due date. Said form is evaluated for a value conclusion with a computer assisted mass appraisal program, a method which is professionally accepted practice in appraising. The method applied is the Cost Approach wherein all eight factors of valuation are considered. No evidence is added by the Petitioner for this analysis.

The eight criteria are considered by the Tangible Property Appraiser in the following manner.

- 1) Present cash value: This is based upon installed cost adjusted to Replacement Cost New with Marshall Valuation Indexes and Department of Labor Price Indexes and then depreciated according to State supplied schedules.
- 2) Highest and best use: Tangible Property Appraiser identifies and values the subject property as a functional and useable at its highest and best use at the current location.
- 3) Location: The Tangible Property Appraiser confirms that the tangible subject property is located as addressed by the owner and users.
- 4) Quantity or size: The Tangible Property Appraiser properly accepts owner description and pricing as a description of the quantity and size of said property.
- 5) Cost and present replacement value: The Tangible Property Appraiser estimates remaining market value based upon replacement cost new subject to depreciation in place.
- 6) Condition: The Tangible Property Appraiser reviews the owner indication of value.
- 7) Income: The Tangible Property Appraiser's did not provide an income approach for this appraisal as estimating a return on combined machinery, fixtures is limited for market evidence unless leases that can be compared in the market are provided.
- 8) Net proceeds of sale: The Tangible Property Appraiser does not adjust for the cost of sale, as such tangible sales that occur do not involve fees or costs of sale except at auctions which do not indicate fair market conditions.

The Tangible Property Appraiser presented its conclusion based upon information provided by the owner and provided a value of \$473,357 and after a \$25,000 exemption indicates a taxable amount of \$448,357.

As noted Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence is a collection of articles on going concern valuation, manuals issued by the State of Florida, a summarized, no departmentalized operating statement for the hotel and a one page income approach valuing the subject complex as a whole along with other documents including an environmental study of the Lagoon golf course, none of which does anything to indicate the value of the subject property.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this component property of a large complex of multi-uses indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. For the sum of the parts may be less or more than the value of the whole and not knowing the parts limits the perspective support

or confidence in the value of the whole. The Petitioner's shot gun evidence and lack of specific testimony lacks sufficiency, credibility, and suitability for a sound conclusion of Just Value. As such, Petitioner has failed to provide any evidence to overcome the Tangible Property Appraiser's Fair Market Value. The Special Magistrate recommends to the Valuation Adjustment Board a denial of this appeal by the Petitioner.

CONCLUSIONS OF LAW

Per the requirements of F.S. 195.027 (4) Special Magistrate has found that the Tangible Property Appraiser has provided sufficient, relevant, and credible analysis of the Petitioner's submitted Personal Property Form to indicate a Fair Market Value, including a \$25,000 exemption provided by the County, for each of three returns submitted. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Fair Market Value per the criteria in F.S. 195.027 (4); therefore, Special Magistrate recommends denial of the relief requested by Petitioner. FINDINGS OF FACT

Present for Petition 101 is the Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Tangible Property Appraiser Ms. Gwen Klaiber providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence, none of which includes tangible property information on the subject and no testimony is provided, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to show any evidence that the making of the subject assessment did not meet the standards of F.S. 195.027 (4). Petitioner has made no specific concluding comments or rebuttal regarding this property at the end of the hearing for eleven properties Petitioned by the owner. Tangible Property Appraiser wonders why her assessments were under appeal as the Petitioner used her assessed values in his income analysis for the whole, indicating acceptance of her assessments and a waste of hers and the County's time. Moreover, the County Tangible Property Appraiser indicates that any adjustment to combine the valuations of tangible parcels eliminates the three \$25,000 exemptions down to one exemption, a loss of \$50,000 to the taxpayer. As such, the Magistrate hears the testimony of the County Tangible Appraiser's testimony per the standards of appraising as required by F.S. 195.027 (4) for determining an assessable Fair Market Value.

The subject property is part of a Golf Course and Pro Shop Operation of the Plantation Resort complex. All assessable equipment, furnishings, and fixtures, are listed at cost by the Petitioner and submitted in an appropriate form after an allowed extension on the due date. Said form is evaluated for a value conclusion with a computer assisted mass appraisal program, a method which is professionally accepted practice in appraising. The method applied is the Cost Approach wherein all eight factors of valuation are considered. No evidence is added by the Petitioner for this analysis.

The eight criteria are considered by the Tangible Property Appraiser in the following manner.

- 1) Present cash value: This is based upon installed cost adjusted to Replacement Cost New with Marshall Valuation Indexes and Department of Labor Price Indexes and then depreciated according to State supplied schedules.
- 2) Highest and best use: Tangible Property Appraiser identifies and values the subject property as a functional and useable at its highest and best use at the current location.
- 3) Location: The Tangible Property Appraiser confirms that the tangible subject property is located as addressed by the owner and users.
- 4) Quantity or size: The Tangible Property Appraiser properly accepts owner description and pricing as a description of the quantity and size of said property.
- 5) Cost and present replacement value: The Tangible Property Appraiser estimates remaining market value based upon replacement cost new subject to depreciation in place.
- 6) Condition: The Tangible Property Appraiser reviews the owner indication of value.
- 7) Income: The Tangible Property Appraiser's did not provide an income approach for this appraisal as estimating a return on combined machinery, fixtures is limited for market evidence unless leases that can be compared in the market are provided.
- 8) Net proceeds of sale: The Tangible Property Appraiser does not adjust for the cost of sale, as such tangible sales that occur do not involve fees or costs of sale except at auctions which do not indicate fair market conditions.

The Tangible Property Appraiser presented its conclusion based upon information provided by the owner and provided a \$25,000 exemption to indicate a taxable amount of \$136,510.00.

Petitioner failed to presented any analysis for an indication of value for the subject. Petitioner's package of evidence is a collection of articles on going concern valuation, manuals issued by the State of Florida, a summarized, no departmentalized operating statement for the hotel and a one page income approach valuing the subject complex as a whole along with other documents including an environmental study of the Lagoon golf course, none of which does anything to indicate the value of the subject property.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this value component property of a large complex of multi-uses indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. For the sum of the parts may be less or more than the value of the whole and not knowing the parts limits the

perspective support or confidence in the value of the whole. The Petitioner's shot gun evidence and lack of specific testimony lacks sufficiency, credibility, and suitability for a sound conclusion of Just Value. As such, Petitioner has failed to provide a preponderance of evidence to overcome the Tangible Property Appraiser's Fair Market Value. The Special Magistrate recommends to the Valuation Adjustment Board a denial of this appeal by the Petitioner.

CONCLUSIONS OF LAW

Per the requirements of F.S. 195.027 (4) Special Magistrate has found that the Tangible Property Appraiser has provided sufficient, relevant, and credible analysis of the Petitioner's submitted Personal Property Form to indicate a Fair Market Value, including a \$25,000 exemption provided by the County, for each of three returns submitted. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Fair Market Value per the criteria in F.S. 195.027 (4); therefore, Special Magistrate recommends denial of the relief requested by Petitioner. PETITION 2020 - 102
PLANTATION HOTEL INC**Page 1****FINDINGS OF FACT**

Present for Petition 102 is Petitioner by telephone conference arrangement, Property Tax Professionals, represented by Mr. John McDonald, for Kingwood Crystal River Resort Corporation, and in person with County Appraiser Mr. Herb Mack in company with Mr. Timothy Renard providing testimony at this hearing on November 18, 2020. All are duly sworn. The County Appraiser first provides evidence and testimony after which Petitioner provides a package of assumed evidence on the subject and no testimony, claiming to withhold comment and rebuttal until all parcels under consideration have been heard. This does not eliminate the need for Petitioner to provide specific comments to the subject property's value. As the Petitioner fails to specifically identify for this hearing any evidence in his package regarding this parcel by and of itself, Petitioner fails to provide any evidence that the subject assessment does not meet the standards of F.S. 193.011. The Magistrate hears the testimony of the County Appraiser regarding the subject Just Value per the standards of appraising as required in by F.S. 193.011

The subject property is a right of way parcel of land, located at the Plantation Complex at 9453 West Plantation Lane. The easement contains 8,566 square feet and is part of a larger parcel 1,351 feet long and 53 feet wide, the dimension of a driveway. The easement allows for on-site vehicle traffic. The zoning is CH. No specific evidence is added by the Petitioner in this package that addresses this analysis.

County Property Appraiser presented a CAMA property card indicating a value of \$90 for the subject. Per the requirements of listing parcels this value does not generate a tax bill but does meet the requirement of valuing a parcel. However, this easement may be navigated by anyone without charge. Since this allocation does meet a conclusion of nominal value per requirements, it is noted there is a lack of market sales for this easement on land. The access is an open use which in the end is an easement which has no value to the owner. The eight factors apply with highest and best use, open use with no charge, and no market sales. Yet with location it adds value to the abutting parcels which are duly assessed with market evidence. The subject is described in size and function, with no cost incurred for its use, with a useable condition for vehicle traffic, and in the CAMA system it is assumed to provide a 15% deduction to reach \$90.

Petitioner failed to present any analysis for an indication of value for the subject. Petitioner's package of evidence is a collection of articles on going concern valuation, manuals issued by the State of Florida, a summarized, not departmentalized operating statement for the hotel and a one page income approach valuing the subject complex as a whole along with other documents including an environmental study of the Lagoon golf course, none of which does anything to indicate the value of the subject property. Petitioner has made no specific concluding comments or rebuttal regarding this property at the end of the hearing for the eleven properties Petitioned by the owner.

It is this Magistrate's conclusion that the Petitioner's lack of concern about the detail of the subject property along with a lack of evidence to provide a value for this minor value component property of a large complex of multi-uses, indicates a lack of competence and awareness regarding this assessment and a Just Value consideration. The Petitioner's shot gun evidence and lack of testimony lacks sufficiency, credibility, and suitability for a conclusion of Just Value. As such, Petitioner has failed to provide a preponderance of evidence to overcome the County Property Appraiser's Just Value. The Special Magistrate recommends a denial of this appeal by the Petitioner to the Valuation Adjustment Board.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible analysis to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show with a lack of relevant evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011; therefore, Special Magistrate recommends denial of the relief requested by Petitioner. This decision is being issued in order that any right the Petitioner may have to bring an action in circuit court is not impaired. (Rule 12D-9.021 (6) & (8), F.A.C.)

MOROUN MADELEINE SUZANNE**FINDINGS OF FACT**

For Petition 106, Petitioner Madeleine Moroun did not appear at the hearing at the scheduled 2:15 P.M.. However, Petitioner requested that the hearing proceed in her absence. Petitioner has not presented any evidence for this hearing. As such County Appraiser is heard regarding the making of the assessment on the subject property. Mr. Jonathan Franke, the County Appraiser is present, and previously sworn, presents his evidence for the record. The subject property at 8690 N. Sarazen Drive in Citrus Springs is a vacant wooded corner lot on a paved street with access to municipal services and containing 15,767 square feet of area in a nearly square shape. This lot is located in a well developed residential subdivision. The subject is valued per S.R. 193.011 using comparable lot sales of similar size and shape, taking into account their location and residential use. Factor 8 is applied with a 15% "cost of sale" adjustment per F.S. 193.011.

LONG PAUL**FINDINGS OF FACT**

Petition 112 (2020)

Hearing on October 14, 2020

The petitioner in this matter is Paul Long, the owner of the property located at 10342 N. Sundridge Pt., Dunnellon, Florida 34433 (Parcel No.: 18E17S08 1AAA0 0030). At the hearing on the petition, the Petitioner was represented by Paul Long, and testimony and evidence were provided by Mr. Long.

The Property Appraisers Office (hereinafter "PAO") was represented by Kim Whitton and Herb Mack and testimony and evidence were provided on behalf of the Property Appraisers Office by Ms. Whitton, and testimony was also provided by Mr. Mack.

The PAO submitted the following documents which were admitted into evidence:

Evidence List and Summary of Testimony; Petition to the Value Adjustment Board (dated 09/08/2020, with receipt date of 09/08/2020); Quitclaim Deed (dated 11/06/2018); copy of partial Death Certificate of Paul Willetts Long, Jr. (dated 01/04/2019); Letter from PAO to Petitioner (dated 08/01/2019); emails from PAO to Petitioner (dated 12/23/2019 and 09/14/2020); Property Record Card for the subject property, Parcel 18E17S08 1AAA0 0030 (bearing print date of 09/24/2020); copy of Florida Statute section 193.461; Letter from Petitioner (undated); copy of Death Certificate of Catherine Theresa Long (dated 09/25/2018); Dock Receipts from Ocala Stockyard (undeterminable date); invoice from Ocala Stockyard (dated 04/29/2019); Receipts from Stone Age Ranch (dated Dec. 2018, 2019 and 2020); Invoice from Mayo Fertilizer (dated 05/21/2019); Statement from Ring Rock Ranch (dated 11/3/undeterminable); Death Certificate of Paul Willetts Long, Jr. (dated 01/04/2019); Grazing Lease (dated 01/01/2019); Letter from PAO to Petitioner (dated 09/23/2020)

The testimony provided by the PAO included the following:

The subject property is comprised of approximately 15 acres which had been classified as agricultural when owned by the previous owner. The Petitioner acquired the subject property in 2019 upon the death of his father who was the previous owner. A copy of the Death Certificate was recorded and the PAO was notified of the death and change in ownership. The Petitioner failed to timely file an application for agricultural classification and never filed an application late either. The deadline for filing was March 1, 2020. Several attempts were made to advise the Petitioner of the need to file an application if he intended on having the PAO consider an agricultural classification for the land.

The primary reason for the denial of the agricultural classification is because the Petitioner did not timely file, or ever file, an application for agricultural classification.

The Petitioner submitted the following documents which were admitted into evidence:

List of Evidence; Receipts from Stone Age Ranch (dated 2020, 2019 and Dec. 2018); Receipt from Ring Rock Ranch (dated 11/03/2019[?]); Invoice from May Fertilizer (dated 05/21/2019); Dock Receipts from Ocala Stockyard (dated 04/28/2019); Statement from Ocala Stockyard (dated 04/29/2019); Death Certificate of Catherine Theresa Long (dated 09/25/2018); Death Certificate of Paul Willetts Long, Jr. (dated 01/04/2019); Grazing Lease (dated 01/01/2019); Quitclaim Deed (dated 11/6/2018).

The testimony provided by the Petitioner included the following:

The Petitioner stated that he thought he could still petition for a late filing for agricultural classification. The Petitioner lives in St. Petersburg and has been dealing with a lot of issues arising from the recent loss of his parents. The Petitioner asserted that the subject property has had an agricultural classification since the early 2000's. The Petitioner acknowledged that he has not filed an application for agricultural classification.

Conclusions of Fact:

The subject property was classified agricultural when owned by the previous owner. The Petitioner never filed an application for agricultural classification, but rather proceeded on filing a petition only.

CONCLUSIONS OF LAW

Conclusions of Law:

While a great deal of sympathy goes out to the Petitioner for the loss of his parents in a relatively short period of

LONG PAUL

time and the corresponding burden of dealing with myriad issues related to his loss, the law must be applied equally, evenly and fairly to all. Florida Statute section 193.461 (3)(a) requires an application for agricultural classification to be filed "on or before March 1" and generally mandates that failure to timely file "constitutes a waiver". In this matter the Petitioner failed to file his application by March 1. However, the statute also provides for an exception to this general mandate and permits a late filing of an application. The statute requires that "an applicant who is qualified to receive an agricultural classification who fails to file an application by March 1 must file an application for classification with the property appraiser on or before the 25th day after the mailing" of TRIM notices. The Petitioner acknowledged that he never filed an application and the PAO testified that they have never received an application from the Petitioner.

The applicable portion of the statute is not a model of clarity, but it is certain that both the application and the petition are required to be filed by or on behalf of the property owner and the uncontroverted evidence in this case shows that the Petitioner failed to ever file an application. *Turner vs. Lusk*, 819 So.2d 258, 260 (Fla. 2nd DCA 2002)

The testimony is uncontroverted. The Petitioner failed to file an application for agricultural classification, either timely or late. Missing the statutory deadline constitutes a waiver. Petitioner's application should be denied.

LOWES HOME CENTERS INC

FINDINGS OF FACT

Petition 115: Findings of Fact

INTRODUCTION

The important subject of this hearing is just value. Florida law dictates that the property appraiser is responsible for presenting relevant and credible (worthy of belief) admissible evidence in support of their determination of just value. See rule 12 D-9.025 (3)(a), F.A.C. Relevant evidence, is evidence that is reasonably related, directly or indirectly, to the statutory criteria that apply to the issue under review. This description means the evidence meets or exceeds the minimum level of relevance necessary to be admitted for consideration. Also, the special magistrate must determine that the evidence presented is admissible. Admissible evidence means evidence that has been admitted into the record for consideration by the special magistrate. See rule 12 D-9.025 (2)(a) F.A.C.

If the property appraiser establishes a presumption of correctness by proving by a preponderance of the evidence that the just value assessment was arrived at by complying with section 193.011, F.S. and professionally accepted appraisal practices the petitioner must prove by a preponderance of the evidence that the property appraiser's just valuation does not represent just value or the property appraiser's just valuation is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county. See subsection 194.301 (2) (a) F.S. as amended by chapter 2009- 121, Laws of Florida (House Bill 521). Under rule 12 D - 9.025(1), F.A.C.

There are eight factors of just valuation established by Section 193. 011, Florida Statutes. This Florida law states that in arriving at just valuation as required under S. 4, Art. VII of the State Constitution, the property appraiser shall take into consideration the following factors:

1) Present cash value - willing buyer/seller. 2) Highest and best use. 3) Location of property. 4) Quantity or size. 5) Cost of property and present replacement cost of improvements. 6) Condition of property. 7) Income of property. 8) Net proceeds of sale.

Florida court decisions have used the terms lawfully, properly, duly, and carefully to describe the standard of care required of property appraisers in considering each of the eight factors." Just value is to be determined by giving careful consideration to each of the factors contained in Florida Statute 93. 011 and by giving such weight to a factor as a particular factual situation may justify." See Florida Attorney General's opinion AGO 77-106, September 29, 1977.

After lawfully considering the factors, the property appraiser may discard entirely any factor that is not probative (indicative) of just value under the circumstances, as long as the appraisal methodology used complies with professionally accepted appraisal practices. See Mazourek V. Wal-Mart Stores, 831 So. 2d 85 (Fla. 2002) and Section 194.301, F.S. as amended by Chapter 2009-121, Laws of Florida (House Bill 521). In administrative reviews, the property appraiser is responsible for proving by a preponderance of the evidence that he or she complied with section 193. 011 by properly considering each of the eight factors in developing original just valuations. See subsection 194.301 (1), F.S.

Findings of Fact

This petition 115 was heard on November 10, 2020 commencing at 8:55 AM. The subject property was a Lowes Home Center. It is located at 2301 E. Gulf- to- Lake Highway, in Inverness. This retail warehouse store was constructed in 2005 with 134,609 square feet of building area. There is 16.13 acres of land.

This hearing was telephonic and the owners representative was John Muratides Esquire with Stearns Weaver Miller Weissler Alhadeff & Sitterson, PA, Miami. Mr. Tim Reynard was the witness for the Citrus County Property Appraiser. These two witnesses were sworn to tell the truth, the whole truth and nothing but the truth go help them God by special magistrate, Robert Sutte.

Mr. Reynard provided his evidence and testified first. The property appraiser legally identified the subject property

LOWES HOME CENTERS INC

and entered into the record their values. The estimated subject property value was based upon the application of the cost approach. It was his opinion that for a property like Lowes, built by Lowes for retail sales indicated that value in use and value in exchange were the same. The property appraiser (PA) also presented sales and income approaches to value. The property appraisers three indications of value for the subject property were as follows:

Cost \$10,327,183 Sales \$10,297,589 Income \$10,463,854

The reconciled final estimate of value was \$10,327,183 or \$76.72 per square foot of building area including the value of the land. The estimated market and just value for the subject property as of January 1, 2020 was \$9,488,840, which is substantially less.

Mr. Reynard provided a detailed description of his application of the cost approach. He relied upon the use of an application of the Marshall Valuations Service Cost methodology. The estimated subject land value was based upon a comparison of five area comparable land sales. Detailed descriptive information, photographs and a location map were provided.

These selected land sales ranged in size from 3.92 to 19.67 acres. The subject land area is 16.13 acres. The unadjusted prices paid per square foot ranged from \$3.79 to \$11.78 per foot. Due to scarcity, these sales were older and took place between 2010 and 2016. The property appraiser reconciled land value was \$4.00 per square foot come or \$2,810,528.

The total estimated Lowes cost new was \$10,938,219. The estimated depreciated value was \$9,339,099. With the addition of land value, the total indicated value via this application of the cost approach was \$12,149,627. After a deduction of 15 % for costs of sale, the indicated just value via the cost approach was \$10,327,183 or \$76.72 per square foot of building area.

Regarding the improved property sales comparison, the PA provided seven sales of area improved retail properties. Detailed description information photographs and a location map were provided. These transactions took place between May 2014 and May 2018. The buildings were constructed between 2002 and 2017 with the subject being constructed in 2005. These retail transactions involved building areas from 18,900 to 60,782 square feet compared to the subjects 134,609 square feet.

The unadjusted prices paid per square foot of building area including the value of the land ranged from \$134.88 to \$206.88. Of interest and by coincidence, the lowest unit price was for the largest building and the highest unit price was for the smallest building.

The estimated unit value was \$90.00 per foot for the subject property which resulted in a total indicated value of \$12,114,810.. 15 % was deducted for costs of sale and the indicated value via the sales comparison approach was \$10,297,589. Mr. Reynard noted that his compared sales were significantly different than the subject property but the resulting indicated value supported the reliability of the value indicated via the cost approach.

For the application of the income approach, the property appraiser estimated a market rent for the subject by comparison. Detailed descriptive information, photographs and a location map were provided for six area comparable rental properties. Rendered sizes varied from 15,000 to 95,338 square foot. The rental rates were from \$6.80 to \$10.00 per square foot. The estimated subject rent was \$6.80 per foot. Given 134,609 square feet, the estimated potential gross income was \$915,341.

The allowance for vacancy and rent loss was 3.0 %. The effective gross income was estimated to be \$887,881. Assuming this larger store area lease would be triple net, only 1.5 % of EGI was allocated for operating expenses. The reserve for replacement allowance was 2.0 %. The estimated annual net operating income was \$856,805.

The property appraisers estimated capitalization rate was 6.96 %. This was based primarily upon the use of the Band of Investment Method. Dividing the estimated net income by the overall capitalization rate indicated a value for the subject property of \$12,310,417. Then, 15% was detected as the allowance for costs of sale. The resulting

PETITION 2020 - 115
LOWES HOME CENTERS INC

indicated just value for the real estate via the income approach was \$10,463,854.

As noted earlier, the result of the reconciliation of the three indications of value was the final estimate of market or just the value for the subject property of \$9,488,840

The property owners representative reported that his estimated value for the subject property was based upon the application of the income approach. He noted that he did give some minor consideration to comparable improve sales. He also noted that he did not consider the cost approach to be meaningful and applicable for the valuation of the subject Lowe's property. It was his opinion that it should be valued as second generation real estate. Therefore, he did not use the cost approach to value.

A major reason for the substantial differences of opinion of value was that the property appraiser felt that estimating value in use was also value an exchange due to the type of property. The petitioner believed that the subject property should be valued as vacant as of the effective date of valuation. This meant that the selected comparable rents and comparable sales would be former retail stores hopefully like Lowe's and Home Depot and this data is referred to as second generation. It is the special magistrates opinion that the subject property should be valued in fee simple as unencumbered but that does not mean as vacant.

The petitioners evidence to support the application of the income approach was limited. Two pages of tabular summaries of big box asking rents and big box actual rents were presented. These properties were all formally occupied by retailers such as Kmart, Target, Bealls, Dollar Tree, Publix , Lowes and some other retailers.

The 10 asking rents were for building rentable areas ranging from 55,552 to 120,000 square feet. These structures were constructed between 1973 and 2008. One asking rent was in Citrus County with the other nine being in nine different Florida counties with the closest being Pasco and the most distant being Taylor located in Florida's central panhandle. The asking rents were from \$3.00 to \$7.50 per foot.

The second one page tabular summary was for big box actual rents. The seven rents were for building rentable areas ranging from say 65447 to 163,858 square feet. These structures were built between 1976 and 2006. One rental was in Citrus County. It was a former "Family Fun Zone" entertainment type property with 95,697 square feet renting for \$3.00 per foot. The other six sales were in six different counties with the closest being Pasco and the most distant being Duval (Jacksonville). The reported range of rents was from \$3.00 to \$5.74 per foot.

Other than the tabularized information identified above, no detailed descriptive information, photographs or location maps were provided. Having this supportive information is extremely important to identify the quality of information used and understand the comparative analysis of the data being considered regarding rental and property values.

The petitioners pro forma income analysis summary was a third page of tabularized information. The total building area was slightly smaller with 134,563 square feet. The estimated rent was \$6.00 per foot. After an allowance of 10% for vacancy and rent loss, the estimated total effective gross income was \$726,640.

The petitioner deducted 5% for property expenses and arrived at an estimated annual net operating income of \$690,308. The selected capitalization rate was 7.5%. The support for this selection was a limited amount of published information from Boulder Group and Coldwell Banker Real Estate (CBRE).

The indicated value via the income approach was \$9,204,109. After a deduction of \$21,799 as an allowance for reserves for replacements, the net value of \$9,182,310 was reduced by 15% for cost of sale. This resulted in an indicated value of \$7,804,963 or \$58.00 per foot which was the petitioners requested value.

As noted earlier, the petitioner chose not to develop a cost approach indication of value. He also noted that his estimated value would be predicated upon the use of the income approach, but some consideration was given to improved second generation retail property sales. However, no indication of value was developed by the petitioner using comparable sales. Therefore, the special magistrate reviewed the limited non-conclusive information

PETITION 2020 - 115
LOWES HOME CENTERS INC

Page 4

provided by the petitioner regarding cost and sales but gave it no value consideration.

At the conclusion of this hearing Mr. Reynard had many rebuttal comments. Mr. Muratides also had some. These comments including opinions were also considered by the special magistrate.

Based upon consideration of the verbal and written information and evidence provided, the special magistrate also concluded the following:

Insufficient information was presented by the petitioner to support a reduction in the assessment. The assessment was not proven to be incorrect.

The property appraisers indications of value were developed by utilizing the three traditionally accepted appraisal methods.

The market value of the subject property is within the discretion of the property appraiser and within a reasonable range of values for the property.

The property appraiser lawfully considered the eight criteria enumerated in section 193.011, Florida Statutes.

CONCLUSIONS OF LAW

Petition 115: Conclusions of Law

In accordance with section 194.301 F.S., it was determined that there is competent evidence of value on record in compliance with the criteria of 193.011 and professionally accepted appraisal practice to establish an appropriate assessment for the subject property. In the professional opinion of the special magistrate, the property appraiser's evidence was credible, relevant, and sufficient. In this case, the property appraiser proved by a preponderance of the evidence that their estimation of value does not exceed just value. Therefore, the special magistrate has denied the petitioners request for any reduction in value and recommends that the property appraiser's value be upheld.

Stated another way, if the property appraiser establishes a presumption of correctness and the petitioner does not overcome the presumption of correctness the assessment stands. This decision, that tax relief is denied, means that any right the petitioner may have to bring action in circuit court is not impaired.

Citrus Petitions: 118 (41,42,119)

Findings of Fact:

The November 10, 2020 hearing included consideration of the above identified four petitions. Each petition involved a CVS pharmacy store. This hearing was scheduled to be heard at 1: 00 PM on November 10, 2020. Due to a prior hearing delay, this hearing commenced at 1:53 PM. The real estate owners representative was Flanagan Bilton LLC "a nationwide property tax law firm" located at 1 N. LaSalle Street, Suite 2100, Chicago Illinois. A Mr. Spero Kopitas sent two emails to Ms. Georgette Tozer, DC, VAB Clerk.

1) The November 5 communication stated" We will not be attending the hearing and we do not require a telephonic hearing. We will accept the VAB decision sustaining the proposed values."

2) A subsequent November 9 communication stated" Unfortunately my client has not authorized me to withdraw the appeals."

In addition to the above, MS. Georgette Tozer reported that the petitioner did not provide any value evidence. The special magistrate, Robert Sutte, acknowledged that this request for these petitions to be heard in absentia is to comply with the taxpayer representatives clients request and also preserve the property owners right to appeal the VAB decision to the circuit court. Therefore, the special magistrate instructed the property appraiser to proceed with the submission of their evidence, identify the subject property and report the related values.

Mr. Tim Renard MAI, CFE, with the property appraisers office was sworn to tell the truth the whole truth and nothing but the truth so help him God by the special magistrate. For the record, he legally identified the subject property, and reported ownership, property address, building size, year built, land area, and opinions of highest and best use. The estimated values were also entered into evidence. The PA submitted their narrative appraisal report which was accepted into evidence by the special magistrate. The property appraiser's estimated value for Petition 118 was \$3,712,551 and the estimated market value was \$ 2,916,670.00

Based upon careful consideration of all verbal and written information and evidence provided, the special magistrate concluded the following:

No evidence was submitted by the petitioner to support a reduction in the assessment. The assessment was not proven to be incorrect.

The property appraisers assessment was developed by generally accepted appraisal methods.

The market value of the subject property is within the discretion of the property appraiser and within a reasonable range of values for the property.

PETITION 2020 - 128
HOLST MICHAEL R

Page 1

FINDINGS OF FACT

The hearing for Petition 128 scheduled for 11:15 A.M. opened in absentia with the petitioner not present; however, Petitioner requested that the hearing proceed in his absence. As such, County Property Appraiser, Mr. Jonathan Franke, previously sworn, testified with the evidence used in making the assessment for the subject property. It is noted that the petitioner provided no evidence for this hearing.

The subject property is a one story single family dwelling constructed in 2006 of concrete block and stucco on a slab with a wood framed interior and hip roof with asphalt/fiberglass shingled roof containing 3,168 square feet of living area and a full front portico.

To properly assess a Just Value for the subject property per Florida Statute 193.011, County Appraiser applied the eight factors of value.--1.) a cash value as ascertained by a sale comparison.--2.) the highest and best use as determined with a review of land sales and abutting uses.--3.) the location of the subject is located in a well occupied complimentary large lot acreage residential mini ranch neighborhood with modular and stick built homes with typical out buildings.--4.) the acreage size of the subject parcel is considered with the most recent sales available of similar size and use potential.--5.) as an improved parcel, replacement costs with applied depreciation for an average condition for standard construction are provided.--6.) for the subject replacement cost the County Appraiser applied on line cost data in the county mass appraisal system with an effective age equal to the date of construction allocating normal depreciation for a fourteen year old building.

In review of the appraisal process the income approach was not applied with no available and reasonable rental market comparables to apply for this type of property. The best sale comparable, number 5, readily supports the just market value of the subject by its closest location to the subject, similar parcel size and age of the home. This is sale has a smaller house, approximately 1,000 square feet less than the subject in living area. In this respect it is apparent that the location of the subject in an immediate area more apparently populated with modular homes accounts for and balances out the superior size of the subject dwelling for a final value conclusion as a location consideration for this best comparable.

Petitioner failed to provide to the County Appraiser any evidence 15 days prior to this hearing or for submission and use in this hearing. Without the Petitioner present to question the County Appraiser for his choice of sales and cost analysis, petitioner has in total failed to meet the standards of overcoming the country appraiser's estimate of the Just Value for the subject. At the same time the County Appraiser has provided an analysis according to the eight factors of valuation in F.S. 193.011. The County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support for a Just Value including the cost of sale adjustment provided by law in the 8th factor in F.S. 193.011.

CONCLUSIONS OF LAW

Per the requirements of F.S. 193.011 and F.S. 194.30, Special Magistrate has found that the County Appraiser has provided sufficient, relevant, and credible evidence to reasonably support the County Appraiser's conclusion of a Just Value for the subject property, including a cost of sale adjustment provided by law in the 8th factor in F.S. 193.011. Petitioner failed to show any evidence to overcome the property appraiser indication of Just Value per the criteria in F.S. 193.011. Relief is denied and this decision is being issued in order that any right the petitioner may have to bring an action in circuit court is not impaired.(Rule 12D-9.021 (6) & (8), F.A.C.)

Reasons for Decision

Findings of Fact

Special Magistrate was prepared to open this hearing for Petition 129 for petitioner by Saad Alan. County Appraiser is present. Petitioner has elected to not appear and is a no show. The finding of fact is that the petitioner did not appear for this hearing or state good cause for petitioner's absence, nor did the petitioner request county appraiser evidence to be heard, nor did the petitioner provide any evidence for this hearing.

Conclusions of Law

Given the findings of fact noted above for failure to appear without good cause, nor did the petitioner request county appraiser evidence to be heard or provide any evidence for this hearing, the relief requested is denied and this decision is being issued in order that any right the petitioner may have to bring an action in circuit court is not impaired. GOOD CAUSE: Not found by Citrus County Value Adjustment Board Counsel on 9/22/20020 signed by Honorable Clerk Tozer the DR-485 WCN form addressed to the Petitioner as per Florida Revenue Rule 12D-9.015(11).

PETITION FILED BY PETITIONER OF RECORD and recorded by the Honorable Clerk on 9/16/2020.

DR 490 Denial form as per Florida Statute 196.031 (1) (a) stating that the reason for the denial by the Property Appraiser was that the Petitioner did not have legal or beneficial title to the property on January 1, 2020 and said denial was dated August 27, 2020.

CITRUS COUNTY PROPERTY APPRAISER EVIDENCE PACKET: was addressed in open hearing while the record was open by the Special Magistrate with the Petitioners and there were no objections to the contents and substance of the evidence by the Petitioners.

PROPERTY APPRAISER PRESENTED FIRST: Kelly Carpenter testified for the Property Appraiser. Testified that there was a denial of the 2020 homestead application. Testified that the parcel was purchased by Christopher Liquori and Laura Liquori (the son and his wife) on 6/18/2014. Testified that the property at issue was quitclaimed on January 10, 2020 without a corrective quitclaim deed from Christopher to Rena, and Sandro and Christopher with the right of survivorship. As a result, the Petitioners were not the owners of the parcel on January 1, 2020 which is the assessment date as per the statute 196.031. The November 15, 2019 deed took the Petitioners out of the homestead. Christopher was the sole owner on January 10, 2020. Testified that Christopher had homestead on another parcel here in Citrus and as a result, Christopher could not have two (2) homesteads.

Property Appraiser's evidence was relevant, admissible and credible.

PETITIONER - Sandro Liquori and Rena Liquori presented for the Petitioner: Testified that the Petitioners were purchasing solar panels in November, 2019 and that the son Christopher was on the credit needed for the purchase. And to make the purchase happen, the Petitioners needed to put Christopher on the deed. Testified that the husband and wife's removal from the deed was a mistake. Testified that the Petitioners did not know that they were off the deed. Testified that Petitioners got help from a friend on January 10, 2020 to "do the deed the right way" and wanted to put Christopher on the deed with the Petitioners.

Petitioner's evidence was relevant, admissible and credible.

CONCLUSIONS OF LAW

CONCLUSIONS OF LAW:

LIQUORI SANDRO RENA & CHRISTOPHER

The undersigned Special Magistrate finds that the following below is controlling and or persuasive in the recommendation:

APPLICABLE STATUTE: FLORIDA STATUTE 196.031 196.031 Exemption of homesteads.--

(1)(a) A person who, on January 1, has the legal title or beneficial title in equity to real property in this state and who in good faith makes the property his or her permanent residence or the permanent residence of another or others legally or naturally dependent upon him or her, is entitled to an exemption from all taxation, except for assessments for special benefits, up to the assessed valuation of \$25,000 on the residence and contiguous real property, as defined in s. 6, Art. VII of the State Constitution. Such title may be held by the entireties, jointly, or in common with others, and the exemption may be apportioned among such of the owners as reside thereon, as their respective interests appear.

THE FOLLOWING PETITION (S) RECOMMENDED TO BE DENIED:

Petition 142 Liquori Sandro Rena & Christopher

ANALYSIS

A preponderance of the evidence shows that the Petitioners in the instant matter has not submitted evidence to overcome the Property Appraiser's evidence that the instant matter that the parcel at issue should be denied that exemption that the Petitioner is seeking.

The undersigned Attorney Special Magistrate finds that Florida Statute 196.031 Exemption of homesteads persuasive in the instant recommended denial in which the relevant part reads:

196.031 Exemption of homesteads.--

"(1)(a) A person who, on January 1, has the legal title or beneficial title in equity to real property in this state and who in good faith makes the property his or her permanent residence or the permanent residence of another or others legally or naturally dependent upon him or her, is entitled to an exemption from all taxation, except for assessments for special benefits, up to the assessed valuation of \$25,000 on the residence and contiguous real property, as defined in s. 6, Art. VII of the State Constitution. Such title may be held by the entireties, jointly, or in common with others, and the exemption may be apportioned among such of the owners as reside thereon, as their respective interests appear. "

In the matter before the undersigned Special Magistrate, a preponderance of the evidence shows that the relevant language applicable to the instant matter from Florida Statute 196.031 (1) (a) is " A person who, on January 1, has the legal title or beneficial title in equity to real property in this state and who in good faith makes the property his or her permanent residence or the permanent residence of another or others legally or naturally dependent upon him or her, is entitled to an exemption from all taxation, except for assessments for special benefits, up to the assessed valuation of \$25,000 on the residence and contiguous real property, as defined in s. 6, Art. VII of the State Constitution. Such title may be held by the entireties, jointly, or in common with others, and the exemption may be apportioned among such of the owners as reside thereon, as their respective interests appear."

In the instant matter, a preponderance of the evidence shows that the parcel at issue does not meet what is necessary for the exemption that Petitioner is seeking for the reasons below:

1. Testimonial evidence and documentary evidence from the Property Appraiser showing that the parcel was purchased by Christopher and Laura the son and his wife Liquori 6/18/2014 and that the testimonial evidence and documentary evidence showed that in 2017 the property was deeded to Petitioners and Petitioners took title.
2. Testimonial evidence and documentary evidence from the Property Appraiser showing that Petitioners applied for homestead in 2018 and the homestead was granted for Petitioners in 2018 and was also in place in 2019.
3. Testimonial evidence and documentary evidence from the Property Appraiser showing that in November, 2019, a 11/15/2019 quitclaim was executed by Petitioners to Christopher Liquori and that the homestead was removed for the 2020 tax year as per Florida Statute 196.031.
4. Testimonial evidence and documentary evidence from the Property Appraiser showing that the property at issue was quitclaimed on January 10, 2020 without a corrective quitclaim deed from Christopher to Rena, Sandro and Christopher with the right of survivorship. As a result, a preponderance of the evidence shows the Petitioners were not the owners of the parcel on January 1, 2020 which is the assessment date as per the statute 196.031. The November 15, 2019 deed took the Petitioners out of the homestead. Christopher was the sole owner on January 10, 2020.
5. Christopher did not apply for homestead in this matter as a result of the 11/15/2019 quitclaim transfer.
6. Property Appraiser testimonial evidence that Christopher had homestead on another parcel here in Citrus and as a result, Christopher could not have two (2) homesteads.

PETITION 2020 - 142**Page 3****LIQUORI SANDRO RENA & CHRISTOPHER**

For the aforementioned reasons the recommendation for this matter for Petition:

Petition 142 Liquori Sandro Rena & Christopher should be NOT BE GRANTED for the exemption that the Petitioner is seeking.

The following details apply to the numbers listed for each line on the submitted invoice form which does not allow the room for listing work details involved with each petition and hearing.

Item 2. For Petitions 16 and 17. Petitioner failed to appear. County Appraiser is present but did not testify. Reviewed all relevant documentation to insure an appropriate write up for denial, drafted and edited my recommendation regarding the appeal to upload and fill in the required form for the VAB with special attention to meet attorney legal requirements for a no show, consuming 0.6 hour or 18 minutes per submission.

Item 3. Per Petition 129 Petitioner failed to appear. No Evidence submitted. County Appraiser is present but did not testify. Reviewed all relevant documentation to insure an appropriate write up for denial and drafted and edited my recommendation for the appeal to upload and fill in the required form for the VAB with special attention to meet attorney legal requirements for a no show, includes 0.4 hour or 24 minutes.

Item 4. Per Petition 128, Petitioner failed to appear but requested the hearing to proceed and County Appraiser testified. I reviewed and analyzed County testimony and the submitted appraisal report with market evidence and mass appraisal documentation to insure meeting F.S. 193.011. Petitioner offered no evidence. Devoted time with the findings of fact, drafted and edited my recommendation for the appeal to upload and fill in the required form for the VAB with special attention to meet attorney legal requirements for a no show, 0.75 hour.

Item 5. Per Petition 14, County Appraiser provided an extensive report for a which a great deal of time for review is required, as the vacant rural land is improved with warehouse structures for storing retail goods. Substantive issues involved secured and subdivided and secured space in a basement of half the entire structure. Petitioner argued without supporting evidence that the subject improvements are agricultural improvements that cost little because he did the work and sub contracted some work. Significant time was spent analyzing market sales and concluding upon the support for meeting F.S. 193.011, and evaluating substantive issues for drafting a recommendation, editing it and finalizing it, for uploading to the VAB form including 2.25hours.

Item 6. Per Petition 8, County Appraiser provided a detailed report requiring review and consideration of market sales challenged by the Petitioner. Petitioner provided no written evidence but offered verbal challenges and complaints. Reviewed the County Appraiser report for meeting F.S. 193.011 and the details of the subject property for analyzing and concluding upon a recommendation to insure an appropriate write up for denial and drafted and edited my recommendation for the appeal to upload and fill in the required form for the VAB taking. 1.1 hour.

Item 7. Per Petition 106, Petitioner did not appear and provided no evidence but requested County Appraiser testimony providing a detailed report requiring review and consideration of market sales. Reviewed the County Appraiser report for meeting F.S. 193.011 and the details of the subject property for analyzing and concluding upon a recommendation to insure an appropriate write up for denial and drafted and edited my recommendation for the appeal to upload and fill in the required form for the VAB taking. 1.1 hour.

Item 8. Per Petition 107, Petitioner did not appear and provided no evidence but requested County Appraiser testimony providing a detailed report requiring review and consideration of market sales for their comparability, location and parcel size. County report is reviewed for meeting F.S. 193.011 the eight factors as well as concluding upon a

recommendation to insure and appropriate write up with revisions and checking an appropriate legal response for conclusions of law. 0.75 hour.

Item 9. Petition 27, Petitioner did not appear, requesting County appraiser to testify. Petitioner provided no evidence. I reviewed the County appraiser report including a mass appraisal cost approach and market sales for a single family dwelling and compared the report data and conclusions for meeting the eight factors of valuation and studied the reasonableness of the market comparisons. I then drafted a description of the property and recommendation and made revisions along with a legal review for the conclusions of law for final upload into the VAB system. 1.0 hour.

Item 10. 14 Hearings, This lengthy and highly detailed series of hearings with hundreds of pages of evidence for 14 separate tax parcels represent the Plantation Resort and Golf property. Special Magistrate appeared as requested at 8:45 A.M. for preparation for the first hearing at 9:00 A.M. Upon opening this telephonic hearing the Petitioner requested consideration of all fourteen parcels as one appraised value with no breakdown of each parcel's value. This is a complex property with numerous profit centers in the real estate. Since the owner failed on its own to legally aggregate these parcels Petitioner's request was denied as each parcel has to be considered as listed on its own value issues, noting that the sum of the parts may be more or may be less than the value of the whole which cannot be determined without valuing the parts. Three parcels include tangible testimony without Petitioner comment. County Appraisers presented valuation evidence and testimony for each real estate parcel and Petitioner offered evidence without comment until the end of all of the parcel hearings when conclusions and rebuttals were provided by both sides. Hearings were closed at 1:00 P.M. with Petition 113 not appearing. 4.25 hours.

Item 11. Petition 90 opened with a 99 page County Appraisal report and presentation for a 191 guest room, full service resort hotel, loaded with documentation on all three approaches to value and a method for accounting for tangible and intangible assets. With a lengthy presentation

I re-examined the audio for substantive comments and then examined and studied the written appraisal analysis for each section of the report as well as an in depth review of County Appraisers unusual methodology for accounting for tangible and intangible elements of the valuation.

Although Petitioner offered no comment, he provided an evidence package with relevant information regarding 18 pages of court cases, 53 pages of comparable information, and 64 pages regarding discounts on assessments for intangible assets of the subject kind of property. I reviewed and considered all of the material relative to the subject property, taking extensive notes and outlining my analysis and conclusions regarding my reaching a conclusion regarding the just value of the subject real estate. I compared the Petitioner evidence package to the County Appraisal report and I found the report adequately meeting F.S. 193.011 with the eight factors of valuation including a study for reasonableness of the market comparisons. I then drafted a description of the property and recommendation and made my revisions along with a legal review for the conclusions of law for a final upload into the VAB system. 10.8 hours.

Item 12. Petition 91 opened with a County Property Appraisal testimony on his report for the just value of the Plantation Villas. Petitioner provided evidence in a packet requiring my search in 135 pages of documents with no guide or table of contents, as well as no testimony. I reviewed the County appraiser report including a mass appraisal cost approach and an income approach as no market comparables were located. I analyzed the report data and conclusions for meeting the eight factors of valuation of F.S. 193.011 and studied the reasonableness of the conclusion. I then drafted a description of the property and recommendation and made revisions along with a legal review for the conclusions of law for final upload into the VAB system. 5.22 hours.

Item 13. Petition 92 opened with a County Property Appraisal testimony on his report for the just value of three warehouse buildings. Petitioner presented evidence in a packet requiring my search in 135 pages of documents with no guide or table of contents, as well as no testimony. I reviewed the County appraiser testimony to determine the reasonableness of his conclusion. I analyzed the report data and detailed my analysis with

the his details for meeting the required eight factors of valuation to determine just value per F.S. 193.011. I then drafted a description of the property and my recommendation and made my revisions along with a legal review for the conclusions of law for a final upload into the VAB system. 2.55 hours.

Item 14. Petition 93 opened with a County Property Appraisal testimony on his report for the just value of the Plantation 18 Hole Golf Course. Petitioner provided evidence in a packet requiring my search in 135 pages of documents with no guide or table of contents, to locate two copies of four golf course sales with no commentary of analysis and no testimony. I reviewed the County appraiser 37 page report including a mass appraisal cost approach, an income approach as well as market comparables were applied. I analyzed the report data and conclusions for meeting the eight factors of valuation of F.S. 193.011 and studied the reasonableness of the conclusion. I then drafted a description of the property and recommendation and made revisions for the findings of fact along with a legal review for the conclusions of law for final upload into the VAB system. 2.3 hours.

Item 15. Petition 94 opened with a County Property Appraisal testimony on his report for the just value of the Plantation 9 Hole Executive Golf Course. Petitioner provided evidence in a packet requiring my search in 135 pages of documents with no guide or table of contents, to locate two copies of four golf course sales with no commentary of analysis and no testimony. However, Petitioner's submitted evidence included an extensive 33 Laboratory report on ground pollution from fertilizer and weed controls leading to the accumulation of arsenic to a depth of two feet. I reviewed the County appraiser 36 page report including a mass appraisal cost approach, an income approach as well as market comparables were applied. I analyzed the report data and conclusions for meeting the eight factors of valuation of F.S. 193.011 and studied the reasonableness of the conclusion. I then drafted a description of the property and recommendation and made revisions for the findings of fact along with a legal review for the conclusions of law for final upload into the VAB system. 3.05 hours.

Item 16. Three reports, Petition 99, 100, 101 opened with County Appraiser testimony on her report for the fair market value of the subject tangible property of the marina equipment furnishings, and fixtures, golf course furnishings fixtures and equipment, and hotel furnishings, fixtures and equipment per the cost approach applied by the CAMA system per depreciation guidelines and owner provided required filings. Petitioner provided evidence in a packet requiring my search in 135 pages of documents with no guide or table of contents, to locate no equipment valuation data or cost details or analysis and no commentary of analysis and no testimony, but highlighted articles on the valuation of going concern tangible and intangible property. I reviewed the County appraiser's oral testimony regarding the by F.S. 195.027 (4) for determining assessable value. I reviewed the County Appraiser's report regarding the eight factors of valuation and studied the reasonableness of the conclusion. I then drafted a response and recommendation noting that the Petitioner used the TPP assessments in its income approach to value for the real estate. I then made revisions for the findings of fact along with a legal review for the conclusions of law for final upload into the VAB system. 4.52 hours.

Item 17. These are a series of four minor assessments by the County Appraiser made on vacant lots and an easement involving oral testimony and evidence reports given one after another. Petitioner did not offer testimony but included his evidence package which I had to review leading to no value evidence for these petitions. They are Petition 95, 97, 98, and 102. Petition 95 is a residential parcel formerly occupied by six apartments. Petition 97 is a single family residential lot. Petition 98 is a lot defined a canal, underwater, valued at \$110, and Petition 102 is an easement valued at \$90. All of these petitions required review of the reports and property cards for adequate data meeting CAMA mass appraisal requirements and consideration for policies easements per F. 193.011, as well as checking for any evidence in Petitioner's package 135 pages. I then made revisions for the findings of fact along with a legal

review for the conclusions of law for final upload into the VAB system.
3.55 hours,

Item 113. This Petition is a no show on a commercial parcel. Time spent includes review of the Petitioner's appeal documents to determine if a request to be heard in absence is listed with no good cause provided to the clerk for a reschedule, as well as determine if evidence was provided. I then made a statement for the findings of fact along with a legal review for the conclusions of law for No Shows and a final upload into the VAB system. 0.25 hours.
